Salary Boost For Pointe Schools Approved

POINTE PARAGRAPHS

by The Pointer Grosse Pointe, who prefers remain anonymous, considers of the unluckiest person in Township. Here's why: few weeks ago he read in the Pointe Review, a suggestion to Detroit Tiger fans to do ticket shopping early. Bearing this in mind, he mailed in request for tickets to the ball game. A few days later he received two reserved seat tickets for the opening day ball game. He placed the tickets in a special pocket of his old overcoat, to assure their not getting lost or misplaced. Last week he returned from the office to discover his pocket had sent his old coat flying with other clothes to the street for Holland Drive.

After the storm passed over, wife wearily said, "but dear, I looked through all the overcoat's pockets." She did with the exception of the little one pocket which was too secluded.

As a result sometime in the past some man in Holland will be anxiously at two tickets for opening day ballgame between Detroit and Cleveland.

Two extreme conditions were noted in the classified section of a newspaper recently when published the following car for sale:

Cadillac Convertible. 1947. All accessories. 500 miles \$5,900. Ford Coupe, 1934, Sensational condition, cheap.

Due to a typographical error in article appearing in the Grosse Pointe Review last week, Text Chief of Grosse Pointe Police has been receiving a kidding.

The error appeared in a paragraph of story dealing with the improvement program, which should have read: The Police office will also be reorganized. As a result of the reorganization the Police Officers will be re-allocated.

Remember?

20 YEARS AGO The congregation of Faith Lutheran church was to have operations on its new building program, which included addition to the church proper which built four years previous.

15 YEARS AGO George Meyers, 48, who in February was found by Grosse Pointe police in the home of C. Fitz Gerald Bedford, was sentenced to 14 1/2 to 15 years in a Southern prison. He was charged with breaking and entering. Police doubted the truthfulness of a confession made by Meyers when he said he had six persons in a small room in a hotel. He was also indicted in an attempted jail break in the county jail while serving sentence.

10 YEARS AGO The U. S. Government was believed to have been considering the movement started by the Grosse Pointe to a coast guard vessel that was possible in the center of Grosse Pointe activity on Lake St. Clair.

FIVE YEARS AGO A man was broken on the new law of funeral home. Many were scheduled for Whitaker's funeral home. Fifty-two were included in Board of Health. Three City Council members promoted, on one of the ways to sergeant.

ONE YEAR AGO The effort to swing to the right in the clothing drive was scheduled for a house pick up of clothing bundles. The five Pointe staff by municipal employees as well as members of the Kiwanis and every street

Board Announces Raises

Culminating fifteen months of cooperative study by the Board of Education and the employees of the Grosse Pointe Public Schools and Public Libraries, the Board of Education passed favorably on new salary schedules at its regular meeting on April 2. These increases, together with increases granted a year ago as a result of the vote of the taxpayers to permit the Board to exceed the 15-mill limitation by 1 1/2 mills for operating purposes, mainly salaries, will make it possible by 1948-49 for teachers to obtain maximum of \$4,300 for teachers with Bachelor of Arts degrees and \$4500 for teachers with Master of Arts degrees.

While the new schedule reflects increases for all employees, the major increases in rates were given to teachers which constitute the larger group of employees.

New schedules for teachers and other professional employees will not become fully effective until 1948-49 at which time the salaries for men teachers with A.B. degrees will be increased \$604 over the present maximum, and for women with A.B. degrees will be increased \$680 over the present maximum. Men teachers with M.A. degrees will by 1948-49, increase \$564 over the present maximum and women teachers with M.A. degrees will increase \$840 over the present maximum.

For the 1947-48 school year the advance toward these increases will be \$500 at the maximum level, with increases ranging from \$390 to \$500 for all teachers below the maximum. For 1947-48, this will give the teachers a maximum of \$4436 for men with M.A. degrees, \$4160 for men with M.A. degrees, \$4196 for men with A.B. degrees and \$3920 for women with A.B. degrees.

