SCHOOLS READY FOR OPENING

POINTE PARAGRAPHS

With another long weekend just ahead of us we might all ponder well this bit of information: Every 29 seconds a person is injured in a traffic accident; every 17 minutes one is killed. This report from the National Street and Traffic Safety Lighting Bureau.

The prowler that Grosse Pointe Woods police were called to investigate at 1431 Anita last Tuesday turned out to be a large Irish setter.

All statements from the Walter Mast Realty Co., 20039 Mack avenue, might well contain the footnote, "No Cash Please," in the future, after a check for \$2500 lying on a rear office desk was disregarded by burglars who forced their way into the office last weekend.

When the office was opened by Mr. Creighton Monday morning, he discovered that someone had forced entry into the office by prying off a screen and the lower sash of a window, apparently with a crowbar. A check revealed that an RC Allen adding machine was missing, but the thieves left untouched other machines, typewriters, etc., as well as the check.

Pfc. Donald Sarvis flew back to Fort Worden, Port Townsend, Washington, on Wednesday, August 22, after a 17 day leave.

Don's leave coincided with that of his brother, Pfc. John Sarvis of the Army Air Force, who was married here August 6. John's bride returned with him to his base at Antigo, Wisconsin.

Both boys enlisted the first of the year within a month of each other. Don is company clerk with the 315th Engineers Port Construction Company. Upon his return the 315th expects to see duty overseas.

Mary Ouellette, popular red-haired dispenser of cheer at the Rustic Cabin on Kercheval, has returned to the job after enjoying several days vacation.

Charles L. Cooke, 887 Beaconsfield avenue, was the guest speaker at the regular meeting of the Downtown Exchange Club on August 21, at the Harmonie Club.

Mr. Cooke, who is manager and assistant vice-president of an Industrial National Bank branch, spoke on "The Great Pyramid of Cheops—Its Prophecies and Significance." Members commented that the talk was very interesting and informative. Research on the pyramid is one of Mr. Cooke's favorite hobbies.

Meeting for School Staff

A meeting of all members of the Administrative Staff of the Grosse Pointe Public Schools was held at the Board of Education Building on Tuesday morning, August 28. The meeting was conducted by James W. Bushong, Superintendent of Schools. All principals, deans, and directors were in attendance.

At the meeting plans for the opening of the new school year were discussed. Superintendent Bushong stated that all teachers will report for duty on Tuesday, September 4, and that school for pupils will start on Thursday, September 6.

Free X-Rays at State Fair

Grosse Pointers can have their chests x-rayed at the Michigan State Fair, beginning tomorrow, the Michigan Department of Health has announced.

Through the cooperation of local health departments, tax-supported mobile x-ray units of the department have arranged to visit 23 Michigan fairs starting last month and ending in September.

All persons 15 years of age and over may have chest x-rays made without charge at the fair. X-rays take just a matter of minutes, clothing is not removed.

Attempted Burglaries in Park House Residents

Resident of the Grosse Pointe Park area north of Jefferson are becoming alarmed at the frequency of attempted entries in their section recently.

Grosse Pointe Park police have responded to at least eight calls to this area within the past two weeks, and Chief Ar-

thur Louwers stated that in each case, it appears to be the work of the same person or persons. Mrs. Carl Funkhouser of 877 Westchester reported that the burglar who entered through an unlocked door took a purse containing \$20 in cash, a change purse with approximately \$4 and an additional \$5 in cash. At 910 Westchester, the S. W. Sorenson, Jr., home, also entered through an unlocked grade door, desk drawers on the first floor were ransacked, but nothing apparently was missing.

Attempted entries were made at 905 Westchester, 859 Westchester, 883 Westchester, 938 Lakepointe, 939 Lakepointe, and 827 Beaconsfield. At the Beaconsfield address, the Tony Koinis home, the burglar is believed to have entered the house, although nothing was reported missing.

Chief Louwers stated that the burglar appears to enter only occupied homes, and apparently takes only money, since the purse taken at Mrs. Funkhouser's was later found minus the cash.

Police stress the fact that the prowler uses the "soft" method of entry. Entries are usually through an unlocked door or window, or by way of a locked window where entry can be made without danger of disturbing occupants who may be sleeping on an upper floor.

Residents who hear any unusual noise which they may believe is a prowler or someone attempting entry are urged to call the Grosse Pointe Park police immediately, without turning on house lights which might frighten the prowler away.

Meet to Aid New Pupils Wednesday

For the instruction and guidance of students new to Brownell Junior High School and Grosse Pointe High School, the high school principal, Walter Cleminson, has announced two meetings to be held on Wednesday, September 5.

All 7B Brownell pupils and any pupils new to Grosse Pointe who will attend Brownell Junior High School for the first time are requested to attend a meeting in Room 218 at the Grosse Pointe High School building at 1:30 o'clock and should come prepared to pay deposits on books.

At 2:30 p.m. in the auditorium of the Grosse Pointe High School, the faculty will receive all 10B pupils and high school students, grades 10-12, new to Grosse Pointe. These students should also come prepared to pay the deposits on books.

"The purpose of these meetings is to assign pupils to home rooms and to help pupils new to the community or new to the school to become familiar with the practices and policies of the schools so that their school beginning September 6 will run smoothly for them," said Mr. W. R. Cleminson, principal.

The bookstore will be open for all high school students on Wednesday, September 5.

The deans and principal have enrolled many new students this week. They will be available again tomorrow, Friday, August 31. The next opportunity to enroll new students transferring to Grosse Pointe High School from a school other than a Grosse Pointe public school will be Thursday afternoon, September 6.

All staff members will attend faculty meetings and new student orientation meetings Tuesday and Wednesday, September 4 and 5. Classes will begin 8:30 a.m., Thursday, September 6.

Pointe Woman Takes Course at Purdue

Miss Vera M. Beck, 1766 Penobscot Building, Detroit, has completed the women's Institute of Life Insurance Marketing at Purdue University, Lafayette, Indiana. She is an underwriter for the Dominion Life Assurance Company.

The special course which Miss Beck has successfully completed was attended by women underwriters from 15 states and Canada and 19 different insurance companies.

Miss Beck has lived at 428 Manor road, Grosse Pointe Farms, for the last 13 years. She also has a fire and casualty insurance business.

Joint Worship Series To End Next Sunday

The last in the series of ten cooperative worship services of the combined congregations of the Grosse Pointe Congregational and the Grosse Pointe Methodist Church will be held this Sunday at 11 a.m. in the Sanctuary of the Grosse Pointe Congregational Church, Chalfonte at Lothrop.

The Rev. Mr. Hugh C. White, pastor of the Grosse Pointe Methodist Church, will preach on the theme "Our Careless God." The plan, which has been carried out for the first time this summer, has been for the two congregations to combine for worship during the summer. This year, during the Sundays in July, the Congregational Church met with the Methodist Church in the Sanctuary of the Methodist Church with the Rev. Mr. Charles Scheid, pastor of the Congregational Church preaching. During the Sundays in August and the first Sunday in September the Methodists have been meeting with the Congregationalists in the Sanctuary of the Congregational church with the Rev. Mr. Hugh C. White, of the Methodist Church, preaching.

It is generally agreed that this has been a most helpful experience for both congregations. The public is cordially invited to these services.

Delegates to Convention

The Delta Sigma Phi National Social Fraternity will hold its national convention in San Francisco, California, from September 3rd to September 5th this year.

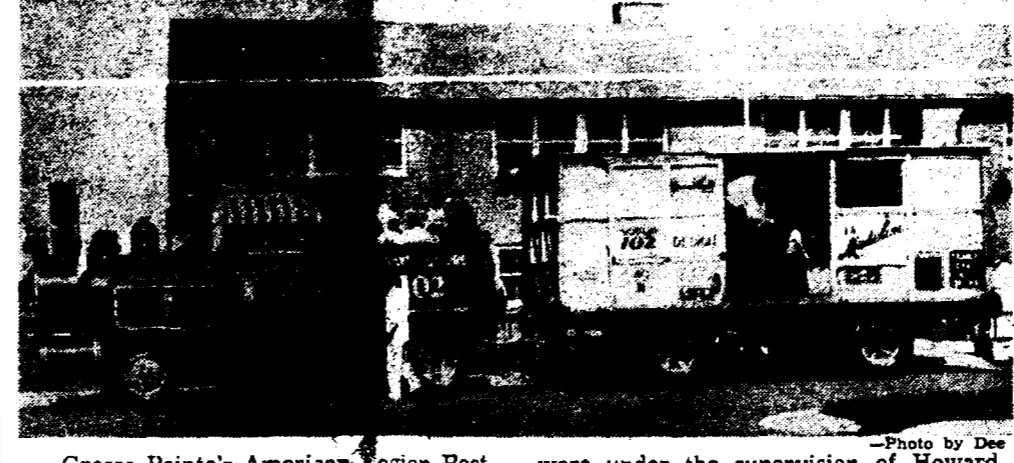

Representing the University of Detroit's Gamma Theta chapter of the fraternity, Jack Sievin, of 1132 Whittier road, will leave on Thursday, August 30, to attend the convention as the alternate delegate, along with Gene Browning, of Detroit, the regular delegate.

