Woods' City Charter Nears Completion

Propose 7-Member Council And Five Appointed Offices

The City Charter for the City of Grosse Pointe Woods began to take shape. Principal features of the proposed Charter will include seven-member Council and five-appointed administrative offices, according to a report by Harold O. Love, Chairman of the Woods Charter Commission. The Council will be made up of six Councilmen and the Mayor who will be elected. Offices of Administrator, Clerk, Treasurer, Assessor and Attorney will be appointed by the Council.

Controls Off City Rentals

Formal approval of the decurtol of rent in the City of Grosse Pointe was received by Clerk Norbert P. Neff in a letter from Tighe E. Woods, Acting Expediter, in Washington, D. C. The communication from Woods said an amendment to the regulation (for the City of Grosse Pointe) has been issued which is effective October 6, 1950. Last week the City received a letter from Washington acknowledging receipt of the resolution of the decurtol of rent which the City Council had passed at its meeting on September 25. At the same time the news came about the decurtols of rent, Congressman Louis C. Ransom's office was swarming with phone calls and letters from tenants in the City who complained that their rents were being raised.

POINTE PARAGRAPHS

One of the largest building permits ever issued by William G. Stamman, Park Clerk, was for the construction of the new St. Clare de Monteleone Church. It is estimated that the church will cost nearly one million dollars. A driver in Grosse Pointe was told police Saturday that he saw a large transport airplane flying low over St. Clair. As he drove along the shoreline his view was obstructed by a clump of trees. When he looked again, the aircraft was gone. Could it be that super-sized flying saucers are back on the rampage? Roland Meulebrock, a Grosse Pointe High School student who returned last week from a three-month tour through Europe. His itinerary included visits to Belgium, Holland, France, England, Switzerland and Italy. Open house will continue Saturday as firemen play host to the residents of the Pointes. Biggest attraction is the new fire truck at Grosse Pointe Park. Recent issues of the Grosse Pointe Review have been sent to Washington by the members of the Provisional League of Women Voters of Grosse Pointe Park. Articles which appeared in the paper on activities of the League will be placed in their archives in the Capital city. A committee of residents is at work on plans for a community-wide celebration to follow. The party has been an annual event for Grosse Pointe children in the Pointes. Citizens who devote their time and energies to the effort are to be commended. This is one more step in the way to combat this "juvenile delinquency."

The election of council members is to be on a non-partisan basis, and by the city at large, according to the proposed Charter. The Council shall constitute the legislative and governing body of the city with the power to adopt such laws, ordinances, and resolutions as it shall deem proper. The Council is charged with appointing the City Administrator, Clerk, Treasurer, Assessor and Attorney for an indefinite period, these city officers being directly responsible to and serving at the pleasure of the Council with their compensation fixed by the Council. One important feature of the proposed plan is the transference of administrative duties to an experienced administrator, enabling the council members to devote the major portion of their municipal time to all-important policy-making functions. The Mayor, insofar as required by law, and for all ceremonial purposes is the executive head of the city with an equal voice and vote in the proceedings of the Council, but has no veto power. He will be the presiding officer of the Council and exercise only such powers as the Council and Charter specifically confers upon him. The proposed charter provides that the Council select a full time City Administrator on the basis of his executive and administrative qualifications with special reference to his training and experience and without regard to his political or religious preferences. The City Administrator will be the chief administrative officer of the city government. His principal functions are: (a) To be responsible to the Council for the efficient administration of all administrative departments of the city government except the departments of the Clerk, Treasurer and Assessor; (b) To see that all laws and ordinances are enforced; (c) To appoint, with consent of the Council, the heads of the several city departments whose appointment is not otherwise specified in the charter, and to remove such department heads without the consent of the Council, and to direct and supervise such department heads; (d) To set up and recommend an annual budget to the council and to administer the budget as finally adopted by the Council, and to keep the Council fully advised at all times as to the financial condition and needs of the city; (e) To recommend to the Council for adoption such measures as he may deem necessary or expedient; and to attend Council meetings with the right to vote.

Industry is better prepared for war production than at any previous time in the nation's history, according to Arthur Stockstrum, president of the American Stock Co., St. Louis, Mo. Mr. Stockstrum recently pointed out that industrial leaders have had a number of conferences with the government branches of the various services, and have been told what will be expected of a general war state. Factory workers have studied production problems, and set the pace at which they can begin to deliver munitions in case of hostilities.

Sgt. T. Dufek Joins Korean Air Mission

Formerly stationed with the Thirteenth Air Force on Clark Air Force Base in the Philippines, he is now assigned to one of the Far East Air Force bases to aid in the accomplishment of the U. S. Air Force's mission. Overseas for the past three months, Sergeant Dufek joined the Air Force on February 7, 1947.

NEW ENGINE ARRIVES FOR FIRE PREVENTION WEEK

Fire Prevention Week was heralded in Grosse Pointe this week by the arrival of a new American LaFrance engine in the Park. Giving the new pumper the once-over are William Allison, Chief of the Detroit Fire Department Training School, Chief Edward Rector, of the Park, and Chief George Dansbury, of the Farms. The engine has been on display in front of the Park Municipal Building all week.

Need Defense Police and Fire Recruits

Chiefs of fire and police departments sent out a plea again this week in an attempt to enlist local residents to join an auxiliary Civilian Defense force. Applications for auxiliary police and firemen are being taken at all five Pointe Municipal Buildings. As soon as a sufficient number of recruits have been registered, a series of training classes will be set up.

