RECORD THROWING AT FIELD DAY

POINTE PARAGRAPHS

According to reports when Gold racer Guy Lombardo returned to his band at a New York City, among the first numbers played was "I've Got a Feeling in My Feet."

The Park Council might do well to study the village case which the Circuit Court recently rendered concerning commercial activity in private homes.

Judge Thomas Murphy ruled against the complainant from Lincoln road who sought to stop a neighbor from parking a commercial vehicle in his garage.

The judge said that any person should be permitted to use his property for business purposes as long as it did not create a nuisance.

L. Potter, of the Grosse Pointe Rotary Club sent post cards to members that the club's flag league will get underway September 10 at the Woods Recreation.

Meeting of captains was scheduled for his home at 631 Barring road Thursday, September 2, 7:30 p.m.

Among the locals who watched Gold Cup races from the decks of the U.S.S. Mackinac was Shir Warner, Norb Neff's girl friend at the City office.

Shirley and her group, who found it to bring any snacks along with things rather uncomfortable and the sun stroked ship until friendly sailor saved the day with some iced fruit.

The Detroit Yacht Club was reported to be crowded during the Gold Cup Regatta, one of the sardines on the buffet table wanted to get back in the can.

Draft board chairman Carl Schweikart said that most of the men registering did not indicate any bitterness about reporting again for possible military service.

They wanted to get in, get their names down and get out," the chairman stated.

LEGAL HOLIDAY CLOSURES OFFICES
The Grosse Pointe Bank, Draft Board 87 and all municipal offices will be closed Monday, Sept. 6.

Though the office of the Review will also be closed, the same Tuesday 5 p.m. deadline will remain for all news and classified ad copy.

However news contributors, publicity chairman, and advertisers are urged to get their information in as soon as possible and avoid last day inconveniences.

There is a special mail box at the door of the Review's office, 15121 Kercheval which assures safe delivery of copy at all hours.

Remember?
Twenty years ago in a letter to the editor, Alfred Garska, president of Grosse Pointe Village, sends the warning of the approaching hunting season of the use of firearms in the village.

Twelve years ago Kercheval Avenue is to have Jitneys. The proposed route is to Altar road to Mt. Elliot, thence Congress, Bates and Cadillac.

Five years ago J. Nelson McNally is a strong contender for Court Commissioner in the coming elections.

Paul M. Aiger, Jr., finishes a year's work of campaigning for the Republican nomination for Congress in the 14th district.

The Elaine Arndt School of Music finishes its seventh successful year of instruction.

Five years ago Representative Louis Rabaut announces his nomination for appointment to West Point as Thomas G. Tyree.

Leon James N. McNally suffered a broken arm while on a tour of inspection at the naval base at Atlanta, Ga.

One year ago Bell Telephone announces the resignation of Alfred B. Chapman, District Manager, to Assistant District Manager.

VETERANS RETURN TO DRAFT BOARD

S. C. Burr Photo

While other localities stumbled along in getting their draft registration underway Monday, the Park municipal building office of Draft Board 87 functioned smoothly. Among these who are included in the draft age bracket 18 to 25 is this group shown with board officials. From left to right they are Don Kelly, 905 Balfour, H. D. Sullivan, board official, Al Kelly, William Johnson, chief registrar (standing) Carl Schweikart, board chairman, (seated) Bob Beaupre, 323 Ridgemount, and Tom Kelly. The Kelly brothers are all veterans. Draft registration will continue through September 18.

City Hikes Pay Of All Employees

Grosse Pointe City police and firemen and municipal employees received a 5 per cent pay increase retroactive to July 1. The additional sum was given to those affected in a special envelope on payday last Saturday.

The action was taken by Mayor Ralph B. Netting and the City Council in view of the continued high cost of living. The increase was totally unsolicited and voluntarily made by the administration.

Officials disclosed that the new scale will remain until January, 1949. At that date adjustments in accord with living conditions will be made.

The increase sends the annual City payroll up \$10,325.

All those affected welcomed the pay raise.

Neff Exhibits "Double" Ballots

City Clerk Norbert P. Neff this week was exhibiting instructions to voters in the first "double" ballot ever to be used in Michigan.

It is the primary ballot which will be employed in the September 14 primary.

Printed on a heavy weight, non-transparent paper stock, the Democratic and Republican ballots appear on the opposite side of the single sheet and the voter will not have to ask for a ballot by party.

Ballots will be voided if any marks are made on both sides in an attempt to "split" a ticket.

Instead of toting at the middle, voters will be instructed to fold the new-type ballot in the middle, from top to bottom. The printing is so laid out that the number can be left exposed without identifying the political party of the voter.

Mr. Neff will hold further instruction classes for voters in the near future on a purely educational basis. New voters and others interested in learning more about the ballot may see them at his offices in the City Building on Maumee or call him at Niagara 5800 to determine the time of the next class in voting instruction.

Drink Sends Maid To Bon Secours

Mrs. Charles Phillips, 37, a maid who lives and is employed with her husband at the Russell S. Collins home at 419 Lincoln road, was treated at Bon Secours hospital last Saturday.

Pointe Takes Heat Wave In Stride

Though record numbers attended the five Grosse Pointe beaches during the recent heat wave, no fatalities or serious injuries were reported.

Farms Police disclosed the only beach mishap, Arnold Parson, 18, of 268 Ridge road, a life guard at Farms Pier, suffered a slight head injury when his head struck a diving board. He was treated at Cottage Hospital.

The only person reported to succumb from the heat was an Edison meter reader.

Louis Singleman, 21, of 12329 E. Warren, Detroit, was overcome by heat as he knocked at the door of the Albert Wilke home, 1817 Hampton road.

Mrs. Wilke, assisted by neighbors, using cold towels, revived the young man.

Investigate Park Death

At the request of Park Police, the Wayne County Coroner's office is investigating the death of Mrs. James A. Jostrow, 51, of 718 Westchester road. Her body was found Monday morning by Mr. Jostrow on the second floor of their garage.

Police believe that she may have taken an over dose of sleeping pills. They said that she had been ill for some time.

Mr. Jostrow conducted a search for his wife shortly after he returned from attending the Gold Cup races with a son.

Memory, Police Help Little Linda Home

A little girl's memory aided Park police in finding her home at 1635 Alter road Sunday.

Linda Loscharie, 7, was seen wandering about the vicinity of St. Ambrose church in tears by Jennie Kavanaugh, of 1120 Wayburn, Jennie called Park police.

"I'm lost," Linda told police officers. "But if you take me down that street pointing to Alter, I know the color of my house."

Police placed Linda in the scout car and ventured down the street. "That's my house," exclaimed the little girl. Police knocked at the door to be greeted by anxious and worried parents. They were very grateful to the officers for the return of wandering Linda.

RECKLESS VISITOR

Lawrence Horton Sevy, of Jackson, Michigan, was issued a reckless driving ticket by Farms Police who followed him on Lake Shore road. Police said his car zig-zagged along the road.

500 Register At Board 87, 3 Offices Open

William Johnson, chief registrar of draft board 87 expected to have about 500 men between the ages of 18 to 25 registered for the draft by Thursday, September 2.

Baby-Like Care Fails To Save Pet Squirrel

Despite the combination of Christian devotion and "baby bottle nourishment" lavished by Mrs. Ralph Wisley, secretary to Dr. Frank Pitt of Grosse Pointe Memorial Church, 16 Lakeshore road, a little pet squirrel died last Thursday.

The weak, hungry cries of the tiny pet had attracted Mrs. Wisley's attention for some time before she found it lying under the tree, apparently having fallen from the nest. Believing that the mother squirrel had met with an accident and her other nestlings perished from want of attention, Mrs. Wisley picked up the foundling and took it home.

