# MEMORIAL GOAL NEARER

### Large Gifts Swell Fund Sub Total

The 15-day public campaign to raise \$525,000 in Grosse Pointe for a War Memorial Library came to a close Tuesday with \$105,532 of the goal realized.

Though this sum may not appear to be too encouraging, officials at campaign headquarters were rather optimistic about the complete success of the drive. Especially in view of the fact that the total reported to date comes from only a few of the workers and some special gifts which have come to the attention of officials.

None of the house-to-house solicitors have completed their reports which have been necessarily slow in coming in, due to the fact that the general public is taking the drive seriously. Nearly every worker is finding that husbands and wives prefer to talk the size of their contribution over because they feel that they want to make their gift as large as possible, in view of the great sacrifice which it is to memorialize.

"Actually this \$105,532 figure includes complete returns from only three or four of our solicitors plus contribution mailed to headquarters and special gift workers."

He added that the citizens of the community are giving real thought to the size of their personal contribution on behalf of this splendid memorial project. "To me, this is an indication that we can expect full participation by all Grosse Pointers. Unfortunately it has slowed up our solicitors, who must make call backs to pick up contributions. As a result, they have not been able to complete their assignments and turn in their reports in the allotted time.

Included in the contributions received during the past week was a \$1,000 gift from the Josephine and Ernest Kanzer Fund and a \$1,000 gift from Mrs. John W. Staley. The Grosse Pointe Lions club in recognition of Grosse Pointe's war dead has made a contribution of \$1,000. The Grosse Pointe Bank leads the procession of local corporation or business contributions, donating \$1,000.

Another gift of \$3,000 was made by Mrs. Fred T. Murphy; Robert Fannhill gave \$2,500; Burns Henry \$1,000; Leo J. Fitzpatrick \$1,000 and Dr. Marion Fitz Simons \$1,000.

Mr. Sheldon appealed to the workers to finish their jobs and get their reports in to headquarters as soon as possible. If a single resident has not been called upon, he is urged to call campaign headquarters—TU, 2-7400 and a worker will be sent to his home. Last week's contribution included large sums from two prominent families. The Sheldon Family gave \$25,000 and the Fords contributed \$20,000.

### Poupard Defeated

In a Grosse Pointe school district election which saw only 71 votes cast, Charles A. Poupard who has been a board member since 1916 was defeated. Elected to three year terms were Mr. Alice Schaeffer, incumbent; a Shirley Johnson.

The veteran trustee who served as treasurer blamed his defeat on a limited campaign. He plans to return to politics. Johnson, who is a newcomer to the board, was president of the Kerby School PTA and is a past president of the Detroit B. Club. He has been active in scouts and civic affairs.

He is a member of the firm Goddard, McClintock and Johnson, attorneys. The new trustee lives at Touraine Court with his wife and their three children who attend Kerby and Brownell Schools.

All Army veterans who have not received their Victory medals or other deserved citations are asked to visit the Army Office in the Cadillac Square building.

The new rate marks an increase of one per cent per ticket, which will be sold only in books of ten.

Officials of the five Grosse Pointe municipalities agree to plan the slight increase if the company, provides better service, particularly during the rush hours.

In accord with the officials wishes, Mr. Schweikart announced a new schedule providing more frequent "through service," during the morning and afternoon rush periods, effective Thursday, June 17. The new schedule appears on Page 3.

### Dr. Davies Lifts Ban On Lake

In a surprise move Tuesday morning, Dr. T. S. Davies, Grosse Pointe Township Health Commissioner lifted the ban on swimming in Lake St. Clair.

The ban had been in effect since last summer when Dr. Davies restricted swimming in this area due to pollution in the lake.

Responsible for the removal of the ban was a series of tests conducted by Murray A. Smith, Farms engineer which proved that Lake St. Clair is safe for swimming.

Smith has been analyzing Farms beach water at the village water plant since June 2 and the results show that the water is completely safe without the need of any chlorination.

In cooperation with Dr. Davies tests were also conducted by Thomas Jefferies, Shores superintendent and sent to Wayne County Health Department for analysis. Their report disclosed that all samples showed the water safe for swimming.

