### Four Schools Represented On All-Star Cage Squad

The Grosse Pointe Review's Second Annual Star Basketball Squad is comprised of six youths representing the "cream of the crop" from each of the four high schools in this area.

The honored athletes are Tom Willson, LeRoy Guaresimo, Jerry Allen, of Grosse Pointe High; Jimmy Law of St. Paul High; Jack Howard, of St. Ambrose High and Jack Foster of Detroit University School.

They were chosen for outstanding ability, team-play, sportsmanship and leadership by their respective coaches, Edward Wernst, GPHS; Edward Lauer, St. Paul; Dick Van Goethem, St. Ambrose; and Earl Kimber, DUS; in co-operation with the Grosse Pointe Review.

The athletes, the coaches and the Review's prep sport writers will be guests of honor at a banquet on Saturday April 3 sponsored by this newspaper in co-operation with the Lions Club of Lions. During the festivity a member of the Lions will present each athlete a miniature basketball engraved in gold.

The prime purpose behind the selection of the squad and the banquet is to foster a better understanding and relationship between students and instructors of public, parochial and private schools.

Officials from each school will be invited to attend. The three boys representing Grosse Pointe High School, the only Class A school in this area, are all top notch ball handlers and sharp shooters.

### Auto Strikes Child, Police Warn Drivers

With near Spring weather encouraging more children outdoors to play Grosse Pointe Police urge motorists to drive very cautiously.

Last week little Eileen Moore, 8, of 1463 Lakepointe was seriously injured when she darted from behind a parked car, to be hit by an auto driven by Elmer Lake, of Detroit. She suffered a fractured skull.

Though the driver was not held in this case, police believe that the accident might have been avoided had the motorist been more careful.

With this in mind, police emphasized the need for motorists to proceed cautiously when driving through residential districts.

### County Wants Carl Schweikart

Carl Schweikart, Grosse Pointe Township supervisor, and a member of the Wayne County Board of Supervisors, appeared before the board for the purpose of being named to the chairmanship of the board this week after his selection as the candidate of the out-county representatives.

The election will be held April 13.

An informal agreement reached five years ago between city and county representatives on the board alternates the chairmanship on a five-year basis.

### "Miss Grosse Pointe" Makes Big Splash with Gold Cup Gentry

"Well we certainly have something to root for now," exclaimed one local boatman after hearing the news that a "Miss Grosse Pointe" will be entered in the annual Gold Cup Regatta this year.

His remark was echoed throughout the community this week when it was learned that Tom Boyd, local auto dealer would sponsor a craft in the annual classic bearing the name "Miss Grosse Pointe."

The boat is a modified three-point suspension Gold Cup Classic and is scheduled to make her debut in the Henry Ford Memorial Race July 10. It will mark the first time an entry bearing the colors of Grosse Pointe will appear in Gold Cup competition.

She will be driven by Al D'Eath, veteran boatman, who is highly enthused about his new streamlined 22 feet 9 inches long water beauty. She will be powered by twin screw fagel motors.

Mr. Boyd was reluctant about saying much about his entry. "She belongs to the people of Grosse Pointe. Her future is in the hands of D'Eath, he's the boatman not me," Mr. Boyd said.

Though the veteran businessman prefers to remain in the background he made it clear that if his craft makes a creditable showing in her virgin run, he will leave no stone unturned to make her the "Queen of the Regatta."

### Rotary Clothing Drive Needs Your Co-Operation

The community-wide clothing drive, sponsored by the Grosse Pointe Rotary Club will continue through March 17.

The clothes will be sent to needy in Nijmegen, Holland, by the local club as part of an Rotary International drive throughout the country to obtain clothes for those destitute in Europe.

### CBS Show Scheduled For Pierce

WJR's famous "Neighborhood Frolic," musical show, a CBS coast to coast feature, will be presented from the stage of the Pierce auditorium on Saturday, April 3.

There will be no admission charge.

It was announced by Mark Haas, educational director of WJR exclusively to the Review. His announcement successfully climaxed the efforts of this newspaper to bring the popular radio program to Grosse Pointe.

Though the program, which features the 70 voice "Accent on Youth" chorus and Paul Lavoie's 24 piece orchestra, has been touring Metropolitan Detroit for several years, it marks the first time it will feed CBS's vast network from a Detroit suburb.

The show has been and will continue to emanate from the Music Hall every Saturday afternoon. However due to a previous Music Hall booking, it must be presented from a different stage on April 3.

The 30-minute actual broadcast will be followed by a variety stage show, starring the spotlight entertainment of its kind in the vicinity.

Don Large is director of the excellent mixed chorus, which features soloists, duets, trios and quartets, and comedy stars, all of teen-age.

Persons attending the show must be in their seats by 3:45 p.m. for the pre-broadcast warm-up.

It will be the first time in the history of this community to see a coast to coast show originate here.

### X-Ray Survey Refers 101 To Doctors

Up to, and including, March 4, 6,100 residents of Grosse Pointe have taken advantage of the Chest X-Ray Survey which has been in progress here since February 19. Dr. Thomas S. Davies, health commissioner, announced.

"Out of that number 46 persons have been referred to their private physicians for diagnosis and classification of tuberculous conditions," Dr. Davies stated.

Fifty-five persons have been referred to private physicians for abnormalities which do not endanger the public health but need further follow-up, diagnosis, and treatment, the Health Commissioner pointed out.

Fifty-nine per cent of the 6,100 X-rayed as of March 1, were women and 41 per cent were men.

It is also interesting to note that 53 per cent were in the 15 to 44 age group; 34 per cent were over 45; and 13 per cent were under 15 years of age.

In the group under 15 years of age not one of the abnormal conditions were discovered.

"That fact bears out the theory that the best way to protect your children is to be sure you yourself are free from tuberculosis," added Dr. Davies.

Meanwhile the five week survey in the area will be completed this week in Grosse Pointe Woods. The schedule appears below:

### Watkins Beats Sutton, Woods Stops 'Park Sale'

Grosse Pointe Woods voters retained their president Alois A. Ghesquiere, re-elected Commissioner George W. Gardner and elected two new members to the council at a heavy village election held Monday. 1307 votes were cast.

The new commissioners are Leon D. Ratcliffe and Arnold L. Diesing. Commissioner Arthur H. Post, in office since 1927, was defeated.

The voters turned down the proposals to "sell all or any part of the Mack Avenue Park site" and "a \$40,000 bond issue to finance improvement to the municipal building."

