Country Fair Nets Pierce P-TA \$7,800

A sum of \$7,800 was realized from the Pierce P-T. A. Country Fair held last Saturday at Pierce Junior High School from 2 to 10 p.m.

Profits from the benefit will be used by the P-T. A. to purchase band uniforms, and to supplement the portable classroom equipment, hot lunch and other programs which they sponsor.

Thousands and thousands of men, women and children jammed the halls, gymnasiums, classrooms and auditorium for the most spectacular community enterprise in the history of the school.

To attempt to adequately describe the enthusiasm and interest of the public at large is almost as difficult as trying to describe the fair itself. One would come as close to telling what they saw at a circus.

Overall chairman for the affair was Gilbert W. Groehn, of Bedford Road.

Just to mention a few features of the fair were the pony rides for the kiddies, sports autograph shop, Red Wing personnel, midway, fortune tellers, kissing booth, marionette show, doll show, square dancing, fun house, white elephants, bake sale, apron sale, weight guessing, and a dozen concessions from penny pitching to hit the nigger-baby.

Grand prizes included a GE television set, two GE radios, two bicycles, two deluxe bicycles, 12 pairs of roller skates and hundreds of merchants' prizes.

In a statement to the Review Mr. Groehn said that words could not express his appreciation for the cooperation of everyone in the community, including members of the P-T. A., his committee chairman, the merchants and the public at large. He especially thanked the J. L. Hudson Company for their yeoman efforts in erecting booths and supplying display counters.

POINTE PARAGRAPHS

A burglar with a green thumb stole more than \$80 worth of rose bushes, barberries and shrubs from the residence of Tow Young, of 11131 Outer Drive.

City of Grosse Pointe Police reported a sure sign of spring when three frantic women phoned within two days to report that they had been locked out of their homes. All parties admitted that they had been lured into their yards by the balmy breezes and when they returned the doors were locked.

Mrs. Glen Young, of the Grosse Pointe Review advertising staff, returned from a week of vacationing on the eastern shore of Maryland.

Police officers went to the rescue when a squirrel was helplessly trapped on the roof of a home at 592 University. The patient seemed happily grounded as he hobbled away.

A lonesome picket from the carpenter's union was pacing up and down Kercheval early Wednesday morning, picketing a house construction job at the corner of Cadieux road.

Monday night after the fracas in the aisles of the Woods Theater a patron was heard to remark to her companion, "That was the best show I ever saw!"

Two Convicted On Weapons Charge

Two men were given prison sentences Monday morning in Circuit Court before Judge Guy S. Smith for carrying concealed weapons in Grosse Pointe Park. Donald P. Stewart was sentenced to two to five years in the State Prison of Southern Michigan and Mike Kuzmack was given four to five years.

SAILORS PITCH IN AS SEASON APPROACHES

Skipper Carol Stewart, 758 Westchester, prevailed upon Dick Redmond, 920 Balfour, and Dick Smart, 935 Westchester, to give her a hand to get her 110 sloop ready for the season's racing at Jefferson Beach Boat Harbor.

Carol, a student at Michigan State, is one of the top skippers in the class and she promises to be on the starting line when the gun for the first regatta is fired.

Park Charter Commission Organizes

Eight of the nine members of the Grosse Pointe Park Charter Commission were present for the first organizational meeting held Monday night at the Municipal Building.

Officers elected at the meeting were Robert E. McKean, Chairman; Victor H. Wehmeier, Vice-Chairman; William Gillett, Sec.-Treas.; and Mrs. Kins Collins, Vice-Sec.-Treas.

The Commission was elected in March at the annual election which saw the Park abandon the Township for City government by a vote of 2,167 to 458.

Meetings of the Charter Commission will be held monthly to draft a city charter that will meet the needs of the community. The electorate will vote on the Commission's recommendations.

Renaud Residents Don't Want Lights

Five residents of South Renaud road refused to grant The Detroit Edison Company right of way to install street lighting on their street, according to a communication read to the Woods Commission Tuesday night by Village Clerk Philip F. Allard.

A letter will be sent to those residents asking them to appear at the next Commission meeting on May 16th; meanwhile, Commissioner George Heckendorn will make a personal survey of the area.

Memorial Directors Re-Elected for 3 Years

Five members of the Board of Directors of the Grosse Pointe War Memorial Association were re-elected for a three year term at the annual meeting of members at the Memorial Center Monday night.

Herbert H. Micou was elected to the Board to replace Louis Baldwin, who resigned, for the unexpired term of his directorship, which expires May 1, 1951. Directors named for three years by unanimous re-election were Mrs. Charles T. Ellis, Vincent De Petris, Norbert P. Neff, Ralph B. Nettling and Alger Sheldon. Presiding at the meeting, President Sheldon expressed his deep

Skippers Eager for Sailing Season After Late Start

Sailors this season are working swing shifts in the boatyards to make up for several stormy weeks which halted work.

A cold damp spring nipped at their nautical heels and deterred skippers from the usual paint and varnish sessions.

Now every sailor and his crew are eager for a turn at their favorite sport.

Bob Connelly is about ready to put his 33-foot cutter, Serenade, into the water. Last year Connelly was given the pickle boat award in the Mackinac race.

Work crews on the 8-meter Shamrock, owned by Hans Hattshiek, are being spirited by Frank McBride.

While Bob Ford is busy with his studies at Michigan State College his crews are readying his Estherlee, a Mackinac Cruising C Division.

