MEMORIAL KEY-MEN PICKED

Shelden, Watkins Named—

The Grosse Pointe War Memorial Executive Committee last Thursday night named Alger Shelden, chairman; and James K. Watkins, honorary chairman, of their \$500,000 drive to construct a public library as a perpetual memorial to Grosse Pointe Heroes of World War II.

The executive committee also resolved that the children's room in the proposed War Memorial Library be dedicated to the memory of Jessie Carter Sales, in grateful appreciation of the many generous and constructive contributions made to the community by Murray W. Sales and the late Mrs. Sales.

The motion was made by Kenneth M. Thomas, seconded by Mrs. Alger Shelden and unanimously passed.

Other developments included the announcement that the committee will establish drive headquarters on Kercheval Avenue near Fisher Road in the vicinity of the Punch and Judy Theatre, which is across from the site of the proposed library.

The naming of Mr. Shelden and Mr. Watkins to spearhead the drive came only after a spirited and unprecedented move by the committee.

After agreeing that James K. Watkins was the man to lead the drive, the committee members left the high school and stormed the Cloverly Road home of the Farms President.

Though the surprised Mr. Watkins was highly honored by the group's presence, he felt that the most capable person for the task was none other than Mr. Shelden, who as president of the Honor Roll Association has been very active within the organization since its conception.

The unanimous decision was reached when Mr. Shelden exclaimed, "Let's Do It Together, Jim."

Among those attending on last Thursday were: Mrs. Paul Baldwin, Mrs. H. G. Goebel, American Association of University Women; Mrs. Lloyd C. Hooker, Friends of the Library; Florence H. Severs, Grosse Pointe Public Library; Mrs. Francis D. Shelden, Honor Roll Association; Mrs. Henrietta Noe, Gold Star Wives; J. D. Gould, K. H. Moore, Grosse Pointe Real Estate Association; Walter E. Pear, U of M Club of Grosse Pointe; Thomas C. Needham, Grosse Pointe Non-Teaching Employees Local 680 AFL; Vernon Hicks, PTA; Harry N. Phillips, Jads' Club and V. R. DePetris and R. G. Waldron, Grosse Pointe Horticultural Society.

From the service club were George Elworthy, Lions; Julius Stork, Optimists; Gerald P. Kiefer, Kiwanis and Edward J. Piogracz, Rotary.

Representing veterans organizations were K. W. Thomas; American Legion, Post 303; William Smith and L. W. Burrough, AmVets, Post 127; Frank C. Gallagher, VFW Alger Post 995; James Bradley, Canadian Legion; Mary Keller, and Margaret R. Poole, VFW Alger Post 995 Auxiliary.

Also present were Charles A. Parcells, former president of the school district and Norbert Neff, City Clerk, and acting secretary of the Honor Roll Association.

Dr. Davies To Test Woods Water Mains

Due to an epidemic of flu and headaches in Grosse Pointe Woods the council has authorized Dr. T. S. Davies, Health Commissioner to check the village drinking water by testing the water at various village mains.

The Council feels that Village mains might have ill effects on its water, which is supplied by Detroit and which is tested regularly.

Detroit Juveniles Destroy Salvage Plant

The Detroit Fire Marshall's office reported that two Detroit Juveniles were responsible for a fire that destroyed the salvage plant at Rainier and Warren which is owned by Grosse Pointe City.

The plant was valued at \$1,500.

Standing by the present World War II memorial in front of Grosse Pointe High School are from left to right, James K. Watkins, Farms President; Henrietta Noe, of the Gold Star Wives, and Alger Shelden, president of the Honor Roll Association. Mr. Shelden and Mr. Watkins were named chairman and honorary chairman respectively of the \$500,000 drive to erect a public library as a permanent memorial.

Appoint Owen Skelton Organization Chairman

Further important organizational steps in behalf of the War Memorial Library Fund were taken this Tuesday night in a lengthy session at the high school library.

Chairman Alger Shelden announced the appointment of Owen Skelton, of the Chrysler Corporation, as Drive Organization Chairman, with Mr. Lloyd C. Hooker and Mr. George Elworthy and Norbert P. Neff as vice-chairmen. This group will organize and coordinate the general solicitation, which is tentatively scheduled to take place during May and June.

