PARK READY FOR CITY RULE BALLOT

TRUE GOP Democrat Gets Coal Shoulder

At the peak of the coal strike emergency last week, George Elworthy, Neighborhood Club director and a member of the emergency committee, received numerous requests for fuel.

But one person drew the party when he was informed that there was some coal available at neighbor's house.

Christ Church Congregation To Hear Bishop

Members of Christ Church, Grosse Pointe, will be among the many Congregations across the country that will hear a special broadcast by the Presiding Bishop, The Rev. Henry Knox Merrill, Sunday, March 12 at 8 a.m.

POINTE PARAGRAPHS

A local victim of the brawl followed Friday's basketball game between Highland Park and Grosse Pointe High schools was Jack Roy, 17, of Prairie road.

The Sidney Nash of Morocco will leave in April for extensive trip abroad.

The IADOM Club is serving fish and chips dinner this Sunday at Christ Church.

Father Joseph, O.E.B., headmaster of Marmon Military Academy, Aurora, Ill., announced the promotion of Michael J. Bourke to sergeant. He is the son of Mr. and Mrs. Francis H. Bourke, 600 Rivard Blvd.

Civic League Sponsors Rally

Four Grosse Pointe Woods officials seeking re-election March 13 are expected to speak at the rally sponsored by the Civic League at the Village Hall, Mack Centre, this Thursday at 8:30 p.m.

Members are A. A. Ghesquiere, President, and Arnold Diesing, Leonard Ratcliffe and George Gardner, Councilmen. The only other candidate, George Heckendorn, is on the council post, will also be present.

Head First Day The Job

Body bumper who went to work for the first time in six months at Turner Motor Sales, 33 Kercheval, dropped dead while working on his first repair Monday afternoon.

Ben Delany, 54, of Capitol, Detroit, Cyril DeFever, 15171 Kercheval, said death was caused by failure.

Ghesquiere Urges Vote For \$81,000 Park Bond Issue

A. A. Ghesquiere, Grosse Pointe Woods president and unopposed candidate for re-election March 13, strongly urges voters to support the \$81,000 bond issue proposal for park improvements.

The proposal will be on the ballot March 13. Ghesquiere said that if the bond issue is accepted, the interest and principal payments will amount to \$7,500 a year. This sum plus \$6,000 for maintenance would still keep the total amount far below the \$20,000 appropriated annually for parks.

FINAL PLEA Information Sought For Honor Roll

A final appeal is made by the Grosse Pointe War Memorial Association to contact about 250 veterans whose names should appear on the honor roll which will be cast in bronze at the Memorial Center shortly.

Despite considerable and extensive efforts by the Association, to reach this group, it has received no response. The names will be eliminated from the permanent record unless the Association receives the information sought by March 15.

War Hero To Speak

Major General Stanley S. Reinhart, USA (retired) will speak on "Military Preparedness as a Business Matter," at Memorial Center, Monday, March 13 at 8:30 p.m.

Sponsored by the Grosse Pointe American Legion Post 303, the lecture is open to the public. There is no admission charge. Major Stanley, a veteran of both world wars, has an array of medals and honors for his leadership in many dangerous missions overseas.

"Swing Your Partner" Dance At Defer P-TA

Defer P-TA invites neighbors and their friends to attend their Annual Square Dance in the gym of the school, Friday, March 17 at 8 p.m. Lee Brennans will call the numbers. During intermission, the Highland Park YWCA dancers will entertain. A snack bar will be set-up with real delights. Reservations should be made by calling the school office, TU. 5-3000.

5 Seek Office at Woods

Drawing major interest in the Grosse Pointe Woods election Monday, March 13, is the \$81,000 bond issue proposal for park improvements.

The proposal was placed on the ballot on the recommendation of the Village Park Commission which conducted an extensive study on recreation facilities. Voters will also elect a president and three councilmen. President A. A. Ghesquiere is unopposed for his 12th successive one-year term.

Arnold Diesing, Leon Ratcliffe and George Gardner are seeking re-election to the council. They will be opposed by George Heckendorn, only other candidate. Councilmen elected will serve two year terms.

The polls will be open from 7 a.m. to 8 p.m. Persons who do not know where to vote should contact Philip Allard, Village clerk, TU. 5-0876.

Fritsch Rebukes Opponents

EDITOR'S NOTE: The following statement was submitted by Homer C. Fritsch, Grosse Pointe Park president seeking re-election March 13.

This month I am rounding out my tenth year as an elected official of Grosse Pointe, serving as Commissioner for the first eight, and as President for the last two.

It was exactly ten years ago that the Garska regime was ousted, that the President and Commissioners were put on a dollar-a-year basis, and that the council-manager system was installed.

A lot has happened in these ten years. In 1940 the Village was in rickety financial shape, basements were flooding everywhere, equipment was run down, and he debt was staggering. Today the picture is different. Now we are in fine financial condition; new sewers have been built in all sections so that basements no longer flood; streets and curbs have been repaved; a chlorinated swimming pool has been installed in the waterfront park (which our neighbors are now copying). Also, a Reserve Fund has been established to help pay for improvements as we need them.

During all of this time, and notwithstanding the capital improvements that have been made, no bonds have been issued. On the contrary, the Park has been run on a pay-as-you-go basis and, as a welcome result, the debt is down to manageable proportions and steadily diminishing each year.

This year certain persons are seeking office on a platform which disparages all that has been accomplished.

Resume Adult Education Classes

All public school activities have been restored to normal schedule, announced Harold Husband, of the Board of Education. Coal shortages last week closed Adult Education classes and Grosse Pointe High School's swimming pool.

16 YOUTHS FACE COURT Chief Trombly To Recommend Severe Sentences For Braudlers

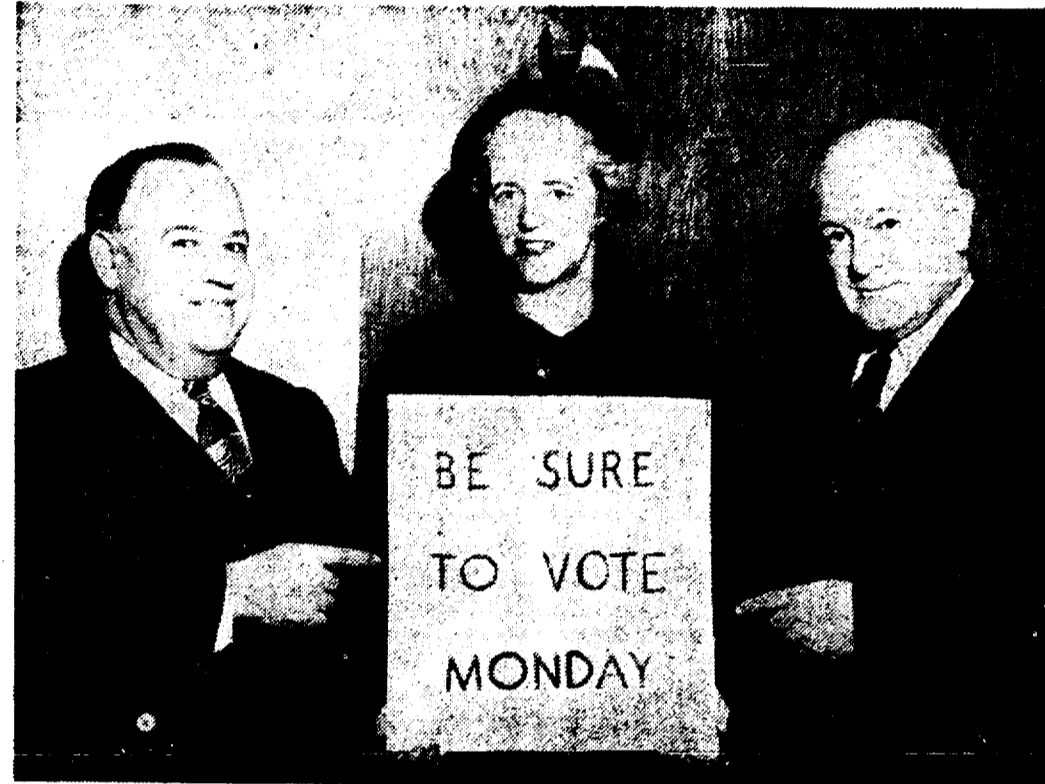

A Grosse Pointe High School student who is alleged to have led a gang of local youths in a fight against six Highland Park Alumni and students, may be charged with felonious assault, Tom Trombly, City of Grosse Pointe police chief, said.

He is Harry Edsall, 18, of 873 Rivard, who is reported to have shot Stanley Darling, 17, of 225 Connecticut, Highland Park, in the mouth with a BB gun after a basketball game between Grosse Pointe and Highland Park high schools in Grosse Pointe Friday.

Darling is expected to press charges against Edsall, Trombly said. Friday's gang fight marked the fifth after game brawl in Grosse Pointe.

Chief Trombly stated that a similar charge would be placed on the Highland Park youth who attacked Edsall with a hammer. His jaw is fractured in two places. Pending further investigation, Edsall and 15 others are charged with disorderly conduct and will

RIVAL CANDIDATES AGREE HERE

Carl Schweikart, left, and Homer C. Fritsch, rivals for Grosse Pointe Park president, agree that every qualified resident should go to the polls Monday. Holding the sign is Mrs. Kins Collins, of 757 Westchester, candidate for the City Charter Commission. She is the first woman candidate in the history of Village elections.

Schweikart Promises Lower Assessment

Carl Schweikart promises lower assessment of property if he is elected president Monday at the Grosse Pointe Park election. He said that Park property owners are paying 10% more on old buildings and 20% more on new buildings than the other four local municipalities.

Schweikart added that Village officials plan to hike assessment another 13 1/4%. "Park assessment should not be any higher than the Farms, City, Woods or Shores," declared Schweikart.

The Township supervisor is against the construction of a Civic Center or any building. "All building plans should be tabled for the time being," he said. "School taxes have already burdened our taxpayers."

He proposes an administration geared to economy. Referring to the comments his opponents have made relative to his stand against the present Police Radio System and the proposed County Health Department, Schweikart said: "Park citizens lost \$50,000 when the Township radio station was closed."

"It is still questionable whether the County can provide an efficient health service here." The County Department is scheduled to operate here April 1. Schweikart accused his opponents of "mud slinging."

"I've conducted a clean campaign," he said, "but my rivals had to resort to other methods."

Burglar Seeks Wardrobe, Nets \$650 Ring

A burglar who entered the home of Mr. William Hoose, 1717 Allard early Saturday morning really meant business. Ten suits, three coats and silverware were packed for immediate shipment. But his moving plans went haywire and the loot was left for Mrs. Hoose to unpack.

He did take a Masonic diamond ring valued at \$650. Grosse Pointe Woods police charged Thomas Givmore, 45, of Millner Hotel, Detroit, with the theft. He was arrested in the neighborhood Saturday after he attempted to get a "handout" at the home of Robert Grosshans, 1846 Stanhope.

Men's Group Hear Coburn On Japan

The Men's association of the Grosse Pointe Woods Presbyterian Church will have a dinner meeting at the church on Wednesday, March 15, at 6:15 p.m. The speaker will be Major Jesse L. Coburn, wing chaplain of the United States Air Force, now stationed at Selfridge Field. His subject will be "Twilight in Japan."

Kiwanis Announce Talent Deadline All applications for the Kiwanis Talent-Scholarship auditions must be returned to Grosse Pointe schools or libraries by March 15, Kiwanis officials announced. The first auditions will be held shortly. The Kiwanis will present talent scholarships to winners of the auditions.

8,000 Expected to Vote

Grosse Pointe Park electorate will vote on a "city rule" proposal, elect a president, three commissioners and a nine-man charter commission Monday, March 13 in one of the most important elections in Village history.

Rivals for the top office are Homer C. Fritsch, incumbent, and Carl Schweikart, Township supervisor.