They approved the proposal to pay annual salaries of \$600 to the president and \$400 each to the six commissioners to become effective at the beginning of the new term, March 22. It will affect only those who were elected Monday, and it marks the first time in the history of the village for top officials to draw salaries.

President Ghesquiere in being re-elected to his sixth one-year term polled 884 votes to Earl C. Mohan's 376. Mohan, a village businessman, was making his first bid for office.

Leon D. Ratcliffe led the ticket in the race for commissioners. He polled 719 votes. He was followed by Gardner, who netted 615; and Diesing, a former commissioner, with 393.

Howard B. Wolf, a comparatively new comer in village politics, made an impressive showing, losing a seat in the council by 23 votes. He garnered 370.

Veteran commissioner Post received 357; other candidates for commissioners included Harry C. Pratt, 329; John H. McPherson, 260; and Jeremiah McCarthy, 192.

In Mack Park Site proposal, 799 voted No to 475 Yes; the \$40,000 bond issue drew 682 votes against it and 524 in favor; and the salary proposal was accepted 787 to 482.

### Woods Stops 'Park Sale'

In the liveliest election ever held in Grosse Pointe Farms, the administration seeking re-election Monday, scored a decisive victory over the Farms Better Government Association.

A record number of 2,067 voted to retain President James K. Watkins and Trustees Neil S. McEachin, Richard L. Maxon and George L. Schlaepfer.

The only change the election effected in the present administration is that L. M. Reeves will succeed Russell A. Labadie as village assessor. Labadie was supported by the FBGA.

In defeating his opponent, Jack R. Sutton, President Watkins polled 1193 votes. Sutton, a former Farms official received 842.

Neil McEachin's 1310 votes led the Trustee candidates. His nearest rival was Maxon with 1283. Schlaepfer drew 1209 votes.

His opposition was led by Irving T. Winkler who netted 750 votes. Horace E. Farmer garnered 605 and Harry R. Dey received 605. It marks the second successive loss at the polls for Winkler and Farmer. They were defeated last year in bids for the same offices.

This was Dey's initial attempt to hold public office.

Veteran Clerk Harry A. Furton drew top election honors when he polled 1469 votes for his 12th term against Fred T. Kuehl's 560.

Treasurer Alonzo J. O'Connor received 1259 votes for re-election to beat Francis J. Hock's 728.

All defeated candidates were strongly supported by the FBGA.

### Park Elects K. B. Goddard

A light election in Grosse Pointe Park saw Karl B. Goddard, former village president, return to office as a member of the council.

Also elected to the council were incumbents A. John Bloodworth and Peter J. Koenig.

The election marked the retirement from public office of Village President Howard P. Parshalls after ten years service to the community.

His successor and unopposed candidate Homer C. Fritsch polled 515 votes to make it official.

Fritsch, who is a senior member of the council, will begin his new duties on March 22.

Goddard led the council candidates by drawing 397 votes out of a total of 587. Bloodworth netted 360 and Koenig polled 343.

Other candidates were Frank W. Lindeman who garnered 287 and J. Willard Carpenter who received 202.

The new two-year-terms begin on March 22.

### Shop Opens At New Location

THE TIME IS NOW

The elections are over, the people have spoken, and the time is now for all sides to join forces.

If civic progress is to continue, those defeated at the polls as well as those elected must discard personal ambitions, feelings and interests.

Defeated candidates should attend council meetings. They should keep a finger in the pie by offering suggestions and co-operating with the administration in the best interests of the community.

The elections were marked by record turnouts—never before in the history of Grosse Pointe was so much interest given to civic affairs.

All those who participated — voters and candidates—should be highly commended.

WATCH OUT FOR KIDS

"How much is your child's life worth to you?" "Then, surely, you can give up the extra few minutes it will take you to WATCH OUT FOR KIDS on your way to and from work, shopping or the theater."

"This is the time of year when bicycles, baseballs, marbles, jumping ropes, roller skates and kites come out of winter storage, when tiny scarves are flying, when little folks slip on unexpected ice, when little feet run faster at the sound of a robin's song, or sight of sunlight and bursting buds; and childish hearts are so carefree that they forget to be careful."

One little girl who forgot to be careful will not be in her usual seat at St. Ambrose School this week. Instead she will be lying in a bed in Bon Secours Hospital suffering from a fractured skull.

She ran out from behind a parked car and was struck down by an auto.

Who the driver was in this case is not important—the point is that police felt that the accident might have been avoided had he been a little more cautious.

We urge every motorist to watch out for the child on the curbing, the cross walk, on the streets or darting from behind cars and busses in residential area and near village stores. Use special caution when driving in school zones. Accidents take more children's lives than any other thing.

We urge every motorist to join hands with the police in the national "Watch Out for Kids" campaign this month.

"Teach your child the right way to cross a street and give every child the right-of-way for life."

Pointe Youth To Universal Military Training Unit

Private James White, son of Mr. and Mrs. Robert White, 1611 Hawthorne Avenue has been assigned as a trainee in the third cycle of the Universal Military Training Experimental Unit. After preliminary processing, he has arrived at Ft. Knox to receive six months training in the Army Ground Forces' model UMT battalion which has brought about nationwide comment since its inauguration.

Prior to enlisting in the Regular Army on Dec. 1, 1947 at Detroit, Trainee White was employed as a clerk in a village store.

This unit, to which Trainee White has been assigned, was established with Regular Army personnel with the intent of finding the best methods to train 18-year-old boys in the event that the Universal Military Training

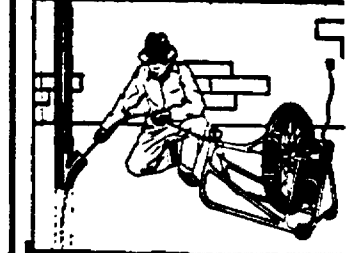

program becomes a law. The proposed program, combining civilian and military methods, marks a departure from wartime training in that it places greater emphasis on raising the moral, physical, and mental fibre of the young men participating.

Local Scout Troop Plans Carnival

Boy Scout Troop 147 members met with their parents and friends Tuesday evening at Defer School to discuss plans for the Scout Carnival to be presented on April 23 by the Boy Scouts of Metropolitan Detroit.

Songs and recitations also marked the meeting which saw Patrol Leader Richard Craig, son of Mr. and Mrs. Jos. Craig, of 1215 Nottingham, conduct the opening and closing ceremonies.