Elmer Ulrich Named to Gov.'s Committee

Elmer F. Ulrich, Commission of Fire of Grosse Pointe Park, has been appointed a member of the Civil Defense Technical Committee on Fire by Governor G. Mennen Williams. The committee is to advise the governor on matters pertaining to organization details, facilities, coordination of activities and development of support within their respective groups. Commissioner Ulrich is the only representative in the entire Grosse Pointe area on this committee. Arnold C. Renner, chief of the fire bureau of the Michigan State Police, is chairman of the committee.

Farewell to An Engine Fire Dept. To Retire Veteran of 31 Years

One of the oldest members of the Grosse Pointe Park Fire Department will retire this week after three decades of faithful service. There will be no official fanfare or farewell to mark the departure of one of the community's most trusty engines. After 30 years of duty here, color is no match for the bright crimson trucks which have taken her place. If engines could talk this Seagrave could tell some real stories. In her memory will be the history of the Park, with the big fires and the small fires all recorded as they happened in her span of duty. When she was brought to her new home on Maryland avenue

City Court Fines Four

Report Ist Korean Casualty

George Grove, Jr., a former Grosse Pointe High School student, made the supreme sacrifice for his country. A member of the Army for 27 months, Grove is believed to be the first Korean casualty from this area. His last furlough home was in July. For most of his 27 months of duty he had been stationed in Korea. Grove left the High School in 1948 to enlist in the Army. He was the oldest grandson of Mr. and Mrs. Charles Lock, of 541 Neff. Survivors are his parents, Mr. and Mrs. George Grove, Sr., of 642 Hampton road. He also leaves a brother, Gregory, and two sisters, Mrs. Elaine Christian, and Joan, who lives at home.

Gets Lighter; Drops Blockade

John Morissette of Ferndale told Farms police that while he reached down to pick up his cigarette lighter his automobile plied through a blockade at Lexington and Mack. Morissette was uninjured. The accident occurred Saturday at 10:30 p.m.

Patrons Fooled By Bird Calls

Patrons at the Woods Theatre last Sunday evening were not straining their ears when they heard bird calls. The disturbance was caused by a 16-year-old student who fled from the theater through a rear exit. The youth later admitted his crime to police.

Shoplifter Asks for "One More Chance"

Two well-dressed shoplifters were cut short in the act of stealing a proprietor's handbag last Thursday in Grosse Pointe Woods. Delphine O'Saer, who operates a knit shop at 19467 Mack, grabbed her bag from the hands of one of the men when he attempted to flee. A companion to the thief tried unsuccessfully to engage the storekeeper in a conversation. As the pair escaped through the front door, one of them called back, "Just give me one more chance." Police did not say whether they received an answer.

Brass Band to Lead Cavalcade; Radio Stars to Entertain

Rain or shine, the Cavalcade of the Pointes will take place Wednesday evening, October 18, to launch the 1950 United Foundation Torch Fund Drive in Grosse Pointe. The proposed rally and parade scheduled for this date has received the support of numerous residents. Organizations and individuals have been decorating their cars, trucks and floats according to a report by George Elworthy of the Neighborhood Club. Last minute entries in the parade are still welcome, says George P. Richardson, general chairman. Official stickers may be obtained right up until the afternoon of October 18. The stickers assure parking privileges at the rally and are an automatic entry into the parade contest. Residents are urged to join the parade by calling TU. 1-1179 or TU. 1-0805, which are information offices at the Neighborhood Club. Among the entries in the parade will be members of the Grosse Pointe Teachers of Pierce Junior High School, who will enter a state truck and several other cars, the Grosse Pointe Woods Community Group, the City of Grosse Pointe Farms, the Rotarians, Cottage Hospital, and the Grosse Pointe Review.

Draft Calls 15 Pointers

Fifteen Grosse Pointe boys will be inducted into the Army on Friday morning as Board 87 sent out the second draft call to this area. Draftees will be sent to Fort Wayne and eventually Fort Knox for basic training. Another group from this area will be called on November 2. In all there have been 27 inducted from area since the outbreak of the Korean conflict. The list includes: JOHN ALGER HALL, WILLIAM ANDRIES COLE, DONALD D. BETT, JOHN FREDERICK SCHWARTZ, MICHAEL STACAK, JAMES EDWARD DONNELSON, DONALD STANLEY FLOER, ROBERT EDWARD BARNES, CHARLES G. HELGENDORF, RICHARD E. POUPARD, CYRIL K. MARSHALL, CHARLES W. RABAUT, nephew of Congressman Louis Rabaut, JOHN M. KEIR, JAMES V. BARKER, EDWARD E. SPAULDING.

Col. Glenn B. Arnold, state Selective Service director, said a total of 9,750 Michigan men would be called for examinations to make up the manpower pool for October inductions. Wayne County will send 3,999 men to Fort Wayne for pre-induction physicals next month to help make up the state quota of 2,362 inductees for October. Arnold said that deferments will be granted only if a man can prove his marriage was planned prior to the Korean war. The draft board will be the final judge to determine whether the marriage was hastily arranged to escape induction. PUT YOUR HOUSE IN ORDER

Between October 8 and 14, Fire Prevention Week is being observed. So it's time to consider just what that week can mean to you.

You can, of course, take a cursory glance at fire prevention posters and news items and promptly forget them. You can doze when a brief fire prevention film is shown at the movies. You can turn the radio to another station when a fire prevention week speaker comes on. Do that, and you'll run a good chance of having a destructive fire — with the ever-present possibility of death and injury — some time in the future.