NEW PLANS

The schedule for 1948-49 plans to equalize the maximum for men and women at \$4,300 for teachers with A.B. degrees and \$4,500 for teachers with M.A. degrees. Following the vote of the taxpayers for a millage increase in March, 1946, the Board made an interim upward adjustment of salary schedule and initiated a comprehensive Personnel Study which has been in progress by the employees and the Board of Education over the past twelve months in cooperation with Robert M. McMurry Company of Chicago and the Detroit Bureau of Governmental Research of Detroit. In this study a careful appraisal of job values was made and several teaching positions were upgraded above the others, including such positions as vocational trades teachers, department heads, elementary teacher counselor, elementary first assistant, two head school librarians, dramatic director of the high school, instrumental music teacher in the teacher with assembly direction, and student association advisors. These positions will carry maximum of \$200 more than the regular teachers' maximum when the schedule is completed. Five teaching positions held by 15 people will carry maximum of \$100 more than the regular teachers' maximum as a result of Job Evaluation Study. In brief, of the 215 teachers now employed, 27 to 50 will be in positions which will carry a maximum of \$4700 when the schedule is completed in 1948-49 and 15 will be in positions which will carry maximum of \$1000. These maxima for special jobs will only be approached in part for 1947-48, that is with maxima of \$500 increase.

REASON

The reason for the two-step program to reach the new maxima, as explained by the Board, is that some plan had to be worked out to finance these schedules. By combined expected revenue increases from state aid

The Supreme Court's decision upheld the Circuit Court's judgment in the case last January when it ruled that Township assessments were fair and just.

Woods Businessman Persecuted

Are the city fathers of Grosse Pointe Woods interested in the development of their village? The answer to this question is NO if their abusive treatment of Pete Broedell, of Broedell's Plumbing Company, 20229 Mack is to be taken into consideration.

Broedell, who is a Woods property owner and a taxpayer has been receiving 5 Day violation tickets for having plumbing supplies on his lot, adjoining his store.

This action is the latest development in the persecution of Broedell who is only guilty of trying to aid World War Veterans in building new homes.

A short time ago Judge Don Goodrow fined Broedell \$100 and court costs for violation of Ordinance 12, which forbids storage of merchandises material on vacant lots. The court claimed he used the place as a supply yard.

Broedell, who purchased more plumbing and heating supplies than he could stock in his store in order to meet the desperate demands of ex-G.I.'s was forced to place some of his stock on a vacant lot. He made no sales from this lot.

After being fined by Judge Goodrow, Broedell moved his stock from the lot which he was renting to his own lot next to the store. He asked Woods officials for permission to keep the stock on his lot for a few weeks until the additional building quarters were completed.

The Woods officials stubbornly refused to co-operate with this Wood business man. They are presently fining him \$100 for each five days his stock remains on his own property.

Broedell has appealed his case to the Circuit Court. In the meantime this issue should be worthy of deep thought among Woods taxpayers.

Are the Woods officials wise in discouraging business developments in the Village. Developments which in turn would reduce taxation.

Why not co-operate with present and potential Woods business men instead of persecuting them. It would be to the advantage of Woods taxpayers.

Pictured above on the left is the surplus stock of the Broedell Plumbing Co., which is piled in neat stacks on Broedell's lot next to his company, according to officials of Grosse Pointe Woods this is a violation and Broedell is being fined \$100 for every five days his stock remains on his lot. Editor's Letter Box

To the Editor: Your co-operation is asked to keep expenditures and taxes down to the necessary functions of City government. This constant demand from pressure groups for additional services always costs the taxpayers more money. Voting machines which determine the results of an election a few hours earlier, and are only used about 4 days a year and lay idle to rust and deteriorate 361 days a year are not a good investment for the City. To equip the city with 50 of these machines at a cost of about \$50,000, plus cost of storage for 361 days, is downright waste. Even if bought on time the have to be paid for. In the recent election in Dearborn a few voting machines were used. Because the voters were not familiar with operation of these machines, many voters were lost and the returns on these machines were known after the votes were counted by those who voted the conventional way. Keep these gadgets out of the City! A Citizen

To the Editor: Once again we would heartily appreciate the splendid co-operation you have always given us in helping to advertise our affairs. We are giving a dance on Saturday, April 19, and following is a suggestion of what we would like to have printed during the one or two weeks previous to that date.

"De La Salle Alumni is giving another big dance to celebrate the Post-Lenten season. The date is Saturday, April 19 at 9 p.m. and the place is the De La Salle school gymnasium. The Buceaneers will be presiding on the bandstand with plenty of danceable tunes, and as always, plenty of refreshments downstairs in the cafeteria. Admission will be \$2.00 per couple, tax included.

Thanking you again for your past help, as well as for any you may give now and in the future, we are,

Yours very truly, De La Salle Collegiate Alumni Harry J. Rothenberg, Jr.

To the Editor: In reviewing the activities centering around Army Day of last year, it has been noted that Michigan newspaper editors did an outstanding job in focusing the public eye on Army Day, and added considerable prestige to the Army through friendly editorials, pointing out our Army's accomplishments and present importance to World peace.

