Woods Residents To Vote On \$81,000 Bond Issues Council To Study New Plan

POINTE PARAGRAPHS

Mayor Sigler more or less the show from his distinguished guests Friday night at the Temple while he was bidding to introduce Earl Warren, Michigan candidate for vice president to a coast-to-coast radio broadcast.

Governor's extemperate remarks struck the right note with thousands present.

Among those who were very conspicuous on the stage in the front were Grosse Pointe's Fred W. Brucker, former Michigan governor.

Michigan State's star guard Ed Hanson was the fifth man in the lineup, Saturday at Lansing needed no introduction to the many Grosse Pointers who watched the two elevens battle. He recalled Ed as a "potent" fellow who was a "potent" fellow with Fordson High in its heyday with GPHS a few years ago. Ed won All-State Prep honor.

President Homer E. Fritch to contact other Pointe officers to enact a joint proclamation October 24 be observed as the "Pointe Grider of the Week" appears in this week's section.

Grosse Pointe Lions will sing "Happy Birthday" tidings this week to past president Carl Warkentin, Grosse Pointe Township supervisor.

B. T. Morrow, 511 Lakeview road, certainly deserves some award for her showing at recent Michigan State Fair. She received 20 citations in the Dog, Preserving and Cookery classes.

George Agassian of the Early American Dining room was host of the Kiwanis Club last Tuesday special dinner. Guest speaker Joseph Q. Mayne, executive secretary of Detroit Round Table Catholics, Jews, and Protestants.

W. Wakefield was among the guests present at the Lions club's banquet last week at the neighborhood Club. Also on hand was Louis D'Annunzio, Tiger and Hubby Walker, former outfielder.

FATAL HEART ATTACK

Park Police reported that Ed F. Ford, 62, suffered a fatal heart attack Thursday, September 24, while sitting on the porch in the rear of 1129 Park.

Residents Seek To Close Road

A petition to close Maumee road at the village limits on Cadieux was presented to the Park Council Monday, signed by 30 residents of Maumee, Kensington, Harvard, and Cadieux.

Maumee which is a through street in Grosse Pointe City extends four blocks within the Park limits to Kensington.

The residents, seeking to preserve the residential appearance of the area, hope to have the council block the street at Cadieux, erect a sidewalk down the center of the present street and provide appropriate landscape.

Dr. William N. Moffett, of 1024 Harvard, spokesman of the group, stated that the road at the present time creates a traffic hazard in the community.

"Many motorists coming from the neighboring community speed through our section before turning off Kensington. The blockade will force them to turn off at Cadieux eliminating this constant danger," Dr. Moffett said.

Dr. Moffett added "within the near future the Bon Secour Hospital, Cadieux near Maumee, will enlarge its building considerably causing new parking and traffic problems. By closing Maumee now the village can escape this headache."

Though Dr. Moffett did not estimate how much the transition would cost he felt that the expense would be small.

"No water mains or fire hydrants would have to be moved and all the work will be on the surface," Dr. Moffett explained. The council authorized Park Manager Lane to study the matter and present a report at the next council meeting on October 11.

During this October meeting the council will also conduct a public hearing regarding the closing of the dead-end block of Gothe at Maryland.

The request for the closing was made by First Christian Reformed Church which occupies the property adjoining the street. At their own expense, the congregation would like to convert the road to off-street parking area and a play center.

Approve \$25,000 Sewage Project

A \$25,000 sewage project will get underway within ten days in Grosse Pointe Park on the Beaconsfield avenue area south of Jefferson.

The work will be done by public works employees under the direction of Herbert L. Heger, village engineer.

The Park Council approved this action during its Monday session when Village Manager Lane disclosed that residents in this area suffered greatly with flooded basements during heavy rainfalls.

Lane said that the new sewage would relieve this problem. He said that the project should be completed in approximately 35 days.

The village manager said that the money has been appropriated in this year's budget for the work.

Safety Patrol Boys See Midget Car Races

Approximately 50 safety patrol boys from Maize School attended the midget racing car races at the Motor City Speedway Monday as guests of the management. Andy Barto.

The party was one of the many treats for Grosse Pointe safety patrol boys arranged by Jules Deardoff, City police officer in cooperation with this newspaper.

THEY WILL REPORT ON LOCAL SCHOOLS' ACTIVITIES

Representing one of the best interclassical reportorial staff of any Michigan newspaper is this group of junior correspondents who will report on the activities of local schools exclusively for the Grosse Pointe Review. From left to right, standing, they are Mary Langs, of Grosse Pointe Country Day, John Engelhard, of St. Paul, Johnny Sanford, Grosse Pointe High, Chuck Peters of St. Ambrose and Rita Leithauer, of St. Paul. Seated behind the typewriters are William Hester, of Detroit University School, and Norma Neeb, of Grosse Pointe High, who will author the popular "Teen Talk" column this year. Boys and girls who have news items that may be of interest to the entire school body are asked to contact their school's correspondent.

Clerk Plans To Assist Local Voters

Expecting a record turnout at the November 2 election, Norbert Neff, Grosse Pointe City clerk, is making plans to expedite matters by conducting classes in how to cast a ballot accurately for the many men and women who will be voting for the first time and others.

He expects to hold his first class shortly after registration ends on Wednesday, October 13.

Mr. Neff said that many voters cause unnecessary delays by spending too much time in the booth. He said that one person during the recent primary was in the booth for 45 minutes.

The veteran official also advises the many women voters who are home most of the day to arrange to vote during the noon hours when the turn out is the lightest.

"During the primary we registered more than 100 voters in half-hour morning and evening periods. But in corresponding periods during the mid-day we averaged about 15," said Mr. Neff.

Fire Damages 2 Park Homes

Fires on Beaconsfield avenue kept Grosse Pointe Park firemen busy Saturday and Sunday.

A spark from a neighbor's chimney started a fire at the four-family flat at 1096 Beaconsfield Saturday noon. Damage to the roof and attic was estimated at \$4,000 by Fire Chief Rector.

The property is owned by Earl Michaels, 1142 Nottingham.

Chief Rector said that his men were called back to the scene of the fire Sunday morning when the garage was on fire. The fire officials said that sparks from a neighbor's chimney also started the garage fire. Damage was slight.

A faulty fireplace fire is reported to have caused a fire at the home of William Johnson, Park controller, 1100 Beaconsfield. Damage was estimated to the Johnson living room at \$500.

THROWN FROM HORSE

Janet Allen, 16, 150 Westchester, suffered slight injuries and shock when she was thrown from a horse at the Grosse Pointe Hunt Club. She was treated at Cottage Hospital.

MARKS 50th YEAR

Farms Police Chief Walter Hoyt will mark his 50th birthday early next month. He is a veteran of both World Wars.

GPHS Mothers' Club Begins Program of Wide Activity

The Mothers' Club of Grosse Pointe High School will begin its program of activity for the school year on Monday evening, October 4, at 8 p.m. at the school.

ALL FATHERS AND MOTHERS of the students at Grosse Pointe High School and Brownell Junior High School are invited to enjoy a social evening, and meet the parents of their children's classmates. A beautiful colored travelogue of South America will be shown.

