Community Joins Nation in Thanksgiving Day Rites

POINTE PARAGRAPHS
by The Pointers
Boys at Hagen's Bistro are the experience of neighborhood Kotcher who went to Lakewood Lodge, Munising, to get his buck.
Never luck was not on Ham-side and he hunted in vain companions Jack Sullivan and Danny Webb, each hit prize.
Remained to at least get a sportsman continued his ag until he encountered a who said:
Just saw an eight pointer but I looked into his big brown just couldn't shoot.
Teacher counted up to ten and home.
Governor-Elect G. Mennen Wiland and his family will leave Hillcrest road home Thanksgiving morning to spend the day at the home of Mr. and Vincent Stock, of West Blvd., Detroit. Mr. Stock is new governor's uncle.
Among those who will spend Thanksgiving in New York are Mrs. Harry G. Kohring and Touraine road. The Kohring who are staying at the noble Fifth Avenue hotel to see several plays.
George T. J. Healy will address members of the Parcels PTA at meeting Thursday, Dec. 2 at 8 p.m. Judge of Probate Court, Healy will discuss juvenile delinquency.
Knowing his address, parents have an opportunity to visit the faculty.

Lions Fix Date For Big Sale
The Grosse Pointe Lions in cooperation with The Grosse Pointe Review will hold their 20th Annual Goodfellows Day on Monday, Dec. 13. The Review will publish a special "Goodfellows" edition on that day.
For the fifth straight year, Carl Schweikart, Township supervisor, has been named chairman. He will be assisted by co-chairmen Dr. William Watkins and Dr. Werner Kersten.
Last year the sale netted \$6,500.
All proceeds are used to support the Lions "No Kiddle Without A Christmas Fund" and its year around goodwill program.
Grosse Pointe Police and firemen will assist the Lions with the sale.
The first Grosse Pointe "Goodfellows" edition was published by The Grosse Pointe Review in 1928.

Looks Like Fowl—Play Here!

After an exclusive interview with Mr. Turkey, a Grosse Pointe Review photographer conducted this interpretation of a "Thanksgiving Picture" as seen through the eyes of the feathered fowl. The somewhat bewildered youngster in the coop is Pierce School pupil, Jimmy, 7, son of Mr. and Mrs. J. Verslype of East Jefferson avenue. Despite Mr. Turkey's viewpoint, Grosse Pointe will join the nation in annual Thanksgiving Day dinners and reunions. Churches will offer special traditional rituals during the day. See church section for complete announcements.

Christ Church Benefit Fair Nets \$10,000
While the exact total has not yet been announced, it is unofficially believed that their goal of \$10,000 was reached by the Grosse Pointe Christ Church women at the Thursday, Nov. 18 "Around the World Christmas Fair" which was thronged by approximately three thousand shoppers.
Six hundred and eighty alone enjoyed the supper, and the many beautiful booths such as the boudoir booth, was rapidly sold out to the folks who came to see the beautiful displayed booths decorated to signify the nation's of the world.
Mrs. Frederick C. Ford, assisted by Mrs. Rothe Farr, headed the many committee chairmen who had begun work early last March to insure the success of the affair which "exceeded our wildest dreams," according to publicity chairman Mrs. William Muir.
The proceeds will be used to carry on the work of the Women's Auxiliaries of Christ Church, Grosse Pointe, and St. Michael's Chapel in Grosse Pointe Woods, and to assist St. Michael's Chapel in obtaining a land site for a permanent church.
Gay, candy striped ruffled aprons worn by the committee women added to the festive air of the Fair which was held at the Christ Church.

Commission To Study Bus Service
The Park Council unanimously accepted a proposal by Commissioner Karl Goddard that the new Park Planning Commission immediately undertake to study the present transportation system in Grosse Pointe Park and report its findings to the council. The commission is scheduled to meet December 2.
His proposal followed a lengthy letter from Mr. William J. Lynn, 1404 Balfour, highly criticizing the present service.
They don't have to read this newspaper or any newspaper to learn whether your company deserves a fare increase or not—They know.
In view of high production and labor cost, the majority of your passengers feel that you are justified in your request. They do not oppose the slight fare increase.
BUT they do object to and sharply criticize your service.
They feel on your line the "Customer Always Stands", and they're getting tired of it in more ways than one.
They stand in the morning while waiting for a bus; they stand after they board the bus. When the day's work is done for most people, your customer faces another major task of getting home via Lake Shore in a vertical and uncomfortable position.
Sincerely,
Charles Manns, Editor

"The Customer Always Stands" Is Cry of Pointe Bus Riders
AN OPEN LETTER TO WALTER SCHWEIKART
Last week this newspaper carried a story of your proposal to increase the bus fare of your Lake Shore Coach Lines again by eliminating the sale of bus tickets.
The persons directly affected by such a change will be the everyday riders... your best customers... and as such they have a right to express their opinions.
They have a right to compliment or criticize your service because they know through daily use how good or how bad it is.
We admit Mr. Schweikart that you are a businessman and it would not be good business to run your company at a loss—and we also admit that comparatively speaking your company service is better than Detroit's dismal DSR.
But don't you think it would be a good business move on your part to have an open meeting at some central location where you and your staff could meet your customers and discuss this problem.
We know you plan a session with municipal officials which is a good idea but don't stop here. Hold an open forum with your passengers—hear what they have to say too!
Perhaps you will learn that they may be right when they say "The Customer Always Stands".
Sincerely,
Charles Manns, Editor
Grosse Pointe Review

