MILK RIVER OVERFLOWS

Deluge Cripples G.P. Woods

The heavy downpour Sunday and early this week which flooded thousands of homes and roads in Detroit and outlying districts also had a crippling effect on Grosse Pointe Woods. The other local municipalities, however, escaped with little trouble.

None of the communities suffered fires from lightning and although many of the local roads were flooded none were reported impassable.

NEAR RECORD
Coming within a fraction of equalling the 50-year high for a 24-hour period in May, the cloud burst sent the Milk River in the Woods, overflowing into village streets.

Hundreds of Woods residents found water in their basements, some reported as much as two feet of overflow.

All Pointe pumping stations functioned perfectly throughout the deluge.

Farms Engineer Murray Smith stated that in a 24-hour period the village pumping station pumped 65 million gallons of water, shattering a previous mark of 45 million.

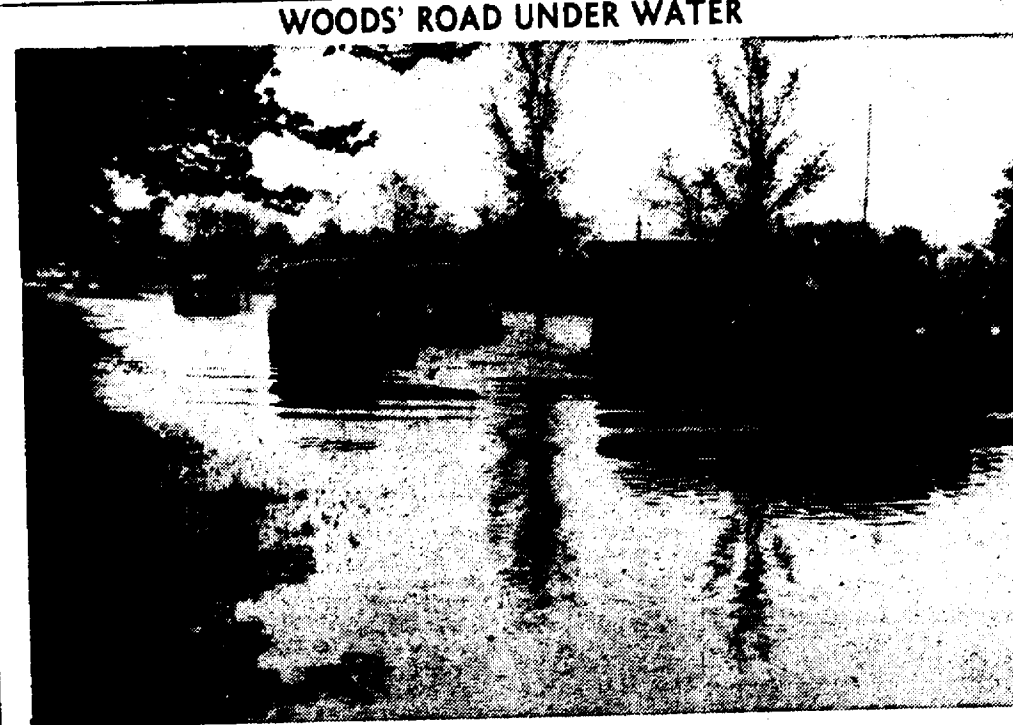

One flooded basement was reported in the Farms. Shores residents did not suffer any trouble despite the fact that Thomas Jeffries, Shores superintendent, recorded a rainfall close to 3 1/2 inches. Rainfall in the other Pointes were reported from 2 1/2 to 2 3/4 inches.

U-M Scholarships to Four GPHS Youths

Dean Tells of Awards To Locals

Regents-Alumni Scholarships to the University of Michigan have been awarded to four 1948 seniors at Grosse Pointe High School. They are Bruce Glen Bray, Robert James Fosmoe, Lorne James Norton, Jr., and Robert Trees.

Announcement of the awards was made by Erich A. Walter, dean of students and chairman of the University scholarship committee.

The Grosse Pointe Review photographer caught these motorists trying to wade their way through Moross road near Mack Avenue Monday. One driver can be seen attempting to push a stalled auto. In the background is a bus and another car, the drivers undecided as to whether to chance a flood or not. This scene was typical in many Grosse Pointe streets during the deluge Sunday and early this week.

Symbolic of War Fund Staff

Highly symbolic of the spirit of the War Memorial Fund volunteer workers are these Grosse Pointe gentlemen above who gave their time and effort Saturday to move the temporary War Memorial from Fisher Road and Grosse Pointe Blvd. to Fisher and Kercheval, site of the permanent memorial. From left to right they are, Norbet Neff, Walter Stoekel and Julius Stork. The gentleman peering out the window is Bob Blondell.

Organization Completed For Memorial Campaign

Final organization of the Grosse Pointe War Memorial Library Fund drive was completed this week with the announcement by Co-chairman Alger Shelden and James K. Watkins, the chairman for the Special Gifts Committee and an Honorary Steering Committee.

Pioneer 'Moms' Enjoy 'Big Day'

Thanks to the Review and Myler Florist, six of Grosse Pointe's oldest mothers enjoyed a Mother's Day they will never forget.

Remember?

20 YEARS AGO
The Bag contest will be held today at the Neighborhood.

15 YEARS AGO
The roller skating tournament will be held on Somerset Road on Sunday, May 13.

TEN YEARS AGO
The Fisher Record Motor Sales Company grand opening of new Grosse Pointe salesroom at Kercheval and Wayburn.

FIVE YEARS AGO
Basements in Grosse Pointe Woods were flooded this week by heavy rainfall. Many basements were completely submerged by two to three feet.

ONE YEAR AGO
The Review announced "My Mother and Why I Love Her" essay contest. Prizes included visits to the State Museum and introduction to the Review.

Shores Sets Election Date

Grosse Pointe Shores President, Elroy O. Jones will be opposed for re-election on Tuesday, May 18 by Ernest C. Putnam.

Others bidding for office at the village election are John K. Rooney, Alger Shelden and George W. Trendle, incumbent trustees seeking re-election. They will be opposed by Jack Williams and Herbert J. Woodall.

Three will be elected. Clifford B. Loranger, clerk, is unopposed.

All offices will be for two-year terms.

RE-BURIAL SERVICE FOR POINTE HERO

The body of Harry S. Cole, the late son of Mr. and Mrs. Ben H. Cole, 417 McKinley Road, was among the war dead that arrived from Honolulu last week.

Re-burial services will be held at Arlington Cemetery, in Virginia.

FEATHERED WRECKER

A resident on Kensington Road reported to Park Police Friday that woodpeckers were wrecking her roof with their continuous pecking.

City Wins Terrace Suit

John Robert Toms, Wayne County Circuit Court Judge ruled in favor of Grosse Pointe City in a suit regarding the erection of terraces in the City.

WIN SCHOLASTIC HONORS

The parents of Lorne are Mr. and Mrs. Lorne J. Norton of 903 Rivard Blvd. They look favorably upon his decision to major in chemical engineering.

The son of Mr. and Mrs. Don Trees, of 946 Lincoln Road, Robert Trees is looking forward to majoring in physics.

Bruce, Bob and Lorne will be graduated in June. Bob Norton was a member of January's graduation class.

Present at the meeting were Dr. W. S. Sanders and Werner von Allmen, Kiwanis; Lyle Basinger, Optimists; George Elworthy, Lions; William Mason and Donald Coats, Metropolitan Club.

The league is open to boys 16 years of age and under who reside in the Township. Applications will soon be available at Pointe police stations.

William Mason, of the Metropolitan Club, was elected chairman of the league. Other officers are Mr. Conlan, co-chairman; Mr. Coats, treasurer; Mr. Basinger, publicity chairman; and Mr. Elworthy, secretary.

The officials plan to meet again on May 19.

Shores Council Proposes Bond Issue For New Sewage Service Clubs

The Grosse Pointe Shores Council will ask the village voters to approve a bond issue to finance the construction of an interceptor sewer on Lakeshore Road as an answer to the village's sewage problems.

However before the proposal is placed before the taxpayers numerous discussions and public hearings will be held.

Following is a report on the issue as submitted to the Review by the Shores Council after a meeting Monday night.

The council has been studying its sewage problem for some time and through cooperation with officials of the State Department of Health has arrived at a solution which they believe will be far more acceptable to their residents than the proposal as originally presented.

The State Department of Health will still require that the village install a separate sanitary sewage system, but are willing to allow the presently subdivided streets and all houses on them to remain undisturbed.

This means that if the electorate will approve a bond issue for construction of an interceptor sewer on Lake Shores Road and the arm sewer to flow from the Lake Shore Road interceptor to the Wayne County Sewer in Marter Road it will be possible for those owning large tracts of land to subdivide. This will place on the tax roll at an increased value much of the property which is either laying dormant or containing but one large home.

Some streets have floods which have resisted all efforts to stem. On these streets the residents may ask for separate facilities to complete a culvert which would end their difficulties. Has proven possible to avoid basement flooding by limiting the amount of rain that gets into the combined sewers. This has been accomplished by putting lids on the catch basins and forcing all of the water that falls into the streets or runs there from the adjacent land to flow to Lake Shore Road. Inasmuch as this distance is 2000 feet or less, no great inconvenience has been felt by the residents. These streets can ultimately be repaved to accommodate such flow.

The easement through which it is proposed to install the arm to the sewer in Marter Road expires in the near future and construction must start soon or this right will be forfeited. This easement which is in ideal location was obtained only after great effort over a long period of time.

The complete text of the adopted amendment appears on page 8.

PROWLER WITH GUN SEEN BY WOODS GIRLS

Three girls at 1680 Roslyn Road reported to Woods Police Sunday night that they saw a man with a shot gun prowling near their home.

