Hay Fever Map Available for Sufferers Here

Hay fever sufferers can find haven in nearly half of Michigan's lake-studded vacationland, the Michigan Department of Health announced today.

To provide those who seek to escape hay fever with information on areas in Michigan with least ragweed pollen concentration, the Michigan Department of Health has prepared a map and chart which is available for the asking.

Most of Michigan's Upper Peninsula and the northern third of the Lower Peninsula have been comparatively free of ragweed pollen for the past ten years, the Department reports.

Ragweed in southern Michigan usually begins to pollinate about mid-July but the great northern trek of victims of the allergy does not start until the pollen concentration becomes heavy — about mid-August.

While the state-wide ragweed pollen survey begun in 1940 was discontinued in 1950, the Department has compiled a "hay fever map" from facts recorded in the final five years of the survey. The ten years' experience has shown that there is little or no change in the relative distribution of ragweed pollen in the various areas of the state from year to year.

Copies of "Ragweed in Michigan," a reprint from Michigan Public Health, official magazine of the Department, can be obtained without cost by sending a post card to the Michigan Department of Health, Lansing 4, Michigan.

Wins Commission as Naval Ensign

Leigh B. Middleditch, Jr., of 473 University place, has been commissioned an Ensign in the Navy.

The commission was awarded by the Commandant of the Fifth Naval District during recent ceremonies held at the University of Virginia, Charlottesville.

Before the commissioning ceremony, Ensign Middleditch received a bachelor of arts degree from the University of Virginia.

His Navy commission was the result of satisfactory completion of a four-year course in Naval science and participation in other activities of the University's Naval Reserve Officers' Training Corps Unit.

Ensign Middleditch, son of Mr. and Mrs. Leigh B. Middleditch, majored in foreign affairs at the University and was a member of the Alpha Tau Omega Fraternity, Tika Society and the soccer and lacrosse teams.

POINTE PARAGRAPHS

by The Pointer

Edmund G. West, director of business and finance for the Grosse Pointe Board of Education, received a new, much shorter title on the Fourth of July: one incidentally, of which he is rather proud.

GRANDPA is the name to which Mr. West will be responding. A daughter, Lynn Marie, was born to Mrs. Robert West, the former Miss Barnick, at 5 a.m. on Independence Day. Grandpa and Grandma West live on St. Clair avenue in Grosse Pointe.

The "Pointer" ran across a simple statement any newspaperman will appreciate, made recently by Russell Boyle of the Michigan Tradesman: "They still put errors on pencils, but they are no good after you have gone to press."

Dr. and Mrs. C. J. Marquis of 46 Pine Court are guests at the Royal Hawaiian Hotel on their visit to Hawaii.

Submarine Duty Given Woods Boy

Charles S. Tanner, seaman apprentice, USN, son of Mr. and Mrs. Charles H. Tanner of 928 Hampton road, was recently graduated from the enlisted basic submarine course at the U. S. Naval Submarine Base in Groton, Connecticut.

Tanner has been assigned to duty with Submarine Squadron 8 based at New London.

During the eight-week course the students get a basic knowledge of the skills involved in operating the underwater craft. They cover such subjects as compartmentation, machinery installations and the fuel systems, ventilation, trim and drain and the compressed air systems. They also study submarine escape procedure and radiological safety.

Pointe Girl To Be Soloist Of GM Chorus

One of the featured soloists in the City of Freedom program to be held at U. of D. stadium, July 13th through 23rd is Jacqueline Murphy of Balfour road.

Jacqueline has appeared in concert with the Buffalo Philharmonic and Civic Orchestras, and with the Detroit Symphony. She has appeared in Town Hall New York and on various radio shows in Detroit, Buffalo, New York and New Jersey. Recently she has been active in television in New York, appearing in several shows, notably the Arthur Godfrey show, CBS network, and Johnny Olson's Dumont network show.

Before returning to New York to resume her musical activities, Jacqueline will also appear as soloist with the General Motors chorus on July 31st as part of the 250th anniversary celebration in Grand Circus Park.

Cpl. McMillan at Quantico

Cpl. Shirley A. McMillan, daughter of Mr. and Mrs. Kenneth L. McMillan of 1507 Alter road, is one of 66 WOTC candidates who are enrolled in both junior and senior courses of the third post-war Marine training program which began recently at the Marine Corps Schools at Quantico, Virginia.

More than 41 colleges and universities throughout the nation are represented, along with 18 enlisted women, temporarily transferred from posts and stations throughout the Marine Corps.

