Alger Announces Entry In Gubernatorial Race

Organization of "Alger Governor" Clubs in Wayne County got underway today after relay of State Fred M. Alger, Jr., announced that he will be a candidate for the Republican nomination for Governor in the 1952 primary election.

For more than two years, the people have been entertained by a one-ring political circus at Lansing," he said. "It is time the clowning stopped. The problems facing the people are more important than the selfish ambitions of a few men."

Alger declared he will enlist the aid of "good people everywhere to give Michigan a re-

able and morally honest administration." The organization to be formed will name a candidate to disclose his plans.

The 43-year-old Alger, serving his third term as Secretary of State, announced his candidacy in response to a number of requests from all over the state.

"Only the Republican Party can bring the nation and the state out of the chaos resulting from bungling and confusion in the Democratic administration," Alger said. "The record of selfishness and complete moral bankruptcy. Unfortunately for Michigan, the Democratic State administration has put its blessing on the corruption and confusion in Washington."

"I pledge to Michigan government by honest men of integrity who will serve the people—all the people in every walk of life—because they and I want good, sound, honest, progressive government. There is no place today for selfishness and back-biting which pits one interest against another."

Alger was first elected Secretary of State in 1946 and has held the office since, leading the Republican ticket in the 1948 and 1950 elections.

Alger was born August 3, 1907, in Detroit. After leaving Harvard University in the late 1920's, he was assistant to the Financial Advisor of the Polish Government for a time, and entered business upon returning to the United States. He resigned from all business positions when he was elected Secretary of State. Alger is a trustee of Alma College and the Detroit Memorial Hospital in Detroit.

Three Named to Academy by Rabaut

July 2, 1951 saw three young men from this area, appointed to the United States Naval Academy by Congressman Louis C. Rabaut, embark on their naval careers. Their appointments were won on the basis of competitive mental examinations held for Rabaut by the United States Civil Service Commission.

The Navy Department has reported to Rabaut that the men have qualified both physically and mentally and will report to Annapolis, Maryland, on that date to begin their training.

Rabaut's appointments went to the following 14th District residents: Thomas McKay, 5791 Bluehill, Detroit; Gerald J. Nay, Jr., 1415 E. Grand, Detroit; Douglas M. Michelson, 755 University Place, Grosse Pointe.

Rabaut wrote to each of the future midshipmen, "Please accept my heartiest congratulations. I feel that you will ever conduct yourself in a manner to bring pride and glory to the Navy, your family name, and finally, to the Representative in Congress who made it possible for you to embark upon a naval career."

Woods Police Apprehend Two Juveniles

Quick thinking on the part of Grosse Pointe Woods police led to the capture of two youthful culprits.

A call to the station told them that someone was removing license plates from a car parked on Oxford near Helen. Two scout cars were sent to the scene. One went down Oxford and the other down Kenmore.

The youths removing the plates spied the approaching car on Oxford and left suddenly in their 1949 Ford.

They were blocked by the car coming down Kenmore. The driver, a 16 year old St. Clair Shores boy, and his girl companion admitted the theft of the car they were driving from Arcadia Street in the Shores. They then broke into a gas station on Mack where they took \$4.00, five rolls of pennies, gum, pop and candy.

They then stole the license plate from a Ford at Silvas Motor Sales on Mack.

The girl was turned over to St. Clair Shores police with the youth when it was discovered she had run away from a home in Ohio. Ohio police were notified.

Artist Mother Dies in South

Grace Hall Hemingway, mother of Mrs. Sterling S. Sanford of 279 Hillcrest road, Grosse Pointe Farms, died June 28 at the age of 79 while visiting a daughter in Memphis, Tenn. Her home was in River Forest, Illinois.

Mrs. Hemingway was well known as a landscape artist, especially for her paintings of northern Michigan. Nantucket Island and the west. She was also well known as a contralto, and as a composer and teacher of voice and piano.

In addition to Mrs. Sanford, Mrs. Hemingway is survived by her sons, Ernest M. of Havana, Cuba and Leicester C. of Washington, D. C.; her daughters, Mrs. Jasper J. Jepson of Honolulu, Hawaii; Mrs. Kenneth S. Mainland of Memphis, Tenn.; and Mrs. John Gardner of Garden City, N. Y. and 13 grandchildren. Her husband, Dr. C. E. Hemingway died in 1928.

Mrs. Hemingway was well known to many Grosse Pointers from her frequent visits here.

Funeral services were held in Oak Park, Illinois on June 30.

Sunshine Can Be Overdone

Almost anything can be overdone, and too much sunshine is certainly no exception, according to Dr. Joseph G. Molner, commissioner of health. He advises that you plan to get your share of outdoor fun and sunshine this summer and see to it that the sun adds to and not detracts from your pleasure.

If you burn easily, start out with a few minutes' exposure to the sunshine in the early morning or late afternoon before your vacation begins and be ready to take the sun for longer periods. The first day of sunbathing can spoil your entire vacation if you have not planned for it properly.

Summer Vacation Schools Open

Typical of youngsters throughout the Grosse Pointe area during the summer is this group from Grosse Pointe Woods. All local churches are sponsoring daily vacation schools for their young members. At the sessions, they receive instructions in Bible study, games and crafts.

Symphony Orchestra to Present Free Concerts

The Detroit Symphony Orchestra, with Valtter Poole conducting, will play three concerts this week on Tuesday, Friday and Saturday evenings, all starting at 8:30 a.m.

Cyril Wezemael, baritone, was soloist on Tuesday. Other soloists will be David Davis, Chicago violinist, Friday; and 12-year-old Eugene Ormandy, pianist, who will make his debut with the orchestra on Saturday. He is pupil of Edward Bredahl.

Admission to all concerts free through the combined gift of the city of the Music Perfected Trust Fund and the Pfeiffer Brewing Company on the occasion of the city's 200th anniversary.

The Detroit Symphony Orchestra is presenting its 200th anniversary celebration at the Fair Grounds for 10,000 and ample free parking space.

The program for Friday, July 6: March "The Thunderer"; Sousa: overture, "Marriage of Figaro"; Mozart; Dance Piedmontese, Sinigaglia; Treasure Waltz, Strauss; Berceuse and finale "Fire Bird Suite"; Stravinsky; Roumanian Rhapsody No. 1, Enesco;

Following intermission the program will continue with Violin Concerto in D Minor, Wieniawski; Selections from "Kiss Me Kate"; Porter; and Syncopated Clock and Sleigh Ride, Anderson.

The concert on Saturday, July 7: Marche Militaire, Schubert; Overture, "Merry Wives of Windsor"; Nicolai; Waltz "Spring, Beautiful Spring"; Lincke; First Movement from First Concerto, Beethoven, (soloist, Robert Schulman);

Continuing after intermission will be an Overture, "The Bronze Horse"; Auber; Estudiantina, Waldteufel; Gypsy Dance from Henry VIII, Saint-Saens; Introduction and Wedding March from "Le Coq d'Or"; Rimsky-Korsakov; Selections from "The Student Prince"; Romberg; and Circus Fantasy, Preston.

AAUW Pledge For Library Announced

A pledge of \$200 to furnish books for the new Ferry-Sales Central Library has been made by the local chapter of AAUW, it was announced by Mr. Marion K. Kellogg, president of the Friends of the Grosse Pointe Public Library, at a recent meeting of the Friends at the Public Library.

Word of the gift was contained in a letter from Mrs. Edward F. Gehrig of the AAUW.

Hope that the AAUW gift would start a fund to supplement the money from the sale of the Murray Sales home, in order to stock the new library adequately, with books as well as furnishings, was expressed by Mr. Kellogg.

The Grosse Pointe Board of Education was represented at the meeting by Mr. Sigurd R. Wendin and Mrs. Alice M. Sheaffer. Each gave a short talk, followed by remarks from Mr. James W. Bushong, superintendent of schools.