"The local committee of the Detroit chapter to maintain the separation of church and state is highly pleased with the decision of the Supreme Court on the question of Religion in the School."

The Rev. Merrill Bates, of the Grosse Pointe Unitarian Church committee spokesman, made the statement Tuesday after it was disclosed that the Supreme Court ruled unconstitutional the use of public school systems to help any religious group spread its faith.

It upheld a protest by an atheist mother that a system of religious teaching in Champaign (Ill.) breaks down the wall between church and state.

"We feel that the first amendment and the democratic purpose are upheld," said the Rev. Bates.

### Paula's Hi-Lites

By PAULA BEAUPRE

Sally Cabot's home was covered with "dream dust" on the 23rd when her huge slumber party finally got in a few winks in the wee hours.

Hot chocolate was served to give the gals, vim, vigor and vitality to chat and indulge in a few games of "pantomime" before the sunbeam took over.

On the guest list were Carol Dagens, Lois Mann, Sallie Brian, Gloria Wilson, Joanne Quadrant, Betty Pasonette, Nancy Bernard, Marion Carter, Gale Law, Pat Krasse, Marilyn Wynters, Susie Lipton, Marilyn Clawson and Joyce Port.

Helen Berry was the guest-of-honor at Linda Kartsen's theatre party. Connie Larson, Janet Ryson, Pety Ariene, Pat Hudson, Jeanne Finck, Lorna McMahon, Margie Vegga, Estelle Carlon and Jimmie Johnson enjoyed the roast beef dinner which was topped off with strawberry shortcake and vanilla ice cream.

The room was lit with a dim glow from the pink candles which adorned the ends of the table. The centerpiece was created with delicate pink rose buds. When the girls headed for the Civic Light Opera at the Masonic Temple, they each tucked a rose in their hair for a souvenir.

Meeting in Frank William's house on Barrington Drive, a gay group of outdoor enthusiasts set out for a hayride. The whole affair had been cooked up beforehand by Frank and his date Dot Myers.

Those who climbed "aboard" at Finley's Stables were about 50 fellows and gals, among them—Sue Peterson, Jim Ryan, Katey Blanchette, Willie and Jannie Waker, George Killson and many, many more.

When the crowd returned from the ride, they rustled up a fire and roasted marshmallows over the gleaming coals.

Ann McKenzie was another gal who invited her friends to get out their warmest mufflers and boots for a party last Thursday.

The kids having piping-hot coffee and wieners in front of the roaring fire were: Anne O'Bryan, Sid Donnelly, Jackie Parson, Betty Anshultz, Drew Parker and on and on!!

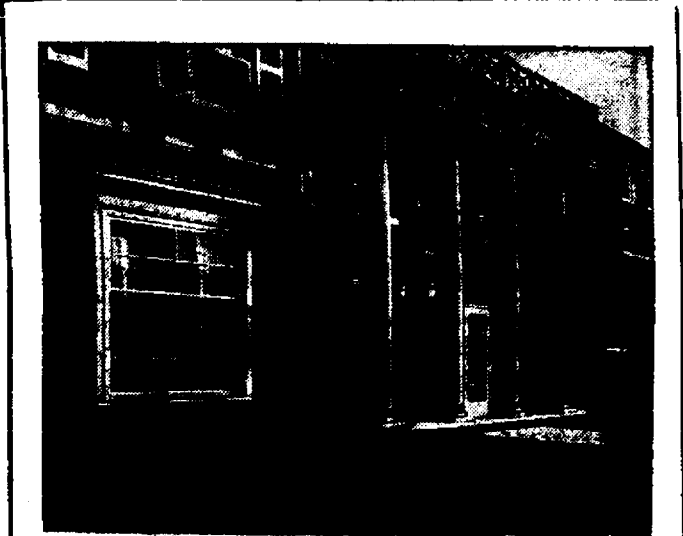

Ruth Wright's eighteenth birthday will have memorable mentions in the diaries of four Grosse Pointers.

The evening began with the girls gathering at the home of Ruth to have a group-photo snapped. This was traditional with these four friends — every year they have a picture taken to place in their albums.

While the girls had dinner and took in a movie, Ruth's father had four prints of the picture ready for their return.

Ruth, Lally Kelcher, Ariene Masters and Betty Sash have celebrated many birthdays together and Friday night added one more lovely chapter to their book of happy memories.

### "Chirpie" Hits Gay Note For Trombly Pupils

Sweet spring music pours forth from the second grade room at Trombly School, for at last after winning several prizes for the most parents attending Parent-Teachers Association meetings in that room, the 2B children have their much longed for canary. He came to live with them during January. He is six months old and has a beautiful song. He sings practically all day and brings happiness to the whole school. Sometimes he has to be taken to the principal's office because he is so full of song. Joann Swete brought her lovely cage to make him feel more at home. The children take turns learning how to clean the cage and give him the proper amount of food.

The children discussed ways to make friends with him. Some of the things they learned were never to point a finger into the cage or move suddenly because it frightens him. By making him comfortable and happy he rewards them with his song. It is fun to be so close to him and watch him eat and turn back his little head to pour the water down his throat.

After much discussion it was decided to call him "Chirpie". He is shared with other rooms, and the 2B's are very proud that he belongs to them.

### Local Thespian Holds Major Part In Lenten Play

Attractive Lenore Marshall, of 1580 Fairhome in Grosse Pointe Woods, will emote a leading role in the Catholic Theater's Lenten production, Dr. Daniel Lord's inspiring, "Fantasy of the Passion", March 11-13 at the Detroit Art Institute.

Mrs. Marshall, who will portray the role of "The Actress" with a true sense of the dramatic, favors versatile roles that run the emotional gamut. In the part of Phyllis, devastating downfall of the Man's youth, she steps into another impressive role that should parallel her Miriam in "Barter," the 1944 Lenten drama. Lenore carried off top acting honors in the 1946-47 season, earning the Best Acting Award with her vivacious portrayal of Toinette in Moliere's French farce, "The Imaginary Invalid."

For several seasons she managed the Theatre's publicity department, has served on the Board of Directors, casting and playreading committees, and is an ingenious Jill of many talents—notably in creative writing, radio and stage dramatics. "Fantasy of the Passion" is an unusual religious play of rare quality bringing a message appropriate to the Eastertide told in powerful drama.