On the other hand, you can take the week seriously — and give your full attention to the suggestions and advice offered you.

Then you can apply the expert knowledge thus gained to your home and other property. As a rule, fire prevention is both easy and inexpensive. It consists largely of such common-sense practices as periodically inspecting heating and lighting equipment, ridding buildings of accumulations of junk, providing proper storage for paint, cleaners and other flammables, and giving due care to matches and smoking materials. The basic purpose of the week is to refresh your mind on such matters, and to encourage you to get the job done as soon as possible.

Do this, and the chance of your having a fire will diminish. Fire Prevention Week is designed to help you put your house in order. How about it?

Letters to the Editor

TO THE EDITOR:

Thank you for the wonderful publicity you gave us on the 3rd Curb Art Fair. I am sure that it was through your efforts that the Fair was such a success. We had an average attendance of over three thousand people, and for the two days, sold around two thousand dollars worth of art material.

Yours sincerely

Mrs. E. C. Bowen.

TO THE EDITOR:

The Grosse Pointe Motion Picture Council wishes to thank you for the continued cooperation you have given us each week in your newspaper, and are looking forward to another season of association with the Grosse Pointe Review.

Young Adults Meet Friday

An evening of fun for all college age through twenties young people of the community and their friends will be waiting at the Grosse Pointe War Memorial Center this Friday, October 13, from 8:30 p.m. until midnight.

There will be games, cards, dancing and refreshments at the Young Adults Informal Evening according to Joan Campbell, chairman of the party. Among those assisting her are John Packer, Carol Jacobson, Red Roche, Anne Shenefield and Myrna Treden.

Science reporter holds hydrogen bomb possible in a year.

Pierce P-TA To Meet Oct. 13

A semi-annual Open House will be held at Pierce Junior High School on Friday, October 13 for the parents of all students new to Pierce this semester.

Following a short auditorium program beginning at 8 p.m., parents will visit the classrooms. Students will introduce their teachers, their school and the daily routine of the classrooms to their parents.

Officers to the Pierce P-TA for the ensuing year include Fred Mossdale, president; Vincent Leach, vice-president; Mrs. Walter Rockwell, treasurer, and Mrs. Claude Pitts, secretary.

Active committees will be directed by Ed Kay, as chairman of the committee on Teen Hi Roundups; and Mrs. Elmer Knoch, chairman of the membership committee.

Mrs. Clifton Distin will serve as chairman of the Home Room Mothers, and Mrs. Paul Moreland will head the Hospitality Committee for the year 1950-51.

Pierce intramural sports are keeping many junior high boys and girls active these fall afternoons. Over 100 boys have joined the football squads, while seventh grade and 8B girls are playing field ball on the Pierce playfield. Speed ball will occupy the attention of 8A and ninth grade girls during October.

Hear the Plea

Torch Quota for GP Is Set At \$344,014

Some 250 of the 600 women who will solicit for the Torch Fund Drive in Grosse Pointe were present at the Neighborhood Club Tuesday to hear a campaign talk by Mrs. John J. O'Brien, chairman of this region.

In announcing the quota of \$344,014, which has been assigned Grosse Pointe, Mrs. O'Brien expressed confidence that the community would lead all other regions in obtaining their ambition.

She said she was particularly pleased with the participation of local businessmen, both in the campaign itself and in the parade, the "Cavalcade of the Pointes," which will be staged on Wednesday, October 18.

"To realize Grosse Pointe's quota," Mrs. O'Brien added, "it would be necessary to crystallize the spirit of our communities so that every business would do its full share, that all retired people would do their utmost, and that the residential workers would ask every housewife to give a bit of her budget to become on her own an active member of the United Foundation family."

She urged every resident of the Pointes to do his or her share to make the United Foundation Drive an outstanding success.

PREVIEW OF THE PARADE

Three pert young misses, students at Grosse Pointe High School, are preparing their entry for the gigantic Torch Drive parade to be held on October 18. Teachers have declared a "no-homework" night so that students may attend the kick-off rally. The parade will begin at 6:30 p.m. from Grosse Pointe Park's Waterfront Park and progress through the entire community. Pictured left to right are Lee Es-kridge, 260 Merriweather, Joannie Hollister, 912 Barrington, and Joanie Smithers, 1968 Fleetwood.

Brass Bands and Celebrities Star in Torch Drive Rally

(Continued from Page 1) The "towering torch" which will also be installed and lighted that night. Passing the stand where each car will be viewed as a prospective prize-winner, cars will proceed to the official parking zone along Fisher and Grosse Pointe Boulevard.

Arrangements are being made for double parking by David Rust and his committee of the five Grosse Pointe Police Chiefs, including Arthur Louwers, Tom Trombly, Walter Hoyt, Walter Goulette, and Orville Eglesbe. The rally, to which all residents of all the Pointes are invited, will begin at 8:30 p.m. on the High School Football Field. Seats will be available in the football stands from where can be viewed the 50 or more local and national celebrities and the eight acts of free entertainment.

These civic-minded people who have been invited to appear in order to spur on the Torch Drive, will be seated on an entertainment platform which is to be built

on the Football field. The bands will occupy the two wings of this huge stand which is being constructed and lighted by J. T. Mitchell and the J. L. Hudson Co. In case of rain the rally will be held in the High School Auditorium.

High School Band to Play At Lions Game

The Grosse Pointe High School Band, under the direction of Dewey Kalember, has been invited to play at the Detroit Lions game Sunday afternoon at Briggs Stadium.

