Peterson Tells Danger of Corruption

"It is no longer a disputed question but a proven fact that the organized criminal element exerts a tremendous influence on government throughout the nation," Virgil W. Peterson, chairman of the Chicago Crime Commission, told his audience in an address Monday evening at the Pierce Auditorium. He said further: "The prevalence of official corruption is widespread and commonplace; and the accumulation of vast economic as well as political power is a constant challenge to the government that good citizens cannot permit to go unanswered."

Benjamin Franklin, in urging the adoption of our constitution, warned that the United States can only end in despotism, as other forms have done before it, when the people shall become so corrupted as to need despotic government, being incapable of any other. In his speech, Peterson pointed out that "if we are to make any progress in coping with the insidious influence of organized crime on government the attack must be waged on at least three fronts: (1) active citizen interest and participation in the affairs of government, (2) intelligent and courageous official leadership at every level of government, and (3) a strengthening of law enforcement agencies."

Pointe Paragraphs

Hazen Schumacher, Jr., of 1126 Bishop, can well be proud of his record as a graduate student in speech at the University of Michigan. "The Browning Duet," adapted by Schumacher, was recently featured on the college's Angell Hall Playhouse. It was later cited for an award by the American Exhibition of Educational Radio Programs.

Vincent Ayres to Discuss Photograms

"How to make a good photograph will be the subject discussed by Vincent Ayres at the Grosse Pointe Camera Club at its meeting on Tuesday evening, May 15.

The entire lecture will be supplemented by the speaker with illustrations and practical demonstrations on the entire process. Mr. Ayres has won recognition for his outstanding work in the photogram field of endeavor. Mr. Leland Longshore, president of the club, has also obtained another speaker for the latter part of the program on the subject of "Negatives—good and bad." Mr. Stanley Kenn, who will deliver the talk, is highly specialized in the field of good negatives and has proven that good photography is based upon good negatives.

Permits for 14 new homes were issued by Grosse Pointe Farms during the month of April. Total cost of the residences is estimated at \$339,000. Since the beginning of the year an estimated \$1,941,600 has been spent on building in the Farms, according to a report by Murray Smith, City Engineer.

Allard Gets Top Woods Post

From a field of more than 50 applicants, Philip F. Allard was permanently appointed City Administrator of Grosse Pointe Woods at a special City Council meeting on May 3. The appointment will be effective May 15.

Allard has been associated with Grosse Pointe Woods since 1927 when he became City Clerk. He held this position until the fall of 1950 when the City Charter, which provides for the office of City Administrator, was approved. Allard was then temporarily named City Administrator.

In the permanent appointment moved by Councilman Savage, the resolution stated: "The Council has carefully considered the executive and administrative qualifications of the various applicants, with special reference to their training and experience. . . . The Council has determined on such basis that Philip F. Allard, one of the applicants and former Village Clerk and now Acting City Administrator, is best qualified for such position because of his long service and experience in an official capacity with the municipality and because of his familiarity with the many problems the City has in making the conversion from the status of a village to that of a city."

The City Administrator, who is responsible directly to the Council, is paid \$7,500 yearly. Applications were screened by a committee composed of Councilmen Gardner, as Chairman, Johnson and Savage.

The course consisted of operation of some of the latest type "electronic eye" equipment used by the Navy to safeguard its men and aircraft. Included were actual flights in the type of aircraft each man would fly on return to his home squadron.

Pay Tribute to Pointe's Oldest Mother, Mrs. Chiera, 101

Each year on the second Sunday of May a busy country pauses to pay tribute to all mothers. This year, Grosse Pointe proudly boasts of Mrs. Salome Chiera, 101, who may be one of the oldest in the spirit.

On Mothers Day, Mrs. Chiera, who resides at 832 Notre Dame, will be the guest of honor at a dinner party. Among the guests will be her granddaughter, Mrs. Louis Charvat, of Yorkshire, great grandchildren Louis and Robert Charvat and their sister, Mrs. Virginia Manardo. Looking forward to spending the day with their great great grand-

THE LITTLE WOMAN

Although women are responsible for from 70 to 80 per cent of the total spending in the United States, the little woman's purchasing power is just not up to snuff (and often, not even cigars) when it comes to Father's Day.