The prowler was described as 5 feet 8 inches tall, dark hair, wearing hip boots and an army jacket.

STATE MUST NOT CONTROL DOCTORS

The strongest argument against socialized medicine is not the enormous drain on the taxpayers it would entail, important as that is. It lies in the fact that the profession of medicine, like the practice of the arts and the higher crafts, is almost entirely dependent on individual ambition, ability, and incentive for progress.

The doctor, like the musician or playwright, works in cooperation with others to gain some given end. But this is not the kind of flat, unimaginative mass effort that characterizes the working of a bureaucracy, where mediocrity gets the rewards, and brilliance and enterprise are frowned upon.

When the state runs everything, a man's politics are all important. That, and his ability to earn favoritism from the bosses, determine the kind of job he gets. But when politics and patronage determine what doctor shall be chosen for promotion, or what writer or musician shall be published and heard, a shameful decline in standards is the inevitable result—as the Soviet Union so thoroughly proves.

There is no relationship quite like that between the doctor and those he serves. The state must not be permitted to destroy it.

Public Urged To Attend Family Class

The public is invited to attend a meeting at the Pierce auditorium Monday, May 24 at 8:15 p.m. to hear a general discussion on "Family Life Education."

Among those invited to speak are Mrs. Marjorie Consgrove, Highland Park Schools; Mrs. Helen Jenkins, Pershing High School, in Detroit; Rev. John C. Ryan, Arch Diocese, Detroit; Mrs. Carl Bachman, Wayne Elementary Schools; Dr. David Treet, Flint Schools; and Mr. Leroy Selmeier, Grosse Pointe Schools.

Action for the meeting was taken recently by the Grosse Pointe PTA council. It was decided, after considerable discussion, that there was a need in the Grosse Pointe communities to understand what is meant by family life education.

The speakers for the meeting have had experienced in family life programs which has been enthusiastically received by both students and parents.

The PTA council urges all interested persons to secure free tickets from any local school or library, and to attend this important meeting.

War Memorial

(Continued from Page 1) Drive Organization Chairman Owen Skelton has been busy engaged with campaign co-ordination, working with his committee, composed of Mrs. Lloyd G. Hooker and Messrs. Norbert P. Neff and George Elworthy.

Each municipal chairman will divide his territory into districts and zones, with close contact over picked workers. Systematic arrangement of a complete card file of the entire area is being made at campaign headquarters, 16840 Kercheval, by Miss Sally Stroh, who is the full-time secretary there. Volunteers are needed to complete the cross-index and assist with other office detail.

Four of my neighbors and I also attended this hearing and were active in the discussion; our interest related to Section VI, paragraph A (3) titled "Uses Specifically Prohibited." This paragraph if adopted in the amendments would give the residents of our area the much needed instrument to correct certain nuisances prevailing for a long time.

It has been the conviction of those in our section of the village that an indifference has long existed through several administrations to our efforts to keep our neighborhood as reasonably attractive as possible even though we are in a "B" section and adjacent to several business areas.

As I pointed out to the officials and those attending this hearing, the business of being a home owner is as important to any community and an asset as such; that certain business nuisances should not be condoned because it is "business."

The omission as remarked in an above paragraph relates to not having a complete list of those taxpayers present; is it probable that part of the article landed in the "hell-box" for lack of space?

Very truly yours, WALTER A. MEYER 1417 Beaconsfield

Editor's Note: The amendment you refer to was adopted at the public hearing held May 3. It appeared in full on page 10 of the May 6 issue of the Review. Your name was not included on the among those present list because you did not sign the paper distributed for the information of the press.

Campaign Publicity Director Leo Fitzpatrick has called a meeting of his committee for the week-end to map strategy for the remaining weeks of the campaign.

STOP! HAVE YOU FORGOTTEN ANYTHING!

Letter Box

Readers of The Grosse Pointe Review are invited to send their thoughts on questions of public interest for use in The Pointe Letter Box. The writer's name and address must accompany each letter, but will be withheld on request.

Veteran Subscriber Writes of Omission TO THE EDITOR:

As a "subscriber" of the "Review" and a resident and taxpayer for over twenty-five years, in the village, I have found your columns relating to the problems and "doings" of our community good reading.

In view of the above, I wish to call your attention to an omission in the article relating to the public hearing of Monday, May 3rd to discuss amendments to the building zone and other sections of the amendments as printed in full in your paper.

Four of my neighbors and I also attended this hearing and were active in the discussion; our interest related to Section VI, paragraph A (3) titled "Uses Specifically Prohibited." This paragraph if adopted in the amendments would give the residents of our area the much needed instrument to correct certain nuisances prevailing for a long time.

It has been the conviction of those in our section of the village that an indifference has long existed through several administrations to our efforts to keep our neighborhood as reasonably attractive as possible even though we are in a "B" section and adjacent to several business areas.

As I pointed out to the officials and those attending this hearing, the business of being a home owner is as important to any community and an asset as such; that certain business nuisances should not be condoned because it is "business."

The omission as remarked in an above paragraph relates to not having a complete list of those taxpayers present; is it probable that part of the article landed in the "hell-box" for lack of space?

Very truly yours, WALTER A. MEYER 1417 Beaconsfield

Editor's Note: The amendment you refer to was adopted at the public hearing held May 3. It appeared in full on page 10 of the May 6 issue of the Review. Your name was not included on the among those present list because you did not sign the paper distributed for the information of the press.

Prentiss M. Brown Provides Subscription

Some years ago we arranged with "The Michigan Investor" (600 Woodward Avenue, Detroit 26, Michigan) to add the leading newspapers throughout our service area to their subscription list, with our compliments.

We did this, hoping that news about Michigan banks and finance might be helpful to you and so that you would have accurate information about Detroit Edison financial matters.

Safety Group Honors Park Police Dept.

The National Safety Council presented a "Honor Roll Certificate to Grosse Pointe Park Monday, in recognition of the village's Police Department's accomplishment in completing the year (1947) without a fatal traffic accident.

According to Arthur E. Louwers, Chief of Police, a great deal of credit for the perfect record is the department's traffic school which marks its first anniversary shortly.

A record number of minors and adults have attended the school during the past year. It meets every other Tuesday at 7 p.m. in the Park Municipal Building. The next session will be May 25.

Chief Louwers cautioned motorists to be particularly careful during the spring and summer months when the children are outdoors playing.

"Traffic violators will be fined," said the Police Chief.

During April, Park Police issued 217 traffic violation tickets.

To Construct New Sewer in Park

A new sewer will be installed by Park employees at the St. Paul-Beaconsfield area to relieve the sewage disturbance in this locality.

The cost is estimated at \$1,500.

The Park Council approved this action after it was reported that residents in this vicinity have suffered from sewage problems for some time.

Shores

(Continued from Page 1) In accordance with the plan all new subdivisions to be built in this Village, and only about 25% of the land is presently subdivided, will be compelled to install a double sewer system which will of course keep all sanitary sewage from the lake. Besides some of the presently developed streets as mentioned above may elect to switch to the new system, further reducing pollution.

The greatly increased assessed valuation resulting from these developments might in the future enable the village itself to eventually cure the pollution problem entirely if the electorate so desires.

The Council hopes this will meet with the residents approval as the new layout is far less expensive than the original plan which was defeated at the polls and entails no bother or expense to present home owners in the disturbing of their premises. It is also fair to the large land owners who have been paying taxes but were unable to develop their lands. The increased assessed value should result in lower taxes per individual resident.

Shores Council

Floods

(Continued from Page 1) level the fence becomes somewhat of a dam, causing an overflow into the street.

One highly perturbed resident on Raymond insisted to police that immediate action be taken to erect a dike on Raymond to stop Detroit's overflow. Another had a more commendable solution to the problem.

"All we need is more sunshine," he exclaimed looking for his boots.

MISS SALLY STROH

A strong campaign is being planned for the public and parochial schools before this term is over. The schools have always produced admirable results in every patriotic drive.

Grosse Pointe Librarian, Miss Florence Sevora is mailing questionnaires to the some 3,800 families who had sons and daughters in the service, in order to bring her service record data up to date and correct any previous errors.

Moving of the temporary memorial to the site of the proposed Memorial Library was accomplished last weekend under the able direction of Messrs. Julius A. Stork and City Clerk Norbert P. Neff.

THIS SCIENTIFIC TREATMENT Insures 100% Accurate Ignition
Smooth, dependable car performance depends greatly on accurate ignition. Our new Distributor Stroboscope permits us to restore the originally perfect ignition of your car. This amazing machine quickly:
• Regulates the automatic spark to correct firing position.
• Puts the finger on shorted or weak coils or condensers which prevent starting or causes uneven firing.
• Insures hot, fat sparks needed for complete combustion.
• Burns or worn distributor points and measure the cam action for perfect synchronization.
• Eliminates all guess work in retiming distributors—a common cause of poor engine performance.
Come in and watch the operator restore the pep and power of your engine.

Leader 4-Day Tour Washington

Rockwell, 11, safety patrol member of Trombly School, will leave Thursday for a four-day tour of Washington, D. C.

He will be the guest of the mobile Club of Michigan and will be accompanied by safety patrol members.

Rockwell is the son of Mrs. Walter Rockwell and Mrs. E. J. Rockwell. He was chosen by school principal, Mrs. E. J. Rockwell, and Frank Welchenback, safety patrol sponsor.

Rockwell was named as a member of the safety patrol club for its safety activities during the 1947-48 school year and the other winning safety patrol members will be in Detroit on Thursday.