The band will participate in the half-time demonstration entitled "Freedom Show." Bands from Dearborn, Walled Lake, Milford, Ferndale and Wayne University will also participate.

Former Gov. Kelly To Speak at Rally

Former Governor Harry F. Kelly, candidate for re-election this fall, and local Republican candidates will be present to speak at a Republican Rally on Tuesday, October 17, at the Belgian American Hall, 6590 Hurlbut at Gratiot, at 8 p.m.

Ty Tyson as master of ceremonies will introduce the speakers and the entertainers. Acts will include George Scotti, well known impersonator currently entertaining at Al Greens', Lieutenant Herb German of the Detroit Police Dept. with a trained dog act, the Progressive Quartet, Pat and Johnny of Radio Station WXYX, and Bill Gail and his orchestra. J. T. Laidlow will be the main speaker. Mark Beltaire, of the Detroit Free Press, is assisting the rally committee and will be present.

Controls Off by Rentals Oct. 6

(Continued from Page 1) In any cases as much as 40 or 50 percent.

Some of the tenants said they received letters from landlords informing them of rental increases even before the final appeal had come from Washington.

According to an amendment to the Housing and Rent Act of 1949, governing bodies in communities are permitted to remove controls in an area where a housing shortage does not exist. Dearborn the Council recently voted to continue rent controls but the repercussions from property owners were so great that a public hearing was called. Property owners in Dearborn are seeking to have the removal of controls put on the November ballot.

Maire P-TA Meets Oct. 17

Writing of Woods' City Charter Nears the Finish

(Continued from Page 1) to take part in discussions but not to vote; (f) To exercise and perform all administrative functions of the city that are not imposed by the charter or ordinance upon some other official; (g) To maintain a system of accounts of the city which shall conform to any uniform system required by law and by the Council and to generally accepted principles and procedures of governmental accounting. He shall also make monthly financial statements to the Council. The City Clerk will be appointed by the Council, and according to provisions of the charter, will

have nominal duties such as: (a) Attending Council meetings and keeping a permanent record of its proceedings; (b) To be custodian of the city seal, and affix it to all documents and instruments requiring the seal. He shall also be custodian of all papers, documents and records pertaining to the city the custody of which has not otherwise been provided; (c) To certify by his signature all ordinances and resolutions enacted or passed by the Council; (d) To have power to administer oaths of office.

The City Treasurer, Assessor and Attorney, all appointed by the Council and with similar duties as those now in effect.

The foregoing presents the principal points in the proposed charter which the Commission believes are of particular interest, at this time, to the residents of Grosse Pointe Woods.

Many hours have been spent by the Commissioners discussing pro and con the merits of other numerous provisions usually considered for inclusion in a new city charter; this phase of the Commissioners' work is progressing rapidly towards completion.

Later, a draft of the proposed city charter will be printed for distribution to all residents, allowing sufficient time to study the details incorporated therein, and to form opinions concerning the plan of government and general provisions of the charter, before expressing these opinions at a special election to be scheduled for the purpose of recording public acceptance or rejection of the charter.

Food Plentiful

There is plenty of food in the United States, with a large harvest about over, and additional sugar supplies coming from Cuba. Many industrial leaders believe that for this reason there will not be any further substantial rise in food prices.

Local Voters League Slates Celebration of UN Day

The Provisional League of Women Voters of Grosse Pointe Park have announced their agenda of study and program for the year. In October Mrs. Stanley Cain of Ann Arbor will be the speaker on United Nations Day, October 24.

The Grosse Pointe Branch of the American Association of University Women will act as co-hostess.

In November Professor Dana of the University of Michigan will speak on "Natural Resources." In December Miss Rosemary Scott of Grand Rapids, a brilliant young attorney and member of the Governor Williams' Youth Commission, will speak on "Children's Services"; in February, a dissertation on World Trade." At this time we will also hear Mrs. Kins Collins, a member of Grosse Pointe Park Charter Commission, discuss "The making of a city charter."

In trying to achieve the greatest membership participation, discussion units have been organized for morning and evening meetings with a leader for each unit.

In these study units current legislation will be studied as well as a two year's study program on the Hoover Commission's recom-

mendation of reorganization measures to improve the administrative efficiency in the development and use of our natural resources.

Mrs. Waldbott Is Hostess To AAUW Meet

The International Relations Group of the Grosse Pointe American Association of University Women will meet at the home of Mrs. George Waldbott, 1144 Balfour, on Thursday, October 19, at 1 p.m.

Mrs. Charles E. Boyd, a member of the Oakland Branch, will speak on "Highlights of the Conference of the International Federation of University Women in Zurich, Switzerland."

Mrs. Boyd was a delegate to this conference last summer. Graduates of universities accredited by the AAUW are invited to the meeting.

Hostesses will be Mrs. Paul Baldwin, Mrs. Clark L. Bassett and Mrs. F. D. McIntyre.

Church to Offer Course of Music Appreciation

A music appreciation course will be given at the Grosse Pointe Memorial Church beginning Wednesday evening, Oct. 18, and continuing for the following three Wednesdays at 8:00 p.m. in the men's lounge of the Church House. A social hour will follow each meeting.

For this, the third year the class has been given, Marie Joy Curtiss has prepared the following program:

Oct. 18—Mozart—His life and times.

Oct. 25—Brahms—A biographical sketch and discussion of his major symphonic works.

Nov. 1—The Development of Choral Music in the Christian Church.

Nov. 8—Vaughn Williams—A modern English composer.

Different reproducing equipment is being used this year for the playing of records for the directed listening period which makes up half of the lecture.

