LIONS BECOME NEWSBOYS AGAIN

GROSSE POINTE LIONS GOODFELLOW PAPER SALE

This band of Grosse Pointe Lions Goodfellows launched their 21st Annual Goodfellows Day Monday morning at the Park Municipal building. Assisted by Grosse Pointe Police and Firemen, the Goodfellows hope to raise \$7,500.

Good Will Program Never Ends

Though the Goodfellows Day Paper Sale will be completed by Monday noon, the Lions still have the important task of fulfilling the chores of Santa Claus for many who look to the Lions each for Christmas.

Acting as the Lions' contact man for Santa is George Elworthy, veteran Lions member and director of the Neighborhood Club.

Mr. Elworthy assisted by fellow Lions, Grosse Pointe Police and Firemen and other interested residents have compiled a list of families that will be visited by the Goodfellows' Santa this Christmas.

Elworthy and his staff will help prepare the gifts of clothing, food baskets and toys for Santa.

Persons who know of anyone that should be included on Santa's tour should contact Mr. Elworthy at the Neighborhood Club, 17145 Waterloo, TU. 5-4600.

Besides the Goodfellows' chores, Mr. Elworthy also sees that the Grosse Pointe Toy Club has enough funds to live up to its annual promise, "No Child Without A Toy."

More information about the Toy Club on page three.

Mr. Elworthy and the Lions' duties do not end with the passing of the holiday season. Throughout the year, he guides the Lions' charitable and goodwill program.

He sees that, "the Lions Heed, the Ones In Need."

Oldtimers Back for 21st Year

The Grosse Pointe Lions Annual Goodfellows' Day Paper Sale, accelerated by the generosity of Grosse Pointe has come along way since the first sale in 1929.

On that first day, a small but hearty band of Goodfellows, some stood on street corners, others went from house-to-house selling the special edition of The Grosse Pointe Review to reach their initial goal of \$2,000.

Today, Dec. 19, the day of their 21st Annual Sale, the Lions augmented by a following that the decades of civic accomplishment and public service has inspired, hope to raise \$7,500.

Many of the Oldtimers who were on hand for the first Goodfellows' Day here returned to favorite corners today to sell their newspapers to familiar faces with warm hearts.

This group includes such popular Goodfellows as Julius Berns, originator of Goodfellows' Day here; Lee Olcham, publisher of the Review; R. J. Barret, Albert J. Garska, Hugo Glaser, Rudolph Kamschke, Julius Nagel, Walter Schweikart, Arthur Genich, William Ludwig, Dr. William Watkins, George Ellworthy and Dr. Werner Kersten.

Other veteran Lions newsboys who returned to sell papers to friends and regular visitors included Ralph Genter, Lorne H. Ayling, August Bankstahl, Edward Biedeman, Dr. O. D. Brownell, Marshall Coulter, Edson Counts, Judge Victor DeBaeke, Raymond Dierckx, Alfred Epstein, Leo Gibson, Arthur Gnicke, Will Gruneberg, Lorne Hagen, John A. Goike, and Willard S. Hoskins.

Also George Ingram, Hamilton Kotcher, George Kretschmar, Leo La Roque, Otto G. Lonskey, Cecil Marshall, James N. McNally, William H. Melcher, Fred Meyer, Peter H. Moors, Owen M. O'Toole, Ralph A. Machleit, Jack Pierce, Ernest C. Putnam, Lester E. Pressel, L. E. Radford, Eldin F. Richel, Edwin Schaub, Anthony Schneider, J. H. Schnur, Carl Schweikart, Phil Skillman, Fred Steinhacker, Fred Sweitzer, John J. Tierney, Albert Van Hull, Albert Van Hull, Jr., Charles Wade, Willy Werner, Ben Young, Walter H. Brewer, Cal Culter, W. L. Krentler, and Thomas Munson.

Even those unable to take an active part in the drive gave their spiritual and moral support.

One in this group is Judge Theodore Richter, who is confined to his home due to illness.

Yes, these old-timers supported by the new comers and the people of Grosse Pointe will carry on the notable tradition of the Goodfellows.

HEAD GOODFELLOWS

Carl Schweikart, center, chairman of the Lions Goodfellows Day again this year, with his two co-chairmen, James N. McNally, left, and Dr. Werner Kersten.

Police, Firemen Join Lions Club

The Grosse Pointe Lions and all the Goodfellow Newsboys thank you for the purchase of this Goodfellows' edition of The Grosse Pointe Review.

Your support will help them fulfill their responsibility again this year of providing a happier Christmas for those among us who need a little assistance. The knowledge that you have done your share will make your own Christmas a happier one too.

Your support also enables the Lions to continue their charitable program throughout the entire year, offering a helping hand to every needy and worthy cause.

With your support, the Lions aid the blind; the Lions help the cripple; the Lions provide food, clothing and medical care for families that need assistance, and last but not least, the Lions see that no child goes without a happy Christmas.

We repeat, only through your help, the Lions are able to carry on this noteworthy unselfish program of "Peace On Earth, Good Will To Men."

The Grosse Pointe Goodfellows, comprised of the Lions and our Grosse Pointe Police and Firemen began this program 21 years ago here in Grosse Pointe. If you are a newcomer to the area they hope to see you join the ranks of the many localities who visit their favorite corner this time each year to purchase their Goodfellow paper.

It does not matter from whom you buy the paper or how much you pay for it—there is no established price for a Goodfellow paper. The pupil may pay ten cents; the executive may pay \$100. Your means and your heart determines your contribution.

Early this morning, Carl Schweikart, chairman of the drive for the sixth year, expressed confidence that the record goal of \$7,500 would be reached. His confidence was shared by his two co-chairmen, Dr. Werner Kersten and James McNally.

Results of the sale will be known at the luncheon for all the newsboys at Detroit Turners on East Jefferson shortly after 12 noon when the drive is completed.

Host for this luncheon is Alfred Epstein, president of the Pfeiffer Brewing Company, and a Lions member. Mr. Epstein will pick up the check.

Every penny collected by the Lions goes directly in their fund to provide the aforesaid charitable activities.

Form for toy club membership with fields for Name, Address, and a donation box. Includes the slogan: "No Kid Without a Toy for Christmas" and "I want to belong to the 1949 Toy Club. I believe in the above slogan."

Respectfully submitted, GEORGE ELWORTHY

PRAISE LIBRARY FRIENDS ACT

Friends of the Grosse Pointe Library are indeed friends of the community at large.

Their decision to retract their petition for a library proposal on the school ballot rather than jeopardize the eminent school building program is a commendable civic act.

This about-face move was not an easy step to take for the Friends of the Library. They went to considerable effort and expense to prepare a sincere education campaign to inform the public of the needs for additional library facilities here.

This campaign gave them a broader understanding of the problems faced by the School Board and the need for additional school buildings.

Consequently, they decided to table their proposal to encourage the acceptance of the school building project.

This precedence should be followed by the two parent clubs of Grosse Pointe High School who are supporting a gymnasium project.

The parent clubs should drop their pet project and give all their support to the major educational need today — more school buildings.

BABY CLINIC PROBLEM

While special committees from the School District and Grosse Pointe Municipalities are studying the Health Department problem, it might be well to give some thought to the Baby Clinic, one of the major functions of the present Township service.

According to the Township's annual health report, 730 babies and children under five years of age were treated last year.

The service includes the gamut of preventive medical treatment from vaccinations to communicable disease shots.

The current Health Department dispute and move to switch to the Wayne

County Department brings to mind two important questions:

1—Why are these children brought to a public-supported clinic and not to private family physicians?

2—Does the Wayne County Health Department have the facilities to adequately take care of these Grosse Pointe children?

If financial limitations prevent mothers from turning to private physicians for medical care for their children, then this responsibility should fall in the hands of the local administrations, not Wayne County.

Grosse Pointe should take care of its own.

ONLY ONE CURE FOR A COLD

You catch a cold from the person who has a cold—usually when he talks, coughs or sneezes near you and you take in more of his cold germs than your own body defenses can destroy.

Avoid large masses of cold germs by staying away from the person who has a cold; by staying out of crowded places during a cold epidemic; by washing your hands before you eat and after contact with a cold-infected person or articles he has handled.

Keep your general health high by getting plenty of sleep, by eating regular, well-balanced meals and drinking plenty of water; by getting some outdoor exercise every day, and by letting sunshine and fresh air into your home, office and

factory.

Don't lower your resistance by getting too tired, over-heated or chilled. Avoid sitting in dried out, smoke, dust or chemical-laden air. Dress according to the weather and the temperature in which you must work.

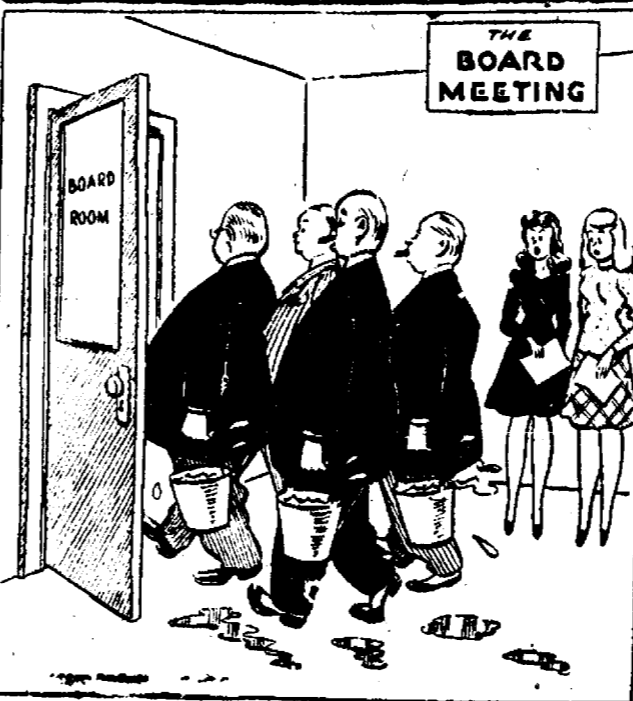

Go to bed if you possibly can. That is the only cure for a cold. If you can't get as much rest as possible.

Protect others by covering your mouth and nose when you cough or sneeze, and by washing your hands frequently, especially before handling food, cooking utensils or dishes.

Don't try to treat yourself. If your cold symptoms persist, call your doctor and follow his advice.

Police Begin Drive to Curb Holiday Drunk Drivers

The Grosse Pointe Chiefs of Police announced that final arrangements have been completed for the intensive public educational program during the last two weeks of December to reduce the terrible toll of accidents due to drunk driving.

A meeting has been held with all of the owners of bars and taverns within the area and they have agreed to support the program by placing in their establishments a safety message on each table in their establishment. These will be in the form of a placard carrying the message "IF YOU'RE DRIVING, TAKE IT EASY."

At the request of the "Table Toppers," arrangements are being made to have an officer in uniform visit each establishment selling liquor by the glass. These calls will be made at least once during the last two hours before closing time each evening for the last two weeks of December, they said.

The Michigan State Liquor Control Commission is placing 18,000 posters in all bars, taverns and retail liquor stores, 17,000 of the smaller posters will be placed in each bar (2 to a bar) and 1,000 large posters in retail stores. They carry the message "DRUNK DRIVERS, LOSE THEIR LICENSES."

Commenting on the urgent need for this program, the Chiefs pointed out that last December

in Michigan 13,857 accidents injured 3,961 persons and killed 195, of which 117 were killed during the last two weeks. They called upon all motorists to cooperate with the law enforcement agencies and the bar and tavern owners so that we can get through December with much less trouble than last year.

City Councilman's Father Succumbs

Chester H. Carpenter, father of Grosse Pointe City Councilman, Chester F. Carpenter, died last Saturday, Dec. 10. Services were held Tuesday from the Griffith and Wade Funeral Home, followed by rites at the St. Ambrose Church, and burial in Mt. Olivet Cemetery.

A retired Great Lakes sailor, Mr. Carpenter resided in Detroit for 57 years, and is survived by his wife, Catherine, and two sons, Chester, and J. Willard Carpenter; 6 grandchildren; and 3 great-grandchildren.

No Sugar Please

"Kiss The Boys (Pigeons) Goodbye"

By JOHNNIE BACHELOR

In addition to the "atomic bomb," the Grosse Pointe School District is faced with another air menace—the pigeon.

And the dignified and embarrassed school fathers have resorted to the old "mon game" to eliminate the bird.

