City Court Hears 13 On Disorderly Charges

Replaces Township Service

New Park Sought for Woods

A six-man committee was named at a Grosse Pointe Woods public hearing Monday to study Village housing and playground sites.

Acting Village President George Gardiner named Rex Johnstone, Leon Ratcliffe, councilmen; Harry Pratt, Edward Savage, Park Planning Commission members, and Lincoln Maire and Charles Donahue, private residents, to study the over-all picture and report to the Council April 18.

This action is the result of a mass protest by property owners against the construction of 111,000 homes on a seven-acre plot east of Mack near Bouremouth.

At the hearing, George Burgess, ex-councilman, and spokesman for 310 petitioners, said that the property should be purchased by the Village for use as a playground.

Woods now has two public parks, one at the lakefront and the other on Mack at Kenmore.

AT SPRING FLOWER SHOW

Among the Grosse Pointe gardens and floral arrangements at the 1950 Flower Show at Convention Hall is Mrs. John S. Newberry's beautiful old fashioned garden. Admiring Mrs. Newberry's beds of white glacier tulips are Mrs. Arthur Paslek, right, of 73 Kercheval, and Mrs. August Dahlmann.

H.P. Boys Found Not Guilty

Ten Grosse Pointe youths will return to City of Grosse Pointe court Saturday at 10 a.m. charged with "disorderly conduct" following a basketball game between Grosse Pointe and Highland Park on March 4.

Four of the youths pleaded guilty Monday when the trial began before Judge Leslie P. Young in the Board of Education Building, 389 St. Clair.

They are William Furrill, 18, Harry Edsall, 18, Clyde LeMee, 18, and Ronald Knope, 17. They will be sentenced Friday.

The three Highland Park youths involved, Edward Skowneski, 19, Stanley Darling, 17, and Dennis Powell, 17, were found not guilty by Judge Young.

The trial was the longest court session in the history of Grosse Pointe, beginning at 8 p.m. and adjourning at 1 a.m. the next day.

According to the City of Grosse Pointe and Farms police the stories told by the boys on the stand where in sharp conflict to their statements made shortly after the row.

Key witness, Hassan Zhadly, 19, of 247 East Grand Blvd., developed amnesia and remembered no details concerning the affair. In reply to any questions of City Prosecutor Charles Wright, Jr., Zhadly's stock answer was: "I don't remember."

Throughout the trial general disorder was present. There was snickering and much mirth overflowing from a gallery, which numbered more than 100 persons. Judge Young threatened several times to clear the court on this account.

Frank Abbott, 17, Duane Marshall, 17, Dan Davis, 17, Dan Sarvis, 19, Bruce A. Kirchner, and Kirk Walsh pleaded not guilty.

ACCUSED AFRAID OF CAMERA

Judge Leslie P. Young watches accused youths trying to dodge the camera at Monday's court session in the Board of Education Building.

In a history making move, the Wayne County Health Department will assume charge of Grosse Pointe's health service Friday at 2 p.m.

The County medical staff, led by Dr. David Littlejohn, County Health Commissioner, will take over the Defer School office of Dr. T. S. Davies, Township Health Commissioner and his four assistants.

Officials of the five municipalities will take part in the "change-over" ceremonies.

The five Grosse Pointe councils voted to discontinue the Township service which cost \$25,000 a year. The County service is free.

But, until additional County appropriations are made on Dec. 1, 1950, the five municipalities will supplement the new service.

Chester Carpenter, City of Grosse Pointe, councilman, and chairman of the Joint Health Committee, said that Dr. Davies would be retained until Dec. 1. "He will serve as deputy commissioner, directly responsible to us."

Carpenter said that Dr. Davies' staff of nurses, Mrs. Ruth Moser, Mrs. H. Davis, Mrs. Geraldine Hudson and Mrs. Helen Lang will stay until the end of the current school term.

"We want the present staff intact to keep the school health program running smoothly," Carpenter explained.

"Mrs. Lang will remain with the County Health Department here," Carpenter said. "She is the only one of the four that has the Civil Service requirements."

Carpenter said that Grosse Pointe Park, City, Farms, Shores and Woods have agreed to contribute \$12,000 to support the health service here.

"This support is only until Dec. 1, after that it is the responsibility of the County," Carpenter stated.

Based on assessed property valuation, following is the amount of each community's share: Park \$3,862; Farms \$3,662; Woods \$2,125; City \$1,975, and \$875.

Carpenter said that the Health Committee will study the school program during the off season.

POINTE PARAGRAPHS

Pointe Player Neid Smith would like to take his place on the stage this week when the Players present "Years Ago."

But it is doubtful if the rest of the cast would go along with Neid's "show must go on" spirit.

The young man thespian was stricken with the measles during rehearsals.

Shuffle boards are planned for Grosse Pointe Park's Waterfront Park this summer.

Paul W. Rowe's office has taken over the management of the Grosse Pointe Garden Apartments near Mack and Harper. Mrs. Ester Thompson has been named resident manager.

The new management reported that it plans to make this development the most desirable and homelike place for living in the metropolitan Detroit area.

After driving down Jefferson or Kercheval, even the staunch Republicans will agree with Gov. Williams' recent statement: "I'm convinced Michigan needs to build and re-build roads, and needs to do so badly right now."

Congressman Rabaut, (14th District (D) hailed the omnibus Appropriation Bill scheduled for action in the Congress this week as "strong move in locking the back doors to the Federal Treasury".

Mrs. John Newberry's Garden Draws Interest

Many Grosse Pointe names are prominent at the 1950 Annual Spring Flower Show at Convention Hall.

Attracting attention and praise of many of the visitors is Mrs. John S. Newberry's "The Glacier," a new giant white tulip.

According to Dick Hayward, Newberry gardener, "The Glacier" highlights Mrs. Newberry's beautiful old fashioned garden.

Co-chairman of invitational arrangements were George B. Hefner and Mrs. H. Hunter Williams.

Members of Grosse Pointe Garden clubs who entered arrangements were Mrs. John M. S. Hutchinson, Mrs. Longyear Palmer, Mrs. John M. Lord, Mrs. Edward M. Jewett, Mrs. Daniel D. Wilson, Mrs. Alexander Wiener, Mrs. Truman Brown, Mrs. Andrew Barr, Mrs. Joseph G. Standart Jr., Mrs. Thomas Mann, and Mrs. Reade H. Ryan.

Another highlight of the show this year is the Chrysler Corporation exhibit. It includes exact reproductions of world famous gardens found in England, Sweden, Ireland, France, Italy and United States.

The show will run through April 3 from 10 a.m. to 10 p.m.

Heise Marks 25th Year With Park

Charles Heise, 45, will mark his 25th year as Grosse Pointe Park treasurer Saturday, April 1.

Heise joined the Park department in 1924 when he left the staff of the old American State Bank.

Outside of William Stamman, veteran clerk, "Charley" is the senior employee in point of service.

Looking back at the quarter of a century of service, Heise said: "It's been wonderful, but I'm beginning to feel that the years go by too fast now."

He lives at 764 Harcourt with Mrs. Heise. Their only child is now Mrs. Joseph Wimsatt of Louisville, Ky.

Settlement Sought for Housing Feud

The suit involving construction of low cost dwellings on Hillcrest in Grosse Pointe Farms has been turned back to the participants for further consideration.

"Years Ago" Offered By GHP Players

"Years Ago," Grosse Pointe High School's spring production, will be presented Thursday, Friday and Saturday evenings in the high school auditorium at 8:15 p.m.

The play is the life story of its famous author-playwright, Ruth Gordon, and is full of the atmosphere of the early 1900's, including middy-blouses, long black cotton stockings, and antimacassars in the front parlor.

The building and painting of sets, lighting effects, and staging have all been engineered by Pointe players, under the direction of Frederick B. Nelson, dramatic coach and diction teacher.

Members of the cast include, Sue Kitson (playing the role of Ruth), Sue Spurrier, Maurice Strong, Dan Webb, Joan Johnson, Dick Yates, Emily Harding and Gloria Anton.