Six are seeking council seats. They are A. J. Bloodworth, Peter Koenig, Karl B. Goddard, incumbents, Gilbert W. Groehn, Erwin G. Alfes and Raymond J. Dieckman.

The 15 candidates for City Charter Commission are Howard P. Parrshall, C. Joseph Belanger, John L. Potter, William Gillett, Harold G. Phelps, Floyd M. Dietzel, Milton R. Wortley, and Robert E. McKeen.

Also Mrs. Margaret E. Collins, Victor H. Wehmeier, Stephan A. Walker, Bennet Burgoon, Jr., T. Edward O'Connor, Clarence H. Koebbe and Hugh McElhugh.

The polls will be open from 7 a.m. to 8 p.m., William A. Stammen, Village clerk announced. Stammen said that 8,000 are registered to vote.

Residents who reside south of Kercheval must vote at the Municipal Building, Jefferson at Maryland. Persons who live north of Kercheval should vote at Defer School, Kercheval at Nottingham.

Stolen Loot Recovered For Dr. Pohle

Among the \$20,000 in jewels and other articles reported stolen by William F. Pospeshil, 34, of 18543 Belton, Detroit, were a 17-jewel Elgin wrist watch, a yellow gold pocket watch and a Delta Sigma Delta pin, owned by Dr. I. T. Pohle, of 1330 Audubon.

Grosse Pointe Park police said that Dr. Pohle identified the articles as the ones that were taken from his home recently when it was ransacked.

Detroit police said that Pospeshil had burglarized many homes in Detroit. The loot was found in his home. He is held in County Jail under \$10,000 personal bond.

200 Honor Scoutmaster Lee Scott

Two hundred parents and scouts met at the Grosse Pointe Memorial Church Monday at a dinner to honor Lee Scott, retiring Scoutmaster. It was a spontaneous affair prompted by friends who wanted to present Mrs. Scott with a small token of appreciation for the outstanding job he did in building a Scout troop from nothing to one of the best in the area.

Whitney Rinkler committee-man made the presentation of a pair of bronze bookends. On was engraved with the Scout Motto the other with the Scout oath.

At the meeting awards for the month were made to scouts qualifying for advancement. Tenderfoot Badges were received by: Walter Foley, Bill Reeves, Donald Worley, George Risk, Sandy MacMechan, Joe Washburn, Bill Squire, and Martin Hutchinson.

A Second class award was made to Dick Schumacher; first class award, Charles Schaller; star class, George Nicholson; merit badges, George Nicholson; Bob Schaller, and Phil Beach. Mr. Scott will be one of the Detroit men to lead scouts to the national jamboree at Valley Forge in July where some 40,000 scouts from the entire country will participate.

Theft Nets \$20

Burglars who ransacked the home of Gilbert Weiden, 468 Lincoln, absconded with \$20 in cash. City of Grosse Pointe police reported.

Barbershop 'Quartets' At Pierce

A parade of SPBSQSA quartets will offer a choice selection of ballads Saturday, March 11 at 8:30 p.m. at Pierce School auditorium.

Voices will include the "Chief Dwellers," the "Oldtimers," the "Four Hoarsemen" and the "Twilighters."

A "tag quartet" will be heard for the first time, according to Robert Montgomery, Grosse Pointe chapter president.

"It's a novelty somewhat similar to the wrestlers' game, but not nearly as rough," he explained.

Oh yes, SPBSQSA stands for the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America. The SPBSQSA also aids and entertains disabled veterans.

Held for 3 Park B & E's

Leslie A. Potter, of 5025 Brooklyn, Detroit, held by Detroit police for robberies, admitted breaking and entering three Village of Grosse Pointe Park homes to Detroit police.

Potter said he entered the home of Edward Cucci, 1466 Wayburn, Mrs. F. Skody, 1355 Wayburn, and Valarie Rotsaert, 1428 Lakepointe, according to police. The robberies occurred in 1947 and 1948.

THE PARK ELECTION

Grosse Pointe Park has two qualified candidates for Village president, Homer C. Fritsch, incumbent, and Carl Schweikart, Township supervisor.

Both have years of creditable public service behind them.

Fritsch, a successful executive, has given virtually all his spare time during the past ten years to the Village administration as a councilman and as a president.

As a dollar year man, he has done a good job.

Schweikart is a man who has made a profession of politics. His record as a Township and Wayne County official indicate that he has also done a good job. He is politically wise.

The voter must decide which leader

would be most useful to the new administration.

The voter must also bear in mind that neither candidate will have any influence on which form of government should be established if the city proposal is accepted.

The task of drafting a new city charter would fall solely on the hands of the nine-man commission that will be elected. They would draft the charter and present it to the voters at a special election.

Here again, the Village is fortunate because it has 15 highly capable candidates seeking this job. Among them are such qualified men as Parshall, Gillett, Potter and Belanger.

Every qualified resident should go to the polls Monday.

ORCHIDS FOR LEAGUE OF WOMEN VOTERS

Each member of the recently organized non-partisan Grosse Pointe Park League of Women Voters deserve a bushel of orchids for their efforts relative to the important Village election Monday.

Their compilation of the eight candidates' views on vital issues is one of the most complete and unbiased reports to ever reach our desk.

Through their determination and tireless efforts, Village voters can study each candidate by reading the League's report on page seven.

Each candidate was interviewed by the League in a body. The interviews were recorded. They were played back for the candidate's approval. The statements have not been changed in any way.

They talked freely and sincerely about the city rule proposal and other highly regarded issues without fear of any discrimination.

Each voter should find time to read this report thoroughly, and regardless of how he votes to cast a note of appreciation to the League.

Recommends Fluoride To Fight Tooth Decay

EDITOR'S NOTE: The following article was prepared by Chester J. Ordon, professor of engineering at Wayne and a Farms resident. It concerns the Farms' lengthy study of fluoride to fight tooth decay.

On more than one occasion the Farms has considered the possibility of adding fluorides to the drinking water for the purpose of preventing dental caries (cavities). On all occasions to date the decision has been to await further developments on experimental studies elsewhere, before the introduction of fluoridation in this city. Presumably, the reason for deferring the practice to a later date has been that the expense is not warranted until sufficient data is available to definitely establish the benefits to be derived. It is the purpose of this discussion to bring to the reader some late evidence in favor of fluoridation.

It was as late as 1931 that the existence of fluorides in drinking water was first associated with mottled enamel of the teeth. Following this, the usual practice was to keep the fluoride content of the drinking water as low as possible. However, in 1938, an extensive study revealed an inverse ratio between dental caries in children and the fluoride content in community water supplies. The results of this study showed that dental caries were at a minimum when fluoride concentrations of the water were between 1 and 1.5 parts per million (ppm). At this concentration no evidence of mottled enamel was found except slight traces in a community in New Mexico, where water consumption was high. The following table (graph) shows very clearly the relationship between dental caries and the fluoride content of drinking water.

Caries per school child	Fluorides in water ppm.
10	0
4.6	0.5
3.2	1.0
2.5	1.5
2.5	2.0
2.4	2.5

Another revealing table shows the relationship between missing teeth in Colorado Springs, where a natural fluoride content of 2.6 ppm is found in the water, and the national standard in the United States.

Age Group	Number of Teeth Missing Colorado Springs	U.S. National Standard
15 to 19	0.1	1.1
20 to 24	0.2	2.3
25 to 29	0.3	3.8
30 to 34	0.4	5.8
35 to 39	0.5	7.9
40 to 44	0.6	10.1

In other words, the average resident of Colorado Springs, between the ages of 40 to 45 has either no teeth missing or just one tooth missing, whereas, in the rest of the country, the average resident has over 10 teeth missing. Admittedly a concentration of 2.6 ppm is above what is considered a safe limit, for there is some evidence of mild fluorosis of the teeth in Colorado Springs. However, table 1 shows that there is little gain in effectiveness between concentrations of 1.5 and 2.6 ppm. So it may be assumed that a concentration of 1.5 ppm will give very nearly the same protection with no danger of fluorosis. The danger from a water supply such as this city has, may be further reduced by lowering the fluoride concentration in the summer time when the consumption is high and increasing it in winter when the consumption is lower. This refinement can be most easily practiced in cities where fluorides must be added artificially. Further studies must be conducted before positive recommendations can be made for obtaining optimum protection with minimum hazards.

The above data was obtained from cities in which the fluoride content was found naturally in the water supply. The problem which confronts health officials today is, whether or not, fluorides added artificially will give the same protection. The control of caries by adding fluoride to public water supplies is based on the hypothesis that the water, so treated, will have the same effect as one naturally containing fluorides. All chemical, biological, and laboratory considerations seem to point to the fact that it will. There are at least 19 communities in the United States which add fluorides to their water supplies. Many of these have been practicing the procedure for a sufficient length of time so that some results may be reported. An outstanding experiment of five years duration is being conducted in Newburgh and Kingston, New York. The two cities are economically and climatically similar and have similar water supplies. Newburgh is having fluorides introduced at the rate of 1.0 ppm, whereas Kingston is being used as a control. The latest evidence based on the examination of 3,000 children at Newburgh, and 2,800 children at Kingston, has shown a DMF (decayed, missing, and filled), experience rate in Newburgh 30% lower than in Kingston in the same age group. Prior to the experiment the DMF experience was found to be similar in the two cities. A study in a state training school in Connecticut of only two years duration also showed a 30% decrease in tooth decay among those using water containing fluorides. The experimenters at Newburgh and Kingston reported as follows: "The evidence presented thus far demonstrates quite conclusively that artificially added sodium fluoride in a water supply, under the conditions stated, is effective

2—The Grosse Pointe Review—Thursday, March 9, 1950

POLICE WARN

Observe Traffic Signals

EDITOR'S NOTE: This is the fourth in a series of six articles regarding the causes of traffic safety and how the Uniform Enforcement Policy adopted by Grosse Pointe Park should reduce accidents.

Running red lights and failure to stop at signs are common causes of accidents. The driver expects the other fellow to stop.

These traffic control devices make driving safer and more convenient by stopping traffic on one street so that drivers and pedestrians on the cross street will have the right-of-way and can proceed across the intersection without interference.

This breaks down when a motorist fails to obey the sign or signal. The key to obeying traffic signals is WHERE you are when the yellow light comes on. If you are practically at the intersection, continuing at the legal speed will get you through safely. If you are farther back from the intersection and can stop safely before reaching it, you are required to do so.

At 25 miles per hour it takes 67 feet to stop your car, according to the National Bureau of Standards. Thus, if you are four or more car lengths from the intersection when the light turns yellow, you must stop. If you are less than four car lengths, then proceed carefully.

The seriousness of traffic signal violations, as indicated on the traffic ticket, is broken down into three groups. If you are beyond the middle of the intersection when the light turned red, you almost made it. This is the least serious violation. If you had not reached the middle of the intersection, it is more serious. And if you had not even reached the intersection, but went through all of it on the red signal, this is the most serious.

The least serious stop sign violation shown on the traffic ticket is when the motorist stops in the wrong place—with the nose of the vehicle out in the crosswalk where it interferes with pedestrians, or out in the path of cross traffic where other drivers must dodge to avoid being hit.

The more serious violation is where the motorist goes by the stop sign at the speed of a "walk." Even though the driver looks in both directions, sees no other traffic approaching, and shifts into second gear, this violation develops a dangerous habit which will ultimately cause an accident.

The most serious violation is in reducing the incidence of new decay, and that the order of this effectiveness is probably greater than 25%.

In light of this evidence there remains but one further objection to the introduction of fluorides to public water supplies, and that is the cost of the treatment. Existing fluoride plants have shown that cost vary from 2½ cents to 15 cents per person per year depending upon the compound used and the initial fluoride content of the water. THE STARTLING FACT IS THAT, AT THIS RATE, THE PREVENTION OF A SINGLE DENTAL CARIE WILL PAY YOUR FLUORIDATION BILL FOR LIFE. With much less evidence than this, many cities have adopted the practice for the anticipated benefit to their children. It seems like a small price to pay for the great benefits that might be expected. The possibility of other unfavorable reactions as a result of adding fluorides has also been carefully investigated. Pediatric findings in Newburgh show no deleterious effect of fluoride intake. Five hundred children in Kingston and the same number in Newburgh revealed no detectable difference in bone x-ray studies and laboratory tests.