Tickets may be purchased at the Catholic Theatre Office, 1234 Washington Boulevard, or at Grinnell's or McDevitt's. Call CADILLAC 1700 for reservations or for information about theater parties.

### Alpha Phis Plan Dinner Meeting

East Side Grosse Pointe Alumnae chapter of the Alpha Phi fraternity will meet Wednesday evening, March 17th, at the home of Mrs. Perry Penz on Harvard Road.

Chairman for the dinner is Mrs. Edward MacKenzie and the committee will be Miss Jane Tamblin, Miss Sally O'Connor and Mrs. Forrest Olds.

A social evening of bridge and other games is planned following the dinner.

### TOBOGGAN, SWIMMING KEEPS SCOUTS HEALTHY

Coasting via toboggan, and swimming at Grosse Pointe High School pool are two activities enjoyed by Grosse Pointe Girl Scouts. Pictured on the left is a group of Scouts as they prepared to leave the home of their leader, Mrs. Harry Findlay, for a week-end at Camp Metamora. The scouts from left to right are: Mary Ann King, 708 Hawthorne; Diane Wuerker, 1985 Beaufait; Sandra Findlay, 1867 Lancaster; Mr. William Graham, Kiwanis member.

Swimming, essentially a summer sport, is offered to Girl Scouts from October to April each year. Teacher Mrs. Hazel Chateau, pictured at the left has been instructing Scout swimmers for the past three years. The two girls, Betty Nelson and Pat Craig, have won Red Cross Life Saving Badges, left to right, Mrs. Chateau, 13087 Rosemary; Betty Nelson, 283 Lincoln road; and Pat Craig, 1024 Wayburn.

### Girl Scouts Observe 36th Birthday

Girl Scouts celebrate their 36th birthday March 12. Birthday week observance in Grosse Pointe will be the Juliette Low Rally to be Friday evening, March 12, in the high school. 27 troops will participate in songs and dances of various countries. Money collected by each troop for the Juliette Low fund will be presented. The fund aids needy foreign families.

This year the national scouting theme is, "Girl Scouts, United by Ideals." Grosse Pointe Scouts learn the meaning of this as expressed in the Scout Promise and Laws; in developing resourcefulness; in service and world friendship projects.

A Pointe troop, 539, is among the first to take part in the national clothing kit drive; 100,000 kits to Europe by December 1, 1948.

Throughout the community scouting activities are many. Winter jaunts include week-

ends at Camp Metamora for fun on skills and tobogganing. Recently the Grosse Pointe Woods Kiwanis Club presented the Wing Scouts with a new toboggan. Such generosity on the part of service clubs helps to make these good times possible.

From October to May swimming is arranged for by the Scout Council through the kind co-operation of the high school in offering use of the pool. Opportunity to earn the Red Cross Life Saving Badge is provided for advanced swimmers.

In these post war days of world problems and hardships Harriet Ferguson, national president of the Girl Scouts, suggests a line to remember. She says, "Let us all learn and try to keep before us Carl Schurz's beautiful words, 'Ideals are like the stars. We can never reach them, but like mariners on the sea, we can set our course by them.'"

### Organize Class In Knitting

An afternoon class in knitting is now being organized by the Adult Education Program sponsored by the Grosse Pointe Board of Education.

Mrs. McClenahan, who owns and operates the Yarncraft Shop on Fisher Road, will instruct this class. She will be very happy to have anyone interested in learning to knit, and anyone eager to augment her present skill in knitting. Everyone is welcomed to partake of the exceptionally splendid instruction as will be offered by Mrs. McClenahan.

Some of the many lovely things which may be made with the minimum of effort and time will be displayed the first time the class meets. This should be most inspiring.

Inasmuch as this class will be limited, it will be necessary to make reservations. You may do this by calling the Grosse Pointe Board of Education, Niagara 2000, Extension 25.

Colored slides of the Baha'i House of Worship in Wilmette, Ill., will be an important feature of the meeting. These slides will be the same shown to the hundreds of thousands who have visited the Temple in person.

The youthful, Persian-born speaker studied in France before coming to this country to take her Master's degree in bacteriology at Northwestern University, where she is now a professor. She is also doing tuberculosis research

work on a grant sponsored by the Parke-Davis company.

The Friday meeting is the first such meeting ever sponsored in Grosse Pointe by the Baha'is, previous meetings being held in private homes.

No collection will be taken at the meeting; and all are most cordially invited.

**BETTER GARDEN**  
Every good garden grows in someone's head first. It's carefully planned and thought out. The next step is to put it on paper, or a piece of cardboard. Space the rows according to crop and to scale. Figure out how many rows of this and that you need have space for. Balance that against the needs and likes of your family. Then plan your garden so that no space will be wasted or idle all season.

Hardened hearts are the true cause of empty stomachs.

**MODERN COAL HEATING EQUIPMENT**

**Every adds greater proof... THIS IS THE WAY TO HEAT YOUR HOME**

READ THE NEWSPAPER HEADLINES. Listen to the radio commentators. Check the statements of Government officials. Think back to your own experience in two world wars, countless "emergencies," repeated shortages. Best of all — look at your own home thermometer, and at your fuel bills.

How much more proof do you need that plentiful COAL, burned in properly maintained modern coal stokers and furnaces, is still the best known way to heat your home?

**IF YOU NOW USE COAL**

Remember that you are wasting part of coal's tremendous heat-production if your heating equipment is worn out, outmoded, unfit to do its job. Modern coal heating units—automatic bin-fed or hopper-fed stokers, automatic controls for hand-fired furnaces, the new improved furnaces themselves—are the most efficient, economical and trouble-free in history. There are countless types to choose from, in abundant supply, and you can have them installed in a few hours without even interrupting your heat.

If you are due for a heating-plant replacement or modernization, why put it off any longer? Why not have the advantages of efficient, fuel-saving new equipment right away—this winter, as well as during the winters to come? Your local coal merchant, in cooperation with your local coal heating equipment dealer, will help you choose wisely the type of unit best suited to your needs; your new stoker, furnace or automatic controls can be installed promptly.

**IF YOU DO NOT NOW USE COAL**

Consider whether your present fuel gives you the all-round satisfaction enjoyed by your neighbor who burns coal. Consider whether the few extra square feet needed for coal storage, the mere five or ten minutes daily needed for servicing modern automatic coal-burning

equipment, is too great a price to pay for the matchless dependability, economy and comfort of uninterrupted coal heat.

