2500 Attend Local Commencement Rites

Diplomas were presented to a class of 274 students at the commencement exercises of Grosse Pointe High School last Thursday evening.

The outdoor exercises, attended by approximately 2500 people, were held on the lawn of the high school building. The pillared portico of the library provided a stage.

Included in the class were 32 graduates who completed their high school work as members or veterans of the armed forces. A total of 207 boys have now been graduated from Grosse Pointe High School during or after service in the armed forces of the United States.

Last week's class brought the number of students to be graduated from the high school since the first class of 24 members in June, 1925, to a grand total of 4655.

Endangers Life To Save Pet

A prominent Grosse Pointer risked his own life Sunday afternoon in the choppy waters of Lake St. Clair in a vain attempt to save the life of the family pet scottie.

The dog accidentally fell into the lake from a 25-foot slip owned by Mr. Merris James Gram, of 207 McKinley, while he was taking Mrs. Gram and their two children for a boat ride.

Mr. Gram immediately dove into the rough water after the animal but he was unable to reach it before it went down. The body was recovered at the foot of Grand Marais by Park police.

In his concentrated efforts to save the dog, Mr. Gram became so exhausted he was unable to return to his own craft. His family yelled for help.

Answering the call was Mr. John W. Stroh, who pulled Mr. Gram aboard his cruiser.

Park Police, Firemen Get Salary Hike

Members of the Grosse Pointe Park police and fire department and all salaried employees of the Park received a 5.5 per cent raise Monday evening at the park council meeting. The raise is retroactive to April 1, 1947.

The salary boost, which affects approximately 68 employees, increases the annual Park payroll by \$11,580.

The council acted on the recommendation submitted by Commissioner Homer C. Fritsch, who completely studied the matter.

It has been reported that the employees were seeking a 10 per cent increase in salary.

This marks the second pay roll boost within a month. Recently the council approved a 7 cents per hour increase to all hourly wage employees.

Furniture And Boy Get Cooled Off

A 14-year-old boy was apprehended by Evans police Sunday afternoon for throwing lawn furniture in the swimming pool of Mrs. L. D. Buhl's home at 219 Lakeshore.

The boy, who also admitted throwing furniture in the pool on previous occasions, was found over to his parents by the Evans police after being severely lectured.

Fires Peril Pointe

Three fires raised havoc in Grosse Pointe, destroying a three-car garage and a 1940 Chevrolet in the Park and causing damages estimated at \$1,000 to two homes in the Farms.

Park's fire department answered a call Sunday afternoon to the home of Mr. W. A. Bushaw, 1251 Lakeshore. His garage was on fire. Before the department could get the fire under control it had destroyed the garage and Mr. Bushaw's car. No other cars were in the garage.

CAUSE IS MYSTERY
The property is owned by J. Nancy, of 1243 Whittier avenue. Flames also damaged the adjoining garages and one across the alley. Total damages were estimated at \$5000 by Fire Chief Rector.

Chief Rector said the cause of the fire was undetermined. He is investigating reports that children were seen playing in the garage prior to the fire.

TWO AT FARMS
Sparks from a neighbor's incinerator were reported to be the cause of the fire which ruined the roof and attic at the home of Mr. John Macomb, 253 Lewis-ton, Monday afternoon.

Chief George F. Dansbury said that the fire had been burning for hours before it was discovered.

However, other than water damages to household furnishings, amounting to an estimated \$500, the damage was limited to the roof and attic.

The Farm's second major fire within 24 hours happened at the home of Dr. John Tagel, 332 McMillan. It was caused by an unattended sun lamp which started the fire in the bedroom.

Chief Dansbury estimated damages at \$500.

WRONG NUMBER AND HOW!

If you call TU 2-8400 the operator will politely tell you that phone has been temporarily disconnected.

It certainly has. Park police found the phone bearing that exchange in the ladies Rest Room at a gas station on Kercheval and Beaconsfield, Saturday afternoon.

NOTED GUEST
Miss Ann Farley, daughter of the former Postmaster General, James A. Farley, whose engagement to Edward J. Hickey, was recently announced, will be the guest of her fiancée's parents, Mr. and Mrs. James L. Hickey at their home on Edgemont.

Ground Rites For St. James' New Church

The Rev. George E. Kurz will officiate at the ground-breaking of St. James' Lutheran church of Grosse Pointe on Sunday, June 29, 12:00 p.m., at the church site, McMillan near Kercheval. The ceremony will take place immediately after the regular Sunday morning service, which is at 11:00 a.m., at the Punch and Judy theatre.

In keeping with the style of architecture predominant in the community, the church to be constructed will be the colonial type, designed by the George D. Mason company.

Assisting Pastor Kurz in the ceremony will be representatives of the architectural firm and the Emil Van Sile Construction company, builders, together with the following congregational representatives: E. P. Bauman, chairman of the building committee; Harold Ried, chairman of the building fund committee; Warren Wessell, president of the congregation; Harold Meinke, senior trustee.

For the past six and a half years services have been held every Sunday at 11:00 a.m. and Sunday school at 9:15 a.m. in the Punch and Judy theatre, previous to which the congregation met for ten months in the Grosse Pointe High School.

ROTARY HONORS
The Rotary Club service award, a wrist watch, was presented to Earl Brabb, who was selected as the student having given the most unselfish service to the school.

