Goodfellows' Sale Fails to Reach Goal

Boost Cab Fare Rates

One of the first official acts of the Grosse Pointe Park council was the approval of a hike in cab fares for companies operating in Grosse Pointe Park.

The appeal for an increase in taxi fares came from Grosse Pointe Cab Company, 15003 Charlevoix, and the Veterans Cab Company of Grosse Pointe, at 4001 Mack, following the recent vote granted to cabs by the City of Detroit Council.

The rate conforms with the rate now being used in Detroit. Instead of 25 cents for the first quarter mile and five cents for each quarter thereafter, the charge is 30 cents for the first fifth of a mile and five cents for each succeeding fifth of a mile.

The fee for a waiting cab remains the same as in the past. This charge is five cents for each one and a half minutes.

POINTE PARAGRAPHS

—by The Pointer—

A family of newcomers will greet Santa Claus this year in their Grosse Pointe Park home. Mr. and Mrs. William B. Hennessey and their four youngsters recently purchased the rambling Johnson home at 951 Pemberton. Madelyn, the oldest, will go to Pierce School, while Kathleen and Arlyn will enroll in Trombly School. Young Bill Jr. has a few years to wait before he begins his school days.

Missing... one Christmas tree. Grosse Pointe Farms police are looking for the culprit who picked out his Christmas tree from the selection in the Sacred Heart convent gardens.

Friends of the Leon J. Jacobis of 721 Fisher received one of the most unusual greetings of the season. The couple mailed their Christmas wishes on a folder which also commemorated their silver wedding anniversary. Inside the folder were nostalgic pictures of the Jacobis family as it grew up. To celebrate the occasion the couple will greet their friends at an anniversary party on Thursday, December 21, at the Broadhead Naval Armory.

The Christmas spirit touched Grosse Pointe Park this week as once again the tree near the Municipal Building was decked with Yule trimmings. The 20-foot tree is decorated annually to light the way at the entrance to the Pointes.

When the Municipal employees of Grosse Pointe met for their monthly luncheon last week there was laughter afoot. Shortly after the crowd gathered, Norbert P. Neff, City Clerk in the City of Grosse Pointe, rose to the occasion and presented Chief George Dansbury with a neatly wrapped gift. The bald-headed chief who will retire this month after 34 years duty was surprised by the present. Stripping his hairless pate, he opened the box. Inside was an oversized hair brush, a bottle of hair oil and some special hair dye.

"...AND I'LL BE LOOKING FOR YOU ON CHRISTMAS"

To make absolutely sure that the jolly gentleman with the string of reindeers and bundle of toys will not miss her home on Christmas Eve, Patti Van Den Branden reminded him personally. The big reason for Patti's concern is that the Van Den Branden family will change residences in Grosse Pointe during Christmas week. Their new address will be at 246 Lakeland.

Kiwanis Plan Theatre Party for Children

Grosse Pointe Kiwanis will entertain the elementary school-age children of the Grosse Pointe area at a theatre party at the Woods Theatre on Thursday, December 28, at 2 p.m.

The program will include two hours of movies and entertainment. Featured are Wayne Fernelius, with his wooden sideskick "Charley McSafety," and Sgt. Edison Storing, who will thrill the kids with his trained dogs, "Safety Girl" and "Martini."

Candy will be provided for every youngster.

Parents are urged to pick up their children not later than 4:15 p.m. the day of the program.

Arnold L. Drosing, chairman of the Kiwanis program, stated:

Death Takes Mrs. Muir

Mrs. Nora Muir was buried Monday from the funeral home of Wade Funeral Home, following an interment at Cadillac cemetery.

She is survived by her husband, George, of 1211 Leland, Grosse Pointe Park, Mich.; two sons, Ronald, Dearborn, Mich., and James, Grosse Pointe Park, Mich.; and three daughters, Jean and Bruce, Grosse Pointe Park, Mich., and one son, James, Grosse Pointe Park, Mich.

SAFE ON A SOYBEAN PATCH Tells Goodfellow How He Cheated Death

Behind the sale of one Goodfellow edition of the Grosse Pointe Review lies the story of how a local couple brushed death and came out the winners.

Monday morning Goodfellow Al Martin, Park fireman, rapped at the door of the Ralph C. Wilson residence at 707 Balfour and was greeted warmly by the master of the house.

As Martin traded his paper for a \$25 donation to the Goodfellows, he heard the tale of how the Wilsons spared the lives of Mr. and Mrs. Wilson.

The couple left Hot Springs Saturday in their twin-engine nine-passenger airplane and headed homeward. It was after a stop-over in St. Louis that things began to happen.

"We were about 75 miles from St. Louis when something went wrong with one of the engines," Wilson related.

"The airplane vibrated so badly that Paul Jim Fitzhenry and I could not read the instruments."

"Then the plane struck the ground, bounced 40 feet up into the air and spluttered about a quarter of a mile before stopping in a soybean field."

