## BLESSED RESIGNS CITY POST

### Numerous Parties Afoot for Halloween

#### Import Orchestras And Entertainers For Gala Fetes

Hundreds of Grosse Pointe young people will enjoy a safe and fun-packed Halloween on Tuesday, October 31, because of the interest and hard work of numerous civic organizations and benevolent citizens.

#### POINTE PARAGRAPHS

Former Review personnel making their marks in the world are Charles Manos, feature writer for the Detroit Free Press, Sue Matson, women's editor for the Highland Park, and Bea Wilson, who is turning out sparkling copy in the J. L. Hudson advertising department.

Grosse Pointe Lions Club liked their contribution to the United Foundation this year by more than 25 percent. Each member has volunteered to act as a one-man committee to solicit for the Torch Drive contributions.

With her wedding only a few days away, Eileen Hickey and her fiance John King were lured back to the Homecoming game Saturday at the University of Michigan.

Right seats, wrong night... or vice-versa... so the problem was for Mr. and Mrs. Edward Gehrig of Balfour road when they arrived at the Cass Theater Thursday evening to see Katherine Hepburn's performance as Rosalind in "As You Like It." Seconds before curtain time, a kind usher solved the ticket dilemma just as the audience was settling down for an evening of Shakespeare.

Could it be in this atomic age that private citizens are experimenting with methods of ramulated propulsion. George Britten, of 1657 Roslyn, discovered that someone had poured sand into the gas tank of a car he had been using. Britten, who is employed by Hudson Motor Company, had parked his car beside his house when the incident occurred.

#### City Police Uncover Theft Ring Here

Patrolmen Smith and MacEachern of the City of Grosse Pointe uncovered a juvenile ring of car strippers recently when they halted two cars speeding on Kewbehal.

After investigation, the two 17-year-old drivers, who were accompanied by two passengers, confessed to police they had stolen tires from numerous cars in Detroit.

#### Farms Lifts Age Limits

Applicants for positions as women or firemen in Grosse Pointe Farms may now deduct up to three years from their age depending on the number of years spent in the military service.

The amendment, including the deduction, would be voted at the Farms Council meeting Monday night.

### LIGHT FROM TORCH TOUCHES MANY

The United Foundation helps many people in many ways. The Girl Scouts of the Detroit Metropolitan area are financed through contributions to the Torch Drive. Local Scout Kathy Benson, 12, of 747 Rivard, is a member of Troop 703.

#### Pay Raises Granted Park Employees

The high cost of living and tax raises prompted the Grosse Pointe Park Council to grant a wage hike to Village employees effective on November 1.

#### Building In Farms At Peak

The highest dollar volume of building permits in the history of the Grosse Pointe Farms occurred during the month of October.

#### Vets In Farms Get Special Considerations

All regular employees of the Farms who have completed at least one year's service and who are called, drafted or enlisted in the armed forces may be reinstated in their jobs when they return, according to a resolution adopted at the Council meeting Monday night.

#### Mavfair Gardens To Be Razed

The last remnants of Mavfair Gardens at Mack and 86th Mile will be pulled down in the next 10 days.

#### Curbside Audience Ford Family Watches Torchlight Parade

As the Cavalcade of the Pointes passed in review on the night of the Torch Parade thousands of Pointers gathered on lawns, curbsides and corners to watch the spectacle.

#### Slate Gathering

All WAC veterans are invited to a showing of travel movies at the Veterans Memorial, 121 W. Jefferson, on Nov. 2 at 8 p.m.

#### The Prize Battle

Rep. Louis C. Rabaut, with White House backing, but with his local Democratic supporters feuding, is staging a holding campaign in the Fourteenth District that has a national audience.

#### Rob Aladdin Dry Cleaners

Roberts smashed a rear window in the Aladdin Cleaners building at 19579 Mack on Monday and entered the store.

#### Settle Vernier Dispute

After a prolonged controversy in the war of words over the half-day sessions at Vernier School, the Board of Education and a group of parents settled a five-week argument at a peaceful conference Thursday evening.

Representing the parents of the 38 second-grade students on half-day sessions, Richard Weber, Mervyn Gaskin and William Howe were told at the meeting that through re-organization next term all Vernier children would return to full-day classes.

