It happened during the 1945 football season. Brazil was driving with a part of the Titan driver team through one of Detroit's outlying suburbs, en route to play a baseball game.

He cruised along he heard, "It's familiar, sinking feeling, the roar of a motorcycle flying up alongside.

"Pull over, bud," said the uniformed patrolman. Brazil meekly complied.

"Where are you headed in such a hurry?" asked the policeman. Brazil explained that he was en route to play a ball game with the Titan forces.

The policeman snapped his book shut.

Garden Council Disbands

The Grosse Pointe Victory Garden Council, successfully completing its purpose, has disbanded. The announcement was made at the council's final meeting last week at the Board of Education building after the council passed a motion to disband at the end of the meeting.

Organized in the spring of 1942 to promote and to coordinate a food growing program in the Grosse Pointe municipalities, it has supervised the planting of 1801 individual gardens over the past five years, has arranged for classes in gardening through the cooperation of the American Women's Voluntary Services and the Board of Education, has sponsored the publication of a planting guide for this district, which Mr. V. R. DePetris gave of his time and knowledge to write, has trained a "Boys' Battalion" in garden work, and has assisted in organizing the Harvest Shows which are staged at the Neighborhood Club by the Grosse Pointe and Eastern Michigan Horticultural Society.

VOLUNTEER

Its volunteer membership has been composed of a chairman appointed by the Office of Civilian Defense, clerks of the Grosse Pointe municipalities, and representatives of the A. W. V. S. Board of Education, O. C. D., garden clubs, and professional gardeners' associations in the district. The Grosse Pointe Rotary Club was one of its first supporters.

Sixteen members attended the meeting. Plans for continuing the community gardens in Grosse Pointe City and Park were reported on by Messrs Neff and Stamman. The clerks agreed to take over all responsibility for arranging for the plots so long as community gardening should be practicable in Grosse Pointe. Land will be plowed in both municipalities as soon as the ground is dry enough.

Mr. DePetris, the Chairman, expressed the gratitude of the Council for the wholehearted cooperation which it has received from the Municipal Councils and in particular for the help of Village Clerks Furton, Neff, and (Continued on Page 3)

Busy Little Feet Worry Mothers

Two tots, who had been reported missing by their mothers were found by Grosse Pointe City busy at play at Cadieux and Kercheval, a few blocks away from their home.

The young wanderers were Bob Walbair, 3, 739 Loraine and Barry Brink, 3, 738 Loraine.

Pop Corn King Pops Up Again

Grosse Pointe's famous "Pop Corn Man" has popped into the limelight again.

In answering Stevens, Howard P. Parshall, president of the Village Council, said that Tony has been living off his agreement to not move along, and refrain from parking in one place for long periods.

"In fact," added Parshall, "Tony has even added insult to injury at times by parking in front of fire plugs to conduct his business."

Stevens seemed unaware of Tony's actions and he asked the council to remember that Tony was after all a Grosse Pointe taxpayer who has been conducting a business in Grosse Pointe a long time.

"We know Tony has been here for quite awhile," agreed the council, "in fact his case has been brought up several times."

The council postponed final action by asking Stevens to present his plans and request in written form.

In the meantime pop corn lovers and the police will keep their eyes open for Tony.

GOLDEN DAY FOR THEM

Park's First Official Marks 50th Anniversary

Grosse Pointe Park's first police chief and first fire chief, Mr. Richard Holmes, 69, and Mrs. Holmes, 67, celebrated their 50th wedding anniversary Saturday, May 10 at their home in Mt. Clemens.

Life has been good and the years have been kind to the old couple, who spent virtually all their lives in Grosse Pointe Park. They left the village after Mr. Holmes was retired as Fire Chief after serving 32 years.

He keeps busy now as the handy man about the house and garden while Mrs. Holmes capably carries on the household duties.

Gathered to celebrate the occasion were sons Ralph and George, of Grosse Pointe Park, and their wives and seven children. They listened as Grandpa and Grandma reminisced of the village's pioneer days.

Days when Mr. Holmes was the village's only police officer and also the watchman at the old toll gate on Jefferson and Maryland.

Through the years that followed they saw a small village develop into an enterprising community.

He later became chief of the police and fire department and as such was instrumental in developing them from make-shift departments to well trained and completely equipped protective forces.

Mrs. Holmes smiled as she told of their courting days in the village. "We never had too many places to go," she said, "but as long as we were together we always had a good time."

"It's been that way ever since," said Grandfather Holmes, as he put his arm around his wife, "50 glorious years together."

Charge Unfair Action

Two veterans, one 60 per cent disabled, are suing Grosse Pointe City for alleged underhand tactics which they claim will put them out of business. The case will be heard in the Wayne County Circuit Court, Friday, May 16 at 2 p. m.

The veterans, who both served overseas with the Army, are Sam and Sol Sandler, of Detroit, brothers, who operate a poultry store at 17624 Mack. They claim a nuisance ordinance which was adopted by the Village last October prohibiting the operations of a slaughter house in the Village is unfair to them.

"During the war, said Sol, who carries shrapnel in his back from the invasion of Berlin, when there was a meat shortage this store was considered a convenience, now according to the Village Council it's a nuisance."

NEFF SAID

The veterans purchased the business from Norman Negebauer in July, 1946. Before making the purchase, which amounts to an investment of \$8,000 the brothers checked with Norbert P. Neff, Village Clerk, to see if there was any law against operating a slaughter house in the Village.

According to the Sandlers, Neff assured them that it was perfectly all right to conduct such a business in the Village.

