SCHOOL ELECTION NEXT MONDAY

Woods Commissioner Urges Favorable 'City' Vote

Editor's Note: The following explanation of the Charter election in Grosse Pointe Woods was submitted by veteran Woods Commissioner, Leon D. Ratcliffe, a practicing attorney.

On June 19, 1950 the voters of Grosse Pointe Woods will vote on the question of city incorporation. This issue has not had the public airing and discussion which its importance warrants. President Ghesquiere discussed this proposal in an article published in the columns of this paper last week but it is felt by many sponsors of the move to incorporate as a city that the merits of the change should be presented to the voters in a more favorable light and with a more positive recommendation.

Some months ago a study committee was appointed to study the merits of city incorporation by the Village of Grosse Pointe Woods. That committee made a written report to the Village Commission which concluded with this unanimous recommendation:

"The City Study Committee has found no disadvantages from city incorporation, some definite advantages and many possible advantages. We therefore unanimously recommend that steps be taken to incorporate the 'City of Grosse Pointe Woods' without change of boundaries."

(Continued on Page 10)

POINTE PARAGRAPHS

by The Pointer

One of Grosse Pointe's most benevolent grandmothers, Mrs. Della Monaghan, is recuperating from a slight illness at Bon Secour Hospital.

Mrs. Monaghan, mother of seven children, is the Grosse Pointe Park Police Matron.

Window shoppers will have a special treat when they pass Eddie Buckeridge's Sporting Goods Store next Saturday. Max Ellison, who ties all the flies for the Huron Mountain Club, will be giving a professional demonstration of his art. He will instruct all beginners who are interested in learning the proper way to tie flies.

Harvey Dahl, Parcels teacher, will enroll June 26 at the University of Oslo, Norway. His studies will include Norwegian culture, language, and history. After the summer session, Mr. Dahl will attend the Passion Play at Oberammergau, Germany.

We always assume that summer has arrived when we see kids roll through sprinklers on garden hoses. Four lads of some seven or eight summers were doing just that last night at the corner of Maryland, just below Kercheval.

A curbstone wit commented to this columnist this week that if by the farthest stretch of imagination a certain candidate for the School Board should "make it" should we expect Grosse Pointe to break out with a rash of field houses, or maybe only an epidemic of cultured letters to the editor of Grosse Pointe's other paper.

An alert Grosse Pointe Park citizen summoned the Coast Guard to the east end of Peche Island last Saturday afternoon where a 36-foot sloop was marooned on a sand bar.

"Where's Bingay?" asked a Woods wit Tuesday night when he surveyed the large crowd assembled for the Council's bi-monthly meeting. "Iffy" has attended several Village meetings.

Park Hearing To Discuss Parking Zone

Proposals will be discussed at a public hearing in Grosse Pointe Park on Monday, June 12, at 8 p.m., in the Municipal Building.

The first proposal is concerning vacating an alley south of Mack and east of Whittier.

If the alley is vacated the city will consider the proposed building zone so that the alley may be used as part of the business district.

The second proposal will discuss the business parking zone at Mack and Mack so that off-street parking facilities may be provided.

Today's Children

Children feel about television as the topic of a survey conducted by teachers. According to the survey, principal, teachers and parents are amazed at the great vision has on today's children.

Only 32 per cent of the children have television sets in their homes and the other 68 per cent are frequent viewers of TV in other homes.

Of the 99 pupils, only 42 in their school lack easy access to it.

CITED AS 'OUTSTANDING POLICEMAN' IN CITY

In recognition of an exemplary service record during the past 12 months, Patrolman Foster Mauck, right, was awarded the citation for being the "Outstanding Policeman of the Year" in the City of Grosse Pointe. The presentation was made by Chief Thomas V. Trombly, left.

Field of 21 File for Woods Charter Body

Twenty-one candidates have filed for the nine elective positions on the proposed charter commission with Grosse Pointe Woods Village Clerk Philip F. Allard.

On Monday, June 19, qualified electors will approve or reject the plan to convert Grosse Pointe Woods into a city. At the same election a charter commission will be selected so that the body can begin work immediately on a charter if the conversion is approved.

The candidates for the charter commission are George A. Beauchamp, Albert Beever, Frederic B. Besimer, Byron A. Burchby, George M. Burgess, David C. Crawford, Arnold L. Diesing, Albert L. Eyre, Howard K. Gandelot, Russell M. Harkness and Jerry W. Hiller.

The others are Daniel Hodgman, Harold O. Love, Max M. Marston, Gordon E. McCabe, Harry B. Miller, Leon Oldham, Herbert N. Savage, Charles W. Schank, Jr., Luke A. Terhaar and Wade McKnight.

Voters will also decide two other issues at the election. One of these concerns the approval of \$13,000 for the proposed purchase of a piece of land that will be used as a park site in Grosse Pointe Woods. The other proposal will determine the distribution of paving costs on side streets. This issue means that owners of property abutting side streets to be paved would assume 40 per cent of the cost of paving, another 40 per cent would be paid by property owners benefiting from the improvement and the remaining 20 per cent would be paid by the village.

Foster Mauck Is Two Time Winner of Police Citation

Patrolman Foster Mauck was cited this week as the "Outstanding Policeman of the Year" for his exemplary service record in the City of Grosse Pointe.

This is not the first time a distinction of this nature has been bestowed on Patrolman Mauck.

In 1947 he and Sgt. John Rabaut were presented with a similar award for capturing three hold-up men who had burglarized a Grosse Pointe home.

In an effort to commend the good work of the men in the Police Department, Commissioner Clarence Blessed instigated the citation. Selection is made by police officers who very carefully consider the qualifications of each candidate.

The winner this year is a mild-mannered gentleman who speaks lightly of his good record. During the past 12 months he has assisted fellow officers in capturing and arresting hoodlums who were involved in six serious felonies.

Before joining the City of Grosse Pointe Police Department in October, 1942, Mauck was a bakery salesman. He also worked five years as a milkman.

In private life, Mauck confines his interests to his family. His wife and three children, James, age 8, Karen, 3, and Sharen, 5, live at 856 St. Clair.

Farms Council Approves 1950 Tax Budget

At a special budget meeting of the City Council held Monday evening, June 5, the Council approved a tax levy for July 1, 1950 of \$530,993.06. Based on 1950 assessments the resulting tax rate is \$15.53 per thousand dollars of assessed value.

A comparative summary of the budget appropriation and expenses by departments for the fiscal year and the appropriations for the fiscal year July 1, 1950 to June 30, 1951. This is the third consecutive year in which the Farms has operated on a rate of \$15.53 per thousand dollars.

It is interesting to note that the change from Village to City government was accomplished at the tax rate existing prior to the change. This means that approximately \$27,000 levied in Township taxes in prior years has been absorbed by the new City without increase in rate.

December 1 tax bills to property owners in the Farms will represent County and School cost of operation only. The Township portion of the tax bill, which was represented by about 80 per thousand dollars of valuation, will have disappeared.

Persons desiring further information in connection with the financial operation of the community may obtain same by applying to the City Clerk.

Review Exclusive Adv. Medium for the Woods

Legal advertising for the Village of Grosse Pointe Woods was awarded exclusively to The Grosse Pointe Review for a period of one year. Tuesday night at a meeting of the Village Commission, by unanimous vote.

By coincidence, identical bids of seventy-cents per column inch were submitted by The Review and The News. The Review was given the contract because, in the opinion of members of the Commission, Review circulation is superior in coverage of the area.

Low bid of the News came as a surprise since a fifty-cent bid spread was noted between their asking price to the City of Grosse Pointe Farms and the seventy-cent bid to the Woods. The Review was also given the City of Grosse Pointe Farms legal advertising exclusively for one year.

The Grosse Pointe Review now publishes legal advertising exclusively for two of Grosse Pointe municipalities and shares publication with the News in the balance.

Pay Goes Up

Because there are 21 candidates for charter commission to be pared down to nine winners and three other important propositions on the ballot for the special election in the Woods on Monday, June 19, the Commissioners voted Tuesday night to raise election workers pay from \$12 to \$15 for the day (and night) work.

Pointe Hero Rings Alarm At UM Fire

A Grosse Pointe hero turned in an alarm Tuesday afternoon at 4:30 p.m. when he discovered a fire roaring through University of Michigan's historic Haven Hall.

Alvin Kaplan, Jr., 22, of 858 Lakepointe, noticed the smoke when he left an exam room. He then went to the first floor to turn in the alarm and warn students.

None of the 400 students were injured in the \$3,500,000 fire as they evacuated the Hall in an orderly fashion.

Kaplan then helped carry books from the 33,000-volume library of the Bureau of Governmental Research.

As flames and smoke spread, firefighters were forced to leave this wing of the building. Officials estimated that thousands of irreplaceable books on Michigan history and government were destroyed.

A graduate of Grosse Pointe High School, Kaplan is completing his junior year at the University. He is the son of Mr. and Mrs. Manuel Kaplan, owners of the Kaplan Drug Store on E. Jefferson.

Farm Issues Park Permits

The office of Grosse Pointe Farms City Clerk Harry A. Furlon last week completed the mailing of all 1950 permits for the use of the Pier-Park on applications filed. Approximately 7,400 passes have been issued to this date.

Residents who have not yet made application for permits are urged to do so immediately as gate attendants will be placed on duty on June 18, and all persons will be required to show 1950 permits.

