When a Review reporter visited the Woods Municipal Building on Mack near 8 Mile Road which houses the village's police and fire department he found Police and Fire Chief Walter Goulette the only man on duty. In the event of a fire in this circumstance he would, have to drive the village's lone engine to the fire. Prior to his departure from the station he would send a call out to the volunteer firemen and also direct his men on patrol to leave their police assignments and hurry to the fire. Though Chief Goulette and his men have been doing a commendable job in keeping fire losses at a minimum, they cannot be expected to continue to do so under the present system.

### Detours Will Hurt Business

Grosse Pointe City businessmen may join forces to oppose any blockade of Mack Avenue traffic effected by the street widening now underway.

A Review reporter, who visited several establishments whose business will be curtailed by traffic detours found the men very perturbed and eager to learn just what the final plans of local and County officials would be. They want it known that they will take legal action to fight any complete shut-off of through traffic.

Meanwhile City and County officials were scheduled to meet in the Wayne County Building Wednesday for final ruling.

Last week Tom Trombly, Chief of City Police, disclosed that tentative plans call for traffic on Mack to be detoured beginning April 20 and continuing for at least two months. East bound traffic will be cut-off at Cadieux and Harvard and west bound will be detoured at Outer Drive.

The Police Chief explained that they hope to keep part of Mack Avenue open at all times to permit the operation of village business.

"Detours will be an inconvenience for all concerned, particularly those who reside on Cadieux, Harvard, Washington and Rivard where traffic will be re-routed and parking will be restricted," added Chief Trombly. However, we ask the co-operation of all concerned if we are to expedite the completion of the work."

Among those affected by the widening are the gardeners and planters whose plans for spring gardens have been curbed.

Last year, merchants of Kercheval Avenue averted a sewage project blockade of their street by taking legal action. Their attorney, after several conferences was able to reach a favorable agreement with officials out of court.

### GROSSE POINTE ROTARY'S FIESTA PAN-AMERICANA

HONORED Consular guests at the Grosse Pointe Rotary Club's eighth annual Pan-American Day celebration are pictured above with principals of the local Rotary. Left to right: Hon. Louis James Rosenberg, Panama; Lawrence E. Good, Wayne, University; David Burnett, Rotary President; Hon. Miguel Vega Leon, Peru; Vincent DePetris, Rotary Pan-American day chairman; Hon. Eduardo Mayea Avoca, Cuba; Hon. Francisco Rivera-Torres, Mexico and Hon. Saul S. Levin, Honduras.

### Memorial Drive in Progress

Plans for Grosse Pointe's drive for a War Memorial Library went forward Monday as Drive Organization Chairman Owen Skelton held a meeting of his committee. Included on the agenda were the selection of a permanent headquarters near the proposed Fisher-Kercheval site and arrangement for a permanent secretary to handle details of the drive. Also planned was a card system, by which a canvas-check of the entire area can be made.

Meeting with Mr. Skelton were committee members Mrs. Lloyd C. Hooker, George Elworthy and Norbert P. Neff.

Steps have been taken to move the temporary memorial from the Maumee location to Fisher and Kercheval, with the fence on the high school property having been taken down.

Meanwhile, beautiful preliminary sketches of the proposed memorial are being prepared and will be ready for publication at an early date.

### SWEET ADELINE Pierce Audience to Hear Top Barbershop Quartets

The nation's twelve top-ranking Barbershop Harmony Quartets will be heard at the Second Annual Parade of Quartets at the Pierce High School Auditorium on Saturday, April 17 at 8 P.M. The Grosse Pointe Chapter of the S.P.E.B.S.Q.S.A. is responsible for presenting these talented men for the residents of Grosse Pointe to enjoy.

Acclaimed as one of the most colorful and entertaining programs ever presented locally last year, the seating capacity of the Pierce Auditorium will probably be taxed to accommodate the scores of enthusiastic locals who follow or belong to the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America.

In addition to the featured local four, The Balladaires, among the twelve who will be heard, will be the Collegians, who were heard locally two weeks ago on Grosse Pointe's first coast-to-coast network broadcast, WJR's "Make Way For Youth", sponsored by the Grosse Pointe Review.

### Cause For Alarm (AN EDITORIAL)

Grosse Pointe Woods, one of the area's richest and fastest growing communities, does not have its own fire department.

It is protected against fire by a one-horse shanty engine and a makeshift crew of policemen and volunteer firemen. This handful of men despite the inferiority of their equipment are expected to protect the lives and property of the 8,000 who live in the 2,000 homes in the village's four mile area.

With due respect to the gallant efforts of these men it must be said that with the aid of neighboring departments they have done a commendable job in safeguarding the community against fire—but how long can it last.

Day by day sees additional responsibilities falling on their shoulders—more buildings, more homes, more business places, more schools—yet no increase in the force or their equipment.

President Alois A. Ghesquiere fully realizing the peril of inadequate fire fighting force stated to the council last week that action must be taken to order more equipment.

This is a step in the right direction but it is too short. Action must be taken now to divorce the fire department from the police department and to establish a village fire department with its own chief and a highly trained force.

According to statistics offered by the village clerk the assessed property valuation of the village this year is higher than last year's \$10,300,000. And as high as this figure may seem, it must be remembered that it is still considerably less than the actual "sell" value of the property.

Underwriters feel that a volunteer fire fighting force, efficient as it may be, cannot protect this property as well as a full-time well-trained crew. As a result they charge the Woods a higher rate than any other community in the Pointe—a rate which amounts close to \$60,000 more each year. (Based upon a rate of .05 per \$1,000 higher for the Woods than any other Grosse Pointe Village.)

The annual saving to the taxpayer in a lowered insurance rate would go a long way toward replacing and adding to the present inadequate equipment and in staffing and maintaining a full-time trained and paid fire-fighting force in the Woods.

Potentially, the Woods will be Grosse Pointe Township's largest and most populous community. The tempo of building, both residential and commercial, points in that direction. The safety of that community is also at stake. Failure to take necessary steps to provide adequate fire protection can easily hold it back.

Fire-fighting authorities tell us that the first five minutes are the most important in the control of fire, once it has begun. A volunteer department cannot possibly be assembled and routed to a fire within that limit. No wonder the insurance rates are higher.

The logical step is for the Woods Commission to immediately appoint a non-partisan study group on the Village's needs for adequate equipment and full-time personnel. That body should be instructed to obtain the advice of local and state fire marshalls and make all necessary studies to return a comprehensive and conclusive report to the Village Commission.

### P. O. Campaign Needs Support

Though there is no new developments in the "Post Office for Grosse Pointe" issue, interest in the matter is running high among local residents.

Norbert Neff, City Clerk, who in 1941 started the ball rolling towards having a main post office to meet the growing needs of the Pointe communities has been receiving numerous letters and phone calls daily from residents volunteering their support.

Outstanding recent development is the announcement from Congressman Harold F. Youngblood, (11th District, R.) that he has undertaken an active campaign to have the government erect a large post office in the area.

Residents are urged to send letters and telegrams to Mr. Youngblood supporting his issue.

### Theives Raid Woods Stores

Thieves spent a busy Monday night in Grosse Pointe Woods breaking in a gas station and a men's furnishing store and escaping with close to \$3,000 worth of merchandise.

Woods Police said that \$2,700 worth of men's wear was taken from Liebolds Store on Mack near Fleetwood and spark plugs and other auto parts valued at \$100 were taken from Kaduras Gas Station at Mack and Roslyn.

Police reported that entrance to Liebolds was made by forcing a rear door open after removing an iron bar door. The gas station was entered through a side window.

Liebold Brothers, owners of the store which recently opened told police that they did not have any insurance.

Gus Kaduras is the owner of the Gas Station.

### Park Announces Public Hearing

Grosse Pointe Park will conduct a public hearing at its municipal building on Monday, May 3 regarding proposed amendments to the Building Zone Ordinance.

Among the proposals are recommendations for off-the-street parking.

The complete text of the proposed amendments appear on P. 8.

**PTA OPEN HOUSE**  
An "Open House" will mark the PTA annual election of officers on Tuesday, April 20 at 7:30 p. m.

### Council Says "No" To Realtor's Sign

The Park Council Monday refused a request by T. Edward O'Conner, Veteran Grosse Pointe realtor, to erect a sign, 15 square feet in size, on his property at Jefferson and Bedford.