As a result of this action all Pointe beaches with the exception of the Park and Woods are now open for swimming.

The two villages are completing the erection of chlorination systems in their swimming areas. Park officials hope to have their pool ready within ten days. The Woods, however, will not be ready for at least one month.

Dr. Davies warned that the good news did not mean assured swimming for the season. "The condition of Lake St. Clair is constantly changing, and pollution may return effecting another ban," he explained. "A great deal depends on our rainfall."

The health commissioner plans to conduct tests regularly. Besides these analysis, the Farms council has instructed Mr. Smith to test Pier water daily at the village water plant.

The Farms recently installed a new sewer at the Pier which removed all sanitary facilities out of the lake.

### WEBB WINS

### Judge Clears "Hey Taxi" Who's Who?

Albert Afchiany and John Philip Hardy have been enjoined from using the names of Pointe Taxi Cab Company and Grosse Pointe Taxi Cab Company in the operation of their taxi firm in Grosse Pointe.

The judicial order came from Circuit Court Judge George B. Murphy in a court session held in the Wayne County building last week.

The ruling is in favor of Plaintiff James E. Webb, owner of the Grosse Pointe Cab Company who registered his business name here in September, 1945, four months before his competitors established their service.

Mr. Webb's attorney, Leslie P. Young, stated to Judge Murphy that the similarity of the rival firms names have created a great amount of confusion as to their identities among persons with whom both parties do business.

Judge Murphy found that Mr. Webb by the prior adoption of his firm's name was entitled to protection. He ordered the defendants to take immediate steps to withdraw the names of Pointe Taxi Cab Co. and Grosse Pointe Taxi Cab Co. from public use.

The defendants attorney indicated that they would appeal to the Supreme Court.

### MAID, KEY GONE

Mr. Frank H. Boos reported to Farms Police that Ann Marsh, a maid employed at his home on Lewiston Road left without a word Saturday in possession of a house key. He fears she may give the key to some would-be prowler.

### Prince Visits Grosse Pointe

Amidst a galaxy of visiting royalty and police escorts Prince Bertil arrived in Grosse Pointe Saturday afternoon to be guests of Mrs. Otto Lundell of Bishop Road.

The prince who is considered one of the world's most eligible bachelors came here as part of a month's visit to celebrate the 100th anniversary of Swedish settlements in this part of the country. Among these early settlers was the late Otto Lundell.

After tea at the Lundell home, the Prince who is only 36 motored to Princesal Road where he was the dinner guest of Mr. and Mrs. Henry Ford II. During the ride he remarked about the scenic beauty of Grosse Pointe.

During his visit here, reporters noted that there was none of the "why don't these people leave me alone" which is commonly found among visiting celebrities.

Following a busy Sunday schedule which included religious services and the Centennial Festival at the State Fair Coliseum, he left for Escanaba.

### Woods Police Arrest Young Truck Thieves

Woods Police arrested three juveniles who were in possession of a truck stolen from Paul Beauchemin, of St. Clair Shores, while he was attending the Shores Theatre.

The boys were stopped while driving on Mack near Kenmore by Woods police who later released them to Detroit authorities.

### "Clarence" Set For Pierce Stage

The Grosse Pointe Theatre will present the hit play, "Clarence," at Pierce auditorium for a three-night engagement, beginning Thursday, June 24th.

It marks the first production of this community theatre group which was organized several weeks ago by Russel Werneken, of McKinley Road.

Werneken, who is the director of the group, announced that Glen Warren will emote the name role. He will be assisted by a talented cast of local thespians.

Tickets, available at popular prices, can be obtained by calling TU, 5-0422.

### Park Council Acts To Keep Street Open

A Detroit sewage construction project will effect a minor traffic detour on Vernor Highway at Cadieux for approximately 45 days. The traffic will be directed across two adjoining lots near the intersection.

This action was taken by the Park Council in preference to completely blocking the intersection and re-routing traffic through residential streets.

This sewage construction is part of the same project which created a nuisance on Kercheval during the past months.