The Rotary Club also presented the high school with a hand trophy for which is engraved each year the name of the hand member who has excelled in citizenship, citizenship and general contribution to the welfare of the band. A member of the junior and senior high school bands for the last five years, Barbara Coulter was named the winner of this honor.

Barbara started her instrumental career after being severely lectured.

From left to right the youngsters are Jean Mohr, 8, of Lakepointe; Carolyn Desorme, 11, of Wayburn; Jeannene Dial, 12, of Wayburn and Margaret Bohle, 7, and her brother Hubert, 5, of Pemberton.

Hunt Club Exhibitors Win Share Of Ribbons

Despite stiff competition from outstanding horses of the Middle West, Grosse Pointe exhibitors earned their share of ribbons during the recently completed Grosse Pointe Hunt Club Horse Show which attracted more than 5000 persons.

One of the topnotch performers of the four-day show was Mrs. Harold S. Wells' chestnut mare, "Suzanne," which took first in the Middle and Heavyweight Working Hunter Class, second in the Middle and Heavyweight Hunter, third in the Other Than Thoroughbred Hunter.

"Suzanne" was also a member of the trio that took first in the Hunt Team Class. Owner-rider Mrs. Elmer Boyd showed two horses to fine advantage. Her Tennessee Walking entry, "Harvest Moon," won his

class, and then walked off with the \$100 Stake for horses of his type. Mrs. Boyd's other entry, "Guardman," was second in the Model Three-Gaited Class, second in the Amateur Three-Gaited, eighth in the \$500 Three-Gaited Stake.

Mrs. J. Deane Rucker's brown gelding, "Wag Fever," was tied second in the Green Hunter class, third in the Model Hunter.

Ernest C. Putnam, up on "Belldale," won the two classes for Grosse Pointe Hunt members which he entered, the Amateur Open Jump and the Hunter Hack.

He also placed sixth in the \$300 Working Hunter Stake. Mr. Putnam's "Captain Joe," ridden by Jimmie Casson, was tied for seventh in the Five-Gaited Stake. Mrs. Ernest C. Putnam on "Romper" won the Park Hack class for members only.

Hunt Club Junior Donna DiMarco earned ribbons both in junior and adult competition. She was third in the Junior Open Jump, fourth in the Junior Knockdown and Out and fourth in the Novice Open Jump, open to both adults and juniors.

Tom DiMarco on her new chestnut mare, "Tinker Toy," won the outstanding event of Junior Day, the Tri-Club Challenge Trophy.

A secretary to succeed Mr. Ralph M. Clarke, who was defeated in the recent election will also be chosen.

Dying Dog Bites Master

A dying dog bit the hands of its master and a person who tried to help it Sunday evening in Grosse Pointe City.

The dog, a cocker spaniel, was run down by a car on Kercheval near Lincoln. His master, Carl Wettlarfer, 12, 514 Lincoln and Mr. Charles Hammond, Jr., 680 Riverside, attempting to take the dog to a hospital were bitten.

The animal died upon being admitted to Harvey Veterinary Hospital. Dr. Harvey, who after examining the dog's brain said that the animal had been free from rabies.

The injuries to Carl and Mr. Hammond, who was taking a walk with Mrs. Hammond at the time of the accident, were not serious.

Shot Gun Victim Is Up 'n Bound

Davy Beatty, 11, is up and around again after spending more than two weeks in Cottage Hospital in serious condition as a result of being accidentally shot by an old musket rifle in the hands of his playmate. It happened several weeks ago.

Davy is the son of Mr. and Mrs. Harold A. Beatty, of 49 Pine Center.

Housing Problem Is Acute

The Grosse Pointe Board of Education is again faced with the serious problem of finding housing for new teachers.

The problem is even more acute this year because of the scarcity of capable teachers.

Some excellent candidates for positions are unwilling to sign contracts until living accommodations have been found. This is particularly true of families with children. In addition, some of the teachers already on the staff are being forced to find new quarters because of the sale of the property where they now live.

HOMES NEEDED
The School Board estimates that between now and September 1 housing will have to be found for two families with two children; three families with one child; five couples and single teachers with their mothers and twenty single teachers.

Board of Education officials revealed that the housing shortage is the chief threat to the Board's attempt to set up a faculty stabilizer, which is very essential toward attaining a sound educational program.

SALARIES HIGH
Despite the fact that local salaries are among the highest in the mid-west and that working conditions are ideal, the annual change over of teachers is greater than it should be due to the housing problem.

A great percentage of the Grosse Pointe teachers today are forced to live in Detroit.

The housing shortage is a community problem. You are urged to call the Board of Education, Niagara 2000, if you hear of any housing available for teachers between now and September 1.

Rotary Club Marks 10th Anniversary

A sparkling program of ceremonies, entertainment and surprises will mark the 10th anniversary celebration of the Grosse Pointe Rotary Club to be held at the Whittier Hotel, Monday afternoon.

Among the honored guests will be Richard C. Hedke, president Rotary International, Joseph V. Brady, Governor, District 153, R. I., and William J. Moir, president of the Grosse Pointe Club.

The occasion will also mark the last day in office of the aforesaid men.

During the program Dave Burnette, president-elect, will present a Past President's Pin to Mr. Moir.

Highlighting the program will be a Welcome to the Hamtramck Club, by Mr. Fin Henk, first president of the Grosse Pointe Club.

