New Officers Plan All Out Drive

Memorial Center Officers Elected; Drive Planned

At the annual election of officers for the War Memorial Center last Monday Alger Shelden was chosen to serve as president for another year. Other officers include John K. Roney, first vice-president; Richard F. Huegli, second vice-president; Paul I. Moreland, treasurer; Frank J. Sladen, Jr., assistant treasurer; Mrs. Emma...

The board of directors elected at the members meeting May 7 include Mrs. D. Dwight Douglas, Mrs. Charles P. Ellis, Mrs. Charles B. Lord and Mrs. Frederick C. Ford.

Other board members are Vincent DePetris, Ernest Kanzler, Robert H. Tannahill and Ralph B. Netting.

A report on plans for the drive for members which will get underway shortly was made by Richard Huegli at last Monday's meeting.

All committees are organized and ready for the drive, and it is hoped that all residents of the Pointe will cooperate with their neighbors to insure the success of the drive.

Much has been done in the short time the Center has been open to develop facilities, and to encourage and promote its use by local organizations.

Ahead still lies the goal of enlisting every Grosse Pointe family in the roll of members, to make this War Memorial truly a community project.

A favorite phrase for the coming drive which could very well be the slogan for the undertaking is "\$5.00 or \$50.00."

Whatever the contribution, \$5 or \$50, the officers, members, directors and committees working on the drive hope to realize their goal of one hundred per cent membership in the Center.

POINTE PARAGRAPHS

—by The Pointer—

Mothers Day was celebrated at Mrs. E. C. Vernier's home at 1010 Vernier road by a visit from several of the children, grandchildren and great-grandchildren.

Mrs. Vernier celebrated her 84th birthday recently.

The Dennis Hickey home on North Oxford road in the Woods is shrouded in gloom these days. The Toy Manchester puppy, longed for by the daughter of the house wandered away from home last Saturday.

Young Miss Hickey is hoping the Spring race to team won't take him so far from home that strangers who see him won't know that his phone number is TU 2-4252.

Mr. Joseph A. Baker of 932 Lakepointe is enjoying the breezes of Lake St. Clair in his new season after having spent several months in Henry Ford Hospital.

Fourth Municipality Applies for Rent Decontrol

A resolution to end rent controls in Grosse Pointe Woods was passed Tuesday night by the Woods Council. The request will go to Washington where it will be passed on by Federal Housing Expeditor Tighe F. Woods.

If approved, the Woods will become the third Pointe municipality to throw off rent control.

Grosse Pointe City was first to decontrol rent on October sixth of last year. Grosse Pointe Farms followed suit on April 20 of this year, and Grosse Pointe Shores has filed an application with Washington for decontrol.

The resolution for decontrol was passed unanimously after hearing persons supporting the measure. None opposed the action.

Supporters charged small property owners are being penalized unfairly by rental regulations. The speaker cited rising costs as the main reason for seeking decontrol. The rentals were frozen at levels set before the Woods had grown up to its present size, they charged.

The Council has received similar requests and has been studying the problem, members indicated.

City Holds Hearing on Meters

A public hearing was held in the City of Grosse Pointe last Saturday on the proposed installation of parking meters on Kercheval between Cadieux and Neff roads.

One objection was heard. Several taxpayers were in favor of the step, and the merchants of the section were practically unanimous in agreeing.

The next step will be for the parking authority to request permission from the Council to install approximately 100 meters.

In the event the permission is granted, it is estimated that delivery on the meters would take from 60 to 90 days.

Local Marine Wounded in Korean War

Reported wounded in Korea last April 24 was Hospital Corpsman John C. Pennell, 24, son of Mr. and Mrs. Clement A. Pennell of Merrivether road.

Betty Pennell, wife of the young Leatherneck, lives at 2082 Norwood drive in Grosse Pointe Woods with their 7-month old son, John, who the father has never seen.

Pennell, who was called by the Marines last September, received shrapnel wounds in the arm during one of the fiercest battles in that area during April.

His mother reports that the latest word from her son indicates that he is ready to go back to the front.

Shores Waits Approval on Decontrols

No official decontrol notice has been received for the Village of Grosse Pointe Shores according to the Federal Rent Decontrol Office.

Application for decontrol in the Shores was sent to Washington some 10 days ago.

PATROL BOYS SEE SIGHTS

One of the historic sights seen by the patrol boys on their recent tour of Washington was the U. S. Capitol Building. Each of the 100 boys was awarded a four-day all expense trip to the 15th Annual National AAA Safety Patrol Rally in the capitol by the Automobile Club of Michigan, as a reward for outstanding school corner service. The newly appointed Senator Blair Moody gives a background in civics here to (reading left to right) Hugh Michael McKee, from Parcels school; George A. Bery Jr., St. Joan of Arc school in St. Clair Shores; Wayne Meek of Hazel Park and Robert Crossman of Highland Park.

Literary Note at Fair, Local Authors Present

The Second Annual Carnival-Fair to be held on the grounds of the Grosse Pointe Country Day School, 43 Grosse Pointe boulevard on Saturday, May 26 will feature some 3,000 of the newest books for adults and children.

Mrs. Arthur E. Diekoff, chairman of the Summer Book Shop committee, expects the book shop to be a focal point of activity between 2 and 4 p. m. when three local authors have agreed to be on hand to autograph their books. In addition, two other authors who will be unable to attend will supply the shop with autographed copies of their books.

The book shop is one of several booths which will be in operation at the Carnival-Fair sponsored by the parents and alumni associations of the Grosse Pointe Country Day School and the Detroit University School. There will also be a "White Elephant" booth, a garden shop, a food shop and a midway featuring thrill rides and pitch games.

Included in the book stock will be those on the recommended reading lists for boys and girls from nursery school through high school ages. Book lists have been obtained from both sponsoring schools and from all Grosse Pointe public schools. Parents may check the lists provided before making selections.