GIFT COMMITTEE

Announcement of the important Special Gifts Division was withheld for the time being.

Temporary headquarters for the campaign were vested with the Corresponding Secretary, Richard Maxon, at his real estate office on Kercheval, pending arrangement for a permanent drive headquarters.

Other officers selected Tuesday night were Mrs. H. G. Goebel, Recording Secretary and Paul Moreland, Treasurer; the latter is also treasurer of the Grosse Pointe Honor Roll Association, Inc., initial sponsor of the Memorial.

Norbert P. Neff was named chairman and Julius Stork, George Schlaepfer and Vince DePetris members of a committee to move the temporary Honor Roll from the corner of Maumee and Fisher to the Kercheval-Fisher site of the proposed Memorial Library.

BODY EXPANDED

In order to give the War Memorial Library Fund executive Committee more expansive embrace of every Pointe organization, it was decided to invite into membership the President of each Village and the City Mayor; also the pastor of every church in the area and the entire membership of the Honor Roll Association and the Grosse Pointe Permanent War Memorial Study Group.

John R. Barnes, Superintendent of Schools and former School Board President, Charles A. Parcells, were likewise invited into membership.

Next meeting of the War Memorial Library Fund committee will be called the first week in April.

WOODS COUNCIL BUYS FIRE EQUIPMENT

The Woods Council purchased \$2,500 worth of fire fighting equipment from two Detroit firms. The equipment includes 250 feet of hose, 10 pair of boots, fittings and ladders.

Report 81 Cases of Chickenpox

According to the monthly health report of Dr. T. S. Davies, Grosse Pointe Health Commissioner, 81 cases of Chicken Pox were reported in February.

Other communicable diseases recorded last month included 67 cases of Mumps, Measles and Scarlet Fever, three each and Diphtheria and Vincent's Angina, one each.

Builder To Erect 21 Homes

The Kerby Ball Park was sold Monday night by the Farms Council to Camiel Thiron, veteran Detroit builder, for \$14,700.

Mr. Thiron was the lone bidder for the 3 1/2 acres of property which was owned by the village for more than 30 years. It was purchased from the Beupre family as part of an 18-acre strip for an estimated \$6,000.

Before the council made the sale, it was assured by Neil S. McEachin, chairman of the Recreation Committee that the new Kerby Park between Mack and Chalfonte will be ready for use this spring.

Mr. Thiron, who is reported to be a highly responsible builder, plans to erect 21 bungalow style homes on his new property. He said that he expects to spend approximately \$15,000 for sewage, paving and other improvements which he plans to get underway soon.

The property is located on Kerby Road and Chalfonte.

Easter Bunny Nets Prize in Puzzle Contest

The Easter Bunny brought \$10 in cash to Albert E. Schweitzer, of 362 Fisher Road this week. His entry in the Review's Puzzle Contest based on a colorful poster accentuating Mr. Bunny netted top honors in the Review's Puzzle Contest.

Mr. Schweitzer's award marks the first time a man has won first prize in several weeks. The first-prize set is highly dominated by the fair sex.

Other prize winners include Alice Tucker, 76 Kerby, 2nd prize, \$5; Mrs. Justine Graham, 1205 Harvard Road, 3rd prize, \$2; Mr. Taylor Obold, 329 McKinley, 4th prize, \$2; and Naomi Donaldson, 286 Rivard; Consolation prize, \$1.

Those receiving honorable mentions this week are Donald Corey, 278 Kenwood, Mrs. Henry Patrick, 1115 Wayburn; Suzanne Beaudette, 1864 Hawthorne and Elaine Kihen, 1119 Kensington. The aforementioned submitted clever entries but each had one error in the solution of the puzzle.

9,678 Examined for TB In Local X-Ray Survey

The five-week Chest X-Ray Survey which was completed in Grosse Pointe Woods last Saturday saw 9,678 persons examined.

It was announced by T. S. Davies, Township Health Commissioner. Dr. Davies said that the survey was a successful one and efforts would be made to bring the Mobile Trailer Unit back again next year.

Though tabulations have not been completed, the Health Commissioner estimated that approximately 200 persons would be referred to doctors for tuberculous conditions and other abnormalities.

