Rent Board Condemns Blanket Increase

Propose Mediator to Hear Individual Rental Petitions

The Wayne County Rent Advisory Board turned down a proposal this week for a blanket rent increase in Grosse Pointe Park.

Instead, the Rent Board recommended that the Area Rent Director make arrangements to meet landlords and tenants for the purpose of examining their cases under the Federal Rent Control Act and making adjustments.

Arrangements will be made, Everett B. Lane, Park City Manager, stated, to have the Director at the Municipal Building during convenient hours so that he can meet landlords and tenants and consider individual petitions.

Last January, in the face of numerous requests from landlords urging decontrol of rents in the Park, the Council adopted a resolution recommending that the Wayne County Rent Advisory Board make rental adjustments.

The Board turned down this proposed hike which asked an increase of one-third for properties renting under \$60 and \$20 jump for properties over \$60.

In their letter to Lane, the Board stated "... that any overall increase should apply to the entire County of Wayne."

Records show that there have been no blanket increases in Wayne County.

Since the Federal Government acted to permit areas to remove themselves from the decontrol, decontrolled.

They are, the City of Grosse Pointe, Plymouth, Wayne and Northville.

Highland Park and Dearborn have been following the petition plan for rental increases, as recommended to the Park, and found it very favorable.

The Board pointed out that 87 per cent of the landlords in Wayne County who applied for increases since the freeze date in 1947 have received an adjustment.

Whatever the great clatter and thunder was last Thursday morning in Grosse Pointe no one seems to quite know. Several self-styled experts claim enemy subs sighted and sunk in Lake St. Clair, others say Mrs. Murphy's pot of beans exploded ... and still another vein of thought is that the men from Mars were out for their morning exercise in their invisible rockets. A local paper attributed the phenomena to two passing jet planes.

At the Dr. Porter residence at 966 Lincoln, a ventilator popped out of the window ... 14-year-old Bob Yerger, of 1046 Lakeside, reported that he was nearly knocked over by the force of the explosion ... while Mrs. Lamprecht of Maryland dropped her knitting and a few stitches when she heard the thunderous roar.

Mandy Hurley, of 78 Mapleton road, reported that the vibrations could be felt throughout the Chrysler building on East Jefferson. Mrs. Suzanne Mergaert said she thought the atom bomb had really exploded.

Several hours later a weary postman, tired from repeated questioning about the mysterious blast, hurried into the Review office and begged an explanation. When last seen he was munching carpet tacks and reading the Farmer's Almanac as he disappeared into oblivion.

Back into mothballs went the spring bonnets and the summer clothes and out came the overcoats and mufflers as the weather fooled everyone.

When the plans for the Civic Center in Grosse Pointe Park are completed, it will be like a preface to a good book. The Planning Commission is hoping

Flu Cases on Decline in Pointe

The number of flu cases in Grosse Pointe schools are definitely declining. Dr. T. S. Davies, Grosse Pointe health officer, reported this week.

Among students and teachers in Grosse Pointe schools, 810 cases were reported, Dr. Davies said.

Dr. Littlejohn, Director of the Wayne County Health Department, stated:

"The high percentage of cases in Grosse Pointe schools is due to the fact that the disease is highly contagious and spreads easily."

"There are as yet no adequate vaccines available for protection against this disease which is often confused with the common cold; however, there is no cause for alarm over the present outbreak in our area."

DR. LITTLEJOHN stresses the need for immunization against those diseases which are preventable.

He stated that vaccination is particularly important since three persons in communities within the jurisdiction of the health department have been reported to be potential sources of smallpox infection.

These individuals have just returned from a smallpox epidemic area in England.

ONE DEATH of a three-year-old girl from diphtheria has been reported in Detroit this month. The child had never been protected against the disease. Three other children in the family who had been immunized were safe and did not contract the disease.

Easy and quick methods of transportation, and shifts in population make it possible for such diseases to be readily spread from person to person, not only in neighboring communities and cities, but also from one part of the world to another.

Dr. Littlejohn added that Civil Defense needs make protection against these preventable diseases vitally essential.

He also stated that in addition to the above diseases for which reliable means of protection are available, controls of communicable diseases in general is important in face of the numbers of cases of chickenpox, mumps, and scarlet fever that are now being reported in the county.

Local Sailor on USS Luzon

John R. Hinderleiter, fireman, USN, son of Mr. and Mrs. Noel C. Hinderleiter of 1083 Roslyn rd., is serving aboard the repair ship USS Luzon in the Far East.

Officially designated a Naval internal combustion repair vessel, the Luzon can perform every type of precision and technical work that is vital in keeping our Navy's ships in operation.

Aboard the Luzon are graduates of Navy specialized training schools whose duties include the handling of ammunition, food, medical and other supplies to ships of the Fleet and United Nations troops ashore in Korea.

SWAMPED SAILORS HAULED ASHORE

Grosse Pointe Farms firemen rescuing two young sailors from the cold water of Lake St. Clair. The two sailors, Gene Howard, of 409 Cloverly, and Bruce Davenport, of 736 University Place, spent the earlier part of Sunday afternoon sailing

around the small harbor at Crescent Sail Club. Firemen who saved the sailors and their two would-be rescuers are Phillip Norman, Ralph May, Harold Campbell and Frank Goosen.

Draft Ten Local Youths

Local youths were inducted into the military service on March 14, according to a report from Draft Board 87.

Draftees are: C. B. Thomas, 1294 Harvard Rd.; Myrie J. Stock, 1789 Brys Dr.; Jack M. Hanson, 469 Kerby Rd.; Robert L. Schneider, 842 University Pl.; Dominic J. Palazzolo, 938 Balfour; Anthony C. Barrett, 328 Fisher Rd.; Charles E. Leslie, 354 Rivard Blvd.; Albert F. deManigold, 1889 Stanhope; Edward B. Hopson, 500 Lake Shore Dr.; and Jerome A. Bickie, 1572 N. Renard.