Mr. Kellogg presided over the meeting. Mr. Robert M. Orr, director of Public Libraries, and Mr. Charles M. Mohrhardt, associate director of the Detroit Public Libraries and library consultant for the new building, addressed the group.

Following the period of general discussion, those present inspected the model, pictures and plans of the new Ferry-Sales Central Library.

Choose Local Residents to Serve on UF

Allen W. Merrill, Nicholas Kelley, Jr., and J. A. Mullen were named vice presidents of the United Foundation at the annual meeting on June 5.

Two other Grosse Pointe residents were chosen to serve on the executive committee, and four more were placed on the board of directors.

R. T. Johnstone of 107 Meadway Place and E. C. Kandler of 241 Lake Shore were advanced to the executive committee. Mrs. John L. Kenower of 16844 Village Lane; Harry J. Lovell of 610 N. Y. and 13 grandchildren. Her husband, Dr. C. E. Hemingway died in 1928.

Mrs. Hemingway was well known to many Grosse Pointers from her frequent visits here.

Funeral services were held in Oak Park, Illinois on June 30.

Invitation to Vacation School

The Congregational Church, 240 Chalfonte, invite all the children of the neighborhood to attend their daily Vacation Church School.

From July 9 through July 20th, 9:30 a.m. to 12:30 p.m. the Church School will be open for Boys and Girls from Kindergarten through the sixth grade.

As a theme for all Vacation Church Schools in 1951, "THE CHURCH" is chosen. Co-operating with the Detroit Council of Religious Education, several of the instructors for the Congregational Church School attended a five-meeting training workshop in April and May.

The Vacation Church School movement is celebrating its 50th Anniversary this year. The International Council of Religious Education recommends "THE CHURCH" as a theme for all Vacation Church Schools in 1951.

Relating to the theme, "The Church" in the Kindergarten, the primary and the junior departments suitable Bible stories, songs, worship service and activities will be offered. Plans are being made to visit another Church. The last session will be an evening program for the parents on July 29th at 7:30 p.m.

The registration fee will be one dollar per child. Any child desiring to attend should write to Mrs. Dora W. White, 23422 at the church on July 9th at 9:30 a.m.

Park Officer Is in Marines

Gordon Duncan, Jr., who has served as a patrolman with the City of Grosse Pointe Park Police Department for a year and a half, left for training at U. S. Marine camp Lejeune.

He was on the active Marine Reserve list. He is the son of Mr. and Mrs. Gordon Duncan, of 846 Beaconsfield.

To Represent Grosse Pointe at Conference

Mr. Robert M. Orr of the Grosse Pointe Public Library will participate in the 75th Anniversary Conference of the American Library Association in Chicago, July 8 to 14. More than 5,000 librarians are expected to attend the annual meeting which will launch a year-long nationwide program to stimulate public study and discussion of "The Heritage of the U.S.A. in Times of Crisis."

A host of meetings dealing with all phases of library work will be conducted by the nine divisions of the A.L.A. Mr. Orr will take part in these professional sessions as one of three Michigan representatives of the A.L.A. Council. Plans and model of the Ferry-Sales Central Library will also be displayed, at the request of the association.

Speakers on the heritage theme at the general sessions will be John A. Wilson of the University of Chicago Oriental Institute; Jacques Maritain, French philosopher; Charles Malik, chairman of the UN Commission on Human Rights; Margaret Mead, anthropologist; and Senator Ralph E. Flanders of Vermont.

Several awards will be made at the conference: the Lippincott Award for notable professional achievement in the library field; two Letter Awards for outstanding library work; the renowned Newberry-Caldecott medal awards to the outstanding author and artist of children's books; two citations to library trustees; and the Oberly Memorial Fund Award to the compiler submitting the best bibliography of literature of the related sciences.

Motorcycle Ride Brings Shorian Death

One St. Clair Shores resident was killed and another injured seriously early last Saturday when a motorcycle hit an auto head-on on East Jefferson.

The motorcycle was Benjamin J. Rose, 30, of 23408 Masonic, who had borrowed the vehicle from Otho Hennion, of East Detroit. With him and injured was Thomas Edge, 23, of 22484 Lakeland.

Both were taken to St. Joseph's Hospital when found by the road shortly after 2, Saturday morning. Rose died approximately three hours later. Edge is still in the hospital with a broken leg and arm as well as other broken bones and injuries.

Driver of the automobile was 21-year-old Bernard Drane of Grosse Pointe Woods. Drane was unable to give an account of the accident other than to say that he had seen the vehicle coming, had thought each was in his proper lane and suddenly felt the impact of the crash.

The youth stated that he thought he had brushed another car and stopped about 200 feet from the point of impact.

St. Clair Shores policemen, Sergeant Percy Sovz and Daniel Morrill, were just getting ready to pursue the motorcycle for making too much noise when informed of the accident.

Drane reported that he had been at the Club Lido on Jefferson with a girl friend where they had had a few beers. He left at about 1 a.m., drove his girl to Bay View and drove south on Jefferson at approximately 35 miles per hour.

Point of impact was near a curve south of Fresard.

Scots to Hold Annual Picnic

The Order of Scottish Clans and Daughters of Scotia in the Metropolitan area of Detroit will hold their annual picnic at Boblo Island on Saturday, July 14th, 1951.

There will be Highland Dancing and Sports for everyone, including five-a-side soccer.

Bring your lunch and enjoy a day's outing with your Scottish friends.

Austin High Contract Let; New Regional for East End

Austin Catholic High School for boys of east-side Detroit, the Grosse Pointes and adjacent suburbs reached the "go ahead" stage Thursday after five years of planning.

Very Rev. C. C. McHale, O.S.A., provincial of the Augustinian Fathers' midwestern province, announced the signing of a contract with the A. W. Kutsche Co. to erect the first unit of Austin's plant on an 18-acre campus bounded by Warren, Mack and Canyon avenues. Ground will be broken July 10 or 12.

Austin High is the second regional school projected for the area in the last two weeks. The Michigan Catholic of June 21 carried the announcement of the new co-educational Notre Dame High, a joint project of seven parishes of the northeast metropolitan area.

Austin will be the archdiocese's sixth regional high school for boys, comparable in scope and courses to University of Detroit High, De La Salle collegiate, St. Joseph's High, Salesian and Catholic Central. Austin will provide college preparatory, general science and commercial training.

Plans prepared by Smith, Hinchman & Grylls, Detroit architectural firm, call for a modern, contemporary-style group embracing 20 classrooms, laboratories, administrative offices, library, chapel, gymnasium and cafeteria, to accommodate an enrollment of about 850. Completion is tentatively scheduled for the beginning of the 1952 school year.

Only the freshman class—about 200 to 250—will be enrolled at first. Other classes will be added as the freshmen advance.

The faculty will consist of priests of the Augustinian order, which has 1,500 years of educational tradition. The school takes its name, "Austin," from the

New Detroit Hospital Makes Number 800 at Cottage

Cottage Hospital has admitted its 55,000th patient. She is Mrs. David Mills of 2615 Beniteau, Detroit, whose baby boy was born this past week. This new arrival brings the total number of babies born in Cottage Hospital to eight hundred for the year.

One of the hospital's major services to the community is the care of emergency and accident cases. There have been six hundred of these during the year.

Park Commission Studies Plan for Repaving Streets

The Planning Commission of the City of Grosse Pointe Park is studying the proposed plan of the Council for the resurfacing of Jefferson Avenue.

Councilman Peter Burgess met recently with the Wayne County Road Commission engineers, and found the commission agreeable to a plan whereby the City of Grosse Pointe Park would bear a part of the resurfacing cost.

No estimates of the cost to the City are available until the planning commission has made their report to the council.

