The current Chest X-ray drive brought to mind again the ever presence of tuberculosis; and that nothing but an X-Ray can forsee where the dread germ may strike next or mark the germ carrier.

Health officials constantly drive home the fact that TB fools people. The healthiest looking athlete may be a carrier, of this highly contagious disease.

In view of these factors, we urge all persons over 15 500.000. Grosse Pointe taxpayers years of age to take the X-Ray examination when the are high among the contributers Mobile Unit arrives in the community beginning Feb. 10.

We urge village officials to take steps in adopting an ordinance requiring all food handlers to be X-Rayed annually.

At the present time, the only food handlers compelled to take a chest examination at regular periods are those employed by the board of Education. In fact all employees of the Board of Education are subject to this regulation.

By adopting such an ordinance and providing the ways and means of enforcing it, village officials would be doing the people of this community a tremendous service.

Chester P. Carpenter, a member of Grosse Pointe City's council, has been named chairman of a Committee of the Wayne County Board of Supervisors organized for the purpose of urging the passage of legislation which would properly reimburse Wayne County for the care of state patients hospitalized n County institutions.

The appointment was made by William A. Comstock, chairman of the Board of Supervisors. Carl Schweikart, Grosse Pointe

A birthday party was given by Mr. and Mrs. Walsh for their daughter, Jackie Walsh and it was a great success according to Jackie Glenn Nossal, Marie La Bonty and Pat Feeney, Grace Poole and Rusty Van Hysoe, Mary Kay Schmidt and Bob Van Antwerp, Yvonne Rau and Ray Schneider, Mary Alice Miriani and Skip Beauvais. Joann Du Castel and Jimmy Burns, Eleanor Cook and Harry Heilman, Jr., and Carol Semon and Jimmy Betz, Liz Sullivan and Jack Griffith, Mary Lou Mattheson and Jack Krause.

If you notice a rather tired expression on the faces of some of the Ambrosian students you can assume that they are members of the "Sweethearts Forever" cast. This is the annual operetta presented by the school glee club. It will be held at Grosse Pointe High School auditorium January 26 and 28 around 8:00 p.m.

St. Ambrose gym was the setting for the game between St. Martin's and the Cavaliers on January 13. A fast moving game ended in a victorious score of 36-29 for the Ambrosians. A few of the excited onlookers were Joann Breaugh, Lloyd Johnson, Carol Reed, Sue Harris, Steve Cappucio, Jim Martin, Joan Jaminet, Susan Clark and Bill Cook. More were Sue Miesch, Yvonne Rau, Ray Schneider, Sue Clancy and Lefty Iske, Mossy O'Connell, and Margaret Byrne.

Not quite so wonderful though, much to our regret, was the game played against St. Charles on Friday night. It was a sad defeat for St. Ambrose, the final score being noints difference

in spite of his condition and the rest of the team made a good showing too. We still can't figure out how Tom McFadyen keeps his glasses on through it all. Joe Landry and Jimmy Burns, both Juniors, are doing some swell work on the team this year; and Jack Insell certainly can hold his own. But apparently their effort were in vain this time. We have to admit, however, that it was a good game and we'll make up for it this week when we play Annunciation.

#### PARTY HONORS VACATIONERS
