## SHADES OF A REVOLUTION

When residents of Grosse Pointe Woods are affected by decisions of local officials, their community spirit shows its true colors.

Tuesday night the banners were flying. By actual count, more than 180 persons stormed the Municipal Building to register their protest against the switch in school district boundaries which aims to shuttle three score and ten students into a new school in Gratiot Township.

They pay taxes to the Grosse Pointe school district, help maintain a police force to protect their children and fear a property devaluation should the rezoning be enforced. These contentions were defined by a spokesman for the group who presented the case to the Council.

The Woods Council, though powerless

to deliver them from their plight, sympathized with mothers and fathers who urged their support.

The Council agreed to send representatives along with spokesmen from the group of residents when the school board reconsiders the school boundaries.

Members of the school board after hearing about the discontent among residents expressed hopes for an early meeting to discuss the issue.

Whether the matter can be settled in favor of the taxpayers remains to be seen. The school and municipal officials were chosen by popular choice and they answer to the public. If the voice of public opinion can be heard through the walls of public offices, the time is ripe to prove it.

## BELL RINGERS NEEDED

During May two weeks have been set aside to ring doorbells in Grosse Pointe. Families will be called on at this time to support the Grosse Pointe War Memorial Center, which has taken firm roots in the community that surrounds it.

In the few years since its birth, the Center has served many purposes. As a tribute to the soldiers from Grosse Pointe who served in the past war, the stately mansion reflects the glory of these heroes. The Center, though not only a lasting memorial, functions daily as the hub of activity for hundreds of civic groups. Last year, more than 50,000 persons used

its facilities for meetings, shows and classes.

During the drive to raise funds for the Center, hundreds of volunteers will be needed to contact families. Many of the members of youth and adult groups have already enlisted their services, but many more are needed to contact the 10,000 homes in the community.

Residents who are able to spare a few hours from May 4 to 21 are urged to call the Center and register. A few spare moments dedicated to one of Grosse Pointe's most constructive projects will go a long way toward building a better community.

## The Shot Heard Round the World

## Library Spotlight

By Jean Taylor

What recent books are being asked for at your library?

We are turning this question over to Mrs. Helen Boothe of our staff, one of whose responsibilities at the library is to give book talks to local organizations, upon request.

Mrs. Boothe is chairman of the AAUW Current Literature Study Group, and keeps well abreast of the up-to-the-minute book news. Listed below are a few of the titles she has found interesting and significant:

"Policy for the West" by Barbara Ward. The internationally influential British economist, editor and journalist, describes the theory of "containment" for Communist Russia and its satellites. She outlines the economic policies best fitted for the preservation of democracy and freedom throughout the world.

"The Hinge of Fate" by Winston Churchill. This fourth book in Churchill's series, "The Second World War" was preceded by "The Gathering Storm," "Their Finest Hour," and "The Grand Alliance."

"We of Nagasaki" by Takashi Nagai. Takashi Nagai, a celebrated Japanese surgeon, now a bed-ridden survivor of the atomic bomb, tells the story of that catastrophe in the words of the various members of his own family, neighbors, and relatives.

Emphasizing the psychological and spiritual wreckage of the atomic bomb, this is a powerful book which should be read by every thoughtful citizen.

"Mao-Tse-Tung" by Robert Payne. Robert Payne, the author of 1945's best seller, "Forever China," was the joint-author with Stephen Chew of a biography of Sun Yat-Sen. His many years in Asia give him a familiarity with the Chinese language, philosophy and habit of thinking.

This close association with the people of China themselves, enables him to portray authentically their Communist leader, "Mao-Tse-Tung."

"The Age of Faith" by Will Durant. The fourth volume in "The History of Civilization," follows, in order, "Our Oriental Heritage," "The Life of Greece," "Caesar and Christ" covers the years 325 to 1300 A. D. The author's philosophic but picturesque approach to the past makes his history a colorful, fascinating story.

"Boswell's London Journal," 1762-1763. Thought by many critics to be the "literary find" of the century, this is the first volume to be published from the recently discovered papers of James Boswell. The "Journal" narrated in diary form the 22-year-old Boswell's first exciting year in London, and his early acquaintance with Samuel Johnson.