Three boats that have regularly sailed the Mackinac race will not be seen in the starting lineup this season. Rovono has joined the Navy and Kitty Hawk and Escapade are remaining in the east following the Bermuda race.

The 8-meter fleet will be short one this year with the Armida going to Long Island Sound, while James Whitehead added a new sloop to St. Clair waters with his Foro II, which he brought from Marblehead.

The Redhead changed owners with Gil Pingree taking over Harry Bodman. More competition will be offered by the sleek-blue-hulled Orient brought from the coast last year by Paul Smiley.

A tour through the boatyards reveals hundreds of other sailors who are busy caulking, painting, and sanding the hulls of their boats. Before long one of the largest groups of enthusiasts, composed of men, women and children, who like to sail, will be ready to hoist their canvas and invade Lake St. Clair.

Police Hear Youths' Tale of Robberies

Two juveniles who were arrested last Friday for breaking into the old Trombly school, on East Jefferson and Beaconsfield, admitted to Grosse Pointe Park Police that they had committed a series of east side burglaries involving the theft of dental instruments, household items and personal effects from private homes and business offices.

The boys, ages 12 and 14, admitted to Sgt. Stanley Enders that they had stolen items from Al Green's Cafe, 15301 East Jefferson; Dr. Chester Perry's office, at 16350 East Warren, and from the residence of P. J. M. Hally, of 16213 East Jefferson.

Items recovered include telephones, cigarette lighters, binoculars and a gum machine.

Arresting officer was Patrolman Charles Slusser.

Woods Granted 3 Mo. Option On Parksite

A three-month option to purchase nine lots on Bournemouth valued at \$5,950 was granted to the Village of Grosse Pointe Woods at a Council meeting Tuesday night in the Municipal Building.

Youths Admit Stealing 25 Automobiles

Six boys were sent to Detroit Juvenile Detention last week after admitting to Grosse Pointe Woods and Gratiot Township police that they had stolen more than 25 cars.

Six other youths, ranging in ages from 13 to 17, were released by police after questioning. All of the boys are students at Gratiot High School.

Lt. Raymond Biazza of Gratiot Township police said that one of the boys admitted he stole cars "just for the thrill of it."

Two of the cars were stolen from the Woods Theater parking lot. Others were taken from Gratiot Township, Clawson and Detroit.

"All of the boys," said Biazza, "seem to realize that they started out on the wrong foot and they are eager to make amends. We will do everything in our power to help them."

The date of the trial has not been set.

Seek Pranksters For Explosions

Two teen-age boys are being sought by Grosse Pointe Park Police for exploding carbide bombs that might have caused serious personal injury to innocent bystanders. One bomb was exploded in the front yard of 845 Park Lane and shattered pieces of lead pipe flew into the air.

Another bomb was set off in the living room of a new house at 1378 Audubon.

Safety Patrol Leaders Embark For Tour Through Washington

David Whittingham, 200 McKinley, age 13, safety patrol leader at Richard school of Grosse Pointe, will be among the 100 outstanding leaders from schools throughout Michigan en-training from here for Washington, D. C., Thursday, May 11, on a four-day all-expense tour sponsored by Automobile Club of Michigan. They will attend the 14th annual AAN National Safety Patrol rally.

Washington was selected by local school authorities to make the trip after his school was voted by Auto Club for its superior 1949-50 safety patrol.

All expenses of the 100 Michigan boys are to be borne by Auto Club as a reward from the motoring public for 200 hours

per year which each of 33,000 Michigan safety patrol boys spends guarding school corners.

Winning safety patrol leaders will be assembled in Detroit on Thursday afternoon from all parts of the state after being registered, the youngsters will be given a physical checkup and instructions on the trip.

The group, along with adult supervisors and registered nurses, will board special pullmans on the Baltimore and Ohio Ammashade at 5:45 p.m. to begin the overnight trip to Washington. After dinner aboard the train they will be entertained by a professional magician.

Friday morning they will see downtown Washington and (Continued on Page 3)

U.S. Mail Robber Nabbed Construction Tempo Spurs Board Action On New Schools

Alert action by four Grosse Pointe Woods police officers, plus a valuable assist from the manager of the Woods Theatre, landed a Texas mail robber in the hands of the F.B.I. Monday night in an exciting chase which was attended by about fifteen scout cars from the Woods, Farms, City, Gratiot Township and Detroit.

Acting upon a tip to two Post Office inspectors, a trap was laid at the Woods Theatre where the manager notified Woods police when the culprit, Raymond Van Zorge, 24, appeared. Postal Inspectors Richard R. Cullom and Donald Schoff had nabbed the prisoner, but he broke away as uniformed officers Plumb, Abend and Sgt. LeDuke appeared. Patrolman Allard, off duty, joined the chase.

The prisoner became lost in the parked cars at the rear of the theatre. Officer Abend, who skinned his knee in the chase and later blacked an eye on a guy wire, got into his car and saw a man duck behind a parked car on Huntington, just off Mack avenue. He pulled his gun and held Van Zorge until help arrived.

In a highly nervous condition, the prisoner was transferred to Receiving Hospital as a Police prisoner and registered through the Wayne County jail to be released by them to U. S. Deputy Marshall.

Two Public Hearings Set by Commission

Two public hearings have been scheduled for May 16, at 8 p.m., in the Municipal Building of Grosse Pointe Woods by the Council which met Tuesday night.

The first hearing is being held at the request of the Grosse Pointe Board of Education and concerns the erection of a seven-foot parkside fence at Parcels Junior High School, Mack and Vernier.