No Fatalities Marred Celebration of Fourth

Grosse Pointe celebrated the Fourth of July yesterday in a safe and sane way. There were no traffic deaths in any of the five Points.

Record crowds attended picnics and outings at all the municipal beaches and parks, in spite of the unfavorable weather in the early part of the day.

No serious accidents were reported by any of the police departments. Grosse Pointe Shores police reported that Raymond Kaulitz of 1254 Beaconsfield may have received serious neck injuries when his car was struck for a stop street on Lake Shore road. Mr. Kaulitz is employed as a teacher at Grosse Pointe High School.

The outing and fireworks display by the Grosse Pointe Ki-

Realtors Win 39 Certificates

Thomas J. McDonald, of 1380 Lakepointe, was among the 39 Michigan realtors presented certificates in the University of Michigan Real Estate program at ceremonies in the School of Business Administration June 21.

The certificates are awarded persons completing eight courses on real estate subjects offered throughout the state by the University Extension Service. The courses cover such subjects as appraising, management, finance, law and other related phases of real estate.

Local Insurance Award With Honor

J. Randolph Kennedy, CLU, 400 Lincoln Road, representative of the New England Mutual Life Insurance Company, has recently been notified of his qualification for the 1951 National Quality Award. This distinction is conferred annually by the National Association of Life Underwriters and the Life Insurance Agency Management Association on the agents who meet rigid standards in life insurance conservation and in furnishing outstanding service to policyholders.

Mr. Kennedy is associated with the Fraser E. Pomeroy agency in Detroit.

News About Grosse Pointe Servicemen

Lt. (jg) Stephen Oliver, USN, husband of Mrs. Bette Oliver of 1388 Brys Drive, recently reported for duty with a new air group aboard the aircraft carrier USS Princeton operating off the coast of Korea.

Lt. (jg) Oliver received his commission March 14, 1945.

Lt. (jg) Alan J. Ameal, Civil Engineer Corps, USN, of 440 Chalfonte road, recently graduated from the Naval Civil Engineer Corps Officers' School, Port Hueneme, California's School.

Lt. Ameal is a graduate of the University of Illinois, class of '46. Until resuming active duty in February, 1948, he was a structural engineer employed in Detroit.

Robert D. Mackenzie, seaman USN, son of Mr. and Mrs. Joel L. Leete of 1246 Devonshire, is serving aboard the attack cargo ship USS Skagit operating in the Far East with units of the amphibious Force.

Richard T. Gallagher, son of Mr. and Mrs. John Gallagher and husband of Mrs. R. T. Gallagher of 1960 Norwood drive, and G. Kenan Jacobi, son of Mr. and Mrs. Leon J. Jacobi of 729 Fisher road, were among the seaman recruits, USNR, undergoing a two-week reserve training course at the U. S. Naval Training Center, Great Lakes, Illinois.

The course, ending June 30, stressed such subjects as signaling, aircraft recognition and exercises on mock-up ship models.

Stanley B. Willetts, hospitalman USN, son of Mr. and Mrs. S. B. Willetts of 794 Rivard, and husband of Mrs. Mary Lou Willetts of Jacksonville, Florida, has reported for duty at the U. S. Naval Air Technical Training Center, in Jacksonville.

Willetts, who first entered the Naval service, March 27, 1944, was ordered back into the active military service Jan. 2, 1951.

Kiwanis Meets

The Riverside Kiwanis meeting at the Whittier Hotel today, July 5, is in charge of chairman of public affairs committee, John B. ...

THE BEAN BALL

No Charges, Tax Office Emphasizes

You don't need to pay a dollar, or any other sum, to get full information about your rights under social security. It's yours for the asking at the social security office, either in printed booklet form or in direct, authoritative advice straight across the desk.

So says Francis L. Pendergast, manager of the East Side social security office, who is concerned about inquiries on a direct-mail promotion that has been soliciting East Side residents with offers of social security information in exchange for one dollar.

"The individuals behind this promotion scheme have no connection whatever with the Social Security Administration," said Pendergast. "We have investigated their offer and find that the 'advice' they advertise consists of a small booklet, principally reprinted from the text of one of our pamphlets. There is no information in the booklet that is not available free of charge in our office."

"Furthermore, your social security office is the only place," said Pendergast, "which can give you advice or information concerning your own specific account or claim under old-age and survivors insurance, the Federal social security program. You never need to employ legal aid or pay any dues to get complete service."

Pendergast said he had just received supplies of the newest social security publication, a 48-page edition listed as Booklet 35. Containing a complete review of the new social security law, in easy-to-read language, it will be sent without charge upon request by mail or telephone, or may be picked up at the office which is located at 8720 Mack Avenue, Detroit 14, Michigan, WA Nut 1-8714.

City traffic congestion is adding well over \$1 billion a year to the cost of operating American passenger cars, Automobile Club of Michigan reported. The club cited studies to show that current congestion adds a minimum of six-tenths of a cent a mile to cost of 185 billion miles driven in cities each year.

Air Force Vet GP Highs New Tennis Coach

Grosse Pointe High School's new tennis coach for the coming year will be William H. Mikulich, 28, a graduate of the University of Michigan, and a veteran of the Army Air Corps.

The new coach, appointed to fill the vacancy created by Coach Merin Schultz' recall to active duty with the Navy, hails from Traunich, in the Upper Peninsula.

Mr. Mikulich was a student at the University of Michigan prior to his enlistment in the Air Corps in 1942. Upon receiving his wings, he became an instructor, being discharged from the service in 1945. He re-entered the university the following spring, and graduated with a Bachelor of Science in physical education in 1949.

During his years at the university, Mikulich won three varsity letters each in tennis and basketball. He served as captain of the tennis team there in 1948 and 1949. In 1949 he and Andy Patton were the Big Ten doubles champions. He was also on the Big Ten Basketball champion squad for three years.

The new coach was the recipient of a number of awards and honors at the university. Among them are included his election to Phi Epsilon Kappa and to Sphinx. In 1949 Mikulich received the Fielding H. Yost award and was also elected to Michiganama.

Mr. Mikulich entered the School of Business Administration at the U of M in 1947, and last month received his Master of Arts degree there.

Under the able coaching of Mr. Mikulich, Grosse Pointe High School has high hopes of continuing its enviable tennis-playing record.

Navy Mothers Plan Luncheon

Navy Mothers Club No. 68 will hold its regular meeting in the Veterans' Memorial Building, Wednesday, July 11 at 10:30.

Following the meeting will be luncheon and a card party in the afternoon.

Mrs. Loren Dunford is chairman in charge of arrangements.

New Yearbook Covers Health, Farm, Canning

The new 1950-51 Yearbook of Agriculture is made available today to residents of the 14th Congressional District by Congressman Louis C. Rabaut. Entitled "Crops in Peace and War," this 968-page volume just off the press of the United States Printing Office, is devoted to the major uses of farm products.

In making known the availability of this volume, Congressman Rabaut points out that although intended primarily for the farmer, one need not be a farmer to appreciate its usefulness. The housewife, the backyard farmer or gardener, will find in its pages much helpful information.

Of particular interest to the housewife will be the articles discussing cucumber pickling, fruit essences, freezing and dehydration. Another section of this 19 chapter volume that every woman will find helpful is the one on cotton. In this chapter the newest tests to determine the laundability, water proofness and resistance to wear and other characteristics of cotton and other textiles, are lucidly discussed. There is also a chapter entitled "To Keep Well," which everyone could profit by reading.

The serious farmer who lives by cultivating the whims of nature will find in this volume discussions on the very latest developments in the processing of all major farm products, their industrial and food uses, and the by-products derived from them; also the utilization of wastes and secondary materials. Not the least important is the detailed information offered on the requirements of consumers and markets.