The Mothers' Club of Grosse Pointe High School is sponsoring the Thursday night performance, allocating the proceeds from ticket sales to their scholarship fund. Mrs. Harold S. Davis, president, said that tickets are still available and may be obtained from any of the Room Mothers or by calling Mrs. C. D. Wardle, TU. 5-6082.

Tickets for the other performances are on sale at the high school, proceeds from which go into the Student Association Fund.

Bids Sought For School Bond Issue

Grosse Pointe School District is accepting sealed bids for the purchase of general obligation bonds valued at \$3,185,000.

The bids will be opened at the school board office, Wednesday, April 12.

The bonds, approved at the recent election for more school buildings, will be payable on September 1, 1950 and semi-annually thereafter on March 1 and September 1 of each year. Final payment will be made March 1, 1967.

Henry Horn Heads Church Council Board

Henry Horn, of 1169 Balfour, was elected chairman of the board of directors of the Lutheran Service Council of Greater Detroit. Mr. Horn is a member of the First English Lutheran Church.

Other officers elected were Pastor C. H. Lange, of Faith Lutheran Church, vice-chairman; Pastor Martin J. Zulauf, of Cross of Glory Lutheran Church, secretary; and Mrs. Onie Kangas, of St. John's Suomi Synod Lutheran Church, treasurer.

The election of Mr. Horn marks the first time a layman has been elected to the office of chairman of the organization. He succeeds Pastor C. H. Lange who has served as Board Chairman for the past 4 years. The Service Council is the public relations, promotional, and service organization for the 85 National Lutheran Council Churches in the Detroit area. Mr. Ken J. Weber, Mt. Zion Church, is executive director. The offices are located at 484 East Grand Boulevard, Detroit 7.

MILADYS FIND Spring - And A Young Man's Fancy Turns To "Hot Rods"?

It's Spring! The robins are out—wallowing in the mud and puddles of Aprilish showers. Miladies are making their first appearances with those intriguing bright Easter-bonnet band boxes. And a young man's fancy is turning... no, not to Love! At least, not the fancies of the young men in Grosse Pointe, or so they say...

"I'm dreaming of a new car this spring," says Mr. Edward Long, of Beaconsfield. "Just any new car." Mr. Long has been married a number of years.

The perennial spring sport of tennis is on the mind of Mr. Walter Owen, of Grayton Road, who plans to get in a lot of action in the game this spring. He also is a married man, of seven years.

And another not-so-young man of Brys, Mr. Arthur Vaughn says, "My wife has plenty of gardening plans this spring—for me to follow out."

Sandlotter Roger Mulier, of Lakepointe, gazes worshipfully at the greening diamond. "It's baseball for me, any time of the year."

Said Dave Smith, of Merrivewether Road:

"I guess most of us are mechanically-minded this time of the season. Come spring vacation, we're planning to do some good old overhauling on our Whizzer motor bikes."

His plans were enthusiastically endorsed by his fellow GPHS seniors, Bonnie Sutton, of Moran Road, and Bob Anslow, of Kenwood Court.

As for Hap Watson, of Lincoln Road, well, he has just gotten a brand new "hot rod." Hap is just uttering, completely "Hot rod happy!"

Or so they say...

Film Council Cites Work Of Managers

Mrs. D. W. Himble, president of the Grosse Pointe Moving Picture Council, spoke of the excellent supervision Grosse Pointe movie theatres are giving special children's matinees in her recent talk before the Grosse Pointe Mother's Health Council in the Pointe War Memorial Center.

"Each management is doing a great deal to make the movie theatre a safe place for the child. The ushers are instructed to watch the children carefully," said Mrs. Himble.

The Council arranged special matinees at all Pointe theatres for Saturday afternoons.

The movies recommended by the Moving Picture Council are not chosen for any personal reasons of the committee, but are compiled by informed persons from different national sources, she explained to the group. The list of approved movies is made from a condensation of all opinions of pamphlets by the Consumer's Research, the P-TA, National Legion of Decency, the AAUW, and others.

Theatres cooperating with the Council include Woods, Esquire, Dutch and Judy, Shores, Alton, Alger, Cinderella and Vogue.

2 Injured In Crash

Two persons were injured in an accident at Fairfax at Nottingham.

They were Roy Sylvester, 25, of Detroit, Checker Cab driver, who suffered hip bruises, and Carolyn Baker, 17, of 1317 Bishop, a student, who received head injuries. Both were taken to Bon Secours Hospital.

Miss Baker was riding in a car driven by Lester E. Bauer, 19, of 1317 Bishop, also a student. His car was struck by Sylvester's cab.

Police issued court tickets to both drivers.

Mud Photo Irks Woods Clerk

Philip Allard, Woods clerk, gets enough complaints without being linked with trouble that is not in the Village.

Last week a Detroit Free Press photo showed Chester and Kingsville, Detroit streets laden with mud, but the caption described the streets as being in Grosse Pointe Woods.

"We had no muddy roads," Allard declared.

Addresses Rotary

L. Glen Shields, sanitary engineer for the City of Detroit, addressed Grosse Pointe Rotarians on the subject of "Environmental Sanitation" Monday at the Memorial Center. Mr. Shields is on the national committee on water conservation and a nationally recognized authority on sanitation.

Engineers Study Sewage Problems

Engineers of three Grosse Pointe municipalities were to confer with the Water Resource Commission Friday at Lansing on Detroit's \$8,000,000 Fox Creek proposal.

The session is one of a series being held under the auspices of the Resource Commission for an adequate sewage and anti-pollution program.

Planning to make the trip to Lansing are Everett B. Lane, of Grosse Pointe Park, Thomas Mansen, of City, and Murray Smith, of Farms.

School Band Earns All-Time High Honors

The Grosse Pointe High School Band, which has never received a rating of less than excellent in all the years it has been organized, reached an all-time high at the South Eastern Michigan Band and Orchestra Festival at Ypsilanti Saturday. The band was given all first division ratings.

Under the direction of Dewey Kalember, the GHP musicians were named "highly superior" in a unanimous decision of all four judges. They played a warm-up march, a required selection, a selection of their own choice and were given a sight reading piece.

Fifty-nine groups competed, the largest number they have ever had at the festival. The competition lasted all day.

Only the bands who received a rating of first from their district will be able to compete in the state festival at East Lansing on April 29. The only Class A bands from this area are Pontiac, Ann Arbor and Grosse Pointe.

"Last Saturday the band showed more poise and performed, in my opinion, better than any group I have ever had at a regional festival," stated Mr. Kalember.

Car Hurts Child

Eagerly on her way to complete an errand for her mother, Ellen Cevnuck, 5, of 1146 Wauburn, was struck by a car when she darted into the street. She suffered a fractured collarbone.

Grosse Pointe Park police who took the girl to Bon Secours Hospital, expatriated Lew Rothmel, driver, of 1139 Maryland.

NO LAUGHING MATTER

The trial being heard by Justice Leslie J. Young concerning 13 local youths accused of participating in a post-basketball game brawl is not to be taken lightly.

Many parents and friends in attendance have considered the matter a great source of amusement. Rather, it is a grave situation. The judiciary is to be commended for assuming the responsibility of seeing that this matter is dealt with in serious terms. Unfortunately many do not agree with this action. This attitude was obvious by the bold display of misconduct in the courtroom.

It is a difficult task to reprimand such a large number of students who have violated the law. At this age young men have usually begun to realize the responsibilities of becoming good citizens. They are the future lawmakers and business men.

What is to happen if they fail?

This may be an indication that the future will hold more uncertainty unless they begin right now to build a strong foundation.

Peace is a very important word. It is a word that has built homes, communities, nations and kingdoms. War has been able to obliterate them with one swift blow.

Learning to get along with a neighboring community should be an easy task. The barriers are few. If out of a friendly basketball game comes disorder and unruliness then what is to happen when more important things are at hand.

Good sports are not only in the game. They are in the bleachers and on the sidelines. Good citizens are everywhere. That is why we have lawmakers—to protect the citizens.

CLEAN-UP GROSSE POINTE

In the fanciful days of Tom Sawyer clean-up time meant white washed fences and newly mowed lawns. It is much the same today. Spring brings out the new bonnets and garden tools.

The time has come once again to put aside the seed catalogues and tidy up the yards, alleys and vacant lots. Plant a few flowers, scatter grass seed and give the rubbish collectors some business.