After the convention ends, they expect to spend a few days sight-seeing in California before returning to start the fall semester at U. of D. on September 17.

Fractures Leg

Eight-year-old Mary Lou Wilkins of 2072 Anita in Grosse Pointe Woods suffered a fractured leg in a fall from her bike near her home.

LEGIONNAIRE'S "40 et 8" ROLLS IN POINTE

Grosse Pointe's American Legion Post No. 303 in cooperation with Moture No. 102 with their "40 et 8," made many a youngster's eyes rounder last Saturday morning when the Legionnaires took children of the Protestant Children's Home on Cook road for a ride around the countryside.

Chief Walter Hoyt, of the Farms police, was in charge of arrangements. Rides were under the supervision of Howard Whitescarver, commander of Post No. 303, and Charles David was chairman of the box car.

After the thrill of a ride in the famed "40 et 8," youngsters at the home were treated to popcorn, candy and ice cream through the courtesy of the Grosse Pointe Post.

TB Society Urges Pre-School Medical Check-Up

Great preparations are being made for thousands of children throughout the country who will be going off to school for the first time—new clothes and some unfamiliar new tools like pencil cases and note books, says the Tuberculosis and Health Society.

Unfortunately, for many of these would-be pupils, the most important part of the child's preparation for school life will be skipped. This is the complete medical checkup which every child who is entering school should have. Parents can prepare "Johnny" to take this important step into a strange, new life and to get the most out of his school attendance, by making sure that the child is in sound mental and physical condition, the Society emphasizes.

Many parents who mean well, but who neglect the child's pre-school medical checkup, may be sending that child off to school with one or more serious handicaps such as: poor eyesight, impaired hearing, faulty posture, speech defects, injured hearts, nervous and behavior problems, diseased tonsils, foot deformities, and malnutrition.

Many of these imperfections of early childhood could be corrected if discovered early and

treated promptly. Allowed to go unchecked they may not only impede education progress, but frequently mean serious illness later in life.

In every classroom, of course, there are some children who take all the honors, and others who never win a single prize because they find studying and learning a painful or difficult.

But there are many others who have poor school records simply because they cannot see the teacher or hear what the teacher is saying, or they lose a great deal of time from school because they are easily overcome by illness. In most cases, the physical handicap might have been found and promptly corrected by a thorough pre-school medical examination, and school life could have been pleasanter and more fruitful for these unfortunate children from the very first grade, the Society concluded.

Young Champs Have Picnic

The '51 champs of Class "D" summer playground league, the Defer Leopards, celebrated their victory with an outing at Grosse Pointe Park's Municipal Park yesterday afternoon.

The Leopards defeated the Maire Midgets to take the championship. David Cook is captain of the team, with Marty Andrews co-captain. Ages of the players are 10 and 11, with each team allowed two 12-year-olds, in any position except pitcher.

Members of the team, in addition to young Cook and Andrews, enjoying the wienie roast after their swim at the Park, include Roger Kohvoord, Dick Abbott, Bill Cameron, Kenny Graul, Guy Korte, David Brozo, Dick Ramsey, Funch Andrews, Joe Kolley, Jay Bocci, Daniel DeCaussin, Thomas Standifer, Steve Cook, Charles Babcock, Dennis Uetrilli and Pat Sullivan.

Appointments in Business

William N. Gall of 72 Moross road in Grosse Pointe Farms has been elected a member of the American Institute of Accountants, national professional society of CPAs.

All Parochial Schools Open Next Thursday

Official opening day for Catholic Parochial Schools of the Detroit diocese has been set for September 6, according to the Chancery Office.

St. Paul High School, 170 Grosse Pointe boulevard, will have 14 new rooms ready for use on opening day.

An open house for parents and all parishioners will be held in the school Sunday, September 2, beginning at 4 o'clock, when visitors will have a chance to view the new schoolrooms. Exact figures on this year's enrollment are not completed, but it is expected they will show a considerable increase.

St. Clare of Montefalco elementary school expects an enrollment of approximately 750 pupils.

Enrollment figures on St. Ambrose High and St. Jean of Arc Schools, also opening September 6, are not available at present.

Boatmen Get Speedy Rescue

Twenty-five minutes after police had been notified of its distress, the 26-foot cruiser of Robert Corcoran, 19, of 561 Townsend, was anchored safely in the Crescent Boat Club dock last Sunday, August 26.

State Police Urge Caution For Holiday

State Police Commissioner Donald S. Leonard urges all Michigan motorists to help bring the summer season to a happy ending by exercising care and caution on the highways over Labor day.

"During the past five years," Leonard said, "the three summer holiday periods of Memorial day, Fourth of July and Labor day have accounted for 332 Michigan traffic fatalities, of which 141 occurred over Labor day weekends.

"The all-time high for a Labor day weekend was in 1940 with 46 deaths and the all-time low in 1944, when there were only seven.

"Labor day weekend traffic has always been exceptionally heavy. But this year it is expected to reach a new peak. It is the only four-day holiday weekend of the summer as both Memorial day and the Fourth fell on mid-week days.

"Thousands of persons will take advantage of the long holiday period to take vacation trips. Others will be returning home from cottages and summer homes so children can enter school.

"All available State Police patrols will be out to handle traffic, but they alone cannot prevent unnecessary accidents. This is every driver's responsibility.

"Courtesy, caution and common sense will prevent accidents and save lives. A moment of carelessness can mean a tragic ending to a happy beginning."

Police Nab Two Suspects

An observant householder was responsible for the apprehension of two youthful alleged burglars by Grosse Pointe Farms police this week.

F. V. Olds, of 416 Lexington, noticed two young men carrying a bag run across the lawn of 414 Lexington, to enter a parked car, and immediately called police, describing the car the youths were driving.

Jerome F. Zielinski, 18, of 1062 Lochmoor, owner of the car, was questioned by police. He maintained he had merely been driving home a friend, Stanley Demobowski, 17, of St. Clair Shores, and denied being in Grosse Pointe for any other reason.

Board Forced to Alter Some Plans

Grosse Pointe Public Schools will open for approximately 6,600 children on Thursday, September 6. All public school offices have been open for the enrollment of new pupils this week. School officials have urged parents of children not enrolled in the Grosse Pointe Public Schools last June to enroll such children this week. Tomorrow, Friday, between

the hours of 1 and 4 p.m. will be the last opportunity for this advance enrollment.

Forty-six new teachers will be on duty when the school year opens for the public school staff on Tuesday, September 4. Thirty-seven of these teachers will be in the elementary schools, six in the junior high schools, and three in the senior high school. Three of the new teachers are graduates of the Grosse Pointe High School.

Crack-Down by Commission on Violators

The thirty-day suspension and \$300 fine levied by the Michigan Liquor Control Commission against James McKie of McKie's Beverage Shop at 14601 Kercheval avenue is an example of what violators may expect from the efforts being made to curb the illegal sale of alcoholic beverages to minors.

According to Grosse Pointe City police, the situation was called to their attention when they questioned a group of rowdy and intoxicated Grosse Pointe boys as to where they had made their purchases. They stated that their investigation disclosed the boys had been sold beverages by McKie's shop.

Grosse Pointe City police, along with Detroit police, entered a complaint with the state Liquor Control Commission, resulting in the fine and suspension of Mr. McKie's license.

Hopful Young Robber Loses Career-To-Be

The larceny career of Ralph Peck, Jr., 12775 Evanston, Detroit, has been halted, thanks to alert neighbors.

Grosse Pointe Farms police received a call from Mr. and Mrs. Jack Closs and 377 Moross, Wednesday, August 22, to investigate a suspicious car which they saw driving away from a new home under construction at 380 Moross, "loaded to the axle."

Equipped with the mystery car's license number by Mr. Closs, police traced it to Peck, who was then questioned. He admitted taking 24 bags of cement and about 200 pounds of sandstone from the home and then confessed he had also stolen 21 bundles of hardwood flooring from a construction job at 38 Moross and between 25 and 30 bags of brick cement and 15 cinder blocks from a new home at 31 Harbor Hill during the week of August 13.

