Face Record Vote, Officials Seek Help

Gearing themselves for the largest vote in the history of Grosse Pointe, Clerks Don Goodrow, of the Township and Norbert Neff, of the City urge the cooperation of local women and others who will be at home all day on Tuesday, November 2, Election Day.

The officials ask this group to arrange to vote during the light period which is between 10 a.m. to 4 p.m. and avoid extra waiting and congestion.

They urged matrons not to wait until their husbands come home from the office to vote together.

They pointed out the majority of the voters report to the polls from 7 to 9 a.m. and again from 5 to 8 p.m., closing.

In most cases, these people are unable to vote at any other time due to employment, business or other reasons. However, the officials reported there are many who are at home all day and have plenty of time to vote during the light period.

Goodrow and Neff stated that close to 26,500 have registered and are qualified to vote.

The polls will be open from 7 a.m. to 9 p.m.

Persons who would like to serve on the election boards are asked to contact the Township office, 15115 E. Jefferson, or the City office, 17150 Maurice.

of the mustard jar at hand," explained Miss Gagon, "but my arm was bad and the customer got the worse of it."

The Tullie management told police that they would pay for any damage caused by the "little yellow jar."

Complete Plans For Annual Pointe Parties

OTTO G. WISMER

Representatives of eight Grosse Pointe schools met with Mrs. E. F. Gehrig, chairman of the Student Advisory Committee, at the Board of Education office on Thursday, October 14, to discuss further plans for the annual Halloween parties to be held at Grosse Pointe High School and Pierce Junior High, Saturday night, October 30. It was decided to have the refreshments include the ever popular hot-dogs, ham sandwiches, potato chips, doughnuts, cider, pop, and gingerale. A "must" this year is a new Dixie cup, to which one can add his favorite syrup. Plans for entertainment have not been completed, and will be announced later. All students are reminded that they can save 25 cents by purchasing their tickets in advance at their schools.

Members of the Student Advisory Committee working with Mrs. Gehrig are: Pierce Junior High, Carol Lundgren, Bob Howe; Brownell Junior High, Judy McNaughton, Kenneth Webb; Grosse Pointe High, Ann Candler, Joe Fromm; St. Ambrose, Harry McFadyen, Donna Landry; St. Paul, Sally Murphy, George de-Claire; St. Clare, Patricia Lynch; Robert Coseglio; Country Day, Jean Stever; Detroit University School, John Wood.

Besides the aforementioned festivity, a party will also be held for children of grade-school age at the Neighborhood Club.

All the parties will be under the supervision of Grosse Pointe Hallows Committee which is comprised of education leaders, police and municipal officials and leaders of various civic organizations.

Sales Tax Proposal Threatens Pointe School Funds, Program

State Help Needed To Avoid Crisis

Grosse Pointe school hours being reduced to half days, cuts in teachers salaries and the reduction of number of teaching personnel . . . any or all of the above are not beyond the realm of possibility in the next few years unless a favorable vote on Proposal No. 5 constitutional amendment is returned on Nov. 2, according to experts on the local school situation.

Shortage of school classrooms is only now being overcome by temporary use of the new Parcels school for elementary purposes (when completed the Parcels school is to be used for junior high students) and by use of the Mason School attic and the basement rooms in Vernier school.

At present, along with the rest of the country, Grosse Pointe is just naturally receiving its share of "war babies," plus other trends in population growth, accentuated and augmented by the desirability of living in the Pointe.

The United States Office of Education states that 2,350,000 children entered public schools this year but by 1953 there will be 2,450,000—an increase of 1,100,000. An increase of comparable proportions is easily to be expected in the Pointe and plans must be started to cope with it.

Already, the Board has detected the seriousness of the situation in an increase of 100 in the kindergarten and grades one and two enrollment. As this increase moves up through grades three to twelve, and other waves of increases keep coming through the first three grades, the full impact will be felt.

A "Yes" vote on Proposal No. 5 is strongly urged by the joint Grosse Pointe PTA Council; President Bert Wickling and the entire Board of Education; Board of Education; John R. Barnes, Superintendent of Schools, plus other local civic leaders.

A "Yes" Vote on Proposal 5 would permit the people of Grosse Pointe to increase millage for necessary school expansion by a majority vote for a period of time up to 20 years. It would not, as is claimed, provide a "blank check" for the voters would still control the size of millage increase, as well as the period of time for bonding.

\$20 Spells Trouble

A Goodwill Industries worker who was called to Mrs. Middle-ditch's home at 473 University, to pick-up various items helped himself to a \$20 bill he saw on a table.

City police found the money on Joe Noubit, of Detroit, after a maid reported the sum missing shortly after Noubit and his companion George Allen visited the Middle-ditch home.

Noubit was arrested but released a few hours later when Mrs. Middle-ditch refused to press charges.

District May Lose \$250,000

A deficit of \$60,000 to \$75,000 in the current fiscal school year, plus an annual loss of \$200,000 to \$250,000 to the Grosse Pointe public schools is the foreboding forecast if Proposal No. 2 passes on November 2 in the repeal of so-called sales tax diversion.