Township Adds Three Precincts
Don Goodrow, Grosse Pointe Township clerk, announced that three new precincts will be established in the Township to accommodate voters and eliminate congestion in future elections. The addition brings the total number of precincts in the Township to 29.
Two of the new precincts will be established in the rapidly growing Grosse Pointe Woods, one in the new Parcels school and the other in a booth located to offset congestion.
The Farms will be allocated the third new precinct.
Goodrow said that with the three additions the precincts in the Township will be allocated in this manner: Park, 15; Farms, 7; Woods, 6; and Shores 1.
Due to the small number of persons who vote at village elections, Goodrow said that only the Woods found it necessary to use all six of its precincts for village elections, while Park uses two precincts and the Farms and Shores one each.
City of Grosse Pointe, which is not a member of the Township, uses one precinct for all elections.
NO DANCING HERE
Park Council turned down a request from Mrs. Joseph Peppone, owner of a confectionery store at 15232 Kercheval to hold "juke box" dance sessions for boys and girls at her store.

Shores Answers Charges Of Pollution Here
Thomas K. Jefferis, superintendent of Grosse Pointe Shores, deemed the report made by Dr. T. S. Davies, Township Health Commissioner and Murray Smith, Farms engineer that the Shores and G. Pte. Yacht Club sewage outlets are responsible for causing pollution in Lake St. Clair as unfair.
The report appeared in last week's Review.
In a letter to the editor which appears in full on page two, Mr. Jefferis said:
"It seems unfair for anyone to state seriously such accusations on the basis of a comparatively few tests made in very local spots."
Mr. Smith told the Farms Commission at a meeting on Monday, Nov. 15 that a survey conducted by Dr. Davies and himself indicated that the Shores and the private club were largely responsible for pollution here.
At the meeting the council resolved to notify both the Shores and the club by letter requesting corrective measures.
According to Mr. Jefferis no letters have been received as yet. He added that the village has been studying sewer conditions with the view of bettering its present system.
Club officials could not be reached for comment.

Close City Office Monday For Repairs
Interior alterations will close the City of Grosse Pointe municipal office all day, Monday, Nov. 29.
All essential services in the public works and water departments will be conducted as usual, Norbert Neff, City clerk disclosed. He said that all messages will be received and dispatched over telephone Niagara 9120.
Sincerely,
Charles Manns, Editor

Far Hero Gets Yrs. Probation
23-year-old veteran with a punished war record pleaded guilty of disorderly conduct before John C. Potter in Grosse Pointe Park Court last Thursday. Sentence was placed on two years probation, and must submit to psychiatric treatment at Wayne Probation Office.
Park police blamed extensive service for the youth's conduct. He has never been in any trouble before.
Hazen Hennig, of Park Court, arrested the veteran in vicinity of St. Clair School, confronting a few girls.
Hennig began an investigation. Police received an anonymous letter stating that four girls had been subjected to disorderly conduct by a young stranger.

Auto Kills Elderly Man
Wayne County prosecutor's office is conducting an investigation regarding the death of John Jarsch, 82, at 3671 Beaconsfield who was struck by a car while crossing Mack avenue near Beaconsfield Thursday night.
James Clements, 21, of Mt. Clemens, driver of the vehicle was released pending the outcome of the investigation.
Someone Doing Xmas Shopping Early—
A snafu took place at a hardware store when a customer was taken from a shelf at Chubb's Hardware store, 397 Fisher road. The bracelet was valued at \$25.

Here's What Pointe Dentists Say About "Mass Medication"
By DORIS MILATZ
Review Staff Writer
As a public service to the Grosse Pointe community, the Grosse Pointe Review conducted a poll among local dentists about whether local water systems should be treated with sodium fluoride salt as a preventative measure against tooth decay.
This treatment is now being studied by a committee of two dentists appointed by the Grosse Pointe Farms council, who are contemplating the advisability of this plan for Farms use, such as is now being used by nine municipalities in this country and Canada.
Among the many local dentists interviewed the majority expressed their opinion that, while it was still in the experimental stage, they viewed it favorably and believed it would prove of value not only to the children of today, but the future generation as well.
Dr. Edw. J. Guenther, of 16840 Kercheval, is of the opinion, however, that the fluoride should be applied not only by this method, but also by topical application to the children. He is highly in favor of having both these plans combined.
"I think it's the coming thing. It's still in its infancy, but from the experiments they've been doing, they are finding good results in it," said Dr. Edw. S. Burnick, of 20050 Mack.