He then revealed he had hidden 54 bags of the stolen cement on a vacant lot in St. Clair Shores and all the wood flooring and cinder blocks in his garage. These materials were confiscated and Peck charged as a disorderly person.

He appeared in court before Judge J. Burgess Book and pled guilty to the charges of stealing from 380 Moross, since no complaint had been received by police for the other two robberies. He was fined \$20 and placed on six months' probation.

Rider Hurt By Hub Cap

A Lake Shore Coach Lines passenger was injured this week when a hub cap from a passing car struck the coach window.

Carl J. Richardson, 25, who is a resident at the St. Anthony YMCA, was a passenger on the bus traveling on Mack avenue when the hub cap came flying through the air, shattering the window. Fragments of the broken glass struck Richardson in the eye.

The coach driver, Fred T. Haneman, of 1212 Wayburn, took Richardson to the Woods Clinic on Mack avenue, where Grosse Pointe Woods police were summoned to take the injured man to Saratoga Hospital for removal of the glass.

Commission on Violators

The afternoon will be devoted to meetings in the various schools on plans and policies to be followed during the year. On Wednesday, meetings of the various departments, guidance and grade groups will be held.

Orientation programs for all 7-B and other new students will be held at 1:30 p.m. at the Brownell Junior High School and at 2 p.m. at the Parcels and Pierce Junior High Schools on Wednesday, September 5. The orientation program for all new students in the Senior High School will be held at 2:30 p.m. Wednesday, September 5.

Students may meet their teachers and gain some familiarity with the building which they will attend.

School hours for the 1951-52 school year will be the same as last year, with the exception of those for the Parcels and Pierce Junior High Schools. Pierce will open at 8:45 a.m. and close at 3:30 p.m., with staggered lunch hours for the students. The elementary sessions will be from 9 a.m. to 11:45 a.m. and from 1 p.m. to 3:45 p.m. School activities at the High School Building will start at 8:30 a.m. and close at 3:20 p.m. with a rotating system of lunch periods.

It was announced in this paper last week that the new Parcels Junior High School, while not completed, would have enough rooms available so that it would be open on Thursday, September 6, for full day sessions for all pupils. Due to certain unavoidable delays Superintendent Bushong stated today that it is necessary to change the original plans as follows:

All pupils enrolled in grades 7B, 7A and 8B will attend in the morning from 8:45 to 11:45. All pupils enrolled in grades 8A, 9B, and 9A will attend in the afternoon from 12:45 to 3:30 p.m.

The sixth grade group from the Vernier District will attend for a full day session from 8:45 to 11:45 a.m. and 12:45 to 3:30 p.m.

During the period that Parcels is on the half-day program, no cafeteria provisions will be possible. It is expected that as soon as the school is able to go on a full day schedule that the cafeteria will be ready and that hot lunches will be available.

Superintendent Bushong stated that it was regrettable that this step has to be taken, but that there is no alternative. The contractors are making excellent progress on the building and it is hoped that it will be possible to go on a full day schedule within a few weeks.

Three Cars In Accident

A triple accident occurred at Jefferson and the Grosse Pointe City Park Wednesday, August 28, when Lyman Bryvand of 908 6th Street, St. Clair, Michigan, tried to stop for a red light.

Bryvand placed his foot on the brake, but it slipped and hit the gas pedal instead. His car shot forward and hit the rear of the car driven by Joseph Lochmoor of 2221 Belvidere which in turn was pushed into a car driven by Tony Vitale of 21221 11 Mile road. All three cars were damaged and Bryvand was issued a ticket.

NATIONAL PROBLEMS AFFECT LOCAL WELFARE

The cheating scandal at West Point was simply the latest in a series of shocking developments within and without the government. In the Academy case, some of the accused cadets said that such practices had been going on for a considerable period of time, and that men had been graduated and commissioned who had been guilty of them. It is noteworthy that most of the members of West Point's big-time football team were involved. West Point has extremely high academic standards, and large numbers of cadets who are unable to meet them are dropped each year. The football players, apparently, had to devote so much of their time and energy to practicing and traveling that they couldn't properly cope with their studies. So the system of cribbing was developed and, it seems, rather widely accepted within the corps, despite the fact that it was a clear and flagrant violation of an honor code which has existed since the school was founded during the Monroe administration.

Prior to this, the nation was treated to the revelations concerning the bribing of key players on some leading college basketball teams by professional gamblers. The players concerned either deliberately threw games, or saw to it that the winning margin was restricted to a certain number of points. The gamblers thus had a sure thing and cleaned up.

We have recently witnessed the dramatic Kefauver investigation of organized gambling. It brought to light an amazing amount of state and municipal official corruption. In instance after instance, police chiefs, sheriffs and other influential officials worked hand in hand with the gamblers and received handsome payments for their services.

At about the same time the Fulbright committee looked into the moral standards of certain Federal officers, including

men close to the White House. Apparently nothing actually criminal was unearthed. However, to say the least, some extremely questionable practices and associations were discovered. Some men in public positions of responsibility and power seemed to thing it was quite all right to exchange official favors for "gifts" from people who were interested in government contracts, RFC loans and so on. With few exceptions, the officials involved still have their jobs.

Not so long ago the newspapers were full of the activities of the five percenters—the men who, because of real or alleged connection with top Washington officials, obtained government contracts for a fee. This practice is supposed to have been outlawed. But it is widely believed that some of the five percenters are still doing business at the same old stand.

What makes all this particularly important is that, in the view of many thoughtful people, it indicates a terrible decline in the moral fibre of the nation. There have always been scandals—they destroyed two administrations, those of Grant and Harding. There has always been corruption, graft, bribery, cheating, dubious practices. But rarely if ever have they been seen on so wide a scale as in very recent times. And never, so far as anyone can see, have they been accepted with so much equanimity, so little interest or indignation, by the public at large. The wave of public revulsion and anger that followed the disclosures of the scandals of the Harding administration, for example, has not been duplicated to even a small degree in any of the recent scandals.

So the big question is this: Have we, as a people, reached a point of moral cynicism where we regard graft and sharp practices in and out of government as inevitable and of relatively small importance?

And the Band Plays On

Community Chest Supports 80% of All Youth Services

Nearly 9,000,000 young people in the United States are members of Scouts, Ys, Boys' and Girls' Clubs, Camp Fire Girls, settlement houses and community centers.

These are the figures which were recently released by Community Chests and Councils of America in New York. The figures also show that more than 80 per cent of the young people are members of agencies which are supported through the Community Chest as Red Feather services.

In the Detroit area the Red Feather services receive their funds from the annual Torch Drive.

Everywhere in Red Feather youth services there can be found a spirit, an idealism, a love of life which are the basic of democracy. The enthusiastic army of 9,000,000 growing boys and girls are learning how to get on with other people through classes in swimming, life saving, crafts, sewing, cooking, music, art, athletics, and many other types of hobbies.

The youngsters are taking part in group discussions on personal problems, government and world affairs. They are participating in camping programs. All these activities are designed to make them more alert and cooperative citizens.

Activities are under the direction of trained and experienced professional staffs who are augmented by a corps of Red Feather volunteer leaders. Community Chests and Councils of America estimate that there are 1,500,000 volunteers who are helping the youth of our nation in the various youth organizations.

While members of nearly all of these youth services pay yearly membership dues the nominal sum is not enough to cover the complete cost of operating the year-round program. That is

Community Chest Supports 80% of All Youth Services

where the Community Chest steps in—to supply the difference, so that the millions of young people may enjoy the opportunities provided by the youth groups, no matter what the financial position of their parents may be.

In the Detroit area there are 48 Red Feather recreation centers and youth groups which yearly serve approximately 200,000 men, women and children.

Educator at First Annual MSC Workshop

Forrest Geary, Director of County Service for the Grosse Pointe Board of Education, was among the approximately 300 people attending the first annual Michigan workshop on Adult Education at Michigan State College Tuesday and Wednesday, August 28 and 29.

Board of Education members, school administrators, adult teachers and leaders and lay citizens met in Kellogg Center for Continuing Education to discuss "Strengthening Democracy Through Adult Education."

Other featured speakers were Dr. Cyril O. Houle, dean of the university college, University of Chicago; Dr. Lee Thurston, superintendent of public instruction; Ernest Britton, superintendent of schools, Midland; and Eugene B. Elliott, president, Michigan State Normal College, Ypsilanti.