"In spite of the reaction to the half-day sessions, it was necessary in order to combat the crowded conditions," Franklin D. Dougherty, president of the Board of Education, stated.

"The short school day was proposed as a temporary measure until the present 6A students could be graduated to Parcels," Dougherty added.

Next term 14 6A's will begin at Parcels. According to the Board there will be a combined group with 12 first and second graders each at Vernier. Two other groups with 28 first and second grade pupils each will be in session.

Other members of the Board who were present at the meeting were Mrs. Alice M. Sheaffer and Sigurd R. Wendin.

#### Pointe Gets Torch Trophy for Progress

A gold trophy was awarded to Grosse Pointe, Region I, at the United Foundation Luncheon given in their honor Tuesday.

The award was made for having achieved the highest percentage of its quota in this area.

Mrs. John J. O'Brien, Chairman of Region I, reported \$101,000 collected for Grosse Pointe's quota of \$344,000.

Thomas H. Keating, Chairman of the Regional Unit, in presenting the award to Mrs. O'Brien, highly praised her abilities and tremendous vitality.

"Mrs. O'Brien's report today represents her great organizational talents," Keating said. "As a member of an outstanding Detroit family, noted for true and sincere civic interest, her years of service can never be satisfactorily rewarded," he added.

Joseph R. Parker, Jr., reported a high of 38.9 percent of his quota for the commerce and professional unit in Region I accomplished.

A Republican rally and campaign party featuring Governor Harry F. Kelly and other outstanding state and legislative candidates will be held on Monday, October 30 at 8 p.m. at Haper Hall, east of the Drive-In Theatre between Seven and Eight Mile roads, on Harper.

### Council Tackles Uniform Fire Plan As Backer Departs

Scarcely before the ink was dry on Clarence D. Blessed's letter of resignation as public safety director for the City of Grosse Pointe, the Council began to reconsider a plan he had publicly advocated many times during his tenure of office.

In their meeting Tuesday night in the Municipal Building, the Council made known its intentions to "explore the idea of a unified fire district for Grosse Pointe." Chester F. Carpenter was appointed to discuss with the Farms the matter of establishing a uniform fire fighting system in the community.

Blessed, president of Walker & Co., national outdoor advertising concern, resigned from the public office he's held six years after a losing fight for a new fire truck, more money for police and fire officers and a proposed plan to unify fire departments in the community.

Ralph B. Netting, mayor of the City of Grosse Pointe, and an official of Lincoln-Mercury division, said he thought that:

"Mr. Blessed became impatient with the progress being made toward the purchase of new equipment. In repairing the 1927-model fire truck and turning it back into service we have adequate equipment until the time when the City can afford the purchase of new apparatus. For the past 2 years we have been setting aside approximately \$6,000 to be placed in a fund. When we can afford new fire equipment we will then decide what pieces we need most."

Blessed attacked the council for spending \$8,000 on a swimming pool and much more money on a parking lot while it refused to dip into the treasury to replace a broken-down 1927-model fire truck. Said Blessed:

"The City is rather proud of the fact that taxes here have been kept down in spite of the rising costs of everything else. But at the same time the men in the fire and police departments are paid less than in many surrounding communities.

"The recent \$10 raise for policemen and firemen was not granted to police lieutenants or officers of the fire departments." One of the city's two fire trucks is so antiquated, Blessed said, that the council had to have a whole new chassis built for it recently when its axle broke. The other truck, a long-wheelbase job, is too big to turn down some of Grosse Pointe's streets, Blessed said.

No successor to Blessed's position was named at the Tuesday night council meeting.

#### Young Adults Launch Blood Doner Program

An urgent appeal by the Young Adults of the Grosse Pointe War Memorial Center is being made today to recruit a new army of blood donors to aid in the current emergency. Over 500 local residents are expected to answer the call on Friday, November 17 at the Center, when the Red Cross Blood Donors Mobile Unit will be available.