The official opening of the Pier for this season is scheduled for Thursday morning, June 15, at 10 a.m., when the supervisors and summer personnel will assemble at the Pier for complete instructions.

Cigaret Burns Non-Smoker

A cigarette flipped out of the window of a passing automobile landed in the front seat of a 1950 Chrysler parked in front of 1810 Woodward.

When Arthur Ruthven, 365 Berkshire, a non-smoker, discovered his car's front seat had been burned and damages were estimated at \$50.

Ruthven's car is covered by fire insurance.

Driver Strikes Parked Vehicle

Woodman Stevens, 1689 Stenhope, was driving west on Kercheval, last Saturday, when he swerved and struck a parked car owned by Robert C. Wynn, 2041 Woodward.

Damages on Stevens' car are approximately \$400 and repairs of Wynn's car is estimated at \$300.

Stevens was ticketed for reckless driving.

Veterans of Board to Face Uncertain Candidate in Race

Next Monday qualified voters in Grosse Pointe will go to the polls for the important annual school election. Three candidates are seeking two vacancies on the Grosse Pointe Board of Education.

Big Savings on Parcels Jr. High School

Bids for the completion of Parcels Junior High School were approved at a Grosse Pointe Board of Education meeting Monday night for a quarter of a million dollars below the architect's estimated figure.

O. W. Burke was awarded the general construction bid for \$1,344,000. Low bidder on the plumbing contract was L. L. McConachie for \$251,000.

Hamill Electric Company received the electrical contract for \$129,040.

The total low bid was \$1,725,640. Estimates used on the bond issue as based on Giffels and Vallet's estimates totaled approximately \$2,000,000.

Giffels and Vallet are the architects for the building project.

The present wing of the Parcels School includes 18 standard classrooms. When the new educational facilities have been completed there will be three additional standard classrooms, three science classrooms, two music rooms, two art rooms, two household art rooms, two industrial art shops, one drafting room and one speech room.

Other features of the new Parcels School will be a boys' gymnasium, a girls' gymnasium, auditorium, pupil library, offices, rest rooms and other auxiliary rooms.

One wing will include a public library room similar to the present library at Pierce Junior High School.

Board President Sigurd R. Wendin and Secretary Franklin D. Dougherty, who are seeking reelection, are both completing their first three year terms on the board of Education. Fred Runnels, Jr. is campaigning for his first post on the Board.

The importance of the election was emphasized by Wendin in his statement that "the task of completing the building program which the Board of Education has undertaken will require even more responsibility than before. For this reason experience should be an important factor in the school board election."

"Mr. Dougherty and I both have children in the public schools," he said, "and we are interested as citizens and parents."

Since 1935 Wendin has been president of the investment firm, Heber, Fuger and Wendin, Incorporated. He is a graduate of the Harvard School of Business Administration and has an engineering degree from Worcester Polytechnical Institute, Worcester, Mass.

From 1934 to 1946 Wendin taught Corporation Finance and Investment Analysis at the University of Detroit.

Dougherty is a practicing attorney in Detroit. He is a graduate of Detroit College of Law and Hillsdale College and has acted three years as a member of the Board of Education and during the past year he served as Secretary.

Runnels is a local sports editor and photographer.

Swim Pool, Theatre Laws Pass in Woods

Two ordinances which have been under consideration for some time were passed and ordered posted by members of the Village Commission of Grosse Pointe Woods Tuesday night.

The first concerns hours and ages permitted in theatres and public places of amusement in the village. In short, it is unlawful for any theatre owner or management of a place of amusement to permit entrance of any child ten or under after seven p.m.; and, no child under 15 is to be admitted or permitted to stay after the hour of 10:30 p.m., unless accompanied by parent or guardian or adult of responsible age, 18 or over.

The second ordinance regulates the erection of swimming pools, limiting their erection by building permit and building code and defining a swimming pool as any structure built or erected consisting of 25 square feet in excess of two feet in depth. The ordinance provides for the erection of a fence or enclosure of not less than five or more than six feet in height and for the set back from any lot line or building of twenty feet. Approval of any pool would be subject to proof of proper drainage and access to sanitary water supply, subject to state and county health regulation.

Police Urge Enforcement of Bike Rules

With an increasing number of bicycles on the streets the Grosse Pointe police departments are concerned with the safety of the boys and girls who ride them.

For this reason the police have outlined a safety program that is designed to reduce the growing number of motor vehicle-bicycle collisions in this community.

Beginning next week the Grosse Pointe Review will run a series of articles on the procedures and practices that have been set up for uniform enforcement by the police departments of Grosse Pointe.

Enforcing these traffic regulations is the job of the police officers, and violators will be contacted and fined.

Parents are urged by police to assist their children in learning these rules and regulations. Through the complete cooperation of the community, bicycle riders can observe the safety regulations and eliminate the danger of accidents.

Driverless Car Rolls Down Hill

A car belonging to Thomas L. Lott, 1153 Grayton, had been parked near Moran and Charlevoix last Saturday when it began to roll down hill.

Before the automobile came to a halt on the front lawn at 257 Moran, it had ploughed under a "Watch for Children" sign. No other damages were incurred.

Wild Police Chase Lands Youthful Speeder in Jail

A wild police chase led by a 5294, whose car walls struck, was fleeing speed maniac Wednesday at 1:05 a.m. ended in near disaster at Mack and Neff where City of Grosse Pointe police had erected a road blockade.

A 21-year old gardener, William J. Walls, of 4833 Macborough, led Grosse Pointe Woods and St. Clair Sheriff's police on a 90 minute hour flight until he struck another car and was pursued beneath his overturned panel truck Mrs. Dorothy Forbes, 31, of

GOVERNOR SEES REVIEW'S POINT

On May 11, The Grosse Pointe Review ran an editorial on the local gas rate hike entitled "Back-Door Rate Raise Unpopular."
The editorial pointed out that "reduction of the BTU capacity of gas has caused a flurry of comment, locally, and we have yet to hear anyone say that they like it. Why the Public Service Commission would approve such a "back-door" method of indirectly raising gas rates is scarcely more than one can conceive. We have no argument to offer, pro or con, on the matter of raising rates. That is beside the point. We do, however, question the method."
It was refreshing to read, therefore, this week that Michigan's Number One Citizen, Governor Williams has had a similar light at last dawn upon him.
In a letter to Michigan Consolidated's chief, Henry Fink, he said, "To me it is

inescapable that this reduction in BTU's results in a rate increase without due process of law. I earnestly urge that you do not now or in the future lower the BTU value of gas furnished any Michigan customers below the value on which present rates were fixed, without an adjustment of rates."
And, Michigan Public Service Commission awoke with a start and promised to cut rates of Michigan Consolidated Gas Company, if it was found that higher profits were earned through the company's lowering the heat content of its natural gas.
It would be scarcely modest of The Review to claim that we started this whole thing (the Governor does read his hometown paper) but certainly we were the first-known to object in print. And the result sought seems forthcoming.

A CHANCE FOR CHILDREN

As sure as the summer months bring out the wanderlust in most of us, so every child dreams of packing a bundle of his toys and going to a camp where energetic days are packed with canoe trips, swimming and fun and evenings are whiled away before a blazing campfire.
For the boys and girls who might miss this opportunity, the Kercheval Avenue Business Association has already made arrangements so that 25 youngsters may fulfill their hankering.
The finances will be covered in part by the sale of tickets on a grand drawing June 28.
Merchants who are members of the Association have volunteered to provide the campers with transportation.
The Grosse Pointe Review, or any other

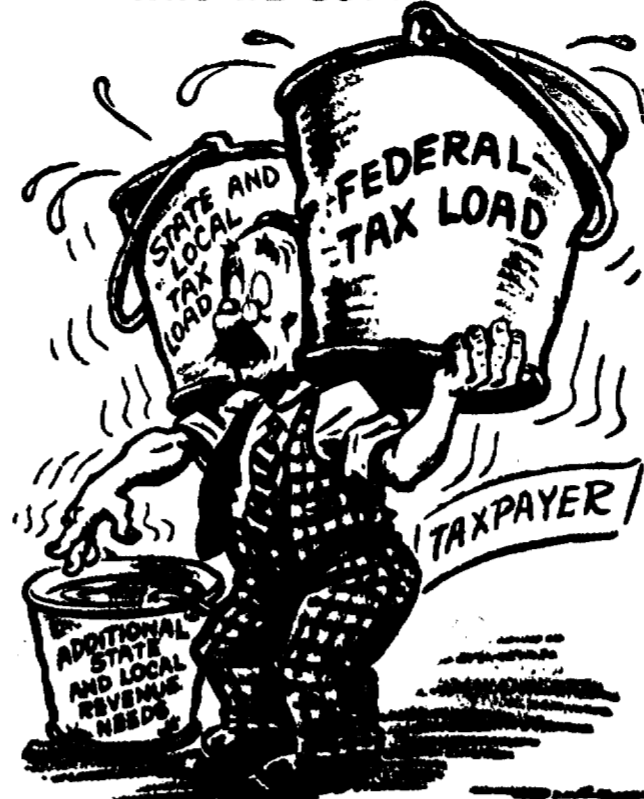

member of the Association, will accept applications for children who may be deserving of camping privileges. A screening committee has been set up to study the applications.
Boys from 9 to 15 years old are eligible for the YMCA camp and girls 10 to 14 are being accepted for YWCA.
Girls and boys from 10 to 14 may be signed up at the CYO camp.
The first contingent will leave Detroit on June 25 and return on July 10.
If a child in your neighborhood is deserving of the chance to be treated to a couple of weeks of good comradeship in an outdoor atmosphere make it your personal responsibility to fill out an application. A freckled, sun-tanned face may be around to thank you before very long.