In addition to the speakers there were panel discussions, films and group meetings including such topics as selecting and training adult teachers and leaders, education of the handicapped and mass media; newspapers, films, recordings, radio and television in adult education.

Conference sponsors were the Michigan Department of Public Instruction and the Continuing Education Service of Michigan State College.

Living Costs Up

Consumers' prices in Detroit moved up 0.2 percent between mid-June and mid-July, continuing the upward movement of the Consumers' Price Index for Detroit, according to a report released today by Adolph O. Berger, Director, North Central Regional Office of the U. S. Department of Labor's Bureau of Labor Statistics.

In mid-July the Detroit Consumers' Price Index advanced to 188.6 percent of the 1935-39 average and was 7.8 percent above the level of a year ago. Detroit consumers' prices are now 8.7 percent above the level of June 1950.

Michigan Mirror

Michigan's outstate legislators declined to appropriate funds for Southeastern Michigan TB sanatoriums, and went home from the Special Session with the hot breath of reappointment fanning their necks.

Detroit's Herman Keifer hospital was granted \$300,000. (It asked for \$2,000,000). Oakland county hospital receiving nothing. (Requested \$230,000). Wayne county delegation cried it was "sold down the river," and the drive for reappointment received added impetus.

Senator George N. Higgins (R-Ferndale) sounded the warning when he shouted: "You men (out-staters) are bringing about a constitutional amendment reappointment of the legislature—then the shoe will be on the other foot."

Outstate lawmakers, who control both houses, continually have blocked reappointment for fear of losing control to the heavily populated Southeastern area.

However, state lawmakers did boost old age assistance. The state will double any amount given by the federal government (not to exceed \$70). It now is \$30, but a bill before Congress would increase it to \$33 monthly, making a total of \$66. Gov. Williams, who had asked a \$70 guarantee, expressed his disgust at the "Rube Goldberg arrangement." He also was disgruntled when \$5,000 was not appropriated for state flags to be sent to Korea.

School enrollment padding investigation continues. The North Adams board of education has admitted receiving \$2,012 in overpayment on the school lunch program and has returned a check in that amount to the state.

Michigan's Prohibition party this year has started a rehabilitation program. Plan underway would finance the party with from one to five-cents-per day contributions from party members. Party's executive committee this fall will open a drive for 9,827 petitioners to put the party back on the state ballot.

A small chuckle was heard in Lansing when the Michigan Table Top Licenses Congress (tavern owners association) received by error the bank statement of the Michigan Temperance Foundation. The Foundation, of course, was sent the Table Top accountings. It wasn't pleased.

Consumers Power Company has asked permission to add 10,000 new gas space heating customers. Request arrived one day before federal restrictions froze space heating. Consumers Vice president, M. W. Arthur, said the timing was purely coincidental. "We filed the petition when we thought we were ready to add customers," he said.

Charles Figy, director of the state department of agriculture, was a bit crushed when he was criticized for not spending state money. The Michigan Association of County Drain Commissioners condemned him for sending only two (not four) men to a recent

meeting. Says Figy: "Governor has asked us to cut down on all unessential travel." He saved the state \$200.

The Michigan State Fair has an estimated 15,000 exhibits, some 3,000 more than last year—a trend reflected in most county fairs this year.

Labor Day no longer marks the end of Michigan's tourist season. Recent surveys shows some 70 percent of the resorts in Western Michigan will remain open through September and some even in October.

Vitriolic, Red-hunting Joseph R. McCarthy will come before a Michigan crowd Sept. 14 when he speaks at the Branch county 4-H Club fair in Coldwater. His speech will highlight "Republican Day," an event of no mean importance in Southern Michigan.

A huge display of military might at the National Air Races gave a Russian army officer a belly ache. After a quick inspection, Major Leonid Pynev said: "I have a stomach ache. I think it's appendicitis. I am going back to Washington right away."

The Michigan State Federation of Women's clubs plans a campaign to establish a Girls' Town similar to Nebraska's Boys' Town. The state's 30,000 federated club-women will be asked to raise \$150,000. Land in the Western part of the Upper Peninsula is being considered.

A Detroit official urges prospective home owners not to be stampeded into buying by "wild talk" about "brassic shortages" of essential metals and its effect on future home building.

Bill Before House Would Amend Taft-Hartley Act

Congressman Louis C. Rabaut this week introduced a bill in the House to amend certain provisions of the Taft-Hartley Act relating to the validity of labor-management contracts entered into by unions whose officers had not complied with the non-Communist oath provisions when the contracts were signed. The bill also eliminates the Taft-Hartley requirement of elections to authorize the making of union-shop agreements.

"Experience has shown these elections to be mere formalities with the workers voting overwhelmingly in favor of the union-shop in thousands of elections. Continuing the practice is a needless drain on the limited resources of the NLRB and is disruptive to production and labor peace," Rabaut declared.

Rabaut reported that a similar bill received wide bipartisan support in the Senate and he called for early House action on the measure since "at this time harmonious functioning of the labor-management team is essential to the success of our production effort for defense."

Early Risers See Eclipse

There will be a partial eclipse of the sun on Sept. 1.

Seventy-nine per cent of the sun's surface will be covered by the moon during the maximum part of the eclipse, according to Dr. Hazel M. Losh, assistant professor of astronomy at the University of Michigan.

The sun will rise partially eclipsed and the eclipse will reach its peak shortly after the sun peaks over the horizon. The eclipse will be all over by 7:06 a.m.

Average Income

The average Michigan family has an income of \$3,532 a year or \$67.92 a week.

Reporting on U. S. Census figures the "Michigan Business Review," published by the University of Michigan, says that about half of all Michigan families had incomes ranging from \$50 to \$100 weekly.

OBITUARIES

Funeral services were held last Monday afternoon for William Henry Wallace of 503 University place.

Mr. Wallace, who died August 23, is survived by his wife Beatrice, nee Morrison; two sons, Paul K. and William, Jr.; a daughter, Nancy Linda; and four sisters in New Jersey.

Services were held at the Verheyden Funeral Home, 16300 Mack at Outer Drive at one o'clock.

Mrs. Frances Marie Schmidt, wife of Larry I. Schmidt of 1409 Grayton road, died Thursday, August 23. Funeral services were

held Monday morning from the Verheyden Funeral Home, 16300 Mack, to St. Clare Church at 10 o'clock. Burial was in Toledo, Ohio.

Mrs. Lillie Hines, 90, of 708 Balfour road, was buried last Tuesday afternoon. Mrs. Hines was the wife of the late William; and is survived by three sons, Roy A.; Wilsford L.; and John C.; six grandchildren and three great-grandchildren. Services were held at the Van Lerberghe Funeral Home, East Warren at Lakeview. Interment was in Forest Lawn.

Funeral services were held last Tuesday for Barclay O'Neil, son of Dr. and Mrs. Robert K. O'Neil of 331 Merriweather. In addition to the parents, a brother, Hugh, and a sister, Kathie, survive.

Services were conducted at the Verheyden Funeral Home, 16300 Mack at Outer Drive.

Dr. O'Neil, Grosse Pointe veterinarian, is secretary-treasurer of the Grosse Pointe Rotary Club.

Funeral services were conducted at the Verheyden Funeral Home last Monday afternoon for Richard Lee Wardrip, of 895 Vergier road.

Funeral services were held last Tuesday for Barclay O'Neil, son of Dr. and Mrs. Robert K. O'Neil of 331 Merriweather. In addition to the parents, a brother, Hugh, and a sister, Kathie, survive.

FAST DELIVERY TO THE PLATE!

of Course... the Ted Grays' Range is ELECTRIC!

Nothing compares with an electric range for cooking," insists Mrs. Ted Gray. "One thing I love is not having to cover my roasts or add water to keep them moist. The heat is even and perfectly adjustable."

"Doreen is a wonderful cook," puts in Ted proudly. "And she doesn't live in the kitchen like some women, either."

"Goodness, no! You don't have to... not with an electric range. I just wish every woman knew how marvelous it is to cook with electricity."

Once you try the electric way of cooking you'll be in complete agreement with the Grays. Call on your appliance dealer tomorrow.

of course, it's ELECTRIC!

Post 303 Team Runner-up in Championships

After what virtually amounted to a Cook's tour of Detroit's parks, the playoff for the American Legion city championship was finally held at Canyon Park on East Warren last Sunday afternoon.

The game between Grosse Pointe's Post No. 303 team and the Beaudry Post team was originally scheduled for one o'clock on diamond number five at Belle Isle. First came a last minute transfer to Chandler Park, and upon arrival there, another transfer to Canyon Park, where the game took place, beginning at 2:15.

