POINTE'S NATIONAL HERO

EDDIE COLLINS

Proclaim College Hero "American of the Month"

The college youth who became a national hero through his almost unbelievable feat of physical strength in saving the lives of two fellow students at Kenyon College during a raging blaze at Kenyon College, Gambier, Ohio, last week was unanimously proclaimed; The Grosse Pointe Review's "Young American of the Month".

His name is Edwin Collins, son of Mr. and Mrs. Tappan Collins of 10675 Vernier Circle.

The youth who is recovering from second degree burns and his family are still somewhat bewildered over the nation wide publicity he received.

"It's something anyone might have done in my circumstance," he modestly told the Review in a special interview.

He gracefully accepted the news of the award which is presented by the Review each month to an outstanding young citizen of the community.

He was also very grateful to hear that Pointers readers propose to present to him a worthy gift symbolic of his heroism.

"Grosse Pointe is very proud of you", he was told.

Edwin, who moved here with parents, Mr. and Mrs. Tappan Collins about two years ago expressed his appreciation for all this consideration.

"You folks are really swell," he said from behind the bandages around his face that were removed a few hours later showing no permanent marks.

Despite his physical feat the nineteen-year-old lad is not a big boy. He stands about 5 feet 5 inches and weighs 150 pounds. However he was a weight lifter at school and he is very strong.

In recounting the story, Collins jumped from the window of his second floor room in blazing "Old Kenyon" dormitory to a fire escape, where he swung by one arm.

In the other arm, he first caught a student who jumped from the third floor, then transferred that student to the fire escape while still holding the fire escape.

Still he hung there. The hot metal of the escape ate into the palm of his hand, but he clung grimly. Flames licked his face.

Another student jumped from an adjoining second story window. Collins caught him in his left arm and repeated his first efforts.

After this he fell to the ground, and was taken to Mount Vernon Hospital (Ohio), with facial burns and badly burned hands. His parents expect him home about March 20.

Park Woman Suggests Gift for Fire Hero

In a letter to the Review, Mrs. Ruth Sheridan of 942 Beaconsfield, suggests that Grosse Pointe present a gift to Eddie Collins, of 20675 Vernier Circle, in recognition of his heroism.

Following is Mrs. Sheridan's letter:

TO THE EDITOR:

In as much as a Grosse Pointe boy, Edwin Collins has shown unusual heroism in saving two classmates at Kenyon College while risking his own life, I think residents ought to show some sort of recognition.

A portable radio, a moving picture camera, typewriter or even a television set, according to his needs and the amount of money contributed.

If you think this is a good idea I would gladly donate my time in the effort. Already I know of people who would be glad to donate a small contribution.

Mrs. Ruth Sheridan.

EDITOR'S NOTE: Thank you very much for your kind and considerate letter. We think it is a grand idea but rather than risk the possibility of causing any embarrassment to the family, let's leave it up to our civic-minded service clubs to take the necessary steps. We know the Rotary Club is already planning some appropriate citation.

Syd Allor Leaves Farms Police Force

Farms Police Chief Walter Hoyt announced that Officer Sidney Allor, of 132 Kerby road, has resigned from the department.

According to Chief Hoyt, Allor, who has been on the force for seven years, plans to go in business with his brother at Jefferson City, Mo.

Officials Miss Big Meeting

Carl Schweikart, Township supervisor, called a board meeting Monday to discuss the proposed Inter-Municipal Police Radio System with its sponsors, officials of Grosse Pointe Park, Farms and Shores. However, much to the dismay of the Township board, their adversaries were not present. Instead Schweikart read a letter from Everitt B. Lane, village manager, which stated that representatives of the Park, Farms and Shores would not attend Monday's session and expressed their desire to convene Saturday, March 12 at 9:30 a.m.

Lane said that he was acting in behalf of Homer C. Fritsch, Park president and a member of the special radio committee.

A. A. Ghesquire, Woods president and Ralph B. Netting, mayor of City of Grosse Pointe, were planning to attend Monday's meeting until they were notified by Schweikart that it was postponed until Saturday in accord with the request.

Township officials faced with the task of preparing the annual budget by April called the meeting to learn just how to include the radio system in their future plans.

Officials of Park, Farms, and Shores, planning to replace the Township service with the new system which they contend best meets the needs of Grosse Pointe notified Schweikart some time ago not to purchase any new radio equipment. The Township was planning to add equipment for its switch to FM frequency from AM in accord with a requirement of the Federal Communication Commission. This transition must be completed by 1950.

Contrary to the action of Park, Farms and Shores, the Woods satisfied with the present service, has asked the Township to install FM equipment in their four scout cars.

In a letter to the board, Ghesquire also asked if the Township would still provide service for the Woods alone if the proposed system was established.

The board waived any action on these issues pending the meeting Saturday. (if it's held)

Besides Schweikart, members of the board who attended the meeting were, Don Goodrow, John Potter, Julius Berns, and Adolph L. Damman.

Roy Clark, chief operator of the radio service was also present.

Incidentally, Mr. Potter has an interesting letter in this week's Editor's letter box, page 2.

Perhaps He Was Looking For 'Harvey'

After being an uninvited guest at the home of Earl Griesheimer, of 1018 Wayburn and spending two days in jail, Bob May Cole, 23, is back at his home on Connors avenue in Detroit.

Park Police said that Cole, after drinking excessively, made a tour of the neighborhood and then entered the home of Mr. Greisheimer. The front door was unlocked.

A short time later Mr. Greisheimer returned to his home to find the intruder.

Police released Cole after the local man refused to press charges.

Promises Not To Get Caught Again

Editor's Note: Last week The Grosse Pointe Review editorially took the Detroit dailies to task for lambasting Pointers in trouble and calling Pointe Heroes "Detroiters", citing the recent stories of Edwin Collins, college hero as an example. The Detroit Free Press answered. Their editorial which appeared in Tuesday's edition, is reprinted here:

• • •

Our neighbor publication, "The Grosse Pointe Review", has what we are afraid is a justified beef against us downtown jounalists.

It complains that when a Grosse Pointe citizen does something commendable the headlines almost always call him "a Detroiter." On the other hand, if one of them lands in a police station or divorce court he is carefully labeled as a Grosse Pointer.

Frankly, we find it a little hard to explain this away. it

is all right to say that emphasizing a divorce correspondent's residence as Grosse Pointe is simply one of the prices of glamour. The culprit may be be a very ordinary fellow who works as a hod carrier's assistant and comes to table in his undershirt, but that name Grosse Pointe gives him an aura.

• • •

You don't associate him with a humble back street, but with the Social Register, mansions, butlers and paired Russian wolf hounds on a platinum leash. It enhances an otherwise commonplace tale. But that doesn't explain why we pounce on the heroes and such to claim them as our own.

Maybe we're just plain larcenous when there's vicarious glory to be gained. If that's so, about all we can do is say we're sorry we got caught, and promise to try not to get caught again.

Urge All Contributors To Memorial Meeting

A special meeting of all the members of the Grosse Pointe War Memorial Library Fund will be held Wednesday, March 16 at 8 p.m. at the Neighborhood Club, 17145 Waterloo. The Board of Directors' recommendation to obtain Alger House for use by all Grosse Pointe as a war memorial and as a community center will be placed to membership vote at that time.

All contributors, who according to by-laws are members of the Corporation, are urged to attend.

Civic Leaders Sponsor World Gov't Meeting

The World Government mass meeting in the Grosse Pointe High School Auditorium Thursday, March 10, at 8:30 p.m. is being sponsored by a great many of Grosse Pointe's civic leaders. This announcement was made recently by George P. Caulkins, Jr., vice chairman of the Grosse Pointe Chapter of the United World Federalists.

Among those sponsoring the event are: Mr. J. R. Barnes, Rev. Andrew Rauth, Mr. E. Pongracz, Mr. E. P. Wright, Rev. E. H. Yeoman, Mr. L. W. Korte, Mr. J. K. Watkins, Mr. Robert Edgar, Mr. S. W. Hosking, and Mr. C. H. Hodges.

Also Mr. John Hannan, Rev. Robert Beck, Mrs. Edsel Ford, Mr. Richard Maxon, Rev. Paul Katchum, Mr. Paul Blackburn, Mr. V. DePetris, Mr. George Elworthy, and Rev. Hugh White.

Also Mr. Norbert Neww, Mr. C. S. Huysken, Mrs. Roy Chapin, Dr. H. L. Selmeier, Mr. and Mrs. F. S. Ford, Rev. Charles Sheid, Mr. E. C. Kanzler, and Mr. Fred B. Besimer.

The high point of the mass meeting will be a speech by Mr. Theodore Waller of Washington, D.C. Mr. Waller is the former head of the UNNRA Mission to Russia; he also served as Director of Field Organizing for the Stimson Committee. He is now acting as Director of the Foreign Affairs Research Council, United World Federalists.

All residents of the Grosse Pointe area are cordially invited to attend this mass meeting and to bring their friends.

