G.P. BUILDING PERMITS AT PEAK

Enlist Auxiliary Police Women Here

Seek Reservists for Special Posts, Emergency Firemen

Two urgent pleas were issued this week by George Elworthy local director of Civilian Defense activities. Auxiliary police women and emergency firefighters are needed immediately to set up the proper defense mechanism in Grosse Pointe, Elworthy stated.

The Grosse Pointe Police Departments began this week to take enlistments for Emergency Reserve Duty. Women who qualify for the specialized work will be given a basic training course in routine police procedures.

Women Reservists must be 25 years or older, with no children under 17 years living at home, and must be resident of Grosse Pointe.

POINTE PARAGRAPHS

Should anyone ever question the efficiency of the Grosse Pointe Farms Police Department, Roy F. Moore, of 425 Lothrop, has offered to testify in their behalf. One evening, the Moores heard strange creaking noises in the rear of their house. Two minutes after phoning police, the gendarmes arrived on the scene. They found the disturbance was a furnace which was traced to a noisy furnace, and departed.

Several days later Mr. Moore wrote the Farms police department one of their most important letters. It is now posted on the bulletin board for all to see.

Signs are beginning to come down from stores on Mack avenue. Police ordered merchants to remove all signs which hung over sidewalks. Deadline on the ordinance is February.

The Rotary Club took steps this week to raise \$2,500 for the Bon Secours Hospital.

When the Canadian liner Caronia departed from New York recently on a round-the-world cruise three Pointers were aboard. On the first globe-girdling voyage of a major transatlantic luxury liner in a dozen years are Mrs. J. H. Prescott, Mrs. George M. Slocum and Elizabeth Prescott. Their trip will take 111 days to complete a 32,000 mile jaunt with calls at 30 world ports.

Mrs. Hugh Henderson, of 699 University, is an active member of one of the most popular public speaking groups in the city. The Mid-Century Toastmistress Club devotes its meetings to developing the talents of its members.

The University of Michigan began a new series of college courses on television. In the experimental stages last fall, the programs were brought back by popular demand.

Woods Awards Lowest Bidder

The lowest bid for insurance on 15 vehicles owned by Grosse Pointe Woods was entered by the Phoenix Indemnity Company.

The Woods Council approved the bid of \$310.71 at their Council meeting Tuesday night.

Insurance includes up to \$100,000 liability and \$5,000 property damage.

Stray Shot Chips Plaster

A stray bullet struck the side of the J. E. Crago house, at 2139 Hampton, Thursday evening at 10 p.m. and lodged in the plaster of a bedroom.

Police said the shot came from the direction of Roslyn-Mack area.

Hardware Lost

More than \$200 worth of hardware was stolen from a new house under construction at 920 Sunningdale. Mr. C. Honneker told Grosse Pointe Woods police Friday.

REWARD FOR GOOD WORK

The top prize in the Grosse Pointe Review carrier boy contest to acquire new customers went to Jon Couls, 423 Moross. Harold Hallett is shown presenting the new sled to the winner. Other carrier boys who received prizes were Harry Huffaker, 1268 Balfour, Warren Vaughn, 1405 Brys Drive, Robert McCormick, 1104 Kensington, and Alfred Demrose, 1493 Huntington.

Boy Scouts Honored for Saving Two Lives

Boy Scouts David Cook, 15, and James Cook, 11, were honored for heroism that saved two lives.

Also highlighting the Annual Meeting of the Detroit Area Scout Council at the Statler Monday was the presentation of a national award to James Shaw, of 1041 Lochmoor, an Executive Board Member.

David, son of Mr. and Mrs. Stanley S. Cook, 1037 Maryland, received a Gold Honor Medal for saving the life of Gordon Sevensen last January, when both boys crashed through the ice of Lake St. Clair.

He is a member of Troop 86 and attends Pierce Junior High School.

James received a Certificate for Heroism for rescuing six-year old David Turley in Fox Creek last August. Shaw is the son of Dr. and Mrs. James R. Shaw of the Marine Hospital, where Dr. Shaw serves as Medical Officer-in-Charge.

Both awards were presented by Circuit Judge Robert M. Toms, Council Advancement Committee Chairman.