The Hamtramck Club is the sponsor of the local chapter.

Is your family above average radio listening? Latest authoritative survey reveals that an average family in Grosse Pointe listens to the radio about 2 and 2/3 hours each day. Of the 35,000,000 radio homes in the United States, 94% listen to the radio at least once a day. There is an estimated total of 100,000 radio hours being listened to daily. Park Report Gets Praise From Council

The Park progress report submitted to the village council by Everett E. Lane, manager was so highly praised by Howard P. Parrish, president and the entire council that the Grosse Pointe Review here to follow presents the complete report, as given by Manager Lane.

SEWER CONSTRUCTION
District 1, Job No. 1 (Whittier-Grayton Sewer). The work undertaken this spring consisted of replacing sidewalks, driveways and curbs which was completed on June 18. There still remains the job of seeding lawns and final cleaning up. The final completion of his project will be July 15.

District 1, Job No. 2 (Balfour-Alley-S. Mack-Maryland Sewer). The installation of all sewer pipe was completed May 27. Due to inclement weather the removal of surplus material throughout the project was not completed until June 15.

At the present time we are replacing and repairing all sidewalks and street crossings, however, in those areas where complete settlement has not taken place, the replacing of concrete will be postponed until fall or next spring. There still remains the job of replacing trees and seeding of lawns.

District 2, Job No. 1 (Grayton-St. Paul)-Village Responsibility. The remaining work to be completed on this project consists of replacing sidewalks, curbs, and repairing of the roadway. This job will be carried on as soon as conditions permit.

FLOODED AREAS
Considerable progress is being made in local areas where the flooding of basements still exists. Every effort is being extended to determine the cause of trouble, requiring in some cases cleaning of sewers, new structures, and the diverting of storm water to other relief lines. Also the installation of water gauges in the manholes affords us a true picture of the actual functioning of these sewers during abnormal rains.

- 2 Broken sewer pipes replaced.
- 4 Weirs.
- 2 Catch basins requiring additional cleaning.

BUILDING

As a result of the Building Trades Strike, the anticipated increase in home construction was retarded to the extent that only two permits were issued calling for the erection and remodeling of residential dwellings for a cost of \$13,000. For the same period in 1946 three permits were issued for single residences with a total cost of \$35,000.

With the relaxing of Federal building restrictions and permits, effective June 1, together with the settlement of the Building Trades Strike, increased activity for the first two weeks in June have been made with the issuance of 6 building permits for a cost of \$40,000.

In the future Federal permits will not be required for residential construction providing the floor area does not exceed 2,000 square feet. The restriction limiting the number of bathroom fixtures in new buildings has also been lifted.

The remaining controls to be continued are non-housing construction; veteran's preference, which provides a veteran first choice in buying or renting property not intended for the builder's own occupancy; and rent ceilings on new construction. It is predicted that further relaxing of the complete eliminating of all government controls be made in the near future.

OTHER PROJECTS
Bids have been requested for the trimming of 786 street trees which will be let on July 14th. A program for replacing and repairing broken sidewalks has been prepared and this work will be undertaken during July and August.

Paula's Hi-Lites

by PAULA BEAUPRE

June Williams was in the spotlight this week when she was honored with two going away parties before leaving for her summer home in New York on June 28th. She was "guest of honor" at a gathering Saturday night, given by Gerry Mebus at her Lincoln Road abode.

Another get-together which came as a complete surprise to June was given by Betty Peage on Friday night. Lots and lots of kids were there to help the hostesses plan an outstanding parties for June to remember.

Another unique session was the one planned by JEANNE SIMPSON for some of her best friends on Saturday. An "eve party" was the main event of the evening — the girls were first treated to dinner and then they took in a movie at the Punch and Judy.

A group of fellows put their heads together and came up with plans for a hayride. The group started out from Knacks Stables to begin their frolicsome evening. After the ride some of the kids whiled away the rest of the twilight gathering at the home of Ellen Stiles. Some of the star-gazers were Tom Freeland, Pat Roberts, Jack Leonard, Betty Ryan, Diane Rempter, John Horner, Bob Pollock, Joanne Rempter and Dale Bass. Ellen was with Ron Montgomery.

JO MANNINO was another gal in the limelight this week-end when she was honored at a graduation reception given by her parents, Mr. and Mrs. Charles Mannino. Josephine was very lovely in a beautiful white off the shoulder dress combined with a white orchid, with a purple throat.

The affair took place at the Pillar Lodge Temple where Josephine received her guests.

When the guests entered the room, the girls were presented with red and white carnations corsages and the boys a flower for their lapel.

Some of those attending were Mary Sparr and Al Campenbout, Nancy Stahl and Phil McGahey, Joanne Athanson and Ray Huette-man, Ted Vernier, Bob McBride, Joanne Weidman and George Sadd, Howie Meathe and Carolyn Trapp, Ralph Schneider, Chuck Tanner, Nora Allard, Martha Lou Mauer, Thelma Piche, Beatrice Marchand, and many, many more.

Rumpelstiltskin Reviews

BY ISABEL BONEY

Negro folk literature, especially the Uncle Remus Stories by Joel Chandler Harris, has a distinctive place in the artistic heritage of this country. Ethnologists agree that the source is quite ancient, likely stemming from the legends of the African Negro and retold later on the old plantations of the South.

