RECORD ENROLLMENT IN POINTE

Name Local Top Posts in U. S. Program

Appointments of several Grosse Pointe residents to key positions in the public relations, advertising and retail promotion program of the United Foundation have been announced.

Thoburn Wiant of 780 Barrington road, Detroit public relations director for Young and Rubicam, Inc., was named co-chairman of the general public relations committee and a member of the overall policy committee.

Walter W. Gross of 474 Lexington road, sales manager for NBC-TV, was named chairman of the industry-sponsored radio advertising committee.

W. Colburn Standish of 475 Lakeland, director of public relations for Walker and Company, is chairman of the outdoor advertising committee.

Dorothy Ann Marks of 902 Neff road, president of the women's advertising club and an executive of Denman and Baker, Inc., heads the special publications committee.

Assignments on various committees were given W. Mack Abbott, of 4654 Haverhill, representing the Kudner Agency; John R. Barlow, of 494 Neff, assistant

Find Dutch Elm Disease in GP Wood

Among a number of specimens sent by a local landscape company to the laboratory maintained by the Bureau of Entomology and Plant Quarantine for making cultures of elm material suspected of containing the Dutch elm disease fungus, one was found to test positive for the disease.

The specimen was taken from a tree on Hampton road. Eight other samples from Grosse Pointe were also sent, none of which proved to be infected.

Positive identification of the Dutch elm disease requires the making of laboratory cultures and the growing of the fungus which causes the disease. The fungus may be present in the discolored sapwood of elm trees and branches that are wilting and dying. However, other diseases produce somewhat similar symptoms. For these reasons, it is necessary to grow, isolate and identify the fungus from specimen material in order to determine definitely the presence of the Dutch elm disease in a tree or in an area.

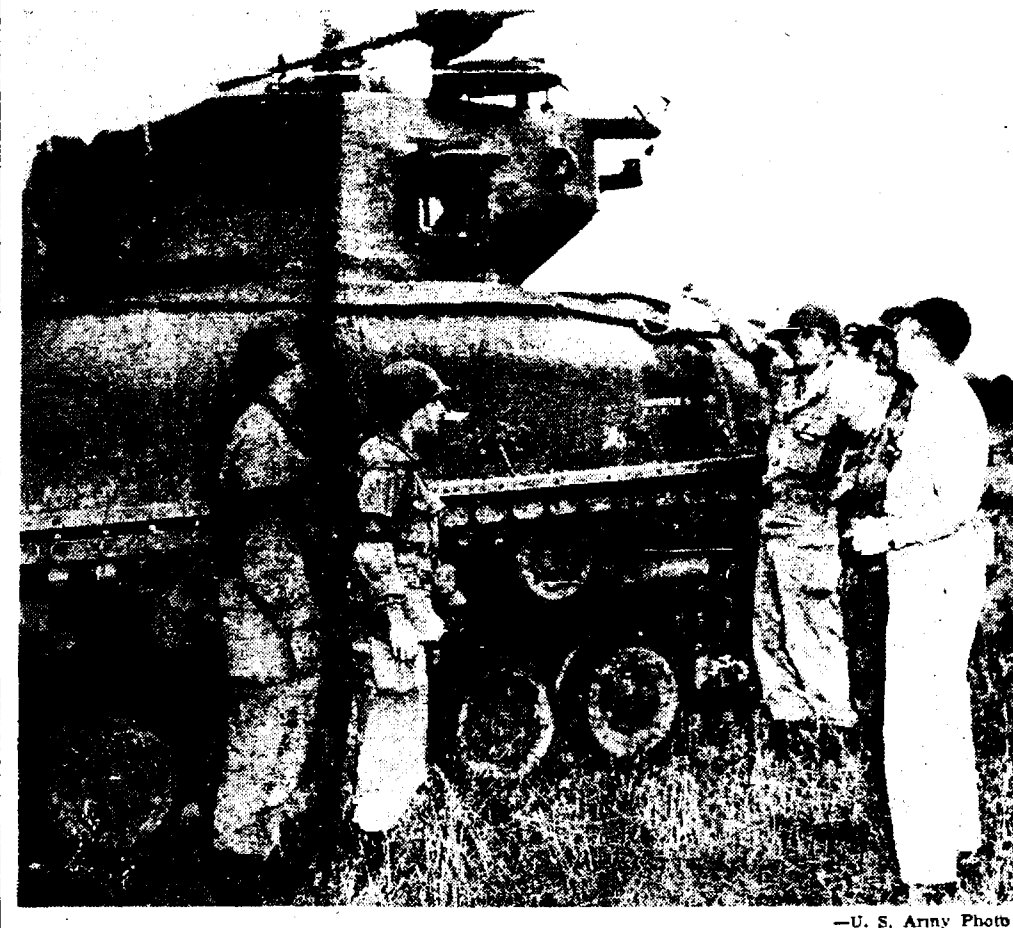

The Bureau-maintained laboratory services are available to property owners who have elms suspected of having the disease, as well as to local government agents and arborists, without charge.

External symptoms of the Dutch elm disease are wilting, yellowing and dropping of the leaves of a branch or of the entire tree. Sometimes the leaves dry up and hang on as dead, green leaves. When these symptoms are present, the property owner should proceed to an examination of the wood of the affected part. The disease invades the water carrying vessels or tubes in the wood just under the bark. These vessels may be filled with a brown substance which appears as dots or as a ring in the cut end of a diseased branch. Brown streaks also will be seen in diseased wood from which the bark has been peeled.

The accuracy of the identification laboratory results, and the timeliness in reporting them is dependent largely upon a sufficient quantity of good specimens being sent to the laboratory.

Specimens must be taken from the infected part, either living or recently dead. The Dutch elm disease fungus may occur very sparsely in discolored wood, so it

POINTER AT CAMP MCCOY

Camp McCoy, Wisconsin—The ROTC summer infantry regiment in training at Camp McCoy played host recently to leading educators from the colleges and universities represented in the unit. Among those present was Dr. James H. Robertson, assistant Dean of the College of Literature, Arts and Sciences, University of Michigan. Here, Dr. Robertson is getting the word on the medium tank from four Michigan cadets. Left to right are Harold Keas, Conklin, Michigan; James McNally, III, of 1314 Nottingham; Harry F. Tyson, Jr., Miami, Florida; and Murray Lyon, Fall River, Mass. The cadets wound up their six weeks' infantry course recently, some of them being commissioned 2nd Lts. in the Officer Reserve Corps.

New School Year Opens Sept. 6—Officials Urge Early Enrollment

According to an announcement from James W. Bushong, Superintendent of Schools, all public schools in Grosse Pointe will open the new school year for pupils on Thursday morning, September 6. This will be a regular school day and all pupils with the following exceptions will attend school a full day: All Kindergarten children, pupils enrolled in Grade One at Poupard and all grades, Kindergarten through Six at Monteith will attend only one-half day. The half-day sessions for pupils in Grade One at Poupard and for pupils in Grade One to Six at Monteith is temporary, and it is hoped they will be able to be on a full day basis within four to six weeks.

Parents of all pupils who were enrolled in public schools last year and who will enroll in Grade One at Poupard or Grades One through Six at Monteith will be notified by letter prior to the opening of school which half-day their children will attend.

Parents of children who were not enrolled in the Grosse Pointe Public Schools last year are strongly urged to enroll such children between the hours of 1:00 and 4:00 p.m. during the week of August 27 to 31. All school offices will be open during these hours for this purpose. At this time, assignment will be made of the half-day which children will attend in Kindergarten and the other grades where there will be half-day sessions.

School officials pointed out that it is especially desirable for all pupils enrolling for the first time at the Junior and Senior High School levels to take advantage of this early enrollment period. For pupils at these levels, enrollment will be greatly facilitated if official transcripts of credit covering work completed in other schools are sent to the proper school office prior to the time of enrollment. Transcripts of credit are not necessary for new elementary pupils, but parents of elementary children should bring with them written evidence, such as a report card, of the child's proper grade placement. Lack of such evidence will seriously interfere with efficient and prompt enrollment of new pupils. Parents of new enrollees at all levels are urged to bring with them birth certificates as an essential record in the enrollment of their children.

The local school and health officials also urge parents to have their children given a careful physical examination prior to the opening of school. This is particularly desirable for all new pupils or for pupils who have had any serious illness during the summer. All schools as

Gov. Youngdahl
Minnesota's Governor to Give Address

Pointe Youth High Scorer

Midshipman James G. Reindel from Grosse Pointe Park scored the highest number of points in the senior track competition this summer at the Culver Military Academy Naval and Horseman-ship events. Reindel has just completed these events in eight weeks' time.

