STORM TOLL AT \$50,000

Pointers Form Chapter To Draft Eisenhower 1,000 Trees Damaged By Ice

Woods Lad on Top as New Year Baby

Initial entry in the Grosse Pointe Review's Annual First Baby of the Year Contest is a six pound, 15 1/2 oz. baby boy born at 4 a.m. New Year's Day to Mr. and Mrs. Richard Eppich, 1010 Vernier road, Grosse Pointe Woods.

The grandchild is Mrs. Joseph Finnegan and the great-grandmother is Mrs. E. C. Vernier, placing the baby in the fourth generation. He is the seventh great-grandchild.

\$15,000 Gems Overlooked By Thief

An uninvited guest attended a New Year's eve party and after he ransacked the host's private room, he left with jewelry valued at less than \$25. He failed to notice a bag which Woods police said contained \$15,000 worth of gems.

A. B. Siegrid, of 960 North Oxford road is reported to have told police that the bag was in his bedroom. The jewels belong to Mrs. Siegrid.

The crime was discovered by Mr. Siegrid after the party was over in the morning.

The Alger Post Club House on 17145 St. Paul was the scene of another New Year's eve crime.

While merrymakers were bidding adieu to 1947 two costly fur coats were reported stolen.

The victims were Mrs. Edney German, 12678 Frankfort, and Mrs. John Thorpe, 1078 Lakeview.

Mrs. German's full length silver fox was taken from her car parked near the Clubhouse.

Chief Trombly said that he realized that it was difficult and inconvenient for car owners to abide with the regulation but it must be done—particularly in storm conditions when snowplows and traffic need the right of way.

WEATHER STORM TO HAVE FUN

Although the recent storm curtailed outdoor sports activities this group of St. Paul School pupils managed to find plenty of fun going down the big slide on the grounds adjoining the school.

From left to right they are George Meldrum, 7, Bill Totty, 9, Eddie Goosen, 8, Clark Ayres, 13, and George McDowell, 12. The lad who appears to have received "one bump" too many is James O'Grady, 11.

STRANGE COINCIDENCE

Destiny In Driver's Seat In New Year's Day Accident

If what happens to a person within the first few hours of the New Year is any indication of things to come, Mr. Charles M. Van Tiem of 607 St. Clair, is in store for a year of unusual situations.

By a sheer twist of fate, Mr. Van Tiem was involved in an auto accident which sent Mr. Walter Munro, 69, of 897 Phillips to Bon Secour Hospital suffering from serious head injuries.

Mr. Van Tiem's car struck Munro as he stepped from behind two parked cars on Maryland near Jefferson.

Mr. Van Tiem said he was driving to work at the time when the accident occurred.

We Want 'Ike' Gets Local Promotion

The Eisenhower for President movement reached a local note when several Grosse Pointers announced that they have organized a Michigan chapter of the national Draft Eisenhower League.

Other officials include: Thomas L. Lott, secretary-treasurer, of the state chapter; and J. Lamar Newberry, secretary treasurer of the Wayne County group.

A spokesman for the group said that temporary offices will be at 1032 Buhl Building in Detroit.

Despite the famed general's constant denial of any White-house intentions, the local Chapter hopes to promote and stimulate interest in their purpose of making "Ike" a candidate in the 1948 election.

The first meeting will be held shortly at which time various committees will be named to conduct an extensive campaign.

GYPC Members To Vote For New Directors

The annual meeting and election of directors will be held at the Grosse Pointe Yacht Club on Monday, January 12. The polls will be open from 5 p.m. to 9 p.m.

The nominating committee has placed the following names on the ballot for election to the Board of Directors: Frank C. Barrows, Jr., V. A. DePetris, J. H. Flavell, Victor L. Graf, A. G. Herreshoff, H. N. McMenimen, Jr., Albert P. Teetzel, and Fay M. Thomas.

The nominees receiving the first, second, third and fourth highest number of votes will be elected to serve terms of three years each.

Although the voting is restricted to Life and Class A members, Class B members are cordially invited to the meeting and complimentary dinner at 6:30 p.m.

1,000 Trees Damaged By Ice

Grosse Pointe returned to normal this week after suffering one of the worse ice storms in its history.

Beginning early New Year's eve and continuing throughout the week-end, ice-laden streets and fallen high tension wires crippled transportation and imperiled lives and property.

Though no serious injuries were reported, damages to trees and lighting facilities were estimated at more than \$50,000.

Police received calls from virtually every neighborhood in Grosse Pointe reporting fallen trees and wires.

Many homes and streets were without lights and heat for several hours.

DANGEROUS WIRES
A 4800 voltage wire fallen on Hollywood Blvd. near Mack, forced Grosse Pointe Woods to detour traffic for more than five hours as volunteers and Edison emergency crews worked to remove the danger.

Another high tension wire ruined Grosse Pointe Park's fire alarm system.

Officials asked Detroit radio stations to spread the word to Park residents that during the emergency all fire reports must be made by telephone.

Most serious injuries reported were: Emil Van Vooeden, 52, of Detroit, who suffered a fractured left leg when he slipped on the sidewalk near 425 Roland;

and Thomas Marick, 14, of 339 Merrivether, who received a fractured skull when he fell out of a car near Ridge and Moran roads.

Both victims were taken to Cottage Hospital.

Among the many cars impounded by the storm was Dr. Wm. T. Krebs', of Moran road called to an emergency during the peak of the storm, the doctor was unable to start his car. Farms police came to the rescue and took the doctor to his call.

Numerous Grosse Pointers tried to save trees and limbs on their property by starting fires to remove the ice off the burdened branches.

NO SKATING
The storm also had its toll on skating rinks, leaving them impassible for use. Weather permitting, however, officials hoped to have them ready this week.

Minor fires with slight damages were reported at the home of Paul Bandermer, 364 Kerby and the garage of Ellsworth Miller at 877 Lincoln road.

Youth Shot By Accident Needs Blood

Stanley Brys, 17, of 21150 Marter road, was taken to Cottage Hospital in serious condition Monday afternoon following a hunting accident in the woods off of Marter road.

