Building Permits Double Last Year Six-Month Record

All previous records in the rate of home building in the Grosse Pointe School District were eclipsed during the first six months of this calendar year, according to a report just issued by L. M. Bartlett, Director of Pupil Personnel for the Grosse Pointe Public Schools.

The report shows that a total of 718 dwelling permits were issued by the various municipalities comprising the Grosse Pointe School District during the period from January through June 30.

Last year, which broke all previous records in the number of dwelling permits issued with a total of 835 for the year, had only 340 permits issued during the first six months. More permits were issued this year during the first six months than were issued in ten months last year.

"Unless the international situation or domestic economic situation change immediately and substantially for the worse, it appears almost certain that more than 1,400 dwelling units will be started in Grosse Pointe during the 1950 calendar year," Bartlett said.

The greatest number of permits issued by any municipality was 314 in the Woods, the Farms was next with 184, Grosse Pointe Park issued 98, that portion of Gratiot Township which is in the Grosse Pointe School District, 94, the City of Grosse Pointe 17, and the Shores 11. Each municipal unit showed an increase over the corresponding period last year.

A breakdown of the data by elementary school census zone shows that the Cook Road district is continuing to grow most rapidly. In this district 178 or 24.8% of the permits were issued. The remaining elementary districts in order are as follows: Kerby, 126 or 17.5%; Gratiot, 123 or 17.2%; Torrey Woods, 57 or 7.9%; Trombly, 47 or 6.5%; Mason, 46 or 6.4%; Richard, 42 or 5.8%; Maire, 40 or 5.6%; Roslyn (Verrier), 39 or 5.4%; and Defer, 20 or 2.9%.

The total value of all permits issued this year as stated by the issuing officials is \$11,363,502. This is only slightly less than the \$13,080,513 for all of last year.

Farms Bldg. In 6 Months Is \$3 1/2 Million

The valuation on new buildings constructed during the past six months in Grosse Pointe Farms totaled \$3,531,750, according to a report by Murray M. Smith, Building Commissioner.

Permits were issued for 184 private dwellings at an estimated \$3,388,000. Permits for 61 other establishments were given out at a total estimated cost of \$83,750.

Three business places were erected at a cost of \$60,000. In June 37 new homes were built costing \$656,000 and construction on 19 other buildings was estimated at \$21,950. The total for June was \$677,950.

Metropolitan Club Announces Annual Children's Field Day

The Grosse Pointe Metropolitan Club, made up of policemen, firemen and Federal employees, of this area, are sponsoring their tenth annual Children's Field Day on Saturday, August 26, from 11 a.m. to 4 p.m.

Children of all ages are invited to compete in races, field events and games for an assortment of coveted prizes. Every child who makes an appearance at the Field Day of the day will be given a chance on one of the ten beautiful bicycles to be given away.

Admittance to the Field Day at the Grosse Pointe High School athletic field will be a Grosse Pointe swimming or park card. According to Chairman Jack Burnett, prizes will amount to more than \$1,000. They will include baseballs, footballs, dolls, wrist watches and sporting goods of all kinds.

To support the program financially, the Metropolitan Club is sponsoring a dance on Friday, August 25, at the Club Eagle. Proceeds from this affair will be turned over to the Field Day committee.

Jim Flannigan and Mike Bem are assistant chairmen of the Field Day program. Eugene Boylan has charge of the refreshment committee.

The competitive sporting events program will be in the hands of Bill Mason, Don Coates and Bob VanTiem.

O-C-D Director Elworthy Seeking Local Volunteers

The Grosse Pointe War Memorial Center was offered as an emergency hospital by Alger Sheldon in cooperation with the Civilian Defense program now underway in the community.

The announcement was made by George Elworthy, Civilian Defense Director in the Grosse Pointe area.

"The Center could be ideally adapted to hospital use," Elworthy stated, "since it has large rooms that can easily be converted into wards. It also has excellent facilities for the preparation of food and large doors on ground-floor level which would facilitate the transportation of patients."

Elworthy also made an appeal this week to all volunteer workers who served the community in the past war to contact their local fire and police departments for further instructions.

Murray M. Smith, Farms Building Commissioner, is studying a plan for emergency distribution of water supply. Smith has also been assigned the task of making an inventory of all police and fire apparatus in Grosse Pointe.

The Wayne County Medical Society will appoint a doctor to serve as chairman of an emergency medical service in this area.

The Neighborhood Club has already been designated as a possible headquarters for militia.

In spite of the rapid action being taken by the communities for civilian defense, residents are adhering to the adjuration, "keep calm," issued by defense chiefs at a recent conference in Lansing.

According to Elworthy, a definite civilian program will be set up as soon as Washington releases the Federal plan. He said this move would be made sometime in late August or September.

Urges Voters To Register Before Aug. 22

"The power to nominate is as important as the power to elect," said Mrs. Edward Gehrig, chairman of the Voters Service of the Provisional League of Women Voters of Grosse Pointe Park.

"It is your responsibility as an active citizen to secure the best candidate for the local, state and national offices by voting in the September primary."

The League is making a direct effort to register every voter before August 22.

To make the registration an easy matter, the League, with the cooperation of Clerks Don Goodrow, Grosse Pointe Township, Norbert P. Neff, City of Grosse Pointe, Harry Furton, Grosse Pointe Farms, Philip Allard, Grosse Pointe Woods, and Tom K. Jeffries, Grosse Pointe Shores, has arranged to have all the municipal buildings open for registration on Thursday evening, July 27, from 7 to 9 p.m. for the convenience of the public.

Residents who have turned 21 recently are urged to come and register with their friends.

Residence Delivery Cut Half

Eleven U.S. Mail routes were eliminated in Grosse Pointe last week as a part of the national directive from Washington to curtail postal service in an economy program by Congress.

