Boar Decision Hinges on June Census

To Use Population Figures in Sending School Border Row

The Grosse Pointe Board of Education, headed by Franklin D. Dougherty, heard on Wednesday evening the protests raised by a body of Grosse Pointe Woods residents whose children will be assigned to the Poupard School in Gratiot Township rather than to Mason School, which has been the regular school for elementary age children in the Woods.

Based on a population census to be taken during the next two months, the Board of Education agreed to reserve a final decision until the accurate population figures are available and have been duly weighed.

POINTE PARAGRAPHS

by The Pointer

In the future the Richard Buells may well become cross-country travelers. There is an even greater reason to head west for vacation now that they are building a new home in Phoenix, Arizona. New neighbors of the Buells in their Hartcourt road duplex will be the newlywed Robert Foids who are expected to return to the Pointe next week.

Sure sign of summer... small boy dropping garter snake through small opening in manhole cover.

Success comes from the ability to get along with some...

When wanderlust strikes, have no fear of being lost on strange roads in the mitten state. The REVIEW has set up a self-styled travel bureau complete with newly released State highway maps. The department will function until the supply is exhausted.

Pity the poor wife who hung her laundry outdoors to dry for the first time this year. Her spirits were dimmed when she discovered the sagging line dragging her fresh wash across the dusty pavement.

A contest is going on at St. Paul's High School to pick a king and queen to reign at the Coronation Ball on May 11. Each class has nominated their candidates and winners will be chosen by popular vote.

Oldtime Grosse Pointer Leo O. Teetaert is on the road to recovery after a sick bout which put him in Holy Cross Hospital. Teetaert, who will be in the hospital for another three weeks, has the welcome mat out for friends and visitors.

The Governor's wife will be back in home territory when she addresses a YWCA group Sunday at the Grosse Pointe Yacht Club. Mrs. Williams will speak to the Health and Education Council.

Elect Weber Goodwill Head

Robert F. Weber, of 992 Lake Shore road, has been elected president of Goodwill Industries, succeeding Gordon W. Kingsbury, who served six years.

Last year Weber, who is a lumber company executive, served as district governor of Swamis. He is a member of the boys' work committee of the Episcopal Diocese of Michigan, and past director of the Detroit Area Boy Scouts council.

Mrs. Ravel Injured

Mrs. Louise Ravel, of 1976 Country Club, was taken to Saratoga Hospital last week after she was injured while crossing Mack avenue.

Mrs. Ravel stepped from the bus and into the path of a car, police said, after the light had changed. Driver of the car was George F. Lasher, of 1939 Lancaster.

Open Campaign to Raise \$18,000 to Support Center

Investigator of Crime to Speak

An additional 500 volunteers are being recruited to contact families in community to raise an \$18,000 fund for the Grosse Pointe War Memorial Center. Although many local residents have generously offered their services, many more are needed to conduct the block campaign, co-chairmen John Kenower and Richard Hueglin stated.

The drive, being conducted from May 4 to 21, has been divided into various districts. In charge of these areas are Robert F. Weber, Shores; Mrs. Charles A. Dean and Edward T. Ives, Farms; Marion K. Kellogg and Guy T. Wedthoff, City; George A. Nicholson and Charles A. Porritt, Park; and George A. Beauchamp and William C. Hancock, Woods.

In asking for the support of the community, the Memorial Center has already become one of the busiest projects afoot. Established as a tribute to the men from Grosse Pointe who served in World War II, the Center was used by more than 50,000 persons last year.

More than 33 events were given at the Center by youth groups, as well as numerous lectures, classes and meetings. Among the 50 noted speakers to appear were Father Keller, founder of the Christopher movement, and Louise Langelier, famed for her background in antiques and old prints.

The John Sweeney concert and the appearance of the Stanley String Quartet were two of the outstanding musical presentations at the Memorial during the past few months.

Totals as of five weeks ago are as follows: 1,200 persons at 12 events were among the hundreds who spent many enjoyable hours at Center activities. A total of 9,600 teas, luncheons and dinners were served during the past 12 months.

In conducting the drive throughout the Pointe, chairmen are urging all residents to give to the Memorial generously whether their neighbors, friends or youngsters are the recipients of its benefits.

Bad Drivers Make Court Session Busy

Traffic violations were on the increase this week as a dozen drivers paid fines in the Park Court.

Harold E. Stevens, of 2171 Lenox, was fined \$50 and his license was revoked for six months on a drunk driving charge. For operating a vehicle contrary to license restrictions, the license of Frank Peter Jakob, 20943 Hunt Club, was revoked for one year and a fine of \$30 imposed.

John Walter Smith, Jr., of Detroit, paid a \$35 fine and was placed on probation for three months. Other drivers in court were August Adelman, 367 Ridgeway, fined \$15; Wallace Caldwell, 262 Moran road, \$10; John L. Rodgers, 3364 Superior, \$10; and Jack Schafer, 15725 Windmill Pointe drive, \$5.