"What really surprised us was," he said, "was when a neighbor farmer picked us up in his station wagon and drove us into town."

"On our way to Eppingham, Ill., to catch a train home, the farmer told us that planes had landed on farms all around the area but never on his property. Our landing seemed to put him back on a standing with his neighbors."

Mr. and Mrs. Wilson, who live at 707 Balfour, are seasoned air travelers. In the fall they flew to Europe and visited cities on the continent by plane. On Friday they will fly to Puerto Rico to spend the holidays there.

"But we are truly grateful to be able to give the Goodfellows a boost so that they can make this a happy Christmas for others," Wilson said.

Chief Observes 30 Years of Service

Chief Ledger Chauvin of the City of Grosse Pointe Fire Department celebrated 30 years of service as a City employe this week.

Chauvin, who lives at 672 University with his wife, started with the department in 1920 and has been Chief for 14 years.

Santa Claus To Visit Park Employes

Santa Claus will visit the Grosse Pointe Park Municipal Building this week to distribute Christmas bonds to all employes.

The Council approved the gifts at their Thursday night meeting.

Employees with more than one year's service will receive a \$50 bond. Persons employed less than a year and over six months will be given a \$25 bond and those less than six months will receive \$10 in savings stamps.

New Woods Officials Assume Office

The Mayor, Municipal Judge (Justice of the Peace) and Councilmen in Grosse Pointe Woods took their oaths of office at a meeting December 20.

Harold Love, former Chairman of the Woods Charter Commission, officiated at the swearing-in ceremony.

Present were Leon D. Ralcliffe, Mayor; George W. Gardner, Rex Johnston, Howard Wolf, George Heesendorp, Arnold Drosing and Herbert N. Savage, Councilmen; and Don Goodrow, Municipal Judge.

Fight Frosty Weather

The Grosse Pointe Goodfellows fought freezing temperatures and biting winds Monday morning at the Grosse Pointe Lions' 22nd Annual Goodfellows Day newspaper sale.

By noon the Lions newsboys assisted by Grosse Pointe police and firemen had raised a little more than \$5,700.

Carl Schweikart, chairman of the drive for his seventh straight year, said "although we fell short of our \$7,000 goal, we still consider the drive a success."

"Many of the Lions were not able to sell papers on their regular corners this year because of illness and the Goodfellows who turned out were pitted against one of the coldest days this year," Schweikart commented.

He said that about 150 Goodfellow Baskets would be distributed to needy families this Christmas.

"The rest of the money will be put in the Lion's fund to be used on a year-round basis to help the needy, the blind and those who may need a helping hand," he said.

A look at the records show that the highest amount ever raised by the Newsboys was in 1947 when they netted \$6,052.

Residents Protest Widening

In an attempt to prevent the widening of Charlevoix or Vernor or making these streets one-way, the Scripps Subdivision Property Owners recently expressed their opposition in a letter to the Park Planning Commission.

Clarence E. Klem, secretary of the Property Owners Association, in his letter asked that "the Association be granted a hearing to express their views on the issue."

In a preliminary survey prepared by Oscar M. Gunderson, Traffic Engineer for Grosse Pointe Park, the one-way operation of Vernor and Charlevoix was not recommended "at the present time."

Gunderson suggested the installation of 25-mile-per-hour signs on these streets and moderate enforcement of the speed law.

Gunderson's survey will be submitted to the Planning Commission in January.

Tire Bandit Rolls Along Sans His Loot

When several residents halted a thief as he was tossing tires over a fence, the plunderer spun on his heel and dashed through an alley with two tires under his arms.

The vandal dropped the tires after several on-lookers gave chase.

The tires were on a display rack at Joseph's Service Station at Beaconsfield and Kercheval.

Pick Oregon School Official for Post Vacated By Barnes

Announcement was made this week by the Grosse Pointe Board of Education of the appointment of a new superintendent of the Grosse Pointe Public Schools to replace retiring John R. Barnes, who is leaving the school system after 20 years of service.

The board's choice is personable 39-year-old James W. Bushong, a native of Oregon where he held the position as Superintendent of Schools in Bend.

Mr. Bushong comes to Grosse Pointe highly recommended by Paul Remus, who was principal of Grosse Pointe High School from 1937 to 1940 and is now superintendent of schools at Portland, Oregon.

"We feel that Mr. Bushong is well equipped to carry on the good work begun by his predecessors and will be respected by the faculty and the community," Sigurd R. Wendin, board member, stated.

At the time of his appointment here, Mr. Bushong was on leave of absence from his position as Superintendent of Schools in Bend, Oregon, a position he has held since July, 1946.

Mr. Bushong, who will move here January 1, is one of five men recently selected by the faculty of Harvard University from among superintendents of schools all over the country to enroll at Harvard as a Graduate Fellow in Education.