"No comment," was Neff's reply when approached on the matter by a representative of this newspaper.

The ex-GI's troubles began when they were informed by Wayne County officials that their property was under condemnation and that 30 feet of its frontage would be cut off for the Mack avenue widening.

In view of this action the Sandlers made plans to build in the rear of their property. The new building plans were in complete accord with the Village zoning regulations and according to the Sandlers the plans were approved by the Village building inspector, but turned down by the Village zoning committee because of the nuisance ordinance.

NO PROTEST

The brothers said that though this ordinance has been in effect since October, 1946, Village officials did not voice any disapproval of their business. The first protest was heard upon the presentation of the building alterations.

"Why since that ordinance has been effective," said Sam, "some of our best customers have been City officials."

According to Sam, the Council said it would approve the building plans if the brothers promised to eliminate the live fowl.

"Fresh dressed poultry is our best selling point," said Sam. "If we remove it we might as well close up and go home."

When asked how the customers felt about the store, Sol answered, "A great portion of our trade is with prominent people of Grosse Pointe and they have all remarked about how clean and sanitary we keep the store."

"No customer or resident in this vicinity has ever complained about our store."

A Grosse Pointe Review reporter visited the poultry establishment to discover it in a very clean and sanitary condition. There was no foul odor.

"Business isn't as good as it was during the war years," when Negebauer owned the place, but we manage to make a living, said Sam, older of the two. "All we ask is to be allowed to do so. I don't care too much about myself but Sol cannot get work too readily."

POINTE STRIKE

Three carpenters working on a new house at Essex and Beaconsfield for Walter DePaape, 71 Lochmoor, were decided it was best to stop work when members of the Carpenters' Union which is on strike began picketing the building.

CHECKS GUN THAT HURT BOY

Shot Gun Accident Is Bitter Lesson

"My recent bitter experience has taught me that no minor should have the usage of fire arms or imitation fire arms for recreation purposes," said the Rev. Francis B. Creamer, rector of Christ Church, Grosse Pointe Farms.

He had just returned from visiting Davey Beatty, 11, who is in serious condition at Cottage Hospital.

Playing in Francis, Jr., 11, in the church yard at No. 1 Christ Church Lane, Sunday afternoon, Davey was the victim of a gun blast which tore his chest and abdomen. The gun, a 100 year old family relic was held by Francis, Jr.

The Rev. Creamer said that Davey, son of Mr. and Mrs. Harold A. Beatty, of 47 Pine Court, regained consciousness Tuesday after the first time since the accident. Though he is still in danger attending physicians were hopeful of recovery.

Police Bogle, 11, 433 Lakeland, the only eye witness recounted the accident to Detective E. T. Labadie of Grosse Pointe Farms Police.

The youth said that Francis, Jr., had just returned to the yard carrying this gun, described as a double barrel musket. He put some caps in it and pressed the trigger.

"Suddenly there was a large blast," said Peter, "and Davey sitting on his bike about twenty feet away fell down."

"Davey is shot," I yelled and I called my mother and Janie Creamer, who ran into the rectory to inform her father."

Francis, Jr., heart-broken over the accident, Davey was his best pal, told police he got the gun from his grandfather while visiting him at Wilhams, Conn., last week.

Police Nab Car Thief

Two boys riding in a stolen car were apprehended on Windmill Pointe and Balfour road by Grosse Pointe Park police last week.

Henry Haase, 18, 2169 Dickerson and Gerald Jabalee, 17, 2515 Lakewood, told police they had been invited to go for a ride by Russell Dunn, 18, 2945 Hart. The boys said Dunn left the car shortly before they were stopped.

Further questioning and investigation revealed that Dunn was on probation for a Detroit burglary and that he had stolen the car from a used car lot on East Jefferson.

The questioning also convinced police that Haase and Jabalee were innocent. They were released.

Police said that Dunn would be sent to Jackson prison for violation of probation and for unlawful use of a car.

Ypsilanti Wants E. B. Lane

BY CHARLES MANOS

EXCLUSIVE—Ypsilanti, Michigan, population 15,000, wants Everitt B. Lane, Grosse Pointe Park's municipal manager.

The Ypsilanti commission has made Lane an attractive offer to become manager of Ypsilanti immediately.

Lane told a Grosse Pointe Review reporter that he is considering the tempting offer but would not make any decision until next week.

The offer came as a result of Lane's application for the position being accepted over 35 others who were interviewed by the Ypsilanti Commission.

The commission selected three from this group as qualified managers for the specified requirements for Ypsilanti, which recently adopted a manager form of government. Lane was then named as most capable of the three and he has been requested to accept the position immediately.

In making their selection the commission highly considered recommendations from the International City Managers Association, National Municipal Association, and Michigan Association of Managers.

Howard P. Parshall, president of the Park council, was completely unaware of Lane's connections with Ypsilanti.

Parshall said that the council was completely satisfied with Lane's administration which has been instrumental in improving park municipal conditions considerably. "His departure may curb this improvement."

He expressed complete surprise in hearing of the strong possibility of Lane leaving.

Lane, who lives with his wife at 1079 Beaconsfield, left Port Huron to accept his present position with the Park in 1942. He brought with him 16 years of experience in manager form of city government to succeed William Sheed.

Born in New Haven, Conn., Lane attended schools there. He completed his education at Yale and Syracuse Universities.

Village Plans Public Hearing

A public hearing will be held in the municipal office of Grosse Pointe Woods, Tuesday, June 3 at 8 p. m. to discuss possible amendments to the Village ordinance regarding building and living conditions.