Church Shows Films of Atomic Bombing Oct. 22

Eastminster Presbyterian Church, 937 Manistique at E. Jefferson, will resume "Family Night," on Sunday, October 22, at 7:30 p.m.

The main attraction of the evening will be a motion picture entitled, "God of the Atom." This film is commended by the Atomic Energy Commission and actual photographs of the Nagasaki and Bikini explosions will be shown. Narration is by preacher-scientist Irwin A. Moon, famous for his sermons from Science.

Larry Johnson, the young physicist who aided in atomic development and photographed all three of the wartime bombs as they exploded, appears in the film with an eye-witness account of his experiences.

All are invited to attend and a nursery will be provided for the children.

Refreshments will be served by the ladies of the church.

Schedule French Lecture Oct. 20

The American Association Teachers of French will hold a meeting on Friday evening, October 20 at 7:30 p.m.

The meeting will be held at the International Institute at 2431 East Grand Blvd., between Dubois and Jos. Campeau.

AATF members and anyone interested in speaking French are invited to attend. No English will be spoken.

A discussion on contemporary France will be given by Professor Degouy of Wayne University.

The Peace Lutheran Church Ladies Aid, E. Warren at Balfour, will hold their annual Harvest Supper in the Church Auditorium Wednesday, October 18, from 5:30 to 7 p.m. The menu consists of roast pork, gravy, sauer kraut, potatoes, vegetables, apple sauce, home-made pie and coffee.

Teen-Hi Club Begins Square Dance Class

Pointe Belles and Beaux local Teen-Hi Square Dance Club will start classes at the Richard School, Kercheval and McKinley, on Friday evening, October 20, for beginners and on Friday, October 27 for the advanced group.

All young people between the ages of twelve and fourteen will meet from 6:45 to 8:00 p.m.

The Senior group between the ages of fifteen to eighteen will hold classes from 8:15 to 9:30 p.m.

Once again the boys and girls will have the opportunity to don gay shirts and colorful skirts and swing their partners into a "do si do" or "grande allemande." Dances such as Indian Style, Rose of San Antonio and the ever popular Grapevine Twist will be reviewed.

Many new routines have been planned for the fall sessions. By popular demand, folks dances will also be taught by Mrs. James Blashill of 1040 Kensington Road, and Mrs. Charles Sharer of 1133 Grayton Road.

Registration for the course which includes six lessons and a gala party will be \$1.00. All who are interested in joining in the fun may register by calling Mrs. Blashill at TU. 1-5974 or Mrs. Sharer at TU. 5-1055; or Mr. Forrest Geary at the Grosse Pointe Board of Education, TU. 5-2000, Ext. 25. Reservations are limited.

Students Here Rate Above Average on College Boards

Grosse Pointe High School students last year attained exceptionally high scores, far above the average ratings for the whole country, on the difficult College Board examinations.

This achievement has been recently reported to W. R. Clemenson, principal, in a summary report from the offices of the College Entrance Examination Board of New York City.

Each year Grosse Pointe High students rank considerably above the average of the nearly 80,000 students from school all over the country who take College Boards. These students come from private and parochial as well as from public schools.

The results for the 1949-50 tests show that Grosse Pointe School's average was remarkably high—even higher than usual.

Almost all who take these exams from Grosse Pointe High have an honor point average of B- (1.75) or better.

Of students thus qualified 19 were tested in 1949-50, producing 72 test results.

On the achievement tests nearly one-third of the Grosse Pointe High School scores were above

715. Over the whole nation only two per cent ranked that high. More than 83 per cent of the Grosse Pointe High School scores were higher than 267. The nation's scores included only one per cent that high.

Out of Grosse Pointe's 72 scores only one score (394) was below 396, but 15 per cent of the scores over the nation were below that figure.

Scores on the Scholastic Aptitude tests ran the same way. Grosse Pointe High scores averaged much higher than the scores of the whole nation.

Jally Cote Wears Sister's Gown for Nuptial Rites

In a candlelight satin gown, Jally Cote exchanged marriage vows with Warren Packard on Sept. 30.

The ceremony was solemnized at St. Catherine's Chapel of SS. Peter and Paul Church at 11 o'clock in the morning. The Rev. George Ging, of Oxford, officiated.

The bride's frock was designed by a fitted bodice, sweetheart neckline and full skirt falling to a hoop into a train.

Her illusion veil was secured by a tiny pearl-trimmed shirred ribbon cap, and she carried a bouquet of white orchids, tiny blue roses and ivy.

The attendants wore identical dresses fashioned of white net and lace. Lace capes, fastened at the back of the gowns fell in deep points over the shoulders, and the bouffant net skirts were over hoops.

Robin Judge Is Married In Velvet

A waltz-length burnt orange velvet gown was the choice of Robin Powell Judge for her Saturday marriage to Ernest Stephen Kratzet, Jr.

The costume was completed with black accessories and an orchid corsage. Robin is the daughter of Mrs. Marie Hayden Powell, of Miami, Fla., and Joseph Beatty Powell, of New York.

Autumn-toned chrysanthemums accented the brown velvet jacket frock Mrs. John Kingsbury wore for her duties as matron of honor and only attendant. With it she wore brown accessories.

MRS. ERNEST S. KRATZET, JR.

Robin Powell Judge became the bride of Ernest Stephen Kratzet, Jr. on Saturday afternoon at a ceremony in the home of Mr. and Mrs. W. Magruder Jones of Iroquois avenue. The couple will live in Birmingham after a trip through Northern Michigan.