Other violators include Alfio Joseph Nardini, \$15; Dow Wilbert Davis, Jr., \$5; Philip J. Russo, \$10; Stanley J. Rozanek, \$15, and Anthony S. Abraham, \$15.

McKee and Bery Are Honored Safety Boys

Two safety patrol leaders from Grosse Pointe will go to Washington, D.C., with 100 outstanding Michigan young men Thursday, May 10. They'll be guests of the Automobile Club of Michigan.

a four-day all-expense trip to the 16th AAA National Safety Patrol Rally.

They are: Hugh Michael McKee, 1759 Hollywood, age 12, and George Alfred Bery, Jr., 2021 Kenmore, Grosse Pointe Woods, age 14, of St. Joan of Arc School in St. Clair Shores.

McKee and Bery, who have both been patrol captains for two years, were chosen by local authorities and Club safety men after their schools were cited for their superior 1950-51 safety patrols.

Highlights of this year's trip will include participation by the boys in a mile-long parade down Constitution Avenue with 25,000 patrolers from all over the nation, led by William "Hopalong Cassidy" Boyd and Don Gehrmann, fastest mile runner in the world.

All expenses of the 100 Michigan boys will be borne by Auto Club as tribute from the motorizing public for the 200 hours per year which each of 41,500 Michigan safety patrol boys and girls spend guarding school corners.

Winning safety patrol leaders will gather in Detroit Thursday afternoon for registration and physical checkup. With adult supervisors and registered nurses, they'll board special Pullmans to the Baltimore and Ohio Ambassador at 5:45 p.m., for the overnight trip to Washington. A magician will entertain them after dinner until bedtime.

Friday morning they'll see downtown Washington and the Capitol building on their way to the Willard Hotel, a short distance from the White House. Friday and Saturday afternoons they'll go sightseeing to Arlington Cemetery, Mt. Vernon, Tomb of the Unknown Soldier, the first U. S. public school, Lincoln and Washington Memorials and other historic spots.

Michigan's 17 heroes who have received medals for saving lives while on safety patrol duty will have places of honor in the reviewing stand along with Washington dignitaries for the Saturday morning parade.

After buying souvenirs, the patrolers will leave Washington Saturday at 5:50 p.m., EST, and arrive in Detroit Sunday, stopping at historic Harper's Ferry enroute. They will be conducted to their homes by members of the club safety staff.

Extend Park Rent Station

Area Rent Director William C. Haines announced today that the rent station in the Municipal Building at 15115 E. Jefferson has been operating with much success, and will continue to be open between the hours of 9:00 a.m. and 5:00 p.m. on Thursdays for an indefinite period.

Landlords and tenants are encouraged to present their rent problems.

Fire Sweeps Jewell Home

A fire at the \$150,000 residence of Dr. F. C. Jewell, 252 Moross, which partially destroyed the garage roof and damaged the second floor, was discovered by police last Thursday afternoon.

Farms firemen said that smoke and water damage was confined to the second floor.

The fire was caused by a faulty incinerator screen, fire officials said.

Teen Panel Discusses Careers

Information on six major choices of careers will be exchanged in a panel discussion to be featured at the Pierce Junior High School on Friday, May 4.

The Parent-Teachers Association of Pierce is sponsoring this program, beginning at 8 p.m. for the parents of students considering any of these fields of work.

Members of the panel include six ninth graders from Pierce, and six adults representing each field. Ninth graders participating in this program will be Beverly Clime, who will discuss merchandising; George Voss, whose topic will be banking and investments; and George Voils, who will present material on engineering and trades.

Others include Virginia Field, discussing interior decoration; Stuart Smith, building construction; and Sandra Marx, education. Ninth graders are invited to attend the PTA meeting, which will be followed by open discussion. After the auditorium program, parents will be given an opportunity to meet teachers in the gymnasium to discuss problems on an individual basis.

Childrens Band to Give May Concert

Spring is in the air as the All-City Elementary Band and Children's Orchestra do the final musical polishing for their concert to be given Sunday afternoon, May 13 at Pierce Auditorium.

Under the leadership of William Ferry, the All-City Band program will draw from the old west for its musical interpretations. The orchestra, under the direction of Martha Ream, will also play a Spanish tango for its audience of parents and friends.

Crash Fatal to Pointer

Robert H. Catlett, 26, of 1501 Alter road, was killed Sunday in an automobile accident when he was returning from a fishing trip.

Catlett, a Detroit Edison employee, was the husband of Barbara E. and the father of David and Deborah.

He was the son of Mr. and Mrs. Thomas Catlett, brother of Mrs. Irene Kraynak and Mrs. Dorothy Richardson. The funeral was Wednesday from Verheyden Funeral Home and from St. Ambrose Church.

Peanut Wagon, Midway to Greet Fair Patrons

The Second Annual Carnival-Fair, to be held on the grounds of Grosse Pointe Country Day School, 43 Grosse Pointe Blvd., on May 26, will be a real, old-fashioned "Kid's Day."

