

LIBERTY BELL STARTS BOND SALE

POINTE PARAGRAPHS

After 27 years in the Grosse Pointe Farms Police Department, Sergeant Frank Chambers last Thursday stepped forward to receive a miniature gold badge from the Council on Thursday night. The badge was a symbol of the good service rendered to the community by Chambers who will retire June 1.

Nurray Smith, Farms engineer, will attend a conference at the Michigan Sewerage Works Association in The Hague, City on May 22, 23 and 24.

Numerous calls were received by Grosse Pointe Woods Police when the ringing of the Liberty Bell echoed through the community. Frantic mothers were wondering if the school was on fire.

The first time a starling was trapped in the chimney of the George Williamson residence at 1693 Prestwick, the bird finally maneuvered his way into the living room and after a wild tussle escaped through an open window.

Last week, the same bird, a vesper of the similar species, casually marched across the living room carpet and departed through the open window.

The remains of spring cleaning turned up last Sunday when a large box was found in the middle of the road at University and Goethe. Inside the carton was a variety of dirty hats.

When the children from various Grosse Pointe schools were given the opportunity to ring the Liberty Bell 13 times, commemorating the 13 colonies, one ambitious youngster went out on a limb. He rang the bell 14 times.

The extra bag was for food, he later explained.

Malcolm Binyang commented to several friends preceding the Woods Council meeting Tuesday night that as sure as friends had returned he had the frogs in his neighborhood.

All persons interested in seeing the Skyes, new lake carter recently put into operation in the Great Lakes, will have an opportunity to go aboard next Wednesday afternoon. The trip will be docked at the pier of Clark street in Detroit and will be open for public inspection.

LIKES MAIL

Writing Letters Hobby of Local Postal Employee

As a 35-year veteran in postal service work, W. Beaumont Currier, better known as Sparky to his customers in the Grosse Pointe Post Office Branch on Monroe, has a favorite hobby in letter-writing.

Sparky began writing letters when he was in service in the First World War and has been at it ever since. He has written to his friends and relatives in all of the 48 states.

"After 30 or 32 pages I'm just finished started," said Currier, who was talking about the length of letters.

One of the steadiest recipients of his mail is his daughter, Mrs. M. Oberer, who lives in San Juan. Another daughter, Dolores, and Sparky's wife, Edna, live at 14155 Glenfield, in Detroit.

In the Boy Scouts, Sparky acted as a commissioner for Troop 132. He was also an Assistant Scout Master. Currier's favorite pet was a raccoon which had a vocabulary of more than 150 words.

Born in Marinette, Wisconsin, Sparky came to Detroit when he was 16 and worked in the service of the postal service he was employed by the Ford Motor Company. He was transferred to the Grosse Pointe Post Office in 1922.

"My favorite hobby," said Currier, is giving out advice to the people in the community.

Kiwanis Present Final Scholarship Talent Program

The Grosse Pointe Kiwanis will present their final Spring Program, at Pierce Auditorium, on Sunday, May 21, at 8 p.m.

Many of the children appearing in this show are the future radio and television stars," says George Heckendorf, program chairman, who has been singing to radio audiences for 25 years.

Twenty-nine pupils from various schools in the Grosse Pointe area will compete for a scholarship award to be used for advanced study of music or dancing.

The Kiwanis of Grosse Pointe held preliminary auditions on April 15 and contestants were selected for their performances. During the auditions the judges chose a number of other children who will be given the opportunity to participate in another series of auditions next fall.

Tickets for the program can be obtained from Jack O'Connor, Radio and Record Shop, 17001 Kercheval; Ane's Restaurant, Main and Harvard; and Philip Street Shop, 20733 Mack Ave.

DEVOTION TO DUTY

There are many men who unselfishly devote their lives to the service of their community. Chief Thomas V. Trombly is one of these benevolent persons. This week he is celebrating his 25th anniversary with the Police Department in the City of Grosse Pointe.

For the past 13 years he has served in an administrative capacity. His ability to cope with seven different administrations of mayors and presidents is proof

positive that he can get along well with people.

In the past quarter century, Chief Trombly has had the respect of the community both as an outstanding citizen and police officer. To the children, his manner has been helpful in understanding and sympathizing with their problems.

