WHAT ABOUT RETAIL PROFITS?

When the nationwide Congressional investigation of consumer goods prices opened at Providence, Rhode Island, two retailers were among the witnesses heard. Both testified that their net unit profits were less than in the days of low prices.

Another witness was an A. F. of L. official. During his testimony, he paid the retailers a voluntary tribute when he said that there was no evidence that action by retail dealers had brought about high prices.

Testimony such as this squares completely with the known record of retailing during the difficult days since the war. Both the chains and the independents were among the first to point to the dangers of inflation. They have cut costs wherever possible, in order to hold down price increases to the limit of their ability.

It is to be hoped that the Congressional inquiry will give the public at large a better understanding of the position of the retailer in the production and distribution machine. He is caught between high prices on the one hand and consumer resentment on the other.

WINTER INCREASES FIRE HAZARDS

The approach of winter brings an increase in many fire hazards, particularly in homes where heating and electrical equipment will soon be working at capacity. And this winter we will learn whether the American people are capable of meeting the challenge of a destroyer that has been setting ruinous record after ruinous record.

That challenge has been clearly presented to every individual—and to every community, no matter how small. The President's conference on fire safety, which was held last May, developed a splendid, all-inclusive program for combating fire. But that program will be worthless without aggressive public support.

One of the principal community duties is to enact fire prevention ordinances that are up to date—and then to enforce them.

An efficient fire department is important. Firemen must be highly trained, and equipment must be kept in proper repair. Adequate water facilities must be provided.

Every expert knows that fire can be controlled—and that losses can be reduced to a fraction of their present volume. Positive action will accomplish that.

REMEMBER SWEETEST DAY

"A little thanks goes a long way" and so does a little reminder that you appreciate the things that people do for you all year round. On "Sweetest Day," October 18, the official civic "make someone happy" day, you have an ideal opportunity to repay special people for their thoughtfulness and show them how much you value their friendship.

Sweetest Day was born several years ago in small towns, as an expression of kindness and friendship to the underprivileged residents. Its development throughout the country has become so general that Sweetest Day is now considered next to Christmas and Easter as a day for remembrance of all loved ones and friends.

Grosse Pointe recognition of Sweetest Day on the third Saturday of October annually is part of a national program to set aside one day each year to "make someone happy." Make it your goodwill day too.

FRIEND OF THE FAMILY

Mother's gone. Should the children be placed in a home? Will strangers understand little Jimmy's fear of doctors and his sister's penchant for bringing home stray cats? Or can the family remain together? Helping people solve family problems is the job of the family counseling service, one of the Red Feather services of the Community Chest.

VFW Post Holds Mass Initiation

By NORMAN WYATT Twenty-seven new recruits to Alger Post 985 of the V.F.W. who had not taken the final obligation of the V.F.W., gathered at Gabriel Richard school, Fisher road and Kercheval in Grosse Pointe, last Sunday afternoon, for one of the most impressive ceremonies this Gold Stripe outfit provides.

Camera Club To Hold Model Night

On Tuesday evening, October 21, Miss Jean Elwell will be in charge of Model Night at the Grosse Pointe Camera Club.

Miss Elwell has appeared before the club on prior occasions, and she is noted for her unusual ability in arrangement of models and photographic lighting. She has promised that the uniqueness of the subject matter will be of great interest to those who are photographically inclined.

Mr. Lester McDowell suggests that everyone bring their cameras and plenty of film so that they can enjoy themselves.

The meeting will be held in the clubrooms at the Neighborhood Club in Grosse Pointe. The public is invited to attend.

Letter Box

EDITOR'S NOTE: All letters addressed to the Editor must be signed. Upon request, however names will not be published.

TO THE EDITOR: I took your paper to our journalism class today and asked my instructor to rate your columnists. In his opinion Miss M. V. Zanen was way down at the bottom. Your other columns and articles are very well written. The Review is a swell paper. I am not from Grosse Pointe. Yours Truly, BETTY FRANKLIN.

