GOODFELLOW DAY DEC. 15

Large Turnout Expected For Second Annual 'Men's Night' Monday

Newsboys Goal Set At \$5,000

Stores To Be Open For Men Only

Scene To Be Seen On "Men's Night", Next Monday

Men will be the center of attention in Grosse Pointe City's favorite shops next Monday night as Village Merchants stage their second annual "For Men Only" event. Except for store personnel, women will be barred from the stores participating. Lovely Miss Sally Potter, 175 Ridge road, above, obligingly shows a lady's slip to oblige Mr. Edward Robertson, 1350 Condon, who jointly posed a scene which may be seen on Monday night. Merchandise displayed above was assembled from participating shops.

On Monday morning, December 15 The Grosse Pointe Lions, aided by members of the Grosse Pointe police and firemen departments, will launch the annual sale of "Goodfellow" papers.

VETERANS
The Goodfellow "newsboys" all veteran campaigners in the name of charity, will be selling their 19th annual official Goodfellow edition of the Grosse Pointe Review which will be published.

Mr. Male Pointer will take command next Monday night in the City of Grosse Pointe as Village merchants launch their second annual event "For Men Only."

Repeated through popular demand, after the wide acclaim which the first "Men's Night" met last December, this year's event is expected to surpass last year.

Every effort has been bent by Village merchants to make Monday night's stags at home and every helpful gift hint will be displayed and explained by courteous, trained salespeople.

Shops participating will not only help the male make his selection, but purchases will be beautifully wrapped and gift-tied upon request. The variety of merchandise offered will answer the whim of any man, whether he is buying for the home, for his sweetheart, mother, daughter, brother, sister, wife or even his mother-in-law.

This is every man's opportunity to end his Christmas shopping worries by taking a list and visiting the cooperating merchants listed below, next Monday night:

Peter Pan, Jacobson's, McMillan's, Peppet's Inc., Village Manor, York Jewelers, Peck and Peck, Henri's Market, Louis Hat Styles, Kopp's Pharmacy, Ryon's Footwear, Fromm's Hardware, Pongrazz Jewelry, Judy's Gift Shop, Doubleday Book Shop, Young's Men's Wear, Haydon House Inc., Davidson's Market, Grosse Pointe Drug, Proper's Men's Shop, Notre Dame Pharmacy, Junior League Little Shop, Walton Pierce Shops, Hamilton's Treasure Chest, Fanny Farmer, Lingeman Florist.

Their objective is to raise \$5,000 to cover their charitable program not only for this Christmas season but throughout 1948.

Sale of the Review's "Goodfellow" edition will begin early Monday morning and will continue until everyone in Grosse Pointe has been given an opportunity to assist by their contribution.

AID NEEDED
At the corners and in the business districts the "Goodfellows" will shout their wares and gather in shekels for the needy.

Carl Schweikart and Dr. Werner Kerster, co-chairmen of the benefit sale, are highly confident that this year's drive will surpass all previous marks.

They feel that the residents of Grosse Pointe will dig a little deeper in their pockets and purses for their less fortunate fellow humans.

FAVORITES BACK
The Township office at Maryland and Jefferson will be the official headquarters of the drive. Persons are invited to buy their paper here or from their favorite "Goodfellow" who will be on his regular corner Monday morning.

During the balance of 1947 and throughout next year, the Lions' charitable work includes optical and dental care for children as well as assistance in meeting rent, fuel, clothing and doctor bills for unfortunate families.

You can help the Lions be "Goodfellows" by being one yourself—Buy A Paper.

CLOSED MEETING
Grosse Pointe Park council will hold a closed meeting Monday evening to discuss the feasibility of changing the present village manager form of government to a city administration.

Park Presents Xmas Bonus to 91 Employees

Grosse Pointe Park will give village employees an annual Christmas bonus amounting to \$3,950. It will be shared by 91 members of the Park police and fire departments and other employees of the village's various departments.

All persons who have been employed in the village for more than one year will each receive a \$50 government bond. Persons who have been employed less than a year but more than six months will each get a \$25 bond. Other employees will be presented with \$10 worth of government stamps each.

NEEDED A LIGHT
City police reported that six cigarette lighters, valued at \$17.50, were stolen from the Treasure Chest Store on Kercheval avenue last week.

BOYS WORK AND PAY FOR DAMAGING SIGNS
A group of juveniles led by Robert Hebert, 21, of 643 Notre Dame, were held responsible by City police for destruction of street signs on Notre Dame from Mack to Waterloo.

Police put the group to work in replacing the signs and also ordered them to pay \$100 damages.

DENY REQUEST
The Park council denied the request of Fire Chief Rector to attend the 20th annual Fire Inspectors Conference to be held at Memphis, Tennessee, January 5 to 9.

Berns Set To Fight For Refund

If a lawyer's agreement means anything, St. Clair Shores will refund \$1,400 to Grosse Pointe Woods. This is the sum assessed on the 44-acre plot purchased by the Woods from Mrs. Edsel Ford to be used as a public park.

John Yoe, Shores attorney, told Julius Berns, Woods lawyer, that if the Woods won the court fight on the Park ruling, he would recommend to the Shores council that taxes paid for the property be returned to the Woods.

Berns said this includes an undisclosed amount paid to Macomb County.

In the event that the council does not see eye to eye with its legal recommendation, Kerns plans complete court action in accord with a state law that exempts any property used as a public park from assessment.

These latest developments come in the wake of the Supreme Court upholding Woods' right to purchase and operate a park and a bathing beach in St. Clair Shores.

In making this ruling last week, the high court confirmed the decision of Circuit Judge H. Russell Holland of Oakland County, who last June denied a petition by Shores asking that the Woods be restrained from operating a public park on the property purchased from Mrs. Ford.

Judge Holland said that a municipality has the right, under the statutes, to operate a public property within the limits of another, subject to local health and safety regulations.

Post Office Announces Special Holiday Hours

Following is the special holiday schedule of the Grosse Pointe Post Office, 17410 Miamine near St. Clair, as announced by Leland Lindow, superintendent.

Monday, December 15 to Friday, December 19, business hours will be from 7:30 a.m. to 7 p.m.

On the two Saturdays before Christmas, December 13 and 20, the office will be open from 7:30 a.m. to 5:45 p.m.

The office will also be open on the two Sundays preceding the holiday from 1 p.m. to 5 p.m.

Mr. Lindow calls attention to the fact that on the office preceding Christmas and X-Mas Day School will be closed at 5:45 p.m. He urges residents to do all their Christmas mailing early.

Medical Authorities Plan X-Ray Program Meeting

A meeting will be held Friday at 10 a.m. at the Neighborhood Club to complete plans for the Tuberculosis X-Ray program which will get underway in Grosse Pointe Township late in January.

It was announced by Dr. T. S. Davies, Township Health Commissioner. Local medical and social leaders are expected to attend.

The program is sponsored by the Health Society of Wayne County and the State Board of Health in cooperation with the local Board of Health.

Their aim is to have every person over 15 years of age make himself available to this free X-Ray examination to check tuberculosis.

Mobile X-Ray units will be provided at central locations throughout the Township. Dates and locations will be announced later.

All persons who are interested in assisting in the program are invited by Dr. Davies to attend Friday's meeting.

Shooting Mishap Victim In Critical Condition

Mr. Fred R. White, who was accidentally shot in the back by his wife Sunday afternoon is still in critical condition in Bon Secour hospital.

City police reported that an operation held Monday to remove the bullet lodged near the victim's heart proved unsuccessful.

The accident occurred at the White home at 702 St. Clair.

Schools To Raise \$908,854

Plans to raise \$908,854 over three years for a new building, scholarships, teachers' salary raises and teachers' pensions for affiliated Detroit University School and Grosse Pointe Country Day School was announced following a recent meeting of the Board of Trustees by Edward P. Wright, President.

"Rising costs of maintenance and teachers' salaries, coupled with the need for more space to relieve present crowding and meet the demand for the School's services are reasons necessitating the Development Program," Mr. Wright stated. "This is not an expansion program, but an enlargement of facilities to permit better organization of the curriculum and distribution of students."

NEW BUILDINGS
The new building will stand opposite Detroit University School across Cook Road. It will be a junior and senior high school for girls who now attend crowded Grosse Pointe Country Day School. Under the new plan the Grosse Pointe Country Day School will become an elementary school for boys and girls from nursery through sixth grade. Detroit University School will transfer its present third, fourth and fifth grades to Grosse Pointe Country Day School and continue as a junior and senior high school for (Continued on Page 8)

IT HAPPENS TOO OFTEN "Car Skids, Two Dead, Three Seriously Hurt"

"These are the kinds of headlines we don't like to read in our newspapers," said the Police Chiefs of Grosse Pointe. "But, unless we take precautions now against the added hazards of winter driving there'll be headlines like these during remaining winter months."

The Chiefs, in making this statement, added that just as sure as snowfalls and Christmas is coming, there will be some drivers who fail to compensate for the extreme hazards caused by snow, ice and reduced visibility.

"Even as anti-skid chains are needed at times to counteract snow and ice," the Chiefs declared, "washed defrosters and wipers are as necessary as good lights to provide for adequate visibility. Such equipment, during bad weather, is just as vital as any functional part of a car or truck. Drivers who neglect these safety aids cause increased accidents and traffic tieups. If unprepared, they should not drive until conditions clear."

This warning is based on their experiences as public safety officials and a new research report by the National Safety Council's Committee on Winter Driving Hazards. The report showed about 65 per cent of winter accidents occur on snow and ice, and further recommended use of tire chains on rear wheels of all vehicles when severe weather and road conditions warrant them.

The other major causes for the 24 to 53 per cent increase in accident death rates in snow-belt states during winter months is reduced visibility, the report verified.

"Above all," they said, "we need the full cooperation of all drivers to adhere to realistic winter driving practices if we expect to prevent accidents resulting in more injuries and deaths. This means adjusting speed to conditions, using proper equipment, and generally being extra careful and of respect for added hazards of winter."

The public is cordially invited to attend the Grosse Pointe Police Department's Traffic School. The school is in session each Tuesday from 7 p.m. to 9 p.m. in the Park Municipal Building, 13116 East Jefferson Avenue.

Lions Save Party for War Orphans

The Grosse Pointe Lions Club helped to save the day for the children of fathers who were killed in World War II by coming through with a cash contribution that will assure a happy Christmas party for the kids.

"We plan to hold the party at the GAR building, Grand River at Cass, Sunday afternoon," Mrs. Henrietta Noe, of 175 Oak Street, vice-president of the Gold Star Wives, told the Review. "But we are fearful that we will not have enough toys and gifts to go around."

Mrs. Noe asked this newspaper for assistance after her organization was refused permission by the Detroit Board of Commerce to solicit contributions.

The Review contacted Carl Schweikart, Township Supervisor and member of the Lions Club. After hearing the matter, Mr. Schweikart agreed that the Lions would donate \$50. to the worthy cause.

