Schools Begin Dental Health Program

To Start Fluoride Treatment at Defer and Mason April 2

A fluoride program will be introduced to the lower grade students in Grosse Pointe this Spring by the Grosse Pointe Mothers' Health Education Council.

The proposed dental health plan is part of an overall preventative program to improve the dental health of all the children in the community. Beginning April 2, the treatment will be started on second grade children at Mason and Defer Schools.

Application of fluoride given early to boys and girls will help safeguard the permanent teeth, the Council found.

The treatment has been proven to prevent new decay by as much as 40 per cent on groups of children, when properly administered.

Sodium fluoride may be given at any age, but is agreed by the dental profession that such treatments to be most beneficial, should be given at the approximate ages of three, seven, ten and thirteen years, when new teeth are appearing, member of the council said.

As most children in second grade are approximately seven years of age, the Council is limiting the treatment to Grade Two.

The program will be conducted under the supervision of local dentists, and meets with the full approval of the Detroit District Dental Society, the Eastern Dental Club of Detroit, the local and State Health Department and the Grosse Pointe Board of Education.

The program is designed to be self supporting. A fee of five dollars will be charged for each child given the complete treatment.

The complete treatment consists of cleaning the teeth and making four applications of sodium fluoride to the teeth.

The four treatments will take place from two to seven days apart. All treatments will be given in school.

Various service clubs and PTA Associations have been asked to support the program.

The Health Education Council, sponsors of the fluoride program, consists of three delegates from each Grosse Pointe public school, also individual members, who are former delegates. Formed in 1945, the Council forms a link between the schools and the home in carrying on a health education program.

GI Recounts Close Brush With Death

A soldier in Korea who was conscious about his five foot nine inch height is now recuperating in a hospital in Japan and thanking his lucky stars he isn't an inch taller.

Second Lt. Robert E. Legate recounted the story of his close brush with death in a letter to his mother, Mrs. Helen McKee, of 829 Beaconsfield.

While Legate was a platoon leader in the 72nd Truck Battalion, four vehicles ahead of his were completely demolished by mines.

He was wounded by shrapnel and evacuated to southern Korea. Later, in a Japanese hospital, where he was taken, Legate was able to phone his mother from his bedside.

The GI recently completed training with the newly established Corps Combat Patrol Leaders school in central Korea.

Charlevoix to Get New Street Lights

A program calling for the installation of new street lights on Charlevoix from Wayburn to Cadieux will be submitted to the Grosse Pointe Park Council on March 26.

The Charlevoix project is part of a 10-year improvement program in the Park. New lights on Jefferson avenue in the Park were installed last fall.

Smoke Wakes Woods Family

The family of B. E. Bonnell of 1231 Paget, was awakened early Monday morning when smoke filled the house.

Woods Police and Fire Department said the fumes were caused by a faulty blower motor. Damage was estimated at \$25.

STRAY DOGS THREATENED

A warning went out this week to all dog owners in Grosse Pointe Park.

Unless owners keep their pooches at home, stray pets will be going for a ride with the Park dog catcher.

Missing Car Seat Turns Up in Parlor

Mrs. Florence B. Lehman, of 448 Fisher, had a right to be alarmed when she discovered the front seat of her car missing Friday.

While attending an afternoon gathering in a friend's home in the Pointe, the seats were removed as a joke.

Discovering the loss, Mrs. Lehman phoned police.

When she arrived home, there was the front seat of her automobile in her living room.

Hear Rent Hike Cases Thursdays

Grosse Pointe Park landlords who are anxious to raise rents on properties will have an opportunity to voice their appeals on Thursday, March 22.

A representative of the Wayne County Rent Advisory Board will be at the Municipal Building from 9 a. m. to 5 p. m. for six consecutive Thursdays, beginning March 22.

Arrangements have been made, Park Manager Everitt B. Lane stated, to have the mediator from the Wayne County Rent Advisory Board meet the landlords and tenants for the purpose of examining their cases under the Federal Rent Control Act and approving or denying adjustments.

Although the Rent Board turned down a recent request for an over-all high in rents in Grosse Pointe Park, it recommended that a representative meet landlords and consider their individual petitions.

Highland Park and Dearborn have followed the petition plan for rental increases, as recommended to the Park by the Wayne Board, and found it very favorable.

Since 1947 when rents were frozen, 87 per cent of the land-

Robber Leaves One Happy Customer

The daring gunpoint robbery of a Grosse Pointe bar Tuesday morning shortly before 9 a. m. left one satisfied customer by day's end.

Joseph Snay, proprietor of the bar at 18666 Mack, refunded the \$25 taken from Wilbur McClellan's pocket by the holdup men.

McClellan, of 2064 Van Antwerp, entered the bar shortly after the bandits and was ushered into a back room.

Before fleeing in a black sedan, the armed thugs took \$60 from Snay's wallet and \$40 from the till.

Both Snay and McClellan were divested of their trousers by the raiders, who also took time out from the snatching spree to clip the telephone wires.

Flying Auto Has Unhappy Landing

David McLaughlin, of 16254 Wildemere, was taken to the Woods Medical Center for treatment of injuries after his car hit an embankment at Vernier and Mack Friday evening.

Police said his auto flew through the air and struck a fence on the Bakeman property.

McLaughlin was ticketed for reckless driving.

Slate Community Good Friday Rites at Woods Theatre

As the season of Lent draws to a close, churches in Grosse Pointe have been making plans for the Holy Week with services on Maundy Thursday, Good Friday and Easter Sunday.

For the fourth consecutive year the Community Good Friday Service will be held at the Woods Theatre, Mack near Seven Mile, from 1 to 2:30 p. m. In the Catholic churches, Tre Ore services will also be held, beginning at noon Friday.