Woods Church Gives Lenten Cantata

Crowning this year's Lenten season, the Chancel and Treble choirs of Grosse Pointe Woods Presbyterian Church will present "The Story of the Cross" by Dudley Buck on Maundy Thursday evening, March 21, at 7:45 p.m. This Cantata, under the direction of Wilbur Bezeau, is one of the cycle known as "The Christian Year," written at the turn of the century, and will be presented at the church on Mack and Torrey Road preceding the annual Choral Communion.

Etta Mae Young and Janice Kiefer serve as organists.

Steal Boat From Park

Ned Banis, of 1823 Lochmoor, reported the loss of a 12-foot Wolverine boat from the Grosse Pointe Woods park on March 11.

Banis told Woods police the boat had been stored on the bank of the creek for the winter season.

Pierce Teacher Is Convention Speaker

A member of the faculty at Pierce Junior High School will be a featured speaker at the Annual Convention of the National Council of Mathematics Teachers convening for a four day meeting beginning March 28 in Pittsburgh. Humphrey C. Jackson, will discuss guidance in the junior high schools with special regard to developing greater interest in the study of mathematics.

He plans to illustrate how some outstanding teachers have developed high interest in that subject. Mr. Jackson, a teacher-counselor at Pierce, resides at 1596 Hawthorne road.

LAKE DIP ENDS PLEASANT SAIL Farms Firemen Save Iceberg

Scores of spectators watched the thrilling rescue of four young yacht club members from icy Lake St. Clair Sunday afternoon. It was the second dunking in the choppy lake within minutes for Bruce Davenport, 21, and Gene Howard, 29.

After several hours of sailing in the Crescent Yacht Club Harbor, their 12-foot Penguin sloop capsized when they attempted to jibe in a strong wind.

William Prentiss, 21, of 567 Van Dyke, and Edwin Boothroyd, 26, of 270 Grosse Pointe Blvd., rowed to their rescue in a 10-foot duck boat.

They loaded Davenport, of 736 University, and Howard, of 409 Cloverly, into the rescue craft within 15 minutes.

But the four, all members of the Crescent Sail Club, ran into trouble on the return trip.

Waves swamped the boat about 200 feet from shore, pitching the sailors into the water.

Crescent members spotted the men in trouble and notified the Grosse Pointe Farms Fire Department.

A swift current carried the boys, who were clutching the sides of the overturned craft, near the dock on the former John Dodge estate where firemen removed the men on long ladders, propped on a high retaining wall.

Pointers Get State Degrees

Among the Michigan State College students who are candidates for degrees at the end of the winter quarter are William G. Boies, Jr., George Hubbard, Marshall J. Maertens, Dennis H. Thomas, John Neil Wilson, Thomas Howard Joyce and John Lee Van Dagens.

Find Hospital Freedom Is Short-Lived

A driver on his way home from the hospital was injured Monday when his car struck another auto at Harvard and Jefferson.

Elliott J. Sullivan, of 274 Alter, was treated for a lacerated forehead in Bon Secours Hospital. He was released from East Side General Hospital a few hours before the accident.

Park police said Sullivan's car struck a vehicle driven by Mrs. R. J. Klem, of 1424 Bedford. She was treated at Bon Secours for a fractured foot.

Pointer Dies in Car Crash

Mrs. Raymond J. Purdy, wife of the president of Ainsworth Manufacturing Co., was killed Tuesday when she was pinned beneath her car after a collision.

Mrs. Purdy, 60, of 1012 Three Mile Drive, was prominent in Grosse Pointe Park society.

Grosse Pointe Park police said a dump truck driven by Eugene Oleksik, 21, struck the car Mrs. Purdy was driving at Trombley and Essex.

Police said Mrs. Purdy was hurled from the car by the crash impact. Then she was pinned underneath. She was dead on arrival at Bon Secours Hospital.

Oleksik, of 1837 Russell was released after making a statement to the Prosecutor's office.

Hudson Official's Rites Thursday

Bertram R. Second, 66, labor relations adviser for the Hudson Motor Car Co., was buried Thursday in White Chapel Cemetery.

Funeral services were held at 3 p.m. at the Verheyden Funeral Home, 16390 Mack. Mr. Second died Sunday of a heart attack in his home at 592 Cadieux, Grosse Pointe Park.

Jefferson May Be Metered

The owners of commercial establishments on Jefferson avenue in Grosse Pointe Park have requested City authorities to consider the installation of penny parking meters.

The meters were requested by businessmen who were concerned with the serious parking problem.

Cars parked in commercial areas for long periods of time, did not help business, they complained.

The proposal has been turned over to the Traffic and Safety Committee of the Planning Commission for further study.

In a recent survey of parking problems on Jefferson avenue, Oscar Gunderson and John Dolek, Traffic Engineers, favored the installation of parking meters as an answer to the congested parking situation.

Meters on side streets from Jefferson to the alleys will also be considered by the Traffic and Safety Committee.

Band Awarded First Division at Ypsilanti

The Grosse Pointe High School Band received a first division rating in the regional band festival.

The band was recommended for Division 1 by three of the four judges, and for Division 2 by the other. The judges were Mr. L. Falcone, Director of the Michigan State Band; Mr. Keith Stein, of the Michigan State Band; Mr. Roy Miller, of the University of Michigan Band; and Mr. Dave Matern of the Michigan State Band.

A bands who received a first division were Pontiac and Ann Arbor High Schools.

The judges commented on several outstanding strong points, among them the full organ-like tone of the band; the good conducting which showed excellent ensemble training; the good attention to dynamics; the band's good style and spirit; and the trumpet solo, played ably by Maylour Hornberger, 10A.