TO THE EDITOR: This letter is from four former sailors who think Meeky is doing a fine job with her Teen-Talk column. Before we joined the Navy, we all attended Grosse Pointe High and thought we did not go in for parties, we got a big bang out of her teen-talk column.

While in the service, the Review and Meeky was just like a letter from home. If that group is so interested in getting some ink, why don't they go up to Meeky and introduce themselves; after all there is a limit to how much one little girl can get around in one evening.

TO THE EDITOR: Though my children are not yet of high school age and are not concerned with high school activities as represented in "Teen-Talk," I think the writer of it is doing a commendable job.

Her coverage is confined to groups who enjoy good clean recreation and entertainment. The kind that any parent would want his child to participate in. Possibly that group that is angry because their names do not appear in the column are responsible for the mischief caused by juveniles in this area.

TO THE EDITOR: While we are discussing the Review's teen-age columnists, may I say a word about Miss Paula Beaupre? I don't really know whether this letter should be addressed to you or Paula directly because I don't know if she decides what to write about herself or if you tell her.

For a while, Paula's columns were just about parties and, although well-written, seemed much the same, and then suddenly, she started writing short articles about things teen-agers would be interested in. Those articles were just the thing. I know because I am the mother of a 16 year old daughter. My neighbor has a girl who is just 13. She enjoys them too.

But lately again, I've noticed a change. Once again, I suppose, we

will be back with the same old run of parties with lots of names. Your columnist was doing such fine work and everyone was enjoying them so much. Must she again resort to the old style?

Maybe there is a fixed rule that you must follow, but if there is a choice, I vote for more teen-age bits and articles, and fewer parties. Of course, I couldn't say what the youngsters want, but here's a parent's vote.

Sincerely, MRS. GEORGE W.

TO THE EDITOR: This is to advise you that I have received a telegram from Charles Luckman, Chairman, President's Citizens' Food Committee, urging that our Community assist in the Food Conservation Program so that we may extend aid to our less fortunate brothers in Europe. Below is a copy of this telegram.

We naturally urge and know that all of our citizens will cooperate in this conservation program. It is possible that the plan be fully effective and that it will need revision in order to accomplish its purpose.

In view of the fact that we have so few restaurants and no hotels in our community, I have not as yet appointed a local Citizens' Food Committee.

Yours very truly, HOWARD P. PARSHALL, President Village of Grosse Pointe Park

Hon Howard Parshall, Mayor Grosse Pointe Park, Mich.

Of course you fully realize the grave emergency confronting the hungry people of Europe and the responsibility this places on us as a free people. The Deluge of inquiries we have already received from individuals and organizations offering every cooperation requires the immediate establishment of a local citizen Food Committee in your community. The President and the Citizens Food Committee request most earnestly therefore your full support in organizing your community. As the basic move in organizing your community may we respectfully suggest that you issue a proclamation in support of the Citizens Food Committee program with special emphasis on the Four Basic Points of the program.

- 1—Use No Meat on Tuesday. 2—Use no Poultry or Eggs on Thursday. 3—Save a Slice of Bread Every Day. 4—Restaurants to Serve Bread and Butter only on Request.

We urge you to appoint at once a local Citizen Food Committee for the duration of the emergency including representatives from all organized groups in your community such as churches American Red Cross, Schools, Womens Groups, Labor Business Civic Veterans and Fraternal organizations. We will be sending you factual data and information which will enable your committee to formulate an effective campaign patterned to your community. Will you please inform us as quickly as possible of the steps you are taking so that the committee may fully support you.

Infantile Paralysis Speaker Addresses Pointe Kiwanis Club

Speaking to the members of the Grosse Pointe Kiwanis Club at their regular Tuesday meeting at Club Lido, Mrs. Beatrice Wright, Director of Public Relations, Wayne County Chapter of the National Foundation for Infantile Paralysis, described the services which the Foundation renders nationally and locally.