The council's action is in accord with the village ordinance which prohibits the erection of signs larger than 4 square feet.

**WOMEN VOTERS MEET**  
The public is invited to attend the season's final meeting of the League of Women Voters, (14th district) at the Grosse Pointe Memorial Church, 16 Lakeshore Road, on Monday, April 19 at 1:30 p. m.

### County Elects Carl Schweikart

Carl Schweikart, Grosse Pointe Township supervisor, was elected chairman of the Wayne County Board of Supervisors Tuesday at an election held in the Wayne County Building at Detroit. He will serve five years.

It marks the first time in the 100 years history of Grosse Pointe Township that a local man received such recognition.

Schweikart, succeeds William Comstock, former governor of the State of Michigan and present member of the Detroit Council.

The Board of Supervisors has 85 members and it represents 18 townships, and 67 cities in Wayne County. Among the members is Chester F. Carpenter, Grosse Pointe City councilman.

Among the numerous duties of the newly elected chairman are the appointment of supervisors to various committees.

Prior to his election, Schweikart served as chairman of the Juvenile Detention Home committee and worked with Detroit Mayor Van Antwerp on the Ways and Means committee.

Schweikart lives with his family at 1033 Nottingham. He is a past-president of the Grosse Pointe Lions.

### May Shift to County Service

Deeming the present health service rendered by the Township Health Department as inadequate to cope with the general requirements of the approximately 15,000 people in Grosse Pointe Park, the village council sent the following letter (dated April 5) to Dr. T. S. Davies, health commissioner:

"Our Commission would like an expression from you stating whether or not you will be able to furnish the following health services for Grosse Pointe Park in the future:

- "Make diligent inquiry and inspections with respect to all nuisances, sources of filth, contamination and causes of sickness of every description in the Village, which are or may be injurious to the public health and abate the same.
- "Make regular inspections of restaurants, taverns, soda fountains, bakeries, creameries, ice cream plants and fish and food markets. Check personnel for physical examinations and food handlers' cards.
- "Forbid the sale of fish, poultry, meats, vegetables, ice or provisions which are detrimental to the public health.
- "Inspection and control of drinking water and facilities, garbage and refuse disposal, sewers and drains.
- "Sample and analyze drinking and bathing water in the community.
- "Make tests in or near swimming pool during the swimming period, particularly during the periods when the chlorinating system is in operation.
- "File regular reports concerning the general health conditions in Grosse Pointe Park, including contagious, infectious and communicable diseases.

"We will appreciate receiving a letter regarding the above matter on or before April 10."

In view of the fact that the council did not receive a reply from Dr. Davies by the time it convened Monday evening it took action to see what the Wayne County Health Department had to offer.

Village Manager Lane was authorized to invite County medical officials to the next meeting Monday, April 26. Lane told the council that he had consulted with Dr. David Littlejohn, County Health commissioner who had advised him (Lane) that the County could provide complete health service.

Meanwhile Dr. Davies told a Review reporter that the letter from the Park should have been directed to the Township Board and not to him.

"The reason why the Park Council did not receive a reply is that I am keeping their letter to present to the Board for action at their next meeting," explained the Commissioner. "However, I feel that present staff of two full-time and three part-time nurses and myself are doing all we can to safeguard the area."

Dr. Davies added that some of the issues pointed out in the letter are somewhat ridiculous particularly the opening paragraph which asks the department to abate all sickness in the area.

Dr. Davies feels that possibly the Park Council is using the health problem as a political football.

At the request of the Farms Council, Dr. Littlejohn attended a Farms meeting recently. However after a lengthy discussion the council did not take any steps towards replacing its present Township Health service.

Dr. Littlejohn told the Farms Council that it would not be practical for the County to provide health service here unless all of the communities in the area accepted it.

The Parks pays approximately \$6,000 annually for the Township Health Service.

### Cite Park Fire Dept.

Grosse Pointe Park was awarded First Honor City in its class in the National Fire Waste Contest in which more than 500 cities competed. The contest is sponsored annually by the U.S. Chamber of Commerce.

It marks the second successive year that the village received the top-ranking.

In awarding the honor, the judges considered a 30-page report prepared by Park Fire Commissioner Elmer F. Ulrich which showed a 31% decrease in fire losses over 1946.

The comprehensive report included classified causes of fire, alarms and losses, a fire prevention program and copies of publicity matter.

At a council meeting Monday Park President Fritsch commended Commissioner Ulrich, Fire Chief Rector and the entire village fire department for their outstanding work.

### Appoint Police Commissioner

Homer C. Fritsch, president of Grosse Pointe Park named Commissioner James McMillan to succeed Mr. Fritsch as Police Commissioner at a council meeting Monday.

Mr. Fritsch who was elected village head in March after close to ten years service on the council, asked the following commissioners to continue as heads of these respective departments: Finance, Bloodworth; Public Health and Park, Koeng; and Fire, Ulrich.

The president named Karl Goddard, recently elected commissioner to head Public Affairs. The meeting marked Mr. Goddard's first appearance on the council.

Mr. Fritsch also assigned the commissioners to serve on various committees: Salary and Wage, Koeng; Gillett; and Goddard; Sewer, Gillett; and Goddard; Transportation, Goddard; and Pierre V. Hettler, village attorney.

**BUDGET MEETING**  
The Park Council will hold a special meeting Thursday, April 22 at 7:30 p. m. to discuss the village's annual budget.

CAUSE FOR ALARM

Then, the Village Commission should study such findings and make a report to the residents of the Village.

All of this operation should precede any action toward floating a bond issue for other improvements which are indicated as imminent in that municipality, namely, the matter of the municipal building, additional sewage facilities and the matter of housing new fire equipment.

Taxpayers in Grosse Pointe Woods want to see their Village modernized. And, they want to hold their taxes down. An adequately equipped full-time fire-fighting force deserves immediate consideration by the Commission.

FREEDOM GARDENS

Grosse Pointe home gardeners are being asked to help make 1948 the biggest food production year in history. Twenty million Freedom Gardens is the goal for 1948.

With so much of the world suffering from hunger and malnutrition, and with the productive facilities of war-ravaged lands only partially restored, residents are being asked again to share their relative abundance of foods with less fortunate people abroad. This is in the American tradition, for we have gone to the aid of famine-stricken peoples the world over.

The problem now, however, has no precedent in history. The demands are so great that only by using our productive resources to the utmost can we hope to help the starving abroad meet their very minimum nutritional requirements, and at the same time continue to enjoy our present high standard of living at home.

DON'T LET IT HAPPEN HERE

Take any hour of any day. Let it be 10 a.m. on a Monday in April, 1947. In North Carolina an elderly woman on a visit to her grandchildren steps off a bus and is killed by a speeding car. Near Boston a salesman changing a tire is mashed against the rear of his coupe by another speeder. On the outskirts of a Wisconsin city a truck and a passenger car smash into one another and a baby riding in the sedan is hurled through the windshield. And in Texas a sophomore rushing belatedly back to college after a weekend at home takes a curve too fast and hurtles to his death.

All this happens while the minute hand of the clock turns one full cycle. During that same small hour 156 other Americans are being injured in automobile accidents. Multiply that hour by the 24 in a day. Multiply that total by the 365 days in a year. The result approximates box-car figures—America's shameful traffic accident record in 1947.

Lets Keep Grosse Pointe Safe.

New School To Open In Fall

Opening of the Parcels School on Vernier Road near Mack Avenue will be delayed until September, according to an announcement from the office of the Superintendent of Schools. "It is our carefully considered judgment that it would be contrary to the best interests of the children to transfer them to a new school building this late in the school year. This is particularly true in view of the fact that conditions outside the Parcels building are such as to make it extremely difficult to operate the school without serious inconvenience and even danger to the children."

Scouts To Hear Famous Coach Of Detroit Lions

Announcements that "Bo" McMillin, Coach of the Detroit Lions, and Clare Cummings, nationally-famous magician, are participating in Scouting's two "Adventure Trail" rallies this Saturday, April 17, are causing great excitement and enthusiasm among the 3,000 local Scouts and Leaders who have been invited to attend.

Said Amos N. Shields, Local Council Executive, to members of his Staff this week, "I've just been to a large service club meeting, where Coach McMillin was guest speaker. He's tops — and I hope that both of the two large auditoriums will be filled with our Scouts next Saturday, to hear this outstanding sports celebrity."

