**Express 'Thanks' To J.B.'s Friends**

Survivors of Mr. J. B. Edwards, 63, 1265 Bedford who died last week, would like to express their appreciation to their many friends for their kindness and sympathy for their recent loss.

Besides his widow, Mrs. Edwards, the deceased is survived by a daughter Mrs. Arthur F. Maritz Jr., three brothers, Claude, Frank and Howard; one sister, Mrs. Helen Kilborn, and two grand children.

A native of Chester, Pa., Mr. Edwards or J. B. as he was widely known, came to Detroit to rise to a top executive position with Soco Oil Co. He retired as vice-president seven years ago.

A member of the Bayview Yacht Club, he was a very active boatman.

**Charles Edwards Killed by Bullet**

Grosse Pointe was shocked to hear early Tuesday of the fatal shooting of young Charles W. Edwards, 20, of 93 Merriweather road.

The youth accidentally ended his life Sunday night at Yosemite National Park, Calif., when he was showing an "unloaded Pistol" to a girl friend. He kiddingly insisted that the girl point the gun at his head and pull the trigger. She obeyed and a bullet struck Charles in the temple. He died a few minutes later.

Police said that although the clip had been moved, apparently one shell remained in the chamber.

His mother Mrs. George Bethune Duffield, returned to Grosse Pointe from Martha's Vineyard, Mass. to complete funeral arrangements for Thursday.

Charles was spending the summer touring the west with Sidney T. Miller, 18, of 248 Provincial road, who reported the mishap here.

**Supervisor Schweikart Is Versatile Administrator, Bids For County Clerk**

Editor's Note: This is one of a series of articles about Grosse Pointe personalities bidding for public office in the November election.

CARL SCHWIEKART

When astrologers listed people born in June as being more or less of the "club type" who belongs to all type of organizations, they didn't know Grosse Pointe's Township Supervisor Carl Schweikart, now running on the Republican ticket for Wayne County Clerk.

While definitely not having been born in June, nevertheless Mr. Schweikart possesses an amazing ability of belonging and being an active member of so many groups that he finds it difficult to add them up, himself.

In his official capacity as Chairman of the Wayne County Board of Supervisors, alone, he is ex-officio member of all the committees belonging to that group.

Yet his was the first nomination in Wayne County filed for candidate in any office. And he believes himself fully qualified for the County Clerk office because of his background experience in so many other positions, and because he knows "quite a bit" about the office.

"I do plan to make some improvements in the office which I think is necessary, should I be elected," Schweikart declared. "For one thing, I think that the employees certainly can be given a course in courtesy. The attorneys who file papers there could be treated better, and the general public who comes into that office should be given more consideration, also. From my own experience in that building, I believe that I can make a lot of improvements in the office."

Schweikart began his political career in 1930 as a Republican state delegate, then going from National delegate to the appointment of assistant prosecuting attorney for five years.

This was followed by the position of legal adviser to the Liquor Control Commission of Michigan for a year, then several more years in the capacity of Township Clerk in Grosse Pointe, which led to his present office of Township Supervisor which he has held for the past five years.

Besides his many business duties, Schweikart manages to find time to enjoy family life with his wife and two sons at their Nottingham Road residence, and participate in various civic and sport groups.

He is a Past President of the Grosse Pointe Lions Club, member of the Law Fraternity, Detroit Yacht Club, Detroit Sportsmen's Congress, Ducks Unlimited; member of the Defer School PTA, di-

rector of the Grosse Pointe War Memorial Association, and Chairman of the Grosse Pointe Good-fellow drives for the past five years.

"Outside of that I don't have much to do," he laughed, "except to go fishing and hunting once in a while when my wife lets me."

"Well, someone had to do it," was his explanation for his participation in all these affairs. "There would be no organization if everyone turned it down, so the only thing to do is try and do your best and hope you're successful."

A telephone call then interrupted the interview, someone was seeking information about draft registration. You see, Mr. Schweikart is chairman of local draft board 87 too.

**MEAT** Remove restrictions on purchase of Canadian and South American meat. Large quantities are available at low prices.

**POTATOES** Stop government purchase and destruction of potatoes. Right now our government is buying millions of bushels to keep prices high.

**EGGS** Stop government purchase and hoarding of eggs. Stop killing of egg-laying hens on government order. Some 5,000,000 eggs have been taken off the market in the last 18 months through government price support purchases. Many of these have spoiled in storage.