In a close 8 to 6 game, Beaudry Post won the championship over the Grosse Pointe team. The Beaudry team garnered eight hits against seven for the 303 boys.

Dick Kanan was the starting pitcher for the Grosse Pointe team, with Al Van Blaricom, who has been troubled with a bad arm, taking over the last two innings.

Ronnie Smith, who, incidentally, celebrated his sixteenth birthday at the outing at Grosse Pointe Woods Lakeland Park last Wednesday—not his seventh, as our typographical error may have led readers to suppose—was behind the plate.

Bill Mason returned from a vacation trip to take his place in the lineup as shortstop. Other players were Bob Sealy, first base; Lee Clancy, second base; Joe Seagram, third base; Mickey Andrey, left field; Dale Hewitt, center field; and Rodney Wilkie, right field.

Wayne Offers Courses for the Retailer

Three courses of special interest to owners and managers of small to medium-sized stores will be offered in the fall program of the Wayne University Retail Training Section, which begins September 10.

Management of Small Retail Stores, offered on Wednesday evenings, will include business financing, building and layout, buying, stock control, selling, record keeping and expense control.

Meeting on Thursday evenings will be a course in Principles of Display. This course covers the basic principles which can be applied to all types of interior and window display. Students are given ample opportunity to apply these principles in class sessions by creating their own displays in a miniature window.

A class in retail salesmanship is offered on either Wednesday or Thursday evenings. This course teaches better techniques in meeting customers, developing a sales talk, demonstrating and dramatizing merchandise, trading up, making a convincing sales talk, overcoming customers' objections, helping the customers decide and making suggestions toward additional sales.

Retail Training Section classes are open to all retail store employees in the Detroit area, regardless of previous education, and are sponsored by the Detroit Retail Merchants Association. Registration will take place from 8 a. m. to 8 p. m., September 5, 6, and 7, in Room 14, Retail Training Building, 692 Merrick Avenue at Third. Each class meets one night a week for twelve weeks.

Further information may be obtained by calling TEMple 1-1566.

Vegetables' Field Day

Wednesday, September 5, has been set as the date for the annual vegetable grower's field day at Michigan State College. You will have an opportunity to see all the vegetable research plots and visit with the men conducting the research.

It is a good opportunity for growers to keep in touch with some of the new practical developments along the research line, and, of course, it's an excellent opportunity for all of you to see first hand some of the new recommendations and varieties you have heard or read about through notices from the college.

GOING TO THE FAIR

Members of the James D. Friel Family demonstrate how people went to the Michigan State Fair at the turn of the century. The general manager is driving a 1907 Cadillac with Mrs. Friel in a gay nineties' outfit, alongside of him. In the back seat, left to right, are three of the five Friel daughters—Pat, Rita, and Jean. Incidentally, the State Fair of 1951 will be from August 31 through September 9.

Lawmakers Lt. Deal at Rebuked by DPS Meeting Governor

Governor G. Mennen Williams has this to say in his weekly newspaper column in regard to the appropriation for TB sanatorium needs:

"The Legislature, after long debate, refused to appropriate the \$2,000,000 which I recommended to meet the tuberculosis sanatorium needs of Southeastern Michigan.

"Instead, the lawmakers granted Wayne County a paltry \$300,000. With all due respect to the needs of other areas, which we certainly do not want to neglect, this action was certainly unfair. "Southeastern Michigan has the worst TB problem in the state. Two-thirds of deaths from this disease in Michigan in 1950 occurred in Wayne County. And 89 per cent of patients on the waiting list for sanatorium care are in Wayne County. In the face of these facts, the Legislature granted Wayne County less than 10 per cent of the available funds.

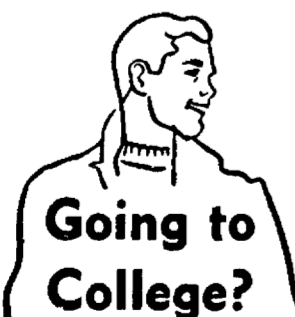

"This is an issue which cuts across political lines and tends to cause serious division among our people. As Governor of all the people, I am equally concerned to protect the interests of every county, regardless of its population or geographical location. This is a case of obvious injustice to one area. "Men of good will, no matter where they happen to live, ought to co-operate to stamp out tuberculosis wherever it occurs. It is no respecter of geographical boundaries."

Appointments

(Continued from Page 1)
Kuhl to public relations coordinator was announced today by Hugh W. Hitchcock, director of advertising and public relations for Packard Motor Car Company. In his new post, Kuhl will assume the duties formerly held by S. J. Keith, who resigned to move to California. In addition, Kuhl will supervise publications work in the public relations department.

He joined Packard in April, 1948, as editor of "Packard News," a dealer publication, and later that year branched into special public relations assignments.

Prior to 1948, Kuhl was with the Detroit bureau of United Press for two years serving as city reporter.

Future Stars to Play In Legion Tournament

The World Series opens at Briggs Stadium on Tuesday, September 4—Junior Edition, that is. This World Series has four teams, and none of the players is more than 17 years old.

This is the American Legion Junior Baseball Finals, of course, often tabbed "The Junior World Series." Detroit's 250th Birthday Festival Sports Committee brought the tournament to the Motor City this year, to give local fans a look at the major league stars of tomorrow.

Briggs Stadium is the scene of the six or seven game series,

September 4-8. The first and second are bargain days, with doubleheaders scheduled. Thursday and Friday's games are arc light contests, starting at 8 p. m.

The Legion Junior Baseball program divides the 48 states into 12 regions, four states each. The regions are divided into four sections. The finals in Detroit pit the four sectional winners in a two-game knockout tournament.

These finals are billed as "The major league stars of tomorrow" and the records show they come through as advertised. Some of professional baseball's brightest stars have risen from the ranks of Legion ball. George Kell, Ted Williams, Stan Musial, Ralph Kiner, Hal Newhouser, and more than 250 other current major league stars were former players in this great youth program that celebrates its silver anniversary this year.

Admission is 50 cents, no seats reserved. A bargain book of tickets for all games is on advance sale at \$1.20. They are available at all Cunningham Drug Stores, any American Legion Post, or from any Ford dealer.

Brewer Is '51 Skish Champ

Groswold Brewer, well-known to Grosse Pointers, is the 1951 State Skish Casting Champion as the result of placing highest in the "all around" events in the state tournament held at the Wayne County Sportsman's Park pool Saturday and Sunday, August 25-26.

He was first in Skish Bait Distance, Skish Spinning Distance, Skish Fly Accuracy and Skish Bass Bug, second in Skish Bait Accuracy and third in Skish Fly Distance among the "all around contestants."

New state records were set in five of the six events.

Brewer set new state records for Skish Spinning Distance with a cast of 154 ft. 6 in. and Skish Bait Distance with a cast of 191 ft. 9 in. Ted Krause was second in the "all around." He was first in Skish Fly Distance and set a new state record with a cast of 91 ft.

Jim Barto cast a perfect score of 100 in the Skish Bass Bug Accuracy event to set a new state record and 90 in the Skish Fly Accuracy event for another new state record. He was second to Henry Foy in Skish Bait Accuracy. He did not cast in the distance events and there was not eligible for the "all around."

Only through democracy will men ever achieve a world society of peace and happiness where all men are free and none shall be afraid.

Wrestling Cards at Chesterfield Arena Resume Sept. 14

EAST DETROIT—Professional wrestling matches will again be presented to the public at Chesterfield Arena, Gratiot near 10-Mile road, commencing Friday, Sept. 14, at 8:30 p. m.

The Grosse Pointe Review—Thursday, August 30, 1951—3

Ken McCauley, who has been promoting these bouts in association with Edward Schulte and Tony Pniwski, remarked, "As we enter our fifth year of promotion in this South Macomb county spot, we have every indication pointing to our most successful year. We are endeavoring as we have in the past to give fans the best wrestlers we can secure."

A spic and span atmosphere will greet patrons for the three local men are now busy refurbishing the arena for the opening.

Late Summer Newlyweds Honeymoon in South

Marguerite Jean Clark, daughter of Mrs. Fred Clark of Anita avenue and the late Mr. Clark, exchanged marriage vows with James Barnett of Johnson City, Tennessee, at a ceremony August 18. Rev. Compton of Messiah Lutheran church officiated.

The bride, given in marriage by a family friend, Bernard Pearl, wore a ballerina gown of skinner satin. A tiny cap held her fingertip veil, and she carried a cascade arrangement of white roses.