A hearing will also be conducted on the proposed 1950-51 budget for the Village of Grosse Pointe Woods.

Five Reckless Drivers Fined In Park Court

Seven persons were arraigned before Judge John L. Potter in the Grosse Pointe Park Court conducted last Wednesday morning and five of these parties were convicted of reckless driving charges.

They are: William Lee Granger, 4102 Brush, fined \$10; Harry G. Garman Jr., 1644 Prestwick, fined \$10; Ambrose S. Biondo, 589 Conner, fined \$5; Joseph Mornicovich, 835 Tennessee, fined \$5; and John A. Maxwell, 1321 Cadieux, who was ordered to attend two sessions of Traffic School.

Bernadine Von Dette Hinsby, 16044 Fordham, was found guilty of speeding and paid a total of \$10 for fine and costs. For failing to yield the right of way and causing an accident, Gertrude Mae Lockleder, 848 Berkshire, was ordered to attend two sessions of Traffic school.

Board President Sec'y., Will Seek Re-Election

Both Sigurd R. Wendin, President, and Franklin D. Dougherty, Secretary of the Grosse Pointe Board of Education, announced today that they will stand for reelection to the Board of Education at the regular annual school election to be held on Monday, June 12.

In their announcement Mr. Wendin and Mr. Dougherty made the following joint statement:

"We are both completing our first three year term as members of the Grosse Pointe Board of Education. Due to the experience which we have gained during these three years, we realize the magnitude of the many problems facing the school district for the next few years. We have both come to realize that the Public Schools represent Grosse Pointe's largest business enterprise and that they constitute the one governmental unit which reaches practically every home in the district in one way or another. We further recognize that being a member of the Board of Education carries with it a most serious responsibility and that only after a person has served for two or three years is he able to render the most effective service to citizens of Grosse Pointe and to their children.

"During our term of office, through the combined efforts of all the members of the Board of Education, the staff members and the residents of Grosse Pointe we (Continued on Page 3)

HONORED

Cass Piotrowski, 1099 Grayton, newly elected Governor of District 223, Rotary International, will be the guest of honor of the Grosse Pointe Rotary Club next Monday noon at the Memorial Center. Also honored will be members of the Hamtramck Rotary Club, charter sponsors of the Grosse Pointe Club. George Stark, of the Detroit News, will be guest speaker of the day.

253 PERMITS

This report shows that a total of 253 permits for homes or dwelling units were issued by the various municipalities comprising the Grosse Pointe School District during the first three months of this calendar year. This is more than twice as many as for any comparable period on record, which dates back to 1925.

Last year, during which time a total of 835 dwelling permits were issued, the largest number for any year in the history of the school district, only 115 home permits were issued during the first three month period. In 1948, when a total of 820 permits were issued for the year, 110 were granted during the first quarter.

FARMS, WOODS LEAD

If the present rate of issuance of dwelling permits is continued throughout the year, over 1,000 home permits will be issued during 1950. Of the 253 permits issued during the first quarter of this year, 32 were in the Park, (Continued on Page 3)

THE FBI'S CONFIDENTIAL FILES

The question of whether or not the confidential files of the FBI should be opened, in order to affirm or refute current charges that certain men high in the government are Communist stooges, has been much in the headlines. To many, it may seem a reasonable procedure. But the Bureau's director, J. Edgar Hoover, sees the matter differently. And his two-fold reason for opposing opening of the files is of the highest importance.

First, opening the files would gravely damage the Bureau's future efforts in obtaining confidential information, by disclosing the names of informants. Some of the witnesses whose testimony led to the conviction of the 11 Communist leaders in New York had risked their lives as undercover employees of the FBI. In Mr. Hoover's words, "A disclosure of FBI reports would reveal the identity of confi-

dential sources of information and, if it did not place the lives of such persons in actual jeopardy, it would certainly ruin their future value and effectiveness." And, moreover, criminals and subversives would be forewarned and would conduct themselves accordingly.

Second, opening the files could do the most serious and unwarranted injustice to individuals. The files contain complaints and allegations—not only facts—which may or may not be true. Mr. Hoover compared them to the notes of a newspaper reporter before he has culled the printable from the unprintable. Then he said, "I would not want to be a party to any action which would 'smear' innocent individuals for the rest of their lives."

Mr. Hoover makes it plain that opening these files could very well both endanger the national security and commit profound injustices on good citizens.

TEN YEARS OF RETAILING

A preliminary check of facts about retailing produced by the 1948 Census of Business reveals the enormous changes that have taken place since the last Census in 1939. The average hours worked by employees has substantially declined, yet the volume of merchandise handled by each worker has gone up. Sales at retail increased three times in 10 years—from \$42,000,000,000 to \$126,000,000,000—although the total number of stores has changed little. Total retail employment has reached 6,000,000. And, finally, retailing is decentralizing—it is moving away from central business districts into the "fringes" of the cities, and it is showing spectacular growth in small-town and rural areas.

Here is a really dramatic record of progress. It shows the vast importance of retailing to the American economy. The money that is spent across store counters keeps our farms and factories humming, and our employment high. And retailing always devotes its major efforts to giving the consumer better service, lower prices, and more varied goods.

This is true of all kinds of stores—the big chains, the little one-man operations, the specialty shops, the super-markets and the rest. The spur of competition—that irresistible force for progress—is always present. The customer, in a free economy, can pick and choose and his patronage goes to those who earn it. That's why retailing keeps on doing a better job.