**BREAD** Stop government purchase of grain crops to keep prices artificially high. Grain is plentiful—record world crops are predicted for 1948. Only government controls keep bread prices high.

She posted a 1.25 average for the term.

Miss Prevost was graduated from Grosse Pointe High School in 1947. She is a freshman.

**Sherman Fights Food Prices**

DETROIT—Record world crops will bring little relief from high food prices, predicts Arthur G. Sherman, Republican candidate for Congress, in the 14th District. Legislation which compels the government to buy agricultural products stands in the way, Mr. Sherman explains.

Right now the government is taking potatoes, eggs, wheat and corn off the market for the sole purpose of making these commodities scarce and keeping their prices high. If the purchases were for foreign relief, we would willingly suffer the increased prices, Mr. Sherman says, but such is not the case.

The first step in cutting food prices is to remove these government price props and discontinue subsidization of farmers with the consumers' tax money. Mr. Sherman seeks election so he can fight in Congress against this program.

### Miss Sickles Becomes Bride

SHIRLEY RUTH SICKLES, daughter of Mr. and Mrs. Ralph Gordon Sickles of Grand Marais Blvd. and Frank Glosner Ryder of Hanover, N. H., exchanged nuptial vows Saturday afternoon in Christ Church, Grosse Pointe.

The bridegroom is the son of Mr. and Mrs. William Ryder of Menlo Park, Cal.

The bride wore a white marquisette gown, fingertip veil attached to a tiara of fresh daisies and stephanotis to match the bouquet she carried.

Barbara Sickles was her sister's maid of honor, and the bridesmaids were June Retzlaff of Grosse Pointe and Mrs. James V. McGoodwin and Mrs. William M. Beaney, both of Ann Arbor.

William M. Beaney was best man. Ushers were Donald Lauer, James McGoodwin, David Killins and Joseph Ermenc.

A reception was given at the home of the bride's parents.

Members of the Grosse Pointe Motion Picture Council met last Wednesday to complete plans for their fall Fashion Show at the Woods Theatre on September 13. In the group above from left to right in the back row are Mrs. Daniel Wells, publicity chairman; Mrs. Blunt Slade, poster chairman; Mrs. Joseph Murphy, fashion show chairman; Louis Merick, ticket chairman. In the front row from left to right are: Mrs. Daniel Hembel, president; Grant Wilcox, Jr., Mrs. Robert Schaller, Mrs. Stanley Lindow, and Mrs. John Kolpacky, co-chairman.

### Group To Form New Colony

Twenty women will meet Friday, September 3 at the Women's City Club for the purpose of organizing a new colony to be known as The Grosse Pointe Colony of the National Society of New England Women. All twenty have established eligibility for membership in the society, such eligibility consisting of descent from one or more ancestors born in New England prior to the year 1789.

Preceding the meeting Mrs. Edward A. Davy, of Balfour Road, will preside over a luncheon scheduled for 12:30.

Speaker for the day will be the Organizing Secretary General of the national society, Mrs. Edward J. Savage of Yorkshire Road.

Among those present will be Mrs. Lloyd DeWitt Smith of Grand Marais, Grosse Pointe, who is expected by popular acclaim to be elected the first president of the new colony.

### Council Studys Plans For Fall Fashion Show

Arrangements were being completed for the Fall Fashion Show of the Grosse Pointe Motion Picture Council, following a luncheon meeting at the home of the president, Mrs. Daniel Hembel, of Rivard Blvd. Committee chairmen made progress reports.

The Fashion Show is to be held Wednesday, Sept. 22 at 1:30 p. m. at the Woods Theater, Mack near Moross. There are to be approximately 75 valuable door prizes. The money raised is to be used for buying educational motion picture films which will be kept at the Pierce Junior High School Library for loan to Grosse Pointe civic and educational groups.

### Strawhatters In Benefit Play

Under the direction of Sally O'Connor of Grosse Pointe, the Liggett Straw-Hatters will present its first public production. A three-act comedy, "Ask Me For Tomorrow" will be presented this Thursday evening in the Liggett School auditorium, Burns at Charlevoix, Detroit.

The Straw-Hatters, a club formed for drama students who wanted to keep up with their stage work during the summer, met five days a week from 9 o'clock to noon five days a week to prepare a show.

