Field Day Attendance Record Shattered

600 Boys, Girls At Metropolitan Club's 10th Annual Event

A record breaking crowd of more than 3,600 boys and girls turned out for the Metropolitan Club's Tenth Annual Field Day at Grosse Pointe High School Athletic Field last Saturday, according to officials.

Club members also reported a capacity crowd from the city for adults on Friday evening at the Club Eagle. Prizes awarded at both events totaled more than \$1,000 in value and included new bicycles, watches and household goods.

Three clowns delighted the small children with their antics. Youngsters enjoyed free pop and ice cream throughout the day.

Chairman of this year's annual Field Day was Mike Bern and committeemen were John Onstwedder, Eugene Boylan, Bob Smith, James Cannon and Harold Zeeb.

Jack Burnett was Field Day chairman.

POINTS PARAGRAPHS
by The Pointer

Review carrier Harry Huffer, of 1268 Balfour, leaves this week for a trip to Nova Scotia.

Lorraine Neeme and Patricia are enjoying a vacation at the border. The girls are the guests of Lorraine's cousin in Curnava, Mexico, which is a booming resort town located about 50 miles from Mexico City.

Building artists are hoping for better weather here when they put up their houses in the vacant lot at Kercheval and Cadieux for the 3rd Annual Curb Art Fair. The dates are Saturday and Sunday, Sept. 15 and 16.

Norbert P. Neff, Clerk in the City of Grosse Pointe, was elected by a columnist in a metropolitan paper for initiating the idea to the community that new voters would be properly instructed on how to cast their ballots.

City officials in all Pointe communities are cooperating in a nation-wide campaign to make the opening day of the election a happy one for all the voters. Drivers are urged to be careful on the highways and byways for the voters returning from vacations.

Richard Gibbs, local amateur, will visit Rome, Italy, by plane for a Euro-tour. He will visit Rome, France and Switzerland.

Promised A Royal Welcome

One of the biggest events in the history of the Grosse Pointe Sail Club will begin Saturday evening at 6 p.m. when the fleet leaves for a twilight race to Belle River.

Commodore Ralph Johnson reported that the Chamber of Commerce at Belle River has promised a big reception for captains and crews. A brass band will be down to meet the group when they sail into the channel. A meeting is being held Thursday at 7:30 p.m. under the elm to discuss the details of the race.

Spirited Arguments Heard By Council; Decision; Sept. 18

A capacity crowd of tenants and landlords faced the City of Grosse Pointe Council Tuesday night in the Municipal Building for the hearing on rent decontrols.

The meeting was called at the request of numerous landlords who are seeking to have controls taken off rental property before January 1, 1951, the expiration date of the Federal Housing and Rent Act of 1950.

According to the Act, controls will be enforced until this date unless action is taken by the governing body.

Many landlords voiced the opinion that tenants fear rent decontrol because they are unwilling to pay high rents. Property owners admitted that they are faced with higher taxes and heating costs and to meet these expenses they should be given a free market.

New Students In Pointe To Meet Sept. 6

For the instruction and guidance of students new to Brownell Junior High School and Grosse Pointe High School, the high school principal, Walter Cleminson, has announced two meetings to be held on Wednesday, September 6.

All 7B Brownell pupils and any pupils new to Grosse Pointe who will attend Brownell Junior High School for the first time are requested to attend a meeting in Room 218 at the Grosse Pointe High School building at 1:30 o'clock and should come prepared to pay deposits on locks.

At 2:30 P. M. in the auditorium of the Grosse Pointe High School, the faculty will receive all 10B pupils and high school students, grades 10 to 12, new to Grosse Pointe. These students should also come prepared to pay the deposits on locks.

The purpose of these meetings is to assign pupils to home rooms and to help pupils new to the community or new to the school to become familiar with the practices and policies of the schools so that their school beginning September 7 will run smoothly for them," said Mr. W. R. Cleminson, principal.

The book store will be open for all high school students on Wednesday, September 6.

The deans and principal have enrolled many new students this week. They will be available again tomorrow, Friday, September 7. The next opportunity to enroll new students transferring to Grosse Pointe High School from a school other than a Grosse Pointe public school will be Thursday afternoon, September 7.

All staff members will attend faculty meetings and new student orientation meetings, Tuesday and Wednesday, September 5 and 6.

Classes will begin 8:30 A. M., Thursday, September 7.

A sick confidence man who victimized numerous east side service stations during the past year and a half was arraigned in Judge C. Joseph Belanger's Court and sentenced to 20 days in the Wayne County Jail.

Rollie Jones, 21, of 18901 Braille, was found guilty of obtaining services under false pretenses.

In July, 1949, Jones entered Marv Boutin's Service Station on Beaconsfield and Jefferson and left without paying a \$20 service bill.

The convicted party will be referred to Juvenile Court as a former probation violator.

Jones was formerly convicted on charges of passing bad checks.

Flames Ravage Residence of Gov.'s Mother

Fire ravaged the \$75,000 home of the Governor's mother, Mrs. Henry P. Williams, of 344 P. venal, last Monday morning.

Three maids discovered the blaze at 10:22 a.m.

Chief George Dansbury said the probable cause of the fire was a defective incinerator.

Smoke and water damages were estimated at \$5,000.

Drunk Youth Admits Crash

A 16-year-old youth admitted to Woods police that he was returning from a wedding reception and had been drinking when he struck a parked trailer Saturday evening.

The trailer was owned by William Humphrey, 2055 Hawthorne.

Police ticketed the teen-ager for leaving the scene of an accident.

Official Injured In Smash-Up

An automobile accident interrupted the vacation of Park Manager Everett B. Lane and his wife as they were driving north last week.

Mrs. Lane was taken to the Port Huron Hospital with a broken right hip and ankle.

The Park official suffered a leg injury and bad bruises.

The accident occurred at 5:30 a.m. only a short distance from their summer home at Marysville. The couple were on their way to northern Michigan.

Polio Cases Mount To 5

Two new polio cases reported in Grosse Pointe brought the total to five, according to a report by Dr. Davies, Health Commissioner in Grosse Pointe.

Dr. Davies said the two new polio victims have minor cases and full recovery is expected.

Stricken were a nine-year-old girl and a 31-year-old housewife.

Last year at this time six persons in Grosse Pointe were polio victims.