Lane Charges Fowl Play

A proposed ordinance prohibiting keeping poultry in Grosse Pointe Park was proposed by Everitt B. Lane, Village manager.

He said the practice of keeping live fowl near dwellings created a rat nuisance.

Ex-Tiger Star To Judge Essays

Harry Heilmann, former Detroit Tigers star outfielder, will be one of the judges in the Grosse Pointe Review's "My Favorite Ballplayer And Why I Would Like To Be Him" essay contest.

The present Tiger sportscaster, who has proved himself as capable behind a mike as he was beside the plate, will be assisted in selecting the five best essays by members of the journalism faculty of Grosse Pointe schools. Their decision will be final.

The contest, which is open to boys and girls of Grosse Pointe or Grosse Pointe Park, began last Thursday and will close on Thursday, May 29. Winners will be announced on Thursday, June 5.

POINTE MERCHANTS DESERVE CREDIT

The theory that excessive business profits are the primary reason for high prices is a dangerous half-truth. It is true that certain types of manufacturing business, producing consumer goods, have shown large earnings. But this was obviously due in part to great demand caused by five years of shortages and scarcities. At the present time, the volume of sales at the retail level is on the decline. Profits in certain basic lines—such as motors, steel, coal, etc.—have been moderate, despite the high level of demand. Extremely high labor costs, coupled with low worker productivity, have prevented anything resembling excessive profits in these fields. It thus becomes extremely difficult to see how substantial price decreases can be effected without a sharp rise in work done per man hour. To this extent, the industrial worker himself holds the key to the price problem.

THE NATIONAL GUARD

One of George Washington's most famous statements was this: "To be prepared for war is one of the most effectual ways of preserving peace." That should be remembered in the present troubled world. And it has an especial significance now that an aggressive effort is being made to build up the National Guard to its authorized strength of 452,000 men.

POLICE CHIEFS SET EXAMPLE

The harmony and complete co-operation that the five police chiefs of Grosse Pointe Township have displayed in formulating plans for the new Traffic School is a credit to the community. Forgetting Village differences and personal recognition the police chiefs have made definite strides together towards their objective and as a result the long needed school will get underway shortly.

Pointers Aid Foster Plan

One hundred and thirty-two residents of Michigan have contributed toward the support of children overseas through the Foster Parents' Plan for War Children for the month of April, it was announced yesterday by Mrs. Edna Blue, Plan International Chairman. American headquarters of the Plan are at 55 West 42nd Street, New York City. According to officials of the Foster Parents' plan two of these contributors reside in Grosse Pointe. They are: Mrs. Alan T. McHenry, 1142 Grayton road and Mrs. J. S. Sherer, Jr., 180 Ridge road.

The plan operates children's projects in France, Poland, Czechoslovakia, England, Italy, Malta, Holland, Belgium and Switzerland, and is caring for children of fourteen different nationalities.

On the receipt of an application by the Foster Parents' Plan, the foster parent receives, as soon as possible, a photograph and a brief history of the child and pays \$15 per month for the support of the child.

More than 52,000 children of all nationalities have been helped by the Foster Parents' Plan since its inception ten years ago.

In the Editor's Mail Box

To the Editor: Your editorial titled "Today's Youth" in last week's "REVIEW" will have the whole-hearted endorsement of all right-minded citizens. There is no substitute for the example and influence of Christian parents in the guidance of their children. But those of us who are parents realize that the help we receive from schools, churches and YMCA's, as you point out, is most important. We need every assistance possible in the responsibility which is ours.

As a member of the Committee of Management and Chairman of the Boy's Work Committee of the Hannan Memorial YMCA (East Jefferson at Waterworks Park) I am in close touch with the work of this splendid institution and the way in which it is helping to meet the needs of our teen-agers. During the past winter, and still continuing, the Hannan Y has been conducting Saturday night recreation and dance programs for teen-agers, under the joint supervision of a committee of parents and high school students.

Pointe Boys At Washington

These lads found the sights in Washington, D. C., and a round trip from their homes in a special train, an excellent reward for protecting the lives of fellow schoolmates during rain, snow and zero temperatures. They were among the 120 Safety Patrol Boys from communities throughout Michigan who were taken on an all-expense tour to Washington by Automobile Club of Michigan from Thursday through Sunday (May 8 through May 11). From left to right they are: Charles Sutton, Woodrow Wilson school, Mt. Clemens; Donald Waggoner, Tromby school, Grosse Pointe; Roderick Shearer, St. Clare of Montefalco school, Grosse Pointe; Arnold Kraft, Trinity Lutheran school, Utica.

beyond the confines of its own building. To this end, both professional and lay leadership are committed to an ever-increasing program of wholesome activities in strategic areas both in Detroit and Grosse Pointe. The interest and cooperation of parents and other youth-minded citizens, together with the kind of leadership the YMCA is anxious to supply, can mean much in our Pointe communities in the way of giving to our boys and girls a proper outlet for their excess energy and enthusiasm.

Here is a real opportunity for all of us to do some real thinking—followed by cooperative action.

Sincerely yours, WALTER G. JOACHIM, 656 Hawthorne Road.

To the Editor: I wish to express to you the thanks of the Grosse Pointe Victory Garden Council for the courtesy of the Grosse Pointe Review in providing unstintingly, over the past five years, publicity related to the food growing program. Without it we could not have reached the community so completely, or maintained their interest for so long a time.