Grosse Pointe needs more Thomas V. Tromblys.

PINCH HITTER

After barely two rehearsals, Jane McClure slipped quietly into the role of Sylvia last Wednesday night and became one of the highlights in Grosse Pointe Theatre's production of "I'll Leave It to You."

As a versatile actress whose talents

deserve a bouquet of praise, she succeeded in saving the day for the Theatre when one of the members of the cast, Jane McNaughton, became ill. Miss McClure also proved that her ability on the stage may some day lead to a successful career.

WHO WANTS SOCIALIZED MEDICINE?

The proponents of government medical service often argue that the scheme is favored by most of the American people, and that the opposition comes principally from selfish interests which put personal profit above the public welfare.

That position, however, is certainly not supported by the results of a survey made by The Psychological Corporation in 25 cities and towns from coast to coast.

The survey was based on the Wagner-Murray-Dingell bill, which would saddle the country with compulsory government health insurance. The question was, "Which do you favor: (a) to have government give free doctor and medical service which would be paid for by a 3 per cent payroll tax on all wages under \$3600 or, (b) the present system of medical service?"

Here were the results: 65 per cent fa-

vored the present type of medical services; 26 per cent favored government medicine, and 9 per cent were uncertain.

Another common argument holds that people in the lower income groups are virtually unanimously in favor of government medicine. Again, The Psychological Corporation's survey found to the contrary. In that group, only 37 per cent were for it, while 51 per cent were against.

Three years ago a similar survey was made by the same organization, and the results were very similar. One of its press releases observes, "it would seem that, in spite of the heavy government propaganda in favor of socialized medicine, there has been little change in the proportion of people who favor government medicine." Apparently the American people aren't ready to have bureaucrats and politicians dominate their medical care!

GOVERNMENT BY MINORITY

The failure of millions of Americans to exercise their right to vote is a national disgrace.

In the last Presidential election, for instance, less than half of the eligible voters troubled to go to the polls. In many elections in which the Presidency is not involved, less than a third of the voters cast ballots. What we have, as a result, is government by minority.

Free elections are the root of all our freedoms. But free elections mean little if the people are too lazy or too indifferent to participate. A man who does not vote has no moral right to criticize the acts and policies of officeholders.

When you vote you are building on

the foundation of the best system of government ever devised. And that is as true of primary as of general elections. In the near future, primaries will be held in many states. The candidates of the parties will be chosen and will start their campaigns for election in November. If you want your party to nominate the candidate you believe best fitted, go to the polls.

If you value your freedom—if you have any interest at all in defending and maintaining a free nation—vote. Vote in every election, whether it involves a President or local officials. Every time you fail to vote, you fail to discharge the most basic American duty.

Rabaut Describes Selection of W W II Unknown Soldier

A span of a little over thirty years will separate two very solemn and sacred occasions in the history of the United States; two occasions which symbolize the deep and abiding respect of our people for the honored dead who gave their lives to save this nation," said Rep. Louis C. Rabaut (D. Mich.), in connection with the Department of Defense announcement of the procedure to be followed in selecting the Unknown Soldier of World War II.

"On October 24, 1921, in a small room in the city hall of Chalons-sur-Marne, in France, Sergeant Edward F. Younger, a wounded and decorated veteran and a member of the United States Army of Occupation, placed a bouquet of flowers on one of four caskets from each of the four American Military Cemeteries," said Rabaut, "signifying as his selection of the valiant and nameless hero."

"America's Unknown Soldier" was then returned to the land for which he died where he laid in state in the nation's Capitol while an unending stream of the people came to pay tribute. The casket was interred in Arlington National Cemetery on November 11, 1921 after a solemn and ceremonious funeral," Rabaut said.

As to the procedure to be followed in the selection of the Unknown Soldier of World War II, Rep. Rabaut said, "We are faced with a more complicated problem this time in that our unknown heroes are resting in cemeteries all over the world. Thus, an unidentifiable body will be brought from every theater of war in identical steel-gray caskets." To make absolutely certain,

Rabaut said, that none of the remains is identifiable as to the area from which it was sent, the unknowns will be placed in new, identical caskets after their arrival in Philadelphia in a private ceremony.