WHITE CANE WEEK

Local churches, schools, newspapers, radio stations and places of business are again working together to further the educational program of White Cane Week, May 7 to 13. Under the dual sponsorship of Lions of Metropolitan Detroit and the Lions Clubs of Michigan, printed leaflets have been prepared for distribution throughout all schools. To date, thousands of White Canes have been furnished free of charge to blind persons through the efforts of the various Lions Clubs throughout the state. This work goes on day after day.

Once each year, however, a special week is designated by the Governor and Mayor of the City of Detroit as White Cane Week during which an intensive program is launched to remind citizens that the bearer of the White Cane is blind, and that under our state law such person is granted the right-of-way in traffic. Going beyond the letter of the law, one of the prime purposes of White Cane Week is to solicit friendly assistance wherever it may be needed in order to safeguard the welfare of all who carry this symbol of blindness.

Awarded Bids

Blythe and Company was the successful bidder for both Grosse Pointe Woods \$81,000 Lakefront Parkside Improvement General Obligation Bonds and the \$21,000 Special Assessment Rolls Improvement Bonds, 66 to 68 inclusive, at a combined interest rate of 2.1968 per cent.

Shores Sends 2 To Institute

The Council of the Village of Grosse Pointe Shores sent Sergeant F. L. Baldwin and Stanley Vernier of the Shores Public Safety Department to the initial meetings of the Fire Department Inspectors' Institute, held at Michigan State College last week. Modern methods of fire prevention in homes and business places, and the hazards that accompany heating and ventilating equipment, electrical equipment and flammable liquids were fully covered by authorities in these fields. The lectures and conferences were given to over 125 representatives of Michigan communities from all over the state.

Life has its disappointments but there is no reason to be one of them.

Dear Editor:

Enclosed please find a copy of a letter from Professor Don W. Hayne, of Michigan State College, outlining methods for rat extermination, which may be of help to your readers in this rat-infested community.

Very truly yours,
L. E. Clark
373 St. Clair

"I wish I could tell you of some magic way to get rid of rats permanently, but I cannot. If one has rats in a building, he must kill those which are present, and also rat proof the building. Then the problem will be solved, except for the occasional animal which may dodge into a door left open by accident.

"Of the two methods of attack, the rat proofing is by far the more important. So long as rats are able to find food and shelter in a house, and are able to enter it, they will be there. Eliminating them usually means a respite of only a few weeks until the population is starting to build up again.

"Knowing nothing about your house, it is obvious that I cannot give you detailed advice on rat proofing. I know there are three of four pest-control firms in the City of Detroit which are doing a large amount of rat proofing of buildings. The City of Detroit has a rat ordinance, and the City orders the householder to have the rat proofing done. He may do it himself, or turn over the job to the persons who are specializing in that work. I do not know whether any of these firms operate in your neighborhood, but I assume that some of them do.

"Regarding the killing of the rats which are present, any of the methods which you mentioned (electric paste, cyanide and traps) are effective. A thorough fumigation with cyanide will kill all of the rats present in the house. However, you will find that if the rats are able to get in, there will soon be others replacing the ones you have killed. In addition, the rats killed by the cyanide gas will have died in the house, many of them between the walls and in other places where they cannot be reached. The odor of the decaying carcasses will be very undesirable.

"Because of this difficulty with the dead rats, we do not recommend any method of control in a dwelling other than the use of traps. A thorough program of trapping, using a large number of traps, will do the job for you. Try pre-baiting. This means that you lay the traps out, baited but not set and keep them baited until you find the rats are removing the bait regularly. Then you should set all of the traps at one time, and rats will be easier to catch, since they will be used to the traps and not so cautious as is usually the case.

★ Community Rallies To Pierce P-TA 'Country Fair' ★

Everyone had a good time at the Pierce Country Fair held last Saturday. Hundreds of colorful flags hung from the ceilings of the gymnasiums while parents and chil-

dren played and cavorted from 2 to 10 p.m. Pony rides, old-time dancing and top-hatted barkers were a few of the attractions at the fair.

Demonstrating a few tunes on his little trumpet is George Bashara, of 711 Balfour, chairman of the Clap-trap booth at Pierce's Country Fair last Saturday. Watch-

ing him are, left to right, Chuck Norris, 607 Trombly, Bill Redfern, 569 Lakepointe, and Patrick Sullivan, 22512 Alexander Drive, St. Clair Shores.

 five in the City of Grosse Pointe, 12 in the Farms, 112 in the Woods (this does not include a number of permits issued in Grosse Pointe Woods for a small section which lies outside the Grosse Pointe School District), two in the Shores, and 30 in that portion of Gratiot Township which is in the Grosse Pointe School District.
 A breakdown of these data according to the proposed ten elementary school district plan is as follows: Trombly, 12; Defer, 7; Mair, 17; Richard, 17; Kerby, 45; Cook, 69; Torrey Woods, 19; Vernier, 13; Mason, 20; and Gratiot, 34. In other words all but 53, or 200 of the permits were issued for the area north of Moran Road.
\$3,500,000 IN PERMITS
 In commenting on the great increase in the rate of building in this area north of Moran Road, Sigurd R. Wendin, President of the Grosse Pointe Board of Education, said, "With such evidence as this, we realize more than ever the urgent necessity of completing the buildings authorized by the voters last February, at the earliest possible dates."

Bartlett's report shows that the total value of the permits issued during the first quarter of this year, according to the valuation placed by the issuing officers, exceeds three and one-half millions of dollars.