Pair Strong Arm 5 Year-Old Boy

Two boys, 12 and 11, strong armed and took 30 cents from Peter Debo, 8, of 200 Moross road while he was walking near Carrousel's store, 383 Kercheval.

The pair was later apprehended and disciplined by Farms Police.

Park Council Supports Farms "Home Rule" Vote

In a statement released to this newspaper, Grosse Pointe Park Council indicated that they plan to follow the pattern set by the Farms in placing the question of incorporating as a city before the voters in the near future.

The statement was included in a copy of a letter sent to Mr. James K. Watkins, Farms president.

Signed by the entire Park administration, the letter commended the Farms in taking the right action and wished them every success at the coming election.

Park voters turned down a proposal for a "home Rule" government in 1941.

Following is the Park Council's letter to Mr. Watkins:

Dear Mr. Watkins:

We in the Village of Grosse Pointe Park have been following with interest the proposal of Grosse Pointe Farms to incorporate as a city.

Your situation is quite similar to that in the Park and we have independently reached the conclusion that the Park, in the near future, should take steps to incorporate as a city, and it is our intention to encourage our citizens to do so.

As we see it, all the Villages in this area should incorporate as cities in order to achieve simplification of local government. The township by law and by origin is a rural form of governmental organization. A township whose entire territory consists of built-up residential property serves no useful function or purpose, and results in needless duplication of public offices, confusion to the residents, and unnecessary expenditures of public funds.

We feel confident that if the residents of the Grosse Pointe area are fully acquainted with the advantages of city governments versus the over-lapping Village-Township forms of government, which we have at present, there will be no difficulty in carrying out this much-needed reform.

Your community is taking the right action, for which we commend you, and we wish you every success at the coming election.

Yours Very Truly,

H. C. F. Fritsch, president, P. J. Koenig, James McMillan, Elmer F. Ulrich, A. J. Bloodsworth, Karl B. Goddard, and William Gillett, commissioners.

FITZGERALD IMPROVING

Mr. Loren Fitzgerald, 58, of 407 Kerby, is in Cottage Hospital recovering from a heart attack suffered last week, police disclosed.

Former FBI Agent Seeks Park Office

Park Commissioners, William Gillett, James McMillan and Elmer F. Ulrich seeking re-election at the village election, Monday, March 14 will have to offset a determined effort of a former FBI man, Peter D. Burgess, 841 Balfour road.

Though a comparative newcomer to the village, Burgess lost no time in taking an active interest in the community. He was among the residents that attended village hearings last year to protest any change in the zoning ordinance which might reduce property value.

Engineering a wide campaign to earn one of the three seats on the council, Burgess feels that Park taxes are too high. He claims that they are the highest of the five municipalities.

He believes that voters show disgraceful lack of interest in their local government when in the past it has only taken 200 or 300 votes to be elected commissioner in off-season elections.

Prowlers Busy, As Family Sleeps

Two men ransacked the home of Mr. P. Joyce, 961 Trombly while the family was asleep during the wee hours of Saturday, March 5, Park Police disclosed.

Police said that $180 in cash was taken from the pockets of Archie C. Richardson who also resides at the Joyce home. He was asleep in his second floor bedroom at the time of the theft.

Two Parker pens and other smaller articles were also taken.

The home of S. V. Taylor, 1386 Buckingham was also burglarized on the same morning. Police said entrance was gained by breaking through a rear window. Police did not disclose what was taken.

RETURNS PURSE

Mr. W. C. Flaherty, of 387 Neff road, brought a woman's purse which he found in front of his home to City of Grosse Pointe police. Police returned it to its owner, Mrs. Anna McKellar, of 705 Westchester.

Electorate To Vote On Home Rule

Though three villages, Farms, Woods and Park, will conduct elections, Monday, March 14, Grosse Pointe will focus its attention on Farms' voters who will determine the future of Grosse Pointe Township when they vote on the proposal to abandon the Township for a "home rule" government.

Basing their feelings on the early endorsement of the proposal by more than 150 village families, Farms administrative officials are hopeful that it will be accepted.

According to these officials who are sponsoring this "home rule" movement, its acceptance will mark the first forward step in modernizing the village government to avoid the handicaps of operating under state laws more than 53 years old.

COMMISSIONERS of Grosse Pointe Park are supporting this "abandon the township" proposal. They told Farms officials that if the plan is favored by Farms electorate they will take steps to conduct a similar referendum shortly.

If the Farms and Park eventually adopt "home rule" government it will lead to a disolvement of the Township, which is more than 100 years old.

This will mean that the Woods and Shores will have no alternative but to also go on their own, as it would not be feasible to operate a Township administration for two municipalities.

City of Grosse Pointe left the Township in 1934 and according to reports from officials and residents everyone is satisfied with this form of government which is endorsed by the Michigan Municipal League.

Farms voters will also act on an amendment to the Policemen and Firemen retirement pension and name the following unop-

Council Race Draws Interest In Woods Polls

Interest in the Woods election, Monday, March 14 is centered on the eight persons seeking the three vacancies in the village council.

Candidates are Rex E. Johnston, Paul W. Rowe, incumbents; Howard Wolff, George W. Heckendorn, Herman Lauer, Frank Broedell, S. C. Burr and Jerry McCarthy.

The three elected will serve two year terms.

President A. A. Gheshquire will succeed himself as he is the lone candidate for the top office.

Unlike the top offices of other villages, the Woods president and council receive a small reimbursement.

The president gets $600 annually and the commissioners get $400 each.

The three persons elected will serve with Commissioners Arnold Diesing, George Gardner and Leon Radcliffe, whose terms do not expire until 1950.

Village Clerk Philip Allard again faces stern opposition from Joseph Beaufait, veteran resident who was defeated by 200 votes in 1947.

Treasurer William Wright is unopposed.

Assessor Leo J. Athmans seeking re-election must best Arnold J. Leibold.

Voters will also be asked to amend the Village Charter to provide for a Retirement System for Officers and Employees of the village.

VOTE YES ON THE PENSION PLAN

Voters of Grosse Pointe Farms and Woods are urged to vote yes on the proposed policemen and firemen retirement plan.

Special committees of each village have engaged in comprehensive studies the pension problem for a considerable period; they present this proposal to you with their authentive recommendation that it best meets the needs of their community.

It is also a consideration highly deserved by the men who are on duty 24 hours every day, risking their lives to protect you.

Vote Yes on the Pension Plan.

But most important go to the polls Monday and exercise the privilege of voting. You owe it to your community.

CONGRATULATIONS OPTIMISTS

Credit is due to the Grosse Pointe Optimists for their successful presentation "Now and Then." To borrow and add to a phrase used in pugilistic pow-wows, it carried a one-two-three punch.

First, funds derived from the three day show will be used to finance the Optimists' year-around good will program for the younger set, accentuating on more recreation facilities.

Second, it gave the more than the 100 boys and girls who took part in the program the opportunity to express themselves before an intelligent audience. The poise and confidence acquired from being associated with a success will help them immensely in the future. Successful citizens of tomorrow are moulded in this method.

Third, It gave all those who took the time to attend an evening of enjoyable entertainment. It also showed them just how successfully youth and adults can work together.

Congratulations Optimists.

JUST COMMENT

The grid season usually ends after the Rose Bowl game but here in Grosse Pointe, officials are still kicking around the political football. Rival Coaches of the Township Varsity and the Municipal Squads do not seem to be able to make both ends meet.

Reader Rebukes Township Officials For Merry-go-Round

TO THE EDITOR:

As 1949 moves into its first quarter, and you also move closer to another school tax bill, we find the politicians and fellow followers of the Township of Grosse Pointe are again beating the drums for the establishment of a single city to embrace all of the municipalities that now comprise the Township, and are further attempting to have the City of Grosse Pointe relinquish its sovereignty and join the proposed merry-go-round.

A Ghost has to be invented to distract the attention of the people away from their tax bills, and as usual, we can expect the Township propaganda machine to blow hot and cold at the same time on many of the factors involved, and come out with a bushel basket full of twisted-truths, half-truths, misrepresented ideas on the situation not disclosing all of the true facts, and most anything to get the confusion organized.

We have listened to an enormous amount of double-talk on this matter in the past and have found that some Township politicians and fellow followers are too sure about too many things, and we have not been deeply impressed. You may talk a fact out of existence for a time but it somehow manages to survive.

At this late date to ask the people of the City of Grosse Pointe to turn back the clock 14 years and be submerged into the proposed amalgamation of the municipalities in question, and inherit all of their particular problems and share their increasing burdens, in the form of a combined city, with the resulting increase in taxes, and decrease in services, would seem to be rather ironical.

So far as any reduction in school taxes as a result of the proposed merger is concerned, it might be well to explain that the current tax bills—those received last December—are the highest in history. Harassed taxpayers everywhere in the school district are complaining against them and demanding that they become stabilized. Moreover, the taxpayers have been watching in studied silence, the carefully timed and cunning propaganda that has been released by the administrative offices of the school board. Many of our good citizens believe they have been artfully planning a bureaucracy all their own, and are attempting to artificially condition our mind to accept the burden of cost, which of course is being passed on to the taxpayer with the result that each year your school operating tax and school debt service is higher and higher.

