Denby Kiwanis Club heard Goodrow, Grosse Pointe Town-Clerk, and Lieut.-gov. of the Michigan District of Kiwanis International, recount the activities of the recent International convention at Los Angeles. Mr. Goodrow, who belongs to the G. P. Club, addressed the Denby Kiwanis Wednesday at the Fair Inn in Detroit.

Lions are planning a luncheon meeting with entertainment at the Beverly Hill Golf Club on July 22 and August 5. It was disclosed by Secretary of the club circular letter, that the Lions will discontinue regular meetings in July.

The secretary concluded his remarks in this unique fashion: "I wish you for a happy, healthy, prosperous, hygienic, hospitable, hopeful, humorous, and summer—Hosking."

Wesley J. Wicks, 14944 E. Wagon, oral surgeon, scored in his scintillating chat before the Pointe Rotarians Monday at Whittier.

According to the Rotary policy meeting new members to say words relating to their experience. Dr. Wicks discussed his activities in the Navy Air Corps. The most amazing part of my months in the Navy during World War II, is that I was never on a ship," he remarked. "I always ordered my about plane."

Dr. Wicks was discharged holding the rank of a commander. He was a member of the Naval Reserve.

Neighbors of Mr. and Mrs. William Harns of 1333 Roslyn road put very much that they—the Harnses—are moving shortly to their new home in Dearborn Hills. They're such wonderful neighbors," commented one Roslyn road resident. "We hate to see them go." The neighbors asked this column express their sentiment.

Park Manager Lane who is the responsible for safe and sea-long swimming at the Waterfront Park has never taken a swim in the pool. C'mon in Everitt the water's fine.

Seek Help To Check Pollution

Residents of Grosse Pointe are asked to cooperate with the technical staff of the International Joint Commission in its effort to curb pollution in Lake St. Clair, Detroit River and St. Clair River.

Beginning July 22, hundreds of small floats are to be released in these waters at various points from Lake Huron to Lake Erie. By means of these floats it is intended to show the path of surface pollution in the waters flowing from Lake Huron to Lake Erie.

The floats are of wood, 4"x2 1/2"x3 1/2" in dimension, painted a bright orange color. Each float will carry a serial number and the following printed message:

PLEASE FORWARD TO U.S. PUBLIC HEALTH SERVICE, WATER WORKS PARK, DETROIT 14, MICHIGAN, THE SERIAL NUMBER OF THIS FLOAT, THE DATE, HOUR, AND ACCURATE DESCRIPTION OF PLACE AT WHICH FOUND, AND YOUR NAME AND ADDRESS. REPLACE THE FLOAT IN THE WATER.

The information requested is to be forwarded to the U. S. Public Health Service. It is important to report, by letter or postcard, the serial number and the date and accurate description of the location at which found. Details as to location are to include the shore and identifying landmark (for example) North Shore Peach Island, opposite U. S. Marine Hospital. The float is to be replaced at once in the water where found and allowed to continue downstream for further observations.

The success of this study will depend, in a large part, on the cooperation of information from the sportsmen and other groups interested in fighting pollution. A total of about 3,500 individual floats will be released during this study.

This survey is being conducted in connection with the pollution investigation of the International Boundary Waters between United States and Canada.

Judge Fines Violators

Two traffic violators were fined by Judge Joseph P. Uvick, in Grosse Pointe City court Monday. They were Martin E. Gerstner of Detroit, who paid \$25 for speeding 54 miles per hour, and John E. Duncan, Jr., of 30 Elm Court, \$10 for reckless driving.

Steve Edwards, 296 Provincial road, charged with reckless driving, was found not guilty.

Pointe Escapes Freak Storm

Grosse Pointe escaped serious damage from the freak rain storm Sunday which wrecked havoc and flooded streets in Detroit's east side. Only a few scattered flooded basements, one fallen tree and one wire down were reported in the five local municipalities.

However, thousands of bathers and picnickers at Park and City beaches were caught in the down-pour. No one was hurt but many were soaked.

Farms, Shores and Woods officials said that they had little rain in their vicinity.

St. Clair Shores escaped the storm completely.

TOMORROW'S BATHING BEAUTIES

Among the thousands who sought refuge from the heat during the past several days at Pointe beaches was this group of tomorrow's beauties. They were having a swell time at Park's "Waterfront Park" when the Review photographer came along. The little blonde at the right appears to be somewhat fascinated by her chum's curls.

District Re-Elects Wicking

The Grosse Pointe Board of Education re-elected Bert H. Wicking president at a reorganization meeting July 7. A member of the school district since 1943, Mr. Wicking first became president in July, 1947 succeeding the late Charles A. Parcels.

Other officers named were Mrs. Alice Moody Sheffer to retain her duties as secretary and Sigurd R. Wendin to treasurer.

Mrs. Sheffer has been on the board since 1942. Mr. Wendin, who joined the school district last year, succeeded Charles Pounard, who was defeated for re-election at the district election last month after 32 years service.

Also present at the election meeting were Franklin Dougherty and Shirley Johnson, trustees.

The Board of Education designated the first Wednesday after the first day of each month as the date for regular meetings at the Board of Education offices at 389 St. Clair.

Plan Meeting For Memorial Fund Workers

Grosse Pointe Library Memorial Fund officials reported that a general meeting will be called shortly for all the sponsoring organizations and volunteer workers. Reports will be heard and various ideas and plans will be discussed.

Meanwhile volunteers were soliciting business establishments in Grosse Pointe hoping to greatly add to the estimated \$255,000 reported received thus far in the drive.

Officials also disclosed that plans are being completed to launch a direct mail appeal to residents who have not contributed as yet.

Shores Adopts Park Ordinance

Grosse Pointe Shores council adopted an ordinance Monday to regulate the use of the village Park's bathing, boating, docking, parking and recreational grounds. The facilities will be under the supervision of Thomas Jefferson Shores superintendent.

Grosse Pointe Inductees To Report To Board 87

Young Men: 87 may not be your lucky number but you better keep it in mind. It will have a great deal to do with your future during the next few years.

Beginning next month men between the ages of 18 to 25 who reside in Grosse Pointe will be required to register for the draft at board 87.

The guiding light of this board will be Carl Schweikart, Township supervisor, who was named chairman by the State Selective Service office.

Schweikart, who is also Wayne County supervisor, said that as yet no site has been selected for the board's office. However, he is hopeful of finding a suitable spot centrally located to serve Grosse Pointe and Detroit's east side.

He said that board 87 will supervise districts which were covered by four boards during World War II, including Pointe's 57.