Advanced Square Dancing Classes Begin Oct. 18

A class designed to provide opportunity for those who know the basic fundamentals of square dancing will begin on Oct. 18 at Defer school. Instruction will emphasize the newer figures and routines. There will be dances to add variety of pattern and movement to the background experience of those who already know the simpler changes.

"Alabama Jubilee," "The Route" and "The H" are some of the current popular numbers to be used. New round dances, including the "Alta Schottish" will also be introduced. Many of the figures to be taught will be used this season in the "Balance and Swing" dances and elsewhere through the Pointe area. The class will meet every other Wednesday beginning Oct. 18 at Defer school.

There will also be a class for those having little or no square dancing experience. This beginners class includes all the fundamentals needed to have a "bang-up" time at the square dances so popular at present. The class will meet on alternate Fridays at Defer school beginning Oct. 20.

Both classes are under the sponsorship of the Adult Activities Program of the Grosse Pointe Board of Education. They meet at 8:15 p.m. sharp for two hours. Reservations may be made by phoning the Board of Education, TU. 5-2000, Ext. 25.

Instruction and calling will be done by Julie and Wes Rea, of Grosse Pointe Woods. Say the Reas: "The chief aim of these classes and parties is that the dancers have fun!"

Besides teaching last year's classes at Defer school, they have handled parties for church and scout groups, the Grosse Pointe Memorial Center, Woman's City Club, Mendocohn Club, Crescent Sail Club and the Grosse Pointe Yacht Club.

HEADED EAST
The bridegroom's mother chose a frock of burgundy lace and dusty pink hat. Her flowers were cymbidium orchids.

Mr. and Mrs. Packard left a later reception in the Dearborn home of the bride's uncle and aunt, Mr. and Mrs. Raymond Dahlinger, for a wedding trip to New York.

For traveling, the bride donned a navy blue suit, navy velvet cloche and accessories and a corsage of white orchids.

Henry T. Ewald, Jr., was best man for the bridegroom, who is the son of Mrs. Willard Seely Worcester, of Moran Road, and Ernest Stephen Kratzet, of Beverly Hills, Calif.

The ceremony was read by the Rev. Frank Fitt in the Iroquois Ave. home of Mr. and Mrs. W. Magruder Jones, the bridegroom's uncle and aunt.

For the service and later reception, the bride's mother was wearing a black wool jersey sheath with chantilly lace overskirt, and a black lace and velvet hat.

When Mr. and Mrs. Kratzet left for their wedding trip through Northern Michigan, the bride changed into a banker's gray flannel suit complemented with an orange velour hat.

They will make their home in Birmingham.

Initiate Pledges Into Nu Beta Phi

Last Saturday evening the members and pledges of Nu Beta Phi held their formal initiation. Following a frog leg dinner at Joe Muer's the girls headed for Anne Charbonneau's to begin the evening's ceremonies.

After the beautiful candle light ceremony was completed, the girls were given scrolls tied with Nu Beta Phi's colors, dusty rose and pink. They also received pink carnations tied with a gray ribbon.

Library Spotlight

By JEAN TAYLOR
of the Grosse Pointe
Public Library Staff

"What's new?" "Do you have it?" "Is it in?" ... All are frequent questions at the library desk. If the last question "Is it in?" could always be answered in the affirmative, it would make for the satisfaction of both borrower and librarian.

Many current books skyrocket to fame, have a brief but glorious heyday and as rapidly fall into limbo. The library cannot afford to have too many copies of once popular "leftovers" on the shelf and the current copies are limited accordingly.

The justifiable desire to keep up-to-date in the book world is by and large, an adult trait rather than a juvenile but we do know one youngster who arrives breathless at the desk, always with the same request, "Got any book no other kid's read?"

If as Christopher Morley affirms "A book is not born until someone reads it," this lad is determined to be there for the christening.

The library is anxious to meet this demand in the best way possible. Placing a reserve on a book, so that you will be notified when it is available for you, may not be entirely satisfactory from the borrower's viewpoint but it seems the only method whereby everyone stands an equal chance in securing the current publications. Telephone your nearest library for a reserve when a title captures your interest, so that we may place your name on the waiting list. In general, as the demand grows, more copies are ordered.

The ephemeral nature of current fiction has frequent exceptions: Margaret Mitchell's "Gone with the Wind," of which the library has had 41 copies, is an example. Hervey Allen's "Anthony Adverse" has now reached the 29th copy. There have been 26 copies of "All This and Heaven Too," by Rachel Field and De Maurier's thriller "Rebecca" climbed to 25. Others that have been in continuous demand over a long period are Pearl Buck's "Good Earth," 21 copies; "A Tree Grows in Brooklyn," 22 copies and Kenneth Robert's "North West Passage" has reached 17. Cronin's books maintain an even circulation too. We have had 28 copies of "The Citadel" and 19 of "The Keys of the Kingdom."

The number of non fiction books worn out and replaced would indicate that biography has the lead. "Madame Curie," "Good Night Sweet Prince," and "Seven Story Mountain" have been among the most popular.

Does anybody still read Scott? That the library has had 14 copies of "Ivanhoe" is evidence that they do. In the teen age group Tarkington's "Seventeen" and Daly's "Seventeenth Summer," with 19 and 18 copies respectively have the lead. Rinehart's "Circular Staircase" and Tarkington's "Penrod," both 17 copies are runners up.