Mrs. Bert Spurrier is chairman of the evening assisted by Mrs. Leon K. Lindahl, social chairman and Mrs. C. M. Weinheimer, hospitality chairman.

In a special letter to mothers of students of Brownell and Grosse Pointe High schools, Mrs. Charles B. Lord president of the club stated:

"Every mother is invited to become a member of The Mothers' Club and to participate in its program. The object of the organization as set forth in its constitution is to benefit the students of Grosse Pointe High School, socially and financially and to interest the mothers of the community and teachers in the club work." I believe you will agree that this is an ambitious and worthy aim.

"Our club acts effectively as a parent-teacher organization, working closely with teachers, parents, and students for the best interests of all. It is with this idea in mind that Open House are sponsored, as are special group activities and other projects. At the time of commencement, a reception is provided for the graduates, their parents, and friends. In addition to the usual services of a parent-teacher association, scholarships are awarded each year to graduates who meet certain requirements. In fact, in every way possible, The Mothers' Club works to carry out its purpose.

"The budget is necessarily a substantial one and you will wish to know just how the money is raised. Club memberships, dues are one-dollar per year, sponsorship of Pointe Player performances, an annual bridge party, and the neighborhood groups, provide the main sources of income. Perhaps you would like to join one of these groups in which members enjoy cards, sewing, book-reviews or some other interest. Many mothers work on our various committees. These are all splendid ways to make new friends and they are of material assistance, as well. These activities are optional, however, and membership in no way makes participation an obligation.

'Yes' Vote Needed for Progress

Qualified residents of Grosse Pointe Woods will go to the polls Monday at a special election to vote on four important proposals affecting the development of the village.

The polls will be open from 7 a.m. to 8 p.m. The proposals are:

- 1—Purchase of Fire Apparatus, \$20,000.
- 2—Municipal Building Improvement, \$20,000.
- 3—Milk River Development, \$41,000.
- 4—Sale of the Gratiot Township portion of Mack Park.

The first three proposals, if accepted, will be financed by a \$81,000 bond issue.

Alois A. Ghesequire, Woods president, who in previous articles appearing in this newspaper expressed the need of a "Yes" vote on the four proposals, again points out the necessity of a favorable action:

1—FIRE APPARATUS
"Our present apparatus consists of one truck which is a combination pumper and ladder truck. It was purchased in 1937. Although it has been greatly improved in operation since that time, it is now bordering on the inadequate because of our rapid growth since that time and because of the definitely foreseeable future growth of the Village. This additional apparatus and some minor additions to and reorganization of personnel should reduce our fire insurance rates somewhat to bring them in line with those paid in other Grosse Pointe Municipalities.

2—MUNICIPAL BUILDING
"This money would be used primarily for an addition to our existing Municipal Building to house the old and new fire apparatus. This would also permit some minor re-arrangement of the Police and Village offices to make for somewhat more efficient working conditions.

"Last March a \$40,000.00 bond proposal to build an addition to this Municipal Building to provide more room for all Departments was defeated. This was defeated because the voters made a definite decision not to sell the Municipal Building and Park Site between Kenmore and Huntington Avenue, and it was felt that spending that amount of money on the existing building at Anita and Mack was not logical in view of the prospect of building a complete new Municipal Building on that site between Kenmore and Huntington in the not too distant future.

"For these reasons some are asking 'Why still insist on building?' The reasons that led to this decision are:

1. A complete building of the size and architecture we need and want will cost upward of \$125,000.00. This is somewhat

Married Woman Attacked By 4

Four men were arrested by City Police last week for criminally attacking a 29-year-old married woman in a car parked near 17443 E. Jefferson.

The men, all of Detroit, ranged from 21 to 30 years of age.

Police said the men became friendly with the woman when they saw her drinking alone in a bar in Detroit. They offered to take her home on Lemay also in Detroit. However after she entered the car, the men sped out to this area where she was attacked.

Police said they released the four pending a warrant filed by the woman.

Schweikart May Leave Draft Board Position

Carl Schweikart, Grosse Pointe Township supervisor, stated that he may resign as Chairman of Draft Board 87 which serves Grosse Pointe and East Side Detroit.

He said that his duties as Township supervisor and as Chairman of the Wayne County Board of Supervisors required his full attention and that he felt he was unable to give the board position the time and effort necessary.

AVOID RUSH Local Offices Now Accepting Registrations

All Grosse Pointe municipal offices are now accepting registrations for the presidential election November 2.

The offices are open daily from 8:30 a.m. to 4:30 p.m. and until noon on Saturday.

The deadline for registration is Wednesday, October 13.

Don Goodrow, Township clerk, and Norbert Neff, City clerk, both warn that no registrations will be accepted after that date.

Mr. Goodrow announced that the Township office will be open until 8 p.m. on October 8, 11, 12, and 13. Mr. Neff disclosed that the City office will be open until 8 p.m. on Oct. 8 and 13.

Both officials urged residents to register now and avoid last day waiting in line.

The two clerks expect a record vote.

Blasts Rock Local Homes

Several explosions at the corner of Mack and Bluehill caused considerable damage to homes in Grosse Pointe during the past week, Grosse Pointe Park and City Police disclosed.

Police said that the explosions were effected by the Michigan Blasting Co., of Grosse Ile, Mich., which is blasting dirt away for erection of a sewage pumping station at that location.

A spokesman of the company said that his company was fully insured and that it would cover any damage to local property. He said that they were through blasting.

Police said that they received approximately 50 calls complaining about the blasting.

WOODS RESIDENTS URGED TO VOTE "YES"

Grosse Pointe Woods residents can give the village, suffering from growing pains, a good tonic by voting yes on the four proposals at the polls Monday, October 4.

Three of the proposals if accepted will be financed by an \$81,000 bond issue. The money will be used to purchase a new fire engine and other fire protection equipment, to improve the municipal office building and to develop the Milk River drainage system.

The fourth proposal is a request to sell the Gratiot Township section of the village's Mack Park.

The advantages and feasibility of the need of a favorable response at the polls Monday have been described at length by this newspaper during the past several weeks.

At the present time the fire department, the municipal building and the Milk River drainage system are not adequate to meet the demands of a growing community.

The sale of the portion of Mack Park will not curb the village's expanding recreation program as that property was never included in village plans. The money from its sale will be used to the best interest of the village.

A "yes" vote Monday will not solve these problems completely but it will be a long step in the right direction. A step that will show the administration that the people are in accord with their plans for progress and development.

Be Sure To Vote Monday.

FIRE PREVENTION

"Six times as many Michigan people die in fires in their own homes as die in public building fires," Dr. Albert E. Heustis, State Health Commissioner warned Michigan residents today in urging every family to participate in National Fire Prevention Week October 4 to 9.

"Each family should spend some time during Fire Prevention Week checking on precautions which may save lives," the Commissioner said.

These are some of the things you can do.

See that all matches are far out of reach of children. Provide a metal container for used matches; let no person throw them into the waste basket.

Check the smoking habits of your family. Let no person smoke in bed. See to it that there are sufficient ash trays in the various rooms. Check your cigarettes to be sure they are completely extinguished when discarded.

Have your furnace or heating equipment, its flues and chimney cleaned and thoroughly checked for faults, cracks, loose bricks or rusted out places.

