ALL SWIMMING BANNED! PUPILS BREAK RECORD

Fall Enrollment To Be Largest In Pointe History

On Thursday, September 4, the largest enrollment in the history of Grosse Pointe Public Schools is anticipated.

The announcement was made by the Board of Education staff, which estimates that approximately 5300 pupils will be in attendance the first semester. This is an increase of nearly 200 over the September, 1946 enrollment.

IN GRADE SCHOOLS

All of the increased enrollment will be in the elementary grades, according to Mr. John R. Barnes, Superintendent of Schools. "We expect between 650 and 700 children in the kindergarten," said Mr. Barnes. "This is nearly 100 more kindergarten children than ever enrolled in the schools before. The Grade One enrollment will be well over 500 pupils which is approximately 125 more pupils than ever enrolled in Grade One." Mr. Barnes pointed out that the very heavy enrollment in kindergarten and Grade One is a reflection of the high birth rate of 1941 and 1942.

All school principals will be on duty beginning Monday, August 25. Teachers will return to duty on Tuesday, September 4. A two-day Teachers Institute has been planned by the local schools for September 2 and 3 in order to insure that all necessary preparations have been completed for the beginning of school on Thursday, September 4. These planning conferences have proved to be valuable aids to effective school work in recent years, according to the Superintendent.

NEW PUPILS WARNED

School authorities stress the importance of early enrollment of pupils who are new to the Grosse Pointe Public Schools. All school offices will be open for parents and pupils for enrollment from 1 to 4 p. m. August 26, 27, 28 and 29. Due to the planning conferences on September 2 and 3, enrollments cannot be taken care of on those days. All schools are closed on Monday, September 1 because of the Labor Day vacation.

It is important that any student who comes to the Grosse Pointe Junior or Senior High Schools from another school system write immediately to his former school requesting that a transcript of his credits be sent directly to the Registrar of the Grosse Pointe High School or the Pierce Junior High School. Transcripts of credit are not necessary for new elementary pupils, but parents or pupils should bring with them written evidence of the child's grade classification at the close of the 1946-47 school year. School authorities point out that lack of such evidence of pre-school classifications will seriously interfere with effective and prompt enrollment of pupils. Parents are also urged to bring or send birth certificates to the schools as an essential record in the enrollment of their children.

PUPILS TO BE TRANSPORTED

The new school unit now under construction at Vernier and Mack will not be ready for the opening of school this semester, according to Mr. Barnes. This will force a continuation of the transportation of Mason Grade 5 and Grade 6 pupils to the Tromby elementary school during the first semester. Pupils in Grade 4A of the Mason district will also have to be transported to the Defer elementary school until February 1.

Enrollment increases in the Kirby elementary school district will also necessitate the transportation of Grade 6 pupils from that district to the Maize elementary school during the entire 1947-48 school year.

Plans for the first unit of a new Kirby school are practically completed and the Board of Education is expected to act on them soon. (Continued on Page 2)

Village Neighbors Get Cars

Twenty-five people received new cars through the courtesy of the Detroit Fireman's Field Day, and two of those are neighbors in Grosse Pointe. Mrs. Kathryn Janis, of 1111 Wayburn, and Miss Jean Gardner, of 1104 Wayburn.

Mrs. Janis, mother of an 11-year-old boy and a 9-year-old girl, was the only one of the twenty-five present at Briggs Stadium for the Field Day show. She now owns a 1947 Hudson.

Miss Jean Gardner, 19, daughter of Mr. and Mrs. Olin Gardner, the other neighbor, has a new 1947 Nash. Jean doesn't know how to drive, but will probably learn now, her mother said. Jean is a Junior at Wayne University.

Mayor's Parents Killed

Funeral services were held Saturday for Mr. and Mrs. Conrad J. Netting of Detroit who were killed Thursday in an auto crash near Flat Rock. They were the parents of Ralph B. Netting, mayor of Grosse Pointe City.

State Police said that Mr. Netting applied his brakes while passing another car to avoid an accident but that his car skidded on the rain-swept highway and was struck broadside.

MEETING POSTPONED

The Grosse Pointe City council meeting scheduled for Monday, August 18, was postponed to the following Monday due to the tragic death of Mayor Ralph B. Netting's parents, Mr. and Mrs. Conrad Netting.

Also killed in the accident was Mrs. Henrietta Moehlan, 77, of Highland Park, a passenger in Netting's car.

Netting, 79, a native of Germany and a former member of legislature, was highly prominent in business and political circles. He served four terms in Lansing as a Wayne County representative.

Netting and his wife, who was born in Detroit 72 years ago, were members of the Red Run and Plum Hollow Golf Clubs.

He was a Mason and a former member of the Board of Commerce.

Besides Mayor Netting, survivors are sons, Conrad, Jr., of San Antonio, Tex., Clarence E., of Detroit, and a daughter, Mrs. Stanley A. Stock, of St. Joseph, Michigan.

Nothing To Polio Rumors

No new cases of polio have been reported in Grosse Pointe. It was announced by Dr. Thomas S. Davies, Township health commissioner.

One recent case started numerous rumors of a "polio" epidemic in this area. Dr. Davies investigated each report or rumor and found there was nothing to any of them.

Meanwhile the condition of polio victims, William Pierré Huntington, 4, of 519 Rivard, who was released by Children's Hospital last week is improving.

Midnight Serenade Disturbs Neighbors

It was midnight but three lads were busy chopping down a tree, much to the dismay of sleepy neighbors.

One of those disturbed called the police, who found the axe trio chopping a tree on the property of Mr. E. Page of 170 Cadieux.

Last Saturday, the Crescent Sail-Yacht Club chose its queen, and movie-star Dane Clark was one of the judges! Left to right, above, you see runner-up Lillian Wright, of Detroit, "Miss Crescent" Ruth Lowing, also of Detroit, and actor Dane Clark. Miss Lowing will compete with Queens from the other yacht clubs for the title, "Queen of the Lake."

G. P. Woman In Suicide Attempt

Grosse Pointe Woods police reported that Mrs. Drucello J. Schumacher, 37, of 2049 Anita attempted suicide by taking an overdose of sleeping pills at her home last week.

Found unconscious by Woods Police she was taken to Saratoga General Hospital where she completely recovered.

Police said that neither Mrs. Schumacher nor her husband gave any reason for her action.

Mrs. Fred H. Miller, a relative from Canton, Ohio, found Mrs. Schumacher in a stupor. She immediately called police.

Whooping Cough Cases Reported

Six cases of Whooping Cough for July were reported by Dr. T. S. Davies, Grosse Pointe Township Health Commissioner.

Other communicable diseases reported were chicken pox, 3 cases; mumps, 2; measles, 1; scarlet fever, shigella, flexner, 1.

Dr. Davies also stated that ten persons were bitten by dogs during July.

Park Bar Loses Liquor License

Grosse Pointe Park police reported that the State Liquor Control Commission has suspended the license of Louis Tangag's bar at 15300 Mack for 30 days.

Police said that the suspension was the result of this bar serving to minors. It became effective Monday, August 18.

SUPER SALESMAN STOPPED

Eddie Nichols, 21, of Erie, Pennsylvania, partially crippled, was arrested by City police on August 14, for using high-pressure salesman tactics at the house of Mrs. C. Jewell, of 967 Lincoln. He was reported by the maid, Ethel Gray, Nichols lives at a downtown hotel.

Police released Nichols after warning him to stay out of the city.

GROUND WORK

The ground work of organizing the several district schools into a united school system and the starting of a high school which was originally located in the old Cadieux School on St. Clair was done in the superintendency of

QUEEN OF LAKE?

Last Saturday, the Crescent Sail-Yacht Club chose its queen, and movie-star Dane Clark was one of the judges! Left to right, above, you see runner-up Lillian Wright, of Detroit, "Miss Crescent" Ruth Lowing, also of Detroit, and actor Dane Clark. Miss Lowing will compete with Queens from the other yacht clubs for the title, "Queen of the Lake."

Heat Sends Record Crowds To Beaches

The "Ole Swimming Hole" is a popular place these days.

"These are the largest crowds I've seen here, since 15 years ago when 2500 came out," said the veteran Locke.

Over at the Park, one gate attendant recorded 600 persons entering the beach in 30 minutes.

Daily crowds at the Park were estimated close to 5000. The highest mark set this year was 7,500, who attended the Fourth of July program.

Life guards at Grosse Pointe Shores estimated throngs of 500 daily at their beach. Though this number is not a large figure as compared with the others, it represents more than half of Shores' total population.

Despite the large crowds, directors at all the waterfront parks report no serious injuries.

Parcels Submits Annual Report

Editor's Note:
Following is the annual report of the president of the Board of Education as prepared by Charles A. Parcels, who retired as president on July 31.

By CHARLES A. PARCELS

A quarter of a century ago five school districts in Grosse Pointe Township, one including Gratiot Township, were combined by a vote of the school electors into one district—called the Rural Agricultural School District No. 1 Grosse Pointe Township, Wayne County, Michigan. One member of the Board of Trustees, elected to serve the newly created district, is still and has continuously been a member of the board.