The Park Municipal building which was used by board 57 is not suitable for the extra duties which the new board will have.

Schweikart who served as a director on board 57 said that he plans to have three men, residents of Grosse Pointe Park, work with him enforcing the new draft law.

They are Frank M. Foster, Floyd M. Beitzel, and George L. DeVos.

Pointe AAA To Landscape Property On Jefferson

The Park Council at its meeting Monday resolved to accept the Automobile Club of Michigan's offer to landscape its property on Jefferson and Somerset.

This agreement was reached as a compromise pending on the AAA's plans to erect a \$125,000 office building on this property or completely drop the project.

The local AAA branch has been sharing the offices of the Packard Motor Sales Co., on Jefferson and Lakepointe since 1940. They moved into these quarters as a temporary measure until the new building was erected, but the war disrupted this plan completely.

Meanwhile the Park council which amended a village ordinance to permit the sale of the property for business usage kept patiently waiting until the AAA came forth with some plans in accord with their promise of erecting a beautiful building.

Prizes For Best Pictures

Say Dad, Mom, Junior and Sis too get behind the birde and get that picture, it may win a prize in the Grosse Pointe Photographic Contest sponsored by the Grosse Pointe Review.

The contest is held in cooperation with Grosse Pointe municipalities and the subject matter must be of a recreational activity taken on one of the Pointe parks, beaches, playgrounds or any other local site.

It is open to amateurs in three age groups. Junior group, up to 13 years of age; Intermediate, 13 to 17 years; and Senior, 17 years of age and up.

Pictures must be taken by the contestant but may be developed and printed by outsider sources. Size limitations are 5" x 7" for the smallest prints and not to exceed 11" x 14".

The pictures judged best will appear in the Grosse Pointe Review. Judges will be officials of the Contest, Grosse Pointe Review, Professional Photographers Association and the Review.

All entries must be addressed to Photo Contest, Grosse Pointe Review, 15121 Kercheval, Grosse Pointe 30, Michigan.

The contest closes Wednesday, August 25.

Woods Dealers Plan Drive For Local Shoppers

Grosse Pointe Woods Businessmen's Association plan to conduct another "Buy In Your Own Community" campaign in the near future.

It was disclosed by Earl C. Mohan, committee member. He said the first drive, recently completed, was a huge success.

The drive includes newspaper advertising in the Review and promotion with valuable prizes being awarded to Woods shoppers. Tickets are obtained by purchasing articles in Woods stores affiliated with the association.

"Our stores are modern and completely equipped to offer the best in service and price," Mohan said. "A resident can fulfill virtually every need without leaving our shopping district."

Mohan said the following prizes were given prizes in the first campaign. A new deep-freeze to Mr. N. J. Boehm, 1377 Sunningdale; a combination radio-phonograph to Mrs. E. Dearnley, 668 St. Clair; and a lawn mower to Mrs. V. Ayres, 981 Hawthorne.

Complete Plans For G. P. Frolic

The Review-WJR "Neighborhood Frolic" will be held at the Neighborhood Club on September 8. The program will include a street dance, a stage show and a radio broadcast.

Meanwhile Pauline Masek, of the Neighborhood Club, is completing plans with the Review and WJR to stage auditions for local talent. Dates will be announced.

The outstanding talent will appear on the stage show and the WJR broadcast. A WJR radio will be offered to the entertainer judged best by the audience.

Popular disc jockey Warren Kelly will be on hand to emcee the show. Music will be provided by the huge WJR mobile recording unit.

Local U-M Regent Seeks 2nd Term

Vera B. Baits, 56, a member of the Board of Regents of the University of Michigan, will seek the nomination for another term as a regent at the February, 1949 Republican State Convention.

Mrs. Baits, who in private life is Mrs. Stuart G. Baits, of 1009 Bishop road, announced her candidacy last Saturday, a few days after a planning meeting was held.

Present at this conference were Mrs. Charles A. Dean, Jr., Mrs. William F. Streit, Mrs. Wilber M. Brucker, Mrs. W. S. Roberts, Mrs. Zaito Woodford Schroeder, Mrs. Edward D. Maire, Mrs. Robert F. Watts, Mrs. James O. Murnin, Mrs. Delos Parker Heath, Mrs. Carl E. Chamberlain, Mrs. Lola Jeffries Hanavan and Mrs. Albert M. Mackey, who comprise the committee formed at the meeting.

The candidate was appointed to the Board of Regents in 1943 by former Governor Harry F. Kelly to fill a vacancy, and her term continues to Dec. 31, 1949. The following term, sought by Mrs. Baits to succeed herself, begins Jan. 1, 1950. She is a graduate of the University, class of 1915.

Police Warn Bike Owners

Bicycle owners who visit "Waterfront Park are warned by police to lock their vehicles before leaving them at the parking rack.

Police said a great number of bikes have been stolen from the rack, primarily because the owners did not take the precaution to lock them.

Stolen Valuables Found in Trash

Three rings, two watch chains and a watch valued at \$250 were found in a trash can in the rear of 1241 Wayburn, it was reported by Park Police.

Mr. Hugh McHugh of the above address informed police that he found the watch in his trash can. Subsequent investigation by police located the other items.

Police said the valuables were stolen from the home of Herbert Schwartz, 15025 Essex on July 4. Police believe that juveniles were responsible for the theft.

"Unable to dispose of them at a pawn shop, they apparently became frightened and threw them away," said Det. Arnold Hough.

Prowler Visits Pierce School

Harold Husband, of the Grosse Pointe Board of Education, reported to Park Police that someone broke into Pierce School on July 7. Nothing was reported missing.

Park Police who conducted an investigation believe that the prowler entered the school by remaining in the adjoining library till after it closed.

Residents Must Repair Sidewalks

The Park Council condemned sidewalks on the following streets: Barrington, Pemberton and Grand Marais. Termed as dangerous and in need of repair, by a village inspector, the sidewalks must be repaired. The council will send word to residents to take such action within 10 days of notification.

GOOD SHOWING

In his report Lane added that approximately 25 per cent of the 1948 village taxes have been paid. He said that this collection was equal to the last three or four year average.

According to Lane's report Park Police records show a slight increase in simple and grand larceny cases, robbery armed and malicious destruction of property.

An increased number of traffic tickets have also been issued to curb speeding on village streets. Several juvenile offenders have been penalized by maximum fines and suspension of their driver's licenses from 30 to 90 days.

CITE POLICE, FIREMEN

Lane said that the fire department answered 68 calls in April, May and June, with total damage, estimated at \$12,500.

He added that both the police and fire departments received national citations for meritorious efforts and service.