The festival last Saturday, and the one to be held next Saturday, at Ypsilanti, will be attended by a total of 58 bands. Since the regional festival, it is entitled to go to the state band festival on April 21, to be held at the University of Michigan.

"I am very proud of the rating the band received. If they keep up their practicing and hard work, we have a good chance of receiving first at the state festival," commented Mr. Dewey Kalember, band director.

Local Manuscripts Take Special Honors

Twenty-two awards went to students of Grosse Pointe schools who submitted manuscripts to the Southeastern Writing Awards project.

Contest entries were submitted by teachers from more than 135 schools in Michigan.

Key awards in the junior poetry division went to Harriett Davis and Donna Dieckoff, of Grosse Pointe Country Day.

Gay Mercer received an honorable mention and Joan LeGros, a commendation. They are both Country Day students.

A Pierce Junior High student, Burke Striffler, Acheart, won a key award in the junior short story division. Sandra Marx of Pierce received commendation.

A key winner in the senior short story division is Nancy Erikson, 15, an eleventh grade student at Grosse Pointe High School.

Plan Includes Parking Facilities, Comfort Station

Before a small but representative group of Grosse Pointe Park citizens, the Planning Commission revealed their proposed Civic Center Plan at a meeting Tuesday evening in the Grosse Pointe Park Municipal Building.

For the past two years, Harold F. Ellington, chairman of the Planning Commission, pointed out, their group has been working on a project which would be a fitting landmark to the entrance of Grosse Pointe and at the same time solve some municipal problems.

The plan, as illustrated on slides, revealed a circular drive at Pemberton and Jefferson where a comfort station could be built nearby.

The area, beautified by trees and modern landscaping, would be used as a bus stop for passengers headed east.

The project also provided for a storm water reservoir and a parking area.

"We are working out this plan now," the chairman stated, "so that the Park will have space for future municipal improvement. The Park already owns three-sevenths of the property to be used in developing the plan."

"One of the prime considerations of the Civic Center will be the protection of property restrictions in the Windmill Pointe subdivision," he added.

Mr. Tierney, spokesman for the Lake Shore Coach Lines, said at the meeting that his company is making plans to eventually assume the cost of the comfort station, now proposed at Pemberton and Jefferson, which would serve bus riders entering the Pointe.

Causes served by the offering of the day will be presented by the Rev. Charles W. Scheid.

Causes served by the offering of the day will be presented by the Rev. Hugh White. The offering will be dedicated by the Rev. Louis O. Mink.

The Rev. William Van't Hof, general chairman of the service

ing on acquiring property for municipal purposes at the rear of the Ray Whyte Chevrolet establishment on Lakeside.

Other plans under consideration by the Planning Commission include a study of safety signs for the Park, improvement of property at the foot of Alter road and the development of the lakefront property at the foot of Three Mile Drive.

At the close of the meeting Harold Marsh, of 880 Pemberton, moved that the Planning Commission be praised for their numerous hours spent in formulating the proposed Civic Center Plan.

Plane Crash Injures Two

A young Grosse Pointe Farms pilot was in serious condition this week at Holy Cross Hospital with injuries suffered when his plane crashed Sunday at City Airport.

Two other persons, passengers in the plane when it struck a storage building and plowed into a wire fence at the southwest corner of the field were treated for cuts and bruises.

The pilot, William Stark Hickey, 24, of 254 Touraine road, suffered a skull fracture when he was thrown against the windshield. He is the son of Stark Hickey, automobile dealer.

The passengers were Miss Mollie Moll, 20, of 157 Morris road, Grosse Pointe Farms, a daughter of former Circuit Judge Lester S. Moll; and Sherman J. Fitzsimons III, 24, of 66 Stephens avenue, Grosse Pointe Farms, whose father is president of the Fitzsimons Manufacturing Co.

The plane stalled as Hickey prepared to land after a 45-minute flight over the city. It was demolished.

GIVE!

In 95,000 American schools—public, private, parochial—more than 19 million young people work through the American Junior Red Cross to help others not only in their own communities, but around the world. Last year more than \$527,000 gift boxes and 300 chests containing school needs were sent to children of other nations. Help teach American young people the joy of unselfish service by contributing generously to the 1951 Red Cross Fund Campaign.

LIKE THE WEATHER

The current discussion over government economy is reminiscent of Mark Twain's famous remark about the weather. Everybody seems to talk about it, but nobody does anything about it.

If this anomaly puzzles you, it would be a good idea to read a piece called "Economy Inertia," by Alan Otten, which appeared in a recent issue of the Wall Street Journal.

Mr. Otten cited the records of a number of typical Congressmen who have constantly demanded economy as a general principle—and have then gone hell-bent for bigger and better appropriations for their own pet projects. Then he said: "So it goes down the line."

Southerners favor big soil conservation and other farm appropriations. Men from the shipbuilding states want appropriations for maritime activities. Westerners want Federal aid for their mines and new Federal reclamation and power projects. Practically every congressman works on the assumption that the money is pouring out, and his district might as well get as much as it can.

Elsewhere in his revealing article, Mr. Otten said, "This fact emerges clearly as

the Federal budget keeps pushing higher: There will be no real economy, whatever the form of the bills before Congress, so long as the legislators themselves preach economy but refuse to practice it."

In other words, the legislative attitude, with a few rare and honorable exceptions, is "plenty of economy for the other fellow and the other district—but none for me and none for my district."

To make matters worse, we seem to have a national administration which is determined to keep domestic spending at an ever-increasing level and to pile the defense spending on top of it. And so the dollar gets cheaper, the savings of the people are reduced to a fraction of former levels, and inflation runs like a race horse.

