JUST GOOD BUSINESS

The retailer struggles to keep the price of merchandise within reach of the consumer, not for altruistic reasons, but because by so doing he can sell the most goods. The chain stores were pioneers in proving on a large scale the unquestioned worth of such a policy. Today all progressive retailers follow this practice and hold prices below the level the pressure of demand would make possible. Chain Store Age says: "In falling markets, chain store prices have always reflected current replacement costs rather than the actual prices paid for the merchandise offered. Giving their customers the benefit of the decline immediately instead of attempting to hold retail prices at a level representing the actual wholesale cost, is standard practice for the food chains." This is the case with practically all merchandising. Greater sales counteract temporary losses brought about by declining inventory values. This is a great change from the old days when a crossroads store dominated a whole area with a take-it-or-leave-it policy. Fast transportation which permitted wider distribution of goods and greater competition destroyed such monopolies in merchandising. Today the consumer can trade at a store of his choice, in city or rural areas. Modern retailing depends upon mass purchasing which can only be encouraged by reasonable prices, hence our present retailing system including both chain and independent stores is the best safeguard the public has against price gouging.

TO THE EDITOR, I want to express my appreciation to you for serving on the publicity committee for the recent Grosse Pointe Tuberculosis X-Ray Survey. Nine thousand, six hundred and seventy-five individuals were X-Rayed during the campaign, out of this number several suspected cases of Tuberculosis were found. If this campaign can be continued year after year, Grosse Pointe will be a healthier community in which to live. Every individual or organization who helped in this campaign deserves special commendation, and I again want to thank you for the part you played in having made the 1948 Survey a success. Sincerely yours, FORREST GEARY, Supervisor of Community Services MISSED MASS Park Police arrested Bert Gordon, 45, of Detroit. He was reported trying to enter St. Ambrose Church through the back door late Sunday night.

(Continued from Page 1) TWO PARKS 5. The matter of Parks is also a very important problem to which we must find some happy solution or solutions. If I have been able to judge the wishes of the majority of the people of this Village both from their action at the polls and their expressions of opinion and by discounting to a great degree the extremist opinions of a few and wild statements made, usually for the sake of argument, I would think that our plans and actions should follow these three general lines: A. Lake Park—Proceed at once with the construction of a mole or arm into the Lake along the edge of Milk River; clean out the beach and install a chlorination process and take frequent tests for experimental purposes regarding pollution and to permit bathing or swimming whenever possible; and not to make further capital expenditures of any sizeable amount until we know more about these pollution problems; to maintain and improve to some degree the picnic and playground areas. All this, of course, in collaboration with our Park Commission. B. Mack Avenue Parksite—To definitely decide to keep the Mack frontage for Municipal and Park purposes and to start at Mack Avenue and move progressively back with the cleaning out of brush, filling of hollows, and draining for the partial use of this site as a picnic place and playground. C. To have our Park Commission make some definite recommendations of how much of the Mack Avenue Parksite we should keep and then make up a survey and description of that part of the site lying in Gratiot Township and any other portion immediately adjoining Gratiot Township that may be deemed desirable to dispose of; to let it be known, publicized thoroughly, that the portion will be sold and that the best offer made to the Village by anyone during a period of time desiring to buy this property and notice of such sale to be put on the ballot for the acceptance or rejection by the voters. SOCIAL SECURITY 6. Another item of business that should come up for serious consideration this year is the matter of pensions for our employees. As you all know, Municipal employees are not covered by the United States Social Security and it seems to be only fair that we should consider some comparable sort of plan for old-age pensions for our employees. It is my intention, in the immediate future, to request permission to appoint a citizens' committee to work out a pension plan for our consideration and for presentation to the electorate. 7. Another matter which we should give a great deal of consideration to is that of the goal of having the balance of our unpaved streets (excepting possibly those cross streets paralleling Mack Avenue) paved. Some persuasion and even a little coercion on our part to convince the residents of unpaved streets that they should have their streets paved would not be amiss in attaining the goal of all paved residential streets in the Village. In line with all this that has been mentioned we must of course do all we can to keep the tax bills to our taxpayers at a minimum. The goal here should be to keep it about the same as the year just ended, although that will be difficult. It is still nearly possible if we set up our budget judiciously and carefully and if any capital improvements we may be forced to make can be financed by the bond issue method, and then to only issue these bonds in such amounts that will be only slightly in excess of those we have retired during the past year. We can have outstanding bonds of between \$900,000.00 to \$950,000.00 without having any great amount of trouble in meeting the interest and principle payments. It would be wise, however, to keep these capital expenditures to the absolute essentials, and extreme necessities during these days of extremely high prices. We should have our plans all ready and when prices drop or Government aid is available we can be ready to act. BE PREPARED In conclusion let me repeat we face no extreme emergencies, and there are no matters upon which it is necessary to act with undue haste. All of our Departments are functioning quite efficiently and smoothly, with the understanding, of course, that there is always some room for improvement in even the best managed organization. Let us discuss such proposed improvements dispassionately and rationally, deliberate and then act. Many of our policies set up over the years have proven to be beneficial to all the people of the Village. Let us not lose any of these benefits but rather add to them, if the cost does not exceed their worth to us all. If it were the custom to start the year's business with a prayer, I would wish it to go something like this I read recently: "Save us from hotheads that would lead us to act foolishly, and from cold feet that would keep us from acting at all." Alois A. Ghesquiere, Village President