The terms of Mr. Bushong's fellowship will enable him to continue his work at Harvard while at the same time devoting a major portion of his time and energies to the Grosse Pointe school systems during the next six months.

At the request of Mr. Bushong and by approval of the board, Mr. Barnes will remain on a consulting basis until the end of the school year.

Mr. Bushong served as lieutenant commander during World War II and saw combat service in both the Atlantic and Pacific. His Navy travels took him to Okinawa and Iwo Jima and his last post was aboard the USS Audubon, an amphibious attack transport.

The new superintendent is married and the father of three daughters. He holds a master's degree from the University of Oregon and will have completed all residence requirements for a Doctor of Education degree at Harvard University by June, 1951.

Mr. Bushong's predecessor, Mr. Barnes, announced his proposed resignation in September for reasons of ill health. His proposed plans include a trip to Florida and then a change of residence.

Mr. Barnes stated that he will live on a country acre area near Plymouth, "not too far away from the Pointe."

Postpone Center Drive Until Spring

A proposed drive to enlist "Friends of the Center" which was originally scheduled for the pre-Christmas season, has been postponed, according to an announcement by Alger Sheldon, president of the Grosse Pointe War Memorial Association.

The reason for the change, Mr. Sheldon said, was the conflict with the Bon Secours drive to raise funds for the hospital which is currently in progress.

He said the War Memorial Board would postpone the Center drive until Spring.

In a letter to Lou Maxon, Chairman of the Bon Secours drive, Mr. Sheldon stated "that we are all very much in sympathy with your cause and wish you all success."

Early Deadline

So that employes of the Grosse Pointe Review may enjoy a Christmas holiday with their families, the deadline for copy will be Saturday, December 23, at noon.

Hospital Fund Grows To \$32,315

The thermometer recently erected in front of Bon Secours Hospital to indicate the progress of the campaign for funds, went over the 30,000 mark this week.

According to Lou Maxon, the chairman of the campaign, funds subscribed to date total \$32,315. The goal is \$121,120.

Money will be used for equipment and furnishings for the new addition.

New Park Council Meets for First Time

The first meeting of the new City of Grosse Pointe Park Council was held in the Municipal Building Thursday evening.

Before the meeting, the recently elected Councilmen took their oath of office.

Officiating at the ceremony was Victor H. Wehmer, former member of the Grosse Pointe Park Charter Commission.

The Council includes: A. J. Blvdworth, James McMillan, Peter J. Koening, Elmer F. Ulrich and Peter Burgess, former Village Commissioners. The sixth seat on the Council will be occupied by Robert E. McKean, who served as chairman of the Park Charter Commission.

Good Skating In Pointes

Skaters in Grosse Pointe are getting good ice and excellent conditions for their favorite winter sport.

At the Farms Municipal Park, Woods Park and the Park Waterfront Park, the skating has been open since mid-10 p.m.

The City and Skates announced that their parks will be kept open during the day for skaters.

CHRISTMAS - - - 1950

All America is preparing for the greatest season of all. Christmas puts a new countenance on an old world. The streets are filled with shoppers carrying bundles of gifts, children are standing in lines in department stores to meet the most legendary figure of the ages and mailmen are everywhere delivering greetings that renew friendships and revive memories. Christmas lives in the hearts of men and women, but most of all the children. To them, Christmas means snow and Christmas trees with tinsel, colored ornaments and cone-shaped lights. Gingerbread snowmen suddenly become their favorite dessert. As they go about their

play, merry tunes of yule ring in their hearts.

As the dwindling stocks on the store shelves are the barometer for the nearness of Christmas give a thought to making the season happy for everyone. Before checking off the long gift list, recall the famed words of Balfour.

He said: The best thing to give your enemy is forgiveness; to an opponent, tolerance; to a friend, your heart; to your child, a good example; to a father, deference; to your mother, conduct that will make her proud of you; to yourself, respect; to all men, charity.

"YES, VIRGINIA"

NOTE: Reprinting of the letter below, together with the original editor's note, has become a Christmas tradition with The Grosse Pointe Review because it carries a significant message to adults and children, alike.

(Back in 1897, little Virginia O'Hanlin wrote the following letter to the editor of the New York Sun: "I am 8 years old. Some of my little friends say there is no Santa Claus. Papa says, 'If you see it in The Sun, it's so.' Please tell me the truth—is there a Santa Claus?" The editor wrote this newspaper and literary classic in reply to this childish plea:

"Yes, indeed!

"Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age—they do not believe except what they see—they think that nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's, are little.

"In this great universe of ours, man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth and knowledge.

"Yes, Virginia, there IS a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Santa Claus! It would be as dreary as if there were no Virginias. There would be no childlike faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in

sense and sight. The eternal light with which childhood fills the world would be extinguished.

"Not believe in Santa Claus! You might as well not believe in fairies!

