### Broadway Director To Produce Revue for Optimist Club

Every person in the community who can sing, whistle, or dance will be given a chance to test his talents for a big musical revue to be presented by the Optimist Club. David Livingston, Club President, announced that a cast more than 250 will be selected to participate in the show, "Circus Shoes," on October 26, 27 and 28. Proceeds from the production will be put into the Boys' Club Fund. Each year hundreds of youngsters benefit from this organization. The group sponsors baseball teams, basketball teams, orphans and numerous parties for children.

The Rogers Company, one of the largest producers of amateur shows in the country, will be brought in to manage the performance. The company will send a noted director, George Elias, who will come to Grosse Pointe directly from Broadway.

The production will feature elaborate and beautiful costumes and scenery, especially designed for the Optimist show. "Rather than ask the public for donations to help us carry on our work with our Boys' Club activities, Livingston said, "Our club is again providing worthwhile entertainment for the public. This show will give the people their money's worth and at the same time give young persons in the community professional stage direction and training."

A special call is being issued by members of the Optimist Club for all persons wishing to audition for parts in the revue to attend the tryouts at the Neighborhood Club at St. Clair and Vernor on Thursday, October 5, beginning at 8 p.m.

Persons who participated in the show in past years are urged to be present at this meeting.

The Farms turned thumbs down on the proposed standby service offered by the Detroit Fire Department for a fee estimated at slightly less than \$1,000 per year.

The move was made at the Farms Council meeting Monday night and has been followed similarly by Councils in the other communities with the exception of Grosse Pointe Park.

Commissioner Elmer Ulrich, of Grosse Pointe Park, said that the Park is still waiting to hear from the Detroit Board of Fire Commissioners following their recent appeal.

Several months ago the Detroit Board sent notices to all surrounding communities asking for a standby fee figured at three cents per thousand dollars evaluation of property.

Chief Rector, also of the Park, and Commissioner Ulrich appeared before the Detroit Board of Fire Commissioners in June to request that their case be given special consideration.

"The Park provides free service," Ulrich stated, "to homes that are on the Detroit side of the line, yet border on Grosse Pointe. We feel that since we use our equipment to assist them, that this standby service charge should not apply."

Ulrich said that he submitted another letter on this matter on September 23 and to date there has been no acknowledgment.

The Farms Council in turning down the contract with Detroit stated that "it has never been necessary in the past to call on outside help for fighting fires."

### FANCY COSTUMES TAKE PRIZES

Hundreds of prizes were donated to the children at the Country Club Woods Progressive Association Weiner Roast. Among the winners in the costume contest were, left to right, Pattie Haight, Drew Pesler and Paul Kratz.

### Hundreds of Prizes Young and Old Enjoy Woods Hot Dog Roast

The annual weiner roast held each year by the Country Club Woods Progressive Association is a family affair. Scores of parents and children turned out Saturday night, despite the crisp fall air, to meet their neighbors and enjoy fresh roasted hot dogs, grilled cheese sandwiches, beer, hot coffee, pop and ice cream.

Chairmen of the party and master of ceremonies was Maurice Germain. Officers of the Association who also assisted with the program were Kenneth Scott, president; Herbert Hobart, vice-president; Earl Walke, secretary; and Richard Heidt, treasurer.

Chairman of awards and publicity committee is Forrest Miller. Children who received awards for original costumes were Kent Shortz, Norman Pesler, Kenney and Joan Germain, Gary Sauer, Carolyn Farnol, Michael Marston, Annette Krause, Candy Mason, Ricky Miller and the Nyman children.

A couple of children who were cleverly disguised as hot dogs wandered in front of the judges stand and received special awards. They were Warren and Bobby Traffon.

Judges were M. F. Conner, 1800 Littlestone, and Toni Ebner of the Review. A sound truck was furnished by the Atlas Brewing Company.

More than 200 prizes were donated by local and metropolitan merchants. Among the donors were Woods Market, Stockville Baby Shop, Woods Medical Center Pharmacy, Mrs. William H. Smith, Queen Cleaners, Aug. Best and Son, Out. Hairdressers, Square Deal Cleaners, Harkins' Drug Store, Kresge's, Gordon's Apparel Shop, Pleasant Motor Corp., A. W. ### Draft Takes 12 Pointers

Twelve boys from Grosse Pointe answered the first draft call from Board 87 Tuesday morning.