The book shop also will offer a selection of books for adults, including fiction, non-fiction, and books on gardening, travel, sports, and religion.

Autographs will be on hand to autograph their books will be Wayne Meek of Hazel Park, Wayne Meek of Hazel Park, Wayne Meek of Hazel Park, Wayne Meek of Hazel Park, Wayne Meek of Hazel Park.

Local Boy in Korean Battle

A 23-year-old Grosse Pointe Army rifleman was one of some 30 First Cavalry Division troopers who ambushed a large Chinese force on the central Korean front and killed 75 of the Communists.

Joseph J. Will, son of Mrs. Josephine Geisdorf, 1441 Nottingham road, took part in the foray that was described as being "like knocking off clay pigeons in a shooting gallery."

Will and his platoon were ordered out of a rest area to go around a Chinese-held hill and outflank the defending force of Reds.

Once behind the main enemy contingent, the Cavalry platoon discovered several groups of Chinese sitting around fires eating supper, completely unaware of the ambushing Americans. Surprised and confused, the Communists scurried for safety. They fled for a nearby ridge where their silhouettes made perfect targets for Cavalry bullets.

American troops regained the vital ground and counted 75 Chinese dead.

City Fathers Approve Eats at Pier

The Farms Council last week approved the establishment of a refreshment stand at the Municipal Pier. Alton O'Connor of Ridgemoor road was granted the concession.

Opening date is uncertain since some construction work will need to be done and other requirements of the Council met before the stand will be in operation.

There is a good chance, however, that Farms residents will be able to have refreshments on their visits to the pier during the hot days of the summer.

Fencing Tournament at Neighborhood Club

For the first time in the history of the event the National Fencing Championships will be held in Michigan. The tournament will take place at the Neighborhood Club in Grosse Pointe June 16-23.

This will be the third time since its beginning in 1927 that the fencing championships have been held outside New York City. The other two occasions were the world's fairs at Chicago and San Francisco in 1933 and 1939, respectively.

Sports Committee chairman for Detroit's 250th Birthday Celebration, Walter O. Spiker, Jr., made the announcement last week that the top fencing tournament of the nation would be held in the sports center.

The 1951 championships will bring together the largest field ever to compete, according to Boris Kuznetz, president of the Michigan Division of the Amateur Fencer's League of America. The Michigan Division is host group for this latest addition to Detroit's 250th Birthday Festival.

Among the 300 entries will be the defending American National Champions, members of the 1948 Olympic team and the 1951 Pan-American team. The three men's champions, Dr. Tibor Nyilas in sabre, Norman Lewis in epee, and Silvio Golin in foil, are all from New York. James York of Los Angeles will be defending his foil championship.

During the eight-day tournament, national championships will be dedicated in both team and individual events. These include men's foil sabre and epee and women's foil. Each event will take up a full day, with finals each evening.

Hospital Dedication Planned

The dedication of the enlarged Bon Secours Hospital on May 26 will climax many months of hard and earnest work on the part of a great many residents of this area.

Edward Cardinal Mooney will give the benediction and address at the dedication on Sunday, May 26.

Guests will have a limited tour of the hospital. Special guests at the dedication will include Rev. Alton J. Babcock, Rev. Alexander M. Caleski and Rev. John C. Visnara.

Lou Maxon and Michael Kearns, who were special chairmen in charge of the drive, will also be guests.

Rev. Mother Mary Alice, superior of the hospital, said the new hospital was receiving patients as fast as it can be equipped.

Improvements at Woods Park

Work on the construction of a perfect sidewalk around the swimming pool in the Woods Municipal Park is expected to begin next week.

The work will be supervised by Councilman Tuesday, 1951. Present plans call for the installation of a 12-foot wide sidewalk around the pool.

City Administrator Philip Wood said. Plans also directed that the pool will be installed on both sides and elevated. The pool will be surrounded by a fence.

Damage to both cars was minor.

Deadline on Petitions

Wednesday, May 23, is the last day for filing petitions of candidates for the coming election of members to the Grosse Pointe Board of Education, Mr. L. M. Bartlett reminded today.

The election to be held Monday, June 11, will be for two members for three-year terms to fill vacancies created by the expiring terms of Miss Alice M. Sheffer and Mr. Stanley T. Johnson.

Driver Ticketed

A driver on the Rte. 10 road of Detroit exhibited no concern when he ran over a dog on the Detroit, 1st Sunday at Lake Shore and Presidential roads.

Miss Goddard was issued a ticket for not having her dog under control. Damage to both cars was minor.

ARMED FORCES DAY, 1951

Saturday, May 19th, is our Second Armed Forces Day. This day is dedicated not to the Army — not to the Navy — not to the Marines — nor to the Air Force, but to all the Services, teamed for defense. It symbolizes the unity of purpose which has contributed so much to our country's greatness.

On this day we should all renew our strength of allegiance to the cause for which we stand united — defense of peace and freedom in the world.

With so many of our loved ones actively engaged in this defense, let us pay homage to our Armed Forces. Highly specialized, working together closely, they comprise one great organization, one team.

Let us say—"We realize how important is the job you're doing—we're part of your team."

Library Spotlight

By JEAN TAYLOR of the Grosse Pointe Public Library Staff

AFTER READING SAMUEL PEPEYS . . . An ordinary week of a Grosse Pointe Librarian.

1st Day: To the Woods Presbyterian Church to take part in the Mothers and Daughters Banquet, which did please me very well. Happier faces than these mothers and daughters I have not seen unless 'twere those of the proud fathers who served the dinner.

2nd Day: To Kirby School where I did meet with Mr. Hicks and members of the Parent-Teacher committee. The talk was of the \$2000 the P-TA did give to the school with which to buy books for the school library. And indeed the enthusiasm of the group was pleasing to all.