Reindel was a consistent winner in the 100-yard dash and 180-yard hurdles. Second place in the regiment-wide standings went to J. Richard Briggs of Columbus, Ohio.

Reindel is the son of Ira H. Reindel, 1176 Berkshire road, Grosse Pointe Park, and held the Naval ROTC office of Chief Petty Officer.

Michigan Open Starts Friday At Western

The Michigan Open Golf Tournament will climax the August Sports Calendar of Events in Detroit's 250th Birthday Festival. The 1951 Open will be held at Western Golf and Country Club, on Kinloch near Beech and Five Mile Road, August 24 through August 26. Some 200 Michigan pros and amateurs will compete for over \$3,500 in prizes. The top 20 pros and highest 15 amateurs will share in the awards.

Challenging defending champion Walter Burkemo, runner-up to Sam Snead in this year's PGA, will be some of the finest golfers in the Midwest, i.e. Horton Smith, Al Watrous, Reggie Miles, John Barnum, Sam Byrd, Chick Harbert and Chuck Kocis. Entries closed August 18.

Admission for the three-day, 72-hole medal play is \$1.25 for August 24 and 25, and \$2.00 for the final day, August 26. The 60 low score players will compete on the 26th.

Western Golf and Country Club is currently celebrating a birthday of its own. The 6,115 yard, par 72 hole course for the 1951 Michigan Open has been in existence for 25 years. Excellent facilities, including a large viewing room overlooking the 18th green will be provided press, radio and television personnel.

In conjunction with the Tournament a public golf clinic conducted by Horton Smith of the Detroit Golf Club will be held at Western Golf and Country Club on Friday, August 24, starting at 5:15 p.m. Mayor Albert Cobo will drive the first ball.

Mounties To Join Scouts

On August 24, the Explorer Scouts of District Three will join the Canadian Rovers and King's Scouts for a three-day campout at the Ern Wagle Camp near Wheatley, Ontario.

In addition to exchanging ideas and yarns, and learning each other's customs, the boys will combine in pioneering projects, ceremonies, tours, games and swimming. The Royal Mounted Police hope to join with the boys.

Scouts Nat'l Conference First Time in Michigan

Amos R. Shields, local Scout Executive, is serving as Host Committee Chairman for Scouting's National Biennial Training Conference at Michigan State convocations also entertainment for the ladies.

For the men it will be a rugged conference—full of study groups and "training electives." Many demonstrations in new camping and cooking techniques, archery, water safety, and games and sports will be offered in the out-of-doors. A Three-Year Program will be developed and presented—designed to help more boys enjoy the values and benefits of Scouting's character-building and citizenship-developing activities.

Outside voices will be heard from the fields of education and business. Major religious services will be held Sunday morning, September 9, followed by a great convocation in which outstanding clergy take part. World Brotherhood will feature the Sunday evening inspirational program.

No matter from what part of America a delegate may come, he will see the flag of his state in massed formation on the auditorium stage. Included also will be the flags of Alaska, Hawaii and Canada—and delegates from these areas will add an international flavor to the Conference.

This is the first time in Scouting's 41-year history, that a national training conference has been held in Michigan. Sleeping, dining and meeting facilities at Michigan State are ideal, and National Scout Officials predict this will be the largest and best conducted conference ever held.

Following the Conference, a special training school, conducted by National and Regional leaders, is scheduled at the Detroit Area Scout Reservation near Brighton, Michigan. About 300 Executives will report from the East Lansing Conference for this special school.

Metro Club's 11th Annual Field Day Draws 3,000

Approximately 3,000 Pointe youngsters enjoyed the fun-packed 11th Annual Metropolitan Club Field Day, held last Saturday at the Grosse Pointe High School Athletic Field. Activities began with the flag-raising at 10 o'clock, with Betty Hoyt, representing American Legion Post No. 303's Auxiliary, as bugler.

In addition to the bikes, fishing rods, watches, etc., awarded on the prize drawings, those attending participated in competitive events which continued throughout the day, with first and second prizes awarded in each event.

Entertainment included that rollicking trio of clowns, Vic of Vic's Soda Bar on Mack at Nine Mile, Phil Costa and Jack Burnett. The Detroit Edison Company loaned its calliope for the day and the Auto Club furnished a sound car.

Refreshments were available for every youngster present, through the cooperation of Switzer Creamery, Stroh Creamery and Coca-Cola Company.

Casting champion Deward Brewer entertained the kids with a 45-minute exhibition. Mr. Brewer holds a number of local, state and national awards, and the exhibition was helpful as well as entertaining to the youthful fishermen in the watching crowd.

Lucky winners of the bicycles awarded on the drawing were B. B. Richey, 47 Radnor Circle; Gerry Dennis, 1150 Beaconsfield; Don Carrier, 788 St. Clair; Jerry Krieg, 757 Middlesex; Carl Duemling, 67 Vernier; Mike Loefler, 1300 Maryland; Janet Downie, 1361 Balfour; Betty Oliver, 971 Fisher; and M. Malveaux, 354 Fisher. Mike Pretini, 120 Hall Place, was awarded a tricycle.

Winning wrist watches were Carl Schwartz, 473 Calvin, and Judy Jablonski, 335 Kerby.

Fishing rods were awarded Kathy Monahan, 1024 Mayland; Marlene Kelly, 1383 Braconland; Walter Zimmerman, 141 Muir; Carol Murphy, 1010 Buckingham; and Thomas McCarthy, 1208 Audubon.

Cooperating with the Grosse Pointe Metropolitan Club in the Field Day awards were McLean Motor Sales, Orchard Industries, Fromm's Hardware and Schulte Hardware, Pongraz Jewellers and a Grosse Pointe Park resident contributed the watches.

In the benefit drawing to help defray the costs of the Metro-

Minnesota's Governor to Give Address

A Sunrise Service, in cooperation with the Detroit Council of Churches, will be held during the Michigan State Fair at 8 a.m. on Sunday, September 2. General Manager James D. Friel announces.

Main speaker will be Hon. Luther W. Youngdahl, Governor of Minnesota, who recently was appointed Judge of the Federal District Court at Washington, D.C., by President Truman.

Governor Youngdahl is one of the most highly regarded church laymen in the United States. His subject will be "What Makes a Nation Great."

Friel announced that admission to the State Fairgrounds would be free for those attending the Sunrise Service. He said the gates would open at 7 a.m. and that no admission would be charged until 8 a.m. when the Sunrise Service begins at the Music Shell.

Details of the Sunrise Service are being worked out by Dr. G. Merrill Lenox, executive secretary and Rev. Wellington Logan, executive assistant of the Detroit Council of Churches, and State Fair officials headed by Friel.

Plans include participation by well-known music groups and soloists and by representatives of various religious groups.

In the event of bad weather, the Sunrise Service will be moved to the Coliseum of the Fairgrounds.

POINTE PARAGRAPHS

Why is it that when we lose something, it's never anything old, worn-out or ready to discard? Take the case of the Grosse Pointe Park matron who had her very best custom-made summer dress in the cleaners. When her youngster picked it up the other afternoon, he left the unmarked cleaners bag on the basket of his bike while he stopped in a local market for a bit of shopping. Returning to his bike, he found the bag had disappeared.

Anyone finding the bag, which may have blown from the bike in the strong winds, or may have been taken by some curious passerby and later tossed away, will make the owner very happy by calling Valley 1-2522.

Frances Butterfield and Jean Clemens were the hostesses for a weenie roast at Grosse Pointe Park's Municipal Park last Thursday.

Among those enjoying a dip before gathering around to consume potato chips, pop and roasted hot dogs, were Bev Johnston, Kay Elfes, Dan Leach, Marilyn Knoch, Craig Husband, Nelson Sherburne, Jean Rouse, Paul St. Amour, John Russell, Bill Vandewater, Bill Waggoner and Paul Norris.

The Stevens Hotel in Chicago was the scene of a cocktail party honoring Mrs. M. A. Bickle of North Renard road on her recent birthday. Mr. and Mrs. Bickle are guests of the Stevens.

Rev. Andrew F. Rauth, well-known pastor of the Grosse Pointe Woods Presbyterian Church, returned from his recent vacation with an enviable tan and quite a bit of additional poundage. With his numerous duties, as well as various speaking chores for Pointe organizations, he will no doubt be back at his usual weight in a matter of weeks.

Four Youths Loot Autos

Fender skirts and other ornaments which police say were taken from automobile parked in front of the William road, were found in the car occupied by four East Detroit youths when Grosse Pointe Shore stopped the car for running a stop sign at Renard and Lake Shore roads.

The youths were turned over to Farms police who notified their parents. Two were held overnight in the Farms jail, and all were turned over to the Wayne County Juvenile Probation department for further action.