According to Ernest P. Rockwell, Rockwell's father, after being registered, Rockwell will be given a checkup, instructions on safety and trip rules.

Car Strikes Kerby Pupil

Susan P. Tillison, 6, on her way to Kerby School Tuesday noon was struck by a car driven by Mrs. Constance Bremer, 302 Touraine. The victim was treated at Cottage Hospital for slight bruises.

Farms Police reported that Susan was struck by a car driven by Mr. K. W. Firth, 254 Ridgmont and was crossing Kerby Road when she was hit.

Mrs. Bremer said that she wished to take care of all expenses. Susan is the daughter of Mr. and Mrs. Edward W. R. Tillison of 255 Ridgmont.

Acting to prevent similar mishaps involving Kerby School children, Walter R. Hoyt, Farms Police Chief sent the following letter to Mr. H. L. Hobar, Kerby principal:

Dear Sir:

To avoid any possibility of a repetition of the accident and injury received by Susan Tillison, I feel the following information should be brought to the attention of the parents of children attending your school. The distribution of this information may be expedited by a mimeographed letter to each home, which could be delivered by the pupils.

I recommend discharging children from cars at the East or school side of Kerby. This does not mean pulling over to the wrong side. I further recommend the abolition of the practice of using Reno Lane, school driveway, Fire Department drive, Beaupre Lane and La Salle Place as turning points. This endangers children walking on sidewalks and is against the law. Parents or other drivers bringing children to school are requested to detour South on Vendome, East on Grosse Pte. Blvd. to Kerby, thence North on Kerby to school. An alternate method would be to drop the children at Kerby and Kercheval and allow the Officer on duty to assist them across.

It is not the wish of your Police Department to get "tough" but we pride ourselves on the lack of accidents involving children on their way to and from school. We intend to maintain this record at all costs. With the co-operation of all concerned, I feel this may be done.

Respectfully yours,
Walter R. Hoyt, Chief of Police

County Senators and Representatives are slated to dine with officials Friday night at the Statler, when the boys will have an opportunity to meet their official representatives.

The boys will gather later Friday for a national Safety Patrol rally in the Amphitheater near the National Monument. Saturday afternoon they will join 20,000 safety patrol boys from all over the United States in a parade down Constitution Avenue.

After several hours of shopping on Saturday, they will leave for Washington Saturday at 4 p. m. for their special train stopping at Harper's Ferry, W. Va., for a scenic tour and views of the beautiful Shenandoah Valley. The train will arrive in Detroit Sunday and will be routed and supervised to their homes by the Auto safety staff.

County Orders Dog Quarantine

A dog quarantine has been issued by the Wayne County Board of Health, to be effective until August 31. It was announced by Dr. T. S. Davies, Grosse Pointe Township Health Commissioner.

He said that this action was due to the disturbing increase of rabies in the county, 19 cases have been reported thus far this year.

The commissioner said that the quarantine directs owners to keep their dogs leashed and confined at all times and does not permit them to roam at large.

Dr. Davies added that the quarantine would not directly effect Grosse Pointe as such restrictions are standard regulations in the township.

Boy Is Victim Of Dad's Driving

According to Park Police, James Renaud, 16, became a innocent victim of his father's faulty driving, which caused an accident at Charlevoix at Balfour Sunday afternoon. James lost three of his front teeth. He was the only one injured.

Police said they issued a ticket for driving through a stop street to Patrick A. Renaud, of Windsor, Ontario. His car struck a vehicle driven by Edward Krentz, of St. Clair Shores.

Both cars were slightly damaged.

Further Recognition Awarded Forme-Mayor David Allard

To add to the already large number of citations for his efforts in the recent war, David W. Allard, ex-army major, received a letter recently from the mayor of a small French village confirming the resolution passed by the city council that he was appointed Honorary Citizen. The city, Melun, was one that Allard led to liberation from the yoke of German rule in August 1944.

A letter from the mayor, M. Tunc, brought the news to Allard, who is the son of Mr. and Mrs. Walter C. Allard of 354 Hillcrest Road. He is employed at Mondry Cleaners and Dyers.

DAVID W. ALLARD

Navy Selects 3 Local Youths For Officers Training Corps

It "anchors aweigh and ship ahoy" for three young Grosse Pointers who will embark shortly for careers in the Naval Reserve. They are Donald Alexander, Lewis, 743 Rivard Blvd.; Conrad Jr., 15321 Windmill Drive; and Carl Francis Bachle, Jr., of 279 LaSalle Place, who are among the 631 civilian candidates selected for entry as regular students into the Naval Reserve Officers Training Corps in the 1948 fall college term.

Donald is a graduate of Grosse Pointe High School. Conrad and Carl will complete their prep education this term. Conrad at Grosse Pointe High and Carl at a Wisconsin school.

Of 24,117 candidates who completed the Navy's college aptitude test for the NROTC program, 8,181 received scores which qualified them for further consideration. This figure was reduced by physical examinations, and the records of those civilian candidates who were found physically qualified were submitted to State and Territorial Selection Committees.

The NROTC selectees will be assigned to the 52 colleges where units of this corps are established. The assignment of candidates will be governed by the candidate's rating by the Selection Committee, the candidate's choice of colleges, the entrance requirements of the college, and the number of applicants for each college. Each candidate must apply for and gain admission to the college to which assigned.

The NROTC program gives successful candidates four years of

college education at government expense. They may take any course leading to a baccalaureate or higher degree, but must include 24 semester hours of Naval science, plus certain minimum requirements in mathematics, physics, and English. They will be required to make two summer cruises and one summer period of aviation indoctrination, and upon graduation must accept a commission in the Navy or Marine Corps and serve from 15 months to two years on active duty.

Other survivors include his wife, Susan; a daughter, Patricia; mother, Mrs. Stephanie Pascoe, and two brothers, Arthur J. and Ralph J.

Police Recover Stolen Auto

Two juveniles were arrested by Farms Police Monday for unlawfully driving away a car owned by William Reed, of 371 Kerby Road.

The auto was taken from Mr. Reed's garage Sunday noon. It was recovered by Farms Police a few hours later at Yorkshire near Whitehall.

Police released the pair to the Wayne County Detention Home.

Funeral Services For Mrs. W. Koss

Final rites will be administered for Mrs. Ruth Chesseman Koss of 1365 Somerset Friday at 2 p. m. at Peace Lutheran Church, Jefferson at Eastlawn. She died at her home Tuesday noon after a six-week illness. She was 33. Her body will lie in state at the church Friday from noon to 2 p. m. Burial will be at Glen Eden Cemetery.

Besides her husband Mr. William Koss, she is survived by her parents, Mr. and Mrs. Gerald Chesseman, a sister, Mrs. G. Grant; and four brothers, Hugh, Gerald, Edward and Byron.

PTA To Hear Park Officials

At the annual election meeting to be held on Wednesday, May 19 at Trombly School, the Trombly PTA will hear officials of the Park administration speak on "Here's Your Village Government."

The speakers include, H. C. Fritsch, Park president; William Gillett, Park Commissioner; and Everitt B. Lane, Village manager.

The new officers slated for election by the PTA are: Dr. Albert Cheeseman, Mr. Robert Hays, Mr. Frank Welchenback, and Mr. Miles McKee, vice-presidents; Mrs. Paul Nagel, Mrs. E. J. Phillips, secretaries; Mrs. J. A. Bleckl, treasurer; Mrs. S. J. Georgi, and Mrs. Charles L. Jacobson, social chairmen.

Delegates expected to be named are Mrs. Daniel Murphy, Adult Education; Mrs. Roy Jenkins and Mrs. James Cooper, Motion Council; Mrs. Malcolm Denise, and Mrs. James Ogden, Health Council; and Mrs. Melville Collinson to the PTA council.

WALTER J. LOUWERS
Final rites were held Saturday for Verheyden Funeral Home, 16300 Mack, for Walter J. Louwers, 42, who died Wednesday, May 5, at Harper Hospital. He resided at 12652 Kelly road.

He was a cousin of Arthur E. Louwers, Chief of Grosse Pointe Park Police.

Teen Talk

By SHARON FORD

Monday, May 10, 1948

Even if it did turn a wee bit cold last weekend it didn't spoil Saturday night, and the Junior Prom. The theme of the affair was very evident the minute one entered the boy's gym, transformed for the evening into the "Arabian Nights." The walls were adorned with harem dancing girls in sparkling costumes, and at one end sat a mighty sultan himself, of course it was all a mural and the decoration committee made it look very real. Thanks to Margo Gesseler, Carol Grylls, John Sanford, Clarence O'Dell, and Dick Lord and many more.

Before we go on all about the dance itself, here are just a few of the many before prom parties, Bruce Davenport entertained some of his fellow school mates, at a wonderful dinner party at the G.P.Y.C. Some who attended were Judy Geherlert, his date, and Bob Stritzinger 'n Ginnie Grane, and Bud Golla 'n Susan Wheelock. 'Twas a very nice affair.

Sharon Ford

Pen State and the U.S.N., he came as a handsome fella from Fred Hopkins by name. Others who were seen at the affair, Don Russell 'n Mary Orlert, Pat Mann 'n Jack Coleman, Arnie Bower 'n Marilyn Faust, Jean Malow 'n Ken Sieloff, Bob Lynch 'n Margot Kahl, and Carol Diedrick 'n Roger Drinkins. They started the evening off in grand style.