On July 11, Grosse Pointe residences were reduced to a once-a-day delivery basis as delivery routes were enlarged to absorb the loss of eleven men on service in Grosse Pointe. Prior to July 11, twice-a-day delivery was possible by the same postman.

The economy measure has meant a re-shuffling of routes, with each postman's territory being enlarged to absorb the eleven eliminated routes.

Altogether, according to Raymond Lieberman, superintendent of the Kercheval Station, from which all Grosse Pointe regular delivery mail is dispatched, a total of sixteen routes have been eliminated in the territory serviced by the Kercheval Station.

Boundaries of the jurisdiction of Kercheval Station are Gray avenue on the west, St. Clair Shores line on the East, Mack avenue on the north and the river and the lake on the south.

At present, according to Mr. Lieberman, and his assistant superintendent, Harry Sylvester, a study of business district routes (Continued on Page 3)

Woods Group Protest Low Water Supply

The low water pressure in Grosse Pointe Woods prompted a body of representatives from the Lochmoor-Sunningdale subdivision to register a protest at the Council meeting Tuesday night.

An existing ordinance in the Woods, stating that lawns must not be watered in the early evening hours, has thrown the bulk of the business on the morning or early afternoon water supply thus creating low water pressure during the day as well as during the evening hours.

Representatives at the meeting suggested a plan whereby each section of the Woods be zoned and special appointed times be allowed for watering lawns.

The Council agreed to take the matter under advisement.

At the present time the City of Detroit is installing a new main at Harper and Mack to give the Woods more water pressure.

In order to realize the full use of the main, Grosse Pointe Woods will be put to the expense of continuing the line from Harper to Mack, on Vernier.

The authority to sell bonds to finance the installation of the water main will be requested at the fall election when residents face the City Charter vote.

Award Bids To Builders At Woods Meet

Bids totalling \$33,862 were awarded to contractors at the Grosse Pointe Woods Council meeting Tuesday night in the Municipal building.

W. S. Moore will begin work on two double tennis courts at the lakefront park at a total cost of \$6,106.

The street surfacing contract went to the Cook Contracting Company for \$7,495.

Sewer lines will be installed at the lakefront park by the Northeast Construction Company for the sum of \$9,320 and the contract for water facilities at the park went to United Contracting Company for \$10,941.

A contract will also be awarded to the lowest bidder on the construction of a comfort station at the beach.

Attendance records at Grosse Pointe Woods Beach last Sunday recorded 2,958 persons.

Before the Hoggs came to Detroit they visited friends in Florida and still rave about the beauty of Key West.

Farms Begins Street Repair

Grosse Pointe Farms is undertaking the biggest street maintenance program in its history, according to a report submitted to the Council Monday night by Murray M. Smith, Building Commissioner.

Within the next three weeks 90,000 square yards of surfacing will be completed. A layer of tar and stone will be put over the surface of the streets to protect them from water and frost. The new surface will also cut down the danger of cars sliding and skidding when the pavement is wet.

2,500,000 Books Circulated by Grosse Pointe Library

Editor's Note: The following report on the Grosse Pointe Public Library was submitted recently to Mr. John Barnes, Superintendent of Grosse Pointe Public Schools by Robert G. ...

On July 1st the Grosse Pointe Public Library completed its 20th year of service to this community. According to a report just submitted to Mr. John R. Barnes, Superintendent of Schools.

As an activity of the Board of Education, the library has circulated 2 1/2 million books and materials to its readers in all Grosse Pointe communities during the past year. 115,534 adult books were borrowed, and 84,369 by children. With circulation of pamphlets, records, pictures, films, and tools, the library loaned a total of 211,021 items for the year.

APATHY IN SEOUL

In an editorial on the Korean war, the Portland Oregonian, a newspaper of internationalist views, said, "The fact is that in Korea we are up against almost exactly the situation which confronted us in China so far as the people are concerned. The people are living under corrupt and ineffectual governments—ancient tyrannies masquerading as democracies. Down come the Communists from the north like the wolf in fable, and the sheep have so little to lose that they are indifferent. Why should they care who eats them?"

"If we are to oppose the aggressions of Russia, and still maintain our democratic policy of letting other peoples come to their own decisions, we can only lend ourselves to the parties in power in any country where the Russians choose to strike or bring pressure. So we lend ourselves in France, Turkey, Yugoslavia, Iran, Greece and Italy, though there are factors in the organizations of these countries which make the democratic flesh crawl. All over the globe history has tricked us into the position of supporting rotten regimes and stubbornly ancient economic organizations in the name of democracy."

This was inspired when the editor of the paper made telephone contact with an American in Seoul who is with the ECA. He said that, though he could hear the sound of artillery from the battlefield, the attitude of the people was "apathetic."

There is nothing new in this apathy. It has characterized the grim series of Communist successes in China. It was clear from the outset that there was no

real popular support, or even interest in, the Nationalist government. Its own past corruptions and brutalities helped destroy it. The peasants, in their millions, obviously felt that the Communists could not be worse.

Here—in this apathy—is one of the strongest weapons the Soviet-controlled world possesses, and it is using it to the utmost. The Russians are masters at cashing in on it. With the aid of it, they have won victory after victory at a small cost. And there can be no doubt that they intend to go on, in an attempt to make all of Asia, including perhaps even the Philippines, a solid red bastion with huge reservoirs of manpower and natural resources.

What is the solution? The Oregonian suggests that we may be forced to adopt political imperialism—that is to take an active hand in the governments we assist in order to make them into something at least resembling democracies. But it is certain that a vast wave of opposition would be thrown against such a policy if it were proposed on the top governmental level. Many men of power in Congress would fight it to the bitter end.

The point is, of course, that some of the best minds in the Western world have devoted themselves for years in a search for a solution and have not found it. In the meantime, one of the gravest developments is the sharp decline in American prestige abroad—in Europe, no less than in Asia. The feeling grows that our talk will not or cannot be matched with adequate action.