The whistle of the peanut wagon, the call of the midway pitchmen and the shouts of concession hawkers will have strong competition from the delighted laughter of the children.

The attractions which are being lined up for the youngsters are being planned to combine the many features of the old-time country fair with thrills of the modern carnival and other amusements.

Successfully held for the first time last year, the Carnival-Fair is sponsored by the parents' and alumni associations of the Grosse Pointe Country Day School and Detroit University School. Its purpose is to raise funds which will be used to finance scholarships to the two schools for deserving students.

DIRTY BUSINESS

Commenting on the crime, vice and gambling combinations and rackets in the United States, J. Edgar Hoover, Director of the Federal Bureau of Investigation says: "There is nothing pleasant in any discussion on the subject of crime. Crime exists because of failures — failure to prevent delinquency and failure to correct delinquency. Beyond that, there is a failure to detect crime, a failure to prosecute crime; a failure to properly deal with crime and a failure to take the profit out of crime."

way can public lethargy be forced into action.

"The evils of gang wars, gambling, vice, political corruption and organized crime can be eliminated from the American scene. The fundamental solution lies in aroused and awakened citizens, militantly demanding the action which will eliminate the gambling czar, the crook and the venal politician. Blast the foundation of the local gambling czar, by vigorously enforcing the statutes against gambling without fear or favor and he will collapse and, like a house of cards, the vast pyramid of gambling will collapse."

"The solution of the crime problem is a simple matter: Enforce existing laws fairly and impartially, vigorously and relentlessly, and mobilize the full force of every medium of education as to the facts about crime. I have no sympathy with the position of those who constantly are urging against the publication of information on crime. In fact, I would urge the dissemination of more information on crime which puts crime in its proper perspective and reveals it in all its horror and filth, and revolting character. Only in that

"We can never have a crime-free America until all who stand for law and order are united and determined to mobilize against those who constitute our army of lawlessness. Only a return to the fundamentals upon which this Nation was founded—a moral reawakening—a revitalized spirit and a rededication of service to our fellow man—can make this a reality."

"No nation ever won a war unless its people were united and dedicated to the common cause."

Library Spotlight

By Jean Taylor

"Had I but plenty of money, money enough and to spare. The house for me no doubt, were a house in the city square; Ah, such a life, such a life, as leads at the window stare!"

"Something to see, by Stachels, something to hear, at least! There, the whole day long, one's life is a perfect feast."

Maybe so, Mr. Browning, maybe so... but nowadays the frustrated urbanites who yearn for a few acres in the country seem to outnumber the contented city dwellers, a dozen to one... or perhaps they are merely more vocal in their enthusiasm.

Casting our eye along the library shelves we find many titles extolling the amenities of country living. There seems to be a pattern followed in many of these. One member of the household, milady more often than not—occasionally milord—approaches rural life with misgiving. But that is only in the first chapter or two.

Well before the last page he is a complete convert and chats nonchalantly about friable soil, Jerseys, Guernseys and Purebred Berkshires.

The recent book FARM FOR SALE by Helen Train Hill tells of a young couple's step by step metamorphosis from city dwellers to enthusiastic farmers. For those who question what to do with much of their excess produce after they have grown it, there are a few suggested recipes scattered

throughout. CREAM HILL, discoveries of a week-end countryman by Lewis Garnett is a delightful book for those who enjoy (or dream of enjoying) country living. Twenty-five years ago the author bought an old house in Connecticut and became one of the many people who depend on the city for livelihood but go rural for week-ends and vacations.

IN THE FARMER TAKES A WIFE by John Gould, a young Maine farmer attempts to educate his Boston-bred wife to country ways.

APPLEJACK FOR BREAKFAST by A. S. and H. M. Campbell tells of the "adventure" of a young couple who retire to a farm in New Jersey.

If you like to live in the country but are fortunate enough to have sufficient income so that you need not produce for home use or for cash unless you desire to, you will find all your answers in HOW TO LIVE IN THE COUNTRY WITHOUT FARMING, by Milton Wend.

The experiences of the Mark Van Doren in a small Connecticut community are pleasantly told by Dorothy Van Doren in COUNTRY WIFE.

Louis Bromfield is a recognized authority on rural living today. After establishing himself as a successful novelist, he is now a successful farmer in his native Ohio and he evidently regards his present career as the more important of the two. In his three books, PLEAS-

Family Life Week Program on Radio

Family Life Week is being observed nationally May 6 to 12. Pointing up the fact that this is an observance in which all faiths are cooperating, the Detroit Round Table of Catholics, Jews and Protestants will sponsor a panel discussion, dealing generally with the family as a unit for interreligious education.

The radio program will be heard over WXYZ, Detroit, at 10:45 p.m. Monday, May 7, at a community service of the station.

Rev. Joseph Q. Mayne, Executive Secretary of the Round Table, will act as moderator, with the following panel members discussing the importance of family life in rearing children of goodwill: Very Rev. Celestin J. Steiner, S.J., president of the University of Detroit; Rabbi Leon Fram of Temple Israel; and Mrs. William O. Merrill, president of the Detroit Federation of Women's Clubs.