These unpublished long-hand manuscripts of Boswell, are voluminous enough for fifty books. They are now owned by Yale University, which plans to publish at least 24 of them. The 200-year history of their preservation and discovery is as thrilling as a detective story.

"Brothers Under the Skin" by Carey McWilliams. A completely new rewriting of the author's 1943 volume, this is one of the best books available on the various minority groups in the United States.

Carey McWilliams, who furnished the background facts and statistics for Steinbeck's "Grapes of Wrath," is the nationally-recognized leading authority on the subject.

Van Doren. The wife of Van Doren, the Pulitzer prize-winner in poetry, in this book offers a refreshing antidote to the more serious titles on the list. She tells, charmingly, the delights and perplexities of life on a Connecticut farm with a professor's family and their often assorted guests.

## Mrs. Reaume Dies Monday

Mrs. Christine Reaume, of 572 St. Clair Avenue, age 89, died on April 18. Born on Grosse Ile in 1886, she was married to John Febian Reaume, who passed away in 1945. Mrs. Reaume left Grosse Ile in 1897 and settled in Grosse Pointe where she has resided for the past 54 years.

She was the mother of nine children of whom five survive, grandmother of 18 children and great grandmother of 12 children. She was the eldest of 11 children of which nine are still living.

Two brothers, John and Bert LaBelle, have resided in Grosse Pointe for over 50 years.

Mrs. Reaume will be laid out at her residence with funeral services from St. Paul Church at 9:30 a.m., Thursday. Burial from St. Paul Cemetery.

## Airways Post to Park Resident

Robert E. Moran of Lakepointe avenue has been appointed Sales Representative for Braniff International Airways. The appointment was announced by Dale J. Madden, District Sales Manager of the company's Detroit area office.

Moran will handle passenger and air cargo accounts for the airway's services in the U. S. and South America from offices in the Book Building.

## Four Pointers Join Army

Four Grosse Pointe boys enlisted in the Army on April 9 and are presently stationed at Camp Custer in Battle Creek.

The recruits include Richard Cook, 2179 Eight Mile Road; Leon Brys, 2241 Eight Mile Road; Keith Sellers, 21751 Roslyn Road; and Al Kerdel, 2087 Ridgemoor.

All four boys attended Grosse Pointe High School.

The highly-touted bi-partisan policy of Gov. G. Mennen Williams has blown up in his face and possibly his entire tax program with it. When the governor promised to veto any gas tax bill exceeding three-fourths of a cent per gallon, Rep. Victor A. Knox (R-Sault Ste Marie) said Williams "was out of line" and left the executive office.

Speakers of the House Knox had gone on record as favoring a corporation levy. Now he says, "Perhaps not all Republicans feel the same."

Prospects are fading that the legislature will enact any kind of a corporation profits tax.

The Michigan TB sanatorium commission has been instructed to proceed with plans for a 200-bed sanatorium in Kalamazoo. Building program is expected to be limited to \$5,000,000 for TB and \$80,000,000 for mental hospitals.

Twenty senators have demanded that the TB commission also make a 30-day study of state needs at both state and county levels.

Abolition of the Michigan Unemployment Compensation Commission and increases in unemployment benefits have been proposed by the legislature. The measure would raise maximum benefits from \$24 to \$30 per week for unemployed without children. Dependents allowance would rise from \$2 to \$3 up to three.

A single commissioner, to be appointed by the governor, would administer the system. Tom Downs, current commission chairman, long ago recommended this move.

If Michigan's traffic death toll continues at its present rate, more than 2,000 persons will die on state highways and streets in 1951. First two months of this year saw an increase of 29 percent over that period of last year. All-time yearly high was 2,175 in 1937.

More than 11,000,000 visitors to Michigan's 68 state parks and recreation areas are expected this year. One request for information has come from S. H. Rajapakse. His home? Matara, Ceylon.

Michigan's nationally-unique mass blood typing program has advanced to the collection stage. State defense council has approved a plan to establish 698 blood collection stations in 51 counties to gather as much as 200,000 pints of blood 24 hours should it be needed.

But Dr. F. S. Leeder, director of state health department bureau of disease control, believes biological warfare is more "imminent" than atomic bombing. But he adds that departments of health in the U. S. could prevent any long-term outbreaks of disease.