They have hired Matey, a feathered Cleopatra, who, according to her boss, the Twin City Pigeon Eliminating Corporation, has been the undoing of many innocent suitors.

Billed as a shapely queen, Matey gives the pigeon boys the glad eye and they fly and vie for "cooing" space next to her.

Unknown to the boys is the fact that when they park next to Matey—they're jumping to conclusion.

Before the love bird gets a chance to remove lipstick (or whatever pigeons use) his goose is cooked, and Matey moves down the line for the next bird.

According to Matey's boss, many suitors and numerous foolish females have been eliminated this way.

At a cost of about \$500, she has been signed to use her charms on the Grosse Pointe School, McKinley near Kercheval.

If she is successful, her option will be picked up and she will be placed on a term contract to eliminate the pigeon population at Maire School and Grosse Pointe High.

Her boss and press agent has guaranteed a four-star performance.

This bird trap is ingenious but wonder if Matey is aware of the fast double cross she is giving the boy friends.

And we wonder what will happen to her after she loses her sex-appeal. Soup's on?

Pointe Grows

Nearly six out of seven people have become residents of Grosse Pointe since the organization of the School District in 1922. The population then was approximately 8,000; today it is more than 40,000. In 1922 the Public School enrollment was 947; today it is more than 5,500.

School Note

Every time a new home goes up in Grosse Pointe, the Public Schools gain half a child! The 800 residential building permits issued in the first nine months of 1949 will mean the addition of approximately 300 children—if past experience holds true.

People who have a past to forget should never enter politics.

World Needs Leader, Bingay Tells AAUW

The world has been in a state of collapse ever since 1940. The civilization has cracked and will never be rebuilt," said John Bingay, addressing a group of American Association of University Women and friends at the War Memorial Center Thursday.

Back in top-speaking form after a serious operation, the editorial director of the Detroit Free Press called a conversation with the late Henry Ford in which the latter said that anything which is built right will not run, whether it is a watch, a machine, a church, or a political movement.

Mr. Bingay continued: "We are living in one of the most historic periods of history, similar to the one that brought about the Renaissance in Europe. Today it has to be a re-awakening of the spiritual and moral virtues of the Commandments and the Ten on the Mount."

He said that people must realize that it is principles that make nations, and not parties that make nations.

Some day there may come a man who will have honesty, integrity, and character," Bingay said. "Until we have such a man, we will only drift from one opportunity to another."

Review Readers Write to Editor

TO THE EDITOR:
On behalf of the Baha'is of Grosse Pointe I wish to express to you our very great appreciation for the many courtesies you have shown us in the past, and particularly do we thank you for the excellent publicity you gave our recent public meeting at the War Memorial Center which undoubtedly had something to do with the fact that we literally had to "pack them in."

There is no doubt about it—your paper is rendering a real public service to Grosse Pointe in the manner in which you endeavor to cover all Grosse Pointe Community affairs. This was conspicuous particularly of late. To be specific, your coverage of the formation of the Grosse Pointe Community Council (when it elected its first permanent board of officers), your publicity for the Library, for the Friends of the Theatre, etc. It is our hope that your circulation increases, as it undoubtedly will, if you continue your just policy of serving a community which seems to be striving to become a better one.

With best wishes for your continued success, I remain sincerely yours,
Mrs. Floyd H. Munson, Sec'y
Baha'i Spiritual Assembly
of Grosse Pointe Farms.

TO THE EDITOR:
The Board of Education extends a most cordial welcome to your group to attend the public mass meeting at the Grosse Pointe High School Auditorium Tuesday evening, December 20, at 8 p.m. The purpose of this meeting is to give an opportunity to all interested citizens and taxpayers to hear a discussion of school needs and various methods of solution prior to the formulation of any definite plans by the Board.

As has been indicated in the Review, the Board wishes to give all citizens fullest opportunity to criticize and offer suggestions regarding the solution of the severely pressing problems concerning the much needed building program.

Sincerely,
Sigurd R. Wendin,
President, Board of Education

TO THE EDITOR:
As a participant in the United Foundation campaign, the Community Chest and its 125 Red Feather services would like to thank you for the splendid cooperation which you gave the Foundation's Torch Drive.

In past years you have given the best coverage on the Red Feather campaigns. You outdid our greatest expectations during the Torch Drive.

The fact that the Torch Drive was able to raise 103.4 per cent of its quota of \$8,550,000 proves that the people knew of the value of the new venture. You

Pointe Toy Club Needs More Help

"We need more help," said Arthur E. Louwers, Chief of Grosse Pointe Park police, "if we are to live up to our slogan of 'No Kid Without A Toy.'"

Chief Louwers is president of the Grosse Pointe Toy Club which distributes Christmas toys to less fortunate children.

The club comprised of members of the Grosse Pointe police and fire departments, needs complete support from the entire Pointe area if it's to attain its objective this year.

Police and firemen are selling memberships to the club and are meeting with a good welcome from all persons contacted. However, since it is impossible to canvass everyone personally a large number of contributions must come voluntarily through the mail.

Besides helping Santa Claus in Grosse Pointe, the Toy Club will send dolls, sleds, drums, skates and games and other toys to orphans in Detroit.

Readers are asked to fill out the Toy Club membership application on Page 4 and mail it to any of the police or fire departments in Grosse Pointe.

Some folks get so mad at their officials they threaten to vote.

Open House Pleases Visitors

"They Came, They Saw, They Were Pleased" were the remarks made by Alois A. Ghesquiere, Grosse Pointe Woods president, following the Open House at the Village Saturday and Sunday.

Hundreds of residents visited our new police and fire department quarters and the remodeled municipal offices," he said.

Drawing major interest was the fire department's new \$20,000 fire pump engine, rated one of the best in the nation, according to the Village executive.

Wives of Woods' officials and the clerk's staff served refreshments.

TO THE EDITOR:
It has been called to our attention by several residents of Grosse Pointe that it is the intention of the Park Planning Commission to have the large elms on the southeast corner of the grounds of the Grosse Park Municipal Building cut down for commercial reasons. We sincerely hope that you will reconsider this matter and that you will not destroy these large, beautiful trees of many years growth which, with the care of tree experts, would add beauty to our city for many more years.

Very sincerely yours,
Mrs. Frederick G. Jones,
Chairman Civic Improvement Committee, Grosse Pointe Park Garden Club.

TO THE EDITOR:
Since I have been a former resident of Grosse Pointe Park, I wonder if it would be possible to receive the Grosse Pointe Review weekly, at my residence. Being in that community for about 21 years, you can see I would like to be kept up to date with the local news. In the past we have always received your newspaper, and have found it most interesting to read, and also I have had several excellent results from your want-ad listings, especially when the time came for me to sell all our household furnishings.

We are now down in the sunny south and just love it. Oh yes, one thing more, we are now the new owners of the New Yorker Apts. on Hollywood Beach, Florida, and I hope some day we shall see a familiar Grosse Pointer relaxing in our patio.

In closing, I want you to know again, it was a pleasure to be served by the Grosse Pointe Review.

Very sincerely yours,
Justine A. Graham

Kiwanis Kiddies Karnival To Be Held at Woods Theatre

All children under 12 years of age and their mothers are invited to attend the annual Grosse Pointe Kiwanis Kiddies Karnival at Woods Theatre Thursday, Dec. 29, at 2:30 p.m.

The program will include several movie cartoons and will feature clown cyclist Don Adam and his broken bicycle act.

Werner Von Allman, chairman, announced that there will be no admission charge. He said each child will receive a small gift.

Paul Deeley has arranged transportation for boys and girls from the Protestant Children's Home.

The party offered by the Kiwanis is in cooperation with James Eason, manager of Woods Theatre, and Earl J. Hudson of the United Detroit Theatres.

3 Get Awards From Firemen

Three persons received awards at the Grosse Pointe Park Fire Fighters Association's benefit party for giving the best answers to the question, "What Is the Purpose of Fire Prevention Week."

The winners were Maryellen Newell of 566 Barrington, she received a new television set; Mary Marcic, 1091 Lakepointe, she earned a Nesco Roaster, and Joe Ort of Detroit received a Sun Beam mixer.

Proceeds were placed in the Firemen's Benefit Fund.

Fence Needed

A cyclone wire fence will be erected at Grosse Pointe High School's driveway entrance on Fisher road.

Lakefront Rink Ready For Use

The swimming pool at Woods Lakefront Park has been prepared for ice skating and is ready for use as soon as weather permits.

Signs will be posted at the park entrance announcing skating conditions.

GLORIA LYNCH

Aviation Folks Aid Injured Girl Flyer

Several local air-minded citizens are members of the anonymous committee aiding in the Gloria Lynch Merry Christmas Fund for the benefit of the diminutive girl flyer who was seriously injured in a crash as she was finishing her act August 28, at a Flint air show.

Gloria has been in a cast ever since, has lost one foot to date and the committee is seeking to help in the cost of the expensive hospitalization which has been high and will continue to mount in the coming months. The little aviatrix came home from the hospital November 1 but will return after the holidays to have the cast removed when it will be decided what her future condition will be.

The committee is made up of nearly 100 aviation folks who are seeking no publicity for their efforts and are giving no publicity to the donors. All checks should be made out to the "Gloria Lynch Merry Christmas Fund" and mailed directly to the National Bank of Detroit. No expenses will be deducted from the amount so that the bank can turn over every dollar to Gloria and her parents Mr. and Mrs. Dewey Lynch, 6410 Ternes Ave., Dearborn, just before Christmas.

If your broom has become a little limp, dip it in a pail of boiling soda water and dry it in the sun.

Yuletide Program Planned At Neighborhood Club

The Christmas Spirit is permeating into the Neighborhood Club Activities with all groups and classes taking part in some form of Christmas doing, giving or celebrating.

The Owls Club, the Grosse Pointe Athletic Club, and some of the girls from the Women's Hobby Club are going to extend their greetings by caroling throughout the Community on Friday night, Dec. 23.

Then for the Children's Christmas Party, also Friday, Dec. 23, the Tap Classes are presenting specialty tap numbers—there will be movies and Christmas Caroling for all. This party is open to all boys and girls of the Community.

The Old Timers will also have their Christmas Party on Friday, Dec. 23 from 2-5 p.m.

The big weekly Theater Party will be held Friday at 7 p.m. at the Neighborhood Club. These

parties feature a boy scout moving picture plus cartoons and contests for audience participation. All children are welcome.

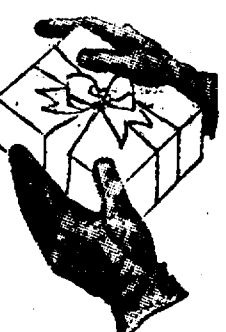

Remove Ink Stains Advise Offered

"How can I remove ink stains from the children's clothing?" homemakers often ask Emma DuBord, home demonstration agent. Since writing inks contain different ingredients, it is impossible to find removers that are equally effective for all types of ink spots, Emma DuBord explains. Begins with the simplest and least harmful method in case you need to try several methods before you are successful. If the stain is on non-washable fabric and is still wet, it should be covered with cornmeal, corn starch or talcum powder to remove excess ink and to keep the spot from spreading. Place a blotter or paper towel under the stain and work the powder into the spot until soiled and then repeat. When dry powder will no longer absorb ink, it should be made into a paste with water or with a mixture of one part water and one part alcohol and applied again. After it dries, it should be brushed off. To remove an ink stain on washable material, the homemaker might apply glycerine or one of the soapless shampoos on the fresh stain. Rub the stain lightly between your hands, rinse the fabric in clear water, and apply glycerine again as long as any ink comes from the stain.

Center Announces Program For 20-30 Age Group

The Memorial Center will be the setting for several more activities of the 20-30 age group (including the young married) this year.

Friday, December 16, at 8:00 p.m. there will be square dancing for this group with Mr. and Mrs. Charles Delbridge providing the records and calls. "Speed" Rutter is the chairman of this informal evening of fun. Some of those assisting "Speed," are George Gerow, Joyce Bowen, Carol Sanford and Joan Sichelstepel.

will be held at the Center on Friday evening, December 23. This event will honor Grosse Pointe's college-going adults and their friends.

New Year's Eve there will be a semi-formal dance from 9:30 p.m. to 2:00 a.m. Midnight supper will be served.