Woods Committee Reports to Council

A lengthy report of their study and recommendations on City incorporation was received from the Citizens Committee by the Grosse Pointe Woods Commission Tuesday night.
 The council passed a resolution that a letter of appreciation be sent to each member of the committee which had been appointed by Village President Alois A. Ghesquiere to study and make recommendations to the Commission on the type of city government best suited to the needs of the Woods.
 Their report was made available in duplicate to each member of the Commission and a copy placed on file with Village Clerk Philip F. Allard.

Collections For Clothing Drive High

According to Lynn Bartlett, Director of Pupil Personnel in the Grosse Pointe school system, the Clothing Drive which closed Wednesday night was a complete success.

Principals reported that huge bags of clothing that had been collected and were stacked in the schools waiting to be turned over to the Save the Children Federation for distribution.

The drive, which was part of the Ninth National Children's Crusade, will assist children in isolated rural areas of the United States and in seven European countries, namely, Austria, Finland, France, Greece, Germany, Holland and Italy.

In this country clothing is distributed to rural areas of low income, to eight southern and midwestern states and on the Navajo Indian Reservation.

To The Grosse Pointe Community

It is with a feeling of deep gratitude and pride that we write these paragraphs today.
The gratitude is for the whole spirit of this community in supporting our little "Country Fair." We knew we had real neighbors—but you went beyond even our greatest expectation in your patronage.
Our pride stems from one fact alone—all of us on that pleasant Saturday proved to all that we Grosse Pointers are still "some shakes" when it comes to barn raisings and the like. We are always ready with a helping hand for the boys and girls in our community.
It was good and we thank you for making it so.

THE "COUNTRY FAIR."

Run Again

(Continued from Page 1)
 have seen the successful culmination of the authorization for the immediate expansion of Grosse Pointe's Public School facilities. As a result of the special February election and the sale of the bonds authorized in this election, money is now available for the completion of the Parcells Junior High School and the New Kerby Elementary School, and for the construction of the Cook Road and Gratiot Elementary Schools. With this rather large building program, we feel that experienced and fully informed persons should be on the Board of Education. Because of this, we both believe it is our responsibility and duty to place our names before the people of Grosse Pointe for re-election this June.

Information received from the school authorities indicate that for a person to be eligible to run for election to the Board of Education, he must be a citizen of the United States, a resident of the State of Michigan for at least six months, and of Grosse Pointe for at least twenty-one days. Petitions which are obtainable at the Board of Education offices must be signed by a minimum of 50 qualified electors of the district and not more than 100. Such petitions must be filed in the offices of the Board of Education not later than twenty days preceding the election, which date this year is May 23.

Woods to Regulate Mich. Consolidated

Michigan Consolidated Gas Company's petition to open three spots in a paved street in the Woods in order to tap the gas line for service to three new homes was granted by the Woods Commission Tuesday night.
 However, no blanket permit was given for such operations, as requested, and a representative of the gas company will be asked to appear at the May 16th meeting to work out a permit system with Village officials.

Won't Pay Tax Water Only

His refusal to pay an annual assessment of \$43 for Village services, plus the fact that his property lies largely in Gratiot Township, caused the Woods Commission Tuesday night to rule to discontinue all services except water to Sidney Marter, 2238 Roslyn road.

Three feet of the front and four feet of the back of the Marter residence are in the Woods and the rest of his property is in Gratiot township. Services discontinued include garbage and rubbish collection, police and fire protection, Park privileges and any other municipal services which the Woods has been rendering.

The Commission ruled that Mr. Marter was not entitled to these services since his property is in the greater portion situated in Gratiot Township.

Farm and Garden Club To Meet Monday

SCHOOL NEWS

RICHARD SCHOOL
 During the past week the 468 pupils of the Richard School have participated in the Garden Club sponsored all-community clean-up week. Each classroom group took over a small area of the school playgrounds and the McMillan field, removing all rubbish. As a part of the event, celebrating Arbor Day, all classes are also participating in the planting of several elm trees on the grounds. The history of the day is being given, poems will be recited by children, and songs about nature and the beauties of our great America will be sung, all pointing toward the need of our conserving the natural resources and beauties of our land.

The safety patrol, under the sponsorship of John Hammel, has the honor of winning the traveling cup for its fine safety work on the street intersections near the school. The two captains, David Whittingham for the first semester and Danny Goodnow for the second, are to be guests of the Automobile Club in a trip to Washington, D. C.
 Plans are being made for the final PTA meeting of the year which comes on Friday evening, May 12 at 8:00 p.m. About 150 children will participate in a musical program and there will be an exhibit of art materials in all classrooms, kindergarten through six. Evelyn Kyzivat will present the chorus, Martha Ream and William Ferry will present the orchestra and band. The art displays will be in charge of Jack Welch and the several homeroom teachers. There will be a brief business meeting presided over by the president John Jakel and Mrs. Carlisle Rueger will present the 1950-51 slate of officers. Parents and friends of the School are very cordially invited to be present.

Safety Patrol

 Capitol building on their way to the Willard Hotel, a short distance from the White House. Friday and Saturday afternoons will be devoted to sightseeing, including Arlington Cemetery, Mt. Vernon, Tomb of the Unknown Soldier, the first U. S. public school, Lincoln and Washington Memorials and other historic spots.
 Saturday morning the boys will join with 20,000 other patrol leaders from all over the United States in a mile-long parade

down Constitution Avenue, led by the United States Army Band. Michigan's six heroes who received medals for saving lives while on safety patrol duty will see the parade from the reviewing stand along with Washington dignitaries.
 After buying souvenirs, they will leave Washington Saturday at 5:30 p.m. EST and arrive in Detroit Sunday. They will be routed and supervised to their homes by members of the club safety staff.