Historical Pageant of Detroit Begins Friday

Nearly 200,000 people are expected to witness colorful "City of Freedom" Detroit's elaborate 250th birthday festival extravaganza, which opens Friday night, July 13, for an 11-night run at the University of Detroit Stadium, Six Mile road at Lavernois.

The entire cast is under the direction of the show's nationally known author, Daniel A. Lord, SJ. The tenth elaborate spectacle of this type produced by the 63-year old Jesuit since 1925, "City of Freedom" is the high point of a brilliant playwrighting career.

"City of Freedom" promises to be the fastest-moving, most entertaining "history lesson" ever written. Five separate stages have been built over the stadium's south end-zone bleachers to accommodate the cast of 1,200 singers, dancers and actors. The \$125,000 outdoor production will feature 20 original songs, unusual scenic and lighting effects and colorful costumes.

Radio actor Fred Fox plays the lead role, "Detroit." The role of "Monroe" depicting the obstacles overcome by Detroit in its 250-year history, will be shared by Bill Wendell and Eugene Kangas. Tiny, talented Kim Scott portrays the accomplice of "Monroe."

World War II Pilot Is Decorated

Mrs. Gilbert Vandermarliere, the former Louise Marsack of Grosse Pointe Farms, looks on as her husband, First Lt. Gilbert E. C. Vandermarliere, receives congratulations from Col. Leslie C. Mulzer, Maxwell AF Base (Alabama) commandant. Lt. Vandermarliere was presented with the Air Medal for "meritorious achievement" as a B-17 pilot during World War II. Shot down near Munich, Germany, on April 24, 1944, Lt. Vandermarliere was a prisoner of the Germans until April of 1945, when he was released by spearheads of the 14th Armored Division.

Service in World War II Wins Award for Pilot

In recognition of meritorious achievement as a pilot during World War II, First Lt. Gilbert E. C. Vandermarliere, Flight G, 5th Rescue Squadron, Maxwell AF Base, Alabama, was awarded the Air Medal. Presentation was made recently by Col. Leslie C. Mulzer, Maxwell commandant.

Lt. Vandermarliere, according to the citation which accompanied the award, "distinguished himself by meritorious achievement while participating in aerial flight in the European Theater of Operations from 1 April 1944 to 24 April 1944. The technical skill, exceptional courage, and selfless devotion to duty displayed by Lt. Vandermarliere as pilot contributed to the success of bombardment operations and reflect credit upon himself and the United States Air Force."

Park Loses Councilman

Elmer F. Ulrich, Councilman in the City of Grosse Pointe Park, has resigned after six and one-half years of service to the community.

Mr. Ulrich with his family has moved to Brentwood (Los Angeles) California. He is president of the Pontiac Automobile Agency in Santa Monica.

Council Vetos Parking Lots

The City Council of Grosse Pointe Park is definitely not in favor of parking purposes.

At a meeting of the council last Monday night, a request to use vacant property on Lakepointe near Kercheval was refused. At the same time, plans were made to institute legal proceedings to have the property near Jefferson and Nottingham vacated. An automobile dealer was refused permission to use this property some time ago, but as yet has not cleared the lot.

Farms Youth in Marines

George Hubbard, 22, son of Mr. and Mrs. Arthur Hubbard of 423 Belanger road, won the gold posts of a Second Lieutenant in the Marine Corps, following his recent graduation from the Officer Candidate Course at the Marine Corps Recruit Depot at Parris Island, South Carolina. Lieutenant Hubbard will now be transferred to Marine Corps Schools at Quantico, Virginia, where he will receive advanced training.

First Concert Conducted by Californian

Pierre Montoux, conductor of the San Francisco Symphony since 1936, led Detroit's 250th Birthday Festival Symphony Orchestra in the first concert of the Festival series, July 8th. He conducted a program of French music designed to be representative of the period in Detroit history when it was a possession of France.

The program will be composed of Rameau's Overture, Berlioz: Symphony in D Minor, Franck: L'Arlésienne (excerpts from the two suites), Bizet: Fetes from Nocturnes, Debussy; and Bolero, Ravel.

The orchestra conducted by Montoux was of 85 pieces and will constitute the nucleus of the revived Detroit Symphony Orchestra which will make its first appearance in the fall.