Not only the information we have sent you, but the excellent editorials on the food situation (and on cleaning up the community), the many related articles, and the three outstanding garden supplements which you have issued, have been of the greatest assistance in carrying out the Victory Garden program in Grosse Pointe.

Although the Grosse Pointe Victory Garden Council is disbanding, its members feel that both the community gardens and the many field gardens are very worthwhile projects. We hope that the Grosse Pointe Review will continue its interest in encouraging their planting as long as they are practicable. Sincerely yours, Christine Edwards, Secretary.

Teen Talk

By MEEKY MARIE VAN ZANEN

Indoor parties seem to be on their last leg, as spring fever is beginning to monopolize the fun, and kids are being more content to just sit home, or go for a stroll 'neath the new moon.

However not everyone was satisfied with this type of living and so some of the kids rounded up all the ambition they could find and trekked over to the High school auditorium on Friday night for the annual band concert.

The program was opened by a stirring march, and following close behind was ROB PHILIPS' narration of Dan McGrew, which was just hilarious!!! Rob pranced out on the stage clad in a white nightshirt and carrying a candle so he would not lose his way. While he told the story the band supplied proper acknowledgements and background.

Swingmasters wound the evening up in a big way, with their interpretations of Blue Skies, and My Desire as the outstanding numbers. Adding the feminine touch by their melancholy singing were SUE CAMPBELL, ARLYCE BOOKBINDER, and MARION FIELD, who were all decked out in their loveliest formals.

Among the many were: Barb Mann, Sharon Ford, May Gieschel, Ray Sawusch, Vince Schoeck, Gail Wright, Jan Hobson, June Moffet, Bill Hester, Annie Candier, Pat Erskine, Jerry Raune, Pat Perrone, John Cavanaugh, Mike Merwin, Clarice Ryall, Joan Massey, and many more.

Following this DELTA GAMMA FRATERNITY staged a MAY-FAIR FLOP at the Christ Church Gym. Couples of boys and girls came to dance away a few hours and also to munch on sweet doughnuts and sip cool punch.

Romping to the rollicking music of the records were: Martie Fairless, Fairless, 'n John Cobane, Art Beck 'n Alice Neville, Ginny Grance 'n George Kennedy, Norma Neeb 'n Bud Golla, Susie Johnson 'n Bob Fosmoe, Jane Lundgren 'n John Mack, Joann Morrison 'n Jim Hoading, Betty Waldbott 'n Tom Pierce, while doing the cuts were: Hugh Dill, Bob Bolo, Bill Beardsley, Calvin Purdy, John Murphy, and Doug Turnbull.

Still a few more couples were: Barb Baumen 'n Bill Pierce, Sally Smith 'n Phil Robertson, Dolores Deck 'n Bill Anderson, Janet Johnston, 'n John Corfield and Ted Oslu 'n Izzy Baxter.

The McCALL fashion show down at KERN'S on Saturday afternoon claimed mobs of Grosse Pointers 'round about the time of 2:30 when they all gathered to see what could be made for graduation and vacation at a moderate price and also in a short amount of time.

The teen age models had made their own clothes and modeled them to show the crowd how easy it was. 'Twas a marvelous success and if you weren't among the crowd be sure to join it the next time one of these shows are given.

At one moment a show room, at the next a French Cafe, the HUNT CLUB TEA ROOM set the stage for a marvelous party for the younger set on May 3, when the theme mademoiselle was carried out to the fullest extent. Across the show room windows, were bubbling glasses of champagne, the hazy smoke of cigarette and victims with the inscribed words below it stating, "the violins were warm and sweet and so were you," from the song Mademoiselle. While opposite this and hanging over the fireplace was a long sheet of music. The tables were set with checkered table cloths and white candles, on the main table there was a cake presented by Mrs. Putnam, one of the chaperones, which had Grosse Pointe Hunt Club on it and which also measured to 3 feet long and 2 feet wide.

Helping to consume the tuna, ham, egg, and salad sandwiches, along with pop and also admiring the decorations were: Terry Donahue 'n Rick Deers, Toni DiMarco 'n Doug Turnbull, Barb Fruehauf 'n Pinky Devroy, Barb Bull 'n Ralph Terry, Sharon Fod 'n Bob Snyder, Sue Carson 'n Alex Copeland, Katie James 'n Bob Bassett, Sandy Malcomson 'n Carol Stewart, Joana Baumen 'n Mac Fraser, Lois Buck 'n Bob Coleman, Bill Anderson 'n Nancy Hester, Gess Salmon 'n Bert Widning, Joyce Culenan 'n Jack Corfield, the Spurrier family, Susie, Burt, and the Mr. and Mrs. Gerry Roonda 'n George Beranek, Elizabeth Jones 'n Ed Sob, Jim Connelly 'n Clare Kahler, Gloria Roberts 'n Dick Fruehauf, Kitty McCauly 'n Pete van Osdal, Carol Zimmer 'n John Wallace, and Jean Corbett 'n Harry Ealing.

FISHING
JIM LEMON, DICK NIGHTINGALE, and DICK FORDON, got the fishing bug a little early but nevertheless the cool weather didn't stop them, and so on Thursday night they packed their grips and headed for the Irish Hills with high hopes for a nice panful of fish. They're destined to come home on Monday and then we'll see how many they actually caught!!!

SUE CRUIKSEBANK, chose Friday night to give a lovely supper party for all her best friends, and so Sharon Ford, Helen Plath, Gery Romada, Mary Ann Mann, Felice Thorpe, and Barb Mann gathered to feast on sandwiches, ice cream and cake and gossip a few hours away before jamming home to await their dates for the evening.