If you are not acquainted with the great advances made over the past decade in coal's cleanliness and convenience, through modern processing, delivery and combustion techniques, your local coal retailer will be glad to bring you up to date. He will also be glad to give you—courteously and without obligation—any information that interests you relative to conversion to coal and coal equipment. His counsel will be expert and dependable—for either he handles coal heating equipment himself or cooperates closely with your local coal heating equipment retailer.

Another reason for installation of coal heating equipment is Coal Heating Service's maintenance of 24 hour emergency service for furnaces and stokers. Call your local coal merchant first—if he has no facilities, call the night, Sunday and holiday number CHERRY 4331.

Well looky here. Have you heard the news about the S. A. Dance next Saturday night? Well if not here is the word. "THE SHAMROCK SHUFFLE" is the name and 9:00 to 12:00 is the time. BOB POSMOE is chairman of the super affair. Here is the word from headquarters the dance is strickley casual. That means skirts 'n sweaters for the girls and sport coats and ties for the boys. (That's just the way you like it so lets see you all there!) Now here is the rest of the line up. ANDY LONDES is chairman of the decorations comm. and working with her are Flo Bardy, Sharon Arnold, Dick Mitchell, Carroll Sharrer, Megs Meekinzie, Bill Anderson, Bob Van Haltern, and Jim Stover. FRANK RIED is chairman of the refreshment comm. and with him is Loren Miller and George Kennedy. The boys are working hard. JOAN GHESQUIERE is head of invitations, and Margie Storkel is her right hand girl. Working on publicity are Gail Wright, Jean Dowzer, Norma Neeb, Sheila MacRae, Alice Sackler, Katy Wieland, and Joice Wick. The well known band of BILL GAIL has been secured, so . . . see ya . . .

SHARON FORD

Thella Class elections were completed last week. In case you haven't heard, TEM AUCH was elected Pres., PAT PER-RONE, Vice, ANNIE CANDLER, Sec. and JIS SWIFT Treas. With a swell gang like that in office there ought to be some swell results . . .

Here is an interesting note about one of the well known gals about the High. SUE CRUK, SHANK 12A has been appointed to Advertising Advisory Board of the well known teen age girls magazine "Seventeen." This is a national mag. and we think it speaks well for this fashion minded teenager of Grosse Pointe.

Last Thursday JEANNE SWAN entertained a gang of her girl friends at a delicious hag party. The gals all brought along their Knitting and oh what a struggle they had. She asked Di. Wuerker, Jean Morrison, Sally Reynolds, Mary Lou Melinger, Deslie Sawash, Eljean Mattice, and Jody Tre-fry. The gals say it was a pretty gay evening . . .

POST TEENS CLUB

Friday, March 5 the Post Teens Club of Grosse Pointe, had their semi-monthly party at the Neighborhood Club. The fellows and girls had a marvelous time dancing to the smooth recordings of the latest hits and then later partaking of luscious refreshments served by Mary Jane Butler.

While the room was filled with the strains of Don Pablo's Begin the Beguine, we noticed Shirley Vreeland and Bill Fetter, Lois Perry and Tom Collins, Bethany Wright and Wally Ehrlich, Betty Dailies and Bob West among the couples gliding over the dance floor.

The Post Teens Club is open to any fellow and girl over twenty who loves to have a good time. An enjoyable evening can be spent dancing, taking part in mixers, playing cards and even playing ping pong — and we mustn't forget to mention the swell refreshments that are served at every party.

If you're not doing anything Friday, March 17th why not drop around to the Neighborhood Club. They'll be celebrating St. Patrick's Day!

Until next week then, seeya around the High and places! ! !

## Students Like Truman, Dewey, Vandenberg, but No Wallace

The national presidential picture developed a local view last week when members of the "Tower" staff, Grosse Pointe High School publication, put this question before several students: "Whom do you favor for the next president of the United States and why?"

Martha Watkins, 11A: Harry S. Truman because a Republican would probably put us back in the era of ultra-conservatism and isolationism."

Sherb Brown, 11A: "Tom Dewey because there is a man who won't take a lot of pushing around; he knows what he wants and gets it the right way."

Barbara Goodrich, 12A: "If Eisenhower were to run there is little doubt that he would gain the office because he has not only personal magnetism but also a colorful war record and an ability to lead the country through the forthcoming trying times."

Jim Fenske, 11A: "Vandenberg! No person bidding for the office has better statesmanship qualities, better knowledge for the country's needs or is of a better party."

Miss Margaret Casteel, history teacher: "I cannot see any candi-

date on the horizon at the present time in either major party who meets even the minimum requirements."

Alice Anne Siskler, 11A: "Dewey, because I think he should be given another chance to show he has the competence to govern the nation."

Bert Wicking, 11A: "Senator Vandenberg because he's a sensible person and ought to make a good president."

## REAL THEATER

### Marygrove Head Explains But "It's All Greek To Me"

In the January issue of Play-ers Magazine, Dr. Kathryn Robb, head of the English department at Marygrove College, explains how she has made the Greek Theater real for her students. Her article "Greek Dramatists Come to Life" tells how she and a former student, Miss Theresa Parsons, studied extensively the architecture of the Greek Stage and then undertook to build a stage that

## L. G. Palmer To Renovate Lakepointe Golf Club

The Lakepointe Golf course will be operated as a private club with membership open to groups of this community at a moderate price. Last year it was a semi-public course.

Renovation of the clubhouse includes a modern dining room seating 200 persons, a larger, improved kitchen, locker room and showers for ladies, a service bar, picturesque fireplace and modern heating system. There will also be a completely equipped Pro-shop with professional and caddy service.

The Lakepointe course is capable of any type of tournament play. It is a challenging, par 71 course with underground sprinkling, elevated greens, scenic woods, traps, and refreshing breeze from Lake St. Clair only 3/4 miles away.

Committees will operate the club and make rules and proposals.

PEARL'S PATTERN

"Long skirt manufacturers dread the summer because it's the slack season."

She explains that this stage is not a replica of any existing model but is an abstraction which embodies all the essentials of Greek drama and also contains all its functional problems.

In addition, Dr. Robb constructed puppet heads and masks to represent the traditional Greek chorus. In this manner she has been able to present Greek drama practically and to make it real for her students.

## Photographers To Model At Club Meeting

Members of the Grosse Pointe Camera Club will act as models for their fellow members at the meeting on Tuesday evening, March 16.