Well now back to the prom and let's see in the grand march there was, Tom Auch, Class President and his charming date Sally McNeff, Vice President Patty Ferrone 'n her escort Eddie Brossard, Class Secretary Annie Candler 'n her date Gary Langseth, and then Treasurer Jim Swift 'n his lovely date Jan Walker. Next in line, well, here are a few more couples, Dick Nightengale 'n Mary Gratzler, Bob Armstrong 'n Madge Winters, Harvey Reyst 'n Sally MacDonald, Dick Polten 'n Diane Wuerker, Herm Klingelhofer 'n Helen Plath, Lou Cierre 'n Susy Cruickshank, Bill Pierce 'n Susy Johnson, Ted Ois 'n Sally Andrus, Birdie Spurrier 'n Lois Buck, Ronny Milner 'n Gerry Rounds, Stuis Ward 'n Sally Hoyt, Terry Thomas 'n Felice Thorpe, Bill Tier 'n Susy Carson, Ted Mumford 'n Mona Pick, Harry Mack 'n Norma Steenrod, Ralph Bothers 'n Beule Belfry, Dick Hiedrick 'n Christine Orr, Fritz Eloy 'n June Moffet, Vince Schoek 'n Pat Rossiter, and Arnie Bower 'n Marilyn Faust.

Went over to the refreshment bar there saw Paul Terrbrogen 'n Marty Fisher, Butch Edgar 'n Jeanne Dowzer, Bob Borden 'n Jeanne Webb, Jim Hoakings 'n Peggy Hatch, Milton Setzer 'n Gall Wright, Bob Ruck 'n Sally Marshall, Jon Walton 'n Barb Orphal, Hughy Dill 'n Julie Bowman, Blout Slade 'n Jeanne Salmon, Art Beck 'n Charlyn Salmon, George Beranek 'n Mary Ann Wagner, Bob Beaupre 'n Jan Hiles, Jack Rieter 'n Pat McKinnel, Bob Fosmoe 'n Meg Meckinzie, Jim Flom 'n Ingrid Koebel, Tom Redmond 'n Helene Meyer, Alex Bardy 'n Barb Brown, and more and more of the popular Grosse Pointe High School 11A's, 12B's, and 12A's and their dates.

Listen gang here is a hot tip from the boys of the H-I-Y, next Saturday's affair at the High is really going to be something different. The "Dip 'n Dance" will last from 8:30 till 12:00 and it is just what the name implies, dip and dance, it's up to you, the pool for free swimming, the girls' gym for dancing, movies will be shown, and well it will be a perfect evening of relaxation fun, and just what you've been looking for. Dick Nightingale, Chairman of the entertainment committee says that there will really be some fine times, a diving exhibition, relays in the pool and good movies, and all else that's fun. Tom Auch's committee for decorations, is doing a fine job too, something special is expected from them.

The floor committee is in the capable hands of Jim Flom, and refreshments scooped up by Bob Fosmoe. Kids this is really going to be something, and remember, hag, stag, or drag. Get your tickets from any H-I-Y member today... for sure. (The dress is something comfortable...)

Friends To Hear Noted Librarian

"The Friends of the Grosse Pointe Public Library" will hold the second annual meeting and dinner for its members at 6:30 p.m. on Tuesday, May 18th, at the Grosse Pointe Club.

The organization is especially fortunate in securing as guest speaker Mr. Herman H. Henkle whose rise in the field of librarianship since 1933 has been phenomenal. Professor of Library Science and Director of the School of Library Science, at Simmons College in Boston, Massachusetts from 1937 to 1942, he served the next five years as Director of the Processing Department of the Library of Congress. In 1947, he went to Chicago, Illinois to become Librarian of the John Crezer Library, one of the most important library positions in the country.

Mrs. Lloyd G. Hooker, president of the Friends of the Grosse Pointe Public Library, will preside at the meeting. A large crowd is expected since interest in the organization has recently been stimulated by the plans for the construction of the future Grosse Pointe War Memorial Library.

Woods Church To Dedicate New Building

The officers of the Church and the members of the Executive Committee of the New Building of the Grosse Pointe Woods Presbyterian Church announced last Sunday the service of dedication for Sunday, May 23, at 3:30 p.m. This event has been anticipated by members and friends.

The building to be dedicated is the Church, the first unit of a three unit plant at 19950 Mack Avenue at Torrey Road. It is an English Parish Type of Church with a full basement. It is a beautiful stone building set in a natural wooded area. Two acres of land were given to the Church on May 13, 1940, by Mrs. H. N. Torrey and the late Dr. Torrey. There is ample room for expansion and an area for off the street parking.

The Grosse Pointe Memorial Church, Dr. Frank Fitt, minister, and interested residents of the area started a Church School on Faun Sunday, 1937. The organization of a Church and the adoption of a name was completed on October 2, 1939.

Ground breaking ceremonies were held on Sunday, March 23, 1947. The corner stone laying ceremonies were held on Sunday, July 27, 1947. The dedication ceremonies have been set for Sunday, May 23, 1948.

Andrew F. Rauth is the minister of the Church.

U-M Concert Includes Local Arrangement

"How Deep is the Ocean," Irving Berlin's popular ballad as arranged by Allen Chase, 261 Lewiston, was among the compositions heard during the University of Michigan's Symphony Swing Orchestra, Sunday, at Ann Arbor.

The concert is an extra-curricular activity of School of Music students.

HELPS A LITTLE

Marjorie Little, daughter of Mr. and Mrs. Edwin R. Little, 447 Rivard Blvd., participated in a program of creative arts, given at Denison University, Granville, Ohio, where she is a junior. Miss Little participated in the dance portion of the program which also included selections of drama, music, art and literature.

JUNIOR LEAGUE FOLLIES TO HAVE TALENT—PLUS!

These pretty faces were among the talented that began rehearsals Monday for the annual Junior League "Follies." The show which promises to be bigger and better this year will be presented at the Music Hall on June 2, 3, and 4. From left to right they are Prim Groch, of 16908 St. Paul; Jane McMaughton, of Indian Village, Manor; Mrs. B. E. Taylor, 45 Pine Court; Merrill McClintock, 37 Beverly and Mrs. James S. Harries, of Fisher Road. The production is under the direction of New York's Alfred

Junior League Begins Rehearsals For Follies

More than a 100 Junior Leaguers and their husbands and men friends showed up for the opening rehearsals, for the Junior League Follies, last Wednesday night at the Country Day School Gymnasium. They were there again on Friday night when Director Alfred Burke conducted try-outs for various skits that will be part of the show. Rehearsals on both evenings included singing and mixed-dancing chorused. New "Follies" songs were sung with a will to please, though the tunes and lyrics were untried before by any of those present. Intricate routines were practiced by would-be choreographers who kicked and tap-danced and side-stepped with energy and glee. Many of the girls had already had their opening work-outs at morning rehearsals, but the crew of "tired-businessmen" who lined up in their shirt sleeves to learn the new steps were, many of them, treading the boards for the first time since the presentation of the Junior League Follies just a year ago this month. There was many a groan over unused muscles and many a dripping brow but every one showed great enthusiasm over the new numbers and kept doggedly at it until Burke released them — with cheers — until the next time.

The Skits showed promise of hilarious fun and laughter and many of last year's Follies actors and actresses were there, buying up the new-comers as they all tried out together for the Show that will be presented at Music Hall on June 2, 3 and 4th. Productions will go into the Junior League Welfare Fund, some of which is used for research and treatment of the boys at Pioneer House, a psychiatric home for young boys. Other League projects, supported by the Welfare Fund, are a Children's Theatre Group, Cancer Clinics, and a children's radio program called "Scoop Ryan."

Tickets for the "Follies" are now on sale at the Junior League Shops in the David Whitney Building and at Kercheval Avenue, Grosse Pointe Farms. They may also be obtained by contacting various members of the ticket committee, headed by Mrs. Stuart Smith (TU. 1-2062), or by calling the Junior League Office, TU. 1-1870. Mail order applications for exchange tickets are now being handled at Music Hall, and reserved seats will be available at Music Hall after May 26.

Among those spotted at the first rehearsals last week were: Ann Crouse, Mrs. Burt Taylor, Mr. and Mrs. George Detwiler, Mr. and Mrs. James S. Harris, Pat McKee, Brad McKee, Lydia Kerr, Christine Calkins, Mrs. Henry Reynolds, Elizabeth Robb, Elizabeth Archer, Mary Cupper, Primmy Groch, Carol Fenley, Merrill McClintock, Jane McNaughton, Emily Peter, Elizabeth Murphy, Betty Delbridge, Ginny Delbridge, Barbara Simonds, Mr. and Mrs. William Dunn, Gretchen Carhart, Gloria Rickel, Nancy and Homer Bigelow, Patsy Posselius, Ginny Hebb, Mary Flinterman, Fred Higbie.

Also Ben Drayton, George Hefner, John Hatcher, Mack Lovell, Ray Ives, Larry Verrier, Bill Grant, Bud Taylor, Ward Detwiler, Bill Robinson, Bob Cudlip, Jim Frey, Roger Hull, Mrs. Donald M. Woodruff, Mrs. Richard Spencer, Mr. and Mrs. Stephen Stackpole, Mrs. Frank J. Sladen.

Also Hunter Williams, Frances Booth and Mrs. Hal Smith of the Costume Committee, Mr. and Mrs. James McMillan of the Talent Committee, Mrs. Hunter Williams of the Publicity Committee, Mr. and Mrs. Edward Parker, Frank Werneken, Mr. and Mrs. Daniel Buell, and Joan Henry.

Club Plans Flower Show

A Spring Flower Show will accentuate the next meeting of the Woman's National Farm and Garden Association — Grosse Pointe Branch at 265 Lakeshore Road, on Monday, May 17, at 2:30 p.m.

Awards by popular vote will be given in the following classes:
1. Exhibit of five home-grown tulips.
2. An arrangement suitable for a hall—tulips predominating.
3. An arrangement of spring flowers for a low table.
4. Breakfast trays, with flowers.
The hostesses are Mrs. Henry E. Candler and Mrs. George V. Candler.