ANT VALLEY, MALABAR FARM and OUT OF THE EARTH, Mr. Bromfield discusses his work in transforming rundown farms into a model prosperous estate. In the doing he evolved a philosophy of life and believes that a well-managed farm offers a solution to many problems of modern living.

To return to Browning's urban-minded gentleman, you may remember that in the end, he renounces the city for the villa. And the reason? He says of the city...

"Bless you, it's dear—it's dear! Fowls, wine, at double the rate. They have clapped a new tax upon salt and what oil pays passing the gate. It's a horror to think of. And so, the villa for me, not the city!" All of which has a familiar ring today!

'Summer Squares' Make Plans for Cool Flings

Members of "The Summer Squares" will dance at the Veterans Memorial Building on Woodward at Griswood on June 12, 20, and 27 and again on July 11, 18, and 25. In years past the square dancers bade farewell to their gay activities in May when the weatherman made it too uncomfortable for them to continue their active dancing. So the gingham and plaids were reluctantly hung away until the cool weather of autumn returned. Now the full benefits of the air-conditioned Memorial Building will be utilized for evenings. There will be dancing from 9

'till 12 p.m. with Wes and Julie Rea calling and demonstrating. Some of the enthusiastic members include: Mr. and Mrs. Earl Meyer of Touraine road, Dr. and Mrs. Wm. C. Quinlan of Fisher road, Mr. and Mrs. Arthur Peacock and Mr. and Mrs. Forrest Geary of Cadieux road, Mr. and Mrs. Stanley Kenn of Beaupre road, Mr. and Mrs. Edward Luss of Lincoln road, and Mr. and Mrs. Martin Hutchinson of Merriweather road. Also members of the group are Dr. and Mrs. Charles Sharrer of Grayton, Dr. and Mrs. L. O. Geib of Berkshire, Mr. and Mrs. Harold Hubard of Belford, Dr. and Mrs. Kennard Jones of Buckingham, Mr. and Mrs. Norbert Aesch of Hillcrest, and Dr. and Mrs. Benson Bristol of McMillan. Others who have mastered the simple fundamentals of square dancing and would like to join this group may call Wes or Julie Rea at TU. 2-7552 before May 15th.

Rabaut Sends House Report on Seaway

Congressman Louis C. Rabaut this week distributed a report to his Democratic colleagues in the House of Representatives on the relation of the St. Lawrence Seaway to the national security.

In a letter sent with the report to the 234 members of the House Rabaut said, "The urgent nature of this project demands that every member of Congress be apprised of its significance in relation to the defense needs of the nation. I hope this report will have your serious consideration."

The conclusion reached by the report is that the nation cannot afford not to construct the project since alternate facilities to provide equivalent power and transportation will be far more costly in terms of manpower, critical materials, and dollars.

Rabaut, noted that he had pointed out in a radio address earlier this year, the national defense significance of the Seaway, and the careful documentation in the report backed up his stand 100 per cent, he said.

With insignificant fractions of our available supply of material and manpower, added Congressman Rabaut, we can purchase the strategic and enduring advantages that construction of the St. Lawrence Seaway and Power Project can confer.

Begin New Nurse Courses

Miss Janet Hiles, 21, 251 Merriweather, is enrolled in the course in Practical Nursing which began Monday, April 30, at the Goldberg School.

A new class begins every two months. The course prepares the students for care of the chronically ill, convalescent and subacutely ill patients, the aged, maternity patients and well babies in the hospital and home.

Women between 18 and 50 years of age are acceptable for application. If they are under 20, they are required to have a high school diploma. If they are over 25, they may enter with an 8th grade education. Applicants should apply at the Detroit Council on Community Nursing, Room 308 at 51 West Warren.

The course given in the Practical Nursing Department at Goldberg School is approved by the Michigan Board of Nurse Registration. Graduates receive a certificate from the Michigan State Board of Control for Vocational Education and are eligible for City of Detroit permits.

Former Official Opens Agency

Carl Schweikart, former Grosse Pointe Township Supervisor, has announced the opening of his new insurance agency on East Jefferson avenue.

Some of the largest and most reliable companies in the United States will be represented by the Carl Schweikart Insurance Agency, covering all insurance needs.

More than 20 per cent of America's bituminous coal supply comes from surface mines.

Yachtsman Addresses Squadron

The Detroit Power Squadron will hold its regular monthly meeting, Thursday evening, May 3, at the Detroit Yacht Club. The speaker will be Comdr. Otis W. Howard, who will speak from the wealth of his experience on "ships."

Comdr. Howard started his yachting career as a boy aboard a yacht his father borrowed and he has been an enthusiastic yachtsman ever since. In 1907 he went to England and sailed back to this country a 197 foot Square Rigger.

He served in the Navy during World War I and although he retired in 1942 he still is on the active list as Advisor to the Submarine Division.

