Trombly School Girls Save Four Families From Fire

Progress Made For G.P. Center

HONOR YOUNG HEROINES

Fire Chief cited the two Trombly School heroines, Susane Hays, and Carolyn Moody, 12, for their alertness in arousing the tenants of 872 Beaconsfield. A \$5,000 reward was offered for the roof and attic of this home.

Children Arouse Tenants

Two twelve year-old girls on their way to Sunday School saved tenants at 872 Beaconsfield from a raging fire that devastated the roof and attic. Damage was estimated at close to \$5,000 by Park Fire Chief, E. L. Rector. No one was hurt.

DIDN'T EVEN WAKE NEIGHBORS

Pictured above is the home of Mr. and Mrs. Lawrence Glissman of 2041 Lennon after the recent wind storm blew a large tree across the porch. The Glissmans were not at home at the time and their neighbors, Mr. and Mrs. Arden Rutan who were asleep in their home within 25 feet of the tree, were not bothered in the least. They did not hear a thing and were not aware of their brush with danger until the following morning. Police reported small damage in this district.

Pursuant to the request of the Directors of the Grosse Pointe War Memorial Library Fund the officers of that Fund have chosen a committee of 15 residents of Grosse Pointe, the majority of whom are directors of the Board, to further inquire into the uses, maintenance and sources of revenues of our Grosse Pointe War Memorial Civic Center to be located at Alger House should it become available.

Those who have agreed to serve on the committee are: H. S. Barrett, George Beauchamp, Mrs. Charles A. Dean, Vincent DePetris, George Elworthy, Karl B. Goddard, Mrs. Lloyd Hooker, Ernest Kanzler, John L. Kenower, Jas. A. Lafer, Mrs. Charles B. Lord, Norbert Neff, John J. O'Brien, Mrs. M. M. Sheaffer and James K. Watkins.

This committee met Friday evening at the Neighborhood Club and after a general and enthusiastic discussion decided to split itself up into sub-committees to accomplish its purposes. As a consequence a committee was chosen to contact the various contributors to the Fund to determine their wishes; another group to inquire into the uses, maintenance and sources of revenue and a third committee to visit with the School Board and solicit its cooperation.

Two of the sub-committees met immediately upon adjournment of the first meeting and after making considerable progress in the assignment of duties agreed to meet again Friday. At this coming meeting it is expected that several members will report their progress and discuss further the contacting of organizations and the setting up of a careful estimate of probable income and expense. With these facts in hand it should be possible to go to the contributors to the War Memorial Library Fund within the next ten days.

Variety Marks Police Calls

Two local boys, 13, 14, arrested by Farms Police for breaking and entering in Grosse Pointe Country Day Schools were referred to the Wayne County Juvenile Probation Officer for further disposition of their case.

HEADACHES

Among the other calls received at Farms Police station last week were the reporting of a rat in a bathtub; a bird in a chimney; and barking dog down the street.

LOSES WATCH

Mrs. Sigurd Wendin 291 Cloverly, disclosed that she lost her platinum wrist watch while shopping in the village. The watch is valued at \$20.

CREWS SAVE DOG

Park Police and Firemen joined hands in the rescue of a stray dog that had fallen into the lake off Waterfront Park. Police were notified by Carl Beer, of 15600 Windmill Pointe drive.

Police Release Drunk Driver On \$100 Bond

Harold C. Mulligan, 1580 Pennsylvania, Detroit, was released on a \$100 personal bond by Park Police for drunk driving. His car struck three other autos, two of them parked, on Kercheval and smashed into the building of Joseph's Gas Station, Kercheval at Lakepointe.

Total damage was estimated at \$600 by police.

Owners of the other cars were Edward Lechner, 15231 Kercheval; Mary P. Kerr, 551 Touraine, and Marvin Mathews, 1358 Hollywood.

Police said that Mulligan refused a test.

Witness reported that he was so intoxicated that he could not stand up.

He will be tried in Grosse Pointe Park court, Wednesday, Feb. 2.

Township Staff Seeks Re-Election

Carl Schweikart, Township supervisor, heads a list of Township officials who will seek re-election at the spring election this year.

The primary will be held Feb. 21. Clerk Don Goodrow who was named in April, 1948, to fill the vacancy created by the death of Henry Lavers, will seek to hold the office for two more years.

Veteran Township treasurer, Adolph L. Damman has also filed for re-election.

Judges Victor DeBaeke and Joseph Belanger and John L. Potter complete the list.

According to Mr. Goodrow no other persons have filed for office. The deadline is Feb. 1.

Shores Location Delays Move For Pointe Merger

The fact that part of Grosse Pointe Shores is located in Macomb County might upset present plans to merge the five local municipalities into one city.

Jules Berns, Grosse Pointe Township attorney, blames this factor for holding up final decision on the matter from the Wayne County attorney's office.

As soon as Mr. Berns get a green light from Wayne County he plans to distribute petitions to place the issue before the voters.

Signed petitions will then be presented to the Wayne County Board of Supervisors who have the power to call such a vote.

