HEED THEIR CRIES

YOU—who are reading this editorial now— YOU—can make the difference between life—and death—for a starving child. If a child were starving in the next block, YOU would help. There is a child starving—not, perhaps, in the next block—but in YOUR NEIGHBORHOOD. Because YOUR NEIGHBORHOOD is the WORLD. Because a hungry child in Europe is a mar on YOUR peace and security. Yes, YOURS. If those children, who are starving now, grow up—if they live to grow up—they'll be filled with hatred for the world that neglected them. That hatred will breed WAR. A war which will involve YOU. And YOUR SON. If we feed them now, we can make secure the peace. Heed their cries! Send just TEN DOLLARS to CRUSADE FOR CHILDREN at the Book-Cadillac Hotel. TEN DOLLARS will buy LIFE for a starving child for a WHOLE YEAR. The peace is in YOUR hands—YOU who are reading this editorial now.

IT'S POPPY TIME AGAIN

It's Poppy Time again! Plans for the 18th Annual Poppy Drive have been launched with volunteer workers enlisted to cover all the neighbors of Metropolitan Detroit and the downtown section on the May 27 to 28. Here is your chance to help the disabled veteran who is faced with the task of rebuilding a life under physical handicap. The veteran has earned and is entitled to our continued support. Funds raised by the drive will be used for welfare purposes for the boys, needs not provided by their government compensation. Ten per cent of the receipts, according to General Chairman Michael Whelan, will go to "We Remember, Inc.," a woman's service organization formed to help hospitalized veterans, the only one of its kind in the country. Buy your poppy! Keep it to wear on Memorial Day as a tribute to those who have fallen.

VFW Honors War Heroes

The Wayne County Drum and Bugle Corps will lead the parade, and proceed down Outer Drive to terminate at 10:30 a.m. in time for services at the Bethany Lutheran Church. Reverend Pastor Riess officiating. The Alger Post membership has invited all veterans of the Bethany Lutheran Men's Club and neighboring Veteran organizations to participate. It is expected the organizational colors of the 330 Field Artillery Post 3775; Fairview VFW Post 393; Lt. Hoffman Post No. 116; and Fort Gratiot Post 254 will accompany those of Alger Post Veterans of Foreign Wars in a solemn tribute to their comrades.

ERROR! THIS ONE WASN'T IN BASEBALL Among the runs, hits and errors of the baseball teams that were recorded on the sports pages of the Review last week, an error of another variety appeared on the front page. The caption above a picture depicting a flooded road read: "Woods' Road Under Water." The road shown however is within the Detroit boundaries and not Grosse Pointe Woods. The Review regrets the error.

Farms Residents Compliment Council Mr. Harold Tyree, 28 Provencal Road, in a letter to the Farms Council expressed appreciation of generally good municipal service. TROMBLY PUPIL AT CAPITOL

Safety Patrol Captain Hays Rockwell, third from left, is telling his chums at Trombly School this week about the swell time he had during a four-day all-expense tour to Washington, D. C. He found the sights in the nation's capitol, and a round-trip from his home on Balfour Road, an excellent reward for protecting the lives of fellow schoolmates during rain, snow and zero temperatures. He was among the 120 Safety Patrol boys from communities throughout Michigan honored by the Automobile Club of Michigan. From left to right the boys in the group are Thomas Howell; Highland Park; Matthew Ratsalsky, Hamtramck; Hays and Joseph Warren, Mt. Clemens.

Director Writes of Puppy Match to THE EDITOR

We are writing to you well in advance to ask that you give publicity to the Puppy Match that the Scottish Terrier Club of Michigan is sponsoring June 8th, 1948 at the Deluxe Motor Stage Garage, located at the corner of Cass Ave. and Ledyard St. in Detroit. We feel that publications such as yours reach the type of home that we wish to contact. Michigan Scotties have made a poor showing at recent dog shows and yet we are sure that there are many fine Scotties that are never shown merely because the owner does not recognize the dog's good points. Any registered Scottish Terrier puppy under the age of one year is eligible to be shown. It is interesting to the owner of a puppy to learn that he may own a potential champion and your readers who admire this breed may wish to see the show. We wish to take this opportunity to thank you in advance for any little item that you would wish to carry in your paper. Very truly yours, N. D. Cooldige Publicity Director

FLOWERS BRING JOY TO MOTHERS

TO THE EDITOR I am writing a few lines to let you know how I have enjoyed the beautiful orchid you brought me on Mother's Day.