"I hope," said Congressman Rabaut, "that the people of the 14th Congressional District will avail themselves of this volume, for in my opinion, 'Crops in Peace and War' is jam-packed with valuable information." The supply of this volume is limited.

Correct air pressure in all tires is one of the most important ways of avoiding the dangers that come with tire failure. Make a check at least once a week to see that the pressure is right in all your tires, including the spare.

Michigan Mirror

No one can say Fred M. Alger, Jr., doesn't profit by his mistakes. He already has tossed the Alger sombrero into the ring for the gubernatorial race of 1952.

In 1950 Alger hemmed and hawed too long before getting into the running and Kelly beat him out by a nose in the primary.

What of Williams? He says he likes being governor and that at the present time he expects to be in there fighting. His aides state flatly, "He'll run."

Most observers forecast an increase in the treasury deficit in the new fiscal year starting July, 1951. Thus the pressure is due to mount for additional tax revenues to finance public services of the state and local governments.

Among the discussed new sources are a corporation profits tax, as advocated by the Governor; an industrial processing tax, such as the proposed 3 percent levy on purchase of industrial equipment; an amendment of the state constitution permitting a state income tax on individuals and corporations; and a federal constitutional amendment limiting federal taxation to five percent of the national income, thus permitting local and state governments to recapture part of revenues now going to Washington.

Says Auditor General Martin: "Federal encroachment on every available field of taxation threatens the very existence of our state governments."

Michigan's 1951 sour cherry crop is expected to go 88,000 tons. This estimate is realized will be 10,000 tons below the record yield.

As summer begins in earnest, Michigan conservation officials again open their endless campaign to halt forest fires. But on the practical side of it, eight more tractor-tankers are under construction.

A survey of northern breeding areas shows a decrease of 10 to 30 percent in sharp-tail grouse and prairie chickens.

Disgruntled Michigan motorists and tourists will be happy to know that 200,000 more state maps are being distributed. Already 300,000 have been given out.

Commissioner Donald S. Leonard of the Michigan State Police has gone on record as favoring legislation to permit wire tapping by law enforcement

agencies. "Properly used," he said, "it would be a detriment to gamblers and racketeers."

Speculation is rife with possibilities of a special session this year. The Governor's office can't say yet, stating that "it depends on the budget situation."

It is possible—but improbable—that the legislature will pass a corporations profits tax on its final adjournment day in June.

Says one spokesman: "If it looks like we'll be broke by January there will have to be a special session to find more money." After July 1, end of the fiscal year, there will be more light on the situation.

Michigan led the nation during May in the amount of money received in county chapters from the National Foundation for Infantile Paralysis. During the month \$334,300 was sent to local chapters in the state whose funds had become exhausted by paying hospital and medical bills of polio victims.

But while Michigan girls itself for another polio season thousands of vacationers have begun trooping into the state from all over the nation. The tourist trade still is rated second most lucrative industry in the state.

But farmers continue to claim theirs is the second largest business in Michigan—probably rightly—but most officials figure agriculture doesn't fit the term "industry." First? Automobiles, of course.

The 1,683 delegates to the moral rearmament world assembly trekked homeward after a 12-day conference at Mackinac Island which ended on an excellent if untimely note. Says Rep. Louis Rabaut (D-Mich.), "Moral Rearmament brings together people in a common program for humanity."

Of the 159 persons drowned in Michigan last year, only seven were swimming at places set aside and designated for swimming. Gravel pits and the like took the lives of 122 persons.

Michigan State College has issued a plea to stop the flood of cash and checks piling up for tickets to the M.S.C.-Notre Dame game Nov. 10. The stadium is sold out. Officials say they could have sold 100,000 seats. Macklin stadium holds some 55,000 persons.

The State Highway Department expects to run in the red for nine months and then appeal to the legislature. Commissioner Charles M. Ziegler says his de-

partment will fall \$6,000,000 short because of the peculiar effects of the new highway tax distribution formula approved by the legislature along with the 1 1/2-cent per gallon gas tax increase.

Meanwhile the Michigan CIO is fighting the gas tax boost with petitions for a referendum. If 100,000 signatures are garnered on the petitions the tax will be dropped until after November when the citizens would have a chance to approve or disapprove at the polls.

The 35,000 to 50,000 estimated deer kill in Michigan has been affirmed—largest starvation loss in the state's history. Searchers of the conservation department counted 1,345 carcasses in one area alone. Loss is estimated at 25-30 deer per square mile in critical areas.

Some 419,900 visitors reached Michigan state parks during week of May 27-June 2, national park and recreation week. Parks with highest attendance were Bay City, Holland, Island Lake and Grand Haven.

Governor Williams still is booming the St. Lawrence Seaway project which would dredge out the St. Lawrence river and make Labrador ore available to Midwest smelters. Jointly sponsoring a conference of inland and Great Lakes states in Omaha, Nebraska with the Nebraska governor, Williams says: "This conference brings to the people of inland America the first opportunity to have this issue placed squarely before them."

Michigan college graduates are more fertile than those of the other 47 states—if anyone is interested. Population Reference Bureau says so. Matter of fact the class of '41 had so many more babies than graduates of other years it is known to the Bureau as "Fertile Forty-One."

War Memorial Center Schedule of Activities

JULY 5 - JULY 12, 1951 OPEN SUNDAYS 12 - 5 P.M.
ALL CENTER SPONSORED ACTIVITIES OPEN TO PUBLIC

Friday, July 6
Grosse Pointe Garden Center Consultation—(TU. 1-4594)
Marie L. Anderson, President 2:30-4:30 p.m.
Saturday, July 7

Senior Club—Meeting-Tea (Center sponsored. Call TU. 1-6030) 1:30 p.m.

Waterfront Park Plans Tennis, Swimming Meets

Grosse Pointe Park's Waterfront Park is getting in the summer swing with all sorts of activities lined up for the next few weeks.

The tennis tournament will begin July 14, continuing for one week. There will be men's singles and doubles, women's singles and mixed doubles. In the junior division, for under-16ers, is the boys' singles and girls' singles.

Entries for the tennis tournament will close on July 13, and entry blanks are available at the Waterfront Park. All residents of Grosse Pointe Park are eligible. The first Sunday in August is the day for the swimming meet. Medals and trophies will be awarded the winning contestants. Entry fee is 35c, and blanks are also available at the park.

Each Tuesday and Thursday evenings at 7 o'clock the fly and bait casting club meets at the beach. Last week, Mr. Deward Brewer, Michigan's professional casting champion, attended the meeting. Mr. Brewer will put on a casting exhibition at the park on Sunday afternoon, July 15, at 5 o'clock.

Private swimming lessons are available daily. Instructions are given by the lifeguards, and there is a fee of \$1 per lesson.

Red Cross life-saving classes meet each morning during the week. Dave Beauvais, director of the Waterfront Park, is in charge of these lessons.

Mr. Beauvais says that the young fishermen are responding in increasing numbers in the Grosse Pointe Boys' and Girls' Fishing Rodeo, planned for August 25. Preliminary contests will be held in July and early August, so every Grosse Pointe fisherman under 17 should get his entry blank filled out and delivered to the Waterfront Park immediately.

Recipe failures can often be traced to inaccurate measurements, according to Michigan State College home economists. A teaspoon cannot be relied upon to give the standard cup used in recipes. A standard measuring spoon will give much better results than common teaspoons or tablespoons.

WAC-Vets to Meet Today

Veterans of the Women's Army Corps will meet in Room 610 at the Veterans Memorial building on July 5 at 8 o'clock to select delegates for the annual convention of the Wac-Vets Association to be held in Boston on August 17, 18 and 19.

Details may be obtained from Mavis Nash, president of the Detroit chapter, TUxedo 2-6337.