Mrs. Benfield Is Hostess

Approximately five thousand dollars for the furnishing of the Goodwill Industries new plant was earned by the Junior Goodwill members from their May Day Animal Fair.

The Junior Goodwill members are planning to have their annual social tea, which marks the close of the season, on June 7 at the home of Mrs. Benfield, of Lakeshore Road, at 2 p.m.

POINTE MATRON ATTENDS WAYNE

Among the Liberal Arts students at Wayne University is Mrs. Barbara Kelsey Stewart, of 2008 Fleetwood Drive.

A native of Washington, D. C., Mrs. Stewart attended Sanford Preparatory High School, at Wilmington, Delaware. She was graduated in 1937.

Prior to coming to Grosse Pointe the student attended Temple University in Philadelphia.

She is now studying in the pre-teaching curriculum.

Faculty Concert At Music School

The Grosse Pointe Conservatory of Music will present a Faculty Concert on Thursday, May 13 and Sunday, May 16 at their studios at 15219 East Jefferson. Both presentation will begin at 8:15 p.m.

Pianists Louise Sargent and Frank Bridges will offer their interpretations of the noted compositions, including Chopin's "Waltz in C Sharp Minor."

PHS Mothers' Club Announces Election Plans

Grosse Pointe High School Mothers' Club will hold its Annual Meeting and Election of Officers on Monday, May 17, 7 p.m. in the library of the school.

Charles B. Lord will present the business meeting where plans of this year's accomplishments will be given, and plans for next year will be discussed.

Following the business meeting Bert Spurrer, Program Chairman, will present Mrs. H. F. Wrubel, one of the Counselors who will speak on her counseling work in the high school. Since this is a comparatively new service offered by the school and of value to our students, parents should avail themselves of opportunity to hear Mrs. Wrubel.

Refreshments will be served by Frederick W. Munro and her committee.

Club To Hold Election, Sale

The Columbus Women's Club meets at the Columbus Club, Springgarden and Brock roads, will hold their annual election of officers on Wednesday, May 19th, at 1:30 p.m. in the library.

Mrs. Mary Stabile, nominating officer and her committee will be in charge of the election.

Following the meeting and election of officers: Mrs. Arthur DeWitt, Ways and Means chairman and her committee announced a bake sale will be held in the school play room. Home made goods will be donated by members and friends of the club in order to raise additional funds to purchase a much needed tea service as a gift to the club. Refreshments will be served.

Please call Mrs. Arthur DeWitt, PR. 3919 in advance to list your welcomed donation.

Tea Dance Marks Talent of Pupils

A tea dance was held May 8 in the Mairre School gymnasium to wind up the year for the 65 pupils of a dancing class conducted by Miss Maurice Costello and Mr. Francis Coneff.

Beneath colorful streamers and gay balloons the girls and boys waltzed, two-stepped and jitterbugged.

Refreshments were served and appreciatively devoured.

Chairman of the decorating committee were Joanne Robinson, Carol Sober, Pat Watling and Donald Moroney. Assisting them were Donna Diekoff, Betty Amason, Nancy Evans, Sylvia Reuter, Mary Barnard, King Patterson.

Wins Coveted Scholarship

A pretty St. Paul High School senior who is gifted with brains as well as beauty was awarded the coveted Sienna Heights College scholarship this year.

She is Rosemary Wrubel, 17, daughter of Mr. and Mrs. John Wrubel of 114 Mapleton. She plans to enter this school at Adrian, Michigan next September.

Miss Wrubel, who has been a ranking student throughout her high school years, won top honors in the competitive scholarship examination for all seniors in Dominican Schools in Detroit Archdiocese.

ROSEMARY WRUBEL

Pointer Initiated Into Phi Beta Kappa

Seventy-five University of Michigan students including Carter Zelesnik, 1226 Whittier Road, were initiated into Phi Beta Kappa, national scholarship society, in ceremonies Monday night.

Election to Phi Beta Kappa is one of the highest honors to be accorded students in liberal arts. The group of initiates includes eight members of the junior class, 56 seniors, and 11 graduate students.

An initiation banquet was held at 6:30 in the Michigan Union, with the principal address being given by Dr. Helen C. White, professor of English at the University of Wisconsin.

AAUW Plan Discussion

"Czechoslovakia, Greece and Albania" will be the subject discussed by Mrs. George Waldbott and Mrs. Wm. Innes at the International Relations study group meeting of the Grosse Pointe branch of the American Association of University Women on Thursday, May 20 at 8 p.m. at the home of Mrs. Geo. True, 130 Moran Road.

Co-hostesses will be Mrs. H. F. Vieweg and Mrs. E. F. Gehrig. Mrs. Taylor Seeber will present the European Recovery Plan in its present form.

HonorPointe Bride-Elect

Mrs. Alexander W. Blain of Burns avenue was hostess at a kitchen shower on May 6 which she gave in honor of bride-elect Mary Elizabeth Brier, of 154 Touraine avenue.

About twenty friends were included in this guest list.

Miss Brier and her groom-elect will also be the honored guests at a rehearsal dinner on May 14 which will be given by Mr. and Mrs. Gerrish H. Milliken at their Harvard Road residence for the bridal party and a few friends.

Christ Church will be the scene of the May 15 wedding ceremony when Dr. Francis Creamer unites Miss Brier, daughter of Mr. and Mrs. Ernest Brier, of Touraine avenue, and Francis Abbot Goodhue, Jr., son of Mr. and Mrs. Francis A. Goodhue, Sr., of Hewlett, Long Island, N. Y., at 4 p.m.

MRS. WILLIAM BRETZ

MRS. JOHN A. KIRILIN

New Home On Anita Awaits Pointe Couple

A new home on Anita Road in Grosse Pointe Woods awaits the return of honeymooners Mr. and Mrs. William Bretz, who were united in marriage last Saturday at St. Ambrose Church. The Rev. Monsignor John Mies, uncle of the bride, officiated.

The bride is the former Dolores Weber, daughter of the Walter Webers of Pemberton Road. Mr. Bretz is the son of Mrs. John Bretz of Lakepointe Avenue.

The brides gown was fashioned of candlelight satin, flowing into a spreading train. Delicate Chantilly lace adorned the bodice, beneath a sheer yoke outlined with seed pearls. A seed pearl crown accented the finger tip veil. She carried a Colonial bouquet of carnations and lilies of the valley, with a large white orchid in the center. Streamers of stephanotis fell from the bouquet.

The maid of honor, Bette Ann Hayes, wore a lemon-yellow satin Colonial gown, trimmed with matching lace at the neckline and deep lace bertha. Her flowers were an arrangement of fuschia, lilac and white spring blossoms. Other attendants were Marlis Engels, cousin of the bride, Florence Sexauer, from Iowa, Mary Clair Sullivan, Barbara Miriani, and Kathleen Watters. They were similarly gowned in deep lilac satin Colonial dresses, fashioned on the same lines as that of the maid of honor. They wore large picture hats and carried bouquets composed of spring flowers.

Robert Bretz served his brother as best man. Seating the guests were another brother, James, and Gilbert Engels, cousin of the bride. Others were Earl Greisheimer, Carl Froehlin and Richard Van Goethem.

A wedding breakfast was held at the Van Dyke Club for 35 guests, including the Carl Bromstrup and Mr. and Mrs. Carl Bromstrup, Jr., of Cleveland, Mr. and Mrs. Rolf Bromstrup of Cincinnati, Mr. and Mrs. Guy Michael and Louis Wiedeman, of Rochester, N. Y., and Mr. and Mrs. Clemen Orbach, who recently arrived from Germany, and are residing with the Michaels. Following the reception at the Alger Post Hall, the young couple left on a two week trip to Miami Beach.

AAUW To Hear Europe Visitor

The East Side Section of the American Association of University Women will meet on Thursday, May 20 at 1:15 p.m. The meeting will be held at the home of Mrs. Lee A. Lewis 3675 Buckingham.

Mrs. Victor Swearingen will speak on "Economic Conditions in Germany." Mrs. Swearingen has recently returned from Germany where her husband was a judge on the War Crimes Court at Nurnberg. After spending a year in Germany, they visited Czechoslovakia, Italy and other countries.

California Honeymoon For New Pointe Bride

On Saturday, May 8th, at 4:00 o'clock in the afternoon, Priscilla Wilson Redpath and John Armstrong Kirilin were united in marriage. The rites were read in the Grosse Pointe Memorial Church before an altar banked with white anapdragons and cherry blossoms, with Dr. Frank Fitt officiating.

The bride is the daughter of Mr. and Mrs. Chaster S. Redpath, of Hampton Road, Grosse Pointe Woods. Mr. and Mrs. Ivan M. Kirilin, of Greenway Avenue, Detroit, are the groom's parents.

Candlelight satin fashioned the bride's gown, following the French Colonial period. The slim bodice was designed with a rounded yoke of tulle edged with a wide border of Point de Venise lace which winged out over the shoulders. The sleeves were long with inserts of the lace at the wrists, and the graceful skirt, gathered deeply at the sides, swept to a wide circular train.

She wore a Regency bonnet of shirred illusion edged with braided satin and accented with pearl orange blossoms inside the brim. Her tiered veil of filmy illusion was finger tip length, and she carried a cascade arrangement of gardenias and lilies of the valley.