A concerted effort on the part of your neighbors may work like a chain reaction. Good example can be the impetus for the

neighborhood. Recruits for the clean-up squad will swell in numbers and their results will make the community a nicer place to live.

A clean-up drive would be even more effective if it received the whole-hearted support of an energetic sponsor. The time is ripe for some group to take the reins of such a project. In this way the move could be organized and guided to achieve the effect.

Whether a benefactor appears in the picture soon with fresh spring colors. Why not help her finish the decorating job?

FORETHOUGHT PAYS OFF

Some 1700 engineers and field men from the capital stock fire insurance and casualty insurance companies are now engaged in nation-wide inspection project to prevent hospital disasters. The program is under the direction of the National Board of Fire Underwriters.

As of March 1, about 1360 hospitals had been inspected for fire and other hazards. All in all, nearly 9,000 hospitals will be surveyed before the program is completed. The primary idea is to eliminate hazards to life. However, the scope of these inspections goes beyond that. It is hoped that one of the most lasting results will be improvements in the training of hospital personnel and an increased consciousness of fire dangers.

The importance of this was demonstrated

ed a short time ago when fire struck a Wisconsin hospital. The employees, luckily, had been trained in fire safety. While three of them fought the blaze, the remainder removed 100 mental patients from the building. Not a single patient was killed or injured, and the building was saved. The superintendent of this institution had instigated fire drills and training programs, and all the employees were alert to the danger. Forethought paid off. A fire which might have been disastrous was controlled with relatively small damage.

The American Hospital Association is cooperating with the insurance industry in this splendid work. If every hospital follows the advice of the inspecting experts, the chance of disaster will be reduced to the minimum.

UNION POWER

There has been a great amount of press comment on national emergency strikes, largely occasioned by the most recent upheaval in the coal industry. And practically all of it holds that one of the most serious problems facing the country is labor monopoly.

As an example, the Chicago Journal of Commerce called attention to the need for a statute ending "any labor union's ability to monopolize the manhours of an entire basic industry." The Washington Star said, "If the Taft-Hartley law is ineffective, the remedy is not simply to repeal it and strip away even the limited protection which it affords. . . . The only real remedy lies in new and tougher legislation." And the responsible enough to halt a threatened disaster which they have set in motion, Congress may have forbid industry-wide Washington Post said, "If unions are not bargaining. . . . If union responsibility

cannot be expanded to match bargaining power, bargaining power will have to be shrunk to match union responsibility."

The problem of labor monopoly is not confined to one industry or a few industries. The whole trend of the labor movement for many years has been to gain more and more monopolistic, unregulated power in every direction. The Wall Street Journal touched on this when it said, "Labor monopoly is a condition present in too many industries to be studied only haphazardly as a characteristic of a single industrial field."

As is to be expected, there are differences of opinion as to the kind of legislation which best achieve the goal. Many favor bringing labor unions within the scope of the antitrust laws, and Senator Robertson has offered a bill to that end. Others urge different remedies. But one fact is clear—Congress must end labor excesses.

3rd Mental Hygiene Class Set for Parents

The success of two previous series of talks and discussion groups for expectant parents has resulted in the scheduling of a third similar series, the Wayne County Chapter of the Michigan Society for Mental Hygiene has announced.

The meetings will be held from 8 p.m. to 10 p.m. on alternate Tuesdays beginning April 4 at the Central YWCA, 2230 Withers.

Speakers at the series of eight meetings will be an outstanding group of obstetricians, psychiatrists, and pediatricians and subjects will range from "What happens to the baby during pregnancy" to "Common problems in bringing up children."

Attendance at the series will be limited to 100 and the charge is \$3 per couple for the eight sessions. Tickets and additional information can be obtained from the Michigan Society for Mental Hygiene, 153 E. Elizabeth Street, Woodward 1-4005. The series is co-sponsored by the Detroit Chapter of the American Red Cross and the Merrill Palmer School.

Government Officials Back American Cancer Crusade

The annual campaign of the American Cancer Society has been officially endorsed by Louis Johnson, Secretary of Defense, and other top Government officials.

In his statement he declared that: "No foreign enemy has ever been so deadly as the vicious disease cancer. Just as we would mobilize all our manpower to put down a military foe so should we unite in the first against the disease which is taking such a tremendous annual toll of good American lives. The American Cancer Society is leading this great fight and we of the Department of Defense will lend all possible aid to this program."

Paul Hoffman, Administrator of Economic Cooperation Administration, is also supporting the work of this organization.

In his statement he declared that: "Cancer is one of our greatest health problems. It is the Number Two Killer of our American people. Fortunately the American Cancer Society is doing something about it. Through research, education and service there is now hope for cancer victims."

Other top figures of Federal government who have endorsed the American Cancer Society Campaign are: Dean Acheson, Secretary of State, John W. Snyder, Secretary of the Treasury, J. Howard McGrath, Attorney General, Jesse M. Danolson, Postmaster General, and Charles F. Brannan, Secretary of Agriculture. Others include: Charles Sawyer, Secretary of Commerce, Francis F. Matthews, Secretary of Navy, Gordon Gray, Secretary of the Army, W. Stuart Symington, Secretary of the Air Force, and Harry B. Mitchell, Chairman of the Civil Service Commission.

Firms Seek New 'Chute'

The new parachute device patented by Harry R. Miller, of 492 Neff, was the subject of a lengthy article in "Western Flying," trade organ.

Miller said that 20 factories are interested in manufacturing his device which provides a packed parachute attached permanently to the back of each seat of the plane.

Each seat is carried upon a removable floor section that is mounted over a corresponding opening in the hull of the plane. It is unfastened from its normal lock only by the release of a latch by the pilot and the manipulation of a lever by the passenger.

Park Report

Grosse Pointe Park's annual report is being prepared by Everett B. Lane, municipal manager.

New Year's Party on April 1

If you were to hold a New Year's party next Friday night, you might be considered an April Fool, but you would have history on your side.

It was the habit of observing July 1 as the beginning of the year that is said to have started the whole idea of All Fools' Day. From its reputed origin in France, it quickly spread to other countries. We have such varied terms as the English "noddies, gawbies and April gobs," the French "April Fish," and the Scottish "April Gowks."

While there are other theories about April Fool's Day, the calendar story located by research librarians with Childcraft Books appears most logical. It seems that when King Charles XI of France adopted the reform calendar in 1564, many Frenchmen refused to go along with the new January 1 New Year's. When they continued to celebrate on July 1, they were made the butt of countless jokes—receiving mock party invitations, fake gifts, and pretended ceremonious visits of congratulation.

These nonconformists probably were the first April Fools.

The world of today is a problem, not in itself, but because it is full of problem people.

5 Vie For Park Fire Department

Five men completed competitive examinations for Grosse Pointe Park firemen.

They are George Blair, Jr., Glen M. Lane, Warren Druce, Roy E. Packer and Eugene Petak all Village residents.

Three of them will be appointed to fill the need created by the Fire Department's switch to a 65-hour week.

Belanger Stresses Need Of New Violation Ticket

Belanger, State last week, the first in a series of six articles appeared in the level of Michigan law enforcement.

Belanger stressed the need for a new violation ticket recently adopted by the State Police and the Michigan State Police. He stated that the new ticket is a major step in the modernization of the Michigan State Police as its observations.

The use of the uniform traffic ticket throughout the State of Michigan is to be continued in that it provides a uniform ticket with a uniform type of notice, whether it be in the Upper Peninsula, the Lower Peninsula, or in any other part of the State.

At the present time there exists such a great variety of tickets that it is small wonder there exists such confusion on the part of the ordinary layman.

The uniform traffic ticket will provide in very definite fashion the mechanical means for all officers to prepare and file the various violations in the State and provides a concise written record of the violation.

The use of the uniform ticket is necessary in order to determine the type of offender, the maximum fine, the arresting officer, and it is extremely important in that it removes the possibility of human error, and irrespective of the mental capacity or experience of the arresting officer provides a uniform physical fact and is not subject to the vagaries of the individual officer or the mental capacity of the offender.