### GETS MSC DEGREE

Among the localities that were graduated from Michigan State College in the class of June 1948, was Phyllis Carl, daughter of Mr. and Mrs. O. R. Carl of Lincoln Road. She was a student in the School of Home Economics, and majored in retail clothing design.

### POINTE PARAGRAPHS

A contingent of Grosse Pointe left the community early Monday morning for a 5000 mile trip to the west coast. The girls will rough it all the way, riding in station wagons, sleeping out in sleeping bags and do their own cooking and laundry. Chet Sampson is supervising the trip.

Local Lions noted with interest the success of the amateur boxing show held last Friday at the U. of D. Stadium and sponsored by the University Lions. Proceeds will go to aid the blind. More than 6000 attended.

After participating in the rites at the funeral of John M. Motzschall at St. Clare of Montefalco Church Monday, Father Clark left by plane for Milwaukee for a week's retreat.

James Dominic, of Beldings Charters, and Marvin Ouellette, of Rustin Cabins were among those who provided the buses to take 400 safety patrol boys and girls to Briggs Stadium Wednesday as guests of Walter O. Briggs. The treat was arranged by Julius Derardt, of Grosse Pointe City Police.

The local VFW organization has joined other agencies across the country to get effective relief for victims in the flooded Columbia river communities.

The action came in answer to VFW Commander-in-Chief Brantman's plea that the disaster had heavily taxed the relief funds of the national organization and VFW units in the flooded areas.

Summer time, vacation time... Taihi Time. And among the first of the local girls to register for the YWCA's beautiful Camp Taihi is Barbara E. Schmitke, of 1255 Beaconsfield.

Park Commissioner Koening plans a gala "Fourth of July" celebration for village residents at the Waterfront Park this year. Besides the usual colorful display of fireworks, a Water Carnival is being arranged.

Grosse Pointe Rotarians were among the throng present at Briggs Stadium Tuesday to see the Tigers make their debut in local night baseball. The boys went down in a body and a swell time was had by all.

POINTE WITH PRIDE

We can point with pride to the boys and girls of our schools who contributed over \$2,000 to the War Memorial Drive, with pledges of more to come before the three year installment period ends.

These boys and girls performed extra chores to earn their money. Some took sums from their savings account. Others used their lunch money. Though their donations were small, they all gave with an open heart to build this memorial for their former school chums and other G.I.'s who failed to return from World War II.

Their commendable conduct should be an inspiration and a challenge to any resident of this community who as yet has not contributed to this worthy effort.

You can do so now by calling TU. 2-7400.

GOOD LUCK "CLARENCE"

It's good to know that the recently organized Grosse Pointe Theatre is gaining support here.

In the past few weeks, many individuals and several business concerns, have co-operated to provide free service, materials at cost, loan or give costumes and other theatrical accessories, as well as their time and talent.

The founder and director of the project is Russell Wernsen who is very enthused and surprised over the favorable public response and support.

"The generous support of the community to our theatre so far is little short of miraculous," he said. "We only hope it continues."

So do we Russell—you and your group have undertaken a major task in providing the Pointers with a community theatre.

However, in your short time of existence you have won the support of the community by the business-like progress of your group.

In view of this fact we are inclined to feel that Grosse Pointers will be out in numbers next Thursday to meet your "Clarence."

"Good Luck."

Mothers' Club To Honor Grads Of GPH School

Following the Commencement program of the Senior Class on Thursday evening, June 17th, the graduates, together with their parents and friends, will be guests at a reception given by The Mothers' Club of Grosse Pointe High School. The Social Committee, with Mrs. Frederick Munro as chairman, will be in charge of refreshments. Mrs. Charles Lord, President, and members of the Hospitality Committee with Mrs. Paul Thompson as chairman, will be on hand to welcome the guests.

This event will bring to a close an outstanding year of activity and accomplishment of The Mothers' Club. The interest and support of the many new members, as well as the excellent co-operation of past members and friends in the community, has made this possible. As a Parent-Teacher organization, the club has served well. The open-house, individual class gatherings, the Commencement receptions, in addition to the regular meetings, have been a real help to parents and teachers and of benefit to the students.