It was in Georgia during the days of the Civil War that Joel Chandler Harris first heard them. He listened carefully and sympathetically, and with sound scholarship and the genius of a true artist, created his great Negro story teller, Uncle Remus. From the tongue of Uncle Remus in his humble slave cabin Brer Rabbit, Brer Fox, and all their friends and enemies come to life. The myth-stories are told by him to "Miss Sally's" little seven-year-old

Faith Choirs To Present Festival

On Sunday morning, June 29th, the three choirs of Faith Lutheran Church will present their Annual Program of Sacred Music. For many years it has been the custom in Faith Church for the choirs to present a program of this nature before the choirs are dismissed for the summer months.

Professor Harold Tallman has been the director of the Chapel and Senior Choirs since the beginning of this year. Mr. Melvin Zeidler is the organist. Miss Josephine Cole is the director of the Junior Choir.

The numbers to be presented by the Junior will include: "All Glory, Laud and Honor" by Williams, with James Brockway offering the solo; and "Brother James Air" by Jacob.

The Chapel choir is made up of girls of high school age, and they will present: "Alleluia" by Mozart and "Jesu, Joy of Man's Desiring" by Bach.

The Senior Choir will offer as their numbers, "When Thou Comest" by Rossini, with the solo by Bettijane Jenks. Miss Jenks is well-known among musical circles in Detroit. The second selection by this group will be "Festival Te-Deum" by Buck, with solo parts being sung by Miss Barbara Murray, soprano; Mrs. Ina Piper, alto; Mr. Orville Ashton, tenor; and Mr. George Griffin, baritone.

As an offertory selection Mr. Zeidler will play "Introduction and Variations on 'Sicilian Mariner'" by Meale. The final number in presentation will be the combined anthem, "Gallia" by Gounod. Mr. Zeidler has chosen for his prelude, "Allegro" by Dupuis, and as the postlude, "Grand Choeur Dialogue" by Gigout.

An invitation is extended to all

WAITING LIST

With the newest James Mason thriller "Odd Man Out," and Van Johnson's romantic hit "High Barbaree" on the Downtown Theatre's list of coming attractions, its current tenant, "The Best Years Of Our Lives," shows no signs of giving up its occupancy in the immediate future.

boy, who listens with rapt attention, while he unfolds the tales rich in shrewd observations, curious retorts and quaint comments, and possessing a humor so deep and genuine that their appeals is as unending as literature itself. The best known story of the collection is "The Wonderful Tar Baby Story."

The original Uncle Remus book by Joel Chandler Harris was called "Uncle Remus, His Songs and His Sayings." It was published by D. Appleton and Co. in 1880. A new and revised edition was completed in 1935 with 112 illustrations by A. B. Frost. Also published by Appleton.

The same edition, in a reprint copy, published by Grosset and Dunlap, is also very acceptable.

Recently Walt Disney has adapted twenty-three of the tales in a colorful picture book. In the foreword he explains and apologizes for changing the dialect of the Georgia Negro. Concluding it was too difficult for the majority of modern young readers, he decided that simplification, although lacking the full flavor of the original legends would serve the humble function of introducing young readers to the wonderful Uncle Remus Stories.

South American Way Offers Orchids Everyday

You may have orchids in your own home, from seed to bloom. Interested? Of course you are and this is how you can obtain a liberal packet of real orchid seeds with complete instructions showing how to propagate these fascinating and excitingly beautiful tropical flowers right in your own home, winter or summer.

Down in Ecuador, South America, there is a growing colony of North Americans who are creating a veritable paradise out of a lovely lush wilderness. These people want small packets of vegetable seeds. They ask you to send an ordinary ten cent packet of seeds of any food plant, and in return you may have a packet of orchid seeds. Fair enough?

The colony has an experimental station with headquarters in Quito, capital city of the Republic. If you will send your packet of vegetable seeds to their address, they will forward your packet of orchid seeds and instructions for propagation by return ship mail. Address:

Bride's Home Scene Of Ceremony

On a wedding trip to the Northwest are Mr. and Mrs. William F. Watson, who were married Saturday afternoon at the bride's home on Lincoln road. The Rev. Frederick Olert performed the ceremony.

The bride, who is the former Ellen Merrill Hewitt, daughter of Mrs. Herbert Windham Hewitt, and the late Dr. Hewitt, wore a heirloom wedding gown of deep ivory satin, combined with hand-tucked French illusion and Alencon lace.

Her long veil fell from a cap of antique rose point lace and she carried calla lilies. She was given in marriage by her brother, Herbert Windham Hewitt, Jr., of Grand Rapids.

Florence Hewitt attended her sister wearing a gown of light blue tissue taffeta, fashioned with a draped skirt. She carried a bouquet of pink roses and blue delphinium.

Henry G. Watson, Jr., came from his home in Evanston, Ill., to be best man.

Mrs. Hewitt was gowned in aquamarine crepe, trimmed at the neckline with embroidered batiste. Her flowers were callias. Mrs. Watson chose a rose crepe gown for her son's wedding and wore a corsage of orchids.

For traveling, the new Mrs. Watson wore a red, white and black lightweight wool suit with a white pique waistcoat and a black felt tricorne hat. Her corsage was of gardenias.

When Mr. and Mrs. Watson return from their wedding trip, they will be at home at the Parkhurst Apts.