Perceiving its extremely young age and starving condition, Mrs. Wisley immediately contacted the Detroit Zoo to obtain a special diet best suited for baby squirrels. She followed instructions carefully and for nearly two days fed it warm milk from a baby's nursing bottle.

All this loving attention showed a marked improvement on the little pet, but just as it was reaching the stage of being able to submit to a pictorial debut in the Review, it died from a sudden relapse.

Having become quite attached to her little pet, Mrs. Wisley was rather disappointed in losing it. A kind sectarian buried it in the churchyard.

24,500 May Vote Here

Grosse Pointe Township clerk Don Goodrow disclosed that 20,000 persons from Grosse Pointe Park, Farms, Shores and Woods will be eligible to vote at the primaries September 14.

Norbert Neff, City clerk, announced that approximately 4,500 City residents are also qualified to cast their ballots.

Both officials stated that no person will be allowed to register on election days. The last day for registration was August 25.

PART OF THE RECORD CROWD PRESENT AT FIELD DAY

S. C. Burr Photo

Highlighting the Metropolitan Club's 8th Annual Field Day program was this trio of funny clowns who delighted the large number of boys and girls present with their crazy antics last Saturday afternoon at Grosse Pointe High. The program offered many prizes for boys and girls in 25 field events and games. Many of the adults who attended the dance party at Club Eagle that evening also received valuable gifts. The clowns are from left to right: Nick Pitrocy, of Nick's Jewelry Store in St. Clair Shores, who is known by hundreds of small fry as "Snoopy the Cop," Dan Nold, and Joe Stephens, of the Detroit Police Department.

Police Matron's Performance As 'Bookie' Aids In Arrest Of Operators

A kind and distinguished looking Grosse Pointe mother who seldom sees a horse race became a bookie Friday afternoon.

Acting in the line of duty, veteran Grosse Pointe Park Police Matron, Mrs. D. Monahan took over the incoming phone calls at 1048 Beaconsfield with the tack of a top notch handicapper.

With Park detectives Arnold Hough, Stanley Enders, and Hazen Henig, who took part in a "bookie" raid, watching Mrs. Monahan calmly accepted "across the board," "two on the nose" and other choice selections. This information was later used against Mr. and Mrs. Clarence Saltzman, alleged operators of a "bookie" at their home at the Beaconsfield address.

The mother of seven children and a village resident for a number of years, Mrs. Monahan is still being jested by members of the police department and others for her excellent performance.

During the past week, her work as head of the Park's violation department was interrupted several times by some serious speaking person seeking to lay two dollars on Margo Mystic or such in the fifth race.

Investigation by the police matron disclosed that her associates in the raid were behind the hoax.

GARDEN SHOW AWARD

Among the many awards to be offered at the 32nd annual Grosse Pointe and Eastern Michigan Flower, Fruit and Vegetable Show at the Neighborhood Club on Saturday and Sunday, September 11 and 12 is this bronze medal for the best collection of vegetable grown in a home garden by an amateur. The award is presented by the Grosse Pointe Review in cooperation with the National Garden Bureau. Watch next week's Review for the special garden supplement.

Woods Church Plans Family Outing

The fall program of the Grosse Pointe Congregational Church will open with a family picnic on Saturday, September 11, 5-8 p. m. at the Grosse Pointe Woods Lakefront Park. The Board of Deacons under the leadership of Mr. Elmer Horman is in charge of arrangements.

All Church services will be resumed on Sunday, September 12, at 11:00 a. m. Services to be held in the Richard School. The Reverend Charles W. Scheid will deliver the sermon.

Seriously speaking though Mrs. Monahan and the members of the raiding party which included Detective Walter Rose, from Wayne County Prosecutor McNally's office, were highly complimented by superiors for the efficient manner in which the raid was conducted; it ended a seven-month investigation.

(See Picture on Page 3)

The raiding party entered the Saltzman home at 1 p.m. They said that they found the occupants busy answering phone calls, accepting bets.

Besides three telephones, horse race sheets and charts, the police said they found \$475 in cash and records of wagers accepted, running into thousands of dollars.

The Saltman telephones: (VA. 2-4291 and VA. 2-2025) have been disconnected.

On Saturday, Judge Joseph Balenger found the pair guilty of engaging in an illegal occupation. He fined them \$50 and placed them on a year's probation.

"They're out of business," remarked, Arthur Louwers, Police Chief, and glancing toward Mrs. Monahan's office, he added with a twinkle, "thanks to the hidden talents of our police matron."

Accuse Lane Of Promoting Candidate

Representatives of Wayne County Sheriff, Edward Behrendt accused Everett B. Lane, Park manager, of using a great deal of village stationary to promote the candidacy of Henry W. Piel, former Park police chief who is bidding for Behrendt's job. Both are Republicans.

Lane scoffed at the accusations and said that he was a friend of Piel and that he did write a few letters to personal friends recommending him.

"It was nothing more than a recommendation that I would give any former employee whose work here justified such action."

Lane was village manager during Piel's capacity as police head here.

Police Arrest Boy Burglar

City Police arrested a 15-year-old local boy for breaking and entering the Clothes Line Shop, 297 Fisher road, Friday night. He gained entrance by forcing his way through a rear door. Police said they found a diamond ring and an alarm clock, taken from the store, in the boy's possession.

He was referred to the Wayne County Juvenile Detention Home.

Metro Club Program Is Success

Despite the torrid heat Saturday, a record number of 1,000 boys and girls turned out for the Metropolitan Club's 8th Annual Field Day at Grosse Pointe High School field, according to officials.

Featured in the all-day program were three clowns who delighted the small fry with their funny antics.

Officials reported that about 500 attended the Club's party for adults that evening at the Club-Eagle, Gratiot and Eight Mile Road.

Prizes given away at both places amounted to \$1,000, including new bicycles, tricycles and household goods.

The athletic program directed by Bill Mason of the Farms Police Department and Don Coats, Woods Police Officer, offered 25 events for the youngsters from 5 to 17 years of age to compete in for the big array of prizes.

The cardinal purpose of the Field Day was to help decrease the ever-growing element of juvenile delinquency by providing more recreation for boys and girls.

This year also saw the Club distribute about 4,000 copies of their annual Year-Book of which Mike Bem was chairman. The book was dedicated to Murray W. Sales, civic leader.

Jack Burnett, Field Day chairman and Park fireman was very pleased of the way that the program was received. He said, "We are grateful to our many friends and patrons whose cooperation made the 1948 Field Day program such a success."

Following is the list of the lucky winners:
1st EVENT:
1st—George Meldrum, 7, 104 Muir Road.
2nd—John Doyle, 7, 23 Moran Road.

SCHOOL BELLS RING

The school bells are ringing once again!

The doors are scheduled to open at the Grosse Pointe Public Schools on September 8th. The Catholic schools, St. Ambrose and St. Paul, will begin classes on September 8th. The two private schools, Country Day and the Detroit University School are scheduled for September 22nd, and the Sacred Heart Convent opening date is set for Sept. 15th.

Select Artists For Local Show

Grosse Pointe boys and girls, rich in talent and versatility, greeted Mark Haas and his associates from WJR, Tuesday evening at the Neighborhood Club for the final additions of the WJR-Review Neighborhood Frolic to be held at the Neighborhood Club on Wednesday, September 8.

Mr. Haas assisted by Pauline Masek of the Neighborhood Club and Charles Manos, Review Editor, selected 12 persons from the group for the "Frolic" which will include a variety stage show, a radio broadcast with popular disc jockey Warren Kelly as emcee and a delightful street dance.

The entertainer judged best by the audience will receive a new portable radio.