It is not our purpose to needlessly hamper the legitimate growth of any necessary facilities and requisite ability for the school district, in fact we encourage it, however, it would seem that more attention should be paid to fundamentals in school matters, less to frills. Incidentally, statistics prove that each year the trend is that more and more children of school age are enrolling in private and parochial schools, thereby lessening the load of public school education.

It should be noted, however, that this bureaucracy referred to is something which is quite different and apart from actual book learning and accounts for most of the increase in school tax. Most taxpayers believe that the school tax has now reached a point where it is so high that real estate cannot bear the burden, and that it will have to be reduced and become stabilized, and some other means of distributing the money now collected as taxes by the state will have to be utilized to effect a balance.

However, inasmuch as the school tax burden is now spread over the school district as a whole it is hard to understand how the proposed merger of the municipalities will result in any saving of taxes, in fact statistics show the larger the city the higher the taxes, and in all probability you would get less for more — less municipal service, more taxes.

We feel that the form of government desired by the people who reside in the various municipalities of Grosse Pointe is a matter to be decided among themselves, and any attempt on the part of certain individuals to coerce their private rights and decide for them for purely political reasons will be dealt with by the people accordingly.

STANLEY FISHER

TO THE EDITOR:

I have received in the last several months, many inquiries from taxpayers in the Grosse Pointe Township about the new radio hook-up that is proposed by the Village of Grosse Pointe Park, Grosse Pointe Shores, Grosse Pointe Farms and the City of Grosse Pointe.

It appears to me that no satisfactory explanation has been presented to the people as to the reason for this change. Some have suggested that this is the method of ridding the taxpayers of the township. Others have said that the reason for the new set up was that the various villages, through their officials, had no control over the present township radio. To date, I have been unable to ascertain from the press or from the various officials of the villages affected just what is the primary reason for the change.

From my investigation I have learned that the township intervillage radio has been in operation since 1939 and that this plan was arrived at because a plan similar to the one now proposed was not only inefficient but was grossly lacking in protection for this area. It appears now that the proponents of the new plan desire to, in effect, return to the plan which was previously discarded and to entrust the operation of a radio system to police officers who have had no special training in broadcasting or radio engineering and to scrap an investment that the taxpayers of Grosse Pointe Township have in the present radio station WRDR. One excuse offered is that the cost to the villages will be less than the present method of operation. If this is true, will the savings in cost of operation justify the loss of efficiency? I, for one, believe that before this plan is officially adopted that an answer should be given.

The taxpayers of this township should also know that the cost of the operation of the radio station is set up in the township budget and this budget is now being prepared. It is true that a great real of consideration must be given to the fact that the Federal Communications Commission requires a change-over from the present method of broadcasting to the frequency modulation system, commonly known as FM. This cost is not a minor item to be considered and the township board has been considering the changes necessary and have installed equipment anticipating the change which goes into effect in 1950.

It can be seen that a uniform inter-village radio is necessary when one considers the report that is on file of the operation of the radio station for the year 1947. This report has previously been printed in the papers having circulation in this community but to review the report we will call attention to the services rendered:

Summary of Broadcasts to Grosse Pointe Scout Cars for the year 1947.

Total Runs Broadcast	17,298
Total Tests Broadcast	11,625
Total Teletypes Broadcast	9,916
Total Car Transmissions	54,952
Total Arrests Reported	67
Total Persons Recovered	79
Total Stolen Cars	67
Total Recovered Cars	47
Breaking and Entering	32
Car Registration Checks	2,812

In examining the 1948 report, it will be observed that the services rendered by the present radio station have increased, to-wit:

Total Runs Broadcast	19,867
Total Tests Broadcast	10,856
Total Teletypes Broadcast	9,684
Total Car Transmissions	66,630
Total	107,037
Total Arrests Reported	102
Total Persons Recovered	110
Total Stolen Cars	61
Total Recovered Cars	54
Breaking and Entering	41
Car Registration Checks	3,261

Such increase obviously is in direct relationship to the growth of this community.

What do the proponents of the new plan offer for the areas not subscribing to this new plan? Will it be necessary for the village of Grosse Pointe Woods, for instance, to establish their own radio system as did the City of Grosse Pointe when it became a city? What are the costs of the operation of the radio station now operated by the City of Grosse Pointe and how many calls were broadcast at station WRDR for the City of Grosse Pointe radio station?

I believe that these questions should be answered impartially so that the taxpayers of Grosse Pointe can voice their opinions as to this proposed plan. I do not believe that we have the right to jeopardize public safety for personal political ambitions.

The police radio, like the services rendered by the Board of Health, are property of each individual taxpayer and such services should not be curtailed unless the voice of the people is heard.

May I suggest, Mr. Editor, that this letter be published and an invitation extended to those who know some of the answers, or purport to know, to express their opinion on both sides of this question.

Very truly yours,
JOHN L. POTTER.

TO THE EDITOR:

Enclosed herewith please find a copy of the letter which was forwarded to President James R. Watkins, of Grosse Pointe Farms.

The Village Commission of Grosse Pointe Park prepared and approved this letter at a special executive meeting a few days ago, and requested that copies be sent to the Review for publication. (See Page 1).

Campaign Director.

TO THE EDITOR:

I know you will be pleased to see this copy of our today's Tower, and in particular the editorial marked—Effective Living—The Goal of Youth, which quotes your recent editorial, "Family Institute." After reading "Family Institute" I posted it on the bulletin board, where it received many favorable comments from the staff members.

Sincerely,
WALTER CLEMINSON,
GPHS Principal.

Allard Seeks Re-Election

To The Editor:

During the past few years many new residents have come to the Village and I would like to acquaint them with some of the duties and responsibilities of the office of Village Clerk before the election next Monday.

The total vote cast when I was first elected was less than 500. I have watched the Village grow to a population estimated at 8,500 with 6 voting precincts and 4,400 registered voters.

Always keeping a watchful eye where Village funds were concerned is the secret of my long and successful tenure in office. Economy, courtesy and efficiency has always been my campaign slogan and it is the same this year.

Work and responsiblity has grown with the office. During the past year 586 building permits were issued. The valuation of these buildings exceeded five million dollars. Each building permit requires sewer, plumbing, meter, water, several electrical, oil or gas burner, fence and other permits. All of these permits together with licenses, fines, violations and the collection of water bills every three months amounted to over $120,000.00 from April 1, 1949 to December 31,1949.

The Village now has over 7,500 parcels of property and a tax bill is made and sent out from the Clerks office for each parcel. We then collect the taxes.

Last summer our tax collection exceeded $220,000.00. We also have 26 active Special Assessment (water, sewer, paving) tax rolls payable in 5 installments which we also bill and collect after computing monthly interest. The last nine months this amounted to $70,000.00. There are about 2,400 homes and stores in the Village at present. A water bill is prepared and sent out for each place every three months plus about 400 delinquent bills each quarter.

The Clerk is required to prepare the annual budget for approval by the Commission. He must have an elaborate and up to date bookkeeping system. He is Clerk at all Commission meetings, keeps a record of the minutes, is Village accountant and purchasing agent.

Within the next three months about 7,000 park passes must be issued and a record kept of who received each pass.

Since I have been with the Village during its growth I am well acquainted with the Village charter, all ordinances and amendments. I have knowledge of all properties, streets and subdivisions, and depth and location of water mains and sewer.

The Village Clerk of today is primarily a source of information by phone and through the office windows. He is also required to manage an office whereby his assistants carry out the many jobs enumerated.

I have fulfilled all of quirements and I respect quest your vote and sup the election Monday.

Has the Church Done Anything to Impr the world?

Look at the mess the world is in today! What good is the Church! Karl Marx was right: "Religion is the opium of the people" . . . Stop thinking of this point and your reasoning seems sound. But continue the thought: If the Church is in such a mess WITH the Church, just imagine how it would be WITHOUT it. Yet, the wholesome and nourishing influence of Christ's teachings has prevented complete moral decay of society. We ask you to accept Christ as your Saviour, you, too, will become a link through which the world is saved from sin, corruption and utter ruin. To this end we preach Christ Crucified.

Florence Severs To Be Honored By Community

By DORIS MILATZ

Grosse Pointers are doing more than honoring their beloved retiring library director Florence Severs at the afternoon reception given by the Friends of the Grosse Pointe Public Library on March 13 at the Pierce School Library. They are also bidding farewell to the pioneering spirit that has succeeded in developing a tiny, nondescript room of books into a library with a lending circulation far ahead of many other libraries its size.

This Miss Severs has achieved through more than 21 years of faithful service in work which she terms as fascinating. "Really, to come and have the chance to start a library from the beginning, that doesn't happen very often!" she explained.