A Michigan car has been reported with a TV set in the rear seat. The legislature immediately introduced a bill making it

illegal to equip an automobile with television in such a way that it would distract the driver.

The automobile industry's current contracts for aircraft engines top production orders of World War II. Eleven contracts now are held or are being negotiated. During World War II the industry built 455,322 engines.

Over the entire country production capacity has increased so much that despite the defense program we have surpluses in a number of lines, price cutting in a few and only scattered layoffs.

A preliminary estimate of the state's winter deer kill has been placed at from 35,000 to 50,000 whitetails. Cause? Heavier than usual snow which covered foliage.

Examinations are seen now only as a delay in being drafted — not exemption. The decision, of course, will rest with local draft boards. But the military training program—if any—still is as confused as ever.

John B. Martin, auditor general, proposes that college students be inducted same as other eligibles and then assigned to whatever educational training programs are needed.

Selective service board received instructions last week to halt May calls, pending revision from Washington.

## Composers' Concert Date Set

A Detroit Composers' Concert celebrating Detroit's 250th anniversary will be given Friday, May 4, at 8:30 p.m., in Scottish Rite Cathedral by the Detroit Scandinavian Symphony Orchestra.

The seven composers whose work will be played are: Julius Chajes, Clark Eastham, Homer LaGassy, Victor Kolar, August Mackelberghe, Henri Matheys and Ruth Wylie.

The concert is designed to show Detroiters their city is great musically as well as industrially. It is the first time in the city's history that such an all-Detroit concert has been given.

According to Conductor Kolar, "This music is American-American, yet representative of the various nationalities which make up our nation and Detroit in particular. The anniversary concert has surprises in store for those who might think Detroit lacks musical vigor."

Some of the music has been composed for the occasion while other compositions have already received national and international acclaim.

Forty-two per cent of last year's motor vehicle accidents involving injuries happened in the dark.

## Testimonial Dinner Honors Two Pointers

Two Grosse Pointe women, who for the past ten years have rendered distinguished service through time, effort and money to help thousands of disabled veterans, servicemen, wives and mothers, will be the guests of honor at a testimonial banquet given by the Paralyzed Veterans Committee on Monday at the Veterans' Memorial Building on West Jefferson.

Mrs. Glenn Anderson, of 329 Merrivether, and Mrs. Henry Forcier, of 464 Manor, are these women.

To relate in detail, the many sacrifices these women have made would take many pages, but their citations from government and army officials tell part of the story.

Mrs. Anderson was cited twice by President Roosevelt for services rendered in promoting War Bond Sales and for aiding the Selective Service. She is one of only three women in the country to receive the Distinguished Service Award from the

Paralyzed Veterans Association. The Fifth Service Command presented her with the Award of Merit and she holds the Meritorious Award from the 5th Army.

Mrs. Forcier has an equally distinguished record of citations for her work with service groups. She holds the Merit Award from the Sixth Service Command, was cited by President Roosevelt for boosting War Bond Sales, and is the recipient of the Good Citizenship Medal from the Veterans of Foreign Wars.

At present both women are working regularly with USO organizations.

## Theatre Group to Elect New Officers

The annual meeting of the Grosse Pointe Theatre will be held on Tuesday, April 24, at 8 p.m., at the Grosse Pointe War Memorial.

Five new members of the Board of Trustees will be elected at this time.

Nominations of present members of the board whose terms expire include Dallas Chapin, Karl Dumas, John Dykema, Virginia Cassil, Joan Hall, Catherine Horrigan, Graham Goetzke.

The president and vice-president to serve for the coming year will also be elected.

## Woods Bucks New School District Line

(Continued from Page 1)

Grosse Pointe School District, residents passed a \$1,185,000 bond issue. Since Gratiot Township shares a portion of school taxes for Grosse Pointe, the Poupard School was erected in that district.

One Woods mother who carried on a personal crusade to have the bond issue passed expressed her disapproval of the rezoning. Now that we have helped to build better schools in our own district, she said, we are told that our children cannot attend them.

As residents left the crowded Council chambers, they found scores of other citizens outside the doors of the Municipal Building waiting to hear what had happened.