Those who will appear on the program are Marjorie Reyst, Earl Prytula, Joanne Schummer, Mar Ballerina, Chee Chee Prentiss, and Leona Magee, vocalists. Frank Foguth, William Carruthers, Bob Armstrong, Harry Demingian, Elton Rose Kappel, Milton Seltzer, instrumentalists; Bob and Jerry Moore, Sally Kerr, and Judith Ann Wetzell, dancers.

Don't forget the program begins at 8 p.m. and everyone is invited to attend. There is no admission charge.

Review-WJR 'Frolic' at Neighborhood Club Wednesday, Sept. 8 at 8 p.m.

PARKS BOAST FINE RECORD

With the next few days, Grosse Pointe beaches will close. It will mark the end of one of the most successful summer seasons in several years.

With the exception of just a few days, this marked the first time in several seasons that polluted waters did not curtail the bathing season.

This year also saw the Park successfully install its new chlorination system assuring safe swimming at all times.

Outstanding factor of the year was the fine record of the officials, park directors and life guards who supervised the five lakefront parks. Though record numbers attended the parks there were no casualties or serious injuries reported.

This splendid record did not just happen—it is the result of efficient and tireless efforts of those who worked to provide safe recreation for you.

Their efforts are commended.

15 YEARS OF CIVIC SERVICE

Although some six-hundred strong in membership, few others in the area beyond that organization are fully aware of the yeoman services performed by that civic minded group, The Women's Republican Club of Grosse Pointe.

For the past fifteen years, the organization has been meeting once a month. To these meetings have been brought some of the outstanding political and public figures or the nation to express their views and discuss the national and international picture in the light of their broad experience.

Every two years, as one of their projects, The Women's Republican Club has made a house to house canvas to register voters, in the interest of promoting better turnouts at election time.

The Club is seeking no political offices. Their group is interested in better representative government, with an active voice by general public. And, any loyal Republican who lives in Grosse Pointe is welcomed in the organization.

BE CAREFUL OF THAT LAST FLING

Your last fling at a summer vacation may be your last fling if you don't "take it easy" over the long Labor Day week-end.

Labor Day week-end hazards are the same as those of all summer vacation time, but excessively heavy homecoming traffic on all major highways makes added caution imperative.

Take it easy in travel, swimming, boating, sunning, golfing, and tennis. You have another year in which to vacation, but not another life.

\$3,000 Bond Breaks-Up Hold-Up Pals

Armed robbers John Taravella, 19, and Walter Coyle, 18, both of Detroit, stood mute when arraigned before Judge Joseph Belanger in Grosse Pointe Park court last Tuesday. They were placed under a \$3,000 personal bond each. Coyle was able to provide the bond. Taravella is being held in County Jail.

The pair confessed to the armed robbery of William Frahn, 1314 Lakepointe and the attempted hold-up of Robert Plath, 726 Barrington road, Saturday, August 21 near Barrington and Jefferson. Robert, a 22-year-old navy veteran, effected their arrest by Detroit police shortly after the crimes were committed.

Suffering from bruises and a slight bullet wound in his leg, inflicted by Taravella, Bob telephoned Park Police who relayed the information to Detroit.

The young thugs were arrested at Jefferson near Manistique. Taravella was reported to have been carrying a loaded .38 colt with one bullet missing.

They admitted taking approximately \$15 from Frahn.

Arthur Louwers, Chief of Park Police stated that Taravella and Coyle will be examined for trial in Grosse Pointe Park court on Friday, September 3.

Special Meeting For New Pupils of Public Schools

For the instruction and guidance of students new to Brownell Junior High School and Grosse Pointe High School, the high school principal, Walter Cleminson, has announced two meetings to be held on Wednesday, September 8.

All 7B pupils and any pupils new to Grosse Pointe who will attend Brownell Junior High School for the first time are requested to attend a meeting in Room 218 at the Grosse Pointe High School building at 2:30 o'clock and should come prepared to pay deposits on locks.

At 1:30 p.m. in the auditorium of the Grosse Pointe High School, the faculty will receive all 10B pupils and high school students, grades 10-12, new to Grosse Pointe. These students should also come prepared to pay the deposits on locks.

"The purpose of these meetings is to assign pupils to home rooms and to help pupils now at the community or new to the school to become familiar with the practices and policies of the schools so that their school beginning September 9 will run smoothly for them," said Mr. W. R. Cleminson, principal.

The book store will be open for all high school students on Wednesday, September 8.

The deans and principal have enrolled many new students this week. They will be available again tomorrow, Friday, September 3. The next opportunity to enroll new students transferring to Grosse Pointe High School form a school other than a Grosse Pointe public school will be Thursday afternoon, September 9.

All staff members will attend faculty meetings Tuesday and Wednesday, September 7 and 8. All local public schools will open on Thursday, September 9 at 8:30 a.m.

Injured Motorist Gets Ticket, Too

Maguerite Luft, 1441 Nottingham, was issued a ticket for reckless driving by Park police. Her car struck a parked auto owned by Ward Alkema, 1506 Lakepointe near Charlevoix at Lakepointe.

Miss Luft suffered slight injuries on her right shoulder. She said that her brakes locked forcing her to lose control of the car.

NAMES LISTED

U-M Accepts 60 Local Freshmen for Fall Term

A list of high school graduates admitted to the University of Michigan for enrollment in September has been released by Registrar Ira M. Smith, complete through August 25.

This list includes 60 from Grosse Pointe. A few additional students will be admitted before classes begin on Sept. 20, he explained.

A full week of Orientation activities has been planned for the freshmen, beginning Sept. 13. This period will include the registration days for all students, Sept. 15-18.

In addition to consulting with faculty counselors about courses of study and to registering for their classes, the incoming freshmen will be given health examinations, hearing and speech tests, and a series of special aptitude and achievement tests. Results will be used as a basis for continuing health care of the students and for academic guidance throughout their stay at the University.

On the "social side," the freshmen will also get a complete introduction to the campus. On the first night of Orientation Week, all will assemble in Hill Auditorium for a welcome from University President Alexander G. Ruthven and other University officials. On other nights during the week, they will meet student leaders at the Michigan Union and Michigan League and in their residence halls. They will also be invited to open house programs at churches near the campus.

Bulk of the freshmen will be enrolled in the College of Literature, Science and the Arts or in the College of Engineering, which are the largest undergraduate divisions of the University. Freshmen will also enroll, however, in the School of Music, College of Architecture and Design, School of Forestry and Conservation, School of Nursing, College of Pharmacy, and School of Education. The School of Dentistry will admit freshmen in its special program in dental hygiene.

State-Wide Survey Analysis Local Tax Rates

The average Grosse Pointe citizen wanting to complain about his mounting property tax burden should see his school, county and village authorities.

The other two units of local government, cities and townships, actually reduced total property tax levies during 1947, according to a study just issued by the Michigan Survey, a state taxpayer association.

Adding levies of all five classifications (cities, schools, counties, villages and townships) however, the average taxpayer suffered a 6.45 per cent net increase in 1947 over the previous year, a jump from \$232 million in 1946 to \$247 million in 1947. (The disbursement of 1947 property tax collections effects 1948 operations.)

The Survey analysis shows that the average Michigan taxpayer paid \$71.90 in property taxes in 1947. This compares with the \$67.54 he paid in 1946.

In 1947 he paid an average of \$29.79 in city taxes, \$26.36 in school taxes, \$13.43 county taxes, \$1.57 in village taxes and \$.74 in township taxes, the Survey reports.

Looking at the whole picture, Steffens said local units, in general, "obtained higher revenues by increasing property valuations instead of the tax rate. Equalized valuations rose 13.33 per cent or from \$7.9 billion in 1946 to \$9 billion in 1947."

Twenty-two of Michigan's larger counties paid \$223.3 million or 90 per cent of total taxes, according to the Survey report. These were levied against 88 per cent of the total equalized valuation. The remaining 61 counties levied only \$23.9 million or 10 per cent of total Michigan property taxes against 12 per cent of the total equalized valuation.