"A friend of mine, observing the library work in Wayne County, know they were seeking someone to organize the service in Grosse Pointe, and they offered me the position," she related. "That's how I happened to come here."

Prior to her arrival Wayne County library was so small that

Photographers To Discuss Bad Prints

"My prints that didn't click and the prints that I threw into the wastebasket" will be the subject of an interesting talk to be given by Dr. C. J. Marinus, before the Tuesday evening meeting of the Grosse Pointe Camera Club.

Dr. Marinus, who is a well known national salon exhibitor and author of many articles on photography, will talk about his own failures in print making and what he did to remedy a situation that is confronted by most amateur photographers. In order that the members personally see what can be done under such circumstances, Dr. Marinus has asked them to bring to the meeting, 11x14 unmounted prints that the makers feel are not up to par. The prints so submitted will be used to illustrate the lecture.

Following the meeting there will be a judging of assignment prints of photographs and awards will be made by the judges on competitive basis.

The meeting will held at the Neighborhood Club and Dr. Gordon Aldrich, president of the club, has issued an invitation to the interested public to attend.

He feels that residents cannot have the type of government they want unless they make the little extra effort necessary to go to the polls.

A graduate of the University of California, Burgess joined the FBI in 1940 and served through 1944, assigned to supervising investigation of sabotage cases throughout the country.

Currently Labor Relations Counsel and Personnel Manager of The Detroit News, Burgess stated to the Review:

"I served my country in the FBI before and during the first part of the war. Then I served with the Navy in the Pacific. Now I would like to serve my community by helping out in its local village government."

He is married and the father of two children.

Also bidding for the council is Raymond J. Dierickx, a veteranreal estate man.

A member of the Grosse Pointe Lions, Mr. Dierickx has always been interested in civic programs. This is his first bid for public office.

He lives with his wife and three children at 1268 Beasconsfield.

Park voters will re-elect W. G. Stamman, un-opposed candidate for clerk.

posed candidates to office.

William F. Connolly, Jr., president; Henry H. Hubbard, John M. S. Hutchinson, William G. Kirby, trustees; Harry A. Furton, clerk; Alonzo O'Connor, treasurer; and L. M. Reeves, assessor.

All the candidates are incumbents with the exception of Connolly and Hutchinson. Connolly is leaving his place on the council to succeed President James K. Watkins who is retiring after six years of public service, and Hutchinson will fill Connolly's place as trustee.

Nine Charter Commissioners will also be elected who if the vote on "home rule" is favorable will draft a charter to best meet the needs of the village.

Candidate s for the Charter Commission are, Mary E. Gall, Daniel Goodenough, Edward Goodrich, Earl Heenan, Wallace Jensen, John J. Miller, Joseph R. Parker, Jr., Marjory I. Seeber, Byron A. Thomas, Philip T. VanZile, and Renville Wheat.

Centerville Masons Plan Centennial

One of the oldest lodges in the state, Mt. Hermon Lodge, No. 24 of Centerville is looking forward to May when members will host Michigan Grand Lodge dignitaries at their official 100th anniversary celebration.

The charter was granted January 10, 1849, according to Worshipful Master Dale Grossman.

Interest In Family Institute Grows

Each week more parents and young people become actively interested in the Family Life Institute to be held at the High School on Thursday, April 21st and Friday, April 22nd. Clubs, Scouts, Churches, and P.T.A. groups, are all making announcements or reports of its progress at their meetings.

Meanwhile the various Family Life committees are meeting to formulate plans or resolutions or make reports on research to be presented at sessions of the Institute.

The Recreation Committee met at the Neighborhood Club on Monday. Among the members of this group are: Mrs. Robert King, Dr. and Mrs. A. C. Bratton, Mrs. William Adams, Mr. J. Randolf Kennedy, Mr. Frederick Munroe, Mr. James Flannigan, Mr. Lawrence Marr, Mr. W. B. Hurley, Bert Werneken, Mr. George Gardiner, Mr. Walter Hoyt, Mr. George Ellsworthy, Mr. Nathan Goodnow, Mrs. James Purvis, Mr. Gilbert Groehm, Mr. R. M. Waterman, Mr. and Mrs. Fred Parker, Mr. J. Dunton Barlow, Rev. Paul Ketchum, Chet Sampson, Joe Fromm, James Dirkes, Bill Maas, and Dick Gunther.

Following a report of what had been previously attempted along recreational lines in the Pointe, the meeting was given over to present needs and how these needs could be accomplished. The group agreed on a distinct need for supervised recreation, especially in the summer, and for greater provision for places to play. Among the suggestions for recreational activities along community lines were; community summer dances for teen-agers, square dances for adults and youth, small block picnics or parties, and roller-skating parties. It was further reported that church groups were particularly interested in community recreation.

On March 21st, this committee will meet again to work on an over-all plan for future recreation in Grosse Pointe to present to the Institute.

The Youth Committee, under the Chairmanship of Sparky Farquhar, meets every Wednesday at Miller Memorial Hall. Among the members of this group are: Nancy Voorhees, Peg Dicken, Jeannie Corbett, Janey Fisher, Pat Potvin, Barbara Orphal, Don Kelly, Skip Callahnan, Ted Laitner, Jean Parfitt, Bill Hamilton, Chubs Lawler, Jack Dingham, Sue Kottenstatte, John Turney, Tom Dahnke, Bill Carmithers, Dick Günther, and Bill Anderson.

One of the objectives is the drawing up of a Youth Code, to present at the Institute, with a view towards the strengthening of moral and ethical values, and towards a better understanding between parents and young people.

Another of their interests is increased community recreational activities. Included in this discussion and among the suggestions were; summer street dances, a big picnic at a State Park for all Grosse Pointe Families, competitive water sports, reviving of Grosse Pointe baseball leagues with provision for places to play, and flooding fields for ice-skating.

Both these committees feel that to achieve the suggestions discussed, there is need of the formation of a Community Parents Club and the hiring of a Recreation Director.

The Grosse Pointe Garden Council, who have taken the responsibility for the opening session of the Institute on Thursday evening, April 21st, have been wroking industriously and will have news of their plans for us next week.

Teen Talk

Editor's Note. This week's "Teen Talk" is written by Janet Gregory a Grosse Pointe High School journalism student. Norma Neeb will be back will her chatty column next week.

By JANET GREGORY

Grosse Pointe High School at 11 Grosse Pointe Boulevard is running a two-ring circus.

In Ring I are the 12-through 15-year olds, while in Ring II are the 15-through 18-year-old students.

Having these junior and senior high students under the same roof is perfectly fine . . . except that there isn't enough space and time

As Mrs. Ruth Flom, dean of girls, explained it, "There just aren't enough Friday and Saturday nights to go around."

for both groups to do their "acts" at the same time.

The continual conflict for the auditorium, gyms, and swimming pool is only one of the numerous problems incurred by the two-fold program in the high school building.

"The opportunity for leadership is somewhat lessened for junior high students when they are combined with senior high boys and girls," commented Mr. W. R. Cleminson, principal.

Being a younger group, the Brownell Junior High students now in the Grosse Pointe High School building must leave the top leadership offices and jobs to the senior high students. The seventh, eighth, and ninth graders can't be "big wheels" in the student government, on student publications, dances, and party committees.

Indeed anything the junior high does is on small scale compared to the senior high. Even the junior high "Evening of Plays" and musical concerts are often overshadowed by the more experienced senior group.

By separating the two groups as completely as possible the school tries to overcome this disadvantage. Schedules are arranged so that all junior high classrooms are in the same vicinity, and as far as possible the facutly is divided so that each teacher has only junior or senior high classes. Teachers are trained in one group or another, and can't be equally skilled with both.

Often times the junior high must use equipment bought for the senior high and therefore not suitable for junior students needs. Almost everyone has seen a four-foot seventh grader sitting at a desk made for a six-footer! !

But this works both ways as Grosse Pointe High students well know when they have to stoop to drinking fountains placed at the right height for junior high students.

The numerous complications of having a "two-in-one" school will vanish two years from now when according to present plans Grosse Pointe's second junior high building will open.

College Clique

These reports are received from the public relation offices of the schools.

Two local residents, both juniors at Denison University, Granville, Ohio, were recently initiated into national sororities there. They are Marian Blackmore, 1329 Berkshire road, Alpha Phi, and Sarah Sutherland, 90 Colonial road, Delta Delta Delta.

Student government in the School of Business Administration of the University of Michigan received new officers in elections held this week.

Members of the seven-man Business Administration Council, which is the student legislative body, include Donald Hiles, of 251 Merriweather.

Robert Lawrence, son of Ralph Lawrence of 437 Cloverly, was one of a group of students in the Advanced German classes of Western Michigan College who went to Ann Arbor last weekend to see a production of Goethe's "Faust" given by students in the department of Germanic Language and Literature and the German Club of the University of Michigan at the Lydia Mendelssohn Theatre. The event commemorated the 200th anniversary of the birth of Goethe.