DEAD

Rites Held for "Floss" Krapp

F. F. "Floss" Krapp, 56, one of Grosse Pointe's pioneer auto dealers succumbed after a long illness Sunday at his home at 708 Newport. A past-commander of American Legion Post 303, Mr. Krapp was a veteran of the World War I. Shortly after the war he joined his brothers in establishing the first auto dealership in Grosse Pointe. It was located at Kercheval and Maryland. He was also prominent in the early development of the Hupp-Mobile Motor Company. Besides his wife Sally, Mr. Krapp is survived by a brother F. J. Krapp of 1447 Wayburn, American Legion Post 393 administered military ceremonies during the final rites which were held Thursday morning from Cooper Bros. Funeral Home, Mack at Grand. **Second Annual
 Quartet Sing
 Draws Interest**

Opportunity for residents of the Pointe to hear twelve top-ranking Barbershop Harmony Quartets will be given Saturday, April 17 when the second annual Parade of Quartets will be brought to Pierce auditorium under the auspices of the Grosse Pointe chapter of the S.P.E.B.S.Q.S.A.

Acclaimed one of the most colorful and entertaining programs ever presented locally last year, seating capacity at Pierce auditorium will be probably be taxed to accommodate the scores of local enthusiasts who belong to or follow the Society for the Encouragement of Barber Shop Quartet Singing in America.

In addition to the local four, The Balladaires, among the twelve who will be heard will be the Collegians, who were heard locally last Saturday on the WJR "Make Way For Youth" program which originated from the Pierce stage in Grosse Pointe's first coast-to-coast broadcast; the affair was sponsored by The Review in cooperation with WJR.

Also coming on the 17th will be the national champions of Canada, The Canadiannaires; the Clef Dwellers, Gardenaires, Four Shorties, Four Counts, Old Timers, Family Four and the Barons.

Tickets went on sale this week at the Grosse Pointe Drug Co. and The Grosse Pointe Review.

 Reported To Woods Police**

A letter racket which flourishes with the most absolute reserve and discretion. Due to the fact that I am in charge of the Prison's School I can write you freely and in this way.

For the time being I will sign only "L."

I can not receive your reply directly in the prison so in case you accept my proposition please air-mail your letter to a person of my entire trust who will deliver it to me safely and rapidly. This is his name and address.

SR. CARLOS VERA,
 Calle Miguel E. Schultz, Nu. 113, Mexico, D. F.

We still fiddle while home burns.