Florence Marshall, only attendant of the bride, wore a pink sheer gown, and carried pink and white roses.

Earl F. Aumick served as best man.

The mother of the bride wore a navy street length dress, with navy accessories, and a shoulder corsage of red roses and white gardenias.

The young couple are honeymooning in the South. The bride chose a navy blue suit with white accessories for her going-away costume, and wore the roses from her wedding bouquet.

Mrs. James Barnett

Couple Marks Half Century of Marriage

On Saturday evening, August 25, Mr. and Mrs. A. F. Radtke, of 1126 Beaconsfield road, were hosts at a reception for relatives and friends at St. Luke's Parish House on Seminole avenue, to mark the fiftieth anniversary of their marriage. Mr. and Mrs. Radtke were married August 21, 1901, in Albion, Michigan, and immediately took up residence in Detroit.

At the time of Mr. Radtke's retirement, several years ago, he was superintendent of the Detroit-Michigan Stove Company. He and Mrs. Radtke are both still active in church and fraternal circles in Detroit.

On August 21 they were entertained at a small dinner party by Miss Anne M. Clifford and Miss Constance M. Wagner at the home of Miss Clifford on Piccadilly road.

Chas. B. Lords Leave Pointe

The youth of Grosse Pointe will lose one of its staunchest supporters and hardest workers when Mrs. Charles B. Lord of McMillan road leaves the Pointe to make her home in Indianapolis, Indiana, in the early part of September.

Mrs. Lord, a resident of the Pointe for 14 years has been active in work with the youth of the community during all her years here. She was president of the Mothers Club of Grosse Pointe High School for the two-year term of 1947-48. Active in school and church groups, she has been a guiding force in the youth groups associated with the Grosse Pointe War Memorial Center since its inception.

Mr. Lord, who will be connected with the Indianapolis Star-News, has already left for his new post, and Mrs. Lord expects to join him there the first week in September.

The Lords have two sons: Bill, who is 2nd Lieut. William Lord of the Marine Corps, and Richard, who will be in his third year at Denison University this fall.

Off to College

PACKING!
LET US CLEAN YOUR THINGS!

Now's the time to send us those suits, those skirts and sweaters, those smart dresses and formal for their "before college" cleaning! Then you'll arrive at school with a sparkling, crisp autumn wardrobe—all ready for work, play and gay fun!

Tau Beta Juniors Plan Scholarship Fund Fair

Tau Beta Juniors are working with a will to make a big success of their fair this year. Their goal is a scholarship fund for the talented members of the Tau Beta Community House in Hamtramck. The fair will be held at St. Paul and Fisher road on September 9.

The new project, given the juniors by the Tau Beta Association, has been discussed at numerous meetings called for the membership at large and for the committee heads throughout the summer. They have been collecting new ideas with a view to great improvements over their fair of two years ago.

At their first meeting, the members chose Cynthia Keydel as chairman in charge of arrangements, and Bezie Smith as co-chairman. Ideas for new booths in addition to the booths from the fair two years ago were discussed, and heads of the booths chosen.

Kitty Smith and Nona Hemmer took over the job of outfitting the knitting booth. The Hamtramck Community House promised to do crocheting for this worthy cause.

The white elephant booth will be under the direction of Cynthia Wheelock and Ann Laferte. They have promised an astounding array of things new and old at terrific bargains.

Mary Sue Livingston is busily browsing through attics and libraries for books from current novels to childrens books for her booth at the fair. Mary Conlisk and Jessie Zimmerman are the "disk jockeys" in charge of records from the old Edisons to the latest hits.

The children's booth headed by Mary Doelle will have games, toys and hand made clothes. Games of chance with grand prizes is being supervised by

Cornelia Von Mach. There will also be pony rides for the children.

In addition, for mothers who want to enjoy the fair without having to worry about the children getting lost, there will be a "Park your Kiddies" spot, with Judy Hubbard and her able assistants to keep the children entertained with games.

Carroll Grylls has guaranteed a variety of delicious baked goods in the booth under her charge.

One of the new booths which promises to be most popular is the parcel post booth run by Nina Cunningham. Here will be found packages from all over the country to be sold unopened, all at one price.

Tickets are available from any Tau Beta member for the three speed portable Webster Chicago phonograph, donated by Jack O'Conner and Mrs. Richard Weber, for the tennis racket given by Toby Hanson, and for a lively male puppy. Holders of tickets will not be required to be present at the fair.

Farms Girl Wins Honors

Mary Kay Tracy, daughter of Mr. and Mrs. Emmet E. Tracy of 54 Kerby road, is one of the top swimmers at Moss Lake Camp in the Adirondack Mountains, at Darts, N. Y., where she and her sister, Denise, are spending the summer.

Mary Kay was the winner of the free-style swimming race, took second place in the backstroke and was a member of the winning relay team.

AUGUST BRIDE

Mrs. Martin Andrew Marsack, who before her marriage August 25, was Miss Carol Briggs of Westchester road.

Marsack-Briggs Rites at St. Ambrose Church

In a single ring ceremony at St. Ambrose Church last Saturday, August 25, Carol Gay Briggs became the bride of Martin Andrew Marsack. Father F. J. McPhillips of St. Mary's Chapel in Ann Arbor celebrated the nuptial high mass.

Mr. and Mrs. Clare E. Briggs, 623 Westchester road, are the parents of the bride, and the groom is the son of Mrs. J. P. Nadeau of 113 Muir road and the late George Marsack.

Given in marriage by her father, the bride was gowned in imported Swiss organdy fashioned with a fitted bodice and cap sleeves. The full skirt featured panels of tiny hand-embroidered flowers, and similar embroidery was on the full length mitts. A small cap of Swiss organdy with matching hand embroidered flowers secured the fingertip veil.

The bride's only jewelry was a single strand of pearls, a gift from the groom.

For her wedding bouquet, Miss Briggs chose a white orchid surrounded by jasmine. The honor attendant was Catherine Ann Cleary of Ypsilanti and bridesmaids were Phyllis Gundrum, Ypsilanti, Maryanna Larson and Cynthia Bruce, both of Grosse Pointe.

All attendants wore hoop-skirted gowns of imported white dotted Swiss over mint green taffeta. The gowns were styled with fitted bodices and cap sleeves. Sashes of mint green were tied into bustle bows with wide streamers to the hemline, and they wore small matching caps and mitts. They carried small clusters of white fugi chrysanthemums.

Lynda Briggs, six-year-old sister of the bride, was flower girl, wearing a dress of white marquisette over pink organdy. Handmade pink rosebuds and appliqued leaves set off the dress, and she carried a tiny bouquet of sweetheart roses.

Assisting the groom as best man was Benjamin N. Willis and ushers included Stanley A. Judge, Alonzo C. Marsack and Vincent Marsack.

Following the breakfast and reception at the home of the bride, the young couple left on a motor trip through Canada and Maine before taking up residence at 415 Albert street, East Lansing.

For her going-away dress, the new Mrs. Marsack chose a navy tissue wool sheath with a navy and white tattersall gabardine jacket. Her hat was a navy

sugar scoop of felt skirting with a red veil and trim.

Out-of-town guests included Mr. and Mrs. Owen J. (Pat) Cleary, Lansing; Mr. and Mrs. Marc Braeckel, Larchmont, N. Y.; and Mr. and Mrs. J. M. Branchberry, Hartford, Conn., as well as others from Chicago, Greenville, N. C., and St. Louis.

Woods Man Takes Bride

Mr. and Mrs. Edward Stahl of Cadillac Boulevard announce the marriage of their daughter, Hope Constance, to Paul Warner Lancaster.

Mr. Lancaster is the son of Mrs. Ralph Middelstadt of 1514 Grosse Pointe Woods, and William G. Lancaster of Youngstown, Ohio.

The young couple was married in a double ring ceremony at the Cadillac Boulevard Presbyterian Manse last Saturday, August 25.

Following a wedding trip through Northern Michigan, Mr. and Mrs. Lancaster will reside on Young avenue, in Detroit.

To Wed

Mr. and Mrs. Herbert J. Woodall of Oxford road announce the engagement of their daughter, Constance, to William P. Fisher, son of Dr. and Mrs. Ralph Lee Fisher of Cloverly road.

Miss Woodall is a senior at Hood College, and Mr. Fisher is a senior at Duke University.

The engagement of Euia Caroline McNerney of Toledo, Ohio, to Bradshaw McKee, son of Mr. and Mrs. Max B. McKee, is announced by her parents, Mr. and Mrs. John Howard McNerney.