Klingbeil, whose leadership of the Council's Organization and Extension Committee has brought the Council to the top of the nation in membership, received the coveted Silver Beaver—"for distinguished service to youth"—from Dr. C. B. Lundy, the only active charter Board Member who helped organize Scouting 41 years ago.

Said retiring Council President William G. Lerchen, who has been an active Council Member since 1937 and President since 1948, "The Council has again led the nation in growth and program during 1950."

He was referring to the all-time high membership of 51,292 Scouts and Leaders registered in 1,113 Cub Packs, Scout Troops and Explorer Posts sponsored by 748 institutions such as churches, schools, civic, industrial, fraternal, municipal and community groups.

Lerchen, surprised by the presentation of a handsome scroll, was replaced as President by Ben R. Marsh, Chairman of the Board, Michigan Bell Telephone Company.

Flames Ravage New House

Flames roared through the basement of a new home under construction at 19954 Clairview Court.

The blaze, which caused property damages of approximately \$500 police said, started from a defective salamander which was being used to dry out the basement.

Builder and owner of the house is William Fred Foster, of 1121 Torrey road.

SAD STORY

4 Killed In Accident on Charlevoix

By CHIEF A. E. LOUWERS (Grosse Pointe Park Police)

On January 14, 1951, at 4 p.m. a motorist who failed to stop for Charlevoix collided with a vehicle driven east on Charlevoix. Both vehicles overturned, crushing the occupants. The victims were removed to the hospital by Police Ambulance where they expired shortly after admittance.

Accident, such as described, could occur. This one did not, but it could happen to you.

The Police Department is endeavoring to reduce the accident rate on Charlevoix and Vernor Highway by maintaining a strong enforcement policy program directed at both speeders and stop street violators.

Traffic engineers employed by Grosse Pointe Park have completed their studies on Charlevoix Avenue.

Their recommendations, some of which are already in effect, together with the state traffic enforcement policy by the Police Department would reduce the accident rate.

Accident experience on Charlevoix indicates that motorists, both residents and non-residents, who fail to come to a complete stop for Charlevoix are principally the cause of all the accidents on this street.

Motorists who use Charlevoix in Grosse Pointe, must remember that the thoroughfare is but 26 feet in width, and that two such width streets intersect. A violation of the rules of the road will result in an accident.

Drivers, now and then, to themselves and their families,

Recruit 'Dimes' Workers

Volunteers are being recruited for the current March of Dimes Campaign which is being conducted from January 15 to 30 in Grosse Pointe and neighboring communities.

Representatives of local clubs will canvass the residences and business establishments wherever the red-lettered March of Dimes sticker is posted.

Among the most ardent boosters of the drive are the Riverside and Grosse Pointe Kiwanis Clubs.

In Grosse Pointe Park, the campaign has been broken into six districts. Volunteers who are able to share the work of the project are urged to contact Herbert Hahl, 1419 Nottingham, or J. James Gassam, 11035 Somerset.

Other volunteers for the March of Dimes Drive include James Cunningham, 472 N. Colonial Court, Merton Carleton, 334 Philp, Robert Cunningham, 4386 Balfour, Thomas Driscoll, 14409 Linnhurst, Norman Fielder, 1852 Hollywood, Gilbert Guymer, 19235 Raymond, Eugene Howard, 409 Clovelly, Dr. Charles Moore, 3429 Berkshire, and Desmond Murphy, 994 Roslyn.

This was followed by 285 by that section of Gratiot Township which is in the Grosse Pointe School District, 194 in the Park, 51 in the City of Grosse Pointe, and 21 in the Shores.

During the past four year period the greatest growth in any elementary school district has been in the Montith area. For this district 1,023 or 27.8 percent of all of the permits have been issued.

The next most rapidly growing area for the four year period has been in the Poupard (Gratiot) District in which 727 or 19.8 percent of the permits have been issued.

For the calendar year 1950, more permits were issued for the Poupard District than for the Montith, 334 or 23.4 percent and 308 or 21.6 percent respectively.

The Kerby Elementary School District was next in terms of growth during this four year period with 475 permits or 12.9 percent of the total.

