Three Names Added To War Casualty List

PARAGRAPHS
by The Pointer
The U. S. Army will make an official presentation of war medals to members of the Park and Fire Departments who served with the Army this week.

NEW LEADER
L. E. RADFORD

Live Vet's Name On Honor Roll

Three names were added and one was removed from the "Honor Roll" on the lawn at Grosse Pointe High School, Fisher at Kercheval, which is the temporary memorial to the Grosse Pointe sons who gave their lives in the last war.

The names added were Warren Wismer, Cecil Barlow, and Gordon S. Cochrane, Jr.

Donald Houghton Morgan whose name was present among the honored dead is alive. His name erroneously appeared because of its similarity to the late Donald Morgan who was graduated from Grosse Pointe High School but did not reside in the community.

Donald H. Morgan is the son of Mr. and Mrs. Franklin H. Morgan of 1818 Oxford Road.

Ex-Pointer Describes Flood Victims' Plight

Paul Blackburn of the Review staff received a letter this week from Mrs. Theodore M. Dale, former Grosse Pointer who now resides with her husband in a suburb near Portland, Oregon, scene of the flood catastrophe. The letter gives a first-hand account of what transpired and how the flood affected several former local residents.

Following is a copy of the letter:

Dear Mr. Blackburn:

No doubt there are many folks in the Pointe who have friends and relatives here in Portland, Oregon, and who are concerned as to their welfare, since this has been the scene of a very great disaster.

The area affected by the flood is on the outskirts of town and was an area much like that at the foot of Connors, Tennessee and Clairpointe avenues in Detroit. It was a city within a city and was built during the war to house workers from the shipyards.

Perhaps the best description one could give of the picture would be to liken it to a lot of penny box matches thrown into a large tub of water. They would, of course, naturally float, which is just what the houses are doing. The papers in the east I suppose are giving it their all, which tend to be very disturbing. The situation is not a happy one but it is very gratifying to see the morale of the people and the very wonderful relief work which is being done.

The hearts and home of folks in all parts of the country are the same when there is an emergency. Our husbands and sons finish their days work and start right in on the work of sand-bagging to prevent any further breaks in the dike walls. The dikes so called are or have been main roads, built up above the housing area and with continued warm weather combined with melting snows from the mountains simply could not withstand the pressure.

Lorraine Neeme, whom many in the Pointe know well, arrived here to be our guest just two days before the flood and at the moment is wondering about her return trip. We have been assured that transportation will soon get back to normal, although at the moment there is no rail or plane travel from the city.

We live in the Laurelhurst district which is like our own Park area and is about 8 miles from the floods. Paul Rehms, former Principal of the High School is our present Supt. of Schools here and I must say former "Pointers" are seeing the Columbia River in all its strength.

If you have the opportunity to speak to anyone who might be anxious about folks here, tell them the situation is "under control" and that the Pacific Northwest is still indescribably beautiful.

Very sincerely,
Mrs. Theodore M. Dale

ON 21,000 MILE TREK
Chet Sampson's Caravan Prepares To Roll Again

"Say! There Goes That Man Again! We're referring to the Gypsy of Grosse Pointe, Chet Sampson who disclosed this week that he is planning a 21,000 mile jaunt across the country and into Canada and Mexico.

The intinery will be divided into three separate trips and it will provide fun and adventure for 68 boys and girls from Grosse Pointe and 70 from other localities.

Sampson, who lives on McKinley Road when he is not on the road, has been conducting such tours for more than ten years.

On each trip this year there will be a total of 46 people, who will travel in six new station wagons, sleep out in sleeping bags and do their own cooking and laundry.

The first contingent comprised of girls only will leave on Monday, June 14, for a 5000-mile journey to the west.

On July 2, the first group of boy adventurers will start an 8,000-mile trek to the Canadian Rockies and Pacific Northwest. They expect to return on August 5.

The young vagabond does not intend for any Grosse Pointe dust to gather in his shoes, for two days later he will head a second 8,000-mile venture to places of interest in the West Coast and Mexico.

During this trip the boys will visit Hollywood where they will be special guests of famous stars including Joan Leslie, Joan Caulfield, Ronald Reagan, Burt Lancaster and Dana Andrews.

The Sampson Caravan is scheduled to return to Grosse Pointe from this trip on September 10.

Yes Sir—it appears that Sampson is synonymous with Old Man River, who just keeps rolling along. And if Chet continues in this manner he'll make the AAA's Famous Old Traveler appear as an "old stay at home."

"Keep Em Rolling" Sampson the writer envious you.

Park Pool Being Rushed To Completion

Everitt B. Lane, Park manager disclosed that every effort is being made to have the village's swimming facilities ready before the end of this month.