Trombly Pupils Plan Operetta of Tom Sawyer

The upper grade pupils of Trombly School will take their audience back to the days of Mark Twain's "Tom Sawyer" in an operetta to be presented Friday, May 3, at 8 p.m.

Bruce Rockwell as the mischievous but lovable Tom Sawyer; Robert Dunlap as Huck Finn, Tom's bosom pal; David Blecki as Joe, their friend and conspirator; Ella Mae Harrison as Aunt Polly; Steve Horn as Sid, together with the other favorite characters bring to life many of the scenes from Mark Twain's beloved story.

Judy Balcerski as Becky Thatcher and Toni Dauch as Amy Lawrence, rivals for Tom's attention, make an interesting by-play. Injun Joe characterized by Harold Joerin and Pard played by Michael Duffy furnish the element of mystery for which Tom and Huck are ever in search. The scenes are interspersed with dances and songs. The Sunflowers, Susan McKee, Patricia Price, Patricia Zain, Carole Powers, Elaine Gibson, and Janet Collinson appear in the first act. Eleanor Jacobson, Lawrie Pratt, and Marilyn Drettman come to life as very acrobatic skeletons in the graveyard scene.

The chorus of 40 voices is composed of pupils from Grades 4A, 5B, 5A, and 6A classes.

"Tom Sawyer" was dramatized by Theodosia Paynter and the music is by G. A. Grant-Schaefer.

Direction of the operetta is shared by Eleanor Dunham and Frank Welchenbach, teachers in Grades 5 and 6.

Pointe Artist Exhibits Work in Boston Show

Eva Worcester, artist, of 80 Sunningdale Drive, returned recently from Boston where she held a one man show of 26 of her paintings at the Copley Society Gallery, on Copley Square. The exhibit was held from April 8 to April 21.

The Copley Society is a conservative organization founded in 1879 for the purpose of promoting the arts. More than 250 members of the Copley Society, friends of Mrs. Worcester, artists, and newspaper critics attended the tea which opened the exhibit.

At the same time as the Boston exhibit, three of Mrs. Worcester's pictures were accepted and hung in the exhibit of the National League of American Pen Women, at the United States National Museum, in Washington, D. C.

Eastern newspaper critics carried positive reports about the 350 paintings on display. Mrs. Worcester will receive a cash award for one of her pictures in the show.

Coward Comedy To Be Presented By G.P. Theatre

Wednesday and Thursday, May 10 and 11, mark the evenings that the Grosse Pointe Theatre will present Noel Coward's delightful "family" comedy, "I'll Leave It To You," at Pierce Auditorium.

Walter Tuttle is playing the role of Uncle Daniel who comes home to England after twenty years to rescue his impoverished sister, played by Mary Frances Galvin.

He discovers that none of her children are equipped to earn their own way in the world, and announces that he will leave his entire fortune to the one who "makes good."

Jane McNaughton, Peter Spencer, Richard Hildebrandt, Mimi DuBrul and Frances Lee will be seen in the roles of Uncle Daniel's nieces and nephews. Rosilyn Mohr is cast as Faith, the sweetheart of one of the children, and Undine Sturdevan is her mother. Arthur Bull plays Griggs, the butler.

The play is aptly chosen for presentation at this time—as author Coward dedicated it to his Mother.

Director Russel Werneken states, "It's a real 'family show' so Grosse Pointers can forget the baby sister and bring the whole family."

Tickets may be obtained at Doubleday's in the village, from Mrs. Ralph Center, TU. 1-4586 or at the box office.

LEAVE FOR VERMONT
Mr. and Mrs. John Chaffee and children, of Rivard Blvd., left this morning for Rochester, Vermont, where they will make their home.

'Rhubarb' at Pierce 'Country Fair'

Enjoying a good time at the Pierce Country Fair last Saturday was Laurel Mecum seated on the scales, 2197 Ridgemoor, a 9A student at the school. She is surrounded by George L. DeVos, 572 Pem-

berton, Stanley Cook, 1037 Maryland on the left, and on the right in Mexican costume is Bernie Falk, 1136 Maryland, a physical education counsellor with the Grosse Pointe Board of Education.

Tommy Ivan, Red Wings coach, and Jack Adams, director of the Red Wings, were busy with the crowds at the Pierce School's Country Fair last Saturday. Be-

side them in black faces were, left to right, Harry Monreal, 1465 Lakepointe, and Dave Leach, 1325 Balfour, who are Grosse Pointe High School students.

Record Set at Benefit Given by Mothers Club

975 tickets were sold for the Mothers' Club of Grosse Pointe High School Card Party and Tea held last Friday, April 28, at the High School. It was estimated that more than 800 women attended the party which netted at least \$1,200, according to the Chairman, Mrs. John S. Foley.

This total is an all-time record for money-raising parties sponsored by the Mothers' Club. The sum raised will greatly augment the granting of scholarship aid to worthy High School graduates who apply for it this year.

"Success was the result of the splendid cooperation of the many committees who planned for it weeks in advance," said Mrs. Foley, "and the hundreds of enthusiastic women who attended the party."

Mothers and daughters worked side by side in the check room, and at the bake sale, which netted \$280. High School girls also helped in the West Gym, setting up card tables, where the entire huge room was filled with card players the entire afternoon.