Check Your Sewing Machine

Do you know how to check your sewing machine so that it will sew perfectly when you start out on a new piece of material? Always practice first on a scrap of the fabric to set the tension and length of stitch just right. Fold the test material and sew on the straight of the grain. Then examine the stitch carefully on both sides of the material, suggests Emma DuBord, home demonstration agent. If the stitch is not the same on both sides, the tension must be adjusted. Remember that it is easier to adjust the upper tension than the lower one. If the stitching is flat on the top—loops of bobbin thread showing and the top thread straight—the upper tension is too tight. Loosen it by turning the screw so that it is further out from the head of the machine. Repeat the test until the stitch is correct. If the stitching is flat on the bottom—loops of the upper thread showing and the lower or bobbin thread straight—the upper tension is too loose and should be tightened. Tighten the tension by turning the screw so that it is closer to the machine head. Good stitching means serviceable and good looking garments. If tensions are unbalanced, seams tend to pucker or draw, causing stitches to break.

Predicts Drop In Living Cost

Good news while you're worrying about that Christmas tree spending is that signs point to a moderate drop in the cost of family living during 1950. It is expected that the drop will be less than in the farm income.

Planned spending will pay dividends advice Lucile Ketchum, extension home management specialist at Michigan State College. It may be the time to buy needed equipment but not the time to go heavily into debt.

In spite of bumper crops, the cost of the weekly food supply won't change much. Pork and poultry will be among the less expensive meats. Most cuts of beef will be high. Egg prices will drop some and are not expected to go as high as last year's peaks. Fruit is plentiful and more reasonable than a year ago except for citrus fruits. Farm families will do well to produce their own food supply.

Clothing prices are expected to continue their gradual downward trend. The greatest drop has been in piece goods. Nylon and some kinds of rayon lingerie are up in price. Shoe prices are expected to advance. Men's clothing has dropped considerably. Some dealers forecast a break in the price of women's coats and suits.

Large stocks of washing machines, ranges, and radios have been built up. There was a general price cut in 1949. Prices of deluxe models are most likely to be cut because homemakers are economizing by buying standard models, which usually are the same in basic design and construction.

There is an over-supply of small equipment such as toasters, irons, coffee makers and equipment for various specialized jobs. Some of these pieces get into the gadget class and definitely would be luxury items.

December 25 was decreed as the date of Christ's nativity by the Roman emperor Julian who began his reign as a Christian, but reverted to paganism before his death.

Nearly 2,000 species of plants yield fibers useful to man.

December 24, he received from the pastor of one of Cleveland's older churches the present of a new tree. Rev. Schwan realized immediately that

AT MOTHER'S CLUB TEA

Among the members who took part in festivities at Grosse Pointe High School Mothers Club Annual Christmas Tea at the school last Thursday were Mrs. Charles B. Lord, left, past president; and Mrs. Harold S. Davis, president.

98 Years Ago A Lutheran Pastor Set Up the First Tree In Church

December 24 this year, the tradition of the Christmas tree in American church services will be 98 years old—for it was back in 1851 that a Lutheran minister in Cleveland, Ohio, lighted the first tree at such services.

The minister was the Rev. Henry Schwan, pastor of the Zion Lutheran Church on Cleveland's York street and his action brought on a storm of controversy which lasted several years. This was caused by the fact that the Christmas tree had so long been associated with pagan observance of the season that many conservatives believed it had no place in Christian ceremonies.

However, some of Rev. Schwan's congregation, especially the children, thought the beautifully decorated tree, glowing with candles, was just the spirit of the Christmas season.

But the objectors had their way and they were determined that Rev. Schwan's tree was to be the last of the Christmas trees erected in America.

Through the years that followed, the minister did all in his power to learn of the origins of the Christmas tree tradition in order that he might show that the tradition was far from the "heathen" ceremony it had been called.

He wrote countless letters to friends and acquaintances all over the world; he questioned strangers and made long notes of their conversations. And, when he learned that a particular part of the world already had Christmas trees, he would mark that place on a large map which hung in his study—a dark green tree where the tradition was established, a light green one where Christmas trees, at least were known.

Pastor Schwan made his search for knowledge of the Christmas tree almost a crusade.

But as Christmas time approached in 1852, Rev. Schwan had not found enough church support for the tradition to light another tree at his Christmas service that year. So, with great regret, he resigned himself to the end of his hope of establishing the custom.

But on December 24, he received from the pastor of one of Cleveland's older churches the present of a new tree. Rev. Schwan realized immediately that

the present meant the acceptance of the custom by a churchman far more influential than himself, and his sadness vanished.

There was a Christmas tree in the York street Zion Lutheran church that year—and once accepted in Cleveland, the custom spread all over the United States.

York street where Pastor Schwan's church once stood is changed now and long ago was renamed Hamilton avenue; and the first tree, decorated with candles and a gold star at its top, has given way to trees with brighter, more colorful decorations.

But the tradition of erecting and lighting Christmas trees, which is observed throughout the nation, is the same tradition which Pastor Schwan introduced to this country in the town of Cleveland nearly 100 years ago.

Talk to Baby and Avoid Baby Talk

By ELLEEN McGILL
Baby may not join the literary club, but at 10 or 11 months he can learn a great deal by hearing mother read from her favorite book or magazine.

Speech development is considered of great importance in the forming of a child's personality.

A baby first utters meaningless sounds, distinct from cries, when he is about two or three months old. This gives him practice in vocalizing various sounds, and should be encouraged according to child care specialists at Mercy College.

If a mother responds with laughter and soft, affectionate words the child will be stimulated to prolong this activity. He will develop more rapidly than if ignored.

These sounds form the basis for intelligible speech. But the inarticulate syllables which a young baby employs are not "baby talk." Baby talk means the distorted use of words imitating a young child's imperfect speech.

Since the ultimate purpose is to teach the child correct pronunciation, baby talk is definitely harmful. Parents should not use it and should discourage its use by others when addressing the baby.

At the age of twelve months the child will pronounce a word or two, and will then develop slowly until at four years almost all of his speech is intelligible.

Parents should insist, from the earliest years, on correct pronunciation of all words used, and without being overexact, should check carefully to see that these words are properly enunciated.

By careful study, Mercy College sociology classes have learned that if a mother will set aside one-half hour each day, and read aloud by the baby's bed, the child will become accustomed to the various sounds and before long will be repeating the words read by his mother.

Reading aloud has a two-fold purpose:
1) Mother will be relaxing and at the same time deriving recreation from her reading;
2) the child learns new words without strenuous effort by the parent or the child.

The father and mother should both exercise care in their own speech. There should be no slurring of syllables or dropping of endings.

The best way to teach a child is through good example. It is, as any parent can testify whose child has shocked the bridge club man otherwise bright and sunny day, quite surprising what the little dears can pick up.

NEW BRIDE

Naomi Lange Sherwood, daughter of Mr. and Mrs. David Sherwood of 929 Balfour, recently became the bride of Alec Taylor, son of Mr. and Mrs. Arthur W. Taylor of Leeds, England. The marriage vows were spoken before the Rev. Dr. Allen Andrew Zau in the Jefferson Avenue Presbyterian Church in Detroit. They will reside at Troy, Ohio.

Church Plans Annual Party for Kiddies
The Grosse Pointe Methodist Church will hold its annual Christmas party Sunday, December 18, from 4 till 5:30 in the Kerby School.

This party, sponsored by the church school, will feature a playlet entitled "The Spirit of Christmas" in which all of the youth and children of the church will participate. There will be a gift treat for each child from Santa Claus. The Woman's Society will provide refreshments for the adults.

Mrs. F. H. Brown is in charge of the occasion. She will be assisted by the officers and teachers of the church school. All, who are members or friends of The Grosse Pointe Methodist Church, are cordially invited to attend.

Millin Pupils Depict "First Christmas"
The children of the Millin School will entertain their parents and friends by presenting "The First Christmas" in pantomime, song and story, Wednesday December 21, at 10:15 a. m. at the Civic Center, 24800 Jefferson, St. Clair Shores.

The story will be told by Jonathan Howard and Graceanna Suits. The leading parts will be played by Lynn Olson as Mary and James Meech as Joseph.

Candlelight Program
On Sunday, December 18 at 8:00 p.m. the annual candle light and Christmas carol service will be conducted at Martin Luther Lutheran Church, Mack at Pennsylvania. Special feature of the program will be the violin soloist, Mr. Charles Tregnor. Clarence Nagel, organist-choir director of the church will conduct the program. The Rev. William Krause, pastor, will conduct verses and deliver a Christmas meditation. A social hour will follow in the church parlors and a movie, "The Christ Child of Bethlehem" will be shown.

Naturalized Citizen, That's Our Santa
Santa Claus as Americans know him is a naturalized American citizen, and as such is America's contribution to the Christmas legend. That's the opinion of Dr. Gustav O. Arlt of the department of Germanic languages on the University of California.

"The Norwegians who settled early in America brought the first version of the modern Santa Claus, who in Europe has been known as St. Nicholas, but never adequately personally described," said Dr. Arlt.

"When the American Clement Moore described the jolly, round gentleman in minute detail in his poem "Twas the Night Before Christmas," he assumed the proportion of living legend and thus became an integral part of the Christian legend and folklore," the professor stated.

Color Film Shown

Action-packed color motion pictures of "Primitive Tribes of Darkest Africa," containing the only sequences ever filmed of the secret "coming of age" ceremonies of the Bavenda and Zulu maidens, will be shown in a World Adventure Series public lecture at 3:30 next Sunday afternoon, Dec. 18, at the Detroit Institute of Arts.

Plans Announced for Eastern High 50th Anniversary

The committee formed last week to arrange a program commemorating the 50th Anniversary of Eastern High school announces that plans have been completed and what is hoped will be the largest school reunion ever held in Detroit.

The Golden Anniversary Celebration will be held at Eastern from 8 p.m. to 12 p.m. Saturday, January 14. Tickets will go on sale next week at several East Side merchants and the Eastern Book Store. All proceeds above expenses will go to the Eastern Scholarship Fund.

Activity for a full evening's entertainment makes up the program, but emphasis is being placed on the many class reunions which will be held during the celebration. Members of each Eastern's 102 graduating classes will have a special time to place to renew friendships with old classmates, with the old classes meeting in the early part of the evening. The reunion schedule will be announced later.

Alumni Meets

The annual meeting of the Capital University Alumni Association will be held Tuesday, December 27 at 8:00 p.m. at Faith Lutheran Church, East Jefferson and Philip. The program for the evening will be a panel discussion on the subject, "Capital University in My Day." The moderator will be the Rev. Dr. Norman A. Mentere, president of the Michigan District of the Lutheran Church.

Bowser's Come'n Go

After spending a few weeks with their parents, Mr. and Mrs. E. Bowser of 1386 Whittier, Mrs. Robert V. Smith, the former Betty Ann Bowser, and her brother Robert left for out-state destinations.

Mrs. Smith, accompanied by her two young daughters, left to join her husband at New Haven, Conn., where he is employed. Robert departed for Bell, California. He is associated with a star firm there.

WINTER FLOWERS More Intimate

EVERYBODY ASKS: "What holds it up?" Transparent scotch tape, of course, and it's the newest holiday fad for strapless occasions, according to expert Alya Wayne of Florists' Telegraph Delivery Assn. He illustrates here with a classic orchid "skin corsage," plus matching hairpiece of sweet peas—both brightened by red berries and tiny silver bells.

For the house, it depends on how you "deck the halls" with ivy to obtain a really gay holiday atmosphere. Here's a new hallway idea by FTD's design chief, using English ivy, white carnations, pine cones and a winsome snowman of styrofoam.

New Dry-Clean Process Offered to Pointe Area

After more than four years of laboratory testing a new dry-cleaning process called Life-Tone will make its bow this week, for the first time anywhere in the world, to East Side Detroit.

Developed by an East Side resident, who is chief research chemist for one of Detroit's major industries, the Life-Tone Process is reported to get woolen clothes cleaner than ever before with dry-cleaning. As well as removing dirt, grime, and stains which other methods may fail to eliminate, the new process brings original colors and shadings back to life, and restores the softness and pliability of garments which they possessed when new, according to Don Meier, who is in charge of operations at Bulova Cleaners, 12430 Morang, Detroit, where Life-Tone is being introduced.

Bulova Cleaners will, at all times be the only plant offering Life-Tone Cleaning on the East Side. Plans, however, call for the licensing of exclusive Life-Tone franchises throughout the country.