The proceeds of the performance will be given to Percy Jones Hospital.

Headlining the show are Pat Texter, who plays the heroine, Mimi Robn, her domineering mother, and Cynthia Keydel.

Miss O'Connor, who teaches dramatics at Liggett, is the daughter of Mr. and Mrs. Jack O'Connor of 1250 Grayton.

### Starret Urges Study of Records

Howard Starret, candidate for Congress in the September 14th election, today received the support of the 14th District McKinley Republican Club whose president, Richard T. Clifton, residing at 10712 Beaconsfield, stated: "Before we decided to support Howard Starret, we investigated the field and decided on Starret because he has already successfully handled seven public positions of responsibility."

1. Starret served as committeeman on the national Conference on Home Building and Construction appointed by President Herbert Hoover.

2. A mayor of the city of Detroit appointed Starret chairman of the Small Depositors Committee.

3. Starret served as State Re-employment Director of Michigan.

4. The House of Representatives in Congress appointed Starret chairman to investigate the purity of elections in Detroit.

5. Starret served as Research Engineer for the United States Department of Commerce.

6. Appointed by the United States Department of Commerce, Starret served as Research Engineer for the University of Arkansas on low cost home experimental work.

7. Starret was appointed by the War Department to Chief Research Engineer, Construction Division.

Further we support Starret for Congress because he is a veteran of both wars and a disabled American veteran of World War II."

### Sherman Says End Meat Shortage

DETROIT.—Large quantities of meat are available for United States purchase in South America. Tariffs, designed to protect American meat growers, stand between this meat and the consumer's dinner table, says Arthur G. Sherman, Republican candidate for Congress in the 14th District. Yet tax money is being spent to buy billions of pounds of this meat for the Navy and shipment abroad. If it is good enough for them, it is good enough to relieve the meat shortage here, Mr. Sherman says. Elimination of these import barriers are urged by Mr. Sherman.

"Butter, Meat Price Cuts Found Too Thin to Help Housewives, Despite Statistics" is heading for story on food page of New York Times, July 23rd.

### Married In Woods Church

Friday evening, August 20, at a candlelight ceremony in the Grosse Pointe Woods Presbyterian church, Eileen Beever, daughter of Mr. and Mrs. Albert Beever of Hunt Club Drive, became the bride of Calvin Plummer.

Miss Beever's wedding gown of white crepe was simply fashioned with a high neckline trimmed with a tiny collar, and a long full skirt. Her headpiece was a crownlet of white fallies. She carried a satin covered Bible adorned with gardenias and stephanotis.

Mrs. R. F. Smith, matron of honor wore a blue taffeta gown with a marquisette yoke. Her flowers were American Beauty roses.

The tiny flower girl, Carolyn Smith wore a long white taffeta gown and carried a nosegay of pink rosebuds.

Mr. Louis Plummer, Jr., brother of the groom served as best man. Ushers included Sanford Plummer, another brother of the groom Robert Donald and William Beever, brother of the bride.

A garden reception at the Beever's residence followed the wedding. Following a two week motor trip through northern Michigan the young couple will reside on Chicago Blvd., West.

NIGHTY-NIGHT TIME — Curvaceous Elizabeth Ames, of ABC's "Break The Bank" program, models an Odette Baras Original bou-doir gown of satin, which features a princess line with a sheer shirred top. Elizabeth is the paymistress of the ABC quiz show.

### Marks 61st Birthday

Mr. Sidney J. Bockstanz, of 1320 Grayton road, celebrated his 61st birthday last week-end at his summer home in Algonac, Michigan.

Birthday festivities were combined with Mr. Bockstanz' annual company picnic, and well over fifty Detroit and Grosse Pointe residents were present throughout the entire day.

Refreshments and food were supervised by Mrs. S. J. Bockstanz, who was aided by her daughters-in-law, Mrs. John Bockstanz, of 856 Nottingham, and Mrs. Bruce K. Bockstanz, of Buckingham road.

### Navy To Enlist 500 Wave Officers

The Navy Department has announced that a total of 500 Wave officers will be appointed commissions in the Regular Navy, as authorized by the Women's Armed Services Integration Act, during the period June 12, 1948, to June 11, 1950.

They will be allocated to the Line and Staff Corps as follows: Line, 368; Medical Service Corps, 75; Supply Corps, 44; Medical Corps, 11; and Dental Corps, 4. A total of 418 Wave officers were on active duty on July 1, 1948.