Dr. John MacKenzie, family physician, issued an appeal to persons having blood typed at 40-Rh Negative. The youth is in critical need of it.

Grosse Pointe Woods police said that young Brys was shot in the thigh, severing a main artery, when the gun carried by Dave Long, 16, of St. Clair Shores, accidentally went off.

The gun, a .410 gauge single shot, was reported by police to have a loose bolt action. Dave, closely following Stanley, apparently forgot the bolt, and it discharged striking his friend. The Long youth was questioned by the Wayne County Prosecutor and released.

A few days ago Grosse Pointe Woods police issued a warning to residents to refrain from hunting in the Village area.

Farms Announces Primary Election

The Farm Village primary election will be held on Monday, Feb. 9. Candidates for president, trustee, clerk, treasurer and assessor will be nominated.

Residents who are not registered have until Tuesday, Jan. 20 to do so at the Village Office.

Bold Hoodlums Rob Pongraz Jewelry Store

A pair of hoodlums broke a jewelry store window in the Village Shopping Center early Tuesday morning and drove off with wrist watches and jewelry valued at \$1,000.

Grosse Pointe City police said they found a wrench in front of Pongraz Jewelry Store, 17008 Kercheval, which was used to break the window.

In recounting the crime, police said that a man must have remained in a car with the motor running as his aide broke the window and grabbed as many articles from the beautiful Christmas display as possible.

They made a quick getaway because Officer Andrew Teetzel arrived at the scene shortly after he heard the burglar alarm.

Edward Pongraz, Jr. said that the store's merchandise was fully insured.

FAIL HURTS RESIDENT
Mr. Larry Kancar, 59, 91 Oak, received serious cuts when he slipped and fell on the ice near 1059 Harvard road. It was reported by Park police.

Joseph Moses, of 15200 Kercheval, told Park police that some one took various camera equipment from his car Sunday evening. The car was parked at the aforesaid address at the time of the theft.

"WE LEAD, OTHERS FOLLOW"

POINTERS URGED TO FIGHT TB

The Review joins forces with Dr. T. S. Davies, health commissioner of Grosse Pointe Township in emphasizing the importance of the periodic Chest X-Rays to fight TB.

Every person over 15 years of age is urged to make it a point to have an X-Ray taken when the Wayne County Mobile X-Ray unit arrives in the Community soon.

Dr. Davies pointed out that the project in the community is part of a county-wide search to find unknown cases of tuberculosis, a disease which last year killed 1000 persons in Wayne County, Grosse Pointe had 25 new cases reported during the period April 1946 to April 1947.

"People sometimes go along for weeks or months without knowing they have tuberculosis" said Dr. Davies, "because the symptoms of the disease are not apparent in its early stage. Yet the disease is gradually growing worse all this time and the original victim may be spreading it to others, for we catch tuberculosis from people who have it."

"If we are to prevent the spread of tuberculosis and restore the health of individuals who already have the disease, we must find the 'unknown' case. If we find this 'unknown' case while the disease is in the early stage, before there are outward symptoms, the individual has the best chance of recovery.

"Since we cannot depend upon symptoms to warn us of TB, we must turn to the X-ray. By means of the X-Ray, pictures can be taken of the lung. These X-Ray pictures reveal the presence of tuberculosis even in its early stage. By X-ray, apparently healthy people we can find the unknown cases of tuberculosis which are a threat to the individual and to the community."

The examination only takes five minutes but it may save a life... YOURS.

LIQUOR COMMISSION PULLS BONER

Bearing in mind the tragic accidents caused by excessive drinking on New Year's Eve, local police joined forces with Detroit and State law enforcement bodies to keep drinking at a minimum.

They spared no effort to drive home the fact that too much drinking is dangerous.

With this in mind, we think that the Michigan State Liquor Commission used bad judgement in extending their store hours to 9 p.m. on New Year's Eve.

During the past ten years all state liquor stores were ordered closed at 6 p.m.

Perhaps the police should drop over to the Liquor Commissioner's office sometime and explain the meaning of the word "co-operation" to them.

GOOD SAMARITANS OF THE ROAD

A word of thanks to the many considerate motorists who stop to lend a hand to the stranger whose car is stuck or stalled.

Usually the driver who has been befriended is so anxious to keep his car rolling that he is unable to show his sincere appreciation.

Several of them have called the editor, asking him to convey a word of thanks and to write something similar to what you are reading right now.

We hope that others will follow the example set by the Samaritans of the Road in lending aid to motorists in need.

Detroit Town Hall Has English Editor

Beverly Baxter Canadian-born British Member of Parliament, War Time Controller of Aircraft Factory Cooperation, one of England's leading editors and Conservative leaders, is the speaker for the Detroit Town Hall in the Cass Theatre, Friday morning, January 16th at 11 o'clock.

Mr. Baxter has been a powerful political figure, equally eloquent with his voice and pen, since 1935 when he took his seat in the British Parliament—by one of the biggest majorities in the Country.

REPORT FIRST 1948 TRAFFIC ACCIDENT

The first accident reported in Grosse Pointe in 1948 involved Henry Woodhouse of 325 Lakeshore drive. In making a left turn on Rivard off Jefferson, his car struck a parked auto.

The time of the accident was posted at 5:49 a.m. New Year's Day.

Police Warn of Slippery Streets, Walks

"Keep your car off the streets!" These words of warning came from the Police Chiefs of Grosse Pointe as heavy snows and winds all but halted traffic in the vicinity.

"Only those who find it absolutely necessary to use their cars should do so," the Chiefs said, "and then all drivers should be extra alert and equipped to avoid accidents or traffic tie-ups. Motor vehicles should be parked off streets."

Putting emphasis on the added hazards encountered during heavy or blowing snow, the Chiefs urged that windshield wipers, defrosters and lights be in good condition as they are indispensable under storm conditions when visibility is greatly reduced and chances for accidents are increased. They recommended use of tire chains to provide needed stop-and-go traction. Tire chains reduce braking distances as much as 50 per cent on ice and snow and help avoid stalled traffic.