The Village Manager marked the considerable progress made by Public Works and Water department.

During April, May and June, 28 new buildings were built totaling a cost of \$686,000 and seven buildings were repaired and altered totaling \$61,750.00.

The bureau of street maintenance replaced 1,500 feet of cement curbing. Street surfaces on Pemberton, Kensington, Maryland, Charlevoix and Vernor Highway, damaged severely during the winter, have been resurfaced. The program of street re-conditioning is now under way, which will include those streets running east and west, south of Jefferson Avenue, and the resurfacing of Vernor Highway from Wayburn to Cadillac Road.

One hundred miles of street surface in the village have been cleaned and 15 catch basins and inlet drains repaired or replaced.

The sidewalk program is in progress and will continue through the summer months.

COMPLETE PROJECT

The Lakepointe - Beaconfield sewer project is 100% complete. All the alleys have been repaved and miscellaneous jobs have been completed. Recent inspections and flow tests indicate the sewers are functioning properly.

Specifications and bid requests are being prepared for sewer installation south of Jefferson Avenue, and surface water drain east of Nottingham Road. Also, for the trimming of 700 large trees on Barrington, Pemberton, Lakepointe, Grand Marais, Harvard and Nottinghamham.

With reference to refuse disposal — the garbage service has been newly improved at less cost. The new 12-yard garbage truck, recently placed in service, has reduced overall mileage travel—400 miles per month. Larger loads, less number of trips and less man power has effected this initial saving.

HEALTH REPORT

Lane reported that the Township Board of Health is now furnishing the village with a separate health report. All restaurants, markets, lunch counters, taverns and food establishments are now regularly inspected. Food handlers are requested to meet the health standards and furnish food handlers cards.

FARMS PROWLER

Farms Police reported an attempted burglary at the home of B. L. Buhl, 69 Vendone, on July 10. A light frightened the prowler away.

A PLEA FOR THE YOUNGSTERS

Grosse Pointe is a wonderful place to live in. Its scenic beauty, its wholesome environment and country-like healthful living combine to make it an ideal location to build a home and raise a family.

This utopia represents the honest and conscientious efforts of virtually every resident to establish and maintain its exclusive beauty and peacefulness.

However a group of sincere people, who perhaps have rusticated too much, have gone a bit too far to hold this exclusiveness by taking steps to stop youngsters from playing ball.

They have asked the Park Council to drop plans for establishing a playground at Grand Marais near Three Mile Drive. They stated that local youngsters playing ball here would disturb the peace and tranquillity of the neighborhood.

The Council took the action for the playground at the request of another body of citizens who place the health and happiness of their children before "peace and tranquillity."

We never met these people who oppose the playground but we presume that they are rather "old and stuffy," to term youngsters having good clean and healthy fun on a playground as a disturbance. Perhaps they have forgotten that they were kids once.

Perhaps they should be allowed to read the police books which record pages and pages of juveniles in trouble.

Perhaps they would rather have the youngster in hospital wards, victims of playing in the street. Their young mouths stilled and arms and legs maimed.

Perhaps the Council should put a "Rest Home, Please Do Not Disturb" sign in the area in which these residents live.

"Let's Give the Youngsters Their Playground."

"JUST COMMENT"

Whether we're interested in the import of cattle or not—America is getting more bull from across the ocean than ever before.

There's nothing so wrong with junior that a new constitution wouldn't cure.

"Keeping the home fires burning" will be quite a job next winter, fuel companies expect serious shortages.

Perhaps there's more fish than fact in this item but scales report "good fishing at the Farms Pier."

There is nothing wrong with marriage that a good Grosse Pointe attorney can't cure.

Judging from the daily sports pages, an all-star team comprised of local sandlotters would give the St. Louis Browns a tough afternoon.

Heard at Briggs stadium—"no wonder the Tigers are playing night baseball—there having too many off-days."

So many books have been written on how to get in the movies it's a wonder one of our budding Pointe authors does not write one on how to get a seat after you once get in. It's been rather crowded at the P & J lately.

"Isn't your mother ever in," queried the harassed War Memorial Volunteer, "Guess not," replied Junior. "She's busy making return calls from house to house for the memorial drive."

They raised the bus fare with the promise of better service—Well, we're from Grosse Pointe and you'll have to "seat" me.

Add editor's peeve—"and be sure to put it on the front page."

U-M Regents Name E. J. Soop Extension Head

The appointment of E. J. Soop as director of the University of Michigan Extension Service to succeed the late Dr. Charles A. Fisher was recently made by the Board of Regents, it is announced. Mr. Soop has been on the staff of the Extension Service since 1935, when his first duties were as field secretary. In 1941, he was made assistant director and in 1947 was appointed associate director, being the first to hold that title.

With his appointment as field secretary, Mr. Soop opened the extension office in Detroit to serve the metropolitan area. He has been actively in charge in Detroit ever since and has been in charge of the University's section of the Rackham Educational Memorial since its opening in 1942. In addition, he has been closely connected with the offices established by the Extension Service in Grand Rapids, Flint, Saginaw, and Escanaba, for the supervision of the class-work program throughout the state has been one of his major responsibilities.

A native of Michigan, Mr. Soop attended Belleville High School. He is a graduate of Hillsdale college and received a master's degree from the University of Michigan in 1922.

Paul Essert Pays Tribute To Charles A. Parcels

EDITOR'S NOTE: The following letter was received from Paul Essert, former Superintendent of Grosse Pointe Public Schools. In this capacity he was closely associated with the late Charles A. Parcels. Mr. Essert is now with Columbia University.

In these days when all men are struggling to find sure ground upon which to place their foundation stones for a world that is vastly changed from their youth, the recent death of Charles A. Parcels brings into focus of many Detroit and Grosse Pointe people, and of many of us in other parts of the world, an example of citizenship that is, perhaps, suggestive of what we might strive to be.

For Charles Parcels was one of Detroit's great citizens, and certainly one of Grosse Pointe's finest. Few there are, anywhere, who have so successfully carried the sturdy ruggedness, independence, and cultural grace of the old agrarian and simpler society of New England in the early 1900's, into the volatile change, the dangerous living, and the world-shrinking adventure of Detroit. At least few of us have made the transition with more clarity of sense of values in each age.

There was nothing inconsistent or confused about him in the two worlds of the "classical" and the "practical"; the agrarian and the industrial; the rural and the urban. They were pulse beats of the same rich blood of America to him, each totally necessary to a satisfactory life. He never "looked back to the good old days" with nostalgia, but carried the treasures of those days into the forever-new.