The Young Adults and the Young Marrieds of the Grosse Pointe War Memorial Center, which represent all the young people in the college through

twenties age bracket of Grosse Pointe, are sponsoring this essential campaign. Redmond Roche is the chairman, Ann Shenefield the co-chairman and John Packard, Jean Leavitt, Myran Troden and Muriel Gillette, are committee workers for the Young Adults.

All 20 members of the Young Adults Advisory Council are also helping. Mrs. William Savage and Mrs. Alden Gallup represent the Young Marrieds.

It is necessary for these groups to assure the Red Cross of 200 donors by November 3, and the balance two weeks later.

PERSONS WISHING to give blood may obtain pledge cards at the Center, at local Grosse Pointe stores or by phoning TUXEDO 1-6030. Individual appointments will be made for the afternoon and evening on November 17 for the blood donation.

Former blood donors are requested to check their cards for (Continued on Page 3)

# Political Eyes of Nation Watch Rabaut-Durant Contest Here

(Continued from Page 1)  
 ment and rising living costs have been singled out as the top issues by Durant. He has declared himself against socialized medicine and opposed to Fair Employment Practices legislation. He favors the right approach to define the rights of minorities.

**AT INFLATION**  
 Durant said he thinks the Taft-Hartley Act should be amended to include anti-monopoly provisions. He insists curtailment of necessary Government spending would eliminate inflation and make price controls needless. Rabaut points to his support of the Federal Housing program. He worked actively for extension of the Social Security Act. He has promised to support a Federal medical aid program, provided it administered locally and "prevents the close relationship between doctor and patient."

Rabaut voted against the 1950 Internal Security Act, which created the Subversive Activities Committee Control Board. Congress overrode President Truman's veto of the bill. He has been a consistent supporter of the St. Lawrence Seaway proposal. Durant has promised the same support. Rabaut voted against substituting a "voluntary" FEPC measure for the proposal making co-operation mandatory.

**SAVINGS PROMISED**  
 Durant has been charging that Rabaut voted against the original creation of the Un-American Activities Committee and once voted to give it no additional financing.

Rabaut has been an advocate of the reorganization proposals of the Hoover Commission. He voted against the proposals to cut \$600,000,000 from the omnibus appropriation bill and voted against cutting Federal personnel in 1950. Durant says he will insist on chopping domestic expenditures and peacetime personnel.

Rabaut is a lawyer, Durant an investment counselor. Rabaut is ready to vote for an excess profits tax to finance war preparedness. He would remove luxury taxes on necessities. He says he would oppose any Federal sales tax proposals.

Rabaut has endorsed the Point Four program of technical aid and financing for Europe. Bungling, charges Durant, is responsible for America's perilous position in the world and he charges that the nation's foreign policy has no pattern.

Until the Democratic revolt and the rise of Durant in the Fourteenth, Democrats had counted the district as safely theirs. Now it has become the prize in the State's toughest Nov. 7 battle.

 type and sign the pledge if they are still qualified as donors. Persons who in good physical condition and weigh at least 110 pounds are urged to sign. All blood is carefully tested by competent doctors before the actual donation. The age requirements are 20 to 60, but young people between the ages of 18 and 21 may give blood with the written consent of parents if otherwise qualified.

Blood is to the human as sap is to a tree, and just as certain trees may be "tapped" to produce such products as sugar and

a fresh supply is necessary every day to maintain the exacting shipping schedule. The blood is shipped in refrigerated cases by air express to San Francisco, and from there is flown overseas by the Military Air Transport Service.

### Donna Dyson Engaged to W. R. Peters

When the Dewey J. Dysons of Westchester road greeted their guests Saturday evening there was romantic news in the air.

Friends arriving for the cocktail party and buffet supper were given miniature newspapers disclosing the engagement announcement of Donna Marie Dyson to Robert J. Peters, son of Mr. and Mrs. William R. Peters.

The fireplace in the recreation room was gayly decorated with congratulatory signs.

At the table where supper was served a large cake expressing "Good Wishes" to Donna and Bob was the centerpiece.

Charles Laughton, noted character actor of screen, stage, and radio will make a personal appearance at Detroit Town Hall, Wednesday morning, November 1, at eleven o'clock in Fisher Theatre.