The potential benefits of reducing the incidence of tooth decay warrants the immediate adoption of fluoridation in the public water supply.

Letters to the Editor

TO THE EDITOR:
After the recent big snow storm we had occasion to drive over on Kercheval for shopping. The parking meters were all covered with snow and ice. Talk about inconvenience to Farms residents—so we drove right on to the miracle mile shopping district. Now, we read where the Farms Council is hiring, at the expense of the taxpayers, additional clerical help to handle the counting of the money, detail work, etc. in connection with the meters. There goes most of the profit, but we still have the inconvenience of the meters.
Resident of 200 block on McKinley

Dean to Speak

Dr. Howard Thurman, pastor of the Fellowship Church of all Peoples, San Francisco, California, and formerly dean of the Chapel, Howard University, Washington, D.C., will be the guest speaker Monday through Friday on the Noonday Lenten Series sponsored by the Detroit Council of Churches at the Central Methodist Church.

For drying tumblers dish towels should be long enough to wipe both the inside and outside at the same time and to cover the hands so that no finger prints are left on the glass.

Tuesday, March 21
Mothers' Health Council.

Cut Denby Lecture Series

The audience gathered in the Denby High School Auditorium to hear Alan Cranston, President of the United World Federalists, last week was first to learn what the city's coal crisis would do to the local lecture series. Mr. Wolf, Denby Evening School principal, received word by telephone from Mr. DeGalan, in charge of Adult Education and Community Use of Buildings, that evening schools would close at the end of the week until the end of the coal shortage.

Mr. Larson of the Denby faculty, passed the information on to the audience in his opening remarks before introducing the Rev. Merrill Otis Bates, pastor of the Grosse Pointe Unitarian Church, who was to be Chairman of the evening. He said it would likely mean cancellation of the next lecture, scheduled for March 16. The Denby Lecture Board of Control, meeting to consider the matter, the next morning, not only agreed with him but, on the basis of the information then available, decided it would be safer to cancel the remaining lecture, scheduled for March 28, as well.

Affected by the cancellations speaker Mrs. D. W. Hemble, President, Motion Picture Council at Memorial Center, 1:15 p.m.
Lecture Art "Montmartre and the Parisian Scene", Franklin Page at Memorial Center, 8:00 p.m.
Kerby P.T.A., Meeting at New Kerby School, 8:00 p.m.

Thursday, March 23
American Association University Women, Legislative Group, Tea at Mrs. Taylors Seebert's, 213 Merriweather, 1:00 p.m.

OFFICERS MEET FOR LUNCHEON

Kercheval Avenue Business Association officers discussed plans for their organization at a luncheon Monday at LaSalle Cafe. From left to right are Anthony Trompeter, second vice-president; John Kercheval, president; Pasha B. Unterreiner, secretary; Charles W. Jeffrey, first vice-president, and Frances Dorsey, treasurer.

Fritsch Rebukes Opponents

(Continued from Page 1)
 been done in ten years; they would junk the council-manage system which has operated successfully and would return to a so-called "strong mayor" type of government.
 In view of this threat to our established form of government in the Park, I stand for re-election, and I am happy to see that my associates, Karl Goddard, John Bloodsworth, and Peter Koenig, have the same reaction and have each determined to run again.
 Now, as to the criticisms that have been made thus far by Mr. Schweikart. As assessor for the Township, he should know better than to advance the arguments he has about property assessments. It is true that three years ago the Park raised the assessments on buildings by 10%; it was right on the tax bills. But nobody tells you that when Mr. Schweikart's township books are gone over by Wayne County Board of Equalization they invariably boost his figures by 20%. In effect, your township assessments have a 20% increase added on but you do not know it. Our system is frank with the taxpayers. As to new houses, we assess them higher than the old ones; they are worth more, and it would be wrong to assess them as though they were built before the war and had sustained ten years or more of depreciation.
 It is said that taxes have gone up in the last ten years. Of course they have. I do not believe there is a town in the whole country where taxes have not gone up. This is the result of inflation which has raised increase in the Park with the everything.
 However, if you compare the increase in the Park with the increase in the Township, or with the cost of living, you find that the Park has gone up less

than the others. Furthermore, at year Park taxes came down a trifle; this year they should come down some more. This is a trend which no other local unit is duplicating.
 Furthermore, Mr. Schweikart's record of disregard for the tax dollar in his operations of the dying Township does not square with today's claims of what he would do if only he could now run the Park. I refer first to the police radio which he operated at \$27,000 per year, whereas now, and over his objections, the five Pointes operate a better radio for something like \$12,000 a year. Also, I refer to the Health Service which could have been put on the County system and at County expense two or three years ago, except for his obstructions. Health Service is going over to the County now, and the area will save at least \$10,000 a year and perhaps more. These are specific examples of savings that have been put through by the Park government in cooperation with the other Pointe communities and over the violent objections of the man who now seeks election as Park President. They give a good practical demonstration of who is interested in economy and who is not.
 The Park has had a good, clean, honest and sincere government in the last decade. With my colleagues, Karl Goddard, John Bloodsworth, and Peter Koenig, I am happy to stand on that record.
 In its 33 centuries, the city of Jerusalem has endured more than 20 sieges and blockades.

Boys Fight

(Continued from Page 1)
 city; Richard Davis, 16, of 827 Fisher; Dan Davis, 17, of 266 Lewiston; Hugh Bevier, 16, of 443 St. Clair; Dan Sarvis, 19, of 904 Lakepointe; Duane Marshall, 17, of 420 Clovelly and Edsall.
 The Highland Park Alumni and students are Dennis Powell, 17, of 2195 Evergreen; Edward Abbott, 17, of 1088 Seyburn; Edward Skownski, 19, of 167 E. Buena Vista, Highland Park; Hassen Zhady, 19, of 247 East Grand Blvd.; Melvin Vokroff, 17, of 217 McLean, Highland Park, and Darling.

Young Adults Plan 'Square Dance'

Square dancing will be the big attraction at the Young Adult Group's next informal evening to be held at Memorial Center Friday, March 17, from 8:30 p.m. until midnight.
 Expert teachers will be on hand to instruct the young people in the college age through twenties group at this dates-not-necessary affair.
 There will also be tables set up for cards and ping pong will be available in the games room. Later in the evening there'll be "regular" dancing and of course, refreshments.

'Capt.' Wortley Seeks Park Charter Post

Among the 15 candidates for the Grosse Pointe Park City Charter Commission is "Capt." Milton R. Wortley who has a distinguished record with the Navy in both World Wars.
 Wortley, who has lived at 1363 Grayton for more than 25 years, is a graduate of Naval War College. He was a Naval Reserve Lieutenant World War I. In the second war, he commanded U.S.S. Dubuque and the first naval unit to leave Michigan.
 He was general accountant at Grand Trunk Railway until his retirement. He has a background of engineering and served two terms as national head of the Reserve Officers Association.
 Married and the father of three daughters, Wortley is highly interested in "better government."

PROMOTED

The recent promotion of Thomas B. Tyree, son of the Harold B. Tyrees of 28 Provenal Road, to the rank of 1st Lieutenant, was announced the U. S. Army European Command H. Lt. Tyree is stationed in Mannheim, Germany, as Platoon Leader of the 63rd Heavy Tank Battalion's Reconnaissance Platoon.

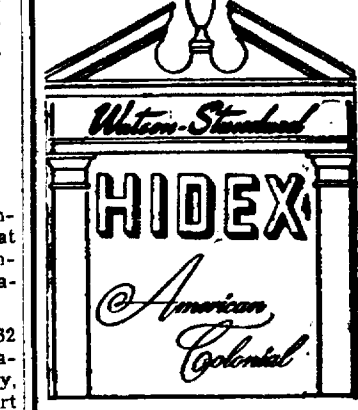

George Hill Joins School Glee Club

George K. Hill, son of Mr. and Mrs. R. N. McCollom, 406 Fisher, has been chosen a member of the Glee Club of the Mercersburg Academy, according to an announcement here recently by Mr. Henry Ready, head of the music department.
 The Glee Club gives several programs for the Academy and participates in a series of concerts with Penn Hall during the year.

4—The Grass Points Review—Thursday, March 9, 1950

St. Anne's Guild Announces Plans for 2nd Annual Party

Preliminary plans for the second annual Desert City Party will be held at the Mason Temple.

CDS Students Win Regional Art Awards

Grass Points Country Day School students were awarded 11 prizes for their entries in the 1949 Regional Scholastic Art Exhibition held at Ogden, Utah.

Gold Key awards were presented to Jane Dipe, Barbara Eisenbauer, Vickie Wetmore, and Jane Bragan.

Certificates were awarded to Donna Drake, Susan Duffin, Eunice Heffner, Betty Lee Shuler, Jane Bragan and Vickie Wetmore.

Art classes at Country Day are under the direction of Mrs. Doris Haas.

Scholastic Magazines has for nearly a quarter of a century conducted this program. It is aimed to encourage talent and develop a recognition of the importance of art education among young and senior high school students.

Gold Key winners will have their names sent to Philadelphia to compete for placing in the National Exhibition at the Fine Art Galleries of Carnegie Institute.

Announce Date for Philatelic Convention

President H. F. Best of the Society of Philatelic Americans has submitted to the board of directors the final committee and dates for the 1950 convention to be held at the National Philatelic Museum in Philadelphia, August 17, 18, 19 and 20, 1950.

The General Chairman is Archy S. Meyer working with Bernard Davis, Honorary Chairman.

Other appointments will be announced by Archy S. Meyer later when details about the course and exhibition will be given.

This will be the first national convention to be held in the National Philatelic Museum and both President Best and Vice President Meyer will be in the city to assist in the early history of the United States. Past President Will Dominick, who presided at the organizational meeting of the Philadelphia group is expected to take an active part in the work of promoting the convention. Both men and women members of the S. P. A. are invited to a fine time in Philadelphia and several "Go To Philadelphia" committees have been formed.

President Best lives at 1215 Nottingham.

Campfire Girls Oversee Birthday

The opening of Camp Fire Girls' Fourth National Birthday Week will be observed in Grass Points during March 12 to 13 with special services in churches and synagogues including Grass Points Memorial Church and Central Methodist Church.

Garbed in red, white and blue service costumes, the Camp Fire Girls will attend these special addresses in a town in selected sections to stress group worship and will place special emphasis on "Discovery Unlimited" an adventure in creative living, according to District Council president Mrs. Roger Barnes.

Camp Fire Girls and Blue Birds of Grass Points will be among those attending the city-wide ceremony at the International Institute, 343 E. Grand Blvd. at 3 p.m. March 12.

Each member will bring a gift for a displaced person, and the Rev. B. M. Frazer of the North Woodward Congregational Church will speak on "Discovery Unlimited."

G.Y.P.C. PLANS ERIN EVENT SATURDAY

Clara Kott and Jack Bartel, co-organizers of the Erin event, which will highlight the St. Patrick's Casino party at the Grass Points Yacht Club Saturday night.

The committee in charge of the Minuteman party consists of Charles Glasgow, chairman, B. A. Craplow, James P. Danaher, J. Earl Fraser, Rex Regan and David Marantene.

Other members of St. Anne's Guild who are working to plan for the evening include Mrs. Robert Orr, Mrs. Gilbert Smith, Mrs. Robert Mary Miss Elizabeth Marks, Mrs. Kenneth Jones, Mrs. Eugene Rosen, Mrs. Frank Morgan, Mrs. David Cravlin, Mrs. William McGowan and Mrs. Maxwell Matthews.

Proceeds will go toward the building fund for the new St. Ann's church which is to be constructed in Sunningdale Park Drive.