### OIL IMPORTS UP

For the first time in 25 years imports of oil into the United States during 1948 will exceed exports, Kenneth W. Cunningham, Sun Oil Company, chairman of the Michigan Oil Industry Information Committee, announced today.

### Jean E. Luxan Plans Wedding

September 18th is the date chosen by Jean E. Luxan for her marriage to Mr. James F. Ulrich. Following the wedding ceremony in St. Ambrose Church, a reception will be held at the Whittier.

Miss Luxan is the daughter of Mrs. Alta E. Luxan of 1092 Beaconsfield, and Dr. Howard J. Luxan of Montpelier, Ohio. She is a graduate of the University of Michigan, and a member of Alpha Gamma Delta sorority. During the war and following, she served with the American Red Cross in India, the Philippines, and Okinawa.

Mr. Ulrich is the son of Mr. and Mrs. Frank J. Ulrich of Maywood, Illinois. He is a graduate of Northern Illinois State Teachers' College, and served three years as a naval officer during the war. At present, he is a member of the faculty of Arthur Hill High School in Saginaw, where the couple will reside after a brief honeymoon trip in Northern Michigan.

### Tony Weitzel Begins Program On WJR

"Brunching with the Weitzels", new Saturday feature with Tony Weitzel, veteran newspaperman and man-about-town, and his charming wife, Dotty, will premiere on WJR, Saturday, August 21st, 10:00 to 10:30 a.m.

Format of the program includes informal tableside chats with celebrities visiting the Motor City, discussion of timely topics with experts or civic leaders, and interviews with unusual people in the news.

NEW DEANS

Appointment of three new deans, and the addition to the faculty of a distinguished Jesuit educator has been announced by the University of Detroit.

### Four New Staff Members Join "Y"

Four new staff members will begin work with the Young Women's Christian Association of Detroit in September according to Mrs. Kina Collins, 757 Westchester first vice-president of the Metropolitan Board of Directors and chairman of the personnel committee. The four are replacing staff members who resigned for marriage or post-graduate study.

Three of the newcomers will work at Central Branch: Mrs. Phyllis Dulich, as assistant health education director; Dorothy Lenore Koontz, assistant teen-age program director; and Mary Alice Smith, assistant program director in the business and industrial department. To Highland Park Branch will come Marilyn P. Beth Muller as assistant teen director.

More Vegetable Gardens than 1947 was indicated in the final turns of the National Garden Statute survey started in June. Reports from extension workers, company garden chairman, garden editors and other leaders from 40 states. A number of states sent in several reports that there was a good sample of almost the entire country.

### Advance Enrollment

Local authorities urge parents to enroll in the Grosse Pointe Public Schools for the fall term this fall to enroll during the week of September 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30 through September 30. Principals will be on duty that day. Hours for this advance enrollment are 1:00-4:00 p.m. It is essential that any new student who expects to enroll in the Grosse Pointe Junior or Senior High Schools be prepared to file transcripts covering school work completed in other schools. Transcripts of credit are necessary for new elementary school pupils but parents or pupils should bring with them written evidence of child's grade classification. School authorities point out that lack of such information will seriously interfere with efficient and prompt enrollment of new pupils. Parents are urged to bring or send birth certificates to the schools as an official record in the enrollment of new children.

Parents of new Kindergarten children are especially strongly urged to take advantage of this enrollment opportunity. Superintendent J. R. B. Smith said, "Failure to use this opportunity may result in considerable confusion and annoying wait periods for both children and parents on the opening day of September 9," said Mr. Smith.

### Naval Reserves Academy

Encourage enlisted members to enroll in the Naval Reserve Academy. The Bureau of Naval Personnel has modified the qualifications to include men who are not in the "Volunteer Reserve" category.

Only Organized Reserves are eligible. Under the new provisions, Volunteer Reservists, of whom there are hundreds in the local area, who performed at least 14 days of training duty in the last year may become eligible to take competitive examination for appointment to Annapolis as midshipmen.

### Little Late, But May Be Handy

A new pamphlet for Michigan's motorists, "Michigan Wishes Well," has been prepared by the State Department of Health and is now available from local health departments and tourists throughout the state. The pocket-size folder contains information for protecting and maintaining good health while vacationing. Copies of the pamphlet, stop by the local health department or write to the Michigan Department of Health, Lansing, Michigan.