The English-born actor will give readings from the classics. Asked to describe his forthcoming program at Town Hall, Laughton explained that he never plans his readings in advance, preferring first to gauge the mood of the audience. One critic who reviewed the one-man show stated: "Laughton's readings are a combination of the Sunday comics, an act from 'Julius Caesar,' a roller coaster ride, and a trip through the Looking Glass."

Advance reservations for "A Morning with Laughton," are available at Grinnell's, WO. 2-1124.

## Panhellenic Honors New President at Formal Tea Friday

At a formal tea last Friday, from three until five o'clock, in the home of Mrs. Everett Roll of Hawthorne Road, members of the Detroit Panhellenic Association honored their new president, Mrs. Harold W. Kerr.

Mrs. Kerr has been active in Panhellenic for many years and in addition to being President of the group this year, she is also Province Secretary-Treasurer of her own sorority, Zeta Tau Alpha.

Mrs. Wayne Boyle of Kappa Delta was in charge of all arrangements. She was assisted by Mrs. G. W. Calhoun of Zeta Tau

Alpha, who is the vice-president of Panhellenic, as co-chairman. Mrs. E. T. Burroughs of Alpha Chi Omega, was in charge of reservations made in response to the invitations sent out by Mrs. W. J. Allard Omicron Pi.

Mrs. Arthur Ericson of Washington Road, an Alpha Xi Delta and Mrs. Byron B. Phillips of Cloverly Road, an Alpha Gamma Delta, were in charge of decorations and refreshments. Mrs. Boyle alternated, in the receiving line, with Mrs. Calhoun, in introducing the guests to the new President, Mrs. Kerr.

Lynch of Yorkshire Road, Province Director of Gamma Phi Beta; Mrs. Harold Hathaway of Harvard Road, State Alumnae Chairman of Delta Sigma Epsilon; Mrs. Walter E. Bauman of Berkshire Road, Province President of Sigma Kappa; and Mrs. B. B. Phillips of Cloverly Road, State Alumnae Chairman of Alpha Gamma Delta.

Among them were: Mrs. Leiland Kennedy of Lakepointe, Phi Omega Pi; Mrs. James G. Wark of Three Mile Drive, Alpha Xi Delta; Mrs. Wm. F. Rossiter of Moran Road, Chi Omega and Mrs. Walter E. Bauman of Berkshire Road, Sigma Kappa.

Panhellenic Delegates and presidents of member sorority alumnae groups who attended included: Mrs. George W. Johnson of Bishop Road, Phi Mu; Mrs. John P. Cushman of Ridgeway Road, Kappa Delta; Mrs. Robert Bennett of Naff Road, Kappa Alpha Theta; Mrs. Robert T. Herdgen, Jr. of McMillan Road, Kappa Kappa Gamma; Mrs. E. G. ### Library Spotlight

By Jean Taylor

What do librarians read? Everything is grist for their mill. When do they read? "Ay there's the rub!" It is seldom recognized fact that librarians have no more time for reading than the average person on an eight-hour-a-day job. They must snatch at snatch can and we are happy to say they do.

Most of them juggle half a dozen titles concurrently, sampling one, nibbling at another, there are always a few minutes at the hairdressers, in the dentist's office, on the bus. Then too there are the wee small hours. Librarians are all too familiar with both ends of the candle. Heaven forbid that midnight oil should ever be rationed!

Recently we questioned various members of our staff to discover which current books had captured their enthusiasm.

Mr. Orr's reply was CHAMPION ROAD by Frank Tilsley, on which he comments, "Having been chosen by the Literary Guild as its October selection, this book will undoubtedly become a best seller; in my opinion, deservedly so. While it is long, 600 pages plus, it held my interest as few books do. Champion Road is the story of Jonathan Briggs and his wife Nellie; the scene is England in the first half of this century. Starting with nothing but driving urge to make money, Jonathan fought his way to tremendous financial success, only to voluntarily throw it over-board to save his son. Although Nellie had no patience with his ambition, and was well aware of his many weaknesses, she was ever loyal. Champion Road gives the reader an excellent picture of the English scene during this significant period and also furnishes good reading. I enjoyed it immensely, and am sure many of our patrons will too.