We of the Army Recruiting Service, charged with the responsibility of building a new type of volunteer Army, thank you for your public spirited contribution to National defense, and Army prestige.

This year, on Army Day, we again ask you for your co-operation, and the special assistance that only a friendly press can give to a project deserving public support and sympathy. Sincerely,

Pointe Veterans Bonus Explained

According to reports from the Adjutant General Office at Lansing, fifty per cent of the Michigan Veterans' Bonus applications received at that office are improperly made out.

In an effort to curb these errors which cause unnecessary delays, the Grosse Pointe Review explains the following questions which appear to have been the most troublesome to veterans of Grosse Pointe.

In the upper left hand corner of the application blank appears a space for claim number. Does this mean the Veterans Administration claim number?

A. Do not fill in this blank, it is not a federal claim number at all. It is the number the Adjutant General is going to assign to the particular bonus application.

A veteran in Grosse Pointe Park asks: I have two honorable discharges for two periods of service. What do I do?

A. If you have two discharges, you will need to file an application for each discharge. There is only one exception to this, and the answer to that comes in a question from a Women's Army Corps veteran.

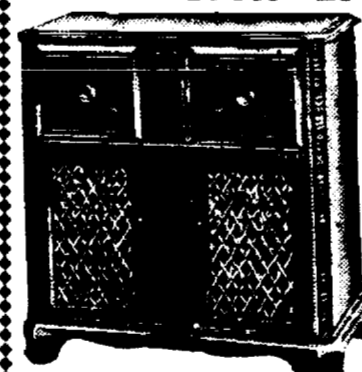

Q. How can I give evidence of my service in the W.A.A.C.?

A. It is necessary only to file an affidavit as to this service in the W.A.C. The affidavit must be notarized and it is of course preferable that the W.A.A.C. show a copy of orders placing her in the W.A.A.C. If her period of service was unbroken, that is if she did not accept a discharge from the W.A.A.C. and then come back in the W.A.A.C., she needs to make only one application, accompanied by the affidavit of service in the W.A.A.C. If her period of service was broken, it will be necessary to make two applications.

This comes from a notary in Grosse Pointe City: What about an enlisted man who was discharged and accepts a commission?

He fills out an application blank for his enlisted service and another application for his service as an officer. Both forms should be clipped together and submitted together. The Notary.

Charles Lamb, 1350 Nottingham, reported to Grosse Pointe Park police that his two-wheel Roadmaster bicycle was stolen from Defer School. Charles said the bike had black fenders with a maroon frame.

SALARY

(Continued from Page 1)
and local taxes, the cost of all salary schedule increases for 1947-48 will be approximately \$136,000 and an additional \$70,000 for 1948-49, or a total of \$206,000 for the two-year period. The maximum state aid increase expected from the sales tax diversion will be \$140,000 to \$160,000 for the two-year period which is \$45,000 to \$65,000 less than is needed for these schedules. This may have to be raised by an increase of local taxes by 40c to 50c per thousand dollars assessed valuation or the local school services may have to be curtailed.

The Board recognized the necessity, however, of saving its school program by keeping teaching and other salary levels at a point where the best available personnel is attracted to Grosse Pointe, even though some of the special services now being offered have to be curtailed. If curtailments become necessary, they will have to be made by such undesirable methods as increasing class size, decreasing maintenance and office service, curtailing counseling and restricting supplies and essential teaching equipment. It is the hope of the Board of Education, however, that this program can be carried into effect by less drastic measures.

It is possible also that sales tax diversion money may be made available for the 1946-47 school year by which the Board of Education would be able to make some immediate cost of living increase to all employees.

Teen Talk

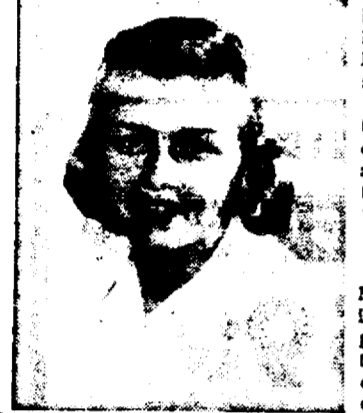

By MEEKY MARIE VAN ZANEN

Washington, D. C. and New York State became the destination set before Frank, Wilton, Harry Mack, Bill Hamilton, Doug Buck, Bill Beardslee, Harvey Reyst, John Cobane, Barry Munro, Phil Droll, Peder Field, Bob Serge, Bob Gall, Jack Swift, Brud Preston, Post Fordon, and Loyal Jodar, when they set out to visit New York City, Annapolis, Niagara Falls, Radio City Music Hall, Fred Waring Broadcast, Statue of Liberty, Rockefeller Center, Empire State Bldg. and other famous spots of interest with CHET SAMPSON, who by the way just returned from tour of the 24 South American Countries.