Mr. Charles A. Poupard, it has been my privilege to serve on this board since 1926.

During the years since 1922 this school system has progressed according to well considered plans—both as to its building program, but even more importantly as to its educational program. It is no overstatement to say that the Grosse Pointe Public Schools are in the top rank in this country and that, I think means the world. This achievement has been possible because of the cooperation of the people of Grosse Pointe with their elected boards and because we have had a most excellent and capable group of teachers and staff.

LOSS OF DR. BROWNELL

After we lost Dr. Brownell to the Yale Graduate School Department of Education, we were fortunate in obtaining Dr. Edwin VanKleeck as superintendent. As a most indefatigable worker and as brilliant as a writer, Dr. VanKleeck brought the school system of Grosse Pointe to the attention of schoolmen throughout the country and aroused local appreciation to a high level. During his term that outstanding addition to our building facilities, the John D. Pierce Junior High School, was erected.

The University of the State of New York made so attractive an opportunity for wider service in the field of education that we lost Dr. VanKleeck to that great school system. As his successor we secured Dr. Paul Essert who has been with us since 1941. He has been with us since 1941. He has been with us since 1941. He has been with us since 1941.

PROJECT CREATES HAZARD

The latest developments in Detroit's new sewage construction project on Kercheval from Manistee to Audubon affecting Grosse Pointe Park are:

1. There will be no crossing of Kercheval at Nottingham.
2. No parking on Kercheval or the south side of Nottingham within 75 feet of that intersection.
3. No parking on Kercheval between Nottingham and Beaconsfield.
4. Only right turns on Kercheval will be permitted for cars on Nottingham coming from Jefferson.

These developments were announced by the Grosse Pointe Park police department.

The police department took this action for the protection of children and motorists in that vicinity.

VICTORY DINNER?

The Kercheval Avenue Improvement Association, will have a dinner at Hagan's Cafe, Thursday, August 21 at 8 p.m. All members are invited to attend.

TRAFFIC HAZARD

A traffic hazard has been created at the corners of Kercheval and Nottingham by the construction company's establishing its headquarters on a lot directly off this corner, blocking the view of traffic.

Other than these minor restrictions traffic on parking regulations will not be interrupted.

Originally the company had planned to block off Kercheval traffic but a restraining order by the Kercheval Avenue Improvement Association, an organization of Detroit and Grosse Pointe Park businessmen, was responsible in keeping the street open to two-way traffic at all times and at all points of the work project.

Pointe Youth Enters Naval Air School

Marvin E. Frank, electronic technician's mate, third class, USN, son of Mr. and Mrs. Elmore W. Frank of 963 Fisher road, has been assigned to the Naval Reserve Officers Training Corps-Naval Aviation College Program Preparatory School at Great Lakes, Ill.

The school is the only one of its kind in the Navy. There, enlisted men of the Navy and Marine Corps are prepared for later officer training in NROTC units at various colleges and universities.

Frank, who reported to the school from the cargo vessel USS Fairbault, entered Naval service Oct. 16, 1945, at the Naval Recruiting Station, Detroit, and received his recruit training at the Naval Training Center, Great Lakes, Ill.

Sandman Kidnaps Little Judy

A general radio alarm was sent out by Grosse Pointe Farms police last week for little Judy, 2½ years old, of Ridge road. She was reported missing by her parents.

However the only person responsible for Judy's disappearance was the mythical sandman. Judy was found sleeping upstairs.

Hospitality Stops When Checks Bounce

Mr. Lawrence Gorman, of 447 Moross road discovered the hard way that even the most considerate host must know when to turn the hospitality off.

Shortly after Mr. Gorman, indorsed a check for his guest Albert J. Mikulis, 31, of Oregon for \$25, he was informed by Grosse Pointe Bank that the check,

Carpenter Attacks G. P. Girl

A six-year-old girl, of Grosse Pointe Woods was criminally attacked last week by 60-year-old carpenter in the vicinity of her home.

Joseph Burzyck, of Detroit, pleaded not guilty of the charge when he was arraigned before Judge Don Goodnow. He was released under a \$2,000 bond pending trial in Wayne County's Circuit Court.

Grosse Pointe Woods police said that when arrested Burzyck, employed by a construction company, admitted that he enticed the little girl to enter a basement of a home that was under construction, where he took indecent liberties with her.

Police said that they have a witness, a negro construction worker, who is reported to have seen the misconduct.

Chief of Woods Police, Walter Goulette, said that Burzyck changed his plea to not guilty after talking to his attorney.

Police said that the carpenter's employer, J. E. Smith provided the bond money.

Drama Guild Productions At Pierce

All plays of the Detroit Dramatic Guild this year will be produced at Pierce School's auditorium, Kercheval and Beaconsfield.

The announcement was made by Charles D. Adams, Guild managing director, who is looking forward to another successful season.

During the last two years the Guild has successfully presented "Personal Appearance," "Out of the Frying Pan," "Papa Is All" and "The Perfect Alibi."

Adams said that casts for Guild productions will be chosen almost exclusively from Detroit and Grosse Pointe talent. He added, however, that actors of national prominence will appear from time to time.

Guild productions will be popularly priced and will start off this season with plays by Shaw, Pirandello, Molnar, Ibsen, a world premier, and an experimental evening of one act plays.

According to Adams the Guild will entertain veterans in hospitals in this area. He expects to have shows for veterans from each Guild production.

The Dramatic Guild will be assisted in its productions this year by the American National Theatre and Academy, which was chartered by Congress in 1935 to promote good theatres throughout the country.

Pointe Kiwanis Aids Lion-Variety Game

Freddy Martin and his orchestra have been engaged as an added attraction for the annual Lion-Variety football game to be played at the University of Detroit stadium, Sept. 5. It is announced by Arvid Kantor of Variety Club which is sponsoring the game as a benefit to aid the Cancer Fund. Grosse Pointe Kiwanis are selling tickets.

MODERN VIGILANTES

The Kercheval Avenue Improvement Association did not lose any time in getting things done.

Faced with an impending Kercheval Avenue traffic blockade for more than a year by a sewer construction company which would have forced them out of business, Grosse Pointe Park and Detroit businessmen organized to take action. They did.

Working quickly and efficiently, like the vigilantes of another era, this organization was successful in keeping Kercheval open to two-way traffic at all times during the construction.

The blockade would have meant a loss of thousands of dollars to these businessmen and to all Grosse Pointe Park taxpayers.

The Kercheval Avenue Improvement Association should be highly commended for preventing it—the blockade.

SEX CRIMINALS AT LARGE

How long will sex criminals be permitted to roam at large preying on women and children?

Last week a Circuit Court judge sentenced a repeated sex offender to 8 months to 5 years in jail. He had confessed to enticing Grosse Pointe Park youngsters to his room where he took indecent liberties with them.

According to the present law this criminal can be free in less than a year. Free to take advantage of someone else's little boy or girl.

This week a Grosse Pointe justice of peace released a 60-year-old sex-crazed man under personal bond. This man who had confessed to attacking a six year old girl in a home under construction is free today.

Whose child will be his next victim?

Unless present laws are amended to keep these sex proverts confined permanently, the public must take the blame and shame of setting up tomorrow's sex murder.

AN OUNCE OF PREVENTION

Grosse Pointe parents are reminded to see to it that their children have "booster shots" for protection against smallpox, diphtheria, whooping cough and tetanus before entering school.

Certainly no thoughtful parent would allow his child to enter school without immunization, but some may forget that the immunization which their children received by vaccination and injections when they were infants may have run out by the time they enter school," he added.

Children who are immunized as infants against these diseases require only a single "booster shot" to raise their immunity to where there is no danger of their contracting the illnesses. This shot takes effect in a matter of days.

Where, through some oversight, the child has not been immunized as an infant, complete immunization should be given. It should be remembered that it takes several weeks before initial immunization takes effect.

"Such immunizations may cause a few days of discomfort or inconvenience, but they do save the lives of hundreds of children in Grosse Pointe and throughout Michigan each year.

School Enrollment

(Continued from Page 1)

ation hopes to be in position to advertise for bids on this new school unit early this fall. If satisfactory bids can be secured, school authorities expect to open this first unit of the new Kerby school by September, 1948 thereby making it possible to return all Kerby pupils to their own school building.

CHECK UP

The Grosse Pointe Public Schools have for a good many years urged to parents to have their children given a physical check-up prior to the opening of each school year. Past experience has indicated that this check-up is very valuable, since in many instances it reveals minor health problems which can be much more intelligently dealt with both by parents and teachers if the facts are definitely known when school opens.

Parents and pupils who are new to the community and do not know which school they should attend should go to the nearest school at the following addresses:

Kindergarten through Grade Six—Defer School, 15425 Kercheval; Kerby School, 104 Kerby Road; Maire School, 740 Cadieux; Mason School, 1840 Vernier; Richard School, 176 McKinley; Trombly School, 820 Beaconsfield; Vernier School, 36 Vernier.

Grades Seven through Nine — Brownell Junior High School, 11 Grosse Pointe Boulevard; Pierce Junior High School, 15430 Kercheval.

Grades Ten to Twelve—Grosse Pointe High School, 11 Grosse Pointe Boulevard.