"You might get your papa to hire men to watch in all the chimneys on Christmas Eve to catch Santa Claus, but even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign that there is no Santa Claus—the most real things in the world are those neither children nor men can see.

"Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there—nobody can conceive or imagine all the wonders that are unseen and unseeable in the world.

"You tear apart the baby's rattle and see what makes the noise inside, but there's a veil covering the unseen world which not the strongest man, or even the united strength of all the strongest men that ever lived, could tear apart. Only faith, fancy, poetry, love, romance, can push aside the curtain and view and picture the supernal beauty and glory beyond.

"Is it real?—ah, Virginia, in all this world there is nothing else real and abiding.

"No Santa Claus! Thank God!—He lives, and he lives forever—a thousand years from now, Virginia, nay, ten thousand years from now, he will continue to make glad the heart of childhood."

MERRY CHRISTMAS TO ALL!

Choose 2 High School Pupils for TB Board

David Terris and Barbara Drinkaus, students of Grosse Pointe High School are the two student members of the newly organized Junior Board of Directors of the TB and Health Society of Wayne County, Ernest C. Bowen, President of the Society's Board of Directors, announced today.

The Junior Board is comprised of students from 14 Detroit and Wayne County High Schools.

The purpose of the Junior Board, said Bowen, is to provide an exchange of information among school health councils, promote close local cooperation with specific health drives (such as community chest X-ray surveys), sponsor surveys of health resources in the local school and community; and, by activities such as these, provide for effective citizenship training.

The Junior Board of the TB and Health Society is composed of two students from Hamtramck, Fordson, River Rouge, Dearborn, Lowry, Denby, Highland Park, Ecorse, Lincoln Park, MacKenzie, Grosse Pointe, Northern, Milwaukie, and Allen Park High Schools.

At the next meeting of the Junior Board on January 11th, officers will be elected and committees appointed, and activities for the coming year will be outlined.

The ceremony of the candle lighting will be conducted by the pastor, the Rev. Charles W. Scheid, assisted by the Deacons.

RECIPE FOR A HEALTHY CHRISTMAS

Christmas holidays should end as happily as they begin, according to Dr. Joseph G. Moirer, commissioner of health, and precautions to avoid accidents will help make it so for you.

December is one of the months when a high accident rate always occurs, so that accident prevention as well as good will toward men should have high priority on your schedule for December.

When you let yourself become overtired you increase the likelihood that you will have an accident, and this is true for children as well as adults. Stop your Christmas shopping before you become "dead tired." Use caution when you are carrying packages, and don't pile them so high that you cannot see over them. This applies whether you are carrying them in your arms on the street—down your own stairs—or have them loaded on the back seat of your car.

Choose a Christmas tree that is not too large for your room and keep it in a cool

place—outdoors, if possible—until you are ready to use it. Experts from the Forest Service say that if you keep your tree in water it will stay fresh and green longer and be less flammable. Cut off the end of the tree trunk at least an inch above the original cut and place it at once in water that comes above this cut.

Throw away any frayed cords for tree lights or other electrical appliances, and when you buy a new string of lights make sure that it has the approval of the Underwriters Laboratories. If tree lights flicker, turn them out until they are checked and don't leave them burning when you go away or go to bed.

If you expect to use the fireplace, have your tree at a safe distance. Unbreakable ornaments are safest, and when others are used they should be placed high enough to be out of the reach of little children. When you arrange the star on the tree or other decorations which are higher than you can reach, use a stepladder.

Michigan Mirror

Politics has come to a grinding halt for the average Michigan voter—except for the numerous state appointments still unfilled. Two-thirds of the way through the recount Governor Williams was rubbing his hands with glee.

His was an opportunity seldom afforded a Democrat in the Midwest. Many of the top appointive jobs were opening. He promised he would be ready for them.

Williams' luck has been poor in the past. When the dust settled over the embattled liquor recontrol commission, Gen. Kunzig retained his \$10,380 job, John Kozaren (Williams' appointee) was no longer chairman; David Martin (Democrat) was ostracized for voting Republican Harry Henderson the chairman; Martin then was approved by a Republican senate. Confusing, isn't it?

Says Williams: "I can't help but remember how the same two men (Martin and Henderson) were prime movers in issuing 200 S.D.D. (liquor take-out) licenses immediately before I took office." But Williams reappointed Martin. The legislature promises to take steps to halt the "sloppy operations" of the LCC.

But war and Christmas now crowd our front pages. With most commentators weeping because "United States has lost its first war," Yuletide shopping has continued unabated. Stores all over the state have been cleaned out despite a substantial price rise since 1949.

MICHIGAN'S RETAIL BUSINESS is stamped. With the times so unsettled and controls again peering over the transom, buying becomes a problem. And if all predictions are correct January will see more stringent price controls reinstated.

If Congress reduces draft standards, 50 per cent of those in 1-A who failed their first exams

will be eligible. That would add 30,000 men to Michigan's manpower pool.