24 New Teachers Await School Opening Sept. 7

Twenty-four new teachers will be on duty when the Grosse Pointe school year opens for the public school staff on Tuesday, September 5. Eighteen of these teachers will be in elementary schools, three in the Junior High Schools and three in the Senior High School. Three of the new teachers are graduates of the Grosse Pointe High School.

The Grosse Pointe Public Schools will officially open for more than 6,000 children on Thursday, September 7. All public school offices have been open for the enrollment of new pupils since Monday of this week.

School authorities have urged parents of children not enrolled in the Grosse Pointe Public Schools last June to enroll children during this week. Friday, between the hours of 1 and 4 p.m. will be the last opportunity for this advance enrollment.

Teachers along with all other employees will attend meetings and conferences at the Grosse Pointe High School Building on Tuesday, September 5. The day's program will be opened by remarks and announcements by John R. Barnes, Superintendent of Schools. This will be followed by an address by Dr. John J. Lee, Dean of the Graduate School, Wayne University. Luncheon plans are left to the option of individual staff members.

The afternoon meetings will be devoted to the topic of "For A Better Understanding of Children." This topic will be opened by the showing of a film entitled "Learning to Understand Children" which will be followed by the entire teaching staff, meeting in small groups to discuss the points raised in the film. These discussion groups will be under (Continued on Page 3)

Vacant Lot Is Site for 3rd Curb Art Fair

More than a hundred artists from the Detroit area will sponsor the Third Curb Art Fair on Friday and Saturday, Sept. 15 and 16, from 11 a.m. to 7 p.m.

The public is invited to visit the picture and ceramic exhibition which will be held in the vacant lot on the corner of Kercheval and Cadieux. In case of rain on the appointed days the fair will be held Monday, Sept. 18.

The purpose of the Fair is to allow artists to present their work without benefit of jury.

League of Women Voters Asks How They Stand

EDITOR'S NOTE: For the enlightenment of voters, the Provisional League of Women Voters of Grosse Pointe Park interviewed all candidates for the office of "Representative in Congress," placing three vital questions for them to answer. Their report is submitted below:

The League of Women Voters is a national non-partisan organization established in 1920 to encourage citizen participation in government. It never supports or opposes any political party or candidate. The League does support or oppose issues without regard to the stand of any party. This report was prepared by members of the local league. Candidates were interviewed by League members wherever possible. All interviews were recorded, read back to the candidate at the time of the interview and the condensation forwarded to him.

The following questions were asked of all candidates for the office of "representatives" in Congress.

1. What steps do you consider most important to our foreign policy in securing the peace?

2. What Federal fiscal policies do you believe will best promote a prosperous United States economy?

3. In what pieces of legislation are you especially interested? Please state support or opposition.

MRS. GERTRUDE CLARK, age 36; Republican; 3 years college; former school teacher.

1. I believe that foreign countries should establish their own schools for their own education to help themselves. They do have materials and resources. If they are in need of finances, we may assist them on a return basis.

2. Domestic stability program will best promote a prosperous United States economy. I believe in fair and secure taxes, prices, profits and income from private source.

3. I am in favor of a basic income and hour law that will cover all persons. I believe that

A HAPPY HOLIDAY?

Labor Day is more deadly than the Fatal Fourth!

More Michigan people will be killed by accident over Labor Day than were killed over the Fourth of July if last year's figures are any indication, the Michigan Department of Health warned today.

Automobile accidents will take more lives than any other cause. If you must travel over the Labor Day holiday:

Have your car checked and repaired now — the steering mechanism, lights, horn, brakes, windshield wipers and tires.

Start early; drive with care. A driver who takes a chance is a poor driver.

Obey traffic signs, safe speed limits and yellow lines. The minutes you might

save by crowding ahead may mean all the minutes of your lives or the lives of your dear ones.

Do not drink if you are to drive. Do not drive if you have been drinking; do not ride with a driver who has been drinking — better to stay over and take a train or bus. Speed and drinking cause most of the serious accidents.

Watch out for that crazy driver and be sure you don't drive "crazy" yourself. Take it easy! Your life depends on it.

Last year, 60 Michigan people were killed by accident during the Labor Day holiday—33 of them in traffic, 8 by drowning, 8 by fires and burns, 7 by falls and 4 by other miscellaneous causes. Hundreds were gravely injured, most of them in traffic.

SHALL WE AWAIT THE BLOW?

The Communists always claim that theirs is a perfectly legal party, like the Democrats and the Republicans, and that they have a constitutional right to carry on their activities.

What that position actually means was well described recently by Judge Learned Hand of the Circuit Court of Appeals. He was speaking for a unanimous Court upholding the conviction of the 11 Communist leaders in New York last year. He said: "They claim the constitutional privilege of going on indoctrinating their pupils, preparing increasing numbers to pledge themselves to the crusade, and awaiting the moment when we may be so

far extended by foreign engagements, so far divided in counsel, or so far in industrial or financial straits, that the chance (of successful revolution) seems worth trying. That position presupposes that the (First) Amendment assures them freedom for all preparatory steps and in the end the choice of the initiative, dependent upon that moment when they believe us, who must await the blow, to be worst prepared to receive it."

Communism is not a political party. It is a revolutionary movement owing total allegiance to a foreign government. Its sole aim is to destroy us.

Resume Classes At St. Paul's Next Week

(Special to the Review)
As in former years, teachers and students will kneel together, to invoke God's blessing on the new scholastic year, at the 8:30 o'clock mass on Thursday morning, September 7.

Following the service, students will proceed to their regular class sessions. Since Thursday is the eve of Our Lady's Feast, her Nativity, many visits to the Grotto will be made at noon and at dismissal—for the Grotto is a meeting place for the Paulites.

Every family, whose son or daughter has been enrolled at St. Paul's School, has received the letter of information pertinent to the opening week. To review the highlights, purchase of books and classification must be made at the specified periods on Thursday. The special times for each group are:

Freshmen—Tues., Sept. 5, 9-11 a.m.
Sophomores—Tues., Sept. 5, 1-3 p.m.
Juniors—Tues., Sept. 5, 3-5 p.m.
Grades 7 and 8—Wed., Sept. 6, 9-11 p.m.
Seniors—Wed., Sept. 6, 1:30-3:30 p.m.