Pointe's Young Fishermen Have Big Day Saturday

Saturday, August 25 is the date for the big fishing rodeo for Grosse Pointe boys and girls. The rodeo, sponsored by the Cities of Grosse Pointe Farms, Grosse Pointe, and Grosse Pointe Park, cooperating with Better Fishing, Inc. will be held at the Grosse Pointe Farms Pier from 8 to 10 o'clock in the morning.

Boys and girls from these three cities will be contending for local, state and national honors. In addition to prizes for each contestant, there will be six major prizes consisting of a rod, reel and lure, presented to the fishermen by Better Fishing, Inc. through the Fishing Manufacturers' association.

Bait, which will be available at the fishing site, has been generously offered by the Grosse Pointe City Police and Firemen's Association. Upon completion of the rodeo, all contestants will receive free hot dogs, pop and ice cream sticks at the Farms Municipal Pier. Hot dogs went so fast at the last contest that the committee has increased the number for the rodeo Saturday.

Without the valuable assistance of the Cities of Grosse Pointe, Grosse Pointe Farms and Grosse Pointe Park, plus the Lions Club and the Metropolitan Club, who gave both financial and physical aid, this fishing rodeo would not have been possible. American Legion Post 303 and their Ladies Auxiliary donated a great deal of time and effort through their representatives, Mr. Edmund Stanley and Mrs. Weaver. The Alger Post Ladies Auxiliary represented by Mrs. William Moore, and the police departments of the

Teachers Hold Convention

The American Federation of Teachers is holding its 34th Annual Convention at the Panlind Hotel, Grand Rapids, August 20 to 24.

According to Miss Lettisha Henderson of St. Paul, National publicity chairman, "Highly controversial but significant subjects of interest to the general public will be considered—such as protecting freedom of the teacher; methods of fighting totalitarian influences in public opinion; combatting Communism; federal aid for segregated school systems; relation of state and federal aid in school support; youth problems incident to the draft, e.g. school leaving age, etc.; loyalty oaths for teachers; protection of civil liberties for teachers; whether college degrees make for better teachers, and extra-curricular activities and extra teaching assignments in relation to regular teacher pay schedules."

Navy Man

Midshipman, first class, Carl F. Bache of 279 LaSalle place, was among the men aboard the battleship USS Wisconsin on the midshipman practice cruise to Europe recently.

Coast-to-Coast Chats by Radio-Relay System

For the first time, telephone conversations are being sent across the country by radio rather than by wire or cable. A new microwave radio-relay system placed in service recently by the Long Lines Department of the American Telephone and Telegraph Company provides this new voice skyway, vital to the civilian and military needs of the nation.

Built in about three years at a cost of \$40,000,000, the project is the longest microwave system in the world, relaying calls along a chain of 107 towers, spaced about 30 miles apart.

This radio-relay route is the seventh telephone highway to cross the great western expanse of the country. Telephone engineers point out that the relay system will not replace other types of communications but will be used to supplement those now in operation.

The first transcontinental telephone system was an open wire line which was opened for service January 25, 1915. Since then, three other open wire lines, each capable of carrying dozens of calls simultaneously, and two cables, each containing hundreds of circuits, have spanned the continent over diverse routes.

In addition to the thousands of telephone calls which can be handled over the new microwave system, network television shows can also be transmitted. The system is already carrying TV programs as far west as Omaha, Neb., midway point in the 3,000-mile New York-San Francisco route. The western half of the route is expected to be equipped to handle coast-to-coast television by the end of next month.

With all of the different types

Five Pointers Win Degrees

Among the 396 students receiving degrees from Michigan State College at the close of the summer quarter on August 31 are five Grosse Pointers. They are Maria L. Ballerini, Caroline R. Kernkamp, Thomas C. Leavey, Elard D. Davison, Jr., and Jack Alfred Drew. The 396 figure represents all undergraduate degrees bestowed by MSC during the summer.

Michigan Mirror

Top Michigan Republicans who attended the annual picnic of Oakland County's Republican women, Young Republicans and Lincoln Clubs, heard a scathing rebuke of a "stagnant party" from Recorder's Judge W. McKay Skillman.

"The papers are full of the Fair Deal appearances of Gov. Williams and Democratic Senator Moody," Skillman said, "but who is heard in opposition?"

"Continuance of a subservient, docile, anemic and 'me-too' Republican Party can result only in a one-party system of government, and that would end our liberties as we know them."

Skillman said he spoke freely now because he was not and would not be a candidate for partisan political office.

In Skillman's audience were State Chairman Owen J. Cleary; National Committeewoman Rae Hooker, of Mt. Pleasant; Auditor General John B. Martin, Jr., Republican candidate for the Senate; Treasurer D. Hale Brake; Highway Commissioner Charles M. Ziegler, and United States Rep. George A. Dondero, of Royal Oak.

Michigan's National Guard is at camp—at a cost of some \$2,000,000. The expense of keeping our citizen army trained and up-to-date on modern warfare runs \$18.41 per day during the two-week stay for each of the nearly 7,000 guardsmen in field training.

Maj. Gen. Ralph A. Loveland, guard commander, told the men, "get the most out of your training activities... it's taxpayers' money that pays for all this..."

Michigan's taxes always are news. The joint legislative committee considering the state's muddled taxation system and mounting deficit (a predicted \$75,000,000 by June, 1953) has asked for suggestions from a citizen advisory committee. The citizen committee requests more information.

The legislative group states: The tax structure is full of inequities... either more money is needed, the present money must be better distributed or state spending must be reduced.

County fairs are experiencing a banner year. A general 10 percent increase in attendance over last year is the average report by fair officials.

Work on the new state office building is going ahead on schedule. Houses on the block-square plot West of the Capitol building are being razed and the site prepared for digging. What will be housed in the new building? The only sure bet is that the Highway and Conservation departments and Civil Service Commission will win berths in the modern structure.

Conservation Department experts predict a record-breaking number of fishermen this year. They expect dealer sales returns to exceed the 1,056,060 resident

and non-resident permits sold last year.

Permits to hunt deer in the special December seasons are being distributed to license dealers. Those intending to hunt deer of either sex December 1-5 in the Northeastern cherry country or antlerless deer December 1-10 in Allegan county must hold a permit in addition to the regular license.

There are 40,000 Federal employees in Michigan. Divided by

83, it works out to nearly 500 Federal employees per county. What on earth can they find to do?

Polio the crippler is with us again—or yet. According to health department officials this looks like an "average year," as no epidemics have been reported. They said 416 cases have been reported in the state thus far. There were 300 cases in the same period last year; 687 in 1949. The 1950 total was 2,029 cases.

Downtown Republican Club Plans Barbeque and Frolic

Celebrating the 12th anniversary of the Downtown Republican Club, a Fall Barbeque and Frolic will be held Sept. 22 at the Beverly Gardens, 13 Mile Road and Van Dyke.

Sponsors are the Downtown Republican Club, the Wayne County Republican Committee and the Congressional District Committees and Republican Clubs.

This year's frolic will follow the same pattern of good fellowship as in 1939: An old fashioned ox-roast and barbeque, refreshments, German band, barber shop quartet, games and prizes.

ALL GROUPS JOIN
"This is a united effort of all Republican groups," Havelock J. Northmore, president, said today. "Important officials and party leaders will be present. Everybody is welcome."

The Downtown Republican Club was organized in 1939 when, according to its program of that date, there were:

"Strong pressing minorities raising foolish fears and promising things that require mortgaging our oldest monuments."

RECALL STATEMENT
Frank A. Mitzell, the first president, said at that time:

"The fathers of the Downtown Republican Club are hopeful that their organization will be a means to support the 150 year record of the individual states of the United States—a record of peace for the honest, protection for the poor and prosperity for the industrious."

Honorary chairmen are past presidents Frank A. Mitzell, James W. Lyons, Arthur T. Iverson and William T. Hoffman.

Floyd R. Mantz is general chairman.

Other committee chairmen are Fred W. Kaess, Lulu E. Bachman, Harold Davis, William F. Detling, Elizabeth Hilcoat, Emmanuel Karay, Hazel Siebert, Edward Wronski, F. Resh, George A. Shaffer and Arthur Madar.

Local Lad Is Aquatic Champ

Peter A. Whyte from Grosse Pointe had the highest number of points in aquatic competition in the Junior Division of the Cubs in the Woodcraft Camp at Culver Military Academy which has just concluded its 50th eight-weeks summer session.

Whyte established his title in competition with boys from 40 states and 12 foreign countries who attended Culver this summer.

He is the son of Mr. and Mrs. Ray M. White, 22 Oxford Road.

BUSY MAN

American retailing always operates in worthwhile civic and other endeavors, and often takes the lead. And when some good cause that needs promoting comes along, it is in a position to take part on a national scale.