HOURS OF SCHOOL DAY

The regular school hours for the different grade levels of the school system are as follows:

Elementary Schools — (Grades Kindergarten through Six) Morning Session—9 a. m. to 11:45 a. m.

Afternoon Session—1 p. m. to 3:45 p. m.

Kindergarten children of course attend only one-half day of school.

Pierce Junior High School — 9 a. m. to 11:45 a. m. and 1 p. m. to 3:45 p. m.

Senior High School and Brownell, closed.

Junior High School—8:30 a. m. to 3:20 p. m., with a rotating system of lunch periods so that no noon period will be different for some pupils than it will be for others.

In another section of this paper the important days, vacations and holidays of the school calendar are listed. Parents are advised to clip this calendar and keep it for future reference so that they will know the definite holidays to anticipate.

Park police reported the breaking and entering at the home of Berrian Eaton, 1018 Bishop, between August 8-17. The unknown thieves gained entrance through a second floor window, and stole a few items of little value including 4 bottles of liquor. The family was away when the theft occurred.

Scots Set For Day At Bob-Lo

Bob-Lo will be the mecca for all Detroit and visiting Scots on Thursday, August 21, 1947, when the St. Andrew's Annual Games and Highland events will be held. These games will have a very charitable appeal this year as St. Andrew's has voted fifty per cent of the net proceeds for Scottish Relief, this money will be used to send food to the needy Scots in Scotland.

Chairman James Allan has just returned from a tour of Scottish games in Canada and the United States with several new ideas, one of which will be Bag Pipe Band Competition. The bands in Canada and the United States are enthused over the opportunity to come to Detroit in competition. The famous Canadian Legion Post No. 46 Band of Flint with its young girl pipers and dancers will be on hand. The Detroit Bag Pipe Band will also compete and there will be individual Pipe competition as well. Bands from Hamilton, Toronto and Windsor, Ontario, will also be present. It is expected at least ten bands will compete.

The Highland Dancing and Athletic events under the Director Field Secretary Judge David C. Vokes will be bigger and better than ever. Many new contestants will be entered this year and the Presidents' Tent will again be featured.

Two boats will leave foot of Woodward Avenue at 10:00 a.m. so as to care for the usual big crowd. Those wishing to avoid the rush at the box office may get advance tickets from the Committee or at St. Andrew's Hall, 431 E. Congress, Detroit, 26, Michigan.

Problems Of Marriage' Is Topic

"Is Your Marriage A Success?" This and many other subjects on the Christian family and youth will be covered in a series of Family Life Conferences sponsored by the Eastern Deanery of the Detroit Council of Catholic Women.

Parcells' Annual Report

(Continued from Page 1) great city school systems, and the United States Government, but we held him till this opportunity came to become head of the Department of Adult Education in Teachers College, Columbia, a post with absolutely stupendous potential for service to this whole nation. Well, we could not but say, "Go, and may the greatest success attend your every effort."

In the selection of successor to Dr. Essert we have appointed his right hand man, one who has served this district faithfully and with distinction, modestly, and with complete loyalty to the three superintendents whose hands he has held up and to whom he has been so nearly indispensable. Mr. John R. Barnes. He knows intimately our system, our buildings which he did much to plan, our personnel which he has so much participated in selecting, our educational program for which he has been personally largely responsible. It is with deep regret that I shall not be on the board to continue to work with him.

YEARS OF SERVICE

During these years that I have served this community as board member there have been time and again, continuously in fact, contributions to our school system of time, effort, money for physical things, scholarship funds and many other gifts. However, when it came to sites or buildings, we had to pay, and sometimes pay high. But as to a library, that had seemed almost impossible of realization from funds raised by taxation. We had hoped, prayed in fact, that one day someone would present a library to the community. The hope has become an accomplished fact. The most generous gift in the history of the Grosse Pointe Public Schools, the home of Murray Sales centrally located and surprisingly adaptable to conversion to a library, has been presented to the Rural Agricultural School District No. 1 Grosse Pointe Township, Wayne County, Michigan. To Mr. Murray Sales we, the people of Grosse Pointe, owe a debt of deep and abiding gratitude. When this new library is completed, it is to be known as the Jessie Carter Sales Memorial Library.

COST \$7,000

The temporary library which was located for some years in the two cottages at the corner of Kercheval and Cadieux, has been moved to the part of the school property facing Notre Dame, about one-half a block from Kercheval. The cost of moving of the cottages and setting up foundations and other incidental expense amounted to about \$7,000.00. However, we had no alternative but to move. One of the most significant facts about the operation of your schools this year past—amid all the local, statewide and national unrest and concern about compensation to teachers and staff attended in many places and with most unfortunate and unhealthy, unprofessional strife—was a prolonged, professional and representative organized study of personnel and salary schedules, working conditions and means of professional improvement. The result of this study has been an improvement in morale through better understanding of both the problems of the school staff and problems of finance.

Relying on increased income in 1947-48 by reason of the diversion of part of the sales tax, your board entered into contracts for the coming year on a much improved salary schedule, both as to minimums and maximums. The new schedule will also recognize differing responsibilities of various teaching and non-teaching assignments. The total result, which is of the utmost importance, is that we should have better educational training than ever.

TEACHERS ARE BORN

Teachers are born, not made by salaries, but teachers inadequately compensated tend to languish and waste energy in discontent. I trust that with the

adjustments now made we can look forward to a prolonged period where the emphasis both with staff and board may be completely on doing the best possible job educationally and not on how to get more tax dollars with which to do it.

However, your Board of Education will continue to have some grave financial problems. Following the vote of the electors in March 1946 of 1.5 mills for increased salaries approximately 1.2 mills, or \$118,000, has been used in 1946-47. The cost of the new increases in 1947-48 will be approximately \$135,000 and in 1948-49 will be approximately \$70,000 more. Seemingly it may now be estimated that we shall receive \$130,000 from additional state aid during 1947-48. But it is certainly not sure what may happen after that since the state legislature is very uncertain about the program. So it would appear that your board will be faced with the necessity of securing additional funds in 1948-49 to be raised either from (a) increased tax rate (b) increased assessed valuation for property in the district, or (c) increased state aid. The alternative is curtailment of our program, as the above constitute our only sources of additional revenue.

During 1946-47 we have made the final payment on the bonds issued to finance the addition to the Mason School, retired the \$32,000 of other serial bonds which came due, and increased the sinking fund by \$103,223.75, partially of course from the income of the bonds in the fund. Our new debt now stands at \$1,570,888.83.

NEW PROGRAM

The new building program is progressing. The contract on the new junior high school was let and the cost is, on a per cubic foot basis, 100% higher than the cost of our high school (built in 1927-28) and nearly 3 times as high as the cost of the John D. Pierce Junior High School (built in 1938). It is hoped that the first unit of the new school to be located at Kirby and Beaupre may be started this fall. In the current year \$353,982.12 has been collected from the 3.5 mill levy voted in March '46. It is estimated that the collection in 1947-48 will be \$392,750.00. This will practically cover the cost of the building program to the extent it is projected or in process as noted above. I should mention one more project completed this past year—a one room addition to the Vernier School, at a cost of \$10,524.71. Great credit and the appreciation of our community are due Mr. Husband and the maintenance staff on this job.

While over \$10,000.00 for one room seems very high, it is actually only a fraction of what it might have cost.

There are so many things that might and perhaps should be reported to you, but I shall not take your time. This last year has been one of the really significant years. I doubt if any board of education anywhere in America has had more loyal support from the citizens of the district than you have given us. It is a tremendous source of satisfaction to those who endeavor to do a constructive service for their community to have their efforts appreciated and loyally supported.

TO YOU

To you, the school electors in Grosse Pointe, I want to state most sincerely you have given the fullest measure of appreciation and support. You have a great school system, superior physical equipment and a most excellent staff. I thank you for the privilege of serving on your board for the past two decades and I thank the staff of teachers, custodians and officers for their loyalty and zeal.

To the new board for the coming year, I bespeak your continuing loyal support. It is my fervent prayer that they and the staff of the Grosse Pointe Public Schools may attain the most solid and satisfying success in providing

ing the youth of this community with ever wiser and more thorough education, so that the future citizens from this school system will be better men and women, of good character, and capable of thinking straight on the problems and joys of living, more interested in government, and eager to be of service to their fellowmen.

Editor's Note:

Next week the Review will publish the complete report of the Superintendent of Schools, prepared by Dr. Paul Essert, who resigned August 1, to accept a position with Columbia University.

Burial Services For Nick Varsas

Burial rites were held for Nicholas Varsas, 45, of Mt. Clemens, 1:45 p.m. Monday at the Wayne Funeral Home, 604 Macomb, 2 p.m. in Evangelismos Greek Orthodox Church, 662 Macomb, Forest Lawn cemetery.

Born in Greece, Mr. Varsas came to Detroit 35 years ago. He was once the owner of Varsas Cafe (now the Grosse Pointe Woods Bar-B-Q) at Mack and Beaufait. Before his death, he was proprietor of a bar at 14 Mills and Gratiot, Macomb County. Surviving him are his wife, Countess, and several brothers and sisters in Greece.