It provides a mechanical means whereby the various violations are uniformly treated, without the necessity of court appearances for the great majority of complaints and leaves little if any discretion to those agencies. This is extremely important inasmuch as legal discretion in many should always be left to the determination of the judiciary.

In those matters in which court hearings are had it is important that the State provide all the important matters requiring proof as well as protecting the arresting officer with a positive means of refreshing his memory. This is important inasmuch as it goes a long way towards removing the possibility of human error which often results in unjust prosecution of innocent persons as well as failing to punish those who are guilty.

Counselors Sought for Summer Camp

The 34th camp in Michigan for boys and girls is now in the planning stages for the summer season. In connection with the Michigan Camping Association, the State War and Recreation Division of the Commission of Social Agencies of Metropolitan Detroit has set up a Personnel Bureau.

Camp directors who are active in their work may use the file of prospective employees which is now available. Camp directors are invited to come in and examine the applications of those desiring summer employment daily from 9 a.m. to 5 p.m. and on Saturdays until noon. Out-of-state directors may write Hollis Vleck, Council of Social Agencies, 51 West Warren, Detroit 1, Mich. to obtain names of those desiring camp employment.

Applications from girls 12 years old and over and from boys 17 years old and over will be accepted by the Personnel Bureau. Application blanks may be obtained by writing Miss Vleck or visiting the Council office.

League's "husband and wife" tournament will be held Palm Sunday at Woods Recreation. The League is also planning a "King and Queen" tournament.

An interested observer at the long mass trial of local youths was Grose Pointe Parish Judge Rube.

"Just watching," he said, "I can't do a task like this some day. He did not envy Judge Lee Young, who presided.

Judge Finds Pair Guilty

Donald Stewart, 22, and Mike Runzak, of Canada, were found guilty of carrying concealed weapons by Circuit Judge Judge Guy Miller. He will sentence the pair after a report from the probation department.

The men were arrested in the long mass trial of local youths was Grose Pointe Parish Judge Rube.

Boy Attacked By Prowler

A heavy set man who feloniously assaulted James Lazarski, 17, of 1374 Whittier, as he entered his garage is being sought by Grose Pointe Park police.

Police reported that the youth was struck across the head with a mallet by his assailant. He was not seriously hurt.

Be careful repeating things you hear someone else say—it can get you into lots of trouble.

DOCTOR URGES

"Give Grandma A Break"

Before you ask Grandma to help out, give a thought to her age, stamina and state of health.

The hard-working young mother who unknowingly let's her elderly parent help with the children, family problems and other matters often places a strain on the older woman that she is not equipped to bear, declares Dr. C. E. Lewis, in a magazine article.

"Not that Grandma isn't willing to help young folks along," says Dr. Lewis. "It would probably grieve her to be deprived completely of such duties. But her stamina is not what it used to be. Her reserves of strength and patience are more easily depleted. Too much baby-sitting, constant Sunday gatherings at grandma's house, dumping the children on Grandma's lap when young parents want a vacation, are wearing for a woman over 50. They bring on undue nervousness and fatigue."

"Don't use grandma for a substitute station, either," adds Dr.

Every House Needs One Rocking Chair

Every home should have at least one rocking chair to promote love of family and richness of friendship.

There's something about a rocking chair that's as comforting to a troubled mind as an old shoe to a tired foot, claims Adeline Bullock in the April Journal of Living.

Your body settles easily as you rock back and forth. A hurt, an anger, a worry, it's lulled and rocked away gradually. It's gone. Problems that loom huge and close and hard to solve seem to melt gently as you rock.

Children like rocking chairs, and what a little child likes is usually loved. A little girl takes a look of wisdom, of dignity and sweet maternal beauty far beyond her years when she settles back to rock her baby doll.

A rocking chair has the magic power of bestowing on the very young great gifts of gentleness and wise lovingness.

Old people like rocking chairs, too. And what old people like, of years of choosing, must be very good. An old man rocks, and remembers countless things of the past, life aged wrinkles and timidly are rocked away. He swings into himself new courage and peace of soul. The rocking chair helps bestow on the old a freshness of spirit, renewed vigor, new hope.

There's something about a rocking chair that makes the whole world a big, friendly place for young and old. Perhaps, the rocking chair is the humble, simple answer to a million ills.

To Have More Square Dancing

Lloyd Shaw and his Cheyenne Mountain Dancers will be presenting a program of early American and Western folk dances by the Health Education Club of the Detroit public schools, on April 5, in the MacKenzie High School auditorium.

"It's all right to tell her about troubles she may help relieve. But telling her that she suffers ill she is powerless to alleviate is more distressing to her than troubles of her own."

The Grose Pointe Review—Thursday, March 30, 1950—1 League of Women Voters Study "Reapportionment"

The next general meeting of the League of Women Voters of Grose Pointe Park will be held Monday, April 3, at 1:30 p.m. at War Memorial Center.

A round table discussion on "Reapportionment" will be presented by the General Resource Committee.

The problem of "Reapportionment" in Michigan has been selected as the next major project for study, on a State Level, by the League.

Your body settles easily as you rock back and forth. A hurt, an anger, a worry, it's lulled and rocked away gradually. It's gone. Problems that loom huge and close and hard to solve seem to melt gently as you rock.

Color Stylist to Demonstrate Paint

Mr. Earle P. Dorr, color stylist, will demonstrate a new paint service for the Atlas Paint Manufacturing Co. at their retail store, 13220 Mack, between Coplin and Drexel, on Friday and Saturday, March 31, and April 1.

You've wanted it, you've needed it, it's here. A paint service that takes the guesswork out of color choice! They can now mix any color you want, duplicate any color they mix accurately, mechanically in minutes.

Take in the color or sample of your draperies, eggs or upholstery material. You choose the harmonizing color or color you want in flat, semi-gloss or eggshell. You get just the color you want, and it can be duplicated for you exactly anytime.

Remember there is no need to leave your own neighborhood to get a specialized paint service, a paint that can be duplicated at anytime.

Couple Married in Church

St. Mark's Methodist Church recently was the scene of the marriage of Peggy Ruth Best, daughter of the Frank Bests of Courville avenue, and Robert John Mitchell of Berkshire road. Peggy chose a white appliqued satin gown with an illusion fingertip veil when she wed the son of Mr. and Mrs. John Mitchell of Osseo, Michigan. Varying shades of light to Royal blue crepe gowns were worn by her attendants, matron of honor, Mrs. C. B. Woodhead, and bridesmaids, Mrs. T. L. Polton and Miss Adel Mallise. The groom was assisted by best man Robert Olney, and ushers, Charles Clark and Neil Hoff. After a reception in the church parlors, the bride changed to a suit of brown and white checks, and brown and white accessories for the trip to Chicago.

Music Structure Class To Include Pointe Musicians

Members of the faculty of the University of Michigan as well as Grosse Pointe musicians will demonstrate their instruments individually and in their natural combinations at Miss Louise Cuyler's lecture to be held at Memorial Center Thursday, March 30 at 8 p.m.

This lecture will be the third in a series of four on the "Structure of Music" to be given by Miss Cuyler, an associate professor of music at Ann Arbor, and is titled "Instruments of the Symphony Orchestra." In this talk, Miss Cuyler hopes to enable those interested in music to identify all the separate voices in the symphony orchestra.

The two previous lectures, "How Music Takes Its Shape" and "The Forms of Songs and Solo Pieces," were extremely well received, and this third promises to be even more interesting. Tickets for this lecture will be on sale at the door for \$1.00.

DAC to Observe 35th Anniversary in April

Detroit Athletic Club will celebrate its thirty-fifth anniversary in April, and the important occasion is to be marked with a complimentary tea and reception for members and their wives on Sunday, April 16, from 4 to 7 p.m.

Elaborate decorations and gay music are in the arrangement stages for the festivity which will be in the nature of an open house throughout the first and second floors of the big clubhouse on Madison avenue.

Entertainment will include the singing and guitar-playing of the nationally-known Alexander Brothers, and there will be strolling musicians to furnish a background of both soft and gay tunes throughout the various rooms.

Tea, champagne punch and hors d'oeuvres will be served in the dining rooms. A huge, tiered anniversary cake will be cut by Ben R. Marsh, DAC's president.