Mr. Berns said he expected to get a decision from the county office shortly.

Meanwhile Grosse Pointe Farms which will vote to break away from the Township at a March 14 election conducted a hearing on the question Friday.

Harry Furton, Farms clerk reported that about 35 attended the session. No one present voiced any opposition to the proposal.

She was turned over to Detroit Police who said she was wanted by a state mental institution.

Woods Civic League Studies Radio Plan

The proposed Inter-Municipal Police Radio System, subject of controversy in Grosse Pointe, will be discussed at a meeting of the Grosse Pointe Civic League officials and directors, Thursday, Jan. 27 at 8 p.m. at the home of L. K. Westerville, 1359 Hollywood.

Other problems of the village will also be discussed.

A general meeting will be held shortly.

Special Committee Studies Problems

Williams Promises Help To Curb Pollution Here

Water pollution which has been a major menace in Grosse Pointe for many years is subject of a study now being conducted by a special committee of members of Michigan's State Legislature.

This statement was made by Governor Williams to Charles Manos, Review editor in an interview at Lansing, during the Michigan Press Association Convention.

The governor, a former Grosse Pointe, stated the committee is expected to report very soon, offering recommendations as to what measures to take to eliminate pollution not only in this area but throughout Michigan.

During the convention, Gov. Williams and other State officials attended several luncheons and meetings, discussing new taxes and deficits. Despite the somber tone of the meetings, they were not without their lighter moments.

State Senator Don VanderWerp (R-Fremont) noted that State Treasurer D. Hale Brake was so well thought of in his community that there had been consideration to erection of a monument bearing the inscription: "D Hale Brake Slept Here."

To this, Governor Williams retorted: "All I can say is that when I get through in Lansing they won't be able to say Williams slept here."

Governor Williams made it plain that the administration would attempt to meet the deficiency facing the state by advocating new specific taxes. He refused to divulge the tax to be advocated, but his conversation suggested it might be an income tax.

Rites Held For Victim of Wild Ride

Many boys and girls of high school age attended the last rites of Jerry Scott 616 University Place, who suffered fatal injuries when a car he was riding in with four companions, 18-20, overturned on Lakeshore road near the County line Friday, Jan. 21 at 2 a.m.

Scott was taken to Cottage Hospital where he died several hours later.

Riding in the car with Scott were John Hooker, 445 University Place, Alex Barty, 357 McKinley, Marvin Weaver, 306 McKinley and the driver, John Seymour, 605 Rivard Blvd.

Barty is in Cottage Hospital with chest injuries and a broken leg.

The rest were given first aid treatment and released.

Police said the accident was caused by making a turn at an excessive speed.

The car owned by Mr. Seymour was completely wrecked.

Young Scott is survived by his parents, Mr. and Mrs. Syd Scott and a brother, Robert.

STEAL SHINGLES

Mr. Pete Wilhelmson, 1102 Lakepointe, reported the theft of 35 bundles of shingles from his home, Park Police disclosed.

GIVE OUR YOUTH A BREAK

We have always contended that too much attention has been given to boys and girls that get in trouble...

More than often when an older person sees a group of boys having some good clean fun, they hastily describe them as juvenile delinquents.

This publicity has led a great movement across the nation to form "Youth Forums" Children Study Committees...

How bad are our boys and girls - Well's lets take a glance at the records in our local school district.

We agree it's difficult to believe but it is true-actually we do not have a problem. It's just a impression left by the many stories we read in our Metropolitan dailies.

Youth committees are important organization but we feel that they should also take a positive view point in their study instead of the negative side which centers their attention on the small percentage that have drifted off into mischief.

Let's give our good boys and girls a little more recognition-we have many of them around-in your home, in your neighborhood's home-and in virtually every home in every community there is a good boy or girl-yet all we hear about is juvenile delinquents.

This week we are starting a "Young American of the Month" award citing outstanding boys and girls for their efforts in the community.

THE TOWNSHIP STORY

One does not have to go any further than our own backyard to agree with Claude B. Tharp, research associate at the University of Michigan...

He discusses this and other aspects of township organization and operation in "A Manual of Township Government" written by him and published by the University.

"Certain influences have operated to weaken township government in Michigan," Tharp writes. "From the beginning, township government has been overshadowed and rivaled by county government."

Township government had its beginning when Michigan was a territory and its legislative council enacted a law in 1827 which recognized the township as a political unit and a corporate body.

Tharp's manual describes the organization of township government, its officers and their functions, its financial operations, and new provisions for the charter township.

Persons interested in obtaining a copy of this manual should contact Tharp at the University.

JUST COMMENT

One thing will never be settled-did wages go up with high prices, or did prices go up with wages?

A local failure means a fool is a person who makes a mistake once and gets married again.

Mother's Health Council Hears Dental Experts

Approximately 40 mothers representing the public schools in Grosse Pointe and a guest from the St. Joan of Arc School, heard two interesting and very informing talks at the last meeting of the Mother's Health Education Council, Wednesday, Jan. 19.

