Arndt, popular Grosse Pointe teacher of the dance, is as the proverbial bee these days - what with planning her recital at the Music Hall June 14 and 15 and trips to Chicago and Washington, D. C., she will teach for two national dancing masters associations.

Among those contributing to the baseball team's successful season is Dick Bodycombe. He likes and plays first.

The young athlete attended Grosse Pointe High. He is the son of Mr. and Mrs. A. Bodycombe of Lincoln Road.

A picture-story of the Review's "Editor of the Week" appears in the sports page.

The day before Henry C. Lavers, Township Clerk died, he told Clara Wiley that he expected to go on a trip the next day.

The latest in swim-suit styles entailed the opening of the Grosse Pointe Yacht Club on Decoration Day.

Father Clark's Invocation Marks Memorial Tribute

Grosse Pointe joined the nation this week in the observance of Memorial Day by paying tribute to its war dead.

A record crowd attended solemn rites held Sunday at the Honor Roll shrine, on the Grosse Pointe High School lawn. They heard Father James D. Clark, O.S.A., of St. Clare of Montefalco, give a stirring invocation, and Rev. E. H. Yeoman, Vicar, Christ Church, offer the benediction.

Mr. Bert Wickling, president of the school district read the names of the 113 Grosse Pointe sons who

Citizens Are Asked To Help

The Grosse Pointe Honor Roll Association needs your help! A list must be made of all veterans who served in World War II and service records must be brought up to date. It is essential that an accurate historical record of each of veteran be prepared for the permanent file which will be placed in the proposed war Memorial Library.

At present the names of 3,603 men and women are represented in that file. On June 2nd, a letter was mailed to each veteran whose name appears on the Honor Roll. The enclosed cards, which are to be filled out and returned to the Public Library, will contain information necessary for these records.

HELP "FOLLIES" MAKE GOOD

Working behind the scenes of the Junior League's "Follies" are Director Alfred Burke and Mrs. James McMullan, talent chairman; The pair are highly responsible for the "hit" notices the show received after its premier performance Wednesday at the Music Hall. The Follies will also be presented on Thursday and Friday, June 3 and 4. Proceeds will go to the Junior League's "Pioneer House."

Rickey Is Broke, and Blue Too

Rickey Berard, 11, of 238 McKinley Road, broke his arm Friday when he fell off a tree while playing near his home.

The youngster, who is the son of Mr. and Mrs. Elrich H. Berard, is a sixth-grader at Richard School. Rickey, very blue about his misfortune which will curtail his fun during summer vacation, wanted this item to appear in the Review as a warning to other boys and girls to play safe.

Swimming will not be allowed in the Grosse Pointe area of Lake St. Clair until the ban which cut the bathing season short last year is lifted.

It was disclosed by Dr. T. S. Davies, Township Health Commissioner, who banned swimming here in 1947 due to pollution. His action was in accord with a State Board of Health ruling.

LATE OFFICIAL

HENRY C. LAVERS

Goodrow Named Township Clerk

Mr. Don J. Goodrow, attorney, was named acting clerk of Grosse Pointe Township by the Township Board to succeed Henry C. Lavers, who died suddenly last Wednesday, May 26.

Before Mr. Goodrow accepted the position, he resigned as Township Justice of the Peace. John L. Potter, of Barrington Road, prominent attorney, was named to fill the judicial vacancy by the Board.

Carl Schweikart, Township supervisor, disclosed that the board at some future meeting will rule as to whether Mr. Goodrow will hold the clerk's office until the Township election next February.

Pericles, the great orator and statesman of Athens, when asked to speak of the first Athenians who fell in the Peloponnesian War, confessed that he doubted the wisdom of any speech at such a time and declared that when men's deeds have been great, they should be honored in deed only.

Today we are one in mind with the great orator of Greece when we consider the great deeds of valor which our American heroes have achieved. The graves of our brave dead tell a story of devotion to Justice and Freedom which surpasses the power of language.