Wayne County had an equalized valuation of \$4,499,995, according to the report. Taxes levied totaled \$147,748. Making up this total were \$23,775 in county taxes, \$462 in township taxes, \$75,505 in city taxes, \$2,278 in village taxes, and \$45,728 in school taxes.

EARLY UNIONS

American labor unions of the late 1700's were among the first organizations to oppose imprisonment for debt, to favor free schools, equal rights for women, and to crusade for a ten-hour work day, the World Book Encyclopedia states.

LOCAL ATTORNEY

Seeks To Punish War Criminals

A former Japanese Army cook was sentenced to five years imprisonment by a Yokohama Eighth Army Military Commission last week for atrocities committed at a war camp located on Palawan Island in the Philippines, during 1942 and 1943 where 138 Americans were tortured to death.

Leading the prosecution against Nishitani was John P. Lauder, Grosse Pointe attorney whose home is at 1132 Nottingham. Mr. Laughna is serving as prosecutor in this case in which he hopes to see those responsible for the deaths punished.

This Worm turns a Big Car. Image of a hand holding a steering wheel with a worm on it.

You know how it can be. A Buick can steer with a fingertip. One of the secrets is a stream of 66 steel balls that circle the worm on the steering column. With these balls there is so little friction that steering is featherlight—so little wear that the gear stays tight and firm without frequent take-ups.

To keep this steering gear in the shape Buick intended, the authorized Buick dealer lubricates it with just the proper oil. Anything heavier would make steering stiff in winter—anything lighter fails to give full protection against wear.

It's a typical example of how Buick care keeps Buicks best. The same holds true with every part of the car. So whatever your car needs, a lube job, a tune-up, a major or minor repair, come in and get the extra satisfaction and assurance of longer car life with Buick car care.

PUT LOCAL BOOKIE OUT OF BUSINESS

Grosse Pointe Park Detectives Stanley Enders, left, and Hazen Hennig, are standing besides the table crammed full of racing forms, charts, records of gambling accounts seized in a "bookie" raid at the home of Mr. and Mrs. Clarence Saltzman, 1412 Beaconsfield, Friday \$475 dollars in cash was also taken. The pair were found guilty of engaging in an illegal occupation, fined \$50 and placed on one year's probation by Judge Joseph Balenger, Saturday.

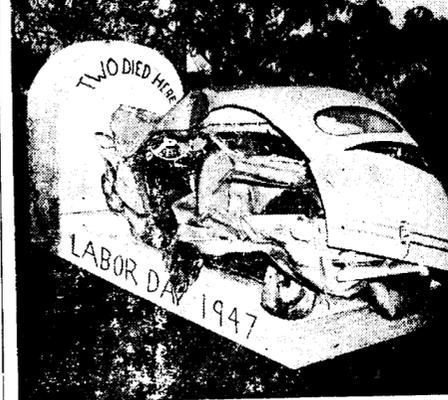

Local Men Aid Gold Cup Race

Many Grosse Pointers had a very definite job out on the river and behind desks in the presentation of the Gold Cup Races Saturday.

One of these men was Ted Ousur of Lincoln Road, who is the treasurer of Grosse Pointe City and also treasurer of the Gold Cup committee. It was his job to see that the financial end was running with as few complications as possible.

Norbert Neff, City clerk, was out on the river standing by on his salvage ship. Neff praised the work of the Gold Cup committee and stated that he thought that the race was a success. He said, that it proved that there are some powerboats made that can withstand the terrific punishment that was handed them by the rough course.

"TAKE IT EASY"

Labor Day of 1947 was no happy holiday for 18 Michigan motorists who were killed in auto crashes and thousands who were injured or inconvenienced in non-fatal accidents. Pointing to last year's traffic toll over the long weekend, Automobile Club of Michigan urged all motorists to "Take It Easy" this year. Traffic over this holiday will be unusually heavy—probably the greatest concentration of the year—because thousands will be stretching extra time out of the last long weekend of warm weather and because many will be returning from resort areas. Auto Club urges Labor Day motorists to start for home early, drive more slowly and closely observe yellow markings. August led all months for persons killed on Michigan's highways last year, with 149 traffic deaths out of a total of 1,444 for the year.

Orientation Week Planned at U-M

Freshmen enrolling at the University of Michigan in September will arrive on the campus on Sept. 13, a full week in advance of the first classes, for the activities of Orientation Week.

Orientation will include tours of the campus, meetings with student leaders and University administrators, consultations with faculty counselors, aptitude tests, health examinations, and registration. About 5,000 new students, including freshmen, under graduate transfers, and new graduate and professional students, are expected at the University this fall.

Pointe Youth Seeks Musicians For Dance Band

With ambitions to be leader of a twelve-piece teen-aged orchestra, fifteen-year-old Bob Hughes, of 516 Piper, is seeking High School youths of Grosse Pointe with musical talents for a modern dance band.

A guitar, B-Flat Tenor, Strings, Bass Drums, and especially a Pianist is wanted by Bob who is a saxophone and Clarinet player, himself, and already has four other youths in his band.

A sophomore of DeLaSalle High School, Bob has studied music since the age of four, when a student at the Chicago Conservatory, and his instrumental work has been under the guidance of Edward Forrester.

Bob's talent seems to have been hereditary, with his mother, Mrs. Leonne Hughes, a former professional piano teacher, and his eleven-year-old sister, Mary Lee, also a piano student.

Besides his other accomplishments, Bob also arranges and composes music for his band.

He is planning to call a meeting during the first week in September at his home and would appreciate having teen-aged youths contact him at Valley 2-8018, after 7 p. m.

Airline Fixes Family Fare Plan

The recent announcement by American Airlines of its "first of the week family fare plan" should prove an unexpected boon to travelers.

Under its provisions the man of the family buying a full rate ticket can take his wife and children, 21 years of age or younger, with him on American Airlines at half fare. The only restriction is that they must all start out together on a Monday, Tuesday or Wednesday.

This means that a family of three can fly for the price of two tickets; a family of five for the price of three tickets. A wife traveling with her husband can fly coast-to-coast for \$78.75; from New York to Chicago for \$21.80, from Boston to New York for \$5.60.

The plan applies equally to a wife traveling with her children. She buys a full fare ticket but her children, if they are 21 or less, go half-fare. Present rules provide for fifty per cent reductions for children two to twelve years and free transportation for babies under two. No change is made in their status by the new family fare plan.

BAD BRAKES CAUSE THIS

This huge A & P truck overturned when the brakes locked as driver John S. Wisniewski, of Detroit, stopped for a red light on Kercheval at Cadieux. He suffered a light injury to his shoulder. Damages to the truck which was empty were slight and after a wrecker placed it back on the road, Wisniewski drove off. No other cars were involved.

Lucky Loan Brings Bank Account for 2

Cass and Anna Adams of 9415 Brombach discovered yesterday that even bad luck can take a turn—when they were notified that a \$500 loan made by the City Finance Co. Hamtramck branch was the 2,000,000th loan made by the company and its affiliates. Charles Sernka, City's manager broke the good news when he told them that their recent \$500 loan had been cancelled, and further, a savings account had been opened for them at the National Bank of Detroit.

According to W. D. Brewer, Harvard road, Division Manager for the eight City Finance branches in Michigan, officials of the company had been on the lookout for the 2,000,000th loan for some weeks. "We are really pleased," Mr. Brewer said, "that the loan had been made to a Detroit.

NEFF SAID

Pioneer Family Gets One More

The Neff Family, ever prominent in Grosse Pointe has a new addition. He is Keith Neff, son of Mr. and Mrs. Harold E. Neff, of 451 Neff road.