Besides Mr. and Mrs. Marsh, other directors and their wives will be present to assist at the festivity, those from Grosse Pointe including Mr. and Mrs. Clarence E. Bleicher, Mr. and Mrs. Frank W. Library Spotlight

By JEAN TAYLOR

Library Kipling was a jump ahead of the psychiatrists when before their heyday, he admitted those with too little do. The cure for this ill is not to sit still, or frout with a book by the fire, to take a large hoe and a shovel also, and dig till you gently perspire. After visiting the Michigan Power and Garden Exhibition at Convention Hall this week, you'll be inspired to follow this advice, time on your hands or no. But before you do, a hoe in hand, a few hours in a reliable book on garden- ing may save you later dis- appointment. The Garden Encyclopedia edited by Edward L. Seymour is a complete practical and convenient guide to every detail of garden- ing by a group of horticultural experts. Ten thousand Garden Ques- tions Answered, edited by Fred- ick F. Rockwell has 10 sections covering a different phase of gardening. Perennials Preferred by Helen Wilson tells you how to grow perennials with a minimum of effort. For inspiration and entertain- ment, we suggest some of Beverly Nichols' books in which he gives his own gardening experiences. Nichols is both an enthusiast- gardener and a man of let- ters. In his Green Grows the City relates how he built a thing beauty out of a particularly ugly triangular backyard in a suburban suburb. Down the Gar- den Path, A Thatched Roof and Village in a Valley also convey delight in all growing things.

These are a few titles only, on a popular hobby. Come in and browse through the gardening books on our library shelves to discover those best suited to your needs.

On one of last week's dreary w days when we were convinc- ing Spring would never arrive, a large pot of gay red tulips ap- peared at the City Branch desk. Though we have known from acquaintance that the don- ing Mrs. Leonard Willeke has a green thumb and a great art, we were incredulous. "You couldn't... You didn't use these yourself?" Modestly Mrs. Willeke assured that it was a simple proce- dure which requires little effort and pays great dividends. We followed her directions for an- nily indoor garden. The bulbs are planted in a pot which is placed out of doors in a sheltered corner next to the wall of the house. The pot is well cov- ered with leaves. Several layers could be placed underneath as well. Then, good-bye to your bulbs until early February when you take them into the house. They should be watered freely every day at this point and a few weeks later you reap your re- ward. Mrs. Willeke tells us that tulips and tulips are equally successful forced in this way but these bulbs may be planted out of doors again but they can be bred only once. Our appreciation goes to Mrs. Willeke for sharing her garden- ing experience with us and for the lift that lovely spot of color gave to the patrons and to the staff of our library.

Music Counselor Mrs. Winifred Gomez, music counselor of Grosse Pointe schools, will be the guest speaker at the Parents Group meeting of the Millin Nursery School Friday, March 31, at 8:00 p.m. Following her talk Mrs. Gomez will conduct a discussion on the personal musical problems of nursery school children. She is the author-composer of a recently published book of children's songs entitled "Merry Songs for Boys and Girls." Reservations for the social hour at Mrs. Frank Raphael, Mrs. Cole Basinger and Mrs. Walter Owen. Mrs. Malcolm Chapman is the sponsor.

TV to Carry Shores Acts

By R. G. Nunneley The St. Clair Shores Sports- men's Association Variety Show held at the South Lake High School was enjoyed by many who braved the spring thaw of mud and were able to find a place to park. To those of you who were not able to go I suggest that you watch your televi- sion stations this coming week as a number of acts were picked to go on the air.

The seniors of the St. Clair Shores Rifle and Pistol Club will meet the seniors of the Mt. Clemens Rifle and Pistol Club in a shoulder to shoulder match. They meet at the Mt. Clemens USO Building on the corner of North Broadway and Jones Street on Friday, March 31, at 8 o'clock. President William McGhee will take seven shooters with him to represent St. Clair Shores.

The Conservation Department is releasing a darker red and black Mongolian pheasant this spring so by next fall if any of the nimrods should shoot one of them they will know that they are game birds.

The Conservation Department has a purchase option on the 828 acre Balch farm in Allegan county, a popular waterfowl gathering spot. Three-fourths of the purchase price would come from the U. S. Fish and Wildlife Service. The Department game men estimate as many as 80,000 wild- geese used the farms as feeding and shelter centers last fall.

The Neighborhood Club is offering another eight week course in Oil Painting, Textile Painting, China Painting and Pastels under the instruction of Mrs. Grace Mc- Laren. The class will be held on Thursday, April 6, beginning at 7:30 p.m. If interested, please call TU. 5-4600.

Here's Help For Program Chairmen

Because assistance is some- times appreciated by those plan- ning a social event for their club, service organization, church or lodge, a cooperative group has been organized to provide this needed service. Ideal Guidance Forum has numerous planned programs appropriate for the banquets or other social events that are planned. Ventriloquists, comedy-magicians, musical novelty acts, etc., can be provided.

A program has also been prepared whereby a group of 10 or more may meet for 10 weekly sessions and, through the lecture, discussion and demonstration medium, become more adept in guiding group discussions, presid- ing at club meetings, speaking to and working with others.

This cooperative enterprise has been organized by Ken J. Weber, who is a nationally recognized religious leader, speaker and lecturer. Further details may be had by writing him at 110 E. Hancock, Detroit 1, or phoning TE. 1-3000, Ext. 407.

The plan under which the Forum program will operate is that of serving the general public in every way possible.

Woods Garden Club Plans Meeting

The Grosse Pointe Woods Garden Club will meet with Mrs. A. P. Hollinger, 1586 Anita, on Tues- day, April 4, at 1 p.m.

The subject for discussion will be "Spring Activity in the Gar- den" to be presented by Mrs. Harold Lyndrup.

Christ Church Choir to Sing "Requiem"

In keeping with the spirit of the Lenten season, the members of the Mixed Choir of Christ Church, Grosse Pointe, under the direction of Charles A. Rebstock, organist and choirmaster, will present Brahms' German Requiem on Monday, Thursday, April 6. This outstanding choir of forty voices will give the Re- quiem in its entirety. Mrs. Paul Gard, soprano, Mrs. A. A. Wid- man, contralto, Mr. Charles E. Grinyer, tenor, and Mr. Glenn Lewark, bass, will be the soloists.

Mr. Rebstock at the organ will be assisted by Miss Mary Bart- lett, harpist, The Rev. Dr. J. Clemens Kolb and Mr. Paul Mor- gan, French horns, and Mr. George Hamilton, tympanist. Miss Bartlett and Mr. Hamilton are former members of The Detroit Symphony Orchestra. The Rev. Dr. Kolb studied under Willem Valkenier, First Horn of the Boston Symphony Orchestra, and played with the Manila Sym- phony, the Cincinnati Sympho- ny, the Cincinnati Symphony and was a member of the Uni- versity of Michigan Concert Or- chestra. Proceeding the presenta- tion of the requiem, there will be a service of Ante Communion.

Stanley Four to Feature Mozart's Work

The Stanley String Quartet of the University of Michigan will present another of its Sunday afternoon concerts at Memorial Center, April 2 at 3:15 p.m.

This third concert will feature the works of Mozart, Schubert and Samuel Barber. Members of the Quartet are Gilbert Ross, first violinist; Emil Raab, second violinist; Paul Doktor, violist, and Oliver Edel, cellist. They are all distinguished concert per- formers and members of the faculty at the University of Michi- gan. They will be accompanied by Mrs. Owen at the piano.

The Quartet has been praised for its interpretations of the great works of chamber music literature as well as its contri- butions to the furtherance of modern music. Listeners will hear both schools this Sunday. Reservations may be made by calling TU. 1-8030.

Choir To Sing "Cantata"

The Grosse Pointe Methodist Church choir will present its annual Easter Cantata at the Palm Sunday Morning Service at 10:45 a.m. in the new Kerby School. The Cantata this year is Protheroe's "Easterlude."