McMillin will also be guest speaker at the Grosse Pointe High Dad's Club "Round Up" on May 11.

LETTER BOX

TO THE EDITOR: I attended the recent meeting of The Friends of the Grosse Pointe Public Library held in the library at Pierce Junior High School Tuesday evening, April 8, 1948. The meeting was quite interesting despite the fact that the speaker of the evening S. L. A. Marshall did not arrive.

It was interesting to learn that we have so many public spirited citizens behind the drive to establish a fitting and useful War Memorial.

I hope that the enthusiasm such as that shown at this meeting will continue and everyone will get behind this huge task of making our War Memorial Library Dream come true. Jeremiah McCarthy G. P. Woods

TO THE EDITOR: Again, I wish to thank you for inviting me as one of your guests at the banquet honoring Grosse Pointe's All-Star Basketball Squad at the Grosse Pointe Yacht Club last Saturday evening. It was a grand idea. I had a most enjoyable time and it is my observation that all others present likewise will remember the occasion with much pleasure.

Will you please extend for me to the Lions Club my appreciation for their financing this fine undertaking. In discussing it all with our boys who were present, following the banquet each expressed his appreciation of the banquet and the whole idea and commended you and the Lions greatly. Sincerely W. R. Clemison

TO THE EDITOR: I wonder how many of my neighbors are as tired as I am of viewing, on my way to Mack Avenue each day, what has become a familiar eye-sore, the old neglected frame house at the end of our street.

Last fall when my sidewalk required repairs I was given a definite period in which to take care of the matter. I was glad to improve the appearance of the property, yet nothing has been done about the property in question since I have been a resident of Grosse Pointe. We have and want to maintain pride in our city, how about a little co-operation from our city officials? Hampton Road Resident

Alger Post Names New Officers

A joint installation of officers in the Alger VFW Post No. 995 of Grosse Pointe took place April 11th at the Gabriel Richard School. Installation of the newly elected officers and the officers of the ladies auxiliary was brought about with a great deal of ceremony and formal ritual. The installing officers were Past Commander Leroy A. Barleau for the Post and Past President Agnes Tilton for the auxiliary.

The installation was opened by the presentation of new colors and VFW banner to Past Commander B. A. Chaplow. The colors were a gift by the ladies auxiliary as a final gesture on the part of the out-going President Mrs. Retta Poole.

The new officers of Alger VFW Post 995 are as follows: Commander L. J. Pohorsky; Senior-Vice Commander, George J. Tilton, Jr.; Junior-Vice Commander, Arnold Soden; Quartermaster, Theodor Schroeder; Chaplain, Frank Gleason; Trustee, Pat Moore; Surgeon, R. J. Reichling, Sr.; Officer of the Day, Frank C. Gallagher; and Adjutant, William D. Richert.

The Ladies Auxiliary to Alger Post 995 installed the following to important offices: President, Dorothy Frick; Senior-Vice, Virginia Ryan; Junior-Vice, Rose Brisson; Chaplain, Alice Backman; Patriotic Instructor, Lella Davis; Secretary, Shirley Richert; Treasurer, Rose Meade; Conductress, Jean Poole; Assistant Conductress, Naomi Ringert; Historian, Helen Harder; Trustee, Retta Poole; Guard, Laura Ryan; Color Bearers, Maryann Haslett, Catherine Moore, Maxine Arthur, and Mary Polaski. Musician, Ida Lawrence.

Newly elected President Dorothy Frick pledged her support and the support of every member of the ladies auxiliary to the Alger Post for the ensuing year.

Men's Club To Hear Dr. Raines

The Men's Club of The Grosse Pointe Methodist Church will hear Dr. Richard Raines, Pastor of the Hennepin Avenue Methodist Church in Minneapolis Metropolitan Methodist at the local Church's supper meeting on Wednesday, April 21.

This occasion will bring Methodist Men from all sections of Detroit together. Dr. Raines is an outstanding pastor and has been especially noted for his work with youth.

Mr. Clarence Slocum, 2057 Lancaster Road, is in charge of reservations.

MODERATOR SPEAKS

The Men's Association of the Grosse Pointe Woods Presbyterian Church is cancelling its local meeting to hear Wilbur LaRoe, Jr., moderator of the Presbyterian Church of America speak on Wednesday, April 21 at the First Presbyterian Church, Woodward at Edmund Place.

Farms Prepares for Swimming

Murray W. Smith, Farms engineer, stated Tuesday that he has asked the State Board of Health to direct Macomb County to stop releasing sewage waste in Lake St. Clair by May 1.

The Farms engineer would like to begin tests of water in the beach area early next month but true counts cannot be obtained unless the neighboring County comply's with the village's request. Mr. Smith said that the village will use a mobile chlorinator machine to help sterilize the water tests for pollution will be taken nearly every day.

Woods Residents Lose Car Wheels

Two car owners in Grosse Pointe Woods were victims of auto thieves last Saturday night. Mr. Harold Love, 1610 Ford Court lost four wheels while one was taken from G. C. Grammens, 1874 Kenmore Road. Both autos were parked near their owners' homes at the time of the looting.

Police Arrest Auto Thieves

Good police work on the part of Henry Marchand and Donald Coats of Grosse Pointe Woods Police led to the arrest of two auto thieves

"Patrolling in the vicinity of Mack and Newcastle late last Wednesday night, the officers saw a pair of men tampering with a car parked in front of 1694 Newcastle.

When the men saw the scout car approaching, they jumped into their auto and attempted to get away. However the officers thwarted any escape by blocking the road with their car.

Arrested were Salvatore Vettese, Jr., and Frank West, both of Detroit who confessed to police that the car they were riding in had been stolen from Mound Motor Sales in Warren Township.

Police said that West had been on probation for a similar theft.

Police added that the pair reported that they were trying to remove the license plates off the car parked on Newcastle.

Warning To Dog Owners

Owners of dogs in Grosse Pointe are warned that 1948 licenses are now due. Officials warn that all dogs must be licensed and vaccinated against rabies and no pet is permitted to run at large.

Licenses must be secured by May 1.

Scout Officials Elect Drummond

At a meeting held on Tuesday, March 30th, the Executive Committee of District III, Detroit Council, B.S.A., elected Mr. John W. Drummond as their new Chairman, by unanimous vote.

JOHN W. DRUMMOND

Mr. Drummond, who lives on Yorkshire Road, is a graduate of Cornell University and has been with the Detroit Edison Company since 1929, now serving in the capacity of Assistant Superintendent of Overhead Lines. He has three sons, in whose behalf he first became interested in the local Scouting movement.

His acceptance of the post of Chairman of the District Executive Committee comes at a time when an ambitious program for local Scouting has been embarked upon, and his executive abilities will be a valuable aid toward its success. Mr. Drummond will be assisted by Vice Chairmen Clark Swart and Ralph H. Townsend.

Pointe Camera Club Plans Print Clinic

Photographic print clinic will be held by the Grosse Pointe Camera Club on Tuesday evening, April 20, according to an announcement made by Mr. Howard Riley, president of the Club.

The Clinic will be in charge of a group of nationally noted photographers, who will take the various prints submitted, fully analyze them as to composition, print quality, subject matter, development, printing time and all matters pertaining to the making of good prints. There will also be suggestions as to what should be done in the technique in order that the same might be improved. The members have been requested to submit any print they wish that they feel needs improvements and attention.

The program is part of the Club's educational series. At the last meeting, the evening was devoted to making of good negatives. Messrs. Thomas, Ketterer and Kenn co-operated in the lecture.

Mr. Riley has issued invitations to the interested public to attend the meeting which will be held at the Neighborhood Club in Grosse Pointe.

Park Prepares New Playfield

A softball diamond will be erected shortly on the village property near Three Mile Drive and Grand Marais by Grosse Pointe Park.

The action for the playfield was taken by the Park Council in accord with a petition received from a group of property owners in the area. The petition also asked for a hard ball diamond but the council in the best interest of the village ruled against hard ball.

The council plans to sell the property soon.

ROLANDO and Louise presented Latin-American dances while petite Senorita Gilda Gonzales, sang south of the border songs accompanied by Pete Vieira on the piano, Monday at the Whittier as the Grosse Pointe Rotary Club celebrated the eighth annual Pan-American Day.