"Despite the proved superiority of Life-Tone Cleaning, and its ability to make old clothes look and feel like new," said Meier, "it will cost no more than other dry-cleaning processes, as far as the retail customer is concerned."

Pastors Elect Staff

The Rev. Edwin H. Dodd, pastor of St. Luke's Lutheran Church, Seminole and Kercheval, has been elected president of the National Lutheran Council Pastors Association of Greater Detroit. Pastor Dodd is a graduate of Capital University, Columbus, Ohio, and the Lutheran Theological Seminary there. He has served pastorates in Ida and Whiteford Center, Michigan, before coming to St. Luke's Church in 1941.

Other officers of the association are the Rev. A. H. Peffly, Gethsemane Lutheran Church, East Detroit and the Rev. J. Earl Spaid, Mission Developer, Michigan Synod, United Lutheran Church in America. Vice Presidents: Rev. M. C. Hagedorn, Northwest Trinity, Treasurer and Rev. William Schaffer, Advent Church, Secretary.

Mrs. K. P. Locke will give a reading, "The Littlest Angel." Exchange of gifts will follow the program.

Mrs. C. W. Rinker and Mrs. J. A. Rowan will act as hostesses.

Yale Alumni Auxiliary Formed to Aid Chapter

A committee of wives of Yale Alumni has recently been formed to aid the work of the Yale Alumni Association of Michigan in raising scholarship funds. They have organized just in time to assist with plans and ticket-selling for the Association's third annual Christmas dance which will be held this year on Friday evening, December 23, at the Country Club of Detroit, from 9:30 until 1:30 a.m. Yale wives who are on this committee include, so far, Mrs. Joseph G. Standart, Jr., Mrs. George B. Hefferan, Mrs. H. Hunter Williams, Mrs. Courtney B. Rankin, Mrs. J. O. Wardell, Mrs. Thomas C. Tilley, Mrs. Frederick C. Ford, Jr., Mrs. Walter Buhl Ford, Mrs. Alexander Wiener, and Mrs. William G. Lerchen, Jr., all of whom are pushing ticket sales, along with Chairman of the entertainment committee, Joseph G. Standart, Jr., and his committee members, Frederick C. Ford, Jr., Walter Buhl Ford, and J. O. Wardwell.

Many parties are being planned to precede the dance, and a subscription dinner at the Country Club. Mr. and Mrs. Standart will entertain at cocktails in their home on Ridge Rd., for members of the committee and other friends, including Mr. and Mrs. Ledyard Mitchell, Jr., Mr. and Mrs. E. Meade Baker, Mr. and Mrs. Richard M. Kimbrough will be entertaining Mr. and Mrs. Leslie P. McDougal, Mr. and Mrs. Charles Johnson, Mr. and Mrs. Henry B. Kinzie, and Mr. and Mrs. William Delbridge. The Courtney Rankins will be attending the dance with Mr. and Mrs. C. Brooks Begg, Mr. and Mrs. William G. Lerchen, Jr., and Mr. and Mrs. Robert Semple.

Mr. and Mrs. George Hefferan and Mr. and Mrs. H. Hunter Williams are going to entertain at a large cocktail party that evening at the Hefferan's home on Merriweather Rd., before going on to the subscription dinner at the Club.

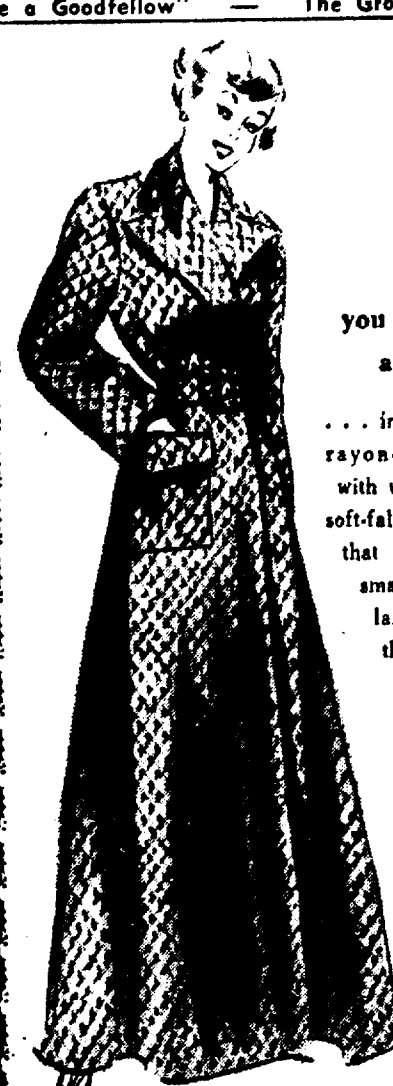

The Yale Christmas dance has come to be a traditional feature of the holiday season. The success of the dances and of the occasional visits of the Yale Glee Club to Detroit, has resulted in the formation of a most effective scholarship fund which enables outstanding Michigan boys to attend Yale University.

Featured entertainment at the dance this year will be songs and harmonies sung by a local men's choral group known as the "Grunyons." Dance music will be provided by Jack Rosevear's orchestra.

Tuberculosis kills nearly 1,000 Americans a week, 125 a day. It kills at the rate of one person every 11 minutes.

Other officers of the association are the Rev. A. H. Peffly, Gethsemane Lutheran Church, East Detroit and the Rev. J. Earl Spaid, Mission Developer, Michigan Synod, United Lutheran Church in America. Vice Presidents: Rev. M. C. Hagedorn, Northwest Trinity, Treasurer and Rev. William Schaffer, Advent Church, Secretary.

Druids First to Use "Magic" of Mistletoe

The greens which are used for Christmas decorations found their way into early festivities because of certain virtues attributed to them by the ancients, and many of them which adorned pagan seasonal rites were later taken over to grace the ceremonies and celebrations of Christmas Day.

In both England and America, the holly and the mistletoe are associated with Christmas as invariably as are the plum pudding and Christmas tree.

It was the Druids who first used the mistletoe. "Heal-all" was their name for it. The plant was supposed to have curative values, and gradually they assigned to it all manner of magic powers.

Their priests, each year around the time when we now celebrate Christmas, would have high platforms built around the sacred oak trees, which, in a manner of speaking, were "hosts" to the mistletoe. Robed in ceremonial vestments of white, they ascended these platforms, and with golden sickles especially made for the solemn occasion they cut away the mistletoe.

The Saxons also prized it and it was they who gave to it the name of mistletoe.

Eventually the green came to be regarded as a symbol of peace. Opposing warriors who met near it would call a truce, and it was customary to hang it over the entrance doors so that they who entered might be assured of friendship.

UNSUNG AIRLIFT IS AVIATION'S FIRST

Stewart tribesman with spear is typical New Guinea native.

THE Berlin airlift is history now, but down in the wilds of New Guinea tramp airplanes and commercial craft alike continue the first big airlift in aviation history. For more than 20 years the world's gamut flyers have been to New Guinea what the merchant ships were to the 19th century world. Since the early 1920s, when an adventurous Australian prospector named "Shark-eye" Park found gold on the Bulolo, air transport has been New Guinea's essential lifeline. The wettest spot on the globe for its size, New Guinea's 312,000 square miles of almost roadless swamp, jungle and mountain depend on air transport for civilization. Were it not for the airplane, the Bulolo goldfields would never have been developed into a business worth \$8,000,000 annually.

Church Plans Yuletide Rites

The Jefferson Avenue Baptist Church at Jefferson and Lakeview announces special services during the Christmas season. On Sunday evening, December 18 at 6:30 the Combined Chancel and Young People's Choirs will present Christmas portions of "The Messiah." Soloists are Henry Patconer, Harold Jinks, Phyllis Waterbury and Grace Eakes. Mrs. Grace Samson is organist and director. On Christmas Sunday at six thirty in the evening the four choirs will present their traditional Christmas Candelight Service. This is a service of carols and anthems based on the theme "As it Fell Upon a Night." The Balcony Choir will be a feature of this service and Barbara Krakel will be soloist at the manger scene. At the Christmas morning service at eleven the Combined Choirs will sing Christmas Festival Music, "Bethlehem" by Goldsworthy, "Come Thou Long Expected Jesus" arranged by Cain and "Let All Mortal Flesh Keep Silence" by Hopkins. We invite all friends in the community to fellowship with us in these services two of which are at the convenient vesper hour of six thirty.

200 Small Fry at Annual Yacht Club Xmas Party

More than 200 letters to Santa Claus received a verbal backing-up from their authors at Grosse Pointe Yacht Club's annual Children's Christmas party Saturday afternoon. Santa himself was enthroned beside the great Christmas tree in the Club's main lounge and was kept busy chatting with the youngsters all during the party. Competing with him for the children's interest was a special western floorshow, featuring a trained horse, a lariat artist and a trick rifle shooting. There was a present for every little boy and girl and the whole glorious affair was topped off with ice cream and cookies. Mrs. John R. Sutton Jr. and Mrs. C. E. Bleicher officiated at the long tea table set for the mothers and grandmothers. Relieving them later were Mrs. Victor L. Graf and Mrs. Anthony R. Moschall. A winter scene, created with evergreen boughs, tiny reindeer and touches of silver and gold centered the table. Mrs. Clarence E. Maguire, who was chairman of the event, brought her daughter, Lorna Claire. Her assistants and their children included Mrs. Elmer Benzin, Joanne and Carolyn; Mrs. Kent A. Zimmerman with Mary, Kent, Betty Jane, Bonnie and Butch; Mrs. Ted A. Jacob, Ted Jr. and Karen; Mrs. Richard Degener and Sally; Mrs. Met-schall with Cissie and the twins, Billy and Tony; Mrs. Rex Regan with Sheila and John; and Mrs. Graf with son Vicky.

Brown Opens Insurance Agency Here

Max Frederick Brown of Somerset road, announces the new location of his Pointe Insurance Agency at 15110 Kercheval Avenue. The new office will be open for business after December 19 and will provide insurance and bonding service.

Mr. Brown, a resident of Grosse Pointe for the past four years, is a graduate of Albion College, the University of Michigan and the Wayne University Law School. He is a member of the Sigma Chi fraternity and a member of that group's Detroit Alumni organization. He is also a member of the State Bar Association of Michigan and a member of the Business and Professional Men's Post No. 372 of the American Legion.

Mr. Brown was formerly with the Andrew L. Malott Co., mortgage correspondents, and the sales department of the Detroit Edison Co. He is a veteran of five years service in World War II, when he was in the Counter-Intelligence Service and attached to Army Air Forces.

He will represent Detroit Fire and Marine Ins. Co., Great American Indemnity Co., Continental Companies, National Union Fire Ins. Co. of Pittsburgh, Minneapolis Fire and Marine Ins. Co., and the Seaboard Surety Co.

He is married and the father of two small daughters.

Correction

Due to an erroneous Baha's publicity release, it was reported last week that Mildred Wallace, of 21028 Hunt Club Drive, young pianist, was 16 years of age and studying for her bachelor's degree at the Detroit Conservatory of Music.

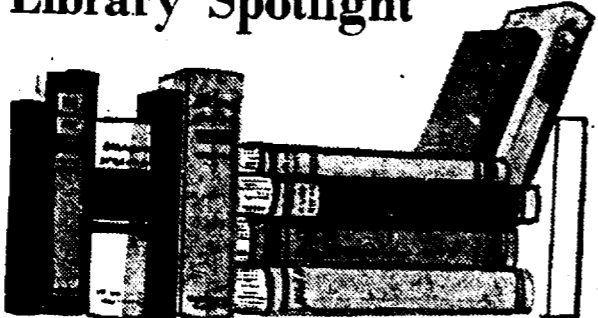

Actually, Miss Wallace is 22 years of age. She is studying for her master's degree at that conservatory. She received her bachelor's degree last May.

The Review regrets the error.

Library Spotlight

By JEAN TAYLOR
of the Grosse Pointe
Public Library Staff

Many who say the play, "Anne of a Thousand Days," at the Cass theatre recently, eager to refresh their memories on that period of English history, have caused our books on Henry the Eighth and his times to get a thorough dusting off. If, like the distracted centepede in the ditch, you fail to remember which wife comes after which, we recommend these titles.

Henry the Eighth by Francis Hackett: A rounded portrait of the lusty monarch and his wives.

My Lady of Cleves by Margaret Campbell Barnes: The story of Henry Eighth's fourth wife and the court life she led in the turbulent Tudor period.