MRS. FINSTER was enthusiastic about KON-TIKI, by Thor Heyerdahl, the exciting adventures of six Scandinavians who sail from Peru to Polynesia on a balsa raft. Of this she says: "The author was convinced that the first settlers in Polynesia could have been the remnants of a white race which had been defeated in battle in Peru and fled. He was not able to convince anyone of this theory until he had proved that such a journey was possible.

MacGowan in his recent book, "Early Man in the New World," dismisses the journey with a short paragraph but Heyerdahl's very simple explanation that cul-

ture was carried from the New World to the South Seas sounds plausible to a layman. This book will have a great appeal for men, women and young people.

MISS ROEMER'S choice was ORDEAL BY SLANDER, by Owen Lattimore. We quote Mellita: "In these troubled times when great issues are at stake, it seems to be increasingly difficult to acquire all the facts upon which to base your own opinions. Therefore, "Ordeal by Slander," by Owen Lattimore, a John Hopkins professor and a long recognized expert on Far Eastern affairs, is an important book. For in it the author reveals the details of the loyalty investigation directed against him, and discusses its implications in regard to intellectual and political freedom in the United States. After following the newspaper and radio coverage of the trial, it is interesting to obtain Lattimore's account of the trial including the testimony for and against him; and also the evidence he was not permitted, under existing Senate rules, to advance in his own behalf."

HALLOWEEN will be celebrated with stories for the small fry (grades one through four). At the main library the date will be Friday, October 27 at 2 p.m. On the morning of the same day at 11:30 o'clock there will be a Story Hour at the city branch. At the Woods Branch, stories will be told Saturday, October 28 at 9:30 a.m.

### Sigma Kappas Entertain Alums

Mrs. Ronald Scheck, of 21461 Sloan drive, will entertain east side members of the alumnae of Sigma Kappa on Wednesday, November 1, at 8 p.m.

New officers who will preside at the meeting are Mrs. William Adamek, chairman, and Norma Hansen, vice-chairman.

Plans for a Founder's Day luncheon will be made.

### Mexican Fiesta to Be Sponsored by UM Group

A Mexican Fiesta will be sponsored by the Detroit Association of University of Michigan Women on Monday evening, October 30 in the auditorium of the Rackham Building. Proceeds from the affair will be used to promote scholarships for eligible women planning to attend the University.

Earl B. Brink, vice-president of Mutual Benefit Life Insurance Company, will present colored movies entitled "Mexico, Our Neighbor to the South."

Dancers from the International Institute, who will present colorful Mexican folk dances in native garb, will end the evening's entertainment.

Mrs. Edgar C. Braun, President of the Association, has appointed Marilyn Savage, chairman of the event. Mrs. James Frey, social chairman, and Cornelia Groesbeck, ticket chairman, will assist Mrs. S. ### St. Paul Hi-Lites

By DIANE ZEMPER

The football season is over, much to the sorrow of the Flyer supporters. Everyone eagerly awaited Sundays, for it meant a chance to get out with the rest of the gang and show some school spirit.

Congratulations, Flyers! You really played a wonderful game last Sunday when you came through to beat St. Martins 13 to 12. The rosters were right on the job, too, with their singing and cheering. Giving a hearty victory cheer were Jerome Froehlich, Judy Beaupre, Pat Okray, Mary Rabaut, Dick Eidi, Bob Schneider, Celestine Blondell, Julie Jones, Joan Hock, Joan Marks, Bob Magee, Richard Faber, Micky Sheehan, Bob Thurlte, and Barbara Clark.

Chris Hammelef, Barbar Unti, Lynn Van Teim, Ronnie Morcketter, Allice Weot, Sally McCarron, Dick Klein, Kaye Piche, Nancy Mason, and Mary Marchand were urging the hard-working team on by singing the Alma Mater. And thus the football season comes to a close.

Two senior girls, future nurses, attended the annual nurses convention held at Lansing last Tuesday representing St. Paul. Sharon Sweeney and Audrey Haley had quite a day attending the activities, which ranged from a tour of the hospital buildings to tea in the governor's mansion. The report which they gave about the day on their return was of great interest to all would-be nurses.