The remaining elementary districts in order for this four year period are as follows: Mason, 257 or 7.0 percent; Maire, 239 or 6.5 percent; Torrey, 230 or 6.3 percent; Roslyn (Vernier), 222 or 6.0 percent; Richard, 216 or 5.9 percent; Trombly, 197 or 5.4 percent; and Defer, 96 or 2.4 percent.

The total valuation of all taxable permits, which does not include schools, churches and charitable institutions, as placed by the officers issuing the permits for 1950, is \$23,514,611.

This is approximately ten million dollars more than the valuation dollars more than the valuation same basis.

Jet Pilot Logs His Lucky 13

The number 13 helped play an important part in the life of George E. Gerow, 29, son of Mr. and Mrs. Arthur C. Gerow, of 831 Notre Dame avenue, Saturday at the Grosse Ile Naval Air Station.

A Lieutenant and pilot in the Naval Air Reserve at Grosse Ile, Gerow completed his first hour of flight in the Navy's Jet Phantom fighter. A Navy pilot for the last eight years with more than 2,000 hours in his flight log, Gerow is Executive Officer of Fighter Squadron 736.

The number 13 was important to Gerow Saturday because his flight check-out book was number 13 as was the number on his white plastic crash helmet and flight boots. To be consistent, Gerow set his twin jet engines at 1300 r.p.m. while in flight.

When interviewed just after making his first jet landing, Lt. Gerow, who was also the first in his squadron to "check out" in the Phantom, said, "That was the fastest half hour I ever flew, and I can't wait to fly it again."

Lt. Gerow, who is a partner in the Leonard Insurance Agency, has flown all types of Navy planes from multi-engine craft to the trusty single engine Corsair now being used in Korea.

Kiwanis to Hear History Program

The Riverside Kiwanis meeting program at the Whittier Thursday, January 25, will be a discussion of the "History of the Kiwanis Organization," by past president Charles Shull.

Engineers and officials from the City of Grosse Pointe, Grosse Pointe Farms and Grosse Pointe Park will attend a hearing on the control of pollution in Fox Creek Channel, in Lansing, on Tuesday, January 23.

The hearing has been called by the Water Resources Commission of the State of Michigan.

Growth In Woods Reaches New High for School District

According to a report just completed by L. M. Bartlett, Director of Pupil Personnel for the Grosse Pointe Public Schools, 1426 permits for new dwelling units were issued by the various municipalities comprising the Grosse Pointe School District during the calendar year of 1950.

This number of permits is an all time high and exceeds the number issued in 1949 by 591 or 71 percent.

In 1947, 594 permits for dwelling units were issued, in 1948, 820 were issued and in 1949, 835.

During the four year period 1947-1950 inclusive, 3675 permits for dwelling units were issued in the Grosse Pointe School District.

Estate Tax Is Ruled Excessive

Two Grosse Pointe Park residents received a favorable decision from the Supreme Court of Michigan on January 8 when they protested the high assessed valuation of their estate on Windmill Pointe Drive.

Mr. and Mrs. Charles Helin, who purchased the Herbert V. Book mansion from the State Land Office for \$40,000 in 1945, appealed to the Supreme Court for reduced assessments. The property is now valued at \$109,400 by the City of Grosse Pointe Park Board of Taxation.

The home was built in 1924 at a cost of \$25,000.

The property includes 200 feet of lake frontage on Lake St. Clair. The stone mansion has 20 rooms and 10 bathrooms. Above the four car garage are five other rooms.

In his case to the Court, Helin stated that the cost of heating the home was \$250 a month.

Seek Men for Job Openings

Mr. W. A. Hammer, manager of the East Side Michigan State Employment Office announced today, there are numerous job openings ranging from skilled work to positions of professional nature.

There is an urgent need for lay-out men, sheet metal workers, toolmakers and precision inspectors. Also, openings for automotive testers, hydraulic repairmen, induction furnace operators, instrument repairmen, maintenance mechanics, machinists, millwrights, office machine mechanics, maintenance painters, steam fitters, tool grinders, electrical engineers, mechanical engineers, metallurgists, purchasing officers, and tracy design engineers.