Commander Gerald Rouston announced that as an added feature there will be a motion picture in technicolor, compiled by the Great Lakes Cruising Club of Chicago and which shows many out-of-the-way spots and "gunk holes" around the North Channel, Georgian Bay and Green Bay "where cruising is at its best."

The Disaster Fleet of the Detroit Power Squadron will be ready for action as soon as the boats are launched, declares Harry M. Macfarlane, Chairman of the D.P.S. Military Affairs Committee, and if disaster should strike the Detroit area the fleet will operate as an emergency arm of the Detroit Chapter of the American Red Cross.

As of April 23rd when boat owner and crew members held their Organizational Meeting, 82 boats had joined the fleet. Of these at least 20 rated 24 miles per hour or better and were assigned to courier service and transfer of Medical Personnel under the command of Committeeman "Bob" Sargent.

The balance of the fleet has been assigned to transport duty and will operate under the command of Committeeman Roy Snyppe. Aboard these craft will be available 272 berths for the evacuation of "stretcher" cases.

Chairman Macfarlane says the greatest present need is for more volunteer crewmen, to help handle lines, work ship and assist the injured under the direction of the skipper. Macfarlane says, "We are happy to be associated with an organization such as the Red Cross, that has National even International standing.

In case of emergency we shall be coordinating our efforts with an organization known for its ability to meet disaster promptly with a comprehensive and effective program."

Professor Is Faith Speaker

Preston Slosson, University of Michigan professor of history and well-known radio commentator, will speak in the interests of better intergroup relations, at Marygrove College auditorium on Thursday evening, May 10.

He is sponsored by the Business and Professional Group of the Detroit Round Table of Catholics, Jews and Protestants. His topic will be "The Faith Of A Historian."

Original Skit to Aid Children's Hospital

A group of 5A girls from Mrs. Schwallier's room at Richard School put their heads together recently and came up with an idea for an original play. Mrs. Richard Purdy took over the scripting end of "The Land of Make Believe" and Mrs. Donald Woodruff and Mrs. Charles E. Emerson, Jill Purdy, Carolyn Trebilcock and Jo Ann Georgades.

This project is not the first attempt the grade school girls have made to aid charity. Every Tuesday the girls meet to decide various ways of helping unfortunate children.

At Easter they made 80 Easter baskets for Children's Hospital. The expenses of the current production are being taken care of by the girls themselves.

"The Land of Make Believe" will have particular appeal to children from four to twelve years old. Tickets may be obtained from Mrs. Albert Wesner, TU, 2-0157.

Members of the cast include

DR. BROWN
Brown, Dean of Central Baptist Church, Toronto, as guest speaker at the 10 a.m. service and the 7:30 p.m. service.

In the evening there will also be a service of baptism conducted by Rev. Arthur McAsh, pastor. Rev. Brown is an outstanding educational leader and preacher. This Thursday, May 3, new missionary pictures will be shown at 7:45 p.m. in a public meeting addressed by Dr. Martin Leuschner of Chicago.

Pointer Tells Future Plans

Donald B. Hiles, 251 Merriweather, senior student at the University of Michigan, Ann Arbor, Michigan, is one of the students whose photograph appears in the current issue of SEE magazine. It is published in connection with results of a survey of what the university students think about present conditions, and their plans for the future.

In SEE Magazine, the survey shows 90 per cent of Michigan's seniors believe that the United States must continue opposing communism, 10 per cent agree with the Hoover view that we should withdraw into an American Gibraltar, and 80 per cent of the men expect to be drafted within a year. Fifty per cent of the male student body hope to hold temporary jobs before entering service, while nearly 90 per cent of the senior girls expect to get both jobs and husbands soon.

Mercy Holds Arts Festival

The Mercy College spring arts festival in McAuley auditorium, Sunday, May 13 at 8:30 p.m. will feature representative student work in music, drama, dance and art. The festival is the final presentation in the 1951 McAuley Culture Series.

The Michigan Tourist Council gives on-the-spot travel information services in concentrated markets through offices in Lansing, Detroit, Chicago and Cleveland.

J. Dykema Re-Elected as Theatre President

John Dykema was re-elected president of the Grosse Pointe Theatre, Inc. at the annual meeting of that organization held April 24, in the War Memorial Center. Maryanne Genter was unanimously re-elected treasurer, the position she has so admirably filled for the group since its inception. Clark Wells was elected secretary and Jean Standish, vice president.

Members of the Board of Governors elected at the meeting were Dr. Arthur Bull, Virginia Cassil, Dallas Chapin, John Dykema and Maryanne Genter. Plans for the ensuing year were discussed by the president. The most important item under discussion was the presentation of "Jenny Kissed Me," the organization's last production for the 1950-51 season.

This delightful comedy, directed by Louise Candler, gives the younger members of the group a chance to show their ability. It is being given Wednesday, May 23, at 8 p.m. at the Grosse Pointe High School.

Tickets may be obtained by calling Mrs. Genter at TU 1-4586, in the Village at Doubleday Book Shop, and from Mrs. McGinty at the War Memorial Center.