Officials of the Treasury Department and a committee from a retailing association which has some 7,000 member stores recently met to discuss the De-

fense Bond Campaign which will be launched on September 3 to extend through October 27. Following the meeting, the Association announced that it is asking all its members to cooperate to help make the campaign a success. It is expected that store participation in the drive will parallel a similar program which met with outstanding success during the last

World War, when retailers were credited with selling a high percentage of the total bonds sold.

This particular association includes chains and independents, big stores and relatively small stores. The stores compete hard for the consumer's business—but they all pull together in causes that benefit the whole nation and everyone in it. They deal directly with millions of people every day, and so they are in a particularly fine position to "sell" a worthwhile idea.

The retailer is a busy man these days. He's doing his best to hold prices down in the face of all the inflationary pressures. He is burdened with a mass of complex red-tape that is an inevitable part of the price and other economic controls. He faces the problem of consumer resistance to high prices coupled with rising overhead costs which are beyond his control. His profit percentage is nowhere near as large as most people think. He's doing his job.

UM Uncertain About Fall Enrollment

World affairs continue to give an air of uncertainty to the enrollment estimates at the University of Michigan for this fall.

University officials frankly admit that the best word on the enrollment total will come when classes start in the Fall semester on Monday, September 24.

The budget for the coming year is based on an estimated enrollment of 16,000 students. The months that have followed since the budget was prepared have brought some optimism into the Korean portion of the world's problems and officials now believe the enrollment may fall somewhere between 16,000 and 17,000 students.

The military demand for manpower—and the declining birth-rate of the early thirties—will affect this fall's enrollment as compared with a year ago. There were 19,487 students last fall taking resident credit courses.

Hold Annual Police Shoot

The 14th Annual Michigan Police Shoot will be held on the Jackson police department's 60-target pistol range beginning at 10 a.m. Wednesday, August 29.

The shoot is sponsored by the Michigan State Police in cooperation with the Michigan Association of Chiefs of Police and the Michigan Sheriffs' Association. It was revived as an annual event two years ago after having been discontinued in 1941. The Jackson police also were hosts in 1949 and 1950.

The match is open to all police and sheriffs' department throughout the state. Class of competition is determined by the size of the department.

Supports Legislation on Mutual Security

Congressman Louis C. Rabaut announced last week his support of the administration one-package foreign aid bill.

The measure, the Mutual Security Act of 1951, includes aid under the Mutual Defense Assistance Pact and economic assistance in ECA and Point IV categories. The administration had requested \$8.5 billion for these purposes, but the House Foreign Affairs Committee pared that amount about 7.7% down to \$7.8 billion.

"As its named indicates, this legislation will provide funds for the security of the free world. It is not a one-sided proposition with Uncle Sam carrying the whole load. We cannot laugh off the multi-billion size of this program, but to my mind, military assistance to those who will fight on our side in the struggle against Communism is sound economy," Rabaut said.

Rabaut also contended that dollar-for-dollar, the U. S. will get more military security out of this bill than out of the \$5 billion defense appropriation bill recently passed by the House.

"From about \$21 billion appropriated for the Army we will have a ground force of about one and a half million men. This \$7.8 billion, on the other hand, together with the contributions of other nations, will join an additional 3,000,000 equipped men in the common struggle against Communism," Rabaut declared.

"These figures show at once that, together with the other free nations, we are engaged in a cooperative build-up of strength from which we will all draw a measure of security," he said.

The economic aspect of the bill represents the tapering off of the Marshall Plan, scheduled to end in 1952, part of which funds will aid friendly nations to maintain the economic burdens of increased defense costs. Also included are funds for technical assistance under the Point IV program.

"Economic and military strength go hand in hand," Rabaut said, "and the level of economic power reached under the Marshall Plan must be maintained if the free nations of Europe are to increase their military establishments."

"Technical assistance under Point IV, although it is the smallest part of this bill, is vital to our productive strength. Seventy-three per cent of our essential raw materials comes from the underdeveloped areas where this aid will be administered."

Rabaut maintained that "without such a program we stand alone against Soviet Russia with the world balance in men, materials and productive resources weighted heavily against us. With the strong allied union this bill can bring, we are a mighty bulwark against aggression."

Lots of Hay

One of the largest consumers of Michigan agricultural products is the thoroughbred racing industry.

An indication of the vast quantities of farm produce used in horse racing is found in a survey which showed that during the 56-day meeting just concluded at the Detroit Race Track the stable area received about two dozen deliveries daily.

The 800 thoroughbreds stabled there consumed some 17,500 pounds of hay, 17,500 pounds of straw, 9,600 pounds of oats, 1,500 pounds of bran and about 25 sacks of carrots each day.

CHEVROLET

Are you lined up for an accident?

There are sixteen separate ways your front wheels can get out of line! Any one of these will rub miles off your tires... cause driving fatigue... and increase your possibilities of an accident. "HOOT" CLEANS UP AT THE PLATE

Cooking's ELECTRIC in the Evers' kitchen!

"Like my electric range? I love it," says attractive Mrs. Evers. "It's clean, cool and cooks divinely."

"Now you're on Nancy's favorite subject," puts in Hoot. "And mine... especially when you talk about the deep well cooker."

"Hoot's always after me to use the deep well cooker. It's wonderful for things like soup, stew and overnight dishes. The heat's so even and perfectly adjustable. Really, I couldn't do without my electric range."

Everyone who's tried electric cooking will agree with Hoot and Nancy Evers. It's incomparable. But find out for yourself. Visit your appliance dealer now.

HOOT'S SOUP SUPREME!

OXTAIL SOUP

2 oxtails	1/2 cup onion
6 cups brown stock (made with soup bones)	1/2 cup celery (small pieces)
2 links smoked Polish sausage	1/2 tsp. salt
1/2 cup turnips	Few grains cayenne
	1 tsp. Worcestershire sauce

Cut oxtails in small pieces, wash, drain, sprinkle with salt and pepper, dredge with flour, and fry in butter for 10 minutes. Add to stock, simmer in deep well cooker for 2 or 3 hours or until tender. Strain soup. Remove meat from bone and add to soup, peel sausage, cut in 2-inch lengths, add to soup; add vegetables and simmer until vegetables are tender. Add seasonings. Serves 8 to 12.

Come in and see THE "RANGE of THE STARS" ...of course, it's ELECTRIC!

Holy Name Men of U. S. and Canada to Convene

Briggs Stadium will be the location of the mammoth Candlelight Holy Hour to be held Saturday night, October 6, as a feature of the fifth national convention of the Holy Name Society.

This was announced today by George J. Armbruster, Detroit attorney, who is general chairman of the convention. Permission for use of Briggs Stadium was arranged by Walter O. Briggs, Jr., on behalf of his father, Walter O. Briggs, owner.

Thus the home of the Detroit Tigers will be the scene of what is expected to be the world's largest gathering of Holy Name Society men in a Candlelight Holy Hour dedicated to the honor and glory of Almighty God and

Shores Annual Splash Party

Sunday, August 19th, the Recreation Committee of Grosse Pointe Shores Park sponsored their Third Annual Splash Party. The weatherman cooperated with good swimming weather, and a large crowd of parents turned out to cheer their children.

There was a variety of events which included a ping pong scramble, an inner tube race and a money diving contest. Winners of all races received first place and third place ribbons and assorted prizes for the ping pong scramble.

Judges of the events, headed by Tom Bruce, Shores Recreation Director, included Miss Pat Martin, Ben Freuhaut, Tim Leach, Bob Robertson, and Barney Martin.

The Splash Party climaxed a very successful season at the park. Included in the Shores recreation program for the summer were swimming lessons by Pat Martin and Tom Bruce. Miss Martin also gave tennis lessons and some of the children have shown outstanding progress. Be Linda Lahood and Linda Bertin were awarded tennis rackets for being the most improved players.

The judges announced the following as winners at the Splash Party.

Shallow Water Events

Boys' 15-Yard Dash—(1) Lee Jeffers; (2) Bob Duemling; (3) Mike LaForest.

Inner Tube Race—(1) Charley McFeely; (2) John Stearns; (3) Dee Hackathorne.

20-Yard Dash—(1) Anne Fisher; (2) John Mertz; (3) John Ogden.

Distributing Race—(1) Shea Schaeffner; (2) John Mertz; (3) Emmy Frolund.

25-Yard Dash—(1) Janet Craig; (2) Anne Fisher; (3) Dotty Bauer.

Inner Tube Tip Over Contest—(1) John Ogden; (2) John Mertz; (3) King Roney.

Deep Water Events

25-Yard Dash—(1) Claire Fisher; (2) Pete Noble; (3) Kit Roney.