In breaking down the total figure of 9,678 Dr. Davies said that 3,214 were examined in the Park; 1,676 in the City; 2,116 in the Farms; 297 in the Shores and 2,375 in the Woods.

Dr. Davies said that the total figure is equivalent to approximately one-third of the adult population in the five Pointe communities.

Pointe Villages Plan Study of Sewage Issue

The Farms Council ruled Monday night to appoint a joint committee comprised of Trustees and citizens to study the Detroit's \$8,000,000 Fox Creek proposal which will cost Pointe communities \$6,000,000. The Farms share is estimated at \$2,000,000.

James K. Watkins, plans to name the committee this week. He hopes that the committee will be able to confer with similar groups from the City and Park, the other local communities involved, for a general all-study.

Norbert Neff, City clerk and Everett B. Lane, Park manager, stated to the Review that their villages would be glad to join in such a study.

Murray W. Smith, veteran village engineer, advised that the village go along with Detroit towards reaching some satisfactory solution.

He said that the village pays \$6,000 annually to the Motor City for using Fox Creek as an outlet. Though he strongly advised against being put out of Fox Creek by Detroit, Smith said that their plan to move the Fox Creek drain to Conners Creek with the local villages bearing the brunt of the cost was out of order.

He feels that some agreement could be reached where the Farms would pay a sum equivalent to the cost of improving the Fox Creek. The village has a standing agreement with Detroit to contribute to any improvement made at Fox Creek.

According to Detroit engineers the Fox Creek shift was necessitated by the over-taxed sewage conditions. The new plan promises relief.

CBS Show To Honor All-Stars

The six players named on the Grosse Pointe All-Star basketball team last week, their coaches, and the Review's high school sports-writers will be special guests of honor at the coast to coast CBS radio show at the Pierce School auditorium on Saturday, April 3.

A capacity crowd is also expected to be on hand to watch the 30-minute broadcast of the famous "Make Way for Youth," formerly known as the Neighborhood Frolic, gala musical review which features the 70 voice "Accent of Youth" chorus, directed by Don Large and Paul Lavoie's Music Masters.

The program will mark the first time a network show will originate in Grosse Pointe. It was brought to the community through the efforts of this newspaper.

During the post-program entertainment which will include more than an hour of top-flight acts and artists, the athletes will receive special recognition.

Immediately after the show, the honored guests will be feted at a banquet at the Grosse Pointe Yacht Club, at which time an official of the Grosse Pointe Lions will award each athlete a gold engraved miniature basketball.

The banquet is sponsored by the Review and the Lions in an effort to further develop relations among public, parochial and private schools in Grosse Pointe. The sponsors also hope to arrange similar banquets for all-star baseball and football teams.

Though there is no price of admission to the broadcast one must have a ticket. Distribution of the tickets will be in the hands of school officials.

All persons must be seated by 3:45 p.m.

Woods, Shores Return to Court

The battle of St. Clair Shores and Grosse Pointe Woods over the Lakefront Parksite will return to the Supreme Court again late next summer.

This time the issue of dispute is the tax assessment of the parksite which now belongs to the Woods but which is located in the neighboring village.

Woods Attorney Jules Berns contends that in view of the fact that the property is used as a public park it is exempt from taxation according to state legislation.

The tax in this case amounts to approximately \$3,000.

St. Clair Shores officials claim that the property is not a public park because it is used exclusively by Woods residents.

A short time ago the Supreme Court ruled in favor of Woods when Shores officials objected to it purchasing the property.

Judge Fines Bad Drivers

In a traffic court session at Grosse Pointe City last week, Judge Joseph P. Uvick fined Charles S. Waggoner, of Windmill Pointe Drive, \$35 for speeding 55 miles per hour on St. Paul on Feb. 27.

Judge Uvick also fined Stewart Stryland of Edgemont Road, \$5 for not having his car under control while driving on St. Paul near Lakeland on March 8.

LET'S DO IT TOGETHER, JIM!

"Let's Do It Together, Jim!"... these words spoken by Alger Sheldon to James K. Watkins to unite them as leaders in the \$500,000 War Memorial Drive should be echoed until they are embedded in the hearts of all in Grosse Pointe.