Queen Anne Boleyn by Francis Hackett: The dramatic story of Anne Boleyn, who worked ruthlessly for her own ends and succeeded in becoming the wife of Henry Eighth and the mother of Elizabeth; only to lose her head on the block.

Blanket of the Dark by John Buchan: A novel of Henry the Eighth's time in which the King himself figures. A ragged Oxford scholar is the center of the picture.

Windsor Castle by William Ainsworth: Written almost a century ago, this historical romance deals with the period of Anne Boleyn's triumph and downfall.

The old parlor game—What ten books would you take to a desert island?—springs up every now and then in a new guise. Desert island or no, we hope we'll never have to pare our library down to ten. If we do,

Somerset Maugham has some suggestions. Of the ten best novels in world literature, Maugham chose three from France, two from Russia, one from America and four from England. This list was published almost two years ago but we have had several requests for it, so here it is.

Madame Bovary by Gustave Flaubert.

Tom Jones by Henry Fielding.

Wuthering Heights by Emily Bronte.

Brothers Karamazov by Fedor Dostoevski.

The Red and the Black by Stendhal.

Pride and Prejudice by Jane Austen.

Boby Dick by Herman Melville.

Perce Goriot by Honore de Balzac.

David Copperfield by Charles Dickens.

War and Peace by Leo Tolstol.

WHO'S WHO IN YOUR LIBRARY

Anne Studnicka is assistant librarian at the City Branch. With a pronounced artistic flare, Miss Studnicka plans and arranges all displays and poster publicity throughout the library system.

After obtaining her B. S. degree at the University of Minnesota, Anne worked for a time as a school librarian in Indiana. Four years ago she renounced the school field to join the staff of the Grosse Pointe Public Library. Keenly interested in social problems, Miss Studnicka is a firm believer in democracy in action. She likes to do her own thinking and has little patience with warmed over ideas. This, combined with her ability to see the humorous side of every situation, makes her a stimulating person with whom to work.

Ten-year-old Jimmie Arnold left the library with the book "How to Fix Your Bike" under his arm and a smile that, like the parsee's in Kipling's tale, "ran all round his face two times." The reason? Jimmie's parents have promised him a bicycle if he can convince them he knows how to take care of one. He has already earned much of the money toward it. A few days later he returned to show us his "thesis," some of it culled from the book and some ideas taken straight from his own small head. It was a neatly typed job that would have done credit to a twelfth grader. Nice going Jimmie! If there are any bike priorities, we hope your name heads the list.

Coal sometimes ignites spontaneously in a shaft, the phenomenon being called a "gob fire".

O'Brien Seeks Loitering Restriction

Detroit's present city ordinance prohibiting loitering actually protects against arrest potential gangsters who haunt bowling alleys, poolrooms and hamburger drive-ins, Wayne County Prosecutor Gerald K. O'Brien told Common Council this week.

As the ordinance is now written, Prosecutor O'Brien wrote Common Council, it prevents a policeman in the City of Detroit from arresting an offender without a warrant, unless the policeman sees the person commit a breach of peace.

Occasion for Prosecutor O'Brien's letter to Common Council was the dismissal in Recorder's Court of a case against a youth who beat up a Detroit policeman attempting to arrest him for loitering in front of a poolroom on the East Side.

The Recorder's Judge ruled that under the law the policeman had no right to arrest the youth because there had been no breach of the peace, even though in the ensuing struggle the policeman had to shoot him.

This struggle, the Judge ruled was not resisting an arrest because the policeman had no right

'Show Boat' To Open Opera Season On Xmas Night

"Show Boat," Civic Light Opera's opening production of the ten week season, starts Christmas night at Masonic Temple for a week's engagement.

The cast of stars appears to be the most competent ever assembled here for the perennial Jerome Kern-Oscar Hammerstein favorite.

Many of the stars join the Civic Light Opera direct from Broadway or national roadshow companies.

The casts is headed by Ralph Dumke, the former radio star and veteran actor, who plays

to arrest the youth in the first place, since he had not seen the youth commit a breach of peace.

"This creates a great handicap to police officers in their efforts to break up the youthful crime-breeding gangs which congregate in public places," Prosecutor O'Brien wrote.

"I am bringing this information to your attention so that your honorable body may take any steps you deem necessary in assisting law enforcement agencies in stamping out these youthful gangs which plague our city and at the same time protect the rights and privileges of all good citizens."

Quite A Traveler 300 Attend Scouts Dinner

The arctic tern, a sea bird which breeds on the seacoasts from New England to the northernmost islands of the Arctic Ocean, has been called the "migration champion of the world." The World Book Encyclopedia tells us that this long-distance traveler makes a flight of about 11,000 miles twice yearly.

Old time radio fans will remember that Dumke first became famous as one half of the "Sisters of the Skillet" team. Since those early days he has been a constant Broadway performer.

Melva Niles, best known on Broadway for her role as Nina in "Song of Norway," play Magnolia, the part made famous by Norma Terris when "Show Boat" made its debut Dec. 27, 1927 at the Ziegfeld Theatre in New York.

Terry Saunders, another young rapidly rising Broadway star, makes her debut in Civic Light Opera as Julie, Helen Morgan's original role.

Earle MacVeigh, one of Civic's top baritones, will do the part of Gaylord, comedian Jack Goode is set as Frank, and Billie Worth and Donald Burr, last seen here in the road show company of "Annie Get Your Gun," will handle the parts of Ellie and Steve.

Le Verne Hutcherson, who scored last season in "Carmen Jones," will be seen as "Joe."

Scouts Dinner

About 300 persons attended Grosse Pointe Woods Sea Scout Ship 690 Spaghetti Dinner at son School.

Grosse Pointe Kiwanis, sponsors of the Scout Ship, cooperated to make the dinner a success.

They arranged for a program of entertainment with President Marshall James acting as master of ceremonies.

The Sea Scouts gave a demonstration in precision marching and drills.

Proceeds will be used to chase a new boat.

"Be a Goodfellow" — The Grosse Pointe Review — 11

VETERAN CAMPAIGNERS

First Goodfellow Newsboys To Return for 21st Sale

The 21st Annual Goodfellows Day Sale of the Grosse Pointe Review, Monday, will see many of its original founders still selling the Review's special Goodfellows Day edition at their favorite corners to fulfill this year's goal.

While some of the founders have passed away since that first morning sale in 1929, their group will be well represented by such "oldtimers" as R. J. Barrett, Albert J. Garska, Hugo Blaser, Ludolph Kamischke, L. B. Oldham, publisher Grosse Pointe Review; Julius Nage, Walter Schweikart, Arthur Genich, William George Ellworthy, Dr. Derner Kersten, and Julius L. Berns, originator of the idea.

Mr. Berns was President of the Lions at that time, and knowing that there was a great deal of need in the community, he thought it would be fine if the Lions—as Grosse Pointe's first service club—were to be the Goodfellows of Grosse Pointe.

So, with the aid of all off-duty local police and firemen of all the Grosse Pointe villages, these "Old Newsboys" arose at the crack of dawn to sell their neighbors the special Goodfellows Day edition of the Review on corners and house-to-house canvassing close to \$2,000 for their fund.

Many of them may still recall the hearty response of the Grosse Pointers provided them with an amount far beyond their goal, and how they have continued to do so all the years until the \$7,000 received last year marked it as the best year on record.

But the Grosse Pointe Goodfellows did not stop their bountiful giving after Christmas was over. They reasoned that, while many folks are charitable during the holiday season, the poor folk couldn't stretch the Christmas merriment and gifts to last far into the year.

Therefore they formulated their all year around goodwill program which not only included distribution of complete Christmas dinner baskets on Christmas eve with the Toy Club's gift to the youngsters, but also providing the necessities of life to any of the needy recommended by local agencies throughout the year.

With the amount of proceeds remaining after the Christmas baskets are purchased, they provide glasses for needy children, as well as food, clothing, fuel, medical care, care for the blind and donations to the leader-dog fund.

On several occasions they have presented the Safety Patrol Boys with complete rubberized hat-at-boots ensembles.

"We're still going to continue the same program that we laid down in the past years," said Carl Schweikart, who is serving as chairman for his sixth year, assisted by Dr. Werner Kersten and James McNally. While Mr. Schweikart considers the need not as great as in other years, he believes the higher cost of living

will cause the total effect to be the same.

And, as in the past, after the Sale is finished at noon, all the Newsboys will meet for the traditional luncheon which will be held this year at the Detroit Turners, on E. Jefferson. Chairman Philip Skillman is planning special entertainment.

Faces Deportation, Attempts Suicide

A despondent alien facing deportation attempted to take his life with an overdose of sleeping pills, Saturday.

Park Police said they found Lee Chong, 48, at his room at 15412 Mack unconscious. He was rushed to Receiving Hospital in critical condition.

He recovered, however, and was released Monday.

Police said that Chong was once a co-owner of Burma Road Inn on Mack avenue.

Four Vets Join Park Police Force

Four men, all veterans and village residents, will be added to the Park Police Department on Friday. They are Alfred Martin, Jr., Lawrence Cools, Thomas Martin and Gordon J. Duncan, Jr.

Arthur Louwers, police chief, said the four had top ratings in mental and physical examinations.

Epstein Is Lions' Own Goodfellow

Alfred Epstein, president of the Pfeiffer Brewing Company, is more than just another member of the Grosse Pointe Lions.

In fact to borrow a term used often on Broadway, Mr. Epstein is the Lions' angel.

Last Thursday the executive was host to the Lions at a lavish dinner at his company's private dining room. Consequently the usual luncheon dues was placed into the Lions fund.

On Monday, Dec. 18, following the Goodfellows paper sale, the annual Lions party will be held at Detroit Turners, and the check will be picked up by 'Al.'

Talks on Cold War

Four lectures on The Cold War and You will be given by Dr. Scott Nearing, author and sociologist, in Danish Brotherhood Temple, West Forest near Twelfth, Friday through Sunday, Dec. 16-18.

The talks, for which there is no admission charge, are sponsored by the Detroit World Events Forum. Nearing has lectured annually in Detroit for 30 years.

FIRST JUDGE

J. Burgess Book

Ex-Naval officer, J. Burgess Book of 92 Mapleton is the City of Grosse Pointe Farms' first Justice of Peace. He defeated John J. Miller of 332 Moran, for the post at the special City Charter election Monday.

Rachel Crothers wrote a five-act melodrama at the age of 12.

Camera Club Holds Final '49 Meeting

Dr. Gordon Aldrich, president of the Grosse Pointe Camera Club, has arranged a program for Tuesday, Dec. 20, which will terminate the Club's activities for the current year.

The closing meeting will be in the form of an extravaganza Christmas party to which the members and their friends have been invited. The evening's entertainment will consist of presents, music, including singing, and other social affairs that promise to keep the interest of everyone. Following the entertainment part of the program, there will be refreshments.

On Tuesday, January 3, 1950, the Club will enter the new year with educational photographic programs for the members.

The Club holds its meeting at the Club rooms in the Neighborhood Club.

Historians estimate that gloves were in use 3,000 year ago.

THE WINNER

Auburn-haired Jackie Lee Barnes of Albuquerque, N. M., has been adjudged the most beautiful 15-year-old girl in America in a nationwide contest conducted by CBS "Lux Radio Theatre" in connection with the show's 15th Anniversary Season. This is the photograph that won Miss Barnes top honors.

Public School Enrollment Reaches 5,557

According to figures released by the Grosse Pointe Board of Education the total school enrollment in public schools as of November 25 is 5,577, an increase of 236 over last year.

The largest increase is shown in elementary schools where 3,387 are attending classes. This figure is 195 over the 1948 enrollment.

Pierce Junior High School's register of 749 is 71 above last year's enrollment.

The only drop in school enrollment here is recorded at Grosse Pointe High School where 1,441 are listed, 30 less than last year.

Help Veterans

Cub Master Anthony Manardo and his Cub Pack Five will give a Christmas party at the Mair School Thursday at 7:30 p.m. for children. Proceeds will be used to purchase gifts for veterans and underprivileged children.

Holzbaugh Keglers Upset Strong Auto Club Quintet

Many upsets occurred at the Woods Recreation last Friday. One of the biggest surprises of the current season was Earl Holzbaugh's sweep over the Auto Club, considered one of the strongest teams in the league. Frank Taylor, leadoff for Holzbaugh had a good series, 577 and Vandeveld, Auto Club, 551.

