ACT TO IMPROVE FIRE DEPT.

Editorial Arouses Officials, Residents, Plan to Spend \$40,000

The editorial "Cause for Alarm" appearing in the Review last week advocating that steps be taken by the Grosse Pointe Woods Council to divorce the fire department from the police and establish a fire-fighting force with modern equipment and a crew of full-time firemen caused a cross-fire of controversial opinions.

However Alois A. Ghesquiere, Woods president, lost no time in taking action. At his recommendation at the council meeting Tuesday night the council took the following steps:

- 1.—Formulated plans of a \$40,000 bond issue to finance the purchase of new fire equipment and housing to be placed before the voters for final approval.
- 2.—Advised the Fire Commission to make a closer study of the Fire Department and present a full report to the council within 30 days.

PRESIDENT ANSWERS

The editorial was also successful in its prime purpose of "alerting the residents" to the vital matter as pointed out by Alois A. Ghesquiere, Woods president, in his letter to the editor which appears on page two.

A letter also appears from the Woods Fire Commission, comprised of Paul W. Rowe, chairman; George Gardner, and George Burgess.

The commission feels that the present department is adequate but that it needs more equipment and a place to house it. Their letter states:

"We feel that when we obtain this additional equipment we will be on par with the Shores Department, which has a combined system with adequate equipment and has been given an insurance rate of \$4.00 per thousand, 50 cents per thousand less than ours."

COMMISSION FORGETS

The commission is bordering on a contradiction when they admit that the fire department is adequate but needs more equipment. They also forget that the population of the Shores is only 900 compared to the Woods' 8,000 and that the future development of the Shores is very limited.

REVIEW'S OPINION ONLY

It has been called to the attention of the Review that Commissioner Arnold Diesing and Clerk Philip Allard have been credited with the editorial "Cause for Alarm" in last week's edition. The editorial was inspired by the publishers of the Review who see the need for immediate action regarding the fire department. It was written by the Review staff exclusively. It is the policy of the Review to publish editorial matter written by non-staff writers only when such articles are rightfully identified and in "Letters to the Editor" column.

Arnold Diesing and Leon D. Ratcliffe, newly elected commissioners agreed that immediate action should be taken.

Mr. Diesing said: "I have always advocated the separate operation of the police and fire department. I urge that the President accept the Review's suggestion and appoint a non-partisan group to make all necessary studies and return a comprehensive and conclusive report to the council."

Mr. Ratcliffe agreed with Mr. Diesing and added that in view of the recent development the matter should be brought out in the open and discussed thoroughly in the best interest of the village.

FEARS TAX RATE

Commissioner Rex Johnson expressed the opinion that an individual fire department at the present time would effect a higher tax rate (far greater than its protection would justify). He suggested however that the Fire Commission study the matter closer and report to the council.

While officials did not agree on what course to pursue a poll conducted by the Review on Mack near 8 Mile Road, Saturday, found village taxpayers in accord. They want more protection.

SUFFER STROKE

Farms Police reported that Matthew Bohan, 60, who is employed at the home of Fred Maher played at the home of Mrs. Maher of County Club Lane, suffered a stroke of undetermined cause Sunday. He was taken to Cottage Hospital.

PEOPLE SPEAK

Earl D. Mohan, 1616 Roslyn, Woods businessman who opposed Mr. Ghesquiere during the recent election: "The council should hire four full-time firemen to be placed on full-time duty immediately. Meanwhile further additions of men and equipment should be kept in line with the growing needs of the village."

Mrs. R. M. Redenbaugh, 2081 Hawthorne, housewife: "The Review stated last week, the men are doing a wonderful job now but they need help if the village is to be fully protected."

Michael Pray, 1561 Brys Drive, machinist: "I know the volunteer department is doing a good job but their foolish to think that they can continue to do so. The village is getting too big for a volunteer crew."

Frank Toro, St. Clair Shores: "I used to reside in the village a few years ago and I was a member of the volunteer crew. Though I tried to answer every call, I know I missed at least 50 per cent of them due to other business."

Mrs. Florence Noe, 20758 Mack, music teacher: "My studios are directly across the street from the fire department and it is so discouraging to see the engine answer an alarm with just one man on it. I wonder what would happen at a major fire."

ADDRESSES 'R' CLUB

Mr. Edward Hartwick will address the Grosse Pointe Republican Club, Monday, April 26 at 2 p.m. at the home of Mr. Murray Sales, 17743 Jefferson. His subject will be "Teamwork in the Present."

DOG BITES BOY

Farms Police reported that William Reeves, 9, of 360 McMillan was bitten by a dog owned by Dr. Carlisle Rueger, of 332 McKinley, last Saturday.

Detour DSR Buses Through Pointe City Acts to Protect Community

Grosse Pointe City officials met with the Wayne County Road Commission and representatives of the Detroit Street Railways last week to discuss the Mack Avenue widening project.

The following factors developed:

- 1.—Through traffic will be detoured beginning sometime next week and continuing to July 1. East-bound traffic will be cut-off at Cadieux and West-bound will be detoured at Outer Drive.
- 2.—Mack Avenue between Neff and Washington Road will be blocked off from all traffic for at least 30 days.
- 3.—DSR buses may be re-routed through residential streets in Grosse Pointe City.

Mack Avenue businessmen have informed the Review that they will take legal action to oppose any complete blockade.

However, according to County officials and Thomas E. Currie contractors, the work cannot be completed unless a blockade is established for a short period.

Meanwhile Norbert Neff, City Clerk, reported that the City made it known to DSR that it would oppose any routing of big buses through the community residential streets.

"Heavy buses which make 270 trips daily would devastate our streets," said Mr. Neff. He suggested that the DSR establish shuttle service, using smaller and lighter buses.

The DSR is also considering the possibility of discontinuing service during this period which would mean that people in the area would have to use either the Warren service or the Lake Shore Coach Lines.

Agreement with the DSR and City officials is expected to be (Continued from Page 1)

Farms to Improve Park Pier

The Farms Council approved the Recreations Committee's recommendations for the development of the new baseball park at Kerby off Mack and to install general improvements at the Farms Pier. The general cost is estimated at \$5,000.

Also approved by the council was the low bid of Teelaert and Wybo, contractors who agreed to install a sanitary sewer to connect the boat house with the Lake Shore Road sewer. The work is to be completed by June 1, at a cost of \$4,920.

The Recreation Committee is comprised of Neil McEachin, William Kirby and George Schlaepfer.

Following is the improvements they recommend:

LIST IMPROVEMENTS

1. That the roof of the bathroom be re-covered with a new composition roof, the superintendent to obtain bids for Committee or Council action.
2. Move the check room to the room now used for skating purposes in order to increase the size of the men's and women's dressing rooms, work to be done by the present Pier help which includes one extra man.
3. Replace the existing dilapidated wood shelving by the purchase of twenty units of steel shelving consisting of fifteen shelves to a unit at a cost of \$16.50 per unit, total \$330.00.
4. Fill with cement the depression left in the dressing room floors after removal of former wood dressing booths.
5. Replace former dressing booths in lady's room with arrangement of curtains to provide privacy and sanitary facilities for changing clothes, cost approximately \$200.00.
6. Provide exit signs inside of building over all doors and check to determine if possible to arrange front doors to open outward and establish rear exits.
7. Purchase one hundred new wire baskets at a cost of about \$1.00 each to increase checking facilities.
8. Office Improvements—Clean and generally improve the Pier office. Move sink from outer hall to inner office. Install two section door between outer hall and inner office to maintain privacy for attendants and life guards. Order and post signs to indicate the Village employees only are allowed in office. Purchase new desk and three chairs to replace existing dilapidated and broken down furniture.
9. Obtain quotes for the installation of a flood light on the north end of the bathing beach.
10. Install additional fountain in the picnic area similar to the one installed last year.