As I was over to my granddaughter's with her family and friends for that occasion I really was very happy and enjoyed the day more than I can express it.

When this beautiful flower is withered I am going to press it in a book and will remember it always, given to me as the oldest mother-in Grosse Pointe.

I want to thank you and Myler's Florist again for your kindness and also for the lovely story that was in the Review.

Sincerely, Mrs. Salome Chiera Of Notre Dame Road

TO THE EDITOR How nice it was to get the flowers They gave me so much pleasure The memory of your thoughtful-ness Is something I shall treasure.

Presses Marital Education for High School Students

Schools have an obligation to the community to strengthen life and to prepare young people for the establishment of their own. Marriage is a career in itself, and it is surprising that we have demanded preparation for the most important job of the individual's career which is of the importance to the individual and the community," stated Marjorie Cosgrove, of the Grosse Pointe Schools, one of the speakers at the Mass Meeting to be held at the Pierce Auditorium at 8:15 p.m. on Tuesday, May 24th.

David Treet of the Flint Schools, and Mr. Leroy Selmeier, of the Grosse Pointe schools. Your attendance is urged at this vitally important meeting. Whether or not you believe that the study of family life belongs in the schools, you are invited to attend and see what is being done in other communities. Free tickets should be obtained at any Grosse Pointe school or the Grosse Pointe libraries.

DEDICATE NEW CHURCH

Woods Church To Dedicate First Permanent Building

Dedication Services of the Grosse Pointe Woods Presbyterian Church will be held on Sunday, May 23, at 3:30 p.m. This is the first permanent church building to be dedicated in Grosse Pointe Woods. The Church draws its membership from many surrounding areas. The structure to be dedicated is the Church proper. It is the first unit of a three unit building of the English parish type, located at 19850 Mack Avenue, at Torrey Road.

Two acres of land were given to the Church on May 13, 1940 by Mrs. H. N. Torrey of Lake Shore Road, and the late Dr. Torrey. This property is located in a natural wooded area with plenty of room for expansion and an area for off-the-street parking.

The Grosse Pointe Woods Presbyterian Church had its beginning on Palm Sunday, March 21, 1937, when the Grosse Pointe Memorial Church and its minister, the Rev. Dr. Frank Pitt, and interested residents of the area started a church school. The organization of a Church and the adoption of a name came on October 2, 1939. Church School and Church Services have been held in the Mason

Woods Thespians Present Plays On GPHS Stage

With the curtain rising promptly at 8:30 p.m. Thursday, May 27th at the Grosse Pointe High School Auditorium, The Grosse Pointe Masquers will present its third production of one-act plays.

Formerly known as the Grosse Pointe Woods Players, this organization has been hard at work for a year and a half under the direction of M. Haythorn Bambar. Since this acting group is sponsored by the Grosse Pointe Board of Education, Adult Education Program, no admission fee will be charged; no invitation required.

The program is quite varied. "Star Truck," a sophisticated comedy by Florence Ryerson and Colin Clements, produced by special arrangement with Samuel French, depicts an amusing morning of intricate complication for Cordelia Diers, who portrays the wife of a famous Hollywood movie star. Aided by Jean Schaller and Marjorie Horn, Mrs. Diers repels the attacks of a variety of notoriety seekers played by Lois Kossanke, and Opal McRury.

"The Ghost Walrus Fast," by Austin Williams Cook, is a vigorous mystery farce wherein Stuart Hooley, Dolores Edwards and Melissa Hart foil the evil designs of Wesley Wietoff in the person of a surely stranger.