"The Department of Defense has announced," Rabaut said, "that each of the five services, Army, Navy, Marine Corps, Air Force and Coast Guard will send one member who received the highest awards of his service during the war, one whose name will be chosen by lot and whose privilege it will be to select the Unknown Soldier of World War II."

"This intricate selection is necessary," Rabaut said, "so that the body finally chosen will be truly representative of all our honored dead."

"As the black casket bearing the body of the unknown hero passes down the Pennsylvania Avenue and over the Memorial Bridge to its final resting place in the quiet hills of Arlington," Rabaut concluded, "the American people will resolve from their sorrow the firm determination that there shall not be a third."

Thank you sincerely,
JANE HUNTER HOUGHTON

To the Editor:
The Grosse Pointe Girl Scout Council wishes to express its appreciation for the generous publicity you have given to all Girl Scout activities during the past year. You have helped tremendously in the development in Grosse Pointe of a better inter-

pretation of scouting to the parents and to the community, and we are most grateful.

At the present time there are 51 troops in Grosse Pointe, twice as many as existed two years ago. This means that the Council has been servicing approximately 918 girls and 327 adults, and it would have been impossible to offer this number an adequate scouting program without your cooperation.

Enclosed is the annual report of the Girl Scouts of Metropolitan Detroit, of which we are a part.

The Friends of the Grosse Pointe Public Library will hold their Annual Meeting and dinner Tuesday, May 23, at the Grosse Pointe Yacht Club, according to Mrs. Lloyd G. Hooker, President. Speaker of the evening will be Dr. Walton E. Cole, Pastor of the First Congregational Church, and member of the State Board for Libraries. Tickets are available at any of the Grosse Pointe Libraries.

After dinner, a short business meeting will be held. Reports will be given by Mrs. Hooker, retiring President; Robert M. Orr, Director of Public Libraries; Marion K. Kellogg, Vice-President, and Chairman of the Central Library Committee; and Charles Parcels Jr., Chairman of the Foundation Committee. There will be an election of members to the Board.

The Board of Directors is composed of John R. Barnes, Dr. Frank Pitt, Mrs. Frederick C. Ford, Mrs. Hubert Goebel, Mrs. Lloyd C. Hooker, Mrs. Andrew Janis, Marion Kellogg, Kenneth Moore, Mrs. Fred T. Murphy, Robert M. Orr, Mrs. Russell Lucas, Charles Parcels, Jr., Miss Melitta E. Roemer, Mrs. Sterling Sanford, Alger Sheldon, Sigurd Wendin, Dr. Alfred Whittaker, and Mrs. William J. Young.

Members whose terms expire are Mrs. Ford, Mrs. Goebel, Mrs. Janis, Miss Roemer, and Mr. Sheldon. Dr. Pitt is Chairman of the Nominating Committee which will submit names for election.

Dr. Cole will speak on the subject, "The Place of the Library in the Community." As a local resident, and a man long interested in libraries, Dr. Cole is expected to give an outstanding talk.

Following Dr. Cole's talk, the Board of Directors will hold a brief closed meeting to elect officers for the coming year. Having served as President for four terms, Mrs. Hooker is retiring as President, but will actively participate in the organization's activities as a board member.

Organized four years ago, the Friends of the Library have actively worked to give Grosse Pointe a Public Library that would compare favorably with other libraries in this area. The group has grown steadily, and is working energetically on a denationalistically for the improvement of their library. They strongly urge all interested in the library to be present for the Annual Meeting.

SAIL FOR HAWAII

Among the prominent passengers who sailed for Hawaii on Matson's Luxury Liner "Lurline" from Los Angeles Harbor, May 3, were Mr. and Mrs. Louis M. Baze, of 430 Lothrop.

Gratiot Township Men to Don Makeup for 'Womanless Wedding'

Many prominent men from Gratiot Township and vicinity will don dresses and wigs for the amusement of their friends, when they present the hilarious farce, "Womanless Wedding," on Friday and Saturday, May 19 and 20, in the South Lake High School Auditorium, St. Clair Shores, at 8:30 p.m.

By a magic touch of rouge, lipstick and powder the men will be transformed into charming matrons and glamour girls.