The second Festival Symphony Concert will be conducted by Antal Dorati, Conductor of the Minneapolis Symphony Orchestra. It will be presented at 8:00 p.m., Sunday, July 15 at the Remick Band Shell on Belle Isle. In the event of rain, the concert will be given in the Naval Armory on the mainland.

Now in his early forties, Dorati has more than twenty years experience as an orchestra conductor. He was only 18 when he directed his first orchestra in Budapest. Since then he has become known throughout the world, leading orchestras in such widely separated places as Florence, Italy and Sydney, Australia.

The program Dorati will conduct has been selected to fit into the over-all scheme of Detroit's 250th Birthday Festival. Pierre Montoux conducted a program of French music reflecting the French origin of the city. Sir Ernest MacMillan will conduct a British program, representing the period of Britain's rule over Detroit. An all-American program will be led by Valter Poon, resident conductor of the Detroit Symphony. Dorati will direct a program of international composition representative of Detroit's ties with the entire world.

Players Hurt In Collision

Getting their signals crossed in a baseball game proved disastrous for two youthful ball players in the Woods Lakefront Park last week.

Roy Smith of 2037 Anita and Orval Tucker of 20623 Lochmoor were both chasing a fly ball when they collided head-on. Smith suffered a fractured nose and Tucker was taken to Saratoga Hospital for X-rays which showed no fracture. He suffered a bad cut under his right eyebrow.

Rain Causes Woods Flood

The downpour on Independence Day caused more than mild inconvenience to residents of Broadstone, Hawthorne and Rosetta roads in Grosse Pointe Woods.

Three streets were flooded over the curb during the heavy downpour. Woods police notified the highway department, who had the catch basins cleaned in order for the flood to recede.

Regulation on Floor Space Effective July 3

A warning against inadvertently violating the National Production Authority rules restricting residential housing construction to 2,500 square feet of calculated floor space was issued to home builders and contractors today by William T. Hunt, district manager of the U. S. Department of Commerce and NPA.

Mr. Hunt said investigations had revealed several instances, especially in some of the more exclusive residential areas, of

Higher Woods Tax Bills Not Due to Raise

In case taxpayers in the City of Grosse Pointe Woods are wondering why the total on their current bills is approximately 25 per cent higher than the bill they received last year, the Council gives them this explanation, which was also sent to each taxpayer.

The tax rate has not increased over that of last year. However, the current bill covers a period of 15 months instead of the 12 months previously covered. The reason for this is that under the former Village Charter, the fiscal year began around the first of April each year, and taxes were not payable until July 1 of each year. During the three month period, village operations were financed by borrowing money in anticipation of taxes to be received, incurring certain additional expenses in addition to the interest on money borrowed.

The new city charter puts the

construction being started on homes which exceed the limit. Apparently some building contractors are going ahead on the assumption that the issuance of a building permit by the municipality in which the home is to be constructed is all that is necessary," Hunt declared.

"This, however, is not true. NPA approval is required for construction of all homes which will exceed the 2,500 square foot limitation," he emphasized.

"Apparently some builders are not yet aware that this new ruling, replacing the former \$35,000 limit on residential construction, went into effect July 3," Mr. Hunt added.

The Defense Production Act lists heavy fines and imprisonment for any violations of NPA regulations. The July 3 amendment to residential housing regulations defines "calculated floor area" as meaning "the total floor area measured to the outside surfaces of exterior walls, including finished habitable attics and basement rooms, stairhalls and closets, but excluding foundations, unfinished and nonhabitable portions of basements, garages, unfinished attics, open porches, balconies and terraces." Any builder planning construction of homes exceeding the 2,500 square foot limit is urged to contact NPA at 1038 Federal Building, Detroit, for approval. "Come in, write, or call Woodward 3-9330, Ext. 323. If you have any doubts," says Mr. Hunt.

Lake Yields Bodies of Two

covered two bodies from Lake St. Clair last Sunday. Both were called suicides by police.

After the body of Mrs. Genevieve Bullard, 60, of Second street, was recovered, police discovered a note she had left on the shore, saying she was despondent over the death of her husband.

A St. Clair Shores housemaid told police that Thomas Wojcik, whose body was also recovered, ran from his car to the lake when she refused to marry him. Wojcik, 42, of Doremus street in Hamtramck, was a displaced Pole.

Both bodies were taken from the lake at the foot of Vernier road.

Civil Service Positions Open

A new examination for Administrative Officer and Administrative Assistant positions in government agencies has just been opened until further notice, according to an announcement made today by J. A. Connor, Director of the Seventh U. S. Civil Service Region, Chicago. Positions to be filled from this examination in Illinois, Michigan and Wisconsin pay \$3,825 to \$6,400 base per year for a 40 hour week. A wide variety of positions in the three states will be filled from this examination.