(Continued on Page 3)

The popular cry of "play ball" left this group of Farms youngsters somewhat perplexed because they have no diamond to play on. The youths who were members of Metropolitan Club League teams last year used Kerby Field in 1947. However the field was sold recently by the Farms Council hoping to have a new and better diamond ready this spring at Kerby Rd. between Chalfonte and Mack. Comm. Neil McEachin, chairman of the Committee wants the boys to know that the committee is making every effort to expedite the completion of the new diamond. Meanwhile the youngsters are not too happy about the prospect as they look over the condition of the new field. In the group are Jack Trombly, John Huetteman, Joe Meier, Pat and Tim Geist and Bill Mason. The work on the new field is expected to cost \$3,500.

Park Officers Cited For Past Efforts

Two Park Police Officers received three citations each last week from Homer C. Fritsch, village president and former police commissioner.

Honored were Officers Art Conlan and Charles Slusser for meritorious police work effecting the arrest of several auto thieves and burglars during the past two years.

It marked the fourth citation for both of the men who have been working very effectively as a team for more than three years.

They received initial recognition last November when they were very instrumental in the arrest and round-up of a gang of armed robbers.

It was this effort which encouraged Mr. Fritsch and Police Chief Arthur Louwers to establish Grosse Pointe's first honor system in recognition of outstanding police work.

After the policy was established, Chief Louwers checked into his file of past police deeds and recently recommended the other citations for Conlan and Slusser.

Conlan is president of the Metropolitan Club of Grosse Pointe. Both officers live with their families in Grosse Pointe Park.

Also honored were Detective Arnold Hough and Officer Frank Dilloway.

Chief Louwers said that he expects to make additional recommendations shortly to Councilman James McMillan, newly appointed police commissioner.

Urges Steps for Fire Prevention

Fire Chief Edward L. Rector, pointing out the danger of failure to take fire prevention measures, asked residents of Grosse Pointe Park to participate in the annual Spring Clean-Up Campaign scheduled from April 19th to April 24th.

About 11,000 persons were killed by fires last year and the United States fire bill amounted to approximately \$700,000,000. Chief Rector said. He explained that Spring Clean-Up is a means of removing the common hazards which cause 90 per cent of all fires.

Among these hazards Chief Edward L. Rector listed accumulation of debris and other unnecessary combustible material, flammable liquids, dirty stoves and lamps, dirty chimneys, flammable roofs, dirty and defective heating plants, and dirty and defective electrical appliances.

A detailed Spring Clean-Up program will be announced later, he said. The campaign is sponsored nationally by the National Fire Protection Association.

Schweikart Bids for County Clerk

Carl Schweikart, Grosse Pointe Township supervisor, is the first person to enter the race for Wayne County Clerk in the election to be held September 14.

Schweikart, who was recently elected chairman of the County Board of Supervisors, announced his candidacy Tuesday afternoon.

Students Learn Driving ABC's

The ABC's of driving was explained to more than 100 Pierce Junior High School students by Dr. Arnold Hough and Officer Gerald Kesteloot of the Park Police last week.

The course, which was arranged so each student would receive at least two-hours of instructions on "safety first auto driving," is part of the department's Traffic School program.

Traffic School classes are held every other Tuesday from 7 p.m. to 9 p.m. in the Park Municipal Building, Jefferson at Maryland. The next class will be conducted on Tuesday, April 27.

Parents Aid Scouts For Big Carnival

A gala carnival show with a colorful midway packed with novelty acts will be presented by Boy Scout Troop 147, under auspices of the Defer PTA on Friday, April 23 at Defer School.

Featuring the four-hour show which will get under way at 7 p.m. will be "White Warrior" the wonder trick horse that will appear in person at the school.

The scouts, aided by the parents, are currently busy completing preparations for the show. The public is invited.

Good Humor Man in for Bad Time

In accord with a petition signed by 74 Farms residents, the Council approved on a committee of Trustees and private residents Monday to study the sale of Good Humor ice cream in the village.

The residents contend that the frequent visits of "Good Humor Man" have become a nuisance and that they would like to restrict his bell-ringing appearance in the village to two days per week.

John Yoe, the company's attorney, told the council that his company would be more than willing to reach any agreement satisfactory to the residents.

The council withheld awarding a new license to the company pending final report of the committee.

The Health Dept. Problem

Dr. T. S. Davies, health commissioner has enough on his hands without having his department criticized and kicked about as a political football by officials of villages as they maneuver to break away from Township administration.

Despite how village officials feel about their present administration, the health department should not be used as a format to any contemplated plan.

Burdened with the responsibility of safe guarding the health of close to 40,000 people Dr. Davies needs the whole-hearted support of all the Pointes.

It is true that each village does pay a determined sum for the service but that is not enough for this physician who goes about his duties as conscientiously as the reliable "country doctor."

Daily at his clinic, which would hardly due credit to a Detroit settlement district, he examines and vaccinates children. He also conducts inspection tours, and directs his staff of two full-time nurses through a day full of calls and assignments. Many anxious mothers during trying illness of their children have received aid and assurance from him.

He recently rendered a tremendous service to Grosse Pointe by conducting a successful Chest X-Ray program, here.

Instead of criticising the department, officials should look over on Dr. Davies side of the fence and see "just what goes on there."

Is there any reason why officials from each community cannot meet with the Township Board to discuss the health problem. Present back-door conferences and private sessions with threats of calling in the Wayne County Health Department to render service here is no solution.

The Township health service budget is a little more than \$25,000—approximately 70 cents per person each year—why not boost that up to \$1.50 (the cost of County service) and provide Dr. Davies with the facilities and staff he needs to render an adequate and complete health service.

Meanwhile let's keep politics out of the health department.

TRAGEDY OF ERRORS

Three drivers, three vehicles, three mistakes. That is an absolute pattern for disaster.

If one of the drivers hadn't slowed down without warning, if the bus driver hadn't tried to pass it without reducing his speed, and if the third driver hadn't been drinking, this tragedy probably never would have occurred.

As it was, a soldier is dead, two of his brothers are crippled for life, and a dozen children are recovering from serious injuries.

Also, a 23-year-old college graduate with a promising career in medicine has been charged with manslaughter and felony drunk driving.

It happened very quickly. The southbound school bus was following the black sedan in the right lane of a three-lane highway when the sedan slowed down sharply. The bus driver veered out to pass in the center lane. At that precise moment the northbound convertible coupe, with a drunk driver at the wheel, and carrying four woody passengers, weaved into the center lane. The crash was head-on, the consequences frightful.

Drive Carefully, Let's Keep Grosse Pointe Safe.

Commission Answers Editorial

TO THE EDITOR

In reading your editorial of last week regarding our Fire Department in the "Woods," I was rather pleased that you did such a good job in alerting our citizens and making them aware of the need for more fire fighting equipment. Also it was gratifying to read your words of commendation for the good job the Dept. is doing with the equipment we have. The Village Commission is fully aware of the need for additional equipment and will act with dispatch in obtaining the best for the Village in the most practical manner.

You are rendering a service to our community in bringing out our needs, but you render us somewhat of a disservice in unduly alarming our citizenry with such statements as "one horse shanty engine," "Makeshift crew of policemen and volunteer firemen."