Papa, who spends but a fraction of what he earns on himself, is a constant joy and delight to the retail stores because of his annual Mother's Day shopping spree. But the girls with all their purchasing power, always run a poor second when it comes to repaying the compliment.

Some observers (male and married) state that it's father who rightly discour-

ages mother's shopping for him—gifts means bills and it's always papa who pays. Others (married or unmarried, but female) say that the dearth of Father's Day shopping is due to the lack of intriguing variety in male needs—"Another pipe or tie—"

A reliable research department reports that, while exact comparison figures for each holiday are not available from department stores, all merchandisers agree that their sale volume is greater—and Father's pocket emptier—around Mother's Day.

GIRL SCOUT NEWS

Girl Scouts, Campfire Girls and Y-Teens will be on WJBK-TV at 11:15 a.m. on Sunday programs on May 27 and June 10. They have already appeared on the May 6 program, a production called, "This We Defend." The one on May 27 will include girls and leaders from the Grosse Pointe area.

Defer's Brownie Troop 537 had an enjoyable afternoon recently when the girls visited the New Era Potato Chip Company and "Veinor's Gingerale" Company. They were treated to samples of the products, after going through the places. Mrs. Vincent Finn, leader, Mrs. H. Dewart, Mrs. Earl Zuehlke and Mrs. A. Rueggesser were the drivers for the trip.

Brownie Troop 304 of Kerby School is one of the lucky troops which enjoyed Mrs. Lehman's hospitality at Village Manor. They were served punch and cookies after learning all about how the restaurant is run. Mrs. Harkonen and Mrs. Eppinger, leaders, went with the Brownies.

St. Paul's Brownie Troop 257 was presented with an American flag by the Ladies' Auxiliary of the American Legion, Unit 303, at a ceremony on April 30. A Court of Awards is being held at Richard School on May 10 at 4 p.m. for intermediate troop 84. The scouts' mothers are invited and Mrs. John Bayne, neighborhood chairman, is the guest of honor. A tea will follow the ceremony.

Hold Chicago Convention

Baha'is from Grosse Pointe have just returned from the 43d Annual Convention which was held in the foundation hall of the Baha'i House of Worship in Wilmette, Illinois. More than 800 delegates and visitors heard Alfred P. Shaw of Shaw, Metz and Dolio, Chicago architects, report on the Baha'i Temple interior ornamentation which will be completed early in the summer. A brief survey listed 106 countries in which the Baha'is now reside and 80 different languages into which the Baha'i literature is translated.

Mrs. Amelia Collins, who had just returned from Haifa, Israel, described the work there completing the shrine of the Bab, Martyr-Herald of the Faith, located on Mt. Carmel. Also of special interest was the report on the Regional United Nations Conference at Istanbul, at which eight Baha'is, representing Egypt, Iraq, Iran and Turkey were active participants.

Wally Gamber At Ridgmont

Wallace Gamber, prominent golfer and athletic instructor, will return again this season as the pro at Ridgmont Golf Course, on Eight Mile Road. Special lessons will be given for women and Gamber will also teach nightly at the driving range or during the day on the course. Gamber, a former boxing star and track runner, has taught golf for more than three decades. He is the brother of the late Clarence Gamber, world champion driver. A good match for his brother's fame, Wally won an automobile on a bet last year at Land-O-Lakes Course in Wisconsin. When he made his winning drive, Walter Hagen was one of the spectators.

Michigan Mirror

Michigan Democrats are stunned at the appointment of Blair Moody, Washington news correspondent, by Governor C. Mennen Williams to fill the late Senator Vandenberg's seat. Most of them had not even heard of the man who for 18 years had paid only occasional visits to his home state.

In his formal statement, Moody said, "We must be strong, as strong as we can make ourselves." In the same breath he warned against inflation. "Impelled by the very process of making ourselves strong."

Republicans remained cautious. Politically he is an unknown quantity. Senator Homer Ferguson said carefully that, he is a personal friend of Moody's but that they often had "differed politically."