The attractively decorated cafeteria was the scene of an enormous tea party, with refreshments served constantly by tireless committee members, from 2:45 until well after 5 p.m.

Those fortunate party-goers who went home with one of the scores of gifts, joined the Card Party Committee in expressing appreciation to the many merchants and the neighborhood groups who gave so generously for the benefit of the scholarship fund.

Members of Faith Lutheran Church, E. Jefferson at Philip, will bring old clothing to their worship service at 11:00 a.m. Sunday, which will be collected for Lutheran World Action, the overseas relief and reconstruction appeal sponsored annually by the National Lutheran Council.

Congratulations to all students who were awarded honors for a high scholastic rating, perfect attendance, civic bureau work, outstanding leadership and cooperation in the drama guild, and prize winning essays in the Merchant Marine Contest and the Archdiocesan Development Fund writing contest, at the Convocation program at St. Paul's last Friday. These students are to be commended for their splendid loyalty to St. Paul's.

Slumber parties seem to be all the rage among the St. Paul girls. Friday night, Mary Lou Englehardt pushed back furniture so as to offer a soft, comfortable floor to guests, Rose Ann Blondell, Joan Hackenberger, Elaine Barbarette, Arlene Froehlich, Kay Andre, Jeanne Sharrow, Jane Pelkey, and Barbara Marchand.

MARILYN

Before taking advantage of their "would-be bed," the girls went to the show, then returned to Mary Lou's for snacks of sandwiches, cokes, and other tasty tidbits.

Another slumber party, and more sleepy-eyed girls. While the Frosh slumber party was in session, out Hawthorne way, more girls were unrolling blanket rolls and settling themselves also on a soft floor for a night of sleep (?). These are Gloria Luty, June Allard, Donna Klein, Carol Staub, Betty L. Jola, Marg Lynch, Mary Lou Vernier, Mary Ann Stuhldreher, Sally McKernan, Mary Ann Burlingame, and Barbara Van Tiem, were having their gay old time at Janet Kingsbury's home.

Cold weather and a chilling wind didn't stop the Seniors from gathering together Saturday night for Terry Jacob's weiner roast. Walking around wrapped up in blankets, and looking like squaws and braves, were Mary Ann Stuhldreher, Bill Huetteman, Don Hartlege, Dan Campau, Winnie Scheffery and Chuck Alaska. Carol Staub and Pete Belanger, Larry Reynolds, Connie Curran and Fred Maddock, Janet Kingsbury and Jerry Lubeski, Sally McKernan and Jan Drake, Mary Lou Vernier, Denny Roehl, Bob Modaff, June Allard and John Kramer.

Diane Zemper had a little get-together at her home Friday eve. Playing ping-pong, harmonizing around the piano, and square dancing were Kathleen Weot, Celestine Blondell, Joan Rabaut, Phyllis Van Becelaere, Judy Beaupre, Theresa Llford, Carolyn Floor, Marie Couvreur, and Audrey Haley.

The "Oarsman's Ball" at De La Salle Friday night was attended by Paulites, Mary Margaret Van Dime and Dewayne Brown, Janet Hock and Pete Schummer, Margie Heidt and Dick Motschal, Carol Cooper and Dan Campau, Marilyn Sutherland and Glen Walters, Connie Molitor and Jack Carroll, Peggy Hyde and Jerry Moore.

Ann Reed, John Huetteman, Pat Champine, Jack Liethe, Glen Walters, Donna Mayo, Pete Schummer, Mary Allor, Larry McCarthy, Joe Meier, Jack Carroll, Jerry Heckendorn, Sylvia Chaffee, Marg McKillop, Tom McLaughlin, Janet Hock, and John Barton were some of the boys and girls dancing at Dee Wise's home Saturday eve. DOCKING A QUEEN

Riding majestically up the Hudson river after a trans-Atlantic crossing, the Cunard-White Star liner Queen Mary nears her New York City berth at Pier 90. The Queen always docks in slack water—the half hour it takes for tides to change—so pilot must use fine calculations.

A hawser line is anchored to one tug while another tug approaches for its hawser line.

Guided by two tugging tugs, Queen Mary eases into berth to discharge 1,200 passengers from England.

Blue Devils Nip Dearborn

The local Blue Devils tennis team netted their 33rd consecutive victory at the expense of Dearborn recently, 7-0.

A little surprise was in store for Coach Schultz and his team when Coach Don Marshall brought his boys over a day early. However, the match was played anyway in rain, snow, and a cold wind. But to complicate things a little bit more, Coach Marshall brought along a full reserve team which used the Neighborhood Club courts.

The Grosse Pointe reserves also came through, winning 7-0 for a clean sweep for the day. All 12 matches were won without dropping a set. However, Fred Pessl and Ray Leonard, playing No. 1 doubles, were extended to win 6-0, 11-9.

Jim Barker continued to hit the comeback trail by playing No. 4 singles and winning easily 6-1, 6-2.

GP Wins Over Highland Park

On Wednesday, April 26, the local netters entertained Highland Park with a good share of the first-line varsity sitting on the sidelines and defeated them 6-1. Cort Lecklider playing No. 1 romped through Edgar West 6-1, 6-1 in less than a half hour.

The best match of the day was played at the Neighborhood Club between Bruce Terris playing No. 3 and Lionel Spoon. Spoon won out in three sets, 5-7; 6-4; 6-3. Terris just didn't have the staying power and Spoon was getting better all the time.