Keith, who was born at Cottage hospital on August 19, is the fourth Neff to be born in Grosse Pointe. He also marks the fifth generation of Neffs to live in Grosse Pointe.

The infant's great-great grandfather the late George Neff, was among the early settlers here. Neff founded Grosse Pointe Memorial Church. It is believed that Neff road was named after him.

Keith's grand father and mother Mr. and Mrs. Harold Neff, reside at 599 St. Clair.

Mrs. Sarah Neff, widow of Julius who was born at the foot of Neff road, resides with the baby's parents.

Mr. and Mrs. Jack Dimitry of Neff Rd. are the maternal grandparents.

Bride Wears Mother's Silk Gown

Gowned in her mother's wedding dress fashioned of handwoven Chinese silk, Miss Margaret Sue Hoppe, daughter of Mr. and Mrs. Henry H. Hoppe of Warren, Ohio, exchanged nuptial vows last Saturday with Charles Beecher Crouse son of Mr. and Mrs. Charles Beecher Crouse, Sr., of Provençal Road.

The Rev. Father John Daum performed the nuptial mass at noon before an altar adorned with glowing tapers, white flowers and palms in St. Mary's Church, Warren, Ohio.

The bride's gown was designed with an embroidered bodice and a skirt over heavy satin. A tiara of the same embroidered fabric as the gown crowned her long veil of English illusion, and her bouquet was of white roses.

Maid of honor, O'line Hoppe, sister of the bride, appeared in white silk brocade with hoop skirt, as did the bridesmaids, Helen and Rita Hoppe, the bridegroom's sister, Ann Seymour Crouse, Betty Wile, and Ann Mattern Krider, of Warren, Ohio. Each wore a single strand of pearls, and the maid of honor's headpiece matched her bouquet of Tallman roses while the bridesmaid's headpiece and bouquets were of yellow rosebuds.

Best man for his brother was Woodruff Boyd Crouse, and the ushers were Midshipman Henry Hoppe III and Dominic Hoppe, brothers of the bride, Hamilton R. James, Charles H. Hodges, Jack Anderson and Richard E. William, of Grosse Pointe.

Ballroom of the Werner Hotel was the scene of the Wedding breakfast, with small tables decorated with flowers and candelabra.

While motoring to Tucson, Arizona, the bride wore a navy silk suit with white accessories. They will reside in Tucson where Charles will complete his senior year at the College of Business Administration at the University of Arizona.

Cites Delinquents As Great Menace

Judge Joseph J. Emerick, himself the father of four children, today called upon the parents of Wayne County to mobilize their moral forces to combat what he called "the greatest menace to our society today" — the problem of juvenile delinquency.

Emerick, a candidate for the Democratic nomination for sheriff of Wayne County, has pledged the facilities of that office, if elected to the job of organizing and providing leadership for a county-wide program designed to unearth the cause of delinquency and to correct such causes when found.

PLAN FALL PROGRAM

"As living costs go up, too many girls who are working decide that the first place to save money is on recreation. The YWCA, a Red Feather agency, is trying to offset this unhealthy practice by offering a wide variety of inexpensive fun for employed girls." Mrs. Mervyn J. MacRae, chairman of the business and industrial committee for the YWCA board of directors, made this statement in an interview regarding the opening of fall activities in the Y. During the last week in September clubs, dances, informal drop-in program, and classes will begin.

MRS. JAMES MERRIMAN WALDRON

MRS. GERALD E. PALMER

Newlyweds Sojourn To White Mountains

White Mountains of Vermont was the destination last Saturday of the newlywedded Mr. and Mrs. James Merriman Waldron after their wedding reception at the Grosse Pointe Yacht Club.

Miss Janice Lee Hoffman, daughter of Mr. and Mrs. Howard V. Hoffman of Washington Road, and James Merriman Waldron, son of Mr. and Mrs. Robert George Waldron of University Place, exchanged vows in an afternoon ceremony performed by the Rev. Edgar Yeoman and Dr. Burton S. Leveying in Grosse Pointe's Christ Church.

A cascade bouquet composed of stephanotis and white roses complemented the bride's cardlight satin gown with the illusion veil fashioned with heirloom Brussels lace worn by the bridegroom's great-great aunt.

CUDDLING UPSETS EDDIE

Nice Work -- If You Can Get It!

Eddie Bracken has discovered that the softest roles are sometimes the most difficult to portray. "What in the world is the matter with you?" asked director Peter Godfrey after Bracken had flubbed a simple bit of dialogue for the sixth time in a scene for Warner Bros. "The Girl From Jones Beach."

"I dunno," replied Bracken, "unless it's because this piece of business we're trying to do is the softest, most delightful work I've ever had."

He was being held on the lap of, and being cuddled by, Eve Whitney, one of the most beautiful burnette artist models in all Cinemaland.

NEW GRANDSON
Dr. and Mrs. Joe Boles, (nee Ruth Walter) of Louisville, Kentucky, announce the birth of a son on Saturday, August 21. Maternal grandparents are Mr. and Mrs. Allen D. Walter of Yorkshire road.

LABOR DAY AT LOCHMOOR
The Labor Day program at Lochmoor Club will include a mixed foursome golf tournament, a children's party with ponies and a buffet dinner.

FRESH SALESMEN
Woods Police reported that two salesmen, representing an Ohio publishing firm were ordered out of the village for insulting a woman resident.

Early Book on 'Blues'
Today's singers of the "blues" might well take a look at an early 17th century volume in the University of Michigan Library, titled "The Anatomy of Melancholy." This book, first printed in London in 1621, sold well in its day, and went through eight editions during the life of the author, Richard Burton. Evidently interest in melancholy, which Burton defined as "anguish of the mind, accompanied by fear and sorrow, but without a fever," ran high in educated circles in England.

Michigan League Begins Fall Season
The Michigan League for Crippled Children will open the fall season Friday September 10 with a luncheon and meeting at the Dearborn Inn. The speaker for the afternoon will be Dr. Harry Baker, who will speak on psychology. The Luncheon will be at 12:30. Afternoon meeting at 2:00 p.m. And there will be a board meeting at 10:30 a.m.

Victor Kolar To Direct Vocal Group

Mr. Victor Kolar will be the new director of the Detroit Chorus for the 1948-49 season which will begin its first rehearsal Wednesday, September 8, at 8 p.m. at the Women's Federation Building, Second and Hancock. Miss Margaret Mannebach is the accompanist.

Detroiters will be happy to know that Victor Kolar is back in Detroit again after an absence of five years. Many will remember him as the associate conductor of the Detroit Symphony Orchestra for 24 years, during which time he also directed the symphony and chorus for the ord Sunday Evening Hour. Mr. Kolar is the director of the newly organized Detroit Women's Symphony.

Membership in this city-wide chorus of mixed voices is open to persons experienced in choral work or interested in this particular type of voice training. Auditions will be held after the rehearsal periods on September 8th and 15th. Contact Mrs. Burton Winke, Vermont 7-3818 for further information.

Son Serves As Best Man

In a quiet and informal ceremony conducted at Covington Presbyterian Church, Detroit, Wednesday afternoon, by the Rev. Taylor, Mrs. Gladys Edgar of 890 Washington road, and Mr. Raymond C. Karpp of 262 Phillip, Detroit, were united in marriage. It marks the second marriage for both.

Attending as best man was Thomas Edgar, son of the former Mrs. Edgar.

Mrs. Virginia Mallon, daughter of the bridegroom, was the bride's only attendant.

Two grandchildren also attended the rites.

Following the ceremony, the couple left for an extended trip to Northern Canada. They will reside at the Phillip address upon their return.