Following is the letter:
 Dear Sir:—
 A person who knows you and who has highly spoken about you has made me trust you with a very delicate matter of which depends the entire future of my daughter as well as my existence. I am in prison sentenced for Bankruptcy and I wish to know if you are willing to help me save a sum of \$285,000 dollars which I have in (Bank bills) inside of a secret place in a trunk that is deposited in a Custom-house in the United States.

As soon as I send you some undeniable evidence it is necessary for you to come here and pay the expenses incurred in connection with my process in order to lift the embargo on my suit-cases one of which contains the necessary documents (a baggage check) that we need to take out the trunk that contains the cash and which is deposited in a Custom-house in North America.

To compensate you for all your troubles I will give you THE THIRD PART OF SAID SUM.

Fearing that this letter may not come directly to your hands I will not sign my own name until I hear from you and then I will entrust you all my secret. For serious reasons that you, will know later, please reply via air-mail. I beg you to treat this matter

**Butcher's Bid
 For "Dobbin"
 Boomerangs!!**

About a thousand pounds of horse-flesh took a spill in the Grosse Pointe Wood's Market Tuesday when an equestrian accepted a jesting invitation from butcher Roelandt to "bring him in and we'll make hamurger out of him."

Rounding cases of canned goods, the horse slipped and fell on the floor, slightly injuring the rider's leg and making a mess out of a canned potato chip display.

Roelandt Brothers, the proprietors, told The Review that the visitor was a truck driver for one of their suppliers, on his "day off" and probably celebrating. The matter was not reported to Woods police.

THE University Set CLUB NEWS

By G. PUC.

There have been seen around the Pointe, at various affairs, enormous crowds of students home from far and not so far away colleges.

A Card Party by the Y.P.C. of St. Clare proved the excellent place for several to gather and test their Bridge. Among those seen four at a table were Marygrove students, Mary Ann Bush, Jeanne Kennedy, Martha Rabaut, and Betty Hay.

Another salient event was a Lodge Party, held at the so familiar Park Lodge on Windmill Pointe. Its rustic architecture and blazing fireplace were admired by all.

Information is still coming in from those travelers. It was found out that Joan and Jane Taylor are

"Mrs. A. J. Bannister and Mrs. John Palmer will be hostesses for the day."

still out California way. Gloria Laughna and her mother wrote that they are at Yosemite National Park, and that from there they will galavant through the states to New Orleans, Alabama, and to Florida, and finally home the latter part of May.

Since the vacation time has passed, many are leaving their Pointe friends to return to their chosen alma maters. Mary Bird and Bobby Burritt returned to Endicott Junior College, Jim Crowe to Notre Dame, Bob Grewe to Denison University, Tom Mercier to Holy Cross, Mary Ann Maraulo and her roommate Joan Maas return to Western Michigan, Mary Spear to Michigan State Normal, Fred and Betty Auch to Michigan, and Kay Bartemier to Georgetown Visitation.

'Teen Talk

By SHARON FORD

Well the big broadcast Saturday afternoon was a huge success. Kids from all the schools in the Pointe were there, and all enjoyed the program very much.

Many of the kids from the High were there, a few, Randy Zebb 'n Paty Burns, George Beranek 'n Janet Hiles, Corky Schwem, Eunice Jodar, Myrna Troden, Jerry Ewart 'n Marilyn Walters, Milton Setzer 'n Polly Wilton, Bill Treuter 'n Barb Mann, Terry Thomas 'n Felice Thorpe, Skip Villeneuve 'n Doris Rempter, Mary Weaver, Blount Slade, Bob Armstrong, Bill Penoyer, Paul Grubbs, Rob Phillips, and the honored, all stars from the High, Tom Wilson, Jerry Allen, and Leroy Garisimo.

TIN are cooking up something swell. The decorations committee, and all the others started work last Monday. It's going to be a mellow affair so if some one else asks him first come on and go hag (it's loads of fun too). Will give you the word on the rest of the committees next week.

Now here is another big deal that is coming off the Saturday after that. But this is for all the kids who enjoy a good sophisticated social evening, who live anywhere in the Pointe, or hereabouts. The school evening, "JUNIOR SPRING DANCE," Saturday, April 24, Lochmoor Club's "JUNIOR SPRING DANCE," Saturday, April 24, 1948, from 9:30 to 1:30.