In all, 68 draftees were inducted from this area and sent to Fort Wayne. From here many of them will be sent to Fort Knox for basic training. Another group will be called from here on Oct. 16.

- The list includes: LAWRENCE ALLEN GANT, 382 McKinley; CLAUDE FORSEY PURCHASE, 457 Lexington; RICHARD JAMES MACNOUGHTON, 174 Fisher; MARCEL JOSEPH D'HONDT, 611 St. Clair; KEVIN MARTIN HAINES, 1069 Wayburn; RICHARD PHILIP TAYLOR, 418 Belanger; GEORGE JOSEPH DOWNEY, 1023 Wayburn; GEORGE FREDERICK BELLOWS, 433 Roland; GEORGE HENRY NEIRINCK, 452 Calvin road; HENRY MALCOLM KUHLMAN, 1238 Kensington; ROBERT DONALD RENO, 338 Ridge; FRANCIS WILLIAM MARSACK, JR., 213 Muir road.

These boys are the first contingent to leave from Grosse Pointe since the Korean situation made revival of the draft necessary.

Col. Glenn B. Arnold, state Selective Service director, said a total of 9,750 Michigan men would be called for examinations to make up the manpower pool for October inductions.

Wayne County will send 3,999 men to Fort Wayne for pre-induction physicals next month to help make up the state quota of 2,362 inductees for October.

Arnold said that deferments will be granted only if a man can prove his marriage was planned prior to the Korean war. The board will be the final judge to determine whether the marriage was hastily arranged to escape induction.

### Begin Free X-Rays Here Oct. 9

Everyone in Grosse Pointe will be given an opportunity to have a free chest X-ray.

On Oct. 9, the mobile x-ray unit will roll into the community, according to George Elsworth, who has accepted the general chairmanship of the project.

Two years ago, Elsworth said, more than 9,000 residents availed themselves of this opportunity.

The mobile unit will be stationed at the High School for the first few days. It will be moved to various sections in Grosse Pointe during the next five weeks of its stay.

The project in Grosse Pointe is a community program with all civic groups and leaders participating. It is being sponsored by the Wayne County and Michigan Departments of Health in conjunction with the TB and Health Society and the Wayne County Medical Society.

Although tuberculosis is fairly uncommon in Grosse Pointe, a number of new cases of tuberculosis and other chest conditions were found in 1948 and placed under treatment.

Dr. Anderson, assistant director of health in Wayne County, pointed out that tuberculosis still takes the lives of close to 5,000 Americans a year, 1,000 of them right here in Wayne County. It is still the first disease cause of death in the age group between 15 and 40. For this reason all adults are urged to take advantage of the free chest X-ray survey.

### Colonial Ct. To Get Change Of Numbers

The confusion of house numbers on Colonial Court will be cleared up through a renumbering plan approved by the Farms Council Monday night.

Numbers on the south court will be changed so that there will be no duplication on the north court. The homes on the north and south side had identical numbers in several instances.

### Demand Safety Action on Charlevoix

Petitions signed by more than 200 residents, who pleaded for immediate action in order to cut down the accident rate on Charlevoix, were submitted to the Park Council Monday evening.

A handful of property owners appeared before the Council to express their personal feelings about "Charlevoix being a death trap."

They pointed out that the accident rate has grown rapidly in this area and action is needed. The stop signs, they added, were becoming out-dated.

The council stated that the matter would be given immediate consideration.

### Finder of Housey Boy Tells The Real Story

Housey's other fellow workers for the Housey family in their great tragedy. (Editor's Note: Young and Housey both are members of Local 280, UAW-CIO, and work at the Kaiser-Fraser engine plant on East Jefferson.)

It was ironic that I found Joe's body, as I didn't believe he'd be found anywhere near St. Clair Shores. I figured that he'd been carried off some place, and that the body would be discovered accidentally during the pheasant hunting season.

Anyway, I feel that the object of the search, more or less, was to reassure Joe Housey that he had many friends to help him in the hunt for little Joe.

Despite this feeling of mine, I determined to make every effort to find Joe's body if it were in this area.

I had been in the searching party in the same sector the previous week.

## A MAJOR MIRACLE

Even skeptics cannot but be impressed by the speed with which supply lines to the Korean beachhead have been built up. From a standing start less than two months ago a sizable army has been moved across six thousand miles of ocean and sent into combat. It is impossible for laymen to appreciate fully the magnitude of such a task.