Teen Talk

By MEEKY MARIE VAN ZANEN

BY GERY ROUNDS

With Meeky away on her vacation, she asked me to pinch-hit for a week. Always wanted to try this sort of thing—but when it comes right down to it, well!!!

Being I spent the better part of this hot 'n humid in summer school, haven't taken any of those exciting trips and such, but have observed the doin's on the home front.

OVER AT CRESCENT SAIL YACHT CLUB many of the old gang are finding loads of ways to pass the time of day. Bob Jenks as usual is busy working on the 'Jinx.' Jerry Jenkins and Allen Robertson seem to be getting their pick of the Grosse Pointe beauties to join them in an afternoon sail. Dave Hunter 'n Sandy Free are doing their best to break swimming records over to Seven Mile Pier. Sen swimming and sunning themselves most of the week are: Susie Cruikshank, Sharon Ford, Sue Carson, Barbara Carey, Mary Ann Mann and just dozens of others.

Did you hear about the BEAUTY CONTEST that was held to choose "Miss Crescent" with none other than that dreamboat Dane Clark for one of the judges? By this way, he's in town for "Golden Boy" now at the Music Hall. See it for SURE!!!! Ruth Lowing was that, oh so lucky girl that proved to be the winner. She'll represent Crescent in their annual Regatta.

NEIGHBORHOOD CLUB DOIN'S

Many of our local gals and fellas have been taking an active part in the Neighborhood Club tourney—Alex Mann, Ann 'n Jim Barker, George 'n Jim Kennedy, Hugh Dill, Tom Wilson, Gladys Constantine, Dick Krimmel, Lloyd Murray, Dan Guy, Don Louis, Paddy Haas, Virginia Collins and Ross Herron are some of the future tennis stars.

Stopped in to the P&E for a snack and, — so that's where everybody was; Don Drader, Bill Cruthers, Jerry Johnson, Jo Ann Grove, Jane Bundy and Carlyn Johnson were hanging around the juke box and jumpin' to "Dance of the Red Skins."

There they were—Martha Fisher, Nancy Schmid, June Moffat, Ted Likeirt, Art Beck, Bill Gallagher, Susie Johnson and Laura Murphy eatin' and downin' those chocolate malts. The whole summer school crowd seems to live in that place.

EXERCISING THEIR BRAINS

In between those torrid classes saw—Margie Storkel, Harry Sorg, Bryce Cole, Clair Sober, Dave Meeker, Jim Hill, Jim Stover, Matt Patterson, George Mourad, Peggy Dickens and Barbara Goodrich, dashin' back and forth, sippin' cokes and crammin' a little.

SUFFERING through those long hot weeks and catching up on the sun in between times were, Janet Johnstone, Dick Macaully, Mary Prevot, Norma Steinrod, Joan Cope, Rosemary Rae, Jerry Scott, Gilbert Mattre, Sally Marshall, Margie Simons and Dian Fruehauf.

After school and even before the kids dashed to Park's park to get relief from the summer sun; getting those California tans right here in Grosse Pointe were Ann Davie, Ellie Hewitt, Helen Plath, Mary Grazer, Georgia Schick, Dick Nighengale, Dave Ramsey, Jerry Allen, Herb Gerheart and Dick Spie.

Having their pictures snapped were Joe Manneno, Bob Heim, Tom Sullivan, Don Ling, Dick Blank, Dave Grimes, Keith McKee and Bill and Jim Fiscus. Say, that pack of wolves were sure on the loose.

HMM...

The other day got in on a guest pass to the City park and saw those handsome life guards, Bob Fosmoie, Bob Van Holtren and Frank Reid soaking up the sun.

By the way of evening entertainment, cooled off under the stars at Eastwood Gardens Saturday night. (What was this, a G.P. reunion?) Bumped into almost everyone. Jack Wilson 'n Barb Molyneux, Dan Beck 'n Margie Simons, John Rummel 'n Elaine Buhner. Swaying to the gentle breeze and soft music were Dave Grimes 'n Helen Plath, Marvin Hendricks 'n Sharon Ford, Johnnie Wideman 'n Sue Cruikshank, and Frank Taylor with Felice Thorpe.

The floor was crowded—sittin' out a couple were Dick Fritz 'n Mary Ann Mann, Dick Nightengale 'n Mary Grazer, Joe Manneno 'n Marge Kelly, plus Dick Pollen and Dian Wurker.

TREASURE HUNT

A Treasure's a Treasure for a That, but "Give us a clue," was the demand cry of the Grosse Pointe Hunt Club Juniors last Sunday when they raced their mounts to with a few fences were Dic Fruehauf, Gloria Roberts and the hidden spot in ye ole polo field. Hastening their trip was Barbara Bull. Keepin' 'em straight on the track were Alex Copland, Pinky Devroy and Doug Turnbull. Cuttin' cross country were Sue Carson, Joyce Culehan, Judy McKiel, Janet Wideman, Sue Spurrier, Paula Sutton and Nana Cunningham.

In the summer there aren't any of those wonderful parties that the cooler season brings, but the summer holds its own for leisure time fun. I know there's lots more goin' on here and there abouts, but as a stay-at-home gal this summer I can only give you the local chatter.

I hope you haven't missed Meeky too much!!

Rumpelstiltskin Reviews

By ISABEL RONEY

Perhaps the first introduction of the American school child to Scottish folklore is the story of Robert Bruce and the spider. Is there an American child in the land who has not opened his grade school reader at least once to the page which tells of the discouraged Bruce lying in a hut, watching a doughty little spider slip back many times while trying to climb its slender thread?

You know the rest, boys and girls. How Bruce, inspired by the intrepid little insect, beat the English to a standstill at the battle of Bannockburn and became a national hero—and an inspiration to all timid little boys and girls from that day forward.

(1) In "John and Betty's Scotch History Visit" by Margaret Williamson, illustrated with photographs, small children are introduced again to Bruce and to Co.

GIRL SCOUT NEWS

A BROWNIE

Once there was a little Brownie, Who was dressed in brown, She worked from morning until night,

In the busy town, She mended different kinds of socks, She dried the dishes too, She set the table and cooked the meals,

Couldn't that be you? The above poem, written by 9-year-old Florence Craig, Troop 327, if changed somewhat might go like this:

Once there was a lady, Proud mother of three, She worked from morn 'til night, Busy as a bee, She mended, cleaned and cooked, Did the dishes, too; But still found time for Scouting, Couldn't this be you?

The Girl Scouts, a Red Feather Service of your Community Chest, are desperately in need of leaders this fall. Every school has a waiting list of girls who, because of the dire lack of volunteers to fill the all-important jobs of trained guidance, cannot enjoy the fun, nor reap the many benefits offered by Scouting.

Leaders are needed for all age groups, Brownie, Intermediate, and Senior. Schools particularly destitute are Trombley, Kerby, and Malre.

A leader's training course will be conducted in Defer School on 4 consecutive Wednesdays from 10 to 3, beginning October 1st. If you, or any of your friends, are interested in the youth of your community, don't sit back. Get busy! Volunteer NOW!

For further information call Mrs. Joseph Henderson, NI. 3173.

Personalities in Scouting: "The world has desperate need to know that it's wonderful to serve others," says Miss Catherine V. Richards, Executive Director of the Detroit Girl Scouts.

Miss Richards' conviction is backed up by the fact that on September 1 she begins a year's leave of absence in order to take a graduate course in sociology at the University of Pittsburgh. When she returns to her Scouting duties in 1942 she will be a candidate for the degree of Doctor of Social Work.

De Pauw College is Miss Richards' alma mater, and Kalamazoo College awarded her the Gilmore Fellowship in Applied Sociology. She holds a Master's degree.

Since becoming Executive Director in 1940, Miss Richards has devoted her efforts to the job of making Scouting available to more and more girls. Greatly benefited by her stimulating guidance and constructive ideas, Detroit's Girl Scout population has grown from 4,000 to 18,000.

Two outstanding reasons for her success with girls and adults are a keen sense of humor, and an unshakable faith in her work. Like Juliette Low, founder of Scouting in America, Miss Richards feels the urgent need for character building and moral adjustment among young people; a need never greater than it is today, she avers.

Out of her many experiences in Scouting she cites one; a particularly vivid study in contrast. Early one morning in Grosse Pointe she was guest aboard a large and luxurious yacht; indeed, so large and luxurious that, unaccustomed to yachts, she became lost, Miss Richards laughingly admits.

That evening found her in a lowly home on Delray; in a room sparsely furnished with one chair and a pot-bellied stove. Though far removed, the mothers in both cases were interested in the same thing—the invaluable good citizenship training offered their respective daughters by Girl Scouting.

CHAVEY-THOMAS RITES HELD AT ST. MARKS

Mrs. James Douglas Thomas

At a candlelight ceremony in St. Mark's Methodist Church, Saturday, August 16, Marjorie Ruth Chavey and James Douglas Thomas repeated their nuptial vows to Rev. I. G. Dunlap.

The bride, daughter of Mr. and Mrs. Archibald Chavey, of 1453 Nottingham, was graduated from Wayne University, and the bridegroom son of the late Mr. and Mrs. James A. Thomas of Calumet, Michigan, received his M.S. degree from the Michigan College of Mining and Technology.