AGAIN—FIRST THINGS, FIRST

If you value your schools and our educational facilities, part of which are to become a reality through the yeoman efforts of two Board Members who are seeking reelection, you will join thorough thinking citizens of the community who will place an X before the names of Franklin D. Dougherty and Sigurd R. Wendin in next Monday's important annual School Election.
Both are qualified by three years experience in school matters as Members of the Board, the former having served this year as Secretary, and the latter as President of the Board.
Both worked like Trojans in the planning and execution of the financing of the school building program which is now getting under way. They should be retained to see the program through to completion.
Both have the educational background and business experience to make their service on the Board the community's gain. And, both have character, stature, stability and sound judgment which has most eminently been evidenced by their service to the Board and thereby to the community at large.

The opponent who seeks to unseat one of them headed the "hue and cry" for a field house championed by another local publication. Even when classrooms were overcrowded, hundreds of pupils were being transported daily from one end of the district to the other and half-day school was more than an idle threat.
No one would deny the desirability of a Field House. But mature judgment would not and did not consider it as long as there was such crying need for classrooms and more classrooms.
Both Mr. Wendin and Mr. Dougherty would like to see a fine Field House, too, and many other facilities of the "luxury" type, but like all other members of the Board, they believe in "First things, First" and that is what they have helped to give us.
The Review has always believed in "First Things, First" and heartily endorses the men who have the calibre and principal to put those words into action.
Your vote for Dougherty and Wendin will assure the continuance of the sound judgment your Board of Education has reflected in its conduct of our educational program.

THIS WE GOTTA SEE!

High School Graduates 235

Commencement exercises for the June, 1950 graduating class of Grosse Pointe High School will be held June 15 at 8:15 p.m. on the high school lawn.
Mr. W. R. Cleminson, principal, will present the senior class to Mr. John R. Barnes, superintendent of Grosse Pointe Public Schools, who will award the seniors with their diplomas. Mr. Cleminson will announce class honors, award winners and several scholarships.
Instead of having an outside speaker, as is the custom of most high schools, Grosse Pointe High School chooses three members of the graduating class to give the addresses. This year, Mary Ban-

ach, Ken Rice and John Chase will give the commencement speeches. The speakers will stress in their address the theme "25 years of progress."
Alice Schlaepfer, 12A, will present a clarinet solo. Several selections will be sung by the Girls' Glee Club. Peter Roll, 12A, will offer a French horn number.
The Rev. Fred Albert L. Melvin, from Saint Paul's Church, will offer the invocation and the closing benediction.
Graduation will climax the important events of this school season for 235 seniors. Prior to the commencement exercises the Senior Prom was given on June 3. The Senior Formal Assembly and the Senior Picnic were held June 6. A class banquet will be given on June 14 for the seniors.

Polio Program

As part of its program to fight infantile paralysis, the Wayne County Chapter of The National Foundation for Infantile Paralysis swings into a "polio preparedness program" to continue during the months preceding the summer polio season, to alert the public to the dangers of and precautions against polio.

High School Honors Class of '25 At Commencement

On Thursday, June 15, the commencement program will stress the Silver Anniversary of the Grosse Pointe High School's first graduating class. The 1950 graduating class has invited members of the first graduating class (class of 1925) to be guests of honor at the ceremony.
In June, 1925, graduation exercises were conducted in the auditorium of the new Deter school. A group of parents and friends gathered to watch the first graduates of Grosse Pointe Rural Agricultural School District Number One, Grosse Pointe, Michigan, receive diplomas certifying the completion of their high school education.
The district had been in existence for three years, and had offered twelfth grade work for the first time in 1924-25. Before this year students had to go into Detroit to finish their high school education.

The speakers will stress in their address the theme "25 years of progress."

Letters to the Editor

Grosse Pointe Review
15121 Kercheval
Grosse Pointe Park 30, Michigan

To the Editor:
So the repercussions from residents of Grosse Pointe Farms are starting to filter through regarding the injustice of installing parking meters in the Kercheval Hill shopping district.
Incidentally, it's now significant that the subtle propaganda methods which were used to deceive the public that the installation of meters would solve the parking problem are now proving to be a subtlety which fooled no one.
In this connection it is interesting to note that the regular monthly Farms report for April disclosed that motorists who overparked in the Hill district paid \$292.00 in fines, while at the same time breaking and entering of the Extension at the University of Michigan, to be guest speaker. In the latter part of the program, Superintendent Wilder L. Walling presented the graduates, clad in gray caps and gowns, their diplomas.
Members of the first graduating class are as follows: Ellen Adam (deceased), Mary Armstrong, Richard Bundy, Verge Case (Mrs. John C. Lapsis), Calvin Cutler, Irene Gamble (Mrs. A. H. Yancy), Bernice Hayward (Mrs. George S. Holme), Alberta Heckendorn (Mrs. H. E. Cornelius), Dorothy Heckendorn (Mrs. Fred Hynes), Theodore Hinz, Kathryn Jordan (Mrs. Frederick Gillan), Agnes Kerr (Mrs. Frank Banach), Alma Lepper, Steven Maire, Eunice McInerney, Kathleen Morrison, Ruby Nelson, Clarke Newcombe, Norris Ouellette, Elizabeth Pardee, William Renaud, Emily Ruback (Mrs. Fred Wolf), Marjorie Pardee and Virgil Walling.
Miss Mary Kremin, who is still a member of the Grosse Pointe staff, was sponsor for the first graduating class.
Since 1924, Grosse Pointe High School has had 48 commencement programs in which 5,553 students have received their diplomas. In the 25-year period from 1925 to 1950 the high school enrollment has climbed from 95 to 1,066. From 24 graduates in '25 the '50 class has an enrollment of 235 students.
One of the 1950 commencement speakers will be Mary Banach, whose mother was a member of the first graduating class. Ken Rice and John Chase are the other two graduation speakers.

Bids on Garbage
Bid for the garbage contract in Grosse Pointe Woods have been referred to the Highway Commissioner for further study.
Four bids were submitted by private concerns at the Woods Council meeting Tuesday night.

To the Editor:
As publicity chairman for Armed Forces Day in the Detroit Area, I want to thank you for your assistance in making this first Armed Forces Day a success.
According to official police estimates, more than 200,000 persons lined Woodward Avenue in Detroit to view the hour and one-half long parade on May 20. Many other thousands visited the various military installations which held Open House.
Sincerely,
D. A. Black,
LCDR, USNR,
Publicity Chairman,
Armed Forces Day.

11 YEARS AGO
The City of Detroit announced a sewerage plan whereby the Park would build a storm sewer relief sewer within the limits of the Village.

Hospital Fund Grows Rapidly

More than three-quarters of a million dollars has been added to the Greater Detroit Hospital Fund during the past week. Contributions totaling \$754,450 were announced at Hospital Fund report luncheons last Tuesday and Friday, bringing the amount subscribed to date to \$16,464,130.
In the Eastern Area of the Detroit business and professional division, 122 new contributions amounting to \$26,024 were reported last week. This brings the region's total to 159 subscriptions for \$37,489, an average of \$235 per contributor.
Thomas T. Petzold, president of Petzold Motor Sales, and Ray W. Macdonald, export manager at

Burroughs Adding Machine Company, are leading the solicitation among business and professional concerns on Detroit's East Side.
It was reported that the Northeast Exchange Club had subscribed \$2,100 to establish a unit at the new St. John's Hospital.

Sergeant Named

A new Sergeant, Harold Seelow, was named on the Grosse Pointe Farms Police Department effective June 16. Arnold Parson will replace Seelow as patrolman.

Grosse Pointe Schools

ELECTION

MONDAY, JUNE 12

Summer School Registration Begins June 16

The Grosse Pointe Board of Education is again offering summer school for all students from grades 3B-12A. So that younger students will not have to travel so far, courses for children in grades 3B-6A are being offered at three places: Defer, Parcels, and the high school.

Junior high, senior high, and instrumental music classes will be held at the high school only.

Defer and Parcels enrollment dates have not yet been announced, but the high school enrollment will start in room 114 Friday, June 16, from 2 to 4 p.m., continue Saturday from 9 to 12 noon, and end Monday, June 17, from 8 a.m. to 4 p.m. The classes will officially start June 19 and end August 11.

The junior and senior high classes start at 8 a.m. and run an hour and a half, the last ending at 12:40 p.m. No student may carry more than 13 hours of credit without special dispensation.

The fee is \$7.00 for residents grades 7-12, and \$14.00 for non-residents. From grades 3B-6A the charge is \$5.00 for math and language arts and \$7.00 for music.

Because of the short period of time (8 weeks) and the great amount of work to be covered, good attendance is stressed. If pupils are planning to take a vacation or for any reason be absent for a period of time the summer school faculty urges them not to take courses for advanced credit.

Mr. W. R. Cleminson, high school principal, again heads the staff, which includes Miss Tekla Loeber, commercial department; Mrs. Lulu Ives and Mrs. Vera Milar, English; Mr. Glenn Bray and Mr. Robert Lang, math; Miss Gail Wog and Mr. Don Campbell, social studies; and Mr. William Perry, instrumental music.