Be sure that every gasoline container is so marked that it cannot be mistaken for kerosene. Allow no one to use inflammable cleaning fluids for clothing, floors or furniture within the house.

JUST COMMENT

The local political picture is off-ocolor in more ways than one. While the nation's political leaders are shadowed by the Red menace, our Mr. Brucker and others are threatened by Black.

Our Draft Board Chairman would like to resign—wonder what would happen if all those slated for induction felt the same way.

Civilization moves forward only on promises that are kept.—Herbert Hoover.

The Congressional vote of 1946 showed Republican strength sufficient to win 362 electoral votes—96 more than needed—if the presidency had been at stake.

People who toss eggs at political speakers have no concept of fair play—or the price of eggs.

Kanzler Heads Art Committee

Mrs. Julius H. Haas, president of the Detroit Museum of Art Founders Society announced the appointment of Ernest C. Kanzler, as chairman of the membership committee.

Mr. Kanzler, who resides at 241 Lakeshore road, stated that any institution which can attract more than 138,000 visitors in 17 days as the Detroit Institute of Arts has done during the Berlin Masterpieces exhibition, must have an important future in community life.

"Most of the works of art must be acquired by Founders Society memberships. When people of Detroit and Grosse Pointe understand this, I believe that we will soon approach Chicago's enrollment of 10,000 in their art association membership," explained Mr. Kanzler.

Doctors To Study Children Diseases

Healthier babies and children in Michigan is the objective of special postgraduate courses in pediatrics offered at the University of Michigan Hospital for practicing doctors.

Two types of courses will be given this year at the Hospital for physicians who wish to come in for refresher work and for instruction in new techniques and developments in treating the diseases of children. One will be a short course, Oct. 27-30, for the special benefit of specialists in pediatrics. Recent advances in prevention and treatment of communicable diseases will be emphasized.

During the first two weeks of each month a special class in pediatrics for general practitioners will be offered at the hospital. A group of from four to six doctors will be admitted for each two-week period. This course is co-sponsored by the Michigan Department of Health and Michigan State Medical Society and part of the faculty will be drawn from those organizations.

Handicapped Visit Schubert-Lafayette

A large group of handicapped adults, many in wheelchairs and on crutches, gazed and marveled at the famous wizardry of Blackstone last Wednesday evening as guests of the Schubert-Lafayette Theatre.

The theatre party, sponsored by the Review, was arranged by Manager David Niederlander, who offered every convenience possible for their enjoyment.

The affair was especially enjoyed as a surprise treat for a group of National officers of Spastics of America, who were in town for their National Convention.

Also present were members of Handicap, Inc. and Lodge 72, American Federation of the Physically Handicapped, Inc.

HIGH SCHOOL DEBATERS

Hundreds of Michigan high school students will debate the issues of a proposed federal world government this year under the direction of the Michigan High School Forensic Association.

PHONY STORIES

Pointer Calls Lincoln Historians "Hacks"

When a certain Kentucky father casually dropped a remark doubting the authenticity of Kentucky's enshrined cabin as the actual birthplace of Abraham Lincoln, Roy Hays, of 925 Nottingham road, would someday question the remark. Or that his investigation in the matter would cause a nation-wide furor among Lincoln fans and historians.

But that is exactly what happened to start Roy Hays off on his investigation that lasted almost ten years and ended with the result of an article about it in the Abraham Lincoln Quarterly, plus United Press releases in several leading dailies, and a flood of "fan" mail both complimentary and jeering in its tone.

Of course Hays understands that most folks don't care to have "popular beliefs" about American tradition questioned, but, being an experienced claims investigator for an insurance company, he stuck to his own principle of demanding true historic facts instead of "romantic fiction" written by so many so-called "historians" whom Hays refers to as "hacks."

The first step Hays took to determine that the log cabin preserved at the Abraham Lincoln National Historical Park in Hodgenville, Ky., was a fake was by delving into all old World Fair records to see if they had shown any display of Lincoln's birthplace. He remembered many "old timers" mentioned that it was exhibited at a Chicago World's Fair in 1893 which didn't check with its existence date of 1895.

Remember?

20 YEARS AGO Grosse Pointe police officials were planning to establish a motorcycle squad to check traffic violators. A \$10 towing fee was suggested by the AAA for anyone whose car had to be towed to the police pound for improper parking.

15 YEARS AGO Keynote speaker at a Community Benefit Drive was Mrs. Russell Alger. She made an appeal to residents to contribute to the worthy cause.

A tour of local public schools by Board of Education officials found everything in order.

TEN YEARS AGO Wayne County Medical Association, cooperating with the Grosse Pointe Lions, completed plans for a baby clinic at the Hotel Statler. Four hundred attended the women's democratic meeting of the 14th Congressional district at the Knights of Columbus Hall.

FIVE YEARS AGO A Telephone poll indicated that residents highly favored a \$150,000 bond issue for an addition to Mason School.

ONE YEAR AGO Andrew Wedyke, Jr., 5, of 968 Vernier road, was taken to Saratoga hospital last week after being struck by a car on Vernier road near Vernier Circle.

A high mass of thanksgiving was sung by Father Van Antwerp at St. Ambrose Church Sunday in honor of Mr. and Mrs. M. J. Theisen, who celebrated their 50th anniversary.

The only time a civil rights measure was passed by Congress (1942) — exempting service men from poll tax—Senator Truman and Senator Barkley voted against it.

LS CAB DRIVER

Capture of One-Armed Murderer Unusual Case for Farms Chief

EDITOR'S NOTE: This is the first in a series of five articles on "My Most Interesting Case" told by the Police Chiefs of Grosse Pointe to E. Denslow, the Review staff.

By E. DENSLAW

In November 1940 a Grosse Pointe murder made Lt. James Furton, a patrolman, figure prominently in the capture of a murderer, according to Grosse Pointe Police Chief Walter Hoyt, also connected with the case, is a recent man, loath to tell of his own achievements, but loath to cite those of his officers.

That November night, somewhere in Detroit, a man stepped into a taxi, quickly told the driver not to turn around and to get going fast to the end of any unlighted road. The driver obeyed, without a glance at his passenger, as the man covered him with a gun. He drove to the end of Calumet, a dark spot in those days. There, the passenger suddenly leaned over, swung the wheel sharply and dashed the cab into a strong steel fence. Later, he learned that the man intended to wreck the cab in the hope of knocking out the driver, rob him, and bolt.

His plan miscarried because the cab was not wrecked; merely banged up some. He then ordered the driver to proceed to Mack Avenue, directing him from there down roadstone, a dead-end street, very dark. Here the thief, still holding the gun on his victim, made him leave the cab. He repeatedly cautioned driver not to turn around. Curious, the driver looked over his shoulder. Immediately he was shot in the back by the thief. One bullet went right through him; another went wild. His assailant then robbed him and fled.

The mortally wounded man crawled to the nearest house and police were called. As the Woods had little equipment then, Farms police took the cab driver to Cottage Hospital. Now, as then, Grosse Pointe districts cooperate whenever necessary.

Conscious, the cab driver told police about the man who had shot and robbed him. "He kept telling me not to turn around. Now I know why. He had only one arm."