"Let's Do It Together, Jim, Tom, Harry, Mary, Mildred, John"... The words apply to everyone in Grosse Pointe—everyone must co-operate—everyone must contribute, if this drive to build a worthy memorial to those we lost in World War II is to be a success.

It's everyone's responsibility to open his ears and hearts to "Let's Do It Together, Jim!" and act accordingly.

LET'S NOT STOP HERE

The Chest X-Ray survey in Grosse Pointe is over—it was marked with success but let's not stop here. Let's move every effort to make the survey an annual must.

Let's urge village officials to co-operate completely with the Health Commission in preparing a comprehensive ordinance (to be highly enforced) requiring all those employed in the community, particularly food handlers, to have yearly check-ups.

Meanwhile those officials and volunteers who gave so generously their time and effort should be commended for their civic spirit in keeping the five-week survey functioning with machine-like perfection.

The survey was a very important factor in the lives of more than 9,000 that took the examinations. Virtually all of them were satisfied and relieved to know that no hidden germ lurked within them. The small number that were referred to doctors are also fortunate. Early discovery usually means early recovery.

Junior Red Cross Rob Village Campaign Ends Gas Station

This year's Junior Red Cross campaign for funds in the Grosse Pointe Public Schools was one of the most successful of any year, since the initiation of the program into the schools, according to Mrs. Alice M. Shaeffer, Junior Red Cross coordinator for the local schools. She stated that the total amount contributed by the pupils of all schools was \$2079.87. This amount exceeded last year's contributions by \$289.74.

City Police reported a robbery at Miller's Gas Station, St. Clair at Kercheval Sunday night. \$92 in cash was reported missing by Harold Miller, owner.

City police, investigating an un-locked door, found \$10 lying on the floor of the station's office.

Police reported that Bill Carruthers, who is employed at the station and his brother Ivan were seen in the office shortly before the crime.

Miller told police that Carruthers had visited his home earlier in the evening to obtain a key to get in the gas station, Carruthers had lost his key.

"The world today needs the same kind of spiritual renaissance that Moses, the Christ, Mohammed and other Divine Educators brought in the past," declared Miss Pari Walrath at the Baha'i meeting held last Friday at the Richard School.

Miss Walrath came from Chicago to be the guest speaker for the Baha'is of Grosse Pointe Farms in the first Baha'i meeting held in a public auditorium in this community. Slides of the world famous Baha'i House of Worship, still under construction in Wilmette, Ill., were also shown.

Literature of the Faith was displayed throughout the auditorium, and the stage was banked with flowers.

Mr. George True, local chairman of the meeting, announced that a similar meeting would be held at the same time and place on March 19. Mr. Monroe Ioas and his son would collaborate in the showing of further slides.

Whiting Celebrates 2nd Year At Pointe Dealer

Henry Whiting, president of Packard Grosse Pointe, Inc., celebrated his second anniversary as a Packard dealer this week by informing his customers and other friends that "twice as many new cars will be available for our distribution in Grosse Pointe and East Detroit during the year starting April 1 as we've had during the past year."

He explained the new-car quota of his dealership has been doubled as a result of "steadily-improving production" at the Packard factory.

"This news is as stimulating to us as it is to our customers who have been waiting patiently for new cars," Whiting said. "Two years ago, when I went into business for myself after nearly 25 years with the Packard Motor Car Company, I figured this dealership would give me an unusual opportunity to provide highly-personalized service on a regular basis.

"More new cars, of course, will enable us to do an ever better job in the future than we've tried to do in the past."

The dealership jointly occupies the one-story building at 15205 East Jefferson with the Grosse Pointe branch of the Automobile Club of Michigan. The structure, space, is located on a lot 140 feet wide and 310 feet deep, which provides parking facilities for at least 100 cars. The service department has stalls for work on 35 cars at the same time.

Trombly School P.T.A. has planned an unusual meeting for March 24, 1948. Daniel L. Beck, owner of the Executives Selection and Training Institute in Detroit will speak on the work of his professional and scientific group. His topic "The Value of the Attitude Test" will bring out the advantage of using scientific methods when choosing men and women for hiring and for promotion, as well as proper placement of people already employed. He will also stress in this presentation how to determine the course of study that young people should concentrate on in order to prepare themselves for life work. His institution has tested thousands of people so he is well qualified to give us a practical insight into the value of the aptitude test. He will especially emphasize the use of them in helping parents and teachers to better understand their children.