**U.S. MAIL BAG**—BAG empty mail bag, found by Ed Huhey, of Detroit was sent to postal officials by the Police. Huhey said he found the bag on Lakeshore road.

**ANNOUNCE PARTY**—The Gowanus Golf Club announced a Ladies' Party to be held at the club on September 1. Hostesses: Mrs. O. P. Noe, Mrs. Jene Scott, Rita Jessop, Marge Smith, and Jean Smith.

### Sherman Says Inflation Harms People on Fixed Incomes Most

**TROIT**—Persons living on fixed incomes suffer most from the effects of inflation, according to Mr. G. Sherman, Republican candidate for Congress in the 14th district. The federal farm price support program, designed to keep prices high, is especially hard on widows and their children, on old people dependent on insurance payments and on Mr. Sherman says.

### WHYTES ENTERTAIN

Richard B. Smith Photo

MRS. RAY M. WHYTE, of Oxford road, is shown with her guests, MR. AND MRS. JOHN L. DRUMMY, of York-shire road, at a recent Sunday buffet supper given by the Whytes. The Ray Whytes, who are popular with the Grosse Pointe young married contingent, have entertained with a series of outdoor parties this summer. Last week's affair was given to celebrate Mr. Whyte's 42nd birthday.

### Canning Exhibits To Mark Horticultural Program

An interesting section of the 32nd Annual Flower, Fruit and Vegetable Show of the Grosse Pointe and Eastern Michigan Horticultural Society will be devoted to home canning. The show will be staged Saturday and Sunday, September 11th and 12th at the Neighborhood Club, 17145 Waterloo at St. Clair, City of Grosse Pointe. The schedule committee for home canning is composed of Mrs. John Heshup, chairman, assisted by Mrs. Ernest Binning, Mrs. Roy G. Berry and Mrs. Ben Nankervis. First and second prizes will be awarded for the best collection of each of the following: Jelly, jams, marmalades, preserves, butters, fruits, pickles, vegetables, dried herbs, and herb vinegars.

Copies of schedules with details, re-collections and rules governing same can be obtained from William P. Thomas, Gen. Show Secretary, 5231 Galeshead, Detroit 24 (phone TU 2-4635) or from the Neighborhood Club.

### Tells Of First House Trailer

That invention often grows from necessity is borne out by the experience of Arthur G. Sherman, Republican candidate for Congress in this district, when he developed one of the first house-type trailers back in 1928. Mr. Sherman is generally recognized to be the leader of this industry.

"Ralph, one of my sons, had a severe allergy to rag weed," Mr. Sherman explained. "This meant that the last two weeks in August each year was when we took our vacation, and we always headed north. Taking five small children on a two week camping trip is not too easy a task, and cars in those days were not the comfortable chariots we know today," he laughed. "At first we experimented with simple tents. They leaked, they tore, and in general were unsatisfactory. Next, we got a tent-trailer. This was a slight improvement, but still not too good. Gradually I began toying with the idea of making a permanent trailer home that we could tow behind the car. The night we were forced to pitch our tent in a farmer's meadow and a cow nearly knocked it over while mooing over my wife's head through the window convinced me.

"The next winter, in my garage on Ashland, the first Covered Wagon took shape. The following summer it proved a success on the road," Mr. Sherman said. "Pretty soon I was making some for my friends, and had to branch out into larger quarters—and so an industry was born."

The Covered Wagon plant, located for many years on East Jefferson near Hart, was eventually moved to Mt. Clemens. During the war, truck bodies were made for the government. Because of other business interests, the Covered Wagon was sold at the end of the war.

Food Index hit a new high of \$7.36 on July 13 according to Dun & Bradstreet, New York. "Price of Meat at Record High," and "Pinch in Meat Supply to be Tighter by Fall" are typical headlines from the "Food Field Reporter." "Food Shortages Cited in Pleas to Plant More Vegetables Now" is headline for story by J. W. Johnson, Horticultural Editor, New York Herald Tribune, July 25.

**REPORT THEFT**—William Palmer, 302 Washington road, reported to City Police the theft of auto accessories from his car while it was parked near his home.

### 27 New Teachers At G. P. Schools

Twenty-seven new teachers will be on duty when the school year opens for the public school staff on Tuesday, September 7. Twenty-two of these new teachers are assigned to elementary schools.