Each student will bring to his adviser the report card of his previous grade. First Grade children will bring their birth certificates and meet the Sisters on September 5, between 9 and 11 in the morning, in Room 100. The girls' uniform regulation includes grades five through twelve. The boys in grades seven through twelve are required to wear suits, coats and ties. Information about the school uniform will be given on classification days.

New Manuals
Shortly after school opens, the high school students will receive the new "Paulite Manual," a complete handbook of campus procedure. All enrolled at St. Paul's must follow the "Paulite Plan." Should any student find the schedule too arduous to follow, he or she may transfer to another school.

Scholastic progress at St. Paul's has been one of the outstanding objectives of the curriculum. However, the predominant aim of the system is the character formation of all students enrolled. Religion, therefore, is the hub

course around which scholastic, cultural and athletic programs rotate and derive their strength.

As aids to this development of character, Our Lady's Sodality is the outstanding organization, supplemented by the Student Senate.

Here we find senior students actively assisting the faculty in administrative problems. Students of considerable responsibility sense are elected to these high offices. This year, Jerome Froelich '51, will pilot the Sodality, and Carl Rouen '51, and Celestine Blondel '51, will direct the students' civic bureaus.

Sister M. Aquilina, former adviser of senior girls, joins the faculty at the University of Puerto. Sister Mary Jeanette is the commercial teacher at Resurrection Convent, Lansing. She is replaced here by Sister Marie Judith, formerly of St. Mary High School, Royal Oak. Sister M. Virginia of Our Lady of the Miraculous Medal, Jackson, is instructor of First Grade. Sister Lorenzo is now principal of St. Mary's School, St. Clair, Michigan. Sister Ann Patrick of St. Edward High School, Elgin, Illinois, joins St. Paul's High School faculty this year.

Father Melvin, Father Parrish, and Father Lenk join with other faculty members in welcoming all Paulites to the campus. Everyone is anticipating a successful and happy term. May Our Lady guide and protect this. Her especially devoted faculty and student body!

MRS. FLORENCE B. HENRY
Funeral services were held in Los Angeles, California, on Monday, August 21st, for Mrs. Florence B. Henry, former Grosse Pointe resident. Mrs. Henry, 75, the widow of the late Harry James Henry, died August 17th. She is survived by two daughters, Viola C., of Los Angeles, Mrs. Fern Dannecker of Grosse Pointe, and a son, Arthur E. of Detroit.

Kalamazoo College Welcomes Newcomers

New students at Kalamazoo College will have the campus to themselves for a week, Sept. 13 to 19, it is announced by college officials.

As part of the week's orientation program, town students will be invited to live in the college dormitories for a week, so that all new students may become acquainted with their classmates. A comprehensive program begins with a Convocation of the class of 1954, to be held in Stetson Chapel, Wednesday, Sept. 13. The college, now in its 117th year of history, will open classes on Sept. 20.

Businessmen Needed In Gov't, Campbell Says

Labor agitators were condemning an address on labor and management by Harvey Campbell, Executive Vice-President of the Detroit Board of Commerce, Monday at a meeting of the Grosse Pointe Rotary Club at the Memorial Center.

"We need to resolve the fight between business and government and stop everyone in Washington, Lansing and the City Hall from making every decision they make . . . a decision to help them stay in office," said Campbell.

And, he continued, the sooner we get over employer-employee cleavages, the sooner we will be in position to help with the international situation.

NEWS IN SIGHT

By Dr. Arthur M. Majester, M.D.
The person who already wears glasses often thinks it is no longer necessary to bother about his eyes. Actually nothing could be further from the truth.

As eyes grow older they are continually changing. Glasses that were sufficient a year ago to provide keen, comfortable vision may not continue to provide this help next year. And glasses that no longer "fit" your eyes may cause serious eye disorders.

For this reason it is important for people who wear glasses to have them checked periodically. Remember, you have only one pair of eyes to last a lifetime, and they deserve the best protection you can give them.

Candidates Answer Questions

(Continued from Page 1)
RICHARD DURANT, age 32, Republican, college graduate; investment counselor, proprietor Durant & Co.; Economic Club of Detroit, men's advisory council; Sophie Wright Settlement; Wayne County Republican Finance Committee; director, Wayne County Republican Precinct Organization; member of 14th Republican Congressional District Committee.

The aim of our foreign policy should not be just for peace to spread the idea of individual liberty and to help those countries where they have some of democracy. We can do (1) by being an example to them here at home; (2) encouraging self-help abroad. Stop the spread of Communism by helping individuals to have a comfortable living by having as free trade as possible; (3) we should lead toward a union in defense of countries politically mature who have a democratic background. Have as free a trade as possible for these people as possible in a common monetary unit or return to the gold standard; (4) a common postal and communications system.

We should try to balance budget. Our non-military budget has doubled in the last years. Cut spending to the bone; first things first. Tighten up on veterans benefits. Modify our subsidy program. Pay as much as we can as we go. Our system is designed not to get income but to redistribute income. We can reduce rates, regulate production and still more revenue.

Not especially interested in legislation, but I am concerned over the general tendency in the government. Our policies show nightmare economics. The tendency is to work in a compulsory state. I am opposed to the F.E.P.C., believe the end sought to be desirable means employed are not to the freedom of the individual. The only permanent cure for racial discrimination is a long educational process for later tolerance.

THOMAS GALLAGHER, age 32, Democrat, LL.B. degree; training instructor, Dept. of Parks and Recreation; Five (5) years active naval duty, Lt. in U. S. Naval Reserve; formerly Democratic precinct delegate.

I favor total mobilization of peace is secured. The E.C.A. should be reduced, the payments best are a gamble. Better make investments in arms. A peace is not for this world. It can be localized like an epidemic. I favor the Hoover suggestion which provides for a parallel organization similar to the U. N., where the U. N. members can choose the organization policies concur with theirs.

We should be taxed according to our ability to pay. Corporate and individual taxes should be levied on this basis. I am in favor of continuing farm subsidies. However, there must some method of control for accumulations of farm products. I am afraid of the human plan because it gears economy to farm income. No segment of our economy should dominate the other. I am in favor of the P. 4 program the President, because with relatively small expenditure we will be able to improve the living standards of the world. It is more wholesome than the Marshall Plan.