Street and highway departments will plow snow as rapidly as possible, but in the meantime drivers must be careful and take practical precautions if they have to go out in face of severe weather and road conditions. Cars should not be parked long, particularly on heavily traveled streets or they may be "plowed in" at the curb. Parking also seriously delays snow-plowing.

VFW Auxiliary's Past-Presidents Have Luncheon

A group of Alger Post VFW 995 Auxiliary's Past-Presidents gathered for luncheon at the Clubhouse Tuesday afternoon. Mrs. William Mackey was hostess.

Her guests included Mesdames Roy Baritsau, Oscar Keller, Wm. DeBacco, Harry Wills and Lloyd Brunk. Mrs. Wills and Mrs. Brunk now resides in Potoski, Mich. Also present was Mrs. Reta Poole, auxiliary president.

Ice Wrecks Wires, Trees Pavements

Taxis and buses were at a premium, and behind schedule forcing many to be hours late for work and other responsibilities.

Among the many stranded waiting for a cab or bus at City Limits was Wilbur Brucker, former governor of Michigan. A friend in a taxi finally gave the former state executive a ride home.

"Stay off the streets and sidewalks," was the police's reply to the hundreds of calls received inquiring about conditions.

TO THE EDITOR

The best dentistry in the world is done by the 76,000 dentists in our United States, and over twelve hundred of the most dynamic of these are right here in the Grosse Pointe and Detroit area. The progress of this relatively young profession has been unparalleled and the rapid improvement in application of dental medicine and techniques has only been the result of profound labor in dental centers of research and in the offices of dentists in private practice.

One revolutionary change should be publicized—the use of an impression material called hydro-collod. By utilizing this material your dentist is able, in only two appointments, to completely rejuvenate a patient's mouth to a high plane of dental health. The twelve dental appointment program may soon be obsolete. You may now enjoy a single morning (painless of course) of dental mouth preparation and return a week later for your inlays, bridges, etc.—all of which have been constructed by your dentist on precise models of your mouth while you work, play, eat, sleep or sip on a tall cool one.

You should also know that several of our own Grosse Pointe and Detroit dentists are attaining national recognition for their abilities. Four of these will clinic before the Detroit District Dental Society on Thursday, January 8th at the Rackham Building. They are Dr. Carl Sullivan, Dr. Joseph Markey, Dr. Harry Kavanaugh, and Dr. John Bielawski. Our Detroit District Dental Society is proud to number these hard working pioneers in her ranks and hopes you and the citizenry feel a wee bit the same.

Sincerely Dr. E. G. Freimuth, Chairman—Publicity Detroit Dist. Dental Society

Drive-In Raided By Teen-Agers

Police reported the burglary of Chivers Drive-In, 22425 Harper Avenue early Sunday morning. Entrance was gained through a furnace room window.

The intruders, whom police believe are teen-agers, took \$50 in cash from the register and an undetermined amount of cigarettes. Chivers, who has operated a restaurant in Gratiot Township for several years, only recently opened at his new location.

Teachers from Pointe to Attend Wide Conference

Teachers and administrators from Grosse Pointe public will gather at the Rackham building in Detroit, January 12, to take part in a conference on the evaluation of teachers' services. It was announced by Dr. H. L. Shubler, superintendent of schools, Highland Park, and chairman of the Committee on Teacher Evaluation, of the Metropolitan Detroit Bureau of Cooperative School Studies.

Teachers and administrators from six counties will be represented, Wayne, Washtenaw, Oakland, Macomb, Monroe and St. Clair. A growing interest among school teachers and administrators in developments throughout the United States in the use of the evaluation of teachers' services for purposes of relating competence to salary has led to the scheduling of the conference.

Participating as speakers will be: Dean J. B. Edmonson, School of Education, University of Michigan, who will discuss the growing professional status of the school staff; Dr. John H. Rappaport, industrial psychologist, U. S. Rubber Company, who will discuss developments in industry in the use of merit rating of supervisors and other white collar workers, with emphasis upon those aspects of industry's experience that are most meaningful to teachers and administrators; Mr. David H. Patton, superintendent of schools, Syracuse, New York, and chairman, New York State Committee on Teacher Evaluation, which committee is attempting to implement the recent New York state law requiring teacher rating. Mr. Patton will describe and appraise the work being done in New York state toward effecting a workable system of evaluation.

Dean Waldo E. Lessinger, College of Education, Wayne University, will chair a panel which will discuss some of the problems faced by local districts in the further consideration of teacher evaluation. Panel members, in addition to those mentioned above, will be Dr. Cyril Woolcock, superintendent of schools, Royal Oak; Mr. Walter Cleminson, high school principal, Grosse Pointe; and three teachers, one each from Detroit, Birmingham, and Wyandotte.

Council Lists Approved Films For Children

The Grosse Pointe Motion Picture Council lists the following pictures as suitable for children: "Apache Rose," "Law Comes to Gunsights," "Spirit of West Point," "Red Stallion," "Last Frontier," "Uprising," "Wyoming," "Born to Speed," "Trail to San Antonio," "Bulldog Drummond at Bay," and "Rustlers of Devil's Canyon."

Highly recommended for teenagers are "Gas House Kids Go West," "Newshounds," "Jewels of Brandenburg," "Her Husband's Affair," "Railroaded," "Unfinished Dance" and "Song of Love." The latter two are particularly recommended.

Tennis Queen To Speak At Detroit Hall

Alice Marble, queen of the tennis world will speak at "Successful Women of Today" at Detroit Town Hall in the Fisher Theatre, Wednesday morning, January 14, at eleven o'clock.

The charming tennis star, who won six major championships in a year has won top laurels in other fields, unrelated to sports. She is a topmost designer of women's attire, appears regularly on her own radio programs, and is the author of a successful book, "The Road to Wimbledon." She will be seen before long in a movie short called, "Tennis in Rhythm."

Alice Marble spent a part of last year touring England and Sweden at the invitation of the British government and King Gustav of Sweden. With Mary Hardwick, Bobby Riggs, and Donald Budge, she played exhibition matches at Wembley Stadium and Stockholm to revive interest in sports. Since her return to the United States, she has been acting as vice-president of a language-record company.