Mrs. Walter C. Qualmann, sister of the groom, attended the bride as matron of honor, and the bridesmaids were Mrs. Earl J. Potter, Miss Dorothy Haug and Miss Helen Geisbuhler. The gowns of the attendants were styled in the manner of Empire court dresses. The matron of honor wore freesia yellow bengaline, with a headdress of white daisies, and carried white daisies and green ivy. The bridesmaids wore chartreuse bangaline, with headdresses of yellow daisies and carried yellow daisies and ivy.

Attending the groom as best man was his brother-in-law, Walter C. Qualmann, and seating the guests were Dr. Jackson France, Allen H. Hutchison, Jr., and Robert L. Pratt.

Mrs. Redpath, mother of the bride, wore a beige afternoon dress with hat of pink roses and forget-me-nots and wore a corsage of forget-me-nots and sweetheart roses. Mrs. Kirilin was gowned in a dusty delphinium afternoon dress with dusty rose flowered hat, and also wore sweetheart roses.

U-M HONORS BARBARA HART

Fifty-four University of Michigan freshmen women students have been honored for outstanding scholarship during their first year's college study. Included in this group is Barbara Hart, of 333 McMillan Road, a Grosse Pointe High School graduate.

They have been initiated as members of Alpha Lambda Delta, a national honor society for freshman women. At least a "B-plus" average is required for membership.

PLAN WEDDING

John and Marian

Marian Custer, daughter of Mr. and Mrs. George A. Custer of 466 Calvin Road, has named June 26 as the date for her wedding to John Christopher Cooley, son of Rev. and Mrs. W. Y. Cooley of Great Falls, South Carolina. A graduate of Michigan State College, John is teaching at Webberville High School, Webberville, Mich. Marian is a junior at MSC.

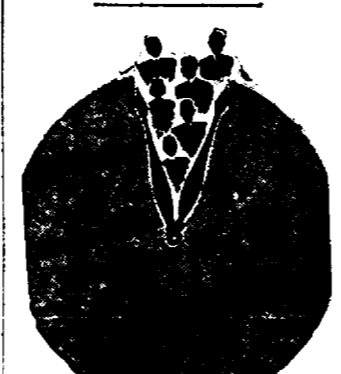

Air Conditioning Unit Available For Office, Store, Shop

Economical air-conditioning for offices, shops and stores is available once more, according to an announcement made this week by the Broedell Plumbing and Heating Company in the Woods.

The Gemco Packaged Air-Conditioner is quiet, economical and efficient, says Mr. Broedell, and by the addition of a heating coil and humidifier for existing steam and hot water system, the summer air conditioning can be adapted to winter uses if desired.

Broedell's plumbing and heating engineers have selected Gemco because it uses only half as much water, is more slightly and compact, is quieter in operation, weighs only one-third as much and is easier to install than other systems.

Two models are available, the large one big enough for a super market and smaller unit for other uses. Gemco is backed by the twenty-five years manufacturing experience of General Engineering and Manufacturing Company of St. Louis.

The University Set CLUB NEWS

By G. PUC.
The first fifth of a century of Chuck Rabaut's was honored last week in the true fashion by many of his friends. A supposedly surprise dinner party was held in his honor at the Detroit Yacht Club last week. Seated around the table were the traditional deep breath were his date, Mrs. Rabaut, Joe Padell and Gloria Laughna, Jim Dickes and Convery, Joe Quarnstrom and Antoinette Novak, Leo DeMeier, Chuck Quarnstrom and Marge Duggan, and Noelle and Anne Mercier, Bob Tappler and Marge Duggan, and Noelle and Ann Staudt.

Immediately following dinner the well-wishers left for Leo's at Buckingham, where dancing became the salient attraction. Those who escorted Sally Stickney to the event, demonstrated their acquired samba routine. All agreed that he must have been Arthur Murray of lately.

Carnival in the quaint country town of Rochester, Michigan, fully an unexpected surprise to the members of the University Set. Late Saturday afternoon, approximately forty members of the set assembled at Frisco, and from there they proceeded to the scenic area around Rochester to choose a spot for their annual picnic. Several who went hiking before dinner to work up an appetite to the town and came upon a fascinating country car. It proved the excellent place to end the evening.

Philadelphia was the point of interest for Bruce Fausome last week. However, it is known that his most important interest in western town is his fiance from the pointe, Marty Kilbride, who is attending Chestnut Hill College. Bruce escorted Marty to the gala event in the Franklin Hotel.

One of the better attractions for this coming weekend is the May Dance held every year by the Young Peoples Club of the Parish. Amongst those who will be seen in the Jade Room at the Detroit-Leland Hotel, Friday evening, are Ray Fisher and Meyers, Jerry Watson and Lois Hillbrand, Jim Barker and Laughna, Dick Meier and Anne Padell, Chuck Rabaut and Convery, Al Wagner and Betty Krome.

GPHS Pair Win Pointe Tennis Title

The first boys doubles tennis tournament for the public schools of Grosse Pointe went off in great fashion before some one hundred spectators last Saturday. Hugh Dill and Dan Guy of Grosse Pointe High School won top honors.

Twenty-four teams entered the competition. Three from Pierce Junior High School, three from Brown Junior High School and the remaining twelve from Grosse Pointe High School.

The final match that decided the winners was played at 4 o'clock under overcast skies. Hugh Dill and Dan Guy, one of the four doubles teams to be seeded by GPHS coach Merlin Schultz, started right off with a bang and kept right on going.

The winners and runners-up will receive medals for their participation through to the finals.

Club Announces Summer Camp

It's not too early to make your plans for this summer—especially when you want to be sure you are on the receiving end of a grand time! And you are sure to have many grand times at the Neighborhood Club Summer Day Camp which will start Monday, June 28 and end Friday, July 30. The camp is held every Monday, Wednesday and Friday from 9:30-3:30 for boys and girls 7-14 years old. Children bring their own lunches and milk can be purchased at the Club. Activities include handcraft, story telling, baseball, games, dramatics, hikes, special events and a trip to some place of interest.

Due to a limited enrollment, register now for a small fee and you will have the summer of your life. Mothers or college students interested in helping us out with the day camp program are invited to call Miss Masak NI. 4600 or stop in and get the details of the Camp.

Local Voices With U-M Club

Four Grosse Pointe voices will be heard with the Women's Glee Club of the University of Michigan, Friday, May 14th, at the Rackham Education Memorial.

They are Marion Sayward, 99 Lakeshore Road; Dorothy Jemal, 755 Washington Road; Adelaide Klingbell, 1041 Lochmoor Blvd.; and Anne Parker, 809 Lakeshore Road.

The local students with the exception of Anne, who recently moved here, are all graduates of Grosse Pointe High School.

The University of Michigan Club of Grosse Pointe was very instrumental in effecting the Detroit appearance of this choral group. It will be the first time in several years that they will be heard in this area.

This glee club is an extra-curriculum activity at the University and membership is open to women from throughout the entire University regardless of their major field of study. Miss Marguerite V. Hood, associate professor of music education, is the conductor.

All interested persons are cordially invited to attend this concert, which is open to the public without charge.

Doors open at 7:30 p.m.; the program is scheduled to start at 8:30 p.m.

SPRING CONCERT BY LOCAL CHURCH CHORUS
The fifty voice chorus of the First Christian Reformed Church, 1444 Maryland, at Goethe, will be heard in a concert of sacred music at the church auditorium. The program is at 8:15 Friday, May 14.

This chorus is under the direction of Mr. Hugh T. Galbraith, and has been heard in The Messiah, at Christmas time, and The Crucifixion at Easter. Helene Batts Eppinga is the accompanist. There will be no admission charge, but a free will offering will be received.

CAMP NEEDS VOLUNTEERS

Pictured above is the only building in Camp Holly, Girl Scout camp near Holly, Michigan. Built last year by Grosse Pointe Dads, the building is used as a kitchen and dining room. During the off-season it is used to store equipment. Much more work is needed at the Camp before it can be ready for use next month and the local Dads' Patrol is appealing to all Dads to help. Full information can be obtained by calling TU 2-7024. The "Dads" above are from left to right Harry Findlay, Edward Schuler and Edward Kay.

Camera Club To Study "Make-Up"

Make-up of photographic models will be the subject of a talk and demonstration to be given Tuesday evening, May 18, by Marge Fraser Elliott, well known make-up artist and photographer, at the meeting of the Grosse Pointe Camera Club.

Mr. Howard Riley, President of the Club, states that a living model will be used to show how the make-up is applied in order to get the best photographic results. The lecture will also cover the various types of panchromatic make-ups as they apply to the various types of films. The speaker has gained renown for her success in this field.

In addition to the special program, there will also be an exhibition of pictures by the club members from which the session judges will choose the outstanding for the June Salon. The prints submitted will also be discussed as to subject, photographic technique, and quality.

Mr. Riley has issued an invitation to the interested public to attend the meeting which will be held at the Neighborhood Club in Grosse Pointe.

Boyd's 9' Wins, Edsall Fans 17

After a shaky start Sunday afternoon which enabled Faust Post to score 6 runs, Harry Edsall settled down to net an 8 to 7 win for the Tom Boyd's Grosse Pointe Post Legion team.

The victory marked the local club's second straight win team to victory, Harry came through with three hits in four trips to the plate. He scored three runs.

Harry struck out 17 to bring his total for two games to 33. Last week he shut-out Red Arrow 3 to 0.

Also hitting safety for the Boyds were Art Duffy, Russ Gregg, Jim Thayer and Clare Waver.

Coach Bill DuRocher announced that he will send Edsall after his third win Sunday afternoon at Waterworks Park against Briggs Post. The game is scheduled to begin at 1 p.m.

Winslow Is Pre-Med Student At Wayne

Donald C. Winslow, a Grosse Pointe High School graduate, is now a pre-medical student at Wayne University.