The language and elementary teaching appointments have not yet been announced.

Here are the high school courses offered if enrollment warrants: commercial-typing I-IV (open to students who have finished the 8th grade; English, 9B-12A; language, French II and IV, Latin, II-IV, Spanish, II-IV; mathematics, 3B-8A, algebra, I-IV, geometry, I-III, trigonometry; music, instrumental, language arts (reading, spelling, language usage), 3B-6A; social studies, civics, III, history, I-IV, economics.

WINS AWARD

William Brown Trousdale, of 446 McKinley, received \$100 for his poem, "The Other Worlds," in the 20th Annual Avery Hopwood and Jule Hopwood Awards in Creative Writing at the University of Michigan. Trousdale is a sophomore at the University.

Rabaut Urges Peace Prayers For Defense

"In the course of our multi-billion dollar efforts at national defense and plans to preserve the peace of the world we have neglected one weapon whose strength cannot be over-estimated. It is not the product of modern technology, nor is it the second cousin of the H-Bomb. It is the powerful force of sincere and fervent prayer."

This statement came from Rep. Louis C. Rabaut, (D. Mich.) as the House of Representatives moved closer to its consideration of this year's defense expenditures.

He asked all Americans, of every religious belief, and each in his own way, to join the "Prayer for Peace" movement. The object of this movement is that all people in every walk of life should stop for minute at least, each day, at noon, to lift up their minds and hearts to God, in prayer for the peace of the world.

"The enemies of peace all over the world," Rabaut said, "are straining their efforts in preparation for total war. We are moving to meet those challenges on every front, but why can we not unite our material efforts with a great spiritual crusade?"

"Must we wait for the eleventh hour to ask God for the inspiration and moral leadership for which the world is crying?"

The prayer for peace movement was begun by the Last Man's Club, William H. Jutras Post No. 43, American Legion, Manchester, N. H., at the suggestion of Herve J. L'Heureux, Chief of the Visa Division of the Department of State. Rabaut pointed out that the movement's reception throughout the world was "ample evidence that the people are alert to the fact that they can, through the Grace of God, materially assist in achieving the peace which we all desire so ardently."

"Must we wait for the eleventh hour to ask God for the inspiration and moral leadership for which the world is crying?"

POINTERS AT ADVERTISING CONVENTION

Representative Louis C. Rabaut of the 14th District and Senator James Mead of New York were featured guest speakers at the main luncheon of the Advertising Federation of America at the Statler Hotel. Shown left to right are: Ben Donaldson, advertising manager of the Ford Motor Company, Graham Patterson, publisher of Farm Journal and new AFA head, Senator Mead, Hil F. Best, of Grosse Pointe, and Rep. Rabaut. Best and Donaldson are directors of the Detroit Adcraft Club, the leading advertising club in the country which was host to the AFA. Charles Lord, another Pointer, is Adcraft president.

Elect Officers for Student Government at High School

Skip Pessel, 12B, is the newly elected president of the Student Association of Grosse Pointe High School. He will take over the leadership of the student government when school reconvenes next fall.

The office of vice-president will be held by Bill Winkler, 11A. His most important job will be the supervision of the Service Club.

Joan Hollister, 11A, will hold the office of secretary for the fall semester, and Bob Law will be treasurer.

The new office of Border Cities League representative will be held by Tom Lister, 10A.

Every whole grade is represented in the Senate. Tom Lamb was elected twelfth grade senator in the recent election; Bill Rexord, eleventh grade; George Denison, tenth grade; Alex Forrester, ninth grade; Martha Hubbard, eighth grade, and Dick Schleicher, seventh grade.

The Forum, which consist of one representative from each homeroom, will be elected early next semester.

Candidates for the office of Student Association president, vice-president, secretary, treasurer, and representative to the B.C.L. are required to secure 100 signatures of Grosse Pointe High or Brownell Junior High students to qualify for the primary elections.

Candidates for tenth, eleventh or twelfth grade senator need 50 signatures, eighth or ninth grade candidates for senators are required to secure 25 signatures, and seventh grade candidates need 15 signatures. Candidates for senator must secure their signatures from students in their own class.

Every student in Brownell and senior high is eligible to vote for president, vice-president, secretary, treasurer, and B.C.L. representative, and their own grade senator.

Primary elections eliminate all but the top two candidates for each office. Climaxing weeks of vigorous campaigning is the election assembly where the candidates for final election are introduced to the student body. Final elections decide the next semester's leaders in Student government.

Cite 12 Seniors for Citizenship at High School

At the June 16 commencement, 12 members of the Grosse Pointe High School graduating class will receive Citizenship Awards.

About nine years ago, the American Legion began awarding a gold medal to the best boy and girl citizens in both the January and June graduating classes. The new plan will give these awards without medals to the top five percent of the graduating class, ranked in citizenship by a faculty committee and fellow students.

The students in each 12A homeroom will vote for students in their homerooms whom they think qualify for the award, and names with five or more votes will be put on a master ballot by a faculty committee. 12A's will then vote on the 12 people whom they think deserve the award.

Qualities of honesty, integrity, justice, courtesy, courage, sincerity, co-operation, understanding, loyalty to the school, respect for the rights of others, proper respect for law and order, and contribution to the well-being of others will be considered.

"There is no objective of the school that rates higher than training for good citizenship," explained Mr. W. R. Cleminson, principal, "and this new method may encourage more students to be good citizens."

Boy Scout Contingent to Leave for Jamboree at Valley Forge

This national encampment of Boy Scouts at Valley Forge Park, Va., from June 30 to July 6, will embrace 47,000 scouts and leaders from all of the states in the union, plus representative scouts from several foreign countries.

The Scout leaders will be: Ray Eddy, Lee Scott, Dick Naragon, Phil Beach, Dick Craig, Jim Richards, Tim Sloan, Bill Heath and John Adams.

Explorer leaders are Tom Dodds and Larry Switzer.

To become familiar with Jamboree problems the troop will hold a week-end camp out at Camp Howell on June 9, 10 and 11.

The Detroit Area will be represented by 18 scout troops. Each troop will be made up of 35 scouts which have been registered from 9 Grosse Pointe Troops 61, 74, 86, 96, 147, 156, 280, 399 and 546, and one Detroit Explorer Ship, 502.

Lee R. J. Scott has been appointed Scoutmaster, and he will be assisted by A.S.M. Ben Kushner in Charge of Activities and A.S.M. Bob Dingwall in charge of Physical Arrangements.

Friends To Gather for Testimonial Dinner

A testimonial dinner will be held at the Grosse Pointe Unitarian Church on Friday, June 9, in honor of the Rev. and Mrs. Merrill Otis Bates. Mr. Bates, who has been minister for the past 10 years, is resigning his post with the church and his many friends are gathering to wish him well.

There will be a short program following the dinner. Mrs. Pauline Wright Higgins, contralto, will sing, accompanied by Mrs. Elsa Lorenz Bradshaw.

The home is the instrument for the expression and existence of God in world life.

Ralph Henderson Day At Rotary Monday

Ralph Henderson, formerly of Grosse Pointe, who is now in New York, was honorary president pro-tem of the Grosse Pointe Rotary meeting Monday at the Memorial Center.

In town for only a few hours, Grosse Pointe Rotarians so honored their former vice-president who would have become president the year he moved out of the Pointe.

Anne Will Graduates from Junior College

Anne Will, daughter of Mr. and Mrs. H. Ray Will of 283 Hillcrest Road, Grosse Pointe Farms, graduated last Monday from Virginia Intermont Junior College in Bristol, Virginia.

Miss Will, a graduate of Grosse Pointe High School, plans to continue her education at Wayne University next fall.

Radar - Jet Proection

(Continued from Page 1) additional National Defense appropriations are needed and necessary.

In a question and answer period following the speaker's address, Col. Gabreski described his ten months in a German prison camp. "I was fortunate in being forced down in an area which was largely agricultural and somewhat untouched by war," said the speaker. Others who were forced down or parachuted into bombed areas had a far rougher time of it, both from civilians and military personnel of the German Army. German officers tried to convince their prisoners that they should join Germany to lick Joe Stalin then.

When "liberated" by the Russians, a good job of "intelligence" was done on all American, French and Belgian personnel.

Carloadings rise but are down from 1949, 1948.

Joan Grimmer Plans Marriage in Milwaukee

Of interest to Grosse Pointers is the news of the approaching nuptials of Joan Catherine Grimmer, daughter of Mrs. Raymond A. Grimmer of Milwaukee, Wis., and the late Mr. Grimmer.

The family formerly resided in Grosse Pointe.

Mr. and Mrs. Albert E. Beaupre are making plans to attend the ceremony on June 13 in Milwaukee.

Mr. Beaupre will give his granddaughter in marriage to Laurence Richard Baker, son of Mr. and Mrs. J. William Baker, also of Milwaukee.

Other Grosse Pointers planning to be present are Mr. and Mrs. James A. Claycomb, Jr., whose daughter Carol will be flower girl. Ring bearer will be Denny Grimmer.

The Francis Davisons and the Kenneth Beaupres will be in Milwaukee for the event.

Mr. and Mrs. Marvin Beaupre headed that way by plane on Tuesday morning.

La Vern Beaupre, Mr. and Mrs. Waldo J. Beaupre and the A. D. Beaupres, of Van West, Ohio, will attend their niece's wedding.

Church to Have Lawn Festival

The Grosse Pointe Woods Presbyterian Church is having a Strawberry Festival on Friday, June 9, beginning at 6 p.m.