ATTENTION!!! All 11A boys and above what are you waiting for? You have your bids and the date (May 17) is drawing near!!! You know what I'm talking about, the Junior Prom of course, isn't everyone talking about it? And just a tip on where to look for a date. There are a lot of girls who every year work hard on decorations and yet they never get asked. They go out of their way to assure you a good time so how's about a bit of turn about play? Let's not let any girl who has worked on a Prom Committee stay at home. It's up to you, you know!!! So how's about it fella's HUH?

BASEBALL CONTEST
Still another announcement: How'd you like to meet your favorite ball player? And get to see the Tigers play for free? All this can be had by winning the baseball essay contest. All you have to do is to write an essay on who is your favorite ball player and why? Now isn't that simple? Even if we can't all win it's fun trying, and good experience too!!! So write yours tonight and enter it as soon as possible, and mail it to the Grosse Pointe Review.

Annie Ward Foster's May dance was an opportune time for the younger set to entertain their friends in an easy and simple way and so HARVEY FISHER took full advantage of it when he gave a dinner party at the D.A.C. His date was Emily Harding and Janet Holtz was squired by Alan Berger.

When CARL ROSSETTI came in from Romeo, on Saturday night, he told one of his closest friends that it was his 18th birthday, and lo and behold what should happen, that FORD SLATER should happen to hear of it and thus he rounded up some of CARL'S best friends and gave a surprise birthday party for him.

The kids roasted hot dogs, in the fireplace in the basement along with marshmallows for dessert before spending the evening dancing and singing around the player piano.

BIG HIT
Shouting their approval of the quick party were, Barry Salton, Clarice Ryall, Bill Turrill, Roy Salton, Sue Mair, Jackie Whittenburg, Bob McEachen, Bill Her, Madge Winters, Brenda Winters, Bill Van Buskirk, Betsy Arnold, Connie Boswell, Rodger Ellis, Spell Quirk, Mary Murray, Clyde Le Mae, Skip Downey, Pat Goyette, Barb Bethel, Chris Mansky, Wen Jenkie, Dolores Molnar, Joyce Slack, Bob Ruc, Bob Champagne, Bill Stevens, and Russ Voltz.

The MORRISON home just buzzed with teen-age pratter on Friday night when JEAN invited all her best gal friends to come and feast on some delicious potatoe salad, hot dogs, cake, and ice cream, for a few gay hours.

The girls, eJan Swan, Delcie Sawucha, Sally Reynolds, Sharon Erickson, EJan Mattice, and Anne Packer, came clad in bobby socks, and wearing sweaters and skirts for the shindig.

That's all for now but see ya next week.

Pointe Unit Urges Support Of Poppy Day

Help and hope is being brought to thousands of disabled war veterans throughout the country by the American Legion Auxiliary's memorial poppy program. Mrs. Elva Nielson, Poppy Chairman of Grosse Pointe Unit, reported at the Unit's April meeting.

Plans for the annual distribution of poppies here on Poppy Day, May 22, were outlined by Mrs. Nielson.

"Help from the poppy has been going to disabled veterans all through the winter and spring," the Poppy Chairman said. "Months ago the Auxiliary went into the hospitals and convalescent workrooms with materials for making crepe paper poppies and gave gainful employment to thousands of veterans. These veterans have been making poppies ever since, with more than 25,000,000 expected to be completed before Poppy Day."

"By making poppies, veterans helpless from wounds or illness discover that they can do something useful. The Auxiliary uses the crepe paper poppy because it must be made by hand and its completion is more of an accomplishment than assembling a cloth flower. As the veterans shape the little red blooms, they gain confidence that they can do other useful things."

"Hospital hours are not long and empty when there are poppies to be made. Hands are busy and muscles gain strength from the gentle exercise. Minds are occupied and recovery is aided."

"Poppy day is an encouraging experience for the disabled. They find that they actually have been able to earn money again and they gain new hope for the future. The money the Auxiliary pays the veterans goes for little comforts to brighten hospital days; for a great nest egg for the difficult days of rehabilitation, or it is hurried home to help support the veteran's wife and children."

The money derived from the poppy sales is used for veterans in hospitals, to send crippled children to Grace Bentley Camp, for needy families in Grosse Pointe and Detroit, for child welfare work or any emergency that may arise.

The Grosse Pointe Unit has a rehabilitation chairman who visits Marine and Veterans Hospital at Dearborn giving one day a week at each hospital, shopping for the boys, writing letters, etc.

Your contributions will be greatly appreciated.

State College Pays Tribute to Pointe Youths

Two Grosse Pointe boys are among the 340 former students and alumni of Michigan State College who gave their lives in their country's service during World War II who will be honored with a Memorial Center.

They are Harry Stephen Cole, son of Mr. and Mrs. Ben H. Cole, 413 McKinley road and Thomas Forester Harris, son of Mr. Harold J. Harris, 1935 Audubon and the late Mrs. Harris.

A technical sergeant with the 8th Army Air Force, Harry was shot down over Merceburg, Germany on November 2, 1944.

Thomas, a flight engineer with the Army Air Force, was killed in a plane crash over India on November 11, 1944.

Michigan's State Memorial Center will include two separate buildings, an International House, dedicated to the promotion of international goodwill.

Joining the two major units of the Memorial Center will be a covered walk. In the horseshoe-shaped space formed by the two buildings and the covered walk will be a Peace Fountain and garden. The entire project will be located on the campus at East Lansing and will overlook the nationally famous Beal-Garfield Botanical gardens and the Red Cedar river.