The income from membership dues, Neighborhood Groups, the annual card party and the sponsorship of two performances of Points Players Club to extend its scope of interest and helpfulness. Five Girl Scout Troops have been sponsored and a generous contribution made to the Grosse Pointe Girl Scout Council. A juke box has been enjoyed by members of Brownell and the High School, a gift, this year, of the club. A five-hundred dollar pledge has been made to the War Memorial Library Fund. As a part of the regular Commencement program, an announcement will be made of seven scholarship awards. There are in amounts of two-hundred and three-hundred dollar grants—a total of nineteen hundred dollars.

Helping graduates who need financial assistance to further their education, has long been an important phase of Mothers' Club interest. The first scholarship aid was given in 1931. The amount allotted this year brings the total to \$16,800 which has been shared by seventy-six students.

He was president of the Motoschall Co. and also a director of the Graphic Arts Process Co. Active in Catholic charities, he assisted in fund-raising activities of the Peter Claver Mission Guild and Bon Secours Hospital.

He was a member of the Detroit Athletic Club, Lochmoor Country Club, Grosse Pointe Yacht Club and Surf Club, of Miami. His mother, Mrs. Bertha Motoschall; his wife, Genevieve; four sons, John F., Robert E., James N., and Richard R.; three daughters, Elizabeth, Mrs. Gerady Grout and Mary Lou, and six grandchildren survive.

He expects to attend Allegheny College next fall. John is the son of Mr. and Mrs. John R. Sutton, Jr., of Merriweather. He plans to enter Cornell in September; and Charles is the son of the C. E. sides of Jefferson within village limits, to be planted over a period of time to trees and shrubs to make a protective green belt. To expedite this, the Village should also establish its own nursery for the propagation of trees and shrubs for this use. Such a green belt would not only protect residences on side streets north and south of Jefferson from the noise and dirt of traffic, but would protect and maintain property values and improve the looks of our main street.

Experience in other cities shows that such a green belt is seldom used for residence, and is a poor investment for business, since modern planning should provide off-street shopping centers—with parking facilities—rather than inconvenient and unattractive ribbon development such as we have on Kercheval.

3—Purchase, or designate for purchase, lake front property now available for extension of our village park.

Mrs. Ruby Allen Jane, Chairman of the group explained: "While we realize that our last three points are necessarily long range, we urge you and the gentlemen of the Town Council to consider both our short and long range suggestions when setting up a list of priorities for village improvement. Now that our sewers are paid for, the next logical step, it would seem to us, is a long range plan for beautification which is, in the long run, an economy. Also, "seen" improvements are always more cheerfully paid for by property owners."

Leaving Grand Circus Park at 3:08 P.M. and every one half (½) minute schedule via Charlevoix to Seven Mile Road.

#### Kercheval Route:

Additional extra trips have been added to give more direct service from Lothrop to Grand Circus Park via Kercheval from 7:30 A.M. to 8:30 A.M. and in the afternoon rush period a fifteen minute direct service from Grand Circus Park via Kercheval will be operated from 4:00 P.M. to 6:30 P.M., instead of a half hour service as heretofore.

We sincerely hope that the revised schedules will prove satisfactory to all our patrons, and should we find a greater demand for service than we now anticipate, additional service will be added to correct any situation which may arise, as our fervent desire is to render to our patrons safe, courteous and dependable coach service at all times.

## Police Seek "After Hours" GPHS Visitors

Grosse Pointe Farms police are looking for a group of boys who are going to school after hours. Police said that these boys have had the keys to the main entrance of Grosse Pointe High School in their possession since June 1.

They have entered the building several times ransacking rooms and teachers' desks. Besides numerous articles, approximately \$100 in cash has been taken.

Det. George Champine, of Farms Police, said the matter was not reported until Monday. He added that Charles Salzer, assistant principal, had hoped to clear the issue without outside investigation.

It was not disclosed as to how the culprits obtained the keys.