The "shooting session" has been worked by Mr. Howard Riley, Club President, so that everyone will have a chance to pose for his picture while the photographer will have ample opportunity to use his wiles and abilities in arranging the subject for good portraiture. The famous so-called "USO" lighting used by Dr. C. J. Marinus and Mr. William Bond during the war, will be used during the evening and they have kindly consented to take charge of the food and spot lights.

All pictures taken during the evening will be finished and submitted to the Club's judges for criticism at the first meeting of the Club in April.

The usual display of print assignments will also be exhibited during the meeting.

Mr. Riley has issued invitations to the interested to attend the meeting, which will be held at the Neighborhood Club.

### Baseball "Extra" With Heilmann

Harry Heilmann, all-time baseball great and famous announcer, is the latest addition to WJR's championship sportscasting team. He is heard every Tuesday, Thursday and Saturday at 6:30 p.m. in a "Baseball Extra" program originating direct from the Detroit Tiger training camp in Lakeland, Florida.

### HOCKEY PARTY FOR SAFETY BOYS

"For He's a Jolly Good Fellow," were the words echoed by the Richard and Mair School safety patrol boys as they boarded a Lakeshore Bus to take them to Olympia Monday evening to see a pair of hockey games. The youths were directing their remarks to Julius Deraedt, popular members of the Grosse Pointe City police, who was highly instrumental in arranging the party. Others assisted in arranging the treat for the safety boys include Charles Escoe, of the Olympia, the Grosse Pointe City Police and this newspaper which provided the bus. From left to right: George Moffat, Julius Deraedt, Stark and John Langs, of 281 University, and Don Keller.

### Swimmers Place 5th In State Meet

By ROB PHILLIPS

Holding true to Coach Frank Banach's suspicions, the Grosse Pointe High School swimmers didn't come out on top of the heap in the race for the state championship. Last Saturday the Blue Devils traveled to the home of the University of Michigan swimming team at Ann Arbor, as did some eighteen other prep squads, to tangle in the twenty-fifth annual Class "A" championship swimming contest.

It's history now that Battle Creek retained the champion's crown for the second year in succession. Saginaw Arthur Hill and Monroe tied for second, Lansing Eastern in fourth and the local athletes dropped in the fifth slot.

According to the general opinion of some of the team members from Grosse Pointe, the Blue Devils received more than their share of tough breaks.

The biggest surprise was the performance of Bob Jenks, who is probably one of the best swimmers that Grosse Pointers have seen in some time. Jenks, in his specialty—the 100 yard breast-stroke, brought home a third place, when he was beaten by Paul McKenzie of Monroe and Canfield from Lansing. According to the much publicity that Jenks and his teammates received from The Detroit Times and Don Watrick, sports announcer, it would appear that the team became a little over-confident as was hinted might happen by Coach Banach.

### Local Cage Teams Have Ups and Downs as Season Ends

By JOHN HUTTON

As the 1948 basketball season draws to a close, a review of the accomplishments of Grosse Pointe's four high school squads seems to be in order.

Grosse Pointe High, the community's only Class A school completed a successful season by finishing in third place in the Border Cities League with 6 wins and 4 losses. The Blue Devils chalked up 4 more victories in non-league competition. The nucleus of Coach Ed Wernets squad were veterans Tom Wilson and LeRoy Gerisimo. However despite their departure in January the Blue Devils continued to improve and reached their peak when they upset the powerful league leading Wyandotte Bears on February 20.

The biggest disappointment of the season came when Fordson eked out a victory, when the timer gave the Tractors a few extra seconds which enabled them to win. The Blue Devils highest score came when they toppled Hazel Park 50 to 33 and the high scorer for the season was Bernard Johnson.

#### BAD FOR ST. PAUL

The story was somewhat different at St. Paul where the Flyers turned in one of their worst seasons in many years. They finished in seventh place in the Parochial League's East Side 2nd Division. Coach Ed Lauer had a rather inexperienced team and this combined with taller opponents and streaks of bad luck resulted in a record of 3 victories and 9 defeats in league competition and 5 wins and 13 losses for a season's total.

The high point came when St. Paul scored two successive victories 42 to 21 and 48 to 16 over St. Bernard. The biggest disappointment was the loss to Annunciation 40 to 38 after St. Paul led until the final 3 minutes and to St. Mary's of Mt. Clemens in overtime 32 to 29.

Guards Paul DuRocher and Jim Law paced the Flyers all season scoring 142 and 141 points respectively. Next winter St. Paul will be a major contender in the League Crown for only one first team member, DuRocher is graduating.

#### GOOD SEASON

Probably the most successful team in the Pointe was the St. Ambrose Cavaliers who like St. Paul are members of the Parochial League's East Side 2nd Division. The Cavaliers won 9 and lost 2 in league competition, to finish a three way tie for second place with St. Charles and St. Martin.

In non-league competition the Cavaliers won 3 and lost 2 for a season's record of 12 victories and 5 defeats. This includes their victory over St. Anthony to win the District crown of the State Tournament last Sunday. They

enter the Regional eliminations this week. The height of their season came when they trounced St. Philip 109 to 17 to set a new league record. They hit a low ebb when St. Charles whipped them last January.

Jim Burns paced the squad with 160 points this season. Next year the Cavaliers will again be formidable as only one starter will graduate. The addition of Dick Gallo and Dick Korte at mid-season gave the Cavaliers the power to stay near the top.

Detroit University School which is unmatched to any league hit the 500 mark by whipping New Baltimore last week in their final scheduled game to avenge an early season defeat.

Led by Merrit Jones who tallied 100 points for the season the Cook Road Boys won 7 and lost 7. D.U.S. biggest disappointment came when Lakeview defeated them 33 to 32 in overtime in the season's opener. Since then D.U.S. has had its ups and downs all season but reached a successful climax in the second New Baltimore game. D.U.S. broke even with St. Paul winning the first contest 23 to 22 and losing the second 25 to 16. They too should be much stronger next season for the entire starting five return.

#### DOUBLE BIRTHDAYS

Birthdays come twice a year in Latvia, according to the World Book Encyclopedia. Each child celebrates the anniversary of the day of his birth, as well as his "Name Day," similar to the Saints Days of the Catholic Church. All Latvian children who are called by a certain first name celebrate on the particular day which is set aside for that name.