Sponsored by the Detroit Council of Churches, the Woods service will be aided by the Grosse Pointe Ministerial Association.

SPEAKER

Rev. Paul Morrison, D.D.

The sermon will be delivered by the Rev. Paul Morrison, D. D., pastor of the Trinity Methodist Church, Highland Park for the past seven years.

Mr. Morrison is also chairman of the Interracial Committee of the Detroit Council of Churches and President of the Detroit Methodist Conference. His subject will be "Broadcast from Calvary."

The theatre will be transformed into a house of worship through special sacred music furnished by choir members of the participating churches under the direction of Mr. Wilbur Bezeau.

Mr. Bezeau is director of music at the Grosse Pointe Woods Presbyterian Church. Mrs. Fred M. Young will be at the organ. A Hammond organ will be installed for the service through the kindness of Mr. E. R. McDuff, general manager of Grinnell Brothers.

Accidents

Keep Farms Police Busy

Grosse Pointe Farms policemen spent a busy Monday morning when six accidents occurred on snowy streets.

The first calamity was reported at 8 a. m. when Kenneth Heckinger, of 127 Muir road, slid over the curb near 390 Mt. Vernon as he attempted to avoid hitting another car.

He was ticketed for reckless driving.

An hour later Arvid Norrman, of Detroit, skidded over the curb on Lake Shore Drive and smashed into a tree.

Damage to his car was estimated at \$150. The driver was not hurt.

Charles Seeley, of 343 Kerby, received an injured knee in an accident. Seeley was driving north on Kerby and pulled to the curb to let a car pass. His auto hit an icy patch on the road and his car jumped the curb, striking a telephone pole.

Hugh Ramsay was backing out of a driveway on Mack when his vehicle collided with another auto driven by Willard Gratopp.

Cars driven by Adelaide Mueller, 45 Deming Lane, and Margaret K. Jackson, 124 Merrimack, collided at Jefferson and Fisher. Neither were injured.

Shortly after noon on Thursday, Jack A. Muir attempted to turn from Mack and collided with another vehicle driven by John E. Holm of Melvindale.

Civic Center Plan to Face Council

The Grosse Pointe Park Planning Commission is making final preparations for submitting their Civic Center Plan to the Council.

If the Council approves the plan, a public hearing will be scheduled.

Voters' League Reviews State Offices

Voters of Grosse Pointe will cast their ballots April 2 for state officials, including the Superintendent of Public Instruction; one member each, for the State Board of Education, the Board of Agriculture, and the Board of Regents; and a Justice of the State Supreme Court.

The League of Women Voters of Grosse Pointe Park offers the following information on the candidates.

SUPERINTENDENT OF PUBLIC INSTRUCTION
Nominees: Rep. Lee M. Thurston, Dem. Edgar W. Waugh.

Term: 2 years, beginning July 1, 1951.
Salary: \$12,500.

Qualifications: Must be a graduate of a university, college, or state normal school of good standing, and shall have had at least five years' experience as a teacher or superintendent of schools.

The superintendent has general supervision of the public schools and the state educational institutions. He collects school statistics, apportions school aid funds according to law, advises school officers, examines and audits official records and accounts of

school districts, and is executive officer of the State Board for control of Vocational Education.

He is ex-officio a member and secretary of the State Board of Education, and similarly a member of the State Administrative Board, the Municipal Finance Commission, the Board of Regents, the State Board of Agriculture and all other boards having control of public instruction, as well as the Board of State Auditors, the Board of State Canvassers, and others.

MEMBER, STATE BOARD OF EDUCATION
Nominees: Rep. Charles G. Burns (Inc.); Dem. Louis J. McGuiness.
Term: 6 years, beginning July 1, 1951.
Salary: \$3 a day for actual services plus necessary expenses. No special qualifications.

This election is for one of the three members of this board which directs and supervises the four state normal colleges.

It appoints the presidents and faculties and regulates the courses of study.

It also approves textbooks in certain fields for use by public

schools and it issues teaching certificates for graduates of all state institutions of higher learning.

It also supervises the Michigan School for the Deaf and the Michigan School for the Blind.

MEMBER, STATE BOARD OF AGRICULTURE
Nominees: Rep. Forest Akers; Dem. Frederick H. Mueller.
Term: 6 years, beginning Jan. 1, 1952.

PLANNING COMMISSION PLAUDITS

Last week the Park Planning Commission called a public session to give a progress report on the Civic Center project. For the past two years, the Commission has worked arduously toward its goal. The first hurdle in a long uphill climb is safely passed.

In spite of the blustery night, the Commission picked for their preview, the courtroom in the Municipal Building was comfortably filled with spectators.

The people who came to the meeting expressed general approval of the plans they surveyed.

The Civic Center on paper looked good. It anticipated the needs of the community. It would some day serve.

The most important features of the project would include a handsome portal entrance to Grosse Pointe, parking facilities and a comfort station at the city limits and a storm water reservoir.

One of the chief objectives of the plan is to protect the property restrictions in the Windmill Pointe subdivision.

The next step will be to place the proposed plans in the lap of the Grosse Pointe Park Council, possibly at their next meeting. From there, if the project meets with the Council's approval, the Civic Center plan will be scheduled for a public hearing.

The vision of these men who have taken the needs of their city to heart lies behind the Civic Center program.

The members of the Planning Commission deserve the support of the public they serve.

FARMS TAKES THE LEAD

Five Michigan cities are among the 70 communities in the United States which are already adding fluorides to their public water supplies for the prevention of dental decay in their children.

Ten other Michigan cities, including Grosse Pointe Farms, have their plans approved. Requests for information and assistance in planning for additional areas are received almost daily by the Michigan Department of Health.