3rd Day: Early to the library where is infinity of business to do which makes my head full. This morning comes a publisher's representative to show me his prebound books. But little time could I give for upon the doorstep of the City Branch were 26 small folk from Maire School with their teacher, Miss Hall. It delights me mightily to see the fun these children have in selecting their books.

4th Day: Up early and to a staff meeting which Mr. Orr did bid us attend at the Main Library. There was much discussion and we did give an account of all that we have of late done. In the afternoon to St. Clare School where we did talk in the classrooms discussing new books and old. Homewards to the City Branch and in no time come many children from St. Clare, requesting these books. The little ones do print their names with much effort and proudly take their first library cards.

5th Day: To the Shores Station this p.m. where I do find Miss Woodcock busy with many children from Vernier School. Much pride does she take in her renovated quarters and I did delight to find how much used these by children. But she made it fully known that few elders use this Station. We believe that the number of good new books for adults, now on the shelves, is not yet widely known.

To the Woods to see how things fare with Miss Mastin and to hear of the new Woods Branch, this being the talk of the town. The preparation for its opening next Fall is now much thought upon. . . . All of which does keep Mr. Finster and Miss Martin with work many hours of the day.

6th Day: Up very betimes by break of day to drive to Lansing for the Spring Institute of Children's Librarians. Joyce Woodcock of our staff and Betty McPhail of the Detroit Mark Twain Branch did drive with us. Merry all the way, we arrive for a ten o'clock meeting, when we did hear an admirable and good talk by Rebecca Caudill . . . she being an author of several popular books for children.

To luncheon with librarians from all parts of the state, a much noble and brave company. After which to a "Book Buzz" by the school librarians. Following this there was much buzzing, in truth. Then home, talking much of what we had heard and observed today. Read late into the night, OLD HERBACEOUS by Reginald Arkell. Good reading which pleased me exceedingly and should delight all folk with a green thumb and a soul for beauty.

PARADE AND AIR SHOW MARK ARMED FORCES DAY

The U. S. Air Force and the Navy will team together Saturday afternoon, May 19th for a gigantic combined air show at Selfridge Field in connection with the Armed Forces Day celebration.

A special open house for the public will be held from 2 to 4:30 p.m. it was announced by Prentiss M. Brown, general chairman of the Armed Forces Day observances in this area.

The two and one-half hour show at Selfridge will be the first opportunity the public has had to see operational military aircraft in action since the outbreak of hostilities in Korea. Among the first line aircraft to be seen in flight and exhibits will be the F-86 "Sabre," the world's fastest plane and the rugged, dependable "Corsair" which has been effective in close air support work in the Korean theater.

Indications are that this will be one of the most spectacular and most interesting of America's Armed Forces Day observances. Captain T. O. Dahl, commanding officer of Grosse Ile Naval Air Station, and Colonel James Gunn, commanding officer at Selfridge, will direct the program.

Prior to the open house, local citizens will see America's air might in action as approximately 100 Navy and Air Force planes fly over the parade route in Detroit. Plans for the show were made so that the public can attend both the spectacular Armed Forces Day parade beginning at 10 a.m. on Woodward avenue from Peterboro street, and the combined air show in the afternoon.

Organizing and serving as Grand Marshal of Detroit's parade is Brigadier General Clyde E. Dougherty, Detroit and Wayne County's director of Civilian Defense. More than five thousand military and civilian marchers are expected to join in the huge parade to salute the Armed Forces. There will be units from all branches of the services, policemen, firemen, civic and fraternal organizations and representatives from those utilities whose services would be most vital in case of attack.

In honor of Detroit's 250th Birthday, the flag of the city will be carried at the head of the procession. Indications are that this will be one of the most spectacular and most interesting of America's Armed Forces Day observances. Captain T. O. Dahl, commanding officer of Grosse Ile Naval Air Station, and Colonel James Gunn, commanding officer at Selfridge, will direct the program.

GIRL SCOUT NEWS

Trombly School's six troops of Girl Scouts and Brownie Scouts entertained their mothers at a luncheon at the Grosse Pointe Yacht Club on May 5, under the direction of Mrs. Miles McKee and her committee, Mrs. Porter Strother and Mrs. Raymond Baer.

LEADING the 127 guests in singing was Mrs. George Baer, with Mrs. W. Hastings at the piano and Mac Huestis as roving troubadour with his accordion. Potted plants at the girls' places served as favors. The leaders put on a humorous skit entitled "A Typical Brownie Meeting." Mrs. Fred Price, Neighborhood Chairman, was presented with a silver plate by the Scouts and Brownies in appreciation for her work with the Trombly troops.

THOUGHTS of Richard School went for a weekend campout recently to Kingsville where the girls had a chance to visit the fish hatchery and Jack Miner's bird sanctuary.

The 20 Scouts and four adults cooked most of the meals around a bonfire on the beach. The Girl Guides and Rangers of Kingsville joined them for an International Scouts' Own on Sunday morning.

Mrs. L. B. Bristol and Mrs. F. L. Hope, leaders, and Mrs. J. H. Hurch and Miriam Woodbridge chaperoned the trip over to Mrs. Hope's aunt and uncle's home.

JUNIPER HILL at Camp Holly was the scene of a busy weekend for troop 848 (Parcells School) when the 20 girls went troop camping recently. An Alpine hike, outdoor cooking and work on their campcraft badge made the time go too quickly. The leaders, Mrs. Burchby and Mrs. Shortz, accompanied the Scouts. Other adults on the trip were Mrs. Myron Taylor and Barbara Eyre.

Farms Youths Enter USNR

Two Grosse Pointe youths are undergoing a two-week Reserve training course at the U. S. Naval Training Center at Great Lakes, Illinois.

The seaman recruits are Richard S. Den Uyl, son of Mr. and Mrs. Simon D. Den Uyl of Tournaine and James J. Crowe, whose parents are Mr. and Mrs. William Thomas Crowe of Merriweather.

The course, terminating May 19, is a condensed form of the indoctrination given regular Navy recruits. It is designed to instill the new Naval Reservist with a broader basic knowledge of Naval life.