Advance reservations for the Alice Marble lecture are available at Grinnell's, Ra. 1124.

Wash Improves Adds Life To Car

Automobiles should be washed frequently in the winter time to avoid damage from salt-abrasive mixtures extensively used to melt street ice and snow, according to E. L. Harrig, national service manager of the Chevrolet Motor Division.

Street brine when splashed on a car, Harrig said, may not only damage the body paint, but also is harmful to the chassis. A weekly car bath not only improves the appearance of the vehicle, but also will add to its life.

Salt is used by many highway departments, because it decreases the freezing point of water to approximately seven degrees above zero.

1947 Marked Lowest Death Rate in History

Michigan had the lowest death rate in 1947 of any year in its history, Dr. J. K. Altland, Commissioner, Michigan Department of Health, said today in reporting on the state of Michigan's health during the past year. Other favorable trends reported: The number of divorces which has been steadily rising since 1938 started downward. There is a huge increase in the number of babies born over any previous year, and the infant and maternal death rates are at all time lows.

On the basis of the first ten months figures, it is estimated that the death rate in the state will decrease to 9.3 per 1,000 population as compared with the rate of 9.6 in 1946 and the previous record low of 9.52 in 1942.

Divorces for 1947 will not reach the 1946 figure of 29,158, records indicate, but they still may exceed the 1945 figures, of 21,133. Marriages in 1947 are estimated at 68,000 a decrease from the 78,808 recorded in 1946, but exceeding the previous record of 51,582 in 1942.

The largest number of births in history and the lowest infant and maternal death rate is a combination record of which Michigan can be proud. Judging from the first ten months, 1947's bumper crop of babies will exceed the 1946 record of 138,572 babies by 22,000 or more. It appears that the 1947 infant death rate will drop to 31.6 per 1,000 live births in comparison with the 1946 rate of 32.8, and that the 1947 maternal death rate will drop to 1.07 per 1,000 live births compared with 1.18 in 1946. Michigan's maternal death rate of 5.55 in 1943 was lower than that of any previous year and it has dropped each year since.

CAUSES OF DEATH
Judging from the first nine months, the ten leading causes of death will undergo only two changes from last year. Premature births which last year moved from ninth to eighth place move up to seventh place this year, replacing tuberculosis. Congenital malformations this year came into tenth position replacing hardening of the arteries. Both these changes are thought to be due to the increased number of babies born in the 1946 and 1947 periods.

Heart disease, as usual continues to lead all other causes of death, with cancer in second place. During the first nine months of 1947 heart disease caused 13,631 deaths in comparison with 13,258 during the same period in 1946. Cancer killed 5,987 persons during the nine month period in comparison with 5,680 in the same period of 1946. A poplexy was in third place for the nine month period with 3,875 deaths; followed by accidents, with 2,836; inflammation of the kidney, 1,918; pneumonia, 1,521; premature births, 1,455; tuberculosis, 1,259; diabetes, 1,224; and congenital malformations, 758.

DISEASES LOW
All major communicable diseases with the exception of measles and whooping cough remained below the seven year average.

The rise in whooping cough started in 1945 and is still continuing. During the first eleven months of 1947, there were 9,828 cases of whooping cough reported compared to 7,223 for the same period in 1946.

Measles, the other disease which is above the seven year average, remained low until September when it began to assume epidemic proportions in the southwest corner of the state. Measles cases are gradually appearing in adjoining counties and there is a likelihood that 1948 will be an epidemic year for measles. The highest measles year on record was 1928 when 79,400 cases were reported.

Elizabeth Cass Chapter Sets First 1948 Meeting

The first meeting of the new year of the Elizabeth Cass Chapter Daughters of the American Revolution, Grosse Pointe Farms, will be on Monday, January 5, 1948, at one-thirty o'clock, at the Women's City Club of Detroit.

Miss Elise Phinney, regent, will preside at the business meeting. Chairman of Approved Schools, Miss Elizabeth Sumner, will report on the philanthropic work of the chapter. Several cartons of gaily wrapped packages of Christmas gifts for the children of the mountain schools in North Carolina were contributed at the December meeting — along with clothing and shoes.

The following members were elected to attend Continental Congress in Washington, D. C.—delegates: Miss Elise Phinney and Miss Elizabeth Sumner and alternates: Mrs. Frederic A. Fairbrother and Mrs. Bernard J. Roirdan.

The program of the afternoon will be in charge of Mr. T. Elliott Barron, of the Automobile Club of Michigan, who will give a talk and show pictures of the Smoky Mountains.

Hostesses were Mesdames John Wendell Anderson, Russell A. Alger, Warren A. Detwiler, Charles A. Dean Jr., Frederick S. Ford, Frank Goldie, Henry B. Joy, Richard P. Joy, Hamilton James, A. Ingersoll Lewis, Fred T. Murphy, James O. Murfin, John S. Newberry, Jerome K. Remick, Allan Sheldon and Henry P. Williams.

Community Lectures Present "Tiger Man"

Sasha Siemel the "Tiger Man" will present his all color film "Jungle Family" on Sunday afternoon, January 11th at the Grosse Pointe High School auditorium at 3:00 p.m. under the auspices of Grosse Pointe Community Lectures.

"Jungle Family" has taken nine years to produce and assemble, during which time Sasha Siemel has made his living by killing the South American jaguar, located in the wilds of Brazil. The jaguars of this area reach a weight of 350 pounds and are approximately ten feet long from nose to tip of tail. Sasha uses either a spear or bow and arrow to kill these ferocious beasts.

In 1940 Sasha married Philadelphia's socially prominent Edith Louise Bray, whom he had met on a previous lecture tour of the United States. The birth of two daughters and a son necessitated 400 mile trips to the nearest hospital. For the past seven years the Siemels have lived in a houseboat on Brazil's Miranda River which teems with the piranhas

tapers, anteaters, mountain lions and wild boars. Even though Sasha makes his living with the spear and bow and arrow, his real love is the camera.

Since returning to this country, Sasha Siemel has been featured in two issues of Colliers, See Magazine (five pages of pictures), Detroit News Magazine Section, and two appearances on "We the People" radio program.