NEW SAILBOAT OWNERS

The Sea Scouts of Mason School recently acquired two Lightning sailboats from the Riverside Kiwanis. Members of the troop are, front row, Wilson Bryce, Louis Smith, Dan Vinci, Jr., Bert Kaal and Tom Diesing. In the center row are Jim Boardman, Jerry Cope, Jerry Lorenz and Wayne Von Allmen. Back row: Mate Dan Vinci, Jack Graham, Denny Lohr, Kay Jameson, Bruce Crowley, Mate Jerry Diesing and Skipper Schultz.

Christ Church Has Two-Day Rummage Sale

A rummage sale will be held at Christ Church, 954 E. Jefferson, on Thursday from 4:30 to 9:30 p.m. and on Friday from 10 to 12 a.m.

Chairman of the sale is Mrs. H. W. Plaggmeyer and her assistants are Agnes Holes, Mrs. Ernest Davis and Mrs. Ralph Simonds. Light refreshments will be served.

Proceeds will be used to sponsor a group of aged folks who meet semi-monthly for luncheons.

Allied Youth to Present Musical

Allied Youth, one of Detroit's most active organizations of young people, are presenting their annual musical show at the Music Hall on Friday, October 13.

This year, they have selected the Broadway musical, "Best Foot Forward," which George Abbott produced so successfully a few seasons back.

The musical abounds in lively dialogue and amusing situations. Song and dance specialties are woven into the progress of the plot frequently. A big chorus of young people will fill Music Hall with their fun and music on the night of October 13. Seats are available at the Allied Youth office, 1020 Francis Palms Building, Woodward 3-5058. Tickets are \$1.50 and \$1.20, tax included.

American Chem. Society To Convene Oct. 17

On Tuesday, October 17, the Detroit Section of the American Chemical Society will hold a meeting of the Horace H. Rackham Educational Memorial Building.

Open Modern Seldon Branch on Mack Avenue

Harry M. Seldon, president of the H. M. Seldon Company, Detroit Realtors, announces the opening of the new, modern and greatly enlarged branch office at 1830 Mack Avenue, Grosse Pointe. This office will be managed by William H. Whalen, who has been associated with the company for over 27 years.

Located as it is, in the heart of the rapidly growing Mack Avenue-Seven Mile road district, this office has been opened to better serve this expanding community and in appreciation of the fine patronage the company has been receiving from the district.

Years ago, Mr. Seldon chose Detroit to be the scene of his permanent business activity. He started life in Canada, as a farmer. He was a grandson of one of the rugged pioneers who spent six weeks in a sailing vessel on the ocean, crossing to our fair land. At the age of nine, he handled a team of horses with a plow. He went to public school, high school and business college during the winter months, passing his examinations with honors. At 15, he handled second-hand bicycles which he secured from Sears, Roebuck & Company. Later he sold new bicycles and then secured a buggy agency—making as much money selling during his spare time as his father did farming.

It was then he decided to cast his lot in the "big city"—and so came to Detroit. The only job he could find at that time was selling subdivision lots for Stormfeltz-Lovely Co., where he worked four months before he was paid his first commission check. Thirty-six years ago, he was one of the organizers of the present company bearing his name, which has carried on a general real estate business ever since.

The company was instrumental in subdividing many of the sub-

Dart In Bowlers Take 1st

Dart In Bar was forced into overtime against Kennelly Catering but finished strong to take three points and 1st place in the Grosse Pointe Businessmen's Bowling League.

Turner Buick, Inc., stalling completely against Imperial Cleaners, was pushed rudely back to second place.

It was an evening featuring all or nothing wins in six of the eight matches. Teams winning four were: Rustic Cabins, Hall-Dodds, Inc., Tom Boyd, Inc., Testa Cement Co., and Better Made Potato Chips.

The best individual performance of the season to date was turned in by Ray Pety while his Schulte Hardware team was losing three to Pointe Ins. Agency. Ray had games of 222 and 258 in a 642 series.

Other 200 scores: B. Rose 218; H. Groeneveld 213, 206; J. Bosco 204; J. Lawson 204; A. Carroll 203; R. Gilstorf 202.

Who Runs America?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

izations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- General Federation of Women's Clubs
- American Farm Bureau Federation
- National Grange
- Veterans of Foreign Wars
- National Conference of Catholic Charities
- American Protestant Hospital Association
- American Legion
- National Association of Small Business Men
- United States Chamber of Commerce
- National Association of Retail Grocers
- National Retail Dry Goods Association
- American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proud security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

St. Ambrose Echoes

JOAN MAHON

St. Ambrose's fall semester has opened with vigor and vitality. Activities introduced are dancing classes, a photography club and a debating team. A committee from the senior class has been appointed to start work on our new year book.

We're full fledged seniors now and we can prove it. Our rings, small, medium, and the big jumbo size are here.

Senior class officers were elected and we couldn't ask for a more competent group. Charles Cornelli is president, Louise Dakoski, vice-president, and Jerry St. Germaine, treasurer. Patricia Kirsten, secretary, with Charles Peeters and Sally Beirne as co-chairmen of the social activities.

Last Saturday night a group of Seniors attended a retreat at the "Book." There was a lecture which was followed by heavenly music and dancing.

We're ready and waiting for the biggest game of the season. St. Ambrose vs. St. Martin's in a vicious battle of passes, punts and touchdowns. A pep meeting, Friday, will put the finishing touches on our already high spirits and prove without a doubt that St. Ambrose will do its duty and its best to overcome St. Martin's "eleven" this Sunday. See you at the game!

For the past few weeks, the Seventh Grade Social Studies class has been studying the early explorers of the New World.