The loss of \$60,000 to \$75,000 would occur this year, because if Sales Tax Diversion is repealed, it will become effective thirty days after the vote.

HOSTILE TO POINTE

Grosse Pointe public schools now receive 28% of the annual cost of school operation from state sources. Back in 1941-42, with a rural-dominated legislature (hostile to Grosse Pointe "gold coast" type of communities) this district received only 15%.

Local school authorities are already straining every effort to maintain the quality of schools, in the face of increased demands for quantity in educational services.

The Grosse Pointe Council of Parent-Teacher Associations; John R. Barnes, Superintendent of Schools; President Bert Wickling and the entire Board of Education have joined hands unanimously in an appeal to the local electorate for a "No" vote on Proposal No. 2.

Men Find Home "Not So Sweet"

Two Grosse Pointe men accident ally injured themselves while working on odd jobs about their homes.

H. Bishop, 40, of 71 Moross road, seriously cut his right foot with an axe. He was taken to Cottage Hospital where the cut required several stitches.

E. Kerne, 750 Notre Dame, struck his cheek with a hammer while removing the outdoor screens at his home. He was treated at Bon Secours hospital.

Also suffering injuries while working in an area of private homes were two elderly employees of the City of Grosse Pointe's Highway department.

Matt Maskuska, 65, of M. Clemens, and Frank Heabart, 61, of 643 Notre Dame, were bitten by dogs and were taken to Bon Secours hospital for medical aid.

Maskuska was bitten on the right ear by a dog owned by K. McCarth, 753 Rivard. The injury required 11 stitches. Heabart's cut was not as serious. Heabart was bitten on the right foot by an animal owned by J. Kuhlen, 488 St. Clair.

Both pets were ordered confined.

Candidates For Governor Back Schools

The candidates for Governor of both major political parties, Governor Kim Sigler and G. Mennen Williams, have endorsed the drive for a "No" vote on Proposal No. 2 and a "Yes" vote on Proposal No. 5.

The Michigan Municipal League and the Michigan Education Association have likewise joined in the endorsement, along with the two labor groups, the CIO and the AFL.

"It is very gratifying to see how local organizations of all types are moving into action," comments Albert J. Phillips, executive secretary of the Michigan Education Association.

"For example, the boards of education in Grosse Pointe, Kalamazoo, Cadillac, Saginaw and Monroe have endorsed the campaign. Also, I understand the city council of Alpena and Belleville have joined us in this fight to bring state school facilities up to the minimum level so badly needed in so many areas."

In a letter to editor (published on page 2) Remington J. Purdy, president Grosse Pointe Council of Parent-Teacher Association, states that the adoption of Proposal No. 2 would have disastrous effects upon the financial support of our local schools. He also urges a No vote on this count and a Yes vote on Proposal No. 5.

Auto Crash Injures 3

Three Detroiters were injured, one critically, when two cars collided early Sunday morning on Mack near Bourmouth. They were taken to Cottage hospital by Grosse Pointe Woods police.

In critical condition is Joseph W. Coniglio, 22, driver of one of the cars. He is reported to have a fractured skull and serious internal injuries.

Also injured were Mathew Zerilli, 24, of 3068 owner of the car who had allowed Coniglio to take the wheel shortly before the mishap; and Joseph Coppola, 21, of 1022 French, driver of the second auto.

Rotary Club Begins Drive

Members of the Grosse Pointe Rotary Club this week launched their annual drive for funds to carry on the many charitable goodwill activities.

Besides volunteer cash gifts, Rotarians hope to raise a sizeable amount through the successful distribution of "tickets" for their Benefit Party at the Neighborhood Club on November 22.

Gifts for the lucky ones who include those who attend will be a new Ford a television set, and 26 other valuable articles.

Senator, Governor To Speak

Governor Kim Sigler will climax his campaign for reelection in the backyard of his opponent Democrat G. Mennen Williams, when he speaks at Pierce School auditorium, 15430 Kercheval avenue, on Friday, Oct. 29.

Also on the speaker's platform will be U. S. Senator Homer Ferguson and Secretary of State, Frederick Alger, Jr.

The program is scheduled to begin at 8 p.m.

William M. Brucker, former Michigan governor and GOP chairman of the 14th district which includes Grosse Pointe disclosed. He said that the party's leading figures have been invited to attend this rally which is geared to obtain the complete support of this key district, considered one of the largest in Michigan.

Among candidates who are expected to speak is Harold F. Youngblood, incumbent 14th district congressman.

Ironically enough, Youngblood is also opposed by a local man, Louis C. Rabaut, this area's congressman during the major part of the FDR regime.

James M. McNally, Wayne County Prosecutor; and Henry T. Gage, State Representative, both seeking re-election are also expected to speak at Pierce. Also William Drysdale who is bidding for a State Senator's seat. These candidates reside in Grosse Pointe.

The rally will mark Sigler's second appearance before a Pierce school audience. He spoke here in 1948 when as a fighting prosecutor he campaigned for the position he now holds.

The rally here will be duplicated in towns and cities across the nation as GOP candidates and their opponents wind-up their campaigns for election on Tuesday, November 2.