"Live at Home and Like It," by James Marston presents a comedy of suburban life. Howard Reese enacts the part of a business executive who attempts to build the ideal home and present it to the fiancée and her mother, parts played by Jacquelyne McRury and Phyllis Davis. Opal McRury as the perfect secretary acts as buffer and efficient coordinator, only to be completely enmeshed in the ever lasting vagaries of suburban existence. Joan Hall as the housekeeper, Lois Kossanke as the distraught maid of all work, Dolores Edwards, Mary Jones and Wesley Wietoff as the typical neighbors upset the careful planning, and Mr. Reese begins his education into the life of suburbanite.

Pointer In Hampton Show

Lew Wood has the role of Sandy Lord in Philip Barry's "The Philadelphia Story," a Robert F. Hampton Production, which will be presented Friday and Saturday, May 28th and 29th at the Institute of Arts Theater.

Mr. Wood, who lives at 83 Vernier Road, Grosse Pointe Shores, is new to the Hampton Group but he has been active in theater for sometime. He played the role of "Danny" in the Cranbrook production of "Night Must Fall" and appeared in the production of "What Price Glory." He also worked with the Civic Light Opera Company in "Bittersweet." Lew's interests definitely tend toward the artistic for he is rapidly achieving prominence as a portrait painter.

Baha'is at Conference

Grosse Pointe Baha'is received word that five delegates represented the Baha'i international community at the United Nations conference on human rights held in Geneva, Switzerland, May 19 and 20.

The application for recognition as an international organization, the National Baha'i Assembly states, "was submitted jointly by the National Baha'i Assemblies of United States and Canada, the British Isles, Germany and Austria, Egypt and the Sudan, Iraq, Iran, India, Pakistan, and Burma, and Australia and New Zealand."

The Baha'i conception of human rights was presented to the United Nations Human Rights Commission in February 1947, the Assembly states, and "a brief explanation of how the Baha'i international community promotes human rights has been prepared for the working papers of the Geneva conference."

Trombly Pupils List Activities

"Setting Back the Clock," an original play, was presented by the 4B-1A Class in an Assembly Program on Friday, May 14. John Foxwell was the announcer.

Carolyn Swanson, program chairman, gave the audience a brief word picture on how the class studied unit problems, how the reports were prepared, and introduced the pupil reporters.

George DeVos and Janet Poppen reported class findings showing how our resources are being used and wasted and our estimated reserves.

FUN FOR SMALL FRY
Pointe Mother Is Producer Of Delightful Puppet Shows

What began as a bi-annual birthday treat for her two small daughters and their guests has resulted in a venture into the professional entertainment field for a Grosse Pointe mother, Mrs. Emery Kovach, and her sister, Mrs. Oasor Genser.

Mrs. Kovach, the wife of a Grosse Pointe physician, is an enthusiastic puppeteer who thinks that bringing plays to children in this form is wonderful fun for adults as well as for the younger audience. A member of the Puppeteers Guild of Detroit, Mrs. Kovach meets with other advocates of this art at least once monthly to exchange ideas and information on Puppetry.

Her interest in this subject began when she was teaching art education in the public schools. Bringing this interest into her home was easy, since there is probably no form of entertainment that fascinates children as much as puppetry. What started as an experiment into a tradition, and before she knew it, Mrs. Kovach was recruiting the dramatic aid of her sister, Mrs. Genser, an auditorium teacher at Jefferson Intermediate, twice a year for the winter puppet show on Sydney Gay's birthday (now 4), and the summer marionette show for daughter Leslie Ruth (now 6).

The last attendance at the shows grew to be embarrassing, since only one quarter of the children were her daughters guests, and there just wasn't enough room for the crowd of eager youngsters. Many mothers called to ask if they could buy tickets, or if the shows were going to be repeated. And so the idea came to the two present producers of the Lilly Paul Puppeteers that these puppet plays would be of interest to many local mothers who were dissatisfied with the movies and radio as the sole source of entertainment for their youngsters.