A tip from someone listening to a short wave radio came in and minutes later the one-armed bandit was arrested on Calumet near McKinley by Officers James Furton, Albert Crooks, and William Dansbury. The weapon, a 30-caliber revolver, and the cab driver's wallet were found on him.

Taken to Cottage Hospital and identified positively by the cab driver, the man confessed calmly. The cab driver died four days later. His murderer was given 20 to 60 years in Jackson Prison. The 23-year-old thief and murderer was extremely self-possessed throughout. His head arm, not the result of war or accident, was malformed at birth; a shriveled stub. Said he, "I had to have money... lots of it... or girls wouldn't go out with me."

Walter R. Hoyt was appointed Farms Police Chief in 1946... coincidentally, on his birthday; is 58 but doesn't feel it; spent 19 months with the Army in World War I; 2 years with the Navy in World War II.

Woods Election

(Continued from Page 1) more than we can afford to spend at present. 2. Building costs are extremely high at present and it would be better to wait to make the larger expenditure until these costs become more stabilized or there is an economic recession, or Federal funds become available for such projects. 3. The addition to our present building would be only sufficient to meet the most necessary needs as a sort of stop gap and would be so designed as to be easily converted into a store building when it is to be sold after the new building at the Mack Park Site is completed. This would result in no great financial loss to the Village and would relieve our immediate most urgent needs.

MILK RIVER

3. "In Grosse Pointe Woods, because of our peculiar geographical location, we being situated downstream from nearly everyone of our neighboring Municipalities, we have drainage problems always with us. The rapid building of homes and installation of pavements adds to them. These cause storm waters to run off into our sewers and into Milk River more rapidly than when the areas were just vacant ground. "During the past four years a number of the problems have been reduced by the installation of a new pumping station, added pumps and underground electric services to the stations but now we have another serious problem, the flooding over the banks of the Milk River during severe storms. "The work to be done with the \$41,000.00 requested in this proposition No. 3 would reduce to a very great degree this flooding over the banks. This work would consist of clearing the muck and vegetation out of this stream, widening it in some of the more constricted sections, and replacing four bridges with new ones of a longer span to eliminate the constriction of flow at those points. "The Milk River is our only outlet for all of our storm water and it is of vital importance that a free flow be maintained at all times.

VILLAGE STREETS

"During the past two weeks surface treatment has been applied to seven streets within the village covering approximately 60,000 sq. yds. There still remains about 5,000 sq. yds. to be applied. However, completion date of this contract will be before the end of this week.

BUILDINGS

"Forty building permits were issued during the past three months with a total valuation of \$619,400.00. "For the same period in 1947, forty-two permits were issued with a valuation of \$500,250.00, covering 21 dwellings, 3 commercial bldgs., 9 minor bldgs. and 9 addition and alteration jobs. The increased valuation of some \$100,000.00 over 1947 is due in some measure to the higher building costs, as there were 2 more permits issued in 1947 for the same period."

HALLOWEEN FRANKS

Teen-agers are believed responsible by Woods Police for the Halloween vandalism at McCormick School, Mack at Hampton; and at the Woods Community Club, Mack at Ridgmount.

HELPS FARMS FIREMEN

Grosse Pointe Farms' Fire Department's pumping engine was laid up for ten hours Monday for motor repairs. During the work, Grosse Pointe City fire department was requested to stand by.

Police Seek Check Artist

Victor P. Lucia, 32, of Detroit, is being sought by Farms Police for passing fraudulent checks amounting to close to \$2,000 in Grosse Pointe stores.

Police said that Lucia's two accomplices Charles and Joseph Sansome, also of Detroit are being held by Detroit Police.

Lucia is described as 5 feet 10 inches tall, 230 pounds and a neat dresser. He usually visits bars and he calls for "club and water".

"The reasons for getting permission to sell it are:

- 1. It is outside of our Village and therefore somewhat more difficult to police, fence, and to install improvements. 2. It will permit the Village Commission to take the most advantageous offers or pick the best time for the sale. Offers would be received from anyone interested in it to use it strictly for residential purposes. A restriction would be put on the land when sold to make sure that the homes to be built on this site, if sold, will be in keeping with the character of the homes in the Woods. 3. It would help some in our debt financing. The proceeds received from the sale would be deposited in the sinking fund to pay off the bonds sold to purchase the entire site. This would reduce to some degree the money to be raised annually by taxation to pay off these bonds."

FOR OVERSEAS' XMAS

"As Goes Maine--So Goes the Nation" Saying Debunked by Noted Historians

The saying "As goes Maine--so goes the nation" has been debunked by historians compiling statistics for the new World Book Encyclopedia. According to the experts, Maryland--not Maine--is the more accurate indicator of national voting trends.

Table with 2 columns: Year, Party, Percentage. Rows include 1884 (53.0% Democratic), 1888 (51.4% Democratic), 1892 (55.1% Democratic), 1896 (56.6% Republican), 1900 (52.6% Republican), 1904 (50.0% Republican), 1908 (50.1% Republican), 1912 (67.2% Democratic), 1916 (54.1% Democratic), 1920 (56.8% Republican), 1924 (52.3% Republican), 1928 (59.8% Democratic), 1932 (62.7% Democratic), 1936 (58.7% Democratic), 1940 (51.8% Democratic).

Grays Spend Month Abroad

William T. Gray and son, Ralph, of 628 Notre Dame, returned last Thursday by plane from a month's visit in Mr. Gray's native Scotland.

The trip was made via airplane from Windsor, to Toronto, Iceland and England and the return by the same route. Cruising in a Stratoliner, at 283 miles per hour, the trans-oceanic flight was made in 14 1/2 hours from Toronto. The Grays visited Mr. Gray's father in his "old home town" of Dundee, Scotland. The entire month was spent visiting Scottish and English cities, including Dublin and Edinburgh. While in London, they visited Buckingham Palace, Westminster Abbey and St. Paul's Cathedral, where so many internationally known men of letters and literature are laid to rest.

Lincoln

Continued from Page 2) very first missive received from a prosecuting attorney of a Kentucky County who was highly pleased with the article and felt it was entirely sound. This alone was quite gratifying, if surprising, to Hays and will perhaps bolster his courage to proceed with another Lincoln "fraud" he is contemplating revealing it thoroughly. This matter tigate it thoroughly. This matter is concerned with Lincoln's father. Whether Thomas Lincoln was actually a "real backwoodsman" or merely depicted so by the romantic "historians" will remain to be seen by this native Kentuckian who believes only in facts, no matter what the "historians" say.

Table with 2 columns: Year, Party, Percentage. Rows include 1884 (50.3% Democratic), 1888 (50.4% Democratic), 1892 (52.0% Democratic), 1896 (53.1% Republican), 1900 (50.0% Republican), 1904 (50.0% Republican), 1908 (54.5% Republican), 1912 (64.3% Democratic), 1916 (61.8% Democratic), 1920 (63.8% Republican), 1924 (65.2% Republican), 1928 (58.7% Republican), 1932 (59.1% Democratic), 1936 (62.2% Democratic), 1940 (54.9% Democratic), 1944 (53.7% Democratic).