The work includes dredging of the 2300 feet of the lake's bottom and grading it with stone, and the installation of a new pump chlorination system.

A wall structure surrounds the swimming area which enables the village to have complete control of the water. The chlorine will be used to keep the water up to health standards regardless of the condition of Lake St. Clair.

Meanwhile Dr. T. S. Davies Township Health Commissioner, revealed that there is little hope for the other Pointes to have bathing this season as the lake is still polluted. Last year's ban is still effective. He is taking tests of the water this week.

The Health Commissioner indicated that the other Pointe municipalities should follow the pattern set by Park and construct walls around their swimming areas.

He said that in this way each community would have complete control of its swimming water in the fight to curb pollution.

2 Families Make Large Donations

With reports necessarily slow in coming in, Grosse Pointe's War Memorial Library drive passed the \$78,825 figure this week, with large donations from the Ford and Shelden families contributing heavily to the mark.

No reports have been made as yet on the house-to-house canvass which got under-way on June 1 and the above figure contains only amounts received from the "special gifts" category, including \$2,500 pledged more than two years ago toward a Memorial by the Grosse Pointe Rotary Club.

A \$20,000 donation from the Ford family has been received in the names of Mrs. Edsel B. Ford, Mr. and Mrs. Henry Ford II, Mr. and Mrs. Benson Ford, Mr. and Mrs. William Clay Ford and Mr. and Mrs. Walter Buhl Ford.

A \$25,000 gift has been made by the Shelden family, consisting of Mrs. Allan Shelden, Mr. and Mrs. Allan Shelden III, Mr. and Mrs. William Warren Shelden, Mr. and Mrs. Henry Shelden Jr. and Mrs. Alger Shelden and Mrs. Annette Shelden Stockpole.

Included also is the \$3,000 donation by the William Lyons Phelps Foundation.

SCHOOLS COOPERATE
Grosse Pointe school children this week were asked to make "personal contributions" from their own pockets or allowances, without asking their parents, who are to be contacted in the adult drive.

Students at Grosse Pointe high school entered heartily into the plan and reported \$453 toward a goal of \$3,000, set by the students themselves for their share of the campaign. Several money-raising ideas are under consideration by student groups, to augment the "pocket money" contributions.

Lions Name L. E. Radford President

Lyman E. Radford was elected president of the Grosse Pointe Lions Club at the annual election held Thursday at the Van Dyke Club. He succeeds Freddie Meyer.

A native of Battle Creek, Mr. Radford came to Detroit about 30 years ago. He lives on Philip Avenue, with his wife and two daughters.

Since he joined the Lions in 1945 he has been very active in club activities. Last year he served as second vice president.

The new president is affiliated with the firm of Brown and Bigelow, of Detroit.

Other officials elected were William Melcher, first vice president; Walter Schweikart, second vice president; Cecil Marshall, third vice president; T. E. Munson, Lion Tamer; and Jack Piercy, Lion Twister.

Past President Meyers reported that S. Willard Hosking will continue as secretary-treasurer.

Witness Aids In Arrest Of Hit-Run Driver

Thanks to the alertness of Ralph Hilgendorf, of Detroit, Farms Police were able to capture a hit-run driver who struck Ralph Harris, 20, of St. Clair Shores, near Lakeshore Road and Kerby Saturday.

Harris was treated at Bon Secour Hospital for minor injuries. Hilgendorf, who witnessed the mishap, noted the license number and reported it to police. An investigation led to the home of Oscar Condyser, 47, 151 Muir Road. He confessed.

Farms Police said that they issued a ticket for reckless driving and one for leaving the scene of an accident to Mr. Condyser. He will appear in court at a later date.

Farms Budget At \$594,758

At a meeting Monday evening, the Farms Council approved a budget of \$594,758 for the ensuing fiscal year. The new tax rate is \$15.53 per thousand as compared to \$13.33 last year.

The appropriation includes \$98,519 to be used for improvements at the new Kerby Field, the Farms Pier, and new sewage and road pavings.

The council also authorized Murray Smith, village engineer, to advertise for bids for sewage construction at the Lothrop-Pine sub-division.

Smith estimated that the work would cost \$35,000. He said \$8,000 of this amount would be paid by the property owners in the sub-division.

The total tax levy for the fiscal year is \$148,612.

Chief Louwers Gets His Man But He's In The Wrong Jail Now

Chief Art Louwers of Park Police has a long wait on his hands before he can carry out village justice.

The case concerns Robert Petty, Detroit negro, who is charged with breaking and entering the Packard Motor Sales building last year. After failing to open a pair of office safes, the prowler drove off with a car owned by Mrs. Julie Bowen of East Jefferson Avenue.