Well, over last week-end, an awful lot of parties came off, so due to time and space, here is a brief outline of the last week social calendar.

Last Friday afternoon MARY ANN MANN invited her gang of girl friends over for gabbing and a swell buffet dinner at her home on Rivard. Friday night GLADYS OSTERMAN gave a super hag party and the gals that she invited played bridge to the wee hours.

Friday night the Grosse Pointe High School H-Y chapter gave a gay dance at the Grosse Pointe Memorial, for all the present members and their dates. The boys and gals had a right sociable evening.

Saturday night MURIEL KITCHEN gave a hag brawl at her home for a gang of her 10th grade girl friends. The gals tripped over to the Punch and then back to Mary's for refreshments.

Saturday night PATSY ERSKINE gave a lovely dinner party for a few of her special friends. The charming hostess entertained her charming guests royally. Was a very nice party.

That's it for this week. Don't let Spring fever get you down. Love this sunshine. Don't you?

Troth Told At U. of M. Sorority

A recent Candlelight dinner at the Kappa Alpha Theta sorority house at the University of Michigan, with their traditional between course presentation of a five-pound box of candy wrapped with a small poem announced the engagement of Katherine Macpherson, daughter of Mr. and Mrs. A. D. Macpherson, of 100 Meadow Lane, to Theodore M. Templeton, son of Mr. and Mrs. A. C. Templeton, of 1424 Bishop Road.

Thirty four sorority sisters were present at this affair, and sixty close friends attended the cocktail party given by the bride elect's parents in honor of her betrothal. For this event, Miss Macpherson appeared in a black print ensemble with black accessories and a small nosegay of pink and white carnations. A model airplane, a miniature of the Piper Cub in which Ted had taught Kathy to fly during their airbourne romance, was suspended above the dinner table trailing a sing reading, "Kathy and Ted."

Miss Macpherson's cousin, Miss Jean Shuey, and friend, Bill Walter, arrived from Dayton, Ohio, to attend the party.

Everyone agrees their car has that look—like new—when it leaves the Ray Whyte appearance conditioning department.

Just as in the mechanical departments—experience counts in the washing and polishing department. At Ray Whyte's you can see the difference. There is no production line deal about the process. Each car is handled individually and receives individual attention.

In washing and polishing, the proof of the job is in the seeing. But besides a top appearing job, a wash protects the finish. It gets rid of salt and corrosive agents that damage the paint. A polish adds a protective film over the paint.

You may not be from Missouri, but we would like to show you. Seeing is believing and once you see, you'll make stopping at Ray Whyte's appearance conditioning department a weekly stop for washing—a regular, seasonal stop for polishing.

T. W. Roberts Succumbs To Long Illness

Thomas W. Roberts, Sr., who was a member of the Farms Highway Department for more than 20 years, died on Thursday, April 1 at his home in Rose City, one day after he marked his 75th birthday. He had been ill for more than two years.

Surviving Mr. Roberts, who lived in Grosse Pointe for close to 20 years before moving to Rose City, are his wife Emma Myrtle; three sons, Fisher B. and James H., of Farms; Thomas, Jr., of Rose City; and one daughter, Mrs. Mary Lou Allen of Ferndale.

Final rites were held Saturday at Rose City.

Police Ticket Young Speeders

Two young speeders who were allegedly racing down St. Paul Avenue were issued reckless driving tickets by City Police, Saturday night.

They were Arthur F. Deiner, 16, of 1311 Devonshire Road and Alfred Ernest Zinner, 18, of 5289 Berkshire Road.

A third youth received a reckless driving ticket over the weekend when he is alleged to have lost control of his car on Lake Shore Road.

After driving wildly for more than 300 feet on the banks of Lake St. Clair, Farms Police said that John T. Woodhouse, 19, of 325 Lakeshore Road, sent his auto crashing across the island in the middle of the road.