CALL FOR THESPIANS

Russel Werneken, of 206 McKinley, announces the inaugural open meeting of a theatrical producing group whose aim is to bring quality theatre to the Pointe at low prices by the use of local talent under expert direction. The meeting will be held at the Alger House Museum at 3:30 p. m. this Sunday.

# Teen Talk

Here we are again, with lots of news that we know you will be liking to hear.

First of all lets bring up the topic of the Hag Dance, next Saturday, April 17. "THE NAUGHTY NINETIES" hag dance given by the Student Government, and in charge of the semi-annual affair are co-chairman MARY GRATZER, and PAT MARTIN. Now here is something else we want you all to remember about the event, that there is going to be a super new band. The committee has made a grand selection. Lou Pinger's outfit has been signed for the evening.

Now here are a few more facts, the refreshments committee is in the charge of Loren Miller, and his gang consists of Marilyn Wroble, Nerm Klingelhofer, and Mary Ann King. The invitations committee is headed by Marcy Weatherbee and Maryanna Larson, and working with them are Helene Meyer, Jan Johnstone, and Gloria James. In charge of the intermission entertainment is chairman Joe Manino and Fritz Bloy and Jim Hearst. The decorations are headed by co-chairman, Sue Cruikshank and Barb Goodrich. There are many working with them, Sue Martin, Barb Otto, Irene Brissom, Nancy Voorhees, Anne Barker, Pat Barnes, Gail Wright, Carolyn Hahn, Dolly Limbrock, Elaine Cabot, Eleanor Grube, Diane Wuerker, Carroll Grylls, Jan Walker, Jim Mast, and Ruth Arends. Those who helped with publicity were, Anne Candler, Margo Kahl, Di Wuerker, Ruth Arends, and a few more that we can't think of.

SHARON FORD

Well kids there is your committee and we think their doing a bang up job on this dance. It would be wise gals if you don't have a date to come hag. It's going to be a neat dance and you haven't got any excuses this time.

Now this is something that rates your reading eye. It's all about the BROWNELL, 9TH GRADE PARTY which was held last Friday night in the Girl's Gym at the High. One of the most important events of the evening was the initiation of the juke box, which the Mother's Club at the school has just recently purchased for all the kids. Along with this there was the good planing of the co-chairman BARB REED and JACK MARCUS and their committee who worked so hard to make the party a huge success. Meljean Hoover, Tom Patrick, Lincoln Godfrey, Carol Cooper, Bob Mast, Christa Mueller, Tom Merick, and Dan Goodrich. All the kids had a wonderful time and enjoyed a varied evening of entertainment, and we say congratulations to the 9th Grade Class at Brownell.

Here is another point of interest on our tour through recent points: Donna Presley gave a wonderful slumber party. (Did we say slumber?) But any way the gals all had one grad time. She invited to this gathering Clarice Ryall, Darlene Lee, Myrna Troden, Bernice D'Hondt, Harriet Gardner, Marilyn Faust, Maureen Crane, Marianna Blaziola, and Diane Edminston. What a night what a night!

Well that's it for this little round up. See you at the dance!

Mrs. Osmond D. Heavenrich, of Jackson (formerly of Detroit), will head her state delegation of Michigan Society, Daughters of Colonial Wars, to the National Meetings of the Society, April 16-18, in Washington, D. C. Mrs. Heavenrich, as state president, and Mrs. Hugh W. Glover, Jr., of Midland, as vice president, will attend the National Council meeting Friday afternoon, April 16, at the Mayflower Hotel. They will join the rest of the delegation at tea that afternoon at the White House, with Mrs. Truman, as hostess, as she is a member of this society.

Attending as delegates will be Mrs. Henry Bourne Joy, a past national officer; Mrs. Lloyd DeWitt Smith, second state vice-president, and Mrs. Dorman L. Rogers. Alternates are Mrs. Albert L. Hart, Mrs. Albert E. Stewart and Mrs. Chester F. Miller, of Saginaw.

## THE University Set CLUB NEWS

By C. PUC.

U. of M. students were busy last week enjoying their belated Spring vacation. Making the most of his vacation, Bill Merrill took this opportunity to get in a bit of cross country and solo flying towards his private license. Bill took Bruce Rogers along as companion and navigator. They became airborne at noon last Tuesday and flew that day across Canada spending the night at Niagara Falls. Wednesday they went on to Waterbury, Connecticut where they visited Bill Webster, a fellow student at Michigan. They arrived back at Ann Arbor late Saturday after being weathered-in a day on the return trip. At each one of their stops they were made welcome by either a fraternity brother or a friend.

Locally Joan Seymour had a group over for a hag session to catch up on the new look at the various campuses. Among those present were Ann Lienweber, Jeanne Kennedy, Betty Hay, Marilyn Meier, and Joan Thibodeau.

The stags also got together Saturday night. Jim Barker had a bunch over for cards and pool. Some of the pool sharks were Bob Taylor, Bob Brinker, Nob D'Haene, Chuck Rabaut, Joe Keane, and Herb Buhler.

At Monday night's meeting of the Grosse Pointe University Club announcement was made of the forthcoming dance to be sponsored by them. The Dance is to be held Saturday, June 5 at the Statler Hotel.

The U. S. Marine Corps has loaned a mobile hospital to each of the eleven Naval Districts within the United States for use in disaster relief work.

### PLAN JUNE WEDDING

ROBERT J. BENYA BARBARA JEANNE RAY

There will be a wedding in June for this young Grosse Pointe couple. They are Barbara Jeanne Ray and Robert James Benya, son of the George E. Benyas of Belanger Road. News of their engagement was recently announced by the bride-elect's parents, Mr. and Mrs. Ernest L. Ray of Yorkshire Road. The couple who have set June 11 as their wedding date are both attending Miami University. Barbara will graduate in June. Robert expects to continue his education at the University of Michigan.

### Honeymoon In Cuba For Pointe Bride

White floral decorations adorned the side altar of St. Paul on the Lake Church when Father Joseph J. Bohr united in marriage at 12 noon on April 10, Miss Suzanne Marie Flattery, daughter of Mr. and Mrs. Thomas J. Flattery, of 486 St. Clair avenue, to Alvin G. Sherman, Sr., of 700 Balfour Road.

The organ prelude and song was presented by Miss Elizabeth Monahan.

The bride was gowned in ivory satin with a yoke of three rows of fagoting which was repeated at the wrists, and the skirt culminating in a long train. A halo-shaped crown held in place her finger-tip veil, and she carried gardenias and white stock.

Her sister, Patricia Flattery, wore a pale green bengalene gown, princess styled with a rolled collar and short sleeves, and white gloves. Her half-crown hat matched the gown, and she carried iris and yellow daisies. Identical gowns and hats were worn by the bridesmaids, Miss Sally Flattery, the bride's sister; Mrs. John Sewell, the groom's sister; Mrs. J. W. Berns; and Miss Corinne Clements. They will have Colonial bouquets of violets.

Richard D. Sterr was the best man, with the other attendants being John Sherman, John Cosgrove, Frederic Higbee, and John Flattery.

A chartreuse formal gown, with matching accessories, was worn by Mrs. Thomas Flattery, and the groom's mother appeared in light blue crepe with blue and flowered accessories. Both mothers wore orchid corsages.

The Flattery home was the scene of the reception and luncheon for two hundred and fifty guests which followed the ceremony. For the event, white bridal flowers graced the rooms. Among those present were Mr. and Mrs. Jack Tootle, of St. Joseph, Mo., and Mr. and Mrs. John W. Sewell, of Rochester, N. Y.

### Reception Held At Yacht Club

Lighted tapers glimmered softly on the lilies decorating the altar of St. Paul on the Lake Church when the Rev. Father Joseph J. Bohr spoke the nuptial mass uniting in marriage Miss Betty Middleton Skinin, and James Allen Burns.

The former Miss Skinin is the daughter of Mr. and Mrs. Geo. J. Skinin, of 363 Neff Road, and her groom is the son of Mrs. P. V. Burns of Fort Lauderdale, Fla., and the late Mr. Burns.

The bride was in a candlelight satin gown designed with long fitted sleeves and a basque bodice with a yoke effect formed by seed pearls and white bead embroidery. The skirt, extending into a long train, had a small drape fashioned in the back. Attached to the satin tiara, embroidered with seed pearls and white beads, was a three tiered veil of French illusion extending beyond the satin train. White orchids, with lilies of the valley and ribbon, adorned the white satin prayer book she carried.