Thirty thousand more soldiers will cost some \$240,000,000 per year to keep. Average cost of the G.I. today is \$8,100 yearly. Before the war the cost was \$3,200.

The V.F.W. has scorned the proposed merger of all state veterans' agencies. G. Edwin Slater, state commander, says it would lead to chaos and build "the finest political machine in Michigan history..."

Circuit Judge Marvin J. Salmon, Lansing, made news when he set aside as "unlawful" a \$1,160,000 annual increase granted the Consumers Power Co. by the public service commission. If sustained by the supreme court the utility company will repay \$1,500,000 to \$2,000,000 to users.

GOVERNMENT DELAY AND INDECISION in awarding defense contracts plus curtailment of essential materials may put tens of thousands of Michigan workers out of work. Already the peacetime record of persons employed, set last year, is receding.

General Motors Corporation is financing an institute of industrial health at the University of Michigan. The \$1,500,000 endowment will enable researchers "to investigate many facts of industrial health that urgently need exploration..." company officials stated.

Michigan's relatively young winter tourist industry is girding for at least 500,000 winter sports seekers. There are 36 winter sports areas which agree that the summer season was "on and off" but that this winter looks like a banner year.

Older, but less heralded is Michigan's vegetable industry, a

\$50,000,000 business. Quietly it thrives with only the Michigan Vegetable Growers Council to boom its possibilities.

And the Wolverine state also has uranium. Four applications for leases are still being investigated and two are being explored further. The two most promising are in Dickinson and Baraga counties.

Cadets Home On Vacation

The Grosse Pointe cadets at Howe Military School, Howe, Indiana, returned to their homes for the Christmas holidays beginning December 16th.

According to the announcement from the Indiana school these students are: Anthony J. Corrado, son of Mr. and Mrs. Peter Corrado, 765 Middlesex; Richard L. Newkirk, son of Mr. and Mrs. Dallas E. Newkirk, 355 Mt. Vernon road.

The cadets will return to school on January 2.

Great Navy Play at Shubert During Christmas Week

No news of the present theatrical season has stirred greater interest than Leland Hayward's announcement that he is sending his smash hit, "Mister Roberts," to the Shubert Theatre for a two-week engagement, commencing Christmas night, Monday, December 25.

MISTER ROBERTS

The history of "Mister Roberts" is pretty well known. Written originally as a series of stories by the late Thomas Heggen during his service in the Navy, then combined in a best-seller, and then dramatized by the author and Joshua Logan, who also staged the play, the comedy became the outstanding dramatic offering of the year and leaped into standing-room popularity on Broadway.

"Mister Roberts" is a novel production. All its scenes are laid aboard a cargo carrying ship plying its way from point to point in the backwaters of the Pacific during the war.

Noiseless changes of scene are made by the use of a revolving stage. It is a heavy production in that much of the "scenery" is real stuff, being made of iron and steel.

Performances for "Mister Roberts" which continue through Saturday, January 6, are scheduled for 8:20 p.m. in the evening and 2:20 p.m. for the Wednesday and Saturday matinees. There will be only one New Year's Eve performance at 8:20 p.m.

Senior Class Has Petticoat Rule Here

For 25 years graduating classes of Grosse Pointe High School have had a masculine president. Never has a class graduated in all these years with a feminine president—at least, not in any teacher's memory.

In an unprecedented election last fall a girl, Bonnie Reitz, turned the tables on the boys by running against and beating out all competition for the office of president of the January, 1951 class.

Bonnie's election climaxed a long career of participation in school activities. She has taken part in the student government, has worked at football and basketball games selling hot dogs, and has been an enthusiastic and active member of the Girls' Athletic Association.

The election of Bonnie was not the only good news that the girls had. The class elected Mary Ann Waggoner vice-president and Marcia Olen secretary.

Former Pointe Cub Becomes Eagle Scout

A boy who began his Scouting career with a Cub Pack at Trombly school was recently given the Eagle award in San Marino, California.

Lynn O'Brien, Jr., son of the Lynn D. O'Briens of San Marino, formerly of Grosse Pointe, comes from a Scouting family. His mother was on the publicity committee for Girl Scout Camp Holly and served as the Camp's Metropolitan chairman.

The new Eagle Scout has been a Scout for five years, three of these having been as a Cub.

Wiant Heads Publicity Society Here

Thoburn Wiant, 780 Barrington Road, has been elected 1951 president of the Detroit Chapter, Public Relations Society of America.

The organization represents nearly 100 companies in the metropolitan area.

A World War II correspondent for the Associated Press in the Far East and Europe for several years, Wiant has been Detroit Public Relations director of Young and Rubicam, Inc., since August, 1945.

He handles the Packard Motor Car Company and Parke, Davis and Co. accounts.

Another Grosse Pointer, William A. Durbin, 510 Neff, director of public relations for the Burroughs Adding Machine Co., was named secretary.