We invoke the blessing of Almighty God on these gallant martyrs baptised in their own blood and on the material possessions and spiritual value which their sacrifice preserved for us.

Ours is the solemn obligation to keep faith with them and be loyal in our personal lives to the ideals and freedom for which they gave their all.

Those who died in battle would have asked for nothing more. Their one hope was that you and I would enjoy what they had left behind.

It is our solemn duty to perfect and preserve our priceless, sacred heritage to the end.

War Memorial Library To Be True Community Center

The plans for a Grosse Pointe War Memorial Library are the realization of hopes for a library building which will serve not only as a library, but also as a memorial, in the form of a true community center. Now is our chance to make an investment which is certain to pay dividends in the development of better citizens, and a richer and fuller life.

Other cities in the Detroit metropolitan area, such as Birmingham and Highland Park, have long had spacious and beautiful library buildings. It is regrettable that Grosse Pointe, which is otherwise such an ideal place in place to live, should be the only place of its size and wealth which has no central public library. A brief account of the services which will be provided in the Grosse Pointe War Memorial Library is given here, so that the need for a central library building may be better understood:

Brothers Face Assault Charges

The Weiss Brothers, Albert, 23, and Fritz, 21, of Detroit are being held by St. Clair Shores Police, for assault with intent to kill Officer George LaForest, 33, of Grosse Pointe Shores Police.

After the attack which occurred at John's Place, 24300 East Jefferson, Sunday morning the victim was taken to Bon Secours Hospital where he was treated for a two-inch knife wound in his left rib.

Off duty at the time, LaForest was enjoying a snack with Mrs. Forest when the brothers who had been drinking entered the eatery and became abusive. They ignored his attempt to prevent any trouble and a fight started in which the older brother cut the police officer with a pocket knife. The pair fled.

The brothers were apprehended a short time later by Lt. Charles Perkins and Officer Stanley Kloss of St. Clair Shores Police. They were hiding in a boathouse.

Police said that LaForest is recovering at his home on Vernier Road.

John Emery In Smash-Up

John Emery, of 2033 Fleetwood, prominent Lochmoor Club golfer, was taken to Bon Secours Hospital in serious condition Thursday morning when the car he was driving smashed into a tree off Jefferson Avenue.

He suffered a fractured hip and internal injuries. Officials said he may be confined to the hospital for several weeks.

Police reported that the accident occurred when Emery attempted to take the curve on Jefferson near Harvard Road at a high rate of speed.

264 Plan To Graduate At GPHS

Grosse Pointe High School is expected to graduate 264 seniors at the commencement ceremonies held Thursday, June 17, included in this figure are six veterans.

The school office however reported that this figure would not be official until final examinations are completed within the next several days.

John R. Barnes, superintendent of the School District, will present the diplomas during the traditional rites which will be held in front of the school building. In the event of bad weather, the exercises will be conducted in Pierce Auditorium.

School Principal William B. Clemonson will present the various awards to outstanding scholars.

Outstanding factor of this term's class is the small number of veterans who are being graduated. The first post-war ex-G.I. graduating class exceeded 100 members.

Dedicate New Kerby Field

Grosse Pointe Farms dedicated its spacious new Kerby Field, Kerby near Mack, Monday afternoon with colorful flag raising ceremonies and a baseball double-header.

The large crowd present saw James K. Watkins, village president, and Neil McEachin, recreation commissioner, participate in traditional opening day festivities. Mr. Watkins threw the first ball to Mr. McEachin behind the plate.

In the first contest of the double-header two American Legion nines met in a non-league game, with Grosse Pointe Post 503 defeating New York Central Post 8 to 1.

The nightcap saw St. Ambrose beat St. Paul 4 to 3.

ARMED ROBBER TO BE DEPORTED

Charles McGuire, pleaded guilty to armed robbery before Judge Ira Jayne of Circuit Court, Thursday. Sentence was upheld pending McGuire's deportation to Canada.