Since Columbus Day falls on Thursday of this week, the group has decided to enact scenes portraying the life of this famous Italian. The following pupils will participate in this short drama.

Lloyd Ley will take the part of Brother Lorenzo. Others in the cast are Thomas Chickonoski, Ronald McCarthy, Gerald Hobbs, Raymond Rozelle, Gerald Steger, Nancy Metty, Donald Callis, James VanAntwerp, Robert Conroy, Jerome Howard, John Hart, Lorraine Belluomo, Larry Werner and Richard Abbott.

With A Captain's Escort

Student's Tour of Europe Highlighted by Papal Visit

A 16-year-old St. Paul's student spent a thrilling five days in Rome last summer, highlighted by a private audience with Pope Pius XII.

Dolores Wise and her mother Mrs. Harry W. Wise, of 976 Hampton, spent more than a month touring Europe. Mrs. Wise showed her daughter the town of her birth, Kaiserslautern, Germany, which was nearly obliterated in the past war.

Dolores visited her grandfather and two of her uncles in Munich.

At Vatican City the pair were personally escorted about by Giuseppe Imesch, Captain of the Swiss Guards.

From the Pope they asked the blessing of their family and friends.

"We were driven to the Pontificate's summer palace, the Palazzo Pontificio Castel Gaudolfo, in the Captain's private limousine," Dolores said.

"When his Holiness greeted

use," she continued, "he was wearing a full-length white cassock with a jeweled gold cross on a heavy chain about his throat and he wore a matching jeweled ring."

"We were also very fortunate to attend two services at St. Peter's Basilica," she added.

While the Points pair were at Vatican City they met by accident two nuns from St. Paul's School.

The trip included a sojourn in Paris and Metz in France.

"We flew back just in time to miss the hurricanes," the mother-daughter travelers happily concluded.

St. Paul's Swamped by St. Charles

JIMMIE O'CONNOR

Sunday, October 8, turned into another tragedy for the St. Paul Flyers as they were beaten in their fourth league game of the season by St. Charles, 13-0.

In a heartbreaking first quarter in which it rained quite hard the Flyers tried hard to stop advancing St. Charles team but a slippery field and bad breaks gave St. Charles its first touchdown. Al Brasill, on a bit of brilliant broken field running, gave them their first tally.

In the second quarter both teams battled with neither scoring.

In the third quarter the Flyers began to show some life sparked by the brilliant playing of Tom Berg guard for St. Paul, who in the previous week before had been sidelined because of a leg injury. But still the breaks were against them and they failed to score.

In the fourth quarter St. Charles began their march, and ended up on St. Paul's four yard line where Alliuono went over on and run for the second and final touchdown of the game.

Vilo ran the extra point. The game ended in St. Charles favor.

Tom Fenske Plays at Center For Crusaders

Tom Fenske, of 1520 Torrey road is a returning letterman on this year's Valparaiso University football team after having been inactive in the latter part of 1949 due to injuries.

This year he shifted from tackle to center for the Crusaders, who have started ten seasons impressively by winning two in a row, 60-0 and 46-6.

Fenske is a junior attending the College of Engineering at Valparaiso, a Lutheran university in northeastern Indiana with an enrollment of 1875 students.

BREAK GROUND AT ST. PAUL'S Make Plans for Annual Halloween Fete

The Grosse Pointe Halloween Committee met on October 2, 1950 at the Neighborhood Club to discuss and set in motion plans for the annual community Halloween celebration.

The present officers were unanimously reelected for the coming year. They include the general chairman, Forrest L. Geary; vice-chairman, George Elworthy; treasurer, Thomas Jacques; and secretary, Mrs. John S. Foley.

Committee chairmen for this year's activities include Walter R. Cleminson, tickets; Mrs. Everett E. Roll, food; Thomas Jacques, finance; Mrs. John S. Foley, student advisory; Dr. Robert O'Neil, supervision; J. D. Barlow, transportation; Forrest L. Geary, entertainment; Mrs. Neil Baldwin, checkroom; J. Harold Hubbard, buildings and clean-up; and Mrs. Hubert G. Goebel, publicity.

The police chiefs of the five Grosse Pointe communities will act as chairmen of safety. They include Arthur E. Louwers, Park; Thomas Trombly, City; Walter R. Hoyt, Farms; Walter Goulette, Woods; and O. C. Ingalsbe, Shores.

Mondry Shares Top In Rotary Loop

Mondry Cleaners bowled over for a neat 642 series and the Wolverines hit 910 for a new team single.

Harrison Carpets, who had been off to a good season start, lost their second series in a row. Mitt Grossmeyer's 233 sparked Middle Atlantic Hranp. Co. to a 3-1 win.

P and J Lounge and Mondry Cleaners, tied for first place, will battle for the league lead tomorrow night.

Earl Holzbaugh also won their first series, Kopp's Pharmacy giving up three points to the V-8s.

Wolverine Chips had to come from behind to win a three-pointer from Farm's Market, considered one of the strongest teams in the Rotary League. Two new records were established. Bob Strye hit 195, 215 and 232

Sparkling Comedy Comes to Coronet

From the sparkling pen of Colette, brilliant French satirical writer comes "Gigi," one of the better known French films to reach these shores this year.

The hilarious tale of the grooming of Gigi for a debut into worldliness during the French "Gay Nineties" will bow onto the Coronet screen Friday after having been voted by Life Magazine as the "Movie of the Week" and winning further plaudits from New York and Chicago critics.

We may have better light-actors but we won't get them until we have better people.