Carrier Boys Now Collecting
Grosse Pointe Review Carriers are now collecting the delivery charge of 15c for the Month of November.
November receipts are printed on white paper.
Please ask your boy for a receipt.
P.S. This subscription rate is only \$1.00 per year, which is less than that of any other newspaper in the Metropolitan Detroit area.

Board 87 Defers Farms Patrolman
Following a meeting of Draft Board 87, Chairman Carl Schweikart announced that Guy Lyford, Farms Police officer, was given one year deferment.
Mr. Schweikart said that it was most likely that all police and firemen subject to the draft would be given a deferment.
The request for deferment was made by Walter Hoyt, Farms police chief, in accord with the Farms council ruling.

Education Board Says 'No Thanks'
Offer of the gift of Alger House, by the family of Russell A. Alger, Jr., to the Grosse Pointe School District was refused by the Grosse Pointe Board of Education, sitting in special session last Saturday morning in their offices on St. Clair.
Board President Bert Wickling favored acceptance of the gift, but the remaining four trustees declined the offer for various reasons, namely: one thought there was an implied obligation upon the part of the Board in accepting to convert the property into a library; others thought conversion and maintenance would be too costly and still another thought the property might prove a liability.
Saturday's meeting was merely a formality following a lengthy session last Wednesday night in which a letter from the Alger's attorney was read as the first formal offer of the gift. A second letter was submitted Saturday, which offered the property "without any limitations or restrictions whatsoever, either written or implied."
With the exception of President Wickling, Board members Wednesday night were inclined to reject the offer, but agreed to contemplate the matter further and postponed official action until Saturday morning.
Saturday's session, attended by the press, Board Attorney Coulter and Mr. Alger Sheldon, President of the Grosse Pointe War Memorial Library Fund, was marked by an impassioned plea for acceptance by Mr. Sheldon.
MEMORIAL HEAD SPEAKS
"I speak not only for myself," said Mr. Sheldon, "but for many, including some of the largest donors to the Library Fund," which now has upwards of \$300,000 in pledges for a War Memorial Library.
He said he would not question the vision of the Board if they turned down one of the most magnificent properties in this part of the country; nor would he question their good business sense if they refused an unconditional gift which on good authority couldn't be duplicated for \$1,500,000; nor would he question the discouraging effect such action would have on the Library campaign.
But, said Mr. Sheldon, the School Board, it would seem, is in a position of trust to those thousands who have given their nickles, dimes and dollars to see this memorial a reality; and, acceptance of this gift would bring

Alger House Gift Rejected By Board

NOTED NAME

Cornelius Vanderbilt

Continued from Page 1)
 campaign to a triumphant conclusion.
 It is not just a question of building a functional library, but just as important to create a beautiful and lasting building which would do proper honor to the man who gave everything and not question the price."
REPORTS OF EXPERTS
 Reports of the formal board were received, acting upon the suggestion of the proposal's availability to the Memorial Library Fund and the Board of Education arranged a survey by Mr. Charles M. Mohrhardt, Associate Librarian, Detroit and Robert O. Derrick, architect, of Derrick and Gamber. Mr. Derrick's report, in brief, stated that the structure, but emphasized that costs of conversion would be considerable and beyond the budget, would not be possible to operate the building without employing a staff larger than would be normal for a library of that size.
 Mr. Mohrhardt said in his report, "Librarians are in agreement the library should be located in the main business center of a community, along with stores, banks and other commercial buildings which draw large numbers of people... convenience users is as important for a library as for a great office building."

MOHRHARDT'S SUMMARY
 He summarized his report with the following statement:
 "After a careful consideration of the problem this surveyor recommends that the offer of the property be rejected for the following reasons:
 (1) The reconversion of the building to an entirely different purpose from that for which it was designed would, because of the many compromises necessary, result in a poorly designed library, poorly designed school or office building is difficult to use and operate. It is likewise expensive to staff and to maintain.
 (2) Because of space limitations a number of important public library facilities must be eliminated in the proposed reconversion, i. e., the History Room, the small Auditorium, two Conference Rooms and the Gallery.
 (3) The site of the Alger property, though located in a beautiful setting for a home, is not suitably located for a main public library."

SUP'T. BARNES LETTER
 Action of the Board was in accordance with recommendations made in a letter addressed to them by John R. Barnes, Superintendent of Schools, as follows:
 Mrs. Sheaffer and Gentlemen of the Board:
 It is my understanding that a proposal will be submitted to you at your meeting on Wednesday, November 17, 1948 which if accepted will transfer ownership of the property known as Alger House to the Grosse Pointe Board of Education. It is also my understanding that the gift would be made in contemplation of the development of this property as a

 Dealers in Surplus Commodities

I feel very strongly that in fairness to the Board of Education and to myself that I should state in writing my reasons for advising the Board of Education against such course of action. I realize that such a statement may be neither helpful nor welcome and I therefore submit it with extreme reluctance. If I were not so completely convinced that acceptance of this property would be a grave error, I would say nothing. I hope the following statement will therefore, be accepted as a sincere attempt to discharge my duties as the professional advisor of the Board of Education and not as obstructionism or fault finding.