The boys left April 3, and will be back around these parts April 9.

April 7, was the date and 52 Hawthorne marks the spot where a simply wonderful combination of a hag and slumber party was thrown by SUE CRUIKSHANK, who served just 'scads of hot dogs and cake to Diane Wuerker, Sally Reynolds, Carolyn Harn, Jean Giles, Diane Thompson, Ruth Arnets, Charlotte Smith, Kay Stewart, Jean Swan, Kathy Greig, Gladys Osterman and Betty Nelson who came for the shag end of it, and Barb Mann, Babe Mann, Mary Ann Mann, Sharon Ford, Gery Rounds, Felice Thorpe and Helen Plath, who stayed on through the wee hours of the night.

Complimenting MARILYN MILLER of Grand Rapids, who was the house guest of NANCY BODLES during Easter Vacation, a lovely dinner party was given at the Grosse Pointe Yacht club, for MARILYN and her date TOM WILLSON, KEN CHRISTIANSON, NANCY's date, Lorne Norton, Lorene Hewitt, Jack Wilson, Florence Erringer, Don Cardozo, Helen Stevenson, Harold Beattad and Cecily Wade.

MARILYN MILLER

The group gathered around a table set with fresh spring flowers, to feast on a delicious dinner, and then dance the night away to the lovely music which suited the occasion perfectly.

With DORIS DIESING and Marilyn WALTERS, co-hostessing a lovely luncheon party was given on April 8. Highlight of the afternoon was the awarding of prizes for the winner of an exciting game played and then things wound up with a few hands of bridge.

To complete the fun the girls served creamed tuna fish, jello salad, holla, milk and ginger bread, with whip cream. Saw Jean Webb, Norma Neeh, Nancy George, Carroll Grylls, Janet Johnson, Susie Johnson, Sheila McEae, Jane Lundgren, Polly Wilton, Pat Perone, Merry Bauman, Gail Wright, Janet Hobson, Marcy Wehterbe, Glinny Grane, your scribe, and Janice Skillman there.

LOIS MEHRING was another lass who thought that a bridge luncheon would be fun and so on April 9th she gathered Nan Stever, Babs Glase, Dotty Geyer, and Marilyn Bower over at her house for a few snappy hands. After this the girls gorged themselves on goodies such as pepsi, potato chips, and sandwiches and cake.

A popular place for the kids of Sacred Heart convent to go on Wednesday night was CHARLENE SALMONS' abode on Lewiston where she gave a madvelous party for all the Juniors! At 9:00 sharp the fun began with dancing in the exclusive recreation room, and between the music of the records, hot dogs and pepsis were provided for refreshment.

AMONG the many were, BOB LEPLA, CHARLENE's date, Sue Joyce 'n' Billie Coddle, Celeste Belanger 'n' Pete Klaver, Joan Mattingly 'n' Bob Schick, Carol Diederich, 'n' Vinee Turcotte, Kitty More 'n' Johnny Murphy, Connie Gilner 'n' Jim Toucaney, Mary Sherwood 'n' Andy Fraser just to mention a few!

ED KARRER'S dinner of baked ham, potato, salad, milk, and apple pie was made to order for ROD VILLANEUVE, who left on a trip to Florida with his parents, on Thursday night. Bading him good-bye were Dick Mitchell, Jim Stover, Mrs. Mitchell, Mrs. Karrer, Mrs. Kimmel and Mr. Yench.

And now here's hoping you all enjoyed the Easter parade, and will enjoy your vacation even more!!
Toodles-Lo!!

G. P. Students Wins Scholastic Contest Honors

The manuscripts of six Grosse Pointe High School students have been awarded prizes in the South-eastern Michigan Regional Scholastic awards contest sponsored by Scholastic Magazine and the Detroit News.

The work of 150 student writers in this area have been sent to New York in competition for the national awards.

Grosse Pointers who received key awards are Barbara Hart in the short story field and Dick Grann and Mary Patterson in news story division.

Honorable mention was given Fred Curto for an editorial and Elizabeth Jones and Marie Von Arx in the column division.