The son of Clarence G. Winslow, of 1428 Balfour Road, Donald studied at Denison College before entering Wayne.

During his prep career the youth won varsity awards in football, basketball, and baseball.

LOCHMOOR DATES
The Lochmoor Invitational Golf Tournament will be held at the Lochmoor Golf Club, September 9-12th.

Navy Air Corps Seeks Youths

Opportunity for direct commissions as Ensign in the United States Navy has been announced by the Navy Department. Six hundred and fifty young men who have completed four years of college will be selected in this program which is designed to provide qualified Naval Aviators for the Naval Air Arm.

Men selected for this program will be sent to flight training at one of the Navy's flight schools. Minimum starting pay will be \$290 per month.

Eligibility requirements are set forth as follows:
1. Candidate must have completed four years of college.
2. Candidate must be between the ages of 18 and 25.
3. Candidate must be natural born citizens or naturalized for a period of at least ten (10) years.
4. Candidates must be physically qualified for flight training.

Individuals desiring to enroll in this program are asked to contact the Office of Naval Officer Procurement in Room 949 of the Book Building in Detroit, Michigan. Further information will be forwarded by mail.

Spring Musicales Held At Pierce

The Detroit Madrigal Club under the direction of August Mackelberghe offered to Grosse Pointe's music lovers their Spring vocal concert early last week at the Pierce auditorium.

The featured artist was twelve-year old Charles Treger of Detroit who has won city-wide acclaim for his violin accomplishments.

The chorus, which draws much of its talent from Grosse Pointe, was popularly received by the majority of the select audience and was regarded as the best performance in the history of the chorus.

The genial director, August Mackelberghe will present an organ recital on Thursday, May 13, at St. John's Episcopal church on Woodward Avenue. He will be assisted by the church choir. This should prove to be a rare musical experience for all who attend.

SPRING CONCERT
The annual spring concert by the University of Michigan Extension Service Orchestra at 8:30 p.m. on Friday, May 21, is one of the many musical events being held at the Rackham Educational Memorial this month. The program is open to the public without charge.

Arthur J. Slemmons, 17130 E. Jefferson is a member of this orchestra.

Ordinance No. 145
An Ordinance To Amend The Building Zone Ordinance

THE VILLAGE OF GROSSE POINTE PARK ORDAINS:

That Ordinance No. 65 of the Village of Grosse Pointe Park adopted February 27, 1928, as heretofore amended (herein referred to as the Building Zone Ordinance), is amended by adding a new section titled Section III (1), Off-Street Parking Facilities, to read as follows:

SECTION III (1) OFF-STREET PARKING FACILITIES

(A) GENERAL PRINCIPLE. In order that the streets may serve their primary purpose of affording a means of travel, the owners or occupants of property shall provide off-street parking facilities adequate to meet the parking demand generated by the use to which the property is put.

(B) PARKING FACILITIES IN CONNECTION WITH DWELLING USES. Property used for dwelling purposes shall have provision for off-street automobile parking facilities as follows:

- (1) In the Residence A District, there shall be provided on the premises; a minimum of two parking spaces per family.
(2) In districts other than the Residence A District, there shall be provided on the premises; a minimum of one parking space per family.

Such parking facilities shall be in the form of driveways, garages, or a combination thereof, and shall be located on the premises. The parking facilities shall be located in back of the required front yard, or, if in a district where no front yard is required, then ten feet back of the front lot line.

(C) PARKING FACILITIES IN CONNECTION WITH NON-DWELLING USES. Property used wholly or partly for non-dwelling purposes shall, unless determined otherwise by the Board of Appeals, have provision made for free off-street parking facilities as follows:

- (1) Where the use involves a building, off-street parking space for employees and patrons in area equal to two-thirds of the ground coverage of the building shall be provided.
(2) Where the use does not involve a building, the required off-street parking space shall be an area equal to one-third of the area devoted to that use.
(3) Theatres, auditoriums and the like shall provide parking space adequate to accommodate one automobile for every five seats.
(4) Churches shall provide parking space adequate to accommodate one automobile for every ten seats.
(5) Where a combination of uses is involved the required parking space shall be determined by pro-rating on the foregoing basis.
(6) Parking lots required under this paragraph shall be provided where possible on or adjacent to the premises, and in any case shall be within four hundred feet thereof. Required parking lots may be provided jointly by separate users. Where possible, access shall be provided from minor streets and alleys.
(7) Parking lots shall have a ten foot set-back from the front lot line, except that where the parking lot abuts or is in a residential district, the set-back shall conform with the front yard of such residential district. Where a parking lot is in or abuts a residential district, it shall have a buffer strip of not less than ten feet. Where not occupied by buildings, such buffer strip and residential front yard shall be landscaped with permanent material to provide a suitable screen.
(8) Parking lots shall be bounded by a low masonry wall, shall be properly drained, shall be surfaced with dustless, non-glare material and shall be adequately but unobtrusively lighted.
(9) Commercial building or uses shall provide off-street parking facilities for loading and unloading of commercial and service vehicles adjacent to service entrances and to permit passage of vehicles in alleys.

(D) MODIFICATION OF PARKING REQUIREMENTS.

The standard set forth in paragraph (C) above shall be a prima facie requirement. The Board of Appeals may reduce or eliminate the parking requirements of paragraph (C), or may do so subject to appropriate conditions, in any case where the Board of Appeals determines after a hearing that such requirements are clearly excessive or unduly burdensome for any of the following reasons: the use of the property will generate relatively little parking demand; public owned parking facilities have been provided nearby; suitable arrangements have been made for sharing parking space by two or more users whose parking demands occur at different hours; no economic use of the property can otherwise be made and no other property is available nearby for the provision of parking space.

The decision of the Board of Appeals shall be final. Where the Board of Appeals reduces the parking requirements, such decision shall automatically lapse if the building is not under way within six months after the date of the decision or if the building, once under way, is not diligently prosecuted to completion.

(E) DESIGNATION AND MAINTENANCE OF PARKING FACILITIES.

Parking facilities shall be clearly shown on the plans filed with the Village. Such parking facilities shall be constructed and maintained as shown in the plans and shall not be discontinued unless the parking requirements are reduced by the Board of Appeals in the manner provided in paragraph (D). Where the parking facilities are not on the same premises as the use to which they pertain, or are under different ownership, or where one parking facility serves two or more uses, the Village may require appropriate recordable instruments whereby third parties will have notice that the property is committed to parking facilities under this Ordinance.

(F) RULE FOR USES AND PARKING FACILITIES EXISTING ON APRIL 12, 1948.

Uses existing on April 12, 1948, and not then having parking facilities equal to that required above, shall not be required to provide new parking facilities or enlarge existing parking facilities in order to continue such existing use. Such areas as are then in use for parking facilities, whether in full or partial compliance with the standards required by this section, shall be maintained as parking facilities unless the parking requirements are reduced by the Board of Appeals in the manner provided in Paragraph (D). If the building is enlarged or the use extended, parking facilities shall be provided doubly commensurate with the amount of enlargement or extension involved until thereby the parking facilities required for the entire use have been provided.

William G. Stamman, Village Clerk

CHRISTIAN SCIENCE CHURCHES
"Immortals and Immortals" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, May 16. The Golden Text (I. Cor. 15:49) is: "As we have borne the image of the earth, we shall also bear the image of the heavenly."
Among the Bible citations is this passage, (Romans 8:16): "The Spirit itself beareth witness with our spirit, that we are the children of God."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 358): "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind."

Benefit Lecture For Alger Museum Garden

The dean of American Women landscape architects, Mrs. Ellen Shipman, will give a lecture on "The Evolution of a Garden Illustrated with colored slides on Tuesday evening, May 25, at 8:30 at the Pierce School auditorium. The lecture will benefit the Alger Museum Garden fund. Mrs. Benjamin S. Warren is chairman of a committee of garden club members interested in sponsoring the lecture. Mrs. Longyear Palmer is vice-chairman; Mrs. William H. Fries, secretary and Mrs. Clarence Avery, treasurer. Mrs. Henry L. Newman is serving as publicity chairman, assisted by Mrs. David Dunlop and Mrs. Wendell Wheelock is ticket chairman.

Members of the sponsoring committee include: Mrs. Russell Alger, Mrs. Standish Backus, Mrs. J. Lee Barrett; Mrs. J. Lawrence Buell, Mrs. Arthur Buhr, Jr., Mrs. David Dunlop, Mrs. Harry Finkenstaedt, Mrs. L. Rothe Farr, Mrs. Leslie Green, Mrs. A. E. Gehrke, Mrs. Gervys Grylla, Mrs. Richard Jackson, Mrs. George Hefferan, Mrs. Ernest Kanzier, Mrs. Charlton Newborn, Mrs. Lynn McNaughton, Mrs. George Villenot, Mrs. Herbert Micou, Mrs. Jerome Rennie, Jr., Mrs. Frederick Schumann, Mrs. Allan Sheldon, Mrs. Wood Williams, Mrs. Sidney Miller, Mrs. Howard Smith, Mrs. C. L. Brownell and Miss Isabelle Wesdock.

In addition to designing many of the most beautiful gardens in the Pointe, Mrs. Shipman planned the landscaping of Lake Shore Drive so much admired by residents and others who pass that

Village of Grosse Pointe Woods MICHIGAN NOTICE TO RESIDENTS!

Applications for Boat Mooring Permits are now being taken for the 1948 season.

These requests should be made to the office of the Superintendent, 795 Lake Shore Road, during regular office hours.

All residents who docked boats at these facilities last year and any new boat owners who are residents and desire to request space should apply for dockage space.

The Council of the Village has authorized a nominal fee for the privilege of using this facility.