Another interesting spot on Phyllis' itinerary is Cadex, called the "Silver Cup" by the Spaniards, because all the houses are white. Valencia, Barcelona, Malaga, Granada, Seville and Gibraltar, are also on her list to visit.

August will be devoted to the study of Spanish at International University at Santander.

In September, Phyllis will matriculate at Pine Manor Junior College, Wellesley, Mass., for her second year.

Teen Talk

By MEEKY MARIE VAN ZANEN

Vacation is here!! And by the length of this column you can see that many kids are already on their vacations, or else so busy playing tennis and swimming that they have no time for parties.

The seniors of course had cause to celebrate, because for them there is no "getting ready for school," next fall, and so on Thursday night much gaiety and frivolity sprung forth from every corner of Grosse Pointe in honor of the occasion.

The exercises were held out on the terrace, where JIM BROWN, BARBARA HART, and EARL BRABBE, gave their speeches on education, friendship, and faith, while Mr. Cleminson announced the honor awards, and Dr. Essert awarded the diplomas.

After this there was a reception given by the Mothers Club, in the girls' gym, at which punch, cookies, and sandwiches were served.

MEEKY

Carrying things out until the wee hours of the night were the open houses that followed, officiating at everyone's first stop was MARY ANN QUEEN, who served coke, sandwiches, cookies, potato chips, and peanuts to: Sally Dalton, and Sandy Malcomson, Janet Van Osdal and Bob Johnson, Marilee O'Brien and Buzz Cronin, Ronnie Wegman and Bob Clarke, Jane Gehlert and Ray Schuman, Lois Rieck and Bob Essert, Alice Neville and Buster Knopke, Kathy Strek and Doug Krieger, Barb Glase and Bill Bolster, Bud Horaley and Sandra Britt, while even more kids stopped off at SHIRLEY EVAN'S abode on Vernon.

Among the crowd were: Burt Spurrier and Amy Morrison, Annie Davis and Ed Isbey, Diane Faulk and Dick Wuerker, Doris Buser and Dan Beck, Cynthia Blean and Gerry Thiedie, Earl Brabb and Sheila McComb.

And still another agenda on everyone's stop list was at DICK BLONDELL'S where Otto Auch, Mar Ballerine, Joan, Baumen, Mac Fraser, Don Beaumont, Betty Blasiola, Bob Campbell, June Clements, Alex Copeland, Henry Brooks, Don Broadbridge, Alyce Buchbinder, Huck Blecki, Ken Cinder, Bob Coagan, Jack Cowan, Homer Cudia, Chuck Deiss, and Shirley D'Hondt, stopped off, to chat and eat a few hours away.

In on the breakfast honors were VIRGINIA DELBARBA, and FLORENCE GRESQUIRE, who served to such senior friends as Dave Hogarth, Bob Gall, Skip Drane, Martha Fischer, Don Greep, Ernestine Grant, Ginny Gregory, Marilyn Gates, Donna Miller, Malcolm MacAskill, Moats Elnan, Dolores Jackson, Chuck Gibson, and Russ Haskin.

Leaving the seniors for a minute, the juniors had their turn of fun on Sunday when PAT HAMMOND, hostessed at a lovely tea in her home on Rivard Blvd.

The buffet table was set with pink and white snapdragons mixed in with fresh, greens, set upon a heirloom lace tablecloth, around which circled small silver dishes chock full with small delicate looking cookies, cakes, and sandwiches. Fresh orange punch was served in tiny crystal glasses from a separate table.

Pat was dressed in an aqua and brown rayon print with a harem skirt, while her attractive hostesses, GLADYS OSTERMANN, and PAT BURNS, looked as if they had just stepped off the cover of Mademoiselle. Gladys wore a cocoa brown taffeta dress with drop, puffed sleeves while Pat chose an eggshell white jacket to wear over a brown linen skirt.

Mingling with their friends on the porch were: Jeanne Jorsted, Helene Myer, Jane Lundgren, Janet Johnstone, Ginny Grasse, Martie Fairless, Florens Bady, Barb Brown, Doris Dising, Janet Hobson, Merry Baumen, Gail Wright, Sheila McRae, Nancy Georgi, and Polly Wilton, along with yours truly.

BRIDGE LUNCHEON

Shrimp salad, was the main course of JANE LUNDGREN'S bridge luncheon, on Tuesday, and for dessert strawberry shortcake was served. The dining room table was set with a centerpiece of red roses, among sprays of fern, and casting admiring glances toward it were:

Jean Webb, Pat Hammond, Doris Dising, Betsy Waldbott, Marilyn Walter, Nancy Georgi, Carroll Grylls, Jeri Hoffmann, from Chicago, Polly Wilton, Norma Neeb, Janet Johnstone, Ginny Grasse, Janice Skillman, and your scribe.

JIM TEETZAL entertained Dick Coyle, Jane Lundgren, Tom Wadsworth, Nancy Georgi and your obedient servant, at a dinner dance at the Detroit Country Club, on Saturday night, after seeing the Stallion Road, at the punch.

The kids danced the night away beneath the stars on the terrace between long refreshing sips of tall cool lemonades.

Others at the dance were: Carter Sales and Molly Moll, Dick King and Laura Murphy, Bob Cudlip and Joany Gehlert, Alice Neville, and Pete Van Osdal, Ronnie Wegman and Bob Clarke, and John Murphy.