The quiet, gentler flavors of the old days were used by him as delicious seasoning of the stronger meats of the new. He could shout with delight at the sight of a lone plowman slicing the green pastoral beauty of the farmland of his beloved Huron City, and stand in genuine reverence and mystic wonder as he watched the bleak spires of factory smoke stacks of Detroit. Each to him was man at creative building. The old and the new were never two, but always one continuous manifestation of the mind of man moving out to master his environment.

And so it was in his role as a citizen. Citizenship and business to him were not two functions, the former to be considered for a few moments, now and then, when the latter did not interfere. His community, his city, his nation were a part of his daily business. In his business he carried a great sense of trusteeship to those whom he served; that sense of trusteeship was just as important to him in his public service as the President of the Board of Education in Grosse Pointe on which he gave richly and unstintingly of his time for twenty-five years, or in his service to the nation during two world wars. Business and public service were not incompatible in

Letter Box

TO THE EDITOR: The Grosse Pointe Branch of the American Association of University Women wishes to thank you for the splendid cooperation you have given our publicity chairman during the past year. There is such a great number of organizations in the Grosse Pointe area—all desiring considerable space in the Review—that we realize it is no small problem to keep them all happy. We do appreciate all the kindness you have shown us. Very Sincerely, DOBOTHY E. JOHNSON, AAUW Secretary

TO THE EDITOR: I will file nominating petitions for Governor this week, and every indication now is that I will remain in the race for Governor. I am extremely gratified with the response to my petitions. I already have more than enough names to file for both offices, but since many of my workers have been instructed to make their returns next week, I will delay filing until I can include the week-end's return in the tabulation. My final decision as to which office I shall run for will be made public by July 20th.

There has been considerable pressure to keep me from filing for Governor, but friends from all over the State have convinced me that the voters of Michigan should have the opportunity of nominating an experienced administrator and executive, and should not be limited to a choice between two public prosecutors. GOP Campaign In Harmony With Platform

WASHINGTON, D. C.—Governors Tom Dewey and Earl Warren, who form the Republican "ticket of presidents," will find their campaign dove-tailing perfectly with the Congressional campaign this year because of the forstight of Herbert Brownell, Jr., former national Republican Chairman and Gov. Dewey's political manager.

Under the title of "The People Must Choose," Mr. Brownell laid down "a Republican creed."

"We believe in an honest and workable relationship between industry and labor."

The Republican Congress elected in 1946 enacted the Taft-Hartley law which has been accepted as a means of creating a "workable relationship between industry and labor."

Mr. Brownell's Republican creed continued: "We advocate more money in the take-home envelope, based on productive work and more profitable business."

The Republican Congress followed that creed by enacting, over Presidential veto, a reduction in incomes taxes to provide more take-home pay and to inspire greater production and profit.

In that speech Mr. Brownell also offered a Republican alternative to the "planned fascism" of opponents to the Republican way. He said: "We shall insist that our international relations shall be conducted in conformity with the American Constitutional system . . . that there shall be no secret commitments which may cost millions of lives and billions of dollars. . . . We will carry out our present commitments to give whatever measure of relief we can to prevent suffering and starvation in the nations devastated during World War II, but let us insist that American money and American food and American clothing shall not be utilized by other nations to promote their own selfish power-politics."

"We believe that American security demands the maintenance of armed forces in all categories sufficient to defend this nation against any aggression."

The record of the 80th Congress shows each of these legislative steps has been taken.

What is needed now is an executive team that will administer the laws in the spirit in which they were passed.

VALTER POOLE

Army Cites Education

The Armed Forces recently intensified educational program now makes it possible for the High School graduate to continue his education while learning a valuable trade and earning above average pay, Major Alfred H. Reinbothe, Commanding Officer of the Michigan Recruiting District, announced today.

Hitherto the educational program of the armed forces, although playing a major role in the military training of the soldier and airman, has not been exploited to the fullest possible extent.

Today, however, the U. S. Army and U. S. Air Forces have realized the need for higher education in the ranks and have done all within their power to give the serviceman every opportunity to acquire a knowledge that will prove gainful to him whatever profession he may choose to undertake.

More than 70 per cent of 1947 automobile accidents occurred on dry pavement. Drive carefully—always!

Pooler Conducts Pop Concerts At Fair Grounds

SUMMER "POP" Concerts open free to the general public and conducted by Valter Poole, began last week at the Michigan State Fair Grounds, as the joint gift to the city of Detroit by Henry H. Reichhold, President of the Detroit Symphony orchestra, and Jack Ferentz, President of the Detroit Federation of Musicians. The Federation is financing its half of the concerts through the American Federation Transcription and Recording Fund.

City and state officials are co-operating in the concert plans. The season will end September 4 and concerts will be heard 3 times weekly, Tuesdays, Thursdays, and Saturdays. Assisting in plans are the Detroit Convention and Tourists Bureau, the Detroit Board of Commerce, Retail Merchants. Co-sponsor is the Michigan Department of Agriculture and the Michigan State Fair board with Hazen Funk, general manager. The State Fair Grounds Shell has been newly refurbished for the season, and there is ample space to accommodate motor cars with no trouble in parking, and eating facilities for 10,000 listeners.

Valter Poole will conduct all concerts and from time to time guest soloists will appear. Concerts will start at 8:30 p.m.

The Program for Saturday, July 17:

Hungarian March—Berlioz. Overture "Orpheus"—Offenbach. "Music Box" & "Kikimora"—Lidov. "Blue Danube" waltz—Strauss. Intermission. Excerpts from "Caucasian Sketches"—Ivanov. Allegro Majestoso Bourdon-Grieg (Soloist: Robert Jones, Trombone) "Thunder and Lightning" Polka Strauss.

Bahai's Begin Adult Sessions

The first of three sessions for the Bahai's Summer School on July 11th at Davison School. Designed to acquaint people with the Divine teachings as brought by Bahai's to the world over 80 years ago, the session just starting includes such topics as "Our Religious Heritage," and "One Hundred Years in the New Age".

M Educator Points to 'Serious Mistake'

Adults make a serious mistake in trying to make children fit preconceived and arbitrary standards of development, a University of Michigan educator believes. It is better, according to Byron Hughes, professor of child development, to recognize that some children develop more rapidly than others and that there is nothing abnormal or wrong with the child who grows slowly.

ROTARY SPEAKER

Mr. Hugh Archer, Senior Research Engineer of The Detroit Edison Company, will address the Grosse Pointe Rotary Club on "The Bikini Tests of the Atom Bomb" next Monday noon at The Whittier. Mr. Archer was assistant to the technical director in the Atomic Bomb tests. His talk will be illustrated with colored slides.