PROFIT COSTS US LITTLE

Industry—despite the theories of the left-wing groups—must make a profit if it is to live. A business which operates at a loss for a long enough period of time is hell-bent for the economic graveyard, where it will be of service to no one.

In most cases, however, profit is so small as to hardly make a dent in the consumer's budget. As an example, take an industry whose operations are felt in practically every American home—meat packing.

Over the past decade, the packers had average annual earnings of a trifle more than seven cents on each dollar invested in the business. That reasonable return paid the "wages" of the people whose invested savings made possible all the physical facilities that are needed to carry on the complex job of buying, processing and

distributing the meat that graces our dining tables.

When the profit is figured as a percentage of what the packer receives from the sale of meat and its by-products, the figure drops sharply. In that same ten-year period, it averaged only one and one-third cents per dollar of sales. In other words, if the packers had earned nothing at all on sales, the consumer would hardly have been able to notice the difference.

The "profit motive"—which is so bitterly denounced by those who would destroy free enterprise and, in the process, destroy representative government—has been the mainspring of our economic development. It has been responsible for our purchasing power and living standards. And the remarkable part is that profit costs us so little.

PARKING METERS

Parking meters have been known as the 'nickel nuisance' since their very inception. In Grosse Pointe Farms they have lived up to their name meticulously and are the chief thorn in the side of many who use the Kercheval avenue business area endowed with the meters.

The exact purpose of the meters in this area has never been clearly defined. Whether to keep motorists from parking their cars in a particular zone all day or whether to create a great source of revenue is not quite clear in the minds of most citizens.

The numbers of persons who file into the Farms Police station to pay fines attached with failing to feed the meter a sufficient quantity of its silver diet seem

to agree that the whole situation is discommodious.

If the parking meters do serve a definite purpose in this limited shopping district then the next step would be to evolve a suitable plan whereby the overtime tickets can be conveniently paid.

A small town in Ohio is experimenting with a novel idea. Whenever a motorist receives a ticket for overtime parking he may, within an hour after issue, take the violation to police headquarters and put a nickel in the meter at the station. The meter then automatically stamps the ticket and the violation is cancelled.

It might be well for the advocates of the meter mongers in this community to take this practice under advisement.

Farms Water Rates An OK

An analysis of water samples taken from the public beach and dock at the Grosse Pointe Farms Pier indicates that during the month of June the water was the purest it has been in the past three years.

Murray S. Smith, Farms Building Commissioner, stated that this excellent water condition may be attributed in part to the cooperation of the South Macomb County Sanitary District in keeping all flows out of the lake during the summer.

Dear Brutus To Open July 27 On Memorial Center Lawn

The ground of the two Grosse Pointe Simton productions this summer, "Mary of Scotland," by Maxwell Anderson, will be produced at the War Memorial Center and will run for five days, Tuesday, August 18th through Saturday, August 22nd. As an experiment in production, the play will be given with a minimum of scenery, the stone terrace at the rear of the house to be used as a stage. The atmosphere of the play will be projected by means of unusual lighting effects, special grouping and placement of actors, and the Elizabethan period costumes which the actors will wear.

Tumble Is Fatal to Chemist's Son

The body of Roger W. Van Huse, 16, was found hanging on a clothesline from a joint in the basement of his home at 2071 Oxford. Police Chief Walter J. Goulette said, "We know that Huse's death was an accident. 'It appears,' he said, 'that the boy was practicing calisthenics when the incident occurred.' A sophomore at Grosse Pointe said, 'I think he may have hanged over his summer school. The tragedy was discovered by the boy's father, R. W. VanHuse, a chemist at Paré, Davis and Co. There are two other sons, 8 and 11, and a daughter, 19. All were in the car when it was in South Dakota caring for her ailing father, Goulette said.

SAFETY COMMITTEE MEETS

A meeting of the Grosse Pointe Safety-Society Committee will be held at 12 1/2 next Wednesday noon at the Memorial Center.

Residential Deliveries Cut in Half

(Continued from Page 1) is being made in an effort to make twice a day delivery wherever possible. Special deliveries for this section of the end also are dispatched from Harper Station, Harper near Gratiot, and Detroit post is dispatched from East Jefferson Station. Delivery in such popular sections, no mail is dispatched from the Grosse Pointe branch office. In general terms, the Grosse Pointe branch is a "reference station," receiving mail and parcels, but no selling stamps, money orders, etc. All packages or letters mailed in this greater Detroit area are automatically routed through the 14th Street Post Office, where the mail is placed in special equipment and sorting methods are employed for dispatching the mail to stations in the suburbs. Harper, Jefferson, Hamtramck, etc.

Farms Favors Joint Disposal of Refuse

A resolution proposing a study and survey of rubbish and garbage disposal in Grosse Pointe was approved at the Grosse Pointe Farm Council meeting Monday night. On Tuesday night the Grosse Pointe Woods Council turned down the proposal. The resolution was drawn up by administrative officials of all five Grosse Pointe municipalities at a meeting June 28. The study is intended to determine the proper system of disposal and the use of sink disposal. The study would be made by a firm of consulting engineers and the specialized field of refuse disposal. Each community accepting the proposal will accept the responsibility based on population. According to the last U. S. Census, the Farm Council has 5,825. The fee will be based on an approximate cost of three cents per capita. In turning down the garbage study plan, Woods President Alois A. Ghesquiere stated that at the present time Grosse Pointe Woods has the best and most economical sanitary system.