A few spirited matches of tennis took place before CARROLL GRYL'S luncheon on Monday afternoon at 1:00. The girls feasted on tuna salad, hot rolls, milk, and relishes out on the lawn around separate card tables, before settling down to a few snappy games of bridge.

In on the fun were: Janet Johnstone, Jane Lundgren, Polly Wilton, Norma Neeb, Gail Wright, Janet Hobson, Jane Lundgren, Doris Dising, Barb Baumen, Betsy Waldbott, Ginny Grasse, Martie Fairless, Sheila McRae and Jean Webb.

Seems we just can't forget those "now ex-seniors." MORE news just popped up about a wonderful coke-tall party given by: JANET VAN OSDEL, BETTY BRADY, LES YEAGER, AND MARY WILLIAMS, for the whole senior class (gals that is).

SCHOOL COLORS

The decorations carried out the theme of blue and gold, the school colors. Each rosette wore a corsage of blue bachelor buttons and yellow roses, with big blue bows and the centerpiece carried out the same hues. Yellow taper candles lent a soft glow to the dining room table where blue and gold napkins circled 'round.

Attending this were: Jesse Ferguson, Diane Faulk, Marilee O'Brien, Annie Davis, Sally Dalton, Dolores DeCoster, Dortha Davis, Pat Day, Diane Dehem, Eleanor Forster, Jeanne Gardner, Jane Gehlert, Ginny Gregory, Pat Gullburg, Myra Hahn, Dorothy Lander, Jean Kimbrell, Mary Luft, Mary Mackay, Flo Michie, Barb Rising, Joyce Schenburn, Alice Sellars, Ellis Shackford, Phyllis Sherman, Marjorie Smith, Marly Smith, Sally Vlasic, Ronnie Wegman, Jo Anne, Wetherbee, and Sylvia Teeg.

AND still more about the grads!!! NANCY STEVER, gave a very formal and lovely luncheon for a few of her best gal friends who were among the many in the graduating class on Saturday at the Womens City Club. Chicken pie, strawberry shortcake and milk were served in a very elite manner around a center decoration of roses.

Enjoying reminiscences of their school days were: Barb Glase, Sue Field, Dot Geyer, Genny Quirk, Pat Day, Sally Vlasic, Lois Rieck, Sally Dalton, Betty Townsend, Peggy Lewis, Betty Townsend, Betty Kishimuro, Cynthia Blean and Joyce Schenburn.

And now 'TIS THE END, believe it or not, so have a happy vacation everybody, and don't get too-oo-oo sunburned.

Engaged

MISS GEORGIA KUEHL Among the recent June bride-elects is Georgia Kuehl whose engagement to Daniel R. E. Cronin, son of Mr. and Mrs. Dan M. Cronin, of Washington road, was announced recently by Georgia's parents Mr. and Mrs. William J. Kurth.

Pointe Girls Chosen As Camp Leaders

Three Grosse Pointe girls have been chosen as Junior Counselors for the YWCA's Camp Cavell on Lake Huron. Majorie Magee, camp director, who selected the ten junior counselors, states that her choice is based on dependability, leadership and knowledge of camp as well as special skills.

The three from Grosse Pointe are Sallie Hoyt, 1150 1/2 Lakepointe; Cecily Wade, 925 McKinley; and Sally Hubbard, 61 Muskoka.

Sallie Hoyt, who was named as junior counselor in riding and swimming has been at Camp Cavell four summers. Cecily Wade has been at camp ten summers and this year will serve as junior counselor in riding and crafts. Sally Hubbard, who has spent two summers at Camp Cavell, has been named sports counselor.

Camp Cavell, located on Lake Huron just 990 miles from Detroit, has long been a favorite vacation place for Grosse Pointe girls. The camp's 34th season opens June 28. School girls 10 to 17 may register at the Downtown YWCA, 2230 Withrill.

Noted Surgeon To Speak At Pointe Church

On Sunday, June 29th, the pulpit of the Grosse Pointe Congregational Church will be occupied by Dr. Hartman A. Lichtwardt, medical director of Women's Hospital, and one of the few surgeons ordained to the ministry. Dr. Lichtwardt is a native Detroit, graduate of Wayne University College of Medicine. In 1919 accompanied by Mrs. Lichtwardt, he went to Meshed, Iran where he was stationed until 1933. Dr. Lichtwardt initiated the first work for lepers in Iran. In 1934 he was transferred to Hamadan, Iran. Dr. Lichtwardt's interest in leprosy has continued through the years. He is an associate editor of the International Journal of Leprosy, and one of the founder members of the International Leprosy Association. In 1938 he attended the International Leprosy Congress in Cairo, Egypt, as an official delegate of the United States.

Dr. Lichtwardt is a fellow of the American College of Surgeons and a fellow of the American Medical Association. Greatly interested in world affairs, he is president of the Foreign Policy Association of Detroit and also chairman of the Executive Board of the World Study Council.

Dr. Lichtwardt's sermon subject will be "The Rock of Christ in a Confused World." He will be introduced to the congregation by Dr. David M. Davidson who as a member of the Board of Deacons will conduct the worship service.

Church Aids Europe

The Men's Club of Salem Memorial Lutheran Church in its last meeting voted to conduct a continuous campaign for food and clothing for people in war-torn Europe. If anyone outside of the church wished to contribute to this cause may call the pastor, Church phone—N1. 9224 or the parsonage TU. 2-2926.