The project is to be financed by voluntary contributions, and already alumni, students, parents of students, and other friends of the college have subscribed to the project. Glen O. Stewart, director of alumni relations at the college, is now accepting pledges and funds to go toward construction of the Memorial Center.

Besides honoring the 340 who gave their lives in the service, the Memorial Center also will pay tribute to the 6,411 students and alumni who served in some branch of the armed forces.

Rumpelstiltskin Reviews

By ISABEL BONEY Folk and fairy tales of India do not seem to be as popular among boys and girls of ten to fourteen as those of the well-known European countries. However in building the child's library it is well to include an edition or two to acquaint him with the rich culture of an ancient people now ready to take a new place in world economy. A good introduction, to help the child in the enjoyment of Indian literature might be: The Land And The People of India, by Manorama Modak. Published by Lippincott. This book is one of a series which introduces us to our world neighbor in a simple direct and friendly way. Each is written by a carefully chosen authority, who knows the country intimately. Maps and the photographic illustrations enhance their value. 64 Deccan Days, by M. E. Fife. Published by Murray is a volume not generally available, however some libraries are stocked with it. They are tales collected from a Hindu nurse. Indian Fairy Tales, edited by Joseph Jacobs, (Pub. by Putnam) is one that is of real value. Jacobs collected from many sources and achieved distinction in the difficult task of putting folk literature in good form for children. Although he confesses to alterations in the text of his material, these changes are made only when he judges them to render the stories more interesting to children. His English, Celtic and Indian folk tales are among the best. The Talking Thrush, by Rouse Lished by Dutton. A good edition illus. by W. H. Robinson. Publisher the story teller, rather than for the juvenile reader. Tales of the Punjab, by Mrs. F. A. Steel Published by Macmillan. A good collection for the juvenile reader and to read aloud. Next week: Indians of America.

Our "Hi-Lites" reporter Paula Beaupre, who is ill asked me to write her column as her guest. Let us hope that Paula will be back soon.

Playing hostess to a "strictly for girls" party was planned by SALLY McKERRAN. Trekking down to the Punch and Judy for a movie, was first on the hostesses program. For the rest of the gala evening the girls pent at Sally's abode gab-festing, listening to their favorite records.

Others sipping cokes between dances were Mary Jean Schulte and Bob Trombley, Nance Stahl and Jimmy Schionherr, Theresa Furnier and Harold Warmer.

At Joan Beaupre's "dwelling" on Moross Rd. a few girls gathered about and played a couple games of cards and to the "wee" hours of Saturday night. Pierce School Presents Annual Spring Concert

The Music Department of Pierce Junior High School will present its Eighth Annual Spring Concert on Wednesday, May 21 at 8 p. m. in the school's auditorium. The choruses, under the direction of Gwen Brockmiller, and the band, conducted by Herbert Nuechterlein will be heard.

Characteristic of the wide span of music studied by Pierce students are the opening numbers in the choral portion of the program, "Jesu, Joy of Man's Desiring," by that master of early choral music, Johann Sebastian Bach, and "May Day Carol," by the contemporary American composer, Deems Taylor. Brahms, whose fiftieth anniversary of his death is being commemorated this year, is represented by the First Waltz of the Liebeslieder Waltzes, followed by "Valse Bluette" by Drigo-Riegger.

The Chorus then presents a Russian group, including "Two Guitars," Leontovich's "The Bluebirds," and the fiery "Russian Sailor's Dance" by Gliere-Elkan. Concluding Part One will be three spirituals, "There is a Balm in Gilead," "Soon Ah Will Be Done" and "Dry Bones," the last being a Fred Waring arrangement in which the various bones of the body are represented by certain percussion materials.

After the intermission, the Band will usher in the second half with Olivadori's spirited "Comet March." Two selections from the National Contest List for Bands then follow, Bach's deeply-moving "If Thou Be Near," featuring the wood winds, and Clarissa's "May Overture." The height of a tall tale is then further increased by Coon's "Jack and the Beanstalk," a novelty for the band and narrator.

The theme from the third movement of Rachmaninoff's "second Piano Concerto, popularized by the movies, will then be presented in a band arrangement by Philip Lang. The sad fate of the "Three Blind Mice" will be depicted, followed by a musical picture of "Zombies," those soulless, mindless creatures, creeping ghostlike through the night. To again restore the audience to a calm equilibrium, the band will play John Philip Sousa's "The Thunderer."

In the grand finale, the chorus and band join forces to present the great Finnish Composer, Jani Sibelius' "Onward Ye People," a majestic and triumphant outburst of faith and hope in the future of mankind.

Tribute

The White Women's Federation of the Detroit area is taking an active part in the plans now in progress for the Anne Campbell celebration to be held May 16.

The banquet will be held in the Fountain Room of Masonic Temple at 6:30 p. m. May 19. Tickets may be obtained at Detroit Federation Club House, Second and Hancock or from Mrs. John D. MacQueen, 903 Burnside Ave.

Mr. Schroeder will be toastmaster at the banquet and Dr. D. Henry, president of the University will be the speaker of the evening.

W. S. Gilmore, editor-in-chief of the Detroit News, by Mrs. E. Ware Griffin, immediate president of the Federation of Women, will be the committee chairman in charge of arrangements.

Continuing its policy of featuring outstanding speakers and entertainment at its monthly meetings, a program planned for a meeting will include Inspector Sanford Shoultz of the Detroit Police Dept., who will talk on "Juvenile Delinquency."