All members of the public school staff will take part in a two day planning conference on September 7-8. Conference groups will meet in the High School building on Tuesday, September 7. Because of these working conferences, all school offices and all public libraries will be closed all day Tuesday. All school employees will be at work in the schools to which they were assigned on Wednesday, September 8, doing the necessary preparatory work to insure that all schools will be ready to start the following day with maximum efficiency.

"We have found these planning conferences very valuable in promoting staff morale and efficiency," remarked John R. Barnes, Superintendent of Schools. "The plan was first tried in September 1942 and has been continued without interruption since that time. Many of the best school systems in the country are now using this method of improving school efficiency."

### Garden Show To Include Junior Set

Grosse Pointe and Eastern Michigan Horticultural Society's 32nd Annual Flower, Fruit and Vegetable Show on Sept. 11 and 12 at the Neighborhood Club will include again this year a "Junior Victory Gardeners Section."

Children of this community between the ages of 8 to 14 are invited to compete in five classes. Vegetables entered must have been grown by exhibitor either on a registered Victory Garden plot or in own home garden.

First, second and third prizes will be awarded in each class and where merited special or honorable mention.

All exhibits must be in position for judging by 12 noon Saturday, September 11.

For additional information apply to Miss Pauline Masak of the Neighborhood Club.

The five classes are:  
1—Best dish of any vegetable. Three or one kind.  
2—Best collection of vegetables arranged in a basket. Variety and arrangement to count.  
3—Artistic arrangement of flowers in bowl or vase. Any foliage.  
4—Miniature arrangement. Container to be not more than 5 inches in width and 5 inches in height. Originality to count. Any foliage.  
5—Best collection of wild flowers. Each specimen to be marked with common name.

### MONKEY BUSINESS

Here's a new angle—"Monkey bites boy!"

Joe, a pet African ring-tail monkey owned by Leon Klein, 72 Mapleton, went on an unchaperoned stroll of the Muir Road area, and when John Henniss, age 5 of 123 Muir tried to take him for a tour of his neighborhood, Joe rebelled and bit him on the right hand.

"Joe wouldn't bite you as a dog would, but his sharp teeth will scratch you," explained Mr. Klein.

It seems that young Johnny will think twice before trying to take any kind of monkey for a walk again.

War Clouds hovering over Europe make uncertain what would otherwise be a cheerful season. Crops are good generally, and except for meat, food prospects are favorable. One Washington news letter asserts that a poll of Capital bigwigs indicates war chances as 50-50. Since then Russia has shown signs of being willing to negotiate.

### McDonald Cites Necessity For Primary Voting

In a message to the voters of the 14th District, Claude G. McDonald, Republican nominee for Congressman in 1942 and 1944, and candidate again this year, stated: "It is impossible to stress too strongly the importance of voting in the Primary election, Tuesday, September 14th. There are about 200,000 registered voters in the 14th District, one of the largest and most important districts in the United States, both in population and in the size and number of industrial plants it contains. The vote in the Primary hitherto has averaged only about 20% of the total registration. This indicates a deplorable lack of interest and civic responsibility on the part of the voters and also permits an organized minority to nominate someone not properly qualified to be a Congressman. The result is that the voter must vote for an inferior candidate in November if he wishes to vote a straight ticket, when he might have evaded this by selecting the right man in the Primary."

A successful Detroit businessman, Claude G. McDonald has resided in the District for many years, and has always taken an active interest in civic affairs. He is an overseas veteran of World War I and was formerly in the building and real estate business. For the past 25 years, he has been in the investment banking business in Detroit, and is now an active partner in the firm of The Higbie McDonald Co., with offices at 2408 Guardian Bldg.

An indication of McDonald's popularity with the Republican voter may be gathered from the fact that in the election of 1944, more votes were cast for him than for any Republican Congressional candidate who has ever run in the 14th District. Claude G. McDonald was not a candidate for Congress in 1946, when the present incumbent was elected, because of circumstances which made it impossible for him to enter the field.

The goal of 20,000,000 Freedom Gardens as set by former Secretary Clinton P. Anderson may not be reached, but a larger yield than in 1947 would seem to be indicated and perhaps the greatest yield of any peacetime year. The home hoers have done well!

The familiar saying "A-1" originated with the famous insurance firm, Lloyd's of London. The World Book Encyclopedia states that Lloyd's rated ships according to how safe they were. If a ship was considered a good risk, Lloyd's rated it "A-1."