Unveil Plaque at Site of Historic Palisade

The participation of Fort Pontchartrain Chapter, D.A.R. in the City's 250th Birthday Festival will, appropriately, take the form of a program and plaque unveiling Sunday afternoon, May 6, at four o'clock, at the Veterans' Memorial Building, marking the building as the site of the rivergate through the palisade surrounding old Fort Pontchartrain.

The aluminum plaque (aluminum required by the Commission, so as not to stain the building's white marble) will be presented by Mrs. Ralph E. Thomas, chapter regent, and accepted, for the building, by Judge Frank G. Schemanske, vice-president of the Veterans' Memorial Hall Commission.

Dr. Henry D. Brown, director of the Detroit Historical Museum, will give an address, explaining the historical significance of the date selected.

City officials and chairmen of the 250th Birthday Festival committees have been invited and have indicated their intention to attend.

Also invited are officers and members of the nine D.A.R. chapters in Detroit area; D.A.R., S.A.R. and C.A.R. officers and members; and officers and members of Daughters of Colonial Wars, and other patriotic and historical societies.

Cadillac Society, C.A.R. (junior affiliate of Fort Pontchartrain Chapter) will participate.

Allen Barron will blow "Assembly" and "Retreat," at beginning and end of the program; his sister, Jane Barron, junior C.A.R. president, will unveil the plaque; Karen and Peter Cramer will display miniature French and British flags, to typify French occupation under Cadillac, and British occupation under Maj. Gladwin, in 1763.

Pages from the Junior Group of the chapter will carry the organization banner and U. S. flag. Members of the Evening Group will act as ushers.

Mrs. Thomas, chapter regent, will display the chapter's gavel, made from a log from the palisade around Fort Pontchartrain, and will explain how it was acquired. Mrs. F. T. L. Grimm,

Wilted Male Leans Toward Cool Worsteds

Cool, comfortable men's clothing for hot weather, long a mid-summer daydream for the perspiring American male, is becoming a reality as tropical worsted suits blossom forth this year with "natural" lines from which excess padding has been removed, according to Dar Tisdale, owner of Tisdale's Town & Country Shop.

Handsomeness new 1951 styles in tropical worsted fabrics, perennial favorites with men for warm weather wear, are made up in the lightest, softest all-wool materials ever used and feature a larger selection of colors and patterns than in previous years, Tisdale reported. Some of these fabrics weigh as little as 8 1/2 ounces a yard and, as one prominent style scout reports, "feel like a feather on a man's shoulders."

The new style is another logical step in the evolution toward more attractive, practical and comfortable clothing, he said. Shoulders and lapels are narrower, waistlines are slightly shaped, and the lines of suits follow the body's natural contours more closely.

Men are growing much more "quality conscious" in their summer suit purchases as they realize that clothing represents a real investment in this season of rising prices.

"Fabric value and long wear are far more important now than ever before," says Tisdale. "Men want summer suits with a future."

Delta Zetas Choose New Officers

At a dessert meeting held on April 23 at the Cambridge road home of Mrs. William Walter, Delta Zeta alumni elected a new slate of officers.

Officers include Mrs. Harold McCracken, president, Mrs. Joseph P. Thompson, vice-president, Mrs. Harold Groehn, secretary, and Mrs. Ferd Heckle, treasurer.

Junior Pan-hellenic representative is Mrs. Robert F. Olinger and 'Lamp' editor is Mrs. Harold Mullen.

The east side chapter of the Delta Zeta alumni have chosen Mrs. Frank Judson as chairman and Mrs. N. A. George, secretary.

Junior alums elected Mrs. Lester Thayer, chairman, Mrs. Martin Schiessler, secretary, Mrs. Charles Hollis, treasurer, Mrs. Edward Bergman, social chairman, Mrs. Verne Williams, social service chairman, and Pet Troup, program chairman.

At Interlochen, near Traverse City, Michigan, is the National High School Orchestra and Band Camp where 400 acres and over 100 buildings accommodate 300 musicians from all 48 states.

Austrian Play at Music Hall

"Visitors from Vienna" is the name of the show coming to the Music Hall on Tuesday, May 8th. Some forty of Austria's yodels, songs and rollicking folk-dances make up the show.

Touring the United States with a cast of 30 Austrian students and village teachers, the production is a goodwill gesture designed to introduce Austrian folk-culture to Americans.

The student show was organized by the "Buerer fuer Studentenwanderungen," an office for student tours and exchanges founded after World War II as a token of gratitude for aid rendered to Austrian students by the students of the United States and Great Britain.

"Visitors from Vienna" features lederhosen, embroidered suspenders, brilliant dresses and silver ornaments loaned for this tour by the provincial museums of Austria.