A single U. S. infantry division, for example, needs a staggering 17,000 tons of equipment—weapons, trucks, fuel and food—just to get it started in combat. From then on, if it is fighting a delaying action such as the war in Korea has been so far, it needs an extra 436 tons of equipment a day, include medicine and replacements parts to keep it going. When it goes on the offensive, its daily needs jump to 580 tons.

Life magazine has made an illustrated feature of this great undertaking. It shows a map of the Pacific Ocean with a worldwide network of supply lines—planes and ships—converging on a tiny white dot on the shores of Korea. This dot is our beachhead. Life then described the movement over these supply lines during a forty-day period. The Military Air Transport Service, flying 236 planes, delivered 15,000 passengers and 3,000 tons of cargo. Each round trip took from 72 to 120 hours. Turn around time for the planes in Japan and the United States was twelve hours.

## COURTING DEATH

There is dissension among many of the home owners on Charlevoix avenue. And well there might be. As Grosse Pointe grew, the main arteries into town were used more extensively.

Each year the flow of traffic seems to become heavier on Jefferson, Kercheval, Vernor and Charlevoix.

Some of these streets are equipped to meet the burden of heavy traffic flows. On the other hand, Charlevoix was paved when the subdivision was new. It has never been widened to accommodate heavy traffic.

Drivers seem to get a running start and zip through at great momentums.

The school at Whittier and Charlevoix

Simultaneously, the Navy-run Military Sea Transportation Service, in three hundred ships—transports, tankers, and cargo vessels—delivered more than 50,000 men, and 500,000 tons of cargo. Round trip for one of these ships from Pacific coast ports required 40 to 75 days.

In the words of Life: "To accomplish all this within nine weeks, U. S. logistics experts have had to improvise a major miracle."

The fact that a miracle of transportation and supply is now being accomplished does not excuse the tragic miscalculations in top management of the American defense program. Rather, it is another magnificent demonstration of the vast reservoir of resourcefulness and stamina so characteristic of this country. Very likely the present effort will go down in history just as Life described it—a major miracle.

Credit for achieving it must go to the people who have taken part in it; the pilots of the planes, the captains of the ships, workers and managements in the oil fields and factories and mines, the hard-bitten Marines, the Navy Air Force and the Army. The performance of these people has impressed the world and is doing more for the cause of freedom and Western Civilization than most of us realize. If anyone can, they will make the United Nations a workable organization.

is not spared from the dangers of long lines of speeding cars. Children who must cross the thoroughfare are courting death when they are left to the mercy of maniacs behind wheels.

Numerous accidents over the past 25 years at intersections on Charlevoix are proof positive that action must be taken to spare lives.

Fatalities within recent months bring home the facts with even more crushing reality.

Even stop signs are termed "hard to see" by residents in the area.

Steps cannot be taken too soon to arrest a critical situation.

## Michigan Mirror

By GENE ALLEMAN

The political furor has died out temporarily while newly-nominated candidates bolster bulwarks and load ammunition for the November election. And so Michigan eyes again turn toward Korea, Europe and spiraling prices and wages here at home.

Bringing the war closer home is the fact that young Michigan men are now entering the army at the rate of more than 1,200 per week. Machinery created to a start, but now appears to be operating smoothly. Inductions are expected to increase.

And although 290,000 men have been classified in the state, there have been but 300 appeals from the draft. Answer, proper classification by draft boards has left no grounds for appeal.

Economists still agree that the current postwar binge just can not last. That as Shakespeare said, "the times are out of joint." News columns verify that prices of industrial raw materials and finished products continue to push higher.

Among those prices most affecting Michigan is that of rubber which is at a 25-year high.

The expected labor shortage in Michigan is well on its way. Some plants are refusing to hire draft-age men and turning to women workers. But the babushka parade is not expected to reach World War II proportions.

Another influx of workers from the South is reported under way in the industrial regions. With housing still strained, these persons may be forced to take only what is available. Result? New and larger slums.

Max C. Henderson, executive secretary of Michigan Field Crops, Inc., has asked government officials to keep enforcement of housing and wage standards out of the farm labor picture. Says it would mean "regulation on paper only." He adds that such restrictions usually mean a nice group "of people drawing government money."

The migrant question is not new to Michigan. These migratory workers helped harvest the

cherries which will furnish cherry pies for the army. Growers and packers around Fenville and Paw Paw are furnishing 36,825 cans of sour pitted cherries to the army.