An examination of Maine's voting record since 1884 reveals only 50% accuracy. In the 16 elections, Maine's majority vote was for the winning candidate only eight times. Residents of the states of Arizona and New Mexico also have exhibited remarkable accuracy in picking winning tickets. These two states have shown a majority for the victorious ticket in every election. Their records do not equal Maryland's because the Presidential race of 1912 was the first election in which the two new states participated, while Maryland had maintained its record since 1884.

According to the World Book historians, Washington is another state to watch when predicting national voting trends. The vote in the "Evergreen State" has shown a majority for the winning ticket since 1916. In recent years, Washington's percentage vote has closely paralleled national returns.

**Dawn Osius
Plans to Wed**

A teal blue crepe with match-
ing lace yoke and sleeves and a
rubrum lillie corsage was chosen
by Dawn Osius, of Washington
Road, when she received with her
mother, Mrs. Theodore G. Osius,
at her betrothal announcement
cocktail party last Saturday after-
noon.

DAWN OSIUS

The announcement of her en-
gagement to Herbert Vivian Book,
Jr., son of Mr. and Mrs. Herbert
V. Book, of Meadow Lane, was de-
picted in a poster of a young
couple "on top of the world."

As hostess to the affianced
couple's friends, Mrs. Osius ap-
peared in an afternoon gown of
cocoa brown lace complimented
with touches of green. A cluster
of toast-colored pom pom chrysan-
themums adorned the waistline.
Autumn flowers about the house
harmonized with the centerpiece of
fugl chrysanthemums and coral
carnations upon the table.

Miss Osius, an alumni of the
Grosse Pointe Country Day School
and the Endicott Junior College,
was presented into society in the
spring of 1947. Herbert served in
the Air Corps for four years, later
discharged with the rank of lieu-
tenant.

the meetings.

WORK ON BAZAAR ARTICLES

The newly organized Women's Guild of the St. James
Lutheran Church, now meeting in the Punch and Judy
theatre, expect to be in their new church in time for their
fall bazaar in December. Meanwhile the group meets every
two weeks at the home of Chairman Mrs. William Fenske,
1520 Torrey road, to make aprons, linens, childrens clothing
and many other articles which will be sold at the bazaar.
In this group from left to right are Mrs. Joseph LaForet,
Mrs. Frank L. Mumford, and Leo J. Carr.

**Motion Picture Council
Fashion Show Nets \$1,800**

More than \$1,800 was raised for
the establishment of a sound-film
library for Grosse Pointe civic and
educational organizations at the
Fall Fashion Show, held last week
by the Grosse Pointe Motion Pic-
ture Council.

The show, at the Woods The-
ater last Friday, was "a complete
success," according to Mrs. Daniel
Hemmel, president of the Council.
Approximately 2,000 Grosse Pointe
women attended, and 88 were given
attractive prizes, which were on
display in the theater lobby be-
fore the show. Mrs. Joseph Mur-
phy was general chairman of the
show. On the stage to award the
prizes were Mrs. Fred Mosdale,
Mrs. Robert Hays and Mrs. Daniel
Guy.

"Fashion designers this fall have
given women back the shoulder
pads," said Dick Satterfield, Pow-
ers Model Agency manager who
officiated at the show. Concerning
the much-discussed question of
dress-length, he recommended that
skirts hang just below the calf of
the leg. He urged women to buy
clothes with an eye on their indi-
viduality.

**Alger Auxiliary
Sponsors Games**

On Friday evening, October 1,
a special Games Party will be
held in the Alger Club rooms at
17145 St. Paul avenue, at 8:30 p.m.
by the Ladies Auxiliary to Gen.
R. A. and Col. F. M. Alger Post
No. 995 Veterans of Foreign
Wars. The public is cordially in-
vited.

The Auxiliary will hold a reg-
ular meeting on Monday, October
4, at Alger Club at 8:00 P.M.

Fall activity plans will be dis-
cussed.

President Dorothy Frick an-
nounced several new appointments
at the last meeting. Bertha Has-
lett as banner bearer and Red
Cross chairman and Laura Ryan
as Rehabilitation chairman.

The part of the show devoted to
styles for children and 'teen agers
was regarded as a great success.
The lack of inhibitions of some of
the youngest models amused the
audience. Children's clothes shown
ranged from dress-up models to
play clothes and snow suits.

Teen Talk

By NORMA NEEB

Two birthdays that didn't go by unnoticed this week were Roy Bolo's and Betsy Waldbott's. Some sixty tenth graders gathered together Friday night on Lochmoor Blvd. for Roy's Happy Birthday. Among the many entering the fun of eating and dancing were Roy's date, Marcia Barbie Rose'n Ken Labadie, Jeanie Orebaugh'n Mike Van Ries'n Mike Wallace, Diane Mouton'n Pethic, Lee Eskridge'n Wally Moeller, Anne Glasgow'n Leach, Barb Fitzgerald'n Lu Neeb, Barb Clements'n Norm Harnden, Jeanie Salmon'n Bill Rupp, and Nancy Werber'n Jim Schoeck.

On the same night as Roy's Sleep, Well, maybe not. On the same night as Roy's Sleep, Well, maybe not. On the same night as Roy's Sleep, Well, maybe not. On the same night as Roy's Sleep, Well, maybe not.

Jeannie Webb had the girls over for a slumber party. They got up into the early morning hours were Patti Perrone, Wright, Carroll Grylls, Nan George, Jeanie Dawzer, MacRae, Doris Diesing and Ginny Granse.

Surprise, echoed through the Waldbott household Saturday noon, when an all gal session yelled Happy Birthday Betsy, just seventeen. Mrs. Waldbott had hot tuna a la for the guests to gobble down before trekking off to GPHS vs Ferndale football game. Those enjoying the were; Sally Andrus, Mariene Hutton, Marti Fairless, Candler, Susie Johnson, Barb Bauman, Barb Orphal, Johnstone, Marcy Weatherbee, all the ones who were at the Webb's and many many more.

Saturday was a wonderful day for our first football game. Eating hot dogs, drinking cider and cheering the team were Jeanie Swan, Di Wuerker, Dave Connell, Tom Auch, Lawler, Joanie Johnson, Ann Joop, Max Bates, Mac McLois Buck, Sallie Fernie, Char Smith, Marion Rennie, Ma George, Ann Watson, Larry Kennedy, Barb Mensing, Cruthers, Tony Pear, Joanie Massy, Judy Geblert, Murphy, Bud Lang, Don Osborn, Terry Donahue, Mari-Brown, Sigrid Olsen, Marcia Booth, and Elton Banford.

Remember—S. A. Dance Saturday night. "Scrimmage Amble" is the name and 9:00 to 12:00 is the time. Bill and his band are making the music, so . . . See ya . . .

LUTHERAN VEYS ELECT

Norman W. Mills, Army Air Corp. World War II veteran of 3213 Virginia Park was the newly elected president of the Detroit Lutheran Veterans Club at the annual elections meeting held on September 25, at 13314 Woodward Avenue.

Madeline Grace Hunt Is Wed To L.O. Weidman

Recently married at a candle-light ceremony in Wesley Chapel, Metropolitan Methodist Church before an altar decorated with white gladioli, carnations and daisies, were Madeline Grace, daughter of Mr. and Mrs. Lew Hunt of Beaconsfield Road and Leonard O. Weidman, son of the late Mr. and Mrs. Herman Weidman of East Detroit.