Part of the fun will be the chance the audience will have to participate in the antics, as the men troop through the aisles on their way to the stage.

The show satirizes a society wedding. Each member of the cast appears as a guest or member of the bridal party. Solos, choruses and comedy skits will be introduced. The performance will be climaxed by the spectacular bridal procession. Considerable interest is being aroused over the selection of the bride and groom.

Redeemer Methodist Church, at Vernier and Harper, is sponsoring the production, under the direction of Miss Iva C. Keefer, of Pittsburgh, Pa.

Proceeds will be used for the building of the Church parking lot and Boy Scouts.

Although the groom's identity will remain a secret until the night of the performance, Tom Welsh has been selected to play the role of the blushing bride.

Pointe Baha'is Hear Puerto Rican Doctor

"Most people of the world accept only one Messenger of God," said Dr. Eddris Rice-Wray of Puerto Rico, addressing a group of Baha'is and their friends Monday evening in Grosse Pointe.

"For example," she said, "the Hindus accept Krishna, the Jews accept Moses, and the Christians accept Christ. Because of this adherence to only one of the Messengers of God, it is difficult for people to find the common denominator. The Baha'is, however, accept all the Messengers and Prophets of God, and thus are able to unite the people of all religious backgrounds. They believe that God spoke through Abraham, through Moses, through Christ, through Buddha, through the Zoroasters, through Mohammed and in this day, through Baha'u'llah. The Baha'is believe that God has a plan for mankind, and that He reveals this plan from time to time through a special individual chosen as a Messenger.

"Our troubles today are caused," she said, "mainly because we have not obeyed the Words of these Messengers. We find that as long as people follow their teachings, civilization progresses; but when they turn away from these Divine Educators, civilization declines. One of the greatest examples we have of this change in humanity is that of the Moslem culture. In only three centuries, Mohammed raised a people from savage tribes to so great a culture that the learned men of Europe flocked to the Moslem universities for the knowledge and inspiration which changed the Dark Ages into the Renaissance."

Grosse Pointe Artists Open Exhibit at Memorial Center

Putting aside their paints and brushes for a while the Grosse Pointe Artists' Association opened their Thirteenth Annual Exhibition with a tea at the Memorial Center last Saturday.

The paintings are hung throughout the five rooms on the second floor and will remain on display until May 27.

In the Garden Center section, hangs Mrs. Owen R. Skelton's flower painting, "Studio Corner," a first-prize-winning oil.

A first place in the water color division was awarded to Mrs. Carleton Hascall, Jr. for her "Abandoned," a dilapidated rural view.

Second prize in oils was won by Mrs. Agnes M. Lindeman for a portrait, "Betty," and third-place winner was Mrs. E. C. Bowen, for her colorful "African Masks."

In water colors, Mrs. Earl Dullmage won second prize for her "Studio Still Life," and Mrs. John S. Sweeney, Jr. took third place for "Night Prowler."

The Agnes Lindeman Award went to Paul Maxon for his "Gulls," an unusual view painted all in blues, and Mrs. Donald J. McLean was given the Lillian M. Pear Award for "Dressing Table," in which greens and yellows predominated.

Honorable mentions went to Mrs. Charles Wright, Jr., and Floyd Munson.

Presiding at the tea table were Mrs. Ferris H. Fitch, president

Youngsters Plan Fair; Proceeds to Cancer

Nine of the nicest youngsters from the little purses and pockets of Grosse Pointe's small fry, ('Teeners' and all "after-teens" will be admitted that afternoon).

A grab-bag raffle, magic show, puppet show and assorted games will round out the afternoon's agenda.

Especially noteworthy is the fact that the ages of the nine odd originators and promoters of the idea is bracketed by the figures of 10 to 15 summers.

Of course, there'll be ice cream and cake, hot dogs and soda pop, cookies, fudge and brownies... readily coaxed forth to the tune of jingling nickels and dimes

Metropolitan Club to Sponsor Needy Children

The Grosse Pointe Metropolitan Club, in addition to their Child Welfare Program of previous years, will this year sponsor four needy children from Grosse Pointe for vacations to properly authorized summer camps.