Mrs. Noe said that this sum along with 25 toys from the Grosse Pointe Toy Club and the efforts of Norbert Neff, Grosse Pointe City Clerk who promised to have Santa Claus attend, will mark the party with success.

Mrs. Noe said that the Gold Star Wives, a Metropolitan Detroit organization, are very grateful for the consideration and assistance they received from Grosse Pointe.

"WE LEAD, OTHERS FOLLOW"

BE A GOODFELLOW

Merry Christmas!

How easy to say and, if you really mean it, how easy it is to be sure that you yourself have a Merry Christmas by helping others.

Members of the Lions Club assisted by the police and firemen of the Grosse Pointe communities will give everyone the opportunity to help Santa Claus this Christmas

You'll have that warm feeling inside you of a good deed well done if you are not niggardly about your Goodfellow contribution.

Everybody reads the newspapers and the special Goodfellow edition is everybody's paper - just as the work of looking after the poor and unfortunate is everybody's job

So lets all be good-fellows on Goodfellow Day, Monday.

PRICE FACTS

One of the most intelligent and illuminating statements on the situation was recently given by Robert A. Seidel, vice-president of a leading merchandise chain, before a Congressional subcommittee.

Mr. Seidel observed that it is commonly believed that all prices are unreasonably high as compared with a year ago. The truth is that many prices have gone down or have held to the same level.

- 1. All prices are not out of line. Some are up, some are down; some are the same. 2. Increased labor costs are a major contributing factor to the present price structure...

3. Bottlenecks still exist which cause shortages in production and so force the prices of the commodities affected upward.

4. The cost of government has an important effect on price levels. Surprising as it may seem, government now costs the country more than the food it eats!

5. Retailers' margins have been substantially reduced, and retail trade has not retained an undue share of the consumer dollar.

Mr. Seidel spoke from a study of the facts, and the committee members who heard him were interested and impressed. The whole price problem has been confused by wild denunciations of one group or another.

AAA To Present Safety Award To Trombly

Trombly school will be cited for its outstanding traffic safety education program during the 1946-47 school year when Automobile Club of Michigan presents it with the Traveling Safety Cup award at 9:00 a.m., Monday, December 15.

Presentation of the award will be made by Philip G. Stratton, Auto Club safety supervisor, to E. J. Cowe, principal. The cup, as its name implies, is not a permanent award. It remains in possession of the winning school for only the following school year.

Praising Trombly school for its well-balanced safety education program, Ernest P. Davis, Auto Club safety and traffic director, in a written message, singled out the teachers of Trombly for special commendation.

"Michigan parents and auto drivers can be thankful that so many teachers are participating so fully in the safety education of the state's children," he said. "School safety patrol work coupled with classroom safety education directed towards creating safer habits in walking and playing will go a long way in preventing the toll of deaths and injuries caused by traffic now and in the future," he added.

Records compiled by Michigan State Police on traffic deaths of school children from 1936 through the present date show decreases in such tragedies. That child traffic deaths have been more than cut in half in the last 10 years can be attributed in no small measure to the efforts of teachers and the safety patrols, the Auto Club official said.

Stackpole's Widow Dead

Burial services were read at Mt. Olivet Cemetery Tuesday for Mrs. Mae A. Stackpole, 65, of 315 Fisher road. She died Friday, December 5 after a long illness.

Mrs. Stackpole, who was the widow of the late Thomas P. Stackpole, well known Detroit banker, is survived by a son, Thomas G.; three sisters, Mrs. Madge C. Walker, Sister Rosemary, of the Sisters of Charity, and Mrs. F. J. McBrearty, and a grandson, Ronald Stackpole.

LETTER BOX

TO THE EDITOR It is with a great deal of pleasure that I can write to you to thank you for your splendid cooperation in sending the 1947 Community Chest Campaign over the top.

Without your help in telling the people of your community about the Red Feather we would never have been able to report that Metropolitan Detroit had raised \$5,461,844 or 102.1 per cent of its goal.

Let me also take this opportunity to thank you for using news about the activities of the Community Chest and its 125 Red Feather agencies year-round. Through these stories Chest contributors can learn what is happening to the dollars they so generously contributed, and see that they are on the job twelve months of the year.

Very sincerely yours, JOHN R. DAVIS, Chairman, 1947 Community Chest Campaign.

Teen Talk

By MERRY MARIE VAN RANEN

A basketball game and an S. A. Dance plus many of the usual parties kept all of Grosse Pointe wide awake until the wee hours of the night last week-end.

CONGRATULATIONS COACH WERNET on the marvelous team that you have coached for this year's basketball season, and for your first success of the year.

The whole school lent marvelous support and among the rooters were Sandy Finley, Lee Kanase, Jack Coridan, Herbert West, Florence Hardy, Betty Mitchell, Betty Keith, Diane Thompson, Mary Mohr, Jean Giles, Polly Wilton, Sharon Ford, Felice Thorpe, Gary Rounda, Pete Henke, Steve Hosmer.

And Margaret Weaver, Sally Lemen, Joyce Schenburn, Don Flor, Char Smith, Char Hahn, Chuck Waggoner, Dick Redmond, Carl Bohr, Bob Peterson, Harry Mack, Jack Flattery, Barb Orpaal, Susan Orpaal, Sue Crankbank, Carol Shadwick, Amy Morrison, Mary Ellen Antrim, Jean Blanchard, Jim Fenake, Tom Fenake, Harvey Reist, and many many more.

JULIE FORD's big party was an event after the game for a group of her best friends. The girls spent hours at bridge, knitting and just chatting before donning some luscious food.

Jane Lundgren, Ginny Grasse, Merry Bauman, Gail Wright, Nancy Georgi, Katy James, Gladys Osterman, Nancy Voorhees, Carol Gryl's Janet Johnstone, Ruth Jacques, and Janice Skillman took part in the fun.

NANCY HODGES chose to give her "after-the-game" party in good old-fashioned style, by giving a square dance and that is just exactly what she did in her lovely recreation room.

The scene was set for the gay nineties and a caller kept the crowd in time with the music while Barb Elliott, Ricky Schmitts, Joe Hipfel, Nancy Weed, Lora Nor, Shirley Davis, Don Lewi, Mari Friess, Jo Ann Brown, Ken Christianson, Nancy Bolles, Minnie Hewitt, Faddy Hasea, Buffy Wicking, Bill Siebert, Sue Rogers, Jack McGrae, and John Brink, swung the night away.

MERRY

Along about 11:00 at KERN'S an informal fashion show was held in the high school shop to which just oodles of fashion wise girls attended.

SUCH yummy creations as a blue hooded corduroy suit, a plaid skating jacket, and harmonizing skirt, a wispy pink net formal, and a white file formal with red velvet trimming, a new years eve spirit was reflected in the red moire offshoulder style, and still even more scrumptious outfits were shown.

Why not find out just what's coming off in the fashion world and attend one of these fashion shows designed explicitly with you in mind. Watch for further announcements of future Fashion show dates in this column.

MISTLETOE MIXER set the theme and title for the Student Association dance on Saturday night which BILL WEBB was chairman of.

Santa Claus, alias Mr. Banach, came and gave everyone a peppermint candy cane, and also took the kids orders for food. Joe Mannino's band supplied the music, and the coke bar served fresh orange ade for refreshment.

Bunches of mistletoe were hanging about the girls gym from various perches on the ceiling only no one seemed to notice them. Or did they?

OR Merry Bauman 'n Dan Guy, Doris Rempter 'n Rod Villeneuve, Rose Mary Rae 'n Herb Garhard Dolores Deck 'n Phil Skillman, Doug Beck 'n Susie Johnson, Genny Grasse 'n Bob Stitzinger, and your scribbles 'n Dick Coyle.

SHARON FORD presented her charming new home in fashionable style by giving a house warming party afterward.

An open fireplace in the recreation room served to roast hot dogs in and french crullers were served for the finishing touches.

We remember seeing Felice Thorpe 'n Terry Thomas, Diane Wecker 'n Dick Poland, Helen Plath 'n Herman Klingelhoefer, Barb Mann 'n Bill Treuter, and Sharon date BOB SCHNEIDER.

DUS Graduate In Princeton's Triangle Show

"All Rights Reserved," the fifty-sixth annual production of the Princeton Triangle Club, is a light-hearted musical comedy which satirizes book-publishers, lady authors, overweight historical novels and novelists and all the follies of the hilariously high-pressure publishing industry.

Presented by the famed dramatic organization of Princeton University and by the Princeton Club of Michigan, "All Rights Reserved" will be in Detroit at Music Hall Friday, December 28.

The play is produced, written, and acted entirely by undergraduates of Princeton University. Both male and female parts are taken by the young men, some of whom achieve remarkable success as female impersonators.

Included in the group is Donald Finnie, a Detroit University School graduate. Donald is directing the Triangle Octet which presents several excellent songs during the two-act play.

A Princeton senior, Donald is the son of Mrs. Haldean Finnie, of 879 Ellair.

Jimmy Stewart, stage and screen star, heads a long list of actors, directors and theatrical producers who today are well known and who got their start as members of the Princeton Triangle Club. Similarly, much of the student-written music, performed first in Triangle shows, has gone on to national popularity.

The story of "All Rights Reserved" revolves around one Benjamin Baudie, president of one of America's largest publishing houses. He is faced with a predicament. He has been offered an action-packed story of the winning of the west that makes "Duel in the Sun" look like a Mayday festival. But the author is a highly ungrammatical, unphotogenic son of the Gopher Gap, Iowa soil.

Denny Deadbeat, ace publicity agent, knows that such a book, to be successful, must be written by a sexy woman with a mysterious look in her eyes. He finds such a woman in a ballet troupe, has the unpollished beauty of his choice attend a success-school and plans to televise her reading excerpts from the book. The plot entangles itself from here on in, as Triangle plots will, and isn't unraveled until a Hollywood producer and an Eskimo adrift in the Bering Sea have entered the crowded picture.

LEGENDS OF HOLLY

Many beliefs are connected with the Christmas holly:

Legends relate that the crown of thorns was plaited from the holly, the white berries turning red like drops of blood after the crucifixion.

It is said that whoever brings the holly into the house first, either husband or wife, is the one who will rule in the ensuing year.

For many years the superstition persisted that holly was hateful to witches. It was placed on doors and windows to keep out evil spirits.

TEACHER

RUSSEL WERNEKEN

Pointe Youth To Teach At Roth-Berdun

Russel Werneken, of 206 McKinley Road, has accepted a position with the Roth-Berdun Theatrical School as head of their legitimate stage department. He returns to live with his parents, the Frank E. Werneken, after two-and-a-half years of acting engagements which took him to the Philippines, Japan and Korea with the USO and to about twenty states in this country with the National Classic Theatre of New York—not to mention stock and television appearances in and around New York.

In his evening classes at the school, Mr. Werneken will stress actual performance in scenes and one-act plays as the basis of his instruction. The school has just opened a new studio theatre from whose stage plays will be presented before an invited audience periodically. Although a fraction of every class-period will be devoted to the discussion of the most essential theories of acting, the classes will be more like rehearsals, Mr. Werneken stated.