Our fire truck, which includes pumper, booster, special spray and fog nozzles, 250 gallon water tank, and all the best chemical type extinguishers, is one of the most efficient pieces of apparatus in the whole Grosse Pointe community and is most effective, bar none, in the first five minutes at any fire, which, as you state, are the most important.

Our crew consists of two men, assistant chiefs, who are primarily and regularly in charge of the equipment and in command at the fires, 11 policemen, who all have had specialized training in fire fighting, and who regularly respond to all fires whether on duty or not, 9 volunteers who are really more than that, in that they too have had specialized training, are paid an annual retainer fee and are all very enthusiastic and willing in their duties. Our force was increased last year by 4 policemen and 1 volunteer.

Periodic drills are held and the results have been that our fires are fought as efficiently as any in this area.

Your statement, too, about insurance rates, is slightly in error and misleading to such a degree that it should be disregarded entirely. Mr. Paul Rowe, one of our Police and Fire Commissioners, is writing you a letter regarding this and should show a clearer picture.

We are in the process of adding to our equipment and I hope we can be permitted to do it in a logical and common sense manner without extremist or undue "viewing with alarm" or without any hysterical crusading.

As soon as our "Non-Partisan" Village Commission has estimated together for proper equipment and a building in which to house it, the proposal will be presented to the electors for their approval. In the meantime, our present set up will continue to function as well or better than in the past and in the case of extremely large conflagrations will get help from our neighboring communities with which we have cooperative agreements for assistance.

A. A. Ghesquiere, Village President

TO THE EDITOR:

As Chairman of the Police and Fire Committee of the Grosse Pointe Woods Village Commission, I cannot let your editorial of April 15 concerning our Fire Department go unanswered. Although I feel you have the best of intentions, i. e., to help Grosse Pointe Woods obtain a top notch Fire Department and a lowered insurance rate, it is not quite that easy. You may be sure the President and Commissioners have faced this issue before. We are a fast growing Village but with Federal regulation of housing our growth has not been steady but has been in spurts whenever Uncle Sam releases the controls; hence, we cannot build our Village services in preparation for full or contemplated growth, but must follow the new growth when and as it appears.

EXPLAINS RATE

As to the savings on a reduced insurance rate—you cannot just multiply the assessed valuation by the difference in rate and get a year's savings to the home owning taxpayers because a large share of the Village's total assessed valuation represents land value and further, the average owner does not cover his dwelling or furnishings to their full replacement costs. I would estimate, and I speak with some authority and experience on this matter, that the average Grosse Pointe Woods homeowner taxpayer carries approximately \$12,000.00 of fire insurance on his dwelling and household goods.

Open 8 a.m. - 10 p.m. Including Sunday Orling's Sausage BEER WINE Fresh Meats - Produce Groceries Bill's Market 21815 MACK ROSEVILLE 9332 -We Deliver-

Most Grosse Pointe Woods dwellings are one-family structures of brick veneer with an asphalt roof which would give them a three-year rate of \$4.50 per thousand dollars of coverage or a three-year cost of \$4.00 for fire coverage to the average owner.

The rate in Detroit and the other Grosse Pointe communities is \$4.00 per one thousand dollars of coverage or a total three-year cost of \$48.00 for the same amount of coverage, a savings of \$6.00 in three years or \$2.00 per year. Thus the reduced rate would save the 2,000 Grosse Pointe Woods home owning taxpayers you mentioned approximately \$4,000.00 per year. Should the Commission immediately adopt the measures you suggest, i.e., establishing a separate fully staffed Fire Department, it would certainly cost several times more than \$4,000.00 per year in added taxes, and I am sure at this time would be more expensive to the home owning taxpayer than the extra fifty cents per thousand dollars of coverage he is being charged. At this point I want to make it clear that we are not happy with our \$4.50 rate but would like to have it reduced but feel that our combined Police and Fire Department is adequate at the present, but that we need more equipment and a place to house it. We feel that when we obtain this additional equipment we will be on a par with Grosse Pointe Shores, which Village has a combined system with adequate equipment and have been given a rate of \$4.00 per thousand.

24 HOUR DUTY

As to personnel—in addition to the Chief of the Police and Fire Department we have two Assistant Chiefs who have special schooling in fire fighting and are on call twenty-four hours per day. Each policeman is trained in fire fighting and is on call twenty-four hours per day. In addition, we maintain nine paid part-time firemen, (not volunteers), all of whom live in the neighborhood of the fire station and part of whom are employed in Grosse Pointe Woods during the day. I have seen these men in action at several very serious fires and know from the results that they operate like veterans. For a number of years the writer adjusted fire losses for a large mortgaging corporation in Detroit which gave me a first-hand opportunity to observe the results of fire fighting.

My purpose in writing to you is to reassure our citizens who might feel after reading your editorial that fire protection in Grosse Pointe Woods is at a very low ebb. The President and the Village Commission are aware of the fact that there is need for improvement but we feel we have kept abreast with the needs and changing conditions of the community and when we are able to secure and house additional equipment we will then be in a position to ask for the lowered insurance rate. In the meantime, all fire calls are being answered promptly and taken care of in an efficient manner. We do have to rely upon assistance from neighboring Villages in very rare occasions, but this is a mutual agreement which is general practice in all small neighboring communities throughout the country.

Very truly yours, Paul W. Rowe, Commissioner

\$1000 Goods, Cash Stolen

Park Police reported that \$1000 worth of merchandise and \$33 in cash were taken by burglars from two stores in and near the village last week.

The merchandise, comprised of golf balls, golf clubs, baseball equipment and other sporting goods, were taken from Lester's Hardware, 14988 Mack. Entrance to the store was gained by breaking through a rear window.

Joe Eschrich's market on 15214 Charlevoix lost the cash sum to prowlers who forced their way into the store by using a crow bar on the front door.

Police said that the thefts may have been committed by the same person.

Breadon was appointed by Representative Harold F. Youngblood (R., Mich.) on November 10, 1947.

The luncheon was given by the President and Mrs. Truman in honor of Breadon and the United States House of Representatives and Supreme Court Pages. The luncheon which was held in the State Room consisted of tomato soup, turkey ala king, fruit salad and, for dessert, strawberry ice cream and cake. The United States Marine Band furnished music during the luncheon.

Following the luncheon the Pages attended a showing of "Fort Apache" in the President's private theater located in the White House.

Optimists Hold 3rd Annual Installation of Officers

Amidst colorful ceremonies, the Grosse Pointe Optimist Club held its third annual installation of officers Tuesday evening at Tassie's Tavern.

With Lawrence W. Korte, presiding as the genial master of ceremonies, the following new officers were installed: Dr. Walter L. Tuttle, president; Preston Smith, 1st vice-president; Charles K. Esler, 2nd vice-president; David H. Livingston, secretary-treasurer; and Julius A. Stork, sergeant-at-arms.

SEE OPENER

The opening day of the ball game Mr. Ralph Lustig of Ashley Road will be entertained at a luncheon at the Book Cadillac by Mr. A. Louis Schultie of East Outer Drive. After the luncheon they will go to Briggs Stadium to see Detroit play with Cleveland.

The Review was cited by the U.S. Army last year for outstanding contributions towards the war effort.

Police Release Check Forger

Edward Tate, 50, Detroit machinist, who was arrested last week for forging a \$50 check, was released by Park Police when his intended victim refused to prosecute.