Also on the farm side: Michigan farmers who opposed raising Danish Red cattle in the state will be interested to know these bovines now have been crossed to make American Red Danish cattle, many of which produce more than 500 pounds of butterfat. The experiment was tried in Sanilac.

On the home defense front, Michigan's new security squad is in operation. An additional 60 men will be in training by Oct. 1.

A refreshing note in these times of inflation: The national convention of Amvets has voted unanimously to oppose any federal bonuses "until the national economy justifies such action."

With the reports by the census bureau that large city areas have grown as 20 percent faster than rural communities the old cry of reapportionment is sure to be raised in state legislature again next year. As proposed by the League of Women Voters in 1949, apportionment would redistrict the state, giving more representation to the cities.

Will recent wage boosts raise auto prices? Ernest R. Breech, executive vice-president of the Ford Motor Co., says: "The impact of this action on product prices can not be clearly established now. In the long run wage increases can be financed only out of increased production."

### Music Room at Percy Jones to Benefit from Concert

An internationally famous Polish born pianist, Jakob Gimpel, is being brought to Detroit for a special benefit performance on Oct. 27 at the Music Hall.

The Tuesday Musicale is sponsoring the program and proceeds will be used for the purpose of maintaining the music room in veterans hospitals and establishing others in the state.

The proceeds from the Ball at Veterans Memorial Building on Oct. 6 will be used similarly.

Mrs. McKee Robison is chairman of the piano concert.

She is assisted by Mrs. William J. Coulter, Mrs. Philip D. Dexter, Mrs. Frank Goldie, Mrs. Joseph N. Jennings, Mrs. Wilson Mills, Mrs. Fred T. Murphy and Mrs. J. Milton Setzer.

One of the first music rooms in veterans hospitals was established through the work of Mrs. Glen Anderson and Mrs. McKee Robison.

Together they were able to raise several thousand dollars which was used to arrange a music room at Percy Jones Hospital.

Mrs. Harry B. Taylor assisted in shopping for the furniture and Steinway grand piano which was placed in the room.

Thousands of patients in the hospital passed between the doors to find solace in radio phonograph and musical programs.

Visiting celebrities often presented performances from these surroundings.

When word was received that Percy Jones was to be closed arrangements were made through Mrs. Anderson and Mrs. Robison, who were granted permission from Washington to move the room to Fort Custer.

Since the room at the hospital at Battle Creek was twice as large as that at Percy Jones new equipment was necessary.

The Ways and Means Committee of Tuesday Musicale, of which Mrs. Robison is chairman, immediately went into action.

Through the cooperation of J. L. Hudson's a new carpet was purchased for the room by the Disabled Veterans of Foreign Wars.

To pay for this undertaking, a

ball is being given on Oct. 6, at the Veterans Memorial Building. Contributions for the ball are being accepted by Mrs. McKee Robison, 1746 W. Boston Blvd.

### Young Married Set to Give Square Dance

Square dancing will be in full swing at the Grosse Pointe War Memorial Center Friday, October 6, at 8:30 p.m., for the young married set of Grosse Pointe.

Mr. and Mrs. Wesley Reg, well known callers, will instruct and demonstrate in the grand old fashioned manner. There will also be card tables set up in the lounge.

### Begin Casting for Broadway Hit Oct. 2-3

When "State of the Union" hit Broadway, Ralph Bellamy and Ruth Hussey played the leads. The Hollywood version featured Spencer Tracy and Katherine Hepburn. Who will act these star-studded roles when the Grosse Pointe Theatre brings the highly entertaining "State of the Union" to this community on November 24 and 25?

These and all the other casting problems in connection with the Lindsay and Crouse comedy will be settled on Monday and Tuesday, October 2 and 3, when "State of the Union" try-outs will be held at Grosse Pointe Memorial Church House, Lake Shore Boulevard, from 7:30 p.m. on.

All Grosse Pointe Theatre members interested in acting assignments, and all localities interested in joining the group, are urged to read for parts either of the aforementioned evenings.

Aspirants will be heard by the director of the show, Dallas Chapin, well known in Detroit and Grosse Pointe dramatic circles. His assistant, Miss Undine Sturdevan, will also be on hand.

"State of the Union's" career, both on stage and screen, has been brilliant. It has comedy, it has pace, it has an intriguing, contemporary situation, it has complications aplenty, plus all the play craftsmanship one has learned to expect from such theatre greats as Howard Lindsay and Richard Crouse, who also authored "Life with Father," "Life with Mother," and the soon-to-be-seen-on-Broadway, "Call Me Madam."