## To Interview Socialites for "Blue Book"

MRS. ANNE L. MAHAN, associate editor of The Debutante Tradition and representing the Board of the Debutante Register Foundation will arrive in Detroit on Monday, to remain for a brief visit to interview the Detroit and Grosse Pointe socialites eligible and who have been proposed by the Board to be included in the forthcoming edition of the Tradition from Michigan.

Coming here with Mrs. Mahan will be Stuart L. Whitmarsh, editor of the Debutante Register and Tradition, and Mrs. Whitmarsh. While in Detroit the trio will be domiciled at the Book-Cadillac. Mrs. Mahan, whose native home is Spartansburg, S. C., and has been touring the south and was joined by the Whitmarshes in Washington, D. C.

Vincent Gage, representative of the Debutante Register Foundation in this area, will entertain for the visiting editors on Tuesday at a press luncheon.

## Youth To Face Larceny Charge

The fate of the Grosse Pointe High School youth who built numerous electrical contraptions in the basement of his home with equipment stolen from the Detroit Edison Co., and the Cook Construction, is in the hands of the Circuit Court. The boy who is 17 will be tried for Grand Larceny shortly.

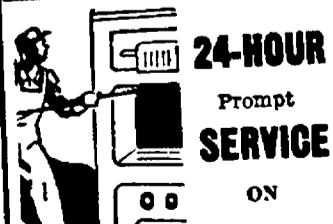

Dr. James Flannigan of City Police arrested the youth and a 16-year old accomplice last week. The latter was referred to Juvenile authorities. When the youth was arraigned before L. P. Young, City judge, last week, his counsel entered a plea of not guilty.

## Scouts' Circus Is Big Success

More than 5,000 boys and girls and adults braved unsettled weather Saturday afternoon to enjoy the annual circus presented by 700 Cub Scouts at Denby High School grounds.

Each den in the 20 packs from North and Northwest Detroit, Grosse Pointe, East Detroit and Roseville presented "sideshows on the midway" previous to the opening of the "big top" at 3 p.m. Funds from tickets at 2 cents per person went to individual dens.

The Detroit Police Department band led the parade preceding the main show which presented acts by each den, uncovering the ingenuity and native talent of boys, ages 9 to 12. BUT OH! THOSE HATS

Paris Designer Cites Pointe Women As Smart Dressers

"Loves G.I. coffee, disapproves of American women's hats and thinks that Grosse Pointe's effeminacy dresses smarter than New York's swank set."

Those are the likes and dislikes of Mde. Gabrielle Rondepiere, Paris fashion creator, who is visiting friends in Grosse Pointe.

She thinks that the "new look" has gone too far, particularly among the Junior Set whose dresses sometimes touch the heels. She told a Review reporter that she believes that dresses will be definitely shorter next fall with a "fuller" style in the back.

Mde. Rondepiere, knows of what she speaks, she has a dignified background in smart fashions. Before she established her own shoppe in Paris, she was associated with smart shoppers in Grosse Pointe and Detroit. She has designed many beautiful creations for members of some of Grosse Pointe's most prominent families, including the Fishers, the Briggs and the Sterns.

Her taste for G. I. coffee was developed during the war when American troops liberated her country.

"I gave the boys eggs in exchange for coffee and gum," she explained reminiscingly. "The American soldiers were wonderful to us."

When the Germans came, she found refuge in the Alps. "Through we suffered from hardships and lack of food we survived," she remarked.

Her shoppe was converted into an army office by the Nazi.

Speaking about American women's hats Mde. Rondepiere feels

that they are much too small and over decorated with flowers and ribbons. As an example she placed a small tea cup saucer on the side of her head and indicated how flowers and ribbons and other decorations completely bury the hat. She suggests more hat, less trimmings.

Excluding her opinion on the top-piece, the fashion designer was very flattering about local women's selection of clothes.

"I was a luncheon guest at the Grosse Pointe Yacht Club last week and even for one with a professional and critical eye, I was very impressed by the smart ensemble of each woman present. I believe that Grosse Pointe women dress smarter than the heraldic set of New York," she remarked.

She noted that Grosse Pointe women wisely accentuated their accessories in completing their wardrobes. She added that the little things are what really count in bringing out the "smart new look."