Petty managed to manipulate through the long arm of the law and police lost all track of him, despite the fact that the stolen auto was recovered in downtown Detroit.

A short time later, Chief Louwers heard that Toledo Police arrested a negro for armed robbery, rape and other charges. An investigation proved that the negro was Petty and after several questionings he confessed to the village burglary.

However before Chief Louwers can bring his prisoner in, he must wait until Petty serves the 10 to 50 year prison term imposed on him last week by a Toledo Circuit Court Judge.

Henry Ford II To Entertain Swedish Prince

Prince Bertil, of Sweden, will be feted in Grosse Pointe Saturday. He will be the dinner guest of Mr. and Mrs. Henry Ford II at their home on Provincial road. Earlier in the day the Prince will be guest of honor at a tea at the home of Mrs. Otto Lundell, of Bishop road.

Prince Bertil, is here representing King Gustav for the Centennial celebration of Swedish pioneers in the Middle-West.

A royal dinner will also be held at Grosse Pointe Yacht Club Saturday evening. Among the guests will be Mr. and Mrs. Carl Berglund, Swedish consul.

Colorful ceremonies will be held Sunday afternoon at the State Fair Coliseum.

A police motorcycle escort has been assigned to the Prince during his visit here.

Shores Fixes New Budget

The Grosse Pointe Shores council fixed its 1948-49 budget at \$163,855 at a council meeting Monday. This figure is \$13,000 more than last year's budget. It effects a tax-rate of \$15.60 per thousand.

Noted factor in the increase is the purchase of new equipment for various civic improvements.

The council also appointed Jack G. Williams, of Colonial Road, to Trustee. This position was vacated when Ernest Putnam was elevated to president at the recent election.

Joseph A. Vance, Jr. was named village attorney by the council to succeed Fred Behr, who retired.

Steps for a new ordinance calling for various changes in the present zoning were also taken. The council plans to study the issue and recommend action at the next meeting in July.

Why A Library?

No one is asking "Why A Memorial", knowing that 3,700 men and women from Grosse Pointe served and 113 from our community were killed.

But, since some are asking "why a library", The Review is anxious to reprint the background of the entire program, in order to refresh the memory of its readers and to clarify some questions which are apparently still not clear.

Step by step, the form of memorial was arrived at by this process.

The Grosse Pointe Honor Roll Association, which had dedicated itself to plans for erecting a suitable War Memorial, met with representatives of some eighty-five Grosse Pointe organizations in a mass meeting, open to the public, and from that group, a War Memorial Study Group was elected.

The Study Group consisted of three members of the clergy, representatives of each Veterans organization and members of local service clubs. This group met over a period of two years and devoted many hours to discussion, investigation and sifting of public opinion. More than two thousand persons were personally interviewed.

An essay contest was also conducted by the Study Group, to not only sound out public sentiment but to develop discussion and crystallize public opinion.

Officers of the Study Group consulted the Board of Education when the suggestion of a field house memorial came up and it was found that by law a Rural Agricultural School District is limited in support and maintenance to school and library facilities and can't appropriate funds for carry on or maintain a program of that character which would be used by adults.

The committee felt and was advised by a vast majority, that since a field house would present a maintenance problem, which might eventually prove a discredit to the community and to the purchase of the land to be purchased.

MISTER: "HOW COULD YOU?"

The story is going around... it is true... and it may as well be told.

A Grosse Pointe Gold Star Mother, working as a volunteer solicitor in the current War Memorial Drive, already having suffered to the utmost through the supreme sacrifice of her son, has been deeply hurt and yet has the courage to continue...

In making one of her first calls at a home in her area, she was met at the door by the man of the house, who listened to her story about the object of the campaign...

Naturally, she was tremendously upset and tempted to give up making further calls, but she has regained her composure and is bravely continuing in the effort to suitably memorialize her son and the 114 other Grosse Pointe sons who gave their all.

To all this, we can only say: MISTER—"HOW COULD YOU?"

Thirty-seven hundred men and women from Grosse Pointe served in the armed forces in World War II. One hundred and fifteen didn't return.

The community is attempting to memorialize that service and sacrifice.

Surely no one can say no. Some may not be able to give much, but certainly no one should say no.

CLASS OF '48 FORWARD

The last fleeting days before graduation fill "intended hopefuls" with a myriad of dreams, plans and stark realities.

The class of 1948 is no exception. Opportunities for college graduates are great. Industry is in high gear, research is intense, expansion is creating opportunities everywhere.

High School graduates are faced with educational problems, the selection of a career, a college and courses to pursue. Those who cannot or do not elect to further their education, will find ready employment.