Insofar as possible, scenes and plays will be selected to suit the class membership: a kind of casting-in-reverse; and students will rotate between assignments backstage and behind the footlights.

Mr. Werneken's classes are scheduled, so far, on Monday and Wednesday evenings; and the school has invited anyone interested to attend one session without any obligation. The school is located at 4484 Cass Ave., in the Conventum Hall Bldg., and is open from 7 to 10 p. m. each week-day.

ANNOUNCE CIRCUS

Dates for the Moslem Temple Shrine's annual winter circus are announced by Tunis E. (Eddie) Stinson, Veteran Shrine Circus producer and general chairman of the committee. Opening at the State Fair Coliseum, Monday, Jan. 26, the circus will continue through Feb. 8, playing 28 performances, with matinees and evening performances daily.

Richard Pupils Enjoy Natural Science Program

A dynamic natural science program has been carried on at the Richard School since school started in September. Having found and seen interesting natural things during their summer vacation and having been encouraged to look about them and to bring in objects by their teachers, children of the school followed the suggestions with great enthusiasm.

VARIOUS OBJECTS
Many of the objects were collected at distances from the children's homes, but numerous nature objects were found right in their own backyards and on their way to school.

These rich experiences have led the children to look about them, to appreciate the beauties of nature, to be sensitive to the color, form and sound in the outdoors.

Besides, with the instruction they have received in the several classrooms, they have been able to learn something about the principles of the conservation of the resources of their great state and country.

BRING SNAKES
Among the animals brought to school were frogs, snakes, toads, turtles, and even an alligator, they named Ozie. They put the animals in cages or terraria and learned how to take proper care of them. They learned something about their physiology, habits and place in the scheme of things.

They dug up ant colonies and placed the colony in a box with glass side after which the colony carried on its regular life activities and dug tunnels next to the glass so the children could follow the whole process.

Crickets were brought in and would frequently sing much of the day. They raised butterflies and moths from the larval stages and gained valuable knowledge in watching these insects emerge from the cocoon or chrysalis. A number of classrooms developed aquaria and went in even extensively for the raising of tropical fish in order to do this the water temperatures have had to be maintained at about 70 degrees by heaters with thermostatic control.

LEARN BALANCE
The pupils have learned about balance in nature for they have had to balance their aquaria with the right amount of water per fish, with sufficient plants to take care of the oxygen content of the water, and with snails to eat up the debris.

Some classrooms have gone in more for the botanical aspects of natural history and have developed terraria. Using glass jars,

placing some sand in the bottom, they have planted mosses, ferns, and other delicate and beautiful plants of the local area and north country. By placing a cover on such a jar and adding the requisite amount of water such a pretty garden will remain green for months, without the addition of more water. Through parents who are in the engineering profession, one classroom made blueprints of leaves and plants which have much instructional value besides being very attractive means of preserving objects of nature.

TAKE TRIPS
Children have gone on field trips in the immediate vicinity of the school and to the pine woods several blocks away. They have thus learned to be observant of the bird, animals and plant life. To assist them in identifying the birds, a number of classroom groups have become members of the Junior Audubon Society sponsored by the National and State Audubon Societies. For 15 cents, gotten six little leaflets on common birds of the state, a button to wear on the lapel, and some notes and hints on how to take care of our wildlife.

The values, enthusiasms, and rich experience gained from all this activity has carried on into the home life of Richard children making their family excursions out into the country more meaningful. Parents have frequently become very interested to the extent that their work in natural science has very nicely supplemented the work of the school. The boy scout, cub, girl scout and brownie program have tended to be more nature minded.

One of the patrons of the school has become a real leader in the Junior Audubon program for the whole Wayne County area. The nature study program is stressed at Richard because an understanding of nature is important to the lives of all of us and besides it is fun.

Miss Smeader Becomes Bride-Elect

Miss Margaret Smeader, daughter of Mr. and Mrs. Harry Smeader of Bishop road, and Miss Leonard Goodin of Oakwood road, son of the late Mr. and Mrs. Joseph Goodin, have set their wedding date for January 19, 1938. They will be married at St. Clare of Montefiore Church at 10:30 o'clock. The wedding ceremony will be held at 10:30 a.m. immediately following the ceremony.

Joseph D. Kelswetter will be best man and the ushers will be Edward Goodin, brother of the groom, Hubert Cortveile and Earl Dwyer, Jr.

Miss Marie DeFeyerat, cousin of the bride, will be the maid of honor and Miss Josephine, niece of the groom, flower girl.

Carolyn Shields gave a pantry supper on December 3rd for the bride-elect. Mrs. Carl J. Eberly planned a luncheon and supper at the Women's City Club on January 3rd. Mrs. John B. Blum and Mrs. T. D. Kelswetter will be bridesmaids. A linen shower on January 8th.

There are more parties in the near future.

RECENTLY MARRIED

MR. AND MRS. THOMAS H. KILETS

High School Romance Leads To Marriage

Marriage climaxed a romance that began in Grosse Pointe High School.

The happy young couple are Muriel Joy Parnall, daughter of Mr. and Mrs. R. S. Parnall, of 538 Manor road, and Thomas H. Kilets, son of Mrs. Arthur Van Quaquebeke, of Detroit, and the late Mr. L. Herbert Kilets.

The ceremony was held recently at the bride's home. The Rev. Russell D. Hopkins officiated.

The new Mr. and Mrs. Kilets will reside in Detroit.

The Actual Science of Prayer

The kind of prayer to which the Founder of Christianity referred when he said unequivocally, "Ask, and ye shall receive"—which accounts for his own great work and the ever widening healing and liberating work of Christian Science today—is explained scientifically in the first chapter of the Christian Science textbook, **SCIENCE and HEALTH with Key to the Scriptures** by Mary Baker Eddy.

Other chapters of the book are:

Science, Theology, Medicine (A summarization of Christian Science and its rich implications for these three fields of human thought)

Christian Science Practice (Comprehensive and detailed instructions for the use of this Science)

Privilege (100 pages of letters from persons healed through study of the book)

In its eighteen chapters, this single volume gives the complete explanation of Christian Science.

A book for everyone to understand and use.

In various editions, at **CHRISTIAN SCIENCE READING ROOM**
14730 Kercheval Ave., Detroit

All Christian Science Reading Rooms are open to the public for the study of the Bible, the works of Mary Baker Eddy, and other Christian Science literature, without charge, and for the purchase of these publications.

Paula's Hi-Lites

by PAULA BEAUPRE

While chatting with MARY LOU KOPPEL last Sunday, we learned just how a contest winner feels just after the announcement has been made! Mary Lou is one of the five winners of the "Who Is Jack the Bell Boy" contest; who carried away a Frankie Laine album as a prize.

Those music-minded people who listen to Jack's program every day already know what was asked of the contestants. They were simply required to answer the question, "who is Jack the Bell Boy?"

PAULA

Mary Lou told us that she had never entered a contest before and therefore had no hopes of winning. So imagine her surprise, when after hearing the first four winners named, she was number five!

Mary Lou isn't particularly a J the BB fan. It's just that she enjoys music and so listens to his broadcast whenever she has the chance. And, although the Frankie Laine album will add a lot to her record collection, she shows no favoritism for any artist. She thinks they all have some good arrangements.

Mary Lou hopes to write copy for the radio, and she has already had some of her ideas used.

Although news of the party hosted by SALLY McCARRON is just now reaching us, we hear it was such a big success that you'll all want to know about it! Sally's date was Bill Allard and others who coupled up for these big doings were Marilyn Sutherland and Johnny Huettelman, Mary Del Barba and Owen Orr, Beverly Sabadie and Bob Hofer, Mary Lou Elrick and David McCarron and Bud Wisnitch and Carol Henahan.

Some of the group made use of Sally's records by getting in a little dancing and the others discussed just about everything while feasting on the wonderful refreshments.

The summer home of JOAN KRAUSMANN saw plenty of activity last Sunday when Joan entertained her friends with a winter party at her Belle River home.

Marshmallows and hot dogs were roasted over a blazing fire after a cold outing and lots of music was furnished for dancing.

Duetting for this gala outing were Mary Ann Hillebrand and Bud Baker, Pat Thibodeau and Bob Byington, Fran Ardetta and Butch DuRocher, Alda Marie Crowe and Doug Sutherland, Mary Lou Thibodeau and Phil Van Hollebeke, Joan Beaupre and Jerry Moons, Alice Fauser and Parker Munger, Jeanne Kulka and Howie Meathe, Betty Ann Huettelman and Jeff Towers, and Marilyn Otto and Dick Haskins. Joan's date was Jack Thomas.

Again the WHYTE home was the center of much social activity! Four fun-loving girls hastened to JOAN'S door on Saturday night and drummed up lots of entertainment for themselves.

Hand after hand of cards was puzzled over before it was time for the girls to say "good-night" to their hosts and head home. Those in on the card session included Joanne Krehnbrink and Betty Ann Huettelman.

VALETE FOR NOW!

Wide Program Keeps Trombly Pupils Busy

The 1A class in Miss Gifford's room are enjoying two golden hamsters brought by Sally Ruen. They look like little mice. They sit up on their hind legs and eat like a squirrel. Their teeth are very sharp and they store food in tiny pouches along the sides of the mouth. The children are learning how to care for these pets, and how to be kind to animals.

STUDY EGYPT

The third graders in Mrs. Craver's room have been studying Egypt. They have made a model of a typical Egyptian village. The homes were made by Cynthia Abbey, Billy Carnegie, and Eleanor Jacobson. Connie Pavey, David Blecki, and Sandra Potter made the Pyramids, Sphinx, tombs, and mummies. Phyllis Jackson devised the Nile River, Stephen Horn built the boats that sailed on the river. Margie Griffith and Cindy Ramer enjoyed molding the Egyptian pottery used in their village. Toni Dauch, Joan Cooper, Marilyn Drettman, Harold Joerin and Tom Knapp worked on models of Egyptian people and camels.

OTHER LANDS

Miss Taylor's 5B group have been learning about the people from the countries from which our ancestors came as a part of their study of Michigan and her neighbors. In keeping with the season of the year they will illustrate by pictures and stories how Christmas is celebrated in Other Lands.

The 6B Social Studies classes of Trombly School have been developing a greater sense of appreciation of beauty in nature, drama, literature, music, art, and architecture. Extensive reading, oral reports, and attractive notebooks resulted from the keen interest shown by the classes. As part of their culminating activities the three 6B sections under the guidance of Miss Rieck, Miss Wallentin, and Mr. Weloabach enjoyed a tour through the Detroit Institute of Arts. The Gothic Chapel, medieval sculpture, pre-Renaissance and Renaissance paintings were the "high spots" of interest at the Institute.

On Friday, November 21, the 6A-2 class of Trombly School made a tour of the Detroit News. During their Social Education period, three groups of the 6A-2's have been making their own papers for several months. The trip was initiated from the group's interest in seeing how a newspaper is made and the various departments contributing to it.

