RADIO SYSTEM IN GOOD HANDS

The most encouraging development at the police radio system meeting last Wednesday was that the officials unanimously agreed to place the matter in the capable hands of the five local police chiefs.

The police chiefs have accepted this confidence and are prepared to diligently study the two systems under consideration and recommend the service which they feel will give this wealthy suburb the protection it needs.

Highly aware of the important part communication has in the fulfillment of their responsibilities, the law officers will not let false economy measures influence their decision.

One factor already agreed upon by the police heads is that which ever system is accepted it should be operated under one uniform policy covering the five police stations.

JUST COMMENT

Youngsters who bathe in the juvenile delinquency spotlight should be whitewashed.

A candidate claims that the government has been hoarding 5,000,000,000 eggs—perhaps that accounts for the scrambled administration.

"Boy that fence is higher than I figured," comments the young trespasser as he peers at a vital part of his attire perched at the top of the pointed bar.

After enjoying one of the T-bone steaks offered at bargain basement prices at a local eatery, we find that the critic's report was no bum steer.

Youngsters at the wheel usually give the impression that they are trying to re-hearse.

Then there's the local official who has a perpetual housing problem, finding it hard to live with himself.

Beach observation: After debating whether to display her knock-knees, Pruella skirted the issue.

A Pointe attorney mournfully tells us that the judge threw the book at his client, giving him plenty of time to read it.

Add editor's peeve: long-winded phone callers who refuse to give their names.

Though there were several technicians present during the police radio discussion, the meeting was subject to continuous static.

Judging by the rising cost of living—one's outcome depends on his income.

The new three R's for Grosse Pointe's youth—Register, Recruit, and Russia.

After thought—and congress returned for a "sad sack" session.

The Taylor who spoke in the neighborhood Sunday did not suit the village's style.

Don't know whether their recent local performances had anything to do with it or not but the Simians are planning to take the show out of town next year.

Roger M. Kyes Joins GM Staff

C. E. Wilson, President of General Motors, announced that Roger M. Kyes has joined the staff of the Corporation. Mr. Kyes will work on special assignments, reporting directly to Mr. Wilson.

Mr. Kyes, formerly president and general manager of Harry Ferguson, Inc., was born in East Palestine, O., in 1906. He was graduated from Harvard in 1928. In the same year he became assistant to the president of Glenn L. Martin Co. In 1930 he became assistant to the vice president of Black & Decker Manufacturing Company. Two years later he was made president of the Empire Plow Company.

In 1941 Mr. Kyes joined the Ferguson-Sherman Manufacturing Corporation (later Harry Ferguson, Inc.). He served this company in various capacities and became president and general manager in 1943. He left Harry Ferguson, Inc. in Nov. 1947.

He resides with his family at 872 Balfour road.

Bucknell Cites Nation's Peril

Anti-administration claims that no state of emergency exists at this time which would justify President Truman's anti-inflation policy were blasted today by Victor E. Bucknell, Kalamazoo attorney and businessman who is candidate for Governor on the Democratic ticket.

"What do you have to have in this country to have an emergency?" he demanded. "The situation with Russia in Berlin is ten times worse than with Japan before Pearl Harbor.

"Even if we manage to get around the war threat, our domestic situation constitutes an emergency to millions of Americans. Let's face the facts:

- Increasing numbers of workers can't pay their rent. ● Welfare rolls on the rise. ● Food budgets are being trimmed to make ends meet. ● Merchants are turning to cut-price sales to maintain volume. ● And billions of dollars in war bond savings have been wiped out by the Republican Congress just as a Republican administration wiped out the wartime savings of the previous generation, thus laying the groundwork for the nation's worst depression. "If Congress fails to recognize these things as constituting an emergency, then it is little wonder that it has been able to do nothing to stem the inflation tide," Bucknell concluded.

Rites Read For Cap't. Shumway's Widow

Funeral rites were read Saturday, July 24, at Mrs. James L. Shumway, widow of the late Cap't. Shumway, at her home, 561 Middlesex road.