Inner Tube Race—(1) Emmy Frolund; (2) John Ogden; (3) Dottie Bauer.

Exhibition Relay—(1) Bobby Hackathorne-Dave Roll; (2) John Ogden-John Mertz.

50-Yard Dash—(1) Dale LaForest; (2) Gene Graham; (3) Jim Ogden.

Inner Tube Tip Over Contest—(1) Gene Graham; (2) Jim Ogden; (3) Linda Martin.

25-Yard Race for Father—(1) Mr. McFeely; (2) Mr. Sherman; (3) Mr. Adair; (4) Mr. Ogden.

25-Yard Race for Mother—(1) Mrs. McFeely; (2) Mrs. Roney; (3) Mrs. Hedge.

Expect Larger UD Enrollment

The University of Detroit will be launching one of its greatest years when fall registration starts in September.

This eventful year is headed by the new \$2,600,000 field house, a Notre Dame football game, new courses and a new ROTC.

Contrary to national predictions of a decrease in college enrollments, the University of Detroit applications have shown a sharp upward trend for the fall semester. The largest increase is in freshmen applications and in Commerce and Finance and Engineering colleges.

The University has added an Army ROTC to its curriculum for engineering, technical and scientific students that will lead to a commission as second lieutenant in the Organized Reserve Corps of the Army. This course, in addition to the Air Force ROTC that started last year, offers a four-year deferment to students who qualify.

The students will be able to make use of the new field house, now under construction, by the time the basketball season is finished. This is the first building in the University's \$20,000,000 development drive that will provide a student activities center, administration building, residence halls, classrooms and funds for research and scholarships.

Registration for the fall semester starts on September 10 and continues through September 15 from 8 to 4 p.m.

Lieut. Jones to Return to Base

Scheduled to return to the Naval Air Station, San Diego, Calif., from the Philippine Islands with Patrol Squadron 731 is Lt. (jg) Thomas N. Jones, USN, son of Mr. and Mrs. Frederick G. Jones of 1005 Yorkshire road and husband of Mrs. Mary D. Jones of 210 Fisher road.

Lt. (jg) Jones, who was ordered to active duty in September, 1950, is a former student of Michigan State College in East Lansing.

Shallow Water Events

Boys' 15-Yard Dash—(1) Lee Jeffers; (2) Bob Duemling; (3) Mike LaForest.

Inner Tube Race—(1) Charley McFeely; (2) John Stearns; (3) Dee Hackathorne.

20-Yard Dash—(1) Anne Fisher; (2) John Mertz; (3) John Ogden.

Distributing Race—(1) Shea Schaeffner; (2) John Mertz; (3) Emmy Frolund.

25-Yard Dash—(1) Janet Craig; (2) Anne Fisher; (3) Dotty Bauer.

Inner Tube Tip Over Contest—(1) John Ogden; (2) John Mertz; (3) King Roney.

Deep Water Events

25-Yard Dash—(1) Claire Fisher; (2) Pete Noble; (3) Kit Roney.

Inner Tube Race—(1) Emmy Frolund; (2) John Ogden; (3) Dottie Bauer.

Exhibition Relay—(1) Bobby Hackathorne-Dave Roll; (2) John Ogden-John Mertz.

50-Yard Dash—(1) Dale LaForest; (2) Gene Graham; (3) Jim Ogden.

Inner Tube Tip Over Contest—(1) Gene Graham; (2) Jim Ogden; (3) Linda Martin.

25-Yard Race for Father—(1) Mr. McFeely; (2) Mr. Sherman; (3) Mr. Adair; (4) Mr. Ogden.

25-Yard Race for Mother—(1) Mrs. McFeely; (2) Mrs. Roney; (3) Mrs. Hedge.

Neighborhood Club News

The playoffs began last week in the Neighborhood Club's Major Football League with the first round being played Monday evening, Aug. 13, and the second round on Tuesday, Aug. 14.

The first night's action saw three very close ball games with Bob's Bar taking a 2 to 0, one hit victory over Eastern Heating, defending champions of the league. Pitcher Swartz, of Bob's, did not allow a hit until the seventh inning. He walked one and struck out 16.

Steiner Ford took a thrilling eight inning 1 to 0 victory from Silver Boat Bar as they put together a walk and two straight singles in the last half of the eighth to bring in the tie breaking score just as darkness was approaching.

Cub L. A. took a 3 to 1 decision from New Brick Inn in the third game of the evening.

The second round, played Tuesday, saw Club L. A. come out as the only undefeated team left in the pack as they downed Bob's Bar 2 to 0. The winners put together three singles, and with the aid of an error, pushed across both runs in the sixth inning. Bob's batsmen could manage only three singles off the offerings of pitcher Walker.

Eastern Heating remained in the race by shutting out Steiner Ford 3 to 0 while New Brick Inn eliminated Silver Boat Bar by trouncing them 8 to 1.

The third round is scheduled for Monday, Aug. 20, at 6:15 p.m.

FINAL LEAGUE STANDINGS

Team	W	L
Club L. A.	8	2
Bob's Bar	8	2
Steiner Ford	6	5
Glenn Walker	5	6
Lochnoor Hardware	4	6
McLaughlin Motors	0	10

*Steiner defeated Glenn Walker in playoff game to decide third place.

Team	W	L
*Eastern Heating	7	2
*Silver Boat Bar	7	2
New Brick Inn	7	3
Hudson A. A.	5	5
Neault's Collision	2	8
Onyx Bar	1	9

*Played tie game.

On Thursday evening, Aug. 16, the final game of the Bloopers Ball League playoffs took place between La Salle Cafe and Southeastern Recreation. Southeastern came out on top of a 6 to 5 score as a La Salle rally in the seventh inning fell short. La Salle led 3 to 1 until the sixth inning when Southeastern put together four straight hits and a couple of long fly balls to push four runs across the plate and all but clinch the championship.

Each team had suffered a previous defeat in this two game elimination series, La Salle being defeated by Dart in Bar, 4 to 3, and Southeastern suffering a 7 to 6 loss to La Salle. In the semi-final round, La Salle eliminated last year's champion, Dart in Bar, 8 to 2.

FINAL SEASON STANDINGS

Team	W	L
La Salle Cafe	7	2
Continental A. & E.	7	2
Dart in Bar	6	3
Southeastern Rec.	5	4
Turner Buick	2	7
Rathskeller Cafe	0	9

Red Feather services gave 343,675 units of service during 1950 to people in Detroit and the suburban areas.

New School Year Opens

(Continued from Page 1) well as the Board of Education Offices will be glad to supply parents with a form on which the findings of such physical examinations may be recorded. These should be brought to school at the time of initial enrollment.

Superintendent Bushong stated that all elementary schools will include Grades Kindergarten through Six with the following exceptions:

Vernier School will contain Grades Kindergarten through Five-B only. Children from this district in Grade Five-A will attend either Mason or Monteith according to parents' preference. Pupils in Grade Six from this district will be housed in the Parcels Junior-High School building.

As the New Kerby School will not be completed when school opens, Old Kerby will house the pupils from the Kerby District who will be in Kindergarten through Grade Two. Pupils from this district in Grades Three through Six-A will attend the New Kerby School. Work is proceeding well on the New Kerby School and it is hoped, stated Superintendent Bushong, that the building will be completed early in November at which time the children from the Old Kerby School will be transferred to the new building.

Bushong stated that while neither the Poupard nor Monteith School will be completed when school opens, it is expected that enough rooms will be finished so that classes can be held in them. At Poupard School it is expected that enough rooms will be completed so that all grades can be on a full day session except Kindergarten and Grade One. It is expected that within a few weeks after the opening of school Grade One will also be placed on a full day session.

At Monteith all grades will have to be placed on half-day sessions. Bushong announced, however, that work was progressing rapidly there and that just as soon as additional rooms are finished children will be changed from half-day to full day sessions. It is the expectation of the Board of Education that all children in this school will be able to be on a full day session within four to six weeks after school opens.

Find Dutch Elm Disease

(Continued from Page 1) is desirable to collect specimens from all parts of symptomatic or bark beetle infested elm. Six discolored twig or branch specimens, each about seven inches in length and a half to one inch in diameter, should be collected from one or more branches of a suspected tree. The discoloration should show in the cut end or under the bark of each piece. The wood should be green, or only recently dead. Fifty pieces of bark and wood containing galleries of the elm bark beetle are desired. The pieces should be three inches square or smaller. Leaves, small dead twigs, green punky wood, discoloration, dry punky wood, decayed wood and dry crumbly bark should not be sent.