The choir of The Grosse Pointe Methodist Church includes, Sop- ranos: Mrs. Fred Asmus, Mrs. Vena Bouse, Mrs. David H. Mc- Kee, Mrs. Thomas G. Colley, Miss Jocelyn Moore, Mrs. K. L. Kimmel, Altos: The Misses Mar- ilyn and Shirley Shanks, Miss Jean Mastin, Mrs. H. T. E. Mun- son, Mrs. Clarence B. Slocum. Tenors: Mr. W. J. Symons, Mr. L. W. Montgomery, Mr. Norman Mooney, Mr. Robert Dawson, Mr. A. Morgan Johnson. Mr. W. N. Montgomery will direct the can- tata and Mrs. Willis Bugbee will accompany.

This service will be held at 10:45 a.m. in the new Kerby School.

Daughters of 1812 Chapter To Observe 17th Birthday

The 17th birthday of Gen. Alexander Macomb Chapter, U.S. Daughters of 1812, will be observed Wednesday, April 5, at New- berry House. Mrs. Lloyd DeWitt Smith, chapter organizer, will light the first candle, from which the individual birthday-cake candles will be lighted. Mrs. Francis C. McMath, charter member of the National Society, will give an original poem of greeting to the chapter.

Mrs. Pliny E. Skinner, a chap- ter member, will give a mono- logue, in costume, entitled, "Dolly Madison."

Chairman of hostesses for the noon luncheon, Mrs. Edward J. Savage, will be assisted by Mrs. Marvin L. Hoagland, Mrs. Charles W. Holden and Mrs. George P. Warrick. Reservations should reach Mrs. Holden, of Burns Ave- nue, by noon Monday, April 3.

Mrs. Harold M. Hastings, presi- dent, will conduct an 11 a.m. board meeting and a 1 p.m. busi- ness session, at which reports of the recent State Council will be heard. Members will also be named to represent the group at the 58th annual Associate Coun- cil of the National Society, April 22-25, at the Shoreham Hotel, Washington, D. C.

Shubert Books 'Shakespeare'

The Margaret Webster Shake- speare Touring Company, now in its second season of bringing the Bard to the hamlets and cities of the land, will come to the Shubert Lafayette Theatre for one week, opening Sunday evening, April 9, with its production of "Julius Caesar." It will be fol- lowed by "The Taming of the Shrew" and the two plays will alternate during the week, with matinees on Wednesday and Sat- urday.

Featured are an Actors' Equity company of such excellent per- formers as Louisa Horton, of "The Voice of the Turtle" and the film, "All My Sons"; Kendall Clark, of "George Washington Slept Here" and also of recent Theatre Guild hits; and David Lewis, of the Abbe Theatre School, who is a member of Miss Webster's famed Shakespearean Company Grosse Pointers would be among the patrons.

Motor to Florida

Four members of the Grosse Pointe University Club motored down to Fort Lauderdale, Florida, recently with Romane Meier for a two weeks' vacation. Resorting are Marilyn Meier, Joan Thibodeau, Ann Leinweber, and Tess Kozlowski.

'Farewell' Concert

Detroit's unique Scandinavian Symphony Orchestra will play an "On to Scandinavia" concert to the home town on Thursday, March 10, at 8:30 p.m. in Ma- sonic Auditorium.

The farewell concert is the send-off for a truly history-mak- ing pilgrimage on which the ail- amateur orchestra will embark Easter Sunday, April 9. When the orchestra takes off by strato- cruiser from Willow Run, bound for Scandinavia, will be the first American group ever to make such a good-will gesture at its own expense.

Some people don't care how empty a friend's head is as long as his pocket book's full.

League to Your Goodwill Industries

The Michigan League for Crip- pled Children will meet for busi- ness and luncheon at the Good- will Industries Building on Brush street at 12:30 p.m., Friday, April 14. The program includes a tour of the building.

For Bridge Players

Contract Bridge will be taught by Mrs. K. Gillett at Denby High School, 12800 Kelly road, Detroit, beginning at 7 p.m. Tuesday, Jan. 10. A class for advanced players will also be conducted by Mrs. Gillett beginning Monday, Jan. 9 at 7 p.m.

Teen Talk

By JOYCE CLEMENTS

Hooray for our band which made a perfect score at the regional band festival at Ypsilanti Saturday. The band was given top rating in concert performance and sight reading, and received a first-division rating which qualifies it to enter the state festival. It took a great deal of preparation to achieve this award and Grosse Pointe High is proud of the glory the band has brought to our school, not only with its recent recognition, but with its past records.

The good word about the band came during the Hi-Y party Saturday night. Many of the band members had returned from Ypsilanti and were at the party by this time. They were congratulated by Donna George, Carole Lundgren, Peggy Moreland, John Richardson, Dan Schaitberger, Don Becker, Sonny Gorenflo, Pat Jones 'n Ray Bolo, Sally Lemon 'n George McBride.

Joanie Johnston won first prize in the beauty contest. She also entertained the audience with her imitation of Cass Daley. Enthusiastically applauding were Carole Fredericks 'n Tom Lister, Laura Lou Smith 'n Corky Lecklider, Ann Carter 'n Don Milock, Nancy Kaiser, Peggy Lutton, Dode Layo, John Hoard, Frank Krueger, Dick Stewart, Allan Billips, Shirley Ulrich, Paula Sutton, and Jean Schade.

Badminton and table tennis occupied the girls' gym, and Dave Cobb, Tony Pear, Eddie Anerson, Joan Hollister, Sue Spurrer 'n Maurice Strong, Twig Wright 'n Bertie Spurrer, Al Robertson 'n Chioe Bonbright, and Jean Redholm 'n Jim Schoek were seen batting balls and birdies around.

Jean Corbett was hostess at a strictly (?) hag affair Friday. Ginny Hitt, Pat McKinney, Terry Donahue, and Barb Strauss were busy briefing themselves on hockey so they would know exactly what was happening when they saw the game in action at Olympia Sunday. Marilyn Brown, Mary Allard, B. J. Hoyt, and Pat Savage were also on hand to keep the place jumping.

Don Striker and his crew have finished the sets, Diana Nylund and her committee have collected the costumes, Mary Ann Waggoner has acquired the props, Don Freeman has recorded the sound effects, Alice James has the make-up kit ready, Jane Holtz has her house committed chosen, and everything is ready for the opening performance of Years Ago, Thursday night. Sue Kison, Dan Webb, Sue Spurrer, and Maurice Strong are the stars of the Pointe Players spring production, which will also be presented Friday and Saturday for the students.

St. Paul Hi-Lites

By MARILYN SMITH

Pat Gant's party Friday night was a real knockout. Here are a few of the "cold" facts. Stu Friesema accidentally leaned against the fireplace mantle causing a huge log to slip from position and hit him on his head. For the next few minutes Stu heard the sweet singing of Birds. After his speedy recovery back to reality, all—Sally McKernan and Jan Drake, Dee Wise and Stu, Pat and Al Schweitzer, and Bob Hollar and your scribe—spent the rest of the evening dancing.

MARILYN

Allor was the high scorer with 21 points. Nice going, Mary. As a result of this victory there are now only three team competing for the championship—St. Rose, St. Anthony, and St. Paul.

Ex-Grid Ace Joins WJR Staff

Richard (Dick) Rifenburg, All-American football player, and local sports-caster on station WPAG, was appointed staff announcer of Station WJR, Detroit, by Harry Wismer, executive assistant to the president of WJR, WGAR and KMPC.

Wismer revealed that Rifenburg will begin his announcing duties Friday, March 31 and at a later date will assist Van Patrick, WJR's sports director, in his broadcasts.

Rifenburg came to WJR directly from the University of

Girl Scout Activities

Troop 703 of Brownell Junior High enjoyed a hayride recently out at Knook Riding Stables, with hot chocolate afterwards. Several fathers went along to chaperon.

Troop 319 of New Kerby elected the following officers recently: Nancy Cook, treasurer; Judith Henry, secretary; Gladys Steil, scribe. These Brownies are doing tenderfoot work, toward investiture.

Mrs. Marick's Brownell troop 377 has signed up for Radio Badge Workshop.

Mrs. LaBroski's New Kerby troop 620 held a Court of Awards at which membership stars were awarded to all. 4 badges were given to Geraldine Helger, Drawing and Painting badge; Melissa Collins, and Margaret Ann Jones and Second Cadet badges to the following: Barbara Bishop, Katherine L. Broski, Susan Mulford, Helen Tillison, Rochelle Mink, Orinda Coeplm.