The maid of honor, Mary Gertrude Allen, a cousin of the bride from Mt. Vernon, N. Y., was gowned in flamingo red faille, and carried white camellias combined with purple violets and trailing ivy. Identical gowns were worn by the bridesmaids, Frances Allen, Nanette Emery, Barbara Hallis, and Ruth Ogden. Each carried white flowers arranged with strands of ivy.

The best man was the groom's brother, Patrick Burns, and the bride's cousin, Robert Skimin, of Niagara Falls, N. Y., Thomas Kelly, George Callahan, and James Mitchell seated the guests.

The Grosse Pointe Yacht Club was the setting of the reception and breakfast which followed the ceremony, where the bridal party received before the green and white flower-banked fireplace.

A short white wool topper over a navy blue gabardine suit, and navy accessories were worn by the bride for the honeymoon trip to Havana and Cuba, and the cruise to the Caribbean. They will return later to reside in Florida.

### ea Honors Side-Elect

Charles Hodges, of 135 Wood, was hostess on April 8 for a tea and kitchen shower for elect Sally Duffield, of 43 weather avenue, who will be the bride of Morton McGinley, of Baltimore, Md., on April 17 at 4:30 p.m. at the Grosse Pointe Memorial Church.

### Nuptial Rites Honor Mary Eleanor Costello

Spinner dinner given on April 11 by Miss Patricia Seymour, of the Detroit Towers for cousin, Miss Mary Eleanor Costello, of 402 Neff Road, culminating in a month long series of festivities for Miss Costello, sister of Mr. and Mrs. Walter Costello, who became the bride of B. Allen on April 17 at St. Paul on the Lake Church at noon.

Eleven guests attended the 7 o'clock dinner given at the Detroit Towers by Miss Seymour, who will be the bride's attendant to her cousin, Seymour, who will soon be a bride. She shared the honors with Costello at a kitchen shower on April 12 by Mrs. L. L. L. at her home at Neff Road. A family party of thirty guests enjoyed the buffetsupper.

Two cousin bride-elects also the guests of honor at a buffet supper and shower by the aunt and uncle, Mr. and Mrs. John F. O'Hara on the before, April 12. Forty were invited to attend this affair at the O'Hara home out near Mich.

Miss Costello and her fiancé were feted at a bar shower the evening, April 10, by Mrs. William E. Shoer, who were hosts to about 25 at their Cranford Lane residence.

Richard W. Burgis, of Kingston Woods, was hostess to ten guests at the personal she gave on April 8 for Costello. For the luncheon there was a miniature before an ivy and camellia trellis-type arbor.

Guests attended the cocktail party given for the bride and groom on April 4 by Mr. and Mrs. David Neill O'Day at their

home on Muir Road. A beruffled sprinkling can containing spring flowers composed the decorative motif of the miscellaneous shower on April 1 given by Miss Costello's cousins, Mrs. Joseph P. Terrien, and Miss Mary Jane Seymour. Fourteen were present at this evening affair at their Grayton avenue home.

The Grosse Pointe Yacht Club was to be the scene of the rehearsal dinner given on April 15 by the groom-elect's parents, Mr. and Mrs. Paul B. Allen, Sr., of 181 Moran Road. Among the twenty guests present were the maid of honor, Patricia Seymour; the bridesmaid Miss Mary Jane Seymour, Miss Ruth Beckbisinger, and Mrs. Vernon C. Geiger, the groom-elect's sister, from Minneapolis, Minn. The best man will be Jack Beckbisinger, with James H. Allen, Robert J. Pfeffer, James S. Harris, Charles A. Dean Sherman, Herman C. Geiger, and David Neill O'Day as ushers.

### Pink Hearts Mark News of Betrothal

Mr. and Mrs. Harold G. Osborn of Beaupre Road, announce the engagement of their daughter Evelyn May, to Eldred G. Keat. The news was told at an informal tea in the home of the bride elects parents on Sunday, April 11th.

Pink snap-dragons and large pink hearts bearing the names 'Eve and Al' revealed the news to the thirty-five guests.

The couple have made plans for a late August wedding in Christ Church, Grosse Pointe. Mr. and Mrs. John Keat of Turner Avenue are the parents of the bridegroom elect.

King George VI and Queen Elizabeth have thus far given \$4,800 to the British Crusade for Children. Give—May 1 to May 15.

### Ring Ceremony Marks Wedding

Virginia Ruth Johnson became the bride of William R. Fromus in a double ring ceremony at the home of her parents, Mr. and Mrs. William J. Johnson of Beaconsfield Ave. on Saturday afternoon, April 10th. The groom is the son of Mr. and Mrs. Andrew Wildauer of Detroit. The ceremony was performed by Rev. Walter E. Rehms of St. Stephen Evangelical Lutheran Church.

Merlene Wildauer, sister of the groom, acted as maid of honor, and the bride's brother LeRoy Johnson was best man. Mr. and Mrs. Milton Graham of Harvard Road also attended the couple.

The ceremony was followed by a dinner at the Whittier and a reception at the home of the groom's parents. After a Florida honeymoon the couple will make their home in Detroit.

### Munn's Announced Daughter's Marriage

Tips To Publicity Chairmen Offered By Theta Sigma Phi

The answer to a publicity chairman's prayer is being offered by Theta Sigma Phi, the National Honorary Fraternity for Women in Journalism, on Monday, May 3, at the Rackham Building.

How to Handle Club News, Plan publicity campaigns, work with editors, reporters and photographers will be explained by Detroit's top radio and newspaper women.

The organization was able to compile authentic information by sending questionnaires to 250 editors regarding their recommendations to publicity chairmen.

DBC Sailors Plan Annual Spring Cruise

The Sailors Annual Spring Cruise Party, given on April 17 by the Detroit Boat Club at Belle Isle will carry out the theme of a South American Cruise by turning the big ballroom into a large yacht-effect called the Good Ship DBC, and having the guests appear in typical Cruise attire.

The Club Commodore will have cocktails with his guests at this affair which heralds the spring launching of the Club's boats.

SPRING PARTY

The Northeastern Woman's Club will hold its annual Spring party and luncheon at the Detroit Yacht Club on Wednesday, April 21 at 12:30 p.m. Each member may bring one guest and reservations are being taken by Mrs. N. J. Miller, 4521 Harvard Road who is the chairman. Call Niagara 2741 by Monday, April 19, the deadline for reservations.

Heads Mock Republican Convention

Edward W. Thomas, the son of Mr. and Mrs. Ralph Thomas of Merriweather Road, will direct the Michigan delegation of 41 students in the mock Republican convention to be held at Washington and Lee University April 20-21, when the students will stage a realistic simulation of the national GOP convention to be held this summer in Philadelphia.

As "state GOP chairman" Thomas, a Grosse Pointe High School graduate, will be charged with the responsibility of determining as nearly as possible the voting policy to be followed in the national convention by the real-life counter-parts of his "delegation." This will be accomplished both by personal contact and by correspondence. State primaries and other political barometers are also being followed closely by all of the mock convention "state chairmen."

This close investigation by student leaders into actual political developments injects an element of realism and accuracy into the mock convention. Five times since its inception as an all-student event forty years ago, the W. & L. men have tagged a "nominee" and seen the choice later sustained in the genuine national conventions. Only three "bum steers" have been charged against the student politicians in their eight quadrennial attempts since 1908. No conventions were held in 1920 and 1944.

Following a traditional policy of staging a realistic convention preview of the party currently out of power, authentic national Republican convention procedure will be followed almost to the letter.

The mock affair will be directed entirely by university students with counsel furnished by the political science, history, and law faculties. Like the genuine convention, it will bring together 1094 "delegates" representing all the states and territories.

Thomas is the son of Mr. and Mrs. Ralph Thomas, 222 Merriweather Road, Grosse Pointe.