PIERCE SCHOOL NOTE

At an assembly on March 3, the 1949 Junior Red Cross Drive was started at Pierce. Tom Lister spoke on the work of the Red Cross while Carol Lundgren urged students to give up small luxuries and also gave some ideas on how to raise money in other ways for the fund. Two movies on the work of the Red Cross, "All Together" and "March of Time" were also shown.

Each homeroom set its own quota and these were totalled together to set the $327.00 for the school as a whole. According to Miss E. Johnson, the faculty member in charge of the drive, Pierce raised $308.90 last year and hopes to do bigger things this year.

112 Named On Honor Roll At Pierce School

Pierce Junior High School named 112 boys and girls on its honor roll for last semester; an average of 2.0 is required to earn a place on the coveted list.

Council Lists Approved Films

"Adventures of Gallant Bess", "The Hills of Home," "The Miracle of 34th Street", and "Who Done It" were listed as suitable for children by the Grosse Pointe Motion Picture Council.

The Council which compiles a list of appropriate films each month also recommended the following for teen-agers, "Man from Colorado", "Port Said". "Sons of Adventure", and "Do You Love Me".

SOMETHING'S COOKING AT PIERCE

S. C. Burr Photo

One of the highlights of the Pierce School PTA meeting and 7B-Open House at the school Friday, March 11 from 8 to 10 p.m. will be a skit presented by the Boys' Cooking Class. Participating in this skit as chefs will be from left to right, Walter Eversman, Craig Husband and Bill Eckel. On hand to announce the progress of the special dishes will be announcers, left to right, Sheila McDonnal, John Russell and Bob Schreiber.

New England Women Plan Meeting Here

Grosse Pointe Colony, National Society of New England Women, will meet Tuesday, March 15, at the home of Mrs. W. Arthur Batten, 1123 Balfour road.

The president, Mrs. Lloyd DeWitt Smith, will preside over the business of the day which will include the presentation of charter by-laws by parliamentarian Mrs. Charles B. Warner; election of officers for ensuing year; election of delegates to the national congress which will convene in Detroit May 11-14.

Mrs. Edward J. Savage, Organizing Secretary General, will report on the recent meeting of the board of managers in New York City. Mrs. Smith, who was the only Michigan woman on the hostess committee on the Women's Patriotic Conference for National Defense held in Washington D.C. in January, will report on resolutions adopted.

Mrs. Henry B. Joy will speak on 'Everyone's Debt to the Mayflower'.

The meeting will be followed by a social tea from 2 to 5. Mrs. Batten will be assisted by her sister Mrs. John Cullen Kennedy, Mrs. Charles B. Warner and Mrs. George S. Guy.

Honored guests will include Mrs. A. Bruce Eagle of Martinsburg, West Virginia, and Mrs. Lucius W. McConnell of Atlanta, Georgia.

Sponsor Luncheon

Bethany Ladies Aid Society, group three, are sponsoring a luncheon on Thursday, March 17 at noon at their clubhouse, Chatsworth and Outer drive.

The program will include a review of the book "The Petticoat Surgeon" authorized by Bertha Van Hassen.

WELCOME NEWCOMER

Mr. and Mrs. Philip A. Mourad of Three Mile Drive announce the birth of a daughter, Mary Louise on Wednesday, March 2. Mrs. Mourad is the former Gisele Choueri.

VISIT PARENTS

Lt. Robert D. Unruh and Mrs. Unruh of Maire Island, California are visiting their parents, Mr. and Mrs. Al Unruh of Detroit and Mr. and Mrs. Michael Carr of Grosse Pointe Farms.

Plan Evening of Fun For Teen-Agers

Working under the direction of committees of parents and young people of the community, plans are now well under way for Grosse Pointe Evening-Variety Night to be staged Friday evening, March 18th in the Grosse Pointe Memorial Church House. The event, the first of a series of such affairs planned for community activity, is for fellows and girls of high school age.

Games, entertainment, dancing and refreshments are planned and the doors of the church house will be open to community young people from eight until midnight.

For the past three or four weeks committees have been outlining their respective responsibilities and making definite plans. Committees include the following:

Entertainment: Mr. and Mrs. Henry Hubbard, Bill Carruthers, Sherb Brown, Mr. and Mrs. James Lafer, Mr. and Mrs. Howard Quackenbush, Marlene Hutton, Barbara Bauman, Butch Edgar, Hank Hubbard, Judy Rce, Dave Carruthers, Allan Bryant, Chubbs Lawlers, Barbara Orphal, Sally Andrews, Miss Marie Curtis, Mr. and Mrs. Fred Adams, and Mr. and Mrs. Remington Purdy.

Refreshments: Mr. and Mrs. J. L. Newberry, Meeky VanZanen, Rose Candler, Nancy Hoesch, and Pat McKinney.

Hospitality: Mr. and Mrs. Charles Lord, Dick Guenther, Bert Wicking and Mr. and Mrs. Watson Ford.

Finance: Mr. and Mrs. Martin Hutchinson and "Sparke" Farquhar.

Publicity: Jim White, Susie Kitson and Sally Andrus.

There will be no advance sale of tickets as a nominal admission fee of sixty cents will be charged at the door.

Public Schools Join Junior Red Cross Drive

All pupils in the Grosse Pointe Public Schools are participating in the Junior Red Cross Drive this week.

As a special feature in the drive students of Mr. Frederick Nelson, speech teacher at Grosse Pointe High School, will speak at special assemblies in all the elementary schools.

These students are Clarice Ryall, 11A; Robert Wittstock, 11A; Carl Schweikhart, 12B; Bob Peters, 12B; Meeky Van Zanen, 12A; and Arnold Parsons, 12B.

To carry on the Junior Red Cross projects throughout the year teacher sponsors and student representatives meet four times yearly with Mrs. Alice M. Shaeffer, who has served as co-ordinator for the Junior Red Cross in the Grosse Pointe area since 1944. "According to reports from Mrs. Viola Vivian, Wayne County Junior Red Cross Director," Mrs. Shaeffer said, "the Grosse Pointe Schools top all others in their co-operation in Junior Red Cross activities."

In the last four years the sum collected for the Red Cross by the Grosse Pointe Schools amounted to over $2000.

Leaves Accident

After leaving the scene of an accident in which her car struck a parked auto at 93 Moran road, Mrs. Chauncey C. Griggs, 82 Muskoka called Farms Police and stated that she was responsible for the mishap and that she would take care of the damage.

The damage to the parked auto, owned by Mrs. Grace Hecker Wills, of 516 St. Clair, was estimated at $100.

Police said that William F. Connolly, of 103 Moran road, Farms trustee and candidate for president, saw the accident and jotted down the license number of the fleeing car after a short chase.

However before police took any action, Mrs. Griggs called.

Parents of Maire Pupils Change Meeting Date

Camp Fire Girls News n' Notes

March is an exceptionally busy month for the Camp Fire Girls as it is their Birthday month. This year the girls all over the Nation are celebrating the thirty-ninth anniversary of their program. Camp Fire Girls of Metropolitan Detroit are observing this anniversary by remembering someone less fortunate than themselves. Each girl attending the Vesper Service on Sunday, March 13th, at the Durfee School, will bring with her a gift for a Navajo Indian child. The girls will give pencils, crayons, mittens, wash cloths, baby powder, school note books, or any other small item which could be used and enjoyed by another child. The gifts will the sent to the Navajo Indian children through the "Save a Child Federation".

The Camp Fire Girls of Southeast District extend Birthday Greetings to the Girl Scouts who are also celebrating their anniversary this week.

Camp Fire Girls of the Southeast District are busy this week making pot holders, towels, and other useful hand made items, candies, cookies, and some of the older girls may attempt a pot of beans, or a salad. The girls have asked their mothers to bake the cakes, rolls, coffee cakes, and other delicious foods to be sold at the Bake Sale, Saturday, March 19th, at the Edison Office on Jefferson Ave., from nine-thirty in the morning to three o'clock in the afternoon. The proceeds from this sale will go to help Camp Fire Girls all over the United States contribute their share toward their new National Building in New York City.

20 Camp Fire Girls went before the Southeast District Committee of Awards, Saturday, March 5th, at the Jackson Intermediate School. Mrs. Charles Bradford, 5257 Gateshead Ave., Mrs. Cornelia Walters, 3613 Bedford Ave., Mrs. George Higgins, 3961 Bedford Ave., Mrs. G. G. Reid, 4825 Chatsorth Ave., all of Detroit, and Mrs. D. H. Corey, 275 Kenwood Ave., Grosse Pointe, are the five women on the Committee of Awards who passed 13 girls on their Trail Seekers Rank and 7 girls on their Wood Gatherers Rank.

Savage, of Yorkshire Road, is treasurer of the State Officers' Club and state and chapter chairman of publicity for the Society.

MISS MARY HOSFORD

PointerEngaged To Dallas Girl

The engagement of Miss Mary Hosford of Dallas, Texas to Mr. Philip Boyce Thomas of Grosse Pointe was announced at a tea on Saturday, March 5, given by an aunt of the bride elect, Mrs. E. S. Gordon in Dallas.