Marjorie, who was given in marriage by her father, was gowned in ivory satin with a sweetheart neckline edged with tiny seed pearls. Her fingertip veil, bound in satin, was held in place by a coronet of orange blossoms. She carried a bouquet of white orchids.

Maid of honor was Kathy Chavey, sister of the bride, and the bridesmaids were: Mrs. N. A. Boltz, Catherine Hartwell, and Mary Jane Lundeen, all of Detroit. All of the attendants were gowned in delicate pink faille with full skirts and sweetheart necklines. Their bou-

quets were of pink and white chrysanthemums, and they wore matching flowers in their hair.

Harold P. Thomas was his brother's best man, and seating the guests were Norman A. Boltz, Robert P. Andrews and Donald Cox.

For traveling, the bride wore a light gray gabardine suit with black accessories. After the honeymoon, Mr. and Mrs. Thomas will make their home on Corbett avenue.

Paula Finds Dane Clark Has Way With Women

Paula's Hi-Lites

by PAULA BEAUPRE

August 21, 1947

Dear Jeanne:

Last Saturday when the members of the Crescent Sail Club were choosing a beauty queen to represent their club in the contest to find the Regatta Queen, they asked DANE CLARK to act as one of the judges. After the contest was over and lovely Ruth Virginia Lowing, had been crowned MISS CRESCENT SAIL YACHT CLUB, I was able to meet Mr. Clark and pop a few questions at him!

Dane Clark: Star of "Golden Boy" at the Music Hall. Play began Wednesday, August 20.

Born: In New York City thirty-three years ago. He grew up in Brooklyn, spent his young manhood in Manhattan—and finally went West five years ago.

About Himself: The subject he considers himself most un-informed about is the Atom Bomb and he also states that he doesn't care to learn anything about it! When asked to describe his personality his return was, "Trying—always trying." He can't understand why the girls think he's so wonderful—he doesn't know what he has that attracts them, but he's got a feeling that it's really nothing. Dane's greatest fault is that he worries entirely too much. His prime virtue—he always pays his bills on time! His favorite song is "As Time Goes By." Dane doesn't like his face on the screen, but then he claims that he never liked his face anyway! He believes that next to acting, his greatest talents are writing and being a lawyer, he thinks that it's wonderful to have a dignified place in the world. Everyone wants that, he claims.

Family: His real name is Bernard Zaneville, and his father ran a sporting goods store—providing his sister with free tennis balls and his brother and himself with free baseball bats, which they used in every sand lot in Brooklyn!

Appearance: Maybe he looks short to you because of his huge shoulders but he's really a husky, dark five foot eleven and he spends a fortune on sports clothes, in the color blue. Dane's friends claim that even when he's all spruced up in \$300 worth of imported tweeds, he still looks mangy!

First Break: His first break actually began when he was modeling in a sculptor's studio. He had been out of law school for six months and was dividing his time between professional football and modeling for artists in order to earn coffee and doughnuts. One afternoon as he was posing, an actor-acquaintance of the sculptor recited some lines aloud. He asked Dane's opinion of the reading and Dane replied with an engaging, "It's terrible." The infuriated actor immediately called and arranged for an acting audition for Dane for a Broadway play being cast. Dane appeared the next day and tried out—and from that moment on his greatest ambition was to be an actor. He worked in soap operas for two years and then crashed the Broadway stage in "Of Mice and Men," "Dead End," "Stage Door" and others. Then of course, came Hollywood.

PAULA

Education: At public grammar school and New Utrecht High School in Brooklyn. He became first a professional baseball player and then a middleweight fighter. But after two and a half years, he returned to Cornell University and St. Johns College. He worked in a delicatessen, served summonses for a law firm, played professional football and came up with a law degree six years later!

Social Life: He talks continually with friends, Humphrey Bogart, John Garfield and Gene Kelly. Parties he abhors and nightclubs he despises.

Dull people bore him the most. He loves any kind of sporting events such as baseball, football, and prize fights. He says that as far as dancing is concerned, he isn't the best, but he won't kill anyone.

At Home: His favorite off-screen attire is any old sport coat and the dirtiest pair of slacks he can find. His wife has made the greatest impression on him in Hollywood and has helped him most with his career. His most prized possession is a little rubber doll which was given Dane by his wife. He carries it with him for luck.

His Ideas: He likes bobby sox and "sloppy Joe" sweaters on girls and thinks that anything that is comfortable is wonderful. In his opinion, if a girl is pretty, she'll look good even in baggy jeans. He rates charm as the highest quality that a woman can possess.

Career: Dane wishes that his fans would continue to be as kind and considerate as they have been and he asks them to stay just as they are. He likes Hollywood very much but he didn't like his picture, "That Way With Women." When asked what stars he would like to play opposite, he replied that he had already worked with Bette Davis, Humphrey and Ida Lupino—he says they are the best. The memorable high-spot in his life occurred during the shooting of his first film. The critics were kind to him and accepted him immediately. That's the most wonderful thing that could happen to him.

Hollywood: Dane's first impression of Hollywood was that the people were simple, hard-working people. They weren't the glamorous stars that they seem to be. He has changed in only one way since coming to Hollywood—he has money now!

Attitude On Life: Dane worries about what people think of him, but he thinks that some people aren't going to like you no matter how good you are, and there are others who will admire you even if you are terrible. If he wasn't an actor, he would be a writer.

Dane is stubborn about getting good stories, good stars to work with and quality productions. Dane is stubborn, Dane is earnest, Dane is deeply motional—so when he says, "Some day I want to be really a great actor on the screen and stage," he is sincere. And we believe that this ex-baseball player, ex-prize fighter, ex-lawyer is well on his way toward reaching his ambition.

Valets for now, PAULA

Mary Jane Kennedy Weds R. H. Nutter

—Deigh-Navin Photo

MRS. RUSSEL H. NUTTER—Honeymooning in the East are Russel Howard Nutter and his bride, the former Mary Jane Kennedy, who left for Basin Harbor, Vt., after their wedding last Friday, Aug. 25, in Christ Church, Grosse Pointe.

The ceremony uniting this young couple in marriage was read at 2 o'clock in the afternoon by the Rev. Edgar H. Yeoman before the altar decked with vases of white flowers, and lighted tapers. Immediately after, a reception took place at the Grosse Pointe Yacht Club.

Mary Jane is the daughter of Mr. and Mrs. Frank J. Kennedy, of Kenwood Acres, Ann Arbor, formerly of Grosse Pointe, and Russell is the son of Mrs. Augustin G. Nutter, of Moran road, and the late Maj. Nutter.

The bride, who was given in marriage by her father, chose a dress of summery white French organdy, the full, hooped skirt extending into a long train. Seed pearls embroidered in leaf design trimmed the high round neckline, and the leaves of tiny pearls were scattered over the bodice and the long, fitted sleeves.

Her long veil fell from a pearl embroidered coronet of tulle and she carried a fan-shaped arrangement of white orchids and stellanotis.

Peggy Lou Toncray was the maid of honor and bridesmaids were D'Arlene Brink, Mrs. John E. Brink, Patricia Blackwood, Jane Hughes and Bette Cowan.

The attendants were costumed alike in pastel yellow falls, their frocks fashioned with full, flaring skirts and cap-sleeved, fitted bodices. Their headresses were coronets of fresh, split carnations in Mary Jane's favorite yellow, and they carried arrangements of the same flowers, the honor maid having an arm bouquet and the maids, fan-shaped arrangements.

Little Christina Saunders, daughter of Mr. and Mrs. Jason

Saunders, of Midland, Mich., wore white organdy as flower girl, and carried a tulle basket of yellow rose petals. Tiny white carnations garlanded her hair.

John E. Park was best man and seating guests were Russel's brother, Hugh Nutter; W. Beresford Palmer III, J. Joseph Jennings, Jr., David Keena, Robert Scott and Thomas Hatcher.

Mrs. Kennedy, mother of the bride, was in aquamarine crepe with two flaring tiers of matching lace forming the bottom of the skirt. Her hat was of caramel-colored mauline trimmed with caramel and aquamarine ostrich tips, and she wore brown orchids.

Mrs. Nutter, Russel's mother, wore a long-skirted dress of pastel blue crepe, with a tiny, matching feather hat and yellow orchids.

When the newly-married Mr. and Mrs. Nutter left for Basin Harbor, the bride wore a brown sheer dress with brown accessories and small aquamarine hat with matching scarf trim.

The couple will return in time to be attendants of Bette Gowan and David Keena at their marriage on August 26, and will leave again September 7 for Ithaca, N. Y., to live while Russel completes studies at Cornell University.

Horticultural Society Set For 31st Show

The 31st Annual Flower, Fruit and Vegetable Show of the Grosse Pointe and Eastern Michigan Horticultural Society will take place at the Neighborhood Club on Waterloo Ave. in Grosse Pointe on Saturday and Sunday, September 6th and 7th, 1947. Miss Marie Louise Anderson is General Chairman.