SCHOOLS ATTRACT VETS  
Colleges and universities have attracted nearly 60 percent of the World War II veterans who are enrolled in educational institutions under the GI Bill and Public Law 14.

Vegetable Growers Association of America, Inc. points out that "there are 2,500,000 fewer people on farms than we had in 1941. But during the same time, our non-farm population increased by 12,500,000 people. Our per capita consumption of food is 16 percent above prewar. Our population has increased over eleven millions since that time. So demand is high and, with greater national income than we ever dreamed of in this country, people are bidding against one another for food items."

### "Little Man" Now Provides GOP Funds

At the first meeting of the Michigan Republican State Central Committee following the Republican National Convention in Philadelphia last month, John A. Wagner, State G.O.P. Chairman, said, "Times have changed in recent years with regard to Republican Party finances."

"Several years ago," Mr. Wagner said, "in order to put the raising of Party finances on a business basis, our united drive for funds was inaugurated. Our State Central Committee selected Mr. Arthur E. Summerfield of Flint, our National Committeeman, as Finance Director. He, in turn, appointed Mr. Henry Whiting of Detroit as his assistant."

"The raising of our Party finances, under their direction, has changed the picture," the State Chairman declared, "from one wherein funds were raised by a few contributors sending in large amounts, to the present set-up which provides that upwards of 60,000 contributors send in small amounts with no strings attached."

"Under this system," Wagner pointed out, "the books of our State committee have been audited annually and the reports distributed among members of our Party. I am therefore able to say that to my knowledge, our Republican State Central Committee has never, during my three and a half years as Chairman, accepted any contribution by a corporation, or any contribution in violation of any law."

Pointing to the value of the broadened base of contributions in the united drive, Mr. Wagner said, "The small contributor has no axe to grind. All he wants is for the Party to do a good job—the kind of a job that spells Good Government."

"And that," the State Chairman concluded, "is not only Good Government—it is also Good Republicanism."

On The Bright Side it is recorded that "New York is to have a County Fair, the First Here is Half a Century." This will be held Sept. 17 through 27 at the Museum of Science and Industry, 30 Rockefeller Plaza. Although correct in the strict sense, New York has had a series of little county fairs every year, held by such organizations as Shell Oil, Royal Insurance Group, Time-Life, Federal Reserve Board Club, Bankers Trust Company, etc. But this new fair seems to be official.

**Optimists Beat  
Kiwans 25-14**  
The Optimists Club continued to show that they are the team to beat for the title in the Pointe Junior Baseball League when they racked up a 25-14 score over Kiwanis last Sunday.  
After grabbing top honors in the initial half of the season, the Optimists have extended their winning streak to five wins against no losses in the second half.  
Next Sunday finds the Optimists paired with Metropolitan at Kerby Field, and the Lions with Kiwanis on the Neighborhood Club grounds.  
Other contests last week saw Metropolitan and the Lions split a double header. The Lions took the opener 5-4, and Metro won the night-cap, 5-4.

**Seeks Uniform  
Law Enforcement**  
Juvenile delinquency is more than just a single municipality problem, Henry W. Piel, Republican candidate for sheriff, asserted today.  
Piel, former Grosse Pointe Park police chief said that only by county-wide cooperation and enforcement could juvenile delinquency be combated.  
"It does no good," said Piel, "to have Detroit establish a midnight curfew if juveniles can step across the city limits into a village or municipality without adequate laws."  
Piel says that if he is elected as sheriff of Wayne county, one of his immediate acts will be to coordinate county-wide efforts against juvenile delinquency. "No longer should communities in Wayne county have to combat this lawlessness alone," says Piel.