Daughters Elect New State Board

A new state board for the Society of Daughters of Colonial Wars was recently elected, according to Mrs. E. J. Savage of Yorkville road, state press chairman.

Named as president was Mrs. Hugh Gower of Midland, Mrs. W. H. DeGraf of Birmingham and Mrs. G. D. Sothern of Reading, became vice-presidents Mrs. Sidney Probert of Kensington road is recording secretary; Miss Laura Cook is corresponding secretary; Mrs. Robert Witt of Birmingham is treasurer; and Mrs. Charles Mooney of Detroit is chaplain.

Continuing as registrar is Mrs. Z. P. Peterson of Detroit; Mrs. Lloyd Hazen of Detroit is historian, and flag custodian is Mrs. Frank Rose.

Mrs. William E. Roe was advanced from 1st vice-president to the presidency of Gen. Alexander Macomb Chapter, U. S. Daughters of 1812, at their recent election of officers.

The post of recording secretary is still open, but other officers named were Mrs. Paul Wolcott, 1st vice-president; Mrs. Robert Vint, 2nd vice-president; Mrs. L. E. McKittrick, corresponding secretary; Mrs. Kenneth Landis, registrar; and Mrs. Frank Rose returned to post of chaplain after an interim of absence.

Mrs. Elizabeth Walker became historian and the flag custodianship was given to Mrs. Gustav LaVeque.

Re-elected as directors are Mrs. Edward Fair, Mrs. Ben Faxon, and Mrs. William Hutchinson with Mrs. Edward Savage also named to this office.

Cardinal Mooney to Dedicate New Building

His Eminence Edward Cardinal Mooney, Archbishop of Detroit will dedicate and bless Our Lady Queen of Peace Church's new school building and chapel on Sunday, March 19 at 9:30 a.m. The new building is located in Bourdoinville Avenue, just west of Harper Avenue.

Rev. Fr. Charles E. Gougan, Pastor of The Shrine of The Little Flower Church has been invited to deliver the sermon. Rev. Fr. John Wamara, Dean of the Eastern Diocese, is expected to be present, as well as priests from parishes in all parts of the city and suburbs.

Sisters of Dominican High School and St. Jude's Parish, many of whom have given so generously of their time to teach the Catechism Classes will be present at the ceremony. Other Sisters teaching in the surrounding area have been asked to come also. There will be Benediction of the Blessed Sacrament. The general public, many of whom have shown interest in the building project are cordially invited to attend the Dedication Ceremony and to inspect the new building.

Flower Show Mark Expected

In announcing that the Detroit Flower Show will be held from March 24-April 2 at the Grand Hotel, Mr. Jerome M. Hill, general manager of the show, stated that the show is expected to be the largest ever held in the city.

The show will feature a wide variety of plants and flowers from the United States and will include the exhibit Mary flowers and plants which will be brought from foreign sources. A "Spring garden" show will also be held, and a Northern garden from Delaware will be the country's contribution to the show.

Mrs. E. Harris Newcomers to Offer Skit at Pot-Luck Dinner Here

The newcomers of Grass Points have chosen a pot-luck dinner for their first meeting. It will be held at the Memorial Lounge of the Grass Points Memorial Church Friday, March 10 at 8:30 p.m.

The pot-luck dinner will be offered by several members of the newcomers club to the enjoyment of the group to be followed by games and contests.

The party is being planned and executed by Mrs. and Mrs. Clara Gaudin, chairmen. Their assistants are Mrs. and Mrs. Denton, Mrs. and Mrs. Reed, Mr. and Mrs. Robert Hartford, 1624 E. Jefferson Ave. and Mr. and Mrs. Albert Thornburgh, 275 McMillan Road.

New residents to Grass Points are eligible to membership in the Newcomers Club and may obtain details by calling Mr. and Mrs. Clara Gaudin, TU. 1-2206.

Fifty members attended the first afternoon meeting, Mrs. Arthur G. Brown of Audubon road, sister of Mrs. Harris.

The three most prominent trends of beef cattle in the United States are Sporthorns, Herefords and Aberdeen Angus.

Methodist Women Sponsor Dance

The Grass Points Methodist Church will hold its regular monthly family night supper in the basement dining room of The Grass Points Congregational Church, Chalmers & Lathrop, Friday, March 10, at 8:30 P.M.

The special finance committee of The Building Enterprise Commission will have charge of the program.

All those who are members in friends of The Grass Points Methodist Church are urged to call Mr. T. G. Colley at TU. 2-5131 and make plans to attend.

Woods Church Women Groups List Meetings

Evening groups of the Grass Points Woods Presbyterian Women's Association will meet Monday, March 13, at 8:30 p.m. at the following homes:

- Rose Group — Mrs. Robert Scott, 1415 Hollywood.
 - Nash Group — Mrs. Coester S. Reppath, 1214 Hampton.
 - Rebecca Group — Mrs. Cecil Haver, 2115 Lockwood.
 - Phyllis Group — Mrs. Arthur Swanson, 1948 Norwood.
 - Miriam Group — Mrs. M. G. Anderson, 1211 Sorey.
 - Ruth Group — Mrs. Wm. Ferguson, 1948 Hollywood.
- The afternoon groups will meet Wednesday, March 15, at 1:15 p.m. at the following homes:
- Maria Group — Mrs. L. D. Marr, 1461 Anita.
 - Edgar Group — Mrs. Wilfred Wadde, 1492 Alford.
 - Elizabeth Group — Mrs. V. D. Hudson, 1285 Fairmount.
- Mary Group will meet at the home of a member at 11 W.

'Open House' at Cancer Center Attracts Local Club Leaders

Many members of women's organizations in this community attended an "open house" at the Cancer Center, 5111 Jean R. Monday afternoon.

Staged by the Southeastern Michigan Division of the American Cancer Society, the public forum was the first in a series of "open houses" to be held in this county.

Among the speakers was Mrs. Nancy Williams, wife of Governor G. Mennen Williams.

Women's vital role in the fight against cancer was discussed by Mrs. Charles C. Barbes, chairman of the speakers' bureau, and Mrs. Herbert Mead, chairman of the Patients Aid committee. A question and answer period followed.

The open house program is geared to teach the public facts about cancer that will bring patients to physicians in time for cure.

Other "open houses" will be held on Monday and Wednesday afternoons throughout March, beginning at 1:30 p.m. Tuesday evening, March 14, has been designated as the county "flag" for all persons who are unable to attend the afternoon meetings.

Program chairman of local clubs interested in a "radio date" to attend should call the American Cancer Society at Temple 3-3623.

AAUW Meets

The Board of Directors of the Grass Points Branch of AAUW was in session Thursday at the home of Mrs. John F. and Mrs. M. M. Metcalf.

this new **DuMont** gives you

- a BIGGER picture
- a BETTER picture
- at a LOWER price

You'll be dazzled at the great size of the picture — 17 1/2 inches — which has a screen area of 112 square inches.

You'll be impressed at the exceptional picture quality — even better than you have come to expect from DuMont. There's no secret — it's freedom from interference in the Hastings that gives a clear, steady, brilliant picture, even in areas where reception is poor.

The Hastings, like all DuMonts, has FM radio — not as an accessory but as an integral part of the television receiver, taking full advantage of DuMont's fine tuning, its powerful audio circuit, and fine-tone speaker.

You'll like the simple, dignified cabinet of fine-grained mahogany veneers — and last, but not least, you're going to like the price tag, which is exceedingly modest for a receiver of such screen size and of DuMont quality.

Teen Talk

By JOYCE CLEMENTS

Just about the most exciting basketball game of the season was played last Friday on the Grosse Pointe court, when the Blue Devils defeated Highland Park by one point in the last minute of the game.

JOYCE

Chet Sampson honored the team after the game. Blue and gold streamers decorated his modern apartment, and an enormous chocolate cake, bearing the lettering "Congratulations" took the spotlight.

Pointe Cadet Wins Highest Culver Award

RICHMOND J. LAUX

Richmond J. Laux was accorded the highest possible academic honor at Culver Military Academy this week when he was one of ten senior cadets elected to Cum Laude, national scholastic honor society.

St. Paul Hi-Lites

By MARILYN SMITH

The final competitive basketball game, played between the Sophomore, Senior boys Tuesday, February 28, was a real thriller (for the seniors, that is).

MARILYN

That versatile star player, Pete Belanger, has received another athletic honor. His name has been added to the list comprising second division basketball players.

The Flyers dream of competing in the regionals this week was abruptly ended last Friday night when they were forced to bow down to Annunciation 55-41.

Cheering the team on to better playing were Teresa Lyford, Mary Allor, Jack Carpenter, Marilyn Baker, Ann Reed, Connie Molitor, Pat Trombly, Sally McKernan, Jan Drake, Harvey Divens, Bob Modaff, and Marilyn Sutherland.

Larry Reynolds, Mary Margaret Van Damme, Celestine Blondell, Carol Staub, Mary Lou Cavanaugh, Carolyn Floer, Dick Eidt, Sally Hull, Terry Jacobs, Rose Ann Blondell, Janet Flocks, Gloria Wancour, Tom McLaughlin, Joan Hock, and Pat Lawler were other spectators of the Flyers' defeat.

Last week, bookkeeping contestants, Dorothy Arditto, Connie Curran, Marg Lynch, Peggy Hyde, Joan Rabaut, Elaine Wujek, Mary Ann Stuhlreher, Rita Blondell, Amelia Marsack, and Dick Mutschall were awarded the Superior Achievement Certificates for January from the Business Education World.

Sunday's game proved to be a heart breaker for the St. Paul's girls' varsity team. They lost the game, their second played thus far in the regionals, by a score of 24-23. In spite of this defeat they have not been disqualified from the remaining regional games.

Their opposing team was Blessed Sacrament.

35th Kiwanis Convention May Get 10,000

More than 10,000 persons are expected to attend the 35th annual convention of Kiwanis International May 7 to 11 at Miami, Fla., officers of the Kiwanis Club of Grosse Pointe were informed.

Paul Deeley, president of the local club, said that reports from the Miami Kiwanis convention headquarters indicate that preparations for the five-day meeting are fast nearing completion.

Many nationally known figures will be on hand to address delegates, representing 3,100 clubs and 200,000 members throughout the United States, Canada, Alaska, Hawaii and the Yukon Territory, Deeley said.

These speakers will include, among others, Secretary of Defense Louis Johnson, General Carlos P. Romulo, president of the General Assembly of the United Nations, the Rev. Marshall R. Reed, bishop of the Methodist church in the Detroit area, and John Fisher, Toronto, widely known Canadian radio commentator and newspaper columnist.

Delegates will also participate in panel conferences on numerous Kiwanis sponsored activities, ranging from public affairs, boys and girls work and agriculture, to support of churches in their spiritual aims. An outstanding program also is being planned for the wives of Kiwanians, Deeley said.

Anticipating a huge delegate registration, Kiwanis International established its convention headquarters at Miami in January. At the same time, the organization began planning the many features that tie into a

GM Announces New M. D. Training Program

General Motors announced that in cooperation with the University of Michigan, it is inaugurating a new type of post-graduate training program in industrial health techniques for young physicians who have completed their internships.

Under the program, first of its kind to be established in the country, the physicians will be in the employ of General Motors for a period of 12 months. Eight months of this period will be served in the medical departments of General Motors and four months will be spent at the University of Michigan School of Public Health.

nation-wide meeting of business and professional leaders. J. Hugh Jackson, dean of the graduate school of business at Stanford University, Stanford, Calif., and president of Kiwanis International, will preside over the various convention sessions.

The highest temperature officially recorded is 136 degrees at Azizia, Libya, North Africa, in 1922.

Women's Alliance Sponsors Tea

On March 14, at 2 p.m., at the monthly meeting of the Women's Alliance of the Grosse Pointe Unitarian Church, Grosse Pointe, Miss Mary Lynch of Penzance, Cornwall, England, exchange teacher at the Grosse Pointe High School,

will speak on "English Schools and Community Life." There will be a business meeting at 1:30 p.m., as usual. Tea will be served following the discussion. Mrs. Gerrit Van Zanten will be in charge of the tea table.