Strawberry Time Here Promise Bumper Crop

Now that those tempting boxes of fresh strawberries are back many homemakers may like to quickly review how the supply situation looks for this season, how long the "season" will last, and when to expect the most reasonable prices.

Mary Bodwell, agricultural economics department food specialist at Michigan State College, says this is going to be a top strawberry year, both in supply and quality—and the price is expected to be reasonable.

The heavy marketing period may be longer than usual this year because many berries from the slightly late southern states crops will be reaching our markets after local harvests are well underway. But with Michigan being a leading strawberry state, the best "buys" should be in the locally grown fruit, Miss Bodwell believes.

Strawberries are one of our easy-to-freeze fruits. Sort, wash, hull and drain the berries thoroughly. They may be packed whole, cut or crushed, in a dry pack with or without sugar, or in a sugar syrup.

If sugar syrup is used, cover berries with a 20 to 30 percent syrup made by mixing 1 to 1½ cups sugar with 4 cups water. Bring sugar and water to a boil and then cool before pouring it over the berries. One part sugar mixed with 3 to 5 parts berries is the recommended dry sugar pack.

Remember that whenever you buy strawberries you're getting much more than delightful flavor and color for your money. Our shortcake favorite, according to Miss Bodwell, is an excellent source of vitamin C which we need daily in our diets.

Cub Pack 290 Simian League to End Season

Undisputed lead of Cub Pack 290's Simian League was seized by the Chimps last week when they edged the hard-pressing Monkeys, 19 to 18, at Mason Playground.

The Chimps were leading, 14 to 9, when the Monkeys slammed out eight hits to gather nine runs and a four-run edge in the top of the seventh.

In their half of the inning, however, the Chimps came back with five runs on four hits. Unhappy Ernie Chieles motioned Krogh in with the winning run after calling interference on a play at third.

In the week's other game, the Baboons beat the Gorillas, 43 to 5.

The Monkeys are expected to get another crack at the Chimps on July 12, when the first and second place teams meet for the title.

In this week's games, the Monkeys play the last-place Gorillas and the Chimps meet the Apes, while the Baboons are idle. These games wind up the regular season. The third and fourth place teams will meet in a consolation playoff on July 10.

The standings:

	W	L	Pct.
Chimps	3	0	1.000
Monkeys	2	1	.667
Baboons	2	2	.500
Apes	1	2	.334
Gorillas	0	3	.000

Symphony and Chorus Assist Birthday Show

Members of the newly reorganized Detroit Symphony Orchestra and a dozen voices of the Wayne King Chorus will highlight the musical background for Detroit's 250th birthday show "City of Freedom" next month. The musical spectacle is to be presented at U. of D. Stadium on 11 nights starting July 13.

The 32 piece orchestra will play special arrangements of 20 original songs by the production's author-director Father Daniel A. Lord, S.J., John W. Crispin, second violinist with the Detroit Symphony for eight years, will direct the group.

The Wayne King Chorus members, and selected Detroit vocalists, will comprise a 20-man group under the direction of Don A. Large. Large, whose chorus has broadcast locally for almost 20 years, and nationally over CBS network since 1948, is associate director of music at radio station WJR.

Augmenting this chorus group will be a Negro chorus and dance group which will sing several of the show's numbers and also participate in a combined chorus of 100 voices.

Miss Mary McDonald, as the show's assistant music director,

Society Gives Rules on Care and Courtesy

Care, courtesy, and common sense may be small words, but applied to driving habits, they mean safer highways and streets and the saving of lives, the Tuberculosis and Health Society stresses.

This nutshell description of safety rules are familiar to all, the Society reminds us, and if followed can mean safer trips during the approaching summer vacation season.

Automobile accidents are not confined to any one season of the year, but during crowded outdoor months "hogging the road", insisting on the right of way, trying to beat the traffic light and other discourtesies become more dangerous.

Courtesy on the road actually embraces unwritten laws of self-protection.

No motorist can rely on "the other guy" to stop or to go to great lengths in avoiding a collision. Every driver is responsible for doing his share to make motoring safer.

It's a good idea, too, to make a periodic check on brakes, tires, motor, lights and windshield wipers to make sure they are kept in good working condition.

And a "healthy respect" for signs advising motorists to "Stop" or "Drive Slowly" or "Beware Railroad Crossing" is only common sense. These signs were put there for a purpose—to save your life and the lives of others.

Finally, it's still true that "liquor and gasoline don't mix". The dangerous act of getting behind the wheel after drinking is responsible for numerous deaths and permanent injuries.

St. Clair Beach Swim Races Begin July 14

St. Clair Metropolitan Beach announces its First Annual Long Distance Swimming Races to be held on Saturday, July 14, starting at 3 p.m.

The races are the first in a series of sports events to be held at the new publicly owned and operated beach, most recent recreation area completed by the Huron-Clinton Metropolitan Authority representing five counties, Wayne, Washtenaw, Livingston, Oakland and Macomb.

Divided into four classes, for girls and boys, 16 years of age and under and for men and women, the races will be conducted by the Water Safety Service of the beach, headed by Wally Laury, and are sanctioned by the Michigan Association of the AAU. Competitors must be registered AAU Amateurs in good standing.

A half-mile course will be set for girls 16 and under and for boys 16 and under, while the courses for men and women will be one mile.

Application blanks will be mailed on request. Address a postal card to Wally Laury, Box 121, Mt. Clemens. Entries will close Wednesday, July 11.

Woods Woman To Direct '51 Girls' Program

Mrs. Gladys Baude, 1301 Hollywood, will direct the 1951 "summer-in-town" program at Warren-Capron Park for the Camp Fire Girls, a community service made available through contributions to the United Foundation Torch Drive.

The outings will be held on Tuesdays and Thursdays from July 5 to 26. All activities will be open to Camp Fire Girls from the Southeast district.

The girls will meet the first day at the picnic area. The day's program will extend through the lunch hour and afternoon until three.

Mrs. Baude, a volunteer leader with the Camp Fire Girls, said the program will offer sports, games, handicrafts, outdoor cooking, trips, music and dramatics.

The year-round program of the Camp Fire Girls is made possible by Torch Drive dollars. Materials used at the sessions are covered by a 50 cent fee paid by each girl for the four week period.

Scout Master Ben Kushner, 1422 Maryland, will be alternately assisted in camp by Asst. S. M. Wave Creeger, 1416 Balfour; membership chairman Roy Stewart, 1019 Maryland; Stanley Smith, 1338 Lakepointe; treasurer Leslie Pressel and committee chairman Paul L. Kolvoord.

School Opens Next Monday

The Vacation Bible School to be conducted at Bethany Lutheran Church opens this coming Monday morning at 9 a.m.

All community children, ages 5-15, are invited and encouraged to attend. Through instruction and fellowship with other Christians, the children attending will be led into a closer relationship with God. For this purpose, movies, stories, songs, games, recreation and handwork are all included on the program.

The school will run from 9 to noon, Monday through Friday, for two weeks. Closing exercises will be held on the evening of July 20th.

Parents unable to bring their children are invited to call TU 5-7721 and transportation will be arranged.

Legal Notice

BRIDGE CARRYING OVER MILK RIVER IN GROSE POINTE WOODS, WAYNE COUNTY.

PROJECT: M B1 of 82-8-20, Cl. Net classification required for this project is 3½-Fa.

Sealed proposals for the construction of this project located in Grose Pointe Woods, Wayne County, will be received from contractors having 1951 Michigan State Highway Department pre-qualifications in the Veterans' Memorial Bldg., 213 South Capitol Avenue, Lansing, Michigan, until 11:00 a.m., Eastern Standard Time, on Wednesday, July 11, 1951, and will then there be publicly opened and read. Proposals may be mailed to Contract-Estimate Office, 222 Townsend St., Lansing, Michigan.