Scores Plan Excursion to NY for Mich.--Army Grid Classic

When Detroit Athletic Club's special train pulls out of Detroit October 13 at 7 p.m., there will be a number of Grosse Pointers aboard headed for the Army-Michigan grid game at Yankee Stadium in New York.

The R. J. Schulers, of Beaupre road, will be among the 200 DAC members and wives, and will sandwich in a visit with Mr. Schuler's sisters, Miss Barbara and Miss Mary Schuler, of Lexington avenue, New York, either before or after the game. Mr. and Mrs. Schuler and the A. V. Cauhorns will be in a foursome on the trip East.

Vernon Junior College in Washington on Friday for a visit in the metropolis with Margaret Kennedy, of Detroit, who will be in the University of Michigan section of the game.

The DAC has planned a complete program for the Army-Michigan trip. When its special train arrives in New York, the 200 members and wives will be whisked to the Chatham Hotel where rooms and breakfast will be ready.

At 1 p.m., chartered limousines will take them to Yankee Stadium in time for the West Point cadets' drill, and when the crowds surge out of the Stadium after the last play, there's to be a refreshing cocktail party and dinner at the Chatham for the DAC'ers. Next move will be to the Ziegfeld Theatre and the musical version of Anita Loos' famed "Gentlemen Prefer Blondes."

After a quick picking up of baggage at the Chatham, it will be back to Grand Central and the club's chartered room-car train which will pull into Detroit about 1 p.m. Sunday, the 15th.

Undertaking the huge job in the Detroit Better Baby Health Contest are staffs of six pediatricians, two child psychologists and 14 nurses working under the direction of Dr. John R. Birmingham, noted Children's Hospital pediatrician.

The all-time record registration total makes it imperative, said General Chairman Peter G. Dewes, of the sponsoring Junior Board of Commerce, that all contestants be prompt for their examination appointments. This is of utmost importance to avoid inconvenience to other entrants and to expedite the doctors' work.

The 5,244 contestants are competing for more than 101 prizes valued in excess of \$5,000. Awarding of the prizes to the long list of winners and crowning of the Grand Champion Baby will be at a gala coronation in Convention Hall Nov. 30.

### St. Paul Hi-Lites

By DIANE ZEMPER

Another week gone and I'm sure everyone will agree it's been pretty pleasant, last weekend especially because there certainly were enough activities, even for the most social-minded people.

The C.Y.O. Dance on Friday was quite a success. There were many Paulites there as well as "teensters" from all the Catholic schools around.

Jerry Heckendorn, Gloria Wancour, Sandy Knack, Bob Schneider, Larry Hollerbach, Maureen O'Brien, Dorothy Okray, Jerry Marschall, John Barton, Joan Hock, Mary Rabaut, Dick Gallagher, Sally McCarron, Dave Sherwood, Peggy Sharpe, Duane Streb, and Chair Jablonski all seemed to be enjoying the music of Tommy Weidon.

Now here's a riddle. At whose surprise party last Saturday night was Anne Reed and Lee Falliers, Dee Wise and Jack Trombley, Nancy Kottenstette and John Huettman, Mary Margaret Van Damme and Joe Meier, Donna Mayo and Tom McLaughlin, Marilyn Sutherland and Glenn Walters, Joan Hock and Pat Champine, and Janet Hock and Pete Schumwer?

Can you guess? It was Connie Colitor's birthday party. Her escort, Jack Carroll along with all the rest of the crowd made sure Connie was really surprised.

Another birthday party was also in full swing at the same time, this one at Carolyn Flier's, Carolyn's date, Don De Nudi, as well as Theresa Lyford and John Pepsi, Joanne Rabaut and Rudy D'Lesanda, Audrey Haley and Murray Orton, and Kathleen Weot and Jerry Kirsch will be talking about the good time they had for quite some time.

Last week a notice was posted calling for all would-be cheerleaders. Many showed up including Barbara Healy, Marie Couvreur, Marilyn Blondell, Judy Beupre, David McCarron, Rose Blondell, Arlene Froehlich, Rita O'Grady, Mary Allor, Sharon Sweeney, and John McCarthy. In all, there were over forty. It looks like we'll have a pretty fine cheering squad this year, now doesn't it?