Mde. Rondepiere believes that American men though they dress well are far less conservative than her countrymen. She particularly admires our fancy neckties.

"I think a 'hot necktie' can add 'oomph' to an old suit," she remarked smilingly. "I wish our men would wear them."

The visitor expects to embark for home on June 24 where she will be reunited with her husband who is an engineer at the Renault Motor Co., and their nine-year-old daughter. During her stay here, Mde. Rondepiere was the guest of Helen DeMagio of Somerset Road.

GM PROSPECTS

While the automotive industries have been busy creating the new look for the motor car, the second graders at Maire School, after a lengthy study of the auto's history, developed their own model. U-M's Record Graduating Class Includes 45 Pointers

The University of Michigan graduated its largest class in history on Saturday, when degrees were conferred upon 3264 graduates, including 45 from Grosse Pointe.

Ceremonies were held at Ferry Field, with United States Senator James William Fulbright, of Arkansas, as the Commencement speaker. The procession of graduates, faculty and University officers marched down State Street to Ferry Field from the campus.

All the states of the Union except Delaware were represented in the graduating class. There were also 175 graduates from 35 foreign countries. This is the third successive year in which the size of the graduating class reached a new peak. Many of the 1948 graduates are veterans.

A peacetime feature of Commencement which was being restored this year is the presentation of actual diplomas to the graduates. Because of the size of the class, only token diplomas were presented to the graduates as they marched across the platform during the Commencement program. Immediately afterward, however, graduates called at the Intramural Building and there received their diplomas. For several years past, diplomas were mailed to the graduates during the summer.

'Teen Talk

By SHARON FORD

On Wednesday June the 9th or just about a week ago the Seniors of the graduating 12As trekked off to Belle Isle for an afternoon of fun, or what is commonly called their picnic. The kids all attended formal assembly in the High School auditorium that morning, which is sort of another milestone in their graduation whirl. Then pling into cars they dashed over to the Island where the fun really begins. Canoeing seemed to be the main attraction and baseball, riding (horse and bike), and just plain having fun ran the closest second. Don't read this wrong and think that canoeing wasn't fun it was just a little more than that. Everyone who tried it got more than a little wet.

Some of the grads who enjoyed the affair, why! Birdie Spurrier, Jim Flom, Doris Rempter, Skip Villeneuve, Doug Buck, Don Duncan, Joan Blanchard Dan Guy, Audrey Greulich, Shirley Davis, Marge Schulte, Priscilla Ehrke, Pat Mann, Adela Mattice, Bob Lynch, Lee Kanser, Tom Horrigan, Pete Henkel, Phil Robertson, Hed Munford, Dave Meeker, Dave Willison, Carol Diederik, Bev Dennis, Barb Mann Felice Thorpe, Sue Cruikshank, Mary Ann Mann, Mary Gratzner, Helen Plath, Sue Carson, Gery Rounds, Andy Lodes, Bob Fosmoe, George Kennedy, Jerry Ewart, Pete Field, Tom Dewey, Roy Margenau, and Al Kidd.

These kids enjoyed a good lunch and then made off to all points on the island, Thelma Marshall, Mary Whitcomb, Cecily Wade, Margie Simon, Pat Stewart, Carroll Sharer, Sally Smith, Marge Storckel, Joan Ghesquire, Norm Steenrod, Pat Burns, Sharon Arnold, Joy Hiedrick, Carolyn Johnstone, Jerry Allen, Bob Stritzinger, Jerry Mechlinze, Bill Webb, Bill Trousedale, Carl Bahr, Jack Swan, Lorem Miller, Bill Nelson, Dick Klienman, Bill Mondry, Bill Kerr, Eunice Jodar, Joyce Hartung, Harriet Cotton, Julie Bowman, Janise Turnbull, Mary Ellen Antrim, Dick Augustine, Dick Carter, Ed Beyer, Fred Schable, Don Rawson, Paul Terbruggen.

Sharon Ford

rott, Ken Venderbush, and well we can't attempt to name half of the swell kids.