Applicants who have had 4 years to 6 years of appropriate administrative experience, depending on grade filled for, will qualify for these positions. College training may be substituted for some of the required experience. A written test is required. Applicants will be rated on a combination of experience, training, and the written test.

Full information and required application forms may be secured from the Secretary, Board of U. S. Civil Service Examiners, Room 402, Federal Building, Detroit 33, Michigan.

Packard Changes To Detroit Agency

Packard Motor Car Company has announced the dissolution of its advertising affiliation with Young & Rubicam Inc. after 19 years of pleasant relationships, and stated it would place its account with Maxon Inc., Detroit, effective Dec. 15, 1951.

In commenting on the move, Hugh L. Perry, Packard president, said the decision had been reached only after long deliberation and with the greatest reluctance, since the account had been with Young & Rubicam for so long and will be only the highest.

PROFIT IS "CHEAP"

A food chain recently distributed an attractively written and illustrated little booklet to its employees, in order to give them an informal report on how the company fared last year. And the booklet is of wide public interest as well, in that it illustrates how economically retailing operates—and how small a part of the dollars we spend across store counters represent profit.

Food in 1950—\$361,243,000 worth to be exact. And here's what happened to all that money:

First, 80-81/10 cents out of each dollar taken in—\$289,183,000—went for merchandise and raw materials, most of it to America's farmers.

Second came the employees. Wages and salaries accounted for 11-1/10 cents out of each sales dollar, of \$39,213,000.

Third, the tax collector took

2 cents more out of that fast-shrinking dollar for a total of \$17,157,000.

Fourth, the company had to pay rents and utility costs such as heating and lighting. These totaled \$14,011,000 or 1-8/10 of that original dollar.

Fifth, supplies and maintenance took care of 1-7/10 cents, or \$14,468,000.

Sixth, advertising, which is necessary to any concern's success, cost 1-3/10 cents for a total of \$5,061,000.

After all these unavoidable bills were paid the company had just 1 1/2 cents left out of the dollar. About half of that—8/10 of a cent—went to the owners in dividends. And the last 7/10 of a cent was put back into the business, where it bought improvements and equipment and progress.

In short, profit cost this store's customers just 1 1/2 cents out of each dollar they spent. It's hard to see how anyone can seriously complain about that.

Simian League Playoffs at Mason Field

A softball game for the championship of Cub Pack 290's Simian League will be played at Mason Playground at 5:15 o'clock tonight.

The Chimps, who went through the regular season without defeat, will take on the Monkeys, who lost only one game—to the Chimps.

Both teams advanced to the title playoff by winning their games last week. The Chimps turned back the Apes, 30 to 28, in a free-swinging contest. Bill Grockowicz from home runs for the Apes failed to overcome the Chimps' hitting.

The Monkeys beat the Gorillas, 19 to 7.

The standings

Team	W	L	Pct.
Chimps	4	0	1.000
Monkeys	3	1	.750
Apes	2	2	.500
Gorillas	1	3	.250

Record Crowds at Northville

Northville Downs is on its way to its best season in history. Track officials reported that both attendance and mutual handle are running approximately 20 percent over last year despite the fact that there have been only 16 nights of racing compared to 17 a year ago during the first three weeks.

The total of \$269,866 on Friday, June 29, was the best night this year and was exceeded by only one other in the track's history. This was in 1948 when \$287,199 was bet on September 11.

Northville Downs officials explain the increase by a general growth in harness racing interest throughout the country and also to the fact that the Northville races this year have been of exceptional quality.

In general, racing has been particularly close and thrilling bringing the fans back through the turnstiles night after night.

"More than one woman has started out playing with fire and ended up cooking over it,"—Burton Hillis.

Pointe Guards To Compete at Farms Pier

Grosse Pointe Farms lifeguards will be defending their championship in the lifeguard swimming meet being planned for July 28 at the Farms pier.

Guards from all five of the Pointes will compete in the meet for the cup won last year by Grosse Pointe Farms.

Participation is limited to two events and relay. Events in the order in which they will take place are the 60-yard breast stroke (1 lap), 60-yard free style (1 lap), 180-yard individual medley (3 laps), 120-yard free style (2 laps), 80-yard back stroke (1 lap), and 240-yard relay (4 laps).