RESULTS
Cort Lecklider def. Edgar West, H.P., 6-1, 6-1; Dick MacKenzie def. Howard White, H.P., 6-1, 6-0; Lionel Spoon def. Bruce Terris, G.P., 5-7, 6-4, 6-3; Bob P.G., A.I. Mann and Tom Lamb, G.P., def. B. Somerville and F. Johnson, H.P., 6-2, 6-3; Bill Rossiter and Jack Westphal, G.P., def. R. Miklik and J. Kane, H.P., 6-2, 6-0; Bobb Hardies and George Parker, G.P., def. J. Whitney and J. Surface, H.P., 6-0, 6-1.

Blue Devils Win 37th Victory By Shutting Out Wyandotte

The local netters were visited by a powerhouse from Wyandotte last Tuesday. They came with their working clothes on and put up a wonderful scrap. The day was looking pretty dark and gloomy in spite of the sun and warmth when after one and a half hours of play Wyandotte pulled out in front 3-1 with one point to win to clinch the match.

The tide was running out strong at that point but it came back with a roar with Grosse Pointe winning the last three matches to nose out the Trojans, 4-3.

Coach Sid Beach of Wyandotte stated that this is the best team he has ever coached and was confident that he had the players to upset the winning streak of the Blue Devils. This was the thirty-seventh consecutive victory over a three and a half year period for the Blue Devils.

The school crowd turned out en masse and the local netters received much vocal support. Even Wyandotte had its section of spectators with the Wyandotte track team having a dual meet at the same time.

The match was a repetition of last year's stirring contests which resulted in the Blue Devils edging the Trojans 4-3 both times. Both teams have improved considerably and the return match at Wyandotte on May 16 will be looked forward to by the tennis enthusiasts in both Grosse Pointe and Wyandotte.

Some of the outstanding play of the afternoon was characterized by Al Mann again taking Merle Jones (he did it twice last year) in two sets 6-4, 6-4 after he got off to a slow start by Jones taking the lead 3-0. This is Mann's last year of high school competition and he is showing plenty of court strategy this year. His big test will come in the Regionals when Hamtramck again comes to Grosse Pointe.

Fred Pessl, G. P., was just out-classed by his opponent Don Meyers and was defeated 6-4; 6-3. Fred has failed to remedy his lack of steadiness and right now is troubled very much by a sore arm.

Bill Whittingham clinched the match by defeating Harold Roskoski in the easiest match of the day. He outclassed his opponent and outplayed him all the way. This was the shortest match of the day and ended up in Whittingham's favor, 6-2; 6-3.

The longest match of the day was the second doubles match with Ray Leonard and Bruce Terris of the Blue Devils finally triumphing in two sets, 6-3; 12-10.

Jim Barker and Dick MacKenzie lost the No. 1 doubles to Bob Jones and Dick Menzel, 6-3; 6-4, in a well-played match with many good over-heads and volleys.

Cort Lecklider playing No. 4 singles blasted the ball past his opponent to win in quick time, 6-4; 6-2. Cort plays a hard game and when he is on it takes a fast opponent to get to the ball.

The third doubles combination apparently had their match in the bag for the Pointe but forgot to

Teen Talk

By JOYCE CLEMENTS

Our band is tops in the State of Michigan! Rated first in the state festival, last Saturday, the band feels they have been repaid for their hard work, and we're mighty proud of them!

We are just full of congratulations this week. Another group we would like to commend are the new National Honor Society members. The top 15 per cent of their class in scholastic rating, these people have done a fine job, and deserve this honor.

Meeting of the Schoolmasters Club in Ann Arbor meant no school Friday, and the long week-end was welcomed by most of us. Thursday night seemed as good as any for a party, thought Sharle Allgood, so she invited Sally Owen, Jim Barker, Trudy Kliem, Cherie Neeme, Gail DeGurse, Bill Carruthers, Dave Hamilton, Tommie Nelson, Mike Galvin, Genie Salmon, Fran Townsend, Jayne Daiton, Margaret Guy, Nancy Wetherbee Don Becker, Pat McKinney, Lorrie Barth, and believe it or not, many more, to her house.

The Tuxis Club held a variety open house at Memorial Church Friday. Participating in the scheduled entertainment with song and dance routines were Johnnie Johnston, Sybil Scottford, Don McIntyre, Joyce Blashill, and Dan Webb. Onlookers included Elaine Otto 'n John Tower, Joannie Merrill 'n Skip Pessel, Sue Kitson, Sarah Weed, Denny Edgar, Barb Barnum, Alice James 'n Tim Leach, Pattie Barrett 'n Hank Hubbard, Sue Riggs, Joan McCarten, Judy Rice, Dick Clark, Judy Morlan, Jim Lafer and Bayard Johnson.

Television was one of the major interests during the early part of the evening at Don Duncan's Saturday. Don's date was Elli Jackle, and other guests included Joan Rexford 'n Kirk Walsh. Joan Kenard 'n Ted Mumford, Sally Owen 'n Harry Mack, Mimi Baxter 'n Bill Joop, Jeannie Corbett 'n Bill Penoyer, Barbara James 'n Marve Weaver, Bob Ruck 'n Dottie Olsen, Joan VanBeelaere 'n Babs Parsons, Ed Karrer, Alex Bardy, and lots more.

Johnny Titus and his band will furnish the music at the junior prom, May 13. Plans are almost completed, and it sounds like a gala occasion, do don't miss it.

Seniors, you graduate exactly six weeks from tonight!

Many a governess has trouble—not with a backward child—a forward father. Isn't it true that only person we can trust is the time is ourselves?