Dr. Alfred E. Seyler, Associate Professor of Operative Dentistry at the University of Detroit Dental School was the first speaker. His subject was "Your Child, the Dentist and You."

"Three years of age is the best time to start your child seeing his dentist" said Dr. Seyler. "It is better to bring him in before he needs to come and at this age a certain amount of prevention can be exercised. The child can be conditioned to the more pleasant aspects of a dental office, such as teeth cleaning and getting acquainted ... Do not accompany your child to the operating room. You would not expect to do in a hospital. Children get along much better if mother stays in the waiting room ... Do not mention such things as 'it won't hurt.' Encouragement ahead of time is poor psychology. Some times it is necessary to be hurt. Let the dentist handle this matter ... Do if you would help prevent tooth decay cut down on all sugars and sweets such as cola drinks, candy, cookies, sodas and rich desserts.

Some misleading facts seem to be prevalent about the topical application of fluoride. That no special training is required, that it only takes a few minutes, and that it protects indefinitely and prevents all decay. On the contrary, it takes skill, patience, time and a deftness in handling children to apply fluoride effectively. It reduces dental decay by 40% (a sizeable saving of teeth and money), but some teeth might still be predisposed to decay in spite of treatments. Above all it does not offer protection for three years as is thought, your child should see a dentist every 6 months.

Dr. Robert Coleman, Instructor of Orthodontics at the U. of D. Dental School spoke on "What Orthodontics Treatment Can Do."

"It seems to be human nature to judge people at their face value and many young men and women have an inferiority complex resulting from facial deformities and crooked teeth. Crooked teeth affect the health as well as appearance because of improper chewing. Crooked teeth are more susceptible to cavities because it is impossible to brush them properly.

Do not wait for nature to change deformities in children, caused sometimes by heredity, or habits, such as mouth breathing or thumb sucking. Dental deformities should be treated as early as possible, although patients range from age 4 years to 40. You should consult your dentist or an orthodontist."

Dr. Coleman present some slides and had on display several study models of teeth of actual cases which showed what seemingly miraculous work was being done in the field of orthodontics.

Both Drs. Seyler and Coleman mentioned and suggested the use of a new dentifrice that was discovered at the University of Illinois Foundation called "Amurol." It has been proven to prevent up to 78% dental decay in adults, and was approved by the American Dental Association.

The meeting was held at the home of Mrs. Chetser Perry on Balfour Road. A hot luncheon was served. Hostess with Mrs. Perry were Mrs. Victor Taylor and Mrs. A. E. Gaddy.

Announce Water Color Class

A class in Water Color Painting, modern and advanced techniques, is scheduled to start on Tuesday, February 1st, 10:30 a.m. at the Grosse Pointe Board of Education. Lillian M. Pear will instruct this group. Mrs. Pear has had graduate work in advanced water color at Wayne University, and the three different techniques will be taught. Every artist regardless of medium will find this course stimulating and it will help to clarify many painting problems. For reservations and information call the Grosse Pointe Board of Education, TU. 5-2000, Extension 25.

Young American of the Month

JIMMIE ON DUTY

Pictured above is Jimmie Boberitz, a member of the Parcels School Safety Patrol. Jimmie is one of more than 250 boys in the Grosse Pointe Schools who gives up hours of play time to be at their posts on street corners several times each day. In all kinds of weather they are there to protect the lives of several thousand children who cross our streets daily to and from school.

Chief Walter Goulette of the Woods police reported that recently he saw Jimmie grab a small child darting around a parked school bus into the path of a passing car, and pull him back to safety. Jimmie was unaware that anyone had noticed his alertness and perhaps does not even remember the incident. To him it was just a part of the job he does so very well. His only reward is the deep satisfaction he gets from being of service to others.

Parents who observe these boys morning, noon and night watching over the safety and welfare of their children can feel proud that such fine young citizens as our Boys

Safety Patrol members are serving so faithfully.

Jimmie is the son of Mrs. Margaret Boberitz, of 1562 Anita. He has a younger brother, Bobby, who will undoubtedly follow in Jimmie's footsteps when he, too, is old enough to be a Safety Patrol boy.

This week The Review presents Jimmie its first "Young American of the Month" award. He will receive a scroll symbolic of his worthy deeds and he will also be a guest of this newspaper at the Shrine Circus.

This feature has been undertaken by The Review to recognize the many worthy deeds our boys and girls do. At the end of each month through out 1949, a Young American of the Month will be named in cooperation with officials of the church, school and PTA's. Recommendations are invited.

Kerby School Girl Scouts Get Awards

In a Brownie Scout Fly-Up ceremony, held on Wednesday, January 19th, the girls of Troop 304, Kerby School, became Intermediate Girl Scouts. This ceremony is called a fly-up because at this time the girls receive their Brownie wings.

They were also awarded their Tenderfoot pins, signifying that they had passed certain requirements. Each girl repeated the Girl Scout Promise and the Girl Scout Laws.

The Grosse Pointe Post 303 of the American Legion Auxiliary presented the troop with a beautiful American flag. This was accepted by the troop president, Joy Tesch.