Therefore, since May 1, a Puppet Festival has been in progress at the Detroit Institute of Arts. The plays already presented were: Hansel and Gretel; Jack and the Beanstalk; Aladdin and His Magic Lamp; the last one May 22 will be "The Mice With the Three-Colored Tails." There are 2 performances, at 11:30 in the morning and at 2:00 in the afternoon.

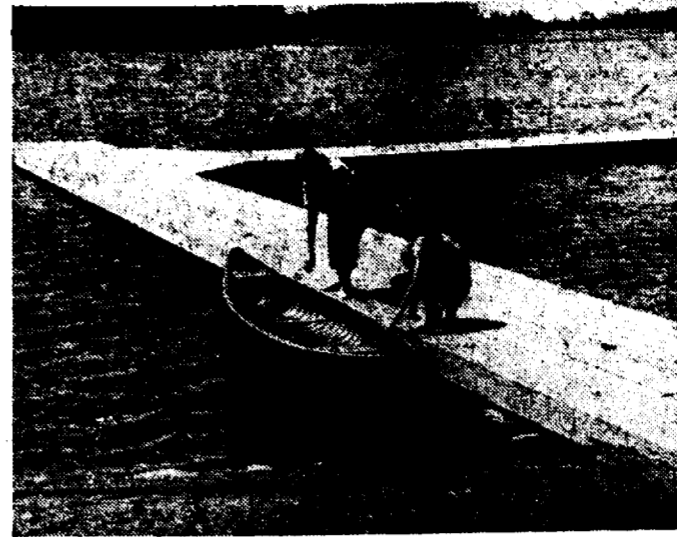

The puppet stage and the puppets are original designs of Mrs. Kovach, created especially for the plays and the stage of the Lecture Hall at the Institute. Both Leslie and Sydney have provided the proving ground for costumes, puppets, and the plays themselves. Mrs. Kovach is a dynamic little woman weighing less than one hundred pounds, who is a constant source of amazement to her family because they never know what she is going to do next.

Her daughters are quite accustomed to Mrs. Kovach's varied activity, in fact, they are a little surprised that the mothers of their playmates do not carry screwdrivers, nails, tape, thread, and material in their purses as Mrs. Kovach does. None of the aforementioned tools can really be dispensed with, for aside from puppetry, Mrs. Kovach is an interior decorator, children's fashion designer, sculptures, wood carver and all as good craftsman. Her own lovely home at 283 Mt. Vernon Road is an example of the enthusiasm she brings to anything she is interested in (which is almost everything). While her house was being built, the carpenters would stop and stare at the woman of the house who was designing the doors herself!

She also designs and makes all of her own clothes and those of her daughters, and has turned down offers to design professionally (for the time being). Eighteen daily hours of work is still not enough to fulfill all that she would like to do.

Tickets may be purchased from Irving Teicher, 1154 Book Building, or at the door.

Dads Needed To Complete Work At Girl Scout Camp

Work is progressing at Camp Holly with the help of the few who have volunteered for this Girl Scout project. The canoe shelter has been started and is two-thirds complete, 2 more indoor cupboards must be built, and there is still some varnishing to be done.

Mr. Martin Kraimer, 1854 Lancaster has donated the needed drain tile.

Grosse Pointe men who volunteered for work at Camp Holly the week-ends of May 8 and 15 included: James White and James White, Jr., 810 Washington; L. H. Orebaugh, 215 McKinley; Dr. Paul Noth, 221 McKinley; Henry Young, 232 McKinley; W. A. Fenning, 1381 Wayburn; Maurice Strong, 1281 Beaconsfield.

The teen-age sons of Mr. Fenning and Mr. Strong also helped.

There are two week-ends left in which to finish the work. Let's get it done, Dads! Call Harry Findlay, TU. 2-7024.

St. Paul Tracksters To Bid For City Honors, Netters Win

Jim Law and Pat Hamlin of St. Paul High qualified for the first Parochial League's Championship Track Meet by winning ribbons in the League's initial East Side Championships on May 14 at Belle Isle. Tennis returned to St. Paul with a bang after a six year absence, when the Flyers crushed De La Salle 4 to 0 on May 12 at the Neighborhood Club.