He confessed to robbing the Grosse Pointe Drugs store several weeks ago.

ROB PARK WOMAN

Park Police are looking for the culprit who slugged and robbed Mrs. Thelma Sigworth, of 766 Berkshire, Saturday night. Her purse containing \$85 was taken.

RESIDENTS MUST NOTIFY VILLAGE COUNCIL

Any Park resident wishing a hearing before the village council is requested by the council to indicate such intentions to Everett B. Lane, village manager, at least 24 hours before the council convenes.

Regular council meetings are held on the second and fourth Monday of each month at 5 p. m.

Park Gets New \$15,000 Fire Truck

Grosse Pointe Park's Fire Department will have a new \$15,000 fire truck in service Friday which features all the modern fire-fighting equipment including a 55-foot electrical ladder.

It was disclosed by Chief Receptor, who said that the new vehicle replaces an old model which has been sold by the village to Gratiot Township.

Hitch-Hiker Causes Mishap

City Police said that they issued a ticket to Curtis R. Webster, of Detroit, for not having his car under control causing an accident at Jefferson near Notre Dame last week. Mrs. Webster was taken to Bon Secours Hospital for minor injuries.

Police reported that Webster's car struck one driven by Anthony Tormerno, of Detroit, who was driving behind a police scout car that stopped suddenly to get a hitch-hiker off the street.

School District Holds Election

The members of the Grosse Pointe Board of Education, whose terms expire this month, will hold a re-election at the annual election on Monday, June 7.

Charles A. Fournard, Moody Sheaffer, Theodor J. Kramm, and Shirley T. Kramm are the candidates for this election.

The election will be held on Saturday, June 7, from 3 p. m. to 9 p. m. at the following schools: Grosse Pointe (10 Defer, 12 Defer, 13 Defer, 14 Kerby, 15 Defer, and Mason, 17).

CHIEF WARNS YOUTH

Farms Police apprehended several youths shooting fire crackers in the vicinity of Grosse Pointe High School. They were released after receiving a tongue lashing from Walter Hoyt, Chief of Police.

Announce Clean-Up Week

The Parks Council announces a clean-up week to begin next Monday, June 7th. Residents are asked to cooperate in this effort by gathering up all types of refuse discarded on vacant lots adjoining their premises and placing it in the space between the sidewalks

and the curb from where it will be removed by Village trucks to the dump.

Residents are warned that unless cooperation is given by cleaning up adjoining premises of discarded material, it will be impossible to cut the weeds this summer.

Helping to develop the child into an adult, adequate and well-trained to meet the duties and responsibilities of citizenship, is one of the library's foremost aims.

The Grosse Pointe Public Library works in close cooperation with the schools at all times. 3,745 children below the ninth grade borrowed 59,022 books last year. 8,847 children from public, private and parochial schools came in class groups with teachers, for instruction and help in learning how to use books supplementary to their school work.

The new library will provide a beautiful room where children may come singly or in groups, where story hours, book talks and music appreciation periods may be held. Pre-school children will have a place in this room especially designed for them, as will the older boys and girls.

Adults, too, especially the business men, will find an enlarged reference department useful and profitable.

In addition, leisure reading for adults has not been forgotten. There is to be an adult reading room, furnished with lounge chairs and reading lamps. The informality of this room will make it an ideal place for those who like to browse and read in a quiet and friendly atmosphere.

Provision has been made to house and increase the use of the various collections of non-book material which the library offers as additional services.

TAP POINTER

David Fairless, son of Mrs. and Mrs. Victor Fairless, 559 Fisher, has been tapped for membership in Blue Key, honorary for junior men at Denison University, Granville, Ohio, who have been outstanding in scholarship, leadership, and service.