DEE WISE was the hostess at a party given last Friday night. Her guest list included Jack Trombley, Connie Molitor, Jack Carroll, Janet Oxley, Louie Geist, Tom McLaughlin, Jean Reynolds, Donna Mayo, Walter D'Hessler, Marilyn Sutherland, Eddie Lynch, Mary Margaret Van Damme, Ann Reed, and Tom Nacy.

Another party was in full swing at Mary Lou Engelhardt's house. Last Friday night at eight o'clock, the invites, John Brady, Elaine Barbret, Dolores Athman, Catherine Andre, Jimmie Simmons, Joan Hackenberger, Ed Heck, Verne Athman, Denny Reynolds, Dick O'Connor, and Lee Eisey began to arrive.

"Halloween is coming," as the song goes, and what do you intend to do on that evening? Why not make plans to go to Grosse Pointe High School that night? It's going to be packed full of entertainment, such as vaudeville acts, movies, and dancing. Everyone will be there, so see that you are too.

DID YOU KNOW that four of the students from St. Paul are going to be on the radio on Junior Town Meeting of the Air over WJR on October 29? "Can Communism and Democracy Exist Side by Side?" is the subject under discussion, so be sure to reserve that Sunday at ten o'clock a.m. so you can listen to Jim Keller, Carl Rauen, Marie Couvreur and your correspondent.

Was your name in the paper this week? No? Well, if not, let us know about where you were and when by calling TU. 5-1604. We'll be glad to see that you get the publicity next time.

**Local Juniors to Learn About Volunteer Work**

Juniors are taking their place alongside of adults in doing their bit toward helping the social services in the Detroit area. Through classes in their schools they are learning that everyone in a community must give of his time and his effort to help improve that community. Opportunities for juniors to

do volunteer work in Detroit's social service agencies is growing as adults realize more and more that teen-agers have a real desire and ability to help others.

In line with the development of more volunteer jobs for teen-agers, the School Program on Community Services has arranged two meetings in a Red Feather community center in Grosse Pointe for ninth grade students of the Grosse Pointe Country Day School and the Detroit University School.

On Tuesday, October 26, ninth grade boys from the Detroit University School will listen to Mrs. Jane Costabile, director of the Grosse Pointe Woods Community Club, 20883 Mack, which is a Community Chest service, tell about the activities of her organization in providing a recreational program for the community. The ninth grade girls from the Grosse Pointe Country Day School will attend a similar meeting on Thursday, October 26.

**St. Paul's Tramples Champions**

By JIMMY O'CONNOR

St. Paul turned the tables Sunday on St. Martin by defeating St. Martin's 13-12 in the last game of the season. St. Paul, who were the underdogs, outplayed, outpassed and outran St. Martin's.

Al Mercurio scored in the first quarter on an end run for the first tally of the game. They failed to make the point which cost them the game.

In the second quarter, neither team scored, although St. Paul threatened when Jack Trombly intercepted a pass and went 48 yards to the three-yard line as the half ended.

In the third quarter St. Paul looked like a new team. Bill Kerich caught a 40-yard pass and went to the seven-yard line where Dave Sherwood raced over on an off tackle for St. Paul's first tally. Tim Champagne failed to make the point.

**STRATEGISTS ON GRIDIRON**

Both principal and interest will be payable at the Detroit Trust Company, in the City of Detroit, Michigan.  
 These bonds are General Obligation Bonds of the Village of Grosse Pointe Woods, Michigan, as authorized by the voters thereof at the Annual Election held in said Village September 12, 1950, are issued pursuant to the provisions of Chapter 25 of the Village Charter.  
 The Village is authorized and required by law to levy on all taxable property therein, such ad valorem taxes as may be necessary to pay the principal and interest thereon, without limitation as to rate or amount.  
 For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate of interest specified therein, the total dollar value of all interest on the bonds from December 1, 1950, to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid produces the lowest interest cost to the Village. No proposal for the purchase of less than all of the bonds, or at a price other than their par value, will be considered.  
 A certified or Cashier's check amount equal to 2% of the principal amount of the bonds bid upon, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the Village of Grosse Pointe Woods, must accompany each bid as a guarantee of good faith on the part of the bidder. To be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. Interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative by registered mail.  
 Bids shall be conditioned on the unqualified opinion of Miller, Canfield, Paddock & Co., attorneys, Detroit, Michigan, approving the legality of the bonds. The cost of said legal opinion will be paid by the bidder. The purchaser shall pay the cost of printing the bonds. Bonds will be delivered in Detroit, Michigan.  
 The right is reserved to reject any or all bids.  
 Envelopes containing the bids should be plainly marked "Proposal for General Obligation Bonds." Any interested bidder will be furnished upon request, a report of the essential facts pertaining to the financial condition of said Village. Such request should be addressed to the Village Clerk, Grosse Pointe Woods, Michigan.