Woodhouse and his passenger, Charles E. Exley, 18, of 365 Rivard Blvd. suffered minor injuries. Police estimated damage to the car at \$1,000.

"Glass Menagerie" Comes To Shubert

"The Glass Menagerie," the prize-winning comedy drama by Tennessee Williams, author of the current Broadway success "A Streetcar Named Desire," comes to the Shubert-Lafayette on April 11 for one week.

"The Glass Menagerie," proved itself an overnight sensation when it opened in New York and ran for two whole years, before making a highly successful tour of the country. In succession it has won several commendations, its most valued being the Critics Circle Award, which it won by unanimous vote.

POINTER ELECTED

Al Rutter, Grosse Pointe junior has been elected recording secretary of Delta Tau Delta, Michigan State College fraternity.

Delta Tau Delta is one of the many fraternities that will participate in the annual interfraternity sing to be held in May on the Michigan State College campus.

Men's Club To Hear Dr. Merrill Bush

The Grosse Pointe Unitarian Men's Club plans a most interesting meeting for Monday, April 12, at 8 p.m. to which the public is invited. Dr. Merrill Bush, Director of the Adult Education Department of the American Unitarian Association, is to be the guest speaker. He will talk on current, national legislation which of course affects us all.

Mr. Kreutzer of the Crusade for Children will speak briefly on their forthcoming campaign.

Dr. Paul Noth, president of the Club, will introduce the speakers.

NO FISH STORY HERE

Here's more than one that didn't get away! Mr. Victor H. Fairless of Fisher Road, kneeling, left with some friends with the fish that they caught while down in West Palm Beach, Florida recently. Fairless is responsible for the largest sailfish, seven feet nine inches, and several others.

Woods Police Fear Gang War

Woods Police are investigating a roving gang war which has had two outbreaks in the village recently.

On April 4, police received a report from Arthur Castro, 19, that he had been attacked by a man with a knife, on Mack Ave. near the Macomb County line.

Castro who lives at 1317 Wayburn in Detroit was cut on one hand and suffered minor cuts about the head.

Castro stated he was walking along Mack when a car stopped and one man got out and started to strike him and who drew a knife during the fight.

This report was similar to another reported attack which happened on March 22 on Mack Ave. near Beaufait. Peter Cavataio, 17, reported he was attacked by two men when he left his car to enter a restaurant. Cavataio stated he was accompanied by two friends and that during the fight he was stabbed in the hip by a man who used a butcher knife. Cavataio did not report this to the police at the time but went to Deaconess Hospital where he was treated.

On being notified police went to the hospital and questioned the victim.

Investigation of the two attacks convinced Woods police that both men knew their assailants and would not admit it to police. Further investigations also satisfied the police that a roving gang war fare had started, and that one of the breeding places of this feud was a restaurant on Charlevoix in Detroit. Woods police were convinced that their information was correct with the latest happening in the chain of events when on April 6, Detroit police arrested 9 young men in a truck for investigation of felonious assault. The driver was Cavataio.

Blue Devil Sports Squads Gird for Season's Openers

By ROB PHILLIPS Three spring sport squads: baseball, track and tennis, swung into their third week of practice at Grosse Pointe High School in preparation for their opening contests in two weeks. The varsity baseball nine held their first inter-squad game last Monday under the close scrutiny of Coach Pat Kaultz. The Blue Devils will be aided by five returning letter-men who should prove to be the back-bone of the 1948 squad. They travel to Fordson on April 20 for the opener.

than at this time last year. Fred Duemling won the mile event in inter-squad competition with two other rookies close behind him. All the dash men were required to run the 220 yard dash and among the notables were Tom Follis, record holder for the shot put at Grosse Pointe, who turns in the best time on Monday afternoon. The cindermen will travel to Hazel Park for the opener on April 20. The tennis squad under the direction of their new Coach Merlin Schultz, is working out strenuously for their non-league opener with Dearborn on the local courts Tuesday, April 13. In arranging this match that is to be followed by a return contest, May 23 Coach Schultz found that the Dearborn coach, Don Marshall, was an old varsity team-mate at Michigan State Normal in 1937. The tennis ladder that was instituted this year as a means of stirring up not competition between the boys in either junior or senior high school is working out splendidly with change coming thick and fast.