Both Williams and Rabaut indicated that they would also wind-up their campaigns in this district. A party spokesman said that big rallies would be held at Rabaut's headquarters on Kercheval near Alter road on Friday, Oct. 22 and Oct. 29.

Dr. Albert A. Hughes, Democrat nominee for County Coroner, may also appear at these rallies. He lives in Grosse Pointe.

Shores Names Planning Body

Grosse Pointe Shores Council named a Village Planning Commission Monday to study and recommend a master-plan for the long range development of the village.

Named to the commission were Mr. James Lafer, chairman, Mr. Edmund Brady and Judge Theodore Richter.

Acting as ex-officio with this group will be Ernest C. Putnam, Shores president.

Mr. Putnam said that the planning body will present its recommendations to the council for final action.

Stranger Finds Dog, Police, FBI Seek Master

Elmer G. Rice, of 1218 Montclair, Detroit, called Park Police that he had picked-up a stray dog and that he would like to return it to its owner.

The police checked the license number given by Rice and discovered that they would also like to find the dog's owner and so would the FBI.

IT'S FOR YOUR CHILDREN

Two of the seven proposed amendments to the State constitution which you will be called upon to face on November second concern the education of your children.

Standards and facilities set and maintained by the local public school system cannot be continued unless sales tax diversion of monies to schools is continued by a "No" vote on Proposal No. 2, according to expert opinion by Grosse Pointe School heads.

And, the increased and already evident mounting increases in local school enrollment cannot be absorbed with the present physical equipment, unless school hours are cut, class sizes are increased or teacher pay and personnel reduced. Local school experts insist that the only logical remedy of an inevitable condition lies in a "Yes" vote on proposal No. 5.

A simple Vote of "NO" on No. 2 will permit the schools continue to receive badly needed funds from the sales tax diversion amendment that was overwhelmingly passed by the People of Michigan two years ago.

A vote of "YES" on Proposal No. 5 will enable the local school district and other communities in the State to vote school bonds by simple majorities and for periods up to 20 years. Many school districts cannot build new buildings and pay for them in the short 5 year period required now.

A "NO" vote on No. 2 and "YES" vote on No. 5 is recommended by both party candidates for Governor (Mr. Egler (R. Incumbent and Mr. Williams, D.); the Michigan Municipal League, Grosse Pointe Council of Parent-Teacher Associations; the President and entire Board of Education; the Superintendent of Grosse Pointe Schools and civic organizations from every section and walk of life.

JUST COMMENT

Local firemen, planning a benefit feather party, are creating a ticklish situation for village officials.

According to reports the future of our "three R's" depends a great deal on the right X's at the polls on Election Day.

Then there's the local college yokel who told his girlfriend that he played quarter on the team—a little bit in the first half and a little bit in the second—two bits altogether.

The angry waitress with the mustard jar did not aim to please.

Judging from the political ballyhoo, we wonder if junior thinks that Dad is celebrating his Halloween on November 2.

"It hurts bad, Doc"

Right there, Doc! That's where it hurts. And the doctor is right there at the Red Feather health clinic, ready to stop an epidemic before it starts; ready to catch an earache before it means a hearing aid; ready to make a sick little boy well. The clinics help you, even if you've never been sick. Their program of research, education and disease prevention affects your health, your family's safety. You support our Red Feather health clinics through our Community Chest. When you give—give enough! Enough for all Red Feather services—enough for a full year!

Rites Held For Veteran Cigar Mfr.

Funeral services were held last Thursday for Charles J. Spletz, retired cigar manufacturer who died at his home on Dickerson Ave. in Detroit on Tuesday.

He is survived by his widow, Jessie; five daughters, Mrs. George Liddle, Jr. (Leona) of Grosse Pointe Woods, Mrs. John E. Vigliotti (Mina) of Algonac, Misses Edna and Dorothy, and Mrs. Albert D. McCarthy (Bernice); nine grandchildren and his sister, Mrs. Roy Borders.

Mr. Spletz, was widely known in Detroit and Grosse Pointe, having been in the cigar business the major part of his life and being the founder of the Robert Emmett Cigar Company.

While the family was at the VanDeweghe Funeral Home at 15798 East Warren Avenue, making final arrangements on Wednesday, their home on Dickerson was broken into by means of the rear door and although nothing of value was taken, the home had been completely ransacked, every drawer in the house emptied and the place turned into a shambles.

Heart Attack Proves Fatal

Funeral rites were held Tuesday for George C. Marxer, head of Marxer & Co., investment firm. He died at Bon Secour hospital Sunday after a heart attack at his home 242 McMillan. He was 48.

Mr. Marxer, a native of Detroit, started in the investment business in 1918 as a board member for Charles A. Stoneham & Co. He and Mrs. Marion Marxer, his wife, formed Marxer & Co. in 1945.

During the war, he was active doing radio appeals for purchase of war bonds and received a citation of merit from the U. S. Treasury Department.