Miss Hosford is the daughter of Mr. and Mrs. Hemphill Hosford, 6719 Golf Drive, Dallas, Texas. She attended the University of Arkansas and Southern Methodist University from which she graduated in 1948. During the last semester she did graduate work at the University of Texas. She is a member of the Pi Beta Phi Sorority.

Mr. Thomas is the son of Mr. and Mrs. John P. Thomas, 800 Washington Road. He is a graduate of the Grosse Pointe High School in the class of 1939 and from Albion College in 1943. He has a Master's Degree in Forestry from the University of Michigan and is working toward a Doctor of Philosophy degree. Mr. Thomas was in the Army thirty-two months and served eight months overseas in the 99th Division. He is a member of the Delta Sigma Phi Fraternity. The couple will reside in Ann Arbor after their marriage on April 2.

Florence Severs

(Continued from Page 3)

it was only open about two days a week. But as soon as Miss Severs arrived, the other Villages wanted library service, so she always had plenty to do. It was up to her to get things started to provide more service for all the Villages.

"When I first started out in the Park, I had three sections of books. Then I made the mistake of going to a school and announcing that there was a library. The children arrived—the whole school, I think!—and when the day was over, there wasn't a book left. It was practically a riot, reminisced Miss Severs.

Even now, Miss Severs doubts whether the demand is being adequately met. Grosse Pointers seem to desire non-fiction and technical reading as much if not more than fiction—especially in specialized business subjects and student textbooks which she said cannot possibly be fulfilled because of lack of space.

"We have about 35,000 books now, but according to the American Library standards, we should have about 80,000. But the people of Grosse Pointe just won't get a better service until they get ready to supply the room for it. We have reached the book capacity in all our libraries so we cannot increase our number very much over what we have right now," she explained.

Miss Severs is pleased with the present Grosse Pointe Public Library at the Pierce School. "It was built for a library, which is a great advantage. Most people cannot understand why anything doesn't do for a library, but a library is a specialized affair, and one can do a much better job if it is built for the purpose. It must have wall space for books; floors strong enough to support the stacks; proper reading area arrangement; and preparing and cataloging rooms convenient to the main room."

Despite all the obstacles she's had to face, however, during the past 21 years, Miss Severs still maintains she finds it fascinating because, "library work is always new. One never knows all that there is to be known. People are always finding new problems and bringing them to the library. You never get stale!"

In her opinion, the nicest part of being a librarian is "always working with people and books. They have so many complex and interesting questions that it takes one to be able to answer. And one has to be on one's toes even in selecting new books. A set of books just can't be taken, and then you're done with it. Every day comes the decision of what books to buy."

Much of the decision on what books to purchase depends on the requests from the public, she explained, or whether the library has or has not a better book already on the subject. Book reviews and current issues also aid in influencing the choice, and all these factors are helped greatly by the training received by the librarian, she revealed.

Strange as it seems, however, her chief task is to "get the people to read the books. Besides the library work, a good librarian spends a lot of time participating in community affairs; giving books reviews; acting in civic activities; and other doings to acquaint the public with the library and what it has to offer. It isn't absolutely required, but unless you get out and sell your library to the community, it isn't any good to anyone."

Besides all this, she told how a librarian does have to read a great many of the books, herself, during her off-hours. "I do most of my review reading after I get home. No one ever reads in a library!" observed Miss Severs, who lives on St. Paul avenue in the City of Grosse Pointe.

Optimists' "Now and Then" Is Hit

By DORIS MILATZ

The old-folk of Grosse Pointe were in their hey-day last weekend, and if the customary silence of midnight was broken by wavery but determined strands of songs reminiscent of the Gay Nineties issuing from the lips of ar otherwise prim Grandma or jaunty old Grandpa, it was not to be wondered at

Because both Grandma and Grandpa were wending their way homeward on either Thursday, Friday, or Saturday night, after a truly nostalgic evening at the "NOW AND THEN" musical revue presented by the Grosse Pointe Optimist Club is the Pierce school auditorium.

Quite relaxed in the auditorium's comfortable seats, they became lost in the mood of "yesterday" dispelled so ably by Eddie Casper and His Orchestra who accompanied the two hour stage show featuring comparisons of "yesterday" and "today" in two acts.

True, director George Elias' production contained a bit of satire in the process of comparison, but the oldesters didn't mind. In fact, at times it was hard put to say just who was laughing at who in the contrast of the modern and old-fashioned scenes.

Those who visited the auditorium for those three evenings all agree that the hit of the evening were the minstrels — Now and Then with their rib-tickling jokes and hilarious clowning that so captivated at least one section of the audience that the Minstrels themselves saught to subdue the giggles.

While the sharpest contrast seemed to be in the "Rhythm" scene depicting the difference between "yesterday's" sedate Marimba player and "today's" Jam Session boogie-boys, perhaps the most beautiful scene was that haunting refrain of "It Only Happens When I Dance With You," sung by the entire Minstrel Ensemble on a darkened stage lit only by soft green lights before the face of each singer.

The show was not all melodious harmony and song and dance routines, however. Humor played its own role in such predominant skits as the slow and fast action scenes of "The movies," and the surprising Intermission stunts.

Even the Review became involved when someone on stage claimed they heard the sound of typing in the balcony, and the stooge's smart rejoinder was that it possibly was the Grosse Pointe Review preparing its review on the show.

Yet a great deal of the show's success was due to the elaborate scenery costumes, especially in the beautiful "Lavender Blue" scene featuring crinoline hoop-skirts and atmospheric lighting effects.

And combining it all into one of the best amateur talent shows ever presented in Grosse Pointe was the showmanship of both Dr. W. Tuttle and Ernest Hobbs who played those two delightful gentlemen, "Mr. Then," and "Mr. Now."

The Optimist Club, therefore, can well be proud of its First Annual Revue. The crowds attending it can, alone, attest for its tremendous success, and will do much to encourage the Optimist members to stage another delightful performance next year.

Rites Held for Harold Baker

Services for Harold D. Baker, 64, president and treasurer of the Baker, Whildin Coal Co., were held last week in Christ Church, Grosse Pointe. Burial was in Woodlawn Cemetery.

Mr. Baker, who lived at 319 Lincoln, Grosse Pointe, died in Jennings Hospital after a brief illness.

A native Detroiter and graduate of Yale University, he was a former manager of Barrett & Co., a division of Allied Chemical & Dye Corp.

Surivivors include four daughters, Mrs. Annette B. Torrey, Mrs. John H. French Jr., William L. Crow, and Mrs. Harry S. Leyman Jr.

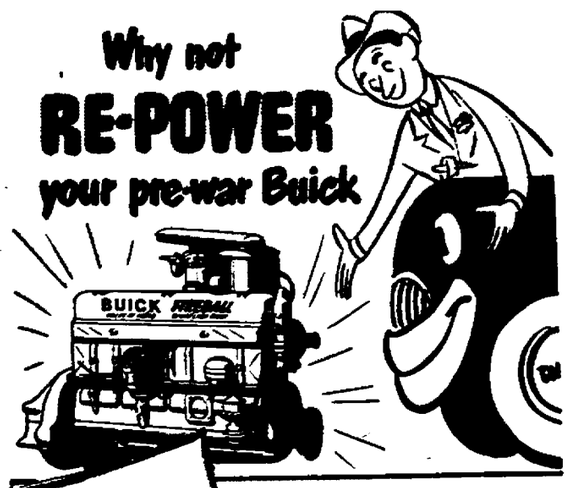
Why not RE-POWER your pre-war Buick



Remember that zooming rush of power your Buick used to thrill you with, when it was new?
Like to have that super-power back today—as though time had stood still?
It's easier than you think—and quicker.
Right in our service department we can take a sparkling new Fireball engine—fresh from the 1949 production line, new from air cleaner to clutch—and install it in any Buick not more than 12 years old. The change-over can be done in a day or two. Far less time than a major overhaul would take—and the cost is often less. Pay as you drive, if you wish.
Why not come in this week and talk it over?

ARCHITECT'S "MIRACLE MILE"

Here is a picture of the new Commercial Development at Mack and Seven Mile road which architects describe as the "Miracle Mile." The first unit now completed is part of what is ultimately to be one of the largest shopping centers in the Midwest. A new Kinsel drugstore will occupy the corner store, with a Boston Shoe branch next door, and a spacious F. W. Woolworth's. Schostak Brothers, realtors, reported that they are negotiating with 21 other national and local chain store organizations. In addition to the parking lot accommodating 2500 cars, more parking area is planned.

ASSOCIATED BROTHERHOOD

On Monday, March 14, 8:00 P.M., the Detroit Associated Brotherhood will hold its Spring Rally at Divinity Lutheran Church, Springwells at Senator. The speaker will be the Rev. Dr. Norman A. Menter, President of the Michigan District of the American Lutheran Church, who will speak on the subject, "Don't Let God Fire You".