The Farms approved the measure several months ago and is preparing to install the necessary equipment. Her step might well be followed by other Pointe communities.

The fluoridation of public water supplies is a comparatively simple and inexpensive procedure which can reduce dental decay as much as 65 per cent, according to the Section of Public Health Dentistry. It does not change the taste or color of the water.

A child who drinks fluoridated water during the years his teeth are forming— from birth until about eight years of age— gains protection which continues throughout his life. The cost of this protection varies, according to the city, from four to fourteen cents per person per year.

The five Michigan communities now adding fluoride to their water supplies are: Grand Rapids, where a fluoridation experiment has been conducted by the Michigan Department of Health, the Public Health Service, the University of Michigan and the city for the past six years;

Midland; Ludington; Algonac and Hastings.

Plans have also been approved for Wyandotte, Saginaw, Jackson, South Haven, Grand Haven, Muskegon, Mt. Clemens, Marquette, and Norway. At least two other cities have plans ready to submit to the Division of Engineering for approval.

The need for better dental health protection is shown by the fact that the average 16-year-old in Michigan has ten teeth decayed and two teeth removed. It is quite possible that these teen-agers will have lost half their teeth by the time they are 40 years of age, according to Dr. Fred Wertheimer, Director of the Section of Public Health Dentistry. Fluoridation of public water supplies plus good home care of the teeth, low sugar diets and regular visits to the dentist can reduce dental decay to one-third its present level in one generation's time.

Fluoridation of public water supplies for the prevention of dental decay now has the approval of the American Dental Association, the American Association of Public Health Dentists, the State and Territorial Dental Health Directors, the United States Public Health Service, the American Water Works Association, the State and Territorial Health Officers Association and the American Public Health Association.

These endorsements are based on actual studies conducted in Grand Rapids and elsewhere during the past decade.

DON'T SHOOT THE PIANO PLAYER

A sign which said "Don't shoot the piano player — he's doing the best he can." That homespun philosophy can be applied to the retailers of America in these days of soaring prices.

Probably it is a natural vagary of human nature that a great many consumers should select the retailer as their prime target when it comes to complaining about inflation. It is the retailer, after all, who sells the goods and takes their money. They are in day-by-day contact with him.

And when they see his price tags changed to higher figures, it is a simple matter to reason that he's profiteering at the expense of all the rest of us.

Natural as this attitude may be, it has absolutely no foundation in the economic facts of life. Actually, in a great many

cases covering both chain and independent merchandising, the margin of profit earned by merchants has declined as the total volume of business substantially increases in prices at retail have often lagged behind the increases in prices at the wholesale level. That is the result of today's intensive retail competition — and also of the desire of retailers to mitigate the pains of inflation to the best of their very limited ability, as one means of encouraging trade.

That inflation is the greatest domestic danger this country faces goes without saying. But it serves no purpose to put the blame in the wrong places. When the price of a can of beans soars, look for the real cause—which, primarily, is the wasteful, inflation-breeding monetary policies of your government.

Right in His Lap

GRAND CIRCUS PARK

In holiday mood I wandered on a misty night and dark, And looked at the crowd of people that walked through Grand Circus Park.

The day was done and workaday folks were rushing to and fro. They did not mind the drizzling rain which turned into gleaming snow.

On Washington and on Woodward bells pealed in the old French town. Bright banners streamed as mankind beamed in this era of renown.

Even the weather-worn pigeons were slicked up a bit tonight. They had a feast at the fountain before they soared out of sight.

The lamps in the tall gray buildings joined God's lanterns in the sky. A gentle soft and friendly light shone out of the church nearby.

The snowflakes danced and scurried till the park resembled a cave Hemmed in by walls where firefly elves frolicked and wouldn't behave;

The music and dancing was festive in cabarets so gay. Dynamic Detroit is planning to welcome her Natal day.

Young lovers alight from autos to enter a gala show, Romance and fun awaits them there but witchery's in the snow.

It covered the trees with bridal-wreath, dropped diamonds in the dark. This is a magic garden, for pixies were having a lark

As Maybury called to Pingree in his cap of eider-down, "Heigh-ho, Good Sir across the way, Detroit's an enchanted town."

TO THE EDITOR:

We want to say a hearty and sincere "Thank You" for the splendid write-up you gave us in your paper in January. We thought it was exceptionally well done.

Shortly after your papers were distributed, our telephone started to ring with people inquiring as to the exact date of our opening. That certainly impressed us with the impact your papers have in the localities you cover.

We have been highly gratified at the warm-hearted reception we have been given so far and again

CHRISTIAN SCIENCE CHURCHES
"Matter" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, March 25.
The Golden Text (Psalm 81: 9, 10) is: "There shall no strange god be in thee; neither shall there worship any strange god. I am the Lord thy God, which brought thee out of the land of Egypt."
Among the Bible citations is this passage (Matt. 6:20, 21): "Lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: For where your treasure is, there will your heart be also."
Correlative passages to be read from the Christian Science textbook.

TO THE EDITOR:
We want to say a hearty and sincere "Thank You" for the splendid write-up you gave us in your paper in January. We thought it was exceptionally well done.
Shortly after your papers were distributed, our telephone started to ring with people inquiring as to the exact date of our opening. That certainly impressed us with the impact your papers have in the localities you cover.
We have been highly gratified at the warm-hearted reception we have been given so far and again

New Edison Power Unit Boosts Electric Supply

Southeastern Michigan's electric power supply was boosted 135,000 horsepower Friday with the starting up of a new steam turbo-generator at Detroit Edison's Conners Creek power plant.

The 100,000-kilowatt machine—one of the largest in the Detroit Edison system—produces enough electricity to supply a city of 215,000 people, or the combined population of Dearborn, Hamtramck, Highland Park and River Rouge.