For further information and necessary application blanks contact the Michigan State Employment Office, located at 14421 East Jefferson Avenue.

Exhibitors Are Camera Club Speakers

Selecting and matching of paper to the negative will be the subject of a talk and demonstration to be given at the meeting of the Grosse Pointe Camera Club, on Tuesday evening, January 23, by Dr. C. J. Marinus and L. A. Longshore.

The speakers, who are salon exhibitors, will show the meeting how necessary it is to match the type and kind of paper to the negative used, in order that the best results may be gotten and a good print produced.

Both speakers have had extensive experience in this field and will accompany the lecture with practical demonstrations.

The club meets at the Neighborhood Club and programs are open to the public.

Overhanging Signs Down

Stores on Mack avenue in Grosse Pointe Woods received notices recently to remove all signs which overhang sidewalks.

More than 20 stores are affected by the enforcement of the ordinance.

When approaching Charlevoix, come to a complete stop. Drive not faster than 25 miles per hour. Drive not faster than conditions permit, but never more than 25 miles per hour. If possible use wider thoroughfares which permit safer travel. Eliminate Charlevoix and Vernor Highway where percentages indicate you may become a victim of an intersection accident.

Speaker Is Optimistic About Future of Building

Paul W. Rowe and Co. held the first of a quarterly series of dinner meetings for their sales staff and associate builders on Friday evening, January 12, at the Early American Restaurant, in Grosse Pointe Woods.

Harry Steffey, Assistant Director for the Federal Housing Administration of the State of Michigan, was the speaker of the evening.

Steffey, well known for his able speaking and teaching abilities, as well as the important position he holds with the Federal Housing Administration, struck an optimistic note as he traced the story of free enterprise from the time of the early feudal barons up to the present time, showing what free men have been able to accomplish, and how they have been able to better themselves in the process of civilization, and especially so in housing.

Steffey brought forth the fact that the builders' national target for 1951 is 850,000 housing units. This is an amount never surpassed by the two years, 1948 and 1950, since 1925, when there were 825,000 units under construction.

His speech dispelled much of the misunderstanding and gloom shared by a great many builders and real estate men and the public in general, regarding the future of the building industry.

He was loudly applauded when he stated that no power or combination of powers can beat 150 million American people. Mr. Steffey convinced everyone present

ent that the Government was not out to wreck the building industry, that builders would be building houses in 1951, 1952, and 1953, and from then on, for everyone who needed houses. It is Steffey's opinion that the Government's endeavor is to avoid priorities by limiting the building industry by controls on credit, rather than set a definite ceiling on housing, so that all may buy houses who need them, with an economic class being discriminated against.

Test Expert Is Bethany P-TA Speaker

Daniel L. Beck, president of Detroit Executive Selection and Training Institute and past-president of Detroit Sales Executive Club, will address the Bethany Parent-Teachers' Association next Monday at 8 p.m., showing the value of aptitude tests for high school students in choosing their lives' work.

Parents, teachers and friends will be given an opportunity to take some of the tests themselves, scoring and noting how the tests depict their own character and personality.

Refreshments and a film on Christian living entitled "My Name Is Han" will conclude the meeting. Bethany is located at E. Outer Drive and Chatsworth.

Kushner Opens New Office

One of Grosse Pointe's most enterprising young business men is George J. Kushner, who recently opened a real estate office on Kercheval near Maryland.

Kushner attended St. Clare, St. Ambrose schools and the University of Detroit.

After four years of duty with the Navy, he returned to the Pointe and entered private business.

Cavanaugh Named Top Underwriter

Walter R. Cavanaugh, 1431 Oxford Road, was named the leading life insurance underwriter in Michigan for the year 1950 and one of the top live agents in the United States for the Aetna Life Insurance Company at the company's annual meeting of agents in Hartford, Conn., this week.

Mr. Cavanaugh, who specializes in personal estate programs and business insurance, was president of the Aetna Leaders for 1950. He is secretary of the Detroit Life Underwriters.

Married and the father of seven children, he is also active in community affairs. At present he is taking an active part in the Bon Secours Hospital fundraising drive.