Letters to the Editor

TO THE EDITOR: We are approaching the time of year when infantile paralysis reaches its peak of incidence in this area. It is our hope that a few sensible precautions and a well-timed vaccination will avoid unnecessary alarm. On behalf of your county chapter of the National Foundation for Infantile Paralysis, we are writing you and enclosing a nut and proof of POLIO PRECAUTIONS which we hope you will find informative and timely. As you will see, it is along the four basic rules are simple instructions which are pretty sound for children and adults to follow under any conditions but which take on new values during the summer and early fall months. The newspapers of Michigan have always cooperated splendidly in the educational campaign against this disease and we are grateful. We hope you will find use for our illustrated PRECAUTIONS.

English Couple Likes America — Her 'Gadgets'

(Continued from Page 1) such a wonderful time," the cherry-cheeked Mrs. Hong admitted. Her husband is a retired accountant.

They live in Harrgate, Yorkshire, which is an inland Spina. The town is mostly residential and is famous for its health hotels and curative waters.

"There are beautiful gardens and unlike shops where Queen Mary and Princess Elizabeth have visited," she said.

"On August 23, the Hongs will sail for England on the Queen Elizabeth."

"If conditions permitted," the Hongs both agreed, "we would take back with us some of our wonderful American gadgets, nylon and plastic drapes and tablecloths."

"They are beautiful gardens and unlike shops where Queen Mary and Princess Elizabeth have visited," she said.

"By the way, that is a nice shooting brake," he commented as the Hovew photograph car drove away in her station wagon.

Dog Puts Bite On Postman

Two dog bites — one reported in the City of Grosse Pointe this week.

A black and white cocker owned by Henry Walker, 16000 Village Lane, bit William Breaux, of 216 Ashland, on the left leg. Another dog pounced on a U. S. mail carrier at 677 University Place and injured his right leg. John Stone, of 2229 Gladwin, was taken to Bon Secour for treatment.

Good Deed Buckfires

A car driven by Mrs. Thelma M. Winkler, of 1024 Nottingham, was getting a push from a kindly stranger when the brakes on her vehicle failed to work and she crashed into a tree.

The cars were approaching Mack on Verrier when the accident occurred. A passenger in Mrs. Winkler's car, Mrs. Freda Zick, of 670 Lincoln, was treated for injuries at the Woods Medical Center.

Portland to Pass On Deck at Farms

AWVS Little Theater Makes Plans for Autumn Production

At a kick-off luncheon at the DAC on Tuesday, July 18, the Little Theater Committee of the AWVS Metropolitan Unit crystallized plans for its autumn production to benefit disabled veterans. "You Can't Take It With You," three-act comedy by Moss Hart and George S. Kaufman, is the opus the group will present on two consecutive evenings on September 29 and 30 at the Players' Playhouse, 3321 E. Jefferson Ave.

Dallas Chapin, of the Players, will direct. Mr. Chapin was director for the 1948 and 1949 productions put on by the AWVS Little Theater group.

Miss Helen Wallace, chairman of the Little Theater Committee, with Mrs. Frank H. Whitton, co-chairman, headed the luncheon gathering of sub-chairmen who met for discussion of final arrangements.

Miss Wallace reported that reading of parts is under way this week. The next reading will take place on Friday evening, July 21, at 7:30 p.m. at Newberry House, 1363 E. Jefferson Ave.

Casting for the play will begin Monday evening, July 25, also at Newberry House.

Taking part in the Tuesday luncheon discussion of plans were Mrs. J. R. Applegate, chairman of theater program planning, and her co-chairman, Mrs. E. Wilson Wardell; Mrs. Walter Rochow, play reading chairman; Mrs. Charles W. Sellers, patrons; Mrs. Jacob Bery, ushers; Ellen Bery, radio and television publicity; Mrs. Harley Grigg, Afterglow; Virginia Schultz, program advertising, and Mrs. Fred M. Cousins, general chairman of AWVS Metropolitan Unit.

"You Can't Take It With You," originally produced on Broadway by Sam H. Harris, was selected earlier in the year by the play-reading committee comprising Chairman Mrs. Rochow, Mrs. Frank H. Whitton and Mrs. Jules Schneider.

Mrs. Schneider, incidentally, is currently appearing at the Will-O-Way Playhouse in Bloomfield Hills, in the lead role of "Life With Mother." She is no novice—two years ago, her talents brought her the lead role in the AWVS Little Theater group's first venture, which was "Spring Again." She also had a prominent part this past season in Detroit Civic Light Opera's "Song of Norway" production.

Money derived from sale of tickets for the two September performances will be devoted to the AWVS Metropolitan Unit's work for disabled veterans.

Numbering approximately 200 members, the Metropolitan Unit lists among its activities the provision of entertainment games each month from September through May in the tuberculosis

Trained Worker Conducts Daily Bible School

One hundred twenty Grosse Pointe Woods children of several denominations are taking part in the Vacation Bible Day Camp held mornings at Grosse Pointe Woods Presbyterian Church.

This Day Camp, carried on with a staff of twenty trained workers under the leadership of Mrs. Harry Watson, covers crafts, music, games, nature lore and shared experiences in community living, scaled to each age group. Visual education and "learning by doing" highlight each activity. Throughout the project runs the theme, "Jesus and His Friends."

Responsible for the various age groups are Mrs. John Butcher, Mrs. George Goodheart, Mrs. Paul Weaver, Mrs. Olaf Hestad, Marilyn Lang, and June Lang, 4 and 5 year olds; and Mrs. George Britton, Mrs. William Morris, Mrs. William Bobier, Mrs. Christopher Hill and Mrs. A. M. Addy, 6 and 7 year olds.

Mrs. Carl Anderson, Mrs. Albert Lieder, Mrs. Victor Graf and Mrs. Jack Sage, 8 and 9 year olds; and Mrs. Clayton Lamonte, Mrs. Joseph Mason and Mrs. William Shaffer, 10 and 11 year olds. Miss Janet Miles assists Mrs. Watson, the chairman.

ward of Marine Hospital, and similar monthly entertainment in a ward at Dearborn Veterans' Hospital. Variety shows and holiday activities for the disabled veterans are other projects, as well as the recent furnishing of lawn umbrellas, tables and chairs for outdoor use of Marine Hospital patients, and furnishing of a patio at Dearborn last year.