I favor U. M. T. for all boys their 18th year or as soon as they have finished high school continuation of that training along as the world is divided into two camps. There is no good reason for the bill "Federal Aid Education" Michigan would contribute \$8,000,000 to Federal and receive a return of \$8,000,000. It is the State duty to educate the children and the State should not relinquish the duty to educate. I am opposed to Socialized Medicine. The National Health Insurance Bill is not good and is based on a shortage of nurses, doctors, pharmacists, and the last paragraph says, "let's give them more work."

ARTHUR MADAR, age 44, Republican, 1 year college; health inspector, Detroit Health Department; veteran of World War II; member of Detroit Area Rent Control Board; president commission on Food Conservation; Ex. Board Michigan Council for National Defense; formerly president of Community Home Owner's Association of Detroit; vice-president Michigan Republican War Veterans; vice-president, East Side Republican Club; member, Veteran Advisory Board, Detroit Civil Service; national vice-commander, AMVETS; State Commander, Michigan AMVETS; Candidate for Congress, 14th District 1948.

1. For five years, I have advocated U. M. T. We should have a strong national defense. If this country were strong enough, as it should be strong, there would be peace in the world. I am in favor of the Marshall Plan. I believe in a bi-partisan foreign policy committee; the committee should set up the policy, not the President nor Secretary of State.

DANIEL A. McCOLMAN, age 45, Democrat, high school; practical paint consultant.

1. I believe in education of the people. Educate people in the United States and foreign countries for democracy.

2. Since there is a war, there should be a set limit of \$25,000 income. Should tax for war purposes.

3. I support President Truman's "full armament" program.

GREGORY PILLON, age 29, Republican, lawyer; Catholic War Veteran; Knights of Columbus; Fact Finders Club; Post Commander of Catholic War Veterans.

1. We should take a firm stand in Europe and not let Communism encroach. We should foster Democratic ways of life in small European countries.

2. (1) We must spend less than taken in. (2) Must start taking in less. Government controls and regulations have become so burdensome and excessive that government has deprived big and little business, and the man on the street, of his democratic freedom. Federal expenditure should be for the purpose of sustaining those functions which are, by the laws of nature, essential and necessary for good democratic government. The printing of money is a natural function but the building of houses by government is not natural.

3. I am against public housing and any form of government health insurance. I am against farmer subsidies. I am in favor of regulation of unions.

LOUIS C. RABAUT, age 63, Incumbent, Democrat, LL.B.; member of House of Representatives for 14 years; member of Merchant Marine and Fisheries Committee, 1935; member Appropriations Committee of the House, 1936 to present; chairman of Central Committee on Appropriations, 81st Congress; member of subcommittee on Deficiencies and Army Ordnance Functions, 81st Congress; formerly trustee of the village of Grosse Pointe.

1. (1) Full implementation of the principles of the Atlantic Pact. (2) Effort to convince the people of the world through programs such as "Voice of America" that freedom and independence lies in allegiance to the forces of democracy. (3) Continued support of the United Nations.

2. (1) Support and advocacy of the recommendations of the Hoover Commission for fiscal management. (2) The perfection of the omnibus appropriation bill. (3) Expanding economy is the only type in which a free, capitalistic democracy can function. This entails the continued development of natural resources, technological improvements and expansion of the Point Four Program.

3. I am for: Great Lakes Shipping; extension of Social Security; public housing; production controls and allocation during present emergency; Hoover Commission; liberalization of Displaced Persons Act; anti-subversive legislation for the protection of national security; extension of the G. I. Bill to men of the armed forces in the Korean theater; labor legislation which strengthens the right to bargain collectively; revision of agricultural price support laws to provide stability in the agricultural segment of our economy and to adjust prices in the consumer market.

HAROLD YOUNGBLOOD, 43 years old, Republican, 2 years college; owner of Ultra Modern Bldg. Q Htg. Co.; member of Goodfellows, Elk, Knights of Columbus; Congressman for one term, 1946; member of Wayne Co. Board of Auditors for seven years; two years in Detroit office of the Sec. of State of Mich.; seven years in Mich. National Guard.

1. Our first consideration is to get more than lip-service from our allies. That will cover the situation and expedite the Korean picture.

2. (1) A balanced budget. (2) Wholesale consolidation of government bureaus. (3) Pay as you go plan.

3. I am opposed to socialized medicine. I would extend the F. H. A. to make home construction easier. I am opposed to government intervention in private business. I think the F. H. A. has merits. I am opposed to farm subsidies. Let the farmer alone, and the supply and demand will take care of itself. I am very much interested in postal regulations. I am in favor of full time postal service. I see no need for the F.E.P.C. Bill. It is just like making a law to compel a man to obey a law. We should have U. M. T. I believe in the return to the states of their original powers. Rent control should not be federal.

S. A. WOOD, Republican, university graduate, 44 years old; production engineer, also owner of S. A. Wood's Auto Wash; president of Marquette P.T.A.; president Southeastern Detroit Improvement Association; president East Side Civic Council; president of 14th Congressional District Club (non partisan); member Gratiot Ave. Improvement Ass'n; member Mayor's Charter Study Commission; member Mayor's Citizens Commission on alcoholism; candidate for Congress 14th district, 1948.

1. I believe in a strong bi-partisan foreign policy as suggested by Senator Vandenberg, aimed at peace and the protection of American trade all over the world can standards of working and living without undermining the American conditions.

2. To promote a prosperous and United States economy I will fight for the reduction of income taxes levied on the average workingman by increasing his personal exemption from 600 to 800 dollars. That is the equivalent of an increase of 10 cents per hour for every worker, giving him 200 dollars a year more buying power. I would ask congress to reinstate a specified exemption for the small businessman and increase it above its former level of 2000 dollars. I would also work to see that all benefits to veterans which they have gained through hard work be preserved to them and expanded in every instance where the need is established.

3. I am opposed to socialism in any form. I will support all legislation to stop the present administrations giant give-away program and relieve the back breaking burden on the people. I feel that personal responsibility for one's own welfare is more desirable than government-guaranteed security. I will fight communism instead of condoning it and will support all legislation to that end. I would support every sound program to end waste in government and bring about the balancing of the budget.

REPORTING FOR DUTY

WIESBADEN AIR BASE, Germany—Air Base Commanding Officer Col. James J. Roberts, Jr., (right), congratulates Capt. Richard Bodycombe a few minutes after he was sworn in a Second Lieutenant in the regular Air Force on Aug. 15.