A program honoring these writers will take place on Tuesday evening, April 22, in the auditorium studio of WWJ. At this time dictionaries will be presented those whose writing abilities have won them recognition.

The winning Grosse Pointe selections were submitted from the classes of Miss Doris K. Trott and Mrs. Isabelle Pohlbel, English teachers.

Disc Jockeys

Three of the girls who attended Sue Cruikshank's Hag Party, Monday evening at Sue's home on Hawthorne road are pictured above gathered around the music box. From left to right they are: Diana Thompson, 1346 Summerset; Jean Swan, 365 Roseweat Plaza; Gladys Osterman, 1902 Fisher and their hostess Sue Cruikshank.

Rumpelstiltskin Reviews

Children from four to six years of age are still too young for long involved stories. Although they often sit very quietly and listen with rapt attention to every word, (especially at bedtime) their attention span is not quite up to it. Again the vocabulary is often too difficult for them to understand. For them, the simple story, simply phrased is the most interesting.

Many picture books in fact, other juvenile books also) have the age range printed on the jacket; sometimes outright, more often in code, usually in the lower right or left-hand corner. For instance, 40-70 means for the child from four to seven. Other publishers might use a code such as 09012 meaning for age 9 to 12. This device is an ever ready aid to the adult, who finds himself in a crowded juvenile book department, cut off from the service of trained salespeople.

The following book list is suitable for children from about four to six years of age:
The Story of Little Black Sambo, by Helen Bernerman: An old childhood classic originally published by Frederick Stokes Co., in this country.
The Little Fisherman, by Margaret Wise Brown, illus. by Doreen Ipacar Scott publishing Co. Sea creatures, fishing boats and fishermen drawn with a fine feeling for design and color in a simple story, with the repetition children love.

The Little House, by Virginia Lee Burton. Illus. by the author. An original and charming picture book, especially enjoyed by little boys. Other picture books by the same author and with an endearing humor are: "Katy and the Big Snow," and "Mike Mulligan and His Steam Shovel," published by Houghton.
The Coloco Books, published by Oxford University Press. Written and illustrated by Tasha Tudor. The titles include "Pumpkin Moonshine," "Alexandeer The Gander," "The County Fair," "Dorcas Porkus" and "Linsey Woolsey." They are little books easily held by small hands, and done in the lovely color for which the author is famous.

The Little Golden Books, published by Simon and Schuster at 25c each. "Scuffy the Tugboat,"

Hunt Club Notes

Many of the Grosse Pointe Hunt Club's younger set, home from school and college for the Easter holidays, took a few hours out from the busy whirl to do a little riding. Patsy Jerome, a student at Smith College, was noted in the indoor ring, giving a small brother George some pointers. Also home were Marjorie Bull, Bruce Carey, Suzette Alger, Ken Cunningham, Eric and George Stroh, Milt and Ed Henkel, Joyce Mulkey and Al Whitaker.

The Easter weekend was a cue for other GPHC juniors to give their wanderlust a little workout! Barbara Fruhauf and cousin Dick flew to Florida to holiday with their respective parents, Geri Rounds and her mother, Mrs. Harold Rounds, journeyed to Missouri, where they once-visited Stephens College, which GPHC plans to attend. Gloria Roberts flew to Los Angeles for a visit with her parents, the Glendon H. Roberts, and her grandmother. Despite all these comings-and-goings, all four of these juniors, who are ardent horse show exhibitors, will be out at the Club bright and early Sunday afternoon, April 13th, for participation in the fourth Schooling Show.

Grosse Pointe Hunt Club member, Edward Henkel, returning from a stay at Delray Beach, Florida, traversed some of the country's finest hunting country. At Pinehurst, North Carolina, Mr. Henkel viewed the Moore County drag hunt and attended the breakfast that followed. While in Virginia Mr. Henkel took in a Point-to-Point Race at Upper-ville, saw the Orange County hounds, as well as the Warrenton pack.

Other GPHC travelers are the George Trendles, who have been vacationing at Fort Lauderdale, Fla.; Mrs. Henry Hopkes Jr., a Coral Gables visitor; Mrs. George Fink and family, Hot Springs, Virginia; George M. Holley, Palm Springs, California.

Despite blizzards, floods and wind storms, spring must be just around the corner and that means that the Club's Outdoor Rides Committee will shortly go into action. Joseph J. Marshall is chairman, assisted by Mrs. Walter Stewart, Mrs. Harold Rounds, Mr. Walter L. O'Hair, Mr. Frederick A. Carey.