What is the cure? Primarily it lies in a public understanding of how unbridled spending can destroy a free nation as surely as a war—coupled with the strongest kind of public demand for economy no matter who it hurts.

That means that every avoidable expense—whether it be for a great tax-exempt government power dam or some little pork barrel project—be ruthlessly cut from the new and future budgets.

Budenz to Talk Here April 1

The man most feared by the Communists in the United States, Louis Budenz, will speak in Detroit, Sunday, April 1, under the auspices of the Detroit District Association of the American Legion.

District Commander Thomas McMullin hails Budenz' speaking appearance in Detroit as an opportunity for Detroiters to learn more about the "American agent" of the forces that have taken more than 50 thousand American fighting men to Korea.

Mr. Budenz will speak at the Veterans Memorial Building on West Jefferson.

European Singer In Opera Festival

Cino Bechi, one of Europe's leading baritones, will make one of his first appearances in America in the Grand Opera Spring Festival of Detroit, Inc., when the series is held, May 15 through 20, at Masonic Auditorium.

Bechi has been called one of the signing sensations of the day by long-established authorities.

GOV. WILLIAMS

By G. MENNEN WILLIAMS
Governor of Michigan

LANSING — In a democracy like ours, every public official is a servant of the people.

I consider myself to be your servant. I am here to serve you. You should let me know what I am trying to do in your behalf.

That is why I have decided to take time out from the other pressing problems of the State, to send this report weekly to your home town newspaper.

There will be no partisan politics in this column, no recriminations, and no ill feeling. The problems we all face are too important to be mixed up with personal prejudices or ambitions.

BI-PARTISAN POLICY: The atmosphere here in the state capital is a great deal more pleasant

this year than it was a short while ago.

In my Inaugural Address, I appealed to the Legislature and to all state officials to forget partisan bitterness and get down to a program in the people's interests. I made a similar appeal. Instead of laying down definite plans for legislation, I suggested that answers to our problems be worked out in bi-partisan discussions with me.

This program has brought a very definite response from my friends in the Legislature. There is still a little snow-ball-throwing going on around here. But I think we have achieved a much more friendly and co-operative spirit.

This is a time for all patriotic Americans and all who love Michigan to stand together.

ROADS: It was a pleasure to sign, last week, Senate Bill 2, which makes about \$13,500,000 available for fixing the chuckholes winter weather has left in our highways.

This money comes from present gas and weight taxes. The returns from these taxes during the last six months were unexpectedly high, and I urged the Legislature in January to authorize expenditure of the extra funds thus accumulated.

S. B. 2 appropriates \$7,000,000 to the counties, cities and villages. All of this can be used for repair work, if the local communities want to do so. The rest of the appropriation, \$6,500,000, goes to the State Highway Department, for new construction. This cash cannot technically be spent on repairs, but it will make possible the release of other funds for repair work. I am recommending to the State Administrative Board that it authorize the Highway Commissioner to make the necessary fund transfers to augment our maintenance funds.

Carefully used, \$13,500,000 should fix a lot of chuckholes.

TAXES: The Senate has been considering a bevy of tax bills. These include a 2-cent gas tax increase; a substantial increase in truck taxes; a 3 per cent "privilege" tax on used cars; and a bill to double the rate and raise the "ceiling" on the present corporation franchise tax.

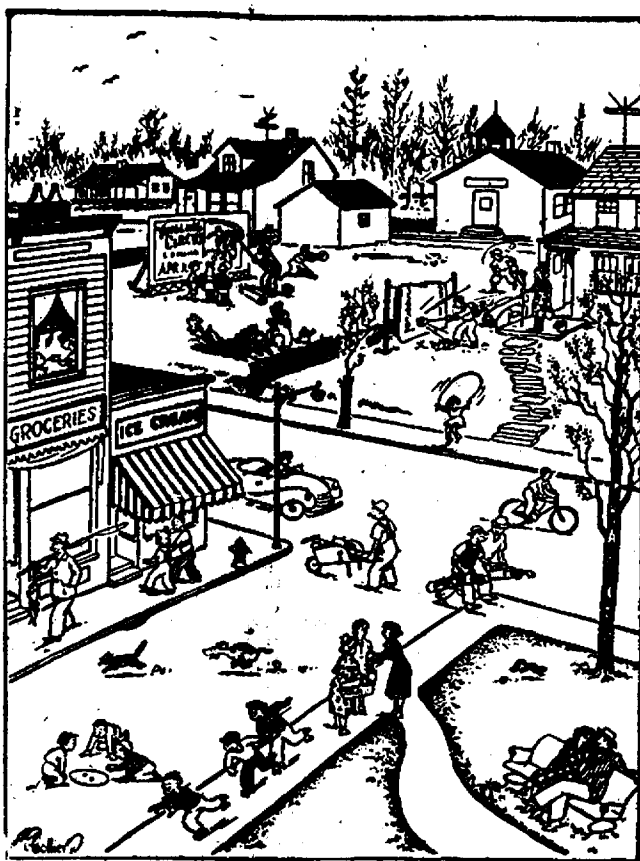

Never before since the sales tax was adopted have the people been faced with such a complex set of tax bills. These proposed new taxes would lay a very heavy burden upon the people of Michigan—on top of the increasing cost of federal taxes for national defense.

My position is well known: I am opposed to new taxes on the ordinary citizen's pocketbook. I haven't heard anything during the Senate debates that changed my original position.

IT'S SPRING!

Pointer Takes Miami Oratorical Honors

Robert Phillips, a Junior in the School of Arts and Sciences of Miami University, Oxford, Ohio won the first prize in the annual Fisk Oratorical Contest held recently.

His speech entitled "Fighting the Big Lie," dealt with the history and potentialities of the "Voice of America."