REVIEW ALL-STARS HONORED

The G. P. Review All-Star high school basketball squad comprised of Tom Willson, Leroy Guaresimo, and Jerry Allen, of Grosse Pointe High School; Jim Lake, of St. Paul; Jack Howard, of St. Ambrose and Jack Foster, of DUS, were feted at a banquet sponsored by the Grosse Pointe Lions and the newspaper at the Grosse Pointe Yacht Club Saturday evening. The banquet followed the gala radio show at Pierce Auditorium. Other guests included W. B. Clemenson, GPHS, principal, and coaches Ed. Wernet, GPHS; Eddie Lauer, St. Paul, Dick Van Goethem, St. Ambrose; Earl Kimber and Jim Paige, DUS; Carl Schweikart, Township supervisor, and Lions' past president; Paul Blackburn, Review advertising manager; James Quello, WJR publicity director; John Sutton, vice-commandore, GPYC; and prep sport writers, Bob Phillips, Bob Swift, Bill Hamilton and John Hutton.

Champions To Instruct At Tennis Clinic

The Tennis Clinic, sponsored by the Neighborhood Club and Gray's Sport Shop, will have some of the country's outstanding tennis authorities as instructors.

The staff of instructors will include Tex Jax, National Indoor Boys U. S. Single Champion; Fred Kovaleski, U. S. Public Parks Single and Doubles Champion; and Elaine Lewicki, Eastern and Western Girls Single Indoor Champion. The aforementioned will assist Roland Gray, Country Club pro; Jean Hoxie, Hamtramck High School's famous coach and Merlin Schultz, Grosse Pointe High School coach.

There is no entry fee for the clinic which will be held at the Neighborhood Club courts on April 10, 17 and 24th. It is open to all boys and girls between the ages of 10 to 17. However early registration is recommended as the clinic will be limited to a certain number. There will be a charge of 25 cents for use of tennis balls.

Bill Haley to Coach DUS Nine

Bill Haley, University of Detroit football and baseball star, will coach Detroit University School's baseball team this year.

He will be assisted by David Baldwin, a Harvard graduate, who played on the Crimson nine. The team had its first practice last week in preparation for a 11-game schedule which will get underway on Friday, April 16 at Cook Road with New Baltimore High School.

Haley has six veterans and a promising crop of recruits to count on for a successful season. Early indications are that DUS will be strong at the plate but weak in the hurling department, as Bill Fisher, veteran pitcher, appears to have no capable assistance.

Record Baseball Turnout Greets St. Paul's Coach

By JOHN HUTTON

The largest turnout in several years, thirty-boys, including seven returning lettermen, answered Coach Ed Lauer's first call for baseball players at St. Paul High last week. At the same time Student Manager Tom Smith received the Flyers 1948 League schedule. They will open at St. Martin on April 22.

St. Paul was not as hard hit by graduation last June in baseball as they were in football and basketball. The Flyers were badly hampered by inexperience in both of these latter sports this year. Four regulars from last season's squad, 2nd baseman John Bingham, center fielder Jim Law, right fielder Don "Shoulders" Williams and 3rd baseman Chuck Alaska, are back, plus three other lettermen, 1st baseman Harry Hammond, outfielder Don Hartley and St. Paul's only starting pitcher Bob Berg.

The most serious losses from last spring's team that won 5 and lost 3 in league competition are catcher Ralph De Cender, who is now under contract to Louisville, Kentucky, a Boston Red Sox farm club and pitcher Bob Cuchel.

St. Paul's fielding should be very good at most positions, but the pitching, catching and fielding are still question marks. If Berg, a sophomore, lives up to expectations and adequately fills Cuchel's big shoes, it will be a big step towards making the Flyers a major contender for the Parochial League's East Side 2nd division crown.