Long handicapped by an inadequate collection of books, magazines, and reference material, the service given the public by the library has been surprisingly efficient when one realizes the difficulties under which the library has struggled. According to Miss Florence Severis, Librarian, the Association recommends two books per capita as the minimum essential for adequate library service. Judged by these standards Grosse Pointe should now have 80,000 books. The current collection of 33,000 books is not only far below standard,

LET'S HELP THE MAILMEN

There is no Bill before Congress that is in greater need of prompt enactment into law than S 1949 recommended by the Senate Post Office and Civil Service Committee to provide an adjustment of salaries for Postal Employees.

In 23 years, or since 1925, they have received increases amounting to \$800 or about 40%. For the first 20 of those 23 years they worked for a salary comparable to those existing in 1925 without adjustment whatsoever.

Salaries in private industry and the cost of living in the same period of time have increased a far greater amount.

The Bill S 1949 provides an increase of \$800 per annum, however, actuarial figures show an increase of \$1000 is needed to bring postal salaries on a level with private industry.

Our letter carrier and other postal employees are now and have had a most difficult experience in trying to make ends meet. They have been loyal and conscientious about the job of getting the mails through before, during and after the war; yet this loyalty has paid poor dividends. They find themselves not only deprived of the pleasures of a normal standard of living but also the bare necessities of life.

Buying a home or car or household furnishings are beyond the reach of most postal employees, except by going into debt which further lowers their standard of living until debts are paid. Raising a family, providing a home for elderly dependents or sickness reacts in the same manner.

Aside from all these, low salaries paid to postal employees have reflected a lower standard of your mail service. This is to be expected since qualified people cannot be induced to enter the service and many with long years of service who are qualified to perform the required duties are resigning because of better inducements elsewhere.

Congress and Congress alone can make adjustments. The present Congress will adjourn within a month. If no action is taken, postal employees must again wait and your postal service will suffer added inefficiency because of additional resignations of experienced employees.

Appeals by the public can do much to encourage Congressional action. Won't you sit down and write a letter to Senators Vandenberg and Ferguson, Senate Office Building, Washington 25, D. C. and to Congressman Youngblood House Office Building, Washington 25, D. C. asking them to take steps to bring the Bill S 1949 out on the floor for final action and that they support its enactment into law during this session of Congress.

this popular and widely used collection. Here patrons may select the compositions and particular recordings they wish.

Provision is also made for the storage of a film library which, it is hoped, may be a reality in the near future.

The Grosse Pointe Historical Room, which will be on the second floor of the library, will contribute an important cultural service to the community. Books, maps, letters, and miscellaneous material relative to Grosse Pointe history will be collected and preserved here.

The new library will have facilities to assist organizations and clubs in planning programs, and will also provide rooms for their meetings. There will be small rooms for informal discussion and study groups, and a larger room which will accommodate a group of fifty people. Here children and adults of Grosse Pointe will have the opportunity of enjoying special musical programs. Film forums will also be arranged. Kitchen facilities will be provided for the use of these groups.

An auditorium with a seating capacity of 200 people will be equipped with a small stage and dressing rooms, and will be available to all Grosse Pointe organizations.

Fulfilling its purpose as a memorial library, the new building will house the names and records of all the Grosse Pointe men and women who so unselfishly contributed their services in World War II. Acting as custodian of these records, and offering to the public the numerous and increased services described above, the Grosse Pointe War Memorial Library should prove a worthy and suitable memorial—one to which everyone in Grosse Pointe can "Pointe with Pride."

U-M Student Writes Of Phoenix Project TO THE EDITOR

Undoubtedly you have heard of the Phoenix Project recently launched by the University of Michigan. This project is a living memorial to the University's war dead and we would like to tell everyone of its great significance. Its purpose is to show how atomic energy, which so recently wrought death and destruction, can be used for the benefit of mankind.

The Phoenix Project has been saluted by the Atomic Energy Commission and the Office of Naval Research. Both offices are ready to assist the project with financial support.