His interest in this subject was first aroused by his working with radio stations in and near Detroit. He is a part-time worker at the WMOH station in Hamilton while studying at Miami.

He is a member of the Miami Speakers Bureau which supplies

speakers to organizations within 50 miles of Oxford without cost.

At the Men's Individual Events Contest which is sponsored by the Ohio Association of College Teachers of Speech at Denison University on March 16, Phillips will represent Miami.

During spring vacation at Miami, April 1-8, Robert Phillips will be available to clubs and groups in Grosse Pointe, through the cooperation of the Speakers Bureau.

He is the son of Mr. and Mrs. Harry N. Phillips of 612 Lincoln road.

Dean Hirt Aids College Radio Station

On Tuesday evening, March 6, the dream of the students of Olivet College, Olivet, Michigan to have their own campus radio station was realized after weeks of hard work on the technical set-up of a broadcasting system.

Dean Hirt, senior at Olivet, son of Rudolph Hirt, of 1410 Balfour Road, is co-director and technical advisor of the staff of four students who are in charge of the station.

The program on the WBSD system will be broadcast three evenings a week, Tuesday, Wednesday and Thursday from 9:45 to 11:15 p.m. and will consist of news, sports and music broadcasts, both by record and by students themselves.

There will be other special features, such as drama, panel discussions and religious programs scheduled each week. The Olivet system is one of the few campus radio stations in Michigan.

against which we are arming. But the plain fact is that in the fight against inflation, we, as a nation, are hiding under the bed! When we freeze wages or prices, we are merely doctoring the symptoms of the inflation-disease rather than the disease itself. If we are to stop the inflationary trend, the makers of our public policies must deal with the monetary causes of the inflation. They must control the expansion of bank deposits and the constantly increasing money supply.

There's nothing mysterious about this inflation. More and more people are beginning to realize that the stories they read on the financial pages of their newspapers have a direct relationship to the prices of food, furniture, and other living essentials advertised in the same newspapers a week later.

Inflation is everybody's concern from the Wall Street banker to the Missouri housewife. In the fight against it, the American people—you and your neighbors—must learn to look beyond the local grocer's bill and the meat prices in the butcher shop . . . you must look to Washington, the seat of our Government, where the monetary policy is made. More than that . . . you must make your own voice heard among the law-makers. Congress should be interested in your views on inflation, and your Congressman is as close as your nearest mail-box or telegraph office. Simply stated—the action that you and your neighbors take can well decide the destiny of our country.

That's what we mean by "Operation People U.S.A."

REGARDLESS of inflation or deflation, war or peace, fire or flood . . . life insurance continues to be the "best buy" in providing for the welfare of your family and in attaining financial security for yourself.

This is well indicated by The Equitable's 91st Annual Report. During 1950 more people bought more Equitable life insurance protection than ever before. New Ordinary and Group Insurance written last year amounted to \$1,410,000,000, bringing The Equitable's total insurance in force to \$15,278,000,000.*

This total insurance in force represents money held for future delivery. When due, every dollar of that sum will be paid. But, as a responsible institution of thrift with more than six million people who look to us for economic security, we are concerned with the purchasing power of those dollars when they become due. For mounting inflation, man-made, threatens not only the worth of the dollar but the very existence of our national enterprise.

Indeed this threat is as real and deadly as the Red menace

Death Ends 35 Years of Service at Packard

Oscar G. Heinrich, of 15284 Nehis avenue, East Detroit, died suddenly March 7.

Rabaut Urges Postal Pay Rate Hike

Rep. Louis C. Rabaut has requested quick action from the Chairman of the Post Office and Civil Service Committees of both Houses of Congress in approving legislation granting pay increases to postal employees.

In a statement to Senator Olin D. Johnston, Chairman of the Committee in the Senate, Rabaut said, "In my opinion, postal employees are not now receiving compensation commensurate with their loyal service in these times of inflationary trends throughout the nation. I feel that a salary adjustment should be made at an early date."

In revealing his action Rabaut said that the lag between postal salaries and soaring living costs is the result of the fact that "the Congress of the United States is, in a sense, the collective bargaining forum of the government employee."

Rabaut pointed to surveys taken in the Detroit area which show the continuing upward spiral of food prices to consumers in the Motor City.

Although South America's probable coal reserves comprise three billion tons, about one million tons was imported from the United States in 1950.

He is the husband of Mabel (nee Nehls). His daughters are Mrs. William Dalrymple and Nancy Heinrich. Mr. Heinrich is the grandfather

Oscar G. Heinrich

of James, son of Elizabeth Heinrich and brother of Emil Heinrich.

Burial was Saturday from Wm. D. Cline Funeral Home.

He was associated with Packard Motor Company for more than 35 years. For the past ten years he was with the Grosse Pointe Packard as salesman and service manager.

Mr. Heinrich was a member of Palestine Lodge, No. 337, F. & A. M. and Harmonie Society.

Confirm 23 Children at Bethany

Confirmation rites, by which a large class of children enters into full church membership, will be performed during the Palm Sunday services of Bethany Lutheran Church Sunday morning.

The class has been preparing for their Confirmation since last September, meeting every Saturday morning for 2 hours.

The first communion of the group will be taken in the evening service on Maundy Thursday.

For the occasion, parents and congregational members will give special attention to chancel and sanctuary decorations. Church choir members will give the Confirmation sermon. Numbering 23, the class consists of Kenneth Bates, Donald Becker, Thomas Collier, Marion Edwards, Nancy Gnekow, Barbara Grobar, Charles Jeffrey, Patty Kingston, Edward Knoll, Carlene Malow and Diane Glass.

Others are Gary Meier, Freddie Meyer, Lois Misch, Carolyn Rohlfing, Erlene Schutt, Herbert Seiler, Lois Unsöld, Phyllis Wobermin, Robert Schmidt, Shirley Canning, Julie Wenzel and Helen Liebold.