Irving Miller, conductor on CBS' "Bob Hawk Show," is half-owner of Piper Music Co., Hollywood and New York publishing house.

Proclamation Honoring the Armed Forces

WHEREAS the President of the United States and Secretary of Defense have announced May 19, 1951 as ARMED FORCES DAY and have called upon all citizens everywhere for an appropriate tribute to our Nation's defenders, and

WHEREAS the Armed Forces of the United States have as their mission the protection of the right of the people of the United States to live in a free democracy, and have preserved the liberty of our beloved Country against all aggressors, and

WHEREAS this day has been set aside by the Armed Forces of the United States to render to the citizens of the United States an accounting of their discharge of their solemn trust,

NOW, THEREFORE, We The Chief Executives of the Pointe Municipalities, do hereby proclaim May 19, 1951, to be ARMED FORCES DAY in Grosse Pointe,

and we call upon all citizens of Grosse Pointe to be mindful of the fact that our Armed Forces can accomplish their mission, both at home and abroad, only with the constant awareness and generous support of our people,

and we call upon all citizens of Grosse Pointe to display the Flag upon this Day, and to otherwise render due token of respect for the men and women in uniform who stand between us and an uneasy world.

ARMED FORCES DAY is also dedicated to those heroic members of the Armed Forces who have given their lives to establish a peaceful America—that must remain strong if it is to maintain its heritage.

IN WITNESS WHEREOF We have hereunto set our hands and caused the Seals of the Grosse Pointe to be affixed this 10th day of May, 1951.

RALPH B. NETTING, Mayor, City of Grosse Pointe.

LEON D. RATCLIFFE, Mayor, City of Grosse Pointe Woods.

HOMER C. FRITSCHE, Mayor, City of Grosse Pointe Park.

WM. F. CONNOLLY, JR., Mayor, City of Grosse Pointe Farms.

ERNEST C. PUTNAM, President, Village of Grosse Pointe Shores.

Letters to the Editor

To the Editor: Some discontented landlords in Grosse Pointe Park have circulated a petition to all landlords in a concentrated effort to decontrol rents in that City.

Right now is the time for all tenants to send protests to the City Council.

Grosse Pointe Park is a heavily populated area and most rental properties are units of 2, 4 and 6 apartments which give the majority of landlords an excellent profit.

When a landlord walls "I'm getting only \$70 rent for my 2-family flat" he frequently is overlooking the fact that his own family occupies one of these units.

It is true that some places are renting at a lower margin of profit, but every landowner is free to appeal to the rent control bureau for an increase that would be fair to himself and to his tenants.

The greater number of landlords are NOT dependent on their rents for income. They have other sources of income and their rents are ADDED INCOME.

Landlords proclaim that they are the ones who pay the taxes, but they forget that the tenant is the one who pays the rent, which includes taxes, cost of maintenance, and profit.

Without any delay, all tenants of Grosse Pointe Park should send a letter of protest to the City Council.

Tenant.

Torch Drive Goal for '52 Estimated

Agencies have been asked to estimate 1952 needs and conferences are being held so that agency boards and executives may discuss their requests. Items are also being submitted.

Janet Waldo, star of CB "Meet Corlies Archer," is afraid to fly, though her husband, Robert E. Lee, is a licensed pilot.

GPHS Seniors Awarded Scholarships

(Continued from Page 1)

Winners are selected on the basis of their aptitude for academic work, their economic need and their general qualifications as University students.

The Scholarship Committee of the University of Michigan Club of Grosse Pointe has participated in the selection of the winners, and early in January of 1951 the committee interviewed fourteen applicants, which interviews were followed by recommendations to the University.

The fortunate winners, members of the senior class at Grosse Pointe High School, are Marcia Elinor Booth, 964 Nottingham; Madeleine Kyburg DeRopp, 1350 Three Mile; Mary Anne Busby, 1324 Maryland; Ann Patterson Lampan, 415 Moran; Robert D. Law, 1357 Maryland and Patricia Ann Marx, 954 Lakepointe.

The seven winners of scholarships last year, also all GPHS seniors, were Daniel Moroney, Harry Esom, Joseph Redfield, Mary Heiner Diane Schleicher, Glenn Coury and Donald Schmitz.

Members of the Scholarship Committee of the University of Michigan Club of Grosse Pointe who participated in the interviews are Paul Franseth, chairman; Mrs. Joseph A. Murphy, Mrs. H. Sanborn Brown and Robert J. Hood. Mr. Hood has been president of the University of Michigan Club of Grosse Pointe during the past season.

Junior Prom Saturday

By Jeanne Rydholm
This Saturday night members of the senior and 11A classes will dance to the music of Tommy Weldon at the Junior Prom, class of 1952.

The prom theme and decorations have traditionally been kept a secret and are sure to be the talk of the evening.

Another tradition to be carried out is the grand march, led by class officers: B. G. Rich, president; Jeanne Rydholm, vice-president; Patsy Barrett, secretary; and Bill Jones, treasurer.

Class officers parents will chaperone. Junior homeroom teachers have also been invited.

Publicity committee doings, headed by Hat Spalding, Joyce Judson, and Gloria Antoa, have made careful note to let kids know tickets are \$2.50 (may be purchased at the door) and Prom time is from 9 until 12. Also a reminder to Prom trotters in invitation (so carefully done by junior secretary, Patsy Barrett and committee) must be shown at the door.

Busy recruiting clean-up committees are Tom Lister and Kay Catchick heads of this committee. Their crew must report early Sunday morning to assist in removing all left-over decorations, etc.

NEWS IN SIGHT

by Dr. Arthur M. Majester, O.D.
Keep your lenses clean and shiny for appearance sake as well as for clear and better vision. At least once a day give your eye-glasses a good bath with soap and warm (not hot) water. A few drops of ammonia will make your job easier. An old tooth brush works well for cleaning the metal parts and for getting in back of the nose pads, a spot where a lot of dirt accumulates.