The Phoenix Project will affect not only scientists, students, and teachers, but also every man, woman and child in the world. We, at the University of Michigan, realize the significance of launching a project such as this one and are certain that your paper will co-operate in emphasizing the importance of the Phoenix Project.

I am enclosing a copy of the Michigan Daily, in which all the known details of the Project are given, and am leaving you the task of arousing Grosse Pointe to realize the significance of the Phoenix Project.

Sincerely yours, Sara Stephenson 386 Jordan Hall University of Mich. Ann Arbor, Mich.

The staff members of the Michigan, Wayne County, and Grosse Pointe Health Department as well as those of the Tuberculosis and Health Society wish to thank you and express appreciation for your assistance.

It is only through the effort and backing of citizens in a community that a project can succeed. You can feel that you had a share in bringing about the important early treatment of many chest conditions including tuberculosis.

Please accept the sincere thanks of each of the members of the Steering Committee who guided this program through to completion.

Sincerely yours, T. S. DAVIES, M. D. Grosse Pointe Twp. Health Commissioner

Richard School Audience Hears "Peace of Mind" Talk

"According to a recent newspaper article, no one has complete peace of mind today," stated Mr. Floyd Munson, speaker at the Baha'i Public Meeting at Richard School on Tuesday evening. "The best sellers are those on peace of mind and how to be happy. But peace of mind cannot be achieved through possessions or economic success. It is the result of the development of the soil."

The basis of man's happiness and spiritual development is the moral law, and only the moral law of God can bring this about. Human laws can never bring a new society, while the Laws of God bring about new civilizations. In obeying God, man finds peace, and inner conflict ceases.

"Ever since the beginning," continued Mr. Munson, "when man first appeared with a conscience, the Divine Teachers or Prophets have come into their midst and proclaimed the moral law; not fully, but according to the capacity of men to receive it. These beings are the Authority, and their Authority comes from God. They are conduits bringing to man the waters of Knowledge from the vast unknown reservoir of God. They alone determine what is good and what is right."

"This continuity of religion can be well described in the following simile: God is the author of the complete volume of Revelation. Each religion is a single chapter of the volume, and each Prophet, the Pen used in writing that particular chapter in the volume; each chapter prepares the reader for the next; each chapter that fol-

lows develops the Plan further; the chapters have significance as long as they are read together; but if they are taken out of the context they lose the significance that the author attached to them.

"For instance, some chapters outline the plan for developing the individual; today we have Baha'i plans for cultivating and developing all the nations together, mankind as a single unit."

Wayne Honors Tommy Stock

Tommy was honored for his originality and innovations in the field of sound engineering. The Speech Department and other men of radio expressed their indebtedness to him. The radio work has been a hobby with Tommy, his field of study being mechanical engineering.

He was graduated from Grosse Pointe High School in 1946.

Passenger Hurt in Accident

A traffic accident occurred on Lakeshore Drive and Kerby Road Sunday when an auto driven by Alvin S. Hornung, 20, of East Detroit, smashed into the curb, hit another car and then turned over. The only one injured was Anthony Tenaglia, 19, of Detroit, who was treated at Cottage Hospital for a bruised shoulder. He was riding with Hornung.

Hornung told police he swung into the curb to avoid striking a vehicle that had suddenly cut into his right of way. The second car was driven by James Hardie of Detroit. Damages to Hornung's car was estimated at \$300. Hardie's auto was slightly impaired.

Teen Talk

By SHARON FORD

Editor's Note—The following "Letter to the Editor" appears in this space because of its particular interest to "Teen Talk" readers.

TO THE EDITOR:

We, an astonished body of students, feel that whoever wrote the letter which you published in last week's "Teen Talk" column certainly did not express the ideas of the present 11A class of Grosse Pointe High School. Although we realize there are a few eccentric fellow students whom we have to feel sorry for, occasionally, there was no call for this provoking letter. And so we, speaking for the real 11A student body of Grosse Pointe High School, congratulate Sharon Ford for her commendable reply and again we publicly apologize for the pretenders who addressed the letter to you which you published in a recent issue of your respectable newspaper.