Joanne Allen, proprietor of a candy store at 15230 Charlevoix, who cashed the check told police that her money had been returned and that she did not intend to press any charges.

In releasing Tate, Police Chief Louwers also considered a plea made by Mrs. Tate.

The investigation which led to Tate's arrest was made by Dr. Arnold Hough.

Judge Healy To Speak At Memorial Church

The Women's Association of the Grosse Pointe Woods Presbyterian Church will hear Judge D. J. Healy, Jr., of the Probate Court speak on "Juvenile Delinquency," at the Grosse Pointe Memorial Church on Monday, April 26 at 8:15 p.m.

Judge Healy, Jr., will be introduced by Rev. Andrew F. Rauth. Mrs. Clayton LaMont will give the dedication, and hostesses included Mrs. L. R. Montgomery and Mrs. Murray MacDonald and the Martha Group.

BATH-TUB BARITONE

It's no trick to hit high C when your bath is warm... when you know there's an automatic electric water heater in the house to bring you all the hot water you need whenever you turn the tap!

It's safe, for there are no flames, no fumes, and no soot.

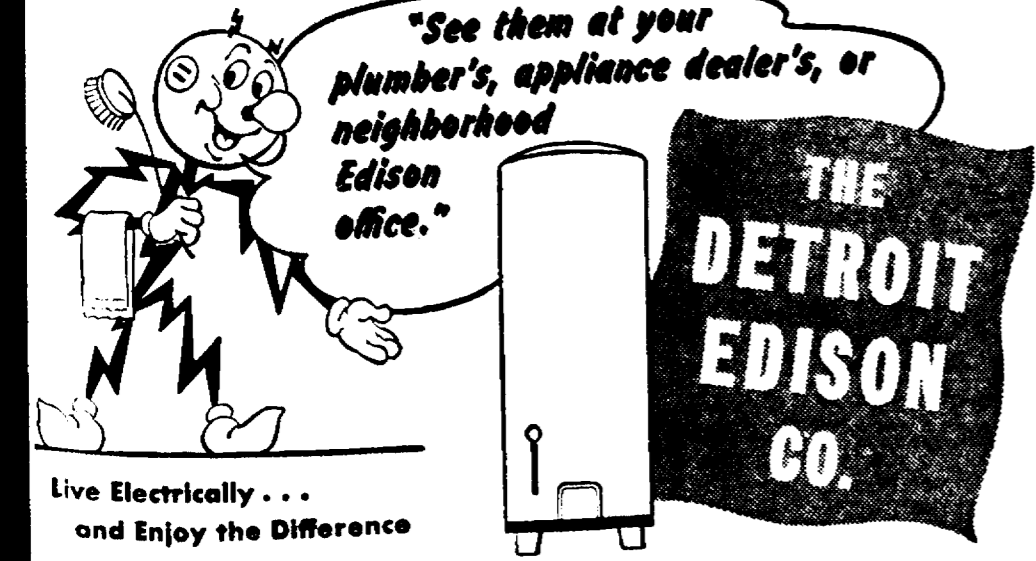

It's clean and quiet and trouble-free.

It's economical, too, because the current comes to you at a special low water heating rate.

And it's reliable—once installed, you can forget all about it. For laundry, baths and dishes, and a dozen other uses, try water heated electrically—the modern, carefree way.

For good health and good spirits, physicians say, try a daily hot bath. For dependable, low-cost hot water—thousands of your neighbors say—electricity rings the bell.

FUTURE PLANNING

(a) Plan for the location and construction of a more permanent gatehouse to better handle park traffic and provide heating arrangements for same.

(b) If permanent plans for replacing existing Pier structure do not materialize in the near future the existing board walk along the front of the bathhouse should be replaced with concrete.

COMMUNICATION

The committee carefully considered a communication from Mr. Joseph T. Rem, resident at 478 Belanger Avenue, in which he objected to the limit in the length of boats permitted to be moored in the rear boat harbor. He requested in the communication that the limit in the length of boats permitted to be moored in the rear boat harbor be increased from 16½ feet to 20 feet, and attempted to show by diagrams and sketches that the increase could be safely allowed.

As before stated the committee gave every consideration possible to Mr. Rem's request, however, after taking into account the space available, as related to other problems in entering or leaving the rear boat harbor, it is recommended that the request be denied.

REGULATION

The committee respectfully requests the Council to affirm the following regulations as binding upon the applicants for mooring spaces at the Village Pier.

That the maximum length of any boat to be moored in the rear harbor and inner small boat harbor (rowboats and outboard boats) spaces 32 to 95 inclusive, and 114 to 123 inclusive, and at the main harbor small dock (sailboats) spaces 96 to 113, shall not exceed sixteen feet six inches.

Parties Held for Bride-Elect

April bride-elect Jane Ely Howarth of 515 Washington Road, and groom-elect William Bowman Hibbard, of Seminole avenue, have been the guests of honor at a whirl of recent pre-nuptial festivities given by friends before the wedding on April 24, performed by Dr. Francis Creamer at Christ Church.

A breakfast for the bridal pair was given on April 11 by Barbara Weeks at her home on Oxford Road for thirty guests, with Spring flowers as the decorative scheme.

Mary Louise Hurley, of Rivard avenue, was hostess at her home on April 13 for a miscellaneous shower for Miss Howarth, with a buffet supper served in candle-light.

She was also honored the following day at a luncheon and shower given at the Lewiston avenue home of Mrs. Ralph W. Simmonds for twelve guests.

A bachelor dinner for her fiancée was given, strictly stag, on April 16 at the University Club by his brother, Ted Hibbard, who will be best man.

Both Jane and Bill were included in the cocktail party and bar shower on Saturday evening with Mr. and Mrs. Richard L. Beamer hosts at their Grosse Pointe Boulevard home, which will be followed by the hosts taking the party to the Country Club for a formal dinner.

Miss Howarth enjoyed a spinster dinner on April 21 given in Indian Village by Miss Kay Sherman and Miss Jean Martin for twenty friends. Miss Sherman of Meadowlane, assisted Miss Martin at the affair at her home on Van Dyke.

A rehearsal dinner will be given by the groom-elect's parents, Mr. and Mrs. Charles Frederick Hibbard on April 23 for the bridal party, including Miss Howarth's parents, Mr. and Mrs. Winslow Howarth, and her cousin, Miss Jean Eary, of Bronxville, N. Y.

Pointe Bride to Reside in New York

Tahawus, New York, in the Adirondacks, will be the future residence of the newly married Mr. and Mrs. Morton McGinley when they return from their honeymoon trip which followed the nuptial ceremony held on April 17 at the Grosse Pointe Memorial Church.

The Rev. Frank Pitt performed the 4:30 p.m. rites which united in marriage Sally Duffield, daughter of Mr. and Mrs. G. E. Duffield of 93 Merrimack Road, and Morton McGinley, of Baltimore, Md., and the late Mrs. McGinley.

For the ceremony, the bride was gowned in beautiful nylon illusion, with satin bodice covered with illusion, long shirred sleeves, hoop skirt ending in illusion train. A circlet of Duchess lace crowned her finger-tip veil and she carried a bridal bouquet composed of blue vanda.

Mrs. Albert B. Craig, Jr., of Rochester, N. Y., was matron of honor in iris blue marquisette with full skirt and bodice designed similar to the bridal gown, and a matching straw bonnet with matching velvet streamers. She carried a yellow Japanese iris. Identical gowns and bonnets were worn by Betty C. Plagemeyer, Helen Posselius, and Mrs. Craven, of Indianapolis, Ind. Their bouquets were of white Japanese iris.