The throng seemed well pleased with the action their Council had taken.

## Pointe Youth in Merchant Marine Corps

Troy H. Browning, Jr., son of Mr. and Mrs. T. H. Browning of 1170 Harvard road, has been appointed a Cadet-Midshipman in the United States Merchant Marine Cadet Corps.

He recently reported to the U. S. Merchant Marine Academy at Long Island, New York.

At the end of the first year of the four-year course, Cadet-Midshipman Browning will be placed aboard various ships of the American Merchant Marine where he will be trained under the supervision of qualified ships officers, see the world, and work to complete an academic sea project.

The final two years are spent at the Academy studying advanced subjects in preparation for his license examination.

Cadet-Midshipman Browning will be awarded a bachelor of science degree at graduation, along with a Third Officer license and an Ensign's commission in the U. S. Naval Reserve and U. S. Maritime Service.

Browning is a graduate of Detroit University High School, where he was active in football and track. He also worked on the school publications.

to a community that we like to think of as a laboratory of Christian democracy."

Dr. Blakney is a graduate of the Massachusetts Institute of Technology and of the Boston University School of Theology and holds a Doctor of Divinity degree from Williams College.

Following the First World War, Dr. Blakney went to China where he was Professor of Mathematical Physics in Fukien Christian University for seven years.

Back in the States, Dr. Blakney held a pastorate in Sanford, Maine, and was chaplain in Williams College, Williamstown, Massachusetts, until the Second World War, when he again went to China as a missionary associated with the American Board of Commissioners for Foreign Missions in Peking.

Dr. Blakney's subject, "The Church-Related College," will be given in the Grosse Pointe Church in observation of College Week at the church.

Following the service a brunch will be held in the Social Hall of the Church for the Teen-His and their parents. Dr. Blakney will speak to this group informally. Mrs. Verle Ryan is heading the arrangements for the brunch.

## Localites Take 'M' Honors

Other Pointers and their citations include: James Lehman Brown, 74 Moran, Senior Honors in College of Literature, Science and the Arts; John Mitchell Chase, Jr., 261 Lewiston Road, Freshman Honors in College of Literature, Science and the Arts; Robert David Cogan, 945 Lakepointe, Senior Honors in School of Music and James L. Vernon, Junior Honors in College of Literature, Science and the Arts; William Brown Trousdale, 446 McKinley, Minor Hopwood Award in Poetry (1949-50); Jeremiah George Turcotte, 545 Lakeland, Freshman Honors in College of Literature, Science and the Arts; and William Henry Whittingham, 30 Edgemere, Freshman Honors in College of Architecture and Design.

## Police Take Safety Action

According to an announcement by local police officials, the intersection at St. Paul and Cadieux will be turned into a four-way stop street.

During the past few years, this intersection had had one of the highest accident records in Grosse Pointe.

## Pointe to Undergo Clean-Up Beginning Next Saturday

(Continued from Page 1)

grounds and instruct younger children on how to keep playgrounds clean.

All residents are urged to attend an exhibit at the War Memorial Center, which opened Wednesday, April 18, in conjunction with Clean-Up Week. With the cooperation of Michigan State Department of Agriculture and Detroit City Parks and Boulevards, this exhibit features the problem of Dutch Elm disease, with large authentic samples of diseased wood.

Other high points of the exhibit which directly points up the aims of Clean-Up Week, are fire prevention, rat control, and garden clean-up, this last under the direction of the Grosse Pointe Garden Center which has offices permanently in the War Memorial building.

Mrs. Mann also pointed out that the Council is ready and willing to take certain steps which in their opinion would assure a continuously clean Pointe, but here again they are hampered by lack of funds.

The considered opinion of the Council was that large trash containers should be placed at strategic points near our school grounds and throughout shopping areas.

Moreover an educational program to teach residents the folly of strewing trash in public places, should result in the use of containers if available.

With adequate financial backing, this could become a Garden Club and Council project that might well benefit the entire Pointe. Municipal employees agreed that there is such a need in all the municipalities but no money or authority with which to accomplish it.

The feeling of the Council was that they would like to launch a campaign for this project at an early date. Petitions to the various municipalities by residents might also help, it was suggested.