And while the MacArthur controversy rages up and down the nation, selective service boards are in a tizzy. The draft quotas have been cut—again—the Reds' break through may jump the quotas—again—and now doctors—again—are on the draft list.

Secretary Order of Foreign Wars convention in Lansing, Tyrone Gillespie, security director for the Dow Chemical company, Midland, lashed out, saying, "the MacArthur incident... will force the state department and president to announce our global policy, if any."

Civilian Defense plans go ahead. Now the civilian defense council battles for bottles for blood. Says Director, Brig. Gen. Lester J. Mattland, "we are spending the \$500,000 given us last year to obtain the blood types. It will be a waste of money if we don't have bottles in which to keep the blood."

National production of the containers is rapidly being gobbled up. Meanwhile a regional civilian defense official says of the mock raid on the Soo: "The populace

responded to the sirens like veterans of a London blitz. Nowhere was seen signs of panic or indifference." They knew it was coming.

THE "LITTLE HOOVER" commission has attacked Michigan's red tape. The body has spoken, if vaguely, of a claimed saving of \$114,790 already in the five departments studied.

Michigan Bell Telephone asks a \$22,000,000 rate increase "to meet operating costs." John H. McCarthy of the state public service commission, says: "Michigan Bell earned 6.25 per cent on its investment in 1950... highest rate of return for any utility in the state."

Capitol punishment again has been refused in Michigan. For the 20th time since 1846 when the death penalty was abolished, the legislature turned down the proposal.

The Michigan State Library wants its books back—15,000 of them. That number still is outstanding on loan since the state office building fire February 2.

Frank C. Millard, attorney general, says the national constitution would not be violated by the proposed amendment to the state constitution providing for dismissal of a public official who refuses to testify about his official actions.

Direct relief cases dropped by 437 last month in Michigan, putting the case load at 27,654. Retail sales per capita in Michigan have risen to an annual figure of \$964, according to calculations based on final returns of the last census of business covering 1948. Total sales were \$3,950,268,000.

Automobile experts are still estimating an output of 6,500,000 motor vehicles in Michigan this year. Naturally, the used car market is down. Some 337,000 pheasant hunters (13 per cent fewer than the previous year) last fall shot an estimated 797,500 ringnecks.

St. Paul Hi-Lites

By DIANE ZEMPER

This week of May will long be remembered and talked about by all Paulites as one of the "socialist" and most activist since perhaps the beginning of the year.

The reason? Of course, each class is trying to outdo rival classes in getting the most votes to support their candidates in the King and Queen Contest for the Sodality Ball.

Wednesday night was a big, big night for everyone concerned, for all classes were well represented in social functions. (Thursday was a Holy Day and consequently, no school!) Starting Charlotte Marchand held a get-together for her classmates, and they, including Mary Lou Fisher, Dolores De Wolf, James O'Connor, Patricia Yott, Ronald Mor-ketter, James Keller, Kathleen Weot, Jerry Kirsch, Larry Hollerbach and many others, were doing their utmost to promote their Senior candidates—Rita Blondell and Earl La Fave!

Anne Reed was observed to be answering the door at her Kerby abode several times that evening also. And who were entering? Why, John Huette-man, Diane Cellinski, Jim Houlihan, William Lodwyck, John Klein, Dolores Wise, Mary Margaret Van Damme, Peggy Sharpe, Bob Magee, and of course, that chosen couple, Mary Del Barba and Jack Trombly. According to the post-party tales, the dancing and entertainment was really something!

Pat Monahan had a crowd at her Soph party on the same night. Of course, Jean Shawrow, Pat West, Bob Thurte, Jo Anne Trombly, Marilyn Buehner, Jim Haley, Mary Ellen Beupre, Charlotte Klein, Lou Anne Moxley and Cliff Jablonski were there making the party a success, and what party would be complete without John Brady, Dick O'Connor, Sydney Smith, Rita O'Grady, Larry McCormick, Gary Felt, and Jim Riegler. In other words, the party was a definite success!