Mrs. Clare L. Hiles, of Merriweather Road, is chairman, and Mrs. Philip J. Phillip, of Allet Road, co-chairman, of AWVS Metropolitan Unit's hospital committee.

Blood Bank Unit Arrives July 27

A Red Cross Mobile Blood Bank Unit will be stationed at St. John Berchman's Church, Lakeview at Warren, on Thursday, July 27, between the hours of 2 and 5 p.m. and 6 and 8 p.m., under the auspices of the National Council of Catholic Women.

The Mobile Blood Bank Unit is a veritable hospital on wheels. In order to encourage citizens to donate blood to the Bank, doctors, nurses, technicians, and all necessary equipment including refrigeration facilities, and cots are available.

In return, the Red Cross offers any blood donor or his family the opportunity to have a transfusion without charge should the need arise.

Donors must weigh at least 110 pounds, be between the ages of 18 and 50 and in good health.

ENGAGED TO NEW YORKER

The Perfect Picnic; Checklist of Right Equipment, Ideal Recipes

Picnics are no fun for you if you have to worry about getting the right equipment together and seeing that it is clean and in good shape. To take the headaches out of picnics, Helen Kirtland gives you a checklist, in McCall's for July, of the perfect equipment for outings, and some recipes for good outdoor eating:

Perfect Picnic Equipment

1. A heavy iron skillet for chicken, hamburger, potatoes and such;
2. A 12-cup percolator for plenty of good hot coffee;
3. fruit jars to carry the carefully measured coffee and your sugar;
4. aluminum foil to roast potatoes and corn, to wrap up greens, to line pans, to cover desserts;
5. a good gripper to lift hot pans from the fire;
6. a paring knife for all sorts of odd jobs;
7. a sturdy hatchet to chop the wood;

NEWS IN SIGHT

By Dr. Arthur M. Majester, O. D.

Science has placed an unusual responsibility upon the eye doctor. It has created thousands of different kind of lenses from which he must choose the single one that will successfully better the vision in each of your eyes.

You, too, place an added responsibility on your eye doctor when you ask him to examine your eyes, for good vision to you may mean your very livelihood. Knowing that he is capable and well able to fully accept these responsibilities creates a satisfying sense of security. His broad educational background and his post-graduate study enable him to take advantage of every new development and advance in both theory and practice.

In the past, many eye refractions were based entirely on findings made while the patient was looking at a chart placed on a distant wall. The new, scientific method is to take an examination both far and near. The near examination is very important because most work is done within arms length.

Betsy Cadwell Is Betrothed to New Yorker

The Sidney Marsh Cadwell's apartment in New York was bustling with guests last Friday night for a buffet dinner and a cocktail and announcement party.

Mr. and Mrs. Cadwell, who divide their time between Washington road, in Grosse Pointe, and New York, are announcing the engagement of their daughter, Elizabeth Ellen to William Henry O. Dance, son of Dr. and Mrs. Clifton Louis Dance of Brooklyn and Spring Lake, New Jersey.

Betsy, a debutante and member of the Sigma Gamma Association, was graduated from Grosse Pointe County Day school. She was also graduated from Smith College.

After her college, she remained in the East to work and to do further study.

Last Spring she took time out to make a six-month tour of Europe.

Her fiancé is a graduate of Brooklyn Polytechnic Preparatory Country Day school and from the University of Michigan.

He is a member of Psi Upsilon, Phi Delta Phi, Sphinx and the Druids.

Last year he received his degree from the University of Michigan Law school and is now practicing in New York.

The couple plans an October wedding.

Queen of Peace Festival to Be July 29 and 30

Our Lady Queen of Peace Festival Committee is working on the final round of details for the gala event on July 29 and 30. The Festival will be staged at Bourne-mouth and Harper, three blocks north of Moross Road.

Among the attractions at the Festival booths will be dolls, blankets, baby clothes, aprons, fancy work, religious articles, balloons. Refreshments will be served.

Beautiful hand-worked pillowcases are also among the prize features of the Festival. Young and old will enjoy the games of skill and the prizes.

Dinner will be served Sunday beginning at noon, July 30, in the Church Hall, 19269 Harper. The meal will be country style. The fee for adults will be one dollar and children 50 cents.

Bicycle Safety

Every bicycle shall be equipped with a brake which will enable the operator to make the wheel skid on dry, level or clean pavement.

Any person convicted of violating any of the provisions of the bicycle regulations as set up by the Grosse Pointe Safety Committee shall be punished by a fine of not more than \$100 or by imprisonment for not more than 90 days.

The police shall have the right to remove and retain the license plate of a bicycle for a period of not more than 90 days for violation of these regulations.

A person's bicycle may not be impounded for more than 90 days for violation of the rules.

Each Grosse Pointe school will maintain a student court, conducted under the supervision of educational authorities, to provide penalties for bicycle violations within their school zone.

The court will consider the referral of repeat violators to the Police Department for further action. They will provide the police with data necessary for further discipline.

Vacation Bible School to End on Friday

The Vacation Bible School held at the Grosse Pointe Congregational Church will close their two weeks session with an evening service for the students, their parents and friends on Friday, July 21.

The 7:30 p.m. worship service will be held in the sanctuary of the Church, 240 Chalfonte. The Call to Worship will be conducted by the children of the fourth grade. The boys and girls of the junior department will read the Scripture lesson, and the response will be sung by the primary children. The kindergarten will make their contribution by singing.

The Rev. Charles W. Scheid will tell the story. Following the service the 70 children enrolled in the school will conduct their parents on a tour to view the display of their exhibits based on themes studied in school. The parents will also have an opportunity to meet the teachers.