Center Announces 2nd Series of Music Appreciation Lectures

Enthusiastic Grosse Pointers who attended the Grosse Pointe Memorial Center's first series of music lectures on the "Days in Music," by Miss Louise Cuyler, will be pleased to hear that Miss Cuyler has been persuaded to present another group of talks, the first of which can be heard this Thursday evening at the Center at 8 p.m.

The subject of this new series is "Structure of Music or What Makes the Musical Wheels Go Round." Miss Cuyler will discuss how music takes its shape. There to follow in this series of four talks are "The Forms of Songs and Solo Pieces" on March 13, "Instrument of the Symphony Orchestra" on March 20, and "Orchestral Music, the Symphony, Poems and the Overture," on April 6.

Miss Cuyler, who is an Assistant Professor of Musicology at the University of Michigan, illustrates her talks with music on records. Each talk is scheduled to begin at 8 p.m.

Reservations may be made by calling the Memorial Center, TU. 1-6030, between 9 a.m. and 5 p.m. The public is invited.

Vesper Service at Memorial Church

The Grosse Pointe Memorial Church will present a Vesper Service of Music at 4:45 p.m. Sunday, March 12. A prelude of string trio and organ music to include sonatas by Mozart and Handel will be played by Margaret Simon, violinist; Charles Treger, violinist; Eleonor Lieblich, cellist and Malcolm Johns, organist and choirmaster. The Junior Choir will sing "The Holy City" by Adams and join the Senior Choir in singing "O Come to My Heart, Lord Jesus," by Ambrose.

Miss Marie Curtis, director of the Junior and Senior Choirs, will conduct the Senior Choir in Spicker's "Fear Not, O Israel." The Church Choir will sing Sorensen's "Bethany, O Peaceful Habitation," accompanied by the string trio and the organ. Mr. Johns will play the Virgil Fox arrangement of Bach's "Come Sweet Death" and be joined by the string trio in "O Sanctissima" by Corelli.

The public is invited to attend.

Women Speakers to Get Charter

The Mid-Century Toastmistress group, a branch organization of International Toastmistress Clubs, Incorporated, is announcing plans for its charter night ceremonies to be held on March 17 at the Northeastern YMCA.

Mid-Century, first toastmistress organization in Detroit, to receive its charter, was organized in October, 1949.

The organization meets the first and third Sundays of each month at Northeastern YMCA. In purpose, it follows the pattern of Toastmistress International, in endeavoring through education and practice to prepare women to think clearly, express themselves logically, function effectively in organizational work and take their places in civic, community, and national life.

"Shoe Shine" and "Beauty and the Beast" two art films will be shown at the Cinema theatre for a limited engagement beginning Friday.

College Clique

Mary Lou Straith, newly elected Kappa Alpha president at Michigan State College will represent her chapter at the 39th national convention at Swampscott, Mass., in June. A junior, Mary Lou is the daughter of Mr. and Mrs. Floyd E. Straith, of 1035 Audubon.

The Detroit area Alumnae Chapter of the National College of Education in Evanston, Illinois will be entertained at tea Tuesday, March 7, from 3 to 6 p.m. in the Statler Hotel in Detroit. Host and hostess will be Dr. K. Richard Johnson, president of the college and Miss Clara Belle Baker, director of the Children's School which is operated in connection with the college laboratory school.

In charge of reservations for the tea is Miss Patricia Kerr, 1255 Nottinghamham, Grosse Pointe Park, Michigan.

Stafford W. Keegan, a graduate of Grosse Pointe High School, was among the 75 students who received degrees from Dartmouth College this month. He majored in Government.

Jack Joseph Lucido, of 1507 Sunningdale, is included among the 509 new students at Indiana University, Bloomington, Ind.

Miss Martha Wetherbee has been formally initiated into Epsilon Rho Phi at Kalamazoo College. It is announced by the Dean of Women. The ceremonies, held on March 1, were followed by a banquet at Hotel Harris. Miss Wetherbee, 1115 Whittier, is a freshman.

Drums, Bugles

Cub Pack 147, which is sponsored by the Defer PTA, has a good growing drum and bugle corps, directed by Cub Master George Ryerson and District 3 Commissioner Vince "Doc" Leach.

There is a need, however, for more drums, bugles and other instruments, for some boys whose parents are unable to provide them. Anyone who has an instrument which they would be willing to donate to a musically inclined youngster is asked to call Mr. Ryerson, TU. 5-4217 or the Pack Treasurer, Paul L. Kolvoord, at ED. 1-1517.

Announcement is made this week by James E. Webb that he has reopened his Grosse Pointe Drivers' Training School at 1303 Charles St., TU. 5-0900. Expert controlled cars supervised by expert instructors are used in the training program.

IMPORTANT NOTICE To All Grosse Pointers As To Your War Memorial The Grosse Pointe War Memorial Association has been making extensive efforts for the last several months to check the War Memorial names which will be cast in bronze for a permanent record at the Center. A great deal of effort has been made to contact the veterans listed below. So far, in spite of these efforts, those so listed below have not responded and unless the Association is advised within one week from the published date of these names, they will be eliminated from the tablets. If any resident knows anything about the veterans listed herein, please help the volunteers by calling the Center, TU. 1-6030, and giving the information to the secretary, Mrs. Madeline Bushor. Give!

An Important Message from General Marshall

A STRONG RED CROSS means a stronger America.

With its host of volunteers the Red Cross brings relief to the victims of disaster . . . gives comfort to the hospitalized soldier and veteran . . . helps relieve the anxieties of the serviceman and his family . . . provides, in many communities, life-giving blood to the sick and injured.

Each year the millions who need help and the millions who want to help are brought together through the Red Cross.

This voluntary effort in behalf of our neighbors strengthens the fibres of democracy.

So I ask you to respond to the call for help this year as you have always responded before—with a kind and generous heart.

You, too, 
can help through
Your RED CROSS

Park Candidates Answer Women's League of Voters

The Grosse Pointe Review—Thursday, March 9, 1950—7

Give Views on Village Problems

Editor's Note: The non-partisan League of Women Voters, Grosse Pointe Park Chapter, submitted the following report on views of the two candidates for president and the six candidates for council at the March 13 election. The men were interviewed individually by the League.

LOCAL CANDIDATES

Vote for One
President
 Term of office, two years; salary, one dollar. Qualifications, No special qualifications required.

ISSUES

1. Do you favor the village or city type of government?
 Why?
 2. Do you favor the council manager form, strong mayor form of administration, or any other form?
 3. What do you think is the most important problem facing your community? What are your reasons for thinking so? How would you attempt to solve this?

HOMER C. FRITSCH, 55, graduate of Ohio State University; Vice President and General Manager of Parke Davis & Co.; Elected commissioner of Grosse Pointe Park 1940-1948. Elected president in 1948-1950; Member Board of Directors War Memorial Fund, Office of Civilian Defense.

1. I am very much in favor of the city type of government. There is a duplication of offices in the township and in the village which is unnecessary. It gives the city a complete hand in running its own offices without interference from any other governing body. If we become a city we will have two representatives on the Wayne County Board of Commissioners and give us more power than now. We never have had cooperation in the maintenance of our country roads such as Jefferson, Kerchival and Mack. The collecting of all taxes will be done through the office. Village, State and National elections will be done through one office.

2. I favor definitely the council-manager forms of government. We employ a manager who is educated and trained in the handling of civic affairs; a mayor may or may not be trained. Running a city is the same as running any type of business. You have an elected council which acts as a board of directors, which approves or disapproves of the manager's operations.

3. We have many problems. There is a sewage disposal situation and I don't know whether the problem within the next two years. It may cost the village a lot of money. We have a contract with the City of Detroit for the privilege of dumping sewage disposal into Fox Creek, which they now wish to take away from us. The water rises to a certain level, then spills over into the big sewers. It is pumped into Fox Creek leaving a waste in the water. Detroit's suggestion is to dump into Conner's Creek at a cost of 3 1/2 million dollars to Grosse Pointe Park. The beautification of the entrance to the Park is another problem. Whether we have the funds is another question. Additional problems of rerouting streets, the building of a bus terminal, resurfacing of streets, garbage disposal system, etc., are minor problems.

We can work with the city of Detroit only. It may be necessary to treat the water, accumulation may be buried in tanks. Chlorinating the water into tanks could be less expensive. The garbage disposal could be handled under a coordinate plan by the five communities.

CARL SCHWEIKART, 47, De-

troit College of Law, Supervisor Grosse Pointe Township and Attorney at Law, Township clerk, 1897-1943; Elected Ass't Prosecuting attorney 1930-32; Attorney for Liquor Control Commission 1938-37; Elected Chr. of Wayne Co. Bd. of Supervisors, 1948-49; Chr. Ways & Means Comm. Board Supervisors, 1949-50; Chr. of Draft Board 87—Still active chr. Juvenile Detention Home Comm., Past Pres. of Grosse Pointe Lions Club, Chr. of Goodfellows—past six years. Award chr. Cub Pack No. 147, Member Wayne Co. Loyalty Board, Past Pres. of Out County Supervisors Assn.

1. I believe in the city type of government. I favor the consolidation of the five municipalities into one big city as the only way we can save money. Personally, I think it is ridiculous to have five officers of everything in the township has supplied certain services, health, police radio, and welfare, now lost by petty politics in the communities.

2. There are different forms. I am in favor of a strong-mayor type of government until it is proven a manager proves better. If we vote a mayor in, he can be recalled, if he is not satisfactory, by the vote of the people. In order to get rid of the manager you would have to recall or defeat a majority of the council. That is why I am against that form of government.

3. Most important problem is the assessment on property. Two years ago the village commission voted 10% increase on all old homes, and now there is a 20% increase on all new buildings which has resulted in the lowest ratio of new buildings in the Park. In 1939, the Wayne County Bureau of Taxation instituted the fairest system of assessment in Grosse Pointe. The present commission ignores it. We can solve this by making everyone in the Grosse Pointes "pay the same assessment" on the same types of homes, toward the school and local government, and thus reduce the assessments in the park.

COMMISSIONER

Vote for Three
 Term of Office—Two Years. Salary—One Dollar.

ERWIN G. ALFES, 17, St. Francis University, Contractor, Knights of St. John, U. S. Coast Guard League, U. S. Coast Guard Auxiliary.

1. It would have helped if we had had a city by consolidating the five communities. It would have increased our talking and buying power. It would have eliminated duplication of offices. As an individual, I am in favor of the city type of government. Then we can eliminate the one man rule in the village as it is today. We can't carry the burden of the township now as we are paying higher taxes than any other of the communities.

2. I favor the strong mayor and council form of administration because the mayor and council are chosen by the people. If the mayor is not qualified he should not be elected. The manager is appointed, and the people have no choice in his selection.

3. We should try to separate the two school districts to reduce our taxes as we should not be financially responsible for Gratiot Township.

The Waterfront Park should be available for year round activities. Sewage disposal is another problem. The interceptor sewer should be operated in a different manner so that there would be no back-up.

Essex Street should be made a stop-street. Too many accidents occur at the intersections along Essex. The traffic problem at Jefferson and Barrington is serious and the handling of the buses and street cars at the city limits should be studied.

JOHN BLOODSWORTH, 52, University of Pennsylvania, Certified Public Acct., Senior Partner of Price, Waterhouse & Co.; Elected Commissioner of Grosse Pte. Park since 1946; Immediate Past Pres. of Mich. Assn. of CPAs; Treas. of Interprofessional Council of Det.; Chr. of Special Gifts of United Found.; Trustee and Treasurer of Liggett School.