Pointe's 27 Girl Scout Troops Attend 36th Anniversary Rally

The Juliette Low International friendship fund, a nation-wide Girl Scout project to aid destitute European children, will receive \$86 this year from Pointe Girl Scouts. The second largest contributor to the fund last year was the Detroit area.

At a rally held March 12 in the high school the Pointe's 27 troops gave their share. Some money was raised by collecting used fat; other Scouts contributed a penny for each year of age, or each inch of height.

Parents jammed the balcony of the boys' gymnasium to watch the two hour ceremonies. The program, which marked the scouts' 36th birthday, included songs and dances by Scouts in costumes representing 22 countries.

Among the many good performances was a Japanese dance-pantomime, the shuffle of feet and flutter of fans executed by Troop 327 attired in colorful kimonos and bright pom-pom headpieces. Ladies of Troop 324, in tartan and "Tam o' Shanter, sang Loch Lomond and Auld Lang Syne. Wing Scouts put on a lively Balkan dance, flowers and streamers in their hair; bare feet wound with vari-colored ribbons.

Mr. Charles Schied spoke on international friendship. After the grand march and presentation of funds the program closed with "Taps;" Pat Misteles blowing the bugle.

Pupils Give Sum To Red Cross Fund

"Join the Junior Red Cross" was the rallying cry for pupils at Trombly School last week. To augment the Red Cross contributions made by individual classes, the 6A class sponsored a White Elephant Sale.

The student body was enthusiastic in its support of the sale and the proceeds to the Red Cross fund netted \$44.90.

According to Frank J. Welcembach the 6A teacher, "The work and problem solving experiences inherent in the sale provided a unique opportunity for combining worthy spiritual and educational objectives."

Lenten Cantata To Be Heard At St. James Church

The Lenten cantata, "Olivet," will be presented by the choir of St. James Lutheran Church at the annual Good Friday community service held at the PUNCH and Judy Theater, 21 Kercheval, corner McKinley. This one-hour service begins at 1:00 p.m.

This cantata was written by Daniel Protheroe. The text begins with Christ's suffering in the garden of Gethsemane, tells the Passion story and ends with His death and a short description of the darkness over the earth and the rending of the temple veil. During the service an aria dealing with Christ's trial before Pilate, "He was Despised and Rejected," from Handel's Messiah will also be included.

The solos will be sung by Miss Mildred Litke, soprano; Mrs. Irving Bopp, alto; Mr. Thomas Couser, tenor; Mr. Robert Schmitz, tenor; and Mr. William Fenske, baritone. Miss Evelyn Wessier a teacher at East Bethlehem Lutheran School, will be the guest organist and Mrs. Robert Schmitz, the regular organist, will direct the choir.

Pastor Kurz will speak on "The Death of Jesus."

I'm REDDY KILOWATT

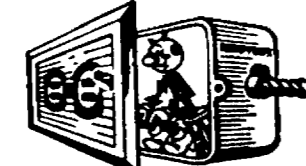

Your Electric Servant

You've never seen me before because I've always stayed inside the REDDY-BOX—your electric outlet. Now I'm stepping out so that we can get better acquainted.

I'm the symbol of good electric service . . . your servant that runs everything electrical.

I'm not like anyone you've ever seen before. My body is made of lightning flashes—my nose a light bulb—my ears are outlets—and those two things sticking out of my head are wisps of curly hair. I move silently in my rubber shoes. I move swiftly too, at the speed of 186 thousand miles per second . . . I'm the fastest thing on earth.

I'm your economical and willing servant who works long hours at low wages. Whenever you want me I'll be waiting in your nearest REDDYBOX, —electric outlet. Remember, just . . . "PLUG IN,—I'M REDDY".

THE University Set CLUB NEWS

By G. PUC.

Something new is happening in Grosse Pointe! There will be a network broadcast presented at Pierce auditorium on Saturday afternoon, April 3. WJR's coast to coast musical program, "Neighborhood Frolic" has at last reached our fair community.