Although this show was continued through the war years, the emphasis then was naturally on fruits and vegetables with the Flower Arrangement Classes taking a minor position. This year the chairmen are planning to have not only the vegetable and fruit exhibits and competitions, but also to stress the classes of Flower Arrangement. These Classes will be artificially staged, and it is hoped, will prove popular not only with exhibitors, but also with all those who attend the show, especially as interest in flower arranging has increased to a remarkable degree in the last few years.

There will be six classes in arrangements, one of the most interesting and unusual being the class which is open only to those exhibitors who have never won a ribbon in a flower show. Ribbons will be awarded in each class and a Tri-Color will be awarded for the best arrangement in the show.

Comprising the schedule committee are Mrs. Seaborn R. Livingston, Mrs. Berrien Eaton, Mrs. Fredrick W. Campbell, chairman of classes and staging; Mrs. Stanford Phelps, chairman of entries; Mrs. Alexander L. Wisner, publicity chairman; Mrs. Henry A. Bokram, chairman of clerks; Mrs. George E. Villerot, chairman of judges.

This committee will be in charge of staging the exhibits, as well as contacting their individual Garden Clubs. The classes are open also to those who are not members of a Garden Club. Any one who has not been contacted is urged to get in touch with one of the chairmen if they wish to compete in either the vegetable and fruit exhibits or in the classes in flower arrangement.

Mrs. Frederick W. Campbell is having a tea in her home on Beverly Road the latter part of August. The chairmen will gather there to discuss final plans for the show.

Those already planning to exhibit are Mrs. James McMillan, Mrs. R. Ingersoll Lewis, Jr., Mrs. Bruce Chalmers, Mrs. John H. French, Jr., Mrs. Tant Glancy, Mrs. John Garlinghouse, Mrs. Edward Doyle, Mrs. Edward Gran, Mrs. George Villerot, Mrs. Richard P. Joy, Jr., Mrs. John N. Lord, Mrs. Henry E. Joy, Jr., Mrs. Robert Evans, Mrs. Arthur H. Buhl, Jr., Mrs. George Hefner, Mrs. Robert Hatch, Mrs. Charles E. Warren, Jr., Mrs. Harold Beatty.

Battleships of the IOWA class have as many as 1,556 telephones, and 155,600 feet of cable.

Honors Bride-Elect

Bride-elect Margaret Mildred Knaggs was honor guest at a party given by Mrs. Charles M. Knaggs, Mrs. Warren D. Knaggs, Mrs. James A. McIntosh, Miss Virginia McIntosh, Mrs. Trilay Talbot, Miss Gay Talbot, Mrs. Renwick.

Each guest wrote words of advice in an autograph album. Also, each person was asked to count the articles in her purse, and the one who had the smallest number received a prize.

The climax of the afternoon came with the opening of the beribboned gifts. The guests were then invited to the dining room for iced punch and fancy cookies.

Among the guests were Mrs. Knaggs, Mrs. McIntosh, Mrs. W. B. Van Dresser, Mrs. Brown, Mrs. A. J. Palmer, Mrs. Harold Strickland, Mrs. T. McFarland, Mrs. H. O. Geib, Mrs. Frederick Honhart, Mrs. Joseph Dancy, Mrs. Gilbert Groehm, the Misses Nell and Julie Friedlander.

On Friday evening, August 15, Mrs. Scott Hobaugh of Warrick Road, gave a kitchen shower for

Others were Mrs. William H. Caswell, Mrs. Jules Schneider, Mrs. Raymond Harvey, Miss Betty Hill, Mrs. Phillip Flanders, Mrs. William Stickley, Mrs. Edward Baker, and Mrs. Robert Phillips.

The last shower to be given for Miss Knaggs will be hosted by Miss Edith Schettenhelm in her home on Garland Avenue.

RECENTLY RETURNED

Mrs. Charles Olmsted, who resides at 20918 Nesbitt, recently returned from Greensboro, North Carolina. She was called there some time ago through illness in her immediate family.

The Musical Pipers braved the ninety degree temperature to provide thirty minutes of sizzling "corn" and musical entertainment for members of the Grosse Pointe Rotary Club Monday at The Whittier. The Pipers are in their second ten-week booking at The Stork Club.

Alger House Concert Set

The fall musical season will be inaugurated at Alger House, Grosse Pointe, when the Detroit Opera Founders Guild, Inc., presents an open-air operatic concert, at 8:30 P. M., September 3. Mrs. Jules Schneider and Mrs. Frank Burton, Co-Chairman, of the event, have arranged to seat the audience on the lawn between the Alger House terrace and Lake St. Clair, and the terrace itself will be floodlighted for the singers. The concert will present opera in "streamlined" form, selecting arias and choruses well-known to the public. Soloists and a chorus of 60 voices will be directed by Stuart F. Piggins.

'SOUTH OF THE BORDER' VISITORS

Included in the group of Boy Scouts from the area who left Detroit August 12 for a two weeks expedition to the Philmont Scout Reservation near Cimarron, New Mexico are Richard Lord, 269 McMillan; Clarence O'Dell, 694 Lincoln road, and Bruce Bugbee, 1002 Kensington. The scouts will return Thursday, August 28.

Americans Turn To Radio, Press For Information

Americans get their information about what is going on in the world from radio, newspaper, and magazine, in that order, a study conducted by the University of Michigan Survey Research Center has revealed. The number of persons in the national survey reported having radios in working order was five out of six, with almost the same proportion saying that they read newspapers regularly, the Center's report shows. More than half the people say they read one or more magazines.

POPULAR MAGAZINES
The most popular magazines, the survey indicated, are those with articles and stories of a general nature. One-fourth the people report reading monthly digest magazines, and about as many say they read one of the weekly fiction magazines. Magazines carrying current news are read regularly by little more than one-

teenth the adult population, but news-picture magazines have an audience twice as large.

Seven per cent of the people are not reached by any one of these three avenues of information, the survey found. Thirteen per cent depend on a single medium, in most cases the radio.

MARKED RELATION
"There is a marked relation between the number of sources of information to which a person has access and the extent of information about world affairs that he is likely to possess," the Michigan survey points out. "A majority of those with only one source of information appear to be poorly informed. People with several sources are very much more apt to be well informed. It is noteworthy, however, that of the people who say they have all three media available, one in seven seems to be poorly informed."

Results of the survey also show that the greatest degree of education and the higher the income, the more likely a person is to have access to all three sources of information. People living in the country are less likely to have several sources than are people living in towns and cities.

Beauty Queen Named In Colorful Contest

Vari-colored flags and beauty-minded spectators heralded the event—the contest to select Miss Crescent Sail Yacht Club. Beside the cool water, many members settled themselves in a comfortable place to await the commencement of activities. Finally, when judges—Mrs. Molly Hussey, Portrait Artist, Mr. William T. Hunt, U.S. Depart-

ment of Congress Representative for Michigan, and Dane Clark, actor, now appearing in "Golden Boy" at the Music Hall—were ready, they seated themselves at the judges stand and the parade of lovelies, (all competing for the title) descended slowly, one by one, down the flight of steps, as the music softly played in the background, pivoted before the judges and proceeded to their appointed places. Each girl carried a white plastic case with a number printed on it for identification. When the last contestant had taken her place, the judges left their stand to cast their votes and select the winner.

Social Items

Joan Gillis, daughter of Mr. and Mrs. Alex Gillis, of Waveney avenue, and Ian Patterson, son of Mr. and Mrs. Peter Patterson, of Chatsworth avenue, have set their wedding day for September 20th. They will exchange their vows at Knox Presbyterian Church, at 8 p.m. Joan has asked Peggy Roemer to be her maid of honor, and the bridesmaids will be Joan's sister, Sandra, and Bernice Oberman. The bridegroom-elect has asked Jack Pearson to be his best man. The ushers will include Jim DeJager, Clarence South, and Ed Edson. Several parties have already been given in Joan's honor. The festivities started off with a kitchen shower at Peggy Roemer's home on Barrington, on August 14. This was followed by a miscellaneous shower at which Bernice Oberman and Joan Crowley were co-hostesses, August 24, is the date set for a personal shower to be given by Mrs. Richard Jones and Mrs. William Carroll.

When the last contestant had taken her place, the judges left their stand to cast their votes and select the winner. Anxiety and chaos permeated the air when the three returned with the decision. Photographers snapped auburn-haired Ruth Virginia Lowing who was crowned Miss Crescent Sail Yacht Club by Mr. Clark.

Lillian Wright also received many well-deserved congratulations as runner-up. Competing for the title were Martha Caughra, Joan Crowley, Betty Van Gordan, Helen Hanna, Jean Alleryce, Betty Runnells, Gertrude Amo and Barbara Kuhn. Mr. Dick Hill, entertainment chairman, presided over the contest and celebration.

Miss Lowing will now compete in the near future, with the queens of the other yacht clubs of this area for the title of "Queen of the Lake."