The turbo-generator, complete with boilers and accessories, cost about \$15,000,000 and is the first of two identical units being installed at Conners Creek. The second will go into operation in September. Both were built by Westinghouse.

P. W. Thompson, Edison vice-president in charge of engineering, said a large part of the additional power output would be taken up by defense production.

"More seven-day, three-shift operation is in close prospect for many factories," he said. "The new unit, and others to be added to the system elsewhere, will assure holding the present reserve margin. We are glad to have had this added capacity built and ready at this time."

Thompson noted that because of Edison's network of transmission lines the usefulness of the addition could be spread over the company's entire service area, which has a population of three and a half million.

The new generator was started and brought up to operating speed of 1,800 revolutions per minute by Edwin B. Rall, retired assistant superintendent of the Conners Creek plant. He returned to this country recently after three years' service in Korea and Japan as a U. S. Economic Cooperation Administration power consultant.

Addition of the Conners Creek generator is one step in an expansion program that will bring Detroit Edison's total power capacity to 3,000,000 horsepower by late 1953—double that of 10 years ago. The largest project in the current expansion program is already under way on the river front between St. Clair and Marine City, where the Company's new St. Clair power plant is being built.

Fr. Keller Speaks Here

Father James G. Keller, M.M., has been invited by the League of Catholic Women to speak on the Christopher Movement. Over a million persons have read Father Keller's books.

Three million have seen the moving picture "You Can Change the World."

The "Monthly Notes" on the actual happenings of these Christ-bearers, brings into focus the Christopher legend, "It is better to light one candle than to curse the darkness."

The lecture will be given in the Ballroom of the Activities Building, 120 Parsons Street, on April 4th at 8 p. m. The League of Catholic Women extends an invitation to all to hear Father Keller.

Local Pastor on Television

A complete church service will be televised over station WXYZ channel 7, on Good Friday from 1 to 2 p.m. The Rev. Walter J. Geffert, pastor of the King Lutheran Church, Grosse Pointe Woods, will serve as the liturgist in the service.

The Detroit Bach Chorus will offer hymns, and the Rev. Victor Halboth of Grace Lutheran Church, will deliver the Good Friday sermon.

This hour of worship is being sponsored by the Lutheran Center, a public relations organization of Greater Detroit Lutheran Churches.

Guild to Hear Book Reviews

The Women's Guild of St. James Lutheran Church will present a Desert-Lunch Book Review in the church hall, McMillan near Kercheval, on Tuesday, March 27.

Mrs. Frederick Hauck will review "The Innocents from Indiana" by Emily Kimbrough and "Nuts in May" by Cornelia Otis Skinner, and will also give a short review of current books.

Mrs. Frank Mumford is in charge of the program, assisted by Mrs. C. M. Blanke, Mrs. Leo Carr, Mrs. Sigge Svenson, Mrs. Edward Jukes, Mrs. C. W. Floss and Mrs. Oge Olsen.

Dessert will be served at 12:45, and the review will be at 2. Guests are welcome.

Denison Glee Club Concert Stars Pointer

The Denison University Men's Glee Club will be presented in a concert in the Veterans' Memorial Hall, Detroit, Wednesday, April 4, at 8:30 p.m. This is the same organization that was favorably received in Grosse Pointe two years ago.

One local resident, Douglas Krieger, 308 Moran road, a senior, is now assistant leader and accompanist for the group. He is scheduled on the program for a piano solo, "La Campanella" (Paganini).

The 35 members of the club making the trip with Prof. Karl Eschman, director, are on their annual spring vacation concert tour that opens in Sandusky, O., March 30.

The club will sing in Euclid, O., Dayton and Toledo, before reaching Detroit. Their final appearance will be in Evanston, Ill., at the First Baptist Church April 5.

The club's varied program consists of sacred, classical, popular and novelty numbers.

Operas to Aid Duns Scotus

Two modern miniature comic operas by Gian-Carlo Menotti that won both critical and popular acclaim in New York will be presented for the benefit of Duns Scotus College, local Franciscan seminary, Saturday and Sunday, March 31 and April 1.

Each evening, at 8:15, in Catholic Central Auditorium, John R. at Belmont, the Detroit Opera Society will stage the comedy, "The Old Maid and the Thief" and the humorous "The Telephone."

The performances are sponsored by the Friends of Duns Scotus College. All proceeds will be used for the education of Franciscan students.

Tony Mottola, guitarist and composer of the mood music on CBS-TV's "Danger," plans to publish his original compositions for the show.

Pointe Scouts Hold First Aid Contest

On Thursday, March 13, nearly 200 Scouts of the Grosse Pointe area met together at the Pierce Junior High School in a competitive First Aid event.

The First Aid Meet was under the leadership of W. E. Gore, 825 Rivard, who is the Community Activities Chairman, and Dr. Daniel McGinty, 745 Grand Marais, who is the Community Commissioner.

The First Aid Meet is a part of the "Forward Together in 1951" program being sponsored by the Detroit Area Council to help Units prepare for any emergency through the strengthening of Unit programs.

In addition to the patrols participating, numerous local officials assisted the operation of the program.

The group includes Bill Swartz, 316 Hillcrest, Chief Registrar and Recorder; Byron Burchby, 1237 Hampton road, Chief Doctor; Jim Lawmaster, 5301 Drexel, Referee; John Lapsish, 2008 Beaufait, Referee; and Mel Collinson, 704 Westchester, Referee.

Many other Scouts active in the various Troops of the area also participated in one or another of the capacities.

As a result of the meet, 16 of the 19 Patrols participating in the event qualified for participation in the District First Aid Meet scheduled for Thursday, April 5. The 16 Patrols will represent Grosse Pointe in this meet.