**STRIKE-OUTS COSTLY

**Health Check-Up Recommended**

Public school and Health Department officials again urge parents to have their children given a careful physical examination prior to the opening of the school year. Past experience has proven that this check-up is highly desirable, since in many instances it reveals minor health problems which can be more intelligently dealt with by both parents and teachers if the facts are definitely known when school opens.  
The regular hours for the different grade levels of the school system are as follows:  
Elementary Schools — (Grades Kindergarten through Six) Morning Session—9 a.m. to 11:45 a.m. Afternoon Session—1 p.m. to 3:45 p.m.; Kindergarten children of course attend only on half day of school.  
Pierce Junior High School — 9 a.m. to 11:45 a.m. and 1 p.m. to 3:45 p.m.  
Senior High School and Brownell Junior High School—8:30 a.m. to 3:20 p.m., with a rotating system of lunch periods so that the noon period will be different for some pupils than it will be for others.  
In another section of this paper the important days, vacations and holidays of the school calendar are listed. Parents are advised to clip this calendar and keep it for future reference so that they will know the definite holidays to anticipate.  
**Nagler To Describe Titan's Grid Battles**  
The combination of Al Nagler, top Detroit sportscaster, and station WJBK will headline the University of Detroit's fall football season for the third consecutive year. Clay Dopp, assistant WJBK sports announcer, will handle color.

**Pointe Nine  
Continues Bid  
For Legion Title**

Grosse Pointe's American Legion ball club still remains a serious threat as they bid for the Metropolitan Detroit League championship.  
"In three weeks of play, Grosse Pointe stands in second place in the play-offs with a record of three wins and one loss.  
The local team suffered their first defeat of the finals at the hands of Learned Post last Sunday afternoon at Belle Isle. Harry Edsall was charged with the 5-1 loss. The local men made four errors. The first score came in the third inning for Learned. In the fifth, Grosse Pointe scored its only run on the result of a double by Russ Gregg and a squeeze play led by Edsall.  
Gregg collected four hits for four times at bat which boosted his year's average to .308. In the sixth, aided by two errors, the Learned men collected three runs and later on in the ninth racked up another score. Four of Learned's five runs were unearned. John Schuett pitched the win over the Pointers.  
Last Friday, the local athletes gathered in their third win of the play-offs when they won a tilt as a result of a forfeit.  
Early in the second inning the Hamtramck shortstop Ted Worracki was hit with a sharp ground ball. He was taken to Ben Secours hospital where doctors set his broken nose. In view of the fact that Hamtramck had brought only nine players to the Neighborhood Club field, the umpires called the game a forfeit win for Grosse Pointe. Bill DuRoche, coach of the local men, suggested that he lend one of his men to the other team. With the aid of Bill Duffy, the visitors took the ballgame, 3-1. Officially, though, Grosse Pointe collected its third win of the play-offs.  
Early last week, the locals were rained out in a tilt with the Learned Post. Learned led their opponents, 4-1.

**"IT'S A PRIZE WORTH SHOWING OFF"**

Duane Streb, 452 Touraine, this week's "Sandlotter of the Week" shows his Tiger-autographed baseball award to Dr. W. J. Tuttle, president of the Optimists Club. Duane was named because of his outstanding hurling for Optimists' baseball team in the Junior Baseball League.

**Optimists' Pitcher Named  
"Sandlotter of the Week"**

This week's "Sandlotter of the Week" award goes to Duane Streb, 15. Potent hurler of the Optimist Club his pitching has greatly helped the Optimists hold first place in the Junior Baseball League.  
"In the tenth, with a man on second, Duane punched a single that scored what proved to be the winning run." (The Optimists won the ballgame, 6-5.)  
As for future plans, this pitcher would like to go into the big leagues. He is working on improving his pitching style this year in the attempt for the big jump into bigger baseball circles.  
Duane is interested in all sports at his high school and has won a varsity award in baseball. Duane was awarded a baseball with all the Tiger autographs, recently.  
This week closes the presentation of the "Sandlotter of the Week" award for this season.  
NO DAMAGE  
Woods Fire Department was called to a small fire on a Detroit Dump truck near Mack and Anita Monday. The rubbish was burning.  
He boasts a pitching average of .667 with four wins and two losses for the season.  
Duane has done a good job to prove the old maxim "pitcher's can't hit" to be false, for he hits near the .300 mark himself.  
"The thing that makes him outstanding as a ballplayer", ventured Bassinger, "is that he won't quit. It was just last week that he won his own ball game within three innings! Early in the seventh inning, he balked a run home—a run that put the Lions out in front. The Optimists then tied up the score to put the game into extra innings.

**ANNOUNCES PLAY**  
Robert F. Hampton Productions have announced the first play of their 1948-49 season. This will be "First Lady" by Katharine Dayton and George F. Kaufman, a satire on Washington society during an election year. It is especially timely since it is being played five weeks before our national election. It will be presented October 1 and 2 at the Detroit Institute of Arts Theater.