After washing your glasses thoroughly, hold each lens separately as you dry and polish it. This will prevent strain on the glasses that would be caused by holding them by the bridge or center piece.

If you wear a plastic frame remember that hot water should never be used in cleaning, for it may expand enough to allow the lenses to drop out. Keep the inside of your eye-glass case clean by brushing.

Glasses are rather delicate and need occasional adjusting. The frequency of adjustment will depend largely upon the way you care for them. Do not wait until they "hurt" your eyes or cause a nasal or behind-the-ear irritation.

It is an important part of our service to keep your glasses adjusted so that you may enjoy comfortable vision.

Yacht Club Luncheon for Mothers-Daughters

Grosse Pointe Yacht Club honored its mothers and daughters at luncheon Saturday, according to special homage to its eldest and youngest mothers, the mothers of the most daughters, the mother of the youngest daughter and the mother of the youngest twins.

Mayor of East Detroit, Mrs. Mildred B. Stark, presented the awards following her address. Mrs. Louise Gaskin, the guest of her daughter-in-law, Mrs. Mervyn G. Gaskin, was the eldest mother present while Mrs. John Parkinson, daughter of Dr. and Mrs. John H. Shackelford, was the youngest mother at the banquet.

Mrs. Shackelford's party was also honored for being one of the four generation groups. Mrs. George W. Smith and her great granddaughter, Eleanor Parkinson, completed the quartet. To seven month old Eleanor went the award for the youngest daughter.

Another four generation family included Mrs. C. E. Bleicher, her mother, Mrs. Sophia Riedel and her daughter, Mrs. J. Earl Fraser with Joanne. Three mothers shared in having the most daughters. Mothers of four girls, only three of whom could be present, were Mrs. Leonard O. Zick and Mrs. Howard A. Shaw, while all three of Mrs. William A. Ternes' daughters were with her Saturday.

Mrs. William Barber, who with her twins Gail and Grace, were

Candlelight Ceremony Unites Pointe Couple

At a candlelight ceremony at Faith Lutheran Church last Saturday, Barbara Ann Wallace, daughter of Mr. and Mrs. William L. Wallace of Beaconsfield avenue, was married to George Allen Young. George is the son of Mrs. Florine Young, also of Beaconsfield.

The bride's gown of white satin was fashioned with an off the shoulder bertha of embroidered satin, and a pleated satin bonnet held her fingertip veil of illusion. She carried white roses and lilies of the valley.

The bridegroom's sister, Mary Lou, was maid of honor and bridesmaids were the bride's sister, Mrs. William Silberberg and Nancy Newton.

Mary Lou wore pale blue taffeta, and the bridesmaids wore pink taffeta. They wore matching headresses and carried Colonial bouquets of roses.

Melvin Godmar was best man, and ushers were Nelson Hall and William Silberberg.

The mother of the bride wore a gown of rose crepe and Mrs. Young chose aquamarine lace over taffeta.

A reception was held in the church parlors, and the young couple left on a trip to Northern Michigan. Following their return they will live on Beaconsfield avenue.

For her wedding Andrea chose a floor length gown of marquisette and lace with a fingertip veil of illusion and lace held in place by a beaded crown. She carried stephanotis centered with a white orchid.

Maid of honor was the bride's sister Sophie and her cousin Amelia Tusheanes was her bridesmaid. The attendants wore similarly styled gowns of white organdy over taffeta and their flowers were carnations.

Pierce Pointers

By SUE ANN BRENNAN

At the primary elections last week, Jim Blashill and Dan Leach were nominated to compete in the coming election for president of the Pierce Student Government.

At the same time, Carol Seidel and John Russell were nominated in the race for the honor of being the first president of the new Parcels school.

Other nominations for Pierce were for vice-president, Jim Corliss and Bev Harling; secretary, Jean Clemens and David Lamb;

Parcels nominees for vice-president were Jane Thompson and Bob Schofield; for secretary, Marilyn Knoch and Judy Campbell, and for treasurer, Carolyn Stoup and Don McKee.

The voters are anxiously awaiting the campaign speeches to see how the candidates are going to better our school and get votes. In preceding elections, students have been promised cocoa during first hour, shorter hours, and better marks. But as usual, these were just political promises.

Judy Marston, Irene Schiele, Dorothy Cullers, Marcia Murphy, Suzanne Stallard and Dennis Snaga, members of the Pierce Orchestra, contributed their services at the mother and daughter banquet May 11 at the First English Lutheran Church.

Speaking of music, the 12th annual Pierce Jr. High School Spring Concert will be held in the auditorium tomorrow evening at 8 o'clock. If you don't have your tickets, you will be able to buy them at the door.

Topping the parties of last week-end was the wiener roast given by Frannie Butterfield and Julie Fox at the G. P. Park. Baseball, tennis and singing made the party complete.

Among those present at the doings were John Russell, Paul Norris, Paul St. Amour, Bill Ferguson, Chuck Damman, Nelson Sherburne, Jean Clemens, Bill Vandewater, Janice Barr, Bill Wagner, Bill Eversman, Carol Seidel, Dan Leach, Bev Johnston and Ann Hellstrom.

Boys these days are asking: "Who are you taking to the Spring Prom?" Mrs. Gray, the art teacher, is asking: "When will the decorations be ready for the Spring Prom?" Everybody's interested in the Spring Prom, which will be held May 25 in the school gym.

Sam Riggs, our former classmate, came back to Grosse Pointe last week-end and stayed at Hays Rockwell's house. Sam moved to Kansas City, Missouri, last summer.

Community Club Annual Meeting Next Monday

The annual meeting of the Grosse Pointe Woods Community Club will be held on Monday evening, May 21, eight o'clock, at the Community Club, 20883 Mack Ave. Mr. Mervyn G. Gaskin is President of the Board of Directors.