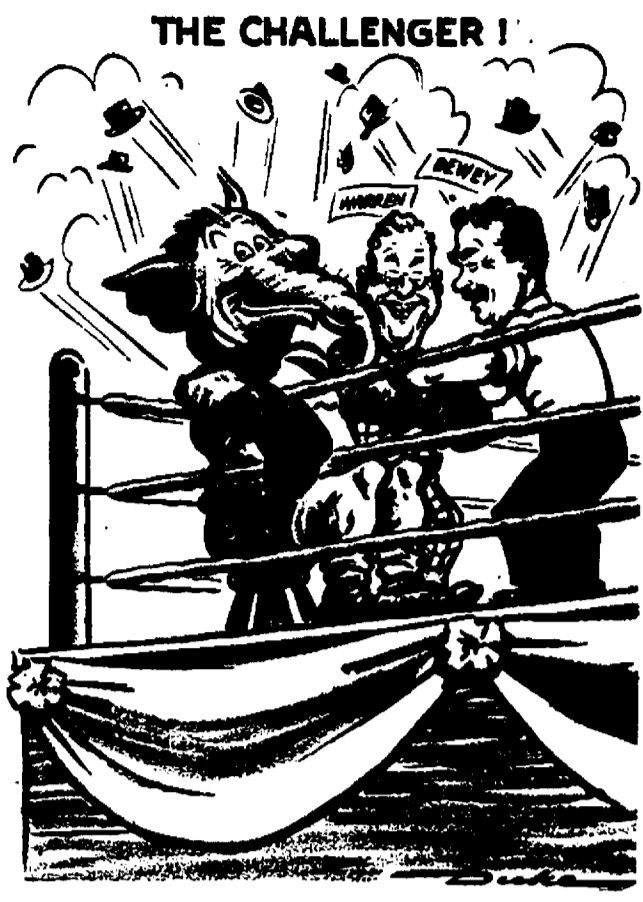

He was a member of the Detroit Boat Club, the Security Traders Association and the Bond Club of Detroit.

Surviving besides his wife, is a son, George C. Marxer.

Letter Box PTA Head Urges Voters To Study State Proposals

TO THE EDITOR: On Tuesday, November 2, 1948 the people of the State of Michigan will vote on five proposed changes in the Michigan Constitution, two of which vitally affect all public schools.

Proposal No. 2 would, if adopted, repeal a provision now in the Michigan Constitution which guarantees the public schools of the state one-sixth of the state sales tax receipts. The adoption of Proposal No. 2 would have disastrous effects upon the financial support of our local schools. The Grosse Pointe Council of Parent-Teacher Associations urges a NO vote on Proposal No. 2.

Proposal No. 5 would, if adopted, permit a majority of the voters in a school district to vote nullify tax levies above the 15 mill constitutional maximum (at present a two-thirds vote is required), and would permit school districts to pay for needed new school buildings in 20 years rather than the 5 year period which is now the maximum. The Parent-Teacher Association Council urges a YES vote on Proposal No. 5.

Discuss this important matter among your friends and business associates. Advise all voters relative to these vital issues. A change on these two subjects, in our State Constitution, will have a definite effect on your public schools.

Sincerely, Remington J. Purdy, President Grosse Pointe Council of Parent-Teacher Associations

Radio System In Hands Of Commissioner

Clarence D. Blessed, City of Grosse Pointe's Commissioner of Public Safety was authorized by the council Monday to take what ever steps necessary to continue to provide the City with an adequate and complete police radio service.

The council took this action after studying a lengthy plan being considered by the other four Pointe municipalities.

According to the Mayor Ralph B. Netting, the Park, Farms, Woods and Shores want the City to join them in adopting a new uniform radio system.

The new plan calls for each municipality's police station to have direct contact with their patrol cars, and neighboring communities, with a main station centrally located.

At the present time, the City is the only one that has its own receiving and broadcasting unit, known as WQMT. The rest operate through station WRDR under the supervision of Grosse Pointe Township.

The council advised Mr. Blessed not to take any steps to join the other Pointes unless it was clearly indicated that they had reached a complete and uniform agreement.

According to officials, the Park, Farms, Woods and Shores have been studying the plan for considerable time.

List Cold Facts About Colds

"Michigan's first 'cold' wave is here. Avoid the person who sneezes, coughs or has a sore throat as you would poison ivy," Dr. Albert E. Heustis, State Health Commissioner advised.

Colds will cause more absenteeism from school, office and industry during the next few months than all other communicable diseases put together. The average Michigan person will have two or three colds before Easter.

Colds usually become widespread about the time cool weather forces people to start heating their homes, schools, office buildings and factories in the fall, and they continue to be prevalent until spring. They decline a bit in December after the first wave has caught most of the susceptibles, and then increase again in the early spring after the short lived immunity of the first siege has worn off.

Colds are caused, not by changes in the weather, but by a filtrable virus, a germ so small that it flies from the mouth of an infected person when he speaks and hitches rides on particles of dust in the air.

The cold virus attacks the mucous membranes of the nose and throat, especially those dried out by heated rooms. The virus irritates the membranes, which secrete an additional supply of mucus in an attempt to get rid of the irritant. This results in "sniffles" early symptom of a cold sneezing and coughing, and other involuntary efforts to get rid of the irritant, throw out myriad small droplets of mucous filled with the cold virus. These get on hands, handkerchiefs, pencils, telephones and other articles, and some of them float about on particles of dust in the air.