Bodycombe entered the service as an aviation cadet in February 1943 and was commissioned as Second Lieutenant, AUS in May 1944. Career officer Bodycombe received his temporary Captaincy on July 22 this year.

Capt. Bodycombe served a six months tour in the ETO, flying with the 15th Air Force. Among his decorations are the Distinguished Flying Cross, Purple Heart and the Air Medal. He presently holds the positions of flying safety officer and assistant base operations officer at Wiesbaden Air Base.

Capt. Bodycombe is the son of Mr. and Mrs. Bodycombe of 124 Lincoln road.

Slingshots Damage Home
 A band of boys, ranging in age from six to ten, had a field day with their slingshots at the Frank Klingbeil residence, 1041 Lochmoor.

Grosse Pointe Woods police reported seven windows in the house broken by pellets from slingshots. The Klingbeils were vacationing at the time.

Privation Worse, Says German Girl

A working girl in Germany spends her spare time hunting for fuel and food.

"The privation in Berlin is worse now than during the war," Ingeborg Blauert, who lives in the western section of Berlin, said recently.

The comely German miss is a social worker in charge of a YWCA settlement house in Berlin. She was the guest last Wednesday of Mrs. Kin Collins, of 757 Westchester.

"The supply of food at home is adequate, but there is no money to buy supplies," she admitted.

In Detroit, Ingeborg spent her time touring an automobile plant, visiting Greenfield Village and attending conferences with the Detroit Council of Churches.

The trip was sponsored by the State Department and she will spend six months studying democracy in social agencies.

The YWCA was her headquarters while in Detroit.

Police Halt Knife Tossers

Two 15-year-old boys who were amusing themselves by throwing knives at youngsters in the neighborhood were arrested by Grosse Pointe Woods police.

Police said a small boy returning from the Woods pool with a party of youngsters was struck on the leg by the blunt end of one of the knives.

The knife-slingers were turned over to their fathers after a severe warning from police.

What's the Tops?

Every visitor to New York City stretches his neck (as do the natives, too!) to see the top of the Empire State Building — 102 stories up into the air, 1,361 feet from the sidewalk to the tip of the television tower. But do you think that's so much? The Federal government, with its more than 2,000,000 employees, takes up space equal to 170 (count 'em, 170!) Empire State Buildings!

Best Customers Come To Perce In Flocks

Three times a day Perce Peters steps outside his pop stand at Grosse Pointe Waterfront Park and whistles for his best customers. Within a matter of minutes a flock of sick-feathered ducks scoot towards the dock and scramble for their supper.

Perce says his web-footed pets have as many as two loaves of bread on their daily bill of fare.

On a busy week-end when the feathered flock is being neglected for the pop and hot dog trade, his yellow-billed friends swarm into port and emit a series of penetrating honks.

The commotion continues until they get their menu. Perce has rescued other birds in trouble.

One day last week an injured pigeon struggled to keep its head above the water. The concessionaire noticed the flutter on the lake surface and rescued the bird.

Around the leg of the pigeon was an identification tag and within a few hours the owner was contacted.

On week-ends Perce is busy feeding his regular customers. On an average Sunday more than 1,200 hot dogs are sold and nine bushels of pop corn are an average day's purchase.

The stand is also maintained by his wife Helen and his brother Harold.

Harold has become famed for his emphatic "Thank you very much" that goes with every purchase.

Trip to Northern Michigan Follows Lecklider-Neef Rites

Carol Jane Lecklider and Allan Arthur Neef repeated their marriage vows last Saturday afternoon at Grosse Pointe Memorial Church with Rev. Paul Ketchum officiating.

The bride's parents are Dr. and Mrs. Arlington F. Lecklider of Berkshire road and Mr. Neef is the son of Mr. and Mrs. Arthur F. Neef of Lincoln road.

The bride's gown was ivory satin with a cathedral-length train. The neckline was edged in seed pearls and she wore a strand of pearls, the gift of the groom.

Her veil of silk illusion fell from a coronet of pearls worn by her mother. She carried a cascade bouquet of roses and stephanotis centered with a white orchid.

Her matron of honor, Mrs. John J. Riccardi wore jonquil yellow net and carried a cascade of talisman roses.

The bridesmaids, Mrs. H. Robert Rathbun and Mrs. Thomas MacWilliams wore matching gowns of autumn green net. Mrs. Robert Harroun, the bride's cousin, sang before the ceremony.

For her daughter's wedding, Mrs. Lecklider selected a gown of navy blue and marquisette. Mrs. Neef chose toast-colored lace over satin.

Mrs. Schryer, Carol's grandmother, wore sheer grey crepe and lace.

The groom asked his brother Arthur to be his best man.

Courtney Lecklider, Jay Handelman, William Brace and Harry Cunningham seated the guests.

After a honeymoon in northern Michigan the couple will make their home in Pittsfield Village.

State Fair Parade Stars Betty Hutton

One million people are expected to attend this year's Michigan State Fair which opens a ten-day run Friday (Sept. 1).

James D. Friel, general manager, said there is every indication that this year's attendance will exceed that of 1949 which was approximately 787,000 visitors.

State Fair activity will begin at 11 a.m. Friday with a parade in downtown Detroit which is expected to attract several hundred thousand spectators.

The United States Army Band will lead the parade with Betty Hutton following in a convertible. The parade will include floats of all types, bands galore, clowns and all the trimmings including farm animals, rodeo horses and Indians.

Packing them in at the Coliseum beginning at 2 p.m. Friday will be such Hollywood stars as Miss Hutton, Carmen Miranda and Jerry Colonna and also the 24 Rockets, the Skylarks and eight other top vaudeville acts.

Before the Grandstand there will be the Indian Creek Rodeo featuring former All-American football player, Johnny Mack Brown. On Sunday afternoon of the last day of the Fair there will be another 100 mile AAA auto race and at night Irish Horan's Daredevil Drivers.

The world's largest midway, Cavalcade of Amusements, will feature Sally Rand.

The United States Army will present its band in 16 concerts before the music shell and the Air Force will have on exhibit the world's fastest plane — the F-86 Sabre Jet Fighter. It will be fired up twice daily during the Fair. The Army also will send an Army kitchen from Selfridge Field for use in the Cooking School at White Hall.

For the first time in 20 years the State Fair is holding an art exhibit. Oil and water color paintings by sixty Michigan artists will be on display in the Club House.