I advise the Board of Education against acceptance of the Alger property with a view to its development as a central public library for the following reasons, each of which could be developed at length if the Board wishes:

1. The expense of operating the Alger House as a central public library would be prohibitively high in terms of personnel and maintenance costs. I use the word prohibitively because of my analysis of our present financial situation in terms of the certain demands which will be made upon us within the next six months for increased levels of compensation for existing personnel.
2. A central library on the Alger property will not adequately serve the public library needs of the population of the central section of the Grosse Pointe School District due to its location in relation to that population and to business areas and transportation facilities. I am so thoroughly convinced of the soundness of this statement that I would advise the Board of the necessity of continuing to operate the present City branch on Notre Dame Avenue for an indefinite period if our central library were located on the Lakeshore.
3. Alger House cannot be remodelled to provide adequate central library facilities and adequate War Memorial features except at prohibitive costs. The sketches submitted by Derrick and Gamber which largely incorporate the ideas of the President of the War Memorial Association make no pretense of developing War Memorial features or of providing special facilities for veterans' records and meetings places.
4. Acceptance of Alger House for War Memorial library purposes seriously endangers existing public good will for the school district and the Board of Education. I make this statement because I am convinced that the Board of Education will fail to hear to the unfavorable reactions of many donors to the War Memorial project, because I am convinced that the Village of Grosse Pointe Farms will object strenuously to the transfer of this property to non-tax status, and because I am fairly certain that many parents of children who will find it virtually impossible to use the central public library because of its location will be critical of such a situation.
5. The expenditure of \$200,000 to \$350,000 of donated and tax fund money in the remodeling of Alger House will tie us to that property for all time and will give us at best a makeshift public library.
6. If the Board of Education accepts the Alger property with a view to its development as a central public library and future developments prove the error of such a decision, the Board of Education will be in the unhappy position of having taken such action contrary to the advice of a qualified outside public library expert, of a competent architect, and of your local Director of Public Libraries and of your Superintendent of Schools.

I realize that there are many apparently good reasons for acceptance of what appears to be a magnificent gift, and that refusal to accept such a gift will result in criticism of the Board of Education. I am convinced, however, that the long term interests of the Grosse Pointe School System

be somewhere between \$20,000 and \$50,000.
 Original cost of the structure was learned to be \$750,000 and today's replacement cost would far exceed a million dollars.
 Estimates of proceeds from the outright sale of the property run from \$75,000 to \$150,000. Adjacent property sold recently in parcels for \$50,000, it was stated.
SHELDEN DISAPPOINTED
 Questioned after Saturday's meeting, the President of the War Memorial Library Fund stated that he was greatly saddened and disappointed over the refusal of the School Board to accept the Alger property, for he had seen in this very magnificent and patriotic gift of the Alger family a way to wind up the War Memorial campaign most successfully.
 He said that neither the views of the many prominent citizens, nor the views of the President of the School Board, Mr. Wickling, had been able to save the property for the school district.
 Mr. Shelden is calling a meeting of the directors of the Grosse Pointe War Memorial Library Fund to determine, "Where we go from here."
 Mr. Shelden had no criticism for any member of the School Board saying "I am sure that each discharged his or her duty carefully, fearlessly and to the best of his ability, but I do stress the very urgent need of cooperation in the future, if the community is ever to have a Memorial worthy of our Heroes."

and of the Grosse Pointe Public Libraries would be served by a rejection of the proffered gift.
 Respectfully submitted
 John R. Barnes
 Superintendent of Schools
LIBRARIAN'S LETTER
 Miss Florence Severs, Librarian, who founded and has directed the growth of the Grosse Pointe library system for nearly 25 years, addressed the following letter to the Editor of The Review, to clarify her position with regard to acceptance of the Alger offer:
 Dear Sir:
 So that there will be no misunderstanding about my position concerning the proposal to make Alger House the Main Public Library for Grosse Pointe, I wish to make a definite statement concerning my views.
 In my opinion, the acceptance of Alger House would be the worst possible solution to the library problems confronting our community.
 A library, to serve all of the people, must be located near geographical and population centers. Librarians know that the location is all important to the patrons. We can make a library in a basement, an old house or a niche in the wall, provided it is accessible to the people, but a library without patrons, housed in the most beautiful building in the world, is little better than a mausoleum.
 Aside from location, careful and efficient planning is necessary in the construction of a modern library. For the sum it would cost to remodel Alger House, a new building smaller than was originally planned, could be constructed. This could be enlarged in the future to meet the needs of an increased population. Such a library would have the advantage of being planned so it could be supervised and operated by a comparatively small staff.