THE WEEKEND, too, showed just how social Paulites can be! Frosh Lynn Van Tiem and Sandy Knack each gave parties. The former, held on Friday night, boasted of such notables as Claire Jablonski, Mary Marchand, Jerry Slater, John Bergman, Marilyn Blondell, Mary Roth, Pat West-rick, Paul Hoey, Barbara Unti, Thomas Dixon, Marian Nigra, Elaine Barrett, Joe Muer, and Nancy Mason. They were well entertained with the latest records for dancing and of course, food. (Two combinations which make practically any party a success!)

Sandy took her turn at entertaining on Saturday night and Denise Hickey, Dorothy Okray, Joan Marks, Claire Lenz, Dick Dowd, Mike Sheeans, Dick Schlaff, John Geymann, and Wally Hogue were but a few of those included on her guest list. Yes, all in all, the Freshmen had a very busy weekend.

But they weren't the only ones! Skip Ducaste decided that a hot dog roast would be just the ideal way to celebrate the coming of nice weather. It seems Peter Schummer and Janet Hock, Jack Trombly and Mary Del Barba, Beverly Labadie and Ivan French, Phyllis Van Beceleare and Timmie Champine and Marilyn Sutherland and Glenn Walters agreed with her.

They therefore all took themselves to Belle Isle on Saturday night. The weather was perfect, the food was good, and everyone was in fine spirits. The result: A fine time had by all!

MARIE COUVREUR did the honors for the Seniors last Friday night. All the Seniors were anxious to help her out in her entertaining, for a very vote counts in this contest.

Duane Streb, Sallie McCarron, Pat O'Grady, Earl La Fave, Emiel De Cocker, Celestine Blondell, Hans Von Bernthal, Audrey Haley, Jerry Marshall, Louis Dansbury, Dennis Furton, Anne Martz, Joan Hagan, Dick Gallagher and

Robert Clarke could have been spotted merrily dancing, eating, and playing games. Yes, the high and mighty Seniors are just as party-ish as the Freshmen!

Quite a list of entertainment, don't you agree? And all these are just the prelude to the best of them all, the Sodality Ball tomorrow night, May 11. It's the main Sodality event of the year, so everyone be sure to be there. You'll really miss something if you miss the Sodality Ball!

Now let's view some school activities. A gala talent show was held on May 4 after the Sodality meeting. You should have seen all the talent! Just ask the Paulites. On the program was that genial master of ceremonies, Bob Schneider; Barbara Unti, playing a brilliant rendition of Claire de Lune; Joanne Trombly and Gene Reynolds in a piano, dance number; Marian Nigra, who showed some very deft tricks with the baton; Frank Fogurth and his quartet playing "Oh Babe," "Sentimental Journey," and a few other old favorites (this group included Ed Heck, Cliff Jablonski and Glenn Walters).

On the second half of the show appeared Wally Hogue doing an excellent ventriloquist act—who knows, maybe we have a second Edgar Bergen in our midst! David McCarron on the accordion; Gene Reynolds styling some old piano favorites; a trio consisting of Catherine West, Sally McCarron and Larry Hollerbach singing (do they have harmony). Bob Schneider closed the program with some of his own stylized, yet beautiful saxophone rhythms.

Quite an enjoyable afternoon spent, agreed the student body. And in a few years we can say "I knew them when!"

Well, I guess that's all for this week. See you all next!

Corruption

(Continued from Page 1) which will enable them to combat organized crime."

Peterson charged that organized crime has come about because "we have abandoned the original idealism which pervaded the thinking and conduct of our founding fathers—an idealism which, as some historians have noted, has sadly gone astray. This idealism must be regained in substantial measure by sizeable segments of our population if organized crime and official corruptions are to be destroyed."

Music Appreciation Course Now Offered

By DON FREEMAN
Grosse Pointe High School
Journalism Student

Among the recent additions to the curriculum of Grosse Pointe High School is a course designed to further meet the cultural requirements of the students. It was approved on April 6 by the Board of Education.

Entitled "music appreciation," this new subject will meet for two three-quarter hour periods a school week and give one hour credit toward graduation for each of its two semesters.

Chief sponsor and future instructor of the new course is Mr. Ralph Deal, a civics instructor at the High School.