ST. PAUL NEEDS NEW BUILDING

These photos show the overcrowded conditions in St. Paul's Parish School. Too many pupils in every class, and there is too much work for the Sisters. About 200 pupils were turned away last year because of lack of room and it is estimated that 320 would like admittance if facilities were available. Seeking to alleviate this condition, the parish is engaged in a fund-raising campaign to pledge \$600,000 to build an addition to the school. The campaign, now nearing a close, has resulted in pledges for about three-fourths of the amount needed to begin construction. Every parishioner is being urged to turn in a pledge card now, with at least half of the pledged amount in cash. The remainder is payable in 1951 and 1952.

Member of Bldg. Com. of Bon Secours Hosp.

1. I am in favor of the city government because it is more efficient. We want to give the taxpayer the most for his money and eliminate duplication.

2. I favor the council-manager for a village of this size. The Council is not a paid group including the President. We cannot attract a trained man for the job on an elected basis unless he is paid. The council manager has demonstrated in the last ten years what can be done in a community of this size. It is important to have a trained person to carry day to day operations. The Council determines the policies, the manager carries them out. This is a million dollar business annually.

3. There are three or four problems. The first is to maintain the outstanding residential character of the village. There is a constant pressure from all sides for us to deviate from that policy. There is no reason to permit any more business than the ordinances provide for at the present time. Secondly, taxes are slowly but surely breaking the tax payer's back. The way to control the situation is through the individual casting his vote and making a contribution to the community according to his capacities. During inflation, as now, only by constant vigilance and exercising the best judgment can we keep expenses at a good reasonable level. One of our principle troubles is that people in this village do not vote, usually less than 10% of our registered voters. A person sure of 500 votes could control the village. The people should put moral weight behind a problem which they think is right. Thirdly, there is the lighting problem: our present system is obsolete. A modern lighting system is urgent-

whole job. It is a question of spending taxpayers dollars unnecessarily. The city type of government presents opportunities for improvement in handling services to the people. Incorporating as a city is the only method by which we can withdraw from the township. It is not disputed by any of the candidates. I hope this will be done. It should have been done a long time ago. We took over the police radio from the township. It now gives much better protection and is operated at a substantial saving.

2. I am very much in favor of the council-manager form of administration. I am unalterably opposed to substituting a political figure for a trained engineer and municipal manager who is responsible directly to the council. All a mayor needs to worry about is being elected to office. We hire a trained engineer and municipal manager. This takes actual routine management out of politics.

3. We are confronted with the problem of purification of the water overflow into the river which must be solved. One of the most interesting problems and one of great importance we are working on is our planning of the civic center and the program to protect the community against

ly needed. I favor a civic center as a buffer to prevent further encroachments from the City of Detroit.

RAYMOND J. DIERICKX, 31, Catholic Central and St. Joseph's Commercial, Cass Tech., Real Estate and Insurance Agent; Member of Grosse Pointe Lions Club.

1. There is nothing to be gained by the city type of government. Financially Grosse Pointe Park cannot support the Township now that the Farms and City have divorced themselves from the township. I favor the city-form now.

2. I definitely favor a strong-mayor. It takes the incentive out of the election because you can't get men to run on a dollar a year basis. By having a strong mayor, you do away with high priced managers. I don't believe in a manager who is appointed by the council because you have to have a majority of the council in order to get rid of the man.

3. Taxes are too high. They should be cut. Curtail the unnecessary spending. Assessed valuation on new homes is too high so we don't have the building. I do not know the assessed valuation. I believe water rates are too high.

KARL B. GODDARD, 63, University of Michigan, Attorney at Law; Partner-Goddard, McClintock, Fultin & Donnan. Elected Pres. Village of Grosse Pte. Pk., 1940-43; Elected Com. Village of Grosse Pte. Pk., 1947; Appointed by Village Comm. to fill vacancy 1947.

1. I favor the city type of government because I feel that we have had a duplication or overlapping of government with the township set up for many years. There are a number of offices that are doing some type of work in the township and in the village and either one could do the

encroachment of undesirable business. We want to maintain the residential character of the Park. The Village has submitted a plan to the State Stream Control Commission which they think deserves consideration.

GILBERT W. GRDEEN, 38, University of Michigan Walsh Institute-Accounting Steel Buyer & Production Expediter; Ainsworth Mfg. Co.; Vice Pres. Grosse Pointe P.T.A. Council Chr. Scout Troop No. 147 Defer School.

1. At this time I favor city form with reservation. Had we not allowed our neighboring communities to force us into this choice I would have favored continuing the township as a tie that bound all of the communities together toward an eventual consolidation into one large city. I consider the school district, which will still be a separate entity, as the real boundary of the Grosse Pointe Community.

2. Strong mayor or village manager makes no difference. Strength of the municipal government rests with a strong council. The word strong-mayor is a misnomer. In either case, mayor or village manager, the council should set the administrative policies and see that they are carried out.

A village manager is usually hired from the outside and in most instances is well versed in good government. The danger: He has no strong tie to the community and will offer his services to the highest bidder.

There are many good mayors; in most instances you will find them controlled by a strong intelligent council.

In conclusion: I take no definite stand on mayor or village manager as I feel that our government is most dependent on the council in interpretation of the leadership which they have at hand.

3. We have many problems: The chief problem which faces this community is a reduction of our taxation without sacrificing service. We have penalized the taxpayer in Grosse Pointe by an artificial raise in assessed valuation. We have made no honest to goodness effort toward a natural increase in assessed valuation by a promotion and development of our vacant land.

We should not add a "civic center" to our already increased expenditure since we have adequate public buildings in our community to carry on all possible civic functions.

PETER J. KOENIG, 42, University of Michigan; Vice Pres. Koenig Coal & Supply Co.; Elected Comm. of Grosse Pte. Pk., 1946-48, 1948-50.

1. I am in favor of the city type of government. Under our present township system the Park will carry 37% of the expenses. We will be supporting the township's activities while we do not participate in those activities. Under the township government, the village had no jurisdiction in the handling and inspections of foods in stores and restaurants

which was a definite handicap because the township did not have enough help to do a good job and our hands were tied. I believe that the handling of food should be carefully supervised.

2. I am in favor of the council manager form of government. From personal observation, I know that the council manager form has tried to get the village on a good financial basis. The village debt has been reduced by \$1,200,000. Under the mayor form of government uncalled bonds had been issued to resurface the streets about 20 years ago. We have paid 4 1/2% interest without the opportunity to reduce them. It is true our taxes are higher, but we have reduced our debt, and we have operated on the pay as you go basis. We have made improvements and no new bonds have been issued.

3. Our most immediate problem is street lighting. We still pay interest on \$180,000 for our old system which is obsolete and inadequate. The question is should we install a complete new system and float a bond issue to

McHugh Bids For Charter

Hugh McHugh, 49, of 1244 Wayburn, veteran of World War I, is a candidate for City Charter Commission.

He was a member of the famous 32nd Red Arrow Division. He also was a Village police officer for 19 years.

His supporters claim he is highly qualified to assist in drafting a city charter.

McHugh, married, is in the real estate business.

FIRE WRECKS CAR

Fire wrecked the interior of an auto owned by E. J. Beger, 1811 Norwood, Woods police reported.

pay for it, or should we do a little at a time and pay as we go. I am in favor of doing it piece meal. We should have more year round recreational facilities for the children of Grosse Pointe Park.

SET YOUR EYESIGHT FOR

Census Takers To Ring Pointe Door Bells On April 1st

By DORIS MILATZ

When Grosse Pointe citizens start ringing each other's doorbells on April 1 and telling each other they're U.S. Census Enumerators, it won't be an April Fool's joke. In fact, should any "enumerator" take his job a bit too lightly and betray any of the confidential data he obtains, he is risking a severe penalty that is definitely no laughing matter—because Census material is not even open to the FBI.

Legal Notice NOTICE

CIVIL SERVICE EXAMINATION FOR FIREMEN GROSSE POINTE PARK FIRE DEPARTMENT

The Village of Grosse Pointe Park is requesting applications for the employment of three (3) firemen for the Fire Department.

Applications must be made in writing to the Secretary of the Civil Service Commission not later than Monday, March 20, 1950, at 12 Noon. Blanks may be obtained from the Municipal Office, 15115 E. Jefferson Avenue.

Applicants must be residents of the Village of Grosse Pointe Park for one year, and citizens of the United States. They shall not be less than 21 nor more than 31 years of age, and shall have attained a tenth grade education.

The minimum entrance salary for the firemen's position shall be \$255.00 per month, which is subject to increase pending six months probationary period.

Final examinations qualifying the applicants will be held at the Municipal Building, 15115 E. Jefferson Avenue on Thursday, March 23, 1950, at 2:00 P. M., E. S. T.

CIVIL SERVICE COMMISSION FOR THE FIRE DEPARTMENT OF THE VILLAGE OF GROSSE POINTE PARK

Member

Not that the "enumerator" who rings your doorbell will be any Sherlockian looking character. Most likely it will be a friendly housewife who has passed her application test and training period, an devil put in an eight hour day for the following two or three weeks taking Census of 1000 people living near but not right in her own neighborhood.

Four hours per day sessions of a 20 hour form-familiarization course will prepare her to help you answer the national Census questionnaire that will cover—this year—where you are from, the current trends, and your present working conditions, which is being stressed more this year than in any previous Census.

This year's questionnaire length depends on a process of elimination. If you happen to be under 14 years of age, not a head of a household or the one in every five—you and her lot will be an easy eight questions, quite simple and routine. But if the head of the household answers the doorbell, is over 14 years of age, and happens to be that one in every five, she'll have about 38 questions answered.

The majority of questions will be those of the population form No. 1, containing the same routine queries asked in previous years' Census. But there will be the progressive one asking each household whether they own a television set, and also the request for the total of your yearly income, which is expected to be the most controversial and confusing question in the set.

The income question, which will be the one asked the every fifth person, covers solely your income or present earning wage, and does not include any other assets or savings you may already possess not drawing more income for you. This will be used for absolutely no other purpose than to put the Bureau in a position to advise business and industry about the potential markets in the different localities.

To many, this will probably seem the most personal question of the lot—excepting of course, the age query when addressed to women. But all of your replies will be maintained in the strictest of secrecy. You need fear no "back-yard gossiping" afterward from your Census taker. The penalty sentence—which are up in the \$2,000 bracket—prove a very effective discouragement.

League Meets

"Life Can Be Fun in a Wheelchair" is the topic that Lacy Corbett will talk about at the March 10 meeting of the Michigan League for Crippled Children at the Barlum Hotel Ballroom.

A noon luncheon will be served before the 2 p.m. meeting for which reservations may be made by contacting Miss Esther Witzke.

ELECTION MARCH 13

This Ad Contributed by Friends

Report By Bloodworth

A. J. Bloodworth, Grosse Pointe Park commissioner of finance, submitted the following report regarding the use of the taxpayers' dollars during the past ten years. Mr. Bloodworth is seeking re-election:

On April 1, 1940, when some of the present Village officials took office, the financial condition was very alarming. An audit was made, and it revealed that \$192,848.45 was lacking in the Sinking Fund. It was apparent that the former administration had borrowed this amount for operation of the Village but had failed to transfer the cash to replenish the fund.

The State law made it mandatory that the \$192,848.45 be repaid to the Sinking Fund. This amount was paid in the following manner: \$100,000 was assessed to the taxpayers during the years 1940-1941-1942-1943. The balance was recovered from State land sales collected by the Village.

In the year 1940, it was also found that the net bonded indebtedness of the Village of Grosse Pointe Park totalled \$2,483,415.34. Previous administration had issued long term non-callable bonds at interest rates averaging from 4 1/4% to 5 1/4%. These bonds could not be called for refunding, and it is the obligation of the Village to pay this high rate of interest until the bonds mature. This large indebtedness resulted in a very substantial annual debt service requirement of approximately \$200,000 a year. This greatly increased the annual tax rate in every subsequent year. Approximately 22% of your tax dollar is required to pay off this large debt.

During the years 1941 and 1942, the taxpayers made urgent demands for needed improvements. Relief sewers were inadequate and approximately 125 basements were flooded during ordinary rain storms. The streets were in bad repair, the street drainage was not functioning, and the general overall physical condition of the Village was very poor. The equipment in the Department of Public Works was also obsolete and badly worn and needed replacement.