Noble Travis, vice-president of the Detroit Trust Company, is new vice-president of the Detroit Society and Glenn H. Cummings of Cummings and Hopkins, is treasurer.

High School Alums Stage Annual Game

The annual varsity-alumni basketball game scheduled for December 27, at the Grosse Pointe High School gym will be played this year with a new twist.

Young Folks Ask Santa To Bring Daddy Home

While their father is in Japan, these youngsters found Santa Claus eager to listen to their Christmas lists.

Lester Henry, age 6, and Cynthia Ann, 2½, went downtown

with their mother, Mrs. Mervin Henry, of 1305 Wayburn, to see the jolly gent.

Their dad, Capt. Mervin Henry, is a permanently commissioned officer in the Air Force.

He is a pilot, navigator and bombardier and is stationed in Nagoya, Japan.

When Lester and Cynthia talked it over with Santa, they had another list from a much younger member of the family.

She is little Carol Louise who couldn't get into the picture, but wishes Santa would bring her daddy home for Christmas.

Harvey' Opens Detroit Run at Theatre

The screen version of "Harvey" opens at the United Artists Theatre Friday, December 22nd. The Pulitzer Prize Play by Mary Chase set a long-run record which has been surpassed by only four other legitimate shows.

The screen version stars James Stewart, who also played the role of Elwood P. Dowd on the stage.

Josephine Hull, veteran stage actress, recreates her original role of Veta Louise Simmons. Peggy Dow, Cecil Kellaway, Charles Drake, Jesse White and Wallace Ford are also prominent in the supporting cast.

The story of "Harvey," familiar to players throughout the country, concerns a man who fought sanity for twenty years and finally won out! Elwood P. Dowd's white rabbit Harvey has become a household figure despite the fact that he has never been seen.

News in Sight

By DR. MAJESTER

Several days ago a patient told us the story of Grandma's Spectacles. We liked it, perhaps you will too.

"Wouldn't you hate to wear spectacles all the time?" asked a small boy of his playmate.

"No-o," answered the playmate, slowly, "not if I had my Grandma's kind of glasses. You see, she sees how to fix a lot of things, and sees lots of nice things to do on rainy days; she sees when folks are tired or sorry, and what'll make 'em feel better; and she always sees what you meant to do, even if you haven't got things just right. I asked her one day how she could see that way all the time, and she said it was the way she learned to look at things as she grew older. So it must be her spectacles."

WE WISH YOU ALL THE JOYS OF A HAPPY HOLIDAY SEASON.

Pointer Claims Bride In West Virginia Rites

Saturday morning in the rectory of St. John's Catholic Church at Mullins, W. Va., Betty Lou Wallace, daughter of Mr. and Mrs. Frank Edward Wallace, of Wyoming County, W. Va., was married to A. J. Vervake, Jr., son of Mr. and Mrs. Albert Joseph Vervake, Sr., of 1418 Somerset, Grosse Pointe Park.

The Rev. Father E. B. Krzysiek performed the double ring ceremony at 10 o'clock in a setting of white chrysanthemums and greenery. Mr. Wallace gave his daughter in marriage.

A necklace of pearls, a gift from her betrothed, lent ornament to the portrait neckline of the bride's ballerina length frock of powder blue velvet. Her head-dress was a polk bonnet of blue velvet, with lace mitts to match. She wore a white orchid corsage.

The bride's only honor attendant was one of her friends from Bluefield, W. Va., Edna Longworth. Her costume was of royal blue velvet with gray accessories, and her flowers were white gardenias.

The senior Mr. Vervake served his son as best man. For the ceremony the bride's mother chose to wear a dress of rose velvet with matching feather hat and brown accessories. The mother of the groom was attired in black crepe adorned with sequins, and black accessories. Each wore a corsage of white gardenias.

White chrysanthemums and foliage were used as decorations in the Wallace home for the wedding breakfast which followed the nuptials. Assisting with serving were Mrs. Ernest Pack and Mrs. Carl Paller, both of Mullins.

Out-of-town guests were Mrs. R. L. Longworth, of Bluefield, W. Va., and Ann Gail and Carol Joan Vervake, of Grosse Pointe. Due to inclement weather, the grandparents of the bride, who reside at New Boston, Ohio, and other invited guests were unable to be in attendance.

The newlyweds are now on a two-week wedding trip South, which will include a visit to Miami Beach, Fla. When they departed, the new Mrs. Vervake was wearing a dark green coat, a rose wool frock, black accessories, and her bridal corsage.

After her graduation from Welch High School in 1945, the former Miss Wallace attended Bluefield College where she was pledged to Delta Beta Kappa Sorority.

Her husband was graduated from Purdue University this year and is a member of Tau Kappa Epsilon Fraternity. From February of 1946 to August 8, 1947, he was a member of the military, serving with the Army ordnance in Japan. At the time of his separation from service he held the rating of fifth grade technician.