The 30-minute actual broadcast, which includes the singing of WJR's mixed chorus under the direction of Don Large, will be followed by a variety stage show. Many local teen-agers with theatrical talent will combine their efforts and present a performance well worth seeing.

The mail this week contains news from many colleges about local people engaged in various extra-curricular activities.

Recently initiated into social groups at Denison University were two graduates of Grosse Pointe High School. Donald Dannecker was admitted to the American Commons Club, of which he was elected social chairman. Robert Johnstone was received into Lambda Chi Alpha.

Included in the cast for the twenty-third edition of the "Jordan River Revue," Indiana University's spring-time musical show, will be Dorothy Ann Robbins. Dorothy is a member of the dancing chorus for the Revue.

Proficiency in journalism as well as in other fields has won 19 University of Michigan women students election to Theta Sigma Phi, national honorary society. Grosse Pointe Margaret Williams is one of the favored pledges. The student journalists were recently pledged in a candle-light ceremony held in the Michigan League.

From Michigan State College comes word that their chapter of this same society, Theta Sigma Phi, has elected Bea Wilson, Grosse Pointe junior, as vice president of the association.

Spring practice for baseball is now getting under way on college campuses throughout the country. In Bethlehem, Pennsylvania, Coach Ebb Caraway has started drilling his 1948 Lehigh University baseball squad with a turnout of 49 candidates. Among the contestants for the catcher's position is John Galvin, of Grosse Pointe. Another good form of exercise has captured the interest of several local members of the university set... bowling. Every Saturday you'll find this group of ambitious people at a neighborhood bowling alley wielding the bowling balls fast and furiously. Among those seen competing for the highest score are Bob Lewis, Bob Tapler, Jerry Malooley, Pat Ospalek, Bob Brinker, Ed. Greishaber, Lois Fischer, Frank McBride, Leon Zakien, Marilyn Meier, and Phil Keith. With a strike almost every time, Bob Tapler is a high score man, receiving much competition from Pat Ospalek. With so much determination behind the balls, the pin-boys are really kept jumping.

"CASS" CONTINUES
Chalk up a fifth smash week for MGM's screen treatment of Sinclair Lewis' best-selling novel, "CASS TIMBERLANE" with Spencer Tracy in the title role and Lana Turner and Zachary Scott co-starred, at the Adams Theater.

The Club project for the Show is a "Room of Tomorrow", with Mrs. Wendell Wheelock, Mrs. Hansel D. Wilson and Mrs. Sheldon P. Thatcher doing arrangements.

Mrs. Albert Law is Club Contact Chairman for the Show and Mrs. Robert Winter is the Chairman of Hostesses. Among those serving at the Show on Saturday will be — Mrs. Robert C. Winter, Mrs. Harold H. Bailey, Mrs. Albert D. Law, Mrs. Watson Beach, Mrs. Robert W. Conder, Mrs. Hansel D. Wilson and Mrs. Robert E. Anslow.

LIVE WIRE DOWN
W. E. Clemens, 1389 Somerset, notified Park Police Monday that a live wire was down in the rear of his home. Police notified Edison's.

Mr. Leo Cote, District Commissioner, hopes that the Cub Circus project which was originated by 5 Cub Packs of Denby Community two years ago, and which grew to include 11 of the 12 Denby Packs last year.

Bring Box Lunches To Club Meeting

Northeastern Women's Club will meet Monday at St. Mark's Methodist Church. Each member will bring her own box luncheon and coffee will be served at 12:30 p.m. by the social committee headed by Mrs. L. O. Geib 1411 Berkshire Rd.

Following the business meeting at 1:30 p.m. reports of the Adult Education Day at the Federation of Women's Clubs will be given and Mrs. Arthur Smith will speak on "Antique Glass."

Mrs. Willard Jackson, 5259 Balford and Mrs. F. M. Logan, 4866 Yorkshir will be hostesses for the day.

Star Cagers Invade Grosse Pointe

Face Local Opposition At Neighborhood Club

Detroit's fast moving pro-cagers, Cincy Sach's "All-Stars" who have piled up an impressive record on mid-west courts will come to Grosse Pointe on Friday, March 19 to meet a local all-star five at the Neighborhood Club, 17145 Waterloo.