The affair is to be held on the Church lawn. In case of rain the Festival will be moved into the Church dining room.

Mrs. Gerald C. Schroeder is general chairman and she is being assisted by Mrs. John Vandenberg, Mrs. Carl Asmus, Mrs. Clarence Anderson and Mrs. Fred Leonard.

Strawberry shortcake, iced cream, pop and coffee will be served. Eleven Grosse Pointe High School seniors have been elected to Quill and Scroll, an international honorary society for high school journalists.

They are: Joyce Clements, Peter Roll, Joy Perry, Alice Schaefer, Joan Wozniak, Marlene Hesse, Elenore Jackie, Barbara Gordon, Barbara Sonneman, Joseph Redfield, and Adele Huebner.

To become a member of Quill and Scroll a student must be in 12A, have been in publications' work for at least one year, and have been active in publications in his senior year. These things plus superior work on either View Pointe Tower, or Proem and the recommendation of the publications' adviser are required.

Lawrence Tech Frat to Sponsor Dance

Alpha Gamma Upsilon, Lawrence Tech fraternity, is sponsoring a "School's Out Dance" at Jefferson Beach, on Saturday, June 11. Skitch Henderson will supply the music.

Keith Edwards, 1080 Wayburn, is one of the co-chairmen on the dance committee.

Awarded Letter

Charles E. Swenson, 637 Lincoln Rd., was recently awarded a varsity track letter and sweater at Lehigh University, Bethlehem, Pa.

WED AT ST. CLARE CHURCH

Mrs. Carl J. Roesch was Julianne Marie Lynch before her marriage on May 20 at St. Clare de Montefalco Church.

"Americans Are So Generous," Says Exchange Teacher from Isles

"Americans have such amazing vitality," commented Miss Mary Lynch, exchange teacher from England, at Grosse Pointe High School. "With their high standard of living, they have everything, yet they are so generous and keen to share it."

Miss Lynch has taught world history at Grosse Pointe High School for the past year while Miss Margaret Castell, Grosse Pointe High history teacher, took her place at a girls' school in Penzance, England.

"Americans live rather than exist," continued Miss Lynch, "and their interests are so varied. They range from canasta to higher education."

"They're wonderful hostesses too; elaborate, yet friendly and informal."

Miss Lynch asserted that Grosse Pointe High School students are very fortunate. It's too bad, she feels, that they have no chance to realize this and appreciate what they have more fully. "They take so much for granted," she stated, "that would thrill students in other countries."

"I've enjoyed the experience of teaching in a school so vastly different in size and organization from Penzance. I've never been bored and I'm going to be sorry to leave—though not sorry to be done with grades and tests."

"The hard work of the faculty has impressed me," said Miss Lynch, "and I've enjoyed the friendliness of the students. Their frankness and early independence are so different."

She explained that here she has seen junior high students lead class discussions, something they wouldn't do in Penzance. Miss Lynch hopes that she has taught a few people a little world history. She is certain that they have Penzance "firmly fixed on the map." And she is equally sure that her education would not be complete without the new words in her vocabulary such as "hot rods" and "pochatoriums."

"This summer I plan to go to California by the southern route," said Miss Lynch, "and I hope to see Grand Canyon on the way. In California I'd like to meet and spend some time with the other exchange teachers."

"Before I return to England I especially want to see the teacher from Penzance who will be an exchange teacher in Rhode Island next year."

"From California I'll go up the coast to Oregon, Washington and the Canadian Rockies, returning to Detroit sometime in August. Then it's off to Quebec and Boston and on to New York, where on August 30 I'll board the Queen Mary and sail for England."

"I've had a wonderful time," concluded Miss Lynch. "I don't know what to say I've liked the best about your country, but I'll never forget the Gulf of Mexico sunsets, Idaho's snow-covered mountains or spring on your beautiful Lake Shore Drive."

Teen-Agers Hold 'Farewell' Party at Memorial

Plans are well under way for the next teen-agers' dance at the War Memorial Center. In keeping with the atmosphere of graduation and the beginning of summer vacation the Youth Council has tagged its party "Farewells."

The time for the dance falls right in with graduation week for the Pointe schools, Friday, June 18, from 9 to 12 p.m.

Handling the baton for the orchestra will be Ralph Bowen, and hostesses for the evening will be Sue Spurrier and Diane Thompson from the High School.

Pat Brogan of the High School and Warren Sisman of D.U.S. are chairmen of the dance. Two new Council members, Hal Drinkaus and Beverly Barrett, from Pierce Junior High, will be backing them up.

Heading the refreshment committee are Tom Lister and Linda Huntington. Helping them pass around the Center punch and cookies will be Larry Reynolds of St. Paul, Nina Cunningham of Country Day, and Carole Jatko of the Convent.

Carol Sanford Plans Fall Rites

Mr. and Mrs. Sterling S. Sanford, of 279 Hillcrest Road, announce the engagement of their daughter, Carol, to Hemingway Sanford to John Newcomb Tomlins, son of Mr. and Mrs. Luther C. Green of Rochester.

Carol attended MacMurray College and was graduated from Michigan State College. John attended Michigan State and is now a student at Wayne University. The couple is planning a September wedding.

Realtor Changes Office Location

Specializing in Grosse Pointe properties since 1922, Ed O'Connor has moved his offices to 31 Kercheval. He was formerly located in the Ford Building.

During this period, Mr. O'Connor has watched the development of the lake front parks, exclusive shops and excellent school system in the Pointe.

He estimates that during this period he has sold \$12,000,000 of Grosse Pointe property.

Mr. O'Connor is a member of the Detroit Real Estate Board, an officer of the Grosse Pointe Real Estate Association, and a member of the Grosse Pointe Park charter commission.

His home is at 1257 Yorkshire.

Conservatory Presents Recital June 12-14

The Grosse Pointe Conservatory of Music announces the Annual Public Student Recital which will be held in the Trombly School Auditorium, at 8 p.m., on June 12-14.

Pupils from advanced music sections will appear on the first program. The following evenings will feature intermediate and elementary groups.

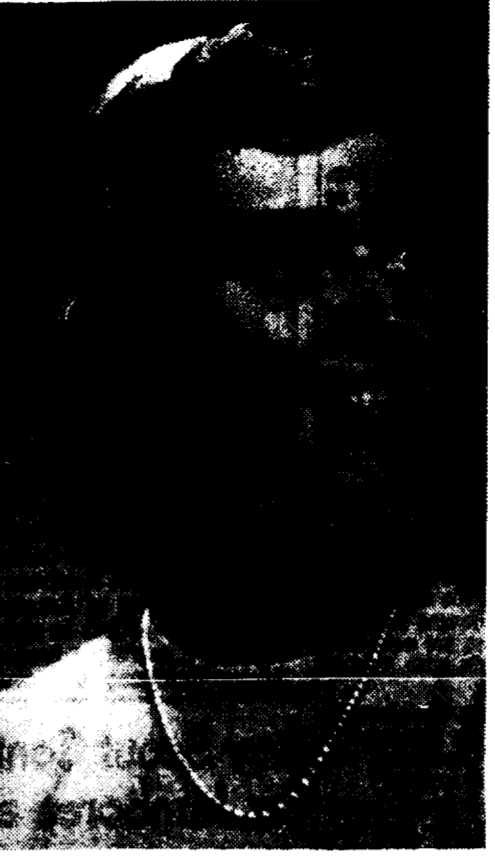

Show to Display 1000 Roses

Amateur rose growers and experienced exhibitors are anticipating the annual show and competition on June 17 and 18 at Grosse Pointe Memorial.

Over 1,000 specimen blooms will be on display from 3 to 10 p.m., on Saturday and from 10 a.m. to 6 p.m. on Sunday.

The show, sponsored by the Detroit and American Rose Societies, will have entries from both backyard and estate size gardens, and classes for children, novice and experienced exhibitors.

ENGAGEMENT ANNOUNCED

—Photo by Paul Gach

Mr. and Mrs. Charles M. Long, of Roslyn Road, announced the engagement of their daughter Elizabeth Anne at a party last Sunday at the Grosse Pointe Yacht Club. Her fiance is Raymond Ives, son of Mr. and Mrs. Norton Ives, of Moross Road.

University Women Elect New Slate of Officers for Year

The new board of directors of the Grosse Pointe Branch of the American Association of University Women met at the home of the president, Mrs. Edward Gehrig, 1230 Balfour, on Friday, June 2, to plan activities for the coming year.

Members of the board are Mrs. Edward F. Gehrig, President; Mrs. H. W. Merrill, Vice-President; Mrs. John S. Foley, Recording Secretary; Mrs. Raymond Wilcox, Corresponding Secretary; Mrs. H. F. Vieweg, Treasurer; Mrs. Hubert G. Goebel, Chairman of International Relations; and Mrs. John D. Jakle, Chairman of the Arts Committee.

Other officers are Mrs. John R. Barnes, Chairman of Legislation; Mrs. Morrison Boothe, Chairman of Literature; Dr. Sadie Danforth, Chairman of Status of Women; Mrs. Paul R. Baldwin, Chairman of Education; Mrs. C. Q. Swenson, Chairman of Social Studies;

Pointer Graduates From Whittenberg

Matthew Winters, son of Mr. and Mrs. Matthew L. Winters, 1241 Maryland St., will receive the Bachelor of Arts degree on June 5 at commencement exercises at Whittenberg College, at Springfield, Ohio.