The following Patrols participated in the event:

Troop 61—Obijibway and Mystery, sponsored by St. Pauls Catholic Church.

Troop 74—Cobra and Flying Eagles, sponsored by Richard School P.T.A.

Troop 88—Cobra and Panthers, sponsored by Trombley School.

Troop 96—Badger and Cobra, sponsored by Grosse Pointe Memorial Church.

Troop 147—Wolverine, sponsored by Defer School P.T.A.

Troop 156—Woodpecker, sponsored by Christ Episcopal Church.

Troop 290—Stag and Lone Pine, sponsored by Mason School P.T.A.

Troop 399—Explorer, sponsored by St. Clare of Montefalco Church.

Troop 478—Panther, sponsored by Gratiot Township Kiwanis.

Red Cross Seeks Goal

A plea to Red Cross campaign workers to exceed the goal of \$1,665,000 set for Detroit Chapter was made this week by Raymond T. Perring campaign chairman.

"Every dollar of the established quota is exceedingly important," Perring said. "That figure represents the chapter's minimum requirement for carrying on its emergency program."

By strengthening other national Red Cross societies throughout the world and assisting them during major disasters, the American Red Cross fosters better understanding and goodwill toward our entire nation. Last year, relief materials valued at approximately \$1,000,000 went to 38 countries in time of emergency need. Your 1951 Red Cross contribution helps prevent misery and suffering around the world.

GIVE!

What we should really strive for is to surpass that goal by a substantial amount.

"Raising money for Red Cross is always an important job. In this time of crisis it is a matter of extreme urgency. All the resources of the nation—physical and spiritual—are being mobilized to defend the things we hold dear, and the Red Cross has a vital and indispensable part in that defense."

"It is our responsibility to mobilize the financial support that will enable the Red Cross to meet its obligations to servicemen and their families, to the veterans of former wars, to the communities it serves all over the land, and to the nation as a whole."

Huetteman Named Bank President

A Pointe resident has been elected president of the new Commercial State Bank of Roseville.

John Huetteman, of 60 Lake Shore Lane, was also named to the Board of Directors.

Huetteman has been in the food business for the past 50 years. In 1899 he started in business with his father, Joseph Huetteman, handling food, especially dairy products. In 1915 he was elected secretary of the newly formed Detroit Butter, Cheese and Egg Board, a position which he held for 20 years.

During World War I, Huetteman was appointed by the American Ministry of Food in the State of Michigan to handle shipments of dairy products to the British armed forces.

Huetteman was instrumental in creating and promoting the famous Frankemuth cheese. He also helped form the Detroit Refrigerating Cold Storage and Warehouse and acted on the Board of Directors for 15 years.

Library Group to Hear Historian

Dr. Alfred H. Whittaker, chairman of the program committee of the Friends of the Grosse Pointe Public Library, announces that the next meeting of the group will feature a panel discussion on "Metropolitan Detroit Meets Crisis, Past and Present."

The meeting will be held on Tuesday, April 10, at the Grosse Pointe Library at 8:30 p.m.

Five speakers have been invited to speak on Health, Transportation, Production, Finance, and the Home.

The Panel will be under the chairmanship of Dr. Henry D. Brown, director of the Detroit Historical Museum.

The program committee is confident of the turnout for this timely discussion, especially since the student panel at the last meeting was such a tremendous success.

Pointer to Show Film of Guatemala

Kins Collins, of 757 Westchester, will present a showing of films taken on a recent trip to Guatemala at the Central Branch of the YWCA.

The presentation, sponsored by the metropolitan YWCA board, will be held on March 27, at 8 p.m.

This activity is one of a series of Y gatherings which will help send 36 delegates to the YWCA regional conference in Chicago, April 13 to 16.

Rigoletto Film at the Cornet

At the Cornet Theater starting Friday, exclusive first run showing of "Rigoletto" in Verdi's Opera, "Rigoletto," sung in its entirety, with the Royal Opera House Orchestra conducted by Tullio Serafin.

The film Rigoletto is the first and only entire screen version of the Verdi Opera with Italy's greatest singers in the cast.

Fontbonne Party to Aid Hospital

Members of the Fontbonne Auxiliary of St. John Hospital are managing to ignore March winds while preparing for an "April Showers" Luncheon and Fashion Show to be held on Wednesday, April 11, at the Detroit Yacht Club for the benefit of furnishing the hospital.

Though April showers may fall, it is expected that the recently issued invitations will result in a capacity attendance of

450 St. John Hospital enthusiasts, with or without umbrellas.

Once inside the club, however, Detroit's weather can be forgotten in a Hawaiian atmosphere. A

Local Talent In U of M Production

Grosse Pointe will be proud of its talented representation in the University of Michigan production of "It's the Payoff" next week end in Ann Arbor.

Among the members of the cast are Barbara Elliott, of 1060 Beaufield, Mary Gratzler, 1315 Bedford, Shirley S. Forsyth, 492 Rivard, and Cecily Wade, 425 McKinley.

A quartet of Pointers in the dancing chorus are Carol Briggs, 623 Westchester; Pat Ford, 410 McKinley; Mona Pick, 373 Neff, and Lois Woita, of 386 McKinley.

John Fleck to Marry In South

In Memphis, Tenn., the engagement of Janet Grace Canada, of Memphis, and John Warren Fleck, son of the Jesse W. Flecks, of University Place, is being announced.

Janet is the daughter of Mrs. Grace Threlkeld Canada, of Ada, Okla., and Dr. Ernest A. Canada, of Memphis.

She is a junior at Southwestern Memphis University, where she is a member of Delta Delta Delta sorority.

Her fiance is a senior at Michigan State College, where is fraternity affiliation is Psi Upsilon.

They plan to be married June 15 following John's graduation and before he receives his commission in the Army Tank Corps and is assigned to active duty.