When the throat and nose are sufficiently irritated and especially if the person is tired, run-down or chilled, other germs may attack in the wake of the cold virus. The thin watery secretion of the cold-infected nose becomes yellow with pus and complications develop. Then still other germs are spread by coughs and sneezes, and the cold hangs on and on. Complications of a cold may include mastoid, sinus, ear or tonsil infections, as well as pneumonia or influenza. Many other ailments follow readily in the path of the cold.

For the first showing, October 27, Stuart Finlayson who has taken the place of Waldo Abbott in the Alumni Association office at Ann Arbor, will present the picture.

The person with the first sign of a cold should go to bed. Your doctor can give pills or shots to help ward off secondary invaders, and prevent complications. "When a cold-infected person cannot go to bed, he has a definite obligation to protect others from his illness," Dr. Heustis said. "He should cover his nose and mouth with disposable tissue when he coughs or sneezes, and carefully dispose of all discharges from his nose and throat. He should stand far enough away from others that he will not spray them with his cold virus."

Ten precautions which the Michigan Department of Health feels will help to cut the number of serious colds this winter follow:

1. Stay away from the person who has a cold and stay out of crowded places during cold epidemics.
2. Try not to get over-heated or chilled.
3. Avoid sitting in dried out, smoky, chemical or dust-laden air.
4. Dress according to the weather and according to the temperature in which you must work.
5. Get plenty of sleep. Avoid fatigue. Rest when you are tired.
6. Eat regular, well-balanced meals and drink plenty of water. Wash your hands before eating or handling food.
7. Avoid articles which have been sprayed with cold germs or handled by people who have colds.
8. Get some outdoor exercise each day. Let sunshine into your home, office, school or factory.
9. Go to bed at the first sign of a cold.
10. Call your doctor if the signs persist. Follow his advice. Avoid self-medication.

By NORMA NEEB

Lucky, lucky boys! Christmas is exciting enough, but Christmas in Florida is going to be a dream come true for certain boys. Incidentally, it was Chet's birthday. Many, many happy returns to one of the nicest people we know.

SURPRISE BETSY

A few eleventh grade gals gathered at JOAN MOHR'S home Friday night to surprise Betsy Hittle on her sixteenth birthday. Helping to make the party a success were Margie Walling, Marilyn Wyckoff, and Andy Geary.

COLLEEN JONES and MYRNA TRODEN gave a slumber party for nine girls last Friday night at Colleen's Lake-Pointe home. Seen batin' the breeze were Harriet Gardner, Pat Potvin, Evie Gough, Bernice D'Hundt, Gloria Schaible, Sally Neff, Jean Parfitt, Rosie Russo, and Carm Vente. Saturday, after rubbing the sleep out of their eyes, the gals trekked over to JEAN PARFITT'S home for a lunch of spaghetti and meatballs before seeing the Grosse Pointe-Wyan-dotte game.

TREILLS N' CHILLS

The weekend was one big thrill after another for the senior gals. Starting Friday evening, MARIANNE TROM-BLEY'S dinner guests told fortunes and played bridge. The coming of her out of town friend, Louisa Pontefrak, prompted Marianne to give the party. Then it was a backyard variety that CARROLL GRYLLS gave Saturday noon when she entertained her classmates at a weiner roast on Hill-crest Road. Completing the round was JAN JOHNSTONE'S blue jean party Saturday evening.

Cheer, cheer for ol' Grosse Pointe High—another football, that is. Despite the fact that the team lost, the spirit of the game was in the hearts of everyone attending. The dad's who sat on the bench and watched their sons play, plus those filling up space on the bleachers combined to make a large crowd. Onlookers were Connie Baker, Kathy Grieg, Nan Doherty, Ruth Jacques, Polly Wilton, Betty Grey, Judy Nelis, Bev Crain, Barb Harling, Laraine Asmus, Fritz Hoy, Danny Burke, Ted Fugar, John Tower, Bill Cruthers, Jerry Johnson, June Moffat, Vicky Conway, Cristina Orr, Janie Bundy, Don Schmitz, Punky Brown, Mary Dahlen, Judy Wilson, Judy Goodnow, Bob MacLean, and Hoyt Spicer.

DANCE PARTY AT CAROL'S

The weiner roast planned by NANCY GABRIAL and CAROL STEWART for Saturday night turned out to be a dancing party at Carol's home because of ol' mister rain. The kids invited were Gloria James 'n Joe Fromm, Joanne Lyons 'n Bob Sharp, Marilyn Wroblos 'n Tom Follis, Pat Liddle 'n Bob Shaw, Pat Martin 'n Jack Corfield, Lois Buck 'n Jerry Webster, Nancy's date was Ad Smart and Carol's, Bob Coleman.

DATES TO REMEMBER

There's another S.A. dance over G.P.H.S. way next Saturday night, "Midnight Serenade" is the title, and Leroy Smith's band will give way to the top tunes of the year. See ya' there between 9 and 12, October 23.

The following week is the annual Halloween party sponsored by the various Grosse Pointe organizations. Given at Grosse Pointe High School, there will be movies, dancing, and refreshments. EVERYBODY, get your tickets before hand 'cause they're only twenty-five cents if you do.