NEW P.T.A.

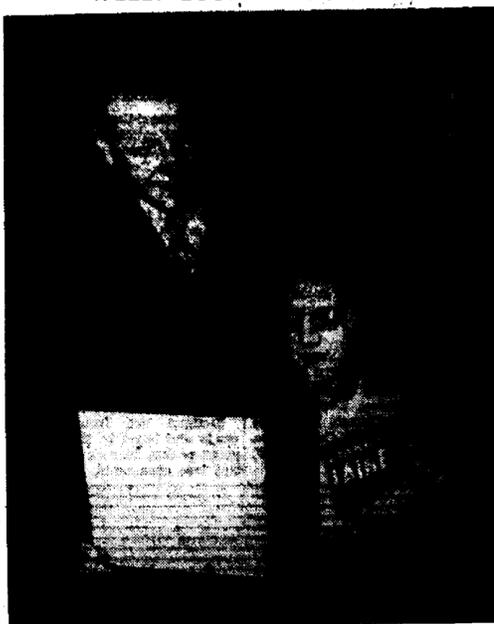

Almost three hundred Trombly School-parents attending the November P.T.A. meeting were treated to an unusual "night school class" on modern elementary school practices and methods. Parents of the respective grades met in the classrooms to participate in informal discussions led by the teachers.

These discussions embraced points of view, objectives, and methods used at Trombly and in the Grosse Pointe Public Schools in promoting the total personality development of the pupil. The child's physical make up, his social and emotional patterns and the time factor in maturing as well as his mental capacities and potentialities were discussed. Specific illustrations and subjects pertinent to each grade level and grade group were delineated. Parents raised many questions concerning the how and the why of many of the activities in the school program.

ENJOY MEETING

Officers of the P.T.A. and parents expressed their enthusiasm for this meeting in giving them an unusual insight into the how and why of the elementary school today.

WELL! LOOK WHO'S HERE

Mary Lou Kappel, of Grosse Pointe, was among the five winners in WJBK's "Who Is Jack the Bellboy" contest. Mary is looking over her prize, a Frankie Laine album with none other than the jive-jester Jack the Bellboy. Paula Beaupre writes about the contest in her column this week.

Hunt Club Set Is Agile On Dance Floor Too

Grosse Pointe Hunt Club members and guests had their fun on foot rather than on horseback last Friday evening when the third square dance of the season was held in the ringside tearoom, followed by a midnight snack in the grill. William K. Allen, chairman of the Club's general activities committee, brought his collection of square dance record albums and officiated as caller for the occasion.

The intricacies of the "Grapevine Twist" and the "Dip-and-Dive" are getting to be old stuff to such faithful square dance followers as Mr. and Mrs. Jack Wilderman, Mr. and Mrs. Ernest C. Putnam, Dr. and Mrs. Bert Spurrer, Mr. and Mrs. C. Karl Ly-singer, Mr. and Mrs. G. Reginald McKiel and Dr. Arthur W. Erk-ftz.

Other participants of the evening were the Frederick A. Carreys, the Arthur W. Bulls and their guests Mr. and Mrs. John Boll, Mrs. Miles Culehan, Mr. and Mrs. Walter L. O'Hair, Mr. Joseph J. Marshall, the Walter Stewarts and their guests Mr. and Mrs. Howard DeVlieg, Mr. Charles Verheyden, and Mr. and Mrs. William Gillette, who were guests of the William K. Allens.

Among the new members is Loyal Jodar of 1447 Berkshire. Loyal, who is majoring in medicine, is a graduate of Grosse Pointe High School. He is the son of Dr. and Mrs. E. O. Jodar.

IT PAYS TO TELL

It's a wise woman who lets her husband and close friends know in plenty of time what she wants for Christmas. The chances are she'll get it, according to a survey of the nation's gift-giving habits made by the Jewelry Industry Council, and the same thing holds true for men and children as well.

On Wednesday, December 17, at 8 P.M. the pupils of the fifth and sixth grades of Trombly School will present a dramatization called "Silent Night" depicting the origin of our favorite Christmas Carol. Miss Doris Wallentin is in charge of the dramatic production. A chorus of 75 carolers, under the direction of Miss Ruth Ernst, will provide the musical background. The parents and friends of all students are cordially invited to attend the Christmas program.

Pierce Presents Annual Christmas Vespers Program

Pierce Junior High School will present its annual Christmas Vespers program Sunday afternoon, Dec. 14, at 4:00 P.M. in the auditorium of the school.

The traditional story of the Nativity will be depicted in tableaux and accompanied by appropriate music, sung by the A and B choruses under the direction of Miss Gwendolyn Brockmiller. Members of the seventh and eighth grade music classes will also participate in an echo and processional chorus. Mr. Herbert Nuechterlein will accompany at the organ.

Solos and small ensembles will be sung by: Frances Crowley, Winston Likert, Weldon Follin, Constance Rowe, Joan Von Rosenberg, Sylvia Rittman, Janice Kieffer, Beverly Riley, Joann Karnatz, Robin Barr, Bert Larkins, Barbara Ion, Betty Holme, Donna Hewitt, Margaret Koehler, Nancy Hoyt and Patricia Marx.

There is no admission charge and the public is cordially invited to attend.

SANTA HAS LEGEND FROM OLD DUTCH

Santa Claus is the American version of St. Nicholas, the bearded Saint of Europe who, on Christmas Eve, carried a basket of gifts for good children, and a bunch of birch rods for the naughty ones.

St. Nicholas was transformed into Santa Claus by the Dutch settlers in New Amsterdam, and he became the fat, jolly, rosy-cheeked old fellow he is today.

Abbreviation, Xmas, Of Greek Origin

There has been much unfavorable comment on the abbreviated form for Christmas that is commonly used. Many think it inappropriate and undignified to use the shortened form, Xmas.

The explanation of its origin is that the initial letter of the Greek word for Christ is X and the combination of its criciform shape led instead of Christmas.

to an early adoption of this letter as the figure and symbol of Christ. X is frequently found on walls of the catacombs. When the early Christians wished to make a representation of the Trinity, they would place either a cross or an X beside the names of the Father and the Holy Ghost. From this came the shortened form Xmas.

Backus Home Is Scene of Sale Preview

Members of The Grosse Pointe Garden Association will sponsor the annual Christmas Market Dec. 16, 17 and 18 at the Goodwill Industries building at Brush, from 10 a. m. to 5 p. m. A preview of the goods to be sold was seen at the Candelight Tea of Grosse Pointe branch given at the home of Mrs. Standish Backus, Lake Road, Monday afternoon.

Herman A. Kuester, general manager of the Market, had some of the wreaths, garlands and door mats sent down early from their Michigan where they were prepared by rural women. She trimmed with cones and ribbons a week early so Mrs. Backus would have her home decorated with Greens Market arrangements for the tea.

INTERESTS SHOWN
Much interest was shown in the material of greens Mrs. Kuester prepared for the enterway — was so fresh, fragrant and ornamental a carpet that everyone used before stepping upon it. A door spray of greens trimmed with red berries, holly and a cascade of small red ribbons was most attractive. Over the mantelpiece the living room there was a wreath with giant cones at top and twin wreaths of a similar type were used in the library. All Farm and Garden members eager to support the Market one of the primary aims of the organization is to help rural women sell their wares in the city. The tea table with its lace cloth

Wedding Of Jeanne Bradley Attracts Pointe Interest

Attracting wide interest in member of the Junior League of Grosse Pointe was the recent marriage of Miss Jeanne Bradley, daughter of Mr. and Mrs. Albert Bradley of Greenwich Conn., and formerly of Lincoln road in the Pointe, to Mr. Ivan Shelby Ingels, III, son of Howard Payne Ingels, of Greenwich and Centerville, Mr. and the late Mrs. Virginia Wick Ingels, took place yesterday at St. Bartholomew's Protestant Episcopal Church, New York City. The ceremony was performed by the Rector, The Rev. Dr. George P. T. Sargent.

Given in marriage by her father, the bride wore a gown of old ivory duchess satin trimmed with heirloom lace and a long tulle veil with a coronet of lace. She carried a bouquet of stephanotis and white butterfly orchids.

Mrs. Charles Worcester Bradley of Birmingham, Mich., sister-in-law of the bride, was matron of honor and Miss Virginia Ingels of Centerville, sister of the groom, was maid of honor. The bridesmaids were the Misses Margaret King Benziger of Greenwich, Mrs. John Holiday Perry, Jr. of Greenwich and Palm Beach, Miss Margery Sheppard of St. Paul and Mrs. John Fitch Fairchild of New York City.

Dr. Richard A. Kenworthy III of Centerville was best man. The ushers were the Messrs. Charles Worcester Bradley of Birmingham, brother of the bride, Warren E. Roster, Clement Dowd, Anthony V. Lynch, all of Greenwich, Frank S. Dudley of Queens-town, Md., Henry L. Chisholm, Jr. of New York City, Lt. Richard G. Newell, USA, of Centerville and Edwin H. Chamberlain of New York City.

A reception for members of the families and close friends was held at Sherry's.

The bride was graduated from the Chapin School and from Finch Junior College. She is a

GIRL SCOUT NEWS

A Red Feather Service of Your Community Chest.

Veterans in Marine Hospital will hear 24 Girl Scouts sing Christmas carols at 8 p.m. the evening of December 15. The songsters are members of Intermediate Troop 324, Defer School.

Mrs. Kenneth Pressel, a new leader, who took over the troop this past fall, is planning the project. As Mrs. Pressel is assistant choir mother of Christ Church, her interest in music is natural.

Helping with arrangements are three willing and proficient Troop Committee members, Mrs. Leslie Pressel, Mrs. Walter Fenning, and Mrs. A. J. Barrett.

Preceding the carol singing the girls will have a picnic supper in place of their regular Scout meeting.

The Wing Scout Flight in Grosse Pointe needs a pilot to teach meteorology. If you are qualified, or know of someone who is, call Mrs. Findlay, TU-2-7024.

Former Troop 303, Maitre School has no official leader; but this does not deter Mrs. H. W. Mohr, Mrs. W. H. Peet, and Mrs. Earl Genthe. They have been keeping the girls together until their new leader, Mrs. Harry Mack, recovers sufficiently from an automobile accident to take over.

Connie Mohr, member of the troop, has invited the girls to her home December 15 to make gift corsages for their mothers. There'll be a Christmas tree, a grab bag, games (if there's time), and supper will be served.

Wings have dressed dolls for the Goodfellows to distribute at Christmas.

Also, the Grosse Pointe Wings joined the entire Detroit Squadron on December 6 at the Central YWCA for a party. Captain Pearson of Capitol Airlines spoke.

Troop 539 went Troop Camping at Metamora November 14, 15, and 16. They were accompanied by Mrs. J. A. Henderson, Mrs. L. H. Orebough, Mrs. William Gayler, and Muriel Reamora.