The girls of the troop are:

Michele Boccia, Kay Davison, Mary Jo Giroux, Joan Ellis Hill, Susan Johnson, Anne Koring, Avery Lynn Kimerly, Joan Loveless, Sylvia Melmer, Marilyn Mendenhall, Julie Michel, Marilyn Meyer, Donna Robertson, Joy Tesch, Margaret Trowbridge, Judith Wetzel.

Leaders of the troop are Mrs. M. B. Hutchinson and Mrs. J. Loftstrom.

The presentation was made by Nell Baldwin, auxiliary president, in the absence of the Americanization Chairman, Marion Ling.

Mrs. Walter Hoyt sounded taps.

Among members of the unit present were: Marjorie Gradir, Pearl Adleman, Margaret Berfelz, Gladys Snay, Gladys Charrier, Hazel and Rowena Weaver and a new member Mrs. A. Carducci.

Detroit Districts of the Legion Auxiliary was represented by the president, Elva Neilsen, who is also a member of the Grosse Pointe Unit, and Erma Toy, Districts Americanism Chairman.

Grosse Pointe Theatre Elects First Officers

Russell Werneken founder of the Grosse Pointe Theatre was appropriately elected president of this non-profit theatrical group at a meeting Thursday at Christ Church's Miller Hall.

A representative body of the group's more than 100 members also elected George True vice president and 11 members to serve as Board of Directors. This number included Mr. Werneken and Mr. True.

With Attorney Bill Elmer on hand to guide them through any legal technicalities, they passed a resolution to become incorporated.

It marks the first election to these thespians who offered their initial production, "Clarence," early last year.

Named to the Board besides Mr. Werneken and Mr. True were Mrs. George Hall, Miss Cecil Gordon, Miss Rosalind Mohn, Mrs. Ralph Center, Mr. John R. Dykema, and Fred Lienemann who will all serve until April, 1950.

Mrs. Virginia Cassil, Miss Jane McClure, and Miss Sarah Ann Griffith and the new president and vice-president will serve to April.

1919, at which time a general meeting and election will be called. Mary Lou Stefani, John Bayard, Jim Mast, Anne Sturdevant, Ralph R. Genter, Jr., Cynthia Anzeli, Patricia Maclean, Tim Taylor, Dick Lord, Patricia Hammond and Sherb Brown were among those reported present.

Following the election, major problems confronting the theatre were discussed.

The next meeting is expected to be called shortly.

Many Localites Attend Dad-Son Banquet At DAC

Detroit Athletic Club's gymnasium was filled to overflowing last Saturday, Jan. 22, when members and their boys of all ages gathered for the annual Fathers' and Sons Party.

Fun and joyousness reigned. The festivity started at 12 noon, with a swim for those lads who wished, and a swimming exhibition. Promptly at 1 o'clock gymnasium doors were opened and dads and lads found their places at long tables—all to the jolly music of an orchestra.

The overflow of the 700 at the fete lunched in the Pontchartrain room, later going to the gym balcony to view the stage show, which is the climax of a wonderful party, according to the participants each year.

Grosse Pointe fathers and sons formed a goodly percentage of the throng, among them Roy A. Fruehauf who brought sons Larry and Billy; Robert T. Keller, who arrived with his sons, Tom and Jerry, and joined his father, K. T. Keller; C. M. Justice and his sons, Mitchell; Charles E. Machris and

Charles, Jr.; John D. Bayne with Peter, David and Jim, and Edward R. Macaulay with young Edward Alvan.

A foursome of friends sitting together were Henry Barle and son, Henry, and Albert M. Mackey with his son, Tom, and another group together were Bill O. Brink and young Barry with Calvin J. Gause, Jr. and Calvin, III. Ralph R. Genter brought his sons, Ralph, Jr., Donald and Gordon; John and Tom Allmand were with their father, John A. Allmand, and young Dick Degener was with his father, R. K. Degener.

David and Bruce Gillis attended with their grandfather, Charles A. Hughes; J. Edgar Duncan and sons, Jack and Grey, were a trio; while others included J. Alfred Grow, Jr., and Michael and Richard; George Haggarty and young George; E. C. Laitner and Edward; Ben R. Marsh and Richard; John H. Zimmers and Joe; Albert E. Fisher and Jim, and James H. Barnes with James, Jr.

legal representative of the said deceased member.

(c) **Payment of Burial Expense.** If any member dies without heirs, and without having nominated a beneficiary, as provided in paragraph (b) of this section, the amount of his accumulated contributions standing to his credit in the annuity savings fund, at the date of his death, may be used to pay burial expense not to exceed a reasonable sum to be determined by the Board; Provided, that the said deceased member leave no estate sufficient for such purpose.

(d) **Method of Refunding Accumulated Contributions.** Payments of such refunds of accumulated contributions may be made in monthly instalments according to such rules and regulations as the Board shall adopt.

ANNUITY SAVINGS FUND

Section 31. (a). The annuity savings fund is hereby created. The annuity savings fund shall be the fund in which shall be accumulated, at regular interest, the contributions from the salaries of members, and from which shall be paid refunds of accumulated contributions to members and beneficiaries.