She is survived by three daughters, Mrs. John Koerber, Mrs. Harold F. Starn and Mrs. Jack Wallace, ten grandchildren and two great-grandchildren.

TRAINS WITH INFANTRY

Lt. Col. Ralph M. Lockhart, 1762 Allard road, will train with the 46th Infantry Division at Camp Grayling during August. Last month Lt. Col. Lockhart trained with the 103rd division at Fort Riley, Kansas.

Sherman

(Continued from Page 1) Prices have spiraled and wages have spiraled because with the government manipulating food, the working people have been forced out of purchasing power and must ask for more money. Sherman strongly advocates the immediate repeal of the parity price program to allow the law of supply and demand to operate. "We should return to the free enterprise system," said he.

Pointers Urged To Support Detroit Police Field Day

TO THE EDITOR:

On Saturday the 7th of August, the Detroit Police Department will give their annual field day at the University of Detroit stadium located at W. McNichols Rd. and Livernois, in Detroit. There will be two performances, one in the afternoon and another at night.

There will be whole hosts of clowns and funny men to make the kiddies laugh. The death defying aerial acts by the Gretona Family and the Aerial Vespa plus a clever trio on unicycles make up the big acts. The music will be ably supplied by the Detroit Police Band and by George Birds Musical Majorettes. All of this plus trained seals and bears and the usual but spectacular entertainment by the Police Track and Tug-Of-War teams, Pistol teams and the Department in Review will make a show that will be hard to beat.

We feel confident that everybody who attends whether he be young or old, will enjoy themselves completely at either the afternoon show or the evening show.

The proceeds of the event will go to the Detroit Police Benefit

Association, which cares for the widows and children and police officers who lose their lives in line of duty. Since this is a worthy cause, we hope the public will support us by attending by buying a ticket from the friendly policeman.

Thanking you in advance, Patrolman De Couback, Public Safety Bureau.

TO THE EDITOR:

We are delighted that you are planning to come to the U-M Press Club meeting. We are making a reservation for you, starting September 30, and will give you the exact location a week or ten days in advance of the meeting. Good wishes to you. Cordially yours, Arthur L. Brandon Secretary

The Visiting Nurse Association made 144,486 calls of mercy last year. The money you give to the Community Chest's Red Feather campaign helps make their visits possible.

Youth With 8th Army In Japan

WITH THE EIGHTH ARMY IN OSAKA, Japan.—Private Milton E. Marsack, son of Mrs. Eugene Marsack of 1110 Vernier Road, was among the troops of the 25th Infantry Division, commanded by Brigadier General Everett E. Brown, which participated in the 4th of July parade and review in Tokyo.

To our way of thinking, the man who arranged the alphabet put P and Q in the wrong order.

At least we figure that Quality ought to come ahead of Price—though we're well aware of the latter's importance.

So you find us always trying to strike the proper balance between doing a good job and doing an economical one. We try to give you the parts and materials you really need, the time it takes to do things right—and still not waste any of your hard-earned money.

That may not make us the cheapest place in town to buy good service—but we think it makes us the most satisfactory in the long run. Maybe somebody else can shade our costs but we'll guarantee you'll get no better value anywhere, or spend your money more wisely.

The reason we are interested in both Quality and economical Price is because we intend to do our best to grow with this community as your Buick Dealer. We must depend on you being highly satisfied with our service to make that come true—not merely satisfied for today or tomorrow but satisfied as a continuing Buick owner.

We believe you will agree with us that Q comes before P in the service alphabet—come on in and let's talk it over.

Research Experts Dig-Up Another Chief Executive

Research experts, digging into history, have unearthed evidence which indicates we have overlooked a President. Instead of 33 men holding the highest office in the land, we could, by virtue of a technicality, list 34.

As the "missing" President is also a Missourian, there is a doubt President Truman's claim to fame as the first Chief Executive to hail from the "show-me" state.