The specimens from one tree should be fastened tightly into a bundle with strong cord, plainly marked with an attached paper tag bearing proper identification. A letter should accompany each package giving the address where each tree is located, and containing the name and address of the sender. Mailing address where each tree is located, and containing the name and address of the sender. Mailing address is:

Dutch Elm Disease Identification Laboratory, Bureau Entomology and Plant Quarantine, Box 461, Hoboken, New Jersey.

Forbid Mailing

Cigarettes and tobacco are prohibited in parcels addressed for delivery through the following Army Post Offices, Postmaster F. C. Middel warned:

1	42	65	125	171	208	407	757
10	46	66	139	172	209	541	777
11	55	69	147	174	225	633	794
13	57	79	154	175	227	696	800
19	58	82	162	178	305	742	807
21	61	114	168	179	349	743	843
39	62	124	169	207	403	751	872

The prohibition also applies to any unit of these Army Post Offices bearing a hyphenated suffix, as for example, "A.P.O. 1-A."

Persons mailing parcels to servicemen and others receiving mail through the Army Post Offices listed above must not include cigarettes or tobacco in their parcels.

Football at Irish Rally

The Hon. John F. Costelloe, former U. S. Congressman from California and National Executive Member of the American League for an Undivided Ireland, will be the principal speaker at an Irish Rally and meeting at McCabe Field, Boston Boulevard and Petoskey, on Sunday, August 26th, at 3:00 p.m.

The rally will be held in conjunction with the Midwest semi-final game of Gaelic Football between Detroit and Chicago. The game is sponsored by the local branch of the Gaelic Athletic Association which is now competing for the championship of the Mid-Western States. The teams will be led on to the field by Cleveland's famous Shamrock Irish Pipe Band. The band will also play during the half-time period.

Mr. Costelloe will be the guest of all Irish organizations in the City and will speak on the necessity for the adoption of the Forty Resolution by the present Congress. There will be exhibition step dancing and singing in Mr. Costelloe's honor.

Game Sunday To Determine Championship

Plenty of action is indicated for the playoff to determine the city championship this coming Sunday when Grosse Pointe's American Legion Post No. 303 team meets Beauty Post on diamond number five at Belle Isle. The game will begin at one o'clock.

The Grosse Pointe team defeated Billy Rogell's Detroit Edison team two weeks ago with a score of 1 to 0, and in the semifinals last Sunday took an 11 to 8 win over the Rouse Vanker Post team.

Frank Stubbs, capable coach of the team, expects to start with the star pitcher of the team, Al Van Blaricom, who has won his last three games. Al has been troubled with a sore arm, but it is expected he will be in fine condition by Sunday.

Ronnie Smith will be behind the plate for the 303 team. Ronnie, who has shown great ability this season, celebrated his seventh birthday last Wednesday.

Others in the lineup will be Bob Sealy, first base; Lee Clancy, second base; John Mason or Johnny Dicio, shortstop; Joe Seagram, third base; Mickey Andrey, left field; Dale Hewitt, center field; and Rodney Wilkie, right field.

No License?

Lila F. Mulligan, 687 Manistique, was fined \$10 and ordered to appear two sessions of traffic school in Judge Belanger's Grosse Pointe Park court last week.

The charge was disobeying a signal light, and police also discovered the lady had no drivers license. She has been ordered to appear in traffic court in two weeks for final disposition of the case.

Anticipate a Big Baby Crop

Michigan will have a bumper crop of babies this year, the Michigan Department of Health anticipated today.

Births recorded in the first six months of 1951 exceeded by 1,904 the births for the first six months of the previous record high year, 1947.

Most of the increase is linked to the marriage license upswing that began in June of 1950 at the start of the Korean war. If the increase of births continues through the rest of the year, 1951 births will set an all-time record, the department said.

A total of 80,795 births were registered in Michigan in the first six months of this year, a gain of 11.7 percent over the 72,348 births recorded in the same months of 1950; and a gain of 2.4 percent over the 78,891 births recorded in the same months of the previous record year, 1947.

January, February and March births this year showed a slight but continuing increase over last year. April showed a 23 percent increase over April 1950. There was a 15.3 percent gain in May and a 18.5 percent gain in June.

4—The Grosse Pointe Review—Thursday, August 23, 1951

Old South Setting For Yacht Club's Gala Party

The showboat party at the Grosse Pointe Yacht Club last Saturday night was a colorful affair. A sunset review of the

Over "21" at Playhouse

"Over Twenty-one," a scintillating comedy by Ruth Gordon, opening at the Will-O-Way Playhouse August 28 for a two week run, is the wonderful story of a famous Hollywood screen writer and her liberal minded husband, who is a newspaper editor. When he joins the Army and is sent to officers candidate school they move into a motel to be near his base. The situations that occur in 90 days will have you howling with laughter.

Robert Bryson portrays the newspaperman and his wife is played by Bette Wright. Also in the cast are Gerald M. Harrington, Bettie Hyman Toti, Richard Davies, Barney O'Rourke, Loree Carmick, Janet Baker and Charles Yager.

There is a performance every night at 8:40 except Monday, and tickets may be reserved by calling the box office. Will-O-Way Playhouse is located at W. Long Lake Road near Telegraph. "Blithe Spirit," featuring Gerald M. Harrington, currently showing, closes Sunday night.

It's A Girl

Cpl. and Mrs. William Nelson Brock, Jr., announce the birth of a daughter, Carol Elizabeth, on August 17. Mrs. Brock, the former Jane Baldwin, is staying with her family on Whittier road while Cpl. Brock is stationed at Fort MacArthur at San Pedro, California.

fleet, with Commodore J. Edgar Duncan and his party aboard the cruiser leading the procession of boats, and Spanish moss held in a grand finale each boat dived past the flagship, saluting Commodore Duncan.

The club and surrounding grounds gave an air of old New Orleans. Arches on the balcony and around the outdoor dance floor were made of black grillwork, and Spanish moss held in a grand finale each boat dived past the flagship, saluting Commodore Duncan.

Aboard the showboat anchored in the harbor was a galaxy of stars to entertain those present. Leading the array of talent was Jacqueline Murphy, who came from New York to sing selections from "Showboat" at the party. Other talent included a Dixieland band and a quartet of singers and tap dancers. Heading the showboat committee was J. Earl Fraser, appointed by entertainment chairman Rex B. Regan.

Cocktails were served before dinner by the Richard J. Martins of Lochmoor boulevard aboard their cruiser, the San Jay II.

Among members inviting guests were the A. D. Sturats, Walter S. Clarks, Lloyd G. Hookers and the James B. Ogdens.

Mr. and Mrs. Melvin Huffaker, Dr. and Mrs. Mont Wickham, Mr. and Mrs. D. William F. Rossiter and Dr. and Mrs. Christopher Smith were also among members attending.

Returning from a European trip in time to attend the party was rear commodore of the club Paul Marco.

Engagements

Mr. and Mrs. F. F. Cecchini of Iron Mountain, Michigan, announce the engagement of their daughter, Anita Marie, to Donald H. Watson, Mr. and Mrs. Harry N. Watson of 1512 Roslyn road are the parents of the groom-to-be.

The young couple are planning an August 25 wedding in Iron Mountain. They will live in Ann Arbor.

Korean Guest at YWCA Camp

When the YWCA's annual Y-Teen leadership training conference is held at Camp Cavell August 25-31, the delegates will include 107 Detroit girls and a YWCA worker from Seoul, Korea.

The Detroit girls will represent Y-Teen clubs in 28 high schools in the city. Officers of these clubs will attend special leadership training sessions. All delegates will have a choice of workshops covering creative activities such as modern dance, service crafts and pioneer camping.

An international flavor will be added to the conference by the visit of Bong Wun Kim, the young Korean guest, who will discuss some of the mutual experiences shared by YWCA members around the world.

In-between and after daily sessions the girls will enjoy swimming in Lake Huron, tennis, badminton and other sports, and the nature trails of Camp Cavell.

Girls from this area who will attend the conference are: Nancy Kaser, 624 Hampton; Janet Fieldew, 1105 Harvard; Shirley Stoup, 947 Vernier; Laurie Smith, 859 Sunningdale; and Graechen Becker, 507 Rivard.

Name Officers at Reunion

Mrs. John Pear of Trombley road was elected historian for the coming year at the 27th annual reunion of the Wyde, Wilde, Wild, Wilds Kindred held at Dutton Park in Grand Rapids last week. Seventy-two members of the "clan" attended.

Other officers elected include Mrs. Lester Sager of Kalamazoo, president; Mrs. Don Smith, of Niles, first vice-president; Kenneth Fish of Grand Rapids, second vice-president; Beverly Sager of Kalamazoo, third vice-president; Dr. Albert Myers of Pottsville, fourth vice-president; C. Raymond Wilde of Grand Rapids, fifth vice-president; Clarence Vliet of Birmingham, chaplain; Mrs. L. C. Rowley of Grand Rapids, genealogist; Harold Wilde of Muskegon, secretary; and Ernest Wilder of Marne, treasurer.