Along the Americana lines, Grant House will be shown by the Detroit Historical Museum and the Edison Institute will construct an American Pioneer home of the 1750's.

Probably the most popular exhibits will include the cows, horses, pigs, and other farm animals without which the State Fair would be lost. The Home Arts building, with its displays of needlework, cakes, canned goods and other household products, again will be one of the most popular places at the Fair.

Michigan League for Crippled Children's first fall meeting will be held at Rotunda Inn on north shore Pine Lake Rd.

Luncheon is at 12 o'clock noon, followed by a regular meeting at 2 o'clock Friday, Sept. 8.

Speaker will be Miss Kathleen Lardie, director of radio education for the Detroit Board of Education.

For reservations call Mrs. Clement F. Ricken, or Miss Esther Witzkie.

PLANS RITES

Mr. and Mrs. Harry Hansen, of Elizabeth, New Jersey, and formerly of Grosse Pointe, announce the engagement of their daughter Norma Marilyn to Robert Bruce Dixon, son of Mr. and Mrs. Edward Dixon, of Ridgely Park, New Jersey. The wedding will take place October 14. The bride-elect is a graduate of Grosse Pointe High School. Her fiancé received his degree from Rider College, Trenton, New Jersey.

Select Chairmen To Launch Torch Drive In Pointe

Mrs. John O'Brien, Region One general chairman for the United Foundation's Torch Drive to be held Oct. 17 to Nov. 9, has named the top chairmen who will conduct the drive in Grosse Pointe.

Mrs. John L. Kenower of Village Lane will be general solicitation chairman. Mrs. J. A. Mullen of Washington avenue and Jerome Remick, Jr., were chosen business chairmen.

Promotion activities will be headed by William A. Durbin and Vincent R. DePetris. Durbin is director of public relations for the Burroughs Adding Machine Company.

Mrs. David A. Wallace of Lewiston Road was named special assignment chairman for Region One.

Mrs. William C. Tost of Cloverly Road is to be Region One secretary.

Mrs. A. C. Ledyard is to be secretary for the business group.

Mrs. Kenower was metropolitan solicitation chairman for Division One last year. Mrs. Mullen served as an area chairman.

Remick was a member of the United Foundation's Public Relations Committee and worked as a business solicitor. DePetris was

division chairman for business solicitation in the first Torch Drive. Mrs. Wallace was women's vice-chairman of the total campaign.

Pointer Is Principal in Ohio Rites

Ann Cecil Tuck, daughter of Mr. and Mrs. Charles Cecil Tuck, and Alan Beland McGregor, son of Mr. Brown McGregor, of Merriweather road, and the late Alan B. McGregor, were married Saturday at the Lakewood Congregational Church Lakewood, Ohio.

Mrs. Harold Fromm of Pleasant Ridge was her sister's matron of honor. The bridesmaids were Mrs. Ralph C. Wilson, Jr., Shirley Smith of Flossmore, Ill., and Jean Boos of Detroit.

Frederick McGregor, brother of the bridegroom, was best man. The ushers were Ralph C. Wilson, Jr., Harold Fromm and James C. McGregor of St. Clair.

Bride-Elect Feted At Party Before Nuptials

Pre-nuptial parties for Annette Davis include a luncheon to be given by four women who were bridesmaids for the honoree's mother at her wedding.

Mrs. Howard B. Knaggs, Mrs. Warren T. Olson, Mrs. Paul Meilink and Mrs. E. Hamilton O'Connor will entertain at a luncheon in the bride-elect's honor on Sept. 7.

Annette, daughter of Mr. and Mrs. Clemons H. Davis, Jr., of Lewiston Road, will become the bride of Bill Doraty, of Cleveland, at a 4:30 o'clock ceremony Sept. 9 at Christ Church Grosse Pointe.

The prospective bridegroom is the son of Mrs. H. L. Smith, of Hazelridge Ave., and W. W. Doraty, of Cleveland.

An earlier party being planned for Annette is a luncheon to be hosted by Mary Ann Queen, of Pemberton Road, on Wednesday.

A Sept. 5 fete will be given by Mr. and Mrs. F. D. Cotter and Mrs. E. Lincoln Ashton at the Cotters' home on Merriweather Road.

Mr. and Mrs. Samuel Turner, of Meadow Lane, have planned a cocktail party for Sept. 6, and the bride-to-be's uncle and aunt, Mr. and Mrs. John D. Bayne, will give the rehearsal dinner on Sept. 8 at the Detroit Athletic Club.

Among the women present were 15 members of the Roseville-East Detroit Branch, including their president, Mrs. Ray Curtis; while from the Grosse Pointe Woods Branch were Mrs. C. Y. Moffett and Mrs. Wade McKnight. The Mount Clemens Branch was represented by Mrs. LeRoy Clark, a former Shores resident.

Mrs. William Adamek was chairman of the party, with Mrs. Gerald Hulet, Mrs. Joseph Back-

Neighborhood Club News

The Neighborhood Club Major League playoffs got under way Monday, August 21, with two thrilling games being played between Eastern Heating and Sunshine Bar, and Riley Motors and Jackie's Bar. Eastern Heating shut out Sunshine Bar 2 to 0 on the east two-hit pitching of Jim Essian. Eastern struck out seven batters and scored the winning run after he had led off the third inning with a triple. Van Bierliete also pitched a good game for the losers, allowing only three hits and one walk.

Riley Motors spotted Jackie's Bar two runs in the first inning and then came from behind to score four runs in their half of the second to take a hard fought 4 to 3 victory. It was close all the way with Jackie's Bar falling one run short of tying the score in the sixth inning. They scored one run and had the bases loaded with two out when Schrocka grounded out third to first.

Riley's runs were scored on a single by Aleo, a walk to Verdome, three successive singles by Burns, Runnels and Meeker, an infield out and a single by Verkeyn. The losing pitcher was Joe Osebold who gave up eight hits; while the winner was Larry Runnels who allowed only five.

Another first round playoff game was played Wednesday, August 23. Bob's Bar squeezed out a 1 to 0 victory over Hudson A.A. They scored the only run of the game in the first inning on a walk to Saroli and successive singles by Calcaterra and Hunter. Bergamo made the only other hit for Bob's, a single in the third inning. Holleman pitched a masterful one-hit performance, allowing only two Hudson runners to get on base, a single by Jenkin and a walk to J. Kamego in the first inning. He then retired twenty batters in succession including ten strikeouts.