Comes to mind now a party in honor of Johnny Cobane's Birthday. His pal Hughy Dill threw the affair in the way of a dinner and show on the same day as the picnic. He invited, Merry Baumann 'n Dan Guy, Barb Orphal 'n Jon Walton, Sally McNeef 'n Dick Moses, Ginny Granse 'n Bob Stritzinger, and Diane Thompson and Phyllis Frank were John 'n Hughs dates respectively. 'Twas an evening of celebrating and many happy returns to John.

On Friday night well we dropped over to the D. Y. C. for a little dancing on a nice spring evening. There we saw Johnny Mack 'n Sally Reynolds, Richey Laux (just home on leave from Culver for a few days before he returns for summer camp) and Millicent Hesse, Bruce Johnson 'n Eljean Mattice, Herm Klingelhoefer 'n Helen Plath, Ken Venderbush 'n Mary Anna Larson, Skip Villeneuve 'n Doris Rempter, George Beranek 'n Jan Hiles, Bob Wan Haltern 'n Joan Ghesquire, Ted Osis 'n Sally Andrus, and many more of the High crowd.

### St. Paul Nine Tops School's Sports Squads

By JOHN HUTTON  
Athletic uniforms have been turned in and school has closed at St. Paul High and the 1948 season is history.  
It was a fairly successful spring for St. Paul. Track, tennis, and golf were added to baseball on the Flyers' sports program.

The baseball team turned in the best record. They won six and lost two in League competition and won three and lost two in non-league contests. Coach Ed Lauer had a veteran squad and they remained in the midst of a battle for the Parochial League East Side Division crown until the final week, when they lost 8 to 6 to St. Vincent. This effected a tie for second place with St. Ambrose and St. Martin. St. Vincent won the title.

The entire squad, including thirteen lettermen, will be back next spring.

The first track team in St. Paul's history was a success although they failed to win a single meet. They trained under very poor conditions and Coach Lauer had to spend much of his time with the baseball team.

They placed seventh in the East Side Championships and fifth in the League finals in which fourteen schools were entered. Pat Hamlin was second in the shotput in the League finals.

After an early burst of enthusiasm, interest in tennis and golf lagged somewhat at St. Paul. The Parochial League failed to establish the expected competition in these sports.

### GPHS Finishes 12th In State All-Sports

Grosse Pointe High School placed 12th in the final tabulation of the 1947-48 Michigan High School Class A All-Sports Championship. Jackson High took top honors with a total of 52 1/2 points.  
The local school with 18 points led all other schools in the Border Cities League.

### POINTE SANDLOTTER CITED

Enthusiastic fans of Grosse Pointe High School's baseball team more than voiced their approval of the Review's selection of Vince Schoeck, GPHS, first baseman as the "Sandlotter of the Week." The girls, both students at the high school are from left to right, Genie Salmon, 280 Vendome and Marilyn Brown 281 Merriweather.

### Vince Schoeck Wins Top Sandlot Honors

A lanky first baseman whose potent bat and a bushel-basket glove were a menace to Grosse Pointe High School baseball opponents this year is the Review's "Sandlotter of the Week."  
His name is Vince Schoeck and in a ten games he batted well over 300 and fielded his position without one error.

The youngster was a major factor in the Blue Devils comeback after a dismal start to finish the season with a 500 percentage in the Border Cities League. His "hustle up" baseball sparked the team's play.

Among his noteworthy achievements this season was a long home-run on the local diamond that provided the winning marker Symter of Neff Rd., entertained at His hit enabled Al Bryant to chalk up a no-hitter game. Al incidentally received the "Sandlot-

ter of the Week" award recently for this performance.

Returning to the "long home-run," Vince's coach, Pat Kattitz said it was the longest home run he had ever seen on the local diamond. The ball landed into the tennis courts, more than 300 feet away.

For winning the award, Schoeck will receive a Tiger-autographed baseball from the Review. This newspaper cites an outstanding local sandlotter each week, in cooperation with coaches and managers.  
Vince is now playing with the strong Joe Gentile team in Class D of the Detroit Baseball Federation.