Mr. Neff and other municipal officials pointed out that varying ordinances in the five Grosse Pointe municipalities necessitate different systems of collecting the trash and rubbish which will

be assembled in large quantities from April 21 to 29.

However, all five municipalities have assured residents that all extra debris will be collected by city trucks as soon as possible after the material has been placed between the sidewalk and curb according to the usual regulations.

Grosse Pointe Farms is sending post cards to all 3,500 homes asking residents to place refuse at curbs for special pick-ups on Monday, April 23, and Monday, April 30.

This will allow householders to clean up house and grounds over two successive week-ends. Other municipalities have assured residents of special pick-ups if they are notified that week of location of rubbish.

The importance of burning all dead wood in order to eradicate the elm tree beetle disease was again stressed by all present. This however brought forth warnings for all householders to check on local fire ordinances for burning debris at home.

There should be an adult standing by at all times until the fire is burned out, but if at any time the fire seems to be getting out of hand do not hesitate to call the fire department at once. Some municipalities allow burning of trash in gutters while others do not. Know your city and its regulations, is another bit of Council advice.

As this issue goes to press, Mrs. Harold W. Bailey of Moross Rd. has received a number of coupons clipped from last week's edition of this newspaper, suggesting various places that need cleaning up. She will continue to accept such suggestions straight through Clean-Up Week and will turn them over to the proper authorities for attention.

Mrs. Paul Deeley has just returned from the south so a pecan pie will be her contribution.

baked goods table with their chocolate cakes.

Hi, girls... I spoke to many of you through this column a few weeks ago... and several of you came in to see me... the girl to say that we were very successful in placing them in positions that are more congenial... that pay more... and that offer greater opportunity for advancement... But, that, of course, is not surprising... because, as you probably know, the employment situation today is more favorable than it has ever been before... That's why we are able to offer you the advantages of our employment agency AT NO COST WHATSOEVER... All fees are paid by the employers... Let me state again the advantages of using our services: YOU SAVE TIME spent in following up ads that may not interest you when you learn more about them... YOU SAVE EXPENSE... the money you spend in traveling all over the city can add up to a considerable investment... YOU SAVE WAITING... because you have a specific appointment with your prospective employer... When you go out on an interview through us, you know that the position is one you want and have every chance of getting... Won't you come in and see me when you want a new position?

## Grace Church to Sponsor ICU Movie

A movie of a returning Japanese soldier, "Kenji Comes Home," will be shown on Wednesday, April 25 at 8 o'clock at Grace Evangelical and Reformed Church, corner of Kercheval and Lakepointe.

"Kenji Comes Home" is the story of the return home of a soldier of a defeated nation; his return to bombed-out cities and towns, devastated countryside, poverty, unemployment and despair.

The film is being presented through the courtesy of the Japan International Christian University Foundation of New York City. This is an international organization of the United States and Canada's churches, formed primarily to interest Americans, Canadians and others in the establishment of an International Christian University in Japan.

Japanese Christians have donated a 350-acre site near Tokyo, and several buildings have already been completed. President of I.C.U. is Dr. Hachiro Yuasa, who came to America at the age of 17. After receiving his education here, finishing with a master's degree from the University of Illinois, Dr. Yuasa toured Europe and since his return to Japan has served in several colleges there.

All those interested in this international good will endeavor are invited to see "Kenji Comes Home."

## MERIT SYSTEM ORDINANCE

**THE CITY OF GROSSE POINTE PARK ORDAINS:**

1. **Scope of Merit System:** There shall be for the employees of the City of Grosse Pointe Park (i) a single system of personnel administration based on merit principles and scientific methods governing the appointment, promotion, transfer, layoff, discharge and disciplining of employees, (ii) a systematic salary and wage plan, and, (iii) an employee classification plan based on the duties, authorities and responsibilities of positions. The foregoing, herein referred to as the Merit System, shall be carried out, conformably to the provisions of Section 5.13 of the City Charter and the provisions of this ordinance, by the Merit System Board and the City Manager acting as Director of Personnel (herein referred to, respectively, as the Board and Director and, collectively, as the Department of Personnel).