Dart In Bar defeated AnnVets Post 57, 18 to 8, in the first of a two game knockout series for the championship of the Bloopers Ball League. Two big innings, seven runs in the second and nine in the fifth, provided more than enough runs to win the game. Walker and VanVde shared hitting honors for Dart In Bar, each with four hits in four trips to the plate.

The Neighborhood Club Tennis Tournament is drawing to a close with all but one division completed. Johanna Willert defeated Elaine Otto, 6-4, 6-3, to take the Girls' Single Championship. Al Mann captured the Boys' Singles for boys under eighteen by defeating Bruce Allen, 6-3, 6-3. The Men's Doubles Championship was taken by Bob Stritzinger and Dick McKenzie by defeating Al Mann and George Kennedy, 6-3, 6-4. The remaining match for the championship of the men's singles will pit Bill Casteel against the winner of the Chuck Symington-Tom Wilson match.

Couple Leaves for Bermuda Honeymoon

Mr. and Mrs. Charles Eugene Heyd left by plane for Bermuda following their marriage Saturday at Christ Methodist Church. The bride is the former Mildred Musmanský, daughter of Mr. and Mrs. Nicholas Musmanský of Fisher road, her husband's parents are the William Frederick Heyds of Kensington road. Matron of honor at the 6:30 ceremony was the bride's sister, Mrs. John Goetz. Mrs. Leo Thorlakson and Angeline Naumoff were bridesmaids. Best man was William F. Heyd, Jr. brother of the groom. John Goetz and Chris Musmanský were ushers. A reception at the Crystal Room of the Barlum Hotel followed the ceremony.

Seniors Plan Fall Return to Endicott

Returning September 11 as members of the senior class at Endicott Junior College are Lois Buck, daughter of Mr. and Mrs. Frank W. Buck of Pemberton Road and Suzanne Johnson, the daughter of Mr. and Mrs. Arthur Johnson of Lakeland Avenue. The upperclassmen will participate in a week of senior academic and internship conferences and senior seminars before the first semester classes begin on Monday, September 18. The seniors also will assist in the Freshmen Orientation Social program, and each will meet her freshman sister whom she has adopted for the college year. Both students are majoring in the merchandising program at the junior college. Miss Buck, a second semester senior, has been active in extra-curricular clubs, serving as president of the Women's Athletic Association and as a member in the Flying, Outing and Choral Clubs. Miss Johnson also is a member of the Outing Club and worked on the Winter Carnival committees.

Divorce Rate Up in Michigan

Michigan's divorce rate has dropped one-half in the past three years, but in 1949 there was still one divorce for every 3.3 marriages in the state, the Michigan Department of Health reported today. While 10.2 out of every 1,000 Michigan people were divorced in 1946, only 5.1 out of every 1,000 were divorced in 1949. Divorces, which declined from a peak of 29,158 in 1946 to 16,017 in 1948, were up to 16,274 in 1949.

Carnival Spirit Prevails at Kiddies' Club Party

Everyone had their share of fun at Grosse Pointe Yacht Club Saturday. The youngsters found theirs riding atop a hayrack in the afternoon and parents gathered later for dinner and dancing under the Harvest Moon. Carnival games were set up on the club lawn for the children's festival. Skill found reward in balloons, canes and whistling birds. Free ice cream, peanuts, soda pop and crackjack, provided by the refreshment wagon, added the final flip to the afternoon's festivities.

Pointers Are Hostesses at Grant House

At the request of the Detroit Historical Society, members of Gen. Alexander Macomb Chapter, U. S. Daughters of 1812, will serve at Grant House, at the Michigan State Fair, in three shifts daily, from 10 to 10, from Sept. 1 to 10. It is a surprise to many of the Fair visitors that former President and General U. S. Grant lived in this house, then located on East Fort Street, Detroit, when he was an obscure under-officer, prior to the Civil War. The house has been furnished by the Detroit Historical Society with many pieces actually used by Grant (some being the recent gifts of his grandchildren, Madam Cantacuzene-Grant, and Gen. U. S. Grant the Third); others of the period. The most recently furnished room is the kitchen, of interest to the women visitors. Madam Cantacuzene-Grant was present when the house was formally opened to the public, after its removal to the Fair Grounds. Hostesses from the 1812 Society will be Mrs. Marvin L. Hoagland, a national officer; Mrs. Harold M. Hastings, Mrs. Luella Lamb and Mrs. Roy W. Fitch, state officers; Mrs. Paul J. Wolski, Mrs. Edward A. Pach and Mrs. Edward J. Savage, chapter officers; Mrs. Mildred Madel Peterson, of Oxford Road, Grosse Pointe Woods, and others. Mrs. Lloyd DeWitt Smith, of Grand Marais Boulevard, is general chairman of hostesses for Grant House throughout the Fair.

Bowling Club Names Officers

The Grosse Pointe Business Men's Bowling League held their Captain's meeting on August 16 and elected officers. The new president is Angelo Petracci and Bob Gross was elected secretary and treasurer. Bowling will begin Wednesday, September 13 at 9 p.m. at the Maple Lane Alleys. You may as well borrow a person's money as his time.

Fall Tennis Tournery Begins on Sept. 11

SKIP PESSL

DICK MAC KENZIE

The third annual Grosse Pointe Public Schools Fall Tennis Tournament will get under way on Monday, September 11. The deadline for entering is Friday, September 8. Both singles and doubles will be played in the boys' division.

Last year the tournament had a complete draw of 32 for single with some students of the game turned away. The tournament is open to boys from Grosse Pointe High School, Brownell Junior High, and Pierce Junior High.

The tournament will be under the direction of Coach Merlin Schultz. Skip Pessl, who has won the singles tournament for the past two years, is expected to be back to defend his crown. Dick MacKenzie, who teamed with Pessl last year to win the doubles final, will also attempt to repeat.

Much work needs to be done between now and the opening match next Spring. This year's victorious team which has now extended the latest winning streak to 45 consecutive victories over the past four years, will almost all graduate before next Spring. Ray Leonard, Bob Peterson, Bruce Terris, and Bill Whittingham graduated in June. Bill Rossier, Al Mann and Skip Pessl will graduate in January. Jim Barker will have completed six semesters of eligibility in January.