Sgt. Jack Burnett, Grosse Pointe Park firefighter, as Child Welfare Chairman for the club, with the aid of other leading social workers, will determine the most deserving children for such vacation.

Tentative plans are being made by the club to welcome the German Protestant Orphanage with appropriate reception and a television gift as soon as their residence in Grosse Pointe becomes a reality as is expected sometime late this year.

The Grosse Pointe Metropolitan Club is comprised of more than one hundred active members from the Police, Fire, and Federal Departments of the various Grosse Pointe Municipalities.

The Club is sponsoring their first annual Spring Dance, Friday, June 2nd, at the Fraternal Order of Eagles, Gratiot Ave., and Eight Mile Rd. Dancing and entertainment is provided in the Main Ball-Room.

Funds derived from the dance have been definitely earmarked to further their aid in Child Welfare activities. Chairman Michael T. Bem, of Grosse Pointe Woods, and Sgt. F. L. Baldwin, of Grosse Pointe Shores, co-chairmen, announce tickets are available at any one of the Fire and Police Stations and the public is cordially invited.

ARMED FORCES DAY, SAT., MAY 20

IT'S OUR FIRST
ARMED FORCES DAY

LET'S MAKE IT A
MEMORABLE ONE!

To the Members of
Our Defense Team

On Saturday, May 20, every community honors the gallant men and women of our Military Service—in observance of America's first Armed Forces Day.

On this historic occasion, the Nation pays homage to all our Armed Forces. Highly specialized, working together closely, they comprise one great organization, teamed for defense... our defense.

Here is an opportunity to express the gratitude we all feel... and to remember how vitally important are America's Armed Forces for the peace and freedom of the world we know and cherish.

... ON ARMED FORCES DAY
SATURDAY, MAY 20

America's first Armed Forces Day! Not Army Day... or Navy Day... or Air Force Day... but a day dedicated to all the Services, teamed for defense.

Armed Forces Day symbolizes the unity of purpose which has contributed so much to America's greatness. It is a day for all of us to renew our strength of allegiance to the cause for which we stand united... the defense of peace and freedom in the world.

So as we pay our respect to "America's Finest"—the men and women of the Armed Forces of the United States, in our homage we're really saying, "We realize the importance of the job you are doing—we're part of your team."

ROTARY HONORS "CHIEF"

Grosse Pointe Rotary presented former Rotarian, Police Chief Tom Trombly of the City, with a carnation Monday noon at the Memorial Center, in token of their esteem and in tribute to his twenty-five years of service to the City of Grosse Pointe and its predecessor, "the Village." Compile Guide As Directory To Pointe Organizations

"A Directory of Grosse Pointe Organizations," a ready-reference handbook and guide to the various groups that are active in the Grosse Pointe area, and compiled by the Grosse Pointe Community Council, was distributed this week.

This informational directory contains not only a listing of 140 church, club, educational, municipal and civic organizations in the five Grosse Pointes, but also the names, addresses and telephone numbers of the presidents, secretaries or other principal officers of these organizations. The dates of regular club meetings also are included.

"We believe this handy directory will fulfill a definite need in our community," said Grant Armstrong, president of the Grosse Pointe Community Council. "It will be revised periodically so that it will always be up to date. It should become the consultant for everyone planning organizational activities in the Pointes."

All Grosse Pointe organizations are listed in the Directory, regardless of whether they are affiliated with the Community Council. Furthermore, copies of the Directory are being sent to heads of all these organizations.

The Directory is the second of two projects which have been undertaken by the Grosse Pointe Community Council. In launching these activities the Council acted on the vote of members who attended the organizing meetings, who felt that these projects would be the best initial undertakings for the Council and

Girl's Clubs Unite to Aid Ill Veterans

There are men in our Michigan Veterans Hospitals who have been waiting years for the return of health, and some of them haven't even got the price of a soda in the Canteen, says Mrs. Glenn Anderson, 328 Merriweather Road.

Mrs. Anderson and Mrs. Henry Forcier, 464 Manor Road, former members of the Sunshine Fund were speaking to a meeting of representatives of Women's groups business and industry in the Olde Wayne Club.