The gentleman who has thus far been slighted by the historical record is David R. Atchison, Senator from Missouri, 1843-55. The main historical clue to Atchison's Presidency is found in the 1913 edition of the Biographical Congressional Directory. The directory reveals that Atchison was President of the United States for one day.

Thirty-Day Marriage Tonics Urged To Cut Divorce Rate

A new technique for saving marriages headed for the divorce courts is recommended by James E. Barbee, noted marriage counselor.

Give your mate a "personality gift," advises Barbee in the August Journal of Living, and you stand a good chance of regaining your tottering love. "When husband and wife approach divorce or separation," says Barbee, "they are usually convinced that monstrous difficulties have driven them apart. Actually, the trouble usually starts with little annoying habits."

Barbee's thirty-day tonic is a simple plan. All it consists of is asking your spouse what trait or mannerism of yours annoys him—and then make a "personality gift" to correct it. In thirty days, the most annoying, tension-producing faults will have been brought into the open and possibly eliminated. When the tension goes, so do the quarrels.

Senior Scouts To Train At Selfridge

Recognizing the character-building and citizenship-training values in Scouting, the United States Army has approved an eight-day encampment for Midwest Senior Scouts at Selfridge Field, near Mount Clemens during the period of August 7th to 14th inclusive. This encampment is one of three such projects being co-sponsored by Scouting and the Army. One is already in progress at Chanute Field, Rantoul, Illinois, and the other will be at Scott Army Air Base, Belleville, Illinois, later.

Doctor Returns From Sweden

Recently returned from Sweden where he completed post graduate work, Dr. Gustaf H. Peterson has resumed practice in this country.

He has opened a new AAA chiropractic clinic at 910 Chalmers, Detroit.

A graduate of Cleveland Chiropractor College, Kansas City, Dr. Peterson also studied at Palmer School, Davenport, Iowa. He practiced in this country for ten years before leaving for Stockholm.

Dr. Peterson stated that the clinics of Sweden were congested with refugees, suffering from rheumatism, lumbago, and arthritis. He added that these conditions though aggravated by extreme long and cold winters responded most readily to chiropractic adjustments.

Bride Wears Gown Of Taffeta

Geraldine Ann Mauer, daughter of Mr. and Mrs. Raymond J. Mauer of Lakeland avenue, was married July 21 to Michael J. Pope, son of Mr. and Mrs. Michael A. Pope of Normandy drive. The wedding took place at 11:00, St. Paul Church on the Lake, and was officiated by the Rev. Fr. Boh.

The bride's gown was of white taffeta with long peaked sleeves, a small train, and was trimmed at the neckline, which extended into and resembled of white taffeta. The peplum at the hip-line was of a wider, shantung lace. Her head piece was a band of braided taffeta with pearlized orange blossoms on either side of her head.

Mrs. Len Mauer, her maid of honor, was dressed in peach taffeta with alternating rows of hand-sewn net and taffeta shirring at the neckline, which extended into cape sleeves. The bottom of the dress also had a ruffle of shirred net. She also had a bustle, which made the full skirt look pert. She wore a light blue picture hat of net with a scalloped brim and blue velvet ribbon, and carried blue daphnias.

The best man was Cyril Grubbel, a friend of both families, who introduced the couple. Ushers were Richard Mauer, brother of the bride, and Richard Debraud, a friend of the groom.

The wedding breakfast and the reception, which was attended by 150 guests, was held at the Detroit Yacht Club.

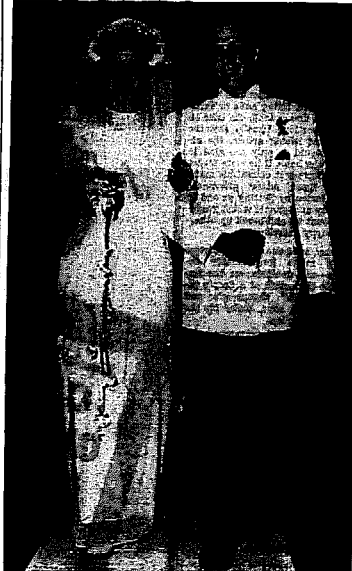

The bride's traveling outfit consisted of a beige and aqua print dress with white accessories.