Hi-Y Members Tour Mackinac Over Weekend

When classes ended last Friday, the Golf Chapter of the Grospe Pointe High School Hi-Y club took a week-end trip to Mackinac Island.

The boys carried their own sleeping bags and cooking equipment. On the island they explored oak and birch woods.

Among the 24 boys were: Bill Whittier, Bud McCallough, Herb Albrecht, Dale East, Ken Bick, Corky Luckeliner, Chuck Weisinger, John Fildew, Dean Fossberg, Jerry Davis, George Danvers, Bill Ruestler, George McBride, Dick Rydberg, Dan Webb, and Gene Mattland.

Superior Rating Goes to Tower

The All-American rating awarded to superior high school newspapers by the National Scholastic Press Association has been given to the Tower for the thirteenth time in nineteen years.

The rating was based on the following points: news values and sources, news writing and editing, headlines, typography, mottoes, department and special features.

The issues of September, 1949, and January, 1950, received the award. These issues were edited by Dorothy Olson, February '50, by Norma Bonn, September '50, by Redfield, Joyce Kamsar, Harry Esling, and Marlene Hesse, all 12A's, and the October issue by Jean Corey, Fred Shucum, Jayne Dalton and Janet Ballentine, 12B's.

Cub Paper Drive Nets 12,000 Lbs.

Thanks to the leadership of chairman George Ryerson, Cub Pack 147, sponsored by Delta Parent-Teacher Association, completed their second successful old paper and magazine drive since June 1, 1950.

Special credit goes to those Cub Scouts who worked the entire day on June 3 and to Mr. Ryerson, Hastings, Duwney, Paul Kolvoord, and to David Kushner, and to Ed Lauer of the Greater Detroit Landscapers Co. who so generously loaned his truck, pickup and loads from the Den depot.

The annual Cub Circus for District 3 will be held at Manly Field, Mack and Connor, and Pack 147 will lead the parade with their band and later conduct the tree raising ceremony.

RECIPE
Swift's "Make Your Own" Mix
Yield: About 13 cups.
1/4 cup (4 tablespoons) double acting baking powder (like Calumet, E.C., and Clubb's Girl)
2 cups Swift's Mix
9 cups sifted all-purpose flour
1 tablespoon salt
Combine sifted flour, baking powder, and salt. Stir well. Sift into a large bowl. Add Swift's Mix. Use finger tips or pastry blends to distribute Swift's Mix throughout dry ingredients until the mix resembles coarse cornmeal. The "Make Your Own Mix" is now ready to use or store in a closed canister on your pantry shelf.

HUDSON OFFICIALS EYE PLAN
A new idea in retailing, which surpasses any similar project in the country, is represented by the model above. It shows the huge new Regional Shopping Center, which The J. L. Hudson Company, Detroit, world's second largest department store, plans to sponsor. With parking for 6,000 cars, the Center will be a ring-like group of buildings, featuring shopping facilities of all kinds. The main unit will be Hudson's first branch store. Site of the project is a 100-acre area in Grosse Pointe Woods, 10 miles from Downtown Detroit. Above, from left, are Richard H. Webber, Hudson's Chairman of the Board; James B. Webber, Jr., Vice President and General Manager; and Oscar Webber, President.

Dr. Majester Starts Column On Optometry

Keeping abreast of the modern way of living we are constantly on the alert for articles that not only will be interesting to read but will also prove beneficial to most of our readers at one time or another.

Dr. Majester

person realize how very important are, "the only pair of eyes a man will ever have." Dr. Majester is a practicing optometrist, a native Detroitian and a man of high ideals who recognizes his responsibility to the people. In 1939 he graduated from the Northern Illinois College of Optometry, where he earned his Doctor's Degree in Optometry. He did post-graduate work in Contact Lenses and is certified as a contact lens clinician. He has also extended his studies at Purdue University in "Industrial Vision". Three years ago Dr. Majester was elected to the Advisory Board of the Detroit Contact Lens Center, of which he became secretary. He also takes an active part in the Michigan and American Optometric Associations.

Giant Shopping Center Is Planned in GP's Back Yard

A giant shopping center development, sponsored by the J. L. Hudson Company, was announced over the week-end, to be located practically in Grosse Pointe's back yard, in the Eight Mile and Kelly Road section of Grosse Pointe Woods. Thanks to the initiative of the J. L. Hudson Company, Detroit will have in the near future the largest, finest, and most modern shopping center in the nation. The announcement was made by Richard H. Webber, chairman of the board, and Oscar Webber, president of the company. Years of study and research work were necessary to bring this project to the actual planning stage. Today its execution seems to be assured if certain zoning changes can be obtained and if final contractors' bids will stay within the present cost estimates. The size of the site can be fully appreciated if one considers that it is larger than 25 city blocks. On this large area plans call for the erection of a complete, coordinated shopping center, consisting of more than 100 stores, a large department store branch of the J. L. Hudson Company, recreational facilities, and parking space for approximately 6,000 cars. It is planned that a large theatre will be erected by W. & W. Theatres near the Kelly Road frontage, as an integral part of the shopping center. The location of the center has been carefully chosen. To the east, north, and west of the area are located many Detroit suburban communities, and on the south, a densely populated section extends to the heart area of Detroit. Careful surveys have shown that more than 750,000 people live within 20 minutes' driving time of the location. The architectural concept shows a completely new approach to the problem of creating a large commercial center. This shopping center will be in no way similar to the shopping districts as Detroit knows them today, and which mostly consist of rows of stores along busy highways. Not only will this center offer to the shopper sufficient parking facilities, but the parking area will be far superior in quality to the conventional arrangement. There will be within the parking area pedestrian walks, spacious individual parking berths, tree groups and planting. Safety and comfort of the shopper have been the primary concern in the design of this center. The sidewalks will be covered with mats to protect shoppers from sun rays and road spray. There will be an unobstructed and pleasant shopping atmosphere throughout the entire center. The store buildings will be arranged in a ring-like fashion.

D.A.R. Slaters Friendship Party

The Annual Summer Friendship Party of Fort Pontchartrain Chapter DAR for members and guests will be held at Rotunda Inn on Pine Lake, Friday, June 16 at 12:30 p.m.

Mrs. E. Edward Putnam, Mrs. H. Sanborn Brown, Jr., Mrs. Neil A. Cameron, Mrs. Joseph H. Embury, Mrs. William H. L. Everard, Mrs. Cornelius L. T. Gabler, Mrs. Fred T. L. Grimm, Mrs. Clarence William Lyle, Mrs. O. Dale Reynolds, Mrs. Roy R. Riddle and Mrs. Edward Savage.

The general chairman of the social committee is Mrs. Harry E. Barnard, and the chairman for this party is Mrs. Harold G. Stevens, assisted by Mr. Paul J. Meiser, Mrs. Gilbert K. Pulliam and Mrs. Harold D. Harrison.

The transportation chairman is Mrs. William B. Spurrer. Among those planning to attend are the Regent, Mrs. Ralph Edwin Thomas, Mrs. Robert Hale Peterson, Mrs. Henry B. Kellogg, Mrs. Harry R. Matrey, Mrs. Carl D. Macpherson, Mrs. Arthur C. Erwin, Mrs. George A. Triplett,

SALE SETS RECORD The two week sale at Syd's Custom Shop, 14220 E. Jefferson, has shattered all records for sales. People from all over the east side have been taking advantage of the tremendous savings. Syd Maxman says that his store is now stocked with many new items that will thrill Dad on his day.

Retailers assured 1950 sales will equal 1949 with effort.

Y-Teen Elects Club Officers

Grosse Pointe High School girls, following the leadership of the boys who formed a Hi-Y Club some 10 years ago, have started a Y-Teen Club.

The five newly elected officers are: Jane Joachim, 11B, president; Gretchen Becker, 10A, vice-president; Diana Nylund, 11A, secretary; Jane Rowe, 10A, treasurer, and Eleanor Frizzell, 11B, inter-council representative. These girls have been invited to attend the state-wide Cavell leadership conference. Because of the newness of the club and the possibility of starting another chapter in September, Christa Mueller, 11A; Carol Lovelless, 10A; Pat Marx, 11A; Anne Lammman, 11A; Gloria Anton, 10A; and Edna Edens, 10A, will also have a chance to go. Voting privileges, however, will be given only to the president, vice-president, and inter-council representative. Under the sponsorship of Miss Mary Cross, history instructor, and Mrs. Henry Lammman and Mrs. Oscar Marx, mothers of students, club members plan a series of projects and activities for next semester. Girls who go to Cavell are expected to bring back many ideas after conferring with representatives from the well-established clubs of Michigan.

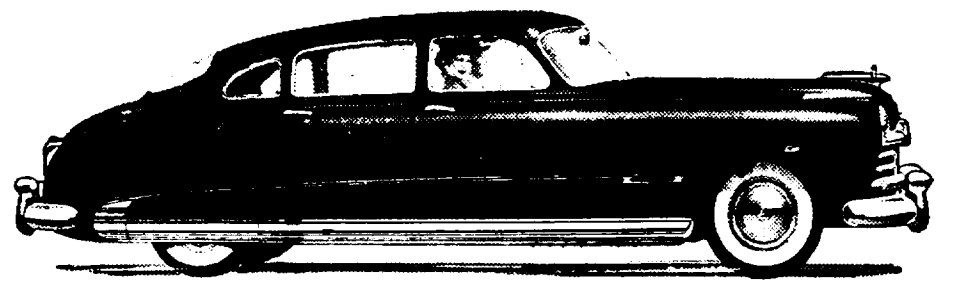

Dames of Court Observe Flag Day

Members of Michigan Society, Dames of the Court of Honor, will observe Flag Day at a luncheon and meeting at twelve noon Tuesday, June 13, at the Detroit Yacht Club, at which Mrs. Lella L. Rogers of Van Dyke Avenue, will be hostess. Reservations should reach Mrs. Rogers by Saturday, June 10. Mrs. Lloyd DeWitt Smith, state president, will conduct a board meeting at eleven o'clock.