A graduate of the University of Detroit in 1937, Cavanaugh, who picked up the name of "Pudge," was a three-letter winner in both basketball and tennis, captaining the latter team in his senior year. From 1945 to 1949 he donated his services as coach of the school's tennis team.

He is a member of the University of Detroit "D" Club and Alumni; the Gabriel Richard Council of the Knights of Columbus; Indiana Village Club and the Detroit Turners.

Rose Bowl Films to Be Shown Monday

The Michigan-California Rose Bowl football game of January 1 will be shown in colored motion pictures at the Grosse Pointe High School auditorium at 8:15 p.m. on Monday, January 22.

HEAD BON SECOURS BENEFIT School Nurse Takes Post In California

Members of the Bon Secours Assistance League are checking over the final details for their Games Party to be held Monday, September 22 at 8 p.m. at Grosse Pointe Yacht Club. Among the committee workers are: left to right, Mrs. Richard C. Connelly, 1360 Three Mile drive, Mrs. Hamilton Kotcher, 1395 Audubon, and Mrs. Michael J. Kearns, 74 Oxford road. Party proceeds will be turned over to the drive now being carried on to raise funds to buy hospital equipment.

By JOANNIE HOLLISTER
Miss Elizabeth Tuljus, Grosse Pointe High School nurse, is leaving the employ of the Wayne County Health Department January 31, to take a position as industrial hygiene nursing consultant with the California State Health department.

After spending a few days with relatives and friends in Ohio and Pennsylvania Miss Tuljus will go to San Diego, California to take her new position.

Miss Tuljus received her new appointment as a result of a recommendation from Miss Ruth Kahl, chief industrial nursing consultant of the United States Public Health Service. Her duties will be in an advisory capacity.

She will advise industrial nurses in the southern part of California who need guidance or help in relation to their jobs. Miss Tuljus will also do some work in setting up educational programs.

Before coming to Grosse Pointe, Miss Tuljus worked in the general public health service in Wayne, Michigan.

Besides her nursing duties at Grosse Pointe High and St. Paul's, she makes home calls in connection with student health problems and new babies.

She also helps to make investigations on communicable diseases and does work in clinics for pre-school children.

The health department has not named the person who will take over Miss Tuljus' present job.

Install New Stage Curtains

Grosse Pointe High School's original blue auditorium curtains have been replaced by new red velvet ones.

The window curtains cost \$585 and the stage curtain and valance cost \$465. A new track for the stage curtain was also installed, costing \$75.

The Board of Education will pay \$650 of the total price. One of the high school student or parent groups may pay the remaining expense.

Value Your Health More Than Riches

Some folks think that fine clothes and fine, big houses are the most important things in life, but these things really don't mean too much if a person doesn't feel well enough to enjoy them. Most folks don't realize this, but Mrs. L. Lucy Braswell, Route 2, Stone Mountain, Ga., realizes it very well. Mrs. Braswell takes HADACOL and by taking HADACOL she has found she is helping her system overcome deficiencies of Vitamin B, B, Nicotin and Iron, which HADACOL contains.

Here is Mrs. Braswell's own statement: "I have been sick for some time with stomach disturbances. I began taking HADACOL and I have been taking it about six weeks. I am so much better and much stronger. I will continue to take HADACOL. If sure has helped me. I tell my friends about HADACOL. I can't praise HADACOL too much. I am 59 years old."

Life of Cherry Family Portrayed by Genesians

By ROSEMARY DORE

It is better to do his shirts right—or else.

And here comes Elizabeth! She seems to be a genuine, charming woman. Of such the poets sing.

We had to leave then, but we are planning to see this gay and different family on stage in "Ring Around Elizabeth."

The St. Clare Genesians will present the three-act comedy by Charl Armstrong on February 2 and 3 at Grosse Pointe High School.

The title role is to be by Nancy Kirchner. Her husband, Ralph, is played by Patrick Corrien.

Other members of the cast are Virginia Desmond, Don Martin, Dolores Mitman, Lenore Valentine, Peggy Gorry, Robert Marsh, Barbara Rupp, Dolores Davis, Edward Cruty and Henry Toenjes.