Law captured St. Paul's only title by winning the mile in 5:20 on a slow muddy track and Hamlin put the shot 38 ft. 10 1/2 in. to place third, thus qualifying for the League Finals at U. of D. Stadium on May 18.

The meet, was twice postponed because last week's unusually heavy rains turned the track into a sea of mud. De La Salle scored an upset to edge out the pre-meet favorite St. Charles 3 1/2 to 31. St. Paul had no aspiration for the team title and entered only seven men, but they were in 4th place until the last two events with 9 points. Failure to place in these dropped them to 7th in a ten team field.

Because of the large entry, heats were necessary. The best times qualified for the finals at U. of D. Three Flyers, Bob Berg, Paul Weet and John Hutton turned in their best times of the season but failed to qualify. In his heat of the 220, Berg ran 3rd in 25.4, but his time dropped him to 7th place. Weet put on a remark-

able stretch sprint to place 3rd in his heat of the 880 in 2:20 but was 5th on time. Hutton ran second until the final 65 yards in his heat of the 440. He finished 3rd, but his time of 1:01 dropped him to 7th.

Bob Sharpe, back in competition for the first time in three weeks, failed to qualify by a mere 4 inches as he was 4th in the broad jump. Dave Sherwood was 3rd in his heat of 220. Berg was 4th in his heat of the 100 and 880 relay team was third in its heat. Coach Ed Lauer was generally satisfied with the Flyer's performance. Law's great sprint at the finish won him the mile, for Ward of St. Joe ran the third heat just one second slower. The Flyers duel meet at D.U.S. on May 11 was rained out. It will be held on May 24.

The Flyers return to tennis competition was an auspicious one. They routed De La Salle 4 to 0. The visitors failed to win even one set. Jerry Hollerback captured the number one singles from Joe Picarrilli 6-1, 6-2, 6-0. Larry Reynolds shut out Jack Saylor 6-0, 6-0, 6-0, in the number two singles. Jerry Rauen whipped J. Cannon 6-1, 6-2, 6-0, in the No. 3 singles. Reynolds and Rauen whipped J. Cannon 6-1, 6-2, 6-0, in the No. 3 singles. Reynolds and Rauen then combined to trounce Picarrilli and Cannon 6-0, 6-1, 6-0, in the doubles. It was St. Paul's first tennis match since 1942.

GPHS Thinclads Close Season, Await State Regional Meet

Grosse Pointe High School's track men dropped their toughest conference of the season last Friday afternoon when they came out on the short end of a 57 1/2 to 51 1/2 score with Fordson High School.

The thinclads will continue to work out for the state regionals here on Saturday, May 29.

The locals played host to the Dearbornites in what proved to be a close contest all the way through to the last event.

Dave Shepard, tractor hurdler and dash man brought home the bacon with a first in the 120 high hurdles in the initial event. Tom Dewey and Bill Pierce of Grosse Pointe finished close behind in that order.

The pace that Shepard set in the hurdles was followed when the visitors slammed the 100 yard dash. After much discussion about third place, the judges gave Jimmy Williams, Grosse Pointe's small speed ace, third, much to the disapproval of the crowd.

Bill Baxter, the Fordson's tenth grade winner of the century, set the time of :10.3, just one-tenth of a second away from the High School record set back in 1931 and later tied in 1944.

With the score 13-5, it looked as if the meet might be a run-away for the powerful Fordson athletes. Milers Fred Duemling and Jerry Brand proved to the throng that Grosse Pointe was still in the race when they slammed their event in a time of 4:58.3. Several rookies put on an impressive show although they did not wind up in the money.

Quarter-miler Russ Morgan of Fordson won his event with Pointers Burt Spurrier and Bob Coleman finishing close behind for a combined four points.

Dave Shepard won his second event of the afternoon in the 200 low hurdles. Jim Flom and Bill Pierce hung in for another second and third for Grosse Pointe. Shepard has been defeated only once this season in the hurdles. Jim Morelli, Monroe timber-topper, edged him out two weeks ago in the Fordson-Monroe contest.