Last weekend, Louie Armstrong was in town, and naturally everyone was anxious to see him. A few who made the trip down to the Fox were Sally McCarron, Peggy Sharpe, Joy Kelly and Leo Kennedy, Hans Von Bernthal and Jean Sharrow, Al Susalla and Joan Januswki, and Pat Lawler and Terry Lynch. Everyone claimed it was well worth the effort.

That football game last Sunday was certainly one to see. Although we lost, everyone can tell you that we put up a good fight. We played well, but just not well enough to beat St. Ambrose.

The stands were crowded with cheering Flyer rooters. Among them were Bessie Barton, Lynn Van Teim, Tom Palmer, Marilyn Champine, Joan Hackenburger, Bob Backman, Nancy Mason, Alice Weot, Mary Jo Trombley, Jim Simmons, Denny Renolds, Bob Thurtle, Barbara Unti, Jim O'Connor, Barb Clarke, and Anne Martz.

Ed Quirk, Pierre Belanger, Bill Huettman, Barbara Houli, Nancy Downey, John Bingham, Jim Cronin, Paul Weot, Joanne Schumwer and Bob Berg, members of the alumni of St. Paul, were also cheering the team on.

Next week the game is played against Annunciation at Waterworks Park.

### Finder Tells Real Story of Housey Boy

(Continued from Page 1)

ious Saturday, but I didn't think we had done a thorough job, especially after that automobile headlight had been found in the vicinity.

This time I decided to go down to the lake and back to Jefferson alongside the wire fence that runs a short distance north of the Martin Drain.

On the trip back toward Jefferson, shortly after 2 o'clock and after searching since about 9 a.m., I noticed a spot two or three inches long and a half inch or so wide on the ground. I thought it was a banana peeling and I poked at it with the broom handle I was carrying. I also noticed that the ground appeared freshly disturbed.

There was a large slab of concrete which I noticed had been placed there fairly recently, as it was not sunk very deeply into the earth. I moved the slab, but I can't recall now whether that was before or after I noticed the object that I mistook for a banana peeling.

When I saw that the object appeared buried in the ground, I became more curious. I didn't think right away that this might be a body, but I wasn't going to pass up any possible clues. I then called to Emmett Gillingham, who was nearby, and said, "This looks like we might have something."

Gillingham came over and also called a man named Lowe, who was in charge of our searching party. I got down on my hands and knees and started digging with my bare hands. I pulled away two handfuls of dirt and then saw some hair—it later turned out to be on the boy's head. The first object I had seen was part of the flesh near a shoulder—not an elbow as has been reported.

Anyway, when I saw that hair, I had enough. I pulled back and walked a short distance away, leaving the rest of the job to the others. Another man came over with a hoe, dug, and uncovered an arm. He became ill and doubled up and had to be helped to a nearby car.

I can't describe just how I felt at the moment. As I said before I was glad the body had been found, as I think the suspense was too much for the mother and father. It was better for them to learn the truth, terrible as the truth was.

(Continued from Page 1)

all of the school children of the area represented, steps are being taken to make that night a "no-homework night" so that full participation of the communities will be assured.

A call to all Grosse Pointe community organizations to participate in this cavalcade has been made by Allison Monroe, George Elsworth, of the Neighborhood Club, and Norbert Neff, City of Grosse Pointe clerk, co-chairmen of the community organizations committee.

Organizations have been requested to enter their cars and trucks in the parade. Floats depicting the aims of organizations which benefit from the Torch Fund are also expected to participate.

Bands in the Grosse Pointes, too, have been similarly alerted, as well as many of the entertainment groups whose members will appear at the star-studded rally.

Plans are also being made for the appearance of Hollywood and New York personalities to give the Grosse Pointes the most gigantic and colorful cavalcade and mass meeting ever held in this area.

New to these communities will be a brilliantly lighted Torch, which is to be erected tentatively at the corner of Kercheval and Fisher Roads.

Eric Ramstrum of Grosse Pointe Farms is in charge of this project, which will include a thermometer to record the daily contributions of Grosse Pointe residents and businesses. The constant light of the Torch will represent America's spirit of ever giving, reproduced in each small community the country over.

### Teen Talk

DIANA NYLUND

Last Saturday turned out to be a big day for the kids at Grosse Pointe High. One of the events high on the list was the first football game with Ferndale. Some of the kids were really in the spirit of things, and early Saturday morning we saw a group of Seniors decorating the goal posts.