**Polio Reaches Season's Peak In Local Area**  
 Although the total of poliomyelitis cases for the state of Michigan as a whole compares favorably with the number of cases reported the same time last year, the opposite is true in the Grosse Pointe area.  
 Dr. Thomas Davies reported 28 cases as against 21 for this period in 1949. Dr. Davies has also reported the death of one victim, a 12 year old boy.  
 The Michigan Department of Health has announced that the state's second largest polio epidemic outbreak is reaching its peak late in the season.  
 Where polio usually peaks in the third week of August, the disease continued to increase during September of this year, and remained on the same level during the early part of October. The Health Department says the current outbreak of polio will be second only to the 1949 record outbreak in the state.  
**Ryan Seeking Re-election To State Post**  
 Harold M. Ryan, a Democrat, seeking re-election as State Senator, was born and raised on the east side. He is a graduate of University of Detroit Law School and has practiced law for 15 years. He has served as an assistant prosecuting attorney for several years.  
 He stands on his record as a State Senator which definitely shows he has been very active in the Legislature. He has consistently fought for reapportionment, more hospitals and better care for the mentally ill, for the crippled children, and improvements to the Old Age Act. He was the co-sponsor of the Expressway financing bill, which will bring us our expressways in four years. He introduced the bill allowing women bar owners to operate their own business. He is a co-sponsor of the Automobile Financing Act which will save the car buyers in Michigan at least twenty million (\$20,000,000) dollars per year after the law becomes effective.  
 He serves on the Judiciary, Insurance, Senate business and rules and taxation committees. He fought against the proposed increase in the gasoline tax.  
**Ryan Supports Williams In Rate Dispute**  
 State Senator Harold M. Ryan, 14482 Parkgrove, has thrown his full support behind the fight being made by Governor G. Mennen Williams against the recent telephone rate increase. Ryan, a Democrat, is seeking re-election in Detroit's First Senatorial District.  
 Ryan said that under the organization of state commissions, no one-term governor can appoint to the boards a majority of members who agree with his viewpoint. Williams' sole appointee to the MPSC is chairman John H. McCarthy, a man who has fought every rate increase proposed by the utilities.  
 According to Ryan, the Governor has pledged that if re-elected he will appoint to second consumer member to the Michigan Public Service Commission, which regulates rates for Michigan utilities. Such an appointment would give the consumer, Ryan pointed out, the same two-to-one majority on the Commission now enjoyed by pro-utility members.  
 McCarthy has been out-voted on every case before the Commission, Ryan declared, by the two-member majority appointed by previous Republican governors. The two Republican re-nominators, the \$8,800,000 rate boost for Michigan Bell Telephone Company, despite testimony by Commission experts calling the increase unjustified.  
 McCarthy fought on the side of the consumer, Ryan said, when he argued that Michigan Bell was making a good return on investment before the rate increase. Williams immediately re-nominated Attorney-General Stephen Roth to fight the hike.  
 Ryan tried unsuccessfully to have the MPSC reconsider the case. Ryan continued, and then initiated court action with the full support of the Governor. Williams not only promised to give consumers a majority voice, Ryan said, on the utilities commission, but he also said that he would appoint pro-public majority to the other state boards if he is re-elected.  
**Pastor to Speak at Bethany Zone Rally**  
 Pastor Oswald Dress will speak at the Zone Rally of the Lutheran Women's Missionary Society when they meet at Bethany Friday morning, October 20.  
 Registration is scheduled for 10:30 a.m., and the business meeting will start promptly at 11. Noon luncheon reservations are in the hands of Mrs. C. Dornbrook, 16213 Lapping.