The new course stems directly from the Music Appreciation Club, a prominent organization since it was founded when Mr. Deal joined the faculty seven years ago. Composed mainly of senior high boys, the group has been active in Detroit area cultural pursuits with the accent on serious music.

Besides an occasional opera or other type of program the entire group, plus various members of the high school faculty, regularly attends the series of major symphony concerts presented during the school year at the Masonic Temple Auditorium.

Each concert is prepared for by one or two weeks of listening to records of the music featured on the program by individual members. This preparation usually terminates in a sort of "last minute get-together and listening session" held at one of the member's homes a few days before the concert.

The club travels to and from

the events in cars driven by concert-going parents and teachers and sits en masse in one section of the balcony.

Concert hall officials and fellow listeners have often complimented Mr. Deal on the courtesy and serious attention displayed by the group.

Though this arrangement accomplished much in the way of cultural advancement, Mr. Deal has long felt the need for transferring this extra-curricular activity into a class where students could meet and study, in a systematic, academic manner, the various styles of music and the composers which made up each period.

Accordingly, preliminary plans including a tentative course of study and a list of aims and objectives were drawn up (with the aid of the club members), and the proposal was submitted to the board for a decision.

Though the course will mainly concern itself with the past, methods of instruction will be quite up to date—including records, films and literature.

And though the emphasis will be on classical styles, the study of contemporary music will not be neglected, Mr. Deal commented.

The first classes will begin next fall with enrollment probably taken for the most part from the present music club members. Mr. Deal concluded, "though it is hoped that others—boys and girls—will take advantage of this unusual opportunity afforded by the board to delve into our cultural heritage.

NEWS IN SIGHT

by Dr. Arthur M. Majester, O.D. It is true that few eyes see everything alike. Fewer still, unless given professional aid and glasses, see perfectly. One of the most annoying defects of vision is astigmatism, because the astigmatic eyes see objects distorted and also have greatly reduced vision.

Even a small amount of astigmatism may cause serious mistakes in judgment, as well as headaches and nervous disorders. This is very important, so please note — distortions caused by astigmatism cannot be overcome by muscular effort. Neither will any ready-made or "stock" glasses correct this defect. The exact position and degree of the defect, in each eye must be determined, and corrective lenses ground. Then and only then the wearer will be able to see with a clearness and distinctness never before experienced. If you believe you have astigmatism or any other visual problems, by all means seek professional care.

Local Netters Sweep Trojans Off Feet

The Monroe Trojan net team took it on the chin Friday when the Blue Devils defeated them 6-1 at Monroe. It was Monroe's first loss of the year and it stamped the local team as the real favorite to repeat for the Border Cities League title.

Fear and trepidation lurked in the local boys' minds all week as they had heard that Monroe had defeated Wyandotte in a close match 4-3.

There was a genuine feeling that this might be the day when the winning streak would snap. The team up to this point was rather an unknown quantity having played the weak half of their schedule.

Coach Schultz did much planning and working various combinations before deciding on the line-up he used. The biggest gamble was in placing George McBride in No. 1 doubles playing with Bruce Allen but it sure paid off.

Allen was plenty good and George gave him a close race for honors. Both boys swept the opposition off their feet with some good serving and crashing overheads. Sometimes the ball fairly cracked as it went off one of the boy's racquets.

COACH T. TAMBLING of Monroe had real hopes this year of breaking up the winning streak as he did back in 1947 and had his players well placed for a possible upset.

There was tension on both sides with Hap Funk of the Monroe Evening News running some good articles on the Grosse Pointe team prior to the match.

This week is the big one for the team. Wyandotte Tuesday, Monroe on Friday, and Toledo DeVilbiss on Saturday. The first two matches are at home and the last one at Toledo.

If the boys can play the type of ball they showed at Monroe they should get over this hurdle. They have the makings of another great team for the high school.

AT MONROE Bob Hardies and Mike Bem playing No. 2 doubles dashed through their match and were the first to walk off the court. Both boys played offensive tennis all the way and had their opponents backing up repeatedly.