Pointer Training at Naval Field

Cadet M. Reese, USNR, son of Mr. and Mrs. F. C. Reese, 404 Roland Court, recently completed the first phase of his naval aviation training by taking his solo flight at Whiting Field, Florida. Working for his Wings of Gold and a commission as Ensign in the United States Navy, Reese flew for the first time unescorted by an instructor in the Navy's sturdy SNJ Texan Trainer. Reese, who attended Grosse Pointe High School, and the University of Michigan, arrived aboard Whiting Field on March 28.

BIDS WANTED
 The Village Commission of the Village of Grosse Pointe Woods will receive bids at its meeting on June 20, 1950 for the purchase of gasoline, oil, and lubrication for all Village owned vehicles.
 Bids may be filed with the Village Clerk at his office at 20775 Mack Avenue up to 8 o'clock P. M.
PHILIP F. ALLARD,
 VILLAGE CLERK

VILLAGE OF GROSSE POINTE WOODS
WANTED
APPLICATIONS FOR APPLICANTS FOR THE VILLAGE OF GROSSE POINTE WOODS
 Applications will be received by the Village Commission of the Village of Grosse Pointe Woods at its meeting on June 20, 1950 at 8 o'clock P. M. for a qualified building and construction inspector.
 Applicants must qualify as to experience and ability to perform the duties required and not be engaged in any competing contracting business. Applications will be considered upon the qualifications and experience of the applicants. Applicants will be required to specify compensation desired.
PHILIP F. ALLARD,
 VILLAGE CLERK

Woods Commissioner Urges A Favorable City Vote

(Continued from Page 1)
 The basic reason for this recommendation was the recent incorporation of the major portion of the township into two cities, namely the Park and Farms. The Woods now has little choice. A petition was therefore filed with the Village Clerk, signed by the required number of electors, requesting that the Village be incorporated as a city. The fixing of the date for a special election of the population then ensued. The Village is thus incurring the expense of the election of a special election on this issue.

The needs of city incorporation by which the Village would withdraw from Grosse Pointe Township have been summarized in the report of the Study Committee published a short time ago. There is nothing complicated about conversion from a village to a city. The basic difference between a village and a city is not great. A city is simply a village to which has been added the right and responsibility to perform the functions which the Township now performs. Changing from a village to a city reduces to its simplest terms is merely withdrawing from the Township and adding the necessary township functions to village government.

Incidental to making the change the new city obtains additional revenues for increased governmental activity and the opportunity to modernize the framework in which local governmental activities are carried on.

Our present Village Charter was adopted in 1937. As late as 1948 the population of the Village of Grosse Pointe Woods was only 2,003. Today it is judged to be around 10,000. It would therefore be surprising if an acting Charter Commission did not find some respects in which the present charter could be improved and changed to more nearly suit the needs and requirements of our enlarged municipality.

The only functions of any consequence now performed by the Township consists of assessing property and collecting taxes for county and school purposes (which tax payable in December), conducting county, state and national elections, sending representatives to the County Board of Supervisors, and providing a justice court system. The new city, if incorporated, would take over these functions. Each of these services can be provided in a more efficient and more convenient manner by a city than by a township. The property owners of the Village have been paying to the Township their share of the expense of performing these services to be borne by the new city if incorporation is voted, but it should be no greater than we are now paying to the Township for these services. In 1949 the taxpayers of Grosse Pointe Woods paid \$1822 to the Township for performing these services. That amount however included Township health services which were furnished during the year 1949. This burden becomes proportionately greater as the size of the township diminishes to that of one or two villages.

The Township no longer furnishes police radio services to the Grosse Pointe communities. That service is now supplied by an efficient system worked out and paid for by joint arrangement and participation of all the Grosse Pointe communities. The Township no longer furnishes health services to the area. That function has been taken over by the county and is being supplemented by joint arrangement of all the Grosse Pointe communities in order to give them the more complete services desired.

The Township form of government is therefore an outmoded and obsolete unit of government in this great area geared to entirely different times and circumstances than those under which we live today. The City of Grosse Pointe was the first to leave the

NOTICE OF PUBLIC HEARING
 VILLAGE OF GROSSE POINTE PARK
Alley Vacating and Zoning Amendments

The Village Commission of the Village of Grosse Pointe Park will hold a public hearing on Monday, June 26, at 8:00 p. m. in the Municipal Building at 15115 E. Jefferson for the purpose of:

1. Alley Vacating. Hearing objections to the vacating of the alley south of Mack and east of Whittier.
2. Rezonning of Vacated Alley. Hearing objections to a proposal to amend the Building Zone Ordinance so as to classify the whole of said alley as part of the Business District, in the event said alley is vacated.
3. New Business Parking Zone. Hearing objections to a proposal to amend the Building Zone Ordinance so as to provide, in substance: for the establishment of a new type of district to be known as "Business Parking District"; for limiting the uses in a Business Parking District to (i) any use permitted in the adjacent Residence A or Residence B District, as the case may be, and (ii) off-street parking facilities in connection with an adjacent conforming use in the Business District, such off-street parking facilities to be maintained in accordance with the provisions of Section III (1) of the Building Zone Ordinance; and for the reclassification of Lots 324, 325 and 326 of Scripps Grosse Pointe Park Subdivision (i.e., east side of Whittier centrally between Mack and Charlevoix) from Residence A District to Business Parking District.

Interested parties are invited to submit their views in person at the hearing or in writing in advance of the hearing.

Awarded Trophy At Kalamazoo

Richard Ralph, 1010 Yorkshire, received the award of the All-Year Individual Trophy at the conclusion of the extensive intramural athletic program of Kalamazoo College at the All-Sports Banquet held in Wells Hall last week.

He had won awards in the 40-yard back stroke in swimming, 800-yard run in track, and had earned an award in tennis. He is a junior at the college.

NOTICE OF PUBLIC HEARING
 VILLAGE OF GROSSE POINTE WOODS
Alley Vacating and Zoning Amendments

The Village Commission of the Village of Grosse Pointe Woods will hold a public hearing on Monday, June 26, at 8:00 p. m. in the Municipal Building at 15115 E. Jefferson for the purpose of:

1. Alley Vacating. Hearing objections to the vacating of the alley south of Mack and east of Whittier.
2. Rezonning of Vacated Alley. Hearing objections to a proposal to amend the Building Zone Ordinance so as to classify the whole of said alley as part of the Business District, in the event said alley is vacated.
3. New Business Parking Zone. Hearing objections to a proposal to amend the Building Zone Ordinance so as to provide, in substance: for the establishment of a new type of district to be known as "Business Parking District"; for limiting the uses in a Business Parking District to (i) any use permitted in the adjacent Residence A or Residence B District, as the case may be, and (ii) off-street parking facilities in connection with an adjacent conforming use in the Business District, such off-street parking facilities to be maintained in accordance with the provisions of Section III (1) of the Building Zone Ordinance; and for the reclassification of Lots 324, 325 and 326 of Scripps Grosse Pointe Park Subdivision (i.e., east side of Whittier centrally between Mack and Charlevoix) from Residence A District to Business Parking District.

Interested parties are invited to submit their views in person at the hearing or in writing in advance of the hearing.

Notice of Election and Notice of Registration
SPECIAL ELECTION, GROSSE POINTE WOODS, WAYNE COUNTY, MICH.

To the Qualified Electors of the Village of Grosse Pointe Woods, Michigan
 "You are hereby notified that a Special Election will be held in the Village of Grosse Pointe Woods, Wayne County, Michigan, on Monday, June 19, 1950, and the polls for said Special Election shall be open from 7:00 o'clock in the forenoon to 8:00 o'clock in the evening, Eastern Standard Time.
 "You are further notified that the polling places for said election shall be as follows:

- Voting Precinct No. 22: The Voting Booth in the Mason School, situated on Vernier Road.
- Voting Precinct No. 23: The Voting Booth in the Municipal Building, on Mack Avenue at Anita Avenue.
- Voting Precinct No. 25: The Voting Booth situated in the Parcelis School on Mack Avenue and Vernier Road.
- Voting Precinct No. 26: The Voting Booth in the Mason School, situated on Vernier Road.
- Voting Precinct No. 27: The Voting Booth situated on Mack Avenue and Kenmore Road.
- Voting Precinct No. 28: The Voting Booth situated on Mack Avenue at Broadstone Avenue.

"You are further notified that the following proposition shall be submitted to the qualified electors for their adoption or rejection at said Special Election, to-wit:

Proposition No. 1 — City Incorporation
 "Do you favor incorporation of the Village of Grosse Pointe Woods, Wayne County, Michigan, as a City with the name of **GROSSE POINTE WOODS**, under the provisions of Act No. 278 of the Public Acts of the State of Michigan for 1909 as last amended?"