You may make reservations for tickets by calling the Grosse Pointe Board of Education, Niagara 2000, Extension 25.

Paula's Hi-Lites

By PAULA BEAUPRE

Even though the fun-filled holidays season with its usual gaiety is over, and the members of the high school crowd have returned to school, the party spirit is still with us.

LEO KENNEDY'S get-together on Monday last was one of the out-standing affairs of the holidays. He dreamed up a gay evening of fun for his many friends. Dancing and mixers provided lots of entertainment for the fellows and their dates.

In between games, ice cream, cake and cokes were enjoyed by Janet Englehardt, Jim O'Connor, Joan Piche, Bob Schneider, Judy Beaupre, Bill Murphy, Joan Heckendorn, Tom Merck, Sam McCarron, Emmet Tracy, Marie Couvreur, Jack Lemieux, Phyllis Van Beelaere, Duane Streb, Sally Valade, Tom Palmer, Dorothy Marcereau, Ron Morketter, Bessie Barton, Stanley Gabriels, Joan Rabaut, Alfonse Sousalla, Joy Kelly, Jim Keller, and Pat O'Grady.

Mid mirth and good cheer, the gay New Year was properly ushered in by crowds of young Merry-makers at the dance at GP HS. Caricatures of Father Time decked out with the traditional long white beard and scythe and the New Year with the banner representing 1945 added to the spirit. Just before midnight, noise makers, paper hats, horns, confetti, and balloons were distributed so that at 12:00 sharp, 1945 was welcomed in in the proper manner.

So many people attended that it would be impossible to name them all!!!

Strictly feminine parties have been filling many moments these last weeks and on Tuesday night, one more was added to the list.

Jeanne Kulka's gal friends whiled away a twilight gathering at her Kenwood Court home. "Hi-Lite" of the evening was the spaghetti dinner which was served.

Afterwards we say Alice Fauser, Joan Kraemann, Marilyn Otto, Pat Thibodeau, Mary Ann Hillebrand, Fran Ardittio, Mary Lou Thibodeau, Betty Ann Huetteman, Alda Marie Crowe conversing among themselves.

A full evening of entertainment is in store for friends of Peggy Hanson on Thursday night.

They'll start the ball rolling with a hayride from Lazy J Ranch. Next on the agenda is a wiener roast, and finally there'll be dancing to records.

Dates lined up for the affair are Helen Tank and Doug Bronson, Cleo Teehan and Bob Mazzeff, Noreen Springer and Frank Kell Marilyn Boon and Ray Myers, Bernice Paul and Howe Garrard.

TEENSTERS—GOOD DEED FOR THE DAY!

Have you ever wondered what to do with those beautiful Christmas cards you received after the holidays have passed? A charitable way to make use of them is to take them or send them to children who are sick, whether at home or in the hospital.

This year's cards were so exceptionally beautiful, so many of them radiant and dramatic that it would be selfish not to pass on their loveliness.

Don't just bundle up the cards and send them on their way, smugly self-righteous about your good works. Take just one more thoughtful step and make a pattern of your giving—for an extra attraction but an inexpensive loose-leaf scrapbook and a jar of paste (you can pick them up on one of your trips to the Village for just a few cents of your spending money!) and present these with your cards-gift, so that the children themselves can have the joy of assembling the cards and pasting them in the books. Valeté for now!

DEFLATED

Nothing can be quite so deflating as the comment of a five-year-old. Ask Betty Davis. The star was working in a scene for "Winter Meeting" at Warner Bros. with Caroline McLeod, small fry of the films. The youngster looked up at Betty and asked, "Are you an actress too?" Betty hesitated only briefly before assuring Caroline that she was. "Oh," said Caroline, "and I did so want to talk with somebody real!"

FORD IMPROVES

A series of new magnetic drain plugs designed to give car engines added life has just been announced by the Ford Motor Company as approved Ford accessories available through all Ford dealers.

BOMB LEADERS

The Austrian army was the first to use a bomb in warfare, the World Book Encyclopedia states. The small explosive charges, with slow-burning fuses, were attached to hot air balloons and allowed to drift over the city of Venice in 1849. The bombs did little harm, but they frightened the Venetians badly.

Krueger To Feature Violinist

The celebrated French violinist, Jacques Thibaud, will be heard as soloist with Dr. Karl Krueger and the Detroit Symphony on January 8 and 9.

Thibaud arrived in the United States a few days ago to begin a short tour of this country and Canada, his first real visit since 1934. Last season this famous virtuoso played several times in New York City but found it impossible to accept the myriad number of engagements offered him.

Besides renown in the world of music, Jacques Thibaud is one of France's most distinguished sons. This past year he was made a Commander of the French Legion of Honor (its highest rank), and is the first French violinist ever to be so honored. His brave work for the French Resistance movement during the war is widely known.

Thibaud and Krueger will collaborate in the A major Concerto of Mozart, the fifth of six works so composed for the violin, and a composition in which both artists have received recognition.

Krueger has chosen to begin these programs with the Funeral March from "Hamlet" by Berlioz, a rarely heard setting to Shakespeare's tragedy. Berlioz derived inspiration from many of Shakespeare's dramas and some of his most effective music has stemmed from this source.

Vincent Lindy's Symphony on A Mountain Air will have a hearing on these dates too and the brilliant piano part will be performed by John Sweeney, Sr. It is astonishing to realize that this composer, dead just 16 years, was a veteran of the Franco-Prussian War, knew Liszt and Brahms, heard the first performance of Wagner's Ring operas, yet studied with Franck, lived through World War I, knew the music of Stravinsky, Ravel, Schoenberg and used the best of the old masters and moderns in his works.

There is little to write of Krueger's great interpretations of Richard Strauss' music. His "The Schindler" a few weeks ago brought forth the critic's unstinting plaudits so it is that his scheduling of "Death and Transfiguration" will be awaited with eagerness Thursday and Friday evenings.

Red Feather Agencies Need More Volunteers

Red Feather volunteers are needed in many agencies supported by the Community Chest, according to Mrs. Hobart D. Hoyt, Central Volunteer Committee chairman.