The bride wore a gown of white taffeta and lace, fingertip veil with lace tiara and tulle-of-the-valley. Her bouquet was of white gladioli and white purple centered orchid with baby mums fastened to the cascade ribbons.

Four cousins were her attendants. Shirley Thomas, maid-of-honor, and Marjorie Thomas of Kalamazoo, and Norma Conner of Grosse Pointe, bridesmaids, were gownned alike in white taffeta with

September 30, 1948

Dear Friends and Customers:—

Something like a year ago, due to the widening of Mack avenue, we were compelled to vacate our store and take up a temporary location, way down on Kercheval avenue in Detroit.

It was with very mixed feelings that we left, even temporarily, a neighborhood where we had made so many fine friends and enjoyed so many pleasant associations. We had a fine store; we had as fine a stock as was available during shortages and priorities; and, most of all we had hundreds and hundreds of fine friends.

We missed you, our fine friends, and you missed us . . . for the last we are most grateful.

So, at no little sacrifice, and in the face of unfavorable and difficult building conditions, we came back to our old neighborhood. We brought you one of the most complete hardware stores on the East Side. We put our tongue in our cheek . . . contacted our many suppliers, and ordered the newest and latest in hardware for you.

Since the time of our opening about a year ago, we haven't had time to put our tongue in our cheek, mainly because we've been too busy greeting you and offering our help on your household or building hardware needs.

In marking our first anniversary in our new store we want to express our deep-felt thanks to old friends and new.

Friday and Saturday, October 1-2, we are holding open house and invite you to pay us a visit.

Sincerely,

All of the "Gang" at Maskell's

Newcomers Elect Officers

The Newcomers of Grosse Pointe started out the season with a bang as they met Friday evening, September 24th in a barometer.

They had a turkey dinner at the Grosse Pointe Memorial Church followed by a business meeting with President, Mr. Robert Schaller, presiding. The high point of the meeting was the election of new officers. The officers elected were: Howard R. Poppen, President; Laurie W. Kanaga, Vice President; Ralph Lundberg, Secretary; Mrs. Ketchel Morien, Treasurer; Mr. and Mrs. Robert Risk, Membership Committee. The last two officers were elected by Mr. Poppen, the president.

The meeting was followed by a social hour to help get "newcomers" acquainted. The able committee who took charge of the evening was Mr. and Mrs. Bill Smith, chairman; Mr. and Mrs. Ralph Lundberg, Mr. and Mrs. Delia, Mr. and Mrs. Wayne Steel.

The new panel of officers of the Newcomers will hold a board meeting Sunday evening, Oct. 3rd at the home of Mr. and Mrs. Howard Poppen, 505 Pemberton Rd. to discuss plans for the year.

Anyone wishing to inquire into the Newcomers may do so by calling Mr. and Mrs. Robert Risk, Membership Committee — Phone TU. 1-5378.

Mary Louise Smith Sets Wedding Date

To Vie For Gray's Trophy

Continuing its interest in the youth of Grosse Pointe, Gray's Sport Shop, 108 Archwood Ave., is donating a trophy to the Neighborhood Club for the club's forthcoming Basketball League.

In the ten months since Roland Gray opened his shop, he has given much time and energy to developing interest and participation in various activities for the benefit of the youth of Grosse Pointe. Last Spring he procured the services of Jean Hoste, nationally known tennis coach, for three tennis clinics at the Neighborhood Club for "Pointer" children.

In June the shop staged a very popular fishing contest for young and old alike, and in July and August much of the success of the tennis classes supervised by Charles Palma, III, and arranged by Mr. Forest L. Geary of the Board of Education was due to Mr. Gray's unflagging interest and activity in personally teaching many of the classes.

Mr. Gray has plans now for events which will take place next summer.

HALLOWEEN DANCE

Saturday, October 30, 1948 is the date set by the Gabriel Richard Council of the Knights of Columbus, for its annual Halloween Party.

College Cliche

Each week the Grosse Pointe Review receives news items concerning Grosse Pointe students from colleges across the state.

According to this week's reports from college public relation directors Kathleen Gayle Richardson, daughter of the George Richardson, son, Jr., of 10710 E. Jefferson, has enrolled at Baldwin College, Saratoga Springs, N. Y., and Frank Albert Reid began his freshman year at Duke. He is the son of Mr. and Mrs. Frank A. Reid, of 207 McMillan road.

From Hope College, Holland, Michigan, comes word that local tennis Roberta Jans Swander, Mary Bond Oertel and Ian Nelson McClary are enrolled at the school.

An enrollment of 2181 students, two from Grosse Pointe, for the winter semester at DePaul University, Greenacres, Ind., was announced by Miss Veneta J. Hunter, registrar.

Enrollment figures placed 2041 students in the College of Liberal Arts and 120 in the School of Music. More than 600 entering freshmen and transfer students registered.

The local students are: Arthur H. Davis, 819 Lincoln Road, and Donna Jean Dahlin, 253 McMillan Road.

ATHLETES PLAY

The Rev. George A. Kinloch, St. faculty moderator of athletics at the University of Detroit, and 18 members of the Tilan football squad will recite the Holy Scriptures on a special radio program sponsored by the Detroit Council of Catholic Men on Radio Station WJLB, at 7:15 p.m. on October 21.

Announce Open Meeting For Local Thespians

All those who are interested in acting or in play production are cordially invited to join with The Grosse Pointe Thespians in their opening meeting of the year at 7:45, Thursday evening, October 15, in the auditorium of the Grosse Pointe High School. This group of players will be directed by M. Haythorn Bambas and are going to undertake the production of a three-act play.

Incorporated with the task of reading and casting for the selected three-act play, will be an eight weeks course of work in the development of individual roles and direction; practice and the use of stage make-up; and opportunity for each member of the group to participate in acting. Special training in various phases of acting technique and the development of initiative in character portrayal will be important features of the course. Group discussions will present the amateur with ideas on the most effective methods of memorizing, a knowledge of how to overcome stage-fright, and suggestions for the bridging of an unexpected gap during production.

M. Haythorn Bambas is a graduate of Wilson College and also holds the degree of Bachelor of Arts in drama from Carnegie Institute of Technology. She has had four years of summer theater experience at Martha's Vineyard, Massachusetts, and has acted in radio, and in numerous community theater productions in Pittsburgh.

For further information on the course, please call the Grosse Pointe Board of Education, NE 2000, Extension 25.

Former GPHS Tennis Star Enters Wayne

Bill Penoyer, 319 McKinley road, was graduated from Grosse Pointe High School in June, 1947 is enrolled at Wayne University's College of Liberal Arts officials of the school announced this week.

During his prep career Bill was selected to the National Honor Society and earned three varsity tennis in tennis.

OFFICERS OF SENIOR CLASS AT ST. PAUL

The new senior class officers at St. Paul school lost no time in getting down to business after their election last week. Gathered around the class president George de Claire, are from left to right Patricia Trombley, treasurer, Judith Altman, girl's social chairman; Gerard Rauwen, vice-president; Rita Lethsauer, secretary; and Charles Wylie, boys' social chairman.