Motor City Tires scored a 4-point, bowling against Kopp's Pharmacy. Gerald Gallagher, one of the smoothest bowlers in the league, rattled off 227 and 209 for a 509 series. Bob Smith rolled 563, the same total he amassed the week before. Bill Kopp started off good but tapered off and wound up with 513.

The main event took place on alleys 5 and 6 where Farms Market and G. P. Review came to grips. Farms, leading the league by one point tried desperately to stave off the Scribes at tempt to unset them, failed in one of the most interesting battles staged thus far. Although it ended 3-1 in favor of the challengers, it was anything but lopsided. Taube and his team, Massell were in there all the time, Hassell turned in a fine 580 series for the losers, Peplinski, 560 for the winners.

Punch & Judy Cocktail Lounge and Houston Bros. Inc., could have stayed at home and watched television as far as results were concerned, they broke even. This is the seventh time this season the Judges have ended up this way with. They are very easy to get along with.

Harrison Carpets knocked off Middle Atl. Transp. Co. in the opener and it looked like another upset was in the making but the Hillclimbers breezed through the next two and took the series, 3-1. Monday Cleaners, holding a 4-0 win over Piches Barber Shop

earlier in the season, didn't find the Barbers in quite the same generous mood last Friday. The "whitecoats" anxious to get out of the cellar, gave the Fisher Road "spot-removers" a trimming they'll never forget. Monday could have used 3 or 4 points but the best they could do was win one.

Matches to watch to-morrow night will be the Farms-Holzbaugh fracas, both tied for second and only one point out of first. Kopp's, in the basement now, takes on the top team, G. P. Review and we are anxious to see how this one will turn out. Kopp's could win. Auto Club and P & J Lounge are matched and they will try to break their tie for 6th place. Motor City Tires will down Monday Cleaners, we think. Houston can win over Harrison and Piches may trouble the Middies. That's it.

Nay Splashes Blue Devils to Monroe Win

By JOHN DRAKE
Grosse Pointe High's all-star swimmer, Jerry Nay, paced the Blue Devil tankers to a thrilling four-point win over Monroe Tuesday.

The final score, as a result of the concluding 160-yard freestyle relay, was 44 to 40 for the Blue Devils. Jerry Nay cracked two tank records previously set by Bob Jenks in 1948. He bit a full 2.1 seconds off the 200-yard freestyle record by making the pace in 1:04.6. Just a few minutes later he shaved .4 of a second off Jenks' old 120-yard individual medley record of 1:16.7 to set his own mark of 1:16.3.

At the close of the 180-yard medley the Blue Devils were tied 36-36 with Monroe. The 160-yard relay was a toss-up until Hollingsworth of Monroe made a faulty turn near the end of the race.

The slow-up enabled Grosse Pointe to take a slight lead. Friesema swimming the last 40 yards barely managed to increase his margin to a three-foot winning lead.

The 8-4 point split-up of this race gave the Pointers just enough to edge Monroe out of the meet.

The Blue Devils will face Wyandotte here Friday, December 16, at 4:00 p.m. The Bears will offer an improved team over the one Grosse Pointe whipped last year, 50-34.

SUMMARY
40-Yard Freestyle: Morrin (M), O'Connell, Jennings (M). Time: 1:9.9.

100-Yard Breast Stroke: Nay, Wood (M), Leach. Time: 1:04.6.

200-Yard Freestyle: Hesse, Davenport (M), Barrett. Time: 2:13.0.

180-Yard Medley Relay: Monroe (Atkinson, Wood, Jennings), time 1:48.0.

160-Yard Freestyle Relay: Grosse Pointe (Rogers, Friesema, Richardson, Hinchman), time 1:22.7.

Local Student Wins Award at Mercersburg

George K. Hill, son of Mr. and Mrs. R. M. McCollom, 406 Fisher, received a class numeral in junior varsity football at the Mercersburg Academy, according to an announcement by Mr. Herbert M. Kempton, acting director of athletics and head football coach.

The award was made by the headmaster, Dr. Charles S. Tippetts, at an assembly of the school held recently. In making awards to several hundred boys the headmaster commented on the fine participation of the student body in fall-term athletics.

Riches to Rags

George Bryan Brummell, better known as Beau Brummell, reverses the saying "from rags to riches." According to the World Book Encyclopedia, Brummell set the styles for men's fashions and manners in England for twenty years but spent so much money for his fancy duds that he had to flee from England to France in 1816 to escape his creditors.

Pete Moors' Bowlers Post New Record

Pete Moors' broke the five-team deadlock for first place in the Grosse Pointe Businessmen's Bowling League by taking four points from Imperial Cleaners in last week's games at Maple Lane Recreation.

The victory included a 953 game for the Moors for a new season single's high mark. Ed Frahm posted a 585 series and Joe Higgins rolled 547 for three games for the winner.

Harold Benner bowled a 603 series for Imperial. Other four point winners were Cramer Electric and Janet's. Led by their sponsor, Henry Cramer who posted a 540 series, the Electricians trounced Mack-Nottingham. Janet's best Boutin's.

Men who posted games of 200 or better were:
Joe DeSchynck, 225; Harold Benner, 224; Joe Moors, 223; Bill Mertz, 211, 205; Richard Lundberg, 211; Ed Frahm, 211; Tom Kelley, 207; Ferman Howe, 204; Joe Higgins, 201 and Ernie Berne, 201.

Midget Mat Men Featured at Chesterfield

"Rough Rufus" Jones and "Gentleman Jim" Doble clash in one of two excellent main events at Chesterfield Arena's weekly Friday night wrestling shows. The arena is located at 10-Mile road and Gratiot and the program begins at 8:30 p.m. As would be indicated by their titles, each of these boys are of different temperaments and should produce a smashing battle.

Someone is going to be in for an exceedingly rough one hour when Johnny Roy tangles with the "Red Devil" in the other half of the main event.

As a special added attraction, Ken McCauley, promoter, announces he has signed two mighty midget, neither of whom weighs 100 lbs. Pee Wee James vs. Sky Low Low. Ted Marshall meets Jack Britton in the opener.

Announce Open House For Teen-Agers

The newly formed Youth Advisory Council of the War Memorial Board announces its Twilight Holiday Open House on December 27.

The party will be held at the War Memorial Center on Jefferson from 4 p.m. to 7 p.m. All Grosse Pointers of high school age, including 9th graders, are invited.

The doors will be open to stags, hags, and drags for all the Pointe schools. No admission charge will be made.

Highest Peak

Christmas Vespers On Pierce Stage

The music department of Pierce Junior High school under the direction of Gwendolyn Brockmiller will present its annual Christmas Vespers program Sunday, Dec. 18, at 4:00 p.m. in Pierce auditorium.

Approximately 250 voices will combine to sing the carols and musical selections which will accompany the various tableaux depicting the traditional story of the Nativity.

Solos and ensembles will be sung by Beverly Warren, Marilyn Knoch, Jeanne Newell, Irene Hendrykowsky, Frances Cowley, Tom Richards, Allen Billups, Dan Schmidt, Elizabeth Mitchell, Virginia Scully and Bonnie Glasgow. The organ accompaniment will be played by Herbert Neuchterlein.

The public is invited. There will be no admission charge.

Brownell Concert

Brownell Christmas Concert will be presented Friday, Dec. 16 at 8:15 p.m. at Grosse Pointe High School auditorium. The public is invited.

GPH Cagers Travel To Royal Oak

By JOHN DRAKE
The Grosse Pointe High Blue Devils invade the Royal Oak basketball court for their second league game of the season Friday, game time at 8:45 p.m.

Royal Oak has never excelled in basketball but their game has been improving over a period of years. Grosse Pointe's Coach Ed Wernet has cautioned his players against overconfidence but the Acorns should not prove tough for the Devils.

Grosse Pointe has already marked up one win to their '49-'50 Border Cities League record. The Devils outshot Highland Park on the latter's court last Friday by a 41-36 score.

Forward Bayard Johnson was high scorer for the second time. He made 12 points and was followed by Al Mann with 10. Center Spike Quirk tallied for 8.

The officials were kept busy calling fouls all evening. The Acorns earned 21 free shots at Grosse Pointe's expense and sank 11 of them. Grosse Pointe made 9 out of 20.

The high foul total had repercussions in the final quarter when Johnson and Leroy Peplinsky went out of the game. A player is allowed only 5 fouls in a contest if he is to continue playing.

The reserves fell before the Acorn squad 34 to 27, thus giving them a one-one record after their victory over Hazel Park the previous week.

Church Cagers Begin Season

Six teams began play in the new Grosse Pointe Inter-Church Basketball League Monday at Grosse Pointe High School and Pierce School gyms.

Opening day results: Grosse Pointe Memorial defeated St. Clare One, 21 to 18; Christ Church beat St. Paul, 21 to 17, and Grosse Pointe Woods Presbyterian trounced St. Clare Two, 46 to 4.

Plan Volleyball

A Men's Volleyball League is being organized at the Neighborhood Club, 17145 Waterloo. Games will be played on Friday evenings, at 7 p.m.

Men interested in playing are invited to contact Bill DesRocher, athletic director, TU, 5-4600.

Be Careful

While the litter from Christmas packages is still about, be particularly careful of smoking. Hot ashes dropped on tissue paper or a carelessly-tossed match could result in tragedy.

St. Paul Cagers Win Tune-Up For Parochial School League

By ED QUIRK
St. Paul cagers won over Lakeview High School in a closely fought battle 38-33. This was a tune-up game for the Flyers who are readying themselves for the Parochial League schedule.

The game, played at Lakeview, opened with the home boys taking a quick lead. The Huskies would have had a run-away if it had not been for the work of Bill Huettnerman, St. Paul senior, who seemed to be the only one able to hit the hoop. At the quarter, the home team had a comfortable lead that they padded to be ahead 18-16 at the half.

Coach Ed Laurer apparently solved the Huskies' play passed it on to the Flyers into the game in the third and won going away at the whistle.

While working on a court the Flyers had three players that racked up 10 points by Captain Tom Pelky, Bill etteman and Dick Motechal, an even ten apiece.

In the opener, the St. Paul Reserve crew lost a close contest to the Lakeview Reserves.

Detroit and Wayne County over half of Michigan's 1,500 deaths last year.

They're Looking To You.....

YES, every good little boy and girl should have a Merry Christmas, with plenty of toys, good food and warm clothing. You good people of this community have helped to make this possible each year by your generous support of the Grosse Pointe Lions Annual Goodfellow newspaper sale. Those unfortunate children are looking to you again this year and so are the Grosse Pointe Lions Goodfellows, the Policemen, Firemen and others who help.

Every penny raised in this annual sale is spent on needy families and children's happiness. Everyone is familiar with the great year-round White Cane and Leader Dog projects and other activities of the Lion's Club.

Be sure to buy a Goodfellow paper next Monday. Contributions can also be mailed to Goodfellows Fund, Park Municipal Building, Jefferson & Maryland, Grosse Pointe, 30.

Township Acts to Drop Health Dept.

(Continued from Page 1)

no surprise, it came sooner than expected. A report was to have been made at a joint meeting of municipal and school officials on Tuesday, Dec. 20.

Special committees are currently studying the County Health Department's facilities.

Following are the Two Resolutions:

RESOLUTION

WHEREAS, The Grosse Pointe Township Board has, for many years operated and maintained a Board of Health Department for the citizens of Grosse Pointe Township and the City of Grosse Pointe, supplying, among all other things, nurses, technicians, clerks, limited dental and medical attention with particular emphasis on the needs of school children in cooperation with Rural Agricultural School District No. 1, and

WHEREAS, The City of Grosse Pointe has heretofore borne its proper proportion of the cost thereof on an annual basis and has lately given written notice of its intention to terminate such arrangements in the immediate future, and

WHEREAS, The former Village of Grosse Pointe Farms has now perfected its incorporation as the City of Grosse Pointe Farms and, therefore, no longer constitutes part of Grosse Pointe Township, and it has heretofore given notice of its intention to avail itself of the Township Board of Health on a solely a temporary basis, and

WHEREAS, The major portion of services of the Board of Health are rendered to all students of the Grosse Pointe area proper, through the schools, with the resultant impossibility of rendering health services exclusively to the citizens and students of the units covered by the Township Board, and the lack of authority to include the entire cost thereof in the budget of this body covering expenditures for other than those concerning the Township, coupled with the expressed intent of the City of Grosse Pointe Farms and City of Grosse Pointe to avail themselves of other health services,

BE IT, THEREFORE, RESOLVED, That the present Board of Health Department now operated and maintained by this Board be discontinued as of April 3, A. D., 1950.