Right now the majority of troops are working on Christmas gifts for their parents. St. Paul's Troop 579 plans to make "spatter paint" cards.

Our Most Famous Christmas Trees

Most famous of the nation's Christmas trees are growing on the wooded rolling acres of the Roosevelt estate at Hyde Park, N. Y. Developed as a result of a hobby which occupied much of the late Franklin D. Roosevelt's spare time, the groves of Yule trees now are scattered on odd patches and parcels of land throughout the estate.

The trees, about 370,000 in number, are principally of Norway spruce, white spruce and Douglas fir, with a few balsams also included.

Although the tree growing was a hobby with the late president, he insisted that the project pay its own way. Consequently about 2,000 to 3,000 trees are marketed every Christmas season.

Faith Lutheran Choirs To Present Annual Program of Sacred Music

MRS. NOVA BRANSBY

On Sunday afternoon, December 14th, beginning at 4:45 p.m., the three choirs of Faith Ev. Lutheran Church will present their annual program of sacred Christmas music for the inspiration of worshippers who seek to observe the birthday of the Christ Child.

The Service will begin with a fifteen-minute organ program played by Mrs. Nova Bransby, Organist at Faith Lutheran Church. Her selections will include: "Fantasia on old Christmas Carols," by Faulkes; "Christmas in Sicily," by Pietro Yon; "Carillon," by Garth Edmundson, and "The Virgin's Slumber Song," by Garth Edmundson.

The Junior Choir, Miss Joyce Selke, Director, will sing two anthems.

Mr. Harold Tallman who has been the di-

MR. HAROLD TALLMAN

rector of Faith Chapel and Senior Choirs for the past year will direct these groups in their presentation of anthems. The Senior Choir will sing, "The Christmas Hymn" by Baker-Jungst; "Angels O'er the Fields"; "And the Glory of the Lord";

"O Holy Night" and "No Candle Was There and No Fire," will be sung by the Chapel Choir. There will be two anthems sung by the 100 voice combined choir. They will be, "Lullaby on Christmas Eve" by Christiansen and "Christmas Eve" by Howorth.

A cordial invitation is extended to all music lovers to attend this Vesper Service.

The regular Christmas services at Faith Church in which the three choirs will again participate will be held on Christmas Eve at 10:00 p.m. and 12:00 midnight.

Brother Gives Bride In Double-Ring Rites

At a noon ceremony at St. John Berchman's Church Saturday, November 22, June Ann Fox, daughter of Mrs. Laura B. Fox of Ashland Avenue, became the bride of Frank L. Eger, son of the Joseph C. Eger's of Buckingham Road.

She advanced down the aisle on the arm of her brother, Norman Fox. The Rev. Fr. Mottet read the double ring service.

June's gown was of heavy ivory satin and lace. It followed simple lines and the full skirt fell into a circular train. The long veil was edged in lace and fell from a band of pearlized orange blossoms. She carried a prayer book with a white orchid on it.

Rose Fox, sister of the bride, was maid of honor and her gown was of heavy bronze satin. May Ann and Grace Eger, sisters of the bridegroom, wore gowns of most green satin made identical to that of the honor attendant. Matching net bands were worn in their hair and all the attendants carried bronze chrysanthemums.

Joseph C. Eger, Jr., was best man for his brother and seating the guests were John Eger, another brother and Walter Fox, brother of the bride.

The mothers of the bride and groom wore orchid corsages for the ceremony.

Barefoot Boy Turns Santa

Here's a Christmas kiddie that might interest the kiddies in your neighborhood. Grosse Pointe's Ross Mulholland, President of the Junior Barefoot Society, heard over WXYZ every Sunday morning at 8:30, is giving a Sparkle Plenty doll and fifty Sparkle Plenty albums. All the children have to do is send in a letter saying "what I would bring to Sparkle Plenty's birthday party" in twenty-five words or less.

Send your letters to Ross Mulholland, care of WXYZ. All letters become the property of WXYZ and none can be returned. In case of ties, duplicate prizes will be awarded. All entries must be post-marked not later than Dec. 17th.

The winning boy will receive a football.

Holly Grown In Many Parts Of Country

Grown on the hillsides of the coastal states from Maine to Texas and up the Mississippi valley to Missouri, holly is a pretty but slow-growing plant.

Leaves are evergreen, the margins of which are provided with rather widely separated spines. Weak and close-grained, the wood is exceptionally white, making it highly desirable in the manufacture of woodware, cabinets and interior finishing.

As a result of scientific discoveries holly cuttings will take root quickly when they are treated with hormone-like substances. Christmas holly has been converted into potted plants. These plants can be set out as a permanent ornament for landscapes.

Growth regulating substances—indole butyric acid and naphthalene acetamide—are on the market in liquid or powdered form under various trade names. The chemicals are applied to planting of fresh cuttings kept moist, cool and well shaded.

Hurry before the bargains vanish two weeks until Christmas.

Percy Grainger To Be Chorus Guest Conductor

The Detroit Chorus will be honored to present Percy Grainger, world famous musician, as guest conductor at their concert on Wednesday evening, December 17th, at 8:30 p.m. in the Art Institute Auditorium.

Mr. Grainger will conduct the Detroit Chorus in two of his numbers, "Australian Up-Country Song" and "The Sea Wife." This will be the premiere performance of "The Sea Wife," Kipling's poem set to music, for, although Mr. Grainger wrote this composition in 1905, it has not been published. Today "The Sea Wife" is considered modern music, yet it was written 42 years ago. Because it has not yet been published, the chorus learned their music from manuscript-form copies.

Marshall Bruce, well-known to Grosse Pointe audiences, will be the soloist for the evening's program which will also include a number of other secular and sacred selections. Dr. Harry Seitz Chorus and Miss Margaret Mannebach, of the Detroit Symphony Orchestra, is the accompanist.

More Watches Than Ever

Wrist watches, always popular as gift items for both men and women are selling very well for Christmas in spite of unusually high sales all through the year. The return of formal dress makes a pocket watch a welcome present for a man, and the need for at least two watches in her wardrobe—one for the lapel and one for the wrist, makes them popular for women.

Not So Dumb

The stock phrase—"dumb football player"—is all wet as far as Walter Gruber, University of Detroit halfback, is concerned. Gruber, who is a track sprinter as well as a football ace, was valedictorian of his high school graduating class at Xavier High in Cincinnati. Now he's an all-A student in the University's College of Engineering.

Santa Loves

Compacts are another natural for Christmas and reports from every section of the country show that they will hang on many trees along with the other more luxurious items Santa Claus loves to give.

Presentation of 'The Messiah' Heralds Season

Wayne University's annual presentation of Handel's immortal "The Messiah," heralding the opening of the Christmas season in Detroit, will feature the voices of four well-known singing stars accompanied by a chorus of 550 voices and the University's Symphony Orchestra. The soloists are to be Anna Kaakas, American contralto, of the Metropolitan Opera Association; Richard Bonelli, American baritone, of the Metropolitan; Margaret Daum, soprano and well-known concert and radio artist; and Eugene Conley, young American tenor.

This production, which is the University's 18th annual presentation of the oratorio, will be given at 8:15 P.M. on the evenings of Tuesday and Wednesday, December 16 and 17, in the auditorium of Masonic Temple. Tickets for both performances may be obtained at Grinnell Brothers music store or at the ticket office of Wayne University.

Defer News

The sixth grade pupils exchanged letters with school children in Santa Anna, Calif.; St. Cloud, Minn.; Marion, Ind.; Johnson, Penn.; Las Vegas, Nevada; Greeley, Colorado; Stan Rock, N. J.; Kallispell, Montana, and Louisville, Kentucky. They learned that children in these cities do many of the things they do. The nature of their games and sports is influenced by the climatic conditions in the area.

The pupils have made booklets on "Friendship," "Beauty," and "Health." The children contributed money to the Christmas Fund. This money will be used to help the needy.

Health Board Warns Of Holiday Hazards

Use a little care to keep your Christmas cheery. Don't let sickness, accident or death take your holiday, the Michigan Department of Health counseled and issued a reminder on some pre-holiday and holiday hazards torosse Pointe.

More than one-tenth of Michigan's 1946 accidental deaths occurred during December. Accidents in the home took the lives of 129 persons, 8, from falls (almost all of those were in the mature parent or grandparent age bracket) and 26, from fires burns and explosions.

You fall when you are climbing, when you tumble down stairs, when you stumble over something, or when you slip on something left in your path. Use a sturdy step ladder when you are decorating your Christmas tree. Move it around the tree. Don't carry huge armfuls of bundles down the stairs. Move those skating rugs from above and below the staircase, preferably forever, but at least for the holiday season. Don't leave toys or packages on the stairs. You can break your neck on a piece of wrapping paper or tinsel, and small toys like marbles can cause big falls. Remind all members of the family of furniture moves made to accommodate the Christmas tree and holiday guests. Be sure that outdoor steps are sanded.

SHOP UNTIL TIRED

Eleven persons died from falls in public places and at least 49 pedestrians were killed by automobiles last December. Don't load yourself to the eyebrows with Christmas parcels and dodge through automobile traffic, walk down store steps, or walk on icy streets. Don't chase a holiday bargain across the middle of a block. Cross only at intersections and then with the light. It is best to plan a special brief shopping expedition with the children. Quit shopping when you're tired or irritated. It is the weary, preoccupied person or the one who just had two cocktails to freshen up to whom an accident occurs.

GIVE UP YOUR RIGHT

More than 180 persons died as the result of automobile traffic accidents last December. When you are driving in shopping or holiday traffic, let your Christmas spirit be big enough to give the other fellow (pedestrian or driver) your right of way. Be sure your car is in good condition with brakes equalized and all lights working. Drive slowly and allow plenty of room to stop on slippery pavements. Slow down well in advance of curves and intersections. Be especially careful in the evening. The biggest handicaps to winter driving are poor traction and poor visibility. Be prepared for adequate defrosting of your windows and windshield. Use chains on snow and ice. Do not drive when you have been drinking and do not ride with a driver who has been drinking.

BEST WAY TO CATCH COLD

Probably the best known way to catch a cold is to rush in and out of overheated crowded stores and slosh through cold wet streets. Do not over-do, keep your patience in check and don't get over-excited. Your feet will probably never literally kill you, but you can get much more shopping done more quickly if you wear sensible shoes and boots. From your health's standpoint it is better to make several small shopping trips rather than to try to buy every present from grandmother's to small nephew's the same day.

DON'T LEAVE TREE LIGHTS ON

Guard against overheated furnaces and stoves and put out all other fires, candles and lights, including Christmas tree lights, when leaving your house, even for a few minutes, or when going to bed. Remember, Santa can find his way to a totally dark house, but he might miss a charred one.

Place the Christmas tree so that it will not fall and so that it is far from the fireplace or candles. Do not leave stockings hanging by a lighted fireplace nor candles burning near curtains. Check your tree lighting circuit for shorts and be sure that tinsel or metal icicles do not touch it. Put discarded wrapping paper into metal containers and dispose of it at once. It is highly inflammable. Put lights and breakable decorations out of reach of the tiny child.