Over the entire picture hangs imminent selective service and a constant threat of War.

Let us hope that the future for these young men and women continues to be bright and the clouds of conflict clear.

Best Wishes, Class of 1948.

CONGRATULATIONS TO GPHS

Congratulations to the Grosse Pointe High School coaching staff and athletics who won the Border Cities League All-Sports Sweepstake Trophy for the third successive year.

This splendid record established against formidable competition is indeed an achievement of which everyone in Grosse Pointe should be proud—particularly when one bears in mind that all Grosse Pointe teams have two strikes on them before they even get a chance to bat.

We advocate that this unprecedented feat should be recognized by Border Cities League officials by awarding Grosse Pointe High School permanent possession of the trophy.

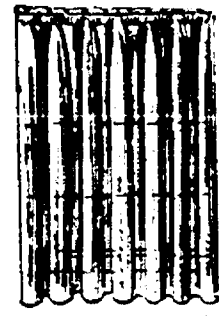

The local school is the only school to have won the award three times in succession, 1946, 47, and 48. It also won the trophy in 1934, 37, and 39.

3 GPHS Honor Students Speak At Class Rites

Grosse Pointe High School will add 264 men and women, six of whom are veterans, to their already impressive list of alumni at their semi-annual graduation exercises at the High School at 8:15 p.m. on Thursday, June 17.

The commencement speakers include Ted Osius, who will speak on "Personality Defined," a sub-topic under the heading of "Your Future and You."

Eunice Jodar has chosen her topic as "Personality Designed," for the second speech of the evening.

Mary Bond Olet will be the last student speaker, discussing "Personality Declared."

The friends and families of the graduates will witness the ceremony on the lawn in front of the library, if the weather permits.

The musical program will include a flute solo by Pat Mann entitled "Concertino." She will be accompanied by her mother, Mrs. Otto Mann. Mr. John Finch's girls glee club will be on hand to supplement the musical program.

Reverend Francis B. Creamer will deliver the invocation and benediction.

Mr. W. R. Cleminson, principal will announce the class honors, while Mr. John R. Barnes, superintendent of schools, will present the diplomas.

MSC Honors 17 Pointers

Michigan State College presented bachelor degrees to 1,258 seniors Sunday during the graduation ceremonies which saw Charles F. Kettering, director of General Motors and noted inventor, speak. Included in this number were 17 from Grosse Pointe.

The Grosse Pointers are Louise E. Whitcomb, Ruth J. Hansen, Janice Lee Hoffman, Jean M. Loring, Jean F. Malcolmson, Owen E. Middleton, Alice Joanne Perry, George E. Potter, Caroline M. Quandt, Doris Evelyn Ruchl, Barbara J. Shipton, Donald Sicklesteel, Duane C. Butterfield, Louis W. Charvat, Benjamin Ellsworth, Jacqueline G. Ewing, and Helen Jean Gramley.

Letter Box

Readers of The Grosse Pointe Review are invited to send their thoughts on questions of public interest for use in the Pointe Letter Box. The writer's name and address must accompany each letter, but will be withheld on request.

SEEKS TO CURB DELINQUENCY TO THE EDITOR:

Everyone is asking, "Who burned down Grosse Pointe High's ticket booth?" The fact is that no one knows who did it. Why, then, do some people deliberately try to pin the blame on one group? Let's not condemn the majority for the inexcusable actions of a minority.

SCOUT LEADERS MARK PROGRESS TO THE EDITOR:

The Grosse Pointe Girl Scout Council wishes to take this opportunity to thank you for your co-operation during the past year. Your interest has been a real help in furthering the development of the scout program among the girls of our community.

We are pleased to enclose the annual report of the Girl Scouts of Metropolitan Detroit, of which we are a part.

Memorial

(Continued from Page 1)

pose it was to memorialize, that a library would therefore be the most suitable memorial.

Consequently, the Study Group reported back to the called mass meeting and their recommendation of a library memorial was heartily approved by all representatives of the original some eighty-five Pointe organizations, including the original Honor Roll Association.

Meanwhile, questions have arisen about the use or failure to use the Sales property for a library. The committee was discouraged in its conversion for several reasons. First, a fireproof stackroom to house the minimum number of books would cost an estimated \$250,000. Second, a Memorial wing for Veterans would cost an additional \$60,000, and of necessity have to face Lincoln, instead of Jefferson. Third, by the nature of the original bequest, the library could not be named as a Grosse Pointe Memorial Library. Finally, its location was considered poor for universal use.

The present location is the exact site selected and bought by the Board of Education, when the present high school property was purchased.