Seventeen scholarship winners were also announced at the commencement exercises. Several of these winners were graduates of the January class.

The Mothers' Club awarded scholarships of \$300 to four students and scholarships of \$200 to two students. In the former group are Richard Allen, Doris Duncan, Kathryn French, and Jennie Quirk. The secondary awards went to David Thompson and Robert Halbrook.

These scholarships bring to \$12,850.00 the amount of money awarded by the Mothers' Club.

Painless Suntan Advice

To get that enviable suntan without enduring the painful, sunburned stage, keep your first sunbath of the season down to 15 minutes, unless you take it after 4 p.m. when the sun's rays are less direct. Remember that ultra violet rays penetrate clouds and fog, and you can be sunburned under an overcast sky. Even during a short sunbath it is a sensible precaution to use a suntan oil, cream or lotion.

WCSC Fights To Curb Pollution

More than 2000 members of the Wayne County Sportsman's Club with their friends and families attended the Second Annual WCSC picnic at Capital Park, Telegraph and Sibley roads, Sunday, June 15, despite the inclement weather. Those present enjoyed chicken, beef steak and pork pies with the proper refreshment, took part in games and contests and saw exhibitions of bait and fly casting and archery.

The WCSC voted not to hold meetings in July and August at its regular monthly meeting at the American Legion Memorial Home in Dearborn, Wednesday, June 11. Meetings of the Junior WCSC will be held July 16 and August 13, the third Wednesdays in the month. Ten junior members will be sent to the Junior Conservation Camp at the Allegan State Forest July 28 to August 2 through cooperation with the River Rouge Savings Bank.

The WCSC has expressed its approval of the legislature's \$79,000 appropriation for the anti-stream pollution work of the State Stream Control Commission, which is double the usual appropriation and in a year when the state has a \$9,000,000 budget deficit. This will insure the keeping of the field office at Wyandotte and patrol boat on the Detroit River which proved its worth last week by revealing the dumping of oily sludge dredged up from the bottom of the River Rouge by the U. S. Army engineers boat Savannah into the Detroit River off Fighting Island.

At WCSC's urging Milton P. Adam's executive secretary engineer of the commission, complained how this endangered the water supply of down river communities and was a menace to fish and wild life in the lower Detroit River at a hearing before the House Public Works Committee in Washington. The WCSC has also complained to Representative George A. Dondero, Chairman of the committee.

Planning Consultant Studies Park Future

Editor's Note: Following is a analysis of popular density in Grosse Pointe Park as submitted by Mr. J. M. Frissel, Park planning consultant.

The area of Grosse Pointe Park is about 2.34 sq. miles. What relation does this area have to its present population and to a future optimum population achieved through density controls and complete utilization of now vacant land?

Accurate information on the percentage of the community's land in various uses will not be available until the land use study is completed. However, general approximations based on averages may be used which will help us visualize present and possible future conditions. Against this background may be placed various proposals to show how well they would relate to acceptable standards.

Large open spaces and yards for home surroundings are desirable. On the average, however, how much open space can economically and effectively be devoted to the average American home?

A density of from 6 to 8 families per acre has been widely recommended as conducive to pleasant home environments.

SIX FAMILIES

Using the density figure of 6 families per acre as a possible future average for Grosse Pointe Park, a population of perhaps 24,000 — nearly double the community's 1940 census (12,646).

On the other hand, a population of about 32,000 could be expected should the basic density pattern be raised to 8 families per acre.

What a development midway between these two densities is like is illustrated in the blocks west of the Pierce School and the George Defer School — being the area on Nottingham Road between St. Paul and Vernor. This area average approximately 7 families per acre.

The following will show how these figures are derived:

Gross area of community	2.34 Sq. Mile
In terms of acreage	1497.60 acres or in round numbers 1500.00 acres
Street area assumed	25% of total 375. acres
Park and open space	10% of total or 150. acres
(Business area not deducted)	Total deduction 525. acres
in round numbers	500. acres

Remaining land 1000. acres
Average family... about 4 persons
The present single family district permits a density of 8.5 per acre based on 5,000 sq. ft. per family, which would permit an ultimate population of 34,000.

EXAMPLE

On the other hand, just to see what would happen if the "B" multi-family density of 1000 sq. ft. per family were spread over the entire community, under a concentration of 43 families per acre, the total population could become 172,000 — greater than the 1940 population of either Flint or Grand Rapids.

Tree Trimming BIDS WANTED

Sealed Bids will be received by the Municipal Manager of Grosse Pointe Park until 1:00 P.M., E.S.T., Monday, July 14, 1947 at the Municipal Building, 15115 East Jefferson Ave., Grosse Pointe Park, for the trimming of 786 street trees in Grosse Pointe Park.

Further information and specifications may be obtained from the Municipal Manager at the above address. The right to reject any or all bids is reserved by the Village of Grosse Pointe Park.

STROH'S
Bohemian Beer

THE STROH BREWERY CO., DETROIT 26, MICH.

The foregoing exploration is, of course, highly generalized and does not take into account the quite different character of development which at present dominates the community, nor does it follow the limits of present deed restrictions. It does, however, indicate what might happen if controls were lessened.

Preliminary examination indicates a present concentration in spots in the "B" district as high as 29 families per acre — based on 1500 sq. ft. per family. This is in the vicinity of Wayburn and Charlevoix Ave.