Among those who were responsible for the swell decorations were Elaine Kihen, Ann Busby, Gordon Maitland, George Farnsworth, Herb Abrash, and Joannie Merrill. We thought the decorations looked swell—didn't you?

Later on at the game there were loads of kids we knew. Every one seemed to be there in high spirits despite the brisk weather. Many of the Blue Devil supporters who were there cheering for the Grosse Pointe team were Judy Rice, Sally Barrows, Spicer, George Beauchamp, Betty Reid, Wayne Wisniewski, Fred Londis, Dick McKenzie, Barb Waldo, Tom Lamb, and Bob Kozlowski.

More seen up for the kick-offs were Shirley Clark, Joan Swartz, Connie Mohr, Jack Conner, Joe Gratzler, Gretta Gagnier, Jane Rowe, Hilda Bristol, Karen Temple, Joan Carver, Janet Dew, Sherry Davis, Fred Stocum, Tim Leach, Paul Jones, and Jerry Strek.

Alumni Jerry Jenkins, Hill and Bill Pierce, Baro O'Neil, and Schoeck, Sherb Brown, and George Turnbull were around to crowd intently watching the game. Other alumni there were Boothe and Dave Struthers, Hank Eckfeld, Jimmy Williams, and Fritz Bloy.

Pat Brogan's touchdown had Gloria Anton, Carolyn Blase, Pat Groebel, Nancy Hall, Gene Marquette, Shirley Stupp, and Galvin, Judy Purdy, Jim Reindel, Carol Wetlioff, Donna Gera, Lu Neeb, Skip Pessi, Janet Ballentine, Jim Stuart, and Pat Sorenson cheering at the top of their lungs.

Cheerleaders Joe Buhl, Dan Webb, Mac McNear, Alice Jane Patty Lawler, Gail Ashton, Patti Lee, and Johnny Purdy were only a few of those who were out leading the crowd in the cheer for the home team.

The Varsity Drag, the first S. A. dance of the semester at Grosse Pointe High, got under way last Saturday night. Students and skirts made their debut as Jamie Joachim and Fred Smith, Spalding and Dick Seales, Tom Lister and Nancy Kaser, Alan James and Bill Rexford, Hank Hubbard and Pat Barrett, Alan Shade and Verne Atheman, Annie Purdy and Skip O'Bold, Joan Hollister and Dick Rydberg, Barb Westcott and Don Christoforo, Joy Chamberlin and Jim Reindel danced to their favorite music.

Other twosomes included Karen von Reis and Bob Lax, Ray Bray and Gloria Demling, Ann Hoover and Sam Shaw, Patti Lee and Ralph Cross, Nancy Ramsey and Don Coury, Margaret Ann Joop and Herb Abrash, Carol Fredericks and John Tower, James Rydholm and Cort Lecklider, Tinsy Netting and Clark Bauer, Bob Howe and Molly Murphy, and Jack Westphal and Noel Wood.

Some of the other couples admiring the clever football decorations were Carol Loveless and Norm Lasca, Marcia Boothe and Bob Munns, Laura Lou Smith and John Richardson, Kay Collins and Colby Martin, Eugene Halbrook and Ellen Berard, Wynn Likert and Maral Molyneaux, Barb Mensing and Jim Duvaine, Sue Senff and Joe Gratzler, Sally Browne and Shv Meeker, Carl Kretschmar and Bruce Allen, and Joan Smithers and Bob Wame. Shirley Ulrich and Bill Wilson, Carol Ford and Chuck Strat, Peggy Moreland and Jim Stuart, Joannie Sherrer and Chuck Saxe, and Cleo Bonbright and Carl Weber were only a few of the couples there.

Congratulations to the new officers of the 12B and 12A Glee We want to congratulate Bonny Reitz, 12A President; Marcie Waggoner, 12A vice-president; Marcia Glen, 12A secretary; and Bill Johnson, 12A treasurer on their new positions.

Also on the list to receive congratulations are Dick McKenzie, 12B president; George Beauchamp, 12B vice-president; Gretta Maitland, 12B treasurer; and Joannie Johnson, 12B secretary. We know that they're going to do a swell job!

So long for this week! We'll be back next week with more news of your parties and other doings. See you then!

### St. Paul Bows to St. Ambrose in Tough Game

By JIMMIE O'CONNOR  
Playing their first league football game of the year, St. Paul yielded Sunday to an old rival, St. Ambrose, 21-14, in a thrill-packed contest before a disappointingly small crowd.