As many of you know, I plan to retire in the near future. I should feel that I had been remiss in my duty to the citizens of Grosse Pointe if, before leaving, I did not make clear how strongly I feel on this matter. Locating Grosse Pointe's new public library in an inaccessible place would deprive the people of this community of the benefits and privileges which the public library can give.
 Sincerely,
 Florence S. Severs
 Librarian

PROPERTY'S VALUE
 The Alger House was recently returned to the Alger Estate by the City of Detroit which had operated the property as Alger Museum for many years. It reverted to the heirs when Detroit failed to appropriate funds for its maintenance as a museum.
 According to reliable reports, the property will now be sold and subdivided, with the original Alger House to be wrecked and removed. Of poured concrete construction, cost of wrecking would

DRUM KING

BARBARA COULTER

Barbara Coulter who is a sophomore music major at Albion College, has recently become an active member of Sigma Alpha Iota, National Women's Honorary Music Fraternity.
 Miss Coulter is also head of the drum section in the college band and orchestra, and house chairman of the Beta Pi chapter of Delta Zeta social sorority on the campus.
 Her parents, Mr. and Mrs. Marshall G. Coulter, reside at 438 avenue, Grosse Pointe Farms.

Plenty Of Bucks For Johnsons
 Like father, like sons was the policy adopted by Park Controller, William Johnson, 1100 Beaconsfield, and his seventeen year old son, Bill.
 They each brought home a buck from their hunting venture on their first day out at Comings, Mich., about 20 miles North of Mio.
 To round-up the venture with complete success, son-in-law, Bill Fromius, banged one on the second day.
 All the bucks were spikes, averaging about 125 pounds each. P. S. They'll be no turkey dinner at the Johnsons on Thanksgiving Day.

No Changes For Newberry Plot

Farms Engineer, Murray Smith, announced that no changes or improvements will be made on the Newberry Estate property, north of McMillan and Kercheval, recently acquired by the Village for \$12,500.
 However Smith added that the village may cinder and service this 125 foot plot in the Radnor Park subdivision as demands grow for more parking facilities in that area.
 At the present, a small section of the property is cindered and used for parking.

For many years, the Parseses of India have disposed of their dead by placing the bodies on towers where vultures eat them, relates the World Book Encyclopedia.

LOVELY POINTE BRIDE

MRS. EARL H. ALLARD
Lovely Helen Gramley daughter of Dr. and Mrs. William Gramley of 1046 Bedford road, was married Saturday in Grosse Pointe Memorial Church to Earl Henry Allard, son of Mr. and Mrs. Thomas H. Allard, of 15035 Novara, Detroit.

Helen Jean Gramley Is Wed To Earl Allard

A reception at the Bedford Road home of the bride followed the exchange of nuptial vows by Helen Jean Gramley, daughter of Mr. and Mrs. William Gramley, and Earl Allard, son of Mr. and Mrs. Thomas Allard, last Saturday evening.

CDS Class Entertains

Members of the more advanced Spanish class of Grosse Pointe Country Day School entertained recently at a Spanish tea given under the direction of Miss Dorothy Putz. Rae Garber and Jane Kuhlman sent invitations to all the Spanish classes and to members of the faculty which were written in English and in Spanish.

HONORS CLASSMATE

Miss Mary Ann Busch, daughter of Mr. and Mrs. E. A. Montgomery will have as her house guest Miss Anne Moroney of Pleasantville, N.Y. for the Thanksgiving vacation. The girls are classmates at St. Mary of the Spring College, Columbus, Ohio.

Woman Wrecks Pointer's Car

Two motorists, who were charged with reckless driving by Farms Police, caused accidents Saturday.

Stella M. Bondy, 55, of Detroit, lost control of her car while making a turn at Kercheval and Moross and struck a car driven by Albert H. Trowbridge, 328 Ridge road, who was waiting for the traffic light to change.

Damage to Trowbridge's auto was estimated at \$400. Her car's damage was set at \$100.

According to police, the second reckless driver was James L. Brenner, of Detroit, who unable to stop his car in time crashed into one operated by Richard Foulon, also of Detroit. Foulon was making a right turn at Mack to Kirby.

In 1947 30 Million Bibles Sold

The Bible—consistently a best seller—reached new heights in 1947, according to research experts gathering information for the new World Book Encyclopedia.

According to the researchers, Bible sales last year totaled about 30 million, which means that 57 were sold every minute of every hour, night and day.

This remarkable sales total is due, in part, to the fact that the Bible has been translated into many languages and is found in all parts of the world. In all, there are 184 translations of the complete work, and 1,100 translations of various sections of the Bible.

The World Book researchers point out that the Bible is often referred to as "The Book," but it really should be called "The Library," as there are 66 books for Protestants, 73 for Roman Catholics, and 24 for Jews. Even the name "Bible" is plural in its original meaning, as the Greek word "Bible" means "books"—not book.

Union Rites Set For Woods

A Union Thanksgiving Service will be held in the Grosse Pointe Woods Presbyterian Church, 18950 Mack Avenue at Torrey Road, on Thanksgiving Day, November 28th, at 11:00 a.m.