Early Christmas Present

Christmas shopping will be a great deal easier this year for Mrs. Betty Defer, of 35 Fisher road, who was awarded \$600 cash by the Grosse Pointe Rotary Club for holding the lucky ticket at the recent Rotary Club benefit party. Presenting the check to Mrs. Defer is her boss, Mr. F. M. Bartlett, Director of Pupil Personnel of Grosse Pointe schools. A Rotarian, Mr. Bartlett persuaded his secretary to purchase the ticket. The original prize was a trip to Mexico for two with all expenses paid. Mrs. Defer preferred the cash.

Gay Aprons Make Popular Xmas Gifts

Every Grosse Pointe woman likes to receive a gay new apron for Christmas that is just a little different in design or material because someone has made it for her.

You can have lots of fun making aprons for your friends by using simple patterns and choosing different materials and combinations of materials to make them. Margaret Hearn, textiles specialist at Michigan State college, suggests to look around the house for materials before you buy any.

There are endless possibilities in washable cotton yard goods if you buy your material. Everything from the sheers of organ-dies to heavy denim or sail cloth may be used for different types of aprons. Don't forget to look at curtain and drapery fabrics too. They're usually woven in wider pieces and will cut to better advantage. Glazed chintzes with the permanent finish are attractive and do not soil or wrinkle as easily as some other fabrics.

Plastics are interesting to work with and easy to handle if you use a long stitch on the sewing machine and eliminate pinning and basting. Edges may be left raw or bound with a contrasting color. It is possible to buy ready-made ruffling by the yard in matching or contrasting colors as a finish.

Marygrove Alumnae Plan Yuletide Tea

On Sunday, December 14, members of the Marygrove Alumnae Association will be hostesses at a Christmas Tea in Alumnae Hall at the College. Their guests will be the girls in the present senior class.

The tea table will be centered with red candles among Christmas greens and the traditional Yule log will be burning in the fireplace. A short program featuring Christmas carols will be presented during the afternoon.

Mrs. Lyle Tonne is chairman of the affair assisted by Virginia Gilmore.

Barbara Golla On Party Committee

Barbara Golla, of Hollywood road, was on the committee which was charge of arrangements for the second annual formal party given by Omega Chi Gamma, the organization of Western Michigan College coeds who live off campus.

The party, which was called "Carolize!" was given Saturday evening, December 6 in the ballroom of Walwood Hall.

Denison Xmas Chorus Includes Local Voices

Denison University will present the 43rd annual rendition of Handel's "Messiah" at Granville, Ohio, Saturday, Dec. 13, at 7:30 p.m., and Sunday, Dec. 14, at 2:30 p.m. Among the 250-voice Engwerson Chorus are Robert Bridge, 135 Moran road; Kathleen Kalbfleisch, 790 Lincoln road; Donald Winslow, 1428 Balfour; and Robert Hess, 330 Merriweather.

Treating Trees To Save Needles

Dropping needles or leaves of Christmas trees, which strip the trees of color and litter the floor, long have been a Yuletide bane. Therefore, the discovery of the New York State College of Forestry that waterglass spray will prevent the spruce leaves from falling comes as welcome news to family and housewife alike.

Besides preserving the foliage, the waterglass spray adds to the decorative effect of the spruce by leaving a slight silver sheen to the green of the needle-like leaves. The waterglass also has been found to be a good fire retardant.

The college found that the shedding of spruce leaves also can be retarded by placing the base of the tree in a bucket of moist earth, peat moss or water. Users have reported the success of this treatment.

Alumni To Sponsor Wayne Grid Bust

Wayne University's most successful football team in the past ten years will be honored at a Football Bust sponsored by the Alumni Association on Monday evening, December 15, at the University's Webster Hall.

The "W" Club, the Dad's Club, and the Athletic Booster Committee of the University will cooperate with the Alumni Association in planning the event. Awards and certificates will be presented to team members and a full program of speeches and football entertainment will be provided.

SWIMMERS SET FOR RIVER ROUGE

A strong 1947 addition of Grosse Pointe swimming team open their season at River Rouge next Tuesday.

Coach Frank Bansch is hopeful to start the season with a victory.

St. Ambrose Five Drills Without Coach

Though St. Ambrose High has no basketball coach as yet, candidates for the team are working out daily under the eye of Father Francis VanAntwerp.

The team begins the season with St. Rose on January 6. Meanwhile Father VanAntwerp expects to name the new coach shortly. He will succeed Eddie Palumbo, who resigned at the end of the football season.

Father VanAntwerp said he had three candidates in line for the job but was not in a position to reveal their names.

Cunningham Wins Grid Honors At Culver Academy

Bill Cunningham, 17, of Grosse Pointe, was among the 25 grid-ders to receive varsity awards at the Culver Military Academy, Culver, Ind., this year.

According to Coach R. A. S. Oliver, Bill played a stellar game at guard and was highly responsible for the team's successful season.

It marks Bill's second varsity football award. He also received a varsity numeral for boxing. The well-built youth, who stands 6-foot 1, and weighs 175 pounds, played football at Grosse Pointe High School before enrolling at the academy. A senior, Bill expects to enter Yale University when he is graduated. However with Christmas just a short way off, football and studies have been shelved by Bill as he is looking forward to spending the holidays with his parents, Mr. and Mrs. Kenneth W. Cunningham, of 936 Berkshire road.

BILL CUNNINGHAM

St. Paul To Have Speedy Cage Team

By JOHN HUTTON

After three weeks of practice the basketball picture at St. Paul High is beginning to get a little clearer. The varsity won't be very tall, but should be quite fast.

Coach Ed. Lauer is building his team around Paul "Butch" DuRocher and Jim Law, veteran guards. This season marks DuRocher's third year on the varsity and Law's second.

There are three other veterans from last year's varsity. They are guard Pete Belanger, forward Jerry Hollerback and center Harry Hammond. Belanger was moved up from the reserves during mid-season last year, while he was only a freshman. Hollerback is a good ball handler and is a good man under the basket. Hammond, a tall but awkward center, will be able to play despite football injuries. He centered and captained the reserves to a good season two years ago. He is slow on his feet, but can set up plays and may well work into the "controlled ball" style which Lauer coaches.

DuRocher, Law and Belanger are certain starters and Hollerback and Hammond will probably get the other two first team positions at least at the beginning of the season.

Hammond is being hard pressed at the vital center spot by Chuck Wyllie, who is much faster, but lacks Hammond's experience. He played an unimpressive game at forward on last year's reserve squad. However, he has shown remarkable improvement over his form of last season.

Bob Schneider shows unusual ability for a freshman. He is fast, tricky and has an eye for the basket, but he lacks the polish of some of the older boys. However, he will undoubtedly see considerable action.

The squad as a whole will be short in stature. Hammond and Dick Motshall, a promising newcomer to the school are the only players over six feet. John Hutton, captain of last year's reserve team, is a half inch under that mark. Law and Wyllie are only 5 feet 10 inches.

At present Coach Lauer is carrying 15 players on the varsity, but by the time of the first game he will probably cut it to about 10 boys and send the others to the reserves for more experience.

St. Paul opens the season on Tuesday, January 6 at St. Martins.

ACE TITAN GRIDDER HAS REAL INSPIRATION

Jack Kurkowski, University of Detroit grid ace, will have added inspiration when he tucks that football under his arms and stars out for a long gain for the Titans next fall.

Kurkowski, a junior in the University's School of Commerce, was married on Thanksgiving Day to Miss Virginia Morhat, daughter of Mr. and Mrs. Joseph Morhat, of Detroit.

DUS Loses Overtime Game To Lakeview

The Red and Blue of D.U.S. was defeated in the last few seconds of an overtime game at Lakeview High School, Friday night, December 5, 38 to 37. With only six days of hard practice under their belts, D.U.S. undertook an aggressive silver and blue team. But as the first quarter got under way, D.U.S. showed to be the aggressor. With little Phil Droll fighting for every pass, and with the mad scramble for that leather sphere, the period ended with D.U.S. out in front 6-3.

As the second quarter began, D.U.S. showed the same fighting spirit displayed previously. Foul after foul was committed by both teams and as the half ended with D.U.S. still ahead 18-11, captain Jack Foster had only to commit one more foul before being expelled from the game. Merritt Jones had compiled eight points which put him ahead at halftime.

The final half under way, both teams fighting hard, the Red and Blue seemed to be having trouble getting those needed buckets. Fouls seemed to prevail as before. Lakeview was creeping up on the visitors until the third quarter ended 23-23. Jones had picked up two more points and Foster three.

Lakeview started off the fourth quarter with a two pointer, but Tony Stever tied it up again with a beautiful pivot shot. Stever, Foster, and Jones were consistent in counteracting each Lakeview goal. With a minute to go, the score was tied at 34-34, and remained that way until the gun went off ending the fourth quarter.

As the game went into overtime, Harrington was substituted for Stever and immediately arched a beautiful shot making it 36-34 for D.U.S. Lakeview tied the score again but Sisman broke it with a foul shot. Foster then committed his final foul and was sent out, Ditmer replacing him. A few seconds left, Waldner of Lakeview sunk a two pointer for the home team which made the score 38-37 as the gun sounded ending the game.

It was a tough break for the Red and Blue after holding the lead most of the game. Merritt Jones topped his teammates with 13 points, as did Wilson of Lakeview, also with 13 points.

Cagers Seek Victory Over Highland Park

By ROB PHILLIPS

The Grosse Pointe High School basketball team opened the season Friday night with a 36 to 21 victory over Hazel Park. The game was played in the local gym before a capacity crowd.

Veterans Tom Willson and Leroy Guaresimo, led the Blue Devils' attack, scoring 21 points between them. Tom hit the basket for 11 while Leroy netted the rest.

The game saw the local cagers come from behind in the first quarter to hold the lead throughout the remainder of the game. At half time the score read 16 to 8.

Taking a cue from the varsity, the local reserves trounced the Park's second team 34 to 25.

The most encouraging note of this victory to Coach Harold Fisher was the play of Rangy Bob Hays who hit the mark for 16 points.

Next Friday, Grosse Pointe travels to Highland Park. The game is scheduled to begin at 8:15. The Reserves will play at 6:45 p.m.

REAL FAN

Charles J. Weber, of Detroit, is the University of Detroit's nomination as its champion football fan. The same day the Titans closed out their home season for 1947—with a 37-6 victory over St. Louis—Weber forwarded to the Titan athletic offices orders for six season booklets for the 1948 season—saying he considers the colorful Titans "tops in entertainment."

SET RECORD

By drawing 15,348 and 15,000 respectively, in their last two starts of their home season, the University of Detroit set a season football attendance record.

Leaders Set Fast Pace in Rotary League

Houston Bros., Inc. trounced Piche Barbers 4-0, to maintain its lead in the fast going G.P. Rotary Club League. Cap't Frank Thayer and Jay June turned in excellent scores.