Shortly after this first point, Cort Lecklider reported in with the loss of but one game. This was one of the best matches Cort has ever played. His score 6-0; 6-1. Just beat Dick MacKenzie who played No. 1 and won 6-1; 6-1. Dick had some long volleys and frequently lost points but was awfully stingy about losing games.

Then Bruce Allen and George McBride shook hands and raked up the third point and it then became obvious that the match might again be a landslide as it was last year.

Pat Brogan played his usual dependable and steady game and came through a winner 6-4; 6-3. Pat has been a mighty big asset to the team this year—plugging up a big hole in the singles line-up. He has yet to lose a match and the way he is going it will take a determined opponent to break this up.

TOM LAMB and Dave Terris playing No. 3 doubles raked up the sixth and last point for the Blue Devils finally edging out

two determined Trojans 6-3; 11-9. Every match won by the local team was two straight sets and the scores were quite decisive leaving little room for doubt as to the better team.

The one match lost by the local team was No. 4 singles. John Brabb was outplayed in every department by Dean Pinchoff and lost 6-2; 6-4. John just couldn't cope with Dean's fine twisting service and strong overhead.

Most of the Monroe team was composed of sophomores and trouble is going to loom ahead for the next couple of years. This kid Pinchoff and a couple of Braden boys show real promise.

The school and community can well be proud of this terrific record compiled in the last ten years. Only one match has been lost during this period.

A sports rally for high school girls from Grosse Pointe will be held at Neighborhood Club on Tuesday, May 22, at 7:30 p.m. The rally will be under the auspices of the Grosse Pointe Athletic Association whose purpose is to promote sportsmanship among young athletes.

John Wood, who graduated from D. U. S. last year, left a pole vault record of 11'3". This is not in danger. However, Hura of Grosse Ile, Parker of A. E. Smith, and Ottoway of D. U. S. may approach that height. G. M. Garrett, assistant headmaster of D. U. S., has been named starter and referee.

All of our staff will be there except a minimum required to keep Park, City and Woods libraries open that evening.

In case you are not familiar with the Friends group, the Friends correspond to the PTA groups. They have one object, to do everything possible to improve public facilities and service.

We understand that the Board of Directors has approved a gift to the library, to be announced at the Annual Meeting, and the news will be passed along as soon as we know.

The officers and directors deserve much credit for all they have done to strengthen the group, and to plan and carry out a most successful year's activities. We are all curious to know who is back of a group, and it is a pleasure to pass along their names.

Mr. Marion K. Kellogg has been president during the past year. Mr. Charles A. Parcels Jr., vice president, and Miss Melitta Roemer, secretary-treasurer.

The following directors have terms that expire this year, and we hope they will continue to serve: Mrs. Lloyd G. Hooker (president until this year), Mr. Kellogg, Dr. Alfred H. Whittaker, Mrs. Russell Lucas, and Dr. Frank Pitt. Other directors are: Mrs. Fred T. Murphy, Mr. Kenneth Moore, Mrs. William Young, Mrs. Sterling Sanford, Mr. Parcels, Mr. Alger Sheldon, Mr. Fin-tan Henk, Mrs. Richard Forsyth, and Miss Melitta Roemer.

Ex-Officio members are: Mr. Franklin Dougherty, president of the Board of Education; Mr. James W. Bushong, superintendent

ent of schools; and Mr. Robert M. Orr, director of public libraries. During the past year, the program committee, under Dr. Whittaker, and the membership committee, under Mrs. George R. True, have been especially active.

Our public library, you may know, is one of the youngest in the state, having just passed the 21st year mark. While Grosse Pointe still does not have the lovely and functional libraries that Dearborn, Highland Park, and Birmingham boast of, we are moving forward.

DUS Is Site of SE Track Conference

The Southeastern Suburban Conference will hold its second annual Track and Field Meet at Detroit University School, Saturday, May 12. An entry limited to the best 20 track stars from each of the seven member schools promises an outstanding day.

The meet starts at 10 a.m. with preliminaries and reaches its height in the early afternoon. Felix Wotila of Bloomfield Hills, who is in charge of the meet, reports that entry times and past performances promise many new records.