He is rather serious about baseball as a career. "I would like to make the big leagues," he said. "I intend to try hard to do so but of course, a great deal depends on my ability to improve and the breaks of the game."

The modest first baseman credits much of his present success to Ralph DeCender, a St. Paul High graduate and a former sandlot team mate of Vince.

The two spend a great deal of time together on and off the diamond. DeCender who was a star sandlot catcher and a power hitter passed along many tips to Vince.

Ralph, now under contract with the Boston Red Sox is playing with a farm club in a Minor League.  
Vince wonders if he will follow in Ralph's footsteps.

### BAHÁ'Í A WORLD FAITH

There is but one source of human brotherhood — the worship of God through the same prophet, the knowledge of God through the same revelation.

While political, racial and economic bonds are inadequate and temporary, revealed religion holds sway for a thousand years.

Now is the time for brotherhood between the religions and not merely a fraternity within each separate faith. Bahá'u'lláh has brought the Faith which for the first time makes world brotherhood a fact and not an empty phrase.

**TURNING NIGHT INTO PLAY**  
There'll be no 10 o'clock shadows at Briggs Stadium this season. The world's most modern lighting system brings night baseball to Detroit—the kind of lighting you'd expect in the finest ball park in America.  
Bright enough for a batter... yet free from the glare that can cause an outfielder to lose a high fly.  
In planning the Stadium's new lighting, engineers worked a double play to insure dependable illumination. In addition to the underground cables carrying electricity to the eight light towers, a standby system of overhead wiring has also been installed. It's another example of how electricity can be almost as effective—and almost as reliable—as the sun itself.

**New Dairy Store Opens on Mack**

Announcement is made this week by Leon E. Ricelli of 696 Neff road, of the opening of his beautiful new Ira Wilson and Sons Dairy Store at 17904 Mack avenue, at Washington road.

The new store presents an outstanding arrangement of fine fixtures and the interior color scheme and draperies are so unusual that the Detroit Edison company is taking color photos to illustrate the employment of high color with fine lighting in a dairy bar.

Mr. Ricelli's store, of course, features a complete line of Wilson Dairy Products and ice cream; baked goods, candy with fountain service and light lunches and sandwiches at a modern soda bar.

In the food business before the war, Mr. Ricelli served with distinction as an infantry officer in the Pacific theatre of operations. After leaving the service he was with Wine Shops, Incorporated, as a manager in the Birmingham branch for a year and a half and in the Penobscot building shop, subsequently.

The management pledges the highest standards of courtesy and service along with the highest degree of cleanliness, in keeping with the healthful foods which are featured.

**Pointe Nine Meets Leader**

Grosse Pointe Post 303 and Roose Vanker, division leader, who battled to a 14 inning one-all tie last week, will attempt to settle their differences on the Water Works Park diamond Saturday. Bob Ruck, Grosse Pointe High School pitcher, is slated to start for Grosse Pointe.

It marks the first of a three game schedule to be played within five days by the local entry in the American Legion Junior Baseball League.

On Sunday, Harry Edsall is scheduled to face Briggs at Water Works Park. Edsall has a three-win one-loss record accompanied by one tie. He has won wide notice for striking out eighty-four men in five games, two and two-thirds innings.

Next Wednesday, June 23, the local nine is scheduled to meet New York Central at Belle Isle on diamond five.

Last Sunday afternoon Red Arrow came back to avenge an earlier defeat by winning over the Pointers, 5-2. Bob Ruck was charged with the loss after five and one-third innings work. He struck out six men and gave up seven hits. Edsall took over the mound duties and struck out five.

**Bryant's Done It Again, Pitches Second No-hitter**

Bryant's done it again!

Allan Bryant, Grosse Pointe High School ace pitcher hurled his second no-hit ballgame of the season last week. On the mound for Helin Tackle in the Detroit Baseball Federation he set back the Shamrocks at Jayne Field 17-0.

Bryant was named the "Sand-lotter of the week" by the Review a few weeks ago when he pitched his first no-hitter of the season against Fordson High School.

Joe Hipfel, former GPHS outfielder, smashed four hits in five trips to the plate, to contribute to the success of the Helin athletes.