2. **Board:** The Board is vested with the general supervision of the board problems of administrative policy in relation to the Merit System. The Chairman of said Board shall be selected by a majority of its members, shall serve as Chairman for the term of his office on the Board, shall have the right to initiate motions and vote on all matters. Said Board shall adopt its own rules of procedure, including the time and place of its meetings and the method of calling the same. Said Board shall make a report of its proceedings annually to the City Council.

3. **Director:** The Director shall be the executive officer of the Department of Personnel and shall direct its administrative work.

4. **Employees Affected:** All employees of the City shall be included in a single Merit System, excepting (i) elective officers, (ii) members of boards or commissions created by, or pursuant to, the City Charter, (iii) the City Manager, (iv) the heads of departments of the City, (v) representatives on the County Board of Supervisors, (vi) part-time employees (namely, employees regularly scheduled to work less than 20 hours per week) and temporary employees (namely, employees regularly scheduled to work less than 6 months in a calendar year), and, (vii) technical consultants; and the term "employees" as hereinafter used means only those persons included in said single Merit System. In said single Merit System appropriate departmental divisions may be made to accommodate problems peculiar to the police, fire or other departments and special Merit System Rules may be made applicable to any such department.

5. **Anti-Discrimination:** No applicant for, or employee in, a position included in the Merit System shall be in any way discriminated against, or in favor of, for political or religious reasons.

6. **Anti-Politics:** No employee under the Merit System shall take part in or contribute to a municipal political campaign, serve as a member of any political committee or organization active in a municipal election, or campaign for or against any candidate for election or nomination to city office, but nothing in the foregoing shall be deemed to prohibit mere attendance at a political meeting.

7. **Merit System Rules:** The Department of Personnel shall establish Merit System Rules, not inconsistent with this ordinance or with the City Charter, for the handling of personnel matters. Such rules shall at least include the following:

- (a) Policies and practices governing permanent, probationary, temporary and emergency appointments to positions under the Merit System and promotion therein.
- (b) Establishment of employment and reemployment lists, and the cancelling and combining of employment and reemployment lists.
- (c) In all cases of original employment or promotion, and in such cases of reemployment as seen fit, the conducting of examinations and the rating of training and experience and the certifying of the three candidates standing highest in such examination and rating, combined, specifically providing that the final selection of those certified shall be made by the department head.
- (d) Principles to be followed in selecting the employee or employees to be laid off when necessary on account of change in the duties or organization of a department, or a shortage or stoppage of work or funds.

In proposing such rules, each member of the Board and the Director shall have an equal vote; when a rule is proposed by a majority of them, it shall be submitted to the City Council for its approval at a public hearing, at least one week's notice of which shall have been given by posting copies of such rule on the bulletin boards in the Clerk's office, municipal garage, Police Department and Fire Department. A rule shall become effective upon the approval thereof by the City Council after such public hearing. In like manner the Department of Personnel may amend or repeal any rule.

8. **Departmental Regulations:** The head of each department, with the approval of the Director, shall have the power to make departmental regulations for carrying on the work of such department, and such regulations shall become effective upon posting on the bulletin board of the department. Except for insubordination or other grave reason, no employee shall be disciplined unless he has violated a regulation so made.

In hearing any grievance, the Board shall give full effect to such departmental regulations unless the same shall be unreasonable or inconsistent with the rules of the Board.

9. **Disciplinary Action:** The head of each department shall have, for purposes of discipline, the power to discharge, demote, suspend, cancel leave or vacation days of, or otherwise discipline employees in his department, except that (i) an employee may not be suspended for more than 15 days at any one time, (ii) no series of suspensions, or cancellation of leave or vacation days shall have the effect of making the total time during which an employee is suspended without pay during the calendar year greater than 30 days, and instead the employee shall be dismissed. No such disciplinary action shall be taken except for cause, and in every such case the department head, within 24 hours after the action takes effect, shall give to the employee and file with the Director and the City Clerk a written statement of the action taken and the cause therefor. In such case the affected employee shall have the right to review by the Board under Section 13 hereof. In reviewing any such disciplinary action, the Board shall sustain the department head if it finds that the cause existed as assigned and that in the light of the cause assigned and the previous record of the employee, the disciplinary action was taken in good faith and was appropriate. Where the department head is not sustained, or is sustained in part only, the Board in its decision may revoke or modify the disciplinary action, and may require payment of wages lost during suspension in excess of 10 days.