This is the first united service of the following churches, Grosse Pointe Congregational, the Rev. Charles W. Scheid, minister; Grosse Pointe Methodist, the Rev. Hugh C. White, minister; St. Michael (Episcopal), the Rev. Edgar H. Yeoman, rector; and Grosse Pointe Woods Presbyterian, the Rev. Andrew F. Rauth, minister. Mr. White will read the President's Thanksgiving Proclamation and announce the offering which will go to Church World Service. Mr. Yeoman will

Local Group To Present Bomb Epic

The Fortnighters Club of the Grosse Pointe Memorial Church will present a dramatic reading of Hermann Hagedorn's famous narrative "The Bomb That Fell On America." Wednesday Evening, December first at 8:15 p.m. in the Gymnasium Auditorium of the Church house. The general public is invited to attend and no admission will be charged.

The leading roles will be taken by the Reverend Paul F. Ketchum as Narrator, and David Livingston as The Lord. Others in the cast include Joan Clarke, Mr. and Mrs. Ray Craver, Arthur Dannecker, Jr., George Gerow, Jean McCarahan, Virginia Schultz, and Donald Sicklestele. Assisting with the musical setting are Arthur Neff and Richard Young. The dramatic version with accompanying music was arranged by Marie Joy Curtiss who is also directing the production.

"The Bomb That Fell On America" is a most timely work because it deals with the problems directly confronting the United States today. The first scene describes the creation of the atom bomb and the reactions of people to this greatest of all scientific achievements. In scene two the Narrator experiences a vision in which the Lord appears to him and shows him how people today—even the best citizens—are not living up to a full and complete understanding of the true meaning of their Christian teaching.

read the scripture and offer the Thanksgiving prayer. Mr. Scheid will preach the Thanksgiving sermon.

The Chancel Choir of the Presbyterian Church, under the direction of Kenneth W. Smith, will sing. Mr. Rauth will conduct the service. The Churches and the ministers extend a cordial welcome to all.

HELP REALIZE NEW CHURCH HOME

Highly responsible for making a new home for the St. James Congregation possible is the congregation's Building Fund Committee comprised from left to right, Walter Wilson, William Schumacher, Harold Reith, chairman; Marvin Asmus, Sr., Ernest Dossin, and Alfred Wilson. The site at 170 McMillan road will be dedicated Sunday, Dec. 5.

INITIATE FAIRLESS

David Fairless, senior at Denison University, Granville, Ohio, has been recently initiated into Omicron Delta Kappa, men's honorary for scholarship and campus leadership. He is the son of Mr. and Mrs. Victor Fairless, 839 Fisher.

DENBY SPEAKER

Monday, November 29 at 8 p.m. will be a very challenging evening at Denby High for parents as well as students. Mr. Philip Cummings, well known commentator and specialist in youth problems, will speak on "Youth Faces the Modern World." Mr. Cummings will be the fourth on a series of lectures which have already entertained enthusiastic audiences.

Denby is located at 12800 Kelly road, Detroit.

Eastside Churches To Hold Union Services

The Protestant churches in the southeast side of Detroit will hold a Union Thanksgiving Service on Wednesday evening, November 24th, at 8 P. M. in the Evangelical United Brethren Church, corner of Kercheval and Lakewood Avenues.

Besides the host pastor, Rev. A. C. Bauman, other ministers participating in the service will be Rev. J. P. Hendershot of the Jefferson Ave. Baptist Church, Dr. Sidney Eva of Jefferson Ave. Methodist Church, and Dr. Theodore V. Moldenke of Eastminister Presbyterian Church.

St. James Lutheran Church To Dedicate New Building

The new church home of the St. James Lutheran Church of Grosse Pointe, McMillan near Kercheval, is nearing completion and will be dedicated Sun., Dec. 5. The structure is pure Georgian (Colonial) in character and promises to be one of the outstanding churches of its type in the community.

The main approach to the building has a stately portico with Greek Ionic columns. Another outstanding architectural feature is the gracefully proportioned steeple, which is reminiscent of those built by Sir Christopher Wren. Crowning this steeple and towering above the neighboring skyline is a 4 foot cross.

On the inside, the narthex is separated from the nave by a glass and wood screen and leather-covered doors. The nave is cruciform in shape, leads to a light-gray marble altar. The background of the altar is a deep-red curtain which has small, gold, repeated figures symbolizing the four gospel writers.

The new edifice will seat approximately 400 persons including the choir stalls and balcony. Sunday School assembly room, located in the basement, is not included in this figure.

The entire structure has been planned but at this time only the church proper was allowed to be constructed under the restrictive rules of the Civilian Production Administration. Future wings will provide for the pastor's study, offices, parlors, choir and additional Sunday School rooms.

The architect of St. James Church is the George D. Mason and Company, noted for its monumental work, especially in church and society buildings, having erected the Masonic Temple, Detroit Yacht Club, Central Woodward Christian Church and many other structures.

St. James mission was founded in February of 1940, under the direction of Pastor A. H. A. Loeber of Messiah Lutheran Church, held its first services in the library of the Grosse Pointe High School. The founders of the new mission

were Mr. Fred Keubold, Dr. Austin Neeb, prominent Grosse Pointe dentist, and Mr. August Foote.