The best man was the groom's father, Edward McGinley, and the ushers were, the bride's brothers George W. Duffield, and Charles Whitfield Edwards; Delano Wight, of Battle Creek; Thomas E. Oakes, of Minneapolis, Minn.; Stuart L. May, of Huntington, Long Island, N. Y.; Arthur L. Spoeneman, of St. Louis, Mo.; and the groom's brother, Edward Hammel McGinley, of California.

A brown corsage complimented the bride's mother's ensemble of cinnamon crepe, with brown accessories, and a spray orchid corsage set off the Hue lace gown and matching accessories worn by the groom's sister, Mrs. Delono Wight, Jr., of Battle Creek, Mich.

A reception at the Detroit Country Club was followed by the bridal couple's departure for a two-week trip, for which Mrs. McGinley was attired in a navy wool bolero styled suit with matching accessories and white blouse.

Miss Duffield, who attended Liggett School and Connecticut College for Women, is a member of Tau Beta, Jr., League of Detroit, and Mr. McGinley, a '41 graduate of Dartmouth College, is connected with the Beta Theta Pi fraternity, Casque and Gauntlet.

MRS. PAUL B. ALLEN, JR.

MRS. MORTON MCGINLEY

Mary Eleanor Costello Weds Paul B. Allen, Jr.

The Grosse Pointe Yacht Club was the scene of a beautiful reception for two hundred guests on April 17 following the wedding ceremony at St. Paul's on the Lake Church where Father Joseph Bohr performed the vows of Mary Eleanor Costello, of 402 Neff Road and Paul B. Allen, Jr., of 181 Moross Road.

Miss Costello, daughter of Mr. and Mrs. Walter J. Costello, became the bride of Paul Allen, son of Mr. and Mrs. Paul B. Allen Sr., in a gown of white satin with marquisette yoke, with a drape falling from shoulder around back, a panel of pleated organdy in front of skirt, which ended in a long train. Her finger-tip illusion veil fell from satin cloche framed with organdy ruchings. She carried gardenias in a bridal bouquet.

Patricia Seymour, as maid of honor, appeared in aqua taffeta styled with tight bodice and full skirt, and an aqua tulle bonnet, with a bouquet of yellow iris, daisies and tulips. Identical gowns of Buttercup yellow were worn by bridesmaids Mary Jane Seymour, Ruth Beckbisinger, and Mrs. Vernon C. Geiger, sister of the groom from Minneapolis, Minn.

Brother of the groom, James H. Allen was the bestman, and Robert Pfeffer, James H. Harris, Charles A. Dean, II, Vernon C. Geiger, of Minneapolis, and David Neil O'Day were ushers.

An all-over print in pastel blue, rose, and chartreuse was worn by the bride's mother with blue hat trimmed in dress colors, while Mrs. Allen was gowned in a light dove gray trimmed with gold and irre descant sequins on the bolero top, and a pink straw sailor trimmed in spring flowers.

For the wedding trip to Williamsburg, Va., the bride was attired in a costume suit of print dress top under navy gabardine skirt and jacket of shocking pink lined with same print as dress. This was accompanied with navy accessories and corsage of white camellias.

The newlyweds will reside on 191 Moross Road upon their return.

Luncheon Marks 24th Anniversary

Detroit Colony, New England Women, will observe the 24th birthday of the Colony, at a luncheon-meeting, Wednesday, April 22, at 12:30 o'clock, at the Ingleside Club. Mrs. Henry D. MacKaye, director, will be chairwoman of the luncheon.

Mrs. Edward J. Savage, president, will conduct a board meeting at eleven o'clock, and the monthly meeting at one-thirty o'clock. This will be followed by the annual meeting, with reports by officers and chairmen, and an election of new officers for the ensuing year.

Among residents of this area reporting will be, besides Mrs. Savage, Mrs. A. C. Pasini, of Bedford Road; Mrs. William E. Hanford, of Grayton Road; Mrs. Clifford A. Neville, of Bishop Road; Mrs. Lloyd DeWitt Smith, of Grand Marais Boulevard.

Luncheon reservation should reach Mrs. Pasini, corresponding secretary, by Sunday, April 25.

Club Honors New Members

New members of the Lockmoor Club were honored at an informal dance held at the club Saturday evening. Among those attending were: Mr. and Mrs. Frank W. Buck; Mr. and Mrs. George G. West; Mr. and Mrs. Sidney M. Harvey; Mr. and Mrs. John B. Gates; Dr. and Mrs. John F. Pangel; Mr. and Mrs. Philip A. O'Connell; Mr. and Mrs. Charles H. Tuffey; Mr. and Mrs. Gordon J. Birgbauer; Mr. and Mrs. Norton S. Walbridge; Dr. and Mrs. John J. Galvin; Mr. and Mrs. Horace I. McConnell; Mr. and Mrs. Fritz K. Ness; Mr. and Mrs. Robert T. Bolo; Mr. and Mrs. LeRoy Payne; Mr. and Mrs. Clyde D. LaMee; Mr. and Mrs. W. J. Ahanson; Mr. and Mrs. Donald; Mr. and Mrs. Everett A. Warren; Mr. and Mrs. John C. Staudt; Mr. and Mrs. Thomas Boyd.

Also Mr. and Mrs. Garnet R. Healy; Judge and Mrs. Thomas Carner; Mr. and Mrs. Leonard Maher; Mr. and Mrs. Sherman Kelly; Mr. and Mrs. Thomas Conway; Mr. and Mrs. James Dinan; Mr. and Mrs. Walter Bauman; Mr. and Mrs. Thomas Zurschmiede.

Plan Gay May Fair

Mrs. Bradford C. Hitt, of 786 Lincoln Road, will be chairman of the Junior Goodwill members who are planning the gay Mayday Fair on May 1, at the Goodwill Industries on Congress.

Twelve noon will see the opening of the Animal Fair, with fatly-stuffed, jolly animals presiding at each booth, such as the Bookworm at the book and toy booth, a long-necked giraffe adorned with necklaces at the jewelry booth, humorous elephant characters at the White elephant booth, and last but not least, good old Ferdinand the Bull at the garden booth, sniffing at the flowers.

Among other Grosse Pointe women serving on the committees will be, Mr. Bruce Tappan, Mrs. Karl Behr, Mrs. Richard G. Hanna, Mrs. Ray Walk, Mrs. W. A. Lindberg, Mrs. John Denier, Mrs. Clarence Kramer, Mrs. J. C. Hurley, Mrs. John Almond, and Mrs. Paul H. Sutherland.

To Entertain Church Groups

Mrs. Clarence Slocum, 2057 Lancaster Road and Mrs. L. E. Vandegrift, 319 Moross Road will be hostesses next week to groups of The Woman's Society of Christian Service of The Grosse Pointe Methodist Church.

Mrs. Slocum will be hostess to the Doris White group which will meet on Tuesday evening, April 27 at 8 p.m. Members are to bring baby clothes, needles, pins and other notions to be packed in boxes and sent to Finland. Mrs. Hugh A. Delfs, 419 Touraine Road, Chairman of the group, will be in charge of the meeting.

Mrs. L. E. Vandegrift, will be hostess to the Alpha Group which will meet Wednesday, April 28 at 1 p.m. Mrs. M. F. Santmyers, 319 Moross Road, Chairman of the group, will preside.

A cordial invitation is extended to all members and friends of the Grosse Pointe Methodist Church to attend these meetings.