In view of the heavy bonded indebtedness, the officials adopted a new financing plan to avoid the issuance of any additional bonds. Since that time the Village has been on a strict pay-as-you-go basis for all expenditures. Act No. 177 of Public Acts 1943 was passed by the State Legislature at this time, authorizing municipalities to establish funds for the purpose of appropriating and setting aside money for constructing, acquiring, extending, altering and improving public improvements. An Improvement Reserve Fund was then established for financing of necessary improvements over approximately a six-year period.

The following is a brief summary of some of the improvements made during the past ten years: The storm water pumping station and large storm relief sewers were constructed previous to 1929 and were adequate for storm water relief. However, the sewers in many sections of the Village were not of sufficient capacity and grade to carry the storm water to the large relief storm sewers. To correct this condition, relief sewers were replaced and constructed in the following streets: Whittier, Charlevoix, Grayton, Balfour, Mack, Maryland, St. Paul, Lakepoint, Beaconsfield, Hally Place, and a large backwater gate was installed at Jefferson Avenue and Barrington Road.

In the years 1943 through 1949 some 30 miles of street in the Village were improved with seal coating or resurfacing, including the replacement of 500 new catch basin and curb inlets.

Four thousand large elm trees were trimmed, repaired and maintained.

Miles of street curbing were replaced in the Village. A Park comfort station, to meet the State sanitary requirements, was constructed during 1949.

A new garage building and extension has been under construction during 1949.

Improvements were made to the Park swimming pool and a

complete chlorination system installed.

Other improvements include the purchase and replacement of equipment in the Department of Public Works, Police and Fire Departments, Water Department, and the municipal offices.

All of the above was done without increasing the debt of the Village one penny.

Budget increases from 1942 to 1949 approximated 52%. This increase is not excessive, compared with the increased cost of labor, equipment, material and supplies as quoted by the U. S. Bureau of Governmental Statistics. That Bureau reports an increase from 1942 to 1949, over the country, of 74%.

The Village tax rates from 1942 through 1949 were as follows:

1942 - \$16.41	1946 - \$18.60
1943 - 16.78	1947 - 19.50
1944 - 17.11	1948 - 19.50
1945 - 16.72	1949 - 19.45

The Village tax increase from 1942 to 1949 averaged only 18.5%. The increase in Improvement Reserve Fund for the financing of new sewer construction in 1946-1948 effected a gradual increase in the tax rate. The tax rate was slightly reduced in 1949.

There has been considerable confusion in the minds of many taxpayers regarding the amount of the Village tax. This is because the County, Township and School taxes are paid at the Municipal building as well as the Village taxes. Your Village tax for 1949 was \$19.45 per \$1,000 of assessed valuation. In addition to the Village tax you had to pay on your property County, Township and School taxes of \$24.67 per \$1,000 of assessed valuation. This made a total tax for the year of \$44.12 per \$1,000 of assessed value. Your Village Government has no control over and is in no way responsible for the County, Township and School taxes of \$24.67.

Your present administration and those in office from 1940 to 1949 have made the necessary improvements, and have improved rendered per tax dollar.

No bonds have been issued since 1940, and no money has been borrowed anticipating the collection of taxes. The Sinking Fund Reserve for bond retirement is solvent. It now totals \$956,826.25. The net Bonded Indebtedness as of March 31, 1940 totalled \$2,483,415.34. On January 1, 1950 the total net debt was \$1,189,173.77, or a reduction of \$1,294,240.57. The Improvement Reserve Fund has a balance \$1,000,000 which is available for planned necessary improvements for the near future.

The present financial condition of the Village is excellent with an A-plus rating. Annual Village audits are made by Certified Public Accountants. The records from the State Debt Commission will also verify the facts stated regarding the reduction in debt.

The President and the Village Commissioners are each paid \$1.00 a year. They have been individuals who have been willing to give their time in the interests of good government for the Village.

Meetings Conclude

Ebenezer Baptist Church, Morris Rd. at Harper Ave., concludes its special meetings this week end with Rev. DeLoss Scott as guest speaker. Rev. Scott is the pastor of the National Tabernacle, Washington, D.C.

This Thursday evening at 7:45 p.m. the subject will be "The Cross of Revelation." On Friday evening at the same hour the subject is "Leeks, Onions and Garlic." Sunday morning at the 10:00 a.m. worship hour Rev. Scott preaches on "Up from the Wilderness."

Announce Troth

The engagement of Ann Seymour Crouse of Provençal road, to Minot Dennett Eaton, son of the Clarence Eatons of New Bedford, Mass., was revealed by Miss Crouse's parents, Mr. and Mrs. Charles B. Crouse.

Ann graduated from Miss Hewitt's Classes, N.Y., while her fiance is a graduate of Trinity College.

CANDIDATE FOR COMMISSIONER

WAKE UP MR. PARK TAXPAYER!! HERE IS THE PROOF!

In addition to the 10 percent and 20 percent increase put on your home by the present officials of Grosse Pointe Park, here is the proof of another contemplated raise.

Are you going to pay 23 1/4% and 33 1/4% more assessments than any other municipality in the Pointe?

Is This Necessary?

BUREAU OF TAXATION COUNTY OF WAYNE

Detroit 26, Mich.

March 1, 1950

Mr. Carl Schweikart, Supervisor
Grosse Pointe Township
15115 East Jefferson Avenue
Grosse Pointe 30, Michigan

Dear Mr. Schweikart:

Reference is made to your letter of February 28, in which you ask the following specific questions:

1. Has your office been requested by the Village of Grosse Pointe Park to re-compute the building values in that community?

2. If such a computation has been made, what is the percentage relationship between the total re-computation and the total of buildings as assessed on the 1949 Village roll?

In July, 1949, we were requested by the Village Commission, through Mr. A. J. Bloodworth, Commissioner of Finance and Chairman of the Assessment Study Committee for the Village of Grosse Pointe Park, to undertake a re-computation of all buildings in the Village based upon a new building schedule developed by this office from current value and cost data, reflecting the level of values used in the current County equalization of assessments. The computation included the application of depreciation to all structures down to and including the year 1950.

In accordance with the above noted request, the Bureau of Taxation made the re-computation and delivered the new field sheets to the Village Assessor on January 20, 1950. The total value of the buildings as re-computed under the new schedule is 13.25% above the total assessments of these buildings in the 1949 assessment roll of the Village.

Very truly yours,

Albert E. Champney,
Director, Bureau of Taxation

ELECTION MONDAY, MARCH 13th

RESIDENTS LIVING NORTH OF KERCHEVAL, VOTE AT DEFER SCHOOL
RESIDENTS LIVING SOUTH OF KERCHEVAL, VOTE AT THE MUNICIPAL BLDG.

An Answer To Mr. Goddard

In a recent issue of the Grosse Pointe Review, I noted with pleasure that both candidates for the office of president of the village of Grosse Pointe had made a statement that they would not restrict their statements to the issues of the campaign and would not enter into personalities. In your attack on the integrity of Mr. Carl Schweikart and his associates, as you put it, you, Mr. Goddard, have used an old political weapon, commonly called "a scare campaign."

In answer to your accusation that Mr. Schweikart and his associates are a part of a political machine, I am pleased to announce that both Mr. Schweikart and myself decided to allow our names to be placed on the ballots at a meeting of Boy Scout Committee, both of us being very active in that organization. If this be a political machine, Mr. Goddard, we will stand guilty, as you do, but we do feel that we have done the community much more good in serving these boys than you have in your connections with the so-called "Citizens Association."

You have unreservedly endorsed the candidacy of the present Commissioners, knowing all well in your own mind, that some of them have been very active in their duty of attendance at the affairs of this village, and that you have often had difficulty obtaining a quorum at your meetings.

You point out in your letter that our village manager is not well trained in that capacity, but has saved the village considerable

BIDS WANTED

BIDS TO BE RECEIVED FOR PURCHASE OF PART OF MACK AVENUE TRACT SITUATED IN GRATIOT TOWNSHIP, OWNED BY VILLAGE OF GROSSE POINTE WOODS

The Village Commission will receive sealed proposals for the purchase of the following described property at its regular meeting to be held on April 4, 1950 at 8 o'clock P.M. at the Municipal Building in the Village of Grosse Pointe Woods:

"That part of Private Claim 621 described as beginning at a point on the northerly line of Private Claim 621 distant south 64° east 1197.50 feet from the intersection of said line and the easterly line of Harper Avenue 106 feet wide and proceeding thence south 64° east along said northerly line 562.94 feet; thence south 1° 36' 40" west along the east line of Gratiot Township, 836.75 feet, thence north 64° 06' 21" west 908.48 feet; thence north 26° east 763.75 feet to the point of beginning."

All bidders must accompany their bid with a good faith cashier's or certified check payable to the Village of Grosse Pointe Woods in a sum equivalent to 10% of the bid price to be forfeited as liquidated damages for failure to consummate purchase if the bidder is successful. Bids to be based upon net price to the Village.

The Village will furnish a title policy in the sum equivalent to the purchase price; the Village will furnish a form "C" deed of conveyance. The balance of the purchase price must be paid within ten days after the successful bidder has been furnished with a title policy commitment evidencing marketable title in the Village of Grosse Pointe Woods.

The Village Commission reserves the right to reject any and all bids. A plot plan of the property proposed to be sold is available at the office of the Village Clerk.

Phillip F. Allard,
Village Clerk

Library Spotlight

By JEAN TAYLOR

"John, we really must do something about this house, it needs..."

When you are confronted with these words at breakfast one of these mornings, you'll know without question that Spring has arrived.

The most wooded season of the year announces its arrival to many people in many ways. For some it begins with the first robin, for others with the bit of yellow forsythia they manage to force indoors. However, judging by the requests at the library for books on remodeling, redecorating, refurbishing and the like, the most common harbinger is the urge to "do over" the house. Spring sunshine is relentless in its exposure of shabby corners.

Let the library help you redecorate and rejuvenate! Remodeling and Adapting the Small House by H. D. Eberlein. "Before and after" pictures and plans illustrate these concrete suggestions for making over a house.

A Home of Your Own and How to Run It, by Henrietta Ripberger.

Practical and amusingly written manual on choosing a home, furnishing it and keeping it in perfect running order.

Good-bye, Mr. Chippendale, by T. H. Robsjohn-Gibbings.

A short and sound debunking of the worship of antiques and a plea for the American artist and contemporary design.

Encyclopedia of Home Care and Repair, by William J. Hennessey.

A guide book of complete and accurate information on what is usually thought of as a man's work about the house.

Home Guide to Repair, Up-keep and Remodeling, by William H. Crouse.

Practical manual for the householder who wants to do some of his own repair and maintenance work on house and garage.

Decorating Your Home, by Kay P. Parker.

Suggestions for home planning and decorating for the beginner, covering treatment of walls, windows, floors, furniture and color.

What Every Woman Should Know About Furniture, by Jeanne Judson.

Volumes of plates showing period pieces as well as modern furniture.

Upholstering Home Furniture, by Blanch R. Pope.

Textbook on all types of upholstering for new furniture and the reconditioning of old.

Easy-to-make slip covers, by Herbert Bast.

Photographs and clear instructions on the cutting, fitting and finishing of slip covers for different types of chairs and couches.

Many periodicals offer helpful suggestions for redecorating. House Beautiful, House and Garden, Better Homes and Gardens, Antiques and Consumer's Research Bulletin are all available at the library.

And don't let the lack of tools dampen your enthusiasm. The library can offer you these tools, thanks to the generosity of the Grosse Pointe Rotary Club. They may be borrowed in the same manner as your library books for a two week period.

Blackstone Presents Wonders

Blackstone, the famous magician, comes back to the Shubert Lafayette Theatre for an engagement of ten days, beginning Monday evening, March 13, and ending Wednesday evening, March 22, with matinees on Wednesday, Saturday and Sunday, March 19 and 22.