Proposition No. 2 — Playground Bond Issue
 "Do you favor borrowing money and issuing bonds therefor of the Village of Grosse Pointe Woods, in the sum of thirteen thousand (\$13,000.00) dollars, to bear interest at a rate not to exceed four (4%) per cent per annum, payable semi-annually, said bonds to mature serially in the following manner:
 \$1,000.00 in the years of 1951-1957 inclusive, and \$2,000.00 in the years of 1958-1960 inclusive.
 for the purpose of making a public improvement in the Village of Grosse Pointe Woods to be and consist of the acquiring and purchasing of a playground in the smallest portion of the Village of Grosse Pointe Woods?"

Proposition No. 3 — Advisory Ballot on Policy of Assessing Flankage Street Pavements
 "Shall a policy of assessing the cost of paving flankage streets in the Village of Grosse Pointe Woods be established so that 40% of the cost of the pavement shall be assessed to the abutting property owners, 40% shall be assessed against an assessment district consisting of property fronting on the street or streets which connect with or bisect the flankage street to be improved, which assessment district shall extend in either direction equidistant to the next intersecting street or streets, and the remaining 20% of the cost to be payable by the Village at large?"

"You are further notified that at said election there will be elected:
 Nine (9) Charter Commissioners
 "In accordance with the provisions of Article 4, Section 4, of the State Constitution as amended, only those Electors of the Village of Grosse Pointe Woods qualifying under such provision, are entitled to vote at said Special Election on Bond Proposition.
 "You are further notified that if you have not already registered you may do so by appearing before the Board of Registration at the Municipal Building on Mack Avenue at Anita Avenue, Grosse Pointe Woods, Michigan, on May 29, 1950, between the hours of 8:00 o'clock in the forenoon and 8:00 o'clock in the evening, Eastern Standard Time.
 "You are further notified that registration may also be made with the Village Clerk on any day up to and including May 29, 1950, on which latter day the Village Clerk will be in his office between the hours of 8:00 o'clock in the forenoon and 8:00 o'clock in the evening, Eastern Standard Time.

Launch Drive Sailors Plan To Aid Center Meet Sunday

More than 6,000 Grosse Pointe families are being invited this week to contribute to the endowment fund of the Grosse Pointe War Memorial Center. Mr. Alger Shelden, President of the Grosse Pointe War Memorial Association, has written a letter to citizens of the Pointes who have not as yet had an opportunity to participate in the Center's development, asking for their assistance.

The goal of the current fund raising campaign is to increase the Center's endowment fund by \$50,000 in order to provide additional revenue to help meet the Center's estimated annual deficit of \$14,000.

Present revenue, which comes from the modest fees charged for the use of the facilities, special contributions and returns on invested funds, is inadequate to pay operating expenses incurred in this active community program being carried on at the Center.

In a little over six months since the Center opened its doors, more than 20,000 people have participated in its educational, cultural and community activities. More than 300 events, one-third of which were sponsored by the Center, have been arranged for the citizens of the Pointes.

The first meeting of the Grosse Pointe Park Sail Club will be held at Grosse Pointe Park, on Sunday, June 11, at 10 a.m. A summer racing schedule will be drawn up and officers will be elected for the season.

Commodore Franklin A. Miller urges all sailors who might be interested in racing their craft with the Club boats to attend the meeting.

The Club was founded three years ago and a charter was drawn up by Ralph Johnson who is the present secretary. Last season the group was formerly admitted to the Detroit River Yachting Association.

Knights Treat Children To Bob-Lo Excursion

Gabriel Richard Council, Knights of Columbus, will be host to 1,000 underprivileged children on Monday, June 26, when, through the courtesy of the Bob-Lo company, the youngsters will be treated to the thrills of the 36 mile boat ride and an all day free picnic on the beautiful island park, states Grand Knight Fred J. Potvin.

Church to Hold Lawn Festival

"Near Eastern people, especially the Moslem, have interested me greatly. Knowing them better, and understanding them, has led me to the conclusion that Christian and Moslem youth have to learn to grow and work together," says Miss Yeranouhi Haidostian of Syria and Turkey, who will be the guest speaker at the Grosse Pointe Congregational Church from June 10 to 16.

She will speak at the 9:30 a.m. service on Children's Day, June 11, and will meet with the officers of the Church at a tea from 3 to 5 p.m. at the home of Dr. and Mrs. Lyndle Martin on Middlesex Rd.

Miss Haidostian will also address the youth groups, women's groups and she will be the guest of honor at a family night supper on Wednesday evening.

Idell Carey to Receive B.A. Degree from Cornell

Idell Catherine Carey, daughter of Mr. and Mrs. Matthew Carey of 365 University Place, is a candidate for the degree of Bachelor of Arts at Cornell University's 82nd annual commencement on Monday, June 12.

ARRANGE ANNUAL FATHER AND SON DAY

A special father and son day is being planned by members of the Grosse Pointe Yacht Club on Thursday, June 15. Arrangements have been made to attend a Tiger ball game in the afternoon and after the game the Annual Father and Son Banquet will be held at the Club. Pictured are the committeemen, standing left to right, Fred Gebstadt, John DeHayes, J. Earl Fraser, Charles J. Glasgow and Anthony Mutschall. Seated are James P. Danaher and Bryan A. Chaplow, chairman.

CAR Society Plans Flag Day

The John Paul Jones Society, Children of the American Revolution, will enjoy an Annual Flag Day Service on Sunday, June 11, at the home of Mrs. Lloyd DeWitt Smith, 731 Grand Marais.

The State President, Mrs. Roger Brooks Williams will greet the members in the garden and conduct the flag ceremony. Hostesses include Mrs. Henry B. Joy, honorary national vice-president; Mrs. J. Harry Maxwell, senior president; Mrs. Hamilton Bacon and Mrs. S. Slack, junior directors.

The Ford Motor Company's plant located in Coshocton, Ohio, is one of the largest in the world. At this plant, hourly-rate employes are, with few exceptions, veterans of World War II.

Polo Season Opens Sunday

The Detroit Polo Club will open their second season as members of the International Polo League on Sunday, June 11, at the Club's field, W. 14 Mile Rd. at Middlebelt Rd. Game time is 3:30 p.m.

This first formal showing of the only all-Detroit polo group in this area inaugurates a program of Sunday afternoon games scheduled for each week-end through October.

Volney Bayley, highest ranking club member, heads the Detroit Gold Hats with a roster including Perry Williams, Harold Troy, Lawrence Williams and David Williams. They meet veteran poloist Earl Gale's Evergreen squad of Al Poole, James Penney, Robert Cameron, Donald McCarr-

High School Band

Grosse Pointe High School's first-division band will lose six musicians through graduation—but it will gain eight members from the Pierce Band and another six from the Brownell Band. These reinforcements, Mr. Dewey D. Kalember, director, believes, will be able to help the group retain the high rating acquired in April at the State Music Festival in Lansing.

Teen-Agers Like to Read

Despite television et al teen-agers do a fair amount of reading, concludes Mrs. Bernice Stoltenberg, high school librarian. They check out an average of more than 20 books a year per student from Grosse Pointe High School's library, keeping the 12,000-volume book collection (plus periodicals, clippings, pamphlets, recordings, and pictures) in decidedly active circulation.

CHESTERFIELD TAG BOUT

Chesterfield Arena, Gratiot near 10-Mile road, lists Louie Klein and Don Kindred in a tag team match for Friday night against Paul Orth and Jan Gotch. Two other wrestling bouts finish out the show beginning at 8:30 p.m.

Moonshining a huge business again, Treasury reveals.

Children to Have Gay Time

Clowns, balloons, merry-go-round, pony rides, cotton candy, games and prizes all mean a gay time to children.

Thursday, June 15 is the day of days for the children of all ages in Grosse Pointe. This is the date of the Children's Carnival sponsored by the Alumni Association of Country Day and D.U.S. It will be held at the Country Day School's grounds starting at ten in the morning and continuing all day.

Under the able guidance of the four General Chairmen: Mr. and Mrs. Henry Haberkorn, Mrs. Charles Gorey and Mr. Frank Sladen, plans are progressing well. There will be three midways. Mr. and Mrs. Edward D. Stair Jr. are planning a midway that will delight the youngest child, while Mrs. John Hodges is busy preparing the midway for the children from 9 to 12. Any child above twelve can be sure of a lot of fun on the midway that is being readied by the Alfred J. Fishers.

Midways and prizes go hand in hand. Mrs. Alfred Marks and Mrs. John Buell are in charge of seeing to it that everyone wins a nice prize. Mrs. John McLucas will see to it that not only the children, but the parents are pleased by the raffle prizes.

A carnival means plenty of hot dogs and cotton candy and Mrs. Dexter Ferry will complete the arrangements under the title of food and refreshments chairwoman.

In order that parents will be able to go about their daily chores while their children enjoy themselves at the carnival, Mrs. Allen Lomax will arrange for a crew of experienced baby sitters.

Children need have no fear of losing their bicycles because there will be a parking lot especially for their convenience. Jim Beyster, as Grounds Chairman will manage this department in addition to the children's zoo and the pony ride. He will also see to it that the clowns amuse everyone and that everyone gets a balloon.

The general committee, in their efforts to make it a completely children's day, hasn't forgotten the parents. Mr. and Mrs. Charles Delbridge, with the assistance of the Lawrence Gottfredsons will

Are you a HEATER WAITER?