Gabriel Richard Sponsors Benefit

Gabriel Richard Council, Knights of Columbus, of Detroit, is sponsoring a card party and carnival on Sunday evening, April 20, in their club building, 9375 Amity, at Parkview and Kercheval, the entire proceeds to be given to the CYO to improve their boys' camp facilities.

In only six out of the last 131 years has historic Lake Champlain failed to freeze over. The average date of the freezing is February 4.

Grosse Pointe Observes Easter

A colorful Easter Party was held last Friday at the Grosse Pointe Nursery School. Included in the group pictured gathered around Mrs. Thomas D. McCormick, directress, are Majorie Beally, Chuckie Usher, Suzanne Bien, Cissie Blackburn, Michael Kerrigan, Larry McCormick, Terry Emmons, Bobby Blackburn, Jimmie Andrews and Danny DeVeig

The Grosse Pointe Review's photographer catches a few of the thousands of Grosse Pointers who attended Easter services Sunday. This picture was taken at St. Paul's Church, 157 Lakeshore Drive, during the 12:15 mass.

Personality Expert Lectures At Masonic

Veronica Dengel, expert on the problems of personality, beauty and poise, will offer two free lectures at Masonic Temple next Monday and Tuesday, April 14 and 15, at 8:15 p.m.
 Mrs. Dengel, author of "Personality Unlimited," "Hold Your Man" and "Figure Fitness in Fifteen Days" will talk on personality improvement and figure fitness, and she will direct her lectures to the business girl, housewife and professional.
 "A girl or woman can learn to be more vital, beautiful,

slender, alluring and successful," declares Mrs. Dengel.

From her Monday audience the lecturer will select, from volunteers, a woman to be the subject of her famous "Twenty Minute Miracle." The woman chosen will receive a complete new outfit, coiffure and make-up and be presented "transformed" on Tuesday evening.

Easter Sunday, greatest of all days in the Christian church calendar was proclaimed joyously from choir lofts and pulpits throughout Grosse Pointe Township.

Spokesmen for Township churches said that this year's Easter congregations exceeded those of past years.

Many churches arranged duplicate programs to accommodate overflow crowds. Services were planned from early morning until late afternoon and evening.

A record turnout heard Rev. G. Merrill Lenox sermon "Good Morning" at the Easter Sunrise Services conducted by the Youth Groups of the Jefferson Avenue Baptist Church.

A capacity crowd of more than 1000 persons attended the Grosse

Pointe Congregational Church at 11 a.m. service at Pierce School's auditorium.
 Sanctuaries, stripped of decorations during Lent were decked with flowers, and altars which had been somberly draped, again gleamed with ornaments of gold and white.
 After the numerous early services, many young people of Grosse Pointe had Easter breakfast at their churches.

St. Paul Hi-Lites

by PAULA BEAUPRE

We've heard that everyone is enjoying himself immensely during this Easter vacation and are getting way ahead of themselves with all their parties. But it seems that the most interesting thing in the world 'round about this time each year are the new spring outfits. So after delving into a few gatherings, we'll skip right into the new fashions and bring you the **EASTER PARADE**:

Once again the PICHE establishment on Ashley Ave. was completely a'air 'cause **THELMA** was tossing another of her ever-popular get-togethers. There was plenty of young chatter filling the house when Thelma opened her doors to girls only.

The usual in the line of refreshments was offered to Nan Stahl, Jo Weuman, Jo Mannino, Marty Mauer, Beatrice Marchand, Henrietta Sutton who gathered together for a gay evening. Although the records were playing constantly, not many were heard because the gals were much to busy just gossiping 'bout this and that.

Gathering around the beautifully decorated dinner table at the CURRAN home on Iroquois Ave. were all **SALLY'S** best friends. The fellas and gals congregated for an evening of cards and dancing.

A wonderful time was had by everyone, as all attending will testify. You can quote Jo Armour and Bryan Briedan, Ann Armour and Roger Shephard, Joan Crowley and George Curran, Perky Lord and Pete Kilgore, Pat Baldwin and Bob Curran, Lee Curran and Bro. Thieboult, Dot Bernavia and Dick Sauder, Dot Meifers and Jerry Jorden. Sally's escort was Bud Baldwin.

In her Easter bonnet,
With all the frills upon it,
She was the sweetest lovely,
In the . . .