Pointe Scouts Join New Mexico Expedition

Fourteen Boy Scouts from Detroit Area of which Grosse Pointe is a part, under the leadership of Scoutmaster William G. Poland, left Detroit on the New York Central "Twilight" Tuesday p. m., August 12, for their expedition to the Philmont Scout Reservation near Cimarron, New Mexico. They will be gone a little more than two weeks—their return being scheduled for Thursday, August 28. Those who are on the expedition from the Grosse Pointe District are: Bruce Bugbee of 1002, Kensington, Troop 98, Clarence O'Dell, 694 Lincoln Road, Troop 74 and Richard Lord, 269 McMillan Road, also of Troop 74. Philmont is a 127,000 acre Scout-owned game refuge located in New Mexico's Rocky Mountain section. Much of the country, which is very rugged and wild, is far above sea level and the Scouts will camp out in areas ten thousand to twelve thousand feet high. The Old Santa Fe Trail of stage coach fame runs through Philmont territory. The home of Kit Carson and other early pioneers remain as landmarks on the Reservation. The Scouts will visit the great Pueblo of the Taos Indians, world famous Indian city, first visited by white men in 1541; also the Frijoles Canyon, home of ancient cliff dwellers which is also a National monument will be one of the points of interest.

CHRISTMAS IN AUGUST

It was "Christmas in August" for the jewelry industry, which met recently in New York. At the suggestion of retailers from all parts of the country, the industry will make a concerted effort toward industry-wide cooperation to help the public shop earlier for Christmas.

Those who are on the expedition from the Grosse Pointe District are: Bruce Bugbee of 1002, Kensington, Troop 98, Clarence O'Dell, 694 Lincoln Road, Troop 74 and Richard Lord, 269 McMillan Road, also of Troop 74. Panning for gold, eating from a chuck wagon, searching Indian caves and studying the abundant wild life are some of the exciting experiences awaiting the boys.

Pointe Youth Claims Joyce Marie Brown

At 8 o'clock on Saturday evening, August 16, Joyce Marie Brown became the bride of James Lowry Stevenson. Dr. Marshall read the marriage service at the Nardin Park Methodist Church.

Joyce is the daughter of Col. and Mrs. Arthur Ellison Brown, of Grandmont Road, and Jim is the son of Mr. and Mrs. Ralph Mervyn Stevenson, of 646 Washington Road.

Joyce's bridal gown was of starched chiffon, fashioned on princess lines, with a sweetheart neckline and long sleeves. Lace edged the front panel of the full skirt and long train. The fingertip veil of illusion was secured by a cap of shirred net, and the bride carried a bouquet of white orchids and tube roses.

The bride's twin sister, Joan Elizabeth, was the maid of honor, and maids were Fayette Brown, another sister; Mrs. Da-

vid Young and Mrs. Richard Wunsch attendants were gowned alike in blue dotted swiss with shirred ribbons of matching blue in their hair.

The honor attendant carried a bouquet of pink roses and blue delphinium and the bridesmaids carried pink carnations and delphinium.

John K. Stevenson was his brother's best man and seating the guests were Donald Smith, James Perkins, Dr. Richard Wunsch, Marvin Zoerb, of Milwaukee; Robert Wood and Kemp Gorenflo.

For her daughter's wedding Mrs. Brown wore a floor-length printed gown made with a side drape in the bodice and skirt.

Mrs. Stevenson was gowned in gray chiffon and both mothers wore white orchids.

A reception in the church parlors followed the rites. After a brief honeymoon the couple will live in Hillsdale where Jim is a student at Hillsdale College.

NAVY MEDALS READY

Millions of medals are now being sent all over the country for ex-navy men who so gallantly earned them. The U.S. Navy Recruiting service has begun distribution of the medals. Any ex-navy man or woman eligible for the American Defense medal or the World War II Victory Medal can get them at the U.S. Navy Recruiting Office, Room 343, New Federal Building.

ROOSEVELT ON AIR

A new 15-minute weekly series called "At Home With Faye and Elliot Roosevelt" is being offered for sponsorship. A guest personality will be interviewed weekly at Hyde Park. It will take a liberal expense account to finance this one.

VERSATILE BILLY

Billy Rose's latest venture is a five-minute radio spot similar to a newspaper column. It's being set up for three times a week, but deal is still jelling. . . for the Mutual net, CKLW locally.

The 'Moby Dick', the Navy's powerful rocket motor, exceeds by more than one-third the thrust of German rockets used to bomb London.

TRANQUIL GARDENS

By Helen Yearsley

Are you a real gardener? Here's a prize. Get seeds of the Oregon Bleedingheart (Rex Pearce, Moorestown, New Jersey—or any large seed house) plant them in fall in leafy, partial shade. Next May until summer and again in the fall you will have low clumps of silvery, finely-cut foliage and pink-tipped creamy Bleedinghearts! Real gardeners like interesting seed plants. A man from the Wildflower Association told me yesterday that it was lots more fun growing wild flowers from seed than finding them in the woods. It's hard to believe.

No one wants to work this weather but you SHOULD cut down those old raspberry canes that have borne fruit. They only hurt the plant and will never bear well again. While you are at it, did you prune your small-flowered climbing roses after blooming? Take out all branches that have bloomed, clear down level with the ground. No stumps or anything. My mother argues most violently over this. She thinks I'm ruining her roses. But then, she hates to pinch the tops of her petunias and chrysanthemums, too. But if you, gentle reader, have the courage to cut your hair—prune the roses!

Now is the time to sow oats or barley between the rows in your strawberry bed. They won't hurt the plants and long after the last berries are picked will be growing vigorously, keeping out weeds, and holding wind-blown leaves. The grain matts down in the winter, holds lots of snow, and is all dead, ready to be raked in the soil in spring.

Don't let your garden peter out in fall. Check up now for some brilliant color. When all the world is gorgeous around you, don't have your garden, front OR back, look too heavy. Use shrubs that turn fall-blooming lemon lilies, chrysanthemums, asters, and a dozen others. Keep in tune with nature and your own garden will seem much bigger and more beautiful.

MISCHIEF MAKER
Farms Police reported malicious destruction at the home of H. A. Ecker, 66 Lakeshore. Included in the damage caused by the intruder were 30 broken light bulbs, 14 broken windows and 12 large glass electric fixtures.

Boxers of the auxiliary ship USS MISSISSIPPI became the first Navy team in history to win the Virginia State amateur boxing championships. Winning the finals with a team score of 22 points, the Navy men captured two state championships and four trophies.

Loss Of Athletes Is Great

By ALAN KIDD When Grosse Pointe High School athletes takes their stand against their foes during the 1947

48 seasons, they will not only be defending the all-sports Border Cities League Sweepstakes Trophy, but also an enviable won and lost average in all sports for the last two years.

The big question is whether the Blue Devil teams will be able to maintain the pace which has enabled them to dominate Border Cities League sports for the last two years.

According to Coach Edward Wernet, the outlook in football and basketball for next season is rather dark.

Although there are 14 lettermen returning to the grid squad, only four are backfield men. The line shows some power, but the key to the team's ability to better last year's record of three wins and losses depends on the backfield which, Coach Wernet will be able to muster. There is a chance that these backfield fill-ins may come from the reserve squad or from boys who have transferred here from other schools.

If the right boys can be found for the backfield, and if the kicking and passing power which has been lost through graduation can be replaced, Grosse Pointe could be a real threat in football.

In basketball an even darker picture prevails.

LOSSES ARE GREAT "The loss of too many key players," Coach Wernet claims, "will hamper the cagers greatly."

All of last year's regular starting quintet will be missing. Two players who are likely to be starters are returning, but even these two will be lost through January graduation. In any event Coach Wernet will have at least three first string positions to fill immediately.

Some returning lettermen who saw limited action last season may fill these spots, but it is probable that it will be necessary to call on the reserve squad to replace some of the power which will be missing from the championship team of last year.

PROMISING ROOKIES "There are members of the reserve squad who show much promise," pointed out Coach Wernet. "However, they really need more seasoning before they will be ready to step into varsity positions."

The outlook in swimming is good. Coach Frank Banach will miss several of his individual stars, but he will have an abundance of talent, which will include 11 returning lettermen.

The natators should be able to supply punch in almost every event. The 200-yard free style will be the one event in which Coach Banach will have to start from scratch.

It will take tremendous effort from the swimmers to duplicate last year's undefeated season and Border Cities League championship. The fact that they will have considerable power returning may be a deciding factor in the Blue Devils' swimming campaign, but other schools will also be strong.

HIGH HOPES The tennis picture for 1948 as in other years is very bright.

"We should have a better team in '48 than the one which tied for the B.C. championship, his '47," explained Coach Lawrence Westerville.

The netters are losing only four lettermen, and will have a great deal of talent returning for action on the courts.

"We probably won't have the individual stars who were in evidence this year," Coach Westerville observed, "but we will have a well-balanced and steady team."

There are many experienced boys returning to the squad, some of whom are expected to develop into excellent players. As always, younger boys are being trained under the watchful eye of Coach Westerville.

ON THE DIAMOND The baseball team, one of the weaker points in Grosse Pointe athletics for the past few years, might look to a better season next year.

Local Team To Play In State Series

The Grosse Pointe Baseball League's Class E champion team has drawn a bye for Friday, in the Michigan Junior Baseball Tournament, August 22, and will be matched Saturday morning at 10:00 a. m. with the winner of a game between Port Huron and Van Dyke, at East Retreat diamond, Michigan Avenue and West Outer Drive.