"Potent" Clutch Hitter Wins Sandlot Award

Tommy Pelkey, sharp fielding first baseman of the Lions Club and one of the most potent clutch hitters in the Junior Baseball League is the Review's "Sandlotter of the Week."

Pelkey's play has kept the Lions in the race for league honors. In ten games he is batting .444 and has handled 106 chances at first without an error. He bats and throws right-handed.

Besides his prowess at the plate and on the field, the speedy youngster is among the leaguers leading base stealers.

His coach Lou Hunter, who recommended Tom for the honor, stated that the young sandlotter has beaten the ball to the bag 26 times this season. He averages about three stolen bases per game.

Tom is 15-years-old and lives with his parents at 51 Stur road. Enrolled at St. Paul, he earned a variety award on the school nine earlier this summer.

The Review will present Pelkey with a Tiger autographed baseball for being named the "sandlotter of the week. The award is a weekly feature of this newspaper. Each player is chosen in cooperation with coaches.

Junior League Nines Begin Home Stretch

The Grosse Pointe Optimist entry in the Pointe Baseball league finished the first half of the season in first place with five wins in eight starts. The other three clubs finished in this order. Metro and Kiwanis with a second place tie with 4 wins and 4 losses each; and Lions holding the tail-end with 3 wins in 8 games.

The leader at the end of the first half is scheduled to meet the pacemaker in the second half for the league crown. If the same team finishes on top twice, it automatically takes the title.

However officials held Tuesday that the first half standings might be scrambled by the results of two postponed games to be played. One plus Kiwanis with the leader and the other pairs Metro and Lions.

Meanwhile the regular schedule continues Sunday with Optimists facing Metro at Kerry field; and Lions opposing Kiwanis at Neighborhood Club field. Both games at 2 p.m.

Last week the Lions won two games. They beat Kiwanis 14 to 9 and Metro 8 to 7. In 9 contests, Optimists edged Metro 2 to 1 and defeated Kiwanis 6 to 3.

Trip For Newlyweds

Mary Elizabeth Rudd, daughter of Mr. and Mrs. Francis V. Rudd, of Holly road, became the bride of Mr. Daniel G. Fisher, son of the Daniel Charles Fishers of Cumberland road, in a Saturday morning ceremony at Great church. The Rev. James P. O'Malley, uncle of the bride, officiated at the marriage.

The bride chose a white off-the-shoulder gown adorned with Belgian applique on the bodice, and with a tulle skirt. Her veil of silk tulle fell from a coronet of matching lace. She carried an orchid on her prayer book.

The honor attendant was Mrs. Philip Toon, and bridesmaids were Martha Donovan and Mary Jean Bridge.

They were officially greeted in period dresses of bon-bon pink and wore boreahair picture hats. Their flowers were bouqs of sweetheart roses with trailing tyes.

Attending his brother as best man was Raymond L. Fisher, and usher was Arthur L. Barclay. Paul V. Reilly and Thomas Fisher, another brother of the groom.

Following a wedding breakfast at the Rudd home, the newlyweds left for a motor trip through New England. For traveling, the new Mrs. Fisher chose a suit in red summer flannel, with navy hat and accessories.

Advice Offered For Arranging Club Programs

Homemakers faced with the problem of planning programs for various clubs to which they belong can plan one or more interesting programs very easily by participating in the "Consumer Speaker" project.

If you are interested in this worthwhile project write to Mary Elizabeth Rudd, School of Home Economics, Michigan State College, East Lansing, for the materials which will send you the forms for reporting group opinions and also suggestions for conducting the meetings.

Topics for discussion for the fall of 1946 and the spring of 1947 include: canned fruits and vegetables; vacuum cleaners; children's snow suits and upholstered chairs. Your group may choose one, two, three or all of the topics.

The "Consumer Speaker" project is sponsored by the American Home Economics Association. It gives homemakers a chance to tell manufacturers what they would like in various commercial products. Their opinions are collected, published and turned over to the manufacturer.