Hubert, we gather, also spends a great deal of time chasing fire alarms—but only the big ones.

She pays no attention to Grandmother Laurette who is at her needlework, to the accompaniment of her busy tongue.

Ah, young love! We delight in seeing pretty Jennifer Cherry transformed by love, but sigh as her course runs into difficulty.

That notorious Andy Blayne is certainly a dashing fellow though.

My, but Ralph Cherry is a blustering person. What a man of the house. The laundry had

Neighborhood Club News

BASKETBALL

Verdonck's Bakery continued their winning ways by scoring a 42 to 39 victory over St. Clair Shores in last Monday's opener at the Neighborhood Club.

It was a nip and tuck battle all the way with Shores holding a one point 18 to 17 lead at half-time.

The lead changed several times during the second half and with about fifteen seconds of the game remaining, Jack Dillon sank the winning basket for Verdonck's.

Roy Guarissimo took scoring honors for the game with 12 markers. The Shores Dale Erikson, leading scorer of the League, was held to a mere 7 points.

In the evening's finale, Grosse Pointe Valet trounced a game but outplayed Broderick five 78 to 47 as Roy Lombardo of Valet, registered 18 points to pace his team to victory and to take over first place in the league scoring race.

Andy Kapral and George Cololo were right behind Lombardo with 16 markers each. Ken Kaiser paced the losers with 13.

Tuesday night's action saw Metropolitan Club drop its fourth straight game to the hard-driving American-Italian Club quintet 77 to 55. It was the fifth victory in as many starts for the winners who are tied for first place honors of the League.

Joe Altobelli rang up 23 points for American-Italian to lead the way in the scoring column once again. Joe Schaffner sank 22 for the losers.

MAJOR LEAGUE GAMES NEXT WEEK

Mohday, Jan. 22—8 p.m., Monday Cleaners vs. Metropolitan Club; 9 p.m., Tom Boyd Ford vs. Broderick A. C.

Tuesday, Jan. 23—8 p.m., Tom Boyd Ford vs. St. Clair Shores; 9 p.m., Verdonck's Bakery vs. G. P. Valet.

MINOR LEAGUE RESULTS

Last week's Minor League action proved Belle Isle T. & A. to be a strong contender for top honors in their division by trouncing St. Clare C. Y. O. 46 to 27 Saturday afternoon. Joe Landry topped the winners with 19 of his team's total points.

St. Clare bounced right back Tuesday evening in the weekly preliminary game and stormed over St. John 57 to 26. Tom Sullivan scored 22 of his 25 point total in a free scoring second half after his team led 22 to 9 at intermission.

GAMES NEXT WEEK

Monday, Jan. 22—7 p.m., Tracy Motors vs. St. Clare C.Y.O.

Tuesday, Jan. 23—7 p.m., Post 303 vs. Belle Isle T. & A.

RED-CROSS FIRST AID CLASS

A Red Cross First Aid Class will be offered at the Neighborhood Club for girls and women 15 and over on Monday nights 7 to 9 p.m. as soon as 30 persons have registered. Please call TU 5-4600 and register as soon as possible.

This is a wonderful opportunity for being prepared—not only for war emergencies but for every day accidents in the home or on the street.

THEATRE PARTY

The weekly Theatre Party will be held again this Friday evening starting at 7 p.m. There will be reels and reels of laughs with your favorite cartoons, along with exciting contests and prizes.

Join in the fun and bring your friends along, too—the more the merrier.

NEW CITY BANK DIRECTORS

ALFRED EPSTEIN MURRAY VAN WAGONER

City Bank Elects Epstein and Van Wagoner Directors

Less than two years old, the City Bank of this city completed its first full calendar year of operations with substantial gains in deposits, volume of business and total resources, Joseph F. Verhelle, president, told shareholders at their annual meeting today.

He disclosed that resources of the City Bank rose from \$21,332,956 at the end of 1949 to more than \$38,710,043 on December 30, 1950, an increase of more than 84%. Since the end of the year, a further increase in resources has taken place, he added.

Earnings during 1950 were equal to \$2.46 a share on the 100,000 shares of capital stock, said Mr. Verhelle.