The St. James Walther League is sponsoring a Variety Show to be given in the Pierce Jr. High School auditorium on Friday, November 12th. Mark the date in your memo book. They promise a swell show.

Police Aid Old Man Enroute To Eloise

A small elderly man who spoke broken English found wandering in this area late Friday night was given a lift by City of Grosse Pointe police.

Police said that his name was August Bevins or Bains and that he was a Belgium about 60 years of age. The man, carrying a bag of clothes, said that he was on his way to Eloise hospital, Ecorse, Michigan.

The officers took him to Detroit police who conveyed the old man to his destination.

Honor Degrees St. Paul Students

A ceremony harkening back to medieval times took place in St. Paul Church, Wednesday afternoon, October 20, when four students were invested with the Paladins Leadership Degree by the Order of Paladins of the Round Table, honor society of the Catholic Students' Mission Crusade. The awards have been authorized by the National Executive Board of the Crusade in Cincinnati, for attendance of the students at the 18th National Crusade Convention, held at the University of Notre Dame, just before the opening of the present school year.

Those invested were Harry Hammond, George deClaire, Ann Meathe, Dorothy Hillebrand, all members of the Senior Class. Those in charge of the ceremony of investiture were Reverend Joseph Bohr, Spiritual Director of the Sodality, Gerald Hollerback and William Huettman assistants to Father Bohr, and Raymond Bieski, Chairman of the Catholic Student Mission Crusade Unit.

The Order of Paladins derives its name from the days of chivalry. The original Paladins were the special retainers of the Emperor Charlemagne. The round table idea dates back to the times of King Arthur. Membership in the Order of Paladins is usually conferred for special achievements in the educational program of the Catholic Students' Mission Crusade, which is designed to acquaint Catholic young people of the United States with missionary problems in all parts of the world. The leadership degree, however, is conferred upon those attending national conventions of the Crusade, because these are considered to be leadership schools for members of the organization.

Mack - Nott. "5" Rolls 2614 For Season's High

Mack-Nottingham took sole possession of second place behind Quamers in the Grosse Pointe Business Men's Bowling League, Wednesday night at Vogue Recreation by taking four points from Boutin's squad. The Mack quintet shooting a season's high three game total of 2614.

Cramer strengthened its hold on the top position by taking the series from Bruce Wigle. Another four point winner was Rustic Cabins, defeating Janet's Lunch.

Behind an even 600 series made by Bob Gross, Turners Buick also enjoyed a perfect evening at the expense of Imperial Cleaners.

Whyte Oldsmobile took Pointe Curians Keglers for a ride, winning four points in a series which included a 891 middle game and a total of 2586. Both of these marks are second high for the season according to Secretary Bruce Warren.

The evening's bowling was completed with Kennelly's and Tom Boyd's each capturing three points from Oak Cleaners and Grosse Pointe Printing respectively as Halding Cleaners split with Buckle-ridge Boats.

Bowlers posting marks of 200 or better included Gross, 227 Gil

Sarkison, 226; Herb Heger, 221; Andy Carroll, 216; Bob Wood, 212; Frank Thayer, 208; Bob Gognia, 205; and Allen, 203.

Teamwork Marks Play of DUS Stars Win Pointe's Top Football Honor

JOHN WEIGELE

A pair of hard-running gridders from Detroit University School share the Review's top football award this week. They are John Weigele, ace halfback, and John Wood, speedy end.

They were highly recommended for the honor given by this newspaper each week to outstanding members of local eleven by the DUS coach Bill Yeager.

"Both of the boys have all-around ability in addition to a contagious team-work spirit which makes them very valuable cogs in our squad this year" the coach stated.

The pair are both veteran lettermen who have also earned varsity awards in track.

JOHN WOOD

Weigele does most of the team's punting and passing and a share of the running. He is also a potent defensive power in backing-up DUS's forward wall.

Usually found at the other end of Weigele's passes is John Wood. His speed and deceptiveness and a good pair of hands add to make him a good receiver.

"Woody" as his teammates call him is also fast in covering punts and opposing safetymen usually find little time to get started before John grounds them.

Both of the boys have been invited to attend the Michigan State - Washington State grid contest in November at East Lansing as guests of the Review.

Mondry Keglers Earn Top Spot In Rotary League

Piche Barber Shop, who have a habit of knocking off the stronger teams in the league, done it again last Friday nite at the Woods Recreation. Pitted against first place Houston Bros., Inc., the barbers really meant business when they won the first game by a neat 100 pins. They went on to win the next two easily and their second consecutive shutout—it was the Punch & Judy Cocktails the week before—Jay June and Irv School rolled well for the losers each having 532. Piche's five had no stars but all rolled above their average.

AUTO CLUB LOSES

Middle Atl. Transp. Co., also gave a good account of themselves when they blanked the strong Auto Club Five, 4-0. The Middies opened up with 891 and coasted through the next two to win by a comfortable margin. This loss proved costly for "Safety Salesmen" winding up in fourth place.

It looked as though all the leaders would take a beating, especially after Mondry Cleaners had lost Harrison Carpets but Charlie Castle came to the rescue for the cleaners with a 186 game, enough to win last game and total pins, both teams each winning two points.