One point of interest will be the lighted trees which were purchased and planted on the church lawn by the children as their service project to the community.

A community project such as this can be valued best by the reactions of the children attending, said one of the teachers.

"It has been a happy experience for every one," she said. Although the school was in session only during the morning, many children expressed the desire to return after lunch. One little six year old told her teacher, "I love to worship up in the church, it is so beautiful."

Lakepointe Club Has Guest Day

There will be a mid-season guest day for ladies, Friday, July 21, at Lakepointe Country Club. A very nice program of golf, luncheon, cards and a dance exhibition and floor show by Arthur Murray is planned by entertainment chairman Mrs. William Bickel.

During luncheon Florence Trombley, a very talented young artist, will entertain the guests with her fine playing and singing.

The hostess list is composed of Mrs. Ernest Liebold and Mrs. James De Nike, co-chairmen. Mrs. W. A. Bickel, Mrs. Orland Ellis, Mrs. Pat Nolan, Mrs. Robert Grebel, Mrs. James H. Quello, Mrs. Larry McCann, Mrs. Joe Moore, Mrs. Jerome Friesma, Mrs. Leonard Wilson, Mrs. Eugene Kormmeyer, Mrs. John Green and Mrs. Harold Marty.

Health Dept. Warns Children Should Rest After Swimming

Every Michigan child should have a compulsory rest period every afternoon and his swimming should be limited to short intervals which will not tire or chill him, the Michigan Department of Health warned in announcing poliomyelitis precautions for Michigan parents and children.

Accumulated evidence indicates that there is marked relationship between becoming over-used or really chilled and the amount of crippling resulting from poliomyelitis, Dr. F. S. Leeder, Director of the Division of Disease Control of the Department, pointed out.

When there are poliomyelitis cases in a community, a great many children have light cases of the disease with no symptoms or with symptoms no more severe than those of a common cold. These children may become seriously ill and crippling may result if they are allowed to become over-tired or chilled during the first few days of their illness, he explained.

Michigan parents and children should carefully observe all the precautions prescribed by the National Foundation for Infantile Paralysis, Dr. Leeder said. They are:

Keep children with their own friends. Keep them away from people they have not been with right along, especially in close daily living. Many people have polio infection without showing signs of sickness. Without knowing it, they can pass the infection on to others.

All members of the classes of 1949 and 1950 will act as hostesses for the evening.

Marygrove Alums To Entertain

Alumnae of the Marygrove College classes of 1949 and 1950 will entertain recent high school graduates from the Detroit area at a Midsummer Garden party at 8 p.m., Thursday, July 20, on the college campus.

General chairman will be Helen Elmore of the class of 1949 assisted by Diane Russell of the class of 1950.

Marilyn Frances Carpenter, recently crowned Queen of Belle Isle, will speak to the group. Miss Carpenter plans to enter Marygrove this fall as a freshman.

Classmate Assists at Nuptial Mass

Louise Lorraine Case, sister of Mrs. Frederick Macnab of Beau-fait road, became the bride of Joseph Wendell Greening, son of Mr. and Mrs. Wendell George Greening of Hawthorne road, on Saturday, July 15, at St. Joan of Arc Church.

Father Ferdinand de Cneudt officiated at the ceremony and assisting at the nuptial high mass was Father Arthur Fauser, a classmate of the groom.

The bride wore a dainty gown of embroidered organdy in waltz-length with gauntlets to match. Her short veil extended from a halo of tulle caught with orange blossoms.

She carried a cascade of white daisies and ivy.

Gloria Woodcroft of Torrey road was Lorraine's attendant. Her dress was in a becoming tint of aqua organdy dotted with white.

Simply made and edged in white pique, with a calot of matching pique, her outfit was a perfect background for a spray of yellow daisies and ivy.

Maurice Garceau attended Joe as best man and Jack and Paul Greening were ushers.

A family breakfast followed the ceremony. The newlyweds left for a stay at Georgian Bay.

Pointe Army Officer Leaves German Base

Lt. Mason P. Rumney Jr., troop commander of the 15th United States Constabulary Squadron, has left this border squadron for reassignment in the United States after an excellent record here. He will be with a heavy tank battalion at Camp Campbell, Ky.

Lieutenant Rumney is from 249 Hillcrest Road, where his mother, Mrs. Mason P. Rumney, resides. He attended the University of Michigan and graduated from the United States Military Academy, West Point, N. Y.

He was active in squadron sports and will be missed in the coming football season as he was a mainstay of the squadron Musketeer eleven. In tennis he helped make up the team that took second place in the U. S. Constabulary playoffs this year.

Lieutenant Rumney was accompanied home by his wife, Mrs. Mary Rumney, and the two boys, Mason P. III, 2½ years old, and John Charles, aged 8 months. They have been part of the American colony here at Weiden.

The Grosse Pointe officer was one of the more experienced officers in the squadron, having come to the Occupation Zone in August, 1947. He has led one of the troops, basic company-sized units, since that time. Officers experienced in handling armored cavalry are a big asset to the 15th Squadron as it has the critical task of patrolling the American Zone of Germany laying alongside the "Iron Curtain" on the borders of Czechoslovakia, and to a shorter distance, the boundaries of the Soviet Zone of Germany embracing part of Thuringia.

Trotters Race Thurs. Night

The best trotters in the nation assembled tonight at Detroit Race Track, Middlebelt and Schoolcraft roads, for the Motor City Trot, a \$10,000 stake race for free-for-all trotters.

Favorite in the second stake of the week is Rocco Hanover, driven by Ed Cobb, the driver-owner who brought his table of 20 into Detroit from Santa Anita via Chicago's Maywood Park.

Pressing the favorite in public eye is Banaway, one of the top money winning trotters last year and another Hanover bred horse, Jeffrey Hanover.