The Illinois Central, first midwestern railroad to switch from wood to coal for locomotive power, called its two pioneer engines "Lucifer" and "Pluto."

Student Shares Company's Success

A Junior Achiever from Grosse Pointe recently shared honors with her co-workers when their project won an award.

Beth Lucas of 1430 Devonshire Road is a student at Dominican High School. Together with a group of high school students from the east side, the Net-Set Company, of which she is a member, was founded.

Their product, a folding television chair for children, took top honors in the wood products division of the Industry Awards for Southeastern Michigan.

It was judged the best of its class on the basis of beauty, utility, quality of material and excellence of workmanship.

The chair is now entered in the national contest in New York and will be judged for further awards competing with the work of students from all over the country.

Members of the Neet-Set Company are to be honored at a luncheon to be given by the Detroit District Real Lumbermen's Association on March 15 at the Detroit Leland Hotel.

Coronet Shows Michelangelo Film

The Coronet will present starting Friday, the exclusive Detroit showing of Robert Flaherty's "The Titan," story of Michelangelo, narrated by Fredric March. Also on the same bill will be offered "Rembrandt" with Charles Laughton and Gertrude Lawrence.

HAM-YAM CASSEROLE

1/2 cup diced green pepper
2 tablespoons butter or margarine
1 can condensed mushroom soup
1/2 cup milk
1 tablespoon grated onion
2 cups well seasoned mashed yams
1/2 teaspoon pepper
1 tablespoon sharp prepared mustard
3 tablespoons flour
1/4 cup cold water
3 cups cubed cooked ham

Cook green pepper in butter or margarine about 3 minutes. Combine soup and milk; add onion, pepper and mustard. Blend flour and water; pepper and ham. Turn into casserole; top with fluffy ring of mashed yams. Bake in moderate oven, 350° F., 30 minutes or until heated through and lightly browned. Yield: 6 servings.

Three Pointe boys have been awarded letters and numerals for participation in varsity hockey during the winter term it was announced by the Taft School Athletic Association.

They are Henry Caulkins, Samuel Sherer and Leonard Smith.

NEWS IN SIGHT

by Dr. Arthur M. Majester, O.D.

To some degree all of the heavy industry in the country is converting to war work. In recent years factory management has been shown that there is a definite relationship between visual efficiency and production.

Poor vision means poor production. During the last war the smaller war plants did not have a visual program and as a result an individual worker could not get "in-the-plant" aid for his seeing problems.

Having twenty-twenty vision at optical infinity does not mean you have perfect eyes. Generally, this simply means your "unaided visual acuity" is passable.

Workers in all production departments should also be tested for muscle balance, visual acuity at working distance, depth perception and in some departments even a color perception test should be given.

Visual acuity at the working distance is the most important test of this group.

A man being able to see small objects across the room, is kidding himself if he has to push the paper further away from his eyes in order to read a newspaper.

Too many people try to diagnose their visual problems in terms of being able to see as well as some one else.

Little do they realize, that they are exerting extra effort to get this second rate vision. Many a backache is caused by assuming unnatural postures in order to gain better vision.

Memorial Center Party Adopts Parisian Theme

"Evening in Paris" is the theme of the date dance being sponsored Friday evening, March 16, at the War Memorial Center, by the recent high school graduates and the early twenties age group.

French themes in dress and decorations will be carried out at the 9 to 12 p.m. party.

French favors in keeping with the theme will be given to the couples as they arrive, and entertainment during intermission will feature a popular Can-Can dancing chorus in the downstairs recreation room, which will be decorated as a French sidewalk cafe.

Tickets for the dance are \$1.50 per couple, including tax and refreshments. Prizes will be offered for the most appropriate attire, but costumes are optional.

June Moffat and Skip Pess, Al Singler, Milt Setzer and Barbara Boothe are heading the committee on general arrangements, and Jeanne Webb, Mary Ann Waggoner, Bill Johnson, Myrna Troden, and Fred Smith are planning the decorations.

The French favors are being prepared by Mary Ann Schmidt.

Denison Glee Club Here

The Men's Glee Club of Denison University will appear at the new Veterans' Memorial Hall (Detroit's downtown civic center) on Wednesday, April 4th at 8:30 p.m. at their annual spring concert under the leadership of Professor Karl Eschman.

A reception will follow the concert in the beautiful and spacious lounge of the Veterans' Memorial Hall.

Tickets are on sale now at Grinnell Brothers (downtown store) and will be sold at the door that night. The price of admission is \$1.25 including tax.

Fortnighters Present Gay Nineties Revue

The gym at Grosse Pointe Memorial Church will be transformed tomorrow night into an old time entertainment palace when the Fortnighters present their First Annual Dinner Frolic at 6:30 p.m.

A big vaudeville show will follow dinner. There will be a variety of acts presented including the Vocalaires (Grosse Pointe's own barbershop quartet), the Reynolds Brothers (banjo artists), and several skits reminiscent of the Gay Nineties era.

Animated cartoons will be shown for the amusement of the younger generation and the show will close with social dancing for everyone.

All the performers in the show are generously donating their services. Proceeds from the event will be used to buy a special type of wheelchair for a little child who has cerebral palsy.

A few tickets at \$1.50 per person are still available for the Dinner Frolic. Reservations may be made by calling the Memorial Church Office, TUxedo 5-3773.

Job Counselor To Speak Here

The Riverside Kiwanis program on March 20 will feature Charles Shearer, Chief of Employment Counseling for the State of Michigan.

Chairman of the program is Bruce Reynolds, Chairman of Vocational Guidance Committee for Kiwanis.

Masonic Temple will play host to happy throngs of children—and their parents—for six days only beginning Tuesday evening, March 20.