Though participation in the business meeting, including the election of one-third of the Board Membership, is limited to adult members of the Community Club, the people of the community are invited to attend the Annual Meeting, because there will be a discussion of items of interest to all.

Included in the meeting will be a report of the accomplishments of the Community Club during the year just past, and a review of the plans for the future.

Membership in the Community Club is open to all who are interested in taking part in the activities of the organization, or in encouraging this service of group work, recreation, and informal education, in the Community. The Community Club is a Red Feather organization.

Youth Group Conducts Paper Drive

The Grosse Pointe Methodist Church is sponsoring its third in a series of paper drives on May 19 and 20. The proceeds of this drive will be used for much needed equipment in the church school. There will be a truck trailer located at the McIntosh Service Station at Kercheval and McMillan as the depot for all deliveries. All donations will be greatly appreciated, as the goal of the church is to have a full trailer load of waste paper and magazines in two days.

If it is impossible to deliver your papers, please call Mr. Richard Seales, TU. 1-7380 or Mr. Fred Krutz, TU. 3-2256, superintendent of the church school. They will see that your donations are picked up either on Saturday or Sunday.

This is one of the many anticipated projects being conducted by the Young People's evening group under the leadership of Mr. Seales. This group, which was only recently organized, consists of boys and girls aged 16-21, and meets at the church on Mondays near Kercheval every Sunday evening at 7:30 p.m. Their activities consist of both a devotional and social hour. The group also has big plans for the balance of the year and any newcomers interested will be most welcome.

Local Designer Seeks Location

In the mood for a fashion story, we turned to the one person in Grosse Pointe, whom we knew could furnish us with any information we desired, a charming lady known to Grosse Pointe as "Miss Von." A few minutes ride and we were at 713 St. Clair, the home of Miss Von Koenigstein. After a very cordial greeting, we explained our mission. Immediately we learned that Miss Von Koenigstein was at the present time doing only designing work for several dress firms for whom she had done this type of work before.

Miss Von Koenigstein explained that she was forced to close her exclusive dressmaking parlor at 17131 Kercheval, city of Grosse Pointe, due to condemnation proceedings in January 1950. Since that time, she has been looking for suitable business quarters near her former location. Said Miss Von Koenigstein "There were times when I simply refused to answer my door or telephone as I was so tired of trying to explain to my former customers that I would be unable to do any more dressmaking until I could find business quarters in the city."

After some persuading on our part, Miss Von Koenigstein consented to show us her personal wardrobe. It was then that we learned the difference between a distinguished designer of smart women's apparel and the so-called dressmaker. The clothes, so to speak, were out of this world.

The designer explained that in her particular line of work it is very hard to secure suitable assistance. A slip of the scissors on an inexperienced cutter's part can be most costly.

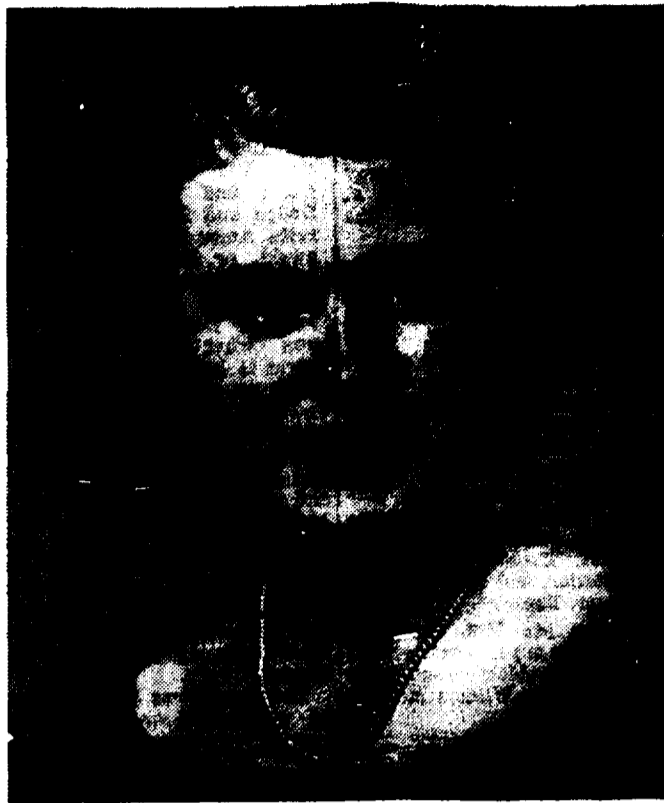

Miss Von Koenigstein, who has been a designer of women's smart wearing apparel, both in this country and Europe, has catered to the smart set of this community for eight years.

Miss Von Koenigstein, whose family has been in the dressmaking business for the past three generations, brought to the women of this section a finished knowledge and a facile imagination in dress designing, based upon actual Paris observation and more recent innovations of the new world style center, Hollywood.

Miss von Koenigstein is a graduate of the Fashion Academy and the Fashion Art Design Schools of New York City, and studied under the individual guidance of Louis A. Eisele, now president of Fashion Art Design School of New York.

In answer to our question of how long she would be depriving Grosse Pointe of her talents she explained that her desire is to locate near her former location, and until such time as she can secure suitable business quarters she will have to refuse to cater to her customers. She sincerely hopes a business establishment will soon be in the offing.

GPHS Netters Take Matches, 5-2 and 4-1

A beautiful day and two good teams played against each other! And so it was Tuesday afternoon when Wyandotte moved in and tried to take over the Blue-Devil's tennis courts. With a little more than just passive enthusiasm the Wyandotte Bears were out to do some damage.

When the fire had ended and the smoke had cleared the local team came out a happy bunch on the long end of the score, 5-2.