Don't Ridicule Junior's "Puppy Love" Affair

It's an unwise parent who ridicules Junior's "puppy love" affair, according to Dr. Ernest G. Osborne, Columbia University professor. In his analysis of adolescence, written for the recently published World Book Encyclopedia, Dr. Osborne explodes the myth that adolescent friendships between members of the opposite sex should be treated as unimportant or humorous by parents and other adults. "Friendships of the kind that

lead to marriage may develop between boys and girls all through the adolescent period," explains Dr. Osborne. "It is true that settling of affection too early on one person may be unwise. It may keep a boy and a girl from meeting others of the opposite sex, and may stand in the way of a complete understanding of what a relationship between a man and a woman can mean."

Gratiot Township Dedicates Memorial

A memorial honoring Gratiot Township's war dead was dedicated Sunday afternoon by the Burger-Stockton Post No. 5784, VFW.

The stone monument, located in front of the Municipal Building at 19617 Harper, was built through donations. Mayor Van Antwerp spoke.

JULY BRIDE

Janet Carey Plans to Wed

Mrs. T. Edward O'Connor, of Yorkshire road, honored Bride-elect Janet Carey on Tuesday, July 13, with a luncheon and miscellaneous shower at the D.A.C.

Places at the flower-decked table were marked for Janet's mother, Mrs. L. J. Carey, and Mrs. Frank Couzens, mother of James Couzens II, the bridegroom-elect; Mrs. Louis Charbonneau, Mrs. Charles Shannon, Mrs. Hugh Ferry and Mrs. William A. Doyle.

Other guests were Jerry Carey, Mrs. Donald J. Carey, Marilyn O'Connor, Mrs. John Lowry, Mrs. Bernard Dunn, Mrs. William F. Yaw, Mrs. Homer Couzens, Mrs. Ernest LaLole, Mrs. Joseph Lockman and Mrs. Lou Euphrat. Janet will become the bride of James Couzens II on Aug. 7.

Coureur Plan Tour Of Europe

Mrs. Hector M. Coureur and daughter Marie Elizabeth of Moross road, sailed from New York on July 8 on the S. S. Media for Liverpool. They plan to visit Italy, France, Spain, and Germany.

During their extended itinerary the Coureurs expect to visit relatives in Belgium.

MRS. RALPH J. SELLOFF

MRS. G. F. CURRAN

Jean Crowley Becomes Mrs. George F. Curran

Jean Crowley, daughter of Mr. and Mrs. Thomas E. Crowley of Roslyn road, became the bride of George F. Curran, Jr., in St. Joan of Arc church recently, with Rev. Father De Plauty officiating. The bridegroom is the son of Mr. and Mrs. George F. Curran of Iroquois avenue, Detroit.

The bride wore a gown of slipper satin with a tight basque effect and having tiny buttons from the small collar to the waist. Her illusion finger-tip veil was draped from a crown of pearl orange blossoms. She carried a bouquet of white roses and lilies of the valley.

The maid of honor was Miss Natalie Crowley, her cousin from Kenilworth, Illinois, who wore an ice blue satin gown and blue hat trimmed with roses and sweet peas. Her bouquet was pink roses and delphinium mounted on ice blue satin ribbon.

Bridesmaids were Dorothy Meyer, Beverly Curran and Pat Baldwin, each in gowns identical to the maid of honor but wearing pink hats and their flowers tied with pink ribbon.

The bridegroom's brother, Robert Curran, served as best man. Seating the guests were Thomas E. Crowley, Jr., Bud Baldwin and Bryan Briedan.

A large reception was held in the ballroom of the Fort Shelby Hotel immediately following the ceremony.

PUPPET SHOW AT CENTRAL Y

A puppet show, scheduled for Central Branch YWCA at 7:30 p.m. July 15, will be presented by intermediate school girls who made and dressed the puppets, designed the stage sets and wrote the play. The occasion is the program for parents and friends which climaxes Central Branch Y's Summer Fun program. Cledie B. Collins, 2521 W. Hancock, a student from Wayne University's art education department, instructed the group in puppetry.

Also on the Thursday night program will be a two-act operetta, "Polly's Make Believe Orphanage," directed by Mrs. Lucene Chavis.

Pointe Girl To Wed Florida Boy In Fall

Mr. and Mrs. Nelson Welch 1335 Bedford Rd. announce the engagement of their daughter Florence M. to John L. Harrod, Miami, Florida. Florence and John both attend the University of Cincinnati. Florence is studying business administration and John is the Engineering School. The young couple plan an early fall wedding at the Grosse Pointe Memorial Church.

MRS. RICHARD C. JEROME
Christ's Church Grosse Pointe, was the scene of a wedding ceremony Saturday which united Katharine Grace Sherman daughter of the Morgan Jay Shermans, of Meadow Lane and Richard Charles Jerome, son of Mr. and Mrs. C. L. Jerome, of Rochester, Michigan. Mrs. Richard H. Wood, attended her sister as matron of honor. Mr. Jerome served as best man at his son's wedding. Following a wedding trip the pair will reside in Rochester.

Couple Motor To Canada

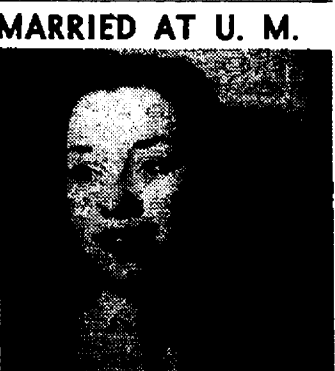

Audrey M. Brey, daughter of Mr. and Mrs. Walter F. Brey of Fisher Road, and Ralph J. Selloff, Jr., son of Mr. and Mrs. Ralph J. Selloff of Rivard Blvd., exchanged marriage vows at an evening service on Saturday, July 10 at Grosse Pointe Memorial Church. The Rev. Dr. Frank Fitt officiated.

The maid of honor was Mary Elizabeth Smith. Mary Anne Brennan, Shirley Jayne, a sister of the groom, and Wenonah Smith were bridesmaids. Peggy Wilson the groom's niece, was the flower girl.

Benjamin W. Jayne was his brother-in-law's best man. The ushers were Walter H. Brey, brother of the bride, Robert Shaw and C. Hugh Wilson, brother-in-law of the groom.

MARRIED AT U. M.