Mrs. Smith Attends National Conference

Representing Michigan Society, Dames of the Court of Honor, at the meeting of the National Society, Wednesday, April 21, at Hotel Statler, Washington, D. C., will be Mrs. Lloyd DeWitt Smith, of Grand Marais Blvd., state president; Mrs. Marvin L. Hoagland, vice-president; Mrs. Herbert H. Dow, Midland, second vice-president; Mrs. Hugh W. Glover, Midland, treasurer; Mrs. Sidney C. Probert, Kensington Road, recording secretary; Mrs. Albert E. Stewart, Detroit, historian; Mrs. Frederic P. Baker, Midland, trustee; Mrs. Dorman L. Rogers, scholarship chairman; Mrs. William Roberts, of Pemberton Rd., Grosse Pointe, and daughter, Miss Margaret Clark Roberts.

Mrs. Smith will report to the National Executive Board meeting in the morning, for national officers and state presidents. The entire delegation will attend the luncheon which will be preceded by a reception, to meet the officers of the national board.

HOLD APRIL FROLIC THE DETROIT HEARING CENTER will hold its April Frolic on Saturday, April 17 at 8 o'clock in its clubrooms 418 W. Elizabeth in Cass featuring "Ye Olde Tyme Album" Style show and Treble Clef Choir of Clark School Womens Club. Refreshments and cards at conclusion of the program.

The Golden Text (I Timothy 2:5) is: "There is one God, and one mediator between God and men, the man Christ Jesus." Among the Bible citation is this passage. (Isaiah 52:9) "Break forth into joy, sing together, ye waste places of Jerusalem; for the Lord hath comforted his people, he hath redeemed Jerusalem." Correlative passage to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 45): "Our Master fully and finally demonstrated divine Science in his victory over death and the grave. Jesus' dead was for the enlightenment of men and for the salvation of the whole world from sin, sickness and death."

**Travelogues Offer Chance To See World**

A Travel Night for Grosse Pointers will be sponsored by the Department of Community Services of the Grosse Pointe Board of Education on Tuesday evening, April 20th, at the Grosse Pointe High School Auditorium, Fisher Road and Grosse Pointe Boulevard, Time 8:00 p.m.

Through the courtesy of Pan-American World Airways, three travelogues to widely separated points of the globe will be presented. The motion pictures are in color with sound.

You will first take a trip around Latin America, highlighting the Bahamas with their beautiful hotels and many sports, the Canal Zone with its famous locks, Lima, Peru, home of the Inca tribes, the Andes, Buenos Aires, Trinidad, Santiago, Chile, and Dutch Guiana. From exotic Latin America, Pan America will take you to the British Isles for a visit to Ireland where you will see the Cliffs of Mohr and Connemara, the Golden Vale of Tipperary, the blue lakes of Killarney, mountain resorts, city of Cork, a hunt with the Tipperary Hounds, Dublin with its horse racing, hurling Irish dances and a Gaelic Feis competition.

After a delightful visit on the beautiful island of Ireland, you will take a quick trip to Alaska, a veritable hunter's paradise, where wild sheep, goats, bears, fox and other game abound. A land where sportsmen can revel in the satisfaction of varied and bountiful fishing, all in a setting of gorgeous mountains and valleys.

Everyone is welcome to attend this interesting program, although children must be accompanied by an adult. There is no admission charge, however it would be appreciated if those who plan to attend would call the Grosse Pointe Board of Education, Niagara 2000, Extension 25.

**Pointe Thinclads, Nine Face Hazel Park, Fordson**

By BOB PHILLIPS

Grosse Pointe seems to be suffering under the handiwork of Mother Nature and her display of the Monsoon rainy season. Probably the hardest hit are the athletes at Grosse Pointe High School. Coach Frank Banach, mentor of the Blue Devil track squad, has been struggling to keep the thinclads in condition for their season's opener with Hazel Park on April 20.

Due to the poor weather, Banach is undecided as to who will start in the initial contest, but it is obvious that the cindermen are not suffering from lack of material.

In a surprise time trial early last week many boys showed very favorably. Among them were Dick Lowery who ran an excellent quarter mile for so early in the season.

Burt Spurrier, the veteran dash man seems as promising as ever as do Jim Flom, Jim Hoskins, Jerry Braund, Jerry Jenkins and

**Coach Lauer Shapes Up Starting '9'**

By JOHN HUTTON

After a week and a half of baseball practice Coach E. Lauer has a pretty good idea of what his 1948 lineup at St. Paul will be like. Four regulars are back from last year, but all except Jim Law, center fielder, will be playing new positions this spring. John Bingham will switch from 2nd base to third. Third baseman Chuck Alaska is moving to short stop and right fielder Don Williams, the fastest man on the team, is moving to 2nd base.

Big Harry Hammond is battling Pete Balanger for 1st base. Dick Roland appears to be set for the left field job, closely followed by Earl LaFave a promising freshman. Husky Don Hartlage will probably play right field unless he becomes catcher.

The catcher's berth is still wide open, as a successor for Ralph DeCender is yet to be found. Hartlage might catch, but it seems that either Bill Huettnerman or Tom Berg will be behind the plate when the Flyers open against St. Martin on April 22. If Berg wins the job, then St. Paul will have a brother battery.

Bob Berg, Alaska, and Hartlage played together on a championship squad at St. Matthews grade school two years ago, one previous year at St. Paul and on the Billy Rogel team of the Detroit Baseball Federation last summer.

**St. Paul To Have Golf, Tennis**

By JOHN HUTTON

St. Paul High is practically bursting at the seams with unprecedented athletic activity. Last week the local school announced that it would compete in the Parochial League's newly established track loop. Now it appears that the Flyers will return to tennis and golf competition. St. Paul dropped the games at the start of the recent war, but for the last two years there has been a movement among some of the students to re-establish the sports. This year, as the second step of its new expansion program, the League has decided to also sponsor tennis and perhaps golf.

# PROPOSAL TO AMEND BUILDING ZONE ORDINANCE Notice of Public Hearing

The Village Commission of the Village of Grosse Pointe Park has proposed certain amendments to the Building Zone Ordinance; the text thereof is set out below.

## The Commission Will Meet Monday, May 3, at 8 p. m.

in the Municipal Building at 15115 E. Jefferson for the purpose of holding a public hearing on these proposals, with a view to adopting the same, subject to such changes (limited to the same subject matter) as may be developed at the hearing.

**William G. Stamman,**  
Village Clerk

### TEXT OF PROPOSED AMENDMENTS

1. Section III of said Building Zone Ordinance is proposed to be amended by adding at the end thereof a new paragraph (H) to read as follows:

(H) Except as expressly permitted in this paragraph, no business, trade or occupation shall be considered as an accessory use incidental to a residence, or shall be carried on in a residence district. Subject to the following limitations, a doctor, dentist, architect, engineer, lawyer, or similar professional person, may maintain an office in his home, as an accessory use of his residence, and carry on the practice of his profession in a residence district provided that: (1) No other person assists in such practice (except that a doctor or dentist may have one nurse or one receptionist); (2) the professional activity is limited to an office for usual office work and for consultation with clients, and, in the case of doctors or dentists, out-patient treatment; (3) the floor area set aside for such activity shall not exceed more than 400 square feet nor more than 20 per cent of the total useable floor area of the residence; and (4) the activity shall not be carried on in a structure separate from the residence, nor in a wing of the residence unless at least one-third of the wall of such wing is common to the remainder of the residence.

2. Said Building Zone Ordinance is proposed to be amended by adding a new section titled Section III (1), Off-Street Parking Facilities, to read as follows:

#### SECTION III (1) OFF-STREET PARKING FACILITIES

(A) GENERAL PRINCIPLE. In order that the streets may serve their primary purpose of affording a means of travel, the owners or occupants of property shall provide off-street parking facilities adequate to meet the parking demand generated by the use to which the property is put. Such parking facilities shall conform to the standards prescribed in the following paragraphs.

(B) PARKING FACILITIES IN CONNECTION WITH DWELLING USES. Property used for dwelling purposes shall have provision for off-street automobile parking facilities as follows:

- (1) In the Residence A District, there shall be provided on the premises; a minimum of two parking spaces per family.
- (2) In districts other than the Residence A District, there shall be provided on the premises; a minimum of one parking space per family.

Such parking facilities shall be in the form of driveways, garages, or a combination thereof, and shall be located on the premises. The parking facilities shall be located in back of the required front yard, or, if in a district where no front yard is required, then ten feet back of the front lot line.