Among the former college stars on Sach's squad are former All-Americans Bob Fought, Notre Dame; and Tom Meyers, DePaw. Others are Jack Piana, Art Stokely, U. of D.; Bernie Friedman, Abe Farness, Wayne; and Sam Lieberman, Lawrence Tech.

The Neighborhood Club All-Stars is comprised of players in the club's major basketball league. They are: Charley Doemer, Amvets; Bob Brown, Hansen; Wood Geist, Francois; Ed Lauer, St. Paul; Bob Carmen, Hansen; Red Masson, St. Paul; LeRoy Guaresmo, Francois; Glenn Holt, Jack Britz, Richard; Bob Van Tiem, St. Paul; Tom Mollitor, Richard.

A preliminary game at 7:30 p.m. will pair Hansen Chevrolet and St. Clair Shores. The Neighborhood Club is located at 17145 Waterloo. There will be a small price of admission.

This year's schedule opens with a home match on April 20 with Highland Park. It is rumored that Highland Park has been practicing this winter and expects to have a much stronger team this season. From all reports the entire Border Cities League will be more closely matched. Although Monroe has lost their state champion, Vic Braden, they are expected to have another strong aggregation. Last year, this team was the only one to beat the Blue Devils. Incidentally, this defeat ended a long string of 69 consecutive victories.

One of the innovations for this season by the new coach will be a tennis ladder open to any boy in the junior and senior high school. It will be posted in a prominent place in the school. Twenty places will be used and anyone not on the ladder may challenge the 20th person and if winning will be placed on it. Each match will be for one set and members can challenge two places above them but not more than once a week can one person challenge the same individual. It is hoped that this approach will stimulate the playing of the high school student body over and above the incentive of trying to make the team.

The team will be built around the hold-overs from last year which include: Dan Guy, Harold Golla, George Kennedy, Bruce Kirchner, Bob Schneider, Frank Reid, Bob Stritzinger, Jon Walton and Marv Weaver. It is also expected that sophomores Alex Mann and Jim Barker will make a strong bid for the ten man team.

During the first few weeks the squad will practice fundamentals and work out its organization in the gym.

The schedule for the season follows:

April 20—Highland Park, Here.
April 23—Fordson, There.
April 27—Royal Oak, Here.
April 30—Monroe, There.
May 4—Wyandotte, There.
May 7—Fordson, Here.
May 11—Royal Oak, There.
May 14—Monroe, Here.
May 18—Highland Park, There.
May 21—Wyandotte, Here.

TOM WILLSON **JERRY ALLEN**

Last week Tom Willson and Jerry Allen were named on the Review's All-Star Basketball team, representing Grosse Pointe High School. However, due to a misprint on the part of the typesetter's hand Tom's name appeared under Jerry's picture and vice versa. So to avoid future embarrassment to persons patting Jerry on the back and exclaiming, "Nice Work Tom," the Review publishes the pictures again—right this time. Editor's note—we hope.

DuRocher Leads St. Paul Cagers

By JOHN HUTTON

Although the St. Paul Flyers were weak offensively they were the strongest defensive team in the Parochial League's East Side Second Division. Only two teams scored more than the 40 points against the local cagers St. Vincent scored 43 and the Champion Annunciation quintet collected 56 in their third meeting of the season. Three teams St. Bernard, St. Francis DeSales and D. U. S. were held under 20 points by the Flyers. St. Paul was once held under 20 points by St. Vincent, three times tallied over 40, 41 and 48 against St. Bernard and 44 against St. Francis. The Flyers won 5 out of 18 games.

Paul DuRocher and Capt. Jim Law battled down to the final game for the individual scoring honors of the team. DuRocher finally finished on top with 142 to 141 for Law. The scoring record of the entire team is listed below.

Laud St. Ambrose Cage Coach

St. Ambrose Cagers were eliminated in the State Regional Basketball Tournament Friday night when they were defeated by Redford Union 43 to 39.

The game marked the final contest in one of the most successful seasons in the history of the local Parochial School.

A great deal of credit is due to Coach Dick Van Goethem, who made his initial year as coach a very auspicious one.

Besides being runner-up in the Parochial League's second division (East Side) Van Goethem's squad took Class B honors in the Regional tournament.