The work will consist of the construction of a new reinforced concrete and steel structure by means of part-width construction; the removal of the existing structure; relocation of 12" water main; construction of drainage structures; and 122 linear feet of approach grading, concrete surfacing, and incidental work.

Completion date for entire project, November 1, 1951.

The Department's Standard Specification's (1950 Edition), its current Soils Manual, the plans for this project, the special provisions governing subletting and assigning the contract and the employment and use of labor, and the proposal blanks (all of which are essential parts of the contract) may be examined at the district office of the Department at Redford, Michigan, and at the Michigan Road Builders' Association, Lansing, Michigan, and may be obtained only at the office of the Contract-Estimate Engineer, 222 Townsend Street, Lansing, Michigan, up to 5 p.m. of the day preceding the opening of bids. A fee of three dollars will be charged for furnishing plans or proposal blanks, which will not be refunded.

Full cooperation in carrying out the special provisions will be required. Minimum wage paid to labor on this contract shall be as follows for Zone 1: Skilled labor, \$2.125 per hour. Intermediate labor, \$1.80 per hour. Unskilled labor, \$1.70 per hour. Other rates as listed in the proposal.

A certified or cashier's check on an open solvent bank, in the sum of \$1,750.00, payable to Charles M. Ziegler, State Highway Commissioner, must accompany each proposal. All such checks will be returned promptly after the bidding, except that of the lowest bidder, will not be returned until execution and delivery of the contract to the State Highway Department.

The right is reserved to reject any or all proposals.

CHARLES M. ZIEGLER, State Highway Commissioner, Dated: 6-27-51, Lansing, Michigan. MHF: ag.

Baha'is to Be Hosts at Lecture

The Baha'is of Grose Pointe will be hosts at the Baha'i Summer School near Davison, Michigan, on Sunday, July 8th at 3:00 p.m. at which time there is to be a public lecture.

Mr. and Mrs. John Shurcliff of Mansfield, Ohio, recently returned from three years in Brussels, Belgium, will speak on the subject, "The Common Ground of Faith."

Mrs. Shurcliff is a graduate of Illinois State and Wyoming State Colleges, and has also achieved note for her ability as a cellist.

Mr. Shurcliff, a graduate of Harvard University and Massachusetts Institute of Technology, was an Instructor in Manual Training in New England before he went to live in Belgium.

The Baha'i Summer School is about 60 miles from Detroit, on Route M-15 (Bay City Road) between Goodrich and Davison. Visitors are always welcome, especially on Sundays at 3 p.m. when there will be public lectures.

Church Program For Summer

Open-Air Services in the Chapel in the Trees are conducted each Sunday evening at 7:00 p.m. by Ebenezer Baptist Church, Moross at Harper. In case of rain the services are held in the church.

This Sunday evening Carl Witt, Jr., is Baritone soloist and Donald Witt, violin soloist. Rev. McAsh brings the message.

Camp Howell Beckons to Scout Troop

One of the largest camps in the country will be attended by Scout Troop No. 147, Defer School sponsored, during the week of July 8 to 14. Their Scout Master Ben Kushner stated in a recent interview that Camp Howell is ideally located as to its nearness to Detroit and because it is only two miles from Brighton, Mich., on U.S. No. 16.

The Scouts held two paper drives this spring and this enabled them to earn their expenses for the entire week at camp which is located on Beautiful Brighton Lake and they will be quartered and served at the Lodge thereby being able to devote more time to advancement and other activities.

Mr. Bob Kilmer, District No. 3 Executive, has assured all of the Troops who attend the Camp from the Grose Pointe area that a large and capable staff will be on hand to work with the boys in any specialty they may choose whether it be in boating, canoeing, swimming,

baits casting, life saving or any other scouting activity.

The boys will leave Defer school promptly at 1 p.m. on Sunday, July 8, are: Tom Saunders, Ernest Rapalee, Chas. Dale, Thomas Palazzola, John Pressel, Wm. Donahue, Roger Kolvoord, Ronald Thomas, Larry Lindquist, James Wye, David Kushner, Gordon Creeger, Otto Greiner, Chas. Hanneman, Kelsey Stewart and Kurt Smith.

Scout Master Ben Kushner, 1422 Maryland, will be alternately assisted in camp by Asst. S. M. Wave Creeger, 1416 Balfour; membership chairman Roy Stewart, 1019 Maryland; Stanley Smith, 1338 Lakepointe; treasurer Leslie Pressel and committee chairman Paul L. Kolvoord.

Brides Three Sisters Attendants at Wedding

A reception in the garden of the bride's home followed the June 30 wedding of Joan Elaine Stefani, daughter of the Andrew Earl Stefani of Berkshire road, to Doctor Richard John Ferrara. The ceremony took place at St. Paul Church on Lake Shore road at 10 o'clock.

Dr. Ferrara is the son of Mrs. Emil Ferrara of Morgantown, West Virginia, and the late Mr. Ferrara.

The couple exchanged vows before the altar banked with arrangements of white delphinium with calla lilies.

The bride's gown of white nylon tulle had an overskirt of antique French lace sent from France by the great-grandmother of the bride. Appliques in a floral scroll and tiny seed pearls adorned the lace, and a matching Juliet cap secured her fingertip veil. She carried white orchids with stephanotis and variegated ivy.

The three sisters of the bride and her childhood playmate were her attendants. Mary Lou Stefani, as honor attendant, and Judith Stefani and Betty Mitchell as bridesmaids, were dressed alike in ice blue silk shantung with capes encrusted with jewels. Their tight-fitting caps matched the capes. Their flowers were pink gardenias with trailing ivy. Jean Stefani was her sister's junior bridesmaid, in peach silk shantung, with blue gardenias.

Best man for his brother was Emil Ferrara, from West Virginia. Ushers were Andrew E. Stefani, Jr., brother of the bride, Emil L. Mantini and Joseph Tropea.

The bride's mother wore a frock of navy blue chiffon and wore a purple centered white orchid.

The young couple are motor-

Safest and easiest stairs for climbing are 10 inches wide with risers seven and one-half inches high. A hand rail or two will add to the safety of dangerous stairs, advises Olevia Meyer, extension specialist at Michigan State College.

Carl Joyner

CUSTOM PHOTOGRAPHY PHOTOGRAPHIC SUPPLIES 19755 Mack TU. 1-6200

ing East, and will stop at Lake George and Lake Placid. After their return, they will live on Grayton road.

Mrs. Richard Ferrara

Pointe Youth at Camp McCoy

James N. McNally of 1314 Nottingham road, a student at the University of Michigan, is among the 775 ROTC cadets from 20 universities and colleges in the Fifth Army area now training as infantry officers during their six-week stay at Camp McCoy.

The cadets began training on June 18. They are the only ROTC cadets among the 21,000 in the program this summer who are taking the infantry course.

All the cadets have completed at least two years of college and most of them three years. Upon successful completion of this summer's training, eighty-six of the group will be commissioned as second lieutenants, and be called to active military duty within the next two months.

Dishes that are cracked should not be used. Water and food seep into the cracks and provide a breeding place for germs of all kinds.

To get variations in broiling temperatures in an electric range, leave the oven door partly open. This trick also keeps the heating unit on and prevents possible smoking.

All Gas Company business offices will be closed Saturdays starting July 7

In line with the current trend to Saturday closings, all Gas Company business offices will be closed all day Saturday, beginning the first Saturday in July.

During the week, from Monday through Friday, the Main Office at Clifford and Bagley will be open to serve you from 8:00 a.m. to 5 p.m. and the conveniently located branch offices from 8:30 a.m. to 5 p.m.

Our switchboard will be in operation on Saturdays to receive your calls, and our service department will function as usual.

Gas bills may be paid to approved agencies on Saturdays as usual.