By DIANE ZEMPER
These past two weeks have been full of secrecy and suppressed excitement, for the King and Queen contest is on! In case you didn't know, this is a match between all the classes in the high school. Each class nominates a boy and a girl to represent them in the contest to find the King and Queen of the Coronation Ball. Votes are cast for the candidates, and the pair with the highest number of votes has the honor of reigning as King and Queen of the Ball, and more important still, of crowning the Blessed Virgin as Queen of the Sodality!

Naturally the classes put much thought into their choices of worthy and suitable couples. After much deliberation, these would-be kings and queens were selected: Seniors—Rita Blondell and Earl La Fave; Juniors—Mary DelBarba and Jack Trombley; Sophs—Arlene Froehlich and Edward Heck; and last, but not least, Frosh—Marilyn Blondell and Bob Taylor.

Pretty wonderful choices, don't you think? And so, the race is on, and may the best couple, or should we say the best class, win! And that's the reason for the many parties held during the months of April and May.

CLAIRE JABLONSKI was perhaps the first to throw her doors open for the "cause." Consequently, Bernadette Thibodeau, Richard Schlaff, Paul Hoey, Doreen Poupard, Barbara Unti, Lucille Tanner, Mike Sheehan, Marian Nigra, Gary O'Connor, John Bergman, Patricia Wistrick, John Bergman, and Mary Roth were among those enjoying Claire's hospitality.

According to them, the dancing and refreshments were really "stupendous!"

Many Senior girls made a jaunt downtown two weeks ago to view the fashion show put on by Kern's, Carolyn Floer, Joan Babaut, Theresa Lyford, Mary Lou Cavanaugh, Sharon Sweeney, Sallie McCarron, Joan Hagan, Dorothy Marcereau, and Catherine West decided to make it quite an evening by first going to a spaghetti dinner.

The evening also proved to be educational as well as entertaining, for talks were given on manners, dress, and habits of the business world. This was especially important for those who are planning to enter the business world after graduation. From what we heard, the evening was a great success.

JOAN HACKENBERGER was the hostess of a party for the Sophs on Friday night, April 27. This class is earnestly hoping to repeat its performance of last year, (their couple was the chosen one), and therefore are energetically supporting all class projects.

In order to pile up the votes, Arlene Froehlich, Larry McCormick, Shirley Fincham, Janet Wrubel, Elaine Barbret, Evelyn Engelhardt, Mary Ellen Beaupre, Bob Thurlie, Alice Weot, and Denny Reynolds were present and evidently getting the most for their efforts.

A traditional Senior "Hag" party was in full session at Mary Lou Fisher's house last Friday also. We heard that Marie Couvreur, Carolyn Floer, Patricia Yatt, Audrey Haley, Judy Beaupre, Celestine Blondell, Rita Blondell, Joan Hagan and Charlotte Marchand were but a few of the so-called "hags" observed singing and eating and generally having the time of their lives.

It wouldn't take much to believe this tale, for you know how women act when they get together! All in all, a very full weekend!

AND DID YOU KNOW that the Junior Classical League observed National Latin Week last week in honor of the founding of Rome on April 21, 753 B.C.? A banquet, fashion show, and a Latin "sing" were the main features of this celebration.

At the banquet, all the old Roman foods and dress were observed, or as they say in Latin, everything "ab ovo ad mala" (From eggs to apples—from soup to nuts). Slaves were even deported from Greece for the occasion. The result of all this was a very realistic picture of life in Rome in the early centuries.

AND IN THE SPORTS LINEUP, we have the baseball games played last week. The first game, played last Tuesday, April 24, resulted in a victory for our old Flyers against St. Charles, score 6-2. The next one, on Friday of the same week against St. Ambrose did not result so favorably, but you can't win all the time! Anyway, the score was 5-0.

It must be admitted that the team looks very good this year, so turn out all you baseball lovers, and really see some good games!

And last, we come to the announcement of announcements!! The Sodality dance, the Coronation Ball to be held on May 11! The best band, Gil Pendol, the best time, 9:00-12:00, the least price, \$1.50, the best clothes, semi-formal attire, and the best school: St. Paul, of course, all add up to make this the best dance of them all. All Paulites are expected to attend, so get your dates early. See you all there.

Teen Talk

Grosse Pointe High School was buzzing with activity last weekend, as the girls planned for the semester's Hag Dance. The event turned out to be one of the nicest dances of the semester, according to many of the couples, and by the number of parties which were given, before and after, it really was.

Some of the girls got together and planned a dinner party before the Hag Dance. Some of those seen enjoying the delicious dinner before the dance were Joyce Hudson and Bill Tyson, Sally Brown and Linden Babcock, Susan Senn and Joe Gratzner, and Ann Watson and Gene Halbrook.

More there anticipating the fun at the dance were Gail Sisson and Joe Murphy, Maral Molyneux and Winnie Likert, and Ellen Berard and George Cope, and many, many more.

JILL READ was another of the belles who planned a before-the-dance-party. Jill invited many of her friends over for cocktails, and then the gang tramped over to Annie Purdy's home for the dinner. After the dance, Barb Westcott invited the same couples over to her house for more dancing and dessert.