Guards who will be participating in the meet from Grosse Pointe Park are Ed Carroll, Chuck Carroll, Ben Larkins, Ronnie Walker, Ken Walker, Ted Maud, Coby Lecklider, George McRae, Don Vandewater, Don E. Kelly, Tom Kelly, and Ray Reardon. From the City of Grosse Pointe will be Bill Delling, Bill Winkler, Bob Carver, Dean Fosmoe, Jack Weed and Jack Trembly.

Representing Grosse Pointe Farms are Elton Bamford, Ralph Beaupre, Tom Dewey, Paul Friese, Bill Penoyer, Dick Yates, Dick Jackson, Don Osborn, Bill Huettelman, Lou Geist and Julie Ford.

From Grosse Pointe Woods are Bill Herrick, Jerry Allen and Ken Reece. Grosse Pointe Shores will send Tom Bruce, Bob Robertson, Tim Leach, Ben Freuhauf, Pat Martin, Jim Flom and Charles Fleck.

The club will hold its installation party on July 19 at Hillcrest Country Club.

NOTICE of Public Hearing on Zoning City of Grosse Pointe

Notice is hereby given that a Public Hearing will be held on Monday, July 30, 1951, 8:00 p.m., at 17150 Maumee Avenue, for the purpose of considering the following proposed changes in the Zoning Ordinance of the City of Grosse Pointe:

(1) To amend Section II (5) so as to permit the erection of terraces:

- (1) On the interior lot on the south side of St. Paul between St. Clair and Neff, opposite the Veterans' Building.
- (2) On the two lots directly north of St. Paul between Cadieux and Notre Dame.

(The present uses of the foregoing lots are confined to single residences, and two family dwellings.)

(2) To provide that lots on both sides of Lakeland, in the proposed Staelen Subdivision, projected northerly approximately 811 feet from a point approximately 121 feet south of the southerly line of Goethe Avenue extended, may be used for the erection of two family dwellings. (This portion of the unplatted property is now in a single dwelling zone.)

(3) To provide that, regardless of anything otherwise contained in the zoning ordinance, and in addition to the other restrictions contained therein applicable to the buildings and lands in the area hereinafter described, no land in the City of Grosse Pointe south of Kercheval Avenue shall be used for a public and private school; a church or other place of worship; a parish house or a community building or property; a hospital; a sanitarium; a convalescent home; a home for the aged, feeble, children, or the like; an educational, religious or a philanthropic institution; a penal or a correctional institution; or for any use of a nature similar to any one or any combination of the foregoing; or for business of any kind. Nor shall any building now erected upon any of such land, nor shall any building hereafter erected upon any of such land, be so used. Existing non-conforming uses at the effective date of this amendment if adopted are to be subject to Section III (A) of the zoning ordinance. (Section III (A) provides generally that any lawful, non-conforming use, not discontinued for more than one year, may be continued provided that the building or premises involved shall neither be structurally altered or enlarged unless such altered or enlarged part shall conform to the ordinance for the district in which it is located.)

(4) To amend the zoning map in accord with the foregoing. The public is invited to attend.

Seamen Train at Great Lakes

Undergoing a two-week reserve training course at the U. S. Naval Training Center, Great Lakes, Ill., are four Grosse Pointe seamen recruits, USNR. They are Stuart H. Ward, son of Dr. and Mrs. S. H. Ward of 1445 Devonshire; Edward P. Latimer, son of Mr. and Mrs. Edward C. Latimer of 371 McKinley; Forrest W. Page of 770 Cadieux rd., and Robert C. Coleman, son of Mr. and Mrs. Leroy Coleman of 232 McMillan.

The training given reservists at the center closely parallels that given the regular recruit with certain exceptions, such as drilling.

The course, which ends July 14, stresses such subjects as signaling, aircraft recognition, and marches on march-up duty.

Deadline Soon on Filing For Scholarship

Wayne University's School of Business Administration has announced the opening of the national competition for the Harvey Campbell graduate scholarship award in business communication.

The scholarship was established last March by twenty-two Detroit trade and professional associations during the third annual Business Communications Conference held at Wayne, named in honor of Harvey Campbell, executive vice president of the Detroit Board of Commerce.

Applicants having the following qualifications will be considered by the scholarship committee: aptitude for and an interest in the subject of business communication; a minimum of a "B" average in undergraduate school; and acceptable personality and character.