(b). **Members' Contributions.** The contributions of a member to the annuity savings fund shall be 5 per cent of the salary or wages paid to him by the Village.

(c). **Members' Contributions Deducted from Pay.** The officers responsible for making up the payroll shall cause the contributions provided for in paragraph (b) of this section to be deducted from the salary or wages of each member on each and every payroll, for each and every payroll period, so long as he is a member in the employ of the Village. The members' contributions provided for herein shall be made notwithstanding the minimum pay provided by law for any member shall be deducted therefrom. Each member shall be deemed to consent and agree to the deductions made and provided for herein and shall not be entitled to sue for his full salary or wages and payment of his said salary or wages less said deduction shall be a full and complete discharge of all claims and demands whatsoever for the amount rendered by the said member during the period covered by payment. The officer or officers responsible for making up payroll shall certify to the Village Treasurer the amount of contribution to be deducted from the salary or wages of each member for each and every payroll and each of said amounts when deducted shall be paid into the funds of the retirement system when so paid shall be credited to the individual annuity savings account of the member from whose salary or wages said deduction was made.

(d). **Re-Deposit of Contributions Previously Refunded.** In addition to the contributions of a member, as hereinbefore provided, a member may re-deposit in the annuity savings fund, by a single payment or by an increased rate of contribution, any amounts that may have been previously withdrawn by the said member.

(e). **Transfer of Accumulated Contributions.** Upon the retirement of a member his accumulated contributions standing to his credit in the annuity savings fund at the date of his retirement, shall be transferred from the annuity savings fund to the annuity reserve fund. At the expiration of a period of 4 years after the member ceases to be a member, any balance of accumulated contributions standing to his credit in the annuity savings fund, owned by the said member, shall be transferred from the annuity savings fund to the pension reserve fund.

ANNUITY RESERVE FUND

Section 32. The annuity reserve fund is hereby created. The annuity reserve fund shall be the fund from which shall be paid annuities, and all benefits in lieu of annuities, payable as provided by the provisions of this chapter. Should any disability occur to a member returned to active service with the Village, his salary reserve at that time shall be transferred from the annuity reserve fund to the annuity savings fund and shall be credited to individual account in the said annuity savings fund.

PENSION RESERVE FUND

Section 33. (a). The pension reserve fund is hereby created. The pension reserve fund shall be the fund in which shall be accumulated reserves for the payment of all pensions and other benefits payable from contributions made by the Village, and from which shall be paid all pensions, and benefits in lieu of pensions, to members and beneficiaries of the retirement system. Contributions by the Village to the retirement system shall be made according to the provisions of paragraphs (b), (c) and (d) of this section.

(b). **Village's Contributions for New Members.** Upon the adoption of such mortality tables, regular interest, and other tables as the Board shall adopt, the actuary shall annually compute the amount of contributions which if paid annually by the Village for the prospective service of new members will be sufficient to provide the pension reserves required, at the time of their retirement from Village service, for the pensions to which they might be entitled or which might be payable on their account. The Board shall report to the Commission on or before the fifteenth day of February of each year the amount of contributions to be made by the Village during the ensuing fiscal year and the Commission shall appropriate and the Village shall pay such amounts to the retirement system during the ensuing fiscal year.

(c). **Deficiency Appropriations.** If the amounts appropriated in any year, as hereinbefore provided, be insufficient to pay in full the amounts due in the said year to all beneficiaries of the retirement system, the amount of such insufficiency shall be provided by the appropriating authorities of the Village.

EXPENSE FUND

Section 34. The expense fund is hereby created. The expense fund shall be the fund to which shall be credited all money provided by the Village to pay the administrative expenses of the retirement system, and from which shall be paid all expenses incurred in connection with the administration of the retirement system.

INVESTMENT OF FUNDS

Section 35. (a). The Board shall be the trustee of the funds of the retirement system and shall have full power to invest and accumulate such funds subject to all terms, conditions, limitations and restrictions imposed by the State of Michigan upon life insurance companies in the making and disposing of their investments. That notes, bonds, or obligations of the Village of Grosse Pointe Woods shall not be subject to said conditions, limitations and restrictions. The Board shall have full power to invest such funds in any legally conducted public or private sale. The Board shall have full power to hold, purchase, sell, assign, transfer or otherwise dispose of any securities and investments in which any of the funds of the retirement system have been invested, as well as the proceeds of the said investments and any moneys belonging to the retirement system.

(b). **Limitations.** There shall be kept on deposit available for investment not less than 10 per cent of the total assets of the retirement system. The funds of the retirement system shall be held for the purpose of making disbursements for pensions, annuities, and benefits authorized by the provisions of this chapter and shall be used for no other purpose. The description of the various funds of the retirement system shall be interpreted to refer to the records of the retirement system and not to the segregation of moneys in the various funds of the retirement system.