EASTER PARADE

Marching along together on this special day were **NAN STAHL, DO BACKMAN** and **JOANNE ATHANSON**.

NAN was attired in a rose suit with a new swagger back rose coat to match. A gray hat and accessories completed her outfit.

DO was garbed in a flaming red suit topped off with a three quarter length white coat. A white pill box hat perched jauntily over one eye and bunches of red cherries cascaded down the back. Reminded me of a cherry sundae!!

Contrasting with Do's suit was **JO's** bright, kelly green one which was given added chic by the rust ascot, scarf tied smartly over the collar.

JO MANNINO'S gray hat and suit was topped by a pale lemon box coat. Orchid and yellow flowers offered the finishing touch.

Shades of the Easter Bunny! If it wasn't **JOAN BETZING** who arrived in an Easter egg blue suit set off by navy blue trimmings. Very stunning!

One of the latest styles today was taken up by **MARY ANN HILLEBRAND** when she appeared in a brown checked suit with a soft pastel pink shortie jacket. Her accessories were dark grown. Her hat with the curling feather looked mighty cute on the feather-bobbed Miss Hillebrand.

Another Irish Miss (We're going by the color of her suit) was **JOANNE WEIDMAN** who likewise arrived attired in a beautiful green affair. Her matching hat which was covered with red Poppies mawed Joanne's blonde hair stand out even more.

A lovely coral dress was **MARTY MAUER'S** choice for her outfit. She accented the gorgeous color by combining it with all black trimmings.

Speaking of spring (someone must have been!) **JOYCE ALEF** looked more like that season of the year than anybody. This lass showed up in a yellow suit with a three quarter length coat which was made (every stitch) by the lovely wearer. Such ambition!

We don't want the fellows to feel left out so right here and now we'll say that they all looked very outstanding in their new suits, ties and well-shined shoes! ((Almost didn't recognize them)).

Well honestly, we could go on like this forever 'cause everyone looked just wonderful, but we've got to stop sometime so it might as well be now!

HAVE LOTS OF FUN 'TILL SCHOOL STARTS and until next week . . . **VALETTE!!**

Plan Jubilee Tea

Mrs. John Parthum, standing, of Kensington road and Mrs. Leo Carrigan of Stanton Lane are assisting with arrangements for the Golden Jubilee Tea which will be held on Sunday, April 20 when Mrs. Walter Bauman will open her home on Chicago Boulevard for the Alumnae Association of St. Mary's of Monroe and their friends.

Aid for France

Mrs. John K. Sloan, left, National Chairman of the Aid for France committee is seen discussing local committee with Mrs. Charles Dean, Jr., of Grosse Pointe during a luncheon at the DAC presented in honor of Mrs. Sloan by Mrs. Thomas F. Paddock, local chairman.

Ladies Guild Plans Spring Reception

The Ladies Guild and Missionary Society of Faith Lutheran church, Philip and East Jefferson avenues, will have their spring party and reception for new members on Wednesday, April 16, with luncheon at 12:30 p.m. Each lady is asked to bring one article or more for the stork shower for Lutheran World Relief.

These articles will be made up into layettes to be sent to needy families in Europe. Following are the needed articles: diapers, long flannel nightgowns, binder bands, long sleeve undershirts, long wool booties with drawstrings around ankle, flannel jackets, wash cloths, crib blanket, receiving blankets, wool sweaters, wool caps, long stockings, rubberized crib sheets. It is not necessary that these articles be new. However, if they are, it is suggested that size two be purchased, as the need in Europe demands clothing which will last a long while and which can be worn for years.

Mrs. Charles A. Lange will have the topic for this meeting, entitled "Back to New Guinea in Faith."

Pointe Women Honor Mrs. John K. Sloan

Mrs. Thomas F. Paddock, 308 Touraine, chairman of the Special Events Committee of the forthcoming Detroit branch, American Aid to France fund-raising campaign, entertained at a luncheon at the Detroit Athletic Club Monday noon, in honor of Mrs. John K. Sloan of New York. Mrs. Sloan is National Campaign Director of American Aid to France.

The Detroit branch is soon to begin its campaign to raise the metropolitan Detroit quota of \$125,000. Detroit plans to "adopt" the French city of Rouen, which was severely devastated by bombing during the recent Nazi and Normandy invasions.

The \$125,000 will be used to establish and operate a Health and Rehabilitation Center in Rouen, where 39,000 of the total population of 115,000 are bombed out and living in makeshift huts. A small part of the \$125,000 will be retained to support the Detroit Unit of American Aid to France.