CALL DOCTOR Mrs. Wright stated that facts fight fears about infantile paralysis and since the disease is unpredictable, knowing what it is, what to do about it and where to turn for help is the greatest protection against it. Mrs. Wright pointed out that half of all those who get the disease recover without crippling. She stressed the fact that deformities may be prevented and crippling lessened by prompt medical care.

MRS. BEATRICE WRIGHT County gave \$358,000 to the March of Dimes in January, 1947, and by August 15, 1947, \$150,000 of that

amount had already been spent to help local infantile paralysis sufferers. Over 400 patients have been helped with this money since the first of this year alone.

Wayne County has had about 233 cases of infantile paralysis this summer, Mrs. Wright stated while this figure is not alarming, as a public health problem poliomyelitis has become increasingly significant since the first great epidemic in 1918. The cost of infantile paralysis to the nation in 1946 was \$50,000,000.

ANSWERS QUESTIONS Allowing time for a question period, Mrs. Wright answered questions from the group and thanked members of the Grosse Pointe Kiwanis for their cooperation and generosity.

The Grosse Pointe Club was the nineteenth Kiwanis Club before which Mrs. Wright has appeared in an intensive education program for the general public on the disease infantile paralysis.

### Pointe Garden Group Holds First Meeting

Better nutrition values and fewer colds are the favorable results of using natural fertilizers made from compost rather than chemicals. Mrs. John V. Redfield told members of the Grosse Pointe Branch of The Woman's National Farm and Garden Association at the first fall meeting held Monday afternoon in the home of Mrs. Benjamin E. Young, 71 Lake Shore Road.

Mrs. Redfield described the construction of her compost pit, its contents and use in her garden where the soil is being improved from year to year instead of being depleted.

Mrs. Redfield is one of Grosse Pointe's most distinguished garden lovers and has always carried out practical ideas in vegetable raising in addition to purely aesthetic interests.

For admirers of berryed shrubs, Mrs. W. D. Thompson, of Bloomfield Hills, displayed several varieties of euonymus and suggested other favorite shrubs in her garden.

Mrs. William H. Fries presided at the business meeting after which tea was served. A antique silver and crystal epergne filled with white anemones, grapes and pears centered the lace-covered tea table. Mrs. Joel H. Prescott assisted Mrs. Young as hostess.

Among those attending were Mrs. Alvan Macauley, Mrs. Charles T. Bush, Miss Marie Louise Anderson, Mrs. Ralph Bigley, Mrs. Vincent R. DePetris, Mrs. Stanislaw Backus, Mrs. Charles McNaughton, Mrs. Fred Hart, Mrs. William R. Kales, Mrs. Henry L. Newman, Charles F. Navin, Mrs. Wallace MacKenzie, Mrs. J. J. ### Oct. 25 Marks Homecoming At U. of M.

Home-coming will be celebrated at the University of Michigan on October 25.

The Michigan-Minnesota football game will be the chief center of interest, but a schedule of events has been arranged both for the Friday evening before the game and throughout Saturday.

The huge pep rally will be held at South Ferry Field Friday evening followed by the traditional Varsity Night, a student variety show, at Hill Auditorium, Saturday morning. The winners among the fraternities, sororities and Residence Halls in the contest for the best decorated house will be selected.

The game itself on Saturday afternoon already is a sell-out and a capacity crowd of 85,938 will be on hand to watch the Wolverines seek to retain possession of the Little Brown Jug.

The Home-coming Dance at the Sports Building Saturday evening is expected to attract some 1,500 couples. The music will be by Louis Prima's orchestra.

### Church Group To Attend Convention

On Wednesday, October 22, the Afternoon group of the Woman's society of Christian service of The Grosse Pointe Methodist Church will attend the Woman's Society of Christian Service District convention at the East Grand Boulevard Methodist Church from 10 a. m. until 3 p. m. The Doris White group will meet at the parsonage, 2049 Van Antwerp road, to pack overseas boxes for Finland and Germany.