Eight Pointers Enjoy Camp Life In Adirondacks

Eight campers from Grosse Pointe are spending the summer at Moss Lake Camp, Big Moose, in the Adirondacks, New York.

The include: Sally and Deborah Mitchell, daughters of Mr. and Mrs. Leonard Mitchell, Jr.; Mitzi Thurber, daughter of Mr. and Mrs. Cleveland Thurber, 90 Kenwood Road, and Mary Kay Tracy, daughter of Mr. and Mrs. Emmet E. Tracy, 54 Kerby Road.

Others are Patricia Ford Joy, daughter of Mr. and Mrs. William M. Joy, 204 Cloverly Road; Leslie DeBoy, daughter of Mrs. Virginia DeVoy, 512 Washington Road; Kitsy Cummsiskey, daughter of Mrs. Barbara Cummsiskey, 210 McMillan Road; Joan Ellis Hill, daughter of Mr. and Mrs. J. Gordon Hill, 215 Cloverly Road.

Denise Lor of CBS' radio-TV "Garry Moore Show" was on her way to becoming a lawyer when she won a radio contest and turned to singing.

Pointers Get Honors at Duke

William H. Anderson and Martha J. Watkins are among 118 Duke University freshmen who maintained a scholastic average of "B" or higher throughout their recently completed freshman year.

They are eligible for the Dean's List next fall because of the outstanding average.

Anderson is the son of H. W. Anderson, 518 St. Clair St., and Miss Watkins is the daughter of Mr. and Mrs. C. O. Watkins, 420 McKinley Rd.

Fred Waring, CBS-TV maestro, is a trustee of Pennsylvania State University.

SPECIAL ASSESSMENT ROLL
NUMBER 69, IMPROVEMENT
BONDS, GROSSE POINTE
WOODS, WAYNE COUNTY,
MICHIGAN

Sealed bids for the purchase of Special Assessment Roll No. 69, Improvement Bonds of a par value of twelve thousand (\$12,000) dollars, to be issued by the Village of Grosse Pointe Woods, Michigan, will be received by the undersigned at the Municipal Building, until 8:00 o'clock P.M., Eastern Standard Time, on August 1, 1950, at which time and place said bids will be publicly opened and read.

Said bonds will be dated July 1, 1950, will be coupon bonds in the denomination of one thousand and (\$1,000.00) dollars each, will be numbered consecutively in the direct order of their maturities from 1 to 12 both inclusive, will bear interest from their date at a rate, or rates, not exceeding 5% per annum, expressed in multiples of 1/4 of 1%. Said interest will be payable on January 1, 1951, and semi-annually thereafter on July 1st and January 1st. The interest rate for each coupon period on any one bond shall be at one rate only. Accrued interest to date of delivery of such bonds must be paid by purchaser at time of delivery.

The Special Assessment Roll No. 69 Improvement Bonds will mature serially without option of prior payment: \$3,000.00 July 1, each year, 1951 to 1954 both inclusive.

Both principal and interest

will be payable at the Detroit Trust Company, in the City of Detroit, Michigan.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from August 1, 1950, to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Village. Each bidder shall state in his bid the interest cost to the village computed in the manner above specified. No proposal for the purchase of less than all of the bonds, or at a price less than their par value, will be considered.

These bonds are to be issued pursuant to the provisions of Chapter 25 of the Village Charter, in anticipation of the collection of Village of Grosse Pointe Woods Special Assessment Roll No. 69, and will pledge the full faith and credit of the Village of Grosse Pointe Woods for the payment of the principal and interest when due.

A certified or cashier's check in an amount of one thousand (\$1,000.00) dollars, drawn upon an incorporated bank or trust company, and payable to the order of the Treasurer of the Village of Grosse Pointe Woods must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be paid on such checks, and checks of unsuccessful bidders will be promptly returned to each bidder's representative, or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys, Detroit, Michigan, which opinion will be furnished, without expense, to the purchaser of the bonds prior to the delivery thereof approving the legality. The purchaser shall furnish bonds ready for execution at his expense. Bonds will be delivered at Detroit Trust Company, Detroit, Michigan, or such other place as may be agreed upon with the purchaser.

The right is reserved to reject any or all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds."

Commaches
Take Fourth
In Series

The Comanches won their fourth straight game in Cub Pack 290's softball game last week by beating the Navahos, 25 to 14.

In the week's other game, the Chippewas forfeited to the Mohawks by showing up with only five players.

The 12-game schedule will wind up next week. The Navahos will meet the Chippewas Tuesday, July 25, at Mason Playground. The last game will be played between the Mohawks and the Comanches, Thursday, July 27.

Owners of Security
See Revenue Drop

The uncertainty of revenue depending largely upon income taxes was emphasized recently by a report of the U.S. Budget Bureau. The bureau informed Congress that tax revenues this fiscal year will drop \$1.2 billion below President Truman's forecast three months ago. The decrease was attributed to lower income and spending than had been anticipated.

Speaking of real security, American families now own 191,000,000 life insurance policies, which is an average of more than four policies to a family.

AERIAL CADET

U. S. Army Air Force Photo. Aviation Cadet Laurence P. Cloney, Jr., of Glendale, California, and formerly of Grosse Pointe, recently entered the Aerial Navigator School of the Air Force at Ellington Air Force Base, Houston Texas.

The son of Mr. and Mrs. Laurence P. Cloney, Sr., A/C Cloney attended St. Paul High School and Michigan College of Mining Technology at Houghton, Mich. previous to his appointment in the Aviation Cadet Corps.

Cadet Cloney will study much of his course in aerial electronics navigation in the Air Force's new navigation trainer airplane, the T-29, "Flying Classroom."

Before his assignment in the Navigation School, Cadet Cloney had been stationed at Perrin Air Force Base, Sherman, Texas.