Scientists have identified over 350,000 different species of insects, according to CHILDCRAFT books. The total weight of all the insects in the world is believed to be greater than that of all the animals in the world.

Review of the Boating News

by Ralph D. Johnson, Sec'y Grosse Pointe Sail Club

THE DETROIT U. S. POWER SQUADRON will be the guests of the Port Huron Power Squadron at the 9th District Spring Conference held this year on Saturday, March 12th, 1949 at the Hotel Harrington in Port Huron.

Delegates at this meeting will nominate and elect district officers including a new district commander.

Exhibits of navigational and teaching aids (Yatchmen's Gadget Exhibit) will be on display in the lobby of the hotel. Each Squadron will display their pet "boat gadgets".

Chief Commander F. Ritter Shumway of Rochester, New York, will honor the conference with his presence and this will be the last appearance of Richard S. Weber, JN, as Commander of the 9th District. When Commander Weber leaves the bridge of the good ship "Ninth District" he will have added one more chapter in the log that can be expressed in the words "A successful voyage well done."

There will be a reception for all members and their ladies by the Port Huron Squadron prior to the dinner at the Hotel Harrington. Entertainment during dinner will include a floor show with an orchestra providing music for dancing. The ladies will be entertained in the afternoon by a trip over the Blue Water Bridge into Canada for a reception at the Hotel Vendome, by the ladies of the Sarnia Power Squadron.

At the recent induction of new members by the Detroit Power Squadron, held at the Detroit Yacht Club, Dr. Robert C. Connelly, Robert Connelly, Jr., James W. McCarthy and Ralph D. Johnson of the Grosse Pointe Sail Club were among those accepted for membership.

A trip along the shore recently, revealed many boat covers rolled back and an occasional "Skipper" with the "Missus" making plans to have their boat in the water by "Decoration Day." We wish them the best of luck, especially as that was our objective last year, but due to unforseen delays the 3rd of July saw us hustling to get launched and rigged for the "4th of July Race."

BEAT ST. BERNARDS

Led by Billy Huetteman the Flyers rolled their first victory in the State Tournaments at St. Charles, 52-30 last Wednesday.

If it had not been for Huetteman the Flyers would not have been able to hold a 9-8 lead at the end of the initial period. He looped in four baskets while Jimmie Law connected from the foul line.

Three more baskets by Huetteman, added to a basket and charity toss by Law, and baskets by Pete Belanger and Capt Jerry Hollerbach and the Flyers moved even farther ahead while they held St. Bernards to a mere free throw, 20-10.

High scoring honors went to Huetteman and with 14 points all scored in the first half. Next came Belanger with 12, Law with 11 and Hollerbach 10. High for the losers was Listman with 7 points.

WHALLOP CITY CHAMPS

St. Paul, not impressed by Nativity's record or height, beat them in the scond round of the State Tourney at St. Charles.

The first half was close most of the way through. Led by Pete Belanger the Flyers were able to move ahead to an 8-5 lead at the end of the first period. Nativity came back to tie the score at 9 all but the Flyers continued to show that they had the stuff to beat the unbeatable champs. The score at the half was 13-11, St. Paul.

After the intermission the game continued to be a thriller until the end of the third period when the Flyers really got hot. During the third period the Flyers were only able to hold a six point lead. 29-23.

At the outset of the final period, the Flyers' "All Star" Jimmie Law began to show what he was made of and started to hit the hoop for 7 points, as the Flyers turned what had been a thriller into a runaway 47-35.

High scoring honors went to Belanger with 16. He was followed by Law with 13, Wyllie with 8, and Capt. Jerry Hollerbach with 6. The losers were led by Wulbrecht and Wouters with 8 each.

The Flyers big center Harry Hammond returned to the lineup for the first time after his sprained ankle against St. Ambrose three weeks ago.

LOSE FINAL TO ST. CHARLES

Tired from their hard game the previous night the Flyers dropped the District final to St. Charles on the Dragons home court, 43-33.

The first half was close and hard fought. St. Charles fought gamely and were able to hold the Flyers to a 14-14 tie.

The second half the Dragon's "All City" Jack DeRivers got hot for 12 points and just about beat the Flyers single handed.

High scoring honors went to Vollman of St. Charles with 14, DeRivers had 13. High for the Flyers was Holerbach with 10.

SCRIPPS' HUBCAPS

Employees Urge "Yes" Vote On Pension Plans

At Monday's election, Grosse Pointe Woods will vote on a proposed charter amendment providing for a retirement system for Village employees and police and firemen. The proposed system has been worked out with the aid and assistance of an experienced actuary, who has formulated similar plans adopted by other municipalities. The proposed plan covers all officers and employees of the Village on March 31, 1949, and all individuals employed by the Village after that date, but would not include any elective or appointive officer who devotes less than his full time to the service of the Village.

Eligible beneficiaries for service retirement must have at least ten years of service with the Village and have attained the age of 55 years in the case of policemen and firemen; and the age of 60 years in the case of members other than policemen or firemen.

Employees of the Woods and the Farms which is proposing a plan patterned along the same principals urge voters to vote yes.

George Dorn Is Candidate

George Heckendorn, of 110 Roslyn road, a sales representative, is among the eight candidates for the Woods Council.

A civic-minded pioneer resident, Mr. Heckendorn has been very active with Boys Scout troops.

Possessed with a fine voice, he is widely known as George Dorn through his many radio appearances.

LOSES PURSE

Mrs. Charles H. L. Hommedeu, 120 Kenwood reported to Farms Police that she lost her purse when the door of her car opened while she was driving on Kercheval.

Support your community by going to the polls Monday.

Ollie Smith Offers New Locker Plant

The East Detroit Locker Plant was sold last month to Mr. Ollie Smith and the name has been changed to Gratiot Food Lockers, 22136 Gratiot avenue.

The new firm sells and processes fresh and smoked meats and has a capacity of 621 food lockers for rent by the month or year. Fast freezing service of 14 degrees below zero for any item is offered.

Broedell Seeks Village Office

A veteran of three years in the Navy and a resident of Grosse Pointe Woods for more than 12 years, Frank Broedell is seeking the office of Woods' commissioner.

Broedell, who resides at 1553 Roslyn road, is associated with his father's widely known business establishment, Broedell's Plumbing.

He is a member of the Woods Businessmen's Club, and Metropolitan Club.

Wolff Bids for Woods Council

Howard B. Wolff, of 1173 Brys, bidding for the Woods council is vice-president of Parcells PTA, secretary of Cub Pack 290 and a members of the Village Pension Study committee.

A graduate of Northwestern University, he is a sales engineer for Charles H. Besly & Co. and has a background of personnel work and investment banking.

LOSES FENDER SKIRTS

Earl Gosselin, 891 Beaconsfield, told Park Police that someone removed the fender skirts from his auto while parked in front of his home.

Owner-Dog Obedience Show Fixed

A demonstration of Owner-Dog Obedience Training will be held at the Grosse Pointe High School on Monday evening, March 14th at 8:00 p.m. in the boy's gymnasium. The program will be divided into three parts and will include demonstrations by some of the Grosse Pointers who trained their dogs in the classes starting last October. Several members of the Southern Michigan Obedience Club will show the practical uses of obedience training such as, heeling, both on and off leash, recall, long sit, long down, and standing for examination.

Charles A. Frank, one of the best known owner dog obedience trainers in the United States, will conclude the demonstration. Last year, Mr. Frank appeared as the featured attraction of the Cleveland, Baltimore, Washington, Providence, Houston and Philadelphia Sportsmen Shows. He will work with his three springer spaniels and two golden retrievers, "Tommy" one of the golden retrievers was the top scoring dog in obedience work in the country last year. Mr. Frank will show controlled and straight retrieving, whistle control, with live pigeons used in the demonstration. Ray H. Lee of the Sales Administration Division of Fisher Body, and Donald Dasher of the Bundy Tubing Research Department, will be in charge of the demonstration. Mr. Lee and Mr. Dasher are also the instructors of the Owner-Dog Obedience classes starting Tuesday evening, March 22nd, at the Grosse Pointe High School. Advance registration for these classes must be made.

Among those participating in the demonstration are Chauncey Di Laura with his Toy Manchester, Mrs. A. Looker and her Springer Spaniel, Charles Liddle and Collie, Jan Drake and Collie, Mrs. J. A. Mullen with Dachshund, Sally McKerman and her Brittany Spaniel, and Steve Marcus with a boxer. Every dog owner and all those interested in dogs are invited to attend the demonstration. CHRISTIAN SCIENCE CHURCHES

"Substances" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, March 13.

The Golden Text (Hebrews 11:1) is: "Now faith is the substance of things hoped for, the evedience of things not seen."

Among the Bible citations is this passage, (Romans 11:33,36): "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgements, and his ways past finding out! For of him, and through him, and to him, are all things: to whom be glory for ever. Amen."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 335): "Spirit is the only substance, the invisible and indivisible infinite God. Things spiritual and eternal are substantial. Things material and temporal are insubstantial."