Blackstone, who bills himself as the "World's foremost exponent of the school of Necromancy, which produced Herrman, the Great, Harry Keller, Howard Thurston and Harry Houdini, will present a "Show of Wonders," which runs well over two hours, and is presented in two acts and thirty spectacular scenes.

It is said to be the proudest boast of Blackstone, that his expenditures for this year's production have eclipsed all previous efforts with many new and startling illusions, gorgeous and costly scenery and effects, and to top it all, a greatly enlarged company.

Methodist Church Holds Meeting

An evening of "square dancing" is being planned Friday, March 31, by the Grosse Pointe Methodist Women's Society at the Rouse Vanker Memorial Home, Cadieux and Harper.

Music will be furnished by the "Brennans" with special attention being paid to instruction of beginners.

Proceeds will go toward the new Methodist Church building under construction on Moross road.

Tickets are on sale, according to Mrs. William F. Horsch, chairman. They may be obtained by calling Mrs. Hugh Delfs, 419 Touraine, TU, 2-2636 or Mrs. Ernest Scherer, 85 Stanton Lane, TU, 1-7013.

Mrs. Francis Shaw, 19020 Chandler Park Drive, is chairman of the refreshment committee, helping her are Mrs. David McKee, Mrs. Jennie Nutter and Mrs. Richard Nutter.

The public is invited.

An acre of corn loses about 48 tons of water in a single day by evaporation.

????????????????

Who Are You Kidding About Taxes, Mr. Schweikart?

From 1941 to 1949 Park Village taxes increased 29 per cent.

In the same period, Township taxes increased 40 percent. (With school taxes included, the increase is 46 per cent.)

Mr. Schweikart, if you propose to reduce taxes, where will you do it? Will you take it out of municipal employees' salaries? Will you reduce services?

Or will you "borrow" from our Sinking Funds as was done prior to 1940?

If you are interested in true economy, Mr. Schweikart, why did the five Grosse Pointe communities have to take the Police Radio away from you to save \$15,000? Why did they have to take the Health Service away from you to save \$19,000?

If you are really interested in economy, why doesn't your past record prove it? Taxpayers! Get out your own tax bills and draw your own conclusions. Then vote on March 13 to return Village President Homer Fritsch and these Commissioners to office: Karl Goddard, John Bloodsworth, Peter Koenig. A vote for them is a vote for good government BACKED BY PERFORMANCE, NOT BY UNSUPPORTED PROMISES.

This advertisement paid for by a number of Grosse Pointe Park taxpayers who believe in the business-like way that Park affairs have been administered in recent years.

????????????????

To All Residents of Grosse Pointe Park:

WHY IS THE COMING MARCH 13 ELECTION CALLED THE MOST IMPORTANT ELECTION IN THE PARK SINCE 1940?

Because it will be up to YOU to RETAIN THESE COMPETENT MEN IN OFFICE:

- FRITSCH** FOR PRESIDENT
- BLOODSWORTH** FOR COMMISSIONER
- GODDARD** FOR COMMISSIONER
- KOENIG** FOR COMMISSIONER

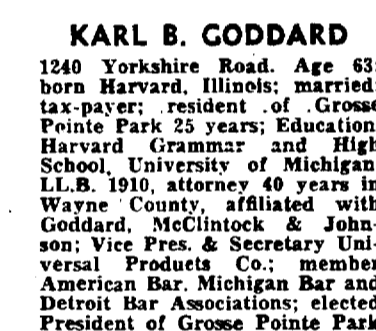

The past ten years' experience in the Park has clearly demonstrated the wisdom of the "Manager" form of government which permits the full-time services of a professionally trained manager, guided by a group of public-spirited citizens serving as commissioners on a dollar-a-year basis. Under this plan the Park has been given efficient government, with taxes kept down in the face of steadily rising costs.

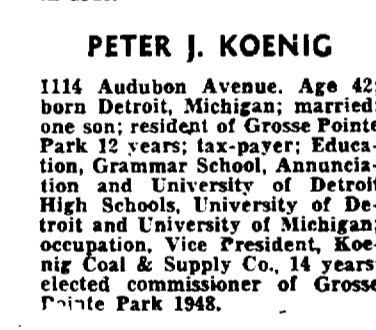

HOMER C. FRITSCH
1009 Harvard Road. Age 55; born Fiqua, Ohio; married; tax-payer; resident of Grosse Pointe Park 15 years; Education, Fiqua Grammar and High Schools, Ohio State University, B.S. 1916; occupation, Vice President & General Manager Parke, Davis & Co.; Village Commissioner 1948-1949; Village President 1948-1950.

A. J. BLOODSWORTH
1025 Devonshire Road. Age 52; born Hornell, N. Y.; married, one daughter; resident of Village 14 years; tax-payer; Education, Cornell Grammar School, University of Pennsylvania, B.S. in Economics; World War I veteran; occupation, certified public accountant, partner in firm of Price Waterhouse & Co.; elected Commissioner of Grosse Pointe Park in 1946 and has served since as Commissioner of Finance.

KARL B. GODDARD
1240 Yorkshire Road. Age 63; born Harvard, Illinois; married; tax-payer; resident of Grosse Pointe Park 25 years; Education, Harvard Grammar and High School, University of Michigan, LL.B. 1910, attorney 40 years in Wayne County, affiliated with Goddard, McClintock & Johnson; Vice Pres. & Secretary Universal Products Co.; member American Bar, Michigan Bar and Detroit Bar Associations; elected President of Grosse Pointe Park in 1940.

PETER J. KOENIG
1114 Audubon Avenue. Age 42; born Detroit, Michigan; married; one son; resident of Grosse Pointe Park 12 years; tax-payer; Education, Grammar School, Annunciation and University of Detroit High Schools, University of Detroit and University of Michigan; occupation, Vice President, Koenig Coal & Supply Co., 14 years; elected Commissioner of Grosse Pointe Park 1948.

VOTE "YES" ON CITY INCORPORATION

Elimination of the outmoded Township setup will put an end to certain duplicating functions and should result in a substantial saving in salaries and expenses each year. The manner of making this change is simple. First, it requires a majority vote in favor of the general principle of incorporating as a home rule city. This proposition is on the March 13 ballot. At the same time the voters elect a nine-man charter commission to write the city charter. During the next several months the charter commission threshes out what should be in the charter and then there is an election to decide whether they have drawn up a good charter and, if they have, to elect the first officers of the City of Grosse Pointe Park. It is highly important that great care be given to the selection of the members who are to make up the Charter Commission and you are urged to vote for the following well-qualified persons:

- C. Joseph Belanger** **William Gillett** **T. Edward O'Connor**
- Bennett Burgoon** **Clarence H. Koebbe** **Howard P. Parshall**
- Margaret E. Collins** **Robert E. McKean** **Victor H. Wehmeier**

Your vote on March 13 is the best indication of your interest in the future welfare of our fine community.

Blue Devils Capture BCL Title, Bid for Regional Honors

By JOE REDFIELD
Grosse Pointe Blue Devils captured the Border Cities League title by beating Highland Park Polar Bears 41-40 Friday night.

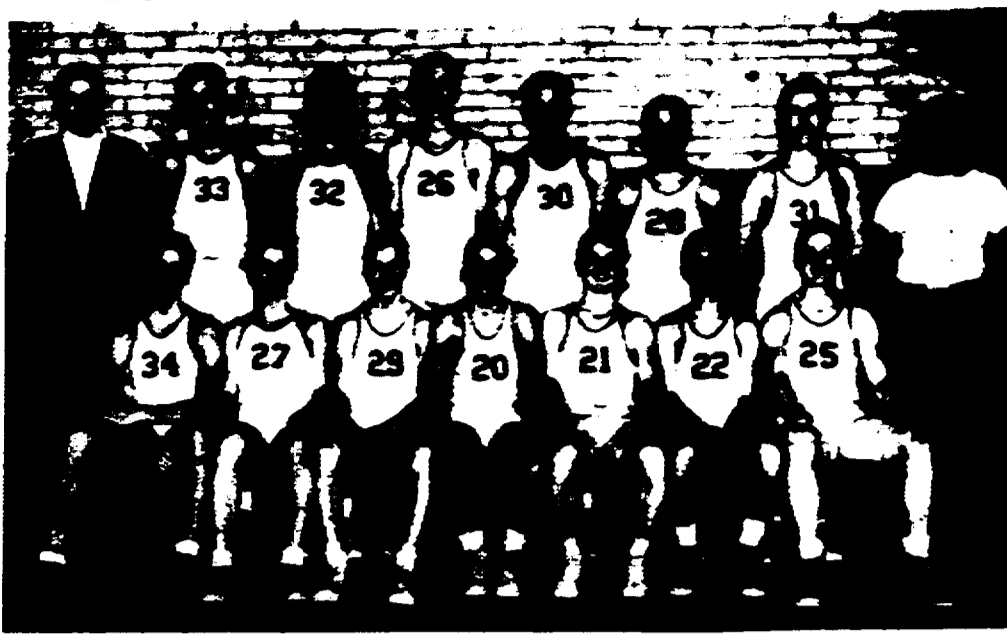

GPH Tankers Bid for State Honors at U-M

By JOE REDFIELD
Grosse Pointe High swimmers are getting ready for the State Swim Meet to be held Saturday in the Intramural Sports Building at University of Michigan.

Nay, who has broken the official National Interscholastic 120-yard individual medley record two times and holds the 100-yard breast stroke record in his home pool, should take first in both events.

A two per cent sales tax was put into effect in Wyoming in 1935.

BORDER CITIES LEAGUE CHAMPION

Here is Grosse Pointe High School basketball team which captured the Border Cities League Championship this season with a record of 13 wins in 15 starts. From left to right they are: back row, Leonard, mgr., Coury, McCullough, Quick, Johnson, Schoeck, and Coach Ed Werner; front row, Need, Davison, Hafer, Mann, Peterson, Peplinski, and Lowery. Bray, Metry, Brogan and Harden were moved up to the varsity at the second semester, are not included in this Grosse Pointe High School photo.

Chesterfield Card

Friday night's wrestling show at Chesterfield Arena, Grant near 10-Mile road, lists "Gentleman Jim" Doble and Bert Ruyv in a tag out against Terry Perva and Paul Orth.

Failing to look both ways before crossing the street is almost a sure way to have a one-sided meeting with a motor vehicle—and the car always comes out intact.

St. Paul Bowling League Standings

Table with columns for Women's League, Men's League, and Team Standings. Lists names and points for various bowling teams.

Mondry Bowlers Hold Lead in Pointe Rotary League

Continuing right where they left off the week previous, the Mondry bowlers added another four baggers to their ever increasing list in the win column.

Sportsmen Meet

The St. Clair Shores Sportsmen's Association will meet at 7:30 p.m. Tuesday, March 14, at South Lake High School.

City of Grosse Pointe Farms
Summary of Proceedings
Adjourned Regular Council Meeting
FEBRUARY 27, 1950

Present on roll call: Mayor William F. Conolly, Jr., and Councilmen Henry H. Hubbard, William G. Kirby, Richard L. Maxon, and George L. Schaeffer.
 Absent: Councilmen John M. S. Hutchinson and Neil S. McEachin.
 Mayor Conolly presided.
 Minutes of meeting held on February 20, 1950, were read and approved.
 Council authorized architects on the new Public Works garage to prepare the plans and specifications for a 100-foot building.
 Approval was given to the employment of additional help in the Maintenance and Engineering Departments.
 Bills paid in February and two special bills were approved.
 Bills for March were referred to the Finance Committee by the Mayor.
 Request of Police Department for 40-hour week.
 Request of Fire Department for 40-hour week.
 Water Adjustments - Specific Cases.
 Standing Committees and Departments Under Chapter 1, Ordinance No. 10, 30 P.M.

W. F. CONOLLY, JR. Mayor
HARRY A. FURTON Clerk