"If any one in Metropolitan Detroit has from two hours a week upwards to spare," Mrs. Hoyt said, "we can find a Red Feather job for him or her."

Some of the jobs which are waiting for volunteers to fill them (because agency budgets do not permit hiring additional staff members) are: recreation leader, arts and crafts instructor, librarian, nature study teacher, folk dance teacher, pianist, sewing teacher, cooking teacher, nursery school attendant, health education leader, and numerous kinds of clerical and stenographic jobs.

Anyone who can give the time is invited to call Temple 1-1600 and discuss qualifications with the Volunteer Bureau staff. Those who gave money to support the Chest during the fall campaign can now keep the Red Feather working by contributing personal service.

BRIDE OF JANUARY

Sarah Montgomery Kanter daughter of Mr. and Mrs. Charles Andrew Kanter of Maumee Road was married January 3 to Richard Hallett Dick, son of Mrs. G. O. Ohlsson of Ashland Ave.

Pointe Bride Wears Gown Of Ivory Satin

Sarah Montgomery Kanter, daughter of the Charles Andrew Kanter, became the bride of Richard Hallett Dick in a ceremony held at the Kanter home on Maumee road, Saturday afternoon.

The bridegroom is the son of Mrs. G. O. Ohlsson of Ashland avenue and the late Harold A. Dick.

The Rev. William Butler Sperry of Christ Church officiated at the double-ring ceremony, which was witnessed only by members of the immediate families.

HERIROOM LACE Miss Kanter's ivory satin gown, with its hooped skirt and long train, was accentuated with a bertha heriroom lace which had adorned the wedding gowns of the bride's great grandmother, grandmother and mother.

The same heriroom lace fashioned her headress, and she carried an arrangement of shattered carnations centered with a white orchid.

Miss Rosalie Rackard of Grosse Pointe, as maid of honor, and Mrs. Hans Friedman of Chicago, as matron of honor, wore gowns of dusty rose faille taffeta with broad, folded berthas falling from the round, slightly off-shoulder necklines.

Their bouquets were colonial arrangements of violets and pink roses.

JUNIOR BRIDESMAID Junior bridesmaid was Margaret Reeves of Midland, 11-year-old niece of the bride. Her dress was of blue faille taffeta and she carried a miniature colonial bouquet.

Best man was Richard Sharpe of Steubenville, O. Ushers were Irl D'Arcy Brent II and Arthur J. Brandt Jr.

For her daughter's wedding, Mrs. Kanter wore a brown crepe gown with amber and gold beading on the bodice. Mrs. Ohlsson, the bridegroom's mother chose beige crepe with sequin trimming.

TAKE TRIP EAST After the ceremony, a reception for friends of the bridal couple was held also at the Kanter residence.

When the newlyweds left on a trip east, the new Mrs. Dick donned a brown crepe dress which had a collar and peplum underlined.

Kuivins Plan Pair of Weddings

There will be a wedding in June for Mary Margaret Farmer and William L. Kuivinen of Grosse Pointe.
News of their engagement was announced at a dinner party New Year's eve by Mary's parents Mr. and Mrs. Horace E. Farmer of Morosa road.
William is the son of Mr. and Mrs. John V. Kuivinen of Lincoln road.
Both Mary Margaret and William are juniors at the University of Michigan. They plan their marriage shortly after the summer term is completed.
Shortly following the news of William's engagement, Mr. and Mrs. Kuivinen announced the troth of their daughter Suzanne to Donald John Hutchinson, Jr., son of Mrs. Fred Seymour of St. Petersburg, Fla., and the late Donald John Hutchinson.

Sally's Story Is Typical Of Many Who Need Help

With Christmas upon us and the feeling of good fellowship pervading the air, take a moment to think of someone who is not as fortunate as you.
Sally is a little girl whose eyes sparkle but whose thin frail body cannot keep up with what she would like to do. Sally is a rheumatic fever victim whose heart has been affected. Sally spent a long time at the Children's Hospital Convalescent Home in Farmington, but was sent home because she was doing so well.
MOTHERLESS
Home to Sally is where her daddy and 16-year-old sister live. Sister takes care of Sally, not always too well, because Mother is gone. Harper Hospital Outpatient Department, a Red Feather agency of the Community Chest, keeps an eye on Sally and they wanted her to come to the clinic for an examination.
There was no one to take her in a car until the Central Volunteer Bureau, also a Red Feather service, heard of the plight of the little girl. Out went a volunteer driver who took the child to the clinic where it was found that the little patient needed to return to the hospital.
If it hadn't been for the compassionate woman who spent two hours of her time and a few gallons of her gasoline, Sally might have become dangerously ill.

MORE NEED HELP
Sally is not the only person in Detroit who needs the service of a private automobile and a volunteer driver to transport them to hospitals and clinics. There are many old people who must be taken weekly to receive treatment. There are handicapped persons and cripples who have to see doctors for help. They cannot ride public transportation.
The Central Volunteer Bureau wants 60 cars and drivers to take patients who cannot use public transportation to North and South Clinic, Grace Hospital and Deaconess Hospital, Children's Hospital and Harper Hospital also are asking for driving service for their patients.
As you sit in your living room with the Christmas tree sparkling in one corner, remember that you can feel like Santa Claus yourself all year round if you volunteer to serve a couple hours a week in the Volunteer Bureau's driving corps. Call Mrs. Helen Walsh at the Red Feather number, TEmple 1-1600 or visit the office at 51 West Warren today.

DEBUTANTE

FRANCES BOYER
Highlighting the holiday social season was the coming out party of Frances Boyer, daughter of Mr. and Mrs. Harold R. Boyer of East Jefferson avenue. The party was held at the Little Club.