Punch & Judy Cocktail Lounge bowled Farms Market and came out on the short end of a 3-1 decision. It was Carless and Taube for the "marketeters." Dever and Jeakle for the Judies. Ovesen, who shot a new low in bowling, registered a new high in prestige when he was ever whelmingly chosen President of the league. He will take over the duties formally performed by John Potter, and will be assisted by W. B. Strittmatter, Secretary; Carl Thompson, treasurer.

G.P. Review with Hickey rolling 205-203 in 564 and Peplinski 193-197-212 for 602, turned back Koppas Pharmacy 3-1. Carl Al-lernang had 217 in 553 for the losers.

EARL HOLZBAUGH WINS

After losing the opener, Earl Holzbaugh's "mechanics" came back to take the next two and total pins for a 3-1 win over the Motor City Tires. John Potter starred for the "tiresmen," George Dettloff, Sr. for the "V-8's"

Only five points separate the first and tenth place team, a rarity in bowling.

St. Paul '11 Meets St. Vincent In Last League Tilt

By JOHN ENGLEHARD

Review Junior Correspondent

St. Paul High School winds up its 1948 football season next Sunday, when the Flyers tangle with St. Vincent's at the Gael's home field. St. Paul will be out to clinch a winning season. Their record stands at three wins against two losses.

Last Sunday, the Flyers dreams of the championship were shattered when they were outclassed and thoroughly beaten by a powerhouse, title bound St. Martin's team by the score of 25-0.

As in previous games, the Cadet's attack was led by wiley fullback, Don Furtaw, who scored two touchdowns and set up another. When he wasn't carrying the ball, it was Don who was throwing the important block for his teammates; and getting in on most of the tackles while on defense.

On the second play of the game from scrimmage, Furtaw swept around his left end 35 yards to score. Don failed to make the point on a plunge and the score was 6-0. After receiving the kickoff, St. Paul could do nothing offensively and punted. The Cadets took over on their own twelve. On the third play of this series Furtaw took a lateral from Jerry Higgins and rounded end 85 yards for his second touchdown. Don failed again on a plunge and the first period ended with the Cadets in front 12-0.

St. Martin's third touchdown came in the second period on an intercepted pass. Flyer quarterback John Bingham tried a short pass from his own three yard line. The ball landed in the arms of St. Martin's Al Miercurio who scampered 12 yards and scored. Paul Greene's kick was wide and the score was 18-0. The half ended a few minutes later with St. Paul on the Cadets 10 yard line, their only threat of the game.

Furtaw set up St. Martin's last score in the third period with an acrobatic catch of a pass from Higgins on the Flyers three. St. Martin was penalized on the next play for clipping, moving the ball back to the 18. Two plays brought it to the 12 from where halfback Jim Landon circled end and crossed the goal line. Greene's kick was good and the score was 25-0. There was no scoring in the final period although St. Martin's

Blue Devils Face Tough Assignments
 By JOHN SANFORD
 Review Column Correspondent
 A high-powered undefeated Highland Park eleven will be on the prowl for its first win over the Blue Devil gridlers since joining the Border Cities League, when the two teams clash this Saturday on the local gridiron.

STUDIES GRINDER
 Fred Eble, the Detroit Local recruit basketball star from Arizona U., off-season from football traction, Elmer Waters and Eugene Henderson. The opening class will be between Lawrence Tech and Carnegie Tech.

Other forthcoming events include the Horace Held concert and coast-to-coast amateur broadcast on Sunday night, November 21, at the Fair Grounds.

Unless the Devils can snap out of the lethargy that overtook them last Saturday when they fell before Wyoming 12-6, they will be in for a rough time against the Parkers.

This fast moving halfback was rated one of the nation's best prospects for All-American honors this year until he was injured. Can you name him? See bottom of this column for answer.

The match still belonged to neither player and although Pessel stayed ahead of Auch all through the second set he never got far enough ahead finally when Pessel got the opportunity leading 4-2 and his service, he temporarily slipped and woke up to the score 5-3. The time Auch had slipped out of his grasp, Pessel evened the count 5 all with three good spring shots and then went on 6-5-4 by forcing Auch into errors. Pessel's service throughout the match was stronger than Auch's although both boys served several aces.

 Bowling in the newly formed St. Michael's Chapel bowling league at Grosse Pointe Woods Recreation last Wednesday night, the SUCKERS, piloted by Ray Ambrose, increased their first place lead by piling up three points from Capt. SCENE AT DEWEY'S HOMETOWN

Congressman Harold F. Youngblood, 14th District, remained in Owosso over the weekend to confer with presidential candidate, Thomas E. Dewey. The meeting took place on Sunday, October 17th, at the home of Mr. Dewey's mother. Youngblood declined comment on the subject of the discussion other than to say that he had extended a personal invitation to Governor Dewey to visit Detroit and particularly Detroit's east side during the current campaign. According to Youngblood, Governor Dewey stated that a visit to Detroit is being considered but that no final decision has been reached as yet.

SEMPLINER RESUMES NIGHT COURT
Arthur Sempiner, Circuit Court Commissioner, resumed Night Court sessions Tuesday, giving the little guy, the working man, consideration that saves a day's day and at the same time often saves many a defendant loss of his case by default.