Miss Florence Severs, Grosse Pointe librarian, eminently pointed out this community's need for a library last week, when she explained that this area should have a library of 80,000 volumes, whereas there are only 33,000.

The Board of Education is pressed with expanding population problems that are already taxing their current building program and immediate future building plans. Since they are up against a tax limitation, they cannot supply the library.

All of the foregoing points, explain the selection of a Library as Grosse Pointe's War Memorial—because it will be dignified, definitely useful, permanently maintained as a fitting tribute.

GPHS Youths Charged With Grand Larceny

A Grosse Pointe High School youth, 17, charged with grand larceny, pleaded not guilty before Judge Leslie P. Young in Grosse Pointe City Court Monday evening. He was released under \$500 personal bond, pending further examination on Friday, June 11.

The youth aided by a classmate, 16, is alleged to have stolen \$1,000 worth of radio and electrical supplies from the Detroit Edison and the Cook Construction Co. The equipment was recovered by Det. James Flannigan, City Police, in the basement of the youth's home.

His accomplice was placed on unofficial probation by juvenile authorities pending final ruling on the case.

Det. Flannigan stated that the older youth stole the equipment last month from the Edison substation at Mack and 7 Mile Road, many working quarters at Lincoln and from the construction company at Road and Waterloo.

He disclosed that the youth had been in trouble several times with Farms and City Police. It marked the first offense for the second boy.

The boys were arrested last week by Det. Flannigan after the older boy is reported to have taken a sun-relay switch from Edison property near 17728 Mack on the night of May 30.

It is the policy of the Review to withhold names of juvenile offenders.

Camera Club Plans Season's Final Meeting

Eighth annual salon of the Grosse Pointe Camera Club will be celebrated Tuesday evening, June 15, by a social evening for the members and friends at the Neighborhood Club in Grosse Pointe.

Mr. Howard Riley, Club President, has arranged an evening of entertainment Mr. Pierre Palmertier, a well known prestidigitator, dancing, cards and refreshments. There will also be awards to the members who have submitted outstanding photographic prints during the year.

The evening's program will terminate the Club's activities for the summer which will renew in September when the cool fall breezes blow.

The meeting will be confined to the members and their guests.

Wins Scholarship At Cornell U.

John McMullen Regional Scholarships in Engineering—worth up to \$600 a year and renewable for the full college course—were awarded by Cornell University to 38 entering freshmen from 19 states and Mexico.

Established for students who are not eligible for New York State Regents Scholarships, the McMullen awards are made on the basis of "character and general ability as well as scholarship."

Of the winners, all of whom plan to enter the College of Engineering at Cornell this fall, one is from Grosse Pointe. He is George M. Kennedy, son of Mr. and Mrs. James R. Kennedy, of 400 Lincoln Road. He is a product of Grosse Pointe High School.

Group Begins Ticket Sale

Within five hectic weeks from the first organizational meeting, Grosse Pointe Theatre is accepting mail and telephone orders for its first production, CLARENCE by Booth Tarkington. The heart-warming play will be presented in the Auditorium on June 24, 25, and 26 in the evening. The prices are set to fit everybody's entertainment budget.

Ralph Genter of 1028 Grosse Pointe is managing the box office and the theatre's telephone office. She has moved a good deal of literature in her library to accommodate the box-office business. She will be assisted by a volunteer help.

The Theatre is contemplating the establishment of a ticket booth in one of the Grosse Pointe's business districts.

Before posters appeared in the windows announcing the demand for tickets, created by the Review and theatre's newsletter which goes to an increasing list of theatre-goers has been most encouraging.

Anyone desirous of receiving an organizational newsletter should ask to have their names on the mailing list by calling Sarah Ann Griffith, volunteer secretary, at NI 8372. Miss Griffith will also arrange to send subscription cards to any persons who wish to take an active part in the Theatre's program.

Clubs Select Youths For Boys' State

Ten boys from Grosse Pointe School have been chosen to represent the Detroit area at the Michigan Boys' State in their annual convention at East Lansing, Michigan. These boys were selected by the Grosse Pointe Rotary Club, The Optimists Club, and two local American Legion chapters.

The unique organization has been designed to teach the future generations the fundamentals and working procedures of the Michigan state government. Approximately 1000 boys from all over the state will attend the conference during the week of June 17 to 25.

Ten boys, who have proven themselves to be good citizens in high school and active in school functions, are Bill Pearson, Allan Bryant, Bob Tom, Tom Follis, Dick Lord, Arch Barry Munro, Jimmy Tams, Bob Hays, and Rob Eise. REVIEW inter-scholastic sports writer.