Law Wood In Hampton Play

Law Wood of 83 Vernier road has the role of Robert Tom Hardwick in the Senator F. Hampton production of "First Lady", which will be presented Friday and Saturday, October 1 and 2 at the Institute of Arts Theater.

Gertrude Hogerson, Dorothy Richmond, Robert McKenna, Joan Marland, Art Mason, Kay Kelly, Frank Shuggard, Pat McCahey, and Isabelle Todd are also in the cast.

L. appeared in the R. F. H. production of "The Philadelphia Story" last season and although he has been out of town, renting, on doctor's orders for the past six weeks, he came to his first try-out with lines learned and ready to go on stage, which shows that he is more than slightly interested in theater.

Also cast in a leading role is Mrs. David Stapleton, of 1167 Bedford road.

Not a member of the Hampton group, Mrs. Stapleton stepped into a prominent part when one of the girls in the cast had to leave the show due to serious illness of her family.

Tickets for the show may be obtained by phoning WE 4-7866.

Dog Obedience Training Class Set For GPHS

All persons interested in dog training are invited to attend the preliminary meeting of the Dog Obedience Training course on Tuesday, October 15, at 8:00 p.m. in the Boy's Gymnasium, of the Grosse Pointe High School. These courses are sponsored by the Community Service Department of the Grosse Pointe Board of Education.

At this meeting dog owners will see an exhibition of all phases of obedience work by members of the Southwestern Michigan Obedience Training Club. Their dogs will go through fundamental as well as advanced work in retrieving and scent discrimination. This club will furnish trainers for the classes starting Tuesday, October 12th.

Charles Frank, internationally known dog trainer and a member of Southern Michigan Obedience Training Club, will exhibit his properly trained Springer Spaniel and Golden Retrievers at the opening meeting. These dogs will perform, individually and as a group, the same exercises that they engaged in various American Obedience Club and Sportman Conventions throughout this country and Canada.

"The training classes are designed to teach a dog owner how to train his dog to be responsive to all types of commands," said Ray E. Lee, Father Body executive and one of the trainers. He also added, "It will among other things enable you to take your dog for a walk, instead of having him take you for a run."

Don Bundy, director of research for Bundy Training Company and a nationally known dog trainer for the past two decades stated, "Any dog regardless of breed or age can be made a better man and more satisfactory pet through this training."

Last spring, thirty-six dog owners enrolled in Grosse Pointe's first obedience training course. Among this group was Lynn Pierson and his French Poodle, Mrs. E. Templeton (Coker Spier), Dr. Rudolph Larson (Boxer), Mrs. David Gillis (French Poodle), Tony Fear (Irish setter), Mrs. H. Larson (English Bull), Miss Sally Mc-

Kernan (Brittany Spaniel), Mrs. John Drake (Collie), R. J. Nixon (Boxer), Miss Sally Woodley (Cocker Spaniel), and Joseph McCullen (Boxer). A separate class is planned for this group which will be designed to perfect their training.

Many owners have already enrolled in the beginners ten week dog training class, starting October 12th. Additional enrollments will be accepted until classes are filled. To enroll or for further information, call the Grosse Pointe Board of Education, N1, 2000, Extension 25, at once, as classes must be limited.

Royal Oak Is Host To GPHS '11'

By JOHN SANFORD

A determined Grosse Pointe High football squad will take the field Friday night against Royal Oak on the Acorn's stadium.

The Pointers will be seeking to make up for last Saturday's 10-0 lounding at the hands of Ferndale. In their only game in date, the Acorns overpowered them 34-0.

Unless the Devil forward will can recover from having it received at the hands of the Ferndale line, the Pointers will have a rough time at Royal Oak.

Repeating the Devil punter and punters were rushed by the strong Ferndale wall. The five Ferndale interceptions were mainly due to the hurried passing by the Pointers.

One of these interceptions in the second quarter by Pete Eberhardt proved to be a yard run and the Ralipointers' second touchdown of the game.

In the first quarter Pat Brogan was to lead the Pointers to a punt from the Pointers' 3-yard line that in order to keep the ball from being blocked he had to kick it almost straight up. In the strong north wind the ball made no headway at all and was downed on the beyond line of the Pointers.

A penalty for too much time put the ball on the 8-yard line. In two plays, however, Guy Hayes went over for Ferndale's first touchdown.

The Ralipointers' only other touchdowns came in the last quarter on the 80 yard march down the field. The drive was sparked by three passes that went for 19, 16, and 10 yards. Hayes again plunged through for the score.

Farms Firemen Win Village Golf Honors

Farms firemen were "very hot" on the links during the Farms Employees Day at the Country Club taking the first three places in their Annual Golf Tournament.

Nike Beaupre captured the championship after winning a play-off match from fellow fireman Hank Allard.

Both completed 30 holes at 163.

Ralph Gray shot a 166 to gain a third place tie with Sid Allor, police officer.

Farms Police Sgt. Andrew Allard, defending champion, fell to a tie for sixth place with Farms Engineer Murray Smith. They both posted scores of 182.

CITES "GRIDDER OF THE WEEK"

St. Paul's Coach Eddie Lauer was among the first to congratulate Bob Berg, St. Paul backfield ace, who was named the Review's first "Pointe Gridder." Bob's general play led the Flyers to a 14 to 0 win over St. Bernard in the season's opener. His passing and running netted both scores.

Bod and his coach will be guest of the Review at some outstanding college or professional football contest. The "Pointe Gridder of the Week" is a weekly award of this newspaper honoring outstanding youths on local eleven. Leadership, sportsmanship, performance, and value to the team are the factors considered in the selection of each player. Watch the Review for next week's "Gridder of the Week."

Motor City Tires Roll To Top In Rotary Bowling League

Bowling at the Woods Recreation last Friday night, Motor City Tires led Houston Bros. Inc. for the lead in the G.P. Rotary Club Bowling League. Farms Market, who, up to the present, had blanketed their opponents on two successive weekends, lost four points to Motor City Tires. It was a severe blow to Ed. Taub and his team mates, dropping them to third place.

Kopp's Pharmacy, newest addition to the Rotary League, dumped Earl Holtschlag 2-1. Earl's boys took the opener but never had a chance from then on. Capt. John Potter has surrounded himself with Thompson, Burgess, Detford and Carl Allemang, the latter two having bowled in this territory for twelve fifteen years, are well-known to local bowling fans. Potter has a well balanced team and should make quite a showing this season.

Piche Barber Shop powdered Harrison Carpets in the first two games but the Magic Carpeters struck back to win the finals and total pins by a scant margin. B. Gross, anchor for the barbers, had 210 in 87, Maidment and Cripples aiding their team for a settlement at two all.

Auto Club was off to a good start, topping the league leading Houston Bros. In the first game but the leaders took the next two and they, too, settled for two apiece, as Auto Club had amassed enough pins in the opener to take total. Hunka Rouston's "ace," garnered 311-222 in 97.

Titans Await Strong Marquette Eleven

Bar the doors and throw the hope book out the window! Anything can happen next Friday night when the Marquette Hilltoppers roar into Detroit for their annual football games with the University of Detroit.

It will be the sixteenth meeting between the two teams, and the fourth since Coach Chuck Beer head man at Detroit. In his career, Beer has never beaten the Hilltoppers — and with each defeat, titan determination has grown.