In addition, the winner will enroll for graduate study at Wayne for the 1951-52 school year. He also will be expected to undertake research in some area of business communication.

The deadline for filing application for the scholarship is on or before July 25, 1951. Application forms and further information may be obtained from the chairman of the committee, Dr. Spencer A. Larsen, School of Business Administration, Wayne University, Detroit 1, Michigan.

Blackmore Show at Will-O-Way

"Mr. Peabody and the Mermaid" by Peter Blackmore, opens at Will-O-Way Playhouse July 15th running through July 29th. It is the fabulous tale of young business man (Mr. Peabody) who goes fishing and brings home to his wife the prize of all fishermen — a mermaid! How Miranda (the mermaid), played by Betty Early, takes advantage of her position in the Peabody home will delight and amuse you.

Included in the cast are Nora Roberts, Betty Gould, Patricia Morris, Gerald M. Harrington, Barney O'Rourke, Loretta Carmick and Richard Davies.

Tickets are now available at the Will-O-Way Playhouse located at W. Long Lake Road, near Telegraph. Performances begin every night at 8:40 except Monday, "I Like It Here" the current show featuring Frederick L. Morris, closes Sunday night.

O'Connell-Strek Rites at Candlelight Service

At an impressive candlelight ceremony at Faith Lutheran Church on June 29 Kathrin Ann Strek and Richard Alexander O'Connell exchanged marriage vows. The Rev. Charles H. Lange officiated.

Kathrin is the daughter of Mr. and Mrs. Reingard Emil Strek of Somerset road. Mr. and Mrs. Philip Arthur O'Connell of Mt. Vernon road are the parents of the groom.

Imported lace formed the bodice and train of the white bridal gown. The bouffant skirt was of net, and her headpiece was of lace and seed pearls. She carried a white orchid surrounded by white delphinium.

Maid of honor Alice Neville of Denver, Colorado, wore a ballerina length gown of orchid lace and net with a mandarin collar and cap sleeves. Her headpiece was a yellow daisy halo, and her flowers were yellow daisies and Peruvian lilies.

Bridesmaids Jane Fordon, Mrs. J. C. Mannino and Mrs. H. R. Strek were gowned similarly to the honor attendant.

Gerald Paul Strek was best man for the groom, and ushers were Joseph Mannino, Herbert Strek and Philip Strek.

Mrs. Strek chose a gown of aqua, crepe with matching hat and the mother of the groom was gowned in natural lace with matching hat.

Following a reception at the Belle Isle Casino the newlyweds are on a trip to Torch Lake. For traveling, the bride chose a beige silk shantung suit with navy accessories.

Vacation School Closes Friday

The building of a complete Indian reservation, a replica of a farming community and a miniature of the City of Grosse Pointe Woods have been the province of the Vacation Bible School at the Grosse Pointe Woods Presbyterian Church.

The theme "God's Outdoors" was presented through songs, games, crafts, nature lore and the shared experiences of community living, under the guidance of a staff of twenty trained workers.

Climaxing the season will be a final children's service at the church on Mack and Torrey road on Friday, July 13, at 11:30 a.m. Parents have been invited to this final service.

Mrs. Max Luce has been acting director of the school for the two-week period. Co-chairmen were Mrs. Harry Watson and Mrs. G. C. Anderson. Teachers assisting in the program were Mrs. J. Schwemm, Mrs. Jack Conley, Mrs. Y. Vestal, Mrs. L. Herman, Mrs. I. B. Taylor, Miss Helen Knope, Mrs. George Goodheart, Mrs. Victor Craig, Mrs. George Britton, Mrs. Dan Schofield.

Others were Mrs. W. Lancaster, Mrs. R. Carruthers, Mrs. Norman Stocking, Mrs. M. Anderson, Mrs. Roy Lang and the Misses Margalo Bley, Marilyn Lang, June Lang, Carol Easton, Ann Dewey, Janet Lancaster, Carol Vestal and Jane Miles.

Localites Stay at Camp Cavell During Vacation

Every cabin at the YWCA's Camp Cavell will be filled next Saturday, July 14, when 105 girls from the Detroit area arrive there for their two-week stay at the camp.

Among the Grosse Pointe girls arriving at the camp will be Bonnie Randolph, of Lochmoor boulevard; Dana Munroe, Lewiston; Ann Elaine Morrison, Bedford road; Paula Mathewson, Lakeland; Lee Ann Ibler, Kensington; Jean Hutchinson, Merriweather; Betsy and Barbara Hammond, Cambridge; Carolyn Elliot, McMillan.