In the field events, Tom Follis, the only Blue Devil to remain undefeated in his specialty, and Lee Walker slammed the shot put to give Grosse Pointe the first lead on the afternoon, 28-25.

WIN BOWLING CHAMPIONSHIP

G.P.B.M. BOWLING LEAGUE CHAMPS 1947-48

Smiling and happy are the members of the Rustic Cabin team that captured the championship in the Grosse Pointe Businessmen's League this year. From left to right they are Philip D'Arcy, Benard Rose, Karl Kuerth, Marvin Ouellette, Maybury Schweizer and Sponsor Peter Ouellette. The title had special significance to the boys as it marked the first time anyone of them had bowled on a championship squad. They were presented the trophy and individual awards at a gala banquet held recently at the Civic Center in St. Clair Shores.

Hartlag's Bat Wins for St. Paul

By JOHN HUTTON
Catcher Don Hartlag and Pitcher Bob Berg combined to lead the St. Paul Flyers to their third victory in four games, when they whipped Annunciation 9 to 5 on a slippery, muddy Neighborhood Club diamond May 13. The victory kept the Flyers tied for the lead in the Parochial League's East Side 2nd Division as they prepared to face St. Philip, the defending champs at Chandler Park on Friday, May 21st.

Hartlag's big drive in five runs. He stepped up to the plate in the first inning with the bases loaded and knocked a triple into left center field trying to score on short stop Chuck Alaska's ground-er to 3rd base.

In their half of the first the Cougars also scored three runs on a walk, hits by Jim Waters and Chuck Lotzar and two Flyer errors.

Berg and Jim Barker, the Cougars hurler, then pitched shut-out ball until the 5th inning when waters tallied for Annunciation. In their half of the inning the Flyers exploded for six runs on hits by Williams, Bingham, Hartlag and Roland, coupled with 3 walks and an error. Annunciation came back in the sixth inning with one more run.

St. Paul committed 3 errors and collected 10 hits from Barker who struck out 6 and walked 5. Berg struck out 7, walked 2 and gave up 6 hits. Annunciation committed 4 errors. Hartlag was out-

standing. Besides his five runs batted in, he picked 4 men off 3rd base. First baseman Harry Hammond was spiked when Berg attempted to pick a runner off 1st base.

St. Paul's new golf team, consisting of Bill Heutteman, Phil Van Hollebeke, Pete Belanger and Dick Hoskins was to meet De La Salle at Chandler Park on May 12 but it was postponed until May 19 because of rain. It was St. Paul's first entry into golf since 1942.

GPHS Netters Seek Ninth Straight Win

Grosse Pointe High School's tennis squad will be out for their ninth straight win when they play host to Wyandotte Thursday in the second half of the home-and-home schedule.

The locals pushed their winning streak to eight straight victories for the '48 season when they defeated the much-improved Monroe team on the Fisher Road courts last Friday afternoon. It marked the second defeat for the Trojans at the hands of the Grosse Pointers. In the first game, on April 20, the locals downed them 5-2.

In the number one and two singles, Hugh Dill and Dan Guy 6-1 and 6-3, 6-3 scores, respectively, Bob Schneider and George Kennedy topped the numbers three and four singles by the same scores as in one and two.

All three doubles matches were taken by Monroe, but not without a good fight mustered by the locals.

The longest match of the day was contested between the combinations of Jim Barker-Bob Stritzinger and John Dunkleman and Jack McIntyre. The locals dropped it 6-3, 5-7, 9-7, in the number one doubles, out down.

Alex Mann and Fred Pessl were cut down 6-0, 6-6, and 6-2 by Monroes' Joe Pawlah and Paul Braden in a close match.

Earlier last week, the local netters played host to Fordson to hand the Dearbornites their second defeat of the season, 6-1.

First-stringers Dan Guy, Marv Weaver, Bruce Kirchner, Jon Walton, and Jim Barker didn't see action in the Fordson tilt to give some rookies more experience.

U. S. Navy scientists expect soon to be able to produce temperatures within .001 degrees of absolute zero (-459.7 degrees Fahrenheit).