He is now employed in the engineering department of Semet-Solvey Division, Allied Chemical and Dye Corp., at Tralee, W. Va. They will reside at Iroquois, W. Va.

St. James Lutheran Offers Special Week-End Services

St. James Lutheran Church of Grosse Pointe, McMillan road near Kercheval will hold three special services over the Christmas week-end.

The first service will be a children's service, on Friday, December 23, 7:30 p.m., in which the boys and girls of the Sunday School will present in the church pageant, "The Christmas Story," a colorful portrayal of the ageless Nativity story in song, narrative, and tableau, directed by Mr. Roger Freriks, Sunday School Superintendent.

Mr. Freriks announces that all parents in the community are invited to bring their children to this inspirational Christmas pageant.

The second special service will be a midnight Christmas Eve Carol Festival, Sunday, December 24, beginning at 11 p.m., conducted by the pastor, the Rev. George E. Kurz. In the beautifully decorated church, with its early American colonial setting, the congregation will sing the favorite Christmas carols.

As the Christmas story is told in verse and song, the choir will sing stirring Christmas anthems, assisted by soloists Lorraine Deiner, contralto, who will sing, "Gesu Bambino," by Yon; Mildred Litke, soprano, who will sing, "Sing Alleluia," by Nolte; Paul Winkelmann, tenor, who will sing, "The Birthday of a King," by Neidinger.

There will be a Christmas meditation by the pastor.

The third special service will be on Christmas day, Monday, December 25, beginning at 11:00 a.m.

CHRISTIAN SCIENCE CHURCHES
"Christ Jesus" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, December 24.
The Golden Text (Isaiah 9:6) is: "Unto us a child is born, unto us a son is given; and the government shall be upon his shoulder."
Among the Bible citations is this passage, (Jer. 23:5): "Behold, the days come, saith the Lord; that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following: (p. 332): "Christ is the true idea voicing good; the divine message from God to men speaking to the human consciousness."

Library Spotlight
By JEAN TAYLOR
of the Grosse Pointe Public Library Staff
By Jean Taylor
"No matter in what state our world is, Christmas comes round again to renew our belief in brotherhood and peace and give us hope."
Perhaps, because this year as never before, we are thinking in world terms rather than in terms of our own backyard, we have had repeated requests during the past week asking how to say Merry Christmas in various languages. Because of this increased interest we list below Christmas greetings in foreign tongues.
Brazilian: Boas Festas! (Good Holidays!); Feliz Natal! (Happy Christmas!);
Danish: Glaedelig Jul! (Glad Yule!);
Dutch: Hartelijke Kerstgroeten!
English: Merry Christmas!
Finnish: Hauskaa Juloula! (Merry Yule!);
French: Joyeux Noel! (Joyous Christmas!);
German: Froehliche Weinachten!
Italian: Bono Natale! (Good Christmas!);
Portuguese: Boas Festas! (Good Holidays!);
Rumanian: Nosteria Lui Christos Sa Va Die de Folos! (May the birth of Christ bring you happiness!);
Spanish: Felices Pascuas! (Happy Christmas!);
Swedish: God Jul! (Good Yule!);
Swiss: (French) Joyeux Noel! (German) Froehliche Weinachten! (Italian) Bono Natale!

Again we call the attention of the small fry to the Christmas Story Hours at the Woods and the City Branches. The Main Library had its Christmas "do" last Tuesday. Stories will be told at the Woods, Friday evening, December 22 at 7 p.m. and at the City Branch, Saturday morning, December 23 at 10 o'clock.
That small children are on intimate terms with the world of make-believe was brought home to us in an incident occurring at your library some while ago.
Miss Jean Ferry was helping us at that time with our weekly story hours. We announced one day that next week Miss Ferry would tell the stories.
All library agencies will be closed the Saturdays preceding New Year's and Christmas Days. One alert second grade moppet, spelling out the two signs placed at the City Branch desk, remarked, "But that can't be! This morning says the library will be closed the Saturday before Christmas and that one says the Story Hour is on that Saturday morning."
In case you too find this confusing, the explanation is that we apparent contradiction in our story hour because our library will be closed for any other business. In our small quarters the shouting and the tumult may then reach their height and the silent reader need not be disturbed.

Monroe Dawns Blue Devil Tankmen In Home Waters

By RALPH CROSS
Grosse Pointe High School's Blue Devil tankmen were downed, 47 to 36, by a strong Monroe squad last Friday in their home pool.

Morrin of Monroe captured first in the forty and the hundred. His times were excellent: 18.9 for the forty and 55.2 for the hundred.

First and second were taken in the diving event by Grosse Pointe's divers, Winkler and Crowley, respectively. Winkler is a senior, and Crowley is only a tenth grader.

Novak, Grosse Pointe's best back stroker, lost a heartbreaker in the 100-yard back stroke. After leading for four lengths, he was edged out in the final length by Leaby of Monroe.