The beautiful U-M chapel at Ann Arbor was the scene of a ceremony conducted Saturday by the Rev. Lemon which united in marriage Juanita Viau and Robert C. Hauke, son of Mr. and Mrs. Gilbert F. Hauke. The bride who is the daughter of Mr. and Mrs. Henry Viau of Flint was attended by Alice Durham, John Ozar, of Birmingham, served as best man and Ralph, brother of the bridegroom, and John Griffin assisted as ushers. The newlyweds, both students at the university, will reside in Ann Arbor. A script written by Robert was recently presented over WWJ's television show.

Lovely Stage Star At Will-O-Way

Virginia Gilmore stars in the comedy "Dear Ruth" the second production of Will-O-Way Playhouse in Bloomfield Hills, through July 26. Miss Gilmore created the original role of Ruth in the successful Broadway run of 1944-45 Season, and Will-O-Way is fortunate in having the lovely and talented star for their straw hat production. Included in the cast are Bob Langin, Jr., director of the Apprentice Theatre, and Gerald M. Harrington, resident Will-O-Way player.

"Dear Ruth" was written by Norman Krause in a planned attempt to entertain by comedy farce and makes perfect summer fun for everyone. The theatre is designed for informality, the air-cooled Apple Born is unique, and there is cool Apple Juice for between acts. The play is directed by William Merrill with the scenery designed by Harold M. Meindert.

Michigan To Be Host To Church Musicians

Michigan again will be host to church musicians from the Middle West and Canada for the eighteenth session of the School of Sacred Music at beautiful Waldenwoods near Hartland, Michigan, from July 19th through August 1st. Singers, choir masters, organists and ministers will come for training under nationally-known leaders.

Dr. H. Augustine Smith, of Boston University, who is internationally known as a music director, author, pageant producer and editor of hymn books, will be on the faculty. Over two million hymn books are now in use.

A unique feature of the camp is the demonstration choir of singers who range in ages from 12 to 16 years. Special classes will be in session for them.

The need for gardens on the other hand is greater than ever before, and where leadership and land have been provided, the people have eagerly gone ahead.

Anniversary Luncheon

The Grosse Pointe Congregational Women's Association will celebrate their eighth anniversary with a luncheon, Tuesday, July 20th, at 12:30 p.m. at the Grosse Pointe Yacht Club. The members and

friends will be seated in a semi-circle around a huge birthday cake. The reception committee will be made up of seven of the original eight women who founded the organization on July 8, 1940.

Airlines Travel Reaches New Peak

Jack A. Tompkins, district sales manager for American Airlines, announced today that passenger revenue out of Detroit for the month of June established a new all-time record with approximately 13,000 passengers. The new June record is 28 per cent above the same month last year and 22 per cent above the month of May, 1944.

Decorations of cut flowers will be arranged by Mrs. Homer Pharis, Mrs. Frederick Tomlin, and Mrs. Edward Schutte. Other members of the committee are Mrs. James A. Bolles, Chairman, Mrs. Lenard Slowin, Mrs. Rex Regan, Mrs. M. L. Van Dagan, Mrs. Ralph Jones, Mrs. R. C. Diehl, Mrs. O. M. Arnold, Mrs. Warren Helle, and Mrs. L. R. Martin. Reservations are being made by Mrs. Charles Long and Mrs. Ralph Thompson.

Early returns from a National Garden Institute survey indicate that more gardens will be planted than in 1947, but the number will be below the war time peak of 1943 when Victory Gardens planted were estimated at 22,000,000.

Tompkins attributed the upsurge in business to the public's acceptance of Five-Star DC-6 Flagship service and the new Convair Flagship which was put into service June 1. He further stated that advance bookings indicate that July and August will establish new all-time records.

Set The Table For Romance With Dinner

Plucky Pitcher Named "Sandlotter of the Week"

Grosse Pointe youth with a strong right arm and a stout heart wins the "Sandlotter of the Week" award this week.

Bob Ruck lanky right hand of the Grosse Pointe Post 303 team in American Legion loop. He can easily be called as the Art Houtteman of Grosse Pointe because the youngster has also suffered tough breaks.

His most recent heartbreak was a 1 to 0 he was dropped to Roosevelt Vanker after 16 and allowing but four scattered

BOB RUCK

this season he helped Grosse Pointe High School's nine finish with a 500 percentage.

The youth who is 17 and stands close to six feet is highly determined to become a big-league ballplayer. A member of the June graduating class at GPHS, Bob plans to attend a baseball school in Florida at the end of this season. He plans to play ball all winter long. He hopes this will prepare him to play pro-ball next year in a Class D Minor League team.

Though Bob was pleased to receive a Tiger autographed baseball, which is presented by the Review to each "Sandlotter of the Week" he explained that the name of his favorite ballplayer was not on the coveted prize.

The youth is true to his namesake "Bob" Feller.

Though Bob is looking ahead to baseball school in Florida, the major issue on his mind and in his heart right now is to help Grosse Pointe win the legion title.

And when things get tough in the "clutch" series and Coach DuRocher looks on the bench for someone to quell the tide, he'll smile with assurance when he sees Bob, glove in hand, eager and ready.

The "Sandlotter of the Week" award is a weekly feature of the Grosse Pointe Review. Each player is chosen in cooperation with team managers and coaches.

Be sure to get the Review for next week's "Sandlotter of the Week" story.

MR. AND MRS. V. B. ADAMS Zwaan Photo

Mr. and Mrs. Vincent B. Adams are visiting Mackinac Island following their recent wedding at St. Pauls Church, Grosse Pointe. The bride is the daughter of Mr. and Mrs. William B. Tyll, of Norton Court, Grosse Pointe Woods. Vincent is the son of Mr. and Mrs. Walter B. Adams of Detroit. The new Mrs. Adams attended Marymount College at Tarrytown, New York. The handsome bridegroom plans to continue his education at Wayne's College of Medicine in September.

Rustic Log Edges Uptown

In a nip and tuck softball contest, Rustic Log edged Uptown Cleaners 9 to 8. Joe Pellegrin led the attack for Rustic with three hits, including a double.

The game was one of three played last week in the Neighborhood Club League. Other games saw Hudson A. A. beat Old Brick Inn 5 to 3. The hitting of Ken and Roger Gump paced Hudson.

In the third game, Surface Grinding setback G. P. Merchants 11 to 1. However officials reported that a protest was lodged by the Merchants and that the game may be played over.

Neighborhood Club "Day Camp" Keeps Pointe Indians Happy

Day Camp at the Neighborhood Club has been a busy place this last week, as any of the children attending camp will be able to tell you. All Indian activities are based on an Indian theme this year and so last week tournaments in Indian wrestling for boys and rooster fights for girls were held. The young Indian braves, who proved their skill and won Camp Championships, were Stephen Cook, Mike Carrier, Larry Grant, Hal Bailey and Robin Ryan. Francis Clark, Robin Lepard, Sally Anderson and Eileen Barrett proved their skill at balancing and won the Camp Rooster Fighting Contests.

noon by having a glider contest. There were two all camp winners—Charles Poupard taking the prize for height of flight and Robin Ryan had the longest flight in the contest.