Other boys from GPHS that have been chosen by independent committees are Donald Landis and Bill Miller.

Stanley Jervis Gets Kansas U. Degree

Stanley W. Jervis, son of Mr. and Mrs. S. J. Jervis, of St. Clair, was among the seniors who received degrees from the University of Kansas at the annual commencement last week at Lawrence, Kansas.

Jervis was awarded a Bachelor of Science degree in mechanical engineering. He is a graduate of Grosse Pointe High School.

GIRL SCOUT NEWS

The annual luncheon given by the Grosse Pointe Girl Scout Leaders' Association was held June 3 in the Detroit Yacht Club. About 50 leaders and council members attended. Annual awards given by the council for unusual service were made.

Mrs. Eugene Silver and Mrs. Ray Wertz, each received a Tripas Badge. This is scouting's highest award for adult volunteer work. Both Mrs. Silver and Mrs. Wertz have served the youth of their community through scouting for approximately 8 years.

Leaders who received Midget Pins for three years of service are Mrs. Arthur Koehler, Mrs. Louis Macchia, Mrs. R. H. Brown which were given by Mrs. Harry Findlay, Mrs. C. Swanson, Mrs. Alton Huntington, Mrs. J. C. White, Mrs. H. W. Mohr, Mrs. Albert Eyr.

Emily Harding, scribe, Troop 201, was presented with a trip made by her troop of senior girls; "The Mariner Girl Scouts of Mrs. Alton Huntington's troop went to the Grosse Pointe Beach on Saturday, May 29. Our leader and Walter Frizzell accompanied us.

"We visited the Administration Building, the air field, went through a plant, and were shown all its mechanisms; also, we watched other planes come in. We were conducted on the tour by the Grosse Pointe Municipal Airport.

"After eating in the Recreational Hall cafeteria, we visited the Ground School building where we saw a movie on Sea Scouts in the Pacific. Captain Schneider told us about the Waves. There are five stationed at Grosse Hill; one is a nurse.

"Then we were taken to the Pink Trainer Building, which contains Pink planes, named for the man who designed them. We rode in one of these planes, which are very easy to operate. They were able to make it dive, loop back, to the left or to the right.

"In the same building we ventured into a dark room which is used for night flying practice and helping boys to aim at the target. We saw fifty-calibre rifles and gun pilot's suits.

"Before leaving we climbed into the watch tower. The men there told us many things about their job. They showed us a flight plan telling about the plane, the pilot, time, speed, destination, etc. They also explained Navy time. It runs all the way to 24 hours with no break at noon. There is no a.m. or p.m. It is written like this; 0800, which means 8 o'clock.

"I hope all Mariner Girl Scouts will have the opportunity to visit a Naval Base, as we did."

Pointe Girl Is Early June Bride
 One of Grosse Pointe's first June brides this year is Anna Mrs. Wimmer, daughter of Mr. and Mrs. William Paul Wimmer, of Devonshire Road. She became the bride of William George Walsh in a double ring ceremony Saturday, at St. Clare of Montefiore Church.
 Mr. Walsh is the son of Mrs. George Walsh of Woodland Avenue, Detroit, and the late George Walsh.
 The bride's period gown was of candlelight slipper satin and she wore her mother's wedding veil, styled in a Spanish mantilla headdress.
 Molly Colnar was maid of honor and the bridesmaids were Joan Kreber, of Columbus, Ohio; Rosemary Hill, Marilee Miller and Mary Hiltches, Margaret Ann Walsh was junior bridesmaid.
 They were dressed in pale green gowns with matching mitts and high lace hats.
 Jack Walsh was his brother's best man and two other brothers, Gerald and James, seated the guests by the best man, and Edward Le Tarte were also ushers.
 A reception at the home of the bride's mother followed the wedding breakfast at Hotel Sheraton.
 When Mr. and Mrs. Walsh left for a honeymoon in the Southwest the bride was wearing most green and white accessories and a white hat with a toast ribbon.
 Out-of-town guests included Mr. and Mrs. F. L. Wimmer and Mrs. R. E. Kreber, all of Columbus, O., and Mrs. John Allman and Edward Wimmer, both of Coahontan, Ohio.

Mrs. William B. Walsh and Betty Townsend, daughter of Mr. and Mrs. Gilbert E. Townsend of Maryland Avenue, was married Saturday to Jack Campbell, son of Mr. and Mrs. Harry E. Campbell, of St. Clair Avenue. Following the ceremony at Faith Lutheran Church, a reception was held at the Townsend home.