BE IT FURTHER RESOLVED, That the Commissions of Grosse Pointe Shores, Grosse Pointe Woods, Grosse Pointe Park, City of Grosse Pointe Farms, City of Grosse Pointe, the School Board for Rural Agricultural School District No. 1 and the Wayne County Health Department, be forthwith notified in writing by the Supervisor of this Board of the passage of this resolution.

BE IT FURTHER RESOLVED, The health problems of Grosse Pointe proper being of paramount importance to all its citizens, that all necessary steps be taken by the foregoing units forthwith to avail themselves of other health services to the end that adequate health services will at all times be available to all citizens concerned.

BE IT FURTHER RESOLVED, That this Board do and it does hereby offer its full cooperation in every way within its power to aid all units of Grosse Pointe proper in that endeavor.

RESOLUTION

RESOLVED, That Carl Schweikart, President of the Board of Health of Grosse Pointe Township, be and is hereby instructed to forthwith forward to each municipal unit of the Grosse Pointe area, a communication in substance as follows:

That the resolution terminating Grosse Pointe Township Health Service heretofore rendered to the Township of Grosse Pointe and the City of Grosse Pointe, was legally compelled in that all units of the community must share equally in the expense of such service, as any other method would be an injustice to tax-

Inadequate school facilities in the Woods-Gratiot Township area forces these children to ride crowded buses daily to school. Upper picture shows an average load found for Pierce Junior High. The lower photo shows pupils aboard a Mason School bus.

School officials plan to confer with Lake Shore Coach Lines in an effort to eliminate this transportation problem.

VERNIER

"Minus meelidib vaga Amerika, minu ja kool. Olen onnelik passisin siia!" said Enn Mannard, 7, after his first few weeks at Vernier School. In case your Estonian happens to be a little

payers. Should there be a change of opinion by the two governmental units of the City of Grosse Pointe and the City of Grosse Pointe Farms thereby insuring a unanimous desire for a continuation of the Health Service, this Board offers to continue such Health Service and invites your cooperation.

This, to the end that there might never be a material cessation of those health services so vitally needed by all of our citizens, especially our school children who will no doubt suffer as a result of the many complications now arising and to insure to our community that high standard of health service now being rendered of which we all have reason to be justly proud.

Carl Schweikart, ETAOINENN Board of Directors: Carl Schweikart, Supervisor, Victor DeBaeke, C. Joseph Bellanger, John Potter, George Beauchamp, Don Goodrow, Arthur Stamman.

rusty, an interpretation of Enn's remarks goes like this: "I like very well America, my schools and new home. I am very happy that I am here!"

With his parents, Enn arrived in Grosse Pointe a few weeks ago after living for nearly six years in German camps. He could speak no English when he enrolled at Vernier after only five days in the United States. By school-dismissal time that first day, however, he and his classmates were understanding each other.

Now, after these few weeks, Enn Mannard has become a typical, rough-and-tumble American boy! Alert and attentive, he is learning to speak and read his new language at a rapid pace. It is predicted that he will soon lead his class. He refuses to take "time out." There is no doubt that Enn, as he smilingly assures everyone, is "very happy that I am here." His coming to Vernier has made the whole school more aware of the privilege of living in the United States.

TROMBLY

"Please keep to the right," or "Walk up the stairs" are reminders frequently heard in the Trombly school corridors as the children come trooping in from the street or playground. Stationed at each entrance and stairway, these faithful service squad girls are on the alert to keep the school corridors safe and orderly. Most pupils remember the rules and others when reminded try to cooperate in making their school one to be proud of.

The Service Club also assists the teachers as lunchroom hostesses and office helpers during the noon hour. Through their school experiences they are learning to be useful in the community. Being a good Service Squad member requires punctuality, consideration of others, willingness to give nearly two hours of time per week, and the ability to be a responsible person.

The work is divided between two squads captained by Mary Ogden in the 6A grade, Mitzi Gillett, a pupil of the 6B grade, is lieutenant and in charge of one squad whose members are: Altha DeCavitt, Judy Andrews, Marilyn Dretman, Joan Cooper, Toni Dauch, Margi Griffith, and Lynn Forster. Substitutes are Eleanor Jacobson, Patsy Price, and Janet McLellan. Gayla McPhail, Irene Stempfle, Barbara Maynard, Dorothy Petrosky, Clare Hartwick, Wanda Walgenbach, Mimi Baer, Nancy Reik, and Jean Mohr make up the personnel of Mary's squad. Their substitutes are Lois Jean Rexford, Mary and Emily Koinis.

The Service Club is sponsored by Mrs. Mae Fuller, fourth grade teacher. The members meet once each week to discuss ways in which they can make their work more efficient and helpful to the school. Mrs. Fuller helps the girls plan a picnic once a year and other social affairs for their enjoyment. They were the guests at one of the high school football games this fall.

Many third grade girls look forward to becoming service

Opera Society Opens Season

Detroit Opera Society opened a three week season at the Cinema Theater December 12.

The first week of musical dramas will consist of a double bill; the humorous "The Telephone" by Menotti, and the unhappy tale of "Brack and Jennie," "Down In The Valley" by Weill. The second week brings "The Old Maid and The Thief," also by Menotti, and Pergolesi's "The Maid as Mistress" to the Cinema stage. A special offering of Humperdinck's "Hansel and Gretel" will be given through Christmas week.

Tickets are available at the Cinema theater, phone CA. 6211 or The Detroit Opera Society, 28 W. Warren, Phone TE. 2-9913.

Messner, Janet Turner, Florence Craig, Sarah Olet, Marcia Ward, Craig Galanos, Carolyn Raymond, Marilyn Winter, Peggy Young.

Miracle on Main Street

Just like decorating the tree, or hanging up the stocking, the gay and friendly Christmas Seals have become part of the Yuletide ritual in millions of homes throughout America.

They're Santa's biggest bargain—because they give so much for so little.

They give added protection to family, friends, and the entire community against tuberculosis. And since 1904 they have helped to spare more than 100,000 lives a year.

You can help Santa help you—by supporting this once-a-year appeal for the year-round program of prevention and control carried on by the National Tuberculosis Association and its affiliates.

So, please, buy and use Christmas Seals—send in your contribution, today.

Xmas Clearing Bureau Offers New Service

Christmas can be the foundation for a happy family life and the basis of mutual love and understanding between parents and children.

A pamphlet recently issued by the Christmas Clearing Bureau of the American Red Cross and Community Information Service, a Red Feather service of the Council of Social Agencies, urges that Christmas donations to needy families be in cash.

"Tradition says St. Nicholas comes down the chimney but for many unhappy families who cannot provide their own Christmas he must come in at the door," the Christmas Bureau says. You can help the good Saint continue his usual entrance by giving cash to a needy family instead of carrying a basket to the door. Let Mom and Dad be Santa Claus. Let Mother do the Christmas shopping.

The Christmas Clearing Bureau is available to those who want to make donations to worthy individuals and institutions. They have in their files names of old people, children and institutions which need help at Christmas time.

The Christmas Bureau urges that everyone—individuals, churches, civic groups, schools—who wants to help someone at Christmas, do their planning now so that all can be cared for. Last minute planning does not leave enough time for making a really Merry Christmas for a family, the Bureau says.

For good Christmas giving the Christmas Clearing Bureau suggests:

—If you customarily fill baskets, why not give cash so that the family can plan its own gifts for its needs.

—If you or your organization make Christmas donations to families, check with the Christmas Bureau to be sure that someone else is not already planning for your families. You will avoid disappointment and more needy people will receive gifts.

—If you would like to provide for a family, the Christmas Bureau has many on record. The family will be anonymous to you but you will be bringing new hope and joy to them.

—If you want to help old people or children in an institution, the Christmas Bureau can tell you where your help is needed.

—If you have something to give, call the Christmas Bureau, they know where it will be most appreciated.

—If you know of a family which needs help, the Bureau will try to find someone to help them.

The Christmas Clearing Bureau does not give gifts itself, it is just a go-between for giver and receiver of Christmas help. Call them at the American Red Cross, 153 E. Elizabeth, Woodward 1-3900.

Teen Talk

By JOYCE CLEMENTS

It was a long but worthwhile trip to Highland Park, Friday night, to see the Blue Devils defeat the Polar Bears 41-36. Supporting our team were Mary Mohr, Sue Spurrier, Noel Wood, Jean Corbett, Dollie Limbrock, Twig Wright, Mary Ann Schmidt, Marilyn Brown, Larry Brieden, Joan Mohr, Al Bardy, Don Vendebush, Gail Ashston and Fran Townsend.

Sparkling punch, soft lights, and smooth music... The "Dreamers Holiday," Saturday night, was one prom that will never be forgotten by the couples who attended. Before the prom, Sally Owen was hostess at a lovely cocktail party. Punch and appetizers were served to Charlie Allgood 'n Bill Carruthers, Jane Dalton 'n Tom Nelson, Barb James 'n Bud Allen, Marg Guy 'n Dan Davis, Barb Rose 'n Don Randolph, Jean Orebrough 'n Jim Schoeck, Sally Seymour 'n Mike Galvin, Sharon Crawford 'n Jim Thayer, and Cherie Neeme 'n Dave Hamilton.

Bubbling punch flowed hospitably at Bev Martin's too. Getting in the prom mood at Bev's were Ford Slater, Roger Ellis 'n Sid Boals, Russ Voltz 'n Irene Blasiola, Sue Mair 'n John Wagley, Dottie Olsen 'n Maurice Chase, Barb Bethol 'n Owen Jackie, Robbie Roberts 'n Bob Davidson, Madge Winter 'n Bob Armstrong, Janet ZurSchmiede 'n Dave Donnelly, Connie Jones 'n Dave Canton, and Helen Reed 'n Jack Marshall.

After the round of cocktails, various groups gathered for dinner. Turkey and all the trimmings were served at Connie Baker's to Kenny Keim 'n Spike Quirk, Char Smith 'n Roger Mulier, Jane Fordon 'n Jim Barker, Kay Sutton 'n Terry Thomas, Sally Owen 'n Skip Downey, and Connie's date, Clyde LaMee.

A select group of six gathered at Mary Ann King's before the prom for dinner, including Bob Sherer, Pat Underwood 'n Rob Barie, and Joy Perry 'n Howie Ramsey.

Sally Meher was dinner hostess at the Lochmoor Club, Saturday night. Wonderful dinners were served in formal style to Sally's date, George Preston, Diane Schleicher 'n Mike Best, Judy Richardson 'n Frank Abbott, Janet Gregory 'n Jack Ryder, and Lila Binny 'n Ralph Hauke.

Gradually everyone arrived at the gym which had been transformed into a true dreamland by the 11A class. Dancing to the music of Johnny Tytus and his orchestra were Bob Slade 'n Ruth Wodruff, Janet Radcliff 'n Elden Marwood, Bob Martin 'n Betsy Huette, Jean Giles 'n Roger Zurbi, Don James 'n Madeline Hackman, Marlene Houchen 'n Bob King, and Jim Fisher 'n Nancy Maynard.

The stroke of twelve may have indicated the end of the dance, but certainly not the end of the evening. After-the-prom parties ranged from breakfasts to open houses. Out at Mary Lou Meininger's were her date, George Jackson, Art Deiner 'n Sally Reynolds, Margie Gotsir 'n Bob Beatty, Mary Banach 'n Jack Holmes, B. J. Strader 'n Don Hunter, Dave Pethick 'n Sue Sibbert, Diane Wuerker 'n Dick Polen, and Al Klem 'n Judy Brenner.

Down on Bishop, at John Mack's house, more prom-trotters gathered, including George Turnball 'n Judy Nellis, Joan Massey 'n Chuck Ghesquiere, Marcie Olen 'n Jerry Strek, Jim Rogers 'n Joy Chamberlain, Mary Hardeleben 'n Dan Barrett, Dick Smart 'n Judy Gehlert, Diane Thompson 'n Jim Hearst, Ted Neilson 'n Bunny Ion, and John's date, Janet Joyce.

All in all, it was a terrific prom, and the 11A's deserve a lot of praise for their fine work.