Couple Plans May Wedding

Mr. and Mrs. Frederick T. Mohn were hosts at cocktails in their Rivard Boulevard home recently to announce the engagement of their daughter, Rosalind Inez, to Joseph John Kish, son of Mr. and Mrs. Joseph A. Kish of South Bend, Ind.

The bride-elect, a member of the Grosse Pointe Theater group, attended Southern Seminary and later continued her study of dramatics in California.

The couple is planning a May wedding.

Gold match books inscribed with "Roz and Joe" revealed the engagement news to guests.

luncheon with a piano duet, a Mozart concerto.

By a series of projects, the Fontbonne Auxiliary is raising funds to furnish rooms in St. John Hospital now under construction at Seven Mile road and Chandler Park Drive.

Members of the Auxiliary are now working fast to keep pace with the builders as floor after floor and wing on wing are completed and ready to be equipped.

Methodists Slate Holy Week Service

The Holy Week program of the Grosse Pointe Methodist Church will begin on Maundy Thursday evening when the congregations of the Redeemer Methodist Church and the Grosse Pointe Methodist Church combine in a Communion Service at 8 p. m.

The choir of the Grosse Pointe Methodist Church will present the music and Mrs. Frederick Asmus will be the soloist. The two ministers, the Rev. Mr. Hugh C. White will assist each other in the Communion Ritual.

On Good Friday the Grosse Pointe Methodist Church will participate in the Community Service in the Woods Theater.

On Easter Sunday morning at 6 p. m. the youth of the Grosse Pointe Methodist Church will participate in a Community Easter Breakfast and Sunrise Service with the youth of the Congregational Church at the Congregational Church, Chalfonte at Lothrop.

On Easter Sunday Morning at the 10:45 Worship Hour, the Easter Service will be held in the church at 211 Moross Road. The music will be presented by both the chancel choir and the children's choir.

A baptismal service will be conducted and new members will be received. Extra seating will be provided in the worship room and in the parlors and the community room.

Import College Talent For Local Musical

The gay tunes and witty words of The Mikado may be heard at 8 o'clock on Saturday evening, March 31, when the Gilbert and Sullivan Players of Oberlin College bring this popular opera to Pierce Junior High School auditorium in Grosse Pointe.

They are coming under the auspices of the Grosse Pointe Branch of the American Association of University Women.

Assisting chairman Mrs. Robert M. Hays in advertising, publicity and ticket sales are Mrs. C. Bayard Johnson, Mrs. Kenneth Beardlee, Mrs. William Rossiter, Mrs. Joseph Murphy and Mrs. R. W. Sibbert.

Others on the committee are Mrs. M. L. Van Dagens, Mrs. Robert F. Olinger, Mrs. Nathan Goodnow, Mrs. Porter Strother, Mrs. Donald M. Worley, Mrs. Emil O. Dauch, Mrs. T. Clifford

McIntyre and Mrs. Frank D. McIntyre.

Prof. Hayden Boyers directs the group. He has had professional experience and long association with Gilbert and Sullivan productions. Robert A. Gibson, former assistant director at Radio City Music Hall, New York, and for five years stage director with the D'Oyly Carte Opera Company of London, England, spent some time in Oberlin to help with the final rehearsals.

He says, "The Oberlin College Players give as good a show as any professional company I know. Their performance is in the highest traditions of the original Savoyards."

The group includes a cast of 49, actors and chorus, a 25-piece orchestra, and a stage crew.

This is the second successive year the Oberlin players have given Gilbert and Sullivan productions outside of Oberlin. On February 22 of this year, their performance of The Mikado was very enthusiastically received in Toledo. On March 30 they will appear in Cleveland.

G. G. Cascio, as Ko-Ko, was called to Cleveland to play that role at the Karam Theater when the regular actor was suddenly taken ill.

Although he had to wear a costume too large for him and had only 20 minutes to rehearse before the performance began, Cascio made such a hit that he was given three extra curtain calls.

Bob Mesrobian, the Poob-Bah of this production, sung professionally before enrolling at Oberlin. Last summer he took part in the Opera Workshop programs of the Conservatory of Music, singing a variety of grand opera roles.

Ann Stackhouse, as Katisha, draws upon previous stage experience. She has sung with a light opera company in Philadelphia and took part in her high school Gilbert and Sullivan productions.

Tickets at \$1.25 may be purchased at the door.

A relish tray of raw vegetables is a good item on any menu say Michigan State College home economists. Beside having high nutritive value, they'll add variety to the meal.

Bride Wears Slipper Satin for Ceremony

A white slipper satin gown fashioned on princess lines with circular train, and a veil of illusion trimmed with tiny orange blossoms was worn by Patricia Ellen Smith of Chalmers avenue when she exchanged marriage vows March 10 with Robert Henry Peirson, Jr. of Roxford road.

The Reverend Doctor Pitt of Grosse Pointe Memorial Church performed the 7:30 p.m. ceremony.

The bride was given in marriage by her father, Lawrence Clifton Smith.

Her five bridesmaids wore gowns fashioned of faille with off the shoulder necklines and full skirts and matching head-dresses.

Barbara Bailey of Deerfield, Illinois, wore blue for her duties as maid of honor.

The bridesmaids were Mrs. Daniel Goldsmith of Albion, Norreen Schroeder and Nola Myers of Detroit, and Patricia Mann of Grosse Pointe.

They wore light shades of aqua, yellow, pink, and green, respectively and carried bouquets of Ranunculi and other flowers, to harmonize with the color of their gowns.

The bride's bouquet was made up of white orchids and white Ranunculi.

Two flower girls completed the procession. Barbara Ann Peirson of Detroit, cousin of the groom, and Dianne Pat Pravel of LaGrange, Illinois.