Cadets Honor Mothers
 Mrs. Charles Lefloy Nevens, of the sponsors. This is one of the year's most colorful military events at the Academy.
 Commencement activities concluded with the Final Ball on Monday evening, and the graduation exercises on Tuesday, June 1, when Major General Clark L. Ruffner, deputy chief, Legislative and Liaison Division, Department of the Army, made the address.

Blue Devil Athletic Squads Complete Successful Season

By **ROB PHILLIPS**

Out at Grosse Pointe High School, the varsity tennis squad led the spring sports by capturing the Border Cities League crown and placing second in the State Championship Meet. The baseball and track teams managed to break even with .500 average.

The local nine surprised the sport-minded Grosse Pointers when they came through after a bad start, to finish the season with a .500 average. The highlights of the season include Allan Bryant's no-hit shut-out over Fordson three weeks ago, which was climaxed by the longest home-run hit in right field. Vince Schoeck salmed one into the tennis courts.

The local men won five of their ten ballgames for a better average than has been shown in the past three years by the Fisher Road squad.

Vince Schoeck, who has another year to play the first base position, took top batting and fielding honors with .333 at the plate and 1,000 in the field.

Third baseman Herb Gerhard closed his prep career as did Jerry Allen, the regular Blue Devil back-stop.

The cindermen have performed reasonably well out on the Fisher Road track when they finished close in fourth place in the Border Cities League with 3 wins and as many losses.

Coach Frank Banach's men placed fifth in the annual State Regionals conference at Monroe.

The Blue Devils will suffer greatly from the loss of several of their biggest point-getters. Among them is Tom Follis, star shot putter who remained undefeated in League competition and set a new school record with the twelve pound shot of 45' 6".

Burt Spurrier, veteran dash man won't be seen running for the Blue and Gold as he graduates this term. Miller Jerry Braund who ran a game race in every meet will be graduated in the mid-term.

Pole-vaulter Cal Purdy closed his third and last varsity competition meet as did Jim Flom, hurdler, and Bob Coleman, quarter-miler.

Fishing Contest Lead "See-Saws" Wins in DBF

Roland Gray's "longest fish" contest saw the lead pass back and forth four times in the Muskelunge class during the past week.

Mr. Walter A. Hammer, 1247 Cadieux road brought in a 35 1/2 inch "Muskie" caught by his wife, only to be outclassed by a 37 and 1/2 inch fish of the same species, caught by Mr. A. A. Held, 189 McKinley.

To re-enter the Hammer family, their son was next with a 42 1/2 inch Muskelunge, only to be topped Monday night by his father with a 49 inch catch.

R. Burton, 622 Pemberton has registered a 33 and 1/2 inch Northern Pike.

To date, no pickerel, no perch and no trout have been entered.

The contest which offers valuable prizes to the big ones in five classes will continue to June 25.

It is open to all residents of Grosse Pointe. There is no entry fee.

Roland Gray, sponsor of the contest, states that all fish can be measured daily from 5 p.m. to 6 p.m. only at his sports store at 106 Kercheval.

Review Star Wins in DBF

Allan Bryant, star pitcher on the Grosse Pointe High School diamond squad, started off the Helin Tackle Co. nine on the right foot when he pitched a one hitter against the Teamsters last Sunday afternoon in a DBF game at Jayne field.

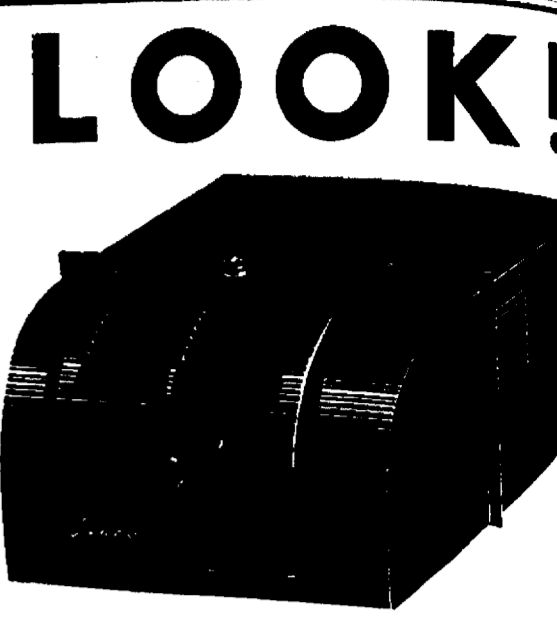

Bryant was named by the Review as the second "Sand-lotter of the Week", recently when he pitched a no-hit ballgame against Royal Oak for GPHS.

Helin Tackle won last Sunday's game, 6-2. Bryant was credited with 17 strike-outs in eight and two-thirds innings.