Sunday afternoon, Virginia Keller gave a beautiful senior tea for the 12A's. Realizing more than ever the nearness of their commencement, the guests talked over graduation and college plans. The guests included Melicent Hesse, Mary Thomas, Mary Ellen Heiner, Joan Beyer, Pat Jenks, Teresa Gleize, Barb Harling, Tosia Chronowski, Joan Howard, Barb Sutton, and Kay Foster.

AAA Fixes 2 New Routes To Florida

"Throw away your Florida-route maps." That's the advice Automobile Club of Michigan's travel manager Harry N. Rogan is giving Grosse Pointe motorists now planning a Florida winter.

For this year's Florida-goer will find new roads and new route numbers galore. Detour signs will be few and far between—good news indeed. For dodging road construction gangs have been a regular feature of the southland trek for the past decade. This year most bottlenecks will be cleared out by Christmas holidays.

"Starting in January at the height of the season, and continuing throughout the winter," says Rogan, "our two main links to Florida will be easier to drive than at any time in the past ten years."

Postwar hotel, motel and restaurant construction in Florida has been moving ahead fast. The 1950 AAA Accommodations Directory lists 786 approved places to stay this year. Within the five states along the Michigan-to-Florida route (Kentucky, Tennessee, Georgia, Alabama and Florida) approved places to stay have risen from 1,165 to 1,331.

"Because AAA has dropped a number of previously approved places since last year, these figures show only part of the increase in available hotels, motels, tourist courts and resorts," says Rogan.

Don't look for much a dip in prices this season. The "shopping" 1950 Florida-goer might force operators to cut prices a little to meet competition. The lucrative 1949 summer season in Florida was a result of reduced rates, and that factor could also be an important one in easing the cost of a 1950 Florida winter a little. But don't plan on it.

College Clique

Grosse Pointe High School has a sizeable representation at Kalamazoo College, it is revealed by the registrar's office. Graduates now in attendance at the college include: John Abbott, Elaine Cabot, George Davis, Hugh Dil, Lenore Emigh, Ethel Hammond, Lorraine Hewitt, Marilyn Hirt, Janet Hobson, Donald Koebbe, Harry Louther, William Mondry, John Porter, William Ralph, Joan Seabridge, Milton Setzer, Mary Stover, Ann Wakeman, Martha Wetherbee, and Thomas Willson.

Two GPH graduates are attending the University of Southern California according to their news bureau. They are Francis Horiuchi and Al Vercoutere.

Robert B. Campbell a junior at Amherst College was elected to membership in the Amherst College Masquers. His selection was announced by Masquers president Reed F. Stewart following Campbell's performance as Lt. Dougherty in "The Wind Was North."

Eleanor Forester, daughter of Mr. and Mrs. Paul C. Forester, of 1301 Hampton, is the only member of the junior class at Hillsdale College who received all A's during the last semester of college work.

Christmas vacation will begin Dec. 17 for Marilyn Wurm, a senior at Capital University, Columbus, Ohio. Classes will be resumed Jan. 4.

Miss Wurm, daughter of Mr. and Mrs. Daniel J. Wurm, 1443 Somerset, is majoring in public school music.

Margery Menzies, 469 Manor, will take part in the glee club Christmas program at Marygrove College, Friday, December 16. Margery, a freshman at Marygrove, is the daughter of Mr. and Mrs. Alex J. Menzies.

Miss Jane Leininger, daughter of Mr. and Mrs. W. H. Leininger, 797 Bedford road, has been made a member of the Christian College hockey teams.

All Is Calm

Behaving himself for a change is Charlie McCarthy as the Christmas mood prevails in the Hollywood home of CBS Sunday night star Edgar Bergen. Bergen's wife, Frances, is interesting their 3½-year old daughter, Candy, in the art of tree-dressing.

St. Paul Highlights

By MARILYN SMITH

Splash! "Burr-r-r, it sure is cold." "It's not so bad after a few minutes. Come on in. You'll get used to it."

Such were the comments of a group of Sophomore girls as they dived into Turner's swimming pool last Wednesday evening.

As Janet Oxley's guests, the girls had a rollicking time. Getting surprised duckings now and then were Mary Margaret Van Damme, Donna Mayo, Dee Wise, Ann Reed, Mary Allor, Marilyn Sutherland and Mary Lou Cavanaugh.

After their gay splash party, everyone returned to Janet's house for cocoa and chocolate cake.

Last Wednesday night some Junior boys were seen roller-skating. No, not outside. Arena Gardens was the place. The skating party was sponsored by St. Joseph's High School. Those swaying, as well as skating, to the music were Duane Streb, Dick Gallagher, Tom Palmer, Hans von Bernthal, Larry Hollerbach, Al Susalla, Leo Kennedy, and ????????

A very important project is taking place at St. Paul's right now with all classes in the high school participating. Each boy and girl is purchasing a gift package for some underprivileged child. On a certain day the gifts will be collected and sent to these children so that their Christmas may be a very happy one.

The "Holiday Open House" is sure to be a big hit with Grosse Pointe youth. Sally McKernan and Larry Reynolds, representing St. Pauls for all teen-age activities at the War Memorial Center, assure us of this. The open house, held for all those of high school age, will be December 27 from 4 to 7. The affair will be dress-up, and everyone, with or without dates, is encouraged to come. Admission and refreshments are both free, so come one, come all, and join in the fun.

Quite a Difference

An adjutant is a high ranking officer in the U. S. Army, but in India it is a flying garbage collector. The World Book Encyclopedia says it is against the law in India to kill the long-billed birds known as adjutants because they eat the bodies of dead animals.

The annual industrial use of dried eggs in the United States is about seven million pounds.

Swiss Brotherhood Sang at Christmas to Banish Plague

One of the most impressive customs in the world is observed in Switzerland where the "singing at the fountains" is done by the Sebastiani brotherhood in the picturesque spa town of Rheinfelden.

According to the Swiss writer Gottlieb Wyss, the custom is more than 400 years old, dating from 1540 when a plague, sweeping through many lands, visited Rheinfelden. Twelve men formed a brotherhood in honor of St. Sebastian, promising to pray to him to safeguard their town from further distress. They also undertook to nurse those afflicted by the plague and to bury its victims.

If one of their own members died, the brethren acted as pallbearers, and up to the present day, by their own selection, the membership of the brotherhood has remained at 12.

Pestilence in the medieval period was ascribed to the evil spirits in the water, and when the Sebastiani brethren make their rounds of seven fountains on Christmas eve, they start at the fountain in the "Froschweid" where the plague started in the 16th century. After singing for the seventh time near the town church, they join its congregation for midnight mass, first placing their quaint mounted lantern, with its lighted candle, before the altar of St. Sebastian.

For their Christmas eve singing at twelve brethren are dressed in dark clothes and black silk top-hats. Around their lantern-bearer they stand in a circle and three times, as the name of Christ is mentioned in their song, they uncover their heads.

CHRISTIAN SCIENCE CHURCHES
"Is the Universe, Including Man,
Evolved by Atomic Force?" will be
the subject of the lesson-lesson in
all Christian Science churches through-
out the world on Sunday, December 18.
The Golden text (Jeremiah 32:17) is:
"I made the heaven and the earth by
my great power and stretched out
my arm, and there is nothing too hard
for me."

Among the Bible citations is the
passage (Gen. 1:1-26) "In the be-
ginning God created the heaven and
the earth. And God said, Let us make
man in our image, after our likeness;
and let them have dominion over the
fish of the sea, and over the fowl of
the air, and over the cattle, and
over all the earth, and over every
creeping thing that creepeth upon
the earth."
Correlative passages to be read from
"Science and Health with Key to the
Scriptures" by Mary Baker Eddy, in-
clude the following: P. 316; 317; 318;
substance, life, intelligence, truth, and
love, which constitute deity, are re-
flected by His creation, and when
we subordinate the false testimony of
the corporeal senses to the facts of
science, we shall see the true beau-
ty and reflection everywhere."

Findings Establish Jesus Story

Archaeologists' findings oftentimes serve to further establish the authenticity of the story of Jesus. Only recently a group discovered the name of Jesus, carved before 70 A.D. and perhaps by an eye-witness to the crucifixion, among inscriptions on 11 early Christian burial urns found in a cave on the Jerusalem-Bethlehem road. The urns may provide the "oldest archaeological record of Christianity" and an historical confirmation of the trial and crucifixion of Christ, the archaeologists said.

A set of Hebrews, who followed Jesus, denounced Pontius Pilate and mourned the crucifixion of their leader, was believed to have left the writings on the urns in the cave.

The Hebrew and Aramic inscriptions contained common names like Miriam, Simeon, and Matti. The Greek inscriptions and symbols beside them contained references to Christianity and, it seems probable to the crucifixion.

Views and Reviews

Alfred P. Sloan, Jr., official, General Motors Corporation: "Management now recognizes and accepts the fact that there is something in business besides business itself."

Virginius Dabney, Richmond, Va., newspaper editor: "Prohibition's ghost is walking again."

Vannever Bush, Dean of Engineering, Massachusetts Institute of Technology: "I am not much of a prophet."

Vladimir Clementis, Foreign Minister of Czechoslovakia: "The idea of a small country mediating between two of the world's greatest powers is rather out of date."

James F. Byrnes, former Secretary of State: "I have never known a department or agency of the United States Government that did not ask for more money than it needed."

Bernard R. Montgomery, British Field Marshal, hero of El Alamein: "When old soldiers get together, you never know what they will talk about."

The Shah of Iran, visiting the United States: "The possession of modern defensive equipment is a legitimate aim which menaces no one."

John D. Hickerson, Assistant Secretary of State: "The nations of Western Europe are arming themselves, the United States is helping them to do so, because they fear the intentions of the Soviet Union."

Jacob A. Malik, Russian Deputy Foreign Minister: "The Soviet Union is not threatening anyone and is not preparing to threaten anyone. We are being threatened."

Alexander Wiley, U. S. Senator from Wisconsin: "This nation is a sucker for an atomic solar plexis blow."

Joseph Pfeifer, Member of Congress from New York: "The West German government is a fact. It's a going concern."

Albin W. Barkley, on his honeymoon: "We are heading for Shangri-La and getting closer all the time."

MERRY CHRISTMAS
It's time for Christmas Carols, time for wreaths and holly, and time especially for us to wish that your Christmas this year be a jolly success.

Armed Forces Honor Pointe's Capt. Jacobi

Navy, Army, Air Force officers and men honored Captain Jeon J. Jacobi, USNR, at an open house and dance at the Broadhead Naval Armory, Saturday. Captain Jacobi has completed his three-year tour of duty and was relieved by Commander Ralph C. Billsbury, USNR. Jacobi remains Commanding Officer of the Michigan Naval Force.

Under Captain Jacobi's direction, the Navy Reserve was re-activated in Detroit in July, 1946. Since that time the Detroit Brigade has enrolled more than 4,000 men, some of whom are being trained in the Broadhead Naval Armory. The submarine and the surface ship assigned to this city. The Armory has been altered, modernized and the latest technical training equipment installed at a cost of more than \$1,000,000. It is now considered to be the finest Naval Reserve Training Center in the country.

A graduate of the United States Navy Academy, Captain Jacobi has spent over 27 years in the Navy and Naval Reserve. He was recalled to active duty as a Lieutenant Commander in 1940 and placed on inactive duty early in 1946, by which time he had attained the rank of Captain. In addition to sea duty in World War II, Jacobi served as Staff Engineer Officer of Service Force, Atlantic Fleet.

Captain Jacobi has been a resident of Grosse Pointe for 20 years and lives with his wife and two sons at 729 Fisher road. Both sons, John and Kennan, followed their father's footsteps by becoming members of the United States Naval Reserve.

AND THE BEST OF GOOD WISHES

A new Christmas season is upon us and once again we find ourselves eagerly awaiting the opportunity to extend compliments of the season to those about us. It is our sincere wish, and we believe it will be fulfilled, that Christmas this year will bring great joy and contentment to you, your loved ones and friends. May all the blessings that blend into a perfect Christmas be yours to enjoy and may the memories

of a happy season remain with you throughout the days of the coming year. We also wish to add our appreciation for the loyal friendships of this organization. Your consideration and thoughtfulness will inspire us to greater things and we trust we may continue to be worthy of these friendships. To know you and to serve you is a privilege and we hope these words of greetings will truly convey our gratitude.