Santa Claus came to Day Camp last Friday and was greeted by Christmas carols, trees all gaily decorated and presents wrapped in prettiest of Xmas paper. Although it was only July 9th, everyone thought it was not too early to enter into the spirit of Yuletide. Campers worked on decorations and gifts and many of their mothers provided cookies to make our party complete. The Staff and Campers want to express their thanks to the mothers of the following children for their donation of cookies:

Charles and Patty Johnston, Peter and Stephen Cook, Sally Anderson, Mary Margaret Hagglund, Hal Bailey, Mary MacArthur, Elaine Barret, Barbara Carrier, Beverly Manzelmann, Mary and Margaret Van Wassenhove, Mary Wardle, Ruth Perry, Bob Finnigan, Bob Marcereau, Barbara Kasper, and Billy Springett.

There are still many things to do before camp ends for this season. At present everyone is looking forward to a day packed with fun this Friday when the group pitches tapers at Grosse Pointe Park's "Waterfront Park."

Concert Series Begin at Rackham

Andrew B. White, baritone, will open his program with a group of German lieder by Strauss and Wolf when he sings in recital at the Rackham Educational Memorial at 8:30 p.m. on Tuesday, July 20. The program is fourth in a series of five summer concerts being sponsored in Detroit by the University of Michigan Extension Service and the University's School of Music.

The program will also include a group of French songs; the aria, "Nemico della patria" from Andrea Chemier by Giordano; and a group of English songs.

A feature of the program will be the first Detroit performance of a new work by Ross Lee Finney, titled Piano Sonata No. 4, in E Major (Christmastime, 1945). This will be played by Robert Henderson, a graduate student in music, who will accompany Mr. White.

In 1947, 850 Americans were killed and 87,000 injured in accidents involving automobiles which were turning left at the time of the accident. Know your hand signals—and use them!

Station Promotes Youth Make Good Worth Kramer

Appointment of Worth Kramer as Assistant General Manager and Franklin "Bud" Mitchell as Program Director of WJR, The Goodwill Station, Inc., was announced by Harry Wismer, Executive Assistant to President Frank E. Mullen of WJR, WGAR, and KMPC.

The appointments substantiated Wismer's previously announced policy of personnel advancement within the organization.

Kramer, a prominent figure in the broadcasting industry, brings 17 years of varied broadcasting experience to his new position. He came to WJR as Program Director July 15, 1946, after his release as an officer from the Navy. Under his supervision, WJR programs attained an eminent position of popularity—leading all competitors in over-all audience ratings month after month.

Previous to his service in the Navy, Kramer had an impressive background in the broadcasting field. He served as Program Director of WGAR, Cleveland, for five years. While at WGAR he gained fame for originating "Wing Over Jordan," a negro program which gained national recognition on the CBS network. The success of the program induced him to leave Cleveland and devote full time to the concert, radio and recording work of the network program. Immediately before entering the Navy, Kramer was General Manager of WGKV, Charleston, West Virginia, and President of the Kanawha Valley Broadcasting Company.

Kramer is 39 years old, married, with a daughter, Linda, age 8, and a son, Worth Alan, age 6. He lives at 1379 Hampton Road, Grosse Pointe Woods.

The Village of Grosse Pointe Shores Ordinance No. 62

An Ordinance to regulate the use of the Village Park (George Osius Park), Parking and Recreational Grounds in the Park, bathing and docking facilities, and to punish violations thereof.

THE VILLAGE OF GROSSE POINTE SHORES ORDAINS:

1. The use and enjoyment of George Osius Park, the recreational facilities therein, the boat mooring and bathing facilities shall be and are hereby restricted to bona fide residents of the Village of Grosse Pointe Shores and guests as may be permitted by regulations hereunder.

2. The Superintendent of the Village shall have general supervision of the said recreational facilities, mooring spaces, swimming areas and of the park and the automobile parking areas.

3. Entrance to the Park shall be by permit. In April of each year, any householder may make application to the Superintendent of the Village for the permit or permits required for his or her household. Such application shall be in writing, state the names, ages, and relationship of all members of the household desiring permits and shall certify that all such persons are members of applicant's household and residents of the Village. Following verification of the information, the permit or permits so requested shall be issued to the applicant.

4. The Village expressly reserves the right to refuse, revoke or cancel any permit for non-observance or violations of any of the provisions of this ordinance or any rules and regulations adopted by the Village Council and posted as provided herein.

5. Any bona fide resident or residents of the Village who are the sole owner or owners of a boat may annually request by application in writing boat mooring space from the Superintendent of the Village. Such application shall certify as to the owner or owners of the boat, and shall exhibit the Federal certificate of registry, if any, covering such boat. He also shall agree to comply with all provisions of this ordinance and amendments thereto, and all rules and regulations adopted by the Village Council and posted pursuant to this ordinance. The application shall also state:

- (a) The name, address, age, and period of residence in the Village of applicant and of the other owners of said boat, if any.
- (b) The name or registry number of the boat.
- (c) The length, beam, draft and type of boat.
- (d) The value of the boat.
- (e) Such other information as the Superintendent may request.

6. When a boat mooring application has been properly made and approved by the Superintendent, the name of the applicant shall be placed on a list of persons requesting boat moorings, and if space is available, and upon receipt of the mooring fee, as fixed by the Village Council, a mooring permit shall be issued, showing the space assigned to the applicant for the current season.

7. Holders of mooring permits for the immediate previous season shall have the privilege of renewing the permit for the next season, providing application therefor is properly made, and the mooring fee, as fixed by the Village Council, paid. Remaining vacant spaces shall be filled from the list of requests, in consecutive order, providing that the spaces available are suitable for the type craft.

8. Permits issued hereunder must be displayed to Village officers, attendants or guards by the holders thereof, to gain admittance to or make use of the park, pier, dock or harbor, or whenever requested by such officers, attendants or guards. Boat mooring permits may serve in lieu of admittance cards for boat owners.

9. The Village, in permitting the use by residents thereof, of the park, pier, bathing facilities, boat moorings and parking and recreational grounds, shall not be charged with any responsibility and shall not be liable for any loss, injury or damage suffered by a permit holder or any guest of a permit holder or any other person while using or enjoying any of the facilities covered by the permit. The Village in permitting boats to moor in the harbor, shall not be charged with any responsibility for loss or damage by fire, theft, collision or any other cause. All boats shall be moored or harbored at the owner's risk. The applicant or holder of any permit under this ordinance shall be liable to the Village and to all others lawfully using such facilities for any loss, injury or damages resulting from his or her negligence.