(C) PARKING FACILITIES IN CONNECTION WITH NON-DWELLING USES. Property used wholly or partly for non-dwelling purposes shall, unless determined otherwise by the Board of Appeals, have provision made for free off-street parking facilities as follows:

- (1) Where the use involves a building, off-street parking space for employees and patrons in area equal to two-thirds of the ground coverage of the building shall be provided.
- (2) Where the use does not involve a building, the required off-street parking space shall be an area equal to one-third of the area devoted to that use.
- (3) Theatres, auditoriums and the like shall provide parking space adequate to accommodate one automobile for every five seats.
- (4) Churches shall provide parking space adequate to accommodate one automobile for every ten seats.
- (5) Where a combination of uses is involved, the required parking space shall be determined by pro-rating on the foregoing basis.
- (6) Parking lots required under this paragraph shall be provided where possible, on or adjacent to the premises, and in any case shall be within four hundred feet thereof. Required parking lots may be provided jointly by separate users. Where possible, access shall be provided from minor streets and alleys.
- (7) Parking lots shall have a ten foot set-back from the front lot line, except that where the parking lot abuts or is in a residential district, the set-back shall conform with the front yard of such residential district. Where a parking lot is in or abuts a residential district, it shall have a buffer strip of not less than ten feet. Where not occupied by buildings, such buffer strip and residential front yard shall be landscaped with permanent material to provide a suitable screen.
- (8) Parking lots shall be bounded by a low masonry wall, shall be properly drained, shall be surfaced with dustless, non-glare material and shall be adequately but unobtrusively lighted.
- (9) Commercial buildings or uses shall provide off-street parking facilities for loading and unloading of commercial and service vehicles adjacent to service entrances and to permit passage of vehicles in alleys.

10. Uses existing on April 12, 1948 and not then having parking facilities equal to that required above, shall not be required to provide parking facilities in order to continue such existing use. If the building is enlarged or the use

extended, parking facilities shall be provided doubly commensurate with the amount of enlargement or extension involved until thereby the parking facilities required for the entire use have been provided.

#### (D) MODIFICATION OF PARKING REQUIREMENTS.

The standard set forth in paragraph (C) above shall be a prima facie requirement. The Board of Appeals may reduce or eliminate the parking requirements of paragraph (C), or may do so subject to appropriate conditions, in any case where the Board of Appeals determines after a hearing that such requirements are clearly excessive or unduly burdensome for any of the following reasons: the use of the property will generate relatively little parking demand; public owned parking facilities have been provided nearby; suitable arrangements have been made for sharing parking space by two or more uses whose parking demands occur at different hours; no economic use of the property can otherwise be made and no other property is available nearby for the provision of parking space. The decision of the Board of Appeals shall be final. Where the Board of Appeals reduces the parking requirements, such decision shall automatically lapse if the building is not under way within six months after the date of the decision or if the building, once under way, is not diligently prosecuted to completion.

(E) DESIGNATION AND MAINTENANCE OF PARKING FACILITIES. Parking facilities shall be clearly shown on the plans filed with the Village. Such parking facilities shall be constructed and maintained as shown in the plans and shall not be discontinued unless the parking requirements are reduced by the Board of Appeals in the manner provided in paragraph (D). Where the parking facilities are not on the same premises as the use to which they pertain, or are under different ownership, or where one parking facility serves two or more uses, the Village may require appropriate recordable instruments whereby third parties will have notice that the property is committed to parking facilities under this Ordinance.

3. Section IV, paragraph (F), of said Ordinance is proposed to be amended to read as follows:

(F) AREA. In a Residence A District no dwelling shall be erected or used on any lot having an area of less than 7200 square feet for each family housed thereon; except that this shall not prevent the use for one family of any lot existing and of record on February 27, 1928, and having an area of less than 7200 but not less than 5000 square feet.

4. Section V, paragraph (A), of said Ordinance is proposed to be amended to read as follows:

(A) USES. In a Residence B District no building or premises, except as otherwise provided in this Ordinance, shall be erected or used except for one or more of the following specified purposes:

- (1) Any use permitted in a Residence A District.
- (2) Two-family dwellings including two-family terraces.
- (3) Public hospitals, schools (other than public schools), and convents, homes, dormitories and other multiple dwellings of like character occupied or to be occupied more or less permanently by not more than twenty persons (but not including penal or correctional institutions, hospitals other than public hospitals, institutions for the care of the feeble minded or insane), only when permitted by the Board of Appeals as specified in Section VII (F).
- (4) Community garages when permitted by the Board of Appeals as specified in Section VII (F).
- (5) Accessory uses customarily incident to any of the above permitted uses, and including private garages, signs, and dwellings for domestic employees as specified in Section IV A (4).

5. Section V, paragraph (G), of said Ordinance is proposed to be amended to read as follows:

(G) For the purpose of fixing minimum lot areas, the Residence B District is divided into a sub-district west of Trombley Road and a sub-district east of Trombley Road; the minimum lot area in each of the sub-districts is as follows:

- (1) In that part of the Residence B District east of Trombley Road no single family dwelling shall be erected or used on any lot having an area of less than 5000 square feet, and no two-family dwelling shall be erected or used on any lot having an area of less than 7200 square feet.
- (2) In that part of the Residence B District west of Trombley Road no single family dwelling shall be erected or used on any lot having an area of less than 3000 square feet, and no two-family dwelling shall be erected or used on any lot having an area of less than 5000 square feet; except that this shall not prevent the use for a two-family dwelling of any lot existing and of record on April 12, 1948 and having an area of less than 5000 square feet, but not less than 4000 square feet.
- (3) Convents, homes, dormitories and other multiple dwellings of like character when permitted in the Residence B District shall have a minimum lot area on the basis of 3000 square feet per family; each five persons intended to be housed thereon shall be deemed the equivalent of one family.

6. Section VI, paragraph (A), of said Ordinance is proposed to be amended to read as follows:

(A) USES. In order that the Village may remain strictly a suburban residential community, business and commercial uses of property are limited to those unobtrusive, non-congestive uses which directly support residential activities and demands, and which by reason of necessity or great convenience must be located within or close by dwelling areas which they serve, all as more specifically set forth below:

(1) Uses Permitted. In the Business District no building, structure or land shall be used, and no building or structure shall be hereafter erected or structurally altered for other than the following uses:

- (a) Uses permitted in the Residence B District, provided that the limitations of that district are observed.
- (b) Public buildings, properties and facilities.
- (c) Public service, telephone, telegraph and passenger transport buildings, but not including storage facilities.
- (d) Schools, hospitals, medical and dental clinics, convents, and dormitories or similar dwellings.
- (e) Parish houses, community buildings and clubs.
- (f) The executive or administrative offices or departments of professional, philanthropic, commercial or other lawful activities. Real estate offices.
- (g) Theaters and other places of amusement and recreation conducted primarily for the residents of the locality.
- (h) Mercantile establishments for the sale of goods at retail, conducted primarily for the residents of the locality.

- (i) Neighborhood bakery.
- (j) Bank or financial institution.
- (k) Barber or beauty shop.
- (l) Business or Commercial School or College.
- (m) Catering establishment.
- (n) Conservatory or dancing academy.
- (o) Dressmaking or millinery establishment.
- (p) Electrical repair shop.
- (q) Dyeing, cleaning or laundry establishment primarily for local service.
- (r) Club or lodge hall.
- (s) Messenger or telegraph service station or telephone exchange.
- (t) Florist shop.
- (u) Painting and decorating shop.
- (v) Parking lot for passenger automobiles.
- (w) Plumbing shop.
- (x) Post Office.
- (y) Print shop.
- (z) Public garage for auto sales, service and repair, or automobile service station where 200 ft. or more from a school, hospital, church, or community building. Such garage or service station shall be primarily for the residents of the locality.

- (aa) Restaurant or cafe.
- (bb) Sales or show room.
- (cc) Shoe repair shop.
- (dd) Studio.
- (ee) Tailor shop.
- (ff) Undertaking establishment.
- (gg) Upholstering shop.
- (hh) Tin shop.
- (ii) Electric shop.
- (jj) Speedy car wash (if set back 25 ft. from public thoroughfare.)
- (kk) Health studio.
- (ll) The repair, conversion, alteration, finishing, assembling, servicing, fabrication otherwise processing or storage of goods primarily as a custom service to residents of the locality or for sale at retail on the premises, provided the foregoing are incidental to the retail function when not a custom service. There shall not be in connection therewith any operation of machinery or the conduct of any process or activity, the display or storage of goods or facilities in such a manner as to be noxious or offensive by reason of odors, fumes, dust, smoke, waste, vibration, noise, sparking, lighting, advertising or manifest unsightliness.
- (mm) Uses similar to those above enumerated, provided the Board of Appeals shall have made a finding that such use is in fact similar.