The color-sound movie of "The National Park" will be shown at 8 p. m. The meeting will be called at 8 p. m.

7 Year Track Records Broken

By Beck, Follis

Last Tuesday the Grosse Pointe track men met Highland Park on the former's home grounds. Although Highland Park was not supposed to measure up to the Blue Devils, they proved to be quite an even match for the Pointers.

Dan Beck, was run in neither of his usual high or low hurdle races, because Coach Frank Banach decided to use him in the quarter mile. By saving his strength, he was no match for any of his competitors. Mr. Banach's change worked out and Dan broke the seven-year standing 440 yard record by two seconds.

The field events turned in G.P.'s favor as far as the shot put was concerned. Tom Follis, who has been threatening to break another seven year standing, finally threw a record toss of forty-four feet eight inches. This broke the old record by three and one-half inches. Ed Isbey took close second honors. The broad jump didn't fare as well, as the only Pointer to place was Ed Isbey, again taking second. The best jump was made by rookie Bob Borden with a leap of nineteen feet two inches, but the official called a foul on it. Borden has jumped very little this year, as it was his first varsity meet. He experienced a short-lived happiness until the foul was called.

Weekly Radio Grams

By JAMES H. QUELLO

Johnny Slagle, the man with the "laugh," has been persuaded to return home to Detroit after a year of successful network experience. He received an attractive offer from WXYZ where he performed for ten years before following the lure of Radio City.

The first week after Johnny left WXYZ, the station was flooded by letters from housewives requesting his return. He'll take a ring as a Disc Jockey starting May 18th replacing Eddie Chase who moves his "Make Believe Ballroom" to CKLW.

NO GAG

A number of letters were received from readers the past week asking whether or not the highly publicized Fred Allen censorship was a publicity gag. The answer is "no." Allen was genuinely fed up with the net's whimsical blue-penciling. However, future reference to Vice Presidents by other radio comedians were bids for a slice of the enormous editorial space allotted to the Allen incident.

Even stodgy NBC started to realize the publicity value and made vice presidency offers to Hope, Allen and others for press consumption.

Despite all controversy, dope from New York is that Allen will definitely remain on the NBC net. He likes his present high Hooper ratings.

RADIO NEWS

"Ten Commandments for Radio Commentators" was presented by a radio press agent to four radio editors at a panel discussion of a national radio convention. The panel featured four radio editors against four press agents. It caused enough of a furor to merit reproduction.

reports on Licavoli had an amusing twist, built around a fellow member of the department, Patrolman Charley Slusser.

Slusser making the rounds of his beat noticed that a light was burning in a home on Balfour road. The officer knew its tenants were away on vacation and that police had been asked to watch it against prowlers.

In accord with his duty Slusser investigated. "Is Mr. Pete Licavoli at home?" was the officer's query when someone answered the door.

"No, said the person who identified himself as the caretaker, "Mr. Licavoli will not be home for some time."

Satisfied that everything was in order Slusser continued about his duty. About an hour later he returned to the station to read in a newspaper that a nationwide police hunt was underway for Pete Licavoli.

"And I asked if Mr. Licavoli was home," chuckled Slusser.

Another innovation they have added is the entertainment in the pleasant surroundings of the cocktail lounge. Des Davey has been added to make a smash hit of the Jack Thayer-Jack Spence programs on Saturday nights. East Warren's new slogan "Let's get acquainted neighbor" means just that. Join your neighbors where the big names in bowling, hockey and baseball mingle with theirs.

Village Acts To Curb Fire At Hospital

Grosse Pointe Park is cooperating with Detroit to curb a fire threat at Marine Hospital on Alter road below Jefferson. The Park council at a meeting Monday afternoon, agreed to permit the Detroit Fire Department to use water from the Village main near Alter road in case of fire at the hospital.

The council's action came in answer to a letter from Detroit authorities explaining that Detroit's water supply in that area was not sufficient to combat a serious fire efficiently. Detroit agreed to pay for all water used.

The council approved the plea on two conditions that the water supply will be used only for emergency and that the plan is only a temporary one until Detroit completes its new water and sewage program.

YOUTHS MEET "HAL"

"Why I Would Like to Meet My Favorite Ballplayer," Essay Contest, sponsored by the Grosse Pointe Review affords every boy and girl in Grosse Pointe or Gratiot Township the opportunity to meet their favorite ballplayers in the same manner as shown above. Sandlotter's Dick Foster, left, and Dick Brietenbeck, who favor Detroit's Hal Newhouse, met the Tiger ace in person at Briggs stadium recently. The winners of the five winning essays will be guests of the Grosse Pointe Review to watch the Tigers play and also meet their favorite ballplayers. See story on Page 1.

Devil Nine Splits, Awaits Highland Park

By KEN VENDERBUSH
 With two victories and two defeats behind them, the Grosse Pointe High School baseball team will play two games with Highland Park this week.

Thursday the Parkers will journey to G. P. to make up the game postponed on May 2. On the following Tuesday the Devils will return the visit for a regularly scheduled game.

Highland Park was the top power of the Metropolitan League last year. So far this year they have defeated Fordson and Wyandotte, the perennial baseball schools of the Border Cities League.

Tuesday the Pointers met the Fordson Tractors but the rains came necessitating the game being called at the end of three innings with the Tractors leading 4-0.

Last week the Devils played both their games away beating Wyandotte, 4-0, Tuesday and bowing to Monroe, 5-1, Friday.