10. The Village Council may from time to time adopt, revise and amend rules or regulations not in conflict with this ordinance to be observed by all persons using or enjoying this facility. These rules and regulations, and amendments and revisions thereof shall be printed and posted in a conspicuous place in or near the park.

11. Should any section or clause of this ordinance be declared by a court to be invalid, the same shall not affect the validity of the ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

Local Nine Looms As Legion Champ

With but two regular league games left on the schedule, Grosse Pointe Post 303 looms as a serious contender for the American Legion Junior Baseball Metropolitan Detroit championship.

The playoffs, two-game knockout basis, will get underway July 25. All teams with a percentage of 500 qualify. The local team is currently in second place with 8 wins and 4 losses.

Coach Bill DuRocher is basing his title hopes on his top-flight pitching staff comprised of Harry Edsall, Bob Breen and Bob Ruck. Each has been named "Sandlotter of the Week" by the Review for outstanding performance.

"With a little more hitting our team will be hard to beat," said the young coach who has had several years of experience as a professional and semi-pro ballplayer.

This week Grosse Pointe was scheduled to meet New York Central on Wednesday and Rose Vanker on Sunday at Belle Isle diamond 5 at 1 p.m.

Last week's contest saw Du Rocher's boys beat Faust 8 to 2 and lose to Briggs Post 5 to 2.

Bob Ruck was credited with the Faust win, allowing 4 hits and striking out 12.

This game saw Bob Green hit a home run with the bases loaded for the locals only to be called back to first when Bob failed to touch second.

TOO OPTIMISTIC

President Truman told the newsmen at Washington recently that he undoubtedly would be elected President in November. This might worry us more if we didn't remember that President Truman an hour after the polls closed on election day in November 1946 told the newspapermen that the Democrats had carried both Houses of Congress. — The Brookville (Pa.) American.

DOG BITES CHILD

City Police ordered a mongrel terrier owned by Adam Pasmy, 752 Notre Dame confined for 12 days. The animal bit Chauncey DeLaura, 3, of 788 Notre Dame on the left leg. It was not serious.

Companies and communities which fostered Victory Gardens during the War now find it difficult and sometimes impossible to obtain land suitable for gardens. Organizational activities which were fostered by Defense Councils and other groups during the War were more difficult to promote.

12. Any person who shall knowingly make any untrue statement in any application for a permit issued under this ordinance or who violates any of the provisions of this ordinance, or any of the rules or regulations promulgated and posted hereunder, shall be guilty of a misdemeanor and shall be fined not more than One Hundred Dollars (\$100.00) for each offense or shall be punished by imprisonment in the Village prison or county jail for a period not to exceed ninety (90) days for each offense, or may be both fined and imprisoned in the discretion of the court.

13. This ordinance shall take effect twenty (20) days after passage thereof.

Passed July 12, 1948.
Approved July 12, 1948.

TWO BIG ONES THAT DIDN'T GET AWAY

Here is a couple of young fishermen proudly holding two big catfish that did not get away. They are from left to right James White, 1611 Hawthorne, and Bill Wilson, 1570 Anita. The boys said they caught the fish, one 25 pounds and the other 15 pounds near the Grosse Pointe Yacht Club.

Netters, Swimmers To Vie For Honors At Park Meets

Entries are coming in for Grosse Pointe Park's second annual tennis tournament which will get underway Monday, July 19, at the Waterfront Park courts.

It was announced by Dave Beauvais, recreation director. He said deadline for entries is Saturday, July 17.

Lawn tennis rules will prevail in this tournament which will offer competition in men and women's singles, and doubles, mixed doubles, junior singles, and junior boys and girls singles.

Entry blanks are available at the "Waterfront Park" and at the Review's office, 15121 Kercheval.

The popular Beauvais also announced that he is completing

plans for the village's annual swimming meet to be held on Sunday, August 1.

There will be a variety of contests in swimming and diving for adults and boys and girls.

Entry blanks can now be obtained at the Waterfront Park or at the Review.

Entries for the swimming meet close July 30.

The director added that a sailboat race will be held Sunday.

Police Choose Scout For Tour

John Skrbina, nineteen-year-old Eagle Scout and Assistant Scoutmaster of Troop 307, was selected by Detroit officials from among their eighteen Department-sponsored Boy Scout Troops as their delegate on the 1948 Philmont Expedition to New Mexico this summer. Philmont is a 127,000 acre Scout-owned wild life sanctuary, located in the Rocky Mountain foothills, about one hundred and twenty miles north of Santa Fe.

Scout Skrbina is a first year student at the University of Michigan, and graduated with an all "A" rating from Southwestern High. He was recently elected to the National Honor Society, and serves as lieutenant Colonel in the R.O.T.C.

ADMIT FLOP

Party leaders are trying desperately to draft General Eisenhower and, in so doing, they admit that the Truman administration has been a terrible flop.—Washington Herald.

Kleinsmith Wins Titan Tennis Award

Bob Kleinsmith will receive a monogram for his performances with the University of Detroit tennis team during the 1948 season, it was announced by Lloyd Brazil, director of athletics.

Captain this year of the Titan netmen, Kleinsmith came to the University of Detroit in 1945 after a year and a half duty with the Army. He was one of the Titans' top netters for the past two seasons and continued his exceptional play during the '48 season.

A graduate of St. Paul High School in Grosse Pointe, Kleinsmith captained his prep team in 1942. In 1941, he capped the Detroit Junior CYO singles title. He also won three basketball monograms and a pair of football awards during his high school career.

The son of Mrs. Rose Kleinsmith, Bob lives at 1341 Bedford with his mother.

At present the 22 year-old Kleinsmith is a senior at the University. He is enrolled in a pre-med course.

Other members of the tennis squad to receive letters were Lawrence Kane (Dearborn, Mich.), Al Renuart (Coral Gables, Fla.), Walter English and Dick Zaborowski (Hamtramck, Mich.), and Detroit'er John Walton.

AGENTS MEET

Local business executives and insurance men were guests of the Massachusetts Mutual Life Insurance Company at the Detroit agency offices of the Massachusetts Mutual, where President Alexander T. Maclean introduced Frank W. Howland, CLU, as general agent at Detroit. Chester O. Fischer, vice president, also was present. Mr. Howland succeeds George E. Lackey, who recently died, and will continue offices in the National Bank Building.