Wendell W. Anderson is Detroit's campaign chairman, with David W. Rust vice chairman. Mrs. Leonard P. Reaume and Rev. Francis B. Creamer are co-chair-

men of the Detroit Unit, which gathers, renovates and forwards clothing and other supplies to needy French communities.

Joining Mrs. Paddock to honor Mrs. Sloan were Mrs. Leonard P. Reaume, Mrs. Charles A. Dean, Jr., Mrs. James B. Angell, Mrs. David W. Rust, Mrs. John G. Garlinghouse, Mrs. Hamilton D. James, Mrs. Cyril J. Edwards, Mrs. Edward J. Donovan, Mrs. Phelps Newberry, Mrs. Jewett Dwyer, Mrs. Harry Mack.

Now I'll tell a bedtime story

"When that blustery old wind makes the curtains dance and the windows rattle, it's fun to hop into a bed already warm and cozy.

"How come? My new electric blanket, of course.

"Mom likes it, too. She sleeps better 'cause she knows I'm snug and warm no matter what the weather. Sis (who's pretty smart for a girl) claims bedmaking is easier. And Dad goes for it because it costs only a few pennies a week."

Blissful, healthy slumber is as close as the nearest Detroit Edison office or your neighborhood appliance dealer who stocks automatic electric blankets. Made of pure virgin wool by firms who created electrically heated flying clothing, automatic blankets are light and fluffy-textured. In soft boudoir pastels, they wash beautifully, and one blanket does the work of three old-fashioned ones. See them today . . . and switch to better sleeping. Satin-covered electric comforters are available, too.

SO EASY TO USE! . . .
Set your bedside control once a season for the degree of sleeping warmth you want. Your blanket automatically adjusts to temperature changes.

**"Whiz---"
Pigskin Play Predicted**

By CHUCK ALEXANDER
Football in 1947 will be faster and better. It will be a high scoring game... even more than in 1946, and it will be more exciting to watch.

Those are predictions issued by Coach Charles E. (Chuck) Baer, of the University of Detroit, in the midst of a six weeks spring grid drill at the Titan school.

Added experience, plus rule changes, will cause the boost in playing standards, Baer believes. "The return of freshman and transfer rules will mean that nearly every college player will be an experienced performer," Baer pointed out. "Especially, they will be experienced in the system and style of the coach under whom they are playing. Last season, many teams had experienced players, but they had gained their experience under another coach, and in another system. Hence, their experience was at times more a handicap than a help."

Champions - - Players - - Coach

Shown above are tennis stars Don Budge, left, and Bobby Riggs, right, who provided the highlight of the Grosse Pointe High School's tennis season last year. The pair are discussed by Tennis Coach Lawrence Westerville, center, of Grosse Pointe High School, who is the subject of this week's "Meet Your Coach" article.

Meet Your Coach

Mr. Lawrence Westerville, tennis coach at Grosse Pointe High School, is considered one of the outstanding tennis coaches in the country. The record of his teams is chiefly responsible for this high rating.

Grosse Pointe High School tennis teams have won 123 meets and lost 19 during the 14 years they have been under Coach Westerville's direction, for about a .900 percentage. They haven't been defeated since 1941—a total of 65 consecutive victories which is a national record.

Mr. Westerville declared, "Even though we have lost most of our top boys of last year, the team that beats us will have to be better than average." Only three boys on the team have had a year's experience, Paul Grubbs, Tom Willson, and Bill Penoyer.

"Our biggest thrill and honor came when Bobby Riggs and Don Budge worked out with last year's team for two and one-half hours when they were only scheduled for one hour," Mr. Westerville said. That was a great compliment to the interest and ability of the boys.

Star Pointer

Pictured above is William E. Osis, outstanding Grosse Pointe fencer who represented the Grosse Pointe Sword Club in the international tournament sponsored by the Wilkinson Co. of England. The tourney was held at the Waldorf Astoria in New York.

Wayne Squads Begin Season

Two Wayne University squads open spring competition next week when the tennis team plays host to the University of Cincinnati on April 17 and the baseball nine meets the University of Michigan at Ann Arbor on April 18, in the first game of a home-and-home series.

The Wolverines are scheduled for a return engagement with the Green and Gold in Detroit on April 19. Michigan won both games last year.

Coach Norman G. Wann's netters, who were rated thirteenth in the nation last season, will participate in seventeen dual meets and compete in the Mid-American Conference Championships in May. Last year the Tartars won ten of 14 contests.