Six Cagers Win Berths On Grosse Pointe All-Star Squad

Pointers Claim World's Iceboat Championship

WALTER X. BRENNAN
Editor of
Aviation and Yachting News

Grosse Pointers again can claim the world's championship for iceboats by virtue of Deuce IV, retaining the Stuart cup in a series of races over the weekend, at Oshkosh, Wis.

Deuce IV, owned by Clare Jacobs, of Kensington road, won three of the four races in the series against the famous Debutante and Flying Dutchman, of Oshkosh. The feat of winning was particularly commendable because the local craft was sailing alone against a team of two and the Wisconsin defenders missed no opportunities to "box up" the challenger whenever possible.

Debutante, largest of the three craft and sailed by John Buckstaff, who has been called the dean of ice-yacht skippers for many years, won the first and fastest race of the series Friday morning by three seconds. Deuce was second and The Dutchman third. The winner's time was 46 minutes for the 20-mile windward and leeward course. Actual distance for such a race is about 36 or 40 miles and probably more on the soft ice.

Friday afternoon, Deuce came into her own and finished three and half minutes ahead of The Deb. The Dutchman trailed.

No race was held Saturday morning because of light air but in the afternoon run Deuce lapped The Deb to win in 59 minutes and The Dutchman was unable to finish.

Although light air and soft ice made going slow on Sunday morning, Deuce won handily and became the winner with the needed three firsts. The Dutchman was second and The Deb third.

Clare Jacobs and George Hendrie alternated at the helm of the local boat and Charles Nevitt skipped The Dutchman.

The crew of champion Deuce IV on its invasion of Wisconsin was made up of Joe Snay, Bill Gleason, Jack Moran, George Snyder, Ted Shoepeck and the skippers.

Plans are under way for a dinner to honor the champions, the date of which has not been set. Norbert Neff has been appointed chairman of the ticket committee.

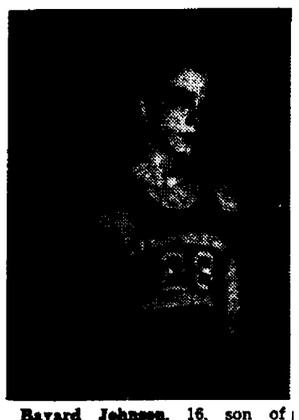
James Law, 18, son of Mr. and Mrs. William Law, of 26 Moran road. This year he winds up his prep career during which he earned 11 varsity letters in basketball, baseball, track and football. He won all-city grid honors last year. Jim stands an even 6 foot and weighs 150.



Bayard Johnson, 16, son of Mr. and Mrs. Bayard Johnson, Sr., of 97 Merriweather. The youth, who is a forward, is 5 feet 11½ inches tall and weighs 160. He has won awards in football and baseball. When he returns next season it will be his third year on the varsity. He was recently named on the Detroit Times' Hall of Fame.

Warren Sisman, 16, son of Mr. and Mrs. Warren Sisman, 1046 Yorkshire. His play at guard was highly instrumental in DUS compiling a record of 9 wins in 16 starts. He is 5 feet 10 inches and weighs 150 pounds. He has also earned awards in football and baseball.

James Burns, 17, son of Mr. and Mrs. Daniel K. Burns, of 2173 Marlborough, Detroit. He is another outstanding athlete completing his high school career this year. James earned 8 letters in basketball, football and baseball. He was named on The Detroit Times and The Michigan Catholic All-City Cage squads this year. He is 5 feet 11 inches tall and weighs 160.

Vince Schoeck, 17, son of Mr. and Mrs. Vince Schoeck, Sr., of 237 Chalfonte. This lanky forward stands 6 feet two inches and tips the scales at 175 pounds. This is his second year on the varsity. He has been named on All-Conference and All-State teams. He is also a member of the school nine.

Yacht Men Elect 4 Pointers

Four Grosse Pointe men were elected officers of the Detroit River Yatching Association. Friday at the annual election at the Bayview Yacht Club.

They are Kenneth P. Leipprandt, of the Edison Boat Club, commodore; Buell A. Doell, of the Detroit Boat Club, vice-commodore; C. R. Sutton, of Crescent Yacht Club; rear-commodore; and E. R. Robertson of Edison Boat Club, secretary-treasurer.

The organization is comprised of all the yacht and boat clubs between Lake Huron and Lake Erie.

Review, Lions To Honor Players At GPYC

The Grosse Pointe Review's Third Annual All-Star High School Basketball Squad is comprised of six young men who are not only outstanding exponents of the game but also carry good scholastic ratings.

They are Buel Quirk, Bayard Johnson, and Vince Shoeck, of Grosse Pointe High School; James Law, of St. Paul; James Burns of St. Ambrose; and Warren Sisman, of Detroit University School.

The boys were recommended for this honor by their coaches, Edward Wernet, GPHS; Eddie Lauer and Bob Van Tien, St. Paul, Dick Van Goethen, St. Ambrose; and Earl Kimber, DUS.

Factors considered in the selection of the sextet were ability, leadership, sportsmanship, and contribution to the team and the school.

Each player will receive a miniature gold basketball with his name engraved on it at a banquet presented in their honor by the Review and the Grosse Pointe Lions at the Grosse Pointe Yacht Club on Saturday, March 26. The coaches, members of the faculty and Lions officials will also attend.

The all-star squad and the banquet is part of Review's policy towards establishing a better understanding and relationship among the students, coaches and faculty.

According to Coach Wernet, Quirk, Johnson, and Shoeck not only lead the Blue Devils attack this year but were equally as effective on defense. They contributed greatly to the team earning second place in the final standings.

This marks the second straight year for James Law to be named on the All-Star squad. He is considered one of the most outstanding athletes to attend St. Paul by his coaches. His play helped the St. Paul enjoy a good year.

St. Ambrose enjoyed one of its best records in history this season and one of the major factors for it was fast moving and high scoring, James Burns. His all-around performance kept St. Ambrose in the title play until the final week of competition.

Warren Sisman's play at guard this season was highly responsible for DUS compiling a good record against local and out state competition. They won nine in 16 starts.

Houston Drops To 5th Place In Rotary League

Any chance of Houston Bros., Inc., getting back in the select group at the top, in the Rotary Club league, was sequelched when the Middies turned back the Rangers, 3-1, last Friday night at the Woods Recreation. Art Runkis, Houston leadoff, helped himself to 553, his middle game of 213 prevented the Middies from taking all four points. Curtis Pike's consistent games of 180-184- and 180 topped the winners.

Motor City Tires with Russ Piche elbowing his way to a 199 opener, upset Kopps Pharmacy, 3-1. The "recappers" take on Farms Market tomorrow night and another upset is likely, as these boys really like to take the top-notchers.

JUDIES COME BACK

Despite Emil Deprest's 215 in a 543 series, Mondry fell, as did Houston, to a tie for 5th place when the Punch & Judy Cocktail Lounge dropped the Fisher Road cleaners, 3-1.

Earl Holzbaugh throttled the Auto Club in the first two but eased off in the last one to let the Safety Service boys pull up on even terms—two each.

Piches Barber Shop away off form of late, finally came thru with a 3-1 win over G. P. Review. Bob Gross opened with 208 and continued for 538, high man on the winning team.

Farms Market spotted the opener to Harrison Carpets but came on to take the next two and total. Howard Ewald's 208-202 in 592 assisted by Bill Carless, who rolled a 203 middle game for 513 was too much for the Magic Carpeteers.

Osantowski Posts 552 For Janet's

Behind a 552 series by Leonard Osantowski, Janet's Lunch took four points from Belding Cleaners to move up to fifth place in the standings.

Another four point winner was Kennelly Catering who shut the door on Grosse Pointe Curtains.

Bert Killian posted a 544 series as Turner took three from Cramer to strengthen their hold on first place.

According to league secretary Bruce Warren, a bowling oddity was performed by Harry Nelson of Boutin's. Harry who carries an average of 154, rolled three games of 158 each. Depsite Nelson's efforts, Boutin dropped three to Tom Boyd.

Other three to one winners were Imperial Cleaners over Bruce Wigle; Oak Cleaners beat Whyte; G. P. Printers topped Buckeridge; and Mack-Nottingham bested Rustic.

Men who posted marks of more than 200 were: Bill Ford, 235, 212; Belmont Holstin, 226; Angelo Petracci, 221; Tom Kelley, 211; Len Osantowski, 210; Richard Lundberg, 205; Bruce Warren, 204; Joe Fremont, 204; Al Obrecht, 204; and Maloney, 201.

Blue Devils Beat Highland Park

Grosse Pointe High School cagers concluded their season day on the home court by beating Highland Park 54-42.

The victory enabled the team to finish in a second place with Fordson in the Border Cities League behind Wyandotte.

Coach Edward Wernet's boys piled up a good record of 6 in 10 starts.

Bayard Johnson led the scorers in Friday's game with 12 po