Susan Conner, Rivard; Cynthia Chalmers, Moross road; Barbara Browne, McKinley; Mary Gracy Young, McKinley; Roberta Wilson, Audubon; Carolyn Wellman, Country Club Drive; Beverly Warren, Broadstone; Marcia Ward, Devonshire; Susan and Merry Tillison, of Ridgemont road.

Some of the girls staying over for the second period are Donna Jean Stewart, of Lakepointe; Margaret Mary Slinger, Lincoln road; Alice Orved, Fisher road; Sue Ellen Moore of Muskoka road; Julia May Jones, Country Club Drive; Mary Davidson, Stanton Lane; Carol Baude, Hollywood; and Barbara Ball of Mapleton.

Swimming is the most popular sport at the camp again this year, followed by fencing, tennis and archery, according to Virginia de Graffenreid, camp director.

A few registrations for the camp's remaining two periods, beginning July 28 and August 11, are still available. Registration may be made at Central Branch YWCA, Witherell at Montclair.

Mr. Richard Ralph, Jr., son of Mr. and Mrs. W. Richard Ralph, 1010 Yorkshire, is cited on the Deans' List at Kalamazoo College for superior scholarship for the second semester of the academic year just completed. He received the B.A. degree on June 11, with honors.

Pointe Man Takes Bride

A reception in the afternoon at Birmingham Community House followed the 12 o'clock wedding on June 30 of Marjorie Elaine Pullar and Jack Dillon.

Mr. and Mrs. John M. Pullar of Ohio avenue are the parents of the bride. Jack is the son of the Frank A. Dillons of Beaconsfield avenue.

For her marriage Marjorie chose a gown of imported Chantilly lace and nylon marquisette with an illusion neckline and fitted bodice. Her fingertip veil of silk illusion was attached to a Juliet cap of appliqued lace roses and pearls. She carried a cascade bouquet of white roses, delphinium and ivy centered with a white orchid.

Mrs. Robert L. Calhoun of Royal Oak was matron of honor. Bridesmaids were Marie Saylor of Detroit and Nancy Macomber of Wyandotte. They were dressed alike in white dotted Swiss over pale yellow taffeta, with sashes of yellow taffeta. Their bouquets were cascade arrangements of yellow roses and blue delphinium.

Performing the duties of best man for his brother was Frank A. Dillon, Jr., and ushers were Edward Cook, Tony Koustas, Frank Bagdon, and Robert A. Pullar, brother of the bride.

Mrs. Dillon wore a floor length gown of dusty rose crepe with a small flowered hat and her shoulder corsage was green orchids. The bride's mother wore powder blue tissue faille, with a matching nylon hat and pink cymbidium orchids.

A breakfast at Devon Gables followed the ceremony.

Handmade Gown Worn by Bride Mary L. Tullar

Mary Louise Tullar, daughter of Mr. and Mrs. Frank S. Tullar of Van Dyke avenue, was married to Vernon Frederick Beitel at Messiah Lutheran Church on June 29. Rev. A. H. A. Loeber officiated at the ceremony.

Mr. and Mrs. Frederick C. Beitel of Beaconsfield avenue are the parents of the groom.

The bride wore a handmade gown of white embroidered organza with an apple green underskirt. Over the strapless gown she wore a matching jacket which buttoned to the neck. Her headpiece was of veiling with pearl flowers on the crown of the bonnet-like cap. Her flowers were white orchids and carnations.

Mrs. Mark Hart was matron of honor and bridesmaids were Audrey Kovar and Ann Beaubien. They wore apple green net dresses with stoles over the shoulders. They wore apple green mitts and carried shell pink carnations.

James Goldnetz was best man, and ushers were James Beck and Douglas Dauphais.

Mrs. Tullar wore a gown of chartreuse chiffon with a golden orchid corsage. The groom's mother was gowned in a light blue dinner dress with cap sleeves and side drape. Her flowers were lavender orchids.

Following a reception at the Detroit Turners, the couple left for a trip to Muskoka Lakes, Canada. They will reside on Beaconsfield after their return.

Bridal Couple on a Colorado Honeymoon

Diane Lucille Schleicher, daughter of the George C. Schleichers of Washington road, was married last Saturday, July 7, to Richard Claude Cheatham, son of the George King Cheathams of Hawthorne road.

The ceremony was performed at St. Marks Methodist Church at eight o'clock.