Apologetically yours,

The Majority of the present 11A class of Grosse Pte High School

What a wonderful long weekend. Hope everyone had a swell time and you know there are only five more days of school, then exams and a super summer vacation. We have some nice parties to tell you about so here we go.

Treasure hunt and dinner at Tom and Jim Fenske on Torrey Rd. That was the big word last Thursday night, when the boys entertained the members of the Waltham League. They had arranged a treasure hunt that was really a hunt where those clues ever hidden! Some of the many kids who enjoyed this and the movies afterwards were, Lois Moeller, Tom Nelson, Marilyn Faust, Russ Haskins, Russ Diesing, Bill Nelson, Doris Foster, Wally Moeller, Virginia Reed, Horst Haber, Loraine Aamus, Bob Schneider, Helen Hippel, Gordon Faust, Barbara Meinke, Phyllis Frank, Margie Storckel, Dave Carr, and Christa Meuller. The gang all agreed it was a different and fun evening.

Sharon Ford

On to Friday night at the Boat Club where the "Quad Hop" held. Kelly Green and white crepe paper streamers decorated the ballroom and the very enjoyable band of Bill Gail provided the music for the popular affair.

It was a typical early summer scene, in that the cool water breezes were blowing in the French doors from the river, and all the merry makers of the evening were dressed in the latest for, the fellows sported summer tuxes and the girls in their newest summer formal of lovely pastel cottons made the setting so complete. We saw Bob Bolo 'n Nan Pierron, Ted Osis 'n Sally Andrus, Joe Manino 'n Janie Bundy, Larry Smith 'n Marge Amert, Bob Armstrong 'n Elaine Buher, Dick Augustine 'n Mary Ellen Antrim, Bill Isbey 'n Alice Ann Sickler, Doug Buck 'n Alice Nevil, Bill Carruthers 'n Bev Bolin, George Berenak 'n Mary Ann Wagner, Chuck Wagner 'n Katy Wieland, and many many more of the kids who make up the junior set of the Pointe and old G.P.H. 'Twas a nice evening for a dance and all who were there had a wonderful time.

On to early Sunday morning when a gang of kids in a picnic mood made off to Rochester again, after the swell time had on the Tuxis picnic last weekend. They piled into their cars with the biggest lunches you ever saw and made pretty good time out there to enjoy a full day's fun romping in the hills and woods. They were planning a little swimming this time in suits and not jeans but it was just kinda of chilly! But these kids had a swell time any way, Barb Mann 'n Bill Treuter, Helen Plath 'n Herm Klingelhofer, Meekie Van Zamen 'n Dick Redmond, Lou Ciere 'n Sue Cruickshank, Terry Thomas 'n Felice Thorpe, Sue Carson 'n Cal Grey, Mary Ann Mann 'n Jerry Meekie and they had a gay time.

Surprise, surprise! In honor of Sally Smith's eighteenth birthday on Friday night at the home of Margie Storckel. A group of her pals got together and made a party of fun for this popular G. P. gal.

The biggest event of next weekend will of course be the Senior Prom. We hear the theme of the semi formal affair is to be "Life in China." Dave Ramsey and Pat Martin are co-chairmen of the decoration committee. Ed Karrer heads the refreshment committee, and Marilyn Shangel is head of the invitation committee. The music committee under the head of Stue Ward announced the band for the evening to be that of Jimmy Strauss a mighty fine outfit. Of course only the 12th Grade class may attend this, and the dance is in honor of the graduating class of June '48.

Well this completes the round-up for this week... see you around.

Entertain Seniors With Prom, Banquet

Harvard House was the setting for the St. Paul Jr.-Sr. banquet and the Lochmoor Club, for the J-Hop. Both were sponsored by the Juniors in honor of the Seniors. The dance took place Friday, May 28, and the banquet, Wednesday, June 2.