Ohio Polo Club
Meets Detroit

The Springbrook Polo Club of Toledo made their first visit of the year to the Detroit Polo Field, W. 14 Mile and Middlebelt Roads, Sunday, July 23. They met Volney Baylaey's Detroit Gold Hats at 3:30 p.m.

Two of the Ohioans are well known locally, having played in this area several years ago before interest sufficient to build and support a team had developed around Toledo.

Dan Abbey, in his fourth consecutive year of competitive polo, has become the steady, effective poloist he showed promise of being in his earlier games around Detroit. He is extremely active in the game today, playing not only with Springbrook but being captain of one of four teams in a newly formed league operating under sponsorship in Cleveland.

Dobbin Losing
Job on Farms

Because American industry has made machine power more efficient than horsepower, American farmers, for the first time in history, own more automobiles than horses this year.

The agriculture department has estimated that there were 5,800,000 automobiles and 5,310,000 horses on farms last January 1. That compares with 5,300,000 automobiles and 5,898,000 horses a year earlier.

Tractors and trucks undermined Dobbin's position on the farm. As long as the horse was needed for farm work, the automobile was a luxury. However, when farm jobs were motorized, the horse, needing hay, grain, and shelter, became an extravagance.

Mrs. Edsel Ford Named As
Defendant In Damage Suit

Edsel Ford's widow was named a defendant recently in a \$50,000 damage suit brought by a St. Clair Shores repairman who charges a conspiracy to deprive the public of its right to Lake St. Clair.

The federal court suit charges that by dredging out a portion of the lake's shallow waters in 1927, Edsel Ford created a harbor in public water that was subsequently closed to the public.

Named as co-defendants with Mrs. Eleanor Ford are the Village of Grosse Pointe Shores, Lt. Fred Dumling and Patrolman George LaForest of the Grosse Pointe Shores police.

Also listed were Victor H. DeBaeke, justice of the peace; Jerry Laughlin, Grosse Pointe Yacht Club harbor master; Joseph A. Vance and L. D. Radcliffe, attorneys for the village, and "John Doe," unidentified employe of the Ford estate.

CLAIMS ASSAULT

The suit was filed by James J. Barlow, 45, of 21322 Colony, a machine repairman, who claims he was "assaulted and battered with two deadly weapons" when Dumling and LaForest attacked him in the Ford harbor waters.

Barlow asserts he suffered a permanent head injury, damage to his reputation and was deprived of his constitutional rights. Further, he claims, the defendants "directed things so that there was no fair and impartial trial" when he was brought before Justice DeBaeke for trespassing in the harbor.

3 WERE FISHING

Barlow says he and two others were fishing in the waters last July 16, inside an island created at the mouth of the harbor from dredged out lake bottom to form a breakwater.

He says the estate's watchman called Dumling and LaForest, who stood on the shore and ordered the fishermen to heed the no trespassing sign posted.

When they refused, Barlow contends, the policemen asked the aid of Laughlin and his boat to row out to the fishermen.

HIT WITH BOAT HOOK

A boat-to-boat struggle ensued Barlow says, and LaForest broke a boat hook over Barlow's head, knocking him cold. LaForest also confronted him with his service pistol, Barlow adds.

The fishermen then went with

FISHING ALLOWED

Informed of the suit, Dumling said: "During the war the coast guard ruled that it was a private harbor. But after the Barlow incident no one has been stopped from fishing there."

The harbor, which was dug out to facilitate docking of launches and speedboats, measures approximately 300 by 1,500 feet.

Boat Races
Sat. on River

A great attraction has been added to the Southeastern Michigan tourist season, the exciting prospect of three week-ends of thrilling power boat races on the Detroit River. The first of the three, the 43rd Annual Gold Cup Regatta, is coming up July 22.

A week later, on the 29th, the Detroit Memorial Trophy Regatta for the Ford, Knudsen and Chrysler trophies will be run.

But the highlight of the summer will be the thrilling Harmsworth Races, September 1 and 2, and the Silver Cup Regatta on the 4th, a fitting Labor Day week-end climax to a season of sensational power boat racing.

The spectacle of the world's fastest boats and drivers competing for local, national, North American and world's championships on the Detroit River is sure to lure hundreds of thousands to the banks of this great waterway.

Wives Get Break

Not long ago about 90 per cent of the bread consumed in the U.S. was baked at home. Today, the low-priced nutritious products of business, including breads and cakes which need only seven minutes in a home oven, have literally added one day a week to the American housewife's year.

Art Theatre
To Open Here
September 1

The first local venture of the Guild Theatre Corp. is the acquisition of a long term lease on the 650 seat Colony Theatre, 15635 Mack avenue. The name of the house will be changed to the Coronet and \$25,000 will be expended for complete renovating and remodeling.

Ernie Forbes Theatre Supply is installing new RCA sound, screen, complete carpeting, and will reconstruct the marquee.

Innovations customarily employed in the operation of an art theatre will be utilized.

The policy of the Coronet will adhere strictly to foreign product and pictures of discriminating nature that will appeal to the people of Grosse Pointe.

The theatre will open on or about September 1. Albert Lenzel, president, and Leon Weingarden, vice-president and secretary, are the original organizers of the Guild Theatre Corp. for the purpose of acquiring and specializing in the exhibition of art and foreign films.

Dezel, former director and principal stock holder in Screen Guild Production of Hollywood, is presently engaged in the distribution of motion pictures in Detroit and the Middle West. Weingarden, long experienced exhibitor, now operates the Flint Art Theatre.

Boys Invade
Home In Farm

During a Grosse Pointe police investigation, two 15-year-old boys admitted entering a Grosse Pointe residence on several occasions and stealing fountain pens, purses, lighters and jewelry.

The boys entered the home of Valade home, at 125 Maple, several times between June 1 and July 4, police said.

The case was referred to the Wayne County Probation Department.