Miss McNerney is a graduate of Smith College, and Mr. McKee attended the University of Michigan.

Theatre Make Plans for Coming Plays

At a meeting at the home of Mrs. George Candler on August 22, final details for the monthly meetings of the Grosse Pointe Community Theatre were whipped into shape.

On the third Tuesday of each month, beginning September 19, the entire group will meet for an evening of fun and instruction at the Grosse Pointe Methodist Church on Moros road. The Workshop committee, headed by Louise Candler and Undine Sturdevan, will produce a workshop play. Casting for the first workshop play will be held at the first meeting in September; the play will be given at the October meeting, thus alternate meetings will include casting and production.

Other plans for the monthly meetings, under the chairmanship of Frank Standish, include demonstrations of various phases of theatrical work such as designing of sets, making of costumes, how different types of make-up are achieved.

All the various committees are working closely with the Workshop chairmen on these meetings. Anyone interested in any phase of play production from acting to props is urged to come to the meeting in September and meet the chairman of the activity you are interested in most.

Committee chairmen are: production, John Sinclair; make-up, Jean Justice; costume, Peggy True; house, Anne Lang; box-office, Barbara Roney; publicity, Louise Wert; membership, Joan Hall.

Simians End 1951 Season Last Sunday

The Grosse Pointe Simians elected officers for the forthcoming year at their final meeting of the year, Sunday night, August 26, at the home of Sue Spurrier, 261 Kenwood Court.

Preceding the election, the members held a review of this summer's work, which included production of "The Male Animal" at the War Memorial Center.

New officers are: president, Dwight Wilson; vice-president, Larry Hittel; secretary, Rae Garber; treasurer, Dick Kuhn; members-at-large, Don DeVries and Peggy Harrigan. The new officers expect to begin forming plans for another successful season in the near future.

After the official meeting was adjourned the group relaxed in a social get-together hosted by Miss Spurrier. In addition to being the final meeting of the year, the gathering was in the nature of a farewell party for two of the Simians who left to join the armed services on August 27, John Butterfield and Bob Harbison.

Hostess For Jr. Alumnae

Mrs. Glenn Coulter of Merriweather Road will be hostess to the newly formed Junior Group of the Detroit Alumnae Chapter of Chi Omega on Wednesday, September 5, at 8:00 p.m.

The meeting will be primarily social, but there will be some discussion regarding activities and projects for the coming season.

All Chi Omegas who have been graduated since 1940 are invited, and can make reservations by calling Mrs. Donald Benham (KE 2-5280) or Mrs. Richard Roeder (TY 4-4171) not later than September 3.

Localites Repeat Vows

Garden Ceremony
A ceremony in the garden of the Cloverly road home of Dr. and Mrs. Edward D. Spalding last Saturday united their daughter Florence and Harold Sharp in marriage.

Mr. and Mrs. George Sharp of Hartwell avenue are the parents of the groom.

The bride wore an off the shoulder gown of ice blue lace with fitted bodice and bouffant skirt. A tiny cap held her veil of tinted illusion, and she carried a small bouquet of pink tea roses.

Attendants were three ex-classmates at Albion: Mrs. Newman Dawe, Mrs. Theodore Hoag of Gaylord, Michigan, and Nancy Beard.

Best man was Dennis White, and ushers were Newman Dawe, Richard Warty of Milan, and Clark Jacot.

The newlyweds will live in Rockford, Illinois, following a Northern Michigan honeymoon.

Ohio Wedding:
Judith Pentland Crangle, of Grosse Pointe Farms, daughter of Mr. and Mrs. William Henry Crangle of Cleveland Heights, Ohio, was married to Gordon Wilson Rose last Saturday in a candlelight ceremony in Christ Episcopal Church in Shaker Heights, Ohio.

Parents of the groom are Mrs. Margaret W. Rose of East Grand boulevard and Elmer A. Rose of Elmira, N. Y.

The bride wore hand-embroidered Swiss organdy with a full length train, and carried a colonial style bouquet of flowers from her godmother's, Mrs. Leonard Weitz, garden.

Only attendants for the bride were her two sisters, Barbara Doris Crangle and Mrs. Wayne J. McFarland, Marsha Park of Toronto was flower girl, and ring bearer was Murray Jones, of Niagara Falls, Ontario.

Best man for his brother was Arland Rose, of Elmira, N. Y., and seating the guests were Robert Lee, of Grosse Pointe; Murray Thomas, of Dearborn; Wayne J. McFarland, of New York City; Merideth Jones, Niagara Falls, Ont.; Allan Park, of Toronto and Lieut.-Col. John P. Page, of Hamilton.

Afternoon Ceremony:
Robin Lakin Good and Jeremy Heuser Lepard were married in a 5:30 o'clock ceremony last Saturday afternoon, at the home of Jeremy's parents, Dr. and Mrs. Cecil Ward Lepard, on Ridge road.

Members of the family and close friends attended the ceremony.

Mr. and Mrs. Calvin Good of Robinson, Illinois, are the parents of the bride.

The bridal gown was a ballerina-length dress of pale bronze taffeta, and the bride carried chrysanthemums of a deeper bronze shade. Her only attendant was the ten-year-old sister of the groom, Robin Lepard, wearing a pale blue organdy dress.

A reception in the Lepard home followed the ceremony.

The newlyweds are making an Ann Arbor farm their headquarters for apartment hunting. Mr. Lepard will be technical director for an Arts Theater Club in Ann Arbor, and Mrs. Lepard will act in Theater Club productions.

Yvonne Hodgson Weds:
Yvonne Shirley Hodgson, daughter of Mr. and Mrs. Merrel J. Hodgson of 2065 Ridgemoor, and Robert Roy Randall repeated their wedding vows to Rev. Andrew F. Rauth at Grosse Pointe Woods Presbyterian Church at a 4 o'clock ceremony on August 18.

Mr. Randall is the son of Mr. and Mrs. George H. Randall of Chester avenue.

The bride wore a ballerina dress, and a pearl trimmed cap held her fingertip veil. Her flowers were a cascade arrangement of white roses and orchids.

Miss Ruth Bortman was maid of honor, gowned in aqua blue and carrying yellow roses and mums in a cascade style.

Best man was George Robert Randall, and ushers were Richard Macaulay, Allen Smeltzer, Donald Chuba and Gilbert Matry.

Following a reception in the home of the bride's parents, the newlyweds left on a wedding trip to Northern Michigan. For her going away costume, the new Mrs. Randall chose an aqua suit with black accessories.

Klenk-Donovan Rites
Barbara Ellen Klenk, daughter of Mr. and Mrs. William Christian Klenk of Devonshire road, became the bride of James Frederick Donovan in a ceremony last Saturday at St. Peter and Paul Jesuit Church.

Mr. and Mrs. Percy J. Donovan of Yorkshire road are the parents of the groom.

The bride wore a lace-oversatin gown, fashioned with a full skirt and long sleeves. Her French silk illusion cap secured the fingertip veil and her flowers were white spray orchids and stephanotis.

Attendants were Jean Halliday as maid of honor, and bridesmaids Elaine Kramer, Joan Gehlert and Mrs. William Dean Robinson, Jr.

John Collins Donovan of New York City was best man for his brother, and ushers were Robert Donovan, Percy J. Donovan, Jr., and William Christian Klenk III.

The newlyweds are spending two weeks at Bigwin Inn, Lake of Bays, Canada.

Married in California:
St. Edmund's Episcopal Church in San Marino, California, was the scene of the wedding last Saturday of Barbara E. Knowles and Alger Chaney, son of Mrs. D. Dwight Douglas of Grosse Pointe and Henry F. Chaney of Portland, Oregon.

The bride is the daughter of Mrs. Raymond Vincent Knowles of Claremont, California, and the late Mr. Knowles.

The couple exchanged vows at an afternoon ceremony before a green and white flower banked altar.

A cousin of the bride, Harley J. Earl of Grosse Pointe, gave her in marriage. The bridegroom's sister, Mrs. Harry H. Kern, Jr., of Oregon, served as matron of honor.

Best man was William E. Weiss, Jr., of Long Island, and ushers were Raymond V. Knowles, Jr., David Dwight Douglas, Jr., Harry H. Kern, Jr., Dixon B. Livingstone, and George Wilhelm.

A reception in the gardens of the Huntington Hotel in Pasadena followed the ceremony.

Stork News.

Dr. and Mrs. Robert Neil Ruthven of McKinley road announce the arrival of a son, Robert Neil, Jr., on August 14. Mrs. Ruthven is the former Marilyn Grewe.