St. Ambrose Altar Society Plan Bridge

The public is invited to attend a bridge luncheon sponsored by the St. Ambrose Altar Society on Thursday, April 29 at 12:30 p.m. at the Parish House, Maryland at Hampton.

Hostesses are Mesdames, Basil Clancy, Thomas Clancy, James Griffin and Mrs. Hood.

CHOIR TO SING HERE

The Capella choir of Concordia High School, River Forest, Illinois, will present a choral concert Sunday, April 25, at 8:00 p.m. at Peace Lutheran Church, East Warren and Balfour, under the baton of Victor Hildner.

In his book "Laughing with Congress," Senator Wiley of Wisconsin calls Washington "The City Bureauful."

Tennis Clinic
Proves Popular,
Ends Saturday

By **ROB PHILLIPS**
 Amid a flurry of tennis balls, tennis racquets, and many words from the experts on the "know-how" of tennis, the Tennis Clinic at the Neighborhood Club entered its second week Saturday, April 17. Sponsored by Gray's Sport Shop and the Neighborhood Club, more than 60 tennis enthusiasts turned up for the second period of instruction from some of the top experts in the field.

The Tennis Clinic is open to all boys and girls between the ages of 10 and 17 who are interested in getting excellent instruction and hints towards playing the game.

Among the instructors were Al Hetzack, a graduate of Hamtramck High School, who has achieved national fame by capturing the National Indoor Junior Boys Doubles championship two years in a row. Miss Jean Hoxie, well-known tennis coach at Hamtramck High School and Merlin Schultz of Grosse Pointe High School were on hand to pass on the information that helped to make them champions.

Roland Gray, who helped to make the Tennis Clinic a success, supplements the coaching staff.

Four prep athletes who were added to the group were Hugh Dill, George Kennedy, and Dan Guy from Grosse Pointe High and Elaine Lewicki a student from Hamtramck High School.

The Clinic will hold its third and last meeting at the Neighborhood Club next Saturday, April 24. There is no charge for the instruction with the exception of a fee of twenty-five cents for the use of tennis balls. Classes start on the Club's courts at nine o'clock and last until eleven.

All novices, who want the opportunity of free top-flight coaching instruction from some of the nation's best, are urged to take advantage of this Tennis Clinic.

Now that warmer weather is really here to stay, we can safely put our furs and other winter garments away for the Spring and Summer seasons. Monday Cleaners, 375 Fisher Rd., G. Pte. Nl. 4800, has a service for you that will solve your worry and work of storing winter garments. They have completely insured, fire proof, Refrigerated Storage Vaults, where they will store all your furs and woollens, etc., over the summer months. Before putting your garments into Cold Storage, Monday will clean and press your clothing, clean and glaze by the most modern furrier methods all furs, and make all minor repairs on your garments. Remember, store all your furs and winter garments with Monday in Grosse Pointe.

Did you ever stop to think that perhaps that old grandfather clock that sits in the hall needed a spring tonic, such as a few new springs, a little cleaning of vital parts, and perhaps a face lifting? Well, the place for grandfather clocks check up is Pongraz Jewellers, 17098 Kercheval Nl. 7788, where repairing of watches and clocks is a specialty. At Pongraz, the finest and most precise care is given every watch or clock brought to them. So give your old grandfather clock or your wrist watch a chance to give you correct time and send it to Pongraz for a spring check up.

Off with the old and on with the new. New, meaning the change of ownership of Koptitzki's Cafe, 1923 Mack, is used to be known as Blessing's but Eddie and Ray Koptitzki are now holding the reins and trotting expertly into good food and good service for all lovers of an excellent dinner. The kitchen has been completely redecorated and the newest of modern equipment has been installed. The new chef is a wonder with food and rolls out pies and buns fit for even the most exacting diner. Also, a new feature is noon day lunches for busy shoppers, so remember Koptitzki's Cafe for lunch, dinner or after theatre snack.

"Mirror, mirror on the wall, who is fairest of them all?" Can your mirror reflect a perfect picture of you in the new spring styles or are you only seeing half of the complete picture? Really with these long skirts you can't afford to only see half the perspective, so a full length mirror in the wall of your bedroom or on the door of your powder room is a must. The Grosse Pointe Mirror and Glass Shop, 17143 Kercheval Nl. 3743, has just such mirrors and they will install a full length mirror for you in any room in the house. Believe us; this tip is valuable, for you must have a complete picture of your costume for a well groomed appearance. A full length mirror gives it to you.

One of our favorite dishes is southern fried chicken, how about you, do you agree with us? Now let me tell you where to find a tender, young chicken just right for a Sunday evening supper. Verbeke's Poultry Market, 15215 Mack, now have young spring chickens the like of which you haven't seen in a long time. Verbeke's have been in this location on Mack for fifteen years and have been satisfying their customers year in and year out. This year the young chickens at Verbeke's are equally as fine as before. Oh, what a perfect dish to set before your king; either that we can go on picnics once for an at home dinner, or now more for a picnic supper, fried chicken, one of Verbeke's fresh dressed spring chickens.

When a girl plans her wedding, one of her pleasant duties is buying her wedding cake. Now we know a simple, quick and easy way to choose your cake without going to a bakery. Just call VA. 4-1156 and ask for Mr. Herbert Gehringer. Mr. Gehringer is a representative of Awrey Baking Co. He will come to your home with samples of every kind of wedding cake to fit any and every bride's dream. There are white, white and chocolate, and fruit cakes in every design imaginable. All you do is choose your cake, give Mr. Gehringer your order and he will deliver your cake to you anywhere in town on that great day. Simple isn't it? And oh, such wonderful cakes he does have!

Bids for Honors
At DePauw U.

(Special to the Review)
GREENCASTLE, Ind. — Miss Marilyn Shaw, 225 McKinley Road, Grosse Pointe Farms, has been selected as a candidate for queen of the annual May Day festivities May 8 on the DePauw University campus.

Daughter of Mr. and Mrs. Carroll L. Shaw, Miss Shaw is a senior in the DePauw School of Liberal Arts. She will represent Alpha Gamma Delta, social sorority, in the queen elections. The winner, chosen by an all-campus vote, will be announced the first week in May.

Active in campus affairs, Miss Shaw is a member of the Association of Women Students and the Y.W.C.A. She is president of the Home Economics Club and is active in Delta Phi Eta, scouting honorary. A graduate of Maine Township High School, Park Ridge, Ill., she is specializing in home economics at DePauw.

BETHANY LUNCHEON
 A luncheon and card party will be given by Circle One of the Ladies Aid Society of Bethany Church, Chatsworth and East Outer Drive, on Wednesday, April 28, at 12 noon.

POINTE MISS BIDS FOR QUEEN

Miss Marilyn Shaw, 225 McKinley Road, chats with Willard E. Umbreit, director of admissions at DePauw University. Miss Shaw has been selected as a queen candidate for the annual May Day festivities on the DePauw University campus.

Garden Mart Offers Aid
to Local Gardeners

What does your garden need this year? More shrubbery? Fertilizers? Mulching material? Bulbs? What about seeds? Tools? At the **GARDEN MART** in the Poultry Building at the State Fair grounds the newest and best in garden equipment and plant materials will be on sale. The sale will be open at 10:00 a. m. to 9:00 p. m., on Saturday and Sunday, May 1 and 2. The Michigan Horticultural Society has brought together at the **GARDEN MART** many exhibits of interest to back yard gardeners, as well as the materials for sale. All plants on display will be labeled with their property variety names. There will be specialists on hand to help with just about any problem a gardener might have. Soil testing will be one of the features. Colored pictures will be shown.