10. **Inability to Perform Work Assigned:** The head of each department may dismiss or demote an employee in his department on account of physical or mental disability or general incompetence or unfitness for duty. Before the effective date of such dismissal or demotion, the department head shall give the employee and file with the Director and City Clerk a written statement of his action taken and the reason therefor. In any such case the affected employee shall have a right to review by the Board under Section 12 hereof and in such review the Board shall sustain the department head if it finds that the reason assigned existed in fact.

11. **Layoffs:** The head of a department shall have the power to lay off an employee whenever he considers it necessary on account of change in the duties or organization of the department, or shortage or stoppage of work or funds. An employee laid off shall have a right to review by the Board under Section 12 hereof, and in such review the Board shall sustain the department head if it finds the layoff was made in good faith and in accordance with any layoff rules adopted by the Board.

12. **Appeals to Merit Board:** Any employee considering himself aggrieved by any disciplinary action under Section 9, by any dismissal or demotion under Section 10, or by any layoff under Section 11 may, within 10 days after such action, demand a hearing thereon before the Board by filing with the City Clerk within such 10 day period a written statement of his grievance. Following the filing of any such grievance, the Board shall convene as soon as may be and shall grant the aggrieved employee a fair and impartial hearing with respect to the matter complained of. ## Devils Tounce Cranbrook

Forty-seven in a row! The Blue Devils net team started out the 1951 season by touncing Cranbrook 7-0 on their own courts.

This is the same score that Cranbrook was beaten by last year but doesn't exactly indicate the true state of affairs. Last year both Cranbrook and Grosse Pointe had a much stronger team.

Even with the score being so lop-sided, Coach Schultz couldn't take too much comfort because he saw plenty of sloppy and poor playing.

Dick McKenzie showed some class in trying to take over Al Mann's shoes as No. 1 singles player. He played a heady game and his service caused his opponents a lot of trouble. Yet, Dick still lacks the consistency and punch strokes of Mann and if he is to remain playing the top position he will need to be more aggressive.

Cort Lecklider, with his strong top-spin forehand, dominated his opponent from the back court to win handily. Cort is a hard player to beat because he doesn't give up and plays better under pressure. He should hold down second or third place very well this season.

Pat Brogan, a newcomer to the tennis ranks, played No. 3 singles and showed that he has the stuff to be a real asset this year.

Pat gave up tennis for basketball and track until this spring and then decided to give his talents to the net team. He is an all around athlete and can play under pressure. He needs competitive practice and steadiness and with these two additional weapons he will be a formidable opponent.

Bruce Allen played No. 4 singles and toyed with his opponent. He didn't have much trouble although his game is still rough and he hasn't gotten back his powerful service and forehand from last year.

In doubles the local net team needs plenty of new talent to plug up the holes. Bob Hardies teamed with Mike Bern to win the opening playing No. 1 but went far from the kind of talent needed to win the tough ones in the BCL.

They dropped the second set when they eased up but came back strong to win the third set 6-0.

Tom Lamb and Jack Westphal played No. 2 doubles and won only because their opposition was worse than they were. Both sides were wild and made countless errors.

Two new boys, Dave Terris and Pete Wardle, both sophomores, rounded out the team. They ran the first set out in 15 minutes winning 6-0 and then let up and started patting the ball and finally pulled the second one out of the fire, 9-7.

These two boys showed promise of being a real asset in the future for the team, once they have steadied down and obtained some experience.

This week the team plays Mt. Clemens there on Monday. On Tuesday Cranbrook returns the visit and on Thursday the team goes to Dearborn. Next Tuesday the Border Cities League schedule opens with a match at Fordson.

The refreshment committee, Mrs. Carl Erickson, Mrs. Everett Haglund, Mrs. Rene Linden, Mrs. A. Hoyt Lorimer, Mrs. Lawrence Ruby, Mrs. William C. Smothers, Mrs. Edward Trowbridge, and Mrs. Colton Park, chairman, will serve coffee in the playroom.