She said the Veterans Administration provides food, medical care and hospitalization but not spending money. The only way Veterans without funds can buy anything is through donated canteen books. Mrs. Anderson and Mrs. Forcier believe that patriotic Americans will conscientiously visit veterans' cemeteries around Memorial Day, but somehow they overlook the veterans in the hospitals, still alive, who may not be too far away from those same cemeteries.

Warren Cushing, Chief of Special Services, VA Hospital, Dearborn, told this same group, "It means more sometimes to a man to be able to buy his child a present than to get a new kind of medicine."

He also said, "The coupon books are available for purchase from the Veterans Canteen Service. They are distributed by Special Services officers, social service workers and Chaplains."

As a result of this meeting a newly formed group call themselves Hospitalized Veterans Memorial Committee. Miss Rena Campbell was named Chairman of the group and includes members of the following Girls' Clubs: U. S. Rubber Co., Ford Motor Company, Chrysler Corp. Engineering, Lincoln-Mercury, Michigan Bell Telephone Company, Detroit Edison, Michigan Consolidated Gas Company, The Pilot Club, Women's Advertising Club, Detroit Association of School Secretaries and Briggs Mfg.

The Committee will remember every hospitalized veteran in the State of Michigan by giving them a Canteen Book on Memorial Day. These books may be purchased in VA Canteens for \$1.00 and the veteran actually gets more for his money because canteens are operated on a non-profit basis. The name of the donor is written on the cover of the book and the donor receives a receipt from the VA Hospital.

Hospitals to be remembered are VA Hospital, Fort Custer, VA Hospital, Dearborn, Marine Hospital, and all contract patients. Also to be remembered will be patients at the Michigan Veterans Facility, Grand Rapids. Some of these patients are Civil War men, World War I and World War II.

Not one penny is used for expenses and the books will be purchased by the committee and distributed to the veterans Memorial Day.

Donations may be sent to Hospitalized Veterans Memorial Committee — 2237 Book Bldg., Detroit 26, Michigan — Make checks payable to "Veterans Canteen Service."

Lochmoor Ball In Southern Garden Setting

One of Lochmoor Club's biggest events of the year — the President's Ball — was celebrated Saturday evening in a setting reminiscent of a Southern garden.

Luscious red roses, set off in picture frames, adorned the moulding around the entire ballroom, and overhead were pink, purple, green and white streamers.

President Norton S. Walbridge and his wife entertained a large group for cocktails at their home before proceeding to the club for dinner and dancing.

Other hosts to large groups were Mr. and Mrs. C. H. Tuffley, Mr. and Mrs. K. R. Beardslee, Mr. and Mrs. S. M. Harvey, Mr. and Mrs. C. M. Wallace, Mr. and Mrs. H. B. Orr, Dr. and Mrs. J. C. Tapert, Dr. and Mrs. J. F. Pagen, Mr. and Mrs. E. H. Barrows, Mr. and Mrs. O. D. Herron.

Others were Mr. and Mrs. Hansel D. Wilson, Mr. and Mrs. Clyde D. LaMee, Mr. and Mrs. Kent A. Zimmerman, Mr. and Mrs. Frank Hydon, Mr. and Mrs. Donald W. Droll and Mr. and Mrs. Lester F. Brooker.

Important Propositions On G.P. Woods Ballot June 19

Three important propositions plus the election of a Charter Commission will be on the ballot in Grosse Pointe Woods at a special election to be held Monday, June 19.

The first proposition concerns itself with the incorporation of Grosse Pointe Woods as a city without change of boundaries. If this measure is authorized by the people, the nine members to be elected at this election to serve on the Charter Commission will begin the task of preparing the Charter.

The voters will be asked on the ballot to decide on the purchase of property in the southwest portion of the Woods that will be used as a playground. The property is to be financed through bonds and borrowed money at the rate of four per cent interest per year.

Another proposition on the ballot concerns the policy of assessing the cost of paving flankage streets so that 40 percent of the cost of the pavement be assessed to the abutting property owners, 40 percent to adjoining property owners and the remaining 20 percent to be payable by the Village.

The voters will be asked on the ballot to decide on the purchase of property in the southwest portion of the Woods that will be used as a playground. The property is to be financed through bonds and borrowed money at the rate of four per cent interest per year.