General procedure for conducting the project is as follows: The group is first to hold a group discussion regarding the article and then to write on different characteristics the group feels would be desirable or essential to that article.

This project thus gives you a chance to tell the manufacturer what you want before the product is manufactured. It also gives you a plan a planned program which is not only very interesting but also worthwhile.

Any woman's club, church, society, extension group or service club of any sort is eligible to participate in the "Consumer Speaker" project. You should plan one meeting for each topic you wish to consider.

MRS. HENRY LLOYD GEORGE

Newlyweds Sojourn To Edgewater Beach

The Edgewater Beach Hotel in Chicago is the spot picked by newlyweds, Mr. and Mrs. Henry Lloyd George for several weeks stay following their wedding here on Friday at St. Paul's church. Before her marriage, Mrs. George was Ruth Clara Leibel, daughter of Mr. and Mrs. Ernest G. Leibel, of Oxford road.

The bridegroom is the son of Mr. and Mrs. Henry V. George of Grosse Pointe Park.

For her marriage, the bride chose a ballroom length gown of pale pink lace and also wore a plaid wrap with lace at the yoke. It was fashioned with a fitted bodice and long sleeves, and also worn a flowered turban of matching lace. Her flowers were white orchids and her hair was styled in the gift of her father, the late Mr. and Mrs. John B. Caswell.

Suzanne Brantner, Miss Leibel's only attendant, wore a ballroom gown and hat of blue satin. Her flowers were white orchids. Her bridesmaids were Misses Sally Nickerson and Robert Leibel, who were white with pink accents on the bodice, and carried a baby orchid hand bouquet of peach color.

Hugh Thomas George attended, his brother as best man, and his parents Mr. and Mrs. Robert Leibel, Murray Beers, Robert Bennett, and Jack Eberle, of Chicago.

Following the ceremony, a wedding luncheon was served at the Grosse Pointe Yacht Club.

Young Couple Plan Wedding

The engagement of Corinne McKerry to John E. Millerbach was announced at a tea given by her parents Mr. and Mrs. Hugh McKerry in their home on Nuff road last Saturday afternoon. Miss McKerry attended Pointe-haven at St. Louis, Missouri, and the University of Detroit. Her fiance served two and a half years with the navy during the war. He attended Western Michigan College in Kalamazoo and was graduated from the Detroit Institute of Technology.

Four Easy Ways For Smooth Legs

Smooth legs are a must for the beach or for smart, stockingsless, daytime fashions. McCall's Magazine gives you four easy ways to de-fuzz your legs, in the August issue:

"A little fuzz on your legs? Rub lightly with a round pumice stone, using circular motion first one way then the other on a perfectly dry skin. Always in the same angle for cleanest shaving."

"Like to use liquids? Try a fresh-scented depilatory. Pour some in your cupped hands, smooth on legs. Use enough to moisten hair thoroughly. Prefer creams? Odorless depilatories in tubes have texture of vanishing cream. Squeeze out two inches at a time, spread evenly with a spatula."

Baby Food Firm Marks Earnings

Gerber Products Company at Fremont, Michigan, through its President, Daniel F. Gerber, reports net earnings for the three-month period ended June 30, 1946 of \$822,545.

These earnings represent 148% on sales of \$7,411,490 which were 66% higher than sales for the same period in the previous year.

After allowing for dividends on Preferred Stock the earnings amount to \$1,223 per share of Common Stock.

My Sister Eileen Next For Will-O-Way

"My Sister Eileen" the hilarious comedy will open a two-week engagement at the Will-O-Way theatre in Bloomfield Hills on Tuesday, August 10.

Peg Van Vleet, who originated the name role, will be seen as the sassy Susan Eileen.

Picture YOUR Kitchen with a Kentile Floor

Everybody—yes, everybody is asking for Kentile—for kitchens, basement playrooms, foyer floors! Why? Because Kentile's got everything. It shrugs off dirt...practically never stains or scars. Even takes cigarettes and cooking spills without any permanent signs.