Damage had been done though. The first singles had Dick MacKenzie pitted against Dick Menzel. Menzel was just too much for Mac. Time after time Menzel played circles around him. This was the first defeat for MacKenzie this year. Menzel hasn't been defeated. MacKenzie was not playing the type of tennis he is capable of and when Grosse Pointe meets Wyandotte again at Wyandotte at the end of this month trouble might be brewing for Menzel.

The big point for Grosse Pointe was the No. 2 singles match when Bobb Hardies triumphed over George Stepanovic in three sets. At the time this match looked like the deciding one and the pressure was on.

Cort Lecklider playing No. 3 singles and Pat Brogan playing No. 4 from Grosse Pointe wrapped up their victories quite easily.

The feature match of the day was the No. 1 doubles which found Bruce Allen and George McBride opposing two determined foes. The match saw-sawed back and forth. The first set finally went into deuce games and Wyandotte pulled it out to win 7-5. This was a slam-bang affair with hard hit balls flying all over the place. The second set went to Grosse Pointe by the same score 7-5.

After a brief rest the third set found both sides right back at it. With their backs to the wall Allan and McBride put up a real fight before bowing out 6-4. This was the best and longest match of the afternoon.

The best crowd of the year witnessed the event and many points brought enthusiastic comment.

The third doubles team of Tom Lamb and Dave Terris made short work of their match to sew up the meet with a victory, 6-0, 6-2.

Another long doubles match which finally went to Grosse Pointe was the No. 2 doubles. Mike Bem and Pete Wardle came through with a well deserved victory in three sets. Both boys were on a spot having not played together before and they were up against some good competition.

Another win was added to the victory string last Saturday when the local high school net team traveled to Toledo to take on the undefeated Toledo DeVilbiss high school and came through with a strong 4-1 win.

The feature match of the day was between Dick MacKenzie and Walter Milbourne. Milbourne is ranked No. 22 in the juniors by the Lawn Tennis Association. MacKenzie came through with a beautiful and well deserved victory. While trailing in the first set all the way he put on a spurt at the end of the ninth game to pull him through 7-5. Then he started coasting and when the score of the second set

was 5-8 started again to come from behind.

He pulled the well-nigh impossible by tying the score at 5-all and then after losing another game went on to win the next two to clinch the match. The match was well played with some long rallies which wore out both boys. Last fall in Toledo, Milbourne had beaten Dick quite easily and this came rather as a surprise to both parties.

The second singles for Grosse Pointe met his Waterloo. Bobb Hardies, who has not lost a match for the two years he has been playing, bumped up against Bill Leake who was too much for him and he hit the bottom 6-3, 6-2. Hardies was playing poor tennis but that shouldn't discredit Leake who has a steady and sharply paced attack.

Y-TEENS TEA FOR MOTHERS

About 50 mothers were present at the tea given Monday in the Grosse Pointe High School cafeteria by the Y-Teens to honor their mothers.

Entertainment was furnished by Betty Squire, Peggy Lutton, Sally Browne, Graetchen Becker, Jean Ryholm and Patti Lee.

Jane Joachim, president for the past year, presided and introduced the new officers. They are president, Laura Lou Smith; vice-president, Nancy Kaser; secretary, Edna Edens; treasurer, Janet Fildew; chaplain, Graetchen Becker and inter-club representative, Shirley Stoup.

The Y-Teen club was organized at the high school a year ago and now has a membership of 66 girls. Miss Margaret Casteel is faculty advisor.

If your electric range has open units, be especially careful to keep salt, soda, soap and sugar off the wires.

Tournament Awarded to Hamtramck

The Grosse Pointe High School tennis team will journey to foreign soil for the State Regional Tennis Tournament this year. For the past ten years the meet has been held on the local high school courts and this year the school declined the invitation to hold it here again.

The meet was awarded by the State Athletic Department to Hamtramck and will be held there on May 18-19.

This year the meet again seems to be a two school affair with somewhat the same teams competing as had played here in previous years. Hamtramck and Grosse Pointe should battle it out right down to the last match before the issue is decided.

Hamtramck has three excellent players in State Class A singles champ Richard Potter, State Class A doubles champions Jerry Parchute and John Zoski. Outside of these three players they have no other players of significance.

Grosse Pointe can claim no champions of this nature but they do have a well balanced team. All of the boys can be counted on to make things tough for their opponents before giving in. Since the Regionals are won on a point basis for the number of matches won Grosse Pointe has a fair chance in spite of having such outstanding players against them.

Jerry Parchute is also national boys indoor champion of 1951. It will be somewhat of a handicap to play Hamtramck on strange courts but the local boys have done pretty well away from home.

Each school is allowed to have three singles and three doubles entered as a maximum. Some of the boys from Grosse Pointe almost assured of playing are: Cort Lecklider, Dick MacKenzie, Bruce Allen, Tom Lamb, Bobb Hardies, Pat Brogan. Other possibilities are: Dave Terris, George McBride, Pete Wardle, John Brabb, Clark Bassett.

One of the big reasons for the change in location of the tournament was that the facilities at the high school are not adequate. Two of the courts have not been playable for two years and with only five courts it makes it difficult to handle the event.

This is the third year in a row now that Hamtramck and Grosse Pointe have cut each other up in the Regionals and both teams have gone to the State Finals with several good boys left at home. At the same time Regionals are also held at Monroe and Fordson with the result that many of the boys that have been decisively beaten by the Blue Devils in dual match competition, have gone on to the State meet.

Last year, the State meet was an anti-climax for the Hamtramck boys because they had defeated their stiffest competition here. This matter has been brought to the attention of the state authorities but nothing has been done with the result that the same thing could easily be repeated this year.

It is lamentable that the State Regional tournament was shifted because it helped so much to stimulate tennis enthusiasm in this area. It was the only tournament for the high school crowd of any significance in Grosse Pointe throughout the year.

Other officers are Mrs. Harry E. Barnard, treasurer; Mrs. Gilbert K. Pulliam, financial secretary; Mrs. John Oostema, registrar; Mrs. Theodore L. Danielson, historian, and Mrs. James R. Flickenger, librarian.