In a hard fought battle last Monday evening, Grosse Pointe Valet edged a fast, hard driving Metropolitan Club five by the score of 59 to 50 in the top game of the evening.

Valet led 21 to 20 at the half-way marker but began to pull away in the third and fourth periods paced by Roy Lombardo who chalked up twelve points in the third and fourth periods.

Ray's total for the game was seventeen points giving him scoring honors for the winners. Metropolitan Club started the final half strong but began to fade as the game came to a close.

Joe Schaffner of Metropolitan Club was the scoring ace of the game with a twenty point total.

In the second game of the evening Monday Cleaners had little difficulty in downing Broderick A. C., 49 to 31.

Monday took the lead early and was never threatened throughout the entire game. Chuck Wylie grabbed off the scoring honors for Monday with 13 while Ken Kaiser sank 12 for the losers.

In the first of Tuesday night's games, Verdonck's Bakery showed amazing speed and accuracy in crushing Tom Boyd Ford by the score of 78 to 31, the highest point total of any team so far this season.

Tom Boyd who looked so good against Grosse Pte. Valet only a week ago, was never in the ball game.

Verdonck's fine defense and fast break were the highlights of the game as they took a commanding lead right from the beginning. Five players rang up 10 points or more for the finners with Cameron pacing the team with seventeen to become the scoring star for the second consecutive week.

Tuesday night's finale brought a real thriller to the fans as American-Italian started early and dominated the play in the first half and led at the intermission by a 30 to 17 score.

The St. Clair Shores five were not satisfied with the way the play had been going and came back to show their opponents that they meant to do something about it.

Their sharp-shooters began hitting and they drew up to within two points of a tie in the final few seconds of play.

Williams' long shot missed as the buzzer sounded ending the game.

Larry Jump rang up 16 points for the winners while Erickson of St. Clair Shores sank 17.

Despite the record series, Rustic Cabins managed to salvage one point by winning the first game with 861.

THE RETURN OF ST. NICK

Santa Claus put in his appearance on Mack avenue this week as Paul Russo invited him to pass out candy to all children from the top of his Grosse Pointe Valet Cleaners & Dyers building at 17854 Mack. Starting Thursday and continuing through Friday, Saturday and Christmas

—Photo by Dee

Eve, St. Nick will continue to greet the children with dual microphones and give them presents of candy. City police are cooperating in handling the traffic which the children's patron has attracted. Santa's hours are 6 to 9 p.m.

Devils Find Acorns Are Easy Pickings

Grosse Pointe—56; Royal Oak—36. That was the score when the Blue Devils overcame last week's defeat by Highland Park to hurdle their second barrier in quest of the Border Cities League title.

In the first quarter the Pointers found it hard to make points. They collected only 7 to their opponents' 12. Much of the absence of points was due to lack of team play.

That second quarter found the Devils playing with real team spirit. Accurate shots and passes combined to give them a 22-7 half-time lead.

In the third quarter the Grosse Pointe boys hit their stride. They limited the Acorns to 5 points, while themselves collecting a commanding 42-22 margin.

By the end of the fourth quarter Coach Werner, coasting on his lead, cleared the bench to give all the boys a chance to gain actual game experience.

Even with third stringers in the lineup, the team fought on and gained a 56-35 victory over a highly rated Royal Oak team.

THE BLUE DEVIL reserves added their bit as they took a 40-34 victory over the Royal Oak reserves.

After being behind 10-8 in the first quarter the reserves forged ahead to gain a 20-18 half-time lead, and again were ahead at the third quarter 28-27.

Pete Gobel was high scorer for the Devils with 16 points, Wardel

RUN OVER BY TRAIN: UNHURT
Birmingham, England.—Fainting on a railroad platform, Charles Paine, 66, fell into the path of an express train, which passed over him before it could be stopped. The frightened engineer found him climbing out from under the last coach, unhurt except for a small cut on his head.

Scout Wreath Sales Go Over \$1,000 Mark

Boy Scouts of Troop 546 and their dads teamed up Saturday to deliver over a thousand dollars worth of Christmas wreaths to residents and business people of Grosse Pointe Woods.

Top salesman of the Troop was Scout Conrad Istock who sold over one hundred dollars worth of wreaths.

The ten boys, highest in order of sales, were Conrad Istock, Harvey Sainsbury, John Olmsted, John Riehl, Warren Appel, Dale Nevison, James Ravel, Thomas Cram, Stanley Antloer and James Richards.

Henry Appel, Assistant Scoutmaster, remarked, "It was worth watching those kids hustle."

Fred Olmsted, Scoutmaster and spokesman for the Council, thanked the fathers and Dads and the project helped us, but it was a thing we could do together, looking forward to a great year and want to be in this troop meet at the Church on Thursday and is open to all boys 12 years and over.

Human beings may be divided into two great classes: those who do things and those who do not do things.