#### ELECT OFFICERS

Election of officers and a business meeting will be conducted on March 16, at 8 p. m. by the General R. A. and Colonel F. M. Alger Auxiliary No. 995, V. F. W. The meeting will be held at the Clubhouse, 17145 St. Paul.

### Ferndale Edges DUS Courtsters In State Play

By BILL HAMILTON

Following up a 500 season of 7 wins and losses, the D.U.S. cagers traveled to the Ferndale court, Wednesday, March 3, to participate in the annual Class C basketball tournament, only to be beaten by a rough Warren High squad by a score of 37-22. Co-captain Jack Foster, playing his last game for D.U.S., was high-man with 9 points, Phil Droll accounting for 6.

Both teams had considerable trouble getting accustomed to the large floor, but Warren managed to grab an early lead as the first period score stood 6-3.

Co-captain Bill Fisher began the second quarter with a foul shot enabling the local cagers to threaten Warren. Foster, having accounted for 5 points, the first half ended 12-10, D.U.S. still trailing.

The boys with the dark jerseys began to out-run the D.U.S., as Dick Moeller, wearing number 3, scampered up and down the court fouling up the D.U.S. maneuvers and racking up nearly half of his team's points.

Phil Droll was substituted for Merritt Jones and within 4 minutes of play, made 3 buckets, but these were not enough as the third period ended 26-16, Warren out front.

Warren poured on the steam in the last period making 11 points, D.U.S. only shooting 6. Dick Moeller, short and thin forward, annexed 15 of the Warren markers.

This game marked the end of the basketball season for D.U.S. and the last game for Bill Fisher, Jack Foster, co-captains, and Tony Stever, veteran center.

# Pro-Cagers To Meet All-Stars

THE University Set CLUB NEWS  
By G. PUC.

Starting back to school this semester are three Grosse Pointers: Nobyn D'Haene, Jim Dirkes, and Bob Tobin. For the past semester they have been doing cooperative work connected with their Engineering studies at the University of Detroit. This cooperative program is a comparatively new system of education. The students in the Engineering College take a five year course. The first two years are spent in the usual manner; then, for the remaining three years the students work three months and go to school three months. During their working period the students practice what they have learned the previous semester.

Birthdays were enjoyed this week end by local boys Don Van Becelaere and Joe Padelt. Don had a group of friends over to the Edison Boat Club for an informal party to celebrate his 21st birthday. Among those harmonizing around the piano were Don's date Pat Gullberg, Jack Huckins and Letty Kretschmar, Bill Merrill and Franny Kretschmar, Woody Geist and Nancy Eckels, Don McMurray and Annie Wakeman, George Everaman and Mary Ann Staudt.

To honor Joe Padelt, his date, Martha Rabaut, and a group of his close friends went to see the Red Wings come from behind to tie Montreal in Saturday night's hockey game. After the game Chuck Rabaut and Marge Holland, Bob Tapler and Joan Baker, Louie Rabaut and Ann Padelt went back to Joe's house on Buckingham for dancing and refreshments.

Off on a trip to California are Joan and Jane Taylor with their mother, Mrs. Harry W. Taylor. They left this week for a leisurely drive to the coast and are planning on being away about a month. Most of their time will be spent in Los Angeles.

One of the more talented Grosse Pointe boys is Herb Buhler, whose pantomime of Al Jolson has been in great demand. When it comes to rendering Jolson's old songs Herb is another Larry Park. He does "Swanee" with such spirit and talent that the audience feels they are really watching the old master, especially when he hits the whistling part of the record. Swinging into "Mammy," Herb always brings down the house.

Herb started his Jolson act about 18 months ago when the movie, "The Jolson Story," played here. He got a copy of the record album and spent most of his spare time learning the words and style of Jolson. After a short time he became so proficient that it was almost impossible to tell that Herb wasn't singing.

The theatre is one of Herb's main interests. He was a member of the Grosse Pointe High Theatrical Group and has been connected with the Players for some time. Hollywood has already recognized his talents and this budding young actor may currently be seen in the production "This Time For Keeps."

Herb has been asked to put on his act at the St. Clare Young Peoples Club Card Party on April 2.

The next G.P.U.C. meeting will be held Monday, March 15 at 7:15 P.M. Attendance of the meeting is obligatory for all members.

## Drop St. Paul '5' In State Contest

By John Hutton  
A rather dismal cage season ended for St. Paul Flyers last Friday, Feb. 6, when they again lost to the high-geared Annunciation Cougars 57 to 47 at St. Charles in the second round of the district eliminations of the State Basketball Tourney.

Twice during the regular season Annunciation, which won its second straight East Side Div. Parochial League Championship, was forced to come from behind in the last period to defeat the Flyers in close games. This time, however, the Cougars led all the way, once by 19 points and later by just 6 when the Flyers made a desperate and futile rally.

St. Paul trailed 18 to 31 at the half. They severely missed Jerry Hollerback, who was delayed by car trouble and didn't get into the game until the second half. On two previous meetings, he had virtually handcuffed Joe Schaffner, Annunciation's 6ft. 5 in. center who is the State's highest prep scorer and honorable mention for the "All State" team. Without Hollerback hampering him, Schaffner scored 13 points in the first half but in the second half he tallied only two when Hollerback was covering him. Schaffner was the big difference. The game marked the last high school athletic contest for two seniors, starting guard aPaul Des Rocher and substitute forward John Hutton. Neither of them play baseball. Du Rocher finished his high school career by heading the Flyers with 13 points and a season's total of 142, the highest on the squad. Capt. Law's final total was 141.

## Blue Devils End Season with Win Over Oak Cagers

Last Friday night the Grosse Pointe Blue Devil Cagers closed their season before a crowd that jammed its way into the small cracker-box gym, when they defeated a Royal Oak quintet 40-37.

Suffering from the loss of six foot-six Norman Zauchin, probably one of the tallest athletes to face Grosse Pointe in the Border Cities League, the Acorns didn't quite play up to the standard that has been witnessed in other contests.

Early in the first period the Blue Devils jumped to an easy lead when, thanks to the talents of forward Bayard Johnson, center Herb Gerhard and Mary Weaver, the locals presented their coach Ed Wernet with an 8-4 lead.

During the second period of play, the local boys lost their four-point lead to the Acorns late in that period. The game became hot when they battled out a tie which lasted until the half, where it stood 12-12.