A few of the many couples invited to this progressive dinner were Jill's date, Bill Rexford, Annie Purdy and Skip Obold, Barb Westcott and Bruce Allen, Susie Sharrer and Al Man, and Bambi Wigton and Jim Leszczewski.

More there enjoying themselves were Sally Horn and Pete Davidson, Marcia Boothe and Bill Winkler, Elaine Otto and Gary Schroeder, Ann Glasgow and Gordon Maitland, and Karen Von Reis and Courtney Lecklider.

Others there included Joannie Merril and Neil Smith, Peggy Fishel and Tom Marick, Joannie Scherer and Mike Shayne, Joy Chamberlin and George Alpervitz, and Joannie Hollister and Herb Abrasher.

BY THE TIME the girls and guys got to the dance after the parties, the dance was in full swing. The "Beau-Tie Bounce" turned out to be a big success, complete with wonderful decorations.

Some of the couples there were Joannie Smithers and Bob Warner, Barb Munzing and Jim Davison, Bonnie Reitz and Tom Nelson, Sharle Allgood and Ben Fruehauf, Dick Warner and Carl Lundgren, Celia Bonbright and Robin Hesse, and Sally Sharrer and Wayne VonAllman.

More enjoying the dance were Helen Ann Whittey and Bill Medley, Terry Donahue and Bill Delling, Bev Fairchild and Cris Mansky, and Dick Saunders and Emile Harding.

Many of the girls went to the dance "Hag" and claimed it was more fun than having a date! Some of those who were seen cutting in on some of the other couples were Carol Kretschmar, Margaret Ann Joop, Elaine Kihen, Anne Busby, Margaret Weaver, Laura Lou Smith, Louanne Borden, and Peggy Moreland.

DON'T FORGET! There's going to be another dance at the Grosse Pointe War Memorial for the high school kids on May 12, entitled "Guys and Dolls." The dress will be sport coats and ties for the boys, and cotton dresses for the girls. Bye for now. See you next week!

Fashion Panel Meets May 7

A fashion discussion with emphasis on the practical side of feminine styles will highlight the regular meeting of the Neighbors Club on Monday, May 7 at 1:30 p.m. in the Veterans Room of the Grosse Pointe War Memorial Center.

opponents down to 12 games to Grosse Pointe's 84. This is the best showing a Grosse Pointe team has made against Highland Park in three years.

Probably the best feature of the day was in seeing that John Brabb and Dave Terris can play in singles and hold their own. There were four sophomores playing, Brown, Webb, Terris and Wardle. All four boys came through in fine style.

The local team meets Royal Oak here on Tuesday and then go to Fordson on Thursday and tackle Monroe on Friday. After the Monroe match local fans should know if they have a team this year or not.

Swordsmen Make Bids In Finals

Dick Wegert and Greg Flynn, both of the Grosse Pointe Sword Club, have fenced their way through the preliminaries and semi-finals to capture two of the four berths in the epee finals of the State Championships to be held at Hackett Field House on May 12.

Qualifying in the top four in the State also enables them to fence in the Mid-West and National Championships.

Wegert, one of the most promising of the new epee fencers, is fencing in his first State Championship meet. Greg Flynn has held several State and Mid-West titles and is to defend his present title as Michigan Champion.

Two Elected Phi Betas

Two local students at the University of Michigan were elected to membership in Phi Beta Kappa.

They are Barbara Jean Hart Busley, 333 McMillan, Senior, College of Literature, Science and Arts, and Robert David Cogan, 945 Lakepointe, Senior, College of Music.

Membership in Phi Beta Kappa is the top scholastic honor for students in the arts and sciences.

Rotary Bowl Classic Captured by Middies

The Middle Atl. Transp. Co. bowling team, sponsored by Frank Palmer, made good their boast early in the season, that this was going to be their year to bring home the bacon for Uncle Frankie.

It was no walkaway for the new champs despite their seven point margin of victory. Farms Market and Monday Cleaners and we might add, last year's champs, P and J Cocktail Lounge, had excellent opportunities to overhaul them. In the rundown, Monday Cleaners and P and J lost point after point to teams they had beat all season, and Farms Market missed out when they dropped a 4-bagger to the new champs on their last outing.

This year like all the other years, Piches Barber Shop came from way down to finish away up in the standings. They were the only team in the league to win from the Middies consistently; out of a possible 12 points the Barbers netted 10 wins and two losses.

In the special prizes for individual and team efforts, Monday Cleaners took down both team events, 974 single and 2682 three game total. Miner Wilson's 266

won top honors in the high individual single and Bob Strye's 642 stood up all season in the three game high column.

With a banquet to be held at the Beachcomber Saturday night, the G. P. Rotary Club Bowling League winds up its fourth year of bowling activities and will resume this exciting sport, come next fall.

The officers conducting the affairs of the Rotary League, and what a job they have done, are Clayton Ovesen, president; W. B. Strittmatter, secretary; Carl Thompson, treasurer.

Arthur Louwers' untiring efforts are to be commended.