Kentile keeps clean with simple mopping, and bright with an occasional waxing. And if you want smart design—that's where Kentile shines! Laid in tiles (never by sheets), you combine colors, create patterns to your heart's content.

Just ask us for the facts. We've got plenty, plus some play and a willingness to estimate your needs.

Local Lads Lead DBC Crews To Honors In Henley Classic

Two Grosse Pointers, Rich Winkler and John Hutton, were members of the Detroit Boat Club's only winning crew at the 66th Annual Royal Canadian Henley Rowing Regatta at St. Catharines, Ontario, July 28th to 31st. Altogether there were seven locals among the 28 DBC oarsmen.

Winkler and Hutton were the number 2 man and stroke, respectively, of the DBC heavy four oared shell without coxswain, in which they were teamed with Don Garfield and Don Weidman. They defeated crack Canadian and American crews over the mile and 5/16 Welland Canal course to capture the junior and intermediate titles and placed 4th in the senior event.

JOHN HUTTON COACH BOB TOOMEY

They collected 42 of the DBC's 102 1/2 points which enabled the Club to finish in 8th place. Seventeen clubs were represented.

The Henley, America's foremost rowing classes, was dominated by West Side Rowing Club of Buffalo with 270 points.

Little hope for victory was held for the crew stroked by Hutton, but they jumped into an early one length lead over the Argonauts of Toronto and West Side and held it until after the mile marker, when the Argos began to sprint. However the Detroiters matched them and won going away by 1 1/2 lengths in 7:03 4/5, only 3 seconds of the course record for junior fours.

The next day a strong wind whipped the usually placid course as only one crew, the Wyandotte Boat Club, opposed the DBC quartet in an all Michigan contest for the intermediate title. Once again the DBC grabbed an early lead, which they held throughout the race. The time was 7:04 2/5.

With two victories under their belts the youthful DBC foursome entered the senior event against two veteran West Side boats and a St. Catharines crew, but they were unable to make a clean sweep.

Lady Luck refused to smile on Grosse Pointers and their mates in other DBC shells. The senior eight, the feature event of the regatta, developed into a grueling battle between a veteran West Side boat and an inexperienced but powerful DBC crew. The Detroiters coxed by local boy George

Hubbard won the U. S. National intermediate championship 3 weeks earlier. They hung onto Buffalo all the way until the last quarter mile when the Easterners finally pulled away. It was the fourth time Hubbard, a former G. P. H. S. coxswain, had vainly attempted to win the famed Hanlon Trophy.

Hubbard also suffered at the hands of West Side on Friday when he, stroke John Eichenhub and three other members of the heavy 8 finished 2nd to the Buffalo boys in Sr. heavy 4 with coxswain.

The DBC crew averaged over 190 lbs. but were rowing in a light-weight shell, which they sat very low in the water. The course was extremely rough and they shipped a lot of water which slowed them down considerably.

The DBC 155 lb. couldn't seem to hit its stride and failed to qualify for the finals in both the Jr. and Sr. events. Three Grosse Pointers, Bill Queen bow, Jim "Red" Connors' and Dick Ryan cox were in this crew, entered in the Jr. 155 lb.

A minor upset occurred when the Detroit Jr. 145 lb. 4 of which Pointer Bob Tobin, a former GPHS coxswain is a member, won its heat despite the fact Grosse Pointer Jim Ryan their regular stroke was unable to enter the event. Dave O'Donnell who had never stroked a crew took his place at the last minute and did a masterful job. However they finished 4th in the final.

A most heartbreaking event involved this crew on Saturday. Despite their defeat in the junior class they were entered in the senior race. Breaking all usual methods, Coach Bob Toomey made several last minute changes. Ryan was moved to 2 seat, O'Donnell back to stroke and Grosse Pointer Bill Queen was put in 3 seat. With the exception of Ryan, they were all

"Sea Gull" Wins Race

F. G. Ebner's "Sea Gull" breezed across the finish line first in the Grosse Pointe Park Sailboat race last Sunday on Lake St. Clair. His time for the six mile course was 1 hour, 24 minutes, 30 seconds.