St. Paul Hi-Lites

By DIANE ZEMPER

The most important happening of the week of May 5, or for that matter, of all the weeks in the school year, was the Coronation Ball, the formal spring dance sponsored by the Sodality for the purpose of honoring the Queen of May, Mary, and also the King and Queen selected from among the Paulites.

Just ask Carl Rauen and Lorraine Briskey, Joe Barton and Pat Flowers, Johanna Klein and Bill King, Gail Dodge and Joseph Bejin, Loreta Amex and Gregory Gilowski, or Evelyn Piche and Jim McMahon, Joan Miller and Tom Nacy, Judge Kornmeier and Al Susala. They'll tell you what a "super-duper" night it turned out to be!

But so could Marie Couvreur and Bill Murphy, Sandra Smith and Stan Jesson, Charlotte Klein and Frank McHugh, Cathy West and Jerry Moore, Dorothy McKay and Frank Foguth, Marguerite McKillop and Al Seca, Leo Kennedy and Anne Hoover, Alice West and Dean Fosmo, and Carol Hawkins and Raoul Felt inform you, or any Paulite for that matter, for everyone was there enjoying himself to the utmost.

The dance was but the finish of weeks and weeks of party going, however. In the last week alone, about six class parties promoted. Since Arlene Froehlich was "Queen for a Night," we'll list her gathering first. Many classmates were on hand that night to help Arlene with the vote-getting. Lou Anne Moxley, Ellen Connelly, Evelyn Englehardt, Jim Haley, Joe Lenz, Frank Foguth, Denny Reynolds, and Jean Sharrow.

Others were Shirley Fincham, Carol Plourde, Elaine Barbret, Mary Lou Englehardt, Joan Hackenburger, Jack Trombley, and Lee Elsey were present enjoying such hospitality as only Sophomores can give. This consisted in dancing, eating and singing. What a combination!

Dolores Wise, a Junior, was next in line. It seems everyone was very anxious to get in on the fun of a Class gettogether, including Dolores Slater and Jerry Thomas, Donna Mayo and Jim Hoskins, Anne Reed and Don Burns, Janet Hook and Pete Schummer, Skip Ducastle and Tom McLaughlin.

Still more were Beverly Labadie and Ivan French, Diane Cettinski and Johnnie Huettman, Maureen O'Brien and Allard Ronge, Mary Del Barba and Jack Trombley, and Marilyn Suther-

land and Glenn Walters. Quite a collection, don't you agree? Barbara Clark was determined not to let her Seniors get too far behind the other classes in parties, and therefore gave a dinner last Sunday evening. Observed to be making the most of ham, potato salad, and other such edibles were Pat Yott, Jerry Froehlich, Larry Hollerbach, Raoul Felt, Catherine West, Hans von Bernthal, Thomas Palmer, Theresa Lyford, Joan Rabaut, Dick Gallagher, Duane Streb, Dennis Furton, James Keller, Jerry Kirsch, Kathleen Weot, Joan Piche, and lots and lots more. After consuming the food, the party adjourned to the show.

There were also some pre-dance parties. For the Freshmen, Marilyn Blondell opened her doors to Jerry Slater and Lynn Van Tiem, Shirley Kaye and Ed McKernan, Julia Jones and John Geyman, Denise Hickey and Richard Schlaff, Barbara Unti and Fred Fredericks.

Then there were Patricia Westrick and Paul Hoey, Beverly Cadieux and Dennis Murphy, Barbara Roland and Norman Schwartz, Barbara Stein and Joe Muer, Sandy Knack and Bill Carary, Barbara Wines and Dick Dowd, and Joan Heidt and Cliff Jablonski. The cokes and potato chips served just hit the spot, so we were informed.

The Juniors, not to be outdone by any Freshmen, also were represented in this line

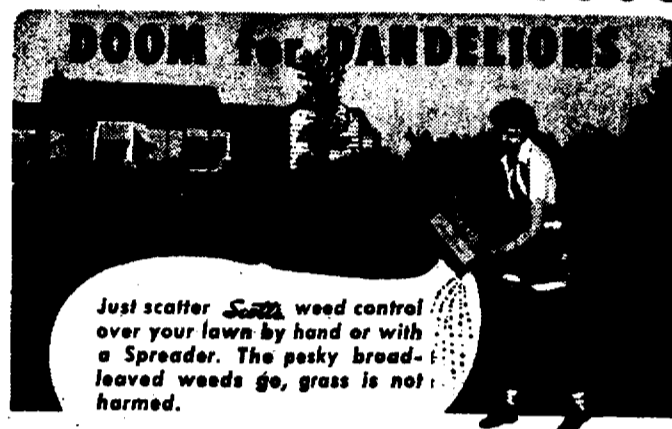

of parties. Skip Ducastle and Tom McLaughlin did the honors, and the result was that Gloria Wancour and George Vaughn, Connie Molitor and Jack Carroll, Mary Margaret Van Damme and Lee Fallers, Dolores Wise and Ed Lynch, Pat McKay and Johnnie Davidson, Bob Walker and Nancy Kottenstette, Mary Anne Bettie and Joe Meier, and Phyllis Van Beelaere and Tim Champagne, and Janet Oxley and Chuck Boulton were well into the party spirit by the time they arrived at the dance.

Jap Judo Expert to Wrestle on Card at Chesterfield

Mr. Sakati, exponent of the most brutal of wrestling, judo, will tangle with Steve Nenoff, 230-pound Bulgarian, in the main wrestling exhibition tomorrow at 8:30 p.m. at Chesterfield Arena, Gratiot near 10-Mile road.

A tag team semi-final and another bout of 30-minute duration will fill out the card.

If sandwiches are to be the main part of a meal, think of the nutritive value needed and include eggs, peanut butter, meat, but also remember the many fruit and vegetable fillings, say Michigan State College home economists.