Attractive refreshments were served to the girls' mothers who were guests at this meeting.

Studies Bid For Rotary Bowling Title

P & J Cocktail Lounge, no better than fifth all season and somewhat below most of the time, have finally hit their stride. In recent weeks they have won steadily and now are now in second place, one point out of second place, one point out of second place. If Don Kammer can keep hook working, they're in. Of course there are seven other teams in the league with excellent chances of winning the highly prized trophy for their season. A peek at the standings and you will see the eighth place team is only four points away from "pay dirt."

During Friday night will shift the standings of some of the title bound quintettes. The Club draws Monday Cleaners and its a toss up who'll win at one. Monday blew a four-point lead they held a couple of weeks ago and may come back. P. Review tangles with Middle Monday who have been in the lead for some time. The Middle Monday team is only three points away and could like to have one more game to get in there. If they can get in there, they are the happy Frank Palmer will be the happy man in these parts. Piches Barber Shop who have been in the lead for some time. The Middle Monday team is only three points away and could like to have one more game to get in there. If they can get in there, they are the happy Frank Palmer will be the happy man in these parts.

LIFE AT CULVER

Grosse Pointe boys taking part in the various activities at Culver are from left to right: Richard L. Kingswood, 1056 Devonshire, Willard Hagenmeyer, Jr., 841 Lakepointe, Richmond J. Laux, 764 Lincoln, Newell B. Wallace, Jr., 1033 Kensington, Robert W. Sabo, 776 Hampton, James M. Degnan, 3d, 800 Cadieux, and Theodore D. Kazanis, 463 Calvin.

Pointe Boys At Culver Find Varied Interests

Had Grosse Pointers who know Culver Military Academy in Indiana visited the campus recently and met up with the group of cadets above they would have been able to tell at once where each boy was headed for just by the nature of the uniform he was wearing.

Dick Kingswood, 1056 Devonshire in the Field Artillery coversalls is obviously the boy who is going to get his hands dirty. His is strictly a work uniform; he was probably headed for the Battery garage to work on any of the Academy artillery field equipment.

Willard Hagenmeyer, Jr., of 841 Lakepointe, is in the standard Fatigue C with jacket which is used for class-room and informal campus wear.

Attired in full dress, commissioned officers' uniform is Dick Laux, 764 Lincoln Road. At this moment he was functioning as the Officer of the Day and as such sports the highest authority in the cadet corps and the fanciest uniform at the Academy.

Newell B. Wallace, Jr., 1033 Kensington, Road, is easily spotted as a Black Horse Trooper in the famous, Culver Cavalry unit. Sitting behind him is Bob Sabo, 776 Hampton Road, wearing the Culver varsity sweater and cap. Bob is captain of next year's cadet football team.

Next is Jim Degnan, 800 Cadieux road, in Fatigue B, or regular dress uniform. This is one most frequently seen at Culver parades or on off-campus jaunts by cadets.

Finally, Ted Kazanis of 463 Calvin Road, might very well appear in class in his chamberly shirt without coat but would not have access to campus dining room or other more formal environment.

School Board Member Cites Census Value

"The census information which is about to be collected from all of us, in the 17th Decennial Census of the United States, starting in April, will serve many useful purposes in connection with the schools," according to a statement made today by Mrs. Jane Lovejoy, Eastsider and member of the Detroit Board of Education. "Census figures taken right here in making plans for the future of our school system, and in enriching the studies of our children in school."

"Information about the number of children of each year of age, and the number of years of school completed is important in determining future school needs of the community," Mrs. Lovejoy said. "Here in Detroit we all know that it is hard to tell where the communities are suddenly going to grow, and, presently, outgrow their schools. This has been very evident in the great growth of the Northeast and Northwest sections of Detroit where the schools are bulging at the seams, and new schools are being built as rapidly as possible. Knowledge of how many children in each community to expect in the schools helps us to decide where additional facilities are most needed, and how many new teachers we will be needing to staff these added classes."

Children are taught virtue at their mother's knee—but vice is learned at some other joint.

Chesterfield Wrestling

Every lady fan attending the matches Friday at Chesterfield Arena, Gratiot near 10-Mile road, will receive a free ticket to the following week's show, it has been announced by the local promoters. This week's card features Billy Konke vs. Fierro Ghetti in one main event, a tag.

High Series for the Night: M. Roland, 501; F. Commyn, 467; M. Goosen, 455; L. Semon, 448; V. Rightenberg, 443, and J. Desmet, 441.

Imperial, Moor's Tied For Bowling League Lead

Moor's Bar took four points from Imperial Cleaners in Grosse Pointe Business Men's Bowling League matches at Maple Lane last week. The victory put Moor's in a first place tie with Imperial. J. Donnellon rolled a 594 series, including games of 213, 210 for Imperial.

M' Alumni To Meet

ANN ARBOR—Alumni University is scheduled at the University of Michigan for four days, June 12 through 15. E. J. Soop, director of the Extension Service, said a series of eight lectures and discussion groups would be featured. They will cover literature, music, philosophy, world affairs, recent American history, problems of the mature years, business and economics, and science.

Michigan Conference Draws Many

ANN ARBOR—A wide range of representatives from business and industry will attend a series of conferences to be held at the University of Michigan during the month of April under sponsorship of the Extension Service.

First in the series will be the Real Estate Clinic on April 11 and 12, bringing several hundred persons engaged in this business to the campus for study of current problems. On April 14, the 17th annual Foremen's Conference will be held for foremen from the metropolitan Detroit area. On the next day a similar session will be held for foremen from the rest of the state and Ohio. Topics for discussion at these meetings are secured through a questionnaire submitted to foremen throughout the area.

A five-day Training Course for Motor Vehicle Fleet Supervisors is scheduled for April 24-28. Those attending will be executive supervisory personnel from the motor transportation industry. The program will deal with driver training and accident prevention methods.

The session of the month will be a conference on Concrete, scheduled for April 25-27, arranged by the Extension Service in cooperation with the University's College of Architecture and Design and representatives of the industry. The program will deal with the use of concrete.

CHRISTIAN SCIENCE CHURCHES
"Unreality" will be the subject of the Lesson, Sermon in any Christian Science churches throughout the world on Sunday, April 2.
The Golden Rule (Matt. 23:13) is: "Surely God will not bear vanity, neither will the Almighty regard it."
The Golden Rule is the foundation of this passage. (Matt. 7:19, 20): "Every tree that bringeth not forth good fruit is hewn down and cast into the fire. Wherefore by their fruits ye shall know them."
Conclusive passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 472): "All reality is in fact, and is created, harmonious and eternal. That which creates is good, and He makes all that is made."

Fashion Wise Shoppers Note New Spring Styles

Fashion-wise shoppers are trying to take the wind out of the sails of this spring's styles, report local fashionwear buyers. And who can blame them? Should the newest fall-blown trends of leading designers be allowed to set the pace, Madame may soon be rigged to "set sail with the wind abaft the beam!" Top-flight stylists like Christian Dior's influence may be influential in a great many fashion circles, but their new spring "lines" are not drawing in customers hereabouts.

"Dramatic Dolman sleeves... billowing bishop sleeves... full Top Look... roamy cuffed hip pockets... pleated above waist suppleness... blousey backs... full-skirted... drop shoulders... and imported high-breast pocketing" chant the copywriters. "And no sale!" chant the buyers.

After flapping about in an experimental take-off in the Dolman sleeve, short waisted women are seen somewhat sheepishly choosing their usual classic set-in shoulder style.

Slipping into something that has those perky high breasted pockets causes shudders for the busom babes—only Venus dare wear it. And try to find anyone excepting Miss Pin-stripe who is exactly "hipped" on those wonderfully large, cuffed pockets perched below-waist on practically everything.

But buyers all agree that the shorter jacket is a Godsend for petite women after suffering through the longer jacket season. And the new soft "easy look" does really just that—for everyone for all occasions.