A. A. A. Leber, Pastor
M. L. Martin, Assistant
Sunday, September 2: Services at 8:00 a.m. and at 10:30 a.m. Sermon theme: "Garden-Bearer." (Matthew 23:37-39)
Sunday School Session from 9:15 to 10:15. Class provided for all ages, including Bible classes for teen-agers and adults. Visitors and new people are welcome.

CHRISTIAN SCIENCE CHURCHES
That Christ Jesus came in fulfillment of prophecy is clearly brought out in the Lesson-Sermon to be read in all Christian Science churches on Sunday, September 2.
The Golden Text is from John (5:19): "The Son can do nothing of himself, but what he sees the Father do." Among the Bible citations is this passage, John 2:9: "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth."
Scripture passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The Son can do nothing of himself, but what he sees the Father do." "Among the Bible citations is this passage, John 2:9: "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth."
The narrative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The Son can do nothing of himself, but what he sees the Father do." "Among the Bible citations is this passage, John 2:9: "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth."
The narrative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The Son can do nothing of himself, but what he sees the Father do." "Among the Bible citations is this passage, John 2:9: "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth."

LUTHERAN CHURCH OF THE REFORMATION
Vernor Highway E. at Lakeview
Rev. J. H. Stickle, D.D., Pastor
9:30 a.m., Church School. Classes for all ages beginning at 9 years of age. Come bring the children and attend the pastor's Bible Class.
11:00 a.m., Morning Worship.
The subject of the sermon for Labor Day Sunday will be, "For What Do We Work?"
Annual Home Coming Service will be held Sunday, September 9th.

SARA'S WORLD FAIR
TU 2-3319
Sunday, September 2nd, 10:30 a.m., Children's Class. Subject: "The Promise of All Ages." Reference: "And at that time shall I bring up the Great Prince which standeth for the children of thy people; and there shall be a time of such as such as never was since there was a nation, even to that same time." Daniel 12:1.

Pollen Peak Due by Monday

Ragweed pollen in the Detroit area is expected to reach a peak about the Labor Day weekend, according to Dr. Joseph G. Molner, commissioner of health. The highest count so far this summer was 76, on August 20. Both this summer and last, ragweed pollen was below the average here partly because of cool weather which did not promote the rapid growth of the weeds.
In an effort to relieve the city's hay fever sufferers, which are estimated at about 60,000, the spraying of vacant property to kill ragweed is being continued by four spraying crews of the Department of Parks and Recreation. These crews worked in the southwest area of Detroit because the prevailing winds are from there and the pollen grown there is scattered by the wind to other parts of the city. This is the second season for this spraying program and the goal for this season is 2,000 acres.
Property owners can aid greatly by pulling or spraying ragweed on their property and between the sidewalks and the curb. The spraying program of the city cannot cover occupied property. A program of ragweed control on a local basis is not expected to provide total relief but it will be interesting to watch for the results as this ragweed elimination work continues.
All beauty and goodness are in and of Mind emanating from God; but when we change the nature of beauty and goodness from Mind to matter, the beauty is marred, through a false conception, and, to the material senses, evil takes the place of good.
—Mary Baker Eddy

In accordance with the provisions of Section 14 of the Bicycle Ordinance of the City of Grosse Pointe Farms which reads as follows:
Section 14. All bicycles recovered by the Police Department and unclaimed by owners within six months after recovery may be sold at public auction by the Police Department after posting written or printed notices of such sale, describing the bicycles and giving date and time of sale, in at least three public places in the City at least ten (10) days prior to such sale. All moneys realized from such auction shall be paid into the general fund of the City.
Notice is hereby given that a PUBLIC SALE of unclaimed bicycles will be held on Saturday, September 8, 1951, at 8:00 o'clock in the forenoon at the Police Station, 90 Kerby Road.
All bicycles offered for sale will be sold to the person offering the highest bid. Bicycles offered for sale will be available for inspection between the hours of 8:00 a.m. and 10:00 a.m. on the day of the sale.
Harry A. Furton,
CITY CLERK

News of the World in Pictures

PAINTING four-story flagpole poses no problem for Lakewood, O., fireman Gene Murray, as he utilizes the department's 85-foot aerial ladder. That's Murray 'way up there, at top of pole.

BESPECTACLED Gen. Dwight D. Eisenhower, commander-in-chief of SHAPE, joins American officers in the field for chow at Baumholden, Germany, while visiting Fourth Division.

MOVIE STAR Virginia Mayo poses for sculptor Yucca Salamunich in Hollywood as he designs a figurehead for a schooner to be built in Norway. If it's true that old custom of installing feminine figures on bows of ships is due for revival, Miss Mayo's should help along.

KREMLIN JOE, one of many tame bears seen along Ontario's highways, scans countryside for signs of approaching tourists from his perch. He's eager for ice cream they bring.

FAVORITE ACTION for sidewalk superintendents watching progress on Republic Steel's \$75 million expansion program in Cleveland is the tossing and catching of white-hot rivets. The catcher is about 50 feet in the air at strip mill roll shop under construction. Approximately one million rivets will be driven home before new steel-making facilities are completed.

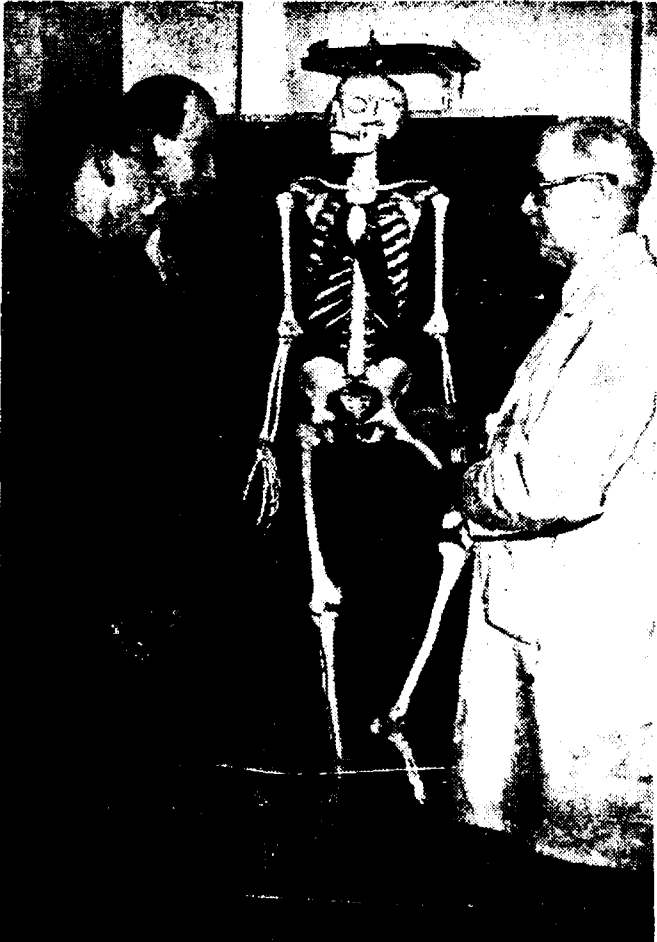

WITH A GIANT HAND forming the Scout salute, and a Scout dressed up as Uncle Sam, the American delegation prepares to leave World Scout Jamboree at Bad Ischl, Austria. Some 15,000 Scouts from all over the world attended the gathering.

JACKS OF ALL TRADES

Under critical eyes of fellow students, insurance claim adjuster C. L. Burris, Macon, Ga., smooths damaged surface of automobile door at unique school for claimsmen in Chicago.

Dr. J. J. Condon demonstrates where the most serious accident injuries occur, for R. J. Slaughter (left), R. G. Perkins. King Features Syndicate

LOOK OUT, Mr. Mechanic! Better be on the level when you give that insurance adjuster an estimate on what it will cost to repair that car, because he knows your business. That is, he does if he attended the Chicago school one insurance group has set up to convert its claims men into reasonable facsimiles of auto mechanics in one week. Adjusters from all over the U. S. and Canada receive in four weeks training equivalent to months of field work, in subjects ranging from auto repairs to repair of the human body. Accent is on autos, because of increasing costs and shortage of parts. Three weeks of the course are devoted to the study of anatomy, a study of insurance contracts and related legal subjects, as well as an explanation and discussion of the latest trends and developments in the insurance field. Training insurance men undergo enables them to deal competently with claims.

J. G. Holden, Chicago, wields the hammer, and William Elliott, Grand Rapids, Mich., watches while instructor John Gillio explains the proper way to straighten a damaged fender.