Middle Atl. Transp. Co. took a 3-1 decision over Motor City Tires, losing the middle game and taking the rest. Russ Piche (508) and Dave McCarron's 529 were not enough to hold down the fast going Shippers. Ray Robb stood out for the winners.

Holzbaugh Motors broke even with G.P. Review, losing total pin count by two pins. Court Trombly (559) lead off man for Holzbaugh couldn't get much help from his team mates. Cap't Henry Peplinski's 573 and DeMar's 515 were high for the Printers.

Wolverine Potatoe Chips were on the short end of a 3-1 decision handed out by Harrison Carpets. Ken Barber and Bill Roland starring for the Carpeteers.

Farm Market jumped a few notches in the standings by drubbing Monday Cleaners 3-1. Cap't Ed Taube's Farmers lost the first one but clinched the next two and total pins.

SPORTS BULLETIN

Rings Hit Right Christmas Note

This is a great Christmas for rings, with women giving them to men as well as men to women. Many men, who got used to wearing regimental or other military rings during the war, will be presented with new rings by sweethearts or wives, and wartime brides who said "I do" with engagement rings, are scheduled to receive their diamonds this Christmas.

Other rings popular with women this year are those with large colored stones. Some of these rings have extended collars that are topped by dome-shaped gems.

Reduce Christmas Hazards With Care

To avoid tragic Christmas accidents in the home, the Fire Protection Institute issues these precautionary tips:

- Use a flame-proof compound to spray wreaths and other pine decorations.
- Use materials marked flame-proof for tree trimmings and home decorations if they are obtainable.
- Inspect Christmas tree lights, and repair frayed wires or loose sockets.
- Never leave Christmas lights burning unless someone is around.

**Christmas Held
Twice Yearly
In N. C. Town**

If children instead of their pa-
rents were allowed to choose the
family homesite, the tiny fishing
village of Rodanthe, N. C., would
become a metropolis overnight.
Here's a place they celebrate two
Christmases every year.
Santa Claus, his reindeer scam-
pering over the sands of North
Carolina's outer banks, makes his
first stop in Rodanthe during his
annual world tour on the night of
December 24. Hardly have the
children recovered from their
oversupply of candy and wild
duck when Santa returns in time
for "Old Christmas," which for
hundreds of years Rodantheans
have celebrated on January 5.
This time, however, Santa is ac-
companied by a menacing ogre,
known as "Old Buck," who takes
care of the bad children while
Santa administers to the good.
The historical background of
"Old Christmas" is uncertain. It
may be a throwback to the Grego-
rian calendar or it may have
started as a celebration of the
Twelfth Night—when the wise
men came to Bethlehem bearing
gifts for the Christ child—that
somehow got off schedule a day.
Elsewhere the Twelfth Night is
celebrated on January 6. But those
celebrations are far different from
Rodanthe's "Old Christmas,"
which only in recent years has
been supplemented by the observ-
ance of December 25.

**University Women
Hold Benefit Meeting**

The East Side group of the
American Association of Univer-
sity Women will meet Thursday,
December 18, at 1:15 P.M. at the
home of Mrs. Harold C. Dains,
4874 Courville.
It will be an afternoon of

**Krueger To Feature \$25,000
Reichhold Symphonic Award**

Excitement is running high over
the coming concerts by Dr. Karl
Krueger and the Detroit Sym-
phony on Dec. 11 and 12. Profes-
sor Leroy Robertson, winner of
the \$25,000 Reichhold Symphonic

Award, will be on hand these
dates to hear the first perfor-
mance of his prize composition,
"Trilogy."

"Trilogy" is in an extremely
modern vein with exciting rhyth-
mic patterns and a wealth of
beautiful melodic material. The
movements are marked: Grave-
allegro e poco Moderato, Largo-
ma non Troppo and Finale-mo-
derno non troppo.

The Detroit University School
was founded 48 years ago in 1899
by Henry Gray Sherrard. It was
moved to its present site on Cook
Road in Grosse Pointe Woods in
1928. The Grosse Pointe Coun-
try Day School was established
33 years ago in 1915 at 43 Grosse
Pointe Boulevard by Grosse
Pointe civic leaders as a coedu-
cational institution. In 1941 the
two Schools were affiliated under
a single Board of Trustees and
one Headmaster, Lambert F.
Whetstone.

**Girls' Benefit
from Leaders'
Training Program**

Through a program of coordi-
nated training volunteer work-
ers are bringing Grosse Pointe's and
Detroit's young girls better lead-
ership, Edith Edwards, coordina-
tor of Leadership Education for
the Camp Fire Girls, Girl Scouts
and Y-Teens, said Wednesday.

In a yearly report released last
week, Miss Edwards said that
989 leaders had attended work-
shops and educational sessions in
an attempt to improve the qual-
ity of their leadership and bring
their groups more valuable ex-
periences and information.

Coordinated leadership educa-
tion is a joint enterprise of com-
munity services. The Detroit
Public Schools loan the coordina-
tor, the Camp Fire Girls con-
tribute clerical help, Y-Teens pro-
vide part of the office rent and
the Community Chest of Metro-
politan Detroit finances operating
costs, Miss Edwards said.

"Volunteer women leaders and
advisors of the three agencies, all
Red Feather services, have been
offered, over the past three years,
thorough preparation for leader-
ship in the many activities their
programs provide for girls," Miss
Edwards pointed out.

COLE (Coordinated Leadership
Education) teaches leaders how to
carry out the activity of the
group, where to get help on lead-
ership when it is needed, and how
to use activities of the group to
bring enjoyment and individual
satisfaction to the girls and to
teach them democratic group
living.

The coordinated program helps
bring the vast resources of the
community to the attention of the
leaders, an allows better train-
ing by competent instructors.

Miss Edwards said that work-
shops in "Out-of-Doors," "Crafts
for Service," "Jewelry Making,"
"Fun for Blue Birds and Brown-
ies," "World Neighbors," and
"Touring Detroit" would be given
during the coming year.

COLE offices are in the Cen-
tral Branch YWCA, 2230 With-
erell.

**Quaint Swiss Custom
Of Meeting Lover**

Forecasting is ritualized in
Switzerland. Grandma goes to the
cellar, selects the most perfect
onion, halves it, and peels 12 lay-
ers, one for each month. The next
day these layers show what the
weather will be during the com-
ing year.

The daughter of the house goes
about town at midnight, to drink
from nine different fountains. Then
she goes to church. She expects
to meet her unknown lover on the
church steps.

Earrings An Ideal Present

Earrings have always been a favorite Christmas gift with men who know a woman never has enough and that a new pair is always welcome. This year they are being chosen to go with some necklace or clips, as well as for their own attractiveness. Among the new earrings are many that dangle, as they did in former times, others that reach half way

up the outside of the ear or decorate the top of the ear, as well as the lobe. Jeweled earrings are in high favor and some are chosen to match the hats with which they are worn! Many earrings this season are almost as large and conspicuous as clips.

Bracelets will hang from many trees this Christmas, some of them set with precious colored stones, or with beautiful synthetic stones. Diamond bracelets are also being put away for Christmas giving.

Miss Severs To Present Book-Review

Miss Florence Severs, Director of the Grosse Pointe Public Library, will present a book-review before the members of Detroit Colony, New England Women, at their meeting, Wednesday, December 17, at the home of Mrs. Lloyd DeWitt Smith, on Grand Marais boulevard. She will also suggest books suitable for Christmas giving.

Mrs. Edward J. Savage of Yorkshire Road, president, will conduct the business session, convening at 1:30 o'clock.

Mrs. Edward A. Davy, of Bal-four road, Colony registrar, and Mrs. George S. Guy, of Ashland Avenue, of the mountain school committee, will be co-hostesses at the 12:30 o'clock luncheon. Reservations are required.

Christmas music and a Christmas gift exchange will conclude the program, which also observes Bill of Rights Day (Dec. 16) and Forefathers' Day (Dec. 21).

Review Publishes Information For Publicity Writers

The success of any drive, social event or what have you generally depends on the publicity the matter receives.

Officials of such activities realize the importance of publicity and usually assign it to their most competent associates.

However as competent or as conscientious the publicity chairman may be if he or she does not know the basic fundamentals of writing publicity for newspapers, most of his or her efforts will go for naught.

In view of this fact, and as suggested by a reader, the Grosse Pointe Review publishes the following information which should be useful to the large number of publicity writers in Grosse Pointe who contribute releases to this newspaper.

Send in your copy well in advance of the dead-line.

Try to have your copy type-written (double space). If you must write please print all names. Keep your copy short and concise, a shorter story has a far greater chance of being published.

Write the most important part of your release within the first two paragraphs.

Any suggestions for photographs should be offered well in advance of scheduled activity.

Include your name and phone number on all your releases.

Feel free to call the editor for suggestions or assistance.

"The Messiah" Ranks As Yuletide Favorite

Best known of all oratorios is Handel's "The Messiah," a favorite presentation of the Christmas season. In almost every community in the civilized world a choir will sing part or all of the oratorio during the Yuletide. People in places too remote to boast a sufficiently skilled choir or soloists will hear "The Messiah's" message by radio.

The famous oratorio was written by George Frederick Handel in London between August 22 and September 14, 1741.

Quello's Radio Quips

By JAMES H. QUELLO

Radio-screen star to come up with the most unusual Christmas gift is comedian Milton Berle who is giving away schnoz-bobs. Plastic surgery on the Berle nose was so successful that he is presenting 'schnoz-bobs' to his secretary and the President of the Milton Berle fan clubs.

If the Petrillo ban does too much damage, recording companies plan to set up branches in England, ship their stars over there and then bring the platters back here for distribution. English-made discs are due to start flooding the country after the first of the year.

New York, where there are some estimated 75,000 television receivers, reports the following results of a bar survey. Baseball is the best sport for stimulating purchase; football is the poorest because of the fast action. Baseball permits more time for tanking up. Beer is the favorite fare of the baseball television fan while the girdcast viewers favor hard stuff.

Billy Rose and his column collaborator, Lee Rogow, have parted company . . . It will be interesting to watch how it affects the column which has won nationwide kudos for cleverness.

Nomination for most improved radio commentator: Town Crier Mark Beltaire on WXYZ. No more mike-fright now, plenty of sock into a fifteen minute period.

AIR-O-TORIALS

HENRY J. TAYLOR'S note, Mutual-CKLW: "There's plenty of scandal power in the spotlight turned on Washington probes."

GEORGE CUSHING, WJR: "The ideas of Communists will be popular long after Washington, Lincoln and Jefferson are forgotten . . . but not before!"

Via **BOB HAWK, NBC-WWJ:** "Fashion experts say the wasp waist is coming back, which means that many girls will have to give up athletics because they'll be bustle-bound."

PAUL WHITEMAN, WXYZ-ABC: "Some speakers electrify an audience, others just gas them."

WARREN MICHAEL KELLY, WJR: "The new long skirts are an awful let-down."