TROMBLEY AREA

In the Trombley - Windmill Pointe area the "B" district concentration approaches 14 families per acre or about double that in the vicinity of the Pierce School. It should, however, be noted that under the present zoning the same concentration is permissible as in the WaWyburn area. Such a high density is in decided contrast to the surrounding development. This weakness in the zoning should be rectified to bring it into harmony with the adjacent area.

The Schmitz multi-family proposal viewed in relation of the foregoing analysis, shows a 16-family development on a plot of 28,950 sq. ft. or two thirds acre. This development would result in a density of 24 families per acre, which is nearly twice the concentration achieved in the present two-family developments nearby. There is an economy to owners of rental units of this type, but pleasant as the unit may appear there are other solutions — such as grouping of units of smaller size more in scale with adjacent homes. It is also questionable whether such a density should be here permitted.

Grosse Pointe High Has Outstanding Athletic Record

Teams Win Prize Trophy Most Often

By ROB PHILLIPS

Much discussion has passed with little or no explanation of the Border Cities League Sweepstakes trophy in high school competitive sports.

The trophy is awarded annually to the Border Cities League school having the best all-year sport record in football, basketball, swimming, baseball, track, and tennis. The "win-lose" records are averaged up in each sport for every school, in much the same manner as baseball team standings. The schools qualified to earn this trophy are the following: Grosse Pointe, Fordson, Wyandotte, Highland Park, Royal Oak, and Monroe.

POINT SYSTEM

The awarding of the cup is based on a point system. In the final individual sport standings, the first place team earns twenty-five points, second, twenty points, third, fifteen, fourth, ten, and fifth, five points.

At the close of each season the points are kept on record. Thus, the school having most points at the end of the year of school is awarded the trophy.

This year Grosse Pointe had many good schools to compete with for the Sweepstakes cup. The most threatening power, however, was Fordson.

GOOD RECORD

At the close of the season Grosse Pointe wound up on top. This, since its establishment in 1937, is the fifth time Grosse Pointe has won the Border Cities League Sweepstakes Trophy, and incidentally, marks the second consecutive year that Grosse Pointe's Blue Devil teams have won it.

Barring any of our personal addition difficulties, Grosse Pointe retained a mere four and one-half point lead on Fordson. Four and one-half points lacking, according to the rules of the League is just five points too few and Grosse Pointe retained their rights to the trophy.

Tom Dunn To Face New Club

A hard hitting Gragg-Scherer team which trounced Bob's Drugs last week 10 to 0 meets North Harper Sunday at Kerby field.

Gragg has won two of its three starts while North Harper will be making its debut in the Class B division of the Grosse Pointe Baseball League.

Tom Dunn, fast ball artist who hurled the shut out against Bob's Drugs is slated to start for Gragg. In a game that is most likely to provide numerous thrills, Joe Mocer's Memorial Nine plays St. Clair CYO at Neighborhood field. Mocer has won both of its starts while St. Clair has dropped one game out of three played.

The third game pairs Bob's Drugs, who have failed to win in four attempts, and Woods Business Men's Club at Grosse Pointe High School field. Woods has won 2 and lost 2.

All games are scheduled at 2 p. m.

ROW, ROW, ROW YOUR BOAT

Pictured in the rowboat presented by the Grosse Pointe Rotary Club to the Girl Scouts at Camp Holly, Michigan are Mariel Reamore, of Lakepointe, member of the camp committee; at the oars and her pretty passenger Marilee O'Brien, of Barrington road. The Rotary Club has also presented a new canoe to the Girl Scouts which will be delivered soon.

Girl Scout Camp At Holly Opens

By ELIZABETH ROBINSON

Official opening date of the Girl Scout Camp at Holly, Michigan, was June 23. About 200 Grosse Pointe Girl Scouts will attend the camp this summer.

1000 from the Detroit area will attend.

Swimming, and other water activities will be in full swing this year, as Camp Holly now boasts a brand new H-shaped dock, a float, 4 canoes, 6 rowboats, and 150 feet of beach.

Also quantities of sand have been dumped into the lake to cover up that old mucky bottom, formerly so unpleasant to step in.

Two qualified Red Cross life-savers are on full time duty at the water front.

GOOD WATER

Drinking water comes from one of the numerous springs in the area. A pump, going 90 feet into rock, brings the water to the surface for camp use.

The entire camp site has been sprayed with DDT, thus taking care of the mosquito problem.

The kitchen building, completed at a cost of \$690, is a 24' by 18' log cabin type, with copper screening and storm windows. The latter are a necessity in winter when small groups of Scouts use the building to eat and sleep in.

Donations which made this fine building possible came from the Rotary Club, the Lion's Club, Mothers' Club, and the Aiger Post of the Veterans of Foreign Wars.

GYPSY TRIPS

Gypsy trips will start next week. Grosse Pointe Wing Scouts, and two counsellors will leave in a station wagon, with trailer attached. They will trek to Mackinaw City, cross the Straits, and continue on to Isle Royale in Lake Superior.

There will be one Gypsy trip every week all summer, each with a different destination.

July 21 a group of Grosse Pointe Wings will go on a 75 mile canoe trip down Ausable River in Northern Michigan. Two other such trips will be conducted during the camp season.

Mrs. Lynn O'Brien, Chairman of the Camp Committee, wishes to express appreciation to all who have given financial aid to the Girl Scout Camp Program, and to those Dads who gave so gener-