The Wyandotte Bears could well have been called the Wyandotte Polar Bears during last Tuesday's contest. The mercury dipped below 40 degrees that day.

The Devils scored two runs in the third. John Rummel was hit by a pitch and later scored on an error. Ken Christianson continued his heavy hitting by doubling to left followed by Matt Patterson who also doubled scoring Chris.

The Devils scored their other two runs in the seventh when Jerry Allen got two bases on an error. John Jervis singled scoring Allen and Christianson singled over short scoring Jervis and ending the run production for the day.

Friday it was a different story. The weather was warm and the Devils lost. Christianson having just pitched three days before a fine job of relief pitching holding the Trojans scoreless the remainder of the game.

Sandlot Baseball Opens Play

Sandlot baseball will get under way in Grosse Pointe, Sunday, with colorful opening day ceremonies when four teams of the Grosse Pointe Baseball League swing into action.

The opening schedule pairs St. Clair Wolverines at Grosse Pointe High School's field while Bob's Drugs meets Gragg Schores at Mason field. Both games are set to start at 2 p. m. Harper Merchants, the fifth entry in this Class B (no age limit) division drew a bye.

The Junior Division, Class E, for boys 16 years of age and under, begins play Tuesday at 8 p. m. Tom Boy's meets Steiners at Grosse Pointe High field and Kivnias plays News at Mason field.

Metropolitan Club Backs Boys League

The Grosse Pointe Township Baseball League which is sponsored by the Metropolitan Club of Grosse Pointe, will begin practices sessions soon.

The announcement was made by Bill Mason, athletic director who said the Club will again sponsor one team from each of the Five Pointe Villages.

All boys who are 16 years of age or under who would like to play in this league are asked by Mason to watch the Grosse Pointe Review for the date and place of the first practice.

The following persons have been named as managers of the teams: Steve Walker, Park; Harold Green, Shores; Don Coats, Woods; Dick Hanson, Farms. No manager has been found to take care of the City's nine. Anyone interested in managing this team is asked to call Mason at VA. 2-1162.

Pointe Netters Seek Revenge from Monroe

By KEN VENDERBUSH
 The Grosse Pointe High School netters have been biding their time this week, awaiting the big meet with Monroe. When the Trojans arrive at Grosse Pointe Friday they will encounter a defeated G. P. squad out to prove whether Monroe had a lucky break when they broke the Devils astounding 60-game winning streak or whether the Trojans are really the superior team.

If Monroe should beat the Devils it would be conceded that they are the better team. But — if we beat them by a score of 6-2 or better it would prove G. P. is still tops. If the Devils beat Monroe by the same score, 4-3, at home, as they were beaten by Monroe on the Trojans' home courts, it will indicate the two teams are pretty evenly matched.

The Devils will play their last two meets of the season against Fordson, here, Tuesday, and Highland Park the following Friday at Highland Park.

Tuesday, the netters downed Wyandotte 7-0. Dan Guy, Bill Penoyar, Hugh Dill, and Bruce Kirchner, playing No. 1, 2, 3, and 4 singles respectively easily defeated their opponents, Craig Rebold, George Kocsis, Roger Jackson, and Jack Whitlow.

The doubles combinations — Don Broadbridge and Bob Stritzinger, Jon Walton and Marvin Weaver, and Frank Ried and Bob Trees also trounced their Bear adversaries. It was Ried and Trees' first varsity match and they won 6-3, 6-0.

Against Royal Oak Friday it was the same story. Tom Willson, Dan Guy, Paul Grubbs, and Bill Penoyar trounced the Acorn singles players and in the doubles Broadbridge and Stritzinger, Dill and Kennedy and Schneider and Kirchner also downed their opponents.

Sandlotters Seek Friend

A group of boys who want to play ball in a regular league this season need some one to back them.

The youngsters who live in Grosse Pointe Park and City, are 18 years of age or under.

"We have a pretty good team too," said Don Patterson, 14, one of the organizers of the team. "We would like to join the Grosse Pointe Baseball League."

Arnold L. Dieking, president of the league, said that the cost of backing a kid's team in the League would not exceed \$200. This includes the purchase of sweatshirts for 15 players, bats and balls and the entry fee.

Anyone interested in helping these youngsters with the opportunity to play ball regularly can obtain full information by calling Don at TU. 11320.

Robinson Fight To Be Heard

Welterweight champion Ray (Sugar) Robinson will square off in a 10-round non-title bout against middleweight George Abrams of Washington, D. C., on Friday night, May 16, as boxing returns to Madison Square Garden. The bout will be broadcast over ABC and its affiliated stations at 10:00 p. m., EST, as a Gillette "Cavalcade of Sports" feature.

Friday night's fight will be a tune-up for Robinson, who is preparing for a defense of his title in Cleveland later in the season. Abrams, who scored an upset win over the hard-hitting Steve Belloise in their last Garden appearance, lost a close verdict during the winter to French champion Marcel Cerdan.

Bill Corum and Don Dunphy, ABC lightcasters will describe the blow-by-blow action.

Just Bobbing Along
 One of Coach Lloyd razill's chief worries this spring is that some day one of his University of Detroit baseball players will yell "Let Bob take it," on an infield fly.
 That would be awful," he pointed out, "with Bob Meym on third, Bob Gorman at short, and Bob Prendergast at second. And when Bob Miller is pitching that only adds to the confusion."
 "I did it because I don't like women!" — William Pyle, arrested in Los Angeles for snipping off feminine tresses.