Leonard Bernstein has written a special score and songs, John Burrell with an assist from Wendy Toye directed, scenery is by Ralph Alsang and costumes are by Motley.

"Peter Pan" had to be an all-out hit today, for it is the largest show scenically and cast-wise to come from Broadway billed as a non-musical in recent years.

There is a company of 60 players; an orchestra of 22 pieces conducts the background score and Bernstein songs, and 26 stagehands are necessary to manage its complicated seven scenes in the present three-act version.

"Peter Pan" which bows into Masonic Temple for six days only beginning Tuesday evening, March 20, will offer five evening performances with matinees on Wednesday, Saturday and Sunday. The last performance is the Sunday matinee, March 25.

James L. Caddigan, of New York, program director of the DuMont Television Network, will speak on "The Programming Problem in Network Television" during the two hour panel discussion arranged by the Michigan Council American Association of Advertising Agencies.

Others participating will be Thomas G. Slater of New York, assistant director of television for Ruthrauff & Ryan, Inc., Carl Georgi, Jr., of Detroit, vice-president of D. P. Brother Company, Inc., and Blount Slade of Detroit, vice-president of Brooke, Smith, French & Dorrance, Inc.

At the morning session, various aspects of advertising copy will be the subject of three experts also supplied by the Michigan Council.

They are George Gribbin of New York, associate copy director of Young & Rubicam, Inc., William B. Bond of Detroit, advertising manager of J. L. Hudson Company, and L. T. Robinson of Detroit, vice-president and director of copy for Campbell, Ewald Co.

Goodwill Industries of Detroit, which has done an outstanding service to handicapped men and women of southeastern Michigan, is observing its Thirtieth Anniversary during the week of April 9.

Goodwill depends upon discarded household articles for carrying on its rehabilitation program since the refinishing of these articles provides both the employment and job training needed by handicapped adults. After being reconditioned, these articles are then sold in the three Goodwill stores in Detroit.

The celebration will get under way on Monday, April 9, with an Open House at the Goodwill workshop at 6522 Brush St., and an exhibit of handicraft articles made by handicapped men and women. The exhibit will be open to the public without charge throughout the week and may be seen daily from 10:00 a.m. to 6 p.m. and until 9:00 on Tuesday and Friday evenings.

Atlantics Blank Harrison

Middle Atlantic Transportation Company increased its lead to nine points after their four point win over Harrison Carpets last Friday night. Harrison was easy prey for this fast going aggregation, who seem destined to wrap up the old hunting for Frank Palmer, their sponsor.

If the Middies can split with their opponents the remainder of the season, they'll be in.

The next two teams in order of the standing couldn't do a thing last week. P & J Cocktail Lounge fell to the Auto Club, only winning one point and Monday Cleaners rolled 922 in the last stanza to avert a shutout by Houston Bros. Inc.

Farms Market took over second place by taking a 3-1 decision over Wolverine Chips, who haven't been up to par recently.

Earl Holzbaugh had to bowl their heads off to win three from Kopp's Pharmacy. It was close all the way. Taylor and Trombley finally came to life for the "divers."

Piches Barber Shop, noted for their late season rushes are doing it gain. Motor City Tires dropped four to the boys in white.

Next week's schedule and record of past performances are as follows:

Mondry Cleaners (7) vs. P & J Cocktail Lounge (1). How did they do it . . . ?

Motor City Tires (6) vs. Auto Club (2). The latter club will even it up.

Middle Atlantic Transportation Company (8) vs. Houston Bros. Inc. 0. Houston beat Mondry last week. Look out.

Earl Holzbaugh (5) vs. Harrison Carpets (3). Holzbaugh isn't going to stop now.

Farms Market (5) vs. Kopp's Pharmacy (3). Farms must win.

Piches Barber Shop (7) vs. Wolverine Chips (1). Go easy Forrest.

There is a new chemical maleic hydrazide, which slows the growth of plants without harming them. When sprayed on lawns and hedges, it will keep them short and neat without mowing. The chemical is not yet on the market. It is still being tested for more uses.

Chips Pull Into First Place Tie

Better Made Potato Chips moved into a first place tie with Boutin's Service in the Grosse Pointe Businessmen's Bowling League last Wednesday night by blanketing Testa Cement Co. in a very close match.

After winning the 1st game by 101 pins, they proceeded to take the 2nd and 3rd by three pins each. Peck Rau was high for Better Made with 589.

Boutin's Service remained in a tie for first by taking three from Schulte Hardware. Andy Carroll's 591 for Boutin's was high for the night. Ray Pety, of Schulte's, had the night's high single of 242.

Turner Buick, in second place, was fortunate to win three from a tough Kennelly Catering team. Teams winning four were: Cramer Electric, from Dart In Bar; and Bruce Wigle Co., from Rustic Cabins.

Teams winning three were: Revere Cleaners, from Tom Boyd, Inc.; Imperial Cleaners, from Belding Cleaners; and Hall-Dodds, Inc., from Pointe Insurance Agency.

200 Scores: Rau 222, Aello 222, R. Gilstorf 220, Warren 217, Eger 215, Carroll 212, Groeneveld 211, Gagen 210.

Mrs. Daniel Is Picture Guild Speaker

Wanda Daniel, curriculum assistant in the Grosse Pointe Public Schools, will be the guest speaker at the monthly meeting of the Grosse Pointe Motion Picture Council to be held at the Grosse Pointe War Memorial, Monday, March 19 at 1:30 p.m.

Mrs. Daniel Hembel will preside. Mrs. Daniel's topic, "Communication," is of special interest to the Motion Picture Council since Mrs. Daniel is an authority on the use of audio-visual materials such as films, film-strips, recordings, flat pictures, and Kodachrome slides.