Local Couple Ruth Rauth Married; Married at Father Reads Rites

Grosse Pointe Woods Presbyterian Church was the setting for the services uniting Ruth Joan Rauth and Arthur Devon Rohl last Friday evening, June 29. The eight o'clock services were read

by the bride's father, pastor of the church.

Ruth is the daughter of the Rev. and Mrs. Andrew Rauth, and the groom's parents are Mr. and Mrs. Albert Rohl of Benton Harbor.

The bride was escorted to the chancel by her uncle, Adolph Rauth, of Jackson.

The bodice of the bride's ivory satin wedding gown was fashioned of lace from her mother's wedding dress. Seed pearls trimmed the neckline and bodice and she wore a matching cap of satin and pearls. Her long train-length wedding veil was also worn by her mother. She carried white roses.

Maid of honor was Roella Purdy of Battle Creek, and bridesmaids were Doris Rohl, of Benton Harbor, Marguerite Rauth of Jackson, Nancy Christman of Erie, Pennsylvania, and Mrs. Guy Benson of Kalamazoo. They were identically gowned in sheer faille pastel gowns with fitted bodices and full sweeping skirts. They wore long matching mitts and braided Juliet caps. Their flowers were tulle roses and ivy.

Duties of the best man were performed by James Simonton of Port Huron. Ushers were Guy Benton and Manfred Martin of Kalamazoo, Keith Ball of Detroit, and Andrew Rauth, a brother of the bride.

Mrs. Rauth was dressed in a rose-crepe and lace gown, with matching accessories, and her corsage was green orchids and stephanotis. The groom's mother chose powder blue crepe with matching accessories and beige orchids.

A reception in the church parlors followed the ceremony, and the young couple left for a trip through the South.

News of Girl Scouts

A Court of Awards was held by intermediate troop 327 at the home of Mrs. Arthur W. Koelbel as a final event of the year. The whole troop received My Community, Cook, Hostess, Cyclist and Good Grooming badges.

The following girls were awarded their First Class badges: Diane Koelbel, Beverly Manzmann, Diana Messner, Joanne Ortwain, Sally Jo Rich, Carolyn Sutton, Mary Wardie and Peggy Young. Six of these scouts, original members of the Brownie troop formed in December 1945, received their 5-year pins. Punch and cookies were served by Mrs. C. Sutton, Mrs. S. Turner and Mrs. A. Cook.

This troop spent a week-end at Camp Holly recently.

Patricia McCormick, scribe of troop 579, reports that Chief Walter Hoyt presented her troop with a Girl Scout Troop Flag on June 7 at the Grosse Pointe Farms pier. The flag was accepted by Barbara Baylan. Afterwards the girls had a picnic of wieners, gingerale and cake.

Troop 843 of Defer School held its investiture on June 12 with the mothers as guests. Mrs. Mitchell Andrews, leader, pinned "wings" and Girl Scout pins on the following girls: Elizabeth Adjemian, Joyce Andrews, Diane Bernia, Valerie Hobbs, Karen Ouellette, Donna Metry, Jill Pink, Joyce Robbins, Marian Simon, Anne Ternullo, Suzanne Shaw, Christina Williams and Karen Sader.

Others who received pins were Carol Youngblood, Louise Vincent, Mary Lena Berndt, Lorraine Wulf and Birget Dahlen. Brownies Janet Nold, Julia Vanderpool, Marie Vanderpool and Roselyn Ternullo entertained the guest with a song and dance. Then refreshments were served.

On June 9 this troop had 18 girls and 5 mothers for a picnic lunch at the zoo.

Troop 703 held a Court of Awards, followed by a tea for the mothers, at the home of the leader, Mrs. B. D. O'Neill, on Washington Road. Janet Donnelly, Mary Frizell, Dorothy Galanos, Gretchen Klein, Meredith Miller, Donna Mumford and Maralyn Winter received their First Class badges.

The Curved Bar was given to Elizabeth Henderson, Carolyn Elliot, Elsa Purdy and Judy Westphal. The whole troop received the Design and My Community badges.

When buying ready-made dresses, choose a fabric belt rather than an imitation leather one and be sure that buttonhole stitches are close enough for long wear.

Margaret is a graduate of

Trip to Yellowstone Park Follows Roemer-Nutten Rites

Margaret Roemer, daughter of Mr. and Mrs. A. Walter Roemer of Barrington road, became the bride of Albert Wendell Nutten at a candlelight ceremony at Bushnell Congregational Church on June 23.

Mr. and Mrs. Paul Nutten of

Mrs. Albert W. Nutten

Winthrop avenue are the parents of the groom.

After a reception in the church parlors, the newlyweds left for a two-week wedding trip, including a visit to Yellowstone National Park. Upon their return they will be at home on Sunderland avenue in Rosedale Park.

For her marriage, Margaret chose a gown of candlelight satin with an illusion neckline. The off-shoulder collar was of Pointe Venise lace, and her fingertip veil was held in place by an Australian marquisette veil which has been in the bride's mother's family. Her flowers were white gardenias and mums.

The bride's sister, Carol served as her maid of honor. Her gown was of white velveta-ray organdy over yellow and she wore a matching yellow organdy cap. She carried yellow daisies and mums.

Bridesmaids were Mrs. Ian Patterson and Miss Suzanne Nutten. They wore similar gowns fashioned after that of the honor attendant, over blue and peach, with matching caps. Their flowers were white daisies and mums.

Best man was George Lewis, and seating the guests were Joseph Alfes and Ian Patterson.

Mrs. Roemer was dressed in lilac blue crepe with beige accessories. The mother of the groom was gowned in dusty rose crepe with black accessories. Their flowers were green-gold cymbidium orchids.

Luncheon at GPYC To Mark Anniversary

Members and friends of the Women's Association of Grosse Pointe Congregational Church will gather at the Grosse Pointe Yacht Club for the 11th annual luncheon on Tuesday, July 10. The luncheon celebrates the founding of the organization in July, 1940 by eight members. The president, Mrs. Joseph Henderson, will preside. Speaker of the day will be Miss Anne Campbell, well-known poetess and radio personality.

To participate in the 250th anniversary of Detroit and the 11th anniversary of the Grosse Pointe Congregational Church, Miss Campbell has chosen as her theme, "The Beginning of Congregationalism in Detroit." Reservations may be made with Mrs. Dudley Smith, VA. 2-5001.

U of D Class Win Degrees

Martha W. Fischer, 4 Fisher road, was among the 1,038 graduates in the June 1951 class of the University of Detroit who received their degrees on Wednesday, June 13, at the Masonic Temple.

Miss Fischer received the degree of Bachelor of Philosophy in the Arts and Sciences College of the University. She was affiliated with Alpha Chi Tau Honorary Sorority, president of Rho Gamma Zeta Sorority, U.B. band member, Varsity News staff artist and cartoonist, and organizations editor of the 1951 yearbook.

About one-half of United States pedestrians killed are 50 years of age or older. Yet only one-sixth of the population is 50 years of age or over.

Tops 'em ALL

AN AUTOMATIC ELECTRIC WATER HEATER

Tops in efficiency. A full tank of piping hot water every day... ready and waiting at the turn of a tap. It's so clean, too... no flame, no soot, no smoke.

Tops in thrift. Operates for pennies a day on special low water heater rates. Heavy insulation prevents heat loss.

Tops in convenience. Everything about it is automatic. Just have it installed and forget it. You can be sure of a full tank of really hot water every day of the year.

News of the World in Pictures

A "SHEEPSKIN" is a good thing to have, Louis Coffin, 5, knows already. He's using his as a telescope to look for his mother in the audience on graduation day at a New York nursery school. Young grads now face life at kindergarten.