White chantilly lace over net

and white satin fashioned the bride's off the shoulder gown, which had an illusion neckline. The long fitted sleeves ended in points over her hands and a cloche of net and pearls secured her fingertip veil of imported illusion. White gamelias and stephanotis with trailing ivy were her flowers.

Shirley Umphrey was asked by the bride to be her honor attendant. Bridesmaids were Sally Mehner, Dorothy Olson, Janet Weinheimer and Sally Shepler. Junior bridesmaid for her sister was Gail Schleicher. The attendants wore peach lace and net ballerina length gowns with chantilly lace capes and matching headpieces. They carried peach gamelias with trailing ivy.

The mother of the bride wore a hyacinth blue dress with matching headpiece. Her flowers were tuberoses. Mrs. Cheatham chose an azure blue gown and her flowers were pink sweetheart roses.

George King Cheatham, Jr., was best man for his brother. Seating the guests were James Donahue, Rex Clavola, Lawrence McKenzie and Alvin Hermain.

A reception in the church parlors followed the wedding, and the couple later left for a wedding trip to Colorado. The bride's traveling costume was an imported linen suit in a parchment shade with maple accessories.

Lakepointe Ups Initiation Fee

With its membership quota now four-fifths filled, Lakepointe Country Club will raise its initiation fee one hundred per cent, effective July 15th.

Announcement of the rate increase and of the successful spring membership enrollment was made today by Louis G. Palmer, president of the new east side club.

Mr. Palmer announced that the total membership quota for the club is now four-fifths filled, and that sixty-eight per cent of the Lakepointe members reside in Grosse Pointe, Grosse Pointe Woods, and Grosse Pointe Farms.

The club located at Harper and Masonic Boulevard is only ten to fifteen minutes driving time from the Grosse Pointe area.

At the 300th Commencement at Harvard University, two Grosse Pointers were awarded degrees.

Frederick Alger Prince, Jr., and Francis H. Phelps, Jr., were the two. Prince received a Master in Business Administration and Phelps a Bachelor of Arts.

Cook like the Kells...ELECTRICALLY!

Charlene and George Kell are real boosters for electric cooking.

"It's much easier, cleaner and cooler with an electric range," says bonny Mrs. Kell. "It saves loads of time, too."

"And that means no extra 'K.P.' for me," adds George.

"It broils and bakes beautifully," continues Mrs. Kell. "The even heat of electricity makes a big difference."

"Try Charlene's recipe for ham and biscuits," urges George. "That'll prove there's nothing like electric cooking."

Take a tip from this attractive housewife and her famous husband. Go electric! See your appliance dealer tomorrow.

Come in and see THE "RANGE OF THE STARS" ... of course, it's ELECTRIC!

George's "after game" favorite CORN MEAL PIMIENTO BISCUITS 'N' HAM

Time 12-15 minutes

Temp. 450 degrees	1/4 tsp. salt
1/2 cup white corn meal	1/4 cup shortening
1 1/2 cups flour	1/4 cup pimiento, chopped fine
4 tps. baking powder	1/2 cup milk

Sift corn meal, flour, baking powder and salt together. Cut in the shortening with two knives or a dough blender. Add the pimiento. Mix well. Add milk to form a soft dough. Pat out on a floured board until the dough is 3/4 inch thick. Cut with a biscuit cutter and place on a lightly greased cookie sheet. Bake. Try ham in shortening, turning until both sides are a golden brown.

DRINK FROM 'LITTLE BULL'

AMERICANS accustomed to the sleek lines of modern thermos bottles would have difficulty recognizing the variety conceived by the Indian pottery artisans of Acatlan, Mexico. On market day, the plaza of the ordinarily sleepy, dusty little village is overflowing with the Indian version of the thermos—which invariably takes the shape of a torito, or little bull. They are sold in great numbers as water containers and drinking gourds. The little bull containers are all elaborately embellished on outside with intricate designs.

Typical toritos made by Indian pottery artisans of Acatlan.

Books in one hand, and water flask in other, an Indian boy starts out for school.

Indian jugs are made by entire village. Indian thermos vendor displays torito gourd.

ANYTHING TO GET A STORY apparently is the creed of San Francisco Examiner reporter Barbara East. While interviewing Blackstone the magician about his trick of sawing a woman in half, Blackstone convinced her there was only one way to get it straight. So here's Barbara apparently being bisected by a 36-inch lumber saw operated by Blackstone (right).

"Bozo's" life was saved by a Supreme Court ruling.