Behind the "Sea Gull" came the "Field Sloop" with Yeager and Johnson at the helm. F. M. Miller's "Bounty" followed.

Others finished in this order: J. W. McCarthy's "Defender", E. B. Wellman's "Sloop", Douglas' "Lawley 110", F. McBride, "20 Sloop" and A. Walch, "A Sloop."

Officials reported that another race will be held Sunday, August 8, starting time at 10.30 a.m. Prior to the race a skipper's meeting will be held at the small dock.

junior oarsmen, and not conceded much chance in the Sr. event. However, they jumped into an early lead and seemed to be almost certain victors, when only a quarter of a mile from the finish the West Side crew left its lane and ran into the Detroiters. Before they could untangle, two Leander crews passed them and the DBC boys had to settle for 3rd. Buffalo was disqualified.

Although the DBC won only 2 races and was disappointed in several events, Coach Toomey and Club officials including Pres. Buell Doelle and Naval Board Capt. Rochard E. Dorn, both of the Pointe, expressed gratification for the efforts of the Clubs green crews against North America's top oarsmen. Including the coxswains, only 8 of the DBC oarsmen rowed in the competition before this season.

The victories of the heavy 4 without coxswain are particularly noteworthy because the crew was formed just a month ago and it had suffered from constant interruptions in its training. They are the youngest crew at the DBC averaging only 19 years and were outweighed from 10 to 20 lbs. by the opponents.

Toomey announced Friday that the DBC will close the season at the Central States Regatta at Chicago on Aug. 14 and 15.

VILLAGE OF Grosse Pointe Park

Proposal to Amend Building Zone Ordinance

NOTICE OF PUBLIC HEARING

The Village Commission of the Village of Grosse Pointe Park will hold a public hearing

On Monday, August 23, at 5:30 P. M.

in the Municipal Building at 15115 E. Jefferson for the purpose of considering certain proposed amendments to the Building Zone Ordinance, with a view to adopting the same, subject to such changes (limited to the same subject matter) as may be developed at the hearing. The text of the proposed amendments is set out below.

Wm. G. Stamman VILLAGE CLERK

Text of Proposed Amendments:

SECTION III of the Building Zone Ordinance is proposed to be amended by adding at the end thereof two additional paragraphs, (H) and (I), to read as follows:

(H) NONE OF the following activities shall be deemed to be an accessory use incidental to a private dwelling and none of such uses shall be so carried on in a residence district:

1. Garaging or overnight storage of pickup, panel delivery, or other commercial vehicles or trucks;
2. The storage or maintenance of equipment, supplies, or merchandise for commercial use or sale;
3. The practice of any business, trade, profession, or occupation.

provided, however, that the foregoing shall not be deemed to prohibit a physician, surgeon, or dentist from maintaining an office in his home under the conditions specified in Paragraph (I).

(I) ON MACK AVENUE in a residence district a physician, surgeon, or dentist may maintain an office in his home, as an accessory residential use, and carry on the practice of his profession in his own home under the following conditions: the professional entrance is on Mack Avenue; the floor area set aside for such activity is not more than 900 square feet, nor more than one-third of the aggregate first and second floor area of the residence (garages being excluded); and, the activity is not carried on in a structure separate from the residence, nor in a wing unless at least one-third of the wall of such wing is common to the remainder of the residence. Those offices of a physician, surgeon, or dentist established in a residence district on streets other than Mack Avenue and under a residence building permit issued prior to January 1, 1947 shall be deemed to be non-conforming uses and shall not be enlarged or materially altered; after such date no new offices of a physician, surgeon, or dentist shall be established in a residence district on streets other than Mack Avenue. In the case of every such office in a residence district (wheresoever located and whensoever established), the professional activities shall be limited to outpatient treatment, only one physician, surgeon, or dentist shall practice in such office and then only if he is the occupant of the residence to which the office is accessory (or temporarily substituting for such occupant).