Mrs. Ernest D. Brutschy, 1371 Oxford road, is chairman of the Alpha group and Mrs. Virgil L. Walling, 327 Kerby road, is chairman of the Doris White group.

### Richard School Plans Season's PTA Program

Recently the Board of the Richard P.T.A. met and made plans for what is hoped to be a very successful year.

The Board consists of the following: President, Mr. Newberry; Vice-President, Mrs. Purdy; Secretary, Mr. Hammel; Treasurer, Mr. Goodnow; Programs, Mrs. Purdy; Movie Council, Mrs. Whittingham and Mrs. Hembel; P.T.A. Council, Mr. Scheid and Mr. Goodnow; Cub Scouts, Dr. Noer; Girl Scouts, Mrs. Huntington; Adult Education, Mrs. Koelbe; Board of Education Representatives, Mr. Rich, Mr. Douglas, Mr. Wardle; Room Parents, Mr. and Mrs. True; Refreshments, Mrs. Lippcott; Service Club Sponsors, Mr. Koelbe and Mrs. Howard; Health Council, Mrs. Beach.

Five meetings will be held during the 1947-48 school year on the following dates; October 21, December 2, February 10, April 9 and May 14. The program is being planned so it will be variable and of interest to fathers and mothers alike.

Believing that one of the basic functions of a P.T.A. is that of informing the patrons the nature of the work of the school, two or three meetings will be devoted to this aspect.

On October 21st Mr. Barnes, Superintendent of Schools and Mr. Wicking, President of the Board of Education, will briefly discuss some school problems. At one of the meetings the visual education program of the school will be presented by Miss Norris, a teacher at Richard. At another meeting the music or physical education program will be presented in a demonstration. Because there is always a general interest on the part of the patrons of the school listening to a psychological discussion of children's problems at least one meeting will be along this line. Previous to each meeting, from 7:30 until 8:15 the parents will visit the several classrooms and meet the teachers and get acquainted with one another. Following each meeting there will be a social period with refreshments in the playground.

For a number of years the Association has sponsored a boy scout troop, a cub scout pack, girl scout and brownie groups at the school to which a large number of upper grade children have belonged. The P.T.A. has sponsored these groups by furnishing leadership and financial aid. All of this work is very valuable and will continue to be fostered by the Richard P.T.A.

Because of the valuable and constructive work the Safety Patrol and Service Squad, the Association has appointed a sponsor for each, these two parents to work with the school in promoting these activities.

The Association also annually engages in a project of buying something for the school and the committee has been appointed by the president to carry on such an activity.

Recently returned from an extended trip to England and France, the speaker explained that everything there is rationed, and ration certificates are more like "hunting licenses," for if you do have the ration points, it is difficult to find what you want to buy. Private building in England is at a standstill, despite housing shortages.

Since 1914, rents in France have advanced four-hundred per cent. There are 85,000 buildings in Paris, which should be replaced at a rate of 1,300 per year, due to their average 65 year usefulness. But since 1935, there has been no noticeable building.

### CHRIST CHURCH MISSION

### Choral Evensong To Mark Opening Of New Mission

After a meeting of the Christ Church, Grosse Pointe Vestry held recently, the following plans and decisions were reported by the Rev. B. Creamer, Rector, for the expansion of the Church in 1948.

1—We are pleased to announce that on Sunday afternoon, October 26, at 4 p. m. a service of Choral Evensong will be held in our new Episcopal Mission at Grosse Pointe Woods, formally opening the Chapel. The Diocesan Bishop, the Bishop Suffragan and the Rector of Christ Church, Detroit, have been invited to take part in this service.

A double quartet recruited from the Mother Church, under the direction of Mr. Redstock, will provide the music. A festal Magnificat will be sung.

All interested members of this congregation, whether or not residing in Grosse Pointe Woods, are cordially invited to be present.

The Mission Church building is the former Renmore Golf Club, located off Lochmoor Boulevard, Grosse Pointe Woods, approximately halfway between Lake Shore Drive and Mack Avenue.