The game began really to roll when both teams struggled to get the advantage over the other. In the first two minutes each team had scored a field goal bringing the score to 14-14. Vince Schoeck, who grabbed Grosse Pointe's high scoring title for the fourth week, broke up the ball game with a bucket with two and a half minutes to play. Jerry Allen, Johnson, Barry Munro, and Gerhard helped to keep the locals out in front with their scoring talents which lent to the nursing of a meager lead. At the end of the third stanza, the Blue Devils held the advantage, 28-18, which was to last throughout the game.

In the final period, Vince Schoeck, lanky Pointe center, collected six of his eleven points for his high-scoring title. Schoeck got all his eleven points in the last two quarters.

The closest that the visitors came was 39-35 with a few minutes remaining, when Gordon Duval, Royal Oak forward, notched the score to within four points of the Devils. "Sparky" Farquhar strengthened the lead to 40-35 with a foul shot. A would-be rally led by Johnson of the Acorns was nipped in the final seconds after slight damage was done. The final score Grosse Pointe 40, Royal Oak 37.

The Reserves fared not so well as their older playmates when they were defeated by the Royal Oak juniors 34-29.

The outstanding game of the past week was the defeat handed Fordson, a heavy favorite, over the dark-horse Wyandotte, by the amazing score of 50-28. It would appear that the Wyandotte Bears haven't suffered from the loss to any great extent of Joe Caterino, who has been acclaimed a stellar athlete in track, football and baseball, as well as basketball. Incidentally, the game was an upset that caused Grosse Pointe to now be tied for second place in the Border Cities League race.

## Cincy Sach To Bring Team Here

Grosse Pointe basketball fans will have the opportunity to see Detroit's only professional five in action when the Jerry Lynch All Stars face a local All-Star aggregation at the Neighborhood Club on Friday, March 19.

The pro-team, comprised of former college stars, has a season's record of 20 wins in 24 starts against some of the nation's top teams.

The squad is coached by Cincy Sach, veteran basketball authority.

The local team will be chosen from players in the Neighborhood Club's Major League.

A preliminary contest will precede the major attraction which is scheduled to start at 8:30 p.m. There will be a small admission charge.

## Cavaliers Win Cage Trophy

A trophy was won by the St. Ambrose basketball team last Friday night in a game to determine the divisional champion in a state tournament.

On the night before, St. Ambrose won a 46-40 victory over St. Stanislaus at Annunciation gym. St. Stanislaus has good material on its team; they played a very fast game but failed to break through our defenses, thereby losing the game.

St. Anthony also won a victory over Nativity the same night.

The two victors, met in Annunciation Hall Friday night and competed for the trophy. The Cavaliers won a hard-earned victory over St. Anthony's "5", and the trophy was presented to them after the game.

On Wednesday, March 10, St. Ambrose is playing in another tournament game at Lincoln High School in Ferndale. The outcome of this game will determine whether or not they will continue to compete for divisional championship.

### TENNIS TOURNAMENT

The Neighborhood Club is again sponsoring a Table Tennis Tournament to be held the week of April 28th.

There will be a Junior Division for fellows and girls under 16 and an Intermediate Division for fellows and girls 16 to 21 and a Senior Division for men and women over 21.

Tables are available at the Neighborhood Club for practice. Entries for all divisions will be taken at the desk or by calling Niagara 4600.

### VAUGHN-MONROE'S NOTE

"In this election year a lot of us will learn that political oratory is the art of making noises from the chest sound like important messages from the brain."

## Apaches Remain Undefeated

In the Neighborhood Club Boys Basketball League games played last week, Apaches, league leaders defeated St. Paul 42 to 26, and St. Clair One won on a forfeit from St. Clair Two when the latter team was unable to place five men on the court.

In a non-league contest St. Clair One beat Swishers 45 to 30 with Tom Von Ark was high man with 25 points.

"Modern World Could Use Franklin's Wisdom" - Van Doren
Federalist Benjamin Franklin's political philosophy, wisdom, wit and genius could well be used in the current international picture, according to author-lecturer Carl Van Doren, who addressed a Grosse Pointe Lectures audience Tuesday night at Pierce auditorium in the final attraction on the 1947-48 series.
Pre-eminent authority on Franklin, the biography of whom won him the Pulitzer Prize in 1939, Mr. Van Doren revealed himself a keen student of political science, with seemingly sound and logical suggestions for giving the United Nations Charter both stature and teeth.
SAME WEARINESS
The weaknesses of our world government, or rather lack of world government today are not unlike those of the colonies 160 years ago when the constitutional convention met in 1847, according to Van Doren. Just as each state then had only one vote, regardless of population, so it is today in the U.N. Then, there were no Federal laws or court, just as now, internationally. Then there was no national army (each state enlisted, supplied and controlled a state army); today, there is no international police force.
At the Continental Convention in 1787, the country was fortunate in having the two greatest men of the 18th Century present and active. Washington, the soldier who had effected unity in the Army, and Franklin, the most celebrated scientist and wit (a combination Einstein and Mark Twain). "Two great men, too honest to be suspicious and too great to be envious."
Van Doren believes in a strong World Federal Government, patterned not unlike our own; that is, with representation and vote based upon population, international laws and courts and a world police force.
The genius of Franklin was interestingly revealed by one who was best qualified to speak with authority.
LIVED WELL
The patron saint of thrift "lived well as soon as he could," retiring at 42 to enjoy the remaining 42 years of his life in usefulness to science and society. Best writer in America at 16 and for the balance of his life, Franklin was the first "chain" newspaper owner, founding and holding interests in seven papers. He was the first American cartoonist.
His scientific explorations included heat radiation and conductivity, eclipses and storms, in fact he was the originator of the weather bureau.
Franklin's own theory of electronics of 200 years ago and his instruments and experiments were used by the Army in the last War as part of a short course in physics. He invented the lightning rod and Franklin stove, the first approach to adequate combustion.
Franklin invented bifocal lenses, while on diplomatic service in France, to "hear people speak French," he said.
Other inventions included the

### HILLTOPS OF GREECE

One of the many paintings of John L. Pappas, new co-owner of the Venus Grill with James Voikos. Mr. Pappas enjoys the happy blend of aesthetic with practical, for he has operated restaurants throughout his art career. Many of his paintings are now on display in the Venus Grill at Mack and Anita. Mainly a self-taught painter, he has won such a degree of distinction in his varied field that Detroit regards him as one of its favorite artists.