(2) Uses Generally Prohibited. No uses which are principally manufacturing, warehousing or commercial use principally for consumption outside the community, or related uses will be permitted in this district.

(3) Uses Specifically Prohibited. None of the following types of uses nor any similar thereto shall be permitted: storage yards, stone yard or monument works, construction contractors plant or storage yard, Carting, express, or dray storage yard. Public storage garage or repair garage established primarily for automobile body or fender repair shops. Commercial storage yard. Open display uses, including unenclosed garden, fruit, nursery and similar open air markets. Machine shop, Ice plant or storage house. Wholesale laundry or cleaning establishment not primarily a local service. Bottling works. Wholesale distribution center based on truck terminal facilities. Any type of manufacture or treatment other than the manufacture or treatment of products clearly incidental to the conduct of a permitted retail business conducted, on the premises.

7. Section VI, Paragraph (G), of said Ordinance is proposed to be amended to read as follows:

(G) AREA. In a Business District no dwelling shall be erected or used on any lot having an area of less than three thousand square feet for each family housed thereon.

### Fine New Gift Shop Makes E. Side Debut

Easily the finest and fanciest gift shop on the east side and one of the finest in the mid-west will open its doors this week-end when Oxford Road's Grosse Pointe, "Ted" Papes, opens the doors of Papes, The House of Gifts on Houston in the Hayes-Houston business section.

The House of Gifts is stocked with an impressive selection of gifts for home decoration, weddings and showers, including domestic and imported china, pottery, crystal, dinnerware and wood pieces.

Unique departments are the "planters' bar" where milady can purchase metal and glass containers and small plantings, and the largest selection of greeting cards on the east side, arranged in a battery display. The candy department features the famous An-

### Major Returns To Active Duty

Major Sam A. Tomaino, of Grosse Pointe Park, was one of the 50 or more Reserve Officers from several mid-western states, who completed three days active duty training at Smoky Hill Air Force Base, Salina, Kansas, this week.

While at Smoky Hill, the officers observed various functions of the base administrative and operational sections, and were taken on B-29 flights by Superforts of the 301st Bomb Wing, which is commanded by Col. Leslie G. Mulzer. The three day active duty training is one of the programs being carried out by the Air Defense Command to keep Reserve Officers of the Air Force acquainted with present day developments.

**VIVACIOUS YOUNG STARLET:** This year's lavish new "Skating Vanities" which comes to the Olympia in Detroit starting Friday, April 16th, marks the debut of pulchritudinous Eileen McDonnell in the select circle of stars. With beauty as her main asset, Eileen is a most delightful addition to this star packed skating classic.

### Dave McCarron's 603 Series Leads Mondry In Rotary Loop

Dave McCarron, president of the G. P. Rotary Club Bowling League, took top honors last Friday night with his 227 single and 603 high three. Aided by Allor's 544, Van Tiem's 516, and Barber's 512, Piche's Motor City Tires stopped Mondry Cleaners, 3-1. Charlie Castle's 205 and Gene Mertz's 221, paired up to win the middle game for Mondry, thus averting a shut-out. Boyer's "tire experts" threatened to take "season team single" but settled for 902. Cap't Russ Piche, coming in on the rim, with a robust "one O five."

Martin Outboard Motors trimmed Harrison Carpets, 3-1, as was expected and are now tied up with Houston for first place. Bill Van Dam and Gene Groth coming thru with 566 and 543, respectively. Leo Litzau shot a nice 551, for the Carpenters.

The Punch and Judy Cocktail Lounge, a group of young men who know how to bowl, spilled the Piche Barbers, 4-0, the only shut-out of the evening. They are now tied with Mondry, in fifth place and are expected to move up a little in the standing as the season draws to a close.

Farms Market lost the opener but came on to win the next two and total pins for a 3-1 win over the Wolverine Pot. Chips. Cap't Ed Taube, Farm's "old reliable" showing the way with a 561 series. Carl Thompson, the money man, displayed 525 for the losers.

Houston Bros. Inc., was away off form, they started alright, winning the first game but went haywire and blew the next two and total to the G. P. Review team. Irv Schoof's 525 was the best for Houston, while Cap't Henry Pelinek, for the Printers, ruffled 588.

Probably the best match of the evening took place when Holz-

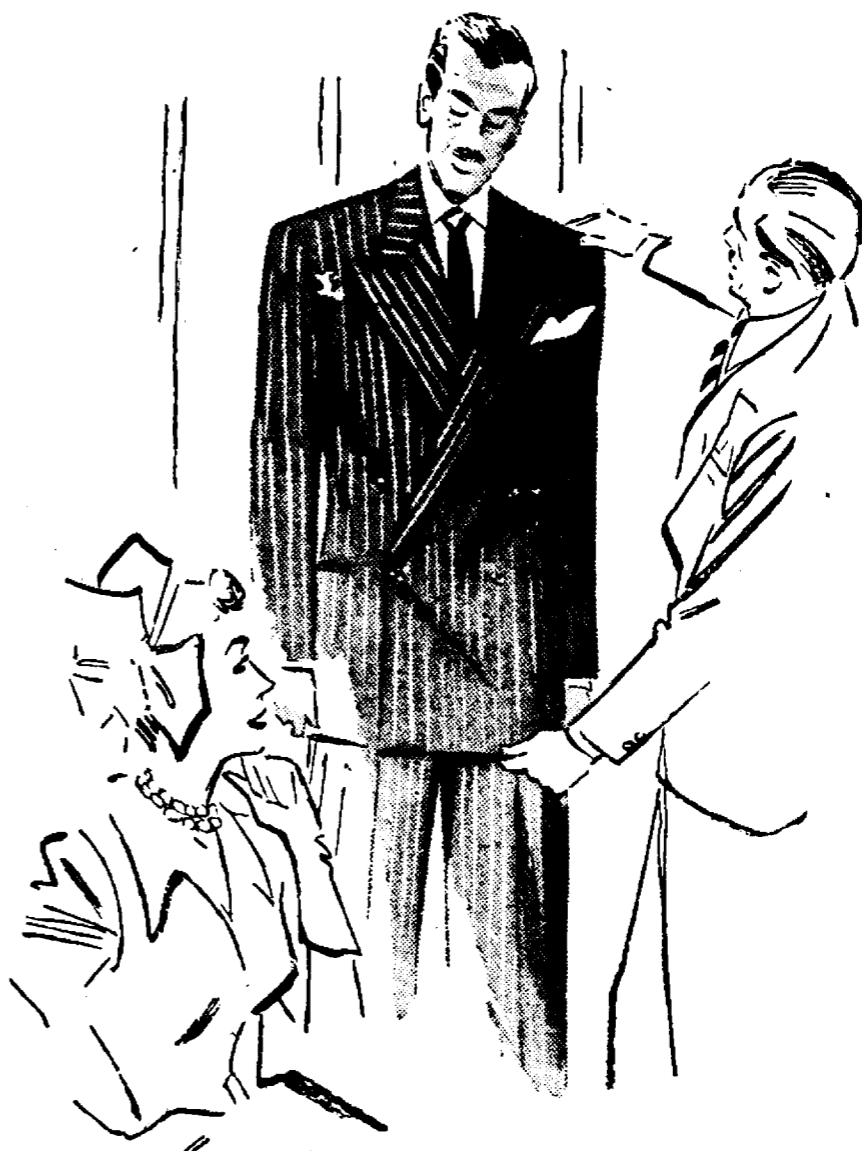

baugh Motors derailed the Middle Atl. Transp. Co., 3-1. Holzbaugh won the first game but lost the second one and the Middies were all set to pull the Fordsters out of third place. They led by 62 pins going into the last game but Court Trombly's 226 and Cap't Geo. Bamberg's 225 helped to produce a 932 game, against 866 for the Atlantics. Holzbaugh winning the game and also total pinfall by 4 pins. Chris Robb, for the losers, drew seven splits, in the last game, some sort of a record we believe.