Family Reunion

Mr. and Mrs. John E. Wirt, 20608 Kenosha held a Mulhatten Clan Family reunion, Tuesday, Aug. 24. Those present were the families of Quinn, McGowan, Martin, Bates, Echenman, Bergen and McNair. The Mulhatten clan was extended to the fourth generation. Guests of honor were Mr. and Mrs. McGowan of Washington, D. C. The guests were entertained with music and songs. A Buffet luncheon and refreshments were served.

Couple To Reside At Ann Arbor

Ann Arbor, Mich., will be the new home of the Robert Riedel Speckhard's when they return from their honeymoon trip to New Hampshire, Boston, and New York which followed the evening nuptial service in the Lincoln Road home of Jane's parent's, Mr. and Mrs. Samuel E. Armstrong, recently.

Robert, son of the late Evan C. Speckhard, is from Saginaw, Mich. Wearing a ballerina frosted blue gown of organza and a Dutch cap trimmed with white rutching, the bride carried a bouquet of baby mums and delphinium.

Her sisters, Martha Lee and Susan, attended her in yellow and white organza ballerina gowns, and their bouquets were composed of white daisies and delphinium.

Russell J. Peters, the bridegroom's brother-in-law from Saginaw, served as best man.

A reception was held for friends after the ceremony.

Both Mr. and Mrs. Speckhard plan to do post graduate work at the University of Michigan.

Married In Christ Church

MRS. ELDRED GORDON KEAST

A ceremony held in Grosse Pointe's Christ Church united in marriage Evelyn May Osborn and Eldred Gordon Keast. The bride is the daughter of the Harold G. Osborns of Beaupre road. The bridegroom is the son of Mr. and Mrs. John H. Keast of Detroit.

The bride wore an old fashion gown of white taffeta, marquisette and lace. She carried a bouquet of white rose buds and stephanotis.

Martha Wendt, of Bay City, was the brides matron-of-honor and wore an old fashion gown of yellow taffeta and carried a rose-gay bouquet of talisman roses.

Virginia Molin, of Grosse Pointe the only bridesmaid wore a matching gown of blue taffeta and carried deep yellow tea roses.

Eldred Keast was his brothers best-man and Donald W. Osborn, the bride's brother, acted as usher. Mrs. Osborn wore a green and white flowered print gown and carried an orchid on her purse. Mrs. Keast wore a white orchid pinned at her shoulder.

After the reception the couple left on a motor trip through the East.

Fall Suits and Coats With Quieter New Look To Stay In Style Next Year

Grosse Pointers who were cautious last year about buying New Look clothes, can stop worrying this fall. Fashions have settled down into less startling lines that are here to stay a while. You will find suits to suit just you and coats that can be worn as happily next year as this, says Hildegard Willmore. Writing in McCall's for September, she describes the two leading coat styles — the reefer and the flareback.

"To prove that you can find what you want in the happy medium price range, we've chosen coats that typify two fashion headlines: the beloved reefer and

2 LOCALITIES ENROLL AT WAYNE

Wayne University's news service disclosed that Miss Barbara J. Behr, 845 Bedford; and Howell H. Eulich, 777 Roslyn will enter the school for the fall term beginning September 20.

Miss Behr, a Grosse Pointe High School graduate, will major in Journalism.

Mr. Eulich, a Denby High alumnus, will center his studies on Pre-Business Administration.

NEW ARRIVAL

Mr. and Mrs. John Selden Burchenal of Moross road announce the birth of a daughter, Marcia Ann. Mrs. Burchenal is the former Marion E. Bishop.

In Company Shows vice presidents compete with shop workers, truck drivers and stenographers on equal terms. And very often the humble employee turns up with the best basket of vegetables, or the largest pumpkin or cauliflower. It all adds to the gaiety of the Nation and goodwill within the organization.

the unfitted flareback. "The reefer in handwoven, homespun tweed is double-breasted, with skirt full enough to cover a full skirt underneath. It's the perfect answer for town and country all day wear, a coat that may replace the favorite polo coat that had such a long and happy life in so many wardrobes.

"The flareback coat has an inverted box pleat that starts from a yoke at the top, making a long graceful line. Both coats look best worn about midcalf, or a little below. Both silhouettes are becoming to a great variety of figures.

"This fall you'll find the suit that's right for you. If you like the slimmer silhouette, you'll find plenty of slender-skirted suits around, with fine details and longer jackets. They're done in smooth-finished wools, in rich fall tones—the kind of suit that is almost a uniform with the wardrobe-wise woman.

"For those to whom the fuller skirt spelled freedom from skim-

iness, the modified flared skirt is the answer. Its jacket is perky and the fullness gives rhythm to your walk. The last word, the very newest in suit types is the suit with skirt fullness swung to the back, the new-looking flare achieved by gores, pleats, umbrellia tucks and what-have-you.

"Midcalf is about the most graceful skirt length for any height. On most average figures this is about 12 inches from the floor. Exaggerated padding is out. Two shoulder shapes, both with some padding, are here: one rounded, to go with the flared skirt, the other, tailored, for the slim-line suit. In a well-thought-out suit all parts are shaped to flatter the figure, not distort it."

FOR FIRM, POSITIVE REPRESENTATION IN CONGRESS FROM THE 14TH DISTRICT

ELECT - Arthur J. Madar REPUBLICAN - WAR VET. HIS RECORD: -23 years in Public Service.

ABC Fixes Date For First Midwest Television Show

The American Broadcasting Company will inaugurate the first midwest television network on September 20.

On that day, WENR-ABC in Chicago makes its video debut by feeding the Chicago-To-Detroit coaxial lines with programs.

Both cities are recognized as important origination points for such nationally known programs as the "Breakfast Club."

Mowrey said the American Broadcasting Company would be the first to make regular programming available over coaxial cable on a midwest network.

Madar Hopes To Benefit Average Clan

Arthur J. Madar, Republican candidate for congress in the Fourteenth District, hit at the nation's failure to take concerted action against the high cost of living today.

Declaring that the average family is finding it increasingly difficult to make their wages buy the basic necessities of life, Madar said that Congress must remove federal subsidies on basic items.

"The practice of using our tax dollar to keep the cost of living high for the benefit of a few must cease," Madar declared.

Madar, Vice President of the East Side Republican Club and the Michigan Republican War Veterans, said he favors the use of public power to provide for increased prosperity in areas where private sources cannot furnish the power.

Other announced stands the Republican candidate has taken include the use of Federal funds to wipe out the dread scourges of cancer and tuberculosis; and Federal aid to education in those communities where local taxation does not provide the necessary revenue to educate our youth.

He is against interference of small business by either the Federal Government or big business, and is a well-known foe to communism, which he describes as an "insidious disease."

Madar is a World War II veteran, and has been active in organized veterans circles in the state.

Action, Romance At Shores Theatre

Action plus romance combine to make "Silver River" starring Errol Flynn, top notch entertainment for those who attend the Shores Theatre, Mack at 9 Mile road Sunday, Monday of Tuesday, September 5, 6, 7.

The picture depicts Flynn as a ruthless gambler of the early frontier days who is saved from his own selfishness by charming Ann Sheridan.

A late newsreel and a funny cartoon complete the double bill. Doors open Sunday at 1:15 p.m.

The Veterans' Administration says that more than 10 million veterans are allowing about \$100 million worth of low-cost National Service Life Insurance to slip through their fingers.

Pointers for Howard Starret

Howard Starret, former State Reemployment Director is a Republican candidate for Congress September 14. J. L. Newberry, Grosse Pointe Lincoln Republican Club says, "Starret gets our votes. Starret is a Detroit University School graduate; property owner; husband, parent; college graduate; successful engineer. Starret has held positions of responsibility. Howard Starret has been fair, just and honest. We need a Congressman of standing and respectability. Starret is a disabled veteran of World War II."