Marlin Justin of St. Ambrose provided the first touchdown in the initial quarter, Norm Soper kicking for the extra point.  
Midway in the second quarter, Jack Trombly dashed 30 yards on an exciting end-around play for St. Paul's first tally. Dave Sherwood plunged off center for the extra point, tying the score.

Battling desperately, neither team could break the tie in the third quarter, although it looked as if Tim Champine's 40-yard scamper would up the points for St. Paul. However, Red and White hopes were shattered when a penalty for clipping was called on St. Paul.  
Soper of St. Ambrose provided the thrills in the fourth quarter, sprinting 25 yards on an end run over the goal. Scant minutes later, still going strong, Soper made another 25-yard run on an intercepted pass, then kicked the extra point.

During the last four minutes of the game, Gary Fett recovered a fumble and ran 35 yards for St. Paul's second touchdown, Dave Sherwood again making the extra point.

**Coronet Features Top Comedy Show**  
A unique and fascinating plot provides the background of "Tight Little Island," the next film offering at the Coronet Theatre. Coming to the Coronet screen for a full week beginning Friday, September 29th, this film has won acclaim as one of the year's comedy highlights.

You say you don't know how to dance? Well, that's no problem—there's gonna be both square dancing and modern dancing—so you can suit your tastes. You'll have an evening full of fun at the Neighborhood Club, 17145 Waterloo. You say you'll be out too late? Well, golly, it's only from 7:30 to 10 p.m. For those eaters-between-dances there's also a refreshment stand in the lobby.

### CARRYING THE BALL FOR UOFD

Ray Huettelman and George Heidt are spending spare afternoons in football practice at the University of Detroit. Both Grosse Pointe residents, they are competing for regular berths on the Titan varsity this season. Heidt, a sophomore, is a center candidate, while Huettelman, a senior, plays right halfback.

### Huettelman and Heidt Join Titan Squad

Ray Huettelman and George Heidt, Grosse Pointe area residents, are on the 1950 University of Detroit varsity football team. Huettelman, 21, won eleven letters at St. Paul High school in football, basketball and baseball. For the past two seasons he has been a reserve right halfback for the Titans but this season he'll play defensive right end and offensive right half.  
Heidt is another ex-St. Paul star. A 21-year-old general marketing major, he is a candidate for the center position with the Titan eleven. He is a sophomore and Huettelman is a senior.  
Huettelman lives at 285 Ridgemoor and Heidt lives at 1620 Faircourt.

### Alumni Return for State Day

Michigan State alumni and their families held their first meeting of the year at the Farms Pier on September 22. At the end of two weeks of bowling, Turner Buick, Inc. heads the list of 16 teams competing in the Grosse Pointe Businessmen's Bowling League for the 1950-51 season.  
In second place, a single point behind the leader, are Cramer Electric Belding Cleaners, and Dart Inn Bar.  
Cramer took three from Boutin's Service, last year's runner-up, despite a 570 series rolled by Bruce Warren for the losers.  
Beldings, led by league president, Ange Petracci, over came Schulte Hardware three and one with Ray Peiy of the latter having the high series for the two teams.  
Dart Inn shares second by virtue of their shutout of Bruce Wigle Co. The loser, along with Revere Cleaners share the cellar position, both having successfully completed the first two weeks of the season without winning a single point.

The most unusual match of the year to date occurred between Testa Cement Co., who opened with a 975 game and then lost the next two games to Tom

### U-M Alumni Take National Limelight With 'Atom Day'

"Atom Day" is October 2. On that day 120,000 alumni of the University of Michigan throughout the United States, aided by many others, will launch an ambitious program to help "put the atom to work for humanity".  
Mr. William H. Hogan and Dr. M. M. Sheaffer co-chairman of the project in Grosse Pointe Township, today announced plans for a rally at the Library, Grosse Pointe High School, at 8:15 p.m. to take place simultaneously on October 2 with scores of meetings across the country.  
Mr. Hogan said, "The event which will be linked by a trans-continental telephone hookup, is intended to build support for the expansion of a far-reaching atomic research program being developed by the University at Ann Arbor, Michigan."  
"Today there is a new and pressing urgency to atomic research in all its aspects and Michigan is increasing its atomic research facilities accordingly."

Boyd, Inc. Not to be completely outdone, Boyd finished with a respectable 899. In that record 975 game, Chris Bosco had 225, his son John, 222, and Bill Melucci rolled 208.  
Judging from early indications this should be an interesting league season.