# News of the World in Pictures

**PANCHO**, the burro that acts as tourist greeter at the ancient mission of San Miguel, Cal., forlornly watches a bus full of tourists leaving. He remains dejected until next bus arrives.

**POOL POINTERS** are given two Egyptian diplomats in Washington by Tommy Way, 9, of the Capital Boys' club. Left: foreign minister Bey Mohamed Salameddin, and (right) ambassador Mohamed Bey Abdul Rahim. Little Tommy certainly handles that cuestick like a pro.

**ANOTHER TITLE** is awarded John Farbotnik (center), alias "Mr. America," in Paris. The time the 25-year-old Philadelphia muscle man is named the "world's best-looking athlete."

**NEW "SHELL" COIFFURE** is among latest hair styles introduced by M. Guillaume at a showing in Paris, France.

**FIVE IDENTICAL** hairdos are in evidence as the Dionne quintuplets emerge from a New York beauty shop en route to a banquet. From left: Annette, Emilie, Marie, Cecile and Yvonne.

## 'PARCEL' POST OFFICE

This is the dinky post office at Atwell, N. Y., population—six.

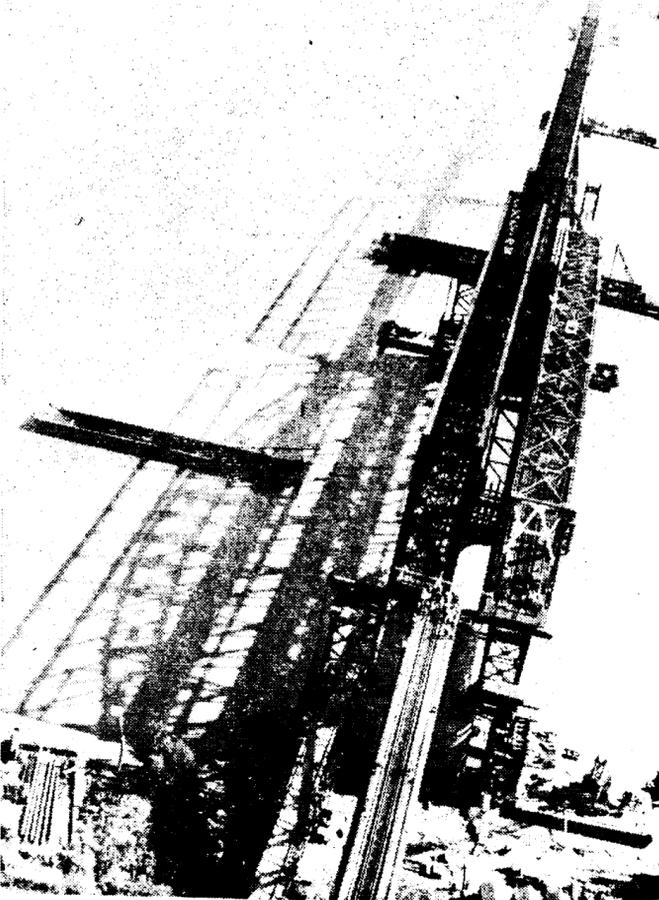

**S**MALLEST post office in the world is claimed by Atwell (above), N. Y., which maintains a population of six nine months out of the year and counts every additional tourist nose the other three months. In the winter, postmistress Mrs. Ernestine Koenig whiles away her spare time by trying to strike up an acquaintance with deer in the Adirondacks.

Most of Mrs. Koenig's mail boxes contain nothing but dust.

**ACCESSORY** to milady's charm is the dainty fan which conceals a vial of perfume. Shown in New York.

**FIRST OF EIGHT** new spans on the Illinois Central railroad bridge at Cairo is rolled into position (right), while the old span (left) is moved over to temporary piers on Ohio river.

**UNWILLING** to be photographed, Amish children peek shyly from their wooden, horse-drawn school bus at Middlefield, O., as the unseen driver whips the horses out of camera range. Many Amish men are banned by their religion from owning cars.