Link Local Names In Sigler Plot

A "Typical Sigler Plot" to eliminate competition by conniving and subterfuge rather than leaving it up to a verdict of the people, was charged by Victor E. Bucknell, candidate for Governor on the Democratic ticket, during a rally at Muskegon.

"There is strong indication that our present governor is engineering the Democratic primary race from behind the scenes. As an ex-grand juror he works best behind locked doors! He and his pseudo-Republican supporters are secretly backing Mennen "Soapy" Williams, the Grosse Pointe Socialite pal of Secretary of State Freddie Alger," Bucknell said.

Bucknell said that "the boys" lined up Bernard Abbott to run at the last minute to try and pull away from Bucknell's outstate strength.

"I don't think the people of Michigan will fall for such shoddy tactics," he said. "A check into the records of these men shows that they have little to offer."

"Abbott was in the group which took a walk on FDR and tried to sabotage the entire New Deal Program back in 1933. The best example of what to expect from him is the sponsorship by the regime, of which he was a prominent member, of a poll tax bill for Michigan in the same year. In case you've forgotten, it was Act No. 237, Sections 30-33 and called for an annual poll tax of \$2 per person. Fortunately it was defeated."

Bucknell also pointed out that Williams has no record as an employer or as an employee "but his record as a society playboy is outstanding."

In contrast the Kalamazoo attorney and businessman called attention to his own record as an employer and business owner and as attorney for both business and labor unions.

"I was the first candidate to publicly blast the Bonine Tripp Law," he said. "I stand for elimination of the sales tax on food and higher old age pensions to keep pace with the cost of living. Sigler said that removal of price controls was all the GI housing aid needed. We've seen how that worked. I'll work for real GI housing. I want a real Civil Rights program in this state and equal opportunity for women in state posts. And equally important I'll work for harmony in state government and conduct it along sound business principles."

Bucknell concluded with the reminder that Sigler has betrayed the people's trust by ignoring his campaign pledges of 1946 and promised that if he is elected, he would review his platform and "report" direct to the people annually.

Young Sailor On 15-Day Leave

Back in town, sporting Navy whites, is young Dick Salton, 17, of 1260 Maryland, a seaman first class. Dick is home on a 15-day leave from his naval radio duties at Norfolk, Va. He is striking for a radioman's rate.

The son of Mr. and Mrs. Fred Salton, Dick recently has completed the first of a three-year hitch. A second son, Roy, 20, is also in the Navy stationed at Great Lakes, Ill.

Both youths attended Grosse Pointe High School.

Chick Harbert Signs For Video Program

WKYZ-TV, new Detroit video station due in the Motor City October 9, has signed Chick Harbert, Meadowbrook golf pro, who is currently burning up golf circuits around the country, to do a series of sport telecasts for the Detroit ABC outlet.

The new video show presumably will demonstrate golf techniques used by Harbert and other professionals for the benefit of avid amateur golfers.

Harbert recently smashed all Michigan golf records by running away with the 1948 Michigan Open Golf Championship.

To Conduct Pottery Class

Announcement is being made this week by Mary Shields Ambrose of Neff Road of the opening of classes in Pottery at her new Shields Ceramics shop at 13108 Essex, at Lenox.

The classes in ceramics will start on Monday, September 13th, with both afternoon and evening courses being offered.

Mrs. Ambrose will open her retail ceramic shop in the near future, and will stock a complete line of gift pottery and ceramic supplies.

RADIO IMPROVEMENT

Radios without vacuum tubes and which play instantly when turned on are now a possibility with the invention of an entirely new electronic device by the Bell Telephone Laboratories at New York.

In announcing the device known as a "transmitter," James B. Kalor, commercial superintendent at Detroit for the Michigan Bell Telephone Company, said it works on a new principle of physics discovered by the laboratories in the course of fundamental research into the electrical properties of solids.

Wood Stresses Need For Price Curtailment

S. A. Wood, Republican Candidate for Congress from the 14th District, told members of the Southeastern Detroit Improvement Association that Food prices must come down to earth and that a Housing program must be expedited to care for the citizens of U.S.A.

The time has come to make a change. Government support of farm prices is based on parity prices of chief farm products which rise as the price level in general rises. With the rest, in accounting for inflated food prices and poor prospects of relief, parity inflation basically enters," he said.

"The sliding scale for parity always slides up, never down. Up to 90 per cent, as a new high for parity is reached, the Government must by law support higher farm prices. This law must be changed. The politician must be stopped from buying the farmers vote at our expense. On account of farm-price support little or no food-price relief for the public can be foreseen despite this year's huge agricultural production in this country and in most of the world besides.

But support of inflated parity is the law.

"G. O. P. Economizing limited the appropriation for price support costs to \$280,000,000. When it comes to taking off the market several million bales of cotton and many billions of bushels of wheat and corn, plus excesses of other crops—the expected result in the near future—the money for it will run out quickly.

That happening, I'm against appropriating another dime! We need a test of what a limitation of farm-price support would do.

The present prices inflict this ferocious tax on all of us and the whole wretched business has had the backing of President Truman and his Department of Agriculture. S. A. Wood as President of the East Side Civil Council and the Southeastern Detroit Improvement Association and as a member of the Mayors' Charter Study Committee" has been very active in the fight for Civic improvements for the good of the East Side. His best achievements were the successful fight for the Fox Creek Relief Sewer Project, to eliminate flooding of basements on the East Side and Wood said, "I have secured the erection of a protective fence along Fox Creek to prevent further drownings and deem it an achievement for the safety and welfare of our children in the future."

Gary Cooper's Clinch Hurts Beautiful Actress

Beautiful Patricia Neal, lately of Broadway, has learned that Gary Cooper, usually so gentle, mild and silent, can be mighty, mighty rough in the clinches.

They were enacting what was supposed to be one of the most torrid romantic passages in "The Fountainhead" at Warners, when director King Vidor cut the "take" and informed Mr. Cooper that he wanted more verve, more passion, more caveman stuff.

Whereupon, in the next "take," Cooper grabbed Miss Neal with such fervor that she, attempting resistance, nearly broke both of her thumbs against his manly bosom. They had to be taped before she could finish the scene.

Sherman Is Cited As Family Man, Veteran Resident
Arthur G. Sherman, candidate for congress in the 14th District, is a life time resident of Detroit's East Side. Mr. Sherman is the son of the late Dr. G. H. Sherman and Mrs. Matilda Huegel Sherman. Dr. Sherman is well remembered by his many patients on the East side of Detroit. Dr. Sherman founded the Sherman Laboratories which have been located on East Jefferson for 34 years. His son has been managing this business since 1924.

Arthur Sherman was born in Detroit on St. Aubin Avenue near Waterloo in 1890. In 1915 he moved to Ashland Avenue just South of Jefferson. He lived on Fox Creek for 25 years. Motor boating has been his hobby since 1905 which sport he could readily enjoy through access to the river. He attended the Norval grade school, Eastern High and University of Michigan.

He was the first to manufacture and popularize the house type trailer for touring and recreation. Many thousands of Covered Wagons were built by him in the 16 years he conducted that business.

He is very much of a family man. His wife, Mary Coumans Sherman, and six children attest to that fact. The four oldest children are now married and have children of their own. The names of the children are Arthur, Jr., George, Marjorie, Ralph, Claire and Don. The three boys, Arthur, Jr., George, and Ralph saw service in the past war. Each of the boys were in service for three years or more.

Mr. Sherman is now 58 years of age and is transferring most of the responsibility of his business operations to his sons. This will allow him to devote his time and energies in an honest effort to straighten out the deplorable mess into which our government has floundered. He believes the first step which must be taken is to bring the price of food down to earth. He desires to devote his remaining years to helping solve the problems facing our nation. In this way he feels he can repay the debt he owes for the opportunities granted him by those who made this nation great.