A total of \$54,715,800 in new loans was made by the City Bank in 1950. During the year, \$49,434,300 in loans was repaid, leaving a balance of \$16,668,300 outstanding on December 30, 1950.

Discussing the operations during the year, Mr. Verhelle said that the loans repaid include mortgage loans totalling \$8,481,700 that have been placed in the accounts of Eastern Financial Institutions.

This, he pointed out, provides outside capital for the development of Detroit. At the same time, it provides the Bank with continuing contacts with the Detroit home owners "who should ultimately do all their banking here," he added.

Despite the uncertainties of the times, Mr. Verhelle expressed confidence in the future. These same uncertainties which now prevail, he pointed out, offer a challenge to all to be of service in many ways and to take on increased responsibilities.

For that reason, continued Mr. Verhelle, the City Bank recently established Saturday morning banking hours to serve the community more adequately in these days of increased national effort.

At the annual meeting, Alfred Epstein, president and general manager of Pfeiffer Brewing Company, and Murray D. Van Wagoner, former Michigan Governor and formerly Bavarian Land Director for the U. S. Army of Occupation in Germany, who were elected directors of the City Bank, Detroit, Michigan.

Chips Move Into Top Bowl Slot

Better Made Chips moved into first place in the Grosse Pointe Businessmen's Bowling League by winning four from Points Insurance Agency, first half runner-up. Gene Mitchell was high for both teams with 575, including a 240, high single for the night.

Mote Schweizer, of Rustic Cabins, converted the 4-6-7-10 (Double Pinocchio) split in the first game by sliding the six pin across the alley while the ball was carrying the ten pin. He finished the game with 120.

High individual series was 601, rolled by Janson as his Revefe Cleaners team was taking three from Turner Buick, Inc.

Teams winning four were: Bruce Wigle Co., from Dart In Bar.

Teams winning three were: Hall-Dodds, Inc., from Kennelly Catering; Belding Cleaners, from Schulte Hardware; Tom Boyd, Inc., from Testa Cement Co.; and Imperial Cleaners, from Rustic Cabins.

Observe World Religion Day With Program By Bahais

The Bahais of Grosse Pointe and Detroit are presenting a panel discussion on World Religion Day, Sunday, January 21, at 7:30 p.m. at the Highland Park Y.W.C.A. on the subject, "World Religion is the Path to World Unity."

This discussion, open to the public, will include such speakers as: Donald Corbin on "Buddhism"; Harry Whang, "Taoism and Confucianism"; John Faily, "Islam"; Sam Clark, "Judaism"; Robert Moore, "Zoroastrianism"; Randy Carroll, "Christianity"; and Pointer George R. True presenting the "Baha'i Faith."

In presenting this discussion to the public, the Bahais state: "In recent years many anniversaries have been proclaimed in America to emphasize public interest in peace, world unity and other international goals.

"The importance of World Religion Day arises from the fact that only in one mutual faith can society hope to realize the brotherhood on which peace and race amity depend.

"It has become evident to students of world affairs that nothing short of spiritual unity can stay the trend toward the dissolution of organized community life. World religion will never be produced by the formation of denominational leagues and committees.

"A new and universal spiritual impetus is needed today as it was when Judaism, Christianity, and Islam came to revive true faith and overcome the forces of chaos.

"Since the laws and customs of people in various countries are a result of their religious teachings, it is to our advantage to know and understand their religious backgrounds in order to meet on common ground."

Bill Goodwin, emcee of CBS' "Dollar a Minute," is an amateur flyer. He the ground, his favorite pastime is golf.

Thank You :: For the encouraging acceptance we have received since City Bank opened its doors on March 1, 1949.

The strong and steady progress reflected by this Comparative Statement of Condition may be attributed to a number of sources and causes.

Chief among these is our growing family of customers which continues to recommend our workmanship to others. Then, too, every member of our

Staff zealously contributes his or her every effort toward our constant objective of increased service.

As a further step, we recently established Saturday morning banking hours. In this way, we believe, we can serve the community even more, in these times of increased effort by all of us for the nation's well-being.

To you who have helped us, we again say, Thank You!