Round two will be held on Saturday at 4 p. m. at Levagood Field, southwest of Telegraph and Ford Roads. Round three will be played Sunday morning. This is a one-game-knockout series.

This week Tom Boyds and News are completing a three-game series to determine the local league champion. Boyds won the first game 3 to 2.

Gridder's Size Is Not Everything—Coach Baer

(Editor's Note: This is the last of a series of three articles on summer conditioning for high school football players, prepared by Charles E. Baer, University of Detroit football coach.)

By CHARLES E. BAER

Conditioning for football players, of course, is a little more than just good dieting and a little exercise. Football is a team game, in which each performer has certain specific tasks to perform. Just how well he performs those tasks will depend upon two things:

1. Native ability.
2. Conditioning.

Specific conditioning exercises for backs and linemen will go a long way toward making the fall campaign a success. The average high school and college athlete is able to bring into play about 80 per cent of his ability. A poorly conditioned player is even less effective—about 70 per cent. A player in the top of physical condition, though, can deliver from 90 to 95 per cent on every play. That's the sort of player who'll make the varsity at your school this fall.

BACKFIELD TIPS

For backfield men, here are a few basic exercises. If you practice these basic drills daily, they'll make you a better ball player, no matter what system your coach uses:

1. Remember—your legs are your most important asset. Keep them in shape. Keep your muscles strong and supple, so that they'll be able to support those ankles and knees when split-second stops and starts are necessary.

2. Find out from your coach exactly what you will do in a game. Ask him to show you the precise maneuvers—and then practice doing those things, not once, or a dozen times, but hundreds of times.

3. Practice your stance, both offense and defense, so that you'll have it down pat, and so that it's automatic with you. Remember, more than one game has been lost because of poor stance, because a player "pointed" toward toward a particular spot in the line, and tipped off the opponents.

4. Practice fast starts. A good back is going at top speed by the time he takes his third step. Backs and ends, on every play, have a long way to run. Get ready for those long hauls by running hard for 50 yards, not once or twice, but hundreds of times. Only long and tedious practice will do it!

5. Ball handling is especially important for backs. Practice handling and catching the ball, with your arms and fingers relaxed. Be able to handle that ball the way your coach wants it handled on those tricky reverses and fake plays.

Many of the same exercises are fine for linemen, too. A few additional drills will add to a lineman's effectiveness:

1. The most important weapon at the command of a defensive lineman is his hands. So you linemen must build up your wrists, arms and shoulders, so you'll have plenty of muscle to put behind those hands. For that, there's nothing better than quick pull-ups and push-ups.

2. A good exercise for linemen is rowing, either on the water or with a rowing machine. That's tough exercise, and it really builds shoulders.

3. Stance is important for linemen. So are quick starts. The same exercise for the backs should be used to improve your ability in these particulars.

4. Practice ball-handling, too. You never know when you might have an opportunity to intercept a pass or recover a fumble. Be ready when opportunity knocks. Hereofore, all we've talked about has been physical conditioning, there's such a thing as mental conditioning, too.

BRAINS, AND BRAIN
Brains, brawn, speed, strength, agility, coordination, size—none of these will help you unless you have a real belief in yourself. You must believe that you're going to succeed, that you are going to make the varsity, that your team will put over that touchdown when it's needed. Never say "Maybe," or you're licked before you start. On my team, I'd rather have a 160-pounder with plenty of fight and confidence than a 220-pounder who figured he didn't have a chance.

All of which means that conditioning, both physical and mental, can mean the difference between a championship team or an also-ran, and the decisive time is now, during the summer.

Good luck this fall, fellows!

BEAUTY ON PARADE

Contestants for the title of "Miss Crescent," queen of the Crescent Sail-Yacht Club, got a chance to meet movie-actor Dane Clark, one of the judges! Pictured above, left to right, they are: Betty Runnels, Helen Hanna, Martha Cawthra, Betty Van Cordon, of Detroit, Gertrude Amo, Lillian Wright, runner-up from Detroit, Ruth Loring, "Miss Crescent," also from Detroit, Joan Crowley, and Barbara Kuhn. The non-Detroit girls are from Grosse Pointe.

Pointe Nines Meet In Title Playoffs

Four teams that finished the season with percentage of .500 or better in the Grosse Pointe Baseball League will begin a two-day tournament and out title playoffs Saturday afternoon.

Gragg-Scherer and Northeast Harper Merchants who finished one-two in the league race, meet at Grosse Pointe High School field.

The other contest pairs St. Clare and Joe Mocerri's Club at Kerby Field. Both games at 2:30 p.m.

The winners of the two games will meet play Sunday at the high school field while the losers meet at Kerby. Both games at 1:30 p.m.

The league champion will represent Grosse Pointe in the Class B state tournament at Battle Creek next month.

How they finished:

Class B Standings	W	L	Pct.
Gragg-Scherer	9	2	.818
N.E.H. M.	7	3	.700
Joe Mocerri	6	4	.600
St. Clare	7	5	.583

MSC Radio Stations To Mark Anniversary

A special program depicting the past, present and future of the Michigan State College radio station WKAR will be broadcast on August 18 from 6:00 to 7:00 p.m. in celebration of the station's silver anniversary.

According to Robert J. Coleman, station director, the special program will emphasize the number of ways the medium of radio has been utilized at the college to perform services to the citizens of Michigan.

REAL HEROES

Four members of this year's Detroit Lions football squad, which now is in training here, are wearers of the Purple Heart. They include Guard Walter Vezmar from Michigan State, Halfbacks August Camarata from Iowa State Teachers and Bill O'Brien of Detroit, and Tackle Victor Pedersen from Gustavus Adolphus.

NEW GOVERNMENT STAMPS

Above are the three new airmail stamps issued recently by the United States Post Office. The blue 25c stamp is intended for use on airmail to the Pacific and Asiatic areas, and some parts of Africa. The 15c value, green, will be used on airmail to Europe and the Middle East, and the black 10c value, on airmail for Central and South America.

Coach Pulls Wrong Play On Lions

Wondering how completely his 11 p. m. "lights out" edict was being observed, Coach Gus Dorais of the Detroit Lions padded softly through the darkened halls of Alma College's Wright Hall where his squad is quartered for pre-season training.

All was in order. Radios were off, rooms darkened, the last pin-ochle deck stowed away.

Reaching for a light switch near his own door, Dorais flicked the button and suddenly Wright Hall was filled with the wailing of buzzers and bells. Gridders fell from bunks, doors slammed, and every man was awake. Dorais had touched off the fire alarm. He now leaves well enough alone and depends upon a tiring four-hour daily practice routine to made the curfew stick.

Review Cup To League Champion

Meek Coal and Tire Service was scheduled to meet Wednesday at Neighborhood Club field for the Clubs' Softball title. The Grosse Pointe Review trophy will be presented to the winner.

In the semi-finals last week Meek Coal defeated Saints, 6-3, while Tire Service and Turners played to a tie, 2-2, and played off again the following day. Score, 2-1, in favor of Tire Service.

Busman's Holiday For Jack The Bell-Boy

Number One disc jockey, Jack The Bellboy is taking the last two weeks in August as a vacation from his WJBK turn-table, and is going to New York to visit some of their disc jockeys to renew old friendships, and compare the trend of record favorites between Detroit and the metropolitan area. Sounds just like a busman's holiday, don't you think? Jack The Bellboy is heard 3:30 to 6:00 p.m. Monday through Friday. Staff announcer, Earl Hayes, will substitute as platter spinner.

Nurse Corps Extends Application Date

The closing date for accepting applications for the Regular Army Nurse Corps has been extended to September 30, 1947. Lieutenant General Walton H. Walker, Commanding the Fifth Army, announced from his headquarters at 1660 E. Hyde Park Boulevard, Chicago.

The War Department has been accepting applications since May 1, this year, following enactment of legislation creating a permanent Nurse Corps in the Regular Army.

FOUR WINDS DAILY

"GONE WITH THE WIND" will be presented only four times daily, at the Adams Theatre, and it will be shown in the full, uncut entirety of the original production starring Clark Gable at his greatest as Rhett Butler, Vivien Leigh (now Lady Olivier) as the tempestuous, colorful Scarlett O'Hara, Academy Award Winning Olivia DeHavilland as the gentle Melanie and the late Leslie Howard as the romantic Ashley Wilkes.

Total Naval casualties in the Spanish American War were only 42 men.

Third Place To Pointe Swim Team

Grosse Pointe Yacht Club finished third, behind Detroit Golf Club and Detroit Boat Club, in the Michigan inter-club swimming championship Sunday at the latter's pool.

Officials declared more enthusiasm had been shown in swimming events held this year than ever before.

Pointe Coach Entertains Niece From Chicago

Tony Moustakas, who coaches the Neighborhood Club's softball team early this summer is being entertained by his niece, lovely Catherine Loomis, of Grosse Pointe.

Miss Loomis, a student at Paul University, is the daughter of Mr. and Mrs. George Loomis of Chicago. She is visiting her grandmother, Mrs. Mary Moustakas, of Detroit.