Barbara and Dianne wore faille and net ballerina length dresses with matching bonnets. Barbara in aqua, Dianne in pink. They carried colonial bouquets.

Russell Kendall of Detroit assisted the groom as best man. Guests were seated by Richard and Kenneth Smith, brothers of the bride, Ronald McDonald, and Henry Szymanski, also of Detroit.

Mr. and Mrs. Smith entertained the guests at a reception in their Chalmers home following the ceremony.

Mrs. Smith wore a soft rose crepe gown for her daughter's wedding and Mrs. Peirson, the groom's mother, wore a blue-gray crepe.

For traveling, Patricia wore a cloud grey dressmaker suit with navy accessories and white orchids.

After their return from a trip east, the couple will reside on Chalmers avenue.

Pillar Luncheon Next Wed.

A luncheon and card party will be held Wednesday, March 28, at 12:30 p.m. at the Pillar Auditorium, 14529 Kercheval.

The party is under the direction of the Pillar Ladies Auxiliary.

SPEAKS VOWS

Patricia Ellen Smith and Robert Henry Peirson, Jr. were married March 10 at Grosse Pointe Memorial Church. After the ceremony the couple left for a trip through the East.

Rummage Bundle Is Ticket to Charity Tea

The price of admission to the Fontbonne Tea on Tuesday afternoon, March 27, from two to four will be a bundle of rummage.

The tea will be held in the home of Mrs. Eugene F. McCafferty, of 1128 Nottingham road.

The next afternoon, March 28, at the same hours, Mrs. Vernon P. Johnson, 502 Pemberton road, will greet members of the Auxiliary at a bundle tea.

Proceeds will be used to assist the Sisters of St. Joseph to purchase the necessary furnishings for the new St. John Hospital which is making rapid strides toward its completion.

A three-day Rummage Sale of the Fontbonne Auxiliary will be

held April 5, 6 and 7 at 1100 Mack avenue and Lillibridge.

Persons who are unable to attend the parties may have their bundles picked up.

A committee in charge of this work includes:

- Mrs. E. C. Dunn, WA. 1-4545;
- Mrs. Martin Bishop, TW. 1-2161;
- Mrs. Frank Lockman, TU. 5-3539;
- Mrs. John Madison, WA. 2-4233;
- Mrs. Philip Lareau, LA. 7-6483;
- Mrs. Arthur Kerwin, VA. 3-1278 or UN. 3-6591.

If you stir eggs that are to be hard boiled while they are cooking, the yolks will be better centered—making them more attractive for slicing and stuffing.

Bethany Plans Holy Week Services

Holy week services at Bethany Lutheran Church, E. Outer Drive at Chatsworth, will include a special service in the Harper Theater at 1 p.m. on Good Friday afternoon.

Speaker will be the Rev. O. Riess, and music will be furnished by Bethany's Senior Choir, under direction of Mr. Walter Matthes.

Community residents, businessmen, all who may find the service convenient are especially invited by the congregation.

Other holy week services will be held in the Outer Drive Church on Maundy Thursday at 8 p.m., on Good Friday at 8 p.m., and on Easter Sunday at 8:30 a.m. and 10:30 a.m.

Former Pointe Teacher's Son Weds in East

When the son of a former Defer teacher was married recently in Chevy Chase, Maryland, one of the distinguished guests present was Vice President Alben W. Barkley.

Ed Edstrom, son of Mr. and Mrs. E. W. Edstrom of Algonquin, Detroit, and Eve Mark were wed at a March 10 ceremony at the home of Mr. and Mrs. Robert L. Riggs.

After a trip to Lakeland, Florida, the couple will make their home in Washington where the bridegroom is on the staff of the Courier's Washington bureau.

Mrs. Edstroms is the daughter of Abbott Mark of New York and Trinidad.

The Easter Bunny Done Us Wrong!
And so did the weather. So now — we've got to let our "hare" down. We've got racks of new Spring prints! Most of 'em are pretty sharp numbers, too. Our carrot-chomping friend left so many — that we've really knocked the prices way down! It's not too late to get yourself all decked out for Easter... or come in the week after Easter — But whatever you do — don't miss The EASTER SALE at the TOWN 'N' Casual 2045 MACK AVENUE — GROSSE POINTE WOODS TU. 5-3093

EASTER SUNDAY

"Give Thanks
Unto the Lord
For He Is Good...
For His Mercy
Endureth
Forever"

Every Easter — as he will this coming Sunday modern man puts aside the strange implements with which he works out his earthly destiny and returns to the House of his Creator.

Silently, in earnest prayer, he finds haven for his storm-tossed spirit. In faith and child-like wonder he hears again the Easter story. His voice lifts up in praise and in thanksgiving. Deep serenity floods his being for he knows that here is a miracle greater than any he, himself, can ever perform. The knowledge brings gratitude... as gratitude brings hope... as hope brings abiding strength.

He knows then that all the wondrous works of his own hands are as broken toys except as they help to bring his spirit closer to God. And again he rejoices.

The bells peal their triumph in the Easter sunshine. In peace and joy, man exults with the ancient Chronicler: "Let the heavens be glad, and let the earth rejoice, and let men say among the nations, the Lord reigneth."

Boutin's and Chips in Battle

Boutin's Service and Better Made Chips continued their private battle for first place in the Grosse Pointe Businessmen's Bowling League last Wednesday at the Maple Lanes Recreation, each sweeping four from their opponents.

This maintained their tie for first place and increased their lead over the rest of the field to four points.

With only five weeks of the regular season remaining, it is highly possible that the championship could be decided between these two teams on the final night.

Herman Groeneveld's 604 for Better Made, high three for the night, moved him into first place in individual averages with 182 for 78 games. Ray Pety's 180 is second for the same number of games.