This is an entirely new gardening event in Michigan, which no one interested in gardening will want to miss!

Further information may be obtained by calling the office of the Michigan Horticultural Society, which is located in the White House, Belle Isle. The telephone is LOraine 8-4013.

LET US UNDERCOAT
YOUR CAR

Why?

- 1 Because it will stop rusting.
- 2 Because it cuts road noise and makes your car quieter riding.
- 3 Because it keeps the car's value up by stopping deterioration.

What Is It?

It's a coating of protective material sprayed on the bottom of the car including fenders and hood. We steam clean the bottom of the car to get rid of all the salt and dirt you picked up this winter. It's the salt that accelerates the rusting action of metal.

How Much?

Smaller Cars \$31.50
 Middle Sized Cars \$35.00
 Big Cars \$42.00

When Can We Do It?

Any night you don't need the car—stop in, we're open 'til midnight.

St. Paul Thinclads Gird for School's First Meet

By JOHN HUTTON

The first track team in the history of St. Paul High will be the first of four spring athletic squads to swing into action this year at the local school. The Flyers were scheduled to face a St. Rose squad of unknown power in the first dual track meet in the history of the Parochial League on Wednesday, April 21 at Belle Isle at 3:30.

The new track program will be pretty crude for first year or two. The pole vault and hurdle are not included in this year's program. At St. Paul none of the boys competing have ever had any previous track experience. The same situation prevails at most of the League's other schools.

Only 22 of the League's schools are competing in track. They are St. Paul, St. Rose, St. Mary of Mt. Clemens, St. Mary of Royal Oak, St. Charles, Shrine, St. Frederick, St. Martin, Annunciation and St. Francis DeSales of the second division, Catholic Central, St. Joseph, DeLaSalle, St. Mary of Redford, St. Gregory, St. Leo, Redeemer, Orchard Lake St. Mary, and Lourdes of the first division, and St. Patrick and Mt. Carmel of the 3rd division. All will compete in one league, although some are Class A schools and others B and C. St. Paul, a C school, is about the smallest and has only 14 boys out, while 80 boys reported at St. Joseph, the largest school in the league.

Coach Ed Lauer still isn't sure of who he will enter in some events. He is having more time trials this week. The Flyers have had little practice and are not yet prepared for competition. Their entry list will probably shape up as follows: Bob Berg, Dave Sherwood, Don Williams and Paul DuRocher in the 100 and 220 yard dashes, Jim Law and Tom Backman in the mile, DuRocher and Chuck Wylie, John Hutton, and Ed Quirk in the broad jump, Pat Hamlin, Harry Hammond, Sherwood and Hutton in the shot put, Law and Phil Van Hollebeck and Carpenter in the 440 and Carpenter in the 880 DuRocher, Berg and Sherwood will probably be on the 880 relay team. The fourth man has yet to be decided upon.

Baseball opens the day after track when the Flyers clash with St. Martin at Algonquin Field on Thursday, April 22. Bob Berg will hurl the opener. Lauer will stick to the previously announced lineup except at the catcher position, Don Hartly, Bill Huetteman and Tom Berg are the candidates. They will probably alternate until one of them proves himself to be superior.

The tennis and golf teams which are in action for the first time since 1941 have not as yet received their schedules. The tennis line up is still undetermined but Harry Hollerback will probably be the number one singles. Obtaining the necessary training is somewhat a problem to the netters.

St. Paul Alumnae, Bruce Allor had agreed to coach the golf team in his spare time. A qualifying round to determine who will make up the squad will be held next week. Among the candidates are Bill Huetteman, Tom Pelky, Pete Belanger, Dan Campau, Jim Law and Dick Mutschall.

DUS Nine Opens Season With Victory

By HOWARD KAY

D.U.S. began the spring schedule last Friday with a bang taking their first diamond contest 6-4 from New Baltimore. A day later, the track squad traveled to the River Rouge Invitational Track Meet at Yost Field House in Ann Arbor, D.U.S., the only Grosse Pointe school represented, made a fair showing with the material they had. Ronny Miller reached the finals in the 85 yard high hurdles without any trouble to capture fourth place and a ribbon. Jack Foster was the only other runner to reach the finals taking sixth place in the 60 yard dash against a field of 64 to bring home a medal.

The relay team comprised of Jack Foster, John Wood, Ronny Miller and Joe Maycock took second place in their heat but their time was not good enough to carry them on. The other participants were Nils Osbeck in the 880, Bill Hamilton in the 60 yard dash who took third place and Tucker Whitehead who arrived too late and was scratched in the mile run.

To get back to the baseball game on Friday, D.U.S. was out front all the way getting two runs in the first inning on Bill Hamilton's triple and Warren Sisman's four-bagger. D.U.S. went into the first part of the seventh with a 6-1 lead and the second team on the field. New Baltimore was able to get three more runs but Bill Fisher, who pitched all the way, ended the game at a score of 6-4.

The baseball team traveled to Lakeview last Tuesday for their first away game of the year.

The tennis squad opened their 11 game schedule on the same day against Mt. Clemens.

Dizzy Pace Set By Martin Lands Team in First Place

Roy Buckridge, sponsor of Martin Outdoor Motors, can be well proud of his team in the G. P. Rotary Club Bowling League. After Monday Cleaners had blanketed them in the latter part of February, this fine team has climbed steadily and are now perched on top with a two-point lead, with only one more night to bowl. They take on John Potter's Wolverine Chips tomorrow night and shoulder the storm, while resting on their oars.

Houston Bros., Inc. dropped out of first place when an inspired Holzbaugh team rocked them with 3-1 victory. Earl's boys won the opener by a scant four pins then promptly lost the next one by eight. Mr. Holzbaugh appeared as a spectator and his boys began to "show off," carting the last game away with a nifty 903 game, enough to drag Houston out of first and create a tie for second with the despoilers, Court Trombly, shooting 224 in 550, was high for the winners while Houston's diminutive Capt. Frank Thayer, almost matched him with his 648 series. The absence of Lonnie O'Conner proved costly for Houston.

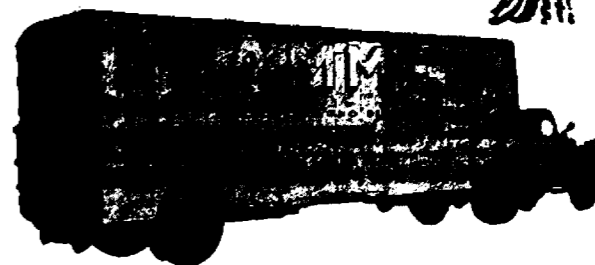

Skipping to the rest of the teams, Pagel blasted 205-237-213 for 655, to lead last place Harrison Carpets to a 3-1 win over Punch and Judy Cocktail Lounge. Capt. Jack Jeakle, for the judges, rolling 549. Bill Mertz with 553, pushed Monday Cleaners to a 4-0 shut out over Piche Barbers. Despite Potter's 526 and Thompson's 510 for the Wolverine Chips, they

Noted Orchestra Booked for Masonic

The Philadelphia Orchestra travels more miles to play concerts in more different cities to more listeners than any other symphony orchestra in the world. Its travels this season will bring it to Masonic Auditorium for a concert on May 3rd under the direction of Eugene Ormandy.