Although the prom was a closed affair, many of the friends of both classes attended. Some of the couples who were there are: James Law and Rita Leitbauer, Nancy Schumacher and Albert Campenhout, Joanne Krehbrink and Paul Meldrum, Mary Ann Hillebrand and Bud Baker, Clara Konen and Warren Smale, Robert Sharpe and Paula Hardy, James Furton and Joan Whyte, Philip Van Hollebeke and Mary Lou Thibodeau, and Alda Marie Crowe and Jim McCook.

Right about now—

your furnace or stoker is pretty tired

After its 6 or 7 month race with Old Man Winter... a good part of it in sub-zero temperatures... your coal heating plant is due for a little well-deserved attention.

Remember that coal and coal heating equipment, working efficiently together, comprised the only heating system that won hands down over Old Man Winter... without once being lapped by shortages, heat interruption or turned-down thermostats. You'll want to be sure it does an equally good job next year—and it will, if you give it half a chance.

A good thorough cleaning, a complete checkover for worn or defective parts, a careful inspection of flues and heating surfaces—and your furnace or stoker will be ready for next winter's triumph over the thermometer. Facilities are ready now for thorough, unhurried care of this important matter.

Your local coal retailer is the man to consult about cleaning and repair service. Pick up the 'phone and call him now, before you forget.

If your local coal merchant has no facilities for cleaning service, or for emergency service 24 hours a day for your furnace or stoker... call CHERRY 4331.

The summer school term at Grosse Pointe High School will begin June 21, and continue through August 13.
The summer curriculum will include the following courses: Typing 1-IV, English 7B through 12A, French I and IV, Latin I-IV, Spanish II-IV, Social Studies 7B through 12A, Civics II and III, Economics, Math. 3B through 12A, and instrumental music.
Special courses will be provided for elementary students in reading and spelling in grades 3B through 6A.
Students may enroll in room 114 at the high school Friday, June 18, from 2 o'clock to 5 o'clock; Saturday, June 19, from 9 o'clock to 12:30 o'clock; and Monday, June 21, from 8 o'clock to 4 o'clock.
The fee per course for residents of Grosse Pointe will be \$7, while non-residents will pay \$14. Classes are held from 8 o'clock in the morning to 12:40 o'clock. This provides for three one and one half hour periods. Students are not urged to sign up for all three periods unless advised by their counselors. The reason for this is that three classes make too much work since the assignments are three times the normal assignment given during a regular school term.

GIRLS SOFTBALL

The Neighborhood Club girls softball team is very anxious to arrange for games with other community teams.

Hurler Named "Sandlotter of the Week"

A Grosse Pointe High School pitcher who hurled his way into the "Prep Hall of Fame" is the Review's "Sandlotter of the Week."

AL BRYANT out against Monroe. In the six games he fanned 50 batters.

Al said, "I realized the possibility of a perfect game in the 4th inning and then I really began bearing down."

Each week the Review will name a "Sandlotter of the Week, in co-operation with coaches and managers of local teams."

Unlike the reputation of pitchers at the plate, Al is a dependable hitter.

The high school hurler is the second pitcher to win the honor which is a weekly feature of the Review.

Each week the Review will name a "Sandlotter of the Week, in co-operation with coaches and managers of local teams."

Watch the Review for next week's "Sandlotter of the Week."

At present, MSC's R.O.T.C. unit numbers 1,769, including 1,355 in basic and 414 in advanced training.

ROTC Is Popular Course At MSC

While the U. S. armed forces struggle with the problem of too few men, Michigan State College's department of military science and tactics finds itself with just the opposite situation—too many students applying for advanced military training.

Applications for advanced Reserve Officers Training courses have halted because more than 400 students had applied for less than 300 vacancies existing in the corps, according to the quota set up by the U.S. Fifth Army headquarters.

At present, MSC's R.O.T.C. unit numbers 1,769, including 1,355 in basic and 414 in advanced training.