VILLAGE OF GROSSE POINTE WOODS Notice of Public Hearing

"NOTICE is hereby given, in accordance with the provisions of Act No. 207 of the Public Acts of the State of Michigan for the year of 1921, as amended, that a public hearing will be had at the Mason School, in the Village of Grosse Pointe Woods, Wayne County, Michigan, on the

8th Day of June, 1948,

at 8:00 o'clock P. M., prevailing time, upon a proposed Amendment to Ordinance No. 34 of the Village of Grosse Pointe Woods, adopted June 18, 1940, which proposed Amendment is as follows:

"An Ordinance to Amend Ordinance No. 34 of the Village of Grosse Pointe Woods, Michigan, Adopted June 18, 1940, Entitled:

"AN ORDINANCE to regulate and restrict the location of trades and industries and the location of buildings designed for specified uses, to regulate and limit the height and bulk of buildings hereafter erected, to regulate and determine the area of yards, courts and other open spaces, to limit and restrict the maximum number of families which may be housed in dwellings hereafter erected or altered, and for said purposes, divide the Village into districts, to provide a method of administration, and to prescribe the penalties for the violation of its provisions."

"The Village of Grosse Pointe Woods Ordains:

SECTION 1: That Section 19, the second paragraph of title "District B" of Ordinance No. 34 of the Village of Grosse Pointe Woods, adopted on June 18, 1940, be amended to read as follows:

"All land fronting on Vernier Road from a point 300 feet east of the center line of Mack Avenue as established by action of the Wayne County Road Commission under date of February 1, 1945, and extending westerly to a point on Vernier Road distant 400 feet from the center line of Mack Avenue, as aforesaid; provided, however, that in no event shall the depth of said district exceed the platted depth as determined by the recorded plat thereof."

SECTION 2. That Ordinance No. 34 of the Village of Grosse Woods be amended to add a further and additional section to be known as "Section 2-a," which shall read as follows:

Section 2-a—DISTRICT 'D'

A further and additional district, to be known as District 'D', is hereby created, which district shall embrace the following described property, to-wit, all land fronting on Vernier Road from a point 400 feet westerly from the center line of Mack Avenue, as established by action of the Wayne County Road Commission, under date of February 1, 1945, and extending to the westerly Village limits; provided, however, that in no event shall the depth of said district exceed the platted depth thereof as determined by the recorded plat.

District 'D' shall be limited to uses permitted in District 'A', and also for the erection of two-family multiple dwellings, commonly known as two-family flats or income bungalows, which building structures shall have a single or common front entrance and shall be so constructed so as to have one complete house-keeping unit for each floor.

Except as otherwise hereinafter provided, the regulations contained in Ordinance No. 34, as amended, in reference to District 'A' (single residence district) shall apply in all respects to District 'D'.

Where a two-family multiple dwelling is erected, a front yard of not less than 25 feet shall be provided; a rear yard of not less than 1/3 of the entire depth of the property shall be provided, and a side yard space of 4 feet on one side and 8 feet on the other side shall be provided without obstruction of any kind from the front lot line to the extreme rear portion of the said multiple dwelling, provided, that in no event shall a multiple dwelling be erected upon a plot or parcel of property having less than 45 feet of frontage upon Vernier Road, and in no event shall the minimum side yard requirements herein provided be used in common or in connection with side yard provisions made for any adjoining structure.

SECTION 3. All Ordinances or parts of Ordinances in conflict herewith are hereby expressly repealed, only to the extent necessary to give this Ordinance full force and effect, and that the Zoning Map made a part of the aforementioned Ordinance be, and the same is hereby, accordingly revised.

SECTION 4. The provisions of this Ordinance are hereby declared to be immediately necessary for the public health, peace and safety and are hereby given immediate effect."

Devils Await Strong Fordson Track Team
By ROB PHILIPS
Grosse Pointe High School's thinclads are expected to face their toughest opposition of the season Friday afternoon on the Fisher Road track when they meet a strong Fordson team.

It marks the last duel meet of the season for the Blue Devils. Their next engagement will be the state-regional meet to be held shortly.

Hugh Dill and Dan Guy, playing perfect head-up tennis, in their number one and two (alternating) singles, have not-dropped a set in Border Cities League competition. They boast a percentage of 1.000. Guy has won 62 games to his opponents' 15 for a game percentage of .805. Dill has won 60 of his 76 games for a running percentage of .790. Bob Stritzinger and Bob Schneider, playing the number one doubles, are undefeated and have not lost a set. They've won 48 games to their victims' 9 — a percentage of .812. These totals include meets with Highland Park, whom the Blue Devils defeated 7-0; Fordson, 7-0; Royal Oak, 7-0; Monroe, 5-2, and Wyandotte, 6-1.

Last Friday afternoon, the locals traveled to Cranbrook for a non-league tilt. The Devils were defeated for the first time this season, 4-3. Cranbrook has a very tight-playing club and they provided Grosse Pointe with some real competition.

Bob Berg Misses No-Hitter For St. Paul, Thinclads Lose

Pitcher Bob Berg turned in a sparkling game to lead St. Paul High's baseball team to a 4 to 2 win over St. Bernard at St. Clair Recreation May 2. Two days later the Flyers injury-riddled track squad suffered a humiliating 55 to 22 defeat to St. Joseph at Belle Isle.

Only one strike separated Berg from a no hit game against St. Bernard. He had two out in the 12th inning, and two strikes on Bruck, when he hit him with a knuckle ball. Martek then hit a single to spoil the no hitter. Two more hits followed and two runs scored before Berg struck out Campbell to retire the side.

Due to the loss of their star rookie sprinter, Bill Anderson, the Devils are expected to be heavily pelted by the Dearbornites. Anderson pulled a ligament in his right thigh in the Monroe meet on April 30. He is expected to be kept from participating in the last meet in hopes that he will be in good running form for the state regionals to be held at Monroe sometime this month.

Coach Frank Banach has been obviously pleased by the performances turned in by his host of rookies. Among those who have come through this year are Fred Duemling. Duemling runs the mile event in the best time that has been turned in by any of the local milers in the past two seasons. Since he is a sophomore now, he will be participating in track for two more years. With a little more seasoning, Duemling might crack the mile record set by Mel Braund in 1939 of 4:39.0.

15241 E. WARREN at BARRINGTON

This Friday afternoon, the Fisher Road netters play host to the Monroe team for the second game of a home-and-home series. The Devils brought them to a 5-2 defeat on April 30 in the first contest. The Trojans will be out for blood Friday, as the locals handed them their first defeat of the season on the 30th.

Coach Charles Tambling, of Monroe, agreed that his team is again the dark horse in Friday's meet, but promises a strong team next season.

One of the definite advantages that Coach Merlin Schultz has had this season is the splendid turnout of students for the team and the fact that he has almost twenty boys who play well enough to be on virtually any team in the league. Strength in depth is again proving itself over depending on just a few good players. Through playing various combinations in his matches, Coach Schultz has been able to get the maximum performance from his players and give more players the needed competition in match play.

Wyandotte Nine To Meet Locals

Wyandotte High School will travel to Grosse Pointe to furnish the opposition for the Blue Devil diamond squad contest next Tuesday afternoon.

The locals collected their only win of the season when they edged out the "Down-River boys" — 2-1 last week.

Grosse Pointe will enter the game with an all-season average of one win as against three losses — for a .250 percentage.

The Blue Devils will complete the season in games with Monroe and Highland Park and two games that were rained out with Fordson to round off a rather mediocre season.

Plagued by a series of tough breaks, the local athletes came out on the short end of a 2-1 decision with Monroe early last week. The game went eight innings — one over the scheduled seven in all prep baseball — to decide the outcome.

Dick Lowery, another sophomore, looked good at the beginning of the season in the quarter mile event. With more experience, he too, should prove to be a valuable man in the track circles.

With state regional looming up in the near future, Coach Banach's men will be pressed even more in their daily practices. Last year, the locals tied for second place in the Border Cities League. Whether they will do better this season still remains the big question, but Banach has remarked upon several occasions that he believes that the present '48 squad is probably the most rounded of any that he has coached in the recent years.

Last Friday afternoon, the locals were rained out in a meet scheduled with Highland Park. The new date is to be announced.

Woods Presents Carnival Capers

Youngsters in Grosse Pointe Woods will present a colorful production "Carnival Capers" Tuesday evening, May 18, at Mason School.

The program which will offer folk dances, acrobatics and other attractions is under the auspices of the Woods Community Club's Mother Group.

Proceeds will go to purchase new equipment for the club. The public is invited.

St. Paul didn't have a chance in the mile and broad jump and 880 without Law, Sharpe and West. St. Joseph slammed all of them as well as the high jump and 440. Kruger of St. Joseph caused a mild sensation when he high jumped 5 ft. 7 in.

Coach Lauer intends to enter Sharpe and West in East Side Parochial League Championship at Belle Isle this week if their legs are all right. His other entries in the Championship are Sherwood, 220, 100, and shot put, Berg, 100 yd. dash, Hamlin, shot put, Hutton, 440, Law, mile.

D.U.S. was host to St. Paul in a non-league duel meet on May 11 in preparation for the State Regional meet.

Jet Racers Bid For Drake Trophy

Friday night, May 14 at 7:00 p.m. is the time for the final Jet Race of the year to be held in the Neighborhood Club Gym. The boys will be competing for the beautiful Drake Trophy now on display at the Neighborhood Club. Approximately 36 boys are expected to enter cars in the two classes—Class A for lightweight cars weighing under two ounces and Class B for cars weighing 2 ounces and over.

Boys are urged to weigh in their cars Thursday night so that races can start promptly at 7:00 p.m.