The 4A class at Maire School had a Spring Party for their mothers and friends. With the help of Mr. Falk, the children did a series of stunts which included forward rolls, backward rolls, head stands, cartwheels, and pyramids.

After the program the children were served gingerale and cookies. The mothers enjoyed tea and sandwiches. Mrs. Lawrence Ruby and Mrs. Thomas Rhoades, the Room Mothers, were responsible for the refreshments.

### GIRL SCOUT NEWS

An interesting and helpful out-of-doors workshop is offered to all Girl Scout and Brownie Scout leaders on Thursday, May 3, from 10 a.m. until 3 p.m. at Chandler Park.

This course will teach fire-building, outdoor cooking, songs, out-of-door games, trail signs and laying trails—activities which troops can do right in their own neighborhood.

Miss Elizabeth Wright, Miss Muriel Reamore and Mrs. Findlay will be the trainers. Leaders should make reservations for this course with Mrs. Roberts, TU. 1-2871.

## SHOW GREAT PROMISE

Four sophomores from Grosse Pointe High School who are showing great promise on the tennis courts are, left to right, Pete Wardle, Ken Webb, Dave Terris and Bob Brown. With three full seasons ahead of them, the quartet of netters should see plenty of action.

Ninety-eight per cent of drivers involved in fatal automobile accidents in the U. S. last year had at least one year's driving experience.

Twenty-four percent of all drivers involved in fatal automobile accidents in the U. S. last year were between the ages of 18 and 24.

## Donor Units To Be Here During May

The Red Cross Blood Donor Mobile Unit is scheduled to be in Grosse Pointe twice next month. On Tuesday May 1st the Unit will be at the Grosse Pointe Congregational Church at Chalfont and Lothrop from 2 to 9 p.m., and on May 18th the Unit will be at the Grosse Pointe War Memorial Center.

Here is an opportunity for the people of Grosse Pointe to make a personal contribution to the present emergency and to their own community. The blood given may be credited to a church blood bank, and should an emergency arise, the blood would be available immediately. Every fifth pint of blood given will go to Korea.

Four Grosse Pointe churches: St. Pauls Lutheran, St. Michaels Chapel, Grosse Pointe Woods Presbyterian, and Grosse Pointe Congregational Church are co-operating on the administrative arrangements for the May 1st visit.

The Girl Scouts are working on the project. A booth has been set up at one of the village stores, and the girl scouts there will take your reservation for an appointment.

## Sheik-Perva Meet in Title Bout at Chesterfield

Rematched after three weeks of negotiations, Ted Perva again lays his championship of the junior heavyweight wrestling division on the line Friday, 8:30 p.m., against Sheik of Araby at Chesterfield Arena, Gratiot near 10-Mile road.

In their previous meeting the Sheik went berserk after being cut about the eyes. When he was disqualified for unorthodox tactics he slapped a strangle hold on Perva and choked him into a insensible figure on the canvas. A tag team bout of extremely big fellows and one other single bout fills out the card.

## Card Party Aids Building Fund

Members of St. Michael's chapel have scheduled a dessert bridge on April 26, at 1 p.m., at Christ Church.

Chairman of the party, which will benefit the building fund, is Mrs. Edgar H. Yeoman and Mrs. Milton Cross, Jr.

Ticket sales are being handled by Mrs. Donald B. Scobie and Mrs. Homer Stuale.

## City Urges Dog Owners To Buy Tags

Residents of the City of Grosse Pointe are reminded of the need of securing 1951 dog licenses for any dogs owned or harbored in the City. Their licenses are secured at the office of the City Clerk, 17150 Maumee avenue, and the office is open daily from 8:30 a.m. to 4:30 p.m. and Saturdays until noon.

Before a license can be obtained, however, it is required that the dog be first vaccinated or immunized against rabies, and the immunization ticket (pink copy) be submitted when the license is applied for. The license fees are male and unsexed dogs, \$1.10; females, \$2.10.

Local police urge residents to secure the license, and to not allow dogs to run at large. Any dog allowed to run at large may be picked up and impounded.

The impounding fee was raised to \$5 to be paid before an impounded dog is released to its owner, and a number of such penalties have already been collected.

About 75 per cent of last year's automobile accidents involved passenger cars.