2—The Vestry, upon the nomination of the Rector, unanimously elected the Rev. H. Yeoman, Curate of this Parish, to the Vicar of our Mission Church. He will celebrate the Holy Communion each Sunday at 8 a. m., and read the service of Morning Prayer at 11:00, except the second Sunday in the month when the Holy Communion will be celebrated. All young people's activities for the present will be concentrated at the Parish Church in Miller Memorial Hall, where our facilities are more adequate.

3—In response to the Rector's appeal two weeks ago we announce the following additional gifts:

Silver Missal Stand  
Missal  
Sanctuary Chair and Kneeler  
Lectern

The Vestry has given permission to borrow from the Mother Church one hundred Cathedral Chairs, a piano and the necessary equipment for the Church School until such time as they are replaced by permanent gifts. Hangings for a Dossal have been contributed, two silver Aitar Vases have been given as a memorial, and we shall provide the necessary number of prayer books and hymnals.

4—We ask that from our Mission congregation a sufficient number of people offer their services as members of the Chapel Choir. For the present we are able to provide enough robes to vest a choir of four men and four women, which is all the seating space our Chancel will accommodate.

5—The Vicar will continue to keep office hours at the Parish Church on week days, with the exception of Wednesdays, from 9:00 until 12:00 noon. A telephone will be installed in the Mission for the convenience of the congregation and we anticipate weekday activities, especially that of a Woman's Auxiliary to get under way.

6—The Rector and Vicar are confident that for the remainder of this year and in 1948 the work of the parish can be adequately accomplished without the addition of another clergyman.

**Tax Expert Speaks At Vernier PTA**

Attorney Samuel E. Gawne will be the principal speaker at Vernier School's first PTA meeting of the year to be held Tuesday, October 21 at 8 p. m.

A tax consultant, Mr. Gawne will speak on the Community Property Law.

All parents in the area are invited to attend.

Immediately after a reception held at the Sibley residence on Whittier Blvd., the couple left by plane for Bermuda, where they expected to spend five weeks.

The bride was attractive in her wedding dress of ivory satin, designed on classic lines, and a long veil of ivory silk illusion held in place by a headdress of lilies-of-the-valley. She carried a bouquet of white orchids.

Mrs. Robert Bruns Powers, who was her sister's matron of honor, wore lemon yellow velvet designed with a long, full skirt, fitted bodice and deep, square neckline.

Pairs of bridesmaids were dressed alike—one pair in lime green, another in emerald green and the third pair in alpine rose. Their dresses were in the same style as that of the matron of honor.

All the attendants wore coronets of small, cream-colored chrysanthemums and tiny ivy leaves and carried chrysanthemums, pink roses and ivy.

The bridesmaids were: Mrs. Albert Tietig of Cincinnati, and Mrs. Taylor Latta McCray of Darien, Conn., sisters of the bride; Anne Collins, Mrs. Sibley Hoobler of Ann Arbor; Mrs. James Beck of Windsor, and Mrs. William Kent Van Allen of Washington, D.C.

Melanie McCray, who was her aunt's flower girl, wore a long dress of pale yellow chiffon with off-the-shoulder neckline, and a coronet of ivory beehive chrysanthemums and carried a basket of pink rose petals which she scattered down the middle aisle.

The bride walked down the middle aisle with her brother, Frederic M. Sibley, Jr., but was given in marriage by her mother.

Paula's Hi-Lites

by PAULA BEAUPRE

Miss Beatrice Reyst, who is a Sophomore at Hope College, was recently elected a member of the Women's Glee Club.

Miss Reyst is a graduate of Grosse Pointe High School, class of '48. While in school she was very active in musical circles.

All roads leading to Briggs Lake, near Brighton Saturday, were filled with crowds of teen-agers heading for the summer cottage of JEANNE KULKA where a huge party was to be held in honor of MARY LOU McNALL, Jeanne's cousin.

PAULA

Road home of JUDY ATHMAN was the scene of the affair although the group spent most of the evening in the cool out-of-doors around a blazing fire.