In April of 1940 the congregation was organized with seven voting, 14 communicant members and 5 Sunday School pupils. Shortly thereafter the present pastor, the Reverend George E. Kurz, was ordained and installed.

Because of the limited space available, the congregation in December of 1940 began holding services in the Punch and Judy Theatre, the present place of worship.

Four and a half years after the founding of the new mission, July 1944, the congregation became self-supporting and in June of 1947 proceeded to break ground for what is now "Their Monument of Gratitude."

The congregation now has a communicant membership of 266 and 144 Sunday School pupils.

Church To Dedicate New Parish House

Messiah Lutheran Church will dedicate its new Parish House on the coming Sunday, November 27, in a special service to be held at 4:00 o'clock in the afternoon. The Assistant Pastor, M. L. Martin, will deliver the sermon of dedication, while the dedication ceremonies will be performed by the Pastor, A.H.A. Loeber.

Ground for the structure was broken on January 22, 1948, while the cornerstone was laid on Sunday, April 4. Approximate-

ly ten months were required to complete the building. The present time furniture and equipment are being moved to the new structure, which joins the church proper east end.

James Sanford, son of Mrs. Sterling S. Sanford Hilcrest, a Freshman at Alma College, has become a member of the church proper.

COME TO CHURCH ON

Thanksgiving

Thanksgiving Day is your opportunity to give thanks in prayer for all the blessings you have received. You are invited to attend the special Thanksgiving Day Services announced below and join in recreating the true spirit of Thanksgiving.

Another Thanksgiving Day on which to draw upon the solace and courage that course from the wellsprings of family loyalty and feeling . . . on which to forget worry and fear in the warm glow of love and friendship . . . and to reflect once more that life in America, on God's ample bounty . . . is truly worth living.

"We Pointe With Pride"

ST. PAUL'S CHURCH

'POINTE ON PARADE'

St. Paul's Church Founded in 1848, On Site Used By French Settlers

Editor's Note: This is one in a series of illustrated articles entitled "Pointe on Parade" conducted by Leslie P. Young, veteran resident of Grosse Pointe. The articles feature stories and pictures of many of Grosse Pointe's first buildings and other centers marked with tradition.

The oldest church in the Grosse Pointe area is St. Paul's Catholic Church at 157 Lakepointe Drive. St. Paul's was originally established as a Mission Church in 1846, near what is now known as Roslyn Road. In 1848 the location of the church was changed to its present site where, a new church was erected. At that time, Jefferson Avenue and Lakeshore Drive were plank roads running through the farms of the early French settlers that faced along Lake St. Clair.

Toward the end of the century, the small church building was moved back on the property in order to make room for the present impressive ivy-covered brick building which was built in 1897. For many years the old building was used as a hall for social activities of the Parish. It was finally removed from the property and the old timbers were used in the construction of several residences and other buildings that are still in use in the Pointe.

3 Boys' Confess Theft of Car

Three Detroit boys were released under \$1,000 bond each after they pleaded guilty of an auto theft before Judge L. P. Young in City of Grosse Pointe court last week.

The car, stolen from Mrs. Nesta Weadock, 442 Neff road, on Armistice Day, Nov. 11, was recovered by Detroit police two days later.

Arrested were John Sacco, 18, Roy Tosto, 17, and Alfonso Mastrogiovanni, 18. City police said that they all had criminal records in the Juvenile Court.

22 Recruits Join Richard Safety Patrol

The Richard School Safety Patrol reached a new peak in its membership this semester. The addition of twenty-two recruits brought the patrol enrollment to sixty boys. The patrol is sponsored by John Hanmel, 5A teacher.

Before the boys could become regular members it was necessary that they be recommended by their teacher, take training for a week under older members of the patrol, and pass a written test. A good record must be sustained to remain on the squad.

Last June, the boys who were assigned to corners in September, wrote penny postcards to themselves as a reminder. The cards were collected, held during the summer and mailed to the boys about a week before school opened. This insured protection of heavily traveled corners from the very first morning of school.

To provide a needed break in steady duty, which is difficult in cold weather and a chore when the spring baseball season opens, the boys are divided into two teams, "A" and "B." "A" team alternates with "B" team so that a boy is on duty every other week. However, the captain, James Wood, and his lieutenants are on duty all of the time. The captain's term usually runs for a semester while the lieutenants are elected every six weeks.

This fall the Grosse Pointe City Police in cooperation with this newspaper took the boys to the auto races. They also attended one of the football games at the high school, having been invited by Mr. Cleminson and the Student Association. The patrol boys appreciate these indications that their work in safety is noticed and considered important.