This has been a travelling orchestra from its earliest days, in 1900, when Fritz Scheel and his "85 musicians" played in nearby towns. Now the record is more impressive. From the 1938-1939 season through that of 1946-1947 the Orchestra journeyed by rail 112,155 miles.

Blue Devils Open Baseball Season at Home

By BOB PHILLIPS

Coach Pat Kaulitz took his Grosse Pointe High School nine out to Fordson last Tuesday afternoon for their season's opener. However, the game was called before playing time, due to rain.

Allen Bryant and Jerry Allen were the scheduled battery for Tuesday's game and will probably start in the initial home game next Friday afternoon. The locals play host to Royal Oak, a team that is expected to put up a real fight.

The Blue Devils will undoubtedly be strengthened by the services of five returning varsity men. Herb Gerhard at third, George Kypros at short-stop; Vince Schoeck at first; Allen behind the plate, and Bryant on the mound.

The outfield will be completely taken over by rookies that have shown promise early in the season.

Thinclads Face Acorns

Grosse Pointe High School thinclads face their second opponent on the season's schedule Tuesday, April 27, when they travel to Royal Oak to Royal Oak High School.

Last Tuesday the local team trounced Hazel Park 86 to 23. It is quite obvious that Coach Banach is not lacking good material on the cinder path this season. Veterans Jim Flom, and Dale Stevenson in the hurdles, Burt Spurrer in the sprints, Jerry Braun and Bob Hays in the distance events, should prove to be the backbone of the '48 squad.

Several new rookies have captured the spotlight in various events. Bob Striker, small but speedy half-miler, Bill Anderson who has gained recognition as a member of the backfield in this past season's football eleven should prove powerful in the sprints. Lee Walker is a dark-horse in the race for honors in the shot-put. He is definitely a "comer" and should prove threatening to Veteran Tom Follis, who holds the record in that event.

FEATURE RUBY
Headed by Bert Ruby and Dick Wallis a brilliant card has been scheduled for Chesterfield Arena's wrestling program Thursday. The arena is located at Gratiot near 10-Mile road, East Detroit, and the first bout goes on at 8:30.

Win Non-League Tilt at Dearborn

Judging by the auspicious start of the Grosse Pointe High School netters last Friday when they swept all matches from Dearborn in a non-league engagement, Coach Merlyn Schultz has started off with the right foot in filling the shoes of Larry Westerville. The former coach who resigned early this year after establishing Pointe Netters with the best in prep competition. His record includes a winning streak of 69 matches.

In number one singles of the Dearborn matches, Dan Guy defeated Bill Woodell 6-2; and 6-1. Hugh Dill, fulfilling the number two singles, trimmed Jack Ehlers of Dearborn 6-0; 6-1, while his team-mates Bob Stritzinger and rookie Alex Mann each made clean sweeps of their opponents to complete the activities in the singles.

Dearborn threatened only once when Jon Walton and George Kennedy of Grosse Pointe just saved a set by pulling through to defeat Doug Milk and Tom Turner, 7-5. In the first set the local pair trounced the visitors 6-0.

Frank Reid and Bruce Kirchener paired up for the Blue Devils in the number two doubles. The Dearbornites bowed 6-3; and 6-4.

Two rookies to the ten-man squad followed suit by bringing Dearborn's Art Ferguson and Claude Wiggins to defeat, 6-1; 6-3. The two in mind were Tommy Auch and Fred Pessl who both played good games.

Jet Racers Bid for Trophy

All eyes are focused on the Drake Jet Racing Trophy which will be awarded to the Jet Racer with the highest number of points. There is just one more race—May 14th. In the meantime the boys are testing their cars every Friday evening at the Neighboring Club from 7 - 9 p.m. Any boy or girl having a model jet car can enter the race and can use the gym on Friday evenings for test runs.

Bishop from Germany to Speak At Faith Lutheran Church

On Sunday, April 25th, Dr. Hanns Lilje, Bishop of the Evangelical Lutheran Church of Hannover, Germany will be the honored guest of Faith Lutheran Church, east Jefferson and Philip Avenues. Bishop Lilje is touring the country under the auspices of the National Lutheran Council and in the interest of Lutheran World Action. He is one of Germany's outstanding spiritual leaders and has been especially active in the Christian Youth Movement in post-war Germany. Bishop Lilje was a militant anti-Nazi during the war and was imprisoned on several occasions because of his opposition to the Hitler regime. He came through the conflict with his reputation greatly enhanced and in high public esteem.

Bishop Lilje will speak twice on Sunday at Faith Church for the benefit of all those who have shown an interest in hearing him. He will deliver the sermon at the 11:00 a.m. Worship Service. His message will be centered on the story of the work now being done in Germany and the urgent need for more help.

At 4:00 p.m., Bishop Lilje will speak at the Detroit Federation of Luther Leagues annual Spring Rally, being held at Faith Church on that day. All National Lutheran Council Youth in the Detroit Area have been invited to this 4:00 p.m. Rally Service honoring the Bishop.

Following the Rally Service, the Detroit Federation will hold their Rally Banquet in the Basement of Faith Lutheran Church. The meal will be prepared by the Ladies of Faith Church and will be served by the girls of the host league. Dr. Norman Menter, President of the Michigan District, American Lutheran Church, will be the toastmaster. The program includes a Christian Citizen Speech Contest, Project promotion stunts covering the Spiritual Growth, Literature and Service projects of the Luther League, and the moving picture film, "The Way of Peace." Installation of the 1948 officers of the Federation will also take place.

There is no more stigma to having a cancerous growth than to having a wart. —Michigan Department of Health.

Speedy Solution Offered to Local Housing Shortage

Simply by applying common-sense principles of practical engineering to the field of home building, Domestic Engineering, 624 Lafayette building, Detroit, is now in position to offer residents of Grosse Pointe and Gratiot Township new Ranch-type homes, erected on your lot "Ready for occupancy in 60 days."

And, by applying all of the facilities of shop technique to all operations, genuine Pollman Homes are available in a wide choice of modular Early American stylings for as low as \$7,500 for 24x24 units, plus utility room, available on F.H.A. terms.

Domestic Engineering channels all materials through one central purchasing department, thus avoiding interruption of the speed of construction, due to labor or material shortages, so common today in conventional construction.

All utilities are combined in one in the famous Ingersoll Utility Unit, which includes an oil or gas fired forced warm-air furnace complete with all stacks, vents, pipes and chimney flue base; the kitchen unit, including 6 or 8 cu. ft. Norge electric refrigerator, porcelain-enameled sink with fixtures, steel floor and wall cabinets, gas or electric range and folding porcelain-enameled top table; bathroom equipment, including recessed tub

New Lincoln-Mercury Dealers Name Tasch

George C. Tasch, former sales manager for a widely-known Grosse Pointe car dealer, has been named to a similar post with the Grace Motor Sales, Inc., new Lincoln-Mercury dealers.

It was announced by the Grace brothers, Edward R. Jr., and James W., who both left active, successful careers to join forces in the distribution of the Lincoln-Mercury cars.

Temporary located at 11900 Gratiot, the brothers expect to move this summer to a large, modern sales and service building at Gratiot near East Outer Drive.

Tasch, who has a host of friends in Grosse Pointe, has been actively identified with retail car distribution in Grosse Pointe and Detroit for many years.

Prior to, and following the war Ted Grace was a News-Caster on WJR and during the past year has been with WWJ-TV in pioneering television. He was a Lieutenant Commander in the Navy.

Brother Jim was formerly engaged in the active practice of law. He was a Captain in the Marine Corps. Both attended the University of Michigan.