Very busy sipping cokes and munching potato chips were Judy's date, Jerry Nauen, Dick Morketter and Dot Hillebrand. Harry Hammond and Nancy Bergmann, Ralph Beaupre and Marilyn Muerer, Kay Pitzos and Dick Hoskins, Ann Meathe and Bob Fosmo, Sally Murphy and Dick Roland, Jim Law and Rita Liethauser, Nancy Liethauser and Jim Mann, Barb Sutton and John Hoey, Nancy Pitzos and Larry Garneau. Tim Carrigan and Joe Cavanaugh came etag.

The Michigan-Pittsburg game summoned DOLORES BACKMAN and MARY LOU LONG who made their way to Ann Arbor with their dates for the occasion. The girls were escorted by WALLY BREY and BILL ERNIE who arrived at the stadium in plenty of time for the opening kick-off and to join in on a few lusty cheers for the Wolverines.

GPES was again the scene of the St. Paul Flyers encounter with St. Charles who ended the game with a triumphant 19-6 win.

The St. Paul "11" were constantly being urged on by Phyllis Van Baelaere, Theresa Lyford, Charlotte Marchand, Richard Gallagher, Jack Lemieux, Joan Piche, James Keller, Carol Staub, Marion McLaughlin, Marie Couvreur, Bessie Barton, Judy Beaupre, Jo Camella, Sue Burke, Jean Gray, Rosemary Wruble, Joanne Krehnbrink and Joan Whyte.

Guests present were Miss Alice Tucker, Miss Jean Taylor, Miss Fernice Horn, Miss Martha Ream, and Mr. Vernon Hicks.

Many children in Mason School are enjoying the benefits of a "snack" program in school. In an effort to counteract the fatigue which often descends upon small children midway between meals, small simple lunches are served through the cooperation of the parents of the children in the groups participating.

Besides helping toward off fatigue, other benefits are derived from the program. Parents' teachings of such fundamental eating behavior as "chewing with your mouth closed," "not taking too large bites," "not talking with your mouth full" are reinforced by reminders during the snack period.

Some of the lunches served are: juice and crackers, cookies and milk, raisins, carrots and celery sticks, apples, dried apricots, dried prunes, nuts, and other fruits.

## Defer Pupils Visit Bell Telephone Co.

The 5A girls and boys at Defer School have been studying the unit Communication in Social Studies. As a follow up of the unit the children made two trips.

One trip was taken to the Michigan Bell Telephone Company main office. Of the many points of interest these seemed to be most outstanding: outgoing board for long distance calls, the longest in the world; the individual meters for each Cherry number of which pictures are taken at the end of each month and used to compute each telephone bill; the cable carrying the many many separate wires; and the information department. Most fascinating was a dummy switchboard which many of the children had an opportunity to work.

### SECOND TRIP

The second trip was to the Roosevelt Park Post Office. They pointed out and explained the steps taken in canceling and sorting all incoming and outgoing letters and parcel post. All of the incoming mail is sorted according to the zones, then sent to the branch offices for distribution. The moving conveyor belt from the Michigan Central Depot direct to the post office was a highlight of this trip.

The first meeting of the Defer Junior Red Cross was held in the Defer library. The following officers were elected: Nancy Walker, president; Mary Meeker, vice-president; Virginia Homeier, secretary; Mary Ann Zahrt, treasurer; Mrs. Wanda Daniel is the sponsor. The other representatives of the Junior Red Cross are: 1B, Allison Joyce Robbins; 1E, Allison Churchman; 1A, Jackie Dasef; 2B, Mary Lina Berndt; 2A, Roger Kolrood; 3E, Nada Tomicic; 3A, Bona Averill; 4B, Virginia Homeier; 4A, Mary Ann Zahrt; 4A, Elsie Scherer; 5B, Norma Frohn; 5A, Nancy Walker; 6B, Mary Meeker; 6A, Patricia Marter.