High single game for the night was rolled by Ed Lundberg who had 246 in 483.

Teams winning four were: Better Made Chips, from Kennelly Catering, and Boutin's Service, from Rustic Cabins.

Teams winning three were: Testa Cement Co., from Turner Buick, Inc.; Dart In Bar, from Hall-Dodds, Inc.; Revere Cleaners, from Imperial; and Cramer Electric Co. from Tom Boyd, Inc.

Chips 4 times. Up to this time the barbers were only able to win one point from the "deep fry." Chuck Blay helped the barbers along, inserting a 242 game for a 580 total.

Earl Holzbaugh bowed to Harrison Carpets and were lucky to win their one lonely point against 3-pin Louwers and his carpet layers.

The last match went to Motor City Tires, Auto Club losing three to the tirechangers who now have Russ Piche in the leadoff position.

Tomorrow Night's Schedule: Harrison vs. Houston, Farms vs. P & J, Mondry vs. Kopp's, Motor City vs. Wolverines, Holzbaugh vs. Piche and Auto Club will try to stop Middle Atlantic.

On Local Card

BUDDY (Nature Boy) ROGERS makes a return engagement to Chesterfield Arena, Gratiot near 10-Mile road in the featured wrestling bout Friday night. His opponent is the durable Jan Gotch. Two weeks ago Rogers participated in the best match ever presented here.

Farms, Piches Score Sweeps in Loop

Ed Taube returned from his sojourn down Florida way to help Farms Market trip Kopp's Pharmacy, 4-0 and thereby stay in the running for top honors in the G. P. Rotary Club Bowling League.

It was a 2 point gain for the victors as Middle Atlantic Transportation Company was trying desperately to stave off a blanking by Houston Bros., Inc. who had 2 games under their belt and were gunning for a sweep. The Middies finally came to life winning the last game and total pinfall to break even.

Mondry Cleaners also were on their way for a sweep over P & J Cocktail Lounge but dropped the last one to get a 3-1 win and break their tie for third place.

Piches Barber Shop, who usually start to bowl about this time of the season, dumped Wolverine

Mike Dietz New Head Pro at Lakepointe

Mike Dietz, one of Michigan's top ranking tournament golfers, is the new head professional at Lakepointe Country Club, it was announced today by Louis G. Palmer, Lakepointe president.

Dietz comes to Lakepointe from the Country Club of Detroit where he served as assistant pro. Dietz is presently in Florida for the winter and will report to Lakepointe March 24 to start his new duties.

In coming to Lakepointe, Dietz is associating himself with one of the fastest growing private clubs in Detroit. Last year Lakepointe completed building of a new clubhouse, locker room and pro shop.

The club is taking its place beside Lochmoor and the Country Club as the third conveniently located, modernly equipped, private club on the east side.

Dietz will be in familiar territory on his new job. He is a native east sider and learned to play golf as a caddie at Lochmoor. In 1940 he became the first Detroit to gain the finals in the annual Public Links tournament.

The following year, Dietz won the District Golf Association amateur championship, playing

College Clique

Beverly Eidt, 765 University place, and Barbara Schuler, 181 Beaupe, are working on the all-school "M" drive at Marygrove College which is being carried on from March 13 through April 8.

Proceeds from the fund-raising drive will be used for foreign student relief, the scholarship fund, and to meet the budgets of campus divisions of national student groups.

Beverly, the daughter of Mr. and Mrs. Herbert F. Eidt, is chairman of the soliciting committee, and Barbara, the daughter of Mr. and Mrs. R. J. Schuler, is a member of that committee.

A Pointer was recently mentioned in University of Detroit's Varsity News as one of five students receiving all "A's" in the College of Commerce and Finance. She is Carol Vervake, of 1418 Somerset.

Alice Bowen Schlaepfer, daughter of Mr. and Mrs. George L. Schlaepfer of 251 McMillan, was placed on the freshman honors list at Oberlin College.

The honors list is the ten per cent of the class having the highest scholarship standing for the first semester.

William Edward Farquhar, Duke University student from Grosse Pointe, has pledged the Duke Chapter of Beta Theta Pi national social fraternity.

Bill is the son of Mr. and Mrs. James Farquhar and is among seventeen pledges to the society.

Sally Halford, daughter of Mr. and Mrs. Robert Halford of 742 Harcourt Rd., recently pledged Alpha Phi sorority at Bowling Green State University during formal rushing.

Two Grosse Pointe students at Duke University have achieved the distinction of being named to the Duke Dean's List for the Spring Semester.

Dean's List students from this area are: David C. Mitchell; and Martha J. Watkins, daughter of Mr. and Mrs. C. O. Watkins, 420 McKinley Road, Grosse Pointe Farms.

The Kalamazoo College tennis team, on a playing tour of Southern cities, has a star member in junior Tom Willson.

Tom, son of Mr. and Mrs. Frank C. Willson of Maison road, was a member of the champion tennis team at Grosse Pointe High School. He was also a member of the basketball team.

Joyce Carol Wiek, daughter of Mr. and Mrs. Harold Wiek of 244 Fisher, has just been named to the Dean's list at Albion college.

According to an announcement received from the college offices, this is a recognition of the quality of her scholarship during the first semester of the college year. Miss Wiek is a sophomore at Albion.

Marlene Hesse, daughter of Mr. and Mrs. Arthur F. Hesse of 330 Moran Road, and John Bruce Stetson, son of Mr. and Mrs. E. E. Stetson of 331 McKinley, have both been named to the Dean's list of Albion college, according to an announcement received from the college offices.

This is a recognized academic achievement. Miss Hesse is a freshman at Albion college, and Stetson, a sophomore.