ALLOWANCE OF REGULAR INTEREST
Section 36. At the end of each fiscal year, the Board shall allow regular interest (1) on the mean amount of assets credited to the annuity reserve fund, and (2) on the balance standing to each member's credit in the annuity savings fund at the beginning of the said fiscal year. The amounts of interest so allowed and credited by the Board shall be payable from interest and other earnings on the funds of the retirement system. Any additional amounts required to credit regular interest as provided herein shall be charged to the pension reserve fund, and all interest and other earnings on the funds of the retirement system in excess of such requirements shall be credited to the pension reserve fund.

METHODS OF MAKING PAYMENTS
Section 37. All payments from the funds of the retirement system shall be made according to the provisions of charter and ordinance governing the disbursement of moneys from the Village's general fund; Provided, that no payment shall be made from the funds of the retirement system unless such payment has been previously authorized by a resolution adopted by the Board.

ASSIGNMENTS PROHIBITED
Section 38. The right of a person to an annuity, a pension, a retirement allowance, or the return of accumulated contributions, the annuity, the pension, or the retirement allowance itself, any optional benefit, any other right accrued or accruing to any member or beneficiary under the provisions of this chapter and the moneys belonging to the retirement system shall be unassignable and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency law, or any other process of law whatsoever, except as is specifically provided by the provisions of this chapter; Provided, that the Village shall have the right of setoff for any claim arising from embezzlement by or fraud of a member.

ERRORS
Section 39. Should any change or error in the records result in any member or beneficiary receiving from the retirement system more or less than he would have been entitled to receive had the records been correct, the Board shall correct such error and as far as practicable shall adjust the payment of the benefit in such a manner that the actuarial equivalent of the benefit to which the said member or beneficiary was correctly entitled shall be paid.

SOCIAL SECURITY OR SIMILAR LAW
Section 40. Should the employes of the Village be required by law now enacted or which may be enacted, or any amendments or rulings in connection therewith having the force of law, to accept coverage under any Federal or State annuity, pension, retirement, or old age security system; and should the Village, or the employes of the Village, or the Village and the employes be required to make contributions or be subject to payroll or other taxes in support or partial support of such annuity, pension, retirement, or old age security system; then the provisions of this chapter with respect to employes who have not retired may be modified in such manner as the Commission shall determine by ordinance.

VALIDITY
Section 41. If any provision, section, paragraph, sentence, clause or phrase of this chapter is for any reason found to be invalid or inoperative, or shall be held by any Court to be unconstitutional, the remainder of the provisions of this amendment shall nevertheless continue in full force and effect.

EFFECTIVE DATE
Section 42. The effective date of the retirement system shall be April 1, 1949.

The foregoing proposed Amendment to the Village Charter has been tabled for further action until February 18, 1949, at 8:00 o'clock p.m., by the Village Commission of Grosse Pointe Woods, Michigan.

DUS Defeats Fitzgerald

By FORMAN JOHNSON
Review Junior Correspondent
After the D.U.S. Reserves lost the Varsity team defeated Fitzgerald Friday night in a very exciting game. The Reserves lost 22 to 19 and the Varsity won 40 to 25.

In the first period Fitzgerald showed their aggressiveness by scoring nine points right off the bat. In the second period D.U.S. came back and pulled ahead when Warren Babcock and Dick Kuhn netted four consecutive baskets. When the teams left the floor at the half D.U.S. led 16 to 12.

CAVALIERS DROP FLYERS, 31-21

By JACK CARPENTER
Review Junior Correspondent
On Tuesday, January 18, St. Paul journeyed to St. Ambrose—their only Catholic opponent in the Pointe. The Cavaliers were in a first place tie with St. Martin, while the Flyers were in second place.

The 1st period was very evenly fought. But in the 2nd period the Cavaliers moved to a 4 point lead. 16-12. St. Ambrose was led by big Jim Landry and Capt. Jim Burns, while Chuck Wylie and Pete Belanger spurred on the Flyers.

DUS Beats Frazer 5

By FORMAN JOHNSTON
Review Janitor Correspondent

D. U. S. won their second victory of the basketball season when they defeated Fraser 45-23. Fraser drew first blood and it appeared as if it were really going to be a close game. During the first period both teams looked good and fought hard. Tom Brandt, one of the D. U. S. guards, chalked up five points with the help of a beautiful shot from mid-court.

D. U. S. started to roll in the second quarter when the forwards, Dick Kuhn and Merritt Jones, began sinking field goals, and thus gave D. U. S. the impetus needed to build up a score of 25 to 10 at half time.

When the teams came back on to the court in the third period, Fraser showed that they were still in the game by sinking the first three baskets. The third period was touch and go from then on, although D. U. S. maintained a margin of seven points throughout the remainder of the quarter.

In the fourth period D. U. S. took over completely, and it was their game from then on. The high scorers for the day were Jones, with 14 points, and Fraser's Hartwig with 12. The D. U. S. reserves lost 27 to 17.

Flyers Sink Cougars, 48-20

By JACK CARPENTER

Jimmie Law of St. Paul led the Flyers to their third win in five games on Friday night with 22 points. The Flyers beat Annunciation on the Cougar court, 48-20.