Headlining the program is Dick Molnar of A. E. Smith School, who is expected to top 22 in the board jump, and will be closely followed by Bruce Garbutt and Dave Johnston of D. U. S. Kelley of Frazier should win the 400 with a time close to 55 seconds. Reeves of Bloomfield Hills, and Thompson and Castle of Grosse Ile are the top performers of the high hurdles, with Velton McKinley and Dave Johnston of D. U. S. not far behind.

A new record is imminent in the shot put established by Allen of D. C. D. S., last year at 38' 9". Candidates for the title are Kella of Bloomfield Hills, Linhardt of D. C. D. S. and Don Ohmart of D. U. S. All are close to 40'.

Edison Institute is the top contender of the league in the medley and sprint relay events. Both teams performed with record breaking efficiency at the River Rouge Invitational Meet at Michigan University last month.

Parker of A. E. Smith School, defending high jump champion, will find stiff opposition from Hans Becherer and Dave Johnston of D. U. S., Linhardt of D. C. D. S., and Hura of Grosse Ile. The best reported performance to date is 5'9" by Hura of Grosse Ile.

Celtic Soccermen Play Here

David A. Cupples, of the R. E. Harrison Carpet Co., on E. Jefferson, is active in a newly formed organization which is bringing the world famous Glasgow Celtic soccer team to Detroit as an official event in the city's 250th Birthday Festival Sports Program.

Mr. Cupples, who has been in the retail field in Grosse Pointe for 3 years, was named chairman of the Soccer Committee of the Festival Sports Program.

The officers and directors deserve much credit for all they have done to strengthen the group, and to plan and carry out a most successful year's activities. We are all curious to know who is back of a group, and it is a pleasure to pass along their names.

Mr. Marion K. Kellogg has been president during the past year. Mr. Charles A. Parcels Jr., vice president, and Miss Melitta Roemer, secretary-treasurer.

The following directors have terms that expire this year, and we hope they will continue to serve: Mrs. Lloyd G. Hooker (president until this year), Mr. Kellogg, Dr. Alfred H. Whittaker, Mrs. Russell Lucas, and Dr. Frank Pitt. Other directors are: Mrs. Fred T. Murphy, Mr. Kenneth Moore, Mrs. William Young, Mrs. Sterling Sanford, Mr. Parcels, Mr. Alger Sheldon, Mr. Fin-tan Henk, Mrs. Richard Forsyth, and Miss Melitta Roemer.

Ex-Officio members are: Mr. Franklin Dougherty, president of the Board of Education; Mr. James W. Bushong, superintendent

Hold Fire League Meet In Detroit

The National Fire Protection Association is holding its 55th annual meeting in Detroit Monday through Friday at the Hotel Statler. Approximately 1500 members from various parts of the world and the United States will attend.

The National Fire Protection Association is the clearing house for information that is authoritative on the subject of Fire Protection and Fire Prevention. The Association meets annually for five days convention, at which time the latest developments in Fire Prevention and Protection are discussed and committee reports on technical standards are acted upon.

The membership includes over one hundred and ninety national organizations and over thirteen thousand international individuals, firms, and corporations.

Elmer F. Ulrich, Councilman of the City of Grosse Pointe Park and formerly Commissioner of Fire from 1945 to 1951, was instrumental in bringing the National Fire Protection Association conference to Detroit this year.

Mr. Ulrich is a member of the Fire Prevention Committee, the Spring Clean-Up Campaign Committee and the Fire Record Committee of the N.F.P.A.

Mr. Ulrich is also a member of Governor Williams' State Fire Prevention Committee and a member of the Fire Technical Committee of the State of Michigan Civil Defense Committee.

Thinclads Miss Close Victory

Blue Devil thinclads lost a heart-breaker to Wyandotte on the Bears' home track last Tuesday, May 1, by the score of 56-53. This was the Pointers' second setback as against one win thus far this season.

Going into the last relay (880-yard relay) the Blue Devils were leading by the score of 53-51. The winner of the last event would win the meet. The finish of the race was close with the Wyandotte anchor man just nosing out the Blue Devil thinclad by a scant two yards.

Grosse Pointe captured seven first places as against six first places racked up by Wyandotte.