The next meeting will be held August 21, 1952.

LATE SUMMER BRIDES

Mrs. Richard J. Schievenin

Mrs. Herman Richter

Marion Field Wed In Double Ring Ceremony

Marion Louise Field, daughter of Mr. and Mrs. George G. Field of Lakeview avenue, was married to Richard John Schievenin in a double ring ceremony at St. Paul's on the Lake on Saturday, August 11.

Mr. and Mrs. Albert Schievenin of Faircrest avenue are the parents of the groom.

Marion chose for her marriage a ballerina length gown of nylon tulle with a fitted bodice of imported chantilly lace and illusion yoke. Matching lace appliques complemented the three-tiered skirt. Her fingertip veil of illusion was secured by a Juliet cap of beaded satin. She carried a nosegay of white roses, baby breath and ivy.

Matron of honor Angie Napierkowski wore wellow nylon marquisette with a matching cloche. Her small bouquet was of white and orchid asters with baby breath. Bridesmaids Norma Davis and the bride's sister, Betty Hahn, were gowned alike in orchid marquisette, and carried nosegays of yellow and white asters and baby breath.

Edward Napierkowski served as best man with Kenneth Field and James Schievenin seating the guests.

Mrs. Field wore a dusty pink crepe gown with a bolero jacket

and white accessories. The mother of the groom was gowned in navy blue with white accessories. Both wore corsages of white roses and baby breath.

A wedding breakfast was served at the Harvard House, and following an evening reception the newlyweds left for a Northern Michigan honeymoon.

Spring Dress Styles Suit Every Fancy

By DONNA LONGSWORTH
A dress is no longer just a dress. It's something to wear when you want to look your very best and with all the styles there's one to suit every occasion.

The sheath dress, straight as an arrow, tucked or pleated, and as slimming as a month of exercises, will head the list this spring.

The chemise dress is another exciting fashion to look for with its belted-in waist and its burst of unpressed pleats.

When he calls to say he has the family car, the first dress you'll pull from the hanger will be the coat dress. It buttons down the front and is nipped in at the waist with a swirling hem line.

Shantung, linens, prints and satin cottons are just a few of the array of fabrics your spring dresses will be made of. Dimensional patterned prints are also very popular.

The colors are almost as though the spring flowers themselves have lent their brightness and beauty. Misty off-white, soft pastels and subtle neutrals share the color wheel with shades of brown, palest beige, grey and pearl tones and blues from periwinkle to navy.

And add a touch of spring by adding a cluster of flowers at the neck, waist or pocket. The fashionettes, Hudson's teen panel, will feature skirts in their fashion show entitled "Conversation Skirts" to be held at Hudson's on Saturday, April 14, at 1 p.m.

The skirts to be shown have been named according to their print. A few of them are "The Jury," "Punch and Judy," "The Pirates" and "Fruit Salad."

Pittsburgh Bound

Barbara Ann Fitzgerald, daughter of Mr. and Mrs. Gerald Fitzgerald of 311 McKinley, will enroll in the freshman class at Pennsylvania College for Women next month. Freshman orientation will be held five days beginning on September 16 and classes will be resumed on September 21.

Miss Fitzgerald was graduated from Grosse Pointe High School in June.

Fall Change Over

With fall fashions in the air now, the homemaker may want to begin revamping some of her last season's clothes. If the article of clothing is to be completely done over, results will be better if the dress is taken apart, washed and ironed.

Culinary Efficiency

You can keep bread crumbs from falling off steaks and chops in the frying pan by breading them a few hours before you intend to fry the meat. Keep the meat in the refrigerator in the meantime.

Honeymoon In North Follows August Rites

Traditional white satin was worn by Ruth Alma Kimmich for her marriage to Herman O. Richter last Saturday, August 18.

Ruth is the daughter of Mr. and Mrs. I. Kimmich of 125 Mason road in Grosse Pointe Farms, and Mr. and Mrs. Herman Richter of Reek road in Wyandotte are the parents of the groom.

The white satin bridal gown was fashioned with long sleeves extending to a point over the wrists. Rosebuds of the satin outlined the illusion neckline, and the illusion headpiece trimmed with matching rosebuds held in place her fingertip veil.

Following the ceremony in Bethesda Missionary Temple, the young couple left for a short wedding trip through Northern Michigan.

Upon their return the newlyweds will reside in Phoenix, Arizona, where the groom is stationed at Luke Air Force Base.

Garden Shower for Bride-to-Be

Honoring bride-elect Melba Gay Wallace, daughter of Mr. and Mrs. Keener Wallace of Loraine road, Grosse Pointe, Mrs. John Mazer of Loraine road will entertain at a garden shower on Wednesday evening, August 22.

Guests will be Mrs. Keener Wallace, Mrs. Joseph Wiedelman, Mrs. John Crews, Mrs. Edsel L. Robbins, Miss Ann Stewart, Mrs. Henry Barnard, Mrs. Alvin Kline, Mrs. John Applegate, Mrs. Frank Lister, Miss Cynthia Lister, Mrs. Harry Prevo, Mrs. Martin Cass, Mrs. Fred Krutz.

Others are Mrs. Leonard Lang, Mrs. Velma Ditz, Mrs. Frances Endara, Miss Patricia Filer, Mrs. Margaret Freeman, Mrs. Lawrence Wiedelman, Miss Jane Stewart, Miss Ruth Applegate, Miss Mongine Olson, Mrs. Wm. Wybo, Miss Beverly Hebert, Mrs. Ann Morris, Mrs. Gloria Swistock, Miss Ann Vernier, Mrs. Barbara Gullett, Mrs. Wm. Maslowski, Mrs. T. H. Wichman.

Miss Wallace will become the bride of Joseph Wiedelman on September 22.

Obituaries

Funeral services were held last Saturday for John J. Mannebach of 350 Mt. Vernon, Grosse Pointe Farms. Mr. Mannebach, who died August 15, is survived by his wife, Gladys; a daughter, Mrs. Guy Lawrie; three sons, John Lawrence Jr., Clarence J., and Lawrence R.; a sister, Miss Margaret Mannebach and three grandchildren.

Services were held at the Van DeWeghe Funeral Chapel on East Warren and at St. Matthews Church.

Arthur L. Evely, 11 Lake Shore Lane in Grosse Pointe Shores, died August 17. Mr. Evely is survived by his wife, Elfrida; two daughters, Susan and Mary Martha; his mother, Mrs. M. L. Evely, and a brother, Walter G., both of Pontiac.

Funeral services were held at the Verheyden Funeral Home on Mack at Outer Drive, Monday afternoon.

Equestriennes Take Honors

Nanett eand Colleen McMahon, daughter of Mr. and Mrs. Richard McMahon of 679 Westchester road, were Red Ribbon winners in their riding sections at the Moss Lake Camp Horse Show at Darts in the Adirondack Mountains, New York.

The Misses McMahon are spending the summer at the camp.

National Guard Hears Speech by Governor

Swinging into the final days of their 1951 field training, Michigan National Guardsmen at Camp Grayling moved into the woods and hills northeast of Grayling this week to battle an aggressor force bent on conquering the state.

In the biggest event of the final week's training, the three infantry regiments of the 46th Division, supported by service-type units, will meet and attempt to destroy a theoretical alien force which already has invaded Eastern Canada and is advancing across the Straits of Mackinac against the arsenal of democracy.

The Aggressor force will be represented by the 46th Reconnaissance Company of Detroit, the 46th Division Band of Lansing, and a company of the 107th Engineer Combat Battalion from the Upper Peninsula. Meeting this force in the attack will be the 125th Infantry Regiment of Flint and other eastern communities and the 126th Infantry Regiment of Grand Rapids and Western Michigan. In reserve will be the 425th Infantry Regiment of Detroit.

All types of warfare will be employed in the problem including propaganda and other psychological methods of destroying the enemy's will to fight. Liaison officers will stand by to call for support from the 46th Division's four field artillery battalions.

Guardsmen will remain in the field through Wednesday night sleeping in their small shelter tents and eating canned-type combat rations. They'll return to the main camp Thursday and Friday will line up to receive their Federal pay for the 15 days of training. Movement back to home stations in all sections of the state will begin Friday evening and continue throughout Saturday. Railways and highways will carry the bulk of the 6,600 officers and men back home.

Michigan Guardsmen took a break from their stiff training schedule over the weekend to

spend a few hours with their families and to participate in the events of Governor's Day and the traditional Division Memorial services. Saturday afternoon the Guardsmen with their many weapons of war passed in review before their commander-in-chief, guard leaders and hundreds of visitors.