PARENTS' PICNIC

Members of the John Paul Jones Society, Children of the American Revolution and their parents will meet for the annual Parents Picnic at the home of Mr. and Mrs. Robert Artner, 184 Kerby Road on Sunday, June 13 at 2 p.m. The Artner children, Bob, Nancy Kay and Gail will be hosts.

Kalamazoo Upsets GPHS For State Championship

By **ROB PHILLIPS**

Grosse Pointe High's tennis squad officially closed their 1948 season with the State meet held at Kalamazoo last Friday and Saturday. The local netters, who have been undefeated this season in league competition, placed second behind the host school, Kalamazoo State High School.

Kalamazoo, a class "B" school was far too strong for any of the contenders at the state meet. A Michigan prep tennis rule states that any school may enter competition in its own rank or one above it which enabled Kalamazoo to participate.

Had the "Kazoo" men remained in their normal capacity, Grosse Pointe would have again taken the state title that they have either held or tied for in the past three years. Every member of the local net squad was defeated by a Kalamazoo player.

Hugh Dill put up a game fight against Dick Cain in the semi-finals before bowing to defeat, 6-4, 6-3. Cain went on to win the singles title. His experience in tournament play and in playing on clay surface courts definitely contributed to his success.

Bob Schneider in singles and the Bob Stritzinger-Al Mann doubles combination went out in their first round match. Schneider losing to Ed Horvath, 6-1; 6-4, and Stringinger-Mann losing to Pore-Fast 7-5; 6-2.

The tournament was played under ideal tennis conditions and in all three classifications "A", "B", and "C" the best high school tennis in years was played, according to Blue Devil coach Merlin Schultz.

TRUMAN WILLS

Sandlotter of the Week Award To Catcher

Truman Wills, 16, St. Ambrose High School catcher is the Review's "Sandlotter of the Week." His stellar play behind the plate throughout the season enabled St. Ambrose to finish in second place in the strong Parochial League's Second Division. (East Side).

He caught every inning of an eight-game schedule and his capable handling of St. Ambrose pitchers led to six wins in eight starts for the local school.

His arm was a menace to opposing base-runners. In the closely contested St. Charles game he nabbed five would-be base-stealers, three at third and two at second, enabling his team to win 1 to 0.

The youth who stands six feet tall and weighs 170 pounds is also a timely hitter and a flawless fielder. He batted .333 and made one error in the year's play.

Truman, who is a tenth-grader, received a Tiger-autographed baseball from the Review.

"Boy this is a swell prize," he said admiring the award which bears the names of all the Tigers including his pal Virgil

Pointe Nine In 14-Inning Tie With Strong Detroit Team

After Sunday's contest Detroit tied 14 innings to one all tie with the widely heralded Roose Vanker nine. The undefeated division leader which has started off many youths on their climb to the major leagues including Hal Newhouser and Augie Bergamo.

The Review's "Sandlotter of the Week," Harry Edsall was on the mound for the Pointe squad. He fanned 19 and allowed eight scattered hits.

Roose Vanker's lone run was scored in the third inning on an infield hit and an error.

Grosse Pointe tied the score in the fifth when Bill Winkler's single sent Barret Johnson home. Dave Donnelly, Pointe center-fielder made a circus catch in the seventh inning to nip a rally.

The contest saw four Grosse Pointe High School players in action, Winkler, Donnelly, Green and Hafer.

The game was started at 1 p.m. and was called at 4 p.m. due to time limit.

The standings to-date find Grosse Pointe in second place in the South Division with 3 wins 1 tie and 1 defeat. Roose Vanker is leading with 4 wins and 1 tie.

Next Sunday Coach Bill DuRocher plans to send Bob Ruck, another GPHS player, to face Red Arrow at Belle Isle. The game is slated to start at 1 p.m. on diamond five.

The following week will mark the beginning of a two-game per-week schedule. This arrangement sends the local club against Faust Post on Wednesday, June 16 at 5 p.m. at Water Works Park.

Coach DuRocher reported that he has scheduled an exhibition game with a legion nine at Ann Arbor Friday, June 11.

The Pointe team is sponsored by Tom Boyd.

Ex-College Champ To Top Charity Bouts

Chuck Davey will be the main attraction on the University Lions Club intercity boxing carnival at U. of D. Stadium Friday night, June 11.

Davey, three times National Collegiate Athletic Association champion while a student at Michigan State College, will participate in the Olympic try-outs in Boston late this month and is regarded as a strong favorite to capture the lightweights berth.

Proceeds from the show, which will feature 10 bouts, will be used by the Lions Club to support their various charitable activities.

Harry Edsall, of Grosse Pointe Post and Al Bryant, of GPHS, both pitchers, are the previous winners.