In order to show how these means of communication are a vital force in the process of learning, Mrs. Daniel will illustrate her talk with a wide range of visual and auditory aids.

St. Paul Hi-Lites

By DIANE ZEMPER

The third game of the Varsity playoffs was last Sunday. The C.Y.O. Center was the scene of this contest between the St. Paul and St. David's girls' teams.

Naturally, the excitement ran high, for in a previous meet, the Red and White had been victorious. But, Sunday, the tide was turned, and much to the disappointment of everyone, St. David's came through, the winner.

It was a fairly close contest, however, and it must be said that everyone played their best, as can be seen from the final score, 26-21. The girls will have another chance at the championship next week, so why don't you make plans to attend and give your support.

Only one more week to go! and then—Vacation! Already people are starting to get excited. Maybe that is because of the holiday which the Paulites enjoyed last Wednesday when the faculty attended a Teachers' Institute.

It seemed to get everyone in the mood for enjoying himself. Several Freshman girls decided to enjoy the day together and therefore all collected at one house, and from there proceeded to the riding stables to try their skill at horseback riding.

The beautiful weather only added to the pleasure of Mary Roth, Audrey Hillebrand, Marilyn Champine, Barbara Roland, Pat Westrick, Sandra Knack, Lynn Van Tiem, Mary Rabaut, Dorothy Okray and Clare Jablonski.

When the girls were tired, (it didn't take too long, we heard), they adjourned to the nearest coke-stand for some much-needed refreshments.

It was a rather stiff and tired group which returned to their homes at the end of such a strenuous day.

HANS VON BERNTHAL took advantage of the extra non-school night and invited his friends over for a "strictly stag" party. Cards and just talking were the main occupations for these Senior boys, including Richard Gallagher, James Keller, Gerald Marshall, Duane Streb, Dennis Furton, Earl La Fave, and Thomas Palmer.

It is stated that boys can out-chatter girls anytime, and from hearing accounts of the get-together, we believe it!

Last weekend was a big night for the Sophomores, for a party was in the offing. Catherine Andre was the hostess on this occasion, and the guests included practically all her Soph friends.

Even James Halsey, Arlene Froehlich, Robert Barrett, Carol Plourde, Mary Engelhardt, Clifford Jablonski, John Brady, Alice West and Robert Thurtell could have been spotted eating hot dogs and drinking cokes.

Mr. and Mrs. Hackenberger and Mrs. Andre claimed that they greatly enjoyed the company of Patricia West, Patricia Monahan, Glen Walters, Marilyn Sutherland, Joseph Weber, Joan Hock, Rose Anne Blondell, George Brady, and many others on that occasion.

THE SENIORS, too, on that evening were galavanting about, for Marie Couvreur had declared Open House for all her classmates.

Taking advantage of this chance to visit and meet with the group were Jim O'Connor and Judy Beaupre, Mary Louise Fisher and Patrick McCormick, Kathleen West and Gerald Kirsch, Ronald Moriketter and Celestine Blondell, Robert Schneider and Patricia Cook, Ann Martz and Douglas Barr.

Elizabeth Barton, June DuLac, Sally McCarron, Richard Cameron, Mary Josephine Trombley, Alphonse Susalla, Dolores DeWolf, William Murphy, Mary Louise Cavanaugh, Earl La Fave, and Duane Streb also were present enjoying themselves by dancing and watching television.

After the party, many of the boys, departed for Robert Schneider's to spend the night. The girls, also had a slumber party at Marie's. All in all, it was an extremely full night for everyone concerned.

AND DID YOU KNOW that a few members of the second year Typing and Shorthand Classes were entertained at University of Detroit College last Thursday?

Mary Louise Cavanaugh, Phyllis Van Becelaere, Ann Martz, Diane Zemper, Alphonse Susalla, and Kathleen West along with two faculty members made the journey across town to witness the typing of Cortez Peters, the world's fastest typist.

It must be admitted that they were rather amazed and perhaps a trifle envious of the speed of Mr. Peters. On the average, he types about 160 words per minute, but on simple sentences, he has typed as fast as 325 words per minute! Can anyone beat that record?

Last Sunday, a passion play, "Barter" was presented by the Selma Heights Players for the enjoyment of people living in Detroit and environs. Many families were on hand to rife performance, and an excellent one it was, too.

Marilyn Buehner, Marilyn Champine, Janet Wrubel, Mary Roth, Lynn Van Tiem and Sandra Knack will vouch for that.

It is really too bad that more of the student body did not make arrangements to see it, for it was beautifully acted.

It seems that we've covered everything for this week. See you all next.

SUMMARY OF PROCEEDINGS OF ADJOURNED MEETING

MARCH 5, 1951

Called to order at 8:00 p.m.

Present on roll call: Mayor William F. Connolly, Jr., and Councilmen William G. Kirby, Richard L. Maxon and George L. Schlaepfer.

Absent: Councilmen Henry H. Hubbard, John M. S. Hutchinson and Neil S. McEachin.

Mayor William F. Connolly, Jr., presided.

The Council considered bids for construction of a Public Works garage on City property at Chalfonte and Kerby which were received and opened publicly by the Bid Opening Committee at 12:00 noon, March 2, 1951.

The tabulation showed fourteen (14) bids ranging from a low of \$65,050.00 to \$92,350.00.

After careful consideration the Council awarded the contract for the construction of the Public Works garage to Thomas & Wilson Company, low bidder.

Estimated cost of the proposed project, including additional funds necessary for connecting drives, removal of present buildings, clean up, landscaping, etc., according to the Engineer, is \$75,000.00.

Since present reserves showed approximately \$60,000.00 on hand for this construction, the matter of an additional appropriation to complete the work was ordered included in the 1951-52 budget.

The meeting adjourned at 9:00 p.m.