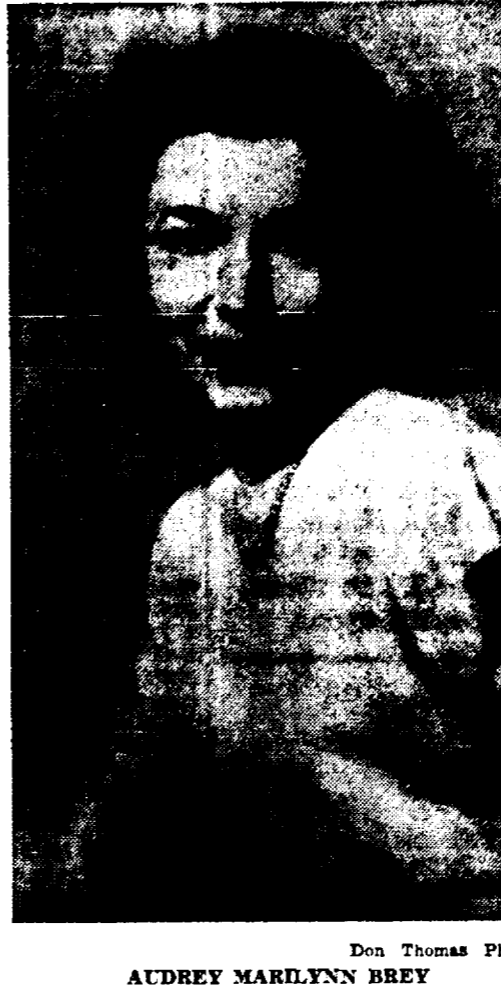

Dolores Ruth Massey's Engagement Announced

On December 28 Mr. and Mrs. Leonard C. Massey announced the engagement of their daughter, Dolores Ruth, to William Carleton Healy Jr., at an open house in their home on 360 Fisher Road.
Dolores, during her Grosse Pointe high school career, wrote a weekly column in the Review called "Listen," high-lighting the weekend parties of the younger set. She attended the University of Michigan, where she was affiliated with Kappa Delta sorority. Her fiance will graduate from the University of Michigan this February where he is affiliated with Alpha Tau Omega and Tau Beta Pi, honorary engineering fraternity. He will return to the University to receive his Master's Degree in mathematics.
Red and green match covers with the names of Dolores and Bill and napkins were favors at the party. Seventy friends of the bride elect and her fiance attended the party from Detroit, Grosse Pointe, Birmingham and Pleasant Ridge. Mr. and Mrs. Carleton Healy, parents of the fiance, also attended the party. Mr. William Healy Sr., from North Dakota, who is visiting his son at their home on Lincoln road and Mrs. Fred Sanger, grandmother of Dolores, were also present.
The bride-elect chose a black dress with an aqua blouse for her engagement party. Mrs. Massey wore a tailored light green wool suit for the occasion. Mrs. Healy was dressed in a royal blue crepe dress with matching hat trimmed with royal blue feathers.
No definite date has been set for the wedding.

BISHOP ROAD HOME TO BE SCENE OF COLONY LUNCHEON
Mrs. Clifford A. Neville, of Bishop Road, mountain school chairman for Detroit Colony, New England Women, will open her home Wednesday, January 14, from ten to four o'clock, to members for a sewing-social session.
She will be assisted by members of her committee at a hot-dish luncheon at one o'clock, her aides being Mrs. George S. Guy, of Ashland Avenue; Mrs. A. C. Pansini, of Bedford Road; Mrs. Frank G. Horton, of Hartwell Avenue; and Mrs. Charles J. Renie, of Santa Rosa Drive.
Reservations are requested by Monday, January 12.

Opera Guild To Present 'Trial By Error'

The OPERA GUILD of DETROIT is presenting a double feature Holiday bill of "Trial by Jury" and "H. M. S. Pinafore" by Gilbert & Sullivan on January 9, 1948 8 P.M. SHARP at the Masonic Temple — Scottish Rite Cathedral, Temple and Second Blvd.

These light operas, gay, colorful and tuneful, are newly costumed and will be accompanied by a full orchestra and is under the dramatic direction of Helen Morrow Rice, former member of the famous Bonstelle Theater Group.

The story of "Trial by Jury" is a complete farce on the "breach of promise" situation and presents a laugh at every turn. While "H. M. S. Pinafore" concerns the disparity of ranks in the British Navy and the ever popular Sir Joseph Porter, Monarch of the Sea, with his numerous "sisters, cousins and aunts."

YEP, IT'S TRUE

It's official now that Joan Crawford will sing "I've Been Working on the Railroad" in her forthcoming Warner Bros. starer, "Until Proven Guilty."

SATURDAY NIGHT FUN-FARE

Younger set members gathered at Beth Townsend's home on Maryland avenue Saturday night for a Pot-Luck Supper. Among the guests from left to right are: Dot Geyer, Joy Williams, Beth, Nan Stever, Jo Campbell. Also present were Tilly Bacce, Gladys Constantine, Less Yeaker, Dolly Fisher, L'Mour Neeme, Jennie Quirk, Ginny DeClery and Jessie Farquhar.

Betty Grable May Appear With Local Light Opera

With general sale of Civic Light Opera tickets for the 1948 season slated to start Monday, Barrie O'Daniels, managing director, announced that casting for all ten operettas was near complete.

Allan Jones and Andzia Kuzak will star in "Rose Marie," the season's opener on February 2. Civic Opera fans will remember Miss Kuzak for her role as Margot in "Desert Song," last year. This will be Jones' second straight year as the opera's opening star. Sue Ryan and comedian Pinky Lee will be other principals in "Rose Marie."

O'Daniels reported that Fritz Scheff, the "Kiss Me Quick" girl will appear here in "Roberta."

while Dick Smart will have the role of Prince Danilo in "Merry Widow." The opera favorite, Evelyn Wyckoff, will team with Ira Petina, the Metropolitan Opera star in "Music In The Air."

Other headliners for the Civic Light Opera season, which runs from February 2 to April 11, includes Al Shean, Helen George, last seen in Detroit with the La Scala Opera Company, Richard Charles, Billy Linn, and Norma Terris.

O'Daniels is still trying to get Betty Grable, Guy Gibbee, Gracie Fields and Suzanna Foster to come to Detroit for the Opera's fifth anniversary season.

Single seat sale for any or all of the Association's ten weeks of productions will be on sale at the J. L. Hudson Company, twelfth floor; Grinnells, Cunningham Drug Stores, Moorman's Travel Office in the General Motors Bldg., and G. K. Young's Travel Service in the Fisher Building.