Judge Sempiner is determined that no man or woman shall lose a day's pay in order to appear at court during regular hours. In consequence he has adopted the plan of Night Court sessions on the basis that "When a man needs his pay check he needs all of it and cannot afford to lose wages by a full day's appearance in court."

SUSAN PETERS

The Women's Republican Club is working diligently to get voters to give Dewey and Warren a Republican Congress.

Martha Taft, wife of Ohio's Senator Taft, will speak at the Stater Ballroom on Monday evening, October 26th at 8 p.m.

SIGLER TO SPEAK
Governor Kim Sigler will speak for the Michigan National Guard during the half-hour broadcast over the CBS network and WJR at 10:30 p.m., October 23, as a feature of the National Guard Military Ball at the Coliseum, Detroit.

WEEK OF HOPE

The United States, which began as a dream in the minds of men, celebrates another dream come true as we dedicate this week to the United Nations. All over the world, millions, still shattered by the last war, look hopefully to the UN as their protection against another, and greater disaster.

The UN has accomplished much in three short years. Sometimes we forget the many incidents — the dispute between Russia and Iran, the British-Albanian quarrel, the squabble over Trieste, the tension in Korea—any of which might have flamed into World War III.

We should remember, too, that commissions on refugees, economic and social advancement, world health and many other vital matters are hard at work.

If justification of the UN were needed, these achievements alone would serve. But there is more on the record. In its draft proposals for an International Bill of Human Rights and for a Convention against Genocide, the UN has continued the work begun at Nuremberg, creating a body of international law and morality that will strengthen human rights everywhere.

The International Bill of Human Rights would extend freedom of worship, speech, press and assembly to all people in all lands.

The Genocide Convention, if ratified by member nations, would outlaw assaults on any group—racial, religious, cultural or national, making the guilty subject to swift and severe punishment by the Security Council.

Thus, the United Nations would guarantee the essentials of a decent life to all men, while safeguarding them against unjust death.

When the Axis leaders were planning aggressive warfare, their first moves were to demolish basic liberties in their own countries. This revealed in deadly fashion the crucial role of human rights as the first defenses of peace. The work of the UN highlights this same relationship in a constructive and far-sighted manner.

In pursuing its task the United Nations will need the aid of men of good will everywhere. For the future of the UN lies primarily with the United States. Conversely, our fate is bound to the UN. In this United Nations Week, we can only wish it Godspeed.

'AMOS 'N' ANDY' RETURN

"Amos 'n' Andy," whose inimitable humor and fantasy have proved to millions of Americans the enduring value of their art, are back on CBS with a new Sunday half-hour series. Embraced by each new generation as its own discovery, their rare comedy is augmented in the new series by all their celebrated friends and neighbors, every one a "character" in his or her own right.

Rotarians To Mark United Nations Week

Members of the Grosse Pointe Rotary Club will join the Hamtramck Club in the Tau Beta Community house this Thursday noon, Oct. 21, with members of several other clubs in the 153rd district for a special "United Nations Week" luncheon meeting.

Harold T. Thomas, of Auckland, N. Z., chairman of Rotary's International Affairs Committee will speak.

The local Rotarians adjourned their regular Monday noon meeting for the occasion.

Rabaut Criticizes

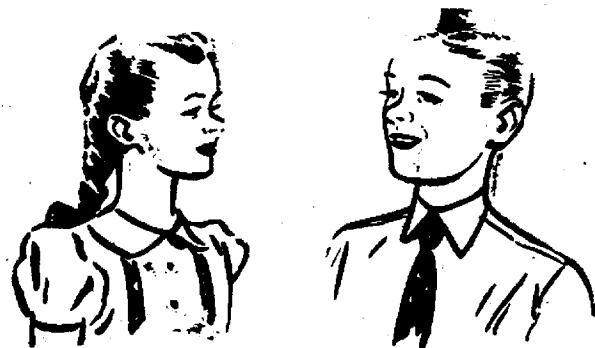

Pointing as his opponent's continued boasting as to what he has accomplished for the veterans, Louis C. Rabaut, Democratic candidate for congress, 14th district stated that Harold F. Youngblood (R) as part of the 80th congress has done little to help ex-G.I's.

"Due to the high cost of living our veterans have been forced to live in tin-can houses with their families," Rabaut said. They have spent their savings just trying to meet the demands of the present Republican encouraged inflation."

Rabaut said that during his years in congress beginning 1935, he set up the bill which led to the present Veterans Hospital in Dearborn.

The candidate stated that he was cited for this action by veteran organizations.

CHRISTIAN SCIENCE CRUCIBLES
 "Probation After Death" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, October 24. The Golden Text (1 Cor. 5:17) is: "If any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new."
 Among the Bible citations in this passage (1 Cor. 15:20): "But now is Christ risen from the dead, and become the first fruits of them that sleep."
 Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 46): "Jesus' unchanged physical condition after what seemed to be death was followed by his exaltation above all material conditions; and this exaltation explained his ascension and revealed unmistakably a probationary and progressive state beyond the grave."