Following is a list of the boys now on the safety patrol:

- Jim Wood, Capt., Fran Striker, Charles Mannino, Bob Hembel, Summers Stevenson, Clark Morrison, Paul Arnold, Philip Warren, Mike O'Neill, David Bayne, Roland Austin, Bob Richter, Ricky Berard, Jim Book, Dick Schleicher, Jerry DeKeyser, Steve Mulliken, Allen Smith, Jim Deimen, Bill Hembel, Bill Totty, Judd Emerson, Peter Groschner, Kurt Weed, Lewis Higgins, Paul Scheid, Jim Leneberger, Bill Krebs, Charles Watson, Tom Quinney, Stark Langs, Richard Noer, Roger Duerksen, Bill Leonard, Jeff Barry, John Bennett, Max Luft, Dick Barton, Walt Carrier, Bruce Morrison, David Boyer, Michael McMechan, Frank Olney, Jim Darby, George Risk, Ricky Reed, Joe Donovan, Bill Reeves, Ronny Rolley, David Gore, Don Miller, Paul Thompson, Richard Keys, Bob Bourdeau, Bruce Vollmer, Bill Langworthy, Joey Boydell, Leland Worden, David Lippincott, Bob Beltz.

St. Michael's Chapel Bowling League Standing

Showing rare form when the going was toughest Fred Pierce, Don McMillan, John VanAllen, Garnet Smith, Ken Lander and Cy Marshall rolled good over-average scores to make themselves richer through turkey awards at Grosse Pointe Woods Recreation alleys last Wednesday night.

The St. Michael's Chapel Bowling league continued to be led by the SUCKERS who took 3 of 4 points from the SHARKS. The SMELTS dropped the SNAPPERS by the same margin, and, in spite of Capt. Harry Findlay's fancy bowling, the lowly SCALLOPS took another wallop when the SHRIMPS tallied 4 points.

Table with 2 columns: Team Name, Won, Lost. Includes SUCKERS, SNAPPERS, SHRIMPS, SMELTS, SHARKS, SCALLOPS.

Six Teams Share Top Honors In Boys Grid League

The Pierce-Brownell Junior High School Football League which saw close to 200 youngsters in action completed the 1948 season recently with six teams sharing first place honors in the two divisions.

In the lightweight division, two teams from Pierce, Maroons and Whites were deadlocked with Brownell's "Reds". Each eleven had two wins in three starts.

The heavyweight class was dominated by the three Pierce school contenders. Sharing first place were "Blues", "Gold", and the "Reds", two wins and one loss each.

Maroons and Whites also shared top honors in the Pierce Intramural League with one win, one tie, and one defeat each.

Faculty members who are behind this league are James Anderson, Howard Poe and Walter Siebel of Pierce; Frank Banach, and John Finch, of Brownell and Grosse Pointe High.

Country Day Edges Kingswood

Tuesday, November 16, the Grosse Pointe Country Day School played Kingswood in the most exciting game of the season. When Kingswood went onto the DUS field they held the outstanding record of being unscored upon for two years. Country Day had been defeated once, tied once, and had won two games, but despite this record, they were determined to win this game, and they did 3 to 2.

7 Lettermen For St. Paul Cagers

By JOHN ENGLEHARD, Review Junior Correspondent. Although basketball practice has been under way for more than a week for St. Paul's Flyers, Coach Ed Lauer still will not comment on his team's chances this season. He admits that he has an experienced team (seven lettermen back from last year's squad), but points to the fact that one of the game's essential qualities, height, is lacking. Chuck Wylie is the tallest at 6 ft. 1 inch. Besides the lettermen, (last

year's captain, Jimmie Law, Jerry Hollerback, Harry Hammonil, John Hoey, Pete Belanger, Bill Huettelman, and Wylie) Mr. Lauer has moved Tom Marchand, Tom Pelke, Bill Mason, and Duane Strebb up to the varsity. The Flyers' keenest competition will come from St. Ambrose, St. Martin's and St. Rose, all of which are expected to have top-flight teams. These teams together with the Flyers should give Annunciation, the defending champions plenty of trouble.

No defrosting

DUAL-TEMP 2-in-1 refrigerator

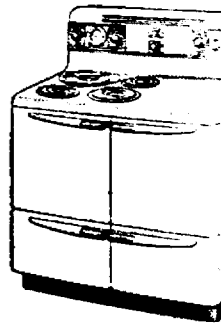

by ADMIRAL

Admiral

AMERICA'S MOST WANTED REFRIGERATOR! ... because only DUAL-TEMP offers all these time-saving, food-saving features: Built-in HOME FREEZER really quick-freezes at 15° below zero. Stores up to 70 lbs. of frozen food safely for months. Huge, MOIST COLD COMPARTMENT never requires defrosting! High humidity keeps food fresh and moist without covering dishes. STERILAMP kills germs, helps preserve food longer. Excess moisture removed by MOISTROL... the self-emptying drip tray. These and many other features make DUAL-TEMP first choice of those who want the finest.

ADMIRAL ELECTRIC RANGE Now... get simplified automatic cooking in America's most beautiful electric range. Just three controls to set... cooks while you're away! Large, flexible oven provides seventeen different rack positions. EX-O-HEAT "no-skip" controls give the exact amount of heat desired. Compare... and you'll choose ADMIRAL.