O'Daniels said that the season ticket sale which began last month was about ten per cent of last year. The Opera's managing director pointed out that while the single seat sale begins Monday, season tickets may still be purchased.

Rehearsals for "Rose Marie" will begin this week. The operettas, which are held at Masonic Temple, and their playing adtes are as follows:

- Rose Marie Feb. 2-8
- Roberta Feb. 9-15
- Merry Widow Feb. 16-22

EDITOR'S NOTE
This article written by Leigh Middleditch, a Detroit University School student, appeared in the school's "The D.U.S. Writer." It is published in the Review because the editor feels it will be of interest to Grosse Pointers.

By LEIGH MIDDLEDITCH

Does courtesy pertain to politeness combined with kindness? The modern meaning of the word has deviated a great deal from the old world derivation. There it is taken for granted. Too many Americans are accused of lacking this de-bonair breeding. When an inhabitant of the United States gives his seat on a bus to a woman, it is very likely that it is because of her beauty and not her age.

From our first point, we are to come to the conclusion that courtesy, in the true sense of the word, is dying out. But on the other hand a new and entirely different meaning has evolved. It is based more on the Golden Rule than on the European manner. If we accept this new revolutionized method of reasoning, we are to conclude that male and female are completely equal.

Emancipation has come for the woman and in many instances she is considered far superior to the male. Accordingly courtesy can no longer be applied by the male sex to that of the female.

If the woman is no longer beneath the man, our interpretation of our topic must radically change. We must come to the realization that our world is gradually becoming different as to the train of thought of the average individual. Courtesy is your better attitude concerning your fellow mortals.

Few people realize how far a word of kindness will get them. They would rather believe (and practice) that harshness and being stern will further their methods and accomplishments. On the other hand it is human nature to use your temper in place of your tact. But on the whole the former will not bring half the results the latter might.

If we could only show the same respect to our equals and underlings that we show to our superiors! This may be moralizing a bit, but the basic idea is sound. Everyone has ambition to some degree, but few put that God-given attribute to its best use. Too many of us would rather condemn, than try to understand, the other fellow's point of view.

To get along with other fellow beings we must practice common courtesy, and when we are angered we must understand the value of this action.

Social Security Card's Value Is Emphasized

The beginning of the new year finds many families taking inventory of their insurance policies and making plans to safeguard their family's future. To make this inventory complete particular care should be taken to see that the social security card is included with these valuable papers.

Mr. Francis L. Pendergast, Manager of the East Side office of the Social Security Administration, today stated, "Too few people realize that their social security card represents an insurance policy which the Federal Government—an insurance policy which may at death pay thousands of dollars in monthly payments to survivors. This policy may also mean monthly payments to the holder at age of 65 who has worked the required length of time in employment covered by the Social Security Act."

Quello's Radio Quips

By JAMES H. QUELLO

Results of year-end press polls and annual awards are flooding the daily papers these days so we thought it appropriate to be the first with nominations for various radio performances. So let the little red apples and the scallions fall where they may!

Best Comedy Program: Fred Allen. He stands at the head of the class for genuine wit in a radio-comedy business overloaded with scripted gags, clacques, and Abbotts and Costellos.

Best Dramatic Program: "Lux Radio Theatre." The best current plays with the very best actors and actresses. "Theatre Guild of the Air" a close second.

Best Singer, Male: Bing Crosby. We'll take him, live, transcribed, remote, or dehydrated. For pleasant ease of ear-soothing delivery, he is all-time No. 1. Hooper or no Hooper!

Best Singer, Female: Ginny Simms. She creates that romantic feeling without moaning. When we hear her sing a Cole Porter tune she climbs right to the top of our Hit Parade.

Most Spectacular Gimmick: The Miss Hush Contest with a \$21,500 pay-off that made front pages coast-to-coast. Dope is that Ralph Edwards has a new stunt for 1948 which will even top this!

Outstanding Radio Premiere: Margaret Truman's debut with the Detroit Symphony which shot the Sunday Evening Hour rating from 2 to 18.6 (then back to 2).

Best New "Find": Abe Burrows and his songs. Example: "This is Abe Burrows, the Flatbush thrush, bringing you songs that all Americans never heard of." or "a singer who in the battle of the baritones is considered 4-F."

Best New Dramatic Idea: "CBS is There." It's a fascinating approach to history with eye witness accounts of historical events described as a modern announcer would do it.

New Star That Faded Fastest: Comedian Jack Paar . . . no sponsor; no-prespective buyer.

Most Obnoxious Commercial: The wounding of that moisturized cigarette followed by musical fanfare (and a twirl of your dial).

Best Newscaster: Lowell Thomas as despite the three-man combine against him on a competitive network.

Best Play-by-Play Sports-caster: Detroit's Harry Wismer. No one matches his enthusiasm in delivery and his thorough knowledge of sports . . . there's never a dull moment with Harry bombarding the mike.

Outstanding Radio News Events of 1947: 1. The Cold War: President Truman's Doctrine for aid to Europe and Secretary Marshall's plan. 2. Texas City Distster. 3. British Royal Wedding. (From Radio Daily).

Best Detroit Originated Network Show: "The Lone Ranger." A favorite of youngsters and Hooper year after year.

Best Local News Commentator: Lee Smits. His news commentaries indicate thorough preparation and evaluation. He has an acute news sense developed by years of newspaper reporting and editing.

Best Local Human Interest Coverage: Bud Guest. The Russians can kidnap President Truman for a ransom of all the U.S. Atom Bombs; the American dollar may be devaluated like the 1920 German Mark; Marshall may decide to place all American on a "C" ration and ship all our T-bones to stop communistic frustration; but Bud Guest, reported from the Sunnyside of the street, will find enough happy news items and human interest stories to make you smile.

Most Popular Local Disc Jockey: Jack the Bellboy. His varied format is No. 1 in teenage appeal.

Most Versatile Disc Jockey: Toby David. With nine dialects at his beck and call, Toby is effective enough on the air, but ab-