The job of rebuilding for next Spring is a big one. Dick MacKenzie, Bruce Allen and Cort Lecklider are the only three letter winners returning. Tom Lamb and Bob Hardies won their first letters this past Spring and constitute the remainder of the veterans that will be returning.

A lot of ninth and tenth grad-

ers were out for tennis this Spring, but much needs to be done before any of them possess the type of game needed to win in the Border Cities League competition. Among those most likely to succeed in gaining a berth next Spring are Jack Westphal, Dave Terris, Pat Brogan, "Spider" Webb and Bob Kopf.

Jake LaMotta Back In Ring

Jake LaMotta, the colorful middleweight champion of the world, will return to the town where he has won his greatest fame when he puts his title on the line against Laurent Dauthuille at the Olympia Wednesday, September 13.

LaMotta is the most popular warrior who has appeared in a Detroit ring in the last quarter of a century—and with very good reason. Jake has never let the Motor City fans down. He has never made a poor fight in the automotive capital of the globe.

In other cities across the country, LaMotta has had an occasional off night. In Detroit, however, he has never been less than terrific.

He won his crown when he upset Marcel Cerdan here in June, 1949, a triumph that marked the end of a long uphill struggle for the Bull of the Bronx.

Throws Book at You

Industrial scientists have invented a machine that can transmit all kinds of printed material at a rate of a million words a minute. Just think, the 1,047-page novel "Gone With the Wind," can be transmitted in 45 seconds.

If and when price controls are clamped down on us, we'll have the hoarders principally to blame.

County Can Take Step Forward by Making Woman Probate Judge

Students of family life, juvenile problems and social progress believe that Detroit would take a step forward by electing a woman as probate judge.

Wayne county today has six men as probate judges, one of whom serves as judge of juvenile court. Congestion of the docket there, resulting in hundreds of boys and girls being confined various periods of time until their cases can be heard, emphasizes the need of an auxiliary judge who is qualified to handle girl problems.

Mrs. Lula Bachman, Detroit's nationally known woman lawyer, is a candidate for probate judge. She is making her campaign on the proposition that probate court, essentially one of protection of the home, can well use a woman judge. Other cities have elected women as judges, and they have been outstanding successes in juvenile work. Camille Kelley, of Memphis, Tenn., is regarded as the outstanding juvenile judge in the nation. Anna Kross of New York City is honored as a capable juvenile court judge. So is Judge Theresa Michael of San Francisco and Judge Mary Grossman of Cleveland.

STARTED AT THE BOTTOM
Mrs. Bachman, mother of three grown children, arrived in Detroit 32 years ago with \$18 and a cultural education, having been graduated from the Indianapolis Conservatory of Music in piano and dramatic art. So her first job here as a \$12 a week stenographer convinced her she should study nights and enter law, her real ambition. That took nine years but she stood at the head of her class at the University of Detroit, winning the dean's scholarship, to go on to become a successful attorney, president of the Michigan association of women lawyers and then president of the women's national legal group.

At one time she handled ten trusteeships concurrently, including the hotels Book Cadillac, Carlton Plaza and Detroit. Mrs. Bachman, who twice has been honored with citations for volunteer recruiting service by the U. S. Army, was a member of the original WAC selection board which sent the first 100 enlisted women to Des Moines for training. Gen. "Hap" Arnold was the first to recognize Mrs. Bachman's exceptional work in fostering recruiting.

WATCHES UNITED NATIONS
She attended the Dumbarton Oaks conference which preceded the setting up of the United Nations at San Francisco where she also was present. Since she has regularly attended, at her own expense, United Nations sessions at Lake Success, where she is an accredited observer.

Member of a score of women's organizations, Mrs. Bachman has taken the position that women who seek office should be exceptionally well qualified and prepared to sacrifice private gain for public good.

"I believe that if nominated to probate judgeship candidacy I can

be elected," said Mrs. Bachman. "Probate court work where I have had considerable experience, is very close to every family. It handles estates, the affairs of women, children and orphans, the mentally ill and, of deep concern to me, the cases of juvenile delinquency. The latter indicate

LULA BACHMAN

that home conditions and parental influence are a factor. I believe my experience would enable me properly to bring the woman's viewpoint in juvenile cases, particularly as they affect girls.

SHOULD CLEAR THE DOCKET
"Detroit is entitled to an uncrowded juvenile court calendar. Children should not be indefinitely detained and their hearings delayed. Parents often do not know how to proceed. Habeas corpus for children must be sought in circuit court as matters now stand.

"As probate judge I feel con-

BETTER BEATING
Eggs taken out of the refrigerator and warmed to room temperature will give better volume when beaten. If whites and yolks are to be separated, do that when the eggs are still chilled because they will separate more easily. Do not beat until you are ready to add the eggs to the recipe, says Lois Jackson, Michigan State College home economist.

ident that I could render a much needed service to the people of Wayne county—especially in matters affecting women, children and the mentally ill."

Mrs. Bachman is a member of the board of directors of the Wayne County General hospital at Eloise.

It's a fact that science has given the human race many blessings—also it has created many complications.

COOL in SUMMER, WARM in WINTER

AN ERUPTING VOLCANO first taught scientists how to make homes comfortable in summer and winter. In 1836 explorers climbing Mt. Kilauea, Hawaii, saw natives blanketing huts with fluffy, wool-like fiber which they called "Pele's hair," after the goddess of volcanoes. This fiber, which kept the huts cool in summer and warm in winter, was made when escaping steam from the erupting volcanoes broke up

molten minerals and rock. The explorers brought samples back, and the nation's leading scientists went to work duplicating the volcanic action which was the keynote of producing the fiber from rock, sand or smelter slag. Today, after years of scientific development, this fiber, called mineral wool, is used just like the natives of Hawaii have used it for centuries—to keep new and old buildings cooler—and warmer.

Mountain of slag from iron, lead and zinc smelting is used in the manufacture of non-combustible insulation material.

Wheelbarrows of weighed and blended slag are dumped into a charge bucket (below ground level for easy filling), melted.

High-pressure jets of steam blast hot metal into "wool."

Wool-like fibers on conveyors will end as granular mineral wool in existing buildings, or as batts in new construction.

After passing through baking ovens, batts are cut to standard size and backed up with impregnated paper to bar moisture.

Housewife watches mineral wool in granular form being blown pneumatically into the hollow spaces in the attic floor.