"It's on the cuff!" nowadays can mean anything in a fashion shoppe. If you're shorter-armed, it means you simply turn it up—or down, if longer limbed. If slim in size, you can pick it for your pocketing, too. And for knowing husbands of all shapes and sizes, it can only mean, "Charge it, please!"

payment in advance for the use or rent of water furnished by it, and any work to be done or materials to be furnished. The City may refuse or discontinue the service of water for failure to comply with this section.

Section 5. The minimum charge for water furnished by the City of Grosse Pointe to any place of business, or to any single dwelling, or to each unit where there is more than one unit in a place used for dwelling purposes, shall be six dollars and twenty-five cents for the first 5,000 cubic feet or less for each six months or any part thereof, and an additional twelve and one-half cents per 100 cubic feet for each 100 cubic feet or part thereof over 5,000 cubic feet.

Section 6 (a). Charges as follows shall be payable to the treasurer of the City of Grosse Pointe:
Water connection... \$ 3.00
3/4" water tap permit 7.00
1" water tap permit 10.00
1 1/2" water tap permit 25.00
2" water tap permit 35.00
3/4" water meter rental 31.50
1" water meter rental 46.20
1 1/2" water meter rental 84.00
2" water meter rental 102.00

(b) Any time required on the part of the City of Grosse Pointe to remove excessive dirt or debris from the sidewalk, road or vacant lot caused by the owner, builder or subcontractor, and not removed by him, shall be deducted from the amount deposited with the City for the building permit at the rate of time and one-half the hourly rate paid by the City for such work.

(c) The charge for water meter rental must be paid when the water tap permit is issued.

Section 7. All water meters so furnished shall remain the property of the City of Grosse Pointe.

Section 8. Each of the foregoing charges shall begin as of January 1, 1950.

Section 9. This ordinance repeals the following ordinances: an ordinance passed April 18, 1938, entitled "An ordinance to provide for the collection of water charges..."; an ordinance passed November 21, 1939, amending the foregoing ordinance; and an ordinance adopted January 21, 1946, and entitled "An ordinance in reference to water meters and charges to be made for such meters and for water used."

This ordinance shall take effect ten days after publication.

NOTICE OF SALE \$3,185,000.00
Rural Agricultural School District No. 1, Grosse Pointe Township, Wayne County, Michigan
SCHOOL BUILDING BONDS

SEALED BIDS for the purchase of general obligation bonds to be issued by Rural Agricultural School District No. 1, Grosse Pointe Township, Wayne County, Michigan, of the par value of \$3,185,000.00 will be received by the undersigned at the Superintendent's Office located at 380 St. Clair Street Grosse Pointe, Michigan, until 8:00 o'clock p.m. Eastern Standard Time, on Wednesday, April 12, 1950, at which time and place said bids will be publicly opened and read.

Said bonds will be dated as of May 1, 1950, and will consist of 3,185 bonds of \$1,000 each, numbered consecutively in the direct order of their maturities from 1 to 3,185, both inclusive, and will bear interest from their date at a rate or rates not exceeding three per cent (3%) per annum, expressed in multiples of 1/4 of 1%. Said interest will be payable on September 1, 1950, and semi-annually thereafter on March 1st and September 1st of each year. The interest rate for each coupon period on any one bond shall be at one rate only. Accrued interest to date of delivery of such bonds shall be paid by the purchaser at the time of delivery.

Table with columns: Bond Nos. Inclusive, Amount, Maturity. Lists bond numbers 1/165 to 2951/3185 and their corresponding amounts and maturity dates.

Both principal and interest will be payable at a bank or trust company to be designated by the purchaser of the bonds.

Bonds numbered 1 to 855, inclusive, maturing in the years 1952 to 1956, inclusive, shall not be subject to prior redemption.

Bonds numbered 856 to 3185, inclusive, maturing in the years 1957 to 1967, inclusive, may be redeemed at the option of the District, in inverse numerical order, as follows:

- Bonds numbered 2716 to 3185, inclusive, maturing in the years 1966 and 1967, on any interest payment date on or after March 1, 1953;
Bonds numbered 856 to 2715, inclusive, maturing in the years 1957 to 1965, inclusive, on any interest payment date on or after March 1, 1956.
Bonds called for redemption prior to maturity shall be redeemed at par and accrued interest plus a premium as follows:
\$20.00 on each bond called for redemption on or prior to March 1, 1955;
\$15.00 on each bond called for redemption after March 1, 1955, but on or prior to March 1, 1958;
\$10.00 on each bond called for redemption after March 1, 1958, but on or prior to March 1, 1960;
\$5.00 on each bond called for redemption after March 1, 1960, but on or prior to March 1, 1962.
No premium shall be paid on bonds called for redemption after March 1, 1962.

Notice of redemption shall be given to the holders of the bonds to be redeemed by publication of such notice not less than thirty (30) days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from May 1, 1950, to their maturity, and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the School District. No proposal for the purchase of less than all of the bonds, or at a price less than 100% of their par value will be considered.

The said bonds are payable from ad valorem taxes, subject to such limitation upon said taxing power as may result from the provisions of Section 21, Article X, of the Michigan Constitution and the Michigan Property Tax Limitation Act.
A certified or cashier's check in the amount of \$63,000.00, drawn upon an incorporated bank or trust company payable to the order of the Treasurer of the School District must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks, and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys, of Detroit, Michigan, approving the legality of the bonds. The cost of said legal opinion and the cost of printing the bonds will be paid by the School District. Bonds will be delivered at the bank designated as the place of payment or such other place as may be agreed upon with the purchaser.

The right is reserved to reject any and all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds."
Franklin D. Dougherty SECRETARY.

City of Grosse Pointe Farms

Summary of Proceedings Regular Meeting

MARCH 20, 1950

Present on roll call: Mayor William F. Connolly Jr. and Councilmen Henry H. Hubbard, John M. S. Hutchinson, William G. Kirby, Richard L. Maxon and Neil S. McEachin.

Absent: Councilman George L. Schlaepfer.

Mayor Connolly presided.

Minutes of the adjourned regular meeting held on February 27, 1950, were read and approved.

The Grosse Pointe Garden Club Council was assured of the cooperation of Grosse Pointe Farms in the proposed general cleanup campaign for Grosse Pointe planned the week of April 23rd.

A new plan for launching and removing of boats at the municipal pier submitted by a boat owners committee was referred to the Engineer for study and report.

The following communications were received and ordered filed:

1. Erlend Reuter—on parking.
2. E. B. Dixon—complimenting the fire department.
3. City of Dearborn—regarding sewage treatment.

Rules and regulations recommended by the Radio Control Board for the operation of the Inter-Municipal Police Radio System were ratified.

Mr. George Flaworth, Director of Neighborhood Club, was appointed Welfare Director for this community pending further report in the future.

A number of special bills were approved for payment and new equipment for the clerk's office was authorized for purchase.

Alterations being made in the Pier offices were approved.

Dr. Frank and harbor regulations were amended for immediate effect.

The Engineer reported that plans and specifications for the new Public Works Garage were now on file and in his office.

The Council accepted the low bid on the following special work at Municipal Pier:

1. Drilling 410 lin. ft. of steel sheeting.
2. Installing 4045 sq. ft. of 5" concrete.
3. Finishing and driving 40 8" white oak piles.
4. Finishing and driving 20 12" white oak piles.

The Council authorized the Engineer to represent the Farms at the Wayne Executive Commission conference on Municipal Pollution to be held at Midland, Michigan, on March 20, 21 and 22.

An appointment of John M. Keir of 356 Kerby Road as inspector was approved.

The Engineer was authorized to sign an agreement covering new sewage pumping facilities.

The Council instructed that the Liquor Control Commission be requested to not renew the SDM license out license of the Manor Bar.

Reports of the Police Chief, Fire Chief and Treasurer for the month of February were approved.

The Council adopted a formal resolution of understanding on the part of an inter-community plan for the operation of Public Health under the Wayne County Department of Health.

Personnel adjustments in salaries and reorganization of the Administration office and standing committees were approved.

The Council approved participation in the Safety Education Program for the Grosse Pointe Rotary Club and authorized the purchase of 1000 first aid kits to be distributed to the members to be inserted in the time in the program.

Adjournment at twelve midnight.