St. Paul's Coach Eddie Lauer...

St. Paul's Coach Eddie Lauer was among the first to congratulate Bob Berg, St. Paul backfield ace, who was named the Review's first "Pointe Gridder." Bob's general play led the Flyers to a 14 to 0 win over St. Bernard in the season's opener. His passing and running netted both scores.

St. Ambrose Leads Local Gridders

St. Ambrose, with two wins in as many starts, is setting the pace among the four Grosse Pointe eleven.

The St. Ambrose squad has victories over its local rival St. Philips and St. Vincent in the Parochial league's second division.

St. Paul topped St. Bernard in its season's opener.

Grosse Pointe High School suffered a surprise set back Saturday at the hands of a Class B Ferndale team.

The Blue Devils will open their season in the Class A Border Cities League Friday at Royal Oak.

Detroit University School, the fourth local squad will open its 1948 campaign Saturday at Cranbrook.

St. Ambrose meets Annunciation while St. Paul faces St. Philip.

Flyers Face St. Philips

St. Paul High School will be favored over St. Philip's when the two schools meet on the gridiron at St. Philip's next Sunday, Oct. 3. St. Philip's will still be seeking their first victory after suffering two defeats. St. Paul has broken even in two starts.

Last Sunday, St. Ambrose eked out a 6-0 decision over the Flyers. The lone score came in the third period when Dick Gallo, a hard running halfback, broke off tactics for fifteen yards through the whole St. Paul defense to score standing up.

The Cavaliers outplayed St. Paul most of the game and were close to the Flyers goal on several occasions, but the St. Paul line was magnificent in these instances and held the Cavaliers, led by backs Bob McFarland, Dick Gallo, and Tom Denke, in check.

"Distinctive Men's Wear"

Remember me?

Dear Friends:

It has been my privilege and pleasure to serve you at one time or another during my past twelve years' association with Syd's Men's Wear, and I value your friendship.

Now, it gives me a great deal of pride and pleasure to announce the Grand Opening of my own store, SYD'S CUSTOM SHOP, at 14220 East Jefferson Avenue between Newport and Lakewood ... to be held Thursday, Friday and Saturday ... September 30th and October 1st and 2nd.

On the basis of our past experience, I know I can offer you the utmost in service, satisfaction, quality and value ... a men's custom shop which will be a credit to the Avenue.

Drop by and browse around.

A souvenir gift awaits you ... absolutely free.

I hope to have the pleasure of greeting you personally.

Sincerely yours,
Syd Maxman

Spaniel Club Sponsors Show

Springer and Cocker Spaniels from all over the country are arriving this week to participate in the American Spaniel Club Specialty Show presented on Oct. 3, at the Hotel Fort Wayne.

The Detroit Cocker Spaniel Club, Inc., will be hosts for the affair featuring classes for Cocker Spaniels and Springer Spaniels, and the English Springer Spaniel Club of Michigan, Inc., will consider these classes as their Specialty.

Judging the Cockers will be C. B. Van Meter, of Van Nuys, California, and R. Kenneth Cobb; while the Springers will be judged by Robert Morrow, of Menham, N. J. Grant Mann will judge the Obedience Trials.

Anniversary Opel House at Maskell Hdwe. Fri., Sat.

Marking the first anniversary of the opening of their new store on Mack at Cadieux, Maskell Hardware will hold open house this Friday and Saturday.

Ten thousand letters of appreciation are in the mail to residents of this area, containing an invitation to everyone to drop in for a visit during the two-day open house. A copy of this letter is published in a half-page ad in this edition of The Review.

Mr. Clifford Maskell, the owner, states that the fine reception of his new and larger store has far exceeded his expectations. "We were forced to move from our old location due to the widening of Mack avenue," said he, "but we promised we'd be back and we are. We have a finer store, a finer stock and there are hosts of fine friends, old and new, we'd like to see."

There is no obligation to buy when you visit Maskell's during open house. Mr. Maskell and his two assistants, Sam and George Hara, will be on hand to answer any questions or help with any hardware problems.

PREPARE FOR RUMMAGE SALE

The arrival of another car load of choice items collected for the Annual Rummage Sale sponsored by the Women's Association of the Grosse Pointe Woods Presbyterian Church found from left to right Mrs. Roy Nelson, Mrs. William Gamble and Mrs. Lawrence Marr on hand ready to help. The sale will be held on Oct. 8 and 9 from 8 a.m. at the new church site, Mack at Torrey road. Mrs. Gamble is chairman of the sale.

Syd Opens New Custom Shop

Thursday, Friday and Saturday of this week are grand opening days for Syd Maxman in his own store, Syd's Custom Shop, at 14230 East Jefferson, between Newport and Lakewood.

A resident of the east side near Grosse Pointe for the past twenty-one years, Syd is a graduate of Eastern High. For the past twelve years he has been associated with Sp's Men's Wear. He has had extensive merchandising and buying experience and states he will combine his experience with service to bring the utmost in value and satisfaction.

Added to a modernistic store front are the latest in fixtures and lighting conveniences in the new store's appointments.

Free souvenir gifts will be given to all old friends and new during the grand opening days, today, tomorrow and Saturday.

Pointe Dealers Sponsor 'S.O.S.' Benefit Drive

"SHARE OUR SHOES" is the slogan of the campaign which opened Saturday throughout the state of Michigan to help provide some of the two hundred million pairs of shoes which are needed in Europe where practically no shoes are being made to sell at any price.

Verle Ryon, of Ryon's Shoes, chairman of the Grosse Pointe drive said:

"The Michigan Shoe Retailers Association, the Detroit Shoe Retailers Assn., The Detroit News and The Grosse Pointe Review are cooperating in this state-wide drive. Barrels wearing the sign 'S.O.S.—Share Our Shoes' are being placed in our shoe stores and departments throughout the state and the public is urged to turn in their used shoes—no matter how worn."

The drive will continue until October 23.

Among the local stores cooperating in this effort are: Best, Peter Pan, Jacobson's, Buster's Boot Shop and Ryan's.

2 Run-Aways Return To Pointe

A pair of teen-agers a boy, 17 and a girl, 14, returned to their homes in Grosse Pointe Farms when their attempt to run away failed due to an empty gas tank.

The pair reached Lexington, Michigan in the boy's car penniless and their gas tank just about empty. They asked a gas station attendant for assistance. The attendant helped the young couple but he also informed the police who notified local authorities.

Camera Club Invites Public To Next Meeting

Grosse Pointe Camera Club will have its Tuesday evening, October 5, meeting conducted by its beginners group.

The Club's President, Howard Riley, has appointed Mr. Wayne Donaldson, as chairman for the evening and has been put in charge of the program. Mr. Donaldson states that he has arranged for a lecture on basic matters and terms for the Tyro Group following which will be a thorough discussion of the prints submitted by the group. He has arranged for a Deleascope which will be used to throw the picture, regardless of size, on a screen so that all may join in the discussion of the good and bad points of the prints. The members of the beginners group have been asked to bring their prints for criticism regardless of size, and whether mounted or not. Following the discussion there will also be a judging of the regularly assigned prints.

An invitation has been issued by the Club's President for the interested public to attend the meeting which will be held at the Neighborhood Club at 8 p.m.