Eddie Cantor is changing his current comedy format to coincide with the election year and will revive his "Canator for President" routine.

One sponsor (Gillette) will bring listeners the three New Year's Day bowl football broadcasts Harry Wismer reminds us . . . They are the Sugar Bowl on ABC, the Orange Bowl on CBS, and the East-West game on MBS. Gillette is also considering a new show called "Stubble or Nothing."

Car Hits Truck Man, Wife Hurt

Mr. and Mrs. Anthony Nehra, of 500 Vernier road, were taken to Cottage Hospital by Woods police after their car smashed into the rear of a parked truck on Mack on Dorthen Friday evening.

Mr. Nehra, who was driving, suffered internal chest injuries, while Mrs. Nehra received serious head and arm cuts.

His car was seriously damaged. LeRoy Strozier, of Detroit, was the driver of the truck.

"A FEUDIN', FUSSIN', AND A FIGHTIN'!"

DETROIT—WJR's two feuding disc jockeys, Warren Michael Kelly (center) and Toby David, play "Pass That Peace Pipe" while interviewing the original "Feudin'" gal, Dorothy Shay.

Miss Shay, famous as the Park Avenue Hillbilly, presented each of the platter-spinners with her latest record album. She is heard over WJR Friday nights at 10:30 with Spike Jones in the "Spotlight Revue" program.

Park Avenue Hill-Billy Packed 'Em In At Statler

That loud fussin' and fightin' at the Statler Terrace Room the past two weeks was merely a grand melee of frantic Detroiters to gander at sexy Dorothy Shay, the Park Avenue Hillbilly.

"Mountin' gal." Never before had the Terrace Room been so besieged. Headwaiters were turning down all denominations of bills from hopefuls standing in line bidding for tables. The publicity and radio build-up caused a decided jump in the box office appeal since her Detroit appearance three years ago.

If you weren't among the fortunate that crashed the Shay show, picture a shapely female, loaded with natural personality, in sophisticated Park Avenue

evening clothes, singing hillbilly songs and chewing gum. The contrast is striking.

Dorothy's suggestive singing ("Now my education ain't so hot, but I do all right with what I got") is strictly an act to entertain and stir the imagination of the paying patrons. Mama Shap travels with her famous daughter and helps to parry the telephone calls.

On the biographical side, the real name is Simms, they are a Florida family, and Dorothy is the eldest of three children, two girls and a boy.

She flies to Chicago each week for her radio show with Spike Jones which is heard locally over WJR at 10:30 Friday night.

FCC Assigns Call Letters To New Station

The Federal Communications Commission has assigned the call letters W L D M to the Lincoln Broadcasting Company's new Detroit FM radio station that is now under construction and expected to be on the air early in 1948.

The executive offices of the new station are located in Detroit, and the transmitter and Oakland County Studios at Greenfield and W. Ten Mile Roads.

The station is headed by Ellis C. Thompson and Harold I. Tanner, both veteran radio men who are widely known in Michigan radio and advertising circles.

Judge Young Fines Tire Thief \$150

Harlen Buckingham, of East Detroit, pleaded guilty to the larceny of four bumper guards and two tires from C. D. Huston, of 335 Fisher road, before Judge Leslie P. Young in Grosse Pointe City court.

Judge Young fined Buckingham \$150 and ordered him to make restitution to Mr. Huston.

WAYNE CAGERS OPEN

Wayne University will open its home basketball season at the State Fair Coliseum next Saturday (December 13) against Western Reserve University of Cleveland.

Snowballs Break Glass, Hurt 2

Two juveniles were held responsible by Park police for throwing a snowball at a car, breaking the windshield and cutting the driver and her passenger.

Suffering slight cuts were Mrs. Celestine Ainsley, who was driving her car on Kercheval near Three Mile drive, and her daughter Ellen.

Police released the boys to their parents.

Boys were also held responsible for throwing snowballs that broke the front door window at the Henderson home at 559 Washington road.

Bette Davis' Beautiful Eye Gets The Bird

Bette Davis fulfilled a 17-year, 56-picture ambition this week. The camera recorded a closeup of her right eye.

"I guess it's the ambition of every actress," she said, "to have a closeup of her eyes, one or both."

Director Bretaigne Windust, who comes from Broadway and has interesting ideas on film-making, decided on the orb shot of Miss D. He wanted to show the startled reaction of a woman who is awakened suddenly in the middle of the night with that awful feeling that something is wrong. It's a scene for Warners' "Winter Meeting."

"The eye," he ruled, "is the only place to show such a reaction."

So the director instructed Ernie Haller to move his camera in where it would be inches from Bette's face as she sat upright in bed. Then he told the star to put on her nightgown and get in place. She couldn't use a stand-in for this shot.

"Miss Davis has very photogenic eyes," commented Camera-man Haller. "They have a moist, exciting quality about them."

He was worried about the area around the eye, though. "A screen-full of lashes and lids might be kind of frightening—even if they belong to Bette Davis."

Soft lights, makeup and a careful camera assured the cameraman and the director that the eye closeup would come off all right—and give the right impression.

Miss Davis just relaxed and fluttered her eyelashes and looked startled out of that right eye.

Pointe Youth Marks Progress of Rotary International Award

According to a report received from the Grosse Pointe Rotary Club, Cole Blasier, of Grosse Pointe, is making good progress with his Fellowship Award which represents a year's study of life and ways in Chile.

The award, valued at \$2,000, is presented annually by the Rotary International to outstanding scholars. Its purpose is to encourage a better relations and understanding among the countries of the world.

WIFE TRAVELS

Cole, who is accompanied on the trip by his wife, is a graduate of Detroit University School. He served more than three years in the Navy as an officer in the supply corps.

The youth expects to use his war time savings to help finance the trip which is estimated to cost \$6,000.

He is the son of Mr. Stewart P. Cole, of 16830 Village. In his report to the Rotary Club, Cole stated that:

"On arrival at the Miami airport September 24, we were met by Major Small of the Military Liaison Office who kindly offered the use of an Army car. This was made possible through the courtesy of the chief of this Army unit, Lt. Colonel Sam R. Knight, an honorary Rotarian. The next day we were taken for a whirlwind tour of Miami and vicinity. In the mornings there was the coffee hour at the Army's home for welcoming Latin Americans arriving from the South. Colonel Knight was a wonderful host, personally conducting us through the gardens of the Army's establishment. Later there was the regular weekly Rotary meeting, and in the afternoon Mr. Dennis Welsh of the University of Miami faculty invited us to his home and later for a drive through the city. I was particularly impressed by the beauty and cleanliness of Miami, despite the recent hurricane, and the considerable civic pride of the citizens whom we met.

VISITED PANAMA

"During three days in Panama we visited the Canal, Colon on the Caribbean side, and Panama City on the Pacific. One can tell that Panama is one of the most

important crossroads in the world by her people. One afternoon we took a crowded bus out to the ruins of Old Panama. Among our fellow passengers were a Chinese, several coal black Negroes, a handsome mulatto, two Panamanians in their Indian dress, a Filipino, and others who probably contained mixtures of Negro and Indian, and Indian and Oriental blood. We were the only pure whites on the bus. We were also surprised to note the predominance of Negroes in Panama City and Colon, although we knew them to compose only a fraction of the Panamanian population. Apparently, these people had come to Panama during the construction of the Canal from the Caribbean, especially from Jamaica with which Island Panama appears to retain close cultural ties if newspaper

Catholic Stage Offers Holiday Presentation

The Catholic Theatre Children's Stage will open next week with its holiday presentation of "The Birds' Christmas Carol" at the Art Institute Auditorium on Friday and Saturday, December 19 and 20. These dates include the Friday evening performance which is the first Children's Stage evening presentation of any play.

"The Birds' Christmas Carol" which is under the direction of Joseph Lester, features many members of the Children's Stage. The role of "Carol" will be portrayed by Maureen Bailey. She recently appeared in the October production of "The Apple of His Eye." Maureen has also appeared in television and radio and is a regular member of the Radio Schoolhouse of the Air.

Tickets are still available for the Friday, December 19th, performances at 4:30 p.m. and 8:30 p.m. and may be reserved by calling Ca. 1700 or may be purchased at The Catholic Theatre Office, 1234 Washington Blvd.

articles are a valid indication. Many of these Negroes speak both English and Spanish, the latter with a most peculiar and interesting accent."

24 DAY TRIP

In his 24 day trip from Detroit to Chile the youth also visited Call, Columbus where he found it quiet, restful and in sharp contrast with teeming and tropical Panama. He said he visited the offices of the president and secretary of the Rotary Club.

His report continues:

"Soon after arriving in Santiago October 18, I met Mr. Benavente, secretary of the Santiago Rotary Club. I have attended Rotary meetings and have met a great many Rotarians here. Recently some of the officers of the club and new members gathered for tea at the Rotary offices. Since it was by way of a welcoming and instruction meeting about Rotary conducted by Mr. Carlos Hoerning, I was please to have been invited. It is difficult to express the warm and friendly manner in which I have been received here, and the kindness shown me on many occasions.

BETTER IDEA

"Recently, I have been attending classes with an opportunity to become accustomed to class room procedures and to meet some of the students. The University is closing its spring session now and examinations will soon begin. I have consulted some dozen professors in connection with my studies and have compiled a bibliography on the history of Chile which will keep me busy for many weeks. In the United States I had studied much of the available material on Chile. Now at the very source of this information, I hope to secure in the next two or three months a better idea of Chilean history, geography, and current political and economic problems!

"adequate and efficient railway transportation service for the nation"

FROM THE OFFICIAL REPORT OF the Interstate Commerce Commission on awarding a temporary freight rate increase of 10%, we quote:

"The law requires us to give due consideration, among other factors, to the need of revenue sufficient to enable the carriers under honest, economic, and efficient management to provide adequate and efficient railway transportation service for the nation . . ."

A moment's thought should convince any fair-minded person that keeping the American railroads healthy is to everybody's advantage.

Every family, every businessman, even the Nation itself is in danger when this vital artery of American life is weakened.

And that threat is real, and it is now. For with increases in the cost of railroad operation piling up one atop another, how can the railroads' multimillion dollar program for desperately needed new equipment be continued? How can improvements in roadbeds, yards, stations, rolling stock, which took a merciless beating in the war years of peak traffic, be carried through?

They can't . . . UNLESS—

Unless the railroads are granted freight rates adequate to meet the wage and materials cost increases, and at the same time keep hundreds of American industries busy with new machinery and equipment orders.

Government requires that the railroads maintain a high standard of efficiency because You demand it, Industry depends on

it, and the Nation must have it.

We are asking a permanent freight rate increase of the absolute minimum to meet our need—which is in every sense your need.

Our request should be granted.

COST INCREASES VS. RATE INCREASES

Class I Railroads, U.S. (Since 1946)

Increased Wages, Payroll Taxes, Materials	\$3,029,000,000
Increased Revenues	\$1,771,000,000

Three figures do not include demands of train service organizations for changes in working rules nor for wage increases not already granted.