Rabaut Seeks Re-Election
Louis C. Rabaut, Democrat of the 14th District who served with distinction for twelve years as a Representative in Congress of the United States is campaigning for the Democratic nomination to that National Body.
His slogan is "The Price Tags Belong to You," further more he charges, and he talks from experience, that the Republicans two years ago were running on promises. Today they must run on the performance of the 80th Congress and the finger prints of the Republican party are still in evidence on the choked throat of the Price Control Bill.

Coach Oosterbaan Cites Trainers Work

Jim Hunt, curly-haired little Michigan trainer, is credited with a large share of the Wolverines' football success last year by Head Coach Bennie Oosterbaan.

"Hunt did the greatest job I have ever seen in nearly twenty-five years at Michigan," Oosterbaan said. "Without him we would not have had Chappuis in the Rose Bowl game—we might not even have had him for Michigan State, the opener. Bump Elliott, Jack Weisenburger, J. T. White and several more of our regulars would have missed several games if it hadn't been for his remarkable work. For my money he is the finest trainer in athletics today."

Hunt, formerly head trainer at the University of Minnesota, came to Michigan last year to direct training room activities for the Wolverines.

Basketball on Horseback

As if the five contest events that are included in each rodeo performance did not constitute enough danger, the cowboys have just invented a new type of mayhem, namely, basketball on horseback. Sport fans will get their first glimpse of the roughest of all games when king of the cowboys, Roy Rogers, brings his world's championship rodeo to Detroit for a 12 day run at the Olympia starting Wednesday, September 15 through the 26th.

EAGLES ARRIVE FOR GAME

After meeting the Chicago Bears Saturday, August 28 at Indianapolis, Ind., the Philadelphia Eagles returned to their training camp at Saranac Lake, N. Y.

They left Saranac Lake by train Wednesday, arriving Thursday in Detroit for their exhibition game with the Lions. Thirty-eight Eagles made the trip.

SPONSOR POW WOVES

Nine Prospector's Pow Woves, one for each of the nine geographical districts which make up our Local Council territory, will be held from 9:00 a.m. to 9:00 p.m. Saturday, September 18. Each District has selected an appropriate Pow Wow site within its own boundaries, in which both indoor and outdoor sessions can conveniently be held.

Briggs Beats Pointe, Wins Legion Title

The race for the championship in the American Legion Baseball League is over and Briggs holds the title! After defeating the Tom Boyd aggregation early last week, Briggs went on to win the honor by upsetting Learned Post on Sunday, 8-2.

Last week the local Legion Post was eliminated at Belle Isle when Briggs racked up a 4-0 shut-out. Bob Breen of the locals was charged with the loss. He was forced to leave the game in the seventh inning with the score at 2-0. At that time he had given up four hits. The Boyd nine collected only three hits—all singles. Russ Gregg, who pushed his batting average over the three hundred mark for the season, got one safety. Wayne Peterson and Claire Weaver were credited with the other two.

The Learned Post was defeated on Belle Isle, also by Briggs, 8-2, which assured Briggs of the championship.

Last week closed the season for the local athletes, and a very successful one at that.

Coach Bill DuRooyer was very pleased with the showing of his club. They placed second in the League race close behind the powerful Briggs nine.

Four of his boys were named by the Review as "Sandloters of the Week." Pitchers Bob Ruck, Bob Breen, Harry Edsall, and first baseman Russ Gregg were the honored players.

DuRooyer expects the majority of his men to return next season.

McDonald Seeks Business Methods

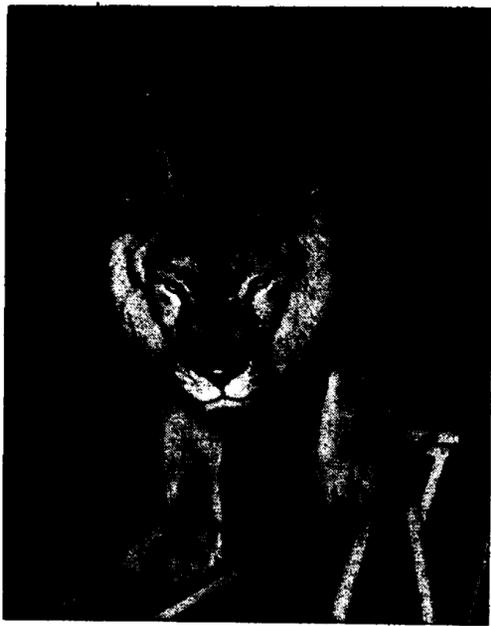

With a slogan of "More business in Government—less Government in business," Claude G. McDonald, successful Detroit businessman, overseas war veteran, east side resident, and Republican nominee for 14th District Congressman in 1942, is again a candidate for Congressman this year. He was not a candidate in 1946, when the present incumbent was elected, as circumstances beyond his control prevented him from entering the race. In the 1944 election, McDonald received more votes than any Republican Congressional nominee has ever received in the history of the 14th District.

In an interview with a representative of this paper today, Mr. McDonald stated, "It is my opinion that the 14th District has never been properly represented in Congress. This is one of the largest districts in the United States, both in population and in the size and number of industrial plants within its boundaries. Yet never has an adequate representative for both the industrial worker and the industrialist served the District.

Government is the biggest and most important business in the world today. Congress can be compared to the board of directors of a big corporation. The duties of a Congressman are to look after the interest of the citizens of the district which he represents and the country at large.

KIWANIS SPEAKER
Dr. Harold E. Stewart, assistant director of student activities of Wayne University, will be the guest speaker at the regular luncheon meeting of the Riverside Kiwanis Club on Thursday, September 2. He will be introduced by Charles W. Shull.

LION WIRE WALKER

Terrell Jacobs, celebrated animal trainer and performer, and his group of wild animals, to be featured at the Michigan State Fair at Detroit, Michigan from Friday, September 3rd to Sunday, September 12th, will present one of the most amazing animal tricks ever developed under the Big Top—the wire-walking lion. As Jacobs holds his cage full of snarling cats at bay, this cat mounts the wire and walks from one end to the other, as his natural enemy, the tiger, lines the route. They will perform daily from Friday, September 3rd to Sunday, September 12th.

Optimist Nine Captures Pointe League Title

Last week marked the end of the regular season for the Pointe Junior Baseball League and the winning of the title by the Optimists.

The champions boasted a very successful season by grabbing top honors throughout the first half of the season and continuing on to capture top honors for the year. They were undefeated in the last half until their final game last Sunday.

In the only scheduled game, Mike Wallace of Metropolitan won himself a ball game over the champions, 15-7.

The game was a real slugfest that brought the Optimists to their knees for the first time in the second half of the season.

2 Teams Bid for Softball Title

DeFours and Surface Grinding were scheduled to begin a three-game title series early this week to determine the champion of the Neighborhood Club Softball League.

Both clubs are survivors of a two-game knockout playoff that began two weeks ago with eight teams competing.

Following are last week results: Pagoto 7, Roose Vanker 5. Surface Grinding 7, AmVets 3. Surface Grinding 10, Hudson AA 4. DeRoures 5, Roose Vanker 3. AmVets 6, Pagoto 3. DeRoures 4, AmVets 1.

Willie Loses One

Willie Heston, first Michigan All-American halfback in 1903-04, made only 92 touchdowns—not 93 as the record shows, during 1901-04.

The authority for this statement is Willie Heston himself, who now lives in Willis, Mich. "I'm sure I'm right," declared Heston. "I tried to keep an accurate count when they started to run up. The newspapers claim I made a hundred touchdowns, and Coach Vost always had me around 95 or more, and the team manager finally got it down to 93. But my own figures show 92. Not that it makes any great difference at this late date—but I like to be accurate about it."

Retired Judge Heston will observe his seventieth birthday, Sept. 11.