The first half was slow and very close. St. Paul moved into a three point lead 13-10. Highlighting the Flyer attack were Law, Belanger, and Wyllie. Law was removed from the game by Coach Lauer after the first four minutes of the first period because Jimmie had already been called for three fouls. Law did not see action until the second half.

After the intermission St. Paul came back with full fury. They turned what had been a close game into a "runaway." With Law back in the game they scored 25 points to win.

The Flyers had an off night Tuesday but on Friday they play St. Martin on the Neighborhood court. St. Martin has beaten the Flyers twice this season and the Flyers want this one so it should turn out to be a good game.

One Point Separates First Three In G.P. Rotary Loop

Houston Bros., Inc. was able to hold its one point margin by breaking even with Farms Market last Friday night at the Woods Recreation. Farms Market broke on top to win the opener with plenty to spare, but Houston bounced back to win the next two very close ones. Tewell and Elward combined 547 and 519 for Farms, Houston had three in the 500 zone, Thayer, Runkis and School.

Middle Atlantic Transportation Co. gave Koppe Pharmacy the business, winning a 3-1 match and taking over undisputed possession of second place.

Earl Holzbaugh with Mondry Cleaners as their opponents, came out of a bad slump to win, 3-1. Piches Barber Shop tied Mondry Cleaners for fourth place by trimming the Auto Club, 3-1. Bob Gross coming through with 544 for the "little shavers."

G. P. Review broke all league records by walloping Motor City Tires, 4-0. A 950 series opener took over first place in team high singles. They also picked up 2636

for first place in team high three. Henry Peplinski started a 426 series with a nifty 234. Frank Hickey powered 583, Donald Walker 539 and Joe Demars 516.

Punch & Judy Cocktail Lounge trying hard for a comeback, swept Harrison Carpets 4-0, to climb a couple of pegs in the standing.

Local Loop Topped By Turners 5

Turner Buick continues to pace the 16 squads in the Grosse Pointe Businessmen's Bowling League. Last Wednesday at Vogue Recreation they annexed three points from Janet's. Bob Gross' 570 helped the Turners earn this win, their 11th in 12 starts.

Pressing Turners are the Grosse Pointe Printers who took a clean sweep from Kennelly Catering. Herb Heger and Art Lowers posting marks of 598 and 564 respectively for the "typesetters."

With Bus Miller rolling a 590 series, Grosse Pointe Curtin took three points from Rustic Cabins. Tom Boyd's entry also took three points from Mack-Nottingham, first half pace setter.

Other fives winning by three markers included Oak Cleaners over Belding and Boutins over Buckerdige. The latter rolled a middle game of 958, for a season's high.

Whyte Olds split with Bruce Wigle as did Cramer with Imperial.

Gene Groth's 228 led the 200 or better gentry, which included: Bruce Warren, 218; Bus Miller, 215, 210; Joe De Schynck, 213; Ralph Schuster, 211; George Pawluk, 208; Herb Heger, 206, 205; Len Lenzion, 205; Andy Carroll, 204, 202; Mo Schweizer, 203; Marvin Lazarus, 202; Marvin Ouellette, 201; Art Lowers, 201; and Eddie David, 200.

Paintings On Exhibit at U. D.

In order to further the cultural program started by the National Student Association, a special exhibit of student paintings will be shown at the University of Detroit until Sunday, Jan. 30.

The exhibit, which was first shown on Jan. 24, consists of fifty original paintings by students from colleges all over the country. It will be on display in the Florence Ryan auditorium, McNichols campus, from 10 a.m. to 4 p.m. and 7 to 9 p.m., daily.

The touring exhibition will be shown at a different school each week. Mercy and Marygrove are next to be recipients.

Feb. 1 is Deadline on U. M. Scholarships

February 1 is the deadline for filing applications for Regents-Alumni Scholarships with the Registrar's Office at the University of Michigan.

At least one of these scholarships is available for a February or June graduate of every accredited high school in Michigan provided a qualified candidate applies. Full information about the scholarships and application blanks are in hands of high school principals.

The scholarship provides payment of the semester fees for the freshman year, with provision for renewal through the sophomore, junior and senior years if scholastic performance warrants.

Shores Books Top Thrillers

Two thrill-packed motion pictures, "Belle Starr's Daughter," and "Sealed Verdict" will be shown at the Shores Theatre on Sunday, Monday and Tuesday.

George Montgomery and Rod Cameron share acting honors in "Belle Starr's Daughter," a western drama depicting a girl's determination to avenge the murder of her mother.

The second feature finds Ray Milland appearing as army war criminal attorney at odds with Nazi criminals.

A cartoon and the latest newsreel complete the double-bill attraction.

KIWANIS TALK

Riverside Kiwanis were prepared to conduct a "round-table discussion on 'Civic Problems'" at their Thursday noon meeting at the Whittier.

SCHOOL DAYS
More than 10,000 children are expected to enter kindergarten or the first grade when school opens on January 31. Dr. Bruce H. Douglas, commissioner of health, said today that seven out of every ten of these children will have a physical examination by their doctor before they come to school if the experience of recent semesters is repeated.