First place winners included for Grosse Pointe: Allard (shot put), Schaller (880-yard), Reindel (100-yard dash and 180-yard low hurdles), Bray (220-yard dash and tie for first in high jump) and Maitland (Mile).

The most outstanding races of the afternoon were in the mile and in the low hurdles. Gordon Maitland ran the best mile of his career finishing ahead of Reynolds (incidentally Reynolds had not been defeated thus far in the mile) in a good time of 4:51.3.

In the 180-yard low hurdles Jim Reindel hurdled to a record-breaking time of 2:13. This time tied the Wyandotte track record for the low hurdles set by Jodain in 1950.

Pierce Pointers

By SUE ANN BRENNAN

It won't be long before the stores will be saying, "Only 90 shopping days until Xmas." Right now it is more important to write "Only 19 more school days until Xmas." 'S funny how Xmas and Xmas are spelled with the same letters. There must be some connection. Maybe it means that boys and girls that are not good in the next few weeks won't be presented with passing grades at Xmas time, June 8 and 11.

There has been lots of politics during the past week, preceding elections, scheduled for today. Officers for the Pierce Student Government including president, vice-president, secretary, and treasurer, for next semester were to be selected today.

The election was a double feature affair. Officers for the new Parcells School were elected at the same time. Yep, we are going to lose a lot of swell kids when the new school takes about half of the Pierce crowd away.

Pierce students had an inspirational talk, May 3, by Giovanni Sperandio, the Italian immigrant who lost his arms at 15 but became a great singer and linguist. Mr. Sperandio gives all credit to this country where he was able to get an education and become a college professor, and a concert singer. His lecture surely made a lot of us wonder what we have to gripe about.

The 12th annual Pierce Junior High School Spring Concert will be held in the auditorium at 8:00 p.m., May 18. Tickets will be on sale at the box office.

Runners' Top Form Pays Match Dividends

By B. G. RICH

Records broken and tied! Victory Number 2! G. P. First B.C.L. Win.

This was the story when the Blue Devil Thinclads won their second meet of the season and their first B.C.L. triumph against Highland Park on the Fisher road track last Friday by the score of 65-44.

The Deevils were in topnotch form as they took nine first places. First place winners were: (Bach-Likert-Raetzle-Lister) 3/4 medley, Maitland (mile), Reindel (180-yard low hurdles and 100-yard dash), Bray (220-yard dash and high jump), Allard (shot put), Goebel (pole vault), and Schaller (880-yard).

Marty Allard and Jim Reindel led the parade of record breakers. Marty broke the shot put record (of 45'11") set by Tom Follis in 1948) with a toss of 46'. Jim tied the Grosse Pointe track record in the 100-yard dash with a time of 10.2. Jim also set a new Grosse Pointe track record in the 180-yard low hurdles as he went to victory in a time of 20.4.

Ben Bray and Bob Schaller displayed fine performances. Ben was a double winner in the 220-yard dash and high jump while Bob won the half-mile in his best time thus far this season, 2:09.4.

Gordon Maitland and Company (Ben Dykstra and John Fildew) slammed the mile race.

Blue Devils Pepper Royal Oak

The Blue Devil netters met their second Border Cities League team Tuesday and came out the winner 7-0 over Royal Oak.

Several good matches were played with the No. 1 singles between MacKenzie and Luppentalz the feature of the day.

The local lad, Dick, was just a trifle bit too steady and ran his luck out to win 6-4, 7-5. It would seem that Dick likes to make his matches close after a couple of skirmishes he has had this season.

Pat Brogan turned in the best scores of the day by defeating his opponent 6-1, 6-1.

Bob Hardies started out strong as the No. 2 singles but had a hard time clinching the second set but eventually "lucked out" 11-0.

Tom Lamb and Dave Terris continued on their winning ways to cop the No. 1 doubles match but looked pretty shaky at times. Of all the players this season because of just plain wildness, who have shovled promise, Dave Terris has come through with flying colors.

He almost has a sure place clinched on the 1951 team and should win his letter as a sophomore which is no easy feat. His game has improved by leaps and bounds by playing against a variety of competition.