SNOW PLOW does its annual job of opening up the highway so fishermen can get to the 100 lakes of Snowy range in southeastern Wyoming, for the beginning of the fishing season. The highway, which is 11,000 feet in altitude, is snowed in by the middle of September. Drifts are 26 feet deep, extend for 10 miles. The range is in Medicine Bow National forest preserve.

MARKING the 100th anniversary of the birth of Emile Berliner, inventor of first successful disc-type recording method, Rise Stevens, singing star of opera and records, harmonizes with early Victor record player, while her pet pooch reenacts the world-famous "his master's voice" trade mark.

WITH NO THOUGHTS of the promising modeling career she gave up when she was 17, Arlynne Buchmann, 19, enjoys herself skating with a group of neighborhood friends in Hackensack, N. J. She gave up modeling because "you have to be too forward." Now she is a member of a rough, tough roller derby team. Fans voted her "Miss Roller Derby of 1950."

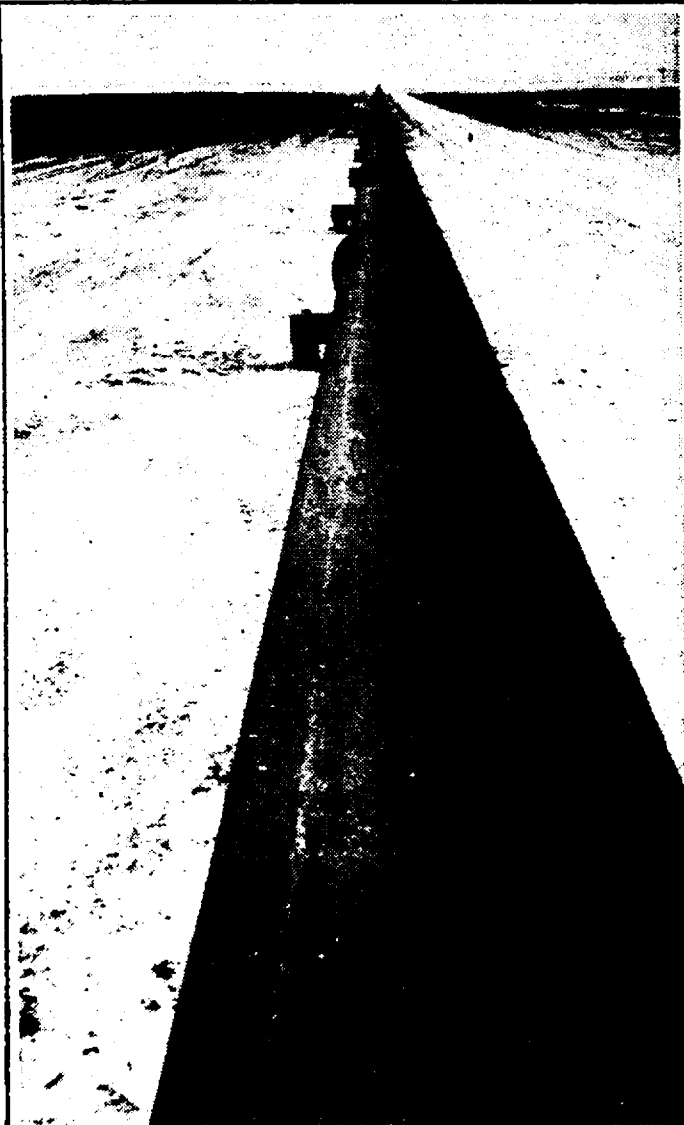

MRS. PENGUIN of the London, England, zoo, does a double-take at her mate's apparent disability. Hubby hadn't lost his head, however. He was bending back to scratch his back.

KARLA MEYER, 4, is one of many Bostonians on hand to see "Swanboat Sal" take her brood of 11 ducklings for their first attempt at paddling in Public Gardens. Looks as if the youngsters are too enthused with discovery of new powers to bother about food Karla proffers.

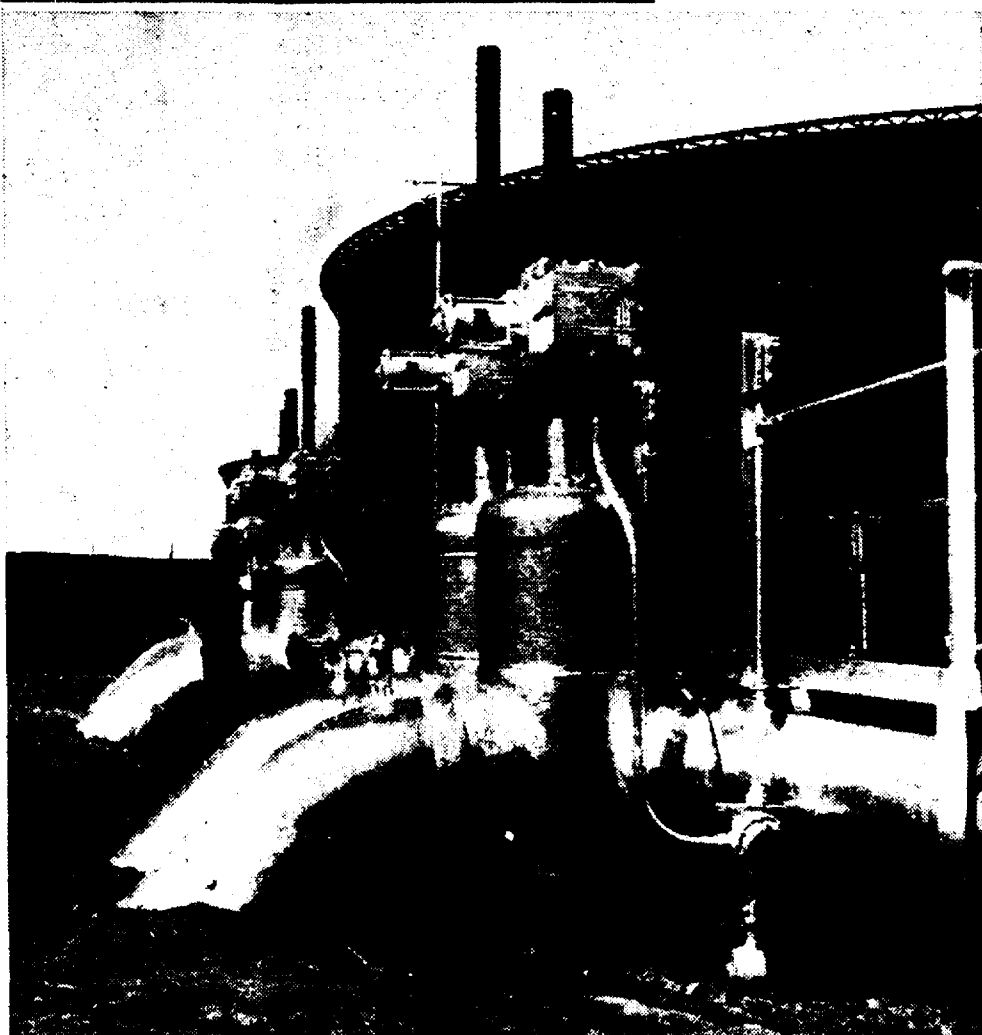

EX-GI George Martin moves in for a kiss from his British wife, Dorothy, as she arrives at New York with their son, Gerry, 5, after they had been parted for 16 months. The meeting was slightly marred, however. Martin was caught trying to steal a chair from an apartment lobby, while his wife was en route. His wife forgave him when Martin explained it was for her.

Section of "Tapline" stretches for miles over burning desert. Much of the oil line is buried underground, but this section is elevated because of the corrosive nature of the land.

TAPLINE

Giant valves at Sidon terminal control the flow of oil to submarine lines which stretch into sea

"Tapline" towboat stands by tanker, helping to secure the submarine line through which the ship loads crude oil. Buoy in background marks anchoring position for ships loading oil.