Regardless of SIZE- THE WORLD'S BEST FUEL

Why
the size of the coal you use has nothing to do with the quality and quantity of the heat it produces . . .

THE elaborately efficient system of mining, preparing, screening, washing and transporting coal from deep in the earth to the interior of your heating plant produces many different sizes of coal. When your coal retailer suggests a certain size for your use, keep this in mind:

From the near-microscopic slack size to the gleaming lump as big as a pumpkin, coal's unrivalled high-heat content is *always present*. There is no more relative heat in the stove size, for example, than in the nut size; and a preference for one size or the other is largely just that . . . a personal preference.

In home heating, the selection of a size to correspond with grate openings is overemphasized in importance; because once the fire is built, the firebed provides secure support for any size of coal. And even when building the fire, the kindling and paper accomplish a similar purpose, in stoker as well as in furnace.

The wide variation of coal sizes available today may be credited to the same powerful force that keeps the price of coal in America far below that in England, the Ruhr and other great coal-producing regions; namely, mechanization.

Today, more than 90% of all bituminous coal is mechanically mined. But though this and many other revolutionary improvements have brought vast changes since mining was done by broad backs and bulging muscles, in one thing there has been no change: the almost incredible amount of heat contained in the coal itself . . . *regardless of size.*

You can be guided confidently at any time by the counsel of your coal retailer as to the size usable in your furnace or stoker.

Opera To Star Kenny Baker

Kenny Baker, the radio singing star, heads the cast in "Great Waltz," the Civic Light Opera production which opens Monday, Jan. 31 at Masonic Temple.

Opposite Kenny Baker will be lovely Laurel Hurley who made her Detroit debut here last year in the Civic's "Desert Song." Doreen Wilson, ballerina Patricia Bowman and Joseph Macaulay round out the star list.

Johann Strauss's great operetta is probably the most popular of all operettas. With twelve haunting melodies including the lovely "Blue Danube" waltz, opera fans should enjoy one of the most tuneful of all Civic shows.

The plot of "Great Waltz" revolves around the jealousy of the elder Strauss for his son. Both are composers with the younger man (played by Baker) the more talented. According to operetta Hoyle, difficulties are lyrically ironed out between 8:30 at 11:05 at night and 2:30 and 5:05 at matinee.

"Connecticut Yankee" will complete its run Sunday, Jan. 30. Wilbur Evans and Vivienne Segal are the stars.

The group will be limited so any members interested in going are asked to place their reservation as soon as possible.

Local Instructors Offer Unique Courses in Voice

One of the easiest and most effective ways to overcome nervousness in front of a group or to improve the range and beauty of the voice is to take part in a speech choir. For instance, simple pattern work as part of a group is fun, yet it also serves to increase the agility of pronunciation and to improve the color and resonance of the voice.

The analysis and development of a poem selected by the choir gives each person an opportunity to try his own ideas in reading or in the interpretation of poetry. When the study of word pronunciation, the study of the interpretation of the printed page, and frequent practice in telling anecdotes before a group is added.

Effective Speech becomes a course yielding dividends in voice culture, poise, and conversation. A new class in Effective Speech is now being organized under the direction of M. Haythorn Bambas. Its first meeting will take place on Wednesday, February 2nd at 1:30 p.m. Call the Grosse Pointe Board of Education, TU. 5-2000, Extension 25, for information and reservations.

When confronted with the prospect of speaking before luncheon groups, church groups, PTAs, or your fellow club members, do you find yourself wondering how to control the shaking in your knees, how to swallow the sudden frog in your throat, how to overcome the tremor in your voice? These and many other essentials necessary for practical public speaking will be discussed and applied in a class now being formed by the Adult Education program of the Grosse Pointe Board of Education.

Ease of manner before an audience is not difficult to acquire. Projecting your own personality before an audience; developing a good, natural speaking voice; self-confidence; presenting your ideas effectively and enthusiastically before your group can be cultivated through the knowledge and application of simple common sense rules.

J. Harold Husband, experienced instructor of Adult Speech classes, will conduct this course which is available to both men and women. The classes will meet once a week at the Grosse Pointe High School beginning Thursday Evening, February 3rd.

REAL ESTATE COURSES

A state-wide program of instruction in real estate launched in September by the University of Michigan Extension Service enrolled nearly 900 persons in classes in 11 cities. Charles Sill, coordinator of the program, has reported.

The real estate courses are supervised by the University's School of Business Administration and are offered in cooperation with the State Board of Control for Vocational Education. Local real estate groups are also assisting.

For information and class reservations, please call the Grosse Pointe Board of Education, TU. 5-2000, Extension 25.

FOR RESERVE OFFICERS

Lt. Commander James Bruckner Chase, USNR, Director of Naval Affairs for the Reserve Officers Association of the United States, will speak at the Naval Armory on East Jefferson Friday, Jan. 28, at 8 p.m.

All Navy, Marine, and Coast Guard Reserve Officers in the Grosse Pointe Area are invited to attend.

Local Promoter Bids For Tony Galento