In his traditional Memorial Service address Sunday morning Governor Williams paid honor to Michigan National Guard heroes who have given their lives in the cause of freedom. He praised the Guardsmen for their demonstration of a basic ingredient of citizenship in their service to the state and nation and urged Americans everywhere to accept the responsibility for leadership at home and abroad as a strong, united people with a dynamic faith in God and the cause of peace.

Prepare For Record Crowd at Convention

An athletic field house at Michigan State College, East Lansing, is being transformed into a house of worship this week in preparation for the mass worship service to be held Sunday at 10 a.m. in connection with the tenth international convention of the Lutheran League of the American Lutheran Church.

Members of Lutheran churches in this area and throughout Michigan and Ohio have been invited to participate in the service, which is expected to be the largest of its kind ever held in this area. The field house will have a seating capacity of 10,000. Dr. Marcus Rieke, Columbus, O., will preach.

Holy Communion will be served, primarily for the more than 3,000 delegates and visitors who have been in attendance at the convention since Tuesday. Altars are being arranged on four ascending levels, making it possible for more than 250 persons to be receiving Communion at one time. Sixty-seven pastors will officiate.

A highlight of the convention on Tuesday was the unveiling of a new painting by Warner Sallman, noted Chicago artist. The painting, entitled "Thine is the Power," which also is the convention theme, depicts the Resurrection of Christ in the perspective of the Atomic Age.

Jean Corbett Plans Career

Miss Jean Ellen Corbett, the daughter of Mrs. John Corbett of 57 Merriweather road, has been accepted for admission at Bethany College, Bethany, W. Va., according to an announcement by Miss Elizabeth Belt, registrar.

A June graduate of Grosse Pointe High School, Miss Corbett was active in student government work, in intramurals and with the service club. Miss Corbett plans to study in preparation for a career as a medical secretary.

The Detroit Area Council, Boy Scouts, a Red Feather service, has 60,047 members in Metropolitan Detroit.

Average Wage

Hourly earnings of nearly 2000 Class A mechanics employed in Detroit auto repair shops and repair departments of dealer establishments averaged \$2.26 in June 1951, according to a study released today by Adolph O. Berger, Regional Director of the Labor Department's Bureau of Labor Statistics in Chicago.

Church Directory

THE GROSSE POINTE METHODIST CHURCH
211 MOROSS ROAD
Rev. Hugh C. White, Pastor
Tel. TU 1-7878 or TU 1-1129
Sunday, August 26: 11 a.m., The fourth in our series of Cooperative worship services with the Congregational Church. This month the Methodist and the Congregational Churches are meeting together in the Sanctuary of the Grosse Pointe Congregational Church, Chalfonts at Lothrop. The Rev. Mr. White of the Methodist Church will preach on the theme, "The Christian Church." A staff of workers is provided for children and infants during this service. They meet in the educational wing of the church.

THE GROSSE POINTE WOODS PRESBYTERIAN CHURCH
19550 Mack Avenue at Torrey Andrew F. Raub, Minister
Sunday, August 26, 11 a.m., Worship Service. Sermon theme, "Reasoning with God." Special music by Male Quartet, 11:00 a.m. Church School for children 3 to 8 years of age. Tuesday, August 28, 10:00 a.m., called meeting of Detroit Presbytery at 1105 Kales Bldg. 9:00 p.m., Women's Association Board meeting at the church. Friday, August 31, 7:30 a.m., church members leave for weekend at Youth Island. Senior High Young People interested in going on the weekend outing are to telephone Craig Campbell, TU 1-6559.

CHRISTIAN SCIENCE CHURCHES
The wisdom of God is clearly shown in the Lesson-Sermon entitled "Mind" to be read in all Christian Science churches on Sunday, August 26. The Golden Text is from II Timothy (1:7): "God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." Among the Bible citations in this passage (Job 1:8, 1:12, 1:17) are proceeded, and said, Behold, God is mighty, and despitest not any: He is mighty in strength, and His power is unsearchable. Correlative passages from "Science and Health" with Key to the Scriptures by Mary Baker Eddy include: "The starting-point of divine Science is that God, Spirit, is All-in-all, and that there is no other might nor mind—that God is Love, and therefore He is divine Principle." (P. 275)

"GET A HORSE," is advice of Chicago Council for Labor Unity to commuters complaining about Chicago Transit Authority fare hike. Florence Criley and Charles Topel make their point aboard buggy, from which they hand petitions demanding CTA franchise revocation.

OCTOGENARIAN Charlie Hart must have been feeling his oats the day he decided to visit the south bank site of the Festival of Britain in London by running the 12 miles from his home in Twickenham. He carries a message from the Twickenham mayor to festival officials, and is accompanied by two of his younger friends—who covered the distance on bikes.

IT'S AN ELEPHANTINE LAMP for Gloria Grahame, who plays the part of an elephant girl in a Hollywood circus epic. The 50,000-watt GE bulb was used to illuminate the circus lot for night shooting, the first time since its development in 1929 that a practical use was found for the oversize light.

LOOKS AS IF all of the 42 exchange students on the way from Austria to the United States are having a good time as ship's Captain Bernt Jacobsen crowns one with a sailor cap.

JUDGING BY THE LOOKS on the faces of his pals, Bobby McKenna is not exactly the envy of the boys as Ballet Theater star Paula Lloyd gives him a lesson in New York. Bobby and friends dropped in on rehearsals for Lewisohn stadium annual ballet night performance.

THANKS TO camera case suspended in front of him, photographer is shaken but unhurt as a Brahma bull charges into him at the annual Frontier Days rodeo at Cheyenne, Wyo.

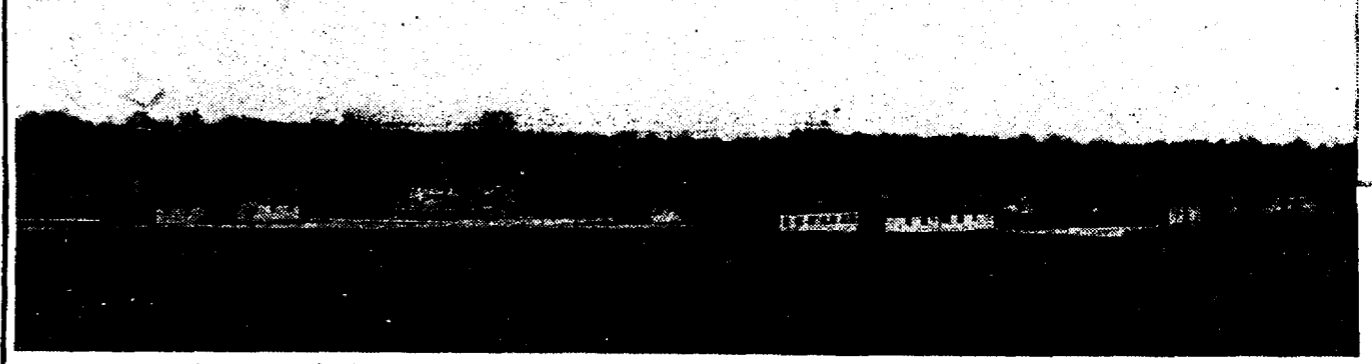

FOUR COMELY CYCLISTS wave a welcome as they arrive in Westwood, Cal., at the end of a 1,500-mile trip from Seattle. They made trip in six weeks. From left: Anne Hume, Pat Ivy, Gayle Opperman, all 21, and Shirley Willis, 22.

TO BOLSTER THEIR COURAGE against the "strange Americans," two North Korean Waes hold hands as they listen in on a group discussion at the peace negotiations at Kaesong.

SAFE IN ANIMAL SHELTER in New York after being trapped for 46 hours in a five-inch space between two buildings, young cat turns to making himself look presentable again. Animal fell into slit while chasing pigeons on rooftops.

Boysville, near Macon, Mich., is composed of government surplus buildings on a tract once owned by the late Henry Ford.

BOYSVILLE TO MEN

CCOURT RECORDS show that juvenile delinquents become law-breakers through broken homes or being orphaned, for the most part. So, "instead of letting boys just shift for themselves when such things happen, we take over," says Father Hilarion, director of Boysville, Mich. At Boysville, youths are encouraged to take up just about any trade for which they show a natural bent. Ready use for their skills can be found in the nearby mechanical metropolis of Detroit. Boysville came into being when Catholic bishops of Michigan dickered with the Ford motor company for a farm near Macon. From a handful of residents, Boysville has developed to a community of 70. Besides study subjects, Boysville has an athletic program, a library and a recreational hall.

Baking bread is only one of the many skills youths may learn at Boysville.

Father Hilarion, director of Boysville.

Mechanical-minded boys get to know equipment in the machinery class.
